Chapter 2491: 525: Acacia is poison 4

"I don't want to play anymore either. My eyes are getting sore." Li Yueyue yawned.

"An Lizi said, "I don't want to play anymore either. When will searing flame have time to play again?" "

""It depends on the situation."Ye searing continued, "If you see me online, just invite me directly." "

"Okay."

"Soon, the few of them dispersed. "

"After song Shiyu logged out, he opened the video app on his phone. "

There were eleven video recordings.

All of them were from the match just now.

He recorded every match.

Song Shiyu clicked on the send cloud to save.

""Boss."At this moment, his assistant knocked on the door. "

"Come in."Song Shiyu put down his phone.

"The assistant came in from outside the door. "Boss, Dr. Liu is here." "

""Let him come over," song Shiyu said calmly. "

"Okay."The assistant nodded and turned to walk downstairs.

"Dr. Liu stood downstairs and brought the assistant down. He immediately asked, "How is it? is boss song done with his work?" "

""He's done with his work. Boss wants you to go up,"the assistant said. "

"Okay."Doctor Liu nodded and walked upstairs.

Song Shiyu had returned to his usual nonchalant look and was sitting on the boss' chair.

"Doctor Liu raised his head and looked at him. He couldn't help but think, was the man who was sitting there playing games really song Shiyu? "

"After a moment, doctor Liu walked to Song Shiyu, put down the medical kit, and continued, "Boss song, have you felt any discomfort recently?" "

""No, everything is fine,"song Shiyu said as he stretched out his wrist. "

Doctor Liu stretched out his hand to check song Shiyu's pulse.

"Song Shiyu's pulse was indeed good, and there were signs of improvement. "

"Doctor Liu smiled and said, "Boss song, you must persevere. According to this progress, you will soon recover." "

"Yes." Song Shiyu nodded slightly.

"Doctor Liu took out two bottles of medicine from the medical box and said, "Boss song, this medicine has the effect of relieving pain. It doesn't have any side effects. If you really can't stand the pain at night, you can take one." "

"No Need," song Shiyu directly refused. "

"Doctor Liu continued, "The further you go, the more painful your symptoms will be. Please keep the medicine." "

Song Shiyu did not say anything. He only nodded slightly.

"Doctor Liu kept the medical kit. "Mr. Song, I'll be going back first." "

"Go."

"Doctor Liu turned around and left. Song Shiyu seemed to have suddenly thought of something and said, "Doctor Liu, wait a moment." "

"Do you have anything else?" Doctor Liu looked up at Song Shiyu.

"Song Shiyu continued, "Go and find the butler." "

"Okay." Doctor Liu did not ask why.

"When he arrived downstairs, he saw the butler standing there waiting for him. "

"Doctor Liu."

"Butler Song."

"Butler song smiled and said, "Doctor Liu, come with me." "

"Okay." Doctor Liu nodded and followed Butler song's footsteps.

"The two of them walked one after the other. Doctor Liu suddenly quickened his pace and walked shoulder to shoulder with Butler song. He lowered his voice and said, "Butler song, how is Miss Chen Now?" "

"When he heard this, the Butler was momentarily stunned. Then, he sighed and did not know what to say to Doctor Liu. "

"Something happened to Miss Chen?" Doctor Liu realized that something was not right and asked.

"Butler song continued, "Miss Chen is gone." "

Gone?

Doctor Liu frowned. "What do you mean by Gone?"

"Butler song sighed again. "Sigh, maybe this is fate!" "

Doctor Liu was stunned. He couldn't get out of Butler song's 'gone' sentence.

How could Chen Siyao be gone!

"Butler Song." Doctor Liu turned to look at Butler song. "This is not something to joke about."

Chapter 2492: 526: Don't tell anyone

"It's true." Butler song looked at Doctor Liu with a serious expression.

"Actually, Butler song still couldn't believe it. "

How did Chen Siyao disappear? !

He had always thought that Chen Siyao was just scaring song Shiyu. He didn't expect...

"Doctor Liu looked at Butler song for a long time before he said, "When did this happen?" "

""Three days ago," Butler song replied. "

Doctor Liu stood where he was and didn't say anything. He felt very upset.

"A few days ago, he had talked to Chen Siyao. He even left a first aid kit for Chen Siyao and told her to use it immediately if she couldn't hold on any longer. "

""So, Boss song just watched her do something stupid?" Doctor Liu looked at Butler song and asked. "

Butler song sighed.

"A moment later, Butler song continued, "Chen Siyao is an adult now. She should know in her heart what path she chose. Third Master has no obligation to help her." "

"In other words, Chen Siyao's death had nothing to do with song Shiyu. "

“If one had to say that there was a connection, it would be a moral kidnapping.”

“Doctors were benevolent. Although what he said was right, doctor Liu still couldn’t accept it. “After all, that’s a human life. Boss song just needs to say a word and it can be saved!” ”

“”Then what about in the future?”Butler song asked. “There will be one and two, and three and four. What if Chen Siyao uses the same method to threaten third master next time?” ”

Doctor Liu was silent for a moment.

“Butler song sighed. “I watched Miss Chen grow up. I’m also very sad that something happened to her, but it has already happened! Maybe this is her fate!” ”

Wasn’t there a saying?

“Everything was fate, and it was not up to anyone.”

“After saying that, housekeeper song added, “Adults should pay for their own choices.” ”

Doctor Liu did not speak anymore and just followed in housekeeper song’s footsteps.

Housekeeper song brought doctor Liu to the room and took out a suitcase to give to doctor Liu. “Third master asked me to give this to you.”

“What’s This?”Doctor Liu asked.

“Housekeeper song smiled and said, “Open it when you go back.” ”

Doctor Liu nodded. “Help me thank boss song.”

““Okay, I’ll definitely pass on the message,”housekeeper song said. ”

Doctor Liu carried the suitcase and left.

