Chapter 2471: 519: You've Grown Up! 4

"Judging from ye Zao's appearance, he shouldn't be someone difficult to get along with. "

"As long as she spoke properly, ye Zao would definitely agree. "

"Chen Siyao smiled at ye Zao and continued, "Miss Ye, actually, I invited you out this time because I have a favor to ask of you." "

""Please speak, Miss Chen,"ye Zao said. "

"Chen Siyao looked at ye Zao and continued speaking, "Miss Ye, to be honest with you, Shiyu and I have been childhood sweethearts since we were young. We love each other, especially me. For the sake of Shiyu, I would do anything. "But we're both too strong. No one is willing to break through that layer of window paper. "Seeing that we've reached the age where we're suitable for marriage, I want to ask Miss Ye for a favor. I want to pull some strings and help this couple with a lover." "

"Chen Siyao was deeply in love with song Shiyu, so she naturally knew how much song Shiyu Loved Ye Zao. "

"If song Shiyu hadn't loved ye Zao so much, he wouldn't have said those words in front of her. "

"So, as long as ye Zao spoke up personally, Song Shiyu would definitely accept her! "

"If it wasn't for ye Zao pulling strings, Chen Siyao would never have asked ye Zao out. "

"Hearing this, ye Zao frowned and looked at Chen Siyao, "Miss Chen, I think you've misunderstood something. Brother song and I only met once this year. The relationship between us isn't at the level where we can be matchmakers." "

“Although ye Zao was generous and didn’t want to be calculative, this didn’t mean that she could make others use her.”

Chen Siyao’s meaning was very obvious.

“”Miss Ye,”Chen Siyao smiled, she continued, “I didn’t mean that. Actually, the relationship between me and Shiyu has already formed naturally. It’s just that I’m lacking a person who can see the sun through the clouds. When the two of us have a successful relationship, I definitely won’t forget you, the matchmaker.” ”

“”Miss Chen, since it’s already formed naturally, I believe that even without the help of others, you and Brother Song will definitely be able to get together.” ”

Chen Siyao didn’t expect ye Zao to reject her twice in a row.

“Under normal circumstances, shouldn’t ye Zao Smile and Nod his head in agreement? ”

It was said that Miss Ye was understanding and was the pillar of the country.

“Today, when they met, Miss Ye was only so-so! ”

Mentioning it in front of song Shiyu was a piece of cake for ye Zao. It was also a merit to be able to achieve a marriage.

“”Miss Ye.”Chen Siyao poured a cup of tea for ye Zao, “You still don’t know Shiyu very well. Shiyu’s personality is a little stubborn. There are some things that need someone to throw a brick to attract the jade. Otherwise, he will forever hide in his own world, unwilling to come out.” ”

“”I don’t know him as well as Miss Chen,”ye Zao continued. “I don’t have much experience in matchmaking. Miss Chen, you’d better find someone else.” ”

“With that, Ye Zhuo stood up from his chair. “I’m sorry, Miss Chen. I still have something to do. I’ll be leaving first.” ”

“With that, Ye Zhuo picked up a banknote and placed it under the cup. “Tea money.” ”

Chen Siyao looked at ye Zhuo’s back and narrowed her eyes.

Ye Zhuo’s reaction was too unexpected.

She thought that ye Zhuo would agree to her request out of respect. She didn’t expect ye Zhuo to reject her outright!

He didn’t give her any face at all.

On the other side.

The assistant immediately reported the incident at the coffee shop to Song Shiyu.

“Hearing this, song Shiyu raised his eyes slightly. “Is that so?” ”

“The assistant nodded. “Yes. I, I also heard Miss Chen asking Miss ye to pull the strings.” ”

PA

“At that moment, a crisp sound came from the air. ”

The assistant turned around and saw that song Shiyu had broken a pen forcefully.

“Very good.” Song Shiyu stood up from his chair. “Chen Siyao has improved.”

Chapter 2472: 520: then help her! 1

Song Shiyu didn't expect Chen Siyao to look for ye Zhuo.

"What was Miss Ye's reaction?" Song Shiyu looked at his assistant and asked.

"The assistant said, "Miss Ye didn't have any special reaction. She left after paying for the tea." "

Paid for the tea?

It seemed like that person was angry.

"If not, Ye Zhuo wouldn't have directly thrown a look at her. "

"Song Shiyu tapped the table with his index finger. "Okay, I got it. You can leave now." "

"Okay." The assistant nodded.

"Although song Shiyu didn't do anything or even react, he knew that the Chen family was doomed. "

Chen Siyao repeatedly challenged song Shiyu's bottom line.

Third Master song wasn't the kind of person who would suffer in silence.

"After his assistant left, song Shiyu made another call. "

"Come to my study in ten minutes."

““Yes, Boss.” ”

On the other side.

The Chen family.

Old Master Chen had given up hope after being rejected twice.

“Life had a face. Since Song Shiyu wasn’t willing, he couldn’t keep pressuring him. If outsiders found out, they would think that Chen Siyao couldn’t get married. ”

Neither Chen Siyao nor the Chen family could afford to lose face!

“After being rejected by Ye Zao, Chen Siyao became very dispirited. She even became a villain, trying to use other methods to change Ye Zao’s mind. ”

But... it was useless.

“When Chen Siyao sent another message to Ye Zao, it showed that she had been blacklisted by Ye Zao. ”

Chen Siyao was so angry that she directly dropped her phone.

Bang!

The phone instantly shattered into pieces.

What should she do?

Her only hope was gone.

Was she really going to copy the plot in the TV series and marry Song Shiyu's photo.

