Chapter 2461: 517: I Don't want it to be my loss! 2

"Old Master Chen looked at Bai Jiayu. "Jiayu, tell me, am I an ordinary person to Shiyu?" "

He had saved song Shiyu on a snowy night.

"If it weren't for him, there wouldn't be song Shiyu! "

It wouldn't be an exaggeration to say that song Shiyu owed him a life.

"But now, Song Shiyu had actually rejected his request. "

"If song Shiyu really wanted to repay his kindness, he should have married Chen Siyao and everyone would be happy. "

"Old Master Chen seemed to recall the past and continued, "How old was song Shiyu at that time? The child was pitiful. Although he had a father and mother, no one cared..." "

Even Bai Jiayu found it hard to accept song Shiyu's words.

What was this?

Trying to repay a debt of gratitude?

Forcing his head down without drinking water?

“Old Chen, what happened in the past is in the past. We can’t live in the past forever, can we?” Bai Jiayu continued, “I know you owe third brother a debt of gratitude, but over the years, third brother has done a lot for your Chen family. Take the 721 incident as an example. If it wasn’t for third brother, do you think the Chen Corporation would have been able to hold on until now?” ”

“Before this, Bai Jiayu had always thought that old master Chen was a sensible old man.”

He didn’t expect that...

“As expected, People’s hearts were different! ”

Old Master Chen’s expression didn’t look too good.

What did Bai Jiayu mean by this?

Yes!

“He admitted that over the years, song Shiyu had indeed helped the Chen family a lot.”

But how could these favors be compared to a human life?

“Although Old Master Chen was a little angry, he didn’t show it, he continued, “Jia Yu, I understand what you mean. Actually, I’m doing this for the sake of time and circumstances. He’s already at an age where he’s suitable for marriage, but he hasn’t made any moves. He can’t stay single forever, right? He grew up together with Yaoyao, so they know each other very well. The two of them are simply a match made in heaven!” ”

Who Wouldn’t song Shiyu marry?

He might as well marry Chen Siyao directly.

“This way, he could repay her kindness and fulfill Chen Siyao’s wish. Killing two birds with one stone, why not? ”

“”But third brother has someone he likes in his heart,” Bai Jiayu said. ”

“Old Master Chen smiled and said, “It’s normal for men. I understand. Yaoyao also understands.” ”

“This was already old master Chen’s biggest concession. Under normal circumstances, how many elders would tolerate their granddaughter’s son-in-law not loving someone else? ”

“Bai Jiayu felt that he was somewhat unable to communicate with old master Chen, he continued, “I understand what you mean, but I still feel that it’s better to respect third brother’s opinion. After all, this kind of matter is like a fish drinking water. We, the bystanders, can’t empathize with it.” ”

“”You don’t understand this, do you? ! This kind of matter has always been a mystery to the bystanders who are clear of the situation!” Old Master Chen continued, “Shi Yu now lacks a person who can enlighten him!” ”

“Once the clouds were cleared and the sun shone, the sky would be clear. ”

“Bai Jiayu stood up and said, “Old Master Chen, I know what you mean. I will pass it on to third brother.” ”

“”I’ll have to trouble you, Jiayu.” Old Master Chen let the servants push him to send Bai Jiayu off. ”

“Walking out of the door, Bai Jiayu stopped and turned to look at Old Master Chen. He said, “Old Master Chen, wait!” ”

“Old Master Chen nodded. “Jiayu, I’m counting on you!” ”

Bai Jiayu didn’t say anything and continued walking forward.

Old Master Chen looked at Bai Jiayu's back with anticipation in his eyes.

"Song Shiyu wasn't someone who couldn't understand things. As long as someone gave him some advice, he believed that he would be able to see reality clearly."

Bai Jiayu arrived at Song Shiyu's residence.

Song Shiyu happened to be at home.

"Why are you free today?" Song Shiyu raised his eyes.

"Bai Jiayu smiled and said, 'I just went to the Chen family. Guess what Old Master Chen told me?'"

"It has something to do with me?" Song Shiyu asked.

"Yes." Bai Jiayu nodded and continued, "I don't know what Old Master Chen was thinking. How did an old man who lived to understand suddenly become like this?"

"Song Shiyu poured himself a cup of tea and asked, 'He asked you to come to the lobbyist?'"

"Yes." Bai Jiayu nodded. "To be honest, I used to think that you and Chen Siyao were quite compatible. Now..."

He really didn't expect Chen Siyao to do this.

It was beyond his expectations.

""All these years, you've helped them so much. Not only do they not know how to be content, they even resorted to extorting favors in return! Aren't they deliberately trying to disgust people?" Bai Jiayu didn't know if Song Shiyu was angry or not, but he was quite angry. "

"Song Shiyu continued, "Ignore them." "

"Then what do you plan to do next?" Bai Jiayu continued to ask.

Chapter 2462: 517: he doesn't want it to be his loss! 3

Song Shiyu didn't say anything. He just took a sip of tea.

"Bai Jiayu looked at Song Shiyu. "Actually, I'm quite curious. Who is the person in your heart?" "

Was It Ye Zhuo?

"After all, Ye Zhuo was the only woman who came into contact with Song Shiyu. "

"Most importantly, the little girl Song Shiyu met in his childhood was Ye Zhuo. "

"Although Song Shiyu had never admitted it openly, Bai Jiayu could feel that the little girl was Ye Zhuo. "

"In fact, Bai Jiayu had always had this answer in his heart, but he didn't dare to say it out loud. "

"Song Shiyu smiled at Bai Jiayu and continued, "If I say it out loud, won't I be someone that's buried in the bottom of My Heart?" "

True Love wasn't something that everyone knew.

Everyone knew that it was a burden.

Bai Jiayu looked at Song Shiyu. "Then are you just going to keep it buried deep in your heart?"

"What else?" Song Shiyu asked back.