“Housekeeper song watched Doctor Liu’s back. There was an indescribable expression in his eyes. After a long while, he let out a long sigh. ”

“If song Shiyu had been like Doctor Liu, perhaps Chen Siyao wouldn’t have died. ”

But there were no ifs in this world.

“In a moment, Butler song turned around and left. ”

“After returning home, doctor Liu opened the suitcase that Butler song had given him. ”

There was a painting and a card inside. The password was on the back of the card.

Doctor Liu opened the painting.

It was a landscape painting by Wu Rao.

“Wu Rao was a painter of the new era. It was said that he was born after the 1990s and was very young. However, although he was young, his brushwork was very good and the things he drew were full of meaning. Therefore, he was sought after by many people. ”

Doctor Liu was the intention of Wu Rao’s many fans. It had to be said that song Shiyu’s gift was really popular.

Doctor Liu looked at the landscape painting carefully. His eyes were filled with amazement. He had liked the painting for a long time. He had never thought that he would one day be able to have a hand-drawn painting that did not disturb him.

“He did not expect song Shiyu to look cold and indifferent. He looked like he did not care about anything at all. In private, he was quite meticulous.”

“Doctor Liu looked at the painting over and over again. In the end, he carefully placed it in the box. Finally, he took out his phone and called Butler song.”

The call was answered very quickly. Butler song’s voice came from the other end. “Doctor Liu.”

“Doctor Liu continued, “Hello, Butler song. I’ve seen the item. I like it very much. Please help me convey my gratitude to boss song.” ”

““Okay,” Butler song continued, “Third Master will definitely be very happy to know that you like it so much.” ”

“After hanging up, Butler song went to Song Shiyu’s study.”

He knocked on the door.

“Soon, song Shiyu’s voice came from inside. “Come in.” ”

The Butler pushed the door open and entered. He saw song Shiyu looking down at his phone with earphones on his ears.

“From the looks of it, he was probably playing a game.”

Butler song was already used to this scene.

He had seen song Shiyu form a team more than once.

""Boss,"Butler song continued, "Dr. Liu has received the things you prepared for him. He just called and asked me to thank you." "

Chapter 2493: 526: Don't tell anyone

"Okay."Song Shiyu nodded slightly.

Butler song bent down and turned to walk out.

"Song Shiyu said at this time, "You guys choose first." "

""Mr. Song is also omnipotent, just like burning?"Li Yueyue's voice came through the earpiece. "

""Yes,"song Shiyu answered. "

"Li Yueyue continued, "Mr. Song, I heard burning say that you're still single?" "

"Yes."

"Hearing that, Li Yueyue said excitedly, "Then let me introduce you! I know a lot of beautiful girls! and two of them are in Chinese Opera!" "

"Li Yueyue had just formed a couple and felt that being a matchmaker was not bad. Song Shiyu was a very high-quality man. He had money, looks, and a body. She really did not want to waste this good resource. "

""Thank you, but I'm not thinking about personal matters for now," song Shiyu said. "

"Li Yueyue said very enthusiastically, "Then what kind of person do you like? I'll help you keep an eye out!" "

"There aren't too many rules and regulations. No one can say for sure about fate." Song Shiyu chose a wild hero. "The important thing is to get along with someone."

""That's true." Li Yueyue asked again, "Mr. Song, have you not met anyone who got along with someone?" "

Song Shiyu's tone was indifferent. "No."

"D * MN! You're too scary. Don't you have puberty?" Who Didn't have an agitated puberty?

How could song Shiyu not have a girl that he liked?

"After saying that, Li Yueyue seemed to realize something and continued, "Mr. Song, I Talk a lot. I might be a little different from Great Scorch. Don't Mind Me!" "

"Okay."

""Mr. Song, how long have you known Great Scorch?" Li Yueyue continued to ask. "

"An answer immediately appeared in song Shiyu's heart, but the words that came out of his mouth were, "It should be two to three years ago!" "

"When they first met, he was twelve. "

She was six.

“In the blink of an eye, so many years had passed. ”

“”Oh,”Li Yueyue smiled and said, “Mr. Song, do you usually talk very little in life?” ”

“Yes.”

“”Then I’ll try to talk less,”Li Yueyue said. ”

“Song Shiyu said, “It’s okay. You can do whatever you want.” ”

“”Mr. Song, I think your answer is wrong,”Li Yueyue said. ”

“What’s Wrong?”Song Shiyu asked.

“Li Yueyue said, “You should ask me if I have a boyfriend.” ”

“Do you have one?”Song Shiyu asked.

“”No,”Li Yueyue continued, “So Mr. Song, you must help me keep an eye out for him. After all, birds of a feather flock together. Mr. Song, since you are so outstanding, the people around you must be very outstanding too! “I like boys who are a little more sunny. If it’s their age, it’s best if they are not older than me by more than three years. If they are younger than me, that would be even better! “I like the type of boy who is a little puppy! “Oh, right, height is also very important. I’m 1.62 meters tall. He definitely can’t be less than 1.82 meters!” ”

Li Yueyue’s ideal type was a big boy who was sunny and handsome.

It would be best if he was a little younger than her.

“Okay.” Song Shiyu’s voice was emotionless. “I’ll keep an eye out for you.”

“”Thank you, Mr. Song.” Li Yueyue continued, “They all say that third master song has a bad temper and is unpredictable. I was afraid of you before! Actually, they don’t understand you at all!” ”

“In the beginning, Li Yueyue was indeed a little afraid of Song Shiyu, until the two of them played a lot of games together.”

“As long as song Shiyu was online, whether it was an Lizi, Zhao pingting, or Li Yueyue, as long as someone invited him, he would definitely accept to form a team.”

Song Shiyu did not say anything and used a big move with a backhand.