No.

She was going to become the authentic Mrs. Song.

Song Shiyu was her only husband in her life.

Chen Siyao came to grandfather Chen's courtyard.

"Grandfather Chen was sitting in a rocking chair sunbathing. He said he was sunbathing, but he was actually worried."

He was really worried about Chen Siyao.

"In his eyes, Song Shiyu was the most suitable person to be the grandson-in-law of the Chen family."

"Grandfather." At this moment, Chen Siyao's voice suddenly sounded in the air. "

Old Master Chen sighed in his heart and opened his eyes to look at Chen Siyao. "She's here."

"Chen Siyao directly knelt by the rocking chair and said in a sobbing voice, "Grandfather, can you think of a way?" "

"Yaoyao, do you have to do this?" Old Master Chen looked at his precious granddaughter helplessly. "

"Chen Siyao tried her best to suppress her emotions. "Grandfather, I really love to meet people. From the first time I met him, I secretly decided that I would marry him in the future." "

“But he doesn’t have you in his heart. He clearly told me that he can marry anyone but you.” Old Master Chen was also disappointed.

How did he meet such a granddaughter.

“If Miss Ye was his granddaughter, he would probably wake up laughing in his dreams. ”

Unfortunately.

Things didn’t go as planned.

“Chen Siyao continued, “Grandfather, I don’t care. I Don’t care who he likes. Who’s in his heart? I just want to marry her.” ”

Marrying Song Shiyu had already become Chen Siyao’s obsession.

“All these years, no matter what she did, her starting point was definitely Song Shiyu. ”

“Song Shiyu liked to smoke, so she started collecting all kinds of rare and expensive cigarettes. She even planted her own tobacco. ”

“When Song Shiyu started to quit smoking, she started paying attention to all kinds of food that helped him quit smoking... ”

“Song Shiyu liked Ginger water with brown sugar, so she personally boiled ginger water with brown sugar for him. ”

“Song Shiyu fell in love with antiques for a period of time, so she went to meet a master in the antique industry... ”

“From the very beginning, she was destined to live for Song Shiyu.”

“As long as she could marry Song Shiyu and stay by his side every day, Chen Siyao was willing to do anything for him.”

“Yaoyao, I’ve told you everything I need to say. Why don’t you have any sense of shame?” Old Master Chen frowned. “He, Song Shiyu, doesn’t like you! He doesn’t like our Chen family either!”

“As his grandfather, Old Master Chen didn’t want to speak so harshly.”

But he couldn’t.

“If he didn’t get to the point, Chen Siyao would never wake up.”

There were some things that had to be said.

“Grandfather, can you think of a way? I know, you definitely have a way!” Old Master Chen was, after all, Song Shiyu’s Savior.

“Grandpa Chen was a person who cared a lot about his face, but some things could not be done smoothly because of his face?”

He had to put down his dignity.

“There’s no other way.” Grandpa Chen shook his head. “For your sake, I even put my old face on the line.”

Chapter 2473: 520: then help her! 2

Useful?

Useless!

“If it had been someone else, it might have been useful. ”

But song Shiyu was an ingrate.

Old Master Chen finally saw song Shiyu clearly now. He even started to regret not saving song Shiyu back then.

“If he hadn’t meddled in other people’s business back then, there wouldn’t be so much trouble now! ”

It was all his fault!

“Chen Siyao didn’t think so, she continued, “Grandpa, Shi Yu isn’t such a heartless person. It must be that you two didn’t discuss it properly. You saved him once. All these years, he’s always remembered your kindness. I believe he’ll definitely agree to it!” ”

““Chen Siyao!”Old Master Chen looked at Chen Siyao, unable to contain his anger. ”

He was really angry.

““Grandpa,”Chen Siyao cried. “I know you’re blaming me for not living up to expectations, but what can I do? I can’t control my feelings. I just like him! “I want to be myself too, but he’s the only one left in my life!” ”

“Because there was only song Shiyu left in her life, Chen Siyao’s life had no other colors. ”

Old Master Chen looked at Chen Siyao and shook his head angrily.

“If Song Shiyu and Chen Siyao were in love, wouldn't Chen Siyao be a joke if she couldn't live without Song Shiyu?”

“He had never truly loved anyone in his life. His marriage with Old Madam Chen was just a respectful marriage, so he couldn't feel the same way.”

He couldn't even understand Chen Siyao.

“Grandfather, I'm begging you. Can you help me again?”

“There's no other way.” Old Master Chen sighed.

“Chen Siyao looked at Old Master Chen, and the light in her eyes suddenly dimmed. She continued, “Grandfather, if I can't marry Song Shiyu, I won't live anymore.””

“Her eyes were firm, and she didn't look angry at all.”

“Then go to hell!” Old Master Chen was still angry, so he casually replied.

“Hearing this, Chen Siyao immediately stood up from the ground and walked out of the door.”

“Eldest miss!” The housekeeper was shocked and immediately caught up with Chen Siyao's footsteps.

Old Master Chen looked at Chen Siyao's back and frowned.

Sigh!

“Eldest miss, old master only said those words in a moment of anger. Please don't take it to heart.” The housekeeper pulled Chen Siyao's arm. “You are old master's only granddaughter. If anything happens to you, what Will Old Master Do?” ”

“Chen Siyao's face was full of tears. “He never cared about me, his granddaughter!” ”

“If Old Man Chen really cared about her, he wouldn't have watched her struggle so painfully!”

“From the moment I was born, he regretted that I wasn't a boy.” Chen Siyao's mouth was full of sarcasm. “He must be even more regretful now. If I were a boy, I wouldn't have made such a joke!” ”

Every word was extremely harsh!

