Chapter 2481: 522: the right medicine! 2

“Okay.”The assistant nodded.

Doctor Liu didn’t know what to say. It was Chen Siyao’s freedom to like whoever she wanted. He just sighed. “Infatuation has always been in vain!”

“The assistant seemed to be moved as well. He nodded and said, “Yeah.” ”

This was how the world was.

It was impossible for everyone to be with the person they liked.

“There was always regret, but there was also sadness.”

“Doctor Liu turned to look at his assistant and asked, “Then how is Miss Chen’s situation now?” ”

This sentence was more or less probing.

“He wanted to know if Chen Siyao was really on a hunger strike, or if she was just trying to scare song Shiyu.”

“The assistant said, “The situation is very bad.” ”

“After that, the assistant added, “I have a feeling that Miss Chen will be very sad this time.” ”

Doctor Liu frowned slightly. "Is it that serious?"

"Yes." The assistant nodded.

"Doctor Liu continued to ask, "What about boss song? How did Boss Song React?" "

"Old Master Chen owed song Shiyu a favor. Now that Chen Siyao was in trouble, it was still because of him. Logically speaking, song Shiyu shouldn't have ignored him. "

""There was no reaction from third master,"the assistant replied. "

"You didn't inform Boss Song?" Dr. Liu asked.

"The assistant continued, "I'm not too sure about the specifics." "

"After all, it was a matter of her superior. It wasn't good for her to say too much. "

Dr. Liu didn't ask any more questions.

"Soon, the car arrived. "

"The assistant took Dr. Liu's medical kit. "Dr. Liu, over here." "

"Okay." Dr. Liu followed the assistant's footsteps.

The two of them walked into the room together.

"Chen Siyao's room was on the top floor, so the view was very good. "

“However, today, the room, which was originally very spacious, lost its usual splendor.”

The city gates were endless.

The few plants placed on the balcony drooped their heads listlessly.

Everything was so sad.

““Miss, doctor Liu is here,”the assistant said.”

“Chen Siyao, who was lying on the bed, was pale. When she heard the sound, she moved and turned to look at the door. Her voice was very low and weak. “I told you, I don’t want to see a doctor!” ”

“Hearing this, doctor Liu immediately walked forward. “Miss Chen, you only have one life. You must not joke about your own life.” ”

Chen Siyao didn’t say anything.

Doctor Liu walked to the bedside and observed Chen Siyao’s complexion before reaching out to check her pulse.

“He thought that Chen Siyao was just trying to scare song Shiyu, but he didn’t expect Chen Siyao’s pulse to be so weak.”

“She, she was really seeking death!”

“Doctor Liu immediately let go of Chen Siyao’s wrist and continued, “Miss Chen, your condition is very dangerous now. You have to inject the nutrient solution immediately! Otherwise, you won’t be able to keep your life!” ”

""Doctor Liu, thank you for your kindness."Chen Siyao looked at doctor Liu without any light in her eyes. She was like a blind person, extremely gloomy, "But it's so tiring to live. I can't live with the person I like, and I can't do the things I like. It's better to die in peace."Chen Siyao's words were half true, half false. "

"For a moment, it was hard to tell whether it was true or false. "

"Doctor Liu looked at Chen siyao and continued, "Miss Chen, there's nothing in life that you can't get over. There's more than one tree in the world. Why do you have to give up the entire forest for one tree?" "

"Chen Siyao smiled. "Doctor Liu, is there anyone you like?" "

""I'm already married," doctor Liu said. "

""No Wonder,"Chen Siyao continued, "You walked into marriage with the person you like. Naturally, you don't understand my behavior." "

"At this point, two tears trickled down from the corners of Chen Siyao's eyes. "Why is it so hard for me to walk into marriage with the person I like?" "

Why is it so hard!

"Dr. Liu continued, "Miss Chen, you can only walk into marriage if you like each other. The world is very big. It's impossible for a person to only love one person in their lifetime. Perhaps the person who truly makes you love and loves you has yet to appear! "So, you must not give up. You only have one life." "

"At this point, doctor Liu added, "Miss Chen, you were born with a body of gold. You Don't have to struggle for life. I wonder how many people envy you. Why do you have to be trapped in your own world and not come out?" "

"Not only was Chen Siyao born well, but she was also quite good-looking. She was born fair, rich, and beautiful. She didn't have to worry about her life. She could apply the most expensive facial mask, live in

the most luxurious villa, and wear the most beautiful clothes, she didn't know how many people dreamed of living her life, but Chen Siyao couldn't see it. "

Chapter 2482: 522: the right medicine! 3

"Chen Siyao looked at doctor Liu and said calmly, "You're not me." "

"Doctor Liu wasn't her, so she couldn't empathize with her. "

"Material life wasn't important to her at all. As long as she could be together with song Shiyu, she could do anything. "

Even if it was eating chaff and eating vegetables.

"Doctor Liu Sighed. "Sometimes, I really wish that I could develop a real love-forgetting water so that you guys can walk out of love!" "

""Doctor Liu,"Chen Siyao looked up at doctor Liu and continued, "Then you're really wrong." "

"Even if there really was love forgetting water, she wouldn't drink it. "

"Even if it was a one-sided love, she would drink it willingly. "

Doctor Liu shook his head helplessly.

He really couldn't understand these people.

“Doctor Liu continued, “Miss Chen, you only have one life. If something really happens to you, you really won’t be able to see boss song anymore! Could it be that you’re willing to part with Boss Song?” ”

He could finally see that there was only one song Shiyu left in Chen Siyao’s life now.

“Apart from Song Shiyu, she couldn’t hear anything else. ”

“Hearing this, Chen Siyao was stunned. ”

She couldn’t bear to let go.