Four kills!

“Li Yueyue said in surprise, “D * mn! Awesome! Awesome!” ”

“After the two of them played a few rounds, Li Yueyue continued, “I’m sorry, Mr. Song. I suddenly have something to do, so I’ll be leaving first.” ”

“Okay.”

“Remember to keep an eye out for quality boys for me!” Li Yueyue did not forget to remind him.

“Okay.”

“Goodbye.”

“After saying this, Li Yueyue left. ”

Song Shiyu looked at his friends list and clicked on a familiar profile picture frame. He entered the main page and then clicked on intimate relationships.

She had established a total of five intimate relationships.

The first one was a couple.

The rest were all best friends.

“Song Shiyu’s lips curved. She didn’t expect Cen Wuye to play games with his girlfriend, and even establish a relationship. ”

“In a moment, Song Shiyu exited her homepage and cleaned up the traces. ”

“After doing all this, song Shiyu logged into wechat again, opened her personal profile, and entered her circle of friends. ”

Chapter 2494: 526: Don’t tell anyone

Ye Zao was not a fan of posting on wechat moments.

Her wechat moments had not been opened for many days.

There were only a dozen wechat moments.

The first one was a selfie of her and Lin Shasha. The rest were pictures of scenery and daily life. The last one was a show of affection.

On the other side of the South China Sea.

Cen Shaoqing came to an unknown island.

Behind him stood a tall man with blonde hair and blue eyes. He was obviously from C nation.

Cen Shaoqing handed the blueprint to him. "Can you finish it in three days?"

"The Man took the blueprint and studied it from top to bottom. Then he said, "About the same." "

"About?" Cen Shaoqing frowned slightly.

"The man immediately changed his words respectfully. "Don't worry, I will definitely finish it in three days!" "

"Okay." Cen Shaoqing nodded with satisfaction.

"The man continued, "Master Five, there's one more thing." "

"Speak."

""It's not the season for roses to bloom. If we transfer them from other places, we might not have enough time." The main reason was that Cen Shaoqing wanted too many roses. Even the base would not have so many fresh flowers. "

""You don't have to worry about the flowers. I've already made the arrangements," Cen Shaoqing said. "

"Okay." The man nodded.

"CEN Shaoqing continued, "Also, don't tell anyone about this." "

“Okay.”

Cen Shaoqing looked up at the blue sky and sea in front of him. “Go do your work.”

“”Fifth master, I’ll be leaving first,”the man said. ”

“Okay.”Cen Shaoqing nodded slightly.

Cen Shaoqing just stood there. He recalled the first time he came to this island with Ye Zhuo.

“At that time, he did not know that he had already fallen in love with Ye Zhuo. He mistook his rapid heartbeat for an illness. At that time, Ye Zhuo still took his pulse seriously. ”

“Thinking of this, the corners of Cen Shaoqing’s mouth curled up into a faint smile. ”

...

Ye Zhuo sat at the dining table and ate.

In front of the oval-shaped dining table sat Yu Xianye and Xian ‘er.

“Xian ‘er was the same as Li Yueyue. She was a chatterbox. In addition, Ye Zhuo was her idol. This time, she spoke even more. ”

“”Goddess, I see that you eat quite a lot too. How do you maintain your figure?” ”

“As a woman, Xian ‘er was really envious of ye Zhuo’s figure. ”

“Where he should be thin, he should be thin. where he should be gaining weight, he should be gaining a couple of pounds.”

“Exercise more,” ye Zhuo answered. ”

“Then, do you have anything to avoid?” Xian ‘er continued to ask. ”

“Ye Zhuo shook his head slightly. “In my eyes, there are only two types of food.” ”

“Which two?” Xian ‘er asked.

“Ye Zhuo said, “The ones I like and the ones I don’t like.” ”

“Xian ‘er smiled and said, “Me Too! But I’m not as cool as you. Even if I like them, I don’t dare to eat too much!” ”

“Xian ‘er was a part-time model and usually paid attention to body management. Every morning, the first thing she did when she woke up was to stand on the electronic scale. ”

“Actually, you won’t gain weight from eating. What’s important is that you exercise after eating.” Ye Zao continued, “Do you usually exercise?” ”

“Occasionally,” Xian ‘er answered. ”

“At this time, Yu Xiannian said, “Then you still have the nerve to say it!” ”

“Xian ‘er said, “I’m usually so busy. It’s impossible for me to exercise every day.” ”

“Sometimes, it was already two or three in the morning after taking the photos. After sleeping, it would be eleven or twelve in the morning the next day. There was no time to exercise.”

“Ye Zhuo smiled and said, “If you can’t keep exercising, you should pay attention to your diet and eat as little carbs as possible.” ”

“No one was born fat, let alone born thin. ”

A good figure was always maintained.

“Okay.”Xian ‘er nodded.

“Yu Mumu looked at ye Zao and asked, “Sister-in-law, do you know what Zixu went to do?” ”

“I don’t know.”Ye Zao shook his head slightly.

“Yu Mumu narrowed his eyes. “I asked him, but he didn’t say anything. He’s So Mysterious.” ”

“After he said that, Yu Luonian continued to ask, “Sister-in-law, he didn’t tell you either?” ”

“No.”

Xian ‘er glanced at ye Zao and felt that Ye Zao’s heart was a little big.

“”Goddess, aren’t you afraid of master five...”the rest of his words were already self-evident. ”

Xian ‘er had been in this circle for quite some time and had seen all kinds of people. Who knew how many people would miss an outstanding man like Cen Shaoqing.

“What are you afraid of?”Ye Zhuo was stunned.

“Xian ‘er said, “What if master five is secretly eating outside?” ”

“What nonsense are you talking about!” Yu sunset picked up his chopsticks and hit Xian ‘er on the head.