“When Old Master Chen heard these words, he was so angry that he almost vomited blood.”

He had always thought highly of Chen Siyao and had never felt that there was only a difference between a man and a woman.

“But now, Chen Siyao actually said these words, making old master Chen feel that there was still a difference between a man and a woman.”

“Even the Butler couldn't listen to her. “Eldest miss, you can't say things like that! Old Master has doted on you since you were young and treated you as a pearl. You have always been his pride...” ”

Chen Siyao just smiled and didn't say anything.

Her smile was full of sarcasm.

“The housekeeper continued, “The old man really cares about you. Please don't let your imagination run wild.” ”

“Chen Siyao looked at the housekeeper and continued, “Alright, you don’t have to say anymore! I know this very well in my heart!” ”

“Eldest miss!”The housekeeper said somewhat helplessly.

“At that moment, old master Chen said, “Let Her Go!” ”

“The Butler glanced at Old Master Chen and sighed helplessly. Then, he let go of Chen Siyao’s arm. ”

Chen Siyao laughed coldly in her heart.

She knew it!

Chen siyao walked out in large strides.

“The Butler jogged to Old Master Chen’s side and asked worriedly, “Old master, will anything happen to eldest miss?” ”

“”If she’s capable, she can force song Shiyu to really marry her!”Old Master Chen deliberately raised his voice. “What kind of ability is that? !” ”

His voice was very loud.

“Naturally, Chen Siyao could hear him clearly. She bit her lip, her eyes filled with unwillingness. ”

“It was fine if outsiders bullied her and looked down on her, but now even her own grandfather wanted to step on her! ”

What was this?

“The Butler was worried that Chen Siyao wouldn’t be able to take it, so he continued, “Old Man, eldest miss isn’t feeling too good right now. Please don’t push her too hard.” ”

Chapter 2474: 520: then help her! 3

Things always turn around when they reach their limit.

Old Master Chen sighed.

“After Chen Siyao went back, she covered herself with the blanket and cried.”

“In the following days, she refused to eat, not even taking a sip of water.”

She wanted old master Chen to see her determination!

“In less than a day and a half, Chen Siyao’s entire person became depressed and her face turned pale.”

“Hearing this news, Old Master Chen frowned. “She really went on a hunger strike?” ”

The housekeeper nodded. “Absolutely!”

“Then, the housekeeper added, “Eldest miss hasn’t eaten for quite a few meals.” ”

“Old Master Chen continued, “Let’s go take a look.” ”

“Okay.”The housekeeper nodded and immediately pushed old master Chen towards Chen Siyao’s courtyard.

“Very soon, they arrived at the east courtyard. ”

“When the servants saw Old Master Chen coming over, they immediately came over to welcome him, “Old Master, please come over and take a look! The eldest miss hasn’t eaten since yesterday, and she hasn’t eaten anything today! If this continues, how will her body be able to endure it!” ”

The housekeeper pushed Old Master Chen into the house.

“Chen Siyao sat there, her entire being devoid of energy. She was extremely dispirited, and there wasn’t even the slightest bit of luster in her eyes. ”

“Are you going to continue starving like this?” Old Master Chen asked at this moment.

Chen Siyao didn’t say anything.

“Old Master Chen sighed and continued, “Why are you doing this?” ”

Chen Siyao still remained silent.

““Yaoyao,” old master Chen looked at Chen siyao and said, “If you really can persist, I have a way to make Shiyu marry you.” ”

“Hearing this, Chen Siyao’s eyes instantly lit up. She turned to look at Old Master Chen. “What Way?” ”

“Let Shi Yu know your attitude.”

“In other words, he was forcing her with his life! ”

“Chen Siyao was about to die, so how could song Shiyu not lower his head? ”

“Although doing so was a little unseemly, at this juncture, he couldn’t care less about being unseemly!”

“Hearing this, Chen Siyao narrowed her eyes. “Then...” ”

“Before she could finish her sentence, old master Chen added, “You just need to persevere. Leave the rest to me.” ”

“Okay.”Chen Siyao nodded.

“After leaving Chen Siyao’s courtyard, Old Master Chen instructed the butler, “Think of a way to spread this news to our ears. Say that Yaoyao won’t marry anyone else but him. If he doesn’t, Yaoyao will starve to death!” ”

“The butler frowned. “Old Master, isn’t this... isn’t this a little inappropriate?” ”

The Chen family was not a small family. Using this kind of greeting was a little embarrassing.

The Butler even suspected that old master Chen had lost his mind!

“Otherwise, why would he say such words!”

“Old Master Chen couldn’t care less. He sighed and said, “With such a granddaughter, what can I Do? I Can’t just watch the Chen family die!” ”

“If grandfather Chen had a granddaughter or grandson, he wouldn’t have ended up like this!”

“However, the situation was different now. ”

“The housekeeper continued, “What if third master song doesn’t respond?” ”

“Can he just stand by and watch Yaoyao Die?” Grandfather Chen asked.

“The housekeeper said, “Grandfather, it’s not like you don’t know about third master song’s past. If he didn’t have any tricks up his sleeve, he wouldn’t have become the head of the song family.” ”

“Outsiders only knew that song Shiyu had killed his father, but they didn’t know that song Shiyu had a half-brother. Ever since Father Song went missing, that brother had also disappeared. ”

“Hearing this, Old Master Chen was stunned. ”

“The butler continued, “I still think that using death to threaten him is the worst option.” ”

“As long as there was a slight mistake, there was no way to end this. ”

“Old Master Chen frowned. “But now, there’s no other way!” ”

““Old Master! Old Master!” At that moment, the assistant rushed over with a pale face. ”

“What’s Wrong?” Old Master Chen asked.