She hoped that she could see song Shiyu every minute of her life.

But she couldn’t let go of the child and get trapped!

She had to make up her mind.

“”Doctor Liu, there’s no need to say anymore.”Chen Siyao closed her eyes tiredly. “You can go. I’m tired.” ”

“”Miss Chen, I’m a doctor! How can I just leave in your current condition?”Dr. Liu asked. ”

Chen Siyao closed her eyes. “I refuse treatment.”

“Then, she continued, “Little Xu, send the guest out.” ”

Little Xu walked forward and looked at Dr. Liu with a troubled expression.

“Chen siyao said again, “Send the guest out!” ”

“Little Xu could only bite the bullet and say, “Dr. Liu, please.” ”

“”Miss Chen!” Doctor Liu frowned and said, “You’re not responsible for yourself, and you’re not responsible for your family!” ”

Chen Siyao didn’t say anything else.

“She had already achieved her goal, so it was unintentional for her to say anything more. ”

“Little Xu continued, “Doctor Liu, Please!” ”

“Helpless, doctor Liu could only turn around and walk out. ”

“When he reached the door, Little Xu lowered his voice and said, “Doctor Liu, you’ve seen our eldest Miss’s situation. There’s only one way to save our eldest miss now.” ”

“What Way?” Doctor Liu asked.

“Little Xu turned to look at the room and continued, “Our eldest miss has a mental illness. We need to treat it appropriately.” ”

What kind of medicine was needed for a mental illness?

“Of course, it was a heart medicine! ”

“Doctor Liu seemed to understand something, but he didn’t seem to understand anything. ”

“After a while, little xu continued, “Doctor Liu, please tell third master the truth about our eldest miss’s situation when you go back. As long as third master can come, our eldest miss will definitely be fine!” ”

Doctor Liu suddenly came to a realization.

He finally knew why Chen Siyao invited him but didn’t let him treat her!

It turned out that Chen Siyao’s real goal was song Shiyu!

“Doctor Liu nodded. “Okay, don’t worry. I’ll definitely explain Miss Chen’s condition to boss song!” ”

“”Then I’ll have to trouble you, doctor Liu,”little Xu said. ”

“Doctor Liu continued, “It’s just a small matter. Saving a life is better than building a seven-storied pagoda.” ”

“After that, doctor Liu added, “If you have time, you should also try to persuade Miss Chen. She’s just a man. In this world, good men are everywhere. There’s no need for her to hang herself on a tree. It’s not worth it!” ”

“A troubled smile appeared on Xiao Xu’s face. “If she had listened to our words, then Miss Chen would not be like this.” ”

Doctor Liu Sighed. “Miss Chen is a rare infatuated child. It’s a pity that she didn’t meet the right person.”

“Little Xu didn’t respond. He continued, “Doctor Liu, I’ll leave this matter to you. Please make sure that third master knows about our eldest miss’s current situation.” ”

“”Don’t worry,”doctor Liu said. ”

“No matter what purpose Chen Siyao had for him to come here, this was still a human life. He couldn’t just ignore it.”

“”Then I’ll leave it to you, doctor Liu,”little Xu said. ”

“”It’s nothing,”doctor Liu continued. “Please wait here.” ”

Little Xu nodded but didn’t leave immediately. He just stood there and watched doctor Liu leave.

“In a moment, doctor Liu’s car disappeared from sight.”

Only then did little xu turn around and walk back.

Doctor Liu came all the way to Baiyun Residence.

“Seeing Doctor Liu’s car, Butler song immediately came out to greet him. “Doctor Liu.” ”

Chapter 2483: 522: the right medicine! 4

Doctor Liu got out of the car and nodded. “How is boss song doing recently?”

“Butler song said, “Boss has been living a very regular life recently. He no longer eats junk food. Don’t worry, he is very cooperative with your plan now.” ”

“”That’s good.”Doctor Liu picked up the medical kit and continued, “Let me check his various indicators.” ”

“”Okay, the boss is in the back garden. Please follow me.” ”

Doctor Liu nodded and followed Butler song.

“The two of them went all the way to the back garden of the song family. Only then did they see song Shiyu standing by the pond, leaning on the pillar of the pavilion, feeding a group of brightly colored koi fish. He looked a little lazy. ”

“He was wearing a white shirt. The first button was unbuttoned, revealing his exquisite collarbone and sexy Adam’s apple. ”

The sunlight seeped through the leaves and sprinkled on the white shirt.

“For some reason, he looked like he had lived a peaceful life. ”

“No matter which angle one looked at him from, one would not be able to tell that there was a killing intent hidden in this person. ”

“Third Master.”The Butler walked over.

Song Shiyu threw all the last fish food in his hands into the pond and looked back slightly. “What’s Wrong?”

“The butler said respectfully, “Doctor Liu is here to examine your body.” ”

Song Shiyu turned around and walked into the pavilion.

“Doctor Liu immediately followed him and placed his hand on song Shiyu’s pulse. After a moment, he said slowly, “Boss song is recovering very well. You just need to rest in peace for the rest of the time.” ”

“Okay.”Song Shiyu nodded slightly.

“After thinking for a moment, doctor Liu continued, “Boss song, there’s something I don’t know if I should say or not.” ”

“Song Shiyu looked up. “Whether you should say it or not, you’ve already said it.” ”

Doctor Liu choked. “I just went to Miss Chen’s place.”

Song Shiyu did not say anything.

“Doctor Liu did not know what song Shiyu meant, so he continued, “Miss Chen’s condition is very bad now. She hasn’t eaten for four days. If this continues, she might...” ”

“Before he could finish his sentence, song Shiyu interrupted him coldly, “Am I a Doctor?” ”

“”No,” doctor Liu said. ”

“Saving lives should be the responsibility of the Doctor.”