“Xian ‘er said with some grievance, “What I said is the truth. There is no man in this world who doesn’t cheat!” ”

Just like Yu sunset.

Chapter 2495: 526: Don’t tell anyone

She couldn’t even count the number of female companions in her old age.

“If she didn’t get along with Ye Zao, her side wouldn’t be as calm as it was now. ”

“Of course, if ye Zao wasn’t the Goddess Xian ‘er, she wouldn’t have said these words. ”

She wanted to remind ye Zao to be more careful.

“Ye Zao was so outstanding, there was no need to hang himself on the tree of Cen Shaoqing. ”

“If Cen Shaoqing had done something to let ye Zhuo down, Ye Zhuo should have dumped him immediately. ”

“Ye Zhuo smiled at Xian ‘er and continued, “Don’t worry, he won’t.” ”

““Goddess, do you trust fifth master so much?” Xian ‘er looked at ye Zhuo in disbelief. ”

"If it were anyone else, they would have more or less learned to be more careful, but ye Zhuo trusted Cen Shaoqing so much. "

"He's worth it."

"Although it was only three words, it stunned Xian 'er. "

It seemed that she had not seen such mutual trust and love for a long time.

It was inexplicably enviable.

Such love was too extravagant for Xian 'er.

"She understood her situation very well. If she were to leave Yu Niannian in the future, she could only find an honest man to marry. "

Love could only be thought about in the next life.

"For a person like Yu Mumu, he would never give up an entire garden for a woman. "

"Right now, they were just taking what they needed. "

Yu Mumu also looked at ye Zao with a slightly stunned expression.

"His gaze was unclear, but he suddenly felt very envious of Cen Shaoqing. "

"Why are both of you looking at me like that?" Ye Zao looked at the two of them and touched the corner of his lips. "Is there something dirty on my face?"

""No, no."Xian 'er smiled and said, "I'm quite envious of you and fifth master. They trust each other and understand each other." "

Not everyone could have this kind of two-way love.

"Ye Zhuo turned to look at Xian 'er and continued, "You can meet them too. However, if you want to get something in life, you have to lose something. You Can't have it both ways. It depends on what you choose." "

"Hearing this, Xian 'er was stunned. "

Ye Zhuo must have already seen through the matter between her and Yu Xiannian.

"After saying this, ye Zhuo continued, "In fact, life is a process of constantly choosing and choosing. Following your heart is the most important thing." "

How could a child not be a fish know the joy of fish?

"Mm."Xian 'er nodded and lowered her head to eat a vegetable salad. The vegetable salad that was very delicious in the past always felt like something was missing today.

It was extremely bitter.

"After ye Zhuo finished the last two desserts, he said, "I'm done eating. You guys can help yourselves." "

"Okay."Yu Xiannian nodded.

"After ye Zhuo left, only Xian 'er and him were left at the dining table. "

They were relatively speechless.

“The atmosphere seemed a little awkward. Xian ‘ER also stood up at this time. “Young Master Yu, I’m full too.” ”

“In fact, Xian ‘er had only eaten less than a third of the vegetable salad in front of her. ”

“After saying that, Xian er stood up and left. ”

“She did not return to her room immediately. Instead, she went to the zither room. ”

“Just as she walked to the side of the zither room, she heard the melodious sound of a zither. Although Xian er could not play music, her heart trembled when she heard it. ”

An outstanding person would always be so outstanding no matter what they did.

Ye Zhuo had a habit of touching a zither after dinner.

Xian er reached out and knocked on the door.

“The zither music did not stop. “Come in, the door isn’t locked.” ”

Xian ‘er pushed the door open and entered. “Goddess.”

Ye Zhuo looked back and his ten fingers stopped between the zither strings. “Xian ‘er.”

““Goddess, do you have time to chat?”Xian ‘er asked. ”

“Yes.”Ye Zhuo nodded slightly.

“Xian ‘er sat opposite ye Zhuo and continued, “Goddess, how long have you been learning the zither?” ”

“Yes.”Ye Zao Thought for a moment. “About two to three months.”

“Two to three months is that good?”Xian ‘er asked incredulously.

“Ye Zao smiled and explained, “I have learned the pipa. Most instruments are similar and the music theory is interlinked, so it is easier to learn than beginners.” ”

Xian ‘er nodded. “I see.”

“Then Xian ‘er continued, “Goddess, I want to ask you a question.” ”

“”Ask,”ye Zao said. ”

“Xian ‘er looked at ye Zao and said, “If you were me, what would you choose?” ”

Chapter 2496: 527: Bet! 1

“At this moment, Xian er was in a confused state. ”

“In fact, she sometimes hated herself. She clearly knew that there was no result for her to be with Yu senility, but she could not leave Yu senility. ”

“Firstly, it was because of Yu Senility’s power. ”

“Secondly, it was because she really liked him. ”

She liked Yu senility very much.

Very much.

It was precisely because she was so deeply in love that Xian er envied ye Zhuo.

Ye Zhuo lived a carefree life and loved him thoroughly.

""Actually, you already have the answer in your heart."Ye Zhuo poured Xian 'er a cup of tea and continued, "In this world, there are many forks in the road. No matter what road it is, there are always people who choose it!" "

"In fact, there was no road in this world at all. If there were too many people, it would become a road. "

This was also the reason why there were people who came to every road.

"Xian 'er picked up her teacup and the smile on her face was unclear. "Goddess, do you look down on girls like me?" "

Ye Zao took a sip of his tea. "I only look down on people who know that the other party has a family but still want to disturb them."

Xian 'er and Yu Luan were still different in the end.

"Yu Luan was single in his old age, and Xian 'er was one of his many female companions. "

"They belonged to a group of people who were willing to fight and suffer, and there was no moral aspect involved. "

“In this world, there were many people like Yu Xiannian. ”

Were they bad people?

Not really.