“The assistant gulped and said, “Something... something big happened!” ”

“Old Master Chen looked at him and said, “What happened? Tell me slowly. Don’t Worry!” ”

“The assistant said, “Sir, sir was arrested!” ”

“The Sir the assistant mentioned was Chen Siyao’s biological father, Chen Youlong. ”

“What?” Old Master Chen’s face turned pale. “What happened this time?”

“From what he said, it was obvious that this was not the first time Chen Youlong had gone in.”

“The assistant continued, “I heard that he offended the Zhao family.” ”

The Zhao Family?

Old Master Chen frowned. “When did he get involved with the Zhao family again?”

Chapter 2475: 520: then help her! 4

This son of his would create some problems for him from time to time.

“Even though he was already over 40 years old, he was still muddle-headed. With the Chen family’s status in Yun Jing, he dared to provoke anything!”

““I heard that it has something to do with the new wife of the Zhao family,”the assistant replied.”

““The new wife?”Old Master Chen turned to look at the assistant and asked, “Zhao Liu married another woman?” ”

““Yes.”The assistant nodded. “The new wife seemed to be an old acquaintance of sir. Then, then, then, then sir went to snatch her away and even injured family head Zhao...” ”

“Bastard!”Old Master Chen grabbed the Teacup on the table and threw it on the ground.

Bang!

The Teacup fell to the ground and shattered.

“After saying that, old master Chen turned to look at the butler. “Quickly contact chief Liu.” ”

“Okay.”The Butler nodded and immediately picked up his phone to contact chief Liu.

“Very soon, the call connected. The Butler handed the phone to Old Master Chen. “Old Master, the call connected.” ”

“Old Master Chen took the phone and a smile instantly appeared on his face. “Hello, chief Liu.” ”

“It was unknown what was said on the other end, but the smile on old master Chen’s face instantly disappeared. Then, he hung up the phone. ”

““Old Master, Chief Liu, what did chief Liu Say?”The Butler asked. ”

Old Master Chen frowned. He had not yet reacted to chief Liu’s words.

“In the past, chief Liu was very respectful to him. But this time, chief Liu actually said something fierce and told him that this time, no one could protect Chen Youlong! ”

What was going on?

Old Master Chen’s face turned paler and paler.

“Seeing Old Master Chen like this, the butler also expected that things would be a little tricky. He continued, “Old Master, don’t worry. There will always be a blessing in disguise for sir. He will definitely be fine! In the past, there were so many difficulties. Didn’t Sir Come here as well?” ”

Old Master Chen frowned. "It's different this time."

"After saying that, old master Chen continued, "We'll return to cloud capital immediately!" "

"With this happening, Nanhai naturally couldn't stay any longer. They had to go back and settle Chen You Long's matter right away. "

"Then, then what about the eldest miss?"The Butler asked. "

Old Master Chen Thought for a moment. "She'll stay here."

"He had already returned to cloud capital, so song Shiyu wouldn't ignore Chen Siyao. "

"Old Master Chen continued, "Butler, make the arrangements. We'll leave right away!" "

"Okay."The butler nodded.

The Butler immediately went to make the arrangements for returning to Yun Capital.

The assistant pushed Old Master Chen over to Chen Siyao's place and gave her some instructions.

"Chen Siyao was completely immersed in her love for him. When she heard that something had happened to her father, there wasn't much of a stir. After all, this wasn't the first time something like this had happened. "

"However, Chen Siyao had overlooked one thing. "

"In the past, when something like this had happened, Song Shiyu had always been the one to handle it. "

"But now, would song Shiyu still help them? "

“Grandfather, you should go back. I know what to do.” Chen Siyao looked at Old Master Chen. ”

“Old Master Chen nodded and continued, “I’ve already gotten someone to spread the news. If you want to act, act well. Don’t give up Halfway.” ”

“I know.” Chen Siyao nodded.

“This time, she had to seize the opportunity. ”

“Old Master Chen continued, “After you’re done, return to cloud capital with Shiyu.” ”

Old Master Chen had a premonition that song Shiyu would have to personally handle this matter.

“Mm.” Chen Siyao continued to nod. Because she hadn’t eaten for a long time, her face was deathly pale, as if she would faint at any moment. ”

“After explaining everything, Old Master Chen set out to return to Yun capital. ”

“Before long, the news of Chen Siyao’s hunger strike reached song Shiyu’s ears. ”

“Boss, how should we handle this?” asked the assistant. ”

“Doesn’t she want to die? Then help her!”

Chapter 2476: 521: Who Dares to provoke her? 1

Then help her.

“It was a cold-blooded and merciless sentence, and it sent chills down people’s spines.”

“The assistant was stunned for a moment before continuing, “Yes, Boss.” ”

“Song Shiyu picked up the pen on the table and signed the document. Then, he asked, “How’s the situation in Yun Jing?” ”

The assistant glanced at song Shiyu. “Old Master Chen has already rushed back to Yun Jing.”

“”Alright.”Song Shiyu nodded slightly and continued, “Let Liu Sheng know that it’s business as usual. I will hire the best lawyer for the victim.” ”

The Zhao family was not a small family in Yun Jing. Why would they need song Shiyu’s help to hire a lawyer?

Song Shiyu’s actions showed his stance.

The Chen family was... finished this time.

“The assistant nodded. “Yes, Boss.” ”

Yun Jing.