“But Miss Chen...”

“Butler song said at this moment, “Doctor Liu, you have crossed the line.” ”

“Song Shiyu’s face had already turned cold. If doctor Liu continued, he would not be happy. ”

Doctor Liu also reacted at this moment and immediately shut his mouth.

“Butler song continued, “Doctor Liu, do you have anything else?” ”

“”Not for the time being,” doctor Liu replied. ”

""Then please follow me,"Butler Song continued. "

Doctor Liu followed Butler Song's footsteps.

""Doctor Liu, this way please." "

"Okay."Doctor Liu nodded.

"When they reached the door, Butler song lowered his voice and said, "Doctor Liu, if you don't want to set yourself on fire, you shouldn't mention anyone from the Chen family in front of Third Master." "

"Why?"Doctor Liu felt that it was a little strange.

"After all, before this, song Shiyu had always taken care of the Chen family. "

"Butler song continued, "This matter is none of our business. You shouldn't interfere either." "

"But Miss Chen is going to die soon!"Doctor Liu frowned.

""That's her business!"Housekeeper song continued, "It's not like our third master put a knife to her neck and forced her to go on a hunger strike." "

Doctor Liu widened his eyes. "You also know about her hunger strike?"

"He thought that no one in the song family knew about it, so they all knew about it. They could only watch as Chen Siyao walked step by step into Hell. "

"Housekeeper song nodded. "In short, just don't mention this in front of third master." "

Chapter 2484: 523: he died just because he wrote! 1

The person song Shiyu didn't want to hear the most right now was Chen Siyao.

It was also because song Shiyu had some tolerance for doctor Liu.

"Otherwise, doctor Liu definitely wouldn't have the luck he had today. He wouldn't have been able to walk out of the study unscathed."

"Butler song had been in the song family for a few years, so he knew song Shiyu very well."

"Hearing this, doctor Liu frowned slightly and turned to look at the butler. "So you're just going to watch Miss Liu do nothing?" "

""She's an adult now, so she doesn't have any special relationship with the song family. Neither the song family nor third master himself has the right to interfere in this matter."At this point, the butler paused, then he said, "If third master had to intervene in everything that happens in this world, do you think he would be able to handle it?" "

Doctor Liu was stunned.

"Butler song continued, "Doctor Liu, I advise you not to interfere in this matter." "

"I'm a doctor."Doctor Liu turned to look at Butler song.

What he meant was that he could not sit idly by.

"Butler song smiled and said, "Doctor Liu, it's up to you to do what you want. I'm just giving you a suggestion." "

Doctor Liu did not say anything.

“For the first time, he felt that the song family members weren’t just cold. ”

They were extremely cold.

“What did Miss Chen do wrong?” Doctor Liu couldn’t help but ask.

Song Shiyu wouldn’t treat Chen Siyao like this for no reason.

Butler song looked at Doctor Liu. “This matter can’t be explained in a few words.”

“Seeing that Butler song couldn’t say anything, doctor Liu continued, “Then I’ll go back first. If anything happens to boss song, please inform me immediately.” ”

“Okay.” Butler song nodded.

“Doctor Liu didn’t go back immediately. Instead, he went to Chen Siyao’s place. ”

“Chen Siyao was still lying on the bed. When she heard footsteps, her eyebrows twitched. ”

“The assistant immediately went up to her. “Doctor Liu, you’re back.” ”

Doctor Liu nodded.

“When she heard doctor Liu’s name, Chen Siyao, who was originally in a daze, immediately woke up. She opened her eyes and looked in the direction of the door. ”

""Miss Chen, I went to boss song's place." "

"He..." Chen Siyao sat up from the bed. "How did he react?"

"Doctor Liu continued, "I told Boss song that your current situation is not good, but he didn't have any reaction." "

"At this point, doctor Liu paused, then he said, "Miss Chen, I don't know why you went on a hunger strike, but if you want to threaten boss song by going on a hunger strike, I advise you to stop your losses in time. "If you continue like this, you might lose more than you gain." "

"Stop your losses immediately?" Chen Siyao's lips curled up. "Did Shiyu ask you to tell me that?"

The fact that song Shiyu was willing to let doctor Liu tell her that was enough to prove a problem.

"That was, song Shiyu still cared about her. "

Song Shiyu didn't want to see anything happen to her.

"Doctor Liu shook his head. "I wanted to tell you this myself, because it's not worth it for you to do this, and you can't threaten Boss Song." "

"In other words, song Shiyu didn't care about Chen Siyao at all. "

"Even if Chen Siyao was really dead, song Shiyu wouldn't have any special reaction. "

"It really isn't him?" Chen Siyao asked.

""It really isn't him," doctor Liu said very seriously. "

Chen Siyao's lips curled up. It was obvious that she didn't believe doctor Liu's words.

"Doctor Liu took out a glucose and salt water bottle from the medical kit. Then, he took out some medicine and injected it into the bottle. Then, he said, "Miss Chen, I want to hang a bottle of water for you!" "

"No Need!" Chen Siyao's face was full of rejection.

"Doctor Liu said helplessly, "Miss Chen, your life is in danger at any moment. I'm not joking with you!" "

"So What?" Chen Siyao asked.

She was not afraid of death.

She was only afraid that song Shiyu would not see her.