Perhaps they were better than others in some aspects.

It was just that their lifestyle was not quite the same as other people's.

“Xian 'er was stunned. “Really, goddess?” ”

“In Xian 'er's heart, ye Zhuo had always been an untouchable immortal. For a lowly person like her, Ye Zhuo probably looked down on her. ”

Ye Zhuo's answer was beyond her expectations.

“Yes.”Ye Zhuo nodded slightly.

“After saying that, ye Zhuo continued, “Xian 'er, remember that a person should have a bottom line no matter what. If you keep your bottom line, everyone will respect you.” ”

“”Alright.”Xian 'er knew what ye Zhuo meant and continued, “Goddess, don't worry. I will never touch a man who has a family and a girlfriend no matter what.” ”

“Okay.”

“Xian 'er continued, “Goddess, I'm so envious of you.” ”

It was pure envy and there was no hint of jealousy in it.

“Ye Zhuo smiled. “Xian ‘er, let me send you a message.” ”

“Sure.”Xian ‘er nodded.

“Ye Zao continued, “Relying on everyone to run, relying on the mountain to topple, only relying on yourself is the most reliable. A beautiful love is evenly matched.” ”

“Although ye Zao did not reject the relationship between Xian ‘er and Yu Xiannian, she did not like it either. ”

This kind of behavior was even less worthy of promotion.

There was a moment of loneliness in Xian ‘ER’s eyes.”... I don’t know anything.”

She also wanted to rely on herself.

But she didn’t have the strength.

“”The Earth doesn’t grow nameless grass.”Ye Zhuo continued, “You have many advantages, but you just didn’t realize it.” ”

“Really?”Xian ‘er’s eyes lit up as she looked at Ye Zhuo.

No one had ever said such words to her before.

She had always been denied existence.

“But today, Ye Zhuo actually praised her. ”

One had to know that ye Zao was her idol!

What kind of experience was it to be praised by her idol!

“Of course it’s true.” Ye Zao looked at Xian ‘er. “Your figure is good, and your looks aren’t bad. If you walk the path of a model well, you will definitely shine in the future!” ”

“But there are too few people who want to work with me. I’ve been in the industry for almost half a year,” Xian ‘er said. ”

Ye Zhuo said, “It’s only half a year. Don’t be discouraged. “You have to persevere in everything. You Can’t fish in three days and cast the net in two days. “Then, in a turbid environment, you have to maintain your most sober self and keep your bottom line. What you should do and what you shouldn’t do. Fame and fortune can sometimes make a person, and many times, it can also destroy a person.” ”

“When ye Zhuo said these words, his tone was indifferent, but every word directly penetrated into the depths of Xian ‘er’s heart. ”

This feeling was very strange.

“It made Xian ‘er, who had never been confident, instantly feel confident. ”

“Goddess, thank you.” Xian ‘er looked at ye Zhuo. “I think I know what to do.” ”

“Mm.” Ye Zhuo nodded slightly and picked up the cup to drink with her. “I wish you a bright future and be the best version of yourself.”

“I also wish that you become more and more beautiful, goddess, turning eighteen every year.” ”

Ye Zhuo finished the tea in the cup in one gulp. “Thank you.”

“Xian ‘er continued, “That Goddess...” ”

“”Yes?”Ye Zhuo saw Xian ‘er’s hesitant look and smiled. “If you have something to say, just say it.” ”

Chapter 2497: 527: Bet! 2

“Xian ‘er gulped and said hesitantly, “Can we add you on wechat?” ”

“She had known ye Zhuo for a few days, but Xian ‘er did not dare to take the initiative to use ye Zhuo’s wechat. She was afraid that ye Zhuo would reject her. ”

“After all, she and Ye Zhuo were not from the same world. ”

“Sure.”Ye Zhuo took out his phone. “I’ll scan you.”

“Okay!”

Xian ‘er was very excited. She immediately took out her phone and opened the QR code.

“After ye Zao scanned the QR code, he clicked to add her as a friend. ”

Xian ‘er’s side passed the friend verification and gave ye Zao the Goddess title.

“”Goddess, let’s keep in touch in the future.” ”

“Okay.”Ye Zao nodded slightly.

“Although neither of them said it explicitly, ye Zao already understood Xian ‘er’s choice. ”

“After Xian ‘er returned from the piano room, Ye Zao sat in front of the zither and continued to practice.
”

“This time, it was a famous piece of music. It was an ambush from all sides. ”

“From slow to urgent and then from urgent to slow, the connection between the two was handled very well. It made people sink into it and unable to extricate themselves. ”

“Yu Shaoqing stood on the balcony in his twilight years, listening to the sound of the zither. His expression was unclear. ”

“In the past, he felt that Cen Shaoqing was very pitiful. He was already so old, yet he had not even tasted the taste of love. ”

“Now, it seemed that the clown was himself. ”

“After Xian ‘er returned to her room, she sat in front of the dressing table and put on a peach blossom make-up for herself very seriously. ”

“Her make-up skills were very good. In less than an hour, a beautiful and natural peach blossom make-up was completed. There was not a single blemish on her exquisite make-up. ”

“Then, she put on lipstick. ”

“Since it was peach blossom make-up, it was not suitable for lipstick that was too red. She had to choose a light pink. ”

“This kind of pink was different from the death Barbie Powder. It was a very clear and refreshing pink. Together with the smooth makeup, it was very eye-catching. ”

“After putting on her makeup, Xian er went to the kitchen and instructed the kitchen to prepare a western meal. ”

“Although Xian er was only a female companion in her twilight years, in the Yu family, she still had the respect that she should have. ”

“Soon, it was evening. ”

Xian ‘er sat at the dining table and looked like she was in her twilight years.

The exquisite steak and the’82 Lafite made Xian ‘ER’s face look even more charming under the dim candlelight.