Zhao family.

“Zhao Liu paced around the hall. “Dad, what do you think happened this time? I feel a little uneasy.” ”

“Everyone in Yun Jing knew that the Chen family owed song Shiyu a favor, so song Shiyu had always supported the Chen family in the open and in the dark. ”

“Because of this, very few people in Yun Jing dared to provoke the Chen family. Even though Chen Youlong had always been extremely arrogant, everyone only dared to suffer in silence. ”

“However, this time, not only did song Shiyu not support the Chen family, he even personally sent Chen Youlong in. No matter how one looked at it, it did not seem normal. ”

Could it be that the sun would rise from the West?

“Zhao Liu had suffered a lot in front of Chen Youlong before, and he had a shadow in his heart! ”

“Old Master Zhao and old master Chen were about the same age, and both of his temples were gray.  
“Calm down.” ”

““Dad, it’s already so late, and you’re still telling me to calm down!”Zhao Liu continued, “What do you think Third Master song is playing at?” ”

Zhao Liu felt as if he was dreaming.

“When the song family sent the news, he thought that he was going to die. He did not expect that song Shiyu was here to help him this time. ”

The person who went to prison was Chen Youlong.

“Old Master Zhao stroked his beard and said, “The Chen family has been relying on the song family to support them all these years. They have been running rampant in cloud capital. When things get extreme, they will definitely rebel. This is their retribution!” ”

“What if Third Master song is setting us up?”Zhao Liu continued to ask.

Old Master Zhao laughed lightly. "Do you think that third master song is as free as you?"

Song Shiyu was not the kind of person who had leisure and elegance.

"So you're saying that the Chen family is going to be in trouble?" Zhao Liu asked.

"Old Master Zhao continued, "Let's wait and see." "

"Okay." Zhao Liu nodded.

"At that moment, footsteps came from outside the door. "

"Old Master!"

It was the Butler's voice.

"What's Wrong?" Old Master Zhao stood up.

"The Butler brought a man in a suit and walked in. "Old Master, this is lawyer Jin." "

Lawyer Jin?

Old Master Zhao was stunned.

"Hello, Old Master Zhao. I'm Jin Yuan from VL law firm." Jin Yuan bowed slightly and handed a business card to Old Master Zhao. "This is my business card." "

VL law firm's Jin Yuan?

“Old Master Zhao suddenly realized something and immediately took the business card. “Hello, lawyer Jin. Please take a seat.” ”

“In Yun Jing, almost everyone knew about VL law firm, let alone Jin Yuan. ”

Jin Yuan was a gold-medal lawyer who had a firm foothold in the world. He was famous in an international case and could not be invited by ordinary people.

“But today, Jin Yuan actually took the initiative to visit. ”

Jin Yuan followed and sat down.

“Zhao Liu, who was beside him, was still dizzy. ”

“Elder Zhao continued, “Quickly pour some tea for lawyer Jin.” ”

““Elder, you’re welcome.”Jin Yuan opened his briefcase and took out a document. “This is the material I prepared. Please take a look at it. If you don’t think it’s a problem, we’ll follow this plan.” ”

“Elder Zhao took the document and looked at it carefully. Finally, he turned to look at the servant beside him. “Bring my glasses over.” ”

“Okay.”

The servant immediately trotted over to get the glasses for Old Master Zhao.

“Soon, the glasses were brought over. Old Master Zhao took the glasses and put them on. Then, he carefully looked at the contents of the materials. ”

“Ten minutes later, he looked at Jin Yuan in disbelief. “Lawyer Jin, I remember that I visited you before, but you said that you weren’t free.” ”

“Jin yuan smiled and said, “Boss song entrusted me to come.” ”

“Third Master Song?”Grandfather Zhao asked.

Jin Yuan nodded.

“Jin Yuan could reject anyone, but he could not reject song Shiyu. ”

“If he was thousand-li horse, then song Shiyu was his Bo Le. ”

“In that international case, no one believed that he could win. After all, he was just a nobody at that time. ”

Chapter 2477: 521: Who Dares to provoke him? 2

“However, song Shiyu trusted him very much! ”

“That kind of trust was deeply engraved in his heart. Until now, he was extremely grateful to Song Shiyu.  
”

“If it wasn’t for Song Shiyu back then, he wouldn’t be the current him. ”

“Old Master Zhao looked at Jin Yuan, feeling a little complicated. “Lawyer Jin, may I ask, what is third master song’s current attitude?” ”

“In fact, grandfather Zhao was also very uneasy. ”

“After all, Song Shiyu was not like this in the past. ”

“Just three months ago, song Shiyu had helped the Chen family settle a rather big matter. ”

How long had it been?

How could he be so ruthless to the Chen Family?

“Jin Yuan adjusted his spectacles, then, he said, “Grandfather Zhao, please rest assured. Boss song is a good man. He will definitely handle the matter from a fair and just perspective. You and Mr. Zhao are the victims now. As a lawyer, I will make Chen Youlong pay the price he deserves.” ”

“At this moment, Jin Yuan’s entire body emitted a light of justice. ”

A Good Man?

Song Shiyu was a good man?

This was probably the most unreliable thing that old master Zhao had heard in the past ten years.

“Although song Shiyu had not done any evil deeds, he was definitely not a good man. ”

“As long as he was a good man, the head of the song family would not fall on song Shiyu’s head. ”

“Grandfather Zhao smiled and said, “Lawyer Jin and third master song are old friends...” ”

“At this point, grandfather Zhao paused and continued, “Can you tell me what happened between the song family and the Chen Family? Don’t make things worse...”the song family and the Chen family had reconciled, if the clown became him, then the loss would outweigh the gain! ”

“After all, the song family was really powerful in Yun Jing.”