"Bai Jiayu said, "Of course I said it out loud! Isn't there a saying? Love must be said out loud! If you keep it buried deep in your heart, she will never know, and neither will you two!" "

"There doesn't need to be a result," Song Shiyu's tone was indifferent. "

He only needed to know his own feelings.

"Bai Jiayu looked at Song Shiyu with a look of disbelief in his eyes. "Third brother, when did you become a love-struck fool?" "

Song Shiyu had always been decisive and decisive. He had never shown such an expression.

"Love-struck Fool?" Song Shiyu turned to look at Bai Jiayu.

"Bai Jiayu nodded. "That's right. It's infatuated seed. If someone like you isn't infatuated seed, then what is?" "

Song Shiyu chuckled but didn't say anything.

"Bai Jiayu continued, "Third brother, you can't do this!" "

"Huh?"

“Bai Jiayu said, “Girls are very emotional. You have to move them with your actions. You’ll always be the 10,000-year-old second male lead in novels! Do you understand second male lead?” ”

“Before this, Bai Jiayu had never thought that Song Shiyu would one day become like this. ”

The third master of Song in Yun Jing was stubborn and cold-blooded. He would do anything to achieve his goal.

“But now, for a girl, he was actually so lowly! ”

“A child is not a fish. How would you know the happiness of a fish?” Song Shiyu’s tone was indifferent.

“Bai Jiayu was a little speechless and said, “I think you are a silly fish!” ”

Song Shiyu didn’t say anything else and took a sip of tea.

Bai Jiayu shook his head helplessly.

Love was really a harmful thing!

“Why don’t you ever confess? Is it because she already has someone she likes?” Bai Jiayu continued to ask.

““Yes.” This time, Song Shiyu didn’t deny it and directly nodded. ”

“Bai Jiayu continued, “Are you scared here? You can still get a divorce after getting married! Go chase after her! I support you!” ”

Song Shiyu took another sip of tea.

“Why aren’t you saying anything?” Bai Jiayu asked.

“Song Shiyu said, “I was born in the Abyss. I Can’t pull her into the Abyss again.” ”

“He was an existence of extreme darkness, and she was indeed an existence of extreme purity. ”

They were not from the same world to begin with.

“”Third brother, this is not like you!” Bai Jiayu looked at song Shiyu, his eyes filled with disbelief. ”

“Song Shiyu smiled, but didn’t reply. Instead, he said, “If the Chen family comes looking for you again in the next few days, don’t bother with them.” ”

“”En.” Bai Jiayu nodded. “Third brother, will you still get married?” ”

“”No,” song Shiyu answered directly. ”

“Why?” Bai Jiayu asked.

“Song Shiyu slowly said, “Because my family doesn’t have a throne to inherit.” ”

The love of compromise was only for the sake of procreation.

This was meaningless!

“Bai Jiayu smiled and said, “Third brother, be more serious! I’m not joking with you!” ”

“Yes.” Song Shiyu nodded. “I’m not joking with you either.”

""No Way, third brother? You Don't even want a child anymore?"Bai Jiayu couldn't understand. "

"Life was so long to begin with. It wasn't easy to live once, so he had to leave a descendant for himself. "

"Song Shiyu did not say anything. In a moment, he took out a big white rabbit from his pocket and peeled it open to eat. "

It was very sweet and also very greasy.

"At this moment, the sound of footsteps suddenly came from outside the door. "

"Bai Jiayu looked up and saw that it was doctor Liu, who was carrying a medical kit. "

""Boss song, Mr. Bai is here too,"doctor Liu took the initiative to speak. "

"Bai Jiayu nodded. "Long time no see, doctor Liu." "

"Doctor Liu smiled and said, "I've been staying at Boss Song's place every day for the past few days." "

"Upon hearing this, Bai Jiayu immediately turned to look at song Shiyu. "Third brother, what's going on?" "

"Doctor Liu was song Shiyu's personal doctor. If song Shiyu hadn't met with any trouble, doctor Liu wouldn't have come once every ten days or half a month. "

Chapter 2463: 517: he doesn't want it to be his loss! 4

Song Shiyu shook his head. "It's nothing."

“Doctor Liu took out his stethoscope, then he said, “Mr. Bai, you and boss song have been good friends for many years. Please advise boss song! His current body really can’t eat carelessly anymore! If this goes on, his body will collapse!” ”

“Did you eat carelessly again?” Bai Jiayu looked at song Shiyu.

Song Shiyu didn’t say anything.

“Bai Jiayu was a little speechless and said, “Third brother, you can’t do this! Why Don’t you listen to the Doctor’s advice!” ”

“”I know my own body very well.” Song Shiyu continued, “Don’t be alarmist here.” ”

“Bai Jiayu said, “How can you be as clear as the Doctor?” ”

Song Shiyu looked at Doctor Liu. “Give me more painkillers today.”

“Doctor Liu said, “Did you finish all the painkillers that were prescribed yesterday?” ”

Song Shiyu did not say anything.

“Doctor Liu Sighed. “Mr. Song, I’m not trying to scare you. You really have to take care of yourself. Your current condition is very bad...” ”

“Before he could finish his sentence, he was interrupted by song Shiyu. “Alright, I understand. Have you prescribed the painkillers?” ”

Doctor Liu nodded. “Yes.”

“Song Shiyu continued, “Take it to the butler.” ”

Doctor Liu took the prescription and went to look for the butler.

“Bai Jiayu looked at Doctor Liu’s back and turned to look at song Shiyu, he said very seriously, “Third brother, I think that liking someone means being able to see her happiness with your own eyes. If you really love the person in your heart, take good care of your body and then love and protect her. “Life is neither long nor short, and people are fickle. If one day, the woman in Your Goddess’ heart betrays your goddess and bullies her, you can still stand up for your goddess. “But if you’re not here, who will protect your goddess?” ”

“Song Shiyu was stunned for a moment, and his gaze was deep. ”

“Bai Jiayu stood up. “Third brother, I have to go. Think about what I said to you.” ”

“After saying that, Bai Jiayu turned around and left. ”

Song Shiyu looked at Bai Jiayu’s back with a complicated expression.