“The more she looked at the beauty under the lamp, the more hazy she became. ”

Yu Mumu walked in from outside and saw this scene. His eyes were slightly dazed for a moment.

“Young Master Yu.”

“Yu Mumu looked around and then said, “Just the two of us?” ”

“Yes.”Xian ‘er nodded. “Miss Ye went out to eat at the food stall.”

Perhaps this was the charm of Ye Zhuo.

“She could eat a Michelin feast that could easily reach five or six digits, or she could eat the spicy hot pot, Guan Dong’s cooking, and the food stall by the roadside. ”

“Yu Niannian walked to Xian ‘er and sat down. He smiled and said, “Is today your birthday?” ”

"No." Xian 'er shook her head.

"Yu sunset continued, "Then what are you doing?" "

""Romantic." Xian 'er continued, "It can also be considered a farewell candlelight dinner." "

"Farewell?" Yu sunset looked at Xian 'er with a smile in his eyes.

Xian 'er was a canary that he raised his appetite with his own hands. How could such a canary leave a big financier like him.

""Yes." Xian 'er looked at Yu Mumu. "Young Master Yu, My Goddess is right. A woman's greatest charm is to rely on herself." "

Rely on herself?

Yu Mumu heard this and laughed out loud.

"Xian 'er, the canary that relied on him for food and clothing, actually told her that she wanted him? "

Was she joking?

""Don't laugh," Xian 'er said seriously. "I'm very serious now." "

She would use her actions to tell Yu Mumu that she was not joking.

Yu Mumu would also see her hard work one day.

""Good, good, good." Yu Mumu smiled and said, "I believe that you can definitely rely on yourself!" "

“Xian ‘er knew that Yu Mumu did not believe in her, but she did not point it out. ”

Facts speak louder than words!

Xian ‘er cut the steak carefully and then switched with Yu Mumu.

“Yu Mumu took a bite of the steak and smiled as he looked up. “Look, these actions have already become your habit. You even told me that you have to rely on yourself.” ”

Fawning over him had become Xian ‘er’s daily routine.

“Xian ‘er looked at Yu Mumu and continued, “Young Master Yu, in your eyes, I should only be one of your many female companions, right?” ”

Yu Mumu chewed on the steak and did not say anything.

Because there was nothing much to say.

This was the truth.

“Xian ‘er drank a mouthful of red wine. “There is something that you have never known, and I have never thought of telling you, but today is the day of departure. I don’t want to hide it anymore.” ”

“Speak.”Yu sunset raised his head.

Chapter 2498: 527: a bet! 3

“Xian ‘er continued, “I like you very much, very much.” ”

Yu Niannian laughed out loud.

He really thought that Xian ‘er was relying on herself.

So it turned out that she wanted to become an official!

“Xian ‘er did not look at Yu Niannian’s expression and continued, “You have always been the one in my heart. I fell in love with you at a glance five years ago. I knew that there was no turning back, but I was still stuck in it and could not extricate myself.” ”

Love?

“Xian ‘er, this canary, was talking about love in front of him? ”

What a joke!

“And then?” Yu Mumu looked at Xian ‘er.

“Xian ‘er continued, “The past has passed. In the future, I will live on my own.” ”

“In the future, she would forget about Yu Mumu. ”

She would set off towards her goal.

“Yu Mumu smiled and said, “Then I wish you well in advance.” ”

“As he said that, Yu sunset raised his cup towards Xian ‘er. ”

Xian 'er also picked up her goblet.

'Bang!'

"Yu sunset only took a small sip, and Xian 'er drank all the wine in the cup in one gulp. "

Yu sunset saw through Xian 'ER's thoughts and did not say anything.

"She had said so much and done so much, but there was actually only one purpose. "

"They were both adults, so it was good that everyone knew each other well. There was no need to bring it up on the table. "

"After a candlelit dinner, Xian 'er walked to Yu Mumu's side. She extended her index finger and hooked it around Yu Mumu's tie. Her eyes were like silk as she said, "Young Master Yu, let's go." "

"Yu Mumu stood up very cooperatively and continued, "Is it the last night before we leave?" "

"Yes."Xian 'er smiled slightly.

"After tonight, her and Yu Mumu's lives would no longer have any interaction. "

On the other side.

Ye Zao sat at a lively food stall and ordered a table full of delicious food.

"Another cold beer."Ye Zao closed the menu.

“The ordering young man looked at the dishes ye Zao ordered and continued, “Beauty, are you alone?” ”

“Yes.”Ye Zao nodded slightly.

“The young man continued, “Then you probably can’t finish so many dishes by yourself, right?” ”

The dishes that ye Zao ordered were at least enough for four people.

“”I can eat quite a lot,”ye Zao said with a smile. ”

The young man looked at Ye Zao.

“He was very good-looking, but he maintained his figure very well. ”

“He really didn’t look like he could eat. Moreover, ye Zao didn’t have any filming equipment, so he probably wasn’t faking it. ”

“”Okay.”The young man nodded and continued, “Then I’ll check the menu with you.” ”

“Okay.”

“After checking the menu, the young man went to the kitchen and handed the menu to the kitchen. “A super beautiful woman came to the front hall and ordered these dishes!” ”

“The chef in a white uniform asked curiously, “How Beautiful is she?” ”

“”Super Beautiful!”The young man continued, “She’s even more beautiful than a celebrity!” ”

The chef smiled and took the menu. “She’s indeed a beauty. Her taste in ordering dishes is so unique.”

Conclusion.

She was a beauty who knew how to eat.

“The chef continued, “Why don’t you take a photo of me and come over to take a look?” ”

The young man shook his head. “Do you know that you can look from afar but not touch?”

The Beauties in the front hall were exactly this type.

“Soon, the dishes ordered by ye Zao were served. ”

“Although there was only one person, ye Zao was still eating very happily. ”

The only way to solve his worries was to eat delicious food.