“Jin Yuan didn’t say anything more. He adjusted his glasses and said, “Elder Zhao, Boss song is definitely not the kind of person who would go back on his words and be indecisive. He must have his own reasons for doing so. You just have to cooperate.” ”

“Hearing this, elder Chen had a plan in mind. He continued, “Alright, then we’ll Do as you say, lawyer Jin. We’ll cooperate with you.” ”

“Okay.”Jin Yuan took a sip of tea and stood up from his chair. “That’s settled then. I’ll go back first. The two of you just wait for my news.”

“Okay.”Old Master Zhao stood up to send Jin Yuan off.

Zhao Liu also immediately followed the two of them.

“Walking out of the door, Jin Yuan stopped and turned to look at Old Master Zhao. “Old Master Zhao, please wait a moment.” ”

“Old Master Zhao stopped in his tracks. “Take care, lawyer Jin. I’ll leave this matter to you. If there’s anything that you need us to cooperate with, just contact us.” ”

“Okay.”Jin Yuan nodded.

“Looking at Jin Yuan’s back, Zhao Liu asked curiously, “Dad, do you think we’re Dreaming?” ”

“Even if it was a dream, it wouldn’t be so ridiculous!”

“Grandfather Zhao looked in the direction where the car had disappeared and said, “It seems that the Chen family has offended third master song badly this time!” ”

“If not, Song Shiyu would never have done this.”

“Then isn’t our family lucky?” Zhao Liu said with a smile.

“If the Chen family lost the Big Tree That Song Shiyu had, it was only a matter of time before they were killed.”

“Over the years, the Chen family had offended countless people because of Song Shiyu!”

Old Master Zhao did not say anything. “Is Siliang back yet?”

Zhao Siliang was Zhao Liu’s son.

“Unlike Zhao Liu’s father, Zhao Siliang was extremely capable. He stayed abroad for ten years and did business with the Dutch for eight years. He had accumulated a lot of business talent.”

“Zhao Liu continued, “Not yet. He said he’ll be back the day after tomorrow.” ”

Old Master Zhao nodded.

The father and son walked towards the hall.

““Dad, Ah Liu.” ”

The two of them had just walked into the hall when they saw a beautiful young woman walk out.

The young woman looked to be about twenty-five or twenty-six years old.

“She was very beautiful. Her appearance was decent, but her demeanor exuded a worldly aura.”

“This was the wife that Zhao Liuxin had married, Liu Jing. ”

“Liu Jing was someone that Zhao Liu had met in the nightclub. He was 32 years younger than Zhao Liuxiang, and because of this, old master Zhao had disapproved of these two people from the start. ”

“However, Zhao Liu had always wanted to die, so old master Zhao could only grit his teeth and agree. ”

It turned out that old master Zhao’s judgment was not wrong.

“On the first day that Liu Jing entered the room, she caused trouble. ”

“Seeing Liu Jing, old master Zhao frowned slightly and walked past Liu Jing as if he did not see her. ”

“Liu Jing saw the disdain in old master Zhao’s eyes, and her eyes were full of depression. ”

She knew that old master Zhao had always looked down on her birth.

“Zhao Liu was also a womanizer. She did not know how many people she had offended before, and she did not know how long she could be Mrs. Zhao. Thinking of this, the depression in Liu Jing’s eyes became even more obvious. ”

“Zhao Liu noticed Liu Jing’s expression and walked over. He smiled and said, “Jingjing, don’t mind him. My father is that kind of person.” ”

Liu Jing nodded. “Okay.”

“Zhao Liu liked this petite wife very much. He was very worried that Liu Jing would be upset, he then said, “My father is already so old. He might not be able to do it one day. When that time comes, the entire Zhao family will be ours. Don’t mind the gaze of a person who is about to die.” ”

“Liu Jing looked at the man beside her who was even older than her father. There was an indescribable expression in her eyes. “Ah Liu, thank you.” ”

“Everyone said that she was interested in the Zhao family’s wealth, but that was not the case. ”

“She was pretty and there were many people who came to offer her an olive branch. Among them, there was no lack of young and powerful people. ”

“However, he chose Zhao Liu resolutely. ”

There was no other reason.

It was because Zhao Liu gave her the feeling of a father.

It was not until she married into the Zhao family that she found out about Zhao Liu’s romantic affairs.

“We are husband and wife.”Zhao Liu put his arm around Liu Jing’s shoulder.

“Liu Jing continued, “I heard that your son is coming back?” ”

Liu Jing was now an outsider in the Zhao family.

She did not know anything.

She even needed to look at the eyes of a servant.

“After knowing that Zhao Liu’s son was coming back, she became even more anxious. ”

What if Zhao Liu’s son did not acknowledge her?

““Yes.” Zhao Liu nodded and continued, “That child has a good temper. He will definitely not make things difficult for you.” ”

“Zhao Siliang was two years older than Liu Jing. At the moment, Zhao Siliang did not know that there was a step-mother younger than him in the family. ”

“However, Zhao Liu was certain that Zhao Siliang would definitely not make things difficult for Liu Jing. ”

Liu Jing nodded.

“Zhao Liu supported Liu Jing as they walked into the house. Liu Jing looked at Zhao Liu and asked hesitantly, “Did I, did I cause trouble for the Family?” ”

““No, what trouble can you cause!” Zhao Liu smiled and said, “We have always been estranged from the Chen family. Even without you, our conflict is unavoidable.” ”

“After saying that, Zhao Liu continued to comfort her, “Jingjing, don’t think too much. That’s not a problem that you should be worried about.” ”

Liu Jing nodded and did not say anything else.