No one could understand what he was thinking.

On the other side.

“After Bai Jiayu returned, old master Chen immediately called him to ask. ”

“After learning the final result, Old Master Chen was so angry that he slammed the microphone on the ground. ”

What the hell!

“He had mentioned this matter in front of Song Shiyu several times, but Song Shiyu had rejected him again and again! ”

Did song Shiyu really not care about their friendship in the past?

“”Old Master, please calm down. Don’t be angry!”The Butler immediately held old master Chen and comforted him. ”

“Old Master Chen said angrily, “If it weren’t for me, he wouldn’t be a thing! He still doesn’t like Yaoyao now. What right does he have to not like Yaoyao?” ”

“Old Master Chen sighed, then, he continued, “Actually, I can understand if he doesn’t like Yaoyao. After all, everyone has their own taste. Everyone has their own love, but Yaoyao is my granddaughter after all! He has to give me some face!” ”

“However, not only did song Shiyu not give him face, he even pushed his face to the ground and stomped on it! ”

“Moreover, he was a person who was about to die. ”

“The Butler looked at Old Master Chen and continued, “Old Master, our eldest miss is so outstanding, what kind of person can’t marry her? It’s his loss that song Shiyu is unwilling. You, don’t be angry about this!” ”

Chapter 2464: 517: it wasn’t bragging! 1

It wasn’t bragging to say that Chen Siyao was outstanding.

“As a standard daughter of a wealthy family, Chen Siyao was proficient in zither, chess, calligraphy, and painting. She was proficient in three foreign languages. Although she couldn’t be considered outstanding since she was young, she was definitely not the worst. ”

“She was slightly famous in the socialite circle, and there were quite a few families that wanted to marry into the Chen family. ”

“However, none of them had caught Chen Siyao’s eye. ”

“Actually, there was another important reason. It was also one of the reasons Old Master Chen had his eye on the most. That was, Chen Siyao was the only daughter of the Chen family. If she were to get married, she definitely wouldn’t be able to marry her only son. ”

“However, Song Shiyu was different. ”

“The song family’s situation was simple, and song Shiyu didn’t have any special attachment to the family. Even if Chen Siyao got married and had a child whose surname wasn’t song, Song Shiyu wouldn’t have any objections. ”

“But if it was someone else, if the child’s surname was Chen, it definitely wouldn’t work. ”

Old Master Chen couldn’t just stand by and watch the song family cut off their descendants.

A man’s life was like a spring in the grass.

Wasn’t it all for the sake of having descendants?

“Old Master Chen sighed and continued, “Did you find out which girl Shiyu has been dating frequently recently?” ”

“If he wanted song Shiyu to lower his head, he had to find the right medicine. ”

He had to find the person song Shiyu liked and make her back down.

“In fact, Old Master Chen didn’t have such a deep obsession in the beginning. He wanted Chen Siyao to be with song Shiyu, but after so many days of consideration, he decided that song Shiyu was the most suitable for Chen Siyao. ”

“After all, the person Chen Siyao liked was song Shiyu. ”

“If he tried to force Chen Siyao to be with someone she didn’t like, it would be better for Chen Siyao to be with song Shiyu. ”

“Although it might be a little difficult at first, Old Master Chen believed that once song Shiyu accepted Chen Siyao, he would treat Chen Siyao well for the rest of his life. ”

He was loyal to Chen Siyao.

Old Master Chen knew song Shiyu very well.

The Butler shook his head. “Not yet.”

“With that, the butler continued, “Third Master Song’s schedule is very clear. Let alone having frequent contact with girls, he doesn’t even have a single girl he talks to.” ”

“Hearing this, Old Master Chen frowned slightly. ”

There was such a thing?

“But if song Shiyu didn’t have a girl he liked, why did he reject Chen Siyao? ”

“Are you sure?” Old Master Chen turned to look at the housekeeper in disbelief.

""Absolutely!"The housekeeper said, "I've looked into it for a long time. Third Master song really doesn't have any special girls by his side." "

Song Shiyu wasn't the type of Playboy to indulge in debauchery.

"Old Master Chen's brows furrowed deeply. He continued, "Since he doesn't have anyone he likes, why did he reject Yaoyao?" "

The housekeeper shook his head. "I'm not too sure about that either."

He had only investigated song Shiyu's personal circumstances and didn't know the reason why song Shiyu rejected Chen Siyao.

Old Master Chen sighed.

"The housekeeper continued to comfort him. "Old Master, don't worry too much. Perhaps eldest miss will find a better and more outstanding son-in-law in the future." . "

Old Master Chen shook his head. "No one will be more outstanding than Shiyu."

No one would be more suitable for Chen Siyao than song Shiyu.

""How about this?"Old Master Chen Thought for a moment and then said, "Follow me to Bai Jiayu's place." "

"Are you going to look for Mr. Bai?"The Butler asked.

Old Master Chen nodded.

“Then please wait for a moment. I will arrange for the driver,” the Butler said. ”

“Okay.” Old Master Chen nodded.

“Soon, the driver was arranged. ”

“Twenty minutes later, the car stopped at Bai Jiayu’s residence. ”

The Butler pushed Old Master Chen out of the car.

“When he heard that Old Master Chen was coming, Bai Jiayu scratched his head. ”

“Why can’t this old master Chen Understand?”

“The assistant stood beside Bai Jiayu and continued, “Are you going to meet him or not?” ”

“No,” Bai Jiayu continued, “Just say that I’m not at home due to something.” ”

“Naturally, he could not meet Old Master Chen at a time like this. ”

“For a person like Old Master Chen, it was fine if he was ignored, but once he was ignored, he would become more and more enthusiastic. ”

The assistant nodded. “Okay.”