""Miss Chen!" Doctor Liu looked at Chen Siyao. "I hope that you will be rational. If you do this, you won't be able to threaten anyone. You will only hurt yourself!" "

"The closer you are, the faster your enemies will be! "

"Seeing that doctor Liu was about to force her to get an IV drip, Chen Siyao said angrily, "Little Xu, send the guest out!" "

"Little Xu walked up awkwardly. "Doctor Liu, please." "

"Doctor Liu put down the IV drip and continued, "Miss Chen, please calm down!" "

""I'm very calm and clear-headed now," Chen Siyao continued. "I know exactly what I Need!" "

It was precisely because she was clear-headed that Chen Siyao was so insistent.

“She knew that once she gave up, there was nothing left. ”

Chapter 2485: 523: write and Die! 2

Life was a gamble.

And she was at the crucial moment of revealing the answer to the riddle.

“Doctor Liu frowned. “Miss Chen, everyone has an impulsive moment. Believe me, after this impulsive period, you won’t make the same choice.” ”

““See the guest out,”Chen Siyao said again. ”

Little Xu had no choice but to force doctor Liu to go downstairs.

“Chen Siyao looked at Doctor Liu’s back, and hope appeared in her eyes again. ”

“Although doctor Liu denied that song Shiyu was the one who said those words, she had a special feeling that it must be song Shiyu’s intention. ”

“Otherwise, doctor Liu would never have come all the way here! ”

Just Persevere.

There was hope soon.

On the other side.

Yun Jing.

“Old Master Chen had gone to several places in a day, but he could not find anyone who could help the Chen family. ”

“Not only that, there was also a problem with the Chen Group’s transnational cooperation case. ”

They were currently in a state of turmoil!

“Old Master Chen’s health was not good to begin with. After experiencing these two twists and turns, his spirit was even worse. He was now bedridden. ”

“Have you managed to contact Shi Shi?” Old Master Chen looked at his assistant.

The assistant shook his head. “No.”

Old Master Chen Sighed.

“The Chen family had suffered such a great calamity. Other than song Shi Yu, no one else could pull the Chen family out of the mud. ”

“The Butler continued from the side, “Old Master, don’t be anxious. It’s just that we haven’t managed to contact third master song yet.” ”

Not Anxious?

The Chen family had become like this in just a few days.

“First, Chen You Long was locked up in the detention center and was about to face ten years in prison. Then, the Chen Corporation was about to collapse. How could old master Chen not be anxious? ”

“He only hated himself for not closing his eyes earlier. If he had closed his eyes earlier, he wouldn’t have been able to see these terrible things! ”

“Is there any news from Yaoyao?” Old Master Chen asked.

The Butler shook his head. “Not yet.”

Old Master Chen sighed again.

“The butler continued, “Old Master, don’t think too much. Sometimes, no news is good news.” ”

“At times like this, if there was news from Chen Siyao, there were only two types of news. ”

The first type was that Song Shiyu had compromised.

The second type was that something had happened to Chen Siyao!

“If it was the first type, it would be fine. But if it was the second type, then old master Chen really wouldn’t be able to hold on! ”

It wasn’t easy for the Chen family either!

“Chen Youlong, the pillar of support, was locked up in the detention center. Chen Siyao, the star of the future, was desperate for love. All that was left was old master Chen.”

“The butler continued, “Old man, should we tell the eldest miss not to let her really hurt herself?” ”

“The Butler had watched Chen Siyao grow up with his own eyes, so he didn’t want Chen Siyao to be hurt. ”

“Say what? Let Her stop the plan?” Old Man Chen turned to look at the butler. “Now is really the critical moment. The rise and fall of the Chen family depends on her!”

Chen Siyao had to persevere to the end!

Only by persevering to the end could she see hope.

“The housekeeper frowned and said worriedly, “What if... What if third master turns a blind eye?” ”

“He won’t!” Old Master Chen said firmly.

“He had done song Shiyu a favor, so song Shiyu definitely couldn’t just watch Chen Siyao Die! ”

Definitely Not!

“The butler continued, “But everything is a contingency. You Can’t be so absolute.” ”

““You don’t understand Shiyu very well.” Old Master Chen looked at the butler and said, “Shiyu will definitely appear at the critical moment!” ”

Just wait!

“As long as song Shiyu appeared, those families that had been pushed down by everyone would regret it! ”

“Thinking of this, a hopeful light appeared in Old Master Chen’s eyes. ”

“Seeing Old Master Chen like this, the Butler didn’t say anything else. ”

“Although he was different from the other servants in the Chen family, he wasn’t related to the Chen family after all. Some things were best left unsaid. Talking too much would make people dislike him. ”

Another Day passed.

“Although it was only a short day, Chen Siyao was having an extremely hard time. Almost no one could understand the feeling of hunger. ”

It was terrifying.

“Especially in the dead of the night, when she smelled the aroma of the barbecue by the beach. ”

Chen Siyao swallowed.

Hold on.

She had to hold on.

“In a trance, she seemed to see song Shiyu’s smiling face. ”

“Song Shiyu smiled and called her, “Yaoyao.” ”

“Shiyu.”

“The two of them appeared at the beach together. Song Shiyu took photos of her with his camera, hugged her, and kissed her. ”

Their laughter drowned out the sound of the waves.

Chapter 2486: 523: he died while he was writing! 3

Everything was so beautiful.

“She knew that song Shiyu would definitely come, ”

the corners of Chen Siyao’s mouth curled up into a faint smile.

“The next morning, Little Xu went to the second floor as usual to deliver breakfast to Chen Siyao. ”

“Suddenly, a scream cut across the entire sky. ”

“Ah!”

Following that was the sound of an ambulance.

“Chen Siyao was put on the ambulance, but before the car reached the hospital, the electrocardiogram on the car had already stopped beating. ”

Chen Siyao left with her eyes closed and a line of muddy tears streaked across the corner of her eyes.