Zhao Liu would never know the uneasiness in her heart.

On the other side.

Old Master Chen took a special plane back to cloud capital.

“The first thing he did when he returned was to look for connections everywhere. No matter what, he could not let Chen Youlong really go to jail. ”

“The Chen family had run amok in the cloud capital for so many years and had accumulated a lot of connections. Normally, as long as Old Master Chen coughed, a group of people would surround him. ”

But this time...

The people who used to flatter old master Chen seemed to have disappeared in an instant!

“Since they didn’t come, Old Master Chen could only take the initiative to look for them. However, those people all avoided him as if old master Chen was some kind of terrifying virus. ”

What should he do now?

Old Master Chen sat in his wheelchair and frowned.

“The butler continued, “Old Master, I think this is somewhat similar to third master song’s methods.” ”

“Shiyu?” Old Master Chen asked.

The butler nodded.

“In Yun Jing, other than song Shiyu, no one else had such methods. ”

“Old Master Chen’s furrowed brows did not ease up. He continued, “Why would he do that!” ”

The Butler did not say anything.

Old Master Chen sighed. "Call him!"

"Okay." The butler nodded.

"As soon as he finished speaking, the Butler connected to Song Shiyu's phone."

"A few seconds later, a busy voice came from the other end."

Song Shiyu had blocked old master Chen's number.

"Realizing this problem, the Butler's heart skipped a beat."

"Old Master..." the butler turned to look at Old Master Chen.

"Old Master Chen continued, "Contact Yaoyao and see what's going on with her." "

The housekeeper continued to contact Chen Siyao.

"Chen Siyao's call was quickly connected, but there were no new developments on her end."

It was unknown if Song Shiyu knew about her current situation.

"After learning about Chen Siyao's situation, Old Master Chen was in a terrible state."

Song Shiyu couldn't possibly be that heartless!

"The housekeeper saw through old master Chen's thoughts and comforted him. "Old Master, don't worry. What if third master has something urgent and doesn't know about eldest miss?" "

“At this point, the housekeeper paused and said, “Third master is definitely not the kind of person who is cold and heartless.” ”

“I hope so.” Old Master Chen sighed softly.

“After saying that, old master Chen continued, “Let’s go to the police station now.” ”

“Okay.” The butler nodded and began to arrange the vehicles.

Chapter 2479: 521: Who Dares to provoke me? 4

“On the other side, Chen Siyao looked at her assistant. “Are you sure Grandpa sent the news to Shiyu?” ”

“I’m sure.” The assistant nodded.

“Since she was sure, why hadn’t song Shiyu made a move until now? ”

“Logically speaking, song Shiyu shouldn’t have just watched her starve to death. ”

“She grew up with song Shiyu. Even if song Shiyu really didn’t want to marry her, he should have come to see her at a time like this. ”

How could he be so cruel.

What should she do now?

She knew very well about Chen Siyao's own body. She couldn't hold on for much longer.

"If song Shiyu still didn't come, she would die."

"With that in mind, Chen Siyao bit her lip. Her eyes were filled with unwillingness. "Bring me my phone."  
"

"Okay." Her assistant walked over, picked up Chen Siyao's phone, and handed it to her. "

Chen Siyao took the phone and made a call.

"A moment later, Chen Siyao looked at the assistant. "Give me your phone." "

Her number had already been blocked by song Shiyu.

The assistant handed her phone to Chen Siyao.

Chen Siyao pressed the familiar number and dialed it.

"Very soon, the call connected. "

"However, it was the assistant who answered the call. "

This wasn't song Shiyu's personal call.

"When Chen Siyao heard the voice on the other end of the line, her heart turned cold. "

"So after knowing him for so many years, she didn't even deserve his personal number. "

How laughable.

How laughable!

“On the other end of the line, Chen Siyao laughed out loud.”

“The assistant listened to the laughter on the other end of the line with a puzzled look and tried his best to be polite. “Hello, May I help you?” ”

The assistant’s voice pulled Chen Siyao’s thoughts back to reality. “I’m Chen Siyao.”

Chen Siyao.

“Hearing the voice on the other end, the assistant was stunned.”

““I’m looking for Shiyu,” Chen Siyao continued.”

“Although song Shiyu’s intentions were very obvious, Chen Siyao still harbored some fantasies.”

“She and song Shiyu were childhood sweethearts. They were young and innocent. Even if song Shiyu didn’t like her, he still had other feelings for her.”

“The assistant continued, “Miss Chen, our boss said that he doesn’t want to see you.” ”

“I’m going to die.” Chen Siyao’s voice sounded weak and sad. “He doesn’t even want to see me one last time?”

Song Shiyu was the person that she had loved all of her youth.

“From ignorance to the beginning of love, until now...”

She had never changed.

“Hearing this, the assistant’s mood didn’t change much. She just said, “Miss Chen, please wait a moment.” ”

“Okay.”

The sound of soft footsteps came from the other end of the phone.

““Boss.”Then came the assistant’s voice, followed by a low whisper. ”

“Although Chen Siyao couldn’t hear what the assistant said to Song Shiyu, she could guess it. ”

“A moment later, song Shiyu’s voice came through the receiver. ”

“It was cold, ruthless, and cruel. ”

“With just one sentence, Chen Siyao was sent to hell. ”

He said.

“It’s still clean even if you’re dead.”