“At that moment, Bai Jiayu seemed to have thought of something. “Wait a moment.” ”

“Do you have any other instructions?” The assistant asked.

“Bai Jiayu continued, “Don’t say that I’m not at home. Just say that I don’t have time to see him right now.” ”

He had to let Old Master Chen know his current attitude.

The assistant nodded.

“”Also, I have something to tell him,”Bai Jiayu continued. ”

“Go ahead.”The assistant said.

Bai Jiayu lowered his head and whispered a few words in the assistant’s ear.

Chapter 2465: 517: I’m not bragging! 2

“A moment later, the assistant came into the hall. “Old Mr. Chen, I’m really sorry. Our husband is not available to see you right now.” ”

Not available?

Old Master Chen was stunned.

“Bai Jiayu was clearly at home, but he said that he was not available to see him! ”

How was this not available? This was clearly an excuse!

It was Bai Jiayu who did not want to see him at all.

“Old Master Chen looked up at the assistant and continued, “I wonder what Mr. Bai is busy with?” ”

“The assistant said, “Mr. Bai is handling official business.” ”

“After saying that, the assistant continued, “My husband has another message for you.” ”

“”Tell me about it,” old master Chen said. ”

“The assistant looked at Old Master Chen and hesitated for a moment before saying, “My husband said that we should let the juniors handle their own affairs. The seniors should act like seniors.” ”

He really had to act like an elder?

What did Bai Jiayu mean by this?

Was he mocking him for not acting like an elder?

“Old Master Chen had already lived for so long. No matter who saw him, they would all be respectful. But today, he was actually ridiculed by Bai Jiayu. ”

How could old master Chen endure this?

“Old Master Chen’s face was red from anger, but he still held back the anger in his heart. He did not let it out directly and continued, “What else did your master Bai Say?” ”

“The assistant continued, “Not for the time being.”. ”

“Old Master Chen looked at the assistant and continued, “Your Mr. Bai has nothing to say to me, but I have something to tell your Mr. Bai.” ”

“Please speak,” the assistant said respectfully. ”

“Old Master Chen continued, “I want to give Mr. Bai an idiom.” ”

“At this point, Old Master Chen paused and continued, “A dog relies on its own strength.” ”

One sentence had two meanings.

The first meaning was that Bai Jiayu borrowed Song Shiyu’s power.

“In the past, the Bai family had no right to criticize the Chen family. ”

The other meaning was that Bai Jiayu’s assistant relied on the power of others.

Old Master Chen was not afraid that Bai Jiayu would be angry.

“After all, it was Bai Jiayu who was rude first. ”

“Moreover, with the current status of the Chen family, there was no need to fear the Bai family. ”

“However, Old Master Chen had forgotten the most crucial point. ”

The Chen family’s achievements today were all because of this

“The assistant’s expression did not change. He said respectfully, “Alright, Old Master Chen. I will definitely pass the message to our master.” ”

Old Master Chen turned to look at the butler. “Let’s go.”

The Butler immediately pushed Old Master Chen Out.

The assistant looked at their backs and turned to walk towards the study.

“Bai Jiayu stood in front of the floor-to-ceiling window and looked at Old Master Bai’s figure. He then asked, “They left?” ”

“Yes.”The assistant nodded. “Yes.”

“After saying that, the assistant hesitated for a moment before continuing, “Old Master Chen said that he has a message for me to pass on to you.” ”

“What message?”Bai Jiayu asked with interest.

What message...

This really made it difficult for the assistant to speak.

“With that thought in mind, the assistant looked troubled. ”

Bai Jiayu turned to look at the assistant. “Tell me about it.”

“The assistant gulped. “He said, said... said that he has an idiom to pass on to you.” ”

“”Say it.”Bai Jiayu continued, “What idiom?” ”

“The assistant continued, “Dog, dog...” ”

The assistant could not say the next few words no matter how hard he tried.

Bai Jiayu's temper could not be considered good.

Bai Jiayu laughed out loud. "A dog relies on others' Power?"

The assistant nodded. "Yes."

"He had thought that Bai Jiayu would be very angry, but unexpectedly, Bai Jiayu did not get angry. Instead, he was smiling."

"Sure, this idiom is used very well."

"Old Master Chen's idiom was indeed used correctly, but the target was not."

The Chen family was the real dog that relied on the power of others!

"If it was not for Song Shiyu's help, how would Yun Jing still have the Chen family's shadow?"

The Chen family was getting worse with each generation!

"Now that they had offended Song Shiyu, it looked like the Chen family was going to be in deep trouble this time."

The assistant looked at Bai Jiayu curiously. "You... You're not angry?"

Bai Jiayu chuckled. "Why would I be angry?"

The assistant looked at Bai Jiayu but didn't say anything.

Old Master Chen got into the car. He was still very angry. He looked up at the driver in the front seat.
“Let’s go to Bai Yun residence.”

Bai Yun residence was song Shiyu’s residence.

“Old Master Chen had thought about it. He had to settle this matter within a short period of time. After all, Chen Siyao was still waiting for his good news. ”

“No matter what, he owed song Shiyu a favor. ”

He didn’t believe that song Shiyu could do anything to him!

Song Shiyu was doing his duty by helping him.

Chapter 2466: 517: I’m not bragging! 3

“If it wasn’t for him back then, song Shiyu wouldn’t be the song Shiyu he was now. ”

“If song Shiyu really didn’t agree to his request, he could only force song Shiyu. ”

“Song Shiyu had always respected him. As long as he insisted on song Shiyu marrying Chen Siyao, song Shiyu would definitely not refuse. ”

“No matter what, he wanted to see song Shiyu marrying Chen Siyao before he closed his eyes. ”

“The driver was stunned for a moment before he turned around and said, “Are we going to Mr. Song’s Place?” ”

““Yes,” Old Master Chen said. ”

The driver nodded. “Okay.”