“Ye Zao.”

“At this moment, a surprised voice came from the air. ”

“Ye Zao raised his head slightly and saw a familiar face. He smiled and said, “Big Brother Song.” ”

“Song Shiyu subconsciously hid the cigarette in his hand and continued, “You’re just eating?” ”

“”Yes.”Ye Zao continued, “Big Brother song, Sit Down and eat together?” ”

Song Shiyu sat across from her. “Then I’ll respectfully accept your request.”

Ye Zhuo called the waiter over and added a pair of chopsticks and bowls.

“After song Shiyu sat down, he naturally threw doctor Liu’s words to the back of his mind. ”

Ye Zhuo added a few more side dishes.

“The two of them chatted as they ate, and it was quite enjoyable. ”

“After they had their fill, they returned to their respective homes. ”

“In front of her, song Shiyu maintained a faint smile. No one felt that there was anything unusual about him. ”

“After returning home, Song Shiyu lay in front of the washing table and puked his guts out. ”

His persistence for the past few days was completely overturned tonight.

“The assistant was scared out of his wits. Song Shiyu had been following the doctor’s orders these past few days, and his condition had been exceptionally good. Why was he puking like this? ”

“A few minutes later, song Shiyu turned to look at the assistant and said with a pale face, “Contact Dr. Liu.” ”

““Okay, I’ll contact him right away.”The assistant immediately went to contact Dr. Liu. ”

“After Dr. Liu received the call from his assistant, he immediately drove over. ”

“Half an hour later, Dr. Liu arrived at Baiyun Residence. ”

Chapter 2499: 527: Bet! 4

“Song Shiyu was lying on the bed, his face very ugly. ”

“Seeing him like this, doctor Liu was shocked. He immediately walked over and asked, “Boss song, are you okay?” ”

“I’m fine.”Song Shiyu shook his head slightly. “I just have a little discomfort in my stomach.”

Doctor Liu put down the medical kit and came over to check song Shiyu’s pulse.

“A moment later, he let go of Song Shiyu’s wrist and asked, “Boss song, you touched the food that you shouldn’t have touched again!” ”

He thought that song Shiyu would persevere for a period of time until he recovered. He did not expect song Shiyu to recover so quickly and forget about the pain.

“Song Shiyu said, “I ate a little. I thought eating a little would be fine.” ”

““Your current condition is that you can’t eat these things. You Can’t even touch them. It has nothing to do with how much you eat.”Doctor Liu said seriously, “Boss song, do you know that because you ate these things today, all our previous efforts have been in vain!” ”

Song Shiyu didn’t say anything.

“Doctor Liu realized that his tone was a little harsh. He slowed down and continued, “Boss song, you’re an adult now. You have to have self-control.” ”

“Logically speaking, song Shiyu was a big man. He shouldn’t be unable to control himself because he was greedy. ”

“However, song Shiyu couldn’t control himself time and time again. ”

“Song Shiyu nodded slightly. “Thank you for your trouble, Doctor Liu.” ”

“After putting song Shiyu in such a state, doctor Liu sighed helplessly. ”

He was convinced by such a patient!

He was convinced!

“”Boss song, I’ll give you a prescription first. Remember not to touch the food during the process of taking the medicine!” ”

“Okay.”Song Shiyu nodded.

“After writing the prescription, doctor Liu handed it to his assistant, and then he handed song Shiyu a bottle of medicine. “This is for pain relief. Boss song sincerely recommends that you don’t take this unless the pain is unbearable.” ”

Song Shiyu nodded.

On the other side.

The next morning.

The first thing Yu Luonian did when he woke up was to reach out to hug the person next to him out of habit.

“But this morning, he found nothing. ”

Where was he?

Yu Luonian opened his eyes and saw that there was nothing around him. There was no trace of Xian er.

But Yu Luonian didn't think too much about it. Maybe he went to the bathroom.

"When Yu Mumu opened his eyes again, it was already 9:30 in the morning. "

There was still no trace of Xian 'er by his side.

"Yu Mumu frowned slightly. Normally, as long as he opened his eyes, Xian 'er would be by his side, helping him put on clothes and shoes. Even the toothpaste was squeezed for him! "

"But today, Xian 'er had actually disappeared! "

What was going on?

"Yu Luonian massaged his temples, and Xian 'ER's words from last night echoed in his ears. Only then did he realize that Xian 'er was playing hard to get with him. "

Did she really think that he would fall for it?

"Over the years, he had seen countless similar tricks, and he had long become numb to it! "

Xian 'er would only be asking for trouble by doing this.

"Yu Luonian tidied up, got up, and went to the bathroom to take a shower. "

“When Yu Luonian arrived at the dining room, Ye Zhuo was already eating breakfast at the dining table.”

“She could eat two or three people’s worth of food, so when she saw the pile of food in front of Ye Zhuo, Yu Luonian was no longer surprised. “Good morning, sister-in-law.” ”

“Good Morning.”Ye Zhuo raised his eyes slightly.

“Yu Luonian sat opposite ye Zhuo. First, he ate a sandwich, then he said, “Sister-in-law, I’m a little curious about what you actually said to Xian ‘er.” ”

“Ye Zhuo asked, “She left?” ”

“Yes.”Yu sunset nodded.

“Ye Zhuo continued, “She didn’t say anything. She just told her to follow her heart.” ”

Follow her heart?

“If ye Zhuo really only wanted Xian ‘er to follow her heart, Xian ‘er wouldn’t have left right away. ”

“Yu sunset understood Xian ‘er quite well. She was still well-behaved and couldn’t think of any tricks to play hard to get. Perhaps, it was ye Zhuo who instructed her to do so! ”

“Yu Luonian continued, “Sister-in-law, let’s make a bet.” ”

“What Bet?”Ye Zhuo asked.