“At this moment, no one knew if Chen Siyao had any regrets. ”

Maybe she did.

Maybe she would never regret it.

“Little Xu lay on Chen Siyao’s body and cried out loudly, “Miss! Miss!” ”

Yun Jing.

“When the housekeeper received the notification, his face was full of disbelief. He took a few steps back. “Wh-what?” ”

The person on the other end of the phone repeated it again.

The housekeeper frowned. “How could this be!”

How could this be!

“Although he had expected that bad news would come, he hadn’t expected that the worst news would come. ”

“The Butler did not even have time to hang up the phone. He crawled to Old Master Chen’s bedroom and said, “Old Master! Old Master is in trouble!” ”

“Old Master Chen was sitting on the bed. When he heard the Butler’s voice, he turned around impatiently and asked, “What happened?” ”

“He was already annoyed enough, but the butler still had to make a fuss. No matter who it was, they would not be able to stand it. ”

“The butler knelt on the ground and said with red eyes, “Eldest miss, eldest miss, eldest miss is gone!” ”

Gone?

“Hearing this, Old Master Chen’s expression instantly changed. He immediately sat up straight. “What happened to Yaoyao?” ”

That wouldn’t happen.

Nothing would happen to Chen Siyao!

“The butler continued, “I just received a call from Nanhai. They said that eldest miss didn’t make it through the ambulance on the way to the hospital...” ”

“Before the butler could finish his sentence, Old Master Chen closed his eyes and fainted. ”

“Old Master!”The Butler immediately stood up from the ground.

“He was in a flurry again. Under the Doctor’s help, Old Master Chen finally woke up. ”

““Old Master, Are You Alright?”The Butler asked. ”

“Old Master Chen held the Butler’s hand tightly. “Tell me, what did you say about Yaoyao?” ”

“The housekeeper didn’t know how to speak. Her lips couldn’t stop trembling, and tears rolled down her cheeks. ”

“Yaoyao!”Old Master Chen roared into the sky.

“The housekeeper continued, “Old Master, I’m sorry for your loss.” ”

Old Master Chen couldn’t believe this fact.

He couldn't believe that Chen Siyao was already dead.

How could this be!

Why didn't Song Shiyu stop Chen Siyao?

It was fake.

It had to be fake.

Chen Siyao was the heir to the Chen family. How could something have happened to her? !

“Yaoyao is fine. Yaoyao is fine.” Old Master Chen looked at the housekeeper and continued, “Housekeeper, you’re joking with me, right?” ”

The housekeeper cried and shook his head. “Old Master...”

He also hoped that this was a joke.

“Unfortunately, it wasn’t. ”

All of this was real.

“Old Master, you have to hold on! Sir is still waiting for you!” The housekeeper said. ”

“Thinking of Chen You Long in the detention center, Old Master Chen directly vomited a mouthful of blood, “It’s my fault! It’s all my fault! It’s all my fault for indulging him too much!” That was why Chen You Long did such a thing. ”

“Regret, sorrow, sadness, all kinds of emotions mixed together, it was very uncomfortable! ”

“Where’s Yaoyao?” Old Master Chen looked at the butler and asked.

“The Butler wiped away his tears and said, “Eldest miss is currently in the South Sea Hospital’s morgue.”
”

The morgue.

“When he heard these three words, old master Chen’s emotions instantly collapsed. ”

“Chen Siyao was fine, but why was she separated from Yin and Yang Now? ! ”

“Yaoyao! Yaoyao!” Old Master Chen stood up from the bed. “I want to see Yaoyao!”

“The Butler immediately helped Old Master Chen Up. “Old Master, please slow down!” ”

“I want to see Yaoyao.” Old Master Chen’s voice was filled with tears. “Quickly make the arrangements. I want to bring Yaoyao home.”

“Okay! Okay!” The Butler wiped his tears. “I will make the arrangements right away.”

The Butler went to make the arrangements for the private plane. Old Master Chen just sat there paralyzed. There was no light in his eyes anymore.

“Soon, the two of them boarded the plane to Nanhai. ”

“Four hours later, the plane landed. ”

The Butler took old master Chen Straight to the hospital.

It was not until he saw Chen Siyao's body that old master Chen dared to believe that all of this was true.

Chen Siyao was really dead.

Chapter 2487: 523: he died just because he wrote! 4

"Yaoyao!"

"When he saw Chen Siyao in the freezer, old master Chen's strength seemed to have been sucked away in an instant, and his face turned pale. "

"Yaoyao..."

Chen Siyao lay in the freezer and didn't respond.

"The cold mortuary echoed with the cries of the two old men. The staff at the side had experienced countless similar things, and their expressions had long become numb. "

"Yaoyao, how could you bear to leave Grandpa Behind!" "

"Yaoyao, wake up and see if Grandpa is okay!" "

"Miss!"The housekeeper lay on the ground and cried bitterly.

" ... "

"After crying for a long time, old master Chen walked out of the mortuary and signed the hospital list. "

“Under normal circumstances, the bodies could not be transported back, but the Chen family had their own plane. ”

“Four hours later, the plane landed at Yun Jing Airport. ”

The Chen family was covered in white.

“Old Master Chen looked at his relatives and friends who had come to pay their respects, and his face lost all luster. ”

Chen Siyao was gone.

Chen You Long was still in the detention center. Where was the Chen family’s Hope?

The Butler brought a bowl of medicine. “Old Master.”

Old Master Chen looked at the butler and waved his hand.

“The housekeeper sighed. “Old Master, sir is still in the detention center. If you fall, our family will be finished!” ”

Old Master Chen looked into the distance and his heart was filled with sorrow.