“The car wasn’t going very fast. About twenty minutes later, the car stopped in front of Baiyun Residence. ”

Old Master Chen was pushed out of the car by the butler.

The butler of Baiyun Residence was still as respectful as ever as he invited Old Master Chen into the house.

Old Master Chen looked at the butler with a satisfied look in his eyes.

He knew that song Shiyu would not dare to be rude to him.

“After all, he was the person who made song Shiyu. ”

“Where is Shiyu?” Old Master Chen asked.

“Butler song said, “Old Master Chen, our boss doesn’t have the time to see you.” ”

“Hearing that, old master Chen frowned slightly. “You didn’t even inform him and you already know that he doesn’t want to see me? Is it that he doesn’t want to see me, or do you not want him to see me?” ”

“Butler song smiled and said, “Old Master Chen, you’ve misunderstood. I don’t have that much authority. It was our boss who told me that if you were to come, he would tell you directly that he doesn’t have the time to see you.” ”

The meaning of this sentence was very obvious.

“It wasn’t that he didn’t have the time to see him, but that he didn’t want to see him.”

Song Shiyu couldn’t even be bothered to deal with old master Chen.

“Old Master Chen wasn’t angry either. He sat on the sofa and continued, “Is that what he told you?” ”

“Yes.” Butler song nodded.

“Old Master Chen nodded. “Alright, he won’t come to see me, right? Then I’ll go see him!” ”

“Upon hearing that, Butler song’s face was full of embarrassment. “Old Master, please don’t make things difficult for me.” ”

“Go to the third floor.” Old Master Chen looked at the butler.

The butler nodded. “Alright.”

“Butler song could not stop Old Man Chen, so he had no choice but to send someone to inform song Shiyu.”

“Song Shiyu was processing documents. When he heard this, he frowned slightly.”

It was really endless!

“After a while, song Shiyu continued, “Let them in.” ”

“Yes.” The assistant nodded and immediately sent a message to inform Butler song.

“When Butler song received the message, he did not make things difficult for old man Chen anymore. ”

Old Master Chen looked at Butler song. “Why aren’t you stopping him? Has Your boss given the Order?”

He knew that song Shiyu did not dare to act rashly in front of him!

“Butler song did not answer old master Chen directly. Instead, he made a ‘please’ gesture and said, “Please.” ”

Old Master Chen snorted coldly.

“Not long after, they arrived at song Shiyu’s office on the third floor. ”

““Shiyu, I’m here again,” Old Master Chen continued. “I heard that you’re quite busy right now. I shouldn’t have come to disturb you, but if we don’t resolve this matter properly, I won’t be at ease either.” ”

“Song Shiyu put down the document and continued, “Old Master Chen, are you here for Miss Chen’s matter again?” ”

“It was only then that old master Chen noticed the way song Shiyu addressed him. He frowned slightly. “Shiyu, when did you become so estranged from Yaoyao?” ”

Miss Chen?

“Although song Shiyu and Chen Siyao weren’t close, they didn’t go so far as to call each other by their first names. ”

““It wasn’t a particularly close relationship to begin with,” song Shiyu continued. “Old Master Chen, I’ve already made things very clear last time. It’s important to know your limits.” ”

Song Shiyu wasn't a talkative person.

Some things were best left unsaid.

But Old Master Chen didn't seem to know what was meant by 'left unsaid'.

Song Shiyu did not expect that old master Chen would come for a second visit.

This was really meaningless.

One should know one's place.

""What a good person."Old Master Chen laughed out loud. He looked up at song Shiyu and continued, "Shiyu, you have really forgotten about the past!" "

"At this point, the smile on Old Master Chen's face disappeared. He sighed and continued, "At that time, everyone advised me not to get involved in your family's matters. However, I did not think that way. I felt that people should do something good..." "

How Old was song Shiyu back then?

But he had forgotten what had happened back then so quickly.

It was really impossible to be a good person in this world.

Song Shiyu listened to Old Master Chen's words without any expression on his face.

“Old Master Chen raised his head and looked at song Shiyu, then, he said, “Shiyu, as long as you still have a little conscience, you should marry Yaoyao. The person I can’t put my heart at ease right now is Yaoyao. Can you treat it as you helping me one last time?” ”

Chapter 2467: 517: I’m not bragging! 4

Old Leaf Chen hoped that song Shiyu would have a conscience.

“Besides, Chen Siyao wasn’t bad, not to mention that she loved song Shiyu so much. ”

The two of them were simply a match made in heaven.

“Song Shiyu’s left hand rested on the chair. He tapped on the handle with his index finger and spoke faintly, “Ten years ago, Chen Youlong had an accident on the winding mountain highway. I was the one who pulled him back from death. “Eight years ago, the Chen Corporation was maliciously reported. For a time, the tree fell and the monkeys scattered. I was the one who pulled the Chen Corporation back on the right track. “Seven years ago... “. “...” ”

“Song Shiyu spoke one by one. The expression on old master Chen’s face was a little interesting. Suddenly, he raised his head to look at Song Shiyu. “Alright! You Don’t have to say anymore!” ”

“After he finished speaking, old master Chen continued, “What happened in the past is already in the past!” ”

“Besides, a drop of kindness should be repaid with a spring. Was it interesting that song Shiyu kept mentioning this? ”

“So you also know that what happened in the past is already in the past?”Song Shiyu turned to look at Old Master Chen.

“Old Master Chen continued, “If it weren’t for me in the past, you would have frozen to death long ago! Song Shiyu, you have no conscience!” ”

“Song Shiyu curled his lips slightly. His expression was unclear as he continued, “Are you telling a person who killed his father to have a conscience?” ”

Killing his father.