“Yu Luonian said, “In less than three months, Xian ‘er will come back to look for me!” ”

“Okay.”Ye Zhuo nodded slightly. “What if she doesn’t come back?”

“Yu Luonian said very confidently, “If she doesn’t come back, I will have a women’s fashion show at your and Zixu’s wedding!” ”

“Yu continued, “But if I win, you’ll let Zixu wear drag at your wedding!” ”

Chapter 2500: 527: Why Not? 1

Yu Luonian was very confident in himself.

He was even more confident in Xian ‘er.

He knew Xian ‘Er’s personality too well.

“As long as ye Zhuo agreed, then Cen Shaoqing would definitely wear this female outfit. ”

“At the end of his speech, Yu Luonian looked at ye Zhuo and asked, “Sister-in-law, do you dare?” ”

“Why not?”Ye Zhuo raised his eyebrows slightly.

“”Good! Sister-in-law is indeed courageous!”Yu Luonian continued, “However, words have no basis. Let’s make a written pledge!” ”

It was said that a gentleman’s word was hard to go back on.

“However, Ye Zhuo was a girl after all. In the absence of a written pledge, what if she did not admit her debt? ”

“Therefore, a written pledge must be made! ”

“Okay.”Ye Zhuo nodded slightly.

Yu Luonian turned to look at his assistant behind him. “Xiao Zhang.”

“His assistant, Little Zhang, immediately understood and nodded. “Yes, boss. Please wait a moment.” ”

Little Zhang immediately turned around to sign the document.

“A moment later, Little Zhang came over with the printed document. “Boss.” ”

“Yu Niannian took the document and nodded in satisfaction. Then, she turned to look at Ye Zhuo.
“Sister-in-law?” ”

“Ye Zhuo walked over and took the document. After taking a glance at it, he picked up the pen at the side and signed his name just like that. ”

Her handwriting was swift.

“It was very forceful. Although it was only two words, it still showed that her handwriting was extraordinary. ”

“Yu Luonian had practiced calligraphy for a period of time, so she naturally knew that everyone was a martial artist. She smiled and said, “It’s true to say that one’s handwriting is as good as one’s own.” ”

“”Thank you.”Ye Zhuo smiled and said, “Your handwriting is also very good.” ”

“”I’ve practiced for more than twenty years,”Yu Luonian said. ”

“Ye Zao said, “It’s about the same for me.” ”

“Yu Mumu put away the signed receipt. “Sister-in-law, since you’ve already made a written receipt, you can’t go back on your word.” ”

“A gentleman’s word.”Ye Zao’s tone was shallow.

Yu Mumu smiled faintly. “But you’re a woman.”

“The sentence that he had heard the most was, “You believe the words of a woman?”? ”

“Ye Zao turned his eyes slightly. “Sexism is not good. Don’t worry, I never embarrass girls. I hope you do the same.” ”

“Yu sunset said, “Regardless of who wins or loses, I, Yu, will never go back on my word.” ”

“Furthermore, he would definitely win this bet! ”

Yu sunset was looking forward to Cen Shaoqing’s reaction when he saw this letter.

“When that time came, Cen Shaoqing’s expression would definitely be very interesting. ”

Ye Zhuo smiled. “Okay.”

“After signing the letter, Ye Zhuo returned to his seat and continued eating breakfast. ”

“In his twilight years, he took out his cell phone and sent a wechat message to Xian ‘er. ”

“Then, he showed an “He knew it” expression. ”

Xian ‘er did not blacklist him.

He thought that Xian ‘er would put on a good show.

“Unexpectedly, Xian ‘er did not even have the courage to blacklist him. ”

“But thinking about it, it made sense. ”

The risk of blacklisting him was too great.

“What if after Xian ‘er blacklisted him, he got angry and did not add Xian ‘er again? ”

Xian ‘er was not too stupid. She knew that she could not go too far.

[have you eaten?]? This was a wechat message sent to Xian ‘er by old man Yu.

“Xian ‘er replied very quickly, [I’ve arrived home safely. Young Master Yu, we’ll still be friends if we see each other again.] ”

Old Man Yu did not reply again.

The hidden meaning in Xian ‘er’s words was very obvious. They were all adults. It would be bad if some words were directly said.

“Putting down the phone, Yu sunset looked up at Ye Zao with a smile in his eyes. “Sister-in-law.” ”

“Oh?”Ye Zao looked up slightly.

“Yu sunset continued, “Do you believe it or not? You’re going to lose this time.” ”

“”I don’t believe it,”ye Zao said. ”

“You don’t believe it?”Yu sunset raised his eyebrows.

“Ye Zao nodded slightly. “Yes, I don’t believe it.” ”

“Yu sunset smiled and said, “Do you know that I’m already starting to worry about your situation?” ”

It was true that Cen Shaoqing loved ye Zao very much.

“However, this kind of love did not include ye Zao challenging his bottom line. ”

How was it possible for CEN Shaoqing to dance in women’s clothes in front of everyone? !

“”Worry about me?”Ye Zao laughed softly. “If you have time to worry about me, you should worry about yourself. A man’s words and deeds must be followed. I hope you can smile so happily when the time comes.” ”

Ye Zhuo believed in Xian ‘er.

It was true that Xian ‘er had been a canary in her twilight years.

But this did not mean that Xian ‘er had no bottom line.

“The person in the deep mud was not that he did not want to come out, but that he lacked a ferryman. ”

“From Xian ‘ER’s eyes, it could be seen that she was a person who yearned to rely on herself.”

“The smile on the corner of Yu Luonian’s mouth could not be dispelled. He continued, “I have never seen Zixu wearing women’s clothing.” ”

““What a coincidence,”ye Zhuo said faintly, “I think he must have never seen you wear it.” ”