““Old Master, you should at least drink some medicine.”The housekeeper brought the medicine to Old Master Chen again. ”

“Old Master Chen took the medicine and drank a mouthful. However, he could not swallow the rest of the medicine no matter how hard he tried. ”

It was so bitter.

Why was the medicine so bitter? !

“Seeing Old Master Chen like this, the housekeeper’s eyes gradually turned sour. These past few days, he couldn’t remember how many tears he had shed. ”

He couldn’t even believe that Chen Siyao had left just like that.

“”Maosheng,”Old Master Chen looked at the housekeeper. “Tell me... am I really wrong?” ”

“Perhaps, from the beginning, he shouldn’t have agreed to Chen Siyao’s request, nor should he have encouraged Chen Siyao to be serious. ”

“He thought that he wouldn’t be wrong about song Shiyu, but he was wrong. ”

Song Shiyu was a wolf.

A Wolf without humanity!

“The housekeeper wiped away his tears. “Old Master, it was just an accident. Don’t think too much about it.” ”

“The Chen family was already swaying in the wind and rain. If something happened to old master Chen at this time, then the Chen family would really be finished! ”

“”I was wrong.”The corners of grandfather Chen’s mouth curled up into an unknown arc. “I was wrong! Yaoyao, grandfather was wrong! Can you forgive grandfather? Yaoyao...” ”

“At the end of his sentence, grandfather Chen’s face was already covered in tears. ”

The Butler was also crying.

“Chen Youlong, who was in the detention center, also heard this news. His eyes widened and he said in disbelief, “It can’t be! It Can’t be! You must have made a mistake!” ”

“Chen Siyao’s health had always been very good, and she had never heard of anything troubling her. Why would she want to commit suicide! ”

“I want to see my father!”Chen Youlong looked at the staff of the detention center.

“Initially, Chen Youlong wasn’t worried at all. He knew that Old Master Chen definitely had a way to save him. ”

“But now, Chen Youlong was in a Panic! ”

Something had happened to Chen Siyao. Old Master Chen was already old and his health wasn’t good to begin with. could he withstand the repeated blows?

He had to get out immediately!

“No! I want to see Third Master Song!”Chen Youlong changed his words.

“In the current situation, the only person who could save the Chen family was song Shiyu. ”

“Third Master song is someone you can see whenever you want?”

“Hearing this, Chen Youlong was stunned. ”

“Only then did he remember that he had been locked up in the detention center for so many days, and song Shiyu hadn’t even shown up. He hadn’t even seen song Shiyu’s assistant. ”

Abnormal!

This was really too abnormal!

“Chen Youlong sat in his chair, his brows tightly furrowed. ”

Nanghai.

“Song Shiyu sat in front of the 31st floor French window, looking down at everything below. He then asked, “What’s the situation in Yun Jing right now?” ”

“The assistant immediately walked to song Shiyu’s side and said in a low voice, “The Chen family is already in chaos.” ”

“His only granddaughter was dead, and Chen Youlong was even locked up in the detention center. He was facing decades of imprisonment, so wasn’t it a mess? ”

“Song Shiyu narrowed his eyes, and only a happy expression flashed across his eyes. ”

The assistant was stunned.

It was as if it was the first time he had met song Shiyu.

“Although he knew his boss’s personality, he could not help but feel a chill when he experienced it personally.”

It was said that the human heart was unpredictable.

“In fact, Song Shiyu’s heart was the most unpredictable.”

One had to know that the Chen family at that time was also the one supported by song Shiyu.

“Chen Youlong provoked one disaster after another in yunjing, and all of them were quietly solved by song Shiyu.”

But now.

“Not only did song Shiyu not care about the Chen family’s suffering, he even added fuel to the fire.”

“Where’s Jin Yuan?” Song Shiyu continued to ask.

“The assistant replied, “Lawyer Jin is already helping the Zhao family Sue Chen Youlong.” ”

Song Shiyu nodded in satisfaction.

“The assistant seemed to have thought of something and added, “Lawyer Jin asked me to tell you that once the crime is convicted, there will be no room for negotiation.” ”

“Let him not have to worry about the consequences.” Song Shiyu picked up a cigarette and a lighter.

“PA —”

A string of faint blue flames ignited from the lighter.

Song Shiyu was about to light the cigarette when he suddenly thought of something and threw the cigarette and the lighter into the trash can.

The assistant looked at song Shiyu with confusion in his eyes.

He had seen this scene hundreds of times.

Every time song Shiyu lit his cigarette first and then the trash can. He was never tired of this.

""Knock, Knock, Knock —" "

"At this moment, there was a knock on the door."

The assistant immediately trotted over to open the door.

"When the door opened, he saw a face full of smiles."

"Is third brother in?"The person asked.

""The boss is inside,"the assistant said respectfully. "Mr. Bai, please come in." "

Yes.

The person was Bai Jiayu.

Bai Jiayu walked in. "Third brother."

"What's Wrong?"Song Shiyu turned to look at Bai Jiayu.

“Bai Jiayu took a puff of the cigarette in his hand. “Third brother, what happened to the Chen Family? Why did I hear that Chen Siyao is gone?” ”

Song Shiyu frowned slightly. “Press it down.”

Press it down?

Press what down?

Bai Jiayu was stunned.

““Cigarette,” song Shiyu continued. ”

“Bai Jiayu immediately pressed the cigarette in his hand into the ashtray. “I’m sorry, third brother. I forgot that you quit smoking.” ”

Song Shiyu turned to look at his assistant. “Go open the window.”

“Okay.”His assistant immediately went over to open the window.