“Upon hearing this, Old Master Chen’s face instantly turned pale. ”

That’s right.

How could he have forgotten song Shiyu’s true nature.

Song Shiyu was a person who killed gods and gods when he encountered them. He was an existence who killed all who stood in his way. There was no good or evil in his eyes.

“”Butler song,”song Shiyu continued. ”

Butler song immediately walked forward. “I’m here.”

“Song Shiyu said, “Send the guest out.” ”

“At that moment, Old Master Chen felt as if song Shiyu had changed into a different person. ”

It was so unfamiliar.

Old Master Chen just looked at him and was momentarily speechless. He did not even have time to react.

Song Shiyu picked up a cigarette and was about to light it before putting it down again.

“In the year that he had tried to forget about her, he had started smoking again. But now, he suddenly did not want to smoke anymore. ”

“When doctor Liu walked him in, he happened to see this scene. A look of surprise flashed in his eyes. ”

It was really strange that boss song had put the cigarette back into the distance.

“”Boss song,” doctor Liu continued. ”

Song Shiyu looked up at Doctor Liu. “You’re here?”

“”Yes.” Doctor Liu said as he walked in, “I saw Old Master Chen at the door just now. He didn’t make things difficult for you, did he?” ”

“He knew the relationship between song Shiyu and Old Master Chen, ”

“it wasn’t that song Shiyu was afraid of Old Master Chen, but that song Shiyu respected old master Chen, so every time old master Chen stood up straight in front of Song Shiyu. ”

Who in Yun Jing dared to say that third master song wasn’t right?

But Old Master Chen dared!

Song Shiyu shook his head. “No.”

“”That’s good.” Doctor Liu continued, “Have you finished taking the painkillers from yesterday?” ”

“”Yes,” song Shiyu said. ”

“Hearing this, doctor Liu had an ‘I knew it’ expression on his face, “Boss song, Don’t blame me for being naggy. Your body really can’t take it anymore! Love Yourself Well! If you don’t want to die young, then cooperate with my treatment!” ”

Meeting a patient like song Shiyu gave Doctor Liu a headache.

“Song Shiyu turned to look at Doctor Liu. “If I cooperate with you well, will I be able to recover?” ”

““Of course!” Doctor Liu was a brilliant doctor, and he was very confident about this. ”

““Then I’ll cooperate with you,” song Shiyu continued. ”

“Doctor Liu thought he was hearing things. “Boss song, what did you say?” ”

Cooperate with him?

It was simply unbelievable!

““Yes.” Doctor Liu nodded. “You didn’t hear wrong. Doctor Liu, I’ll cooperate with you.” ”

Bai Jiayu was right. The most beautiful thing about love was to protect and wait.

“If he died, what would happen if someone bullied her in the future? ”

“Therefore, nothing could happen to him! ”

“Doctor Liu was a little agitated. “Boss song, Let’s start the treatment plan from today, shall we?” ”

Chapter 2468: 519: you've become more capable! 1

""Alright."Song Shiyu nodded and continued, "How do you want me to cooperate with you?" "

"The surprise came too suddenly, making doctor Liu very incredulous. He turned to look at song Shiyu and said, "Boss song, Wait a moment. I'll make a plan. Your eating habits and rest habits will follow the plan." "

"Okay."Song Shiyu nodded slightly.

"Doctor Liu continued, "Then I'll go back and make a plan now." "

"Doctor Liu was eager to cure song Shiyu. Firstly, because he was a doctor. "

"Secondly, because of his reputation. "

"It had been a while since he came to the song family, but not only did song Shiyu not get better, he was getting worse. Those who knew knew that it was song Shiyu who did not cooperate, and those who did not know thought that it was because his medical skills were too poor! "

What doctors cared about the most was reputation.

"Let's go to my study."Song Shiyu stood up.

Doctor Liu was stunned. Song Shiyu had really changed a lot today. He did not even dare to acknowledge him anymore.

""Okay, okay."Doctor Liu immediately stood up and followed song Shiyu's footsteps. "

The two of them walked upstairs to the study.

Song Shiyu turned on the computer and let Doctor Liu operate it. "This is a printer. You can use it directly."

""Thank you, Boss Song." Doctor Liu was a little overwhelmed by the favor. "

Song Shiyu today was too abnormal!

What was wrong with him?

"Song Shiyu smiled and said, "I should be the one thanking you." "

"After all, it was doctor Liu who was treating him. "

""Boss song," doctor Liu asked hesitantly as he prepared the plan, "Why did you suddenly think it through?" "

Song Shiyu peeled a cream candy. "I... I suddenly feel that living is pretty good."

Yes.

At least there was hope to live.

"If he died, there was no hope at all. "

Doctor Liu was stunned.

So it turned out that song Shiyu had not cooperated with the treatment before because he did not want to live anymore?

The world of the rich was really complicated and difficult to understand!

“Song Shiyu had everything he wanted. He had a mansion, a luxury car, fame, beauty, and everything else.”

But such a person actually didn’t want to live anymore.

This was the first time doctor Liu had met such a simple and plain rich person.

“”You won’t suddenly Change Your Mind Midway, right?”Doctor Liu was a little worried and asked. ”

“”Don’t worry, I Won’t,”song Shiyu said. ”

Doctor Liu nodded. “That’s good.”

“Immediately, doctor Liu was filled with confidence. He would definitely be able to cure song Shiyu. ”

On the other side.

Old Master Chen returned home.

“Chen Siyao was waiting for him in the living room. When she saw Old Master Chen come over, Chen Siyao immediately ran over. “Grandpa!” ”

“Yaoyao.”Old Master Chen smiled.

“Chen siyao continued, “Did you go to Shiyu’s Place?” ”

“Looking at Chen Siyao’s hopeful face, Old Master Chen suddenly didn’t know how to answer. ”

Song Shiyu was too heartless!