“Chen Siyao’s already pale face instantly turned pale, and the light in her eyes disappeared. ”

It’s still clean even if you’re dead.

It’s still clean even if you’re dead.

A mocking smile tugged at the corner of Chen Siyao's mouth as her phone fell weakly from her hand.

PA —

It fell to the ground.

“Du du du —”

There was a busy sound coming from the other end. It must have hung up.

Chen Siyao didn't even have the strength to cry anymore. Her heart was filled with sorrow.

““Miss, I'll get the driver to send you to the hospital!”The assistant jumped in fright and immediately helped Chen Siyao up. ”

Chen Siyao pushed the assistant's hand away. “I'm not going to the hospital!”

“Right now, she just wanted to see if song Shiyu really wanted her to die. ”

Chapter 2480: 522: the right medicine! 1

“No matter how heartless song Shiyu was, Chen Siyao always had a glimmer of hope for him. ”

She felt that song Shiyu had a little affection for her.

“First, they had known each other since they were young. ”

“Second, Old Master Chen had saved Song Shiyu.”

“Just based on this last point alone, Song Shiyu definitely wouldn’t ignore her.”

Song Shiyu probably thought that she was just playing around.

“Then this time, she had to show Song Shiyu her determination. She had to let Song Shiyu know that she really didn’t want to live anymore.”

“She believed that as long as she experienced life and death, Song Shiyu would definitely be able to see her.”

Cherish her.

“At this thought, the corners of Chen Siyao’s lips curled up. She said even more firmly, “I’m not going to the hospital!” ”

“The assistant frowned. “Miss, with your current state, if you don’t go to the hospital, something bad will definitely happen.” ”

Chen Siyao hadn’t eaten for nearly four days.

“Under normal circumstances, not eating for a week would affect her life.”

“You don’t have to worry about that!” Chen Siyao said with a pale face.

Her heart also thirsted for food.

“But as long as she thought about Song Shiyu, she didn’t want anything else.”

“This was her last chance, and she had to take it.”

“Miss,” the assistant sighed and reached out to help Chen Siyao onto the bed. “Why are you doing this?!”

“Looking at Chen Siyao from the assistant’s point of view, she couldn’t understand Chen Siyao’s thoughts at all.”

“Chen Siyao came from an extraordinary background. She was a fair, rich, and beautiful woman who didn’t lack anything. There were so many men in the world, so why should she hang herself on a tree?!”

“If she were Chen Siyao, she would never use her life to coerce a man.”

Because it wasn’t worth it.

Chen Siyao closed her eyes and didn’t say anything.

“The assistant continued, “Then I’ll call doctor Liu Over.””

Doctor Liu.

“In Nanhai, there was no other doctor Liu other than Song Shiyu’s personal doctor whom the assistant called Doctor Liu.”

Chen Siyao naturally wouldn’t object if her assistant took the initiative to look for Doctor Liu.

“Seeing that Chen Siyao didn’t say anything, the assistant continued, “Then I’ll go look for Doctor Liu. Miss, if you’re hungry, there’ll be food on the coffee table.””

“Chen Siyao wasn’t going to say anything else, but after some thought, she said, “Wait a moment.” ”

“The assistant stopped in his tracks. “Miss, do you have any other instructions?” ”

“Do you know what to say and what not to say when you go to Doctor Liu’s place?”Chen Siyao asked.

“The assistant nodded. “Don’t worry, I know everything.” ”

“Chen Siyao had personally chosen the assistant, so she trusted her quite a bit. Hearing this, Chen Siyao continued, “You go ahead.” ”

“”Then I’ll take my leave, miss.” ”

Chen Siyao closed her eyes and didn’t say anything else.

The assistant immediately went to Dr. Liu’s address.

“Because of Song Shiyu, the assistant had followed Chen Siyao to Dr. Liu’s address before. ”

“Dr. Liu was studying rare cases at home. When he saw Chen Siyao’s assistant coming over, he smiled and said, “Why is little Xu here today? Resting?” ”

“Little Xu shook his head. “Dr. Liu, I came over to invite you to visit our young miss.” ”

“Miss Chen?”Doctor Liu asked.

Little Xu nodded. “Yes.”

“Doctor Liu frowned slightly and asked, “What’s wrong with Miss Chen?” ”

“Little Xu didn’t know how to say it either. He sighed and said, “Our eldest miss went on a hunger strike. She hasn’t eaten for four days and four nights.” ”

Hunger strike?

Doctor Liu was a little shocked. “What’s the matter?”

“Usually, Chen Siyao looked like a very cheerful person. ”

He didn’t expect that she would go on a hunger strike.

“Little Xu sighed again, “Originally, I shouldn’t have interfered with my boss’s matters, but this time, there’s really no other way. Miss isn’t willing to go to the hospital. Doctor Liu, quickly go and see Miss! If this continues, I’m afraid that someone will really die!” ”

A doctor’s heart is like a parent’s.

“When he heard about this, Dr. Liu immediately packed his medical kit. “Let’s go, let’s go, we’ll leave right now!” ”

The assistant immediately followed Dr. Liu’s footsteps.

The two of them chatted as they walked.

“Dr. Liu continued to ask, “What exactly is the matter, Miss Chen?” ”

“The assistant didn’t know how to say it either. He continued, “Dr. Liu, you should know that our eldest miss has always liked third master song, right?” ”

“I know.” Dr. Liu nodded.

It was no secret that Chen Siyao liked song Shiyu.

“At this moment, Dr. Liu came to his senses. “Could it be that it was because of boss song that Miss Chen...” ”

The rest was self-evident.