“Bai Jiayu sat across from Song Shiyu. “Third brother, the Chen family...” ”

““The Chen family is seeking their own destruction,” song Shiyu interrupted Bai Jiayu’s unfinished sentence. ”

“Bai Jiayu continued, “When I heard that Chen Siyao committed suicide, I thought it was just a joke. I didn’t expect...”who would have thought that Chen Siyao really lost her life. ”

“In the end, Chen Siyao didn’t do anything wrong. ”

Bai Jiayu would feel a little bad about losing someone's life.

"Thinking of this, Bai Jiayu sighed. "Third brother, Chen Siyao's love for you is beyond my imagination." "

"Bai Jiayu really couldn't imagine how much Chen Siyao Loved Song Shiyu, to be willing to give up her life for love! "

"You can't bear to part with her?" Song Shiyu turned to look at Bai Jiayu.

""I'm not saying that I can't bear to part with her. I just think it's quite shocking," Bai Jiayu continued. "Third brother, don't you have any feelings at all?" "

"What feelings do you think I should have?" Song Shiyu asked. "To cry for her?"

Chen Siyao chose this path herself. No one held a knife to her neck to threaten her.

Bai Jiayu choked. He looked at song Shiyu and was momentarily speechless.

"Is that why you came to me?" Song Shiyu continued to ask.

"Bai Jiayu nodded. "By the way, you don't plan on meddling in Chen Youlong's matters anymore?" "

""From now on, the Chen family's matters have nothing to do with me," song Shiyu said softly. "

"Bai Jiayu looked at song Shiyu and asked curiously, "Third brother, can you tell me what exactly happened?" "

What was the reason for song Shiyu's sudden ruthlessness toward the Chen family!

It was as if he had suddenly become a different person.

““Nothing,” song Shiyu said. ”

“Bai Jiayu seemed to have suddenly thought of something and continued, “Tonight, the Wang family has organized a game. They are all clean university students. Do you want to go and take a look?” ”

“Between Men, it was nothing more than bragging and women. ”

“No matter how abstinent and apathetic a man was, he had to solve his normal physiological needs. ”

“Bai Jiayu didn’t have a fixed girlfriend, but he never lacked female companions. He had his own to raise and also had business partners to gift him. ”

He never mistreated himself.

““You go by yourself,” song Shiyu said with a dull expression. ”

“Bai Jiayu was used to wandering among the flowers. Seeing song Shiyu like this, he couldn’t help but say, “Third brother, you can’t do this! Can your body handle it?” ”

Song Shiyu didn’t say anything.

“Bai Jiayu continued, “Third brother, come and take a look with me! Maybe you’ll Meet Your True Love?” ”

"I'm not interested."

His true love wouldn't appear in such a place.

""Third brother," Bai Jiayu sat across from Song Shiyu again. "Can you tell me a little about the kind of girl that makes you so chaste?" "

"He did not know about the past, but in the ten years that Bai Jiayu had known Song Shiyu, Song Shiyu had never been involved with any girl. "

"No one." Song Shiyu directly denied it.

""Third brother, that's not good enough!" Previously, Song Shiyu would admit that there was someone he loved but couldn't get, but now, Song Shiyu directly denied it! "Tell me about it! I'll see if that girl is worth it!" "

Song Shiyu picked up a feudal document and began to read it.

It was obvious that he didn't want to talk to Bai Jiayu.

"Bai Jiayu didn't know why Song Shiyu would suddenly change so much. He continued, "Third brother, are you really not going?" "

"No."

Song Shiyu picked up his phone. "I heard that there's a celebrity who looks very much like that celebrity. He's very pure. Are you really not going to consider it?"

""You..." Song Shiyu raised his head to look at Bai Jiayu and said slowly, "Do you want to participate in the African Project?" "

“Hearing this, Bai Jiayu immediately waved his hand and refused. “I was wrong! I was wrong for the three of you! I’m leaving! I’m leaving Right Now!” ”

“After saying that, Bai Jiayu ran away without looking back, as if he would be caught by song Shiyu in the next second. ”

“Song Shiyu looked at Bai Jiayu’s back as he left. He massaged his temples, and there was a hint of fatigue between his brows. ”

On the other side of the South China Sea.

Ye Zao had spent a lot of time on vacation during this half month.

“He didn’t have to worry about anything. The first thing he did when he opened his eyes every day was to play. When he was bored, he would go for a walk by the seaside with Cen Shaoqing to enjoy the sea breeze. ”

“Leader.”

Cen Shaoqing walked out of the back room.

“What’s Wrong?”Ye Zao looked back slightly.

“CEN Shaoqing continued, “I have something to do today. I might not be back until tomorrow. If you have something to do, go look for Yu Niannian.” ”

“Alright.”Ye Zhuo nodded slightly.

“Then I’ll be leaving first.”Cen Shaoqing walked over and left a faint kiss on ye Zhuo’s forehead. “Take care of yourself.”

“Okay.”

Ye Zhuo sent Cen Shaoqing to the door.

“Yu Mumu was watering the lawn outside. When he saw Cen Shaoqing leave, he raised his voice and said, “Zixu is going out!” ”

“”Okay.”CEN Shaoqing continued, “Take care of your sister-in-law!” ”

“Got it!”

“At this moment, Yu Luonian no longer had any animosity towards ye Zhuo. ”

Yu Luonian had also changed his view of women.

“Now that he thought about it, the corner of Yu Luonian’s mouth would reveal a helpless smile. In the past, he was too shallow. He thought that there were no good girls in this world and there was no true love. People were just using each other, a relationship where they needed each other. ”

Only now did he know.

“At that time, he was so stupid that he was cute. ”

He could never see reality by measuring others with himself.

Ye Zhuo turned around and walked into the house.