“He had already done what he had to do, but Song Shiyu wasn’t willing to accept Chen Siyao. ”

There was nothing he could do!

“I went.”Old Master Chen nodded.

“Seeing old master Chen’s complicated expression, Chen Siyan suddenly had a bad feeling. ”

“”Grandpa, Shiyu...” ”

“Old Master Chen Sighed and grabbed Chen Siyao’s hand. “Yaoyao, you have to trust Grandpa. You’ll definitely find someone better in the future.” ”

Song Shiyu was nothing!

He was just an ingrate. He wasn’t worthy of Chen Siyao at all.

Chen Siyao’s eyes turned red instantly.

She didn’t expect song Shiyu to reject Old Master Chen.

Did he hate being with her that much?

He couldn’t even get old master Chen to step in?

""Yaoyao, Yaoyao," seeing Chen Siyao like this, old master Chen immediately said, "Yaoyao, don't Be Like This! Song Shiyu isn't the only man in this world. You..." "

"Before Old Master Chen could finish his sentence, he was interrupted by Chen Siyao. "But he's the only one I love!" "

There was only one song Shiyu in this world that she loved!

""Yaoyao, wake up." Old Master Chen sighed, "I also want to have a proper relationship with him, but he just doesn't want to accept you! In order for the two of you to be together, I don't even want this old face anymore. It's not sweet to force things. Give up." "

It's not sweet to force things...

"When Chen Siyao heard this, her face was filled with a pale smile. "

""Grandfather, is there no other way?" Chen Siyao wasn't willing to give up just like that. She held old master Chen's hand tightly and said in a sobbing voice, "I'm begging you, grandfather. Please think of another way!" "

She couldn't live without song Shiyu.

"From the moment she met Song Shiyu, she had fallen deeply in love with him. "

Chapter 2469: 519: You've grown stronger! 2

Unable to extricate yourself.

“But now, Old Master Chen had actually asked her to give up on song Shiyu. She couldn’t accept it. ”

It wouldn’t work.

“Old Master Chen shook his head helplessly. “Yaoyao, it’s not the third time. Do you know how many times I’ve come for You?” ”

Everyone had their dignity.

Song Shiyu was clearly trampling on the Chen family’s dignity.

“If he went looking for song Shiyu again, it would be no different than asking for humiliation. ”

“Grandpa, but I really love him. If I lose him or can’t be with him, my life will be meaningless.” ”

“If she was a fish, then song Shiyu was water. ”

Water could live without fish.

“But if a fish left water, it couldn’t survive at all! ”

“Yaoyao!” Old Master Chen said angrily when he saw Chen Siyao like this.

“Old Master Chen turned to look at Chen Siyao, then he said, “A face can live, but a tree can live with its skin! Especially for girls, Song Shiyu is just a human being no matter how outstanding he is! Why Can’t you live without him? Can’t you do something for the Chen Family?”! ”

She was still a girl after all.

“If he had known, he would have let Chen Youlong and his wife have a second child. ”

“If Chen Siyao had a younger brother or an older brother, he wouldn’t have had such a headache. ”

But Chen Siyao was the only child of the Chen family.

““Grandfather, I can give up everything for him!”Chen Siyao continued, “Grandfather, you don’t understand at all!” ”

Old Master Chen only felt his chest twitch in pain. “Chen Siyao!”

“Chen Siyao looked at Old Master Chen like this, tears almost coming out of her eyes. “Please help me...” ”

“Old Master Chen continued, “Do you know Miss Ye?” ”

Miss Ye?

Chen Siyao was stunned.

“Old Master Chen sighed and continued, “I don’t Wish For You to be as outstanding as Miss Ye, but you have to grow up eventually. You Can’t die for a man!” ”

“Although Old Master Chen was already in his 80s, he paid a lot of attention to international news. ”

“Naturally, he also knew about the number one person on the aircraft carrier, Ye Zhuo. ”

How Old Was Ye Zhuo?

He was even a few years younger than Chen Siyao.

"If ye Zhuo was like Chen Siyao and had a love brain, would she have achieved what she did today? "

"Calm down first." Old Master Chen turned to look at the housekeeper. "Let's go."

"Okay." The housekeeper nodded, pushed Old Master Chen's wheelchair, and walked out. "

Out the door.

"Old Master Chen sighed and said regretfully, "Housekeeper, did I say too much to Yaoyao just now?" "

"Before this, Old Master Chen had never compared Chen Siyao to anyone. "

"This time, he was really angry! "

"The butler said, "From a bystander's point of view, I don't think what you said is serious at all. The eldest miss needs someone to see the light of day. Once she has thought it through, everything will be fine." "

"Is that so?" Hearing the Butler's words, old master Chen heaved a sigh of relief. "

"The butler nodded. "If I Were you, I would be the same as you." "

"Old Master Chen continued, "Actually, there's nothing wrong with that child's taste, but Song Shiyu is looking down on others!" "

"There were some things that the butler could not say directly, so he could only say, "Don't worry, young Miss will definitely find a better person in the future." "

"Some things were clear to the onlooker, but those who were involved were confused. Actually, in the Butler's opinion, Old Master Chen's act of extorting favors in return was indeed very repulsive. "

“Although many years ago, he had indeed helped song Shiyu. ”

“But over the years, song Shiyu had helped the Chen family countless times. ”

He had even helped Chen Youlong many times.

“But Old Master Chen only remembered that he had saved song Shiyu, but he did not remember that song Shiyu had also saved the Chen family. ”

But it was not easy for them to say such words.

“After all, they were employees. ”

“Old Master Chen sighed again and continued, “Yaoyao is too stubborn! I’m just afraid that she won’t be able to get over this hurdle!” ”

““She won’t,” the housekeeper continued to comfort her. “Eldest miss has a cheerful personality. I believe that she will be able to get over it very soon.” ”

Old Master Chen shook his head. “I hope so.”

“However, based on his understanding of Chen Siyao, Chen Siyao probably wouldn’t be able to get over it so soon. ”

“After all, Chen Siyao was different from the others. ”

“If it was anyone else who knew that song Shiyu rejected her, they would have given up. However, Chen Siyao didn’t. Not only did Chen Siyao not give up, but she kept begging for mercy. ”

Old Master Chen was also disappointed that he didn't live up to his expectations!

"After Old Master Chen left, Chen Siyao sat on the ground with tears streaming down her face. "

Chapter 2470: 519: You've grown! 3

"Sadness, sadness, disbelief, and all sorts of complicated emotions were mixed together, making it almost difficult for Chen Siyao to breathe. "

"She originally thought that as long as Old Master Chen made a move, she would be able to smoothly become song Shiyu's bride. "

But reality gave him a heavy blow!

What was this!

What was this!

"Right at this moment, Chen Siyao suddenly thought of someone. "

Miss Ye!

The door to her memories seemed to have been suddenly opened.

Miss ye and Mu Yourong were miscarried daughters.

"In other words, the little girl song Shiyu was looking for was very likely to be ye Zao. "

“Most importantly, Chen Siyao clearly remembered that on the day of Old Madam Song’s funeral, Ye Zao had come to attend the funeral. ”

The song family was very respectful to ye Zao.

Could it be... Ye Zao?

“The person song Shiyu loved but couldn’t get, the person he wouldn’t marry for the rest of his life, was ye Zao? ”

“Thinking of this, Chen Siyao wiped her tears and immediately stood up from the ground. She made a call. “Hello, help me check if Shiyu has met Miss Ye in the past few days.” ”

““Okay, please wait a moment.” ”

“It wasn’t a secret that ye Zao came to Nanhai, so not long after Chen Siyao made this call, a reply came from the other side. ”

Yes.

“Not only had ye Zhuo come to the South Sea, but he had also had dinner with song Shiyu. ”

There really weren’t many people who could make song Shiyu eat with them.

Was It really ye Zhuo?

“Chen Siyao narrowed her eyes, the expression in her eyes somewhat complicated. ”

“If it was that person, Ye Zhuo, Chen Siyao wouldn’t be convinced. ”

“Could it be that because ye Zhuo had saved song Shiyu once when he was young, song Shiyu couldn’t extricate himself from her? ”

She and song Shiyu had known each other since they were very young!

Why didn’t song Shiyu ever forget her.

Why was it so easy for ye Zhuo to get song Shiyu’s Love?

Chen Siyao bit her lip.

“However, from another perspective, she really couldn’t compare to ye Zhuo. ”

Ye Zhuo was very good-looking and was the first person in technology.

Fortunately.

“Fortunately, Ye Zhuo already had a fiancé. ”

“If ye Zao didn’t have a fiancé, then Chen Siyao would really have no hope at all. ”

“Thinking of this, Chen Siyao heaved a sigh of relief. She had seen ye Zao twice before, and with ye Zao’s wechat, it wouldn’t be difficult to ask ye Zao out. ”

“After thinking for a long time, Chen Siyao decided to ask ye Zao out. ”

She wanted ye Zao to help her.

“Chen Siyao edited a wechat message and sent it to Ye Zao. “Miss Ye, I’m Chen Siyao, a good friend that I’ve met from time to time. I heard that you’ve also come to Nanhai. I wonder if I can have the honor to treat you to a drink? “Yes.” ”

““If you have time, let’s meet at LM cafe at 12 noon tomorrow.”. “Okay.” ”

Ye Zhuo had a pretty good impression of Chen Siyao.

“In addition, Cen Shaoqing had been quite busy these past two days, so she didn’t have any special plans, so she agreed ”

““Thank you for coming, Miss Ye.” ”

“The next day, at noon. ”

Ye Zhuo arrived punctually at the coffee shop he had arranged with Chen Siyao.

““Over here, Miss Ye!” Chen Siyao waved her hand when she saw ye Zhuo. ”

“Ye Zhuo walked over. “Miss Chen, you’re here early.” ”

“Chen siyao smiled and said, “It just so happens that I have nothing to do.” ”

“After saying that, Chen Siyao handed the wine list to Ye Zhuo. “I don’t know what miss ye likes to drink. Please order it yourself. Don’t stand on ceremony.” ”

“Ye Zhuo had been a little angry recently, so he ordered a cup of small leaf kudingcha. ”

“Although it was a coffee shop, he could still order the traditional tea. ”

“Chen Siyao continued, “I only found out that Miss Ye had come to Nanhai after hearing about it from Shi Yu. I wanted to treat you to a cup of tea.” ”

“Ye Zhuo smiled slightly, picked up the cup, and took a sip of tea. “I did meet brother song not long ago.” ”

“”A few days ago, I was talking to Shiyu about Miss Ye. I even said that Miss Ye is the girl I admire the most.”Actually, Chen Siyao had never talked to song Shiyu about Ye Zhuo. Everything she did was just to get close to Ye Zhuo. ”

“On the other hand, she wanted to indirectly tell ye Zhuo that her relationship with song Shiyu wasn’t ordinary. ”

“”Thank you.”Ye Zhuo took a sip of tea and thanked her. “Thank you for thinking so highly of me, Miss Chen.” ”

“Chen Siyao continued, “Miss Ye, you’re too modest. You have no idea how much my grandfather admires you. Just yesterday, he was comparing you to me.” ”

Chen Siyao wasn’t lying.

Old Master Chen really did admire ye Zhuo.

“Just then, the waiter brought over a plate of desserts. “The Peach Blossom Crispy Pastry you ordered.” ”

“Thank you.”Ye Zhuo thanked her.

“Chen Siyao glanced at ye Zhuo, weighing her words in her heart. ”