“Yu Luonian looked at her back and said loudly, “Sister-in-law, if you need anything, don’t be polite with me.” ”

“Okay.”Ye Zhuo turned his eyes slightly.

“She had just woken up and her hair had not been tied yet. It was all draped over the back of her head. She was wearing a plain white dress. When she turned to the side, the sea breeze blew up the wide hem of her dress. It was entwined with her black hair, revealing a delicate face, it was spring and snow. ”

It was as if the white snow had lit up the red plum blossom.

It was soul-stirring.

“Yu Mumu immediately averted his gaze. “Sister-in-law, what do you want to eat for lunch?” ”

“”I’ll eat whatever you have. I’m Not Picky,”ye Zao said. ”

“Okay.”Yu Mumu nodded.

“Ye Zao returned to the room, took out his phone, and started playing games. ”

“As soon as he went online, he saw that an Lizi, Zhao pingting, and Li Yueyue were all online. ”

The four of them immediately formed a team and began to fight.

“”One less person,”an Lizi said. “Searing, go and pull someone over.” ”

Chapter 2490: 525: Lovesickness is Poison 3

Ye Zao Glanced at his friends list. They were either offline or in the game or in a team. “I don’t seem to be able to recruit anyone. What about you guys?”

“I don’t have anyone either...”

“Ye Zao continued, “Why don’t we just recruit anyone?” ”

“At this moment, an Lizi saw a message from a friend who was online. “Wait a minute, someone might be coming over.” ”

“Who is it?” Li Yueyue asked.

““Song Shiyu,” an Lizi replied. ”

“Because of Ye Zhuo, an Lizi had played games with song Shiyu and added him as a friend. ”

“At first, song Shiyu could only play the entertainment bureau with them, but now, Song Shiyu was already a king. ”

She used to think that successful men never played games until she met Song Shiyu.

Song Shiyu was very different from other rich people.

“Li Yueyue immediately said, “Is he that handsome guy?” ”

“They had played games together before and had met before, so Li Yueyue had a deep impression of Song Shiyu. ”

“To be precise, she had no resistance against all handsome people. ”

Song Shiyu happened to be born in her aesthetic sense.

""Okay." An Lizi clicked on the invitation and did not forget to remind her, "I've already invited you. Yueyue, be careful of your image." "

"Okay!"

"At this moment, Song Shiyu accepted the invitation and joined the team. "

""Mr. Song, Can You Hear Me?" An Lizi asked. "

"Yes." Song Shiyu's voice came from the other side.

"An Lizi continued, "Mr. Song, there's no need for me to introduce you. YC is scorching. Please speak Mandarin and it's scorching's roommate, Li Yueyue. Chubby Chubby is my high school classmate, Zhao Pingting." "

""We know each other," song Shiyu said. "

Song Shiyu had a good memory. He remembered that he had played games with them before.

"An Lizi said, "Zha Zha, let's start." "

"Okay." Ye Zha clicked start.

"After disabling the three heroes, it was time to choose the heroes. "

"Can I play mage?" An Lizi continued.

"After playing king for so long, she was still the most skilled mage. "

"Ye Zhuo was an all-rounder. He smiled and said, "I can do either. You guys choose first." "

“Zhao pingting said, “Then I’ll play ADC!” ”

“Li Yueyue continued, “I’ll play Princess Yaoyao protecting Little Luban.” ”

Yaoyao was Li Yueyue’s natal item. She did not need to do anything. She just needed to wait for Level 4 to use her shield.

Song Shiyu did not say anything. He silently chose to go up against a road hero.

“Ye Zao chose Na Kelulu to go wild. He looked at the lineup and said, “Yao, bring a distraction.” ”

“Li Yueyue asked doubtfully, “Bring a distraction for what?” ”

“She mostly brought healing and weakening to play with Yao, so she did not know how to use a distraction.”

“Ye Zao said, “Just use a distraction when you’re over the tower.” ”

““Okay,” Li Yueyue said.”

““Boss song.” At this moment, an unfamiliar male voice came from song Shiyu’s side.”

Song Shiyu raised his head slightly and saw doctor Liu walking over.

Song Shiyu made a gesture of ‘silence’.

“Doctor Liu thought that song Shiyu was dealing with some important business, so he pushed him aside and waited for him.”

Until the sound of a game came from the phone.

“Doctor Liu’s eyes flashed with surprise, and he even thought that he was hearing things. ”

Song Shiyu was playing King?

“”Kai, be careful of the old master.”At this moment, a pleasant female voice came from the phone. ”

“Like spring water, even though it was separated by the cold phone screen, it still made people’s eyes light up. ”

“”Okay,”song Shiyu said slowly. ”

“”Kai, don’t panic, I’m here to protect you!”An Lizi said with a smile. ”

“An Lizi was very good at playing the mage, so her support was also relatively timely. ”

“However, just as she went to confront the road, Little Luban walked elegantly to the Middle Road to eat the line. ”

“F * ck! Who told you to steal Daddy’s Line!”

Sounds came from the phone from time to time. Song Shiyu operated the phone with one hand and put on the headphones with the other hand.

“Just a moment ago, doctor Liu was still wondering if he was hearing things. How could third master song play games! ”

“But now, reality had struck him with such a blow! ”

“Who would have thought that third master song, who was usually more important than money, would suddenly play games? Moreover, he was playing with girls! ”

Doctor Liu was still unable to react in time.

“At this moment, Song Shiyu stood up and walked to doctor Liu’s side. He mouthed, “You can go back first.” ”

“Doctor Liu nodded, turned around, and left. He gently closed the door of the study. ”

This game lasted for more than three hours.

From 9 am to 12 am.

Ye Zhuo looked at his watch. “I’m going to eat. You guys can play.”
