

## Almighty D 2501

Chapter 2501: 527: Why wouldn't I Dare? 2

Yu sunset smiled and shook his head.

He began to sympathize with Cen Shaoqing.

"Looking for such a troublesome girlfriend, he did not know how Cen Shaoqing usually got by. "

"After a moment, ye Zhuo put down the cutlery and continued, "I'm done eating." "

"Why are you so fast?"Yu sunset was stunned.

"Ye Zhuo said, "I came earlier than you." "

"After saying that, ye Zao turned around and left. After taking a few steps, she seemed to have thought of something and stopped. She looked back slightly and her gaze landed on Yu Mumu. She slowly said, "Yu Mumu." "

"What's Wrong?"Yu Mumu asked.

"Ye Zao's red lips parted slightly. "In the end, you still underestimated Xian 'er." "

"Yu Mumu laughed out loud. "You overestimated her. Your taste in men is indeed good, but your taste in women is still a little lacking." "

Ye Zhuo did not say anything else and continued to turn around and leave.

“Yu Mumu looked at ye Zhuo’s back and shook his head helplessly. Sometimes, blind confidence was not necessarily a good thing.”

Ye Zhuo was just too confident.

...

Baiyun residence.

“Song Shiyu was lying on the bed. His entire body was in unbearable pain. Not only was his face pale, even his lips were deathly pale. There was not even a hint of blood.”

“”Boss, I’ll go get Doctor Liu.” ”

Song Shiyu shook his head. “There’s no need. It’s under normal circumstances...”

A long illness turned into a medical condition.

Song Shiyu knew his body’s condition very well.

The assistant was still a little worried. “Is there really no need?”

“There’s really no need.” Song Shiyu pressed his temples. “You can go out first.”

The assistant could only walk out of the door.

“Seeing that the door was closed, Song Shiyu’s expression eased up a little.”

“A moment later, he lifted the blanket and got out of bed. ”

“Although it was very uncomfortable, bedridden was not his style. ”

“Soon, song Shiyu went to the bathroom and began to wash up. ”

“After getting dressed, although his face was still a little pale, it was much better than before. ”

“Just as he walked into the dining room, the secretary came over with a document in her arms. “Boss, there’s an emergency video conference in half an hour.” ”

“Got it.”

Song Shiyu sat at the dining table and started eating the nutritious and healthy breakfast that doctor Liu had prepared for him.

“Since it was a nutritious breakfast, it definitely didn’t taste good. ”

“After breakfast, there were still ten minutes before the video conference. ”

“At this moment, Song Shiyu received a wechat message. ”

It was from an Lizi.

She had invited him to play games.

“Whether it was an Lizi, Li Yueyue, or Zhao Pingting, song Shiyu had never rejected their game invitations. ”

This time was no exception.

"After clicking 'agree', Song Shiyu turned to look at his secretary. "I suddenly have something very important to take care of. The video conference will be postponed for three hours." "

The Secretary was stunned.

"It was almost time for the meeting. If it was suddenly postponed, it would be hard to explain to the directors. "

"Don't you understand what I'm saying?" Song Shiyu raised his eyes slightly and looked at his assistant.

The assistant immediately reacted and nodded. "Okay."

Song Shiyu took his phone back to the study.

"He was wearing headphones, so he couldn't hear the sound of the game, but he could occasionally hear the sound of him communicating with his teammates. "

"Li Yueyue was cut three times by the monkey opposite her in a row. She said exasperatedly, "Is there something wrong with the monkey opposite you? Is it interesting to keep staring at the auxiliary cut?" "

"An Lizi smiled and said, "Do you have a crush on You?" "

"Of course. Otherwise, why would he keep cutting you?" Zhao Pingting echoed. "

An Lizi couldn't help but laugh. "I also think that the monkey must have a crush on Yueyue!"

"He has a crush on a hammer," Li Yueyue continued, "Damn it! If only it were burning, I would beat him until he kneels on the ground and calls me daddy!" "

“If he really took a fancy to her, he wouldn’t chase after her and slash her! ”

“After all, she was just a support. It was meaningless for monkey to target her. ”

“At this moment, Song Shiyu’s voice came from the earpiece, “Follow me next time.” ”

“”Okay,” Li Yueyue continued, “Mr. Song is still reliable. He’s not like those two useless chickens who only know how to Eat Melons.” ”

“After being resurrected, Li Yueyue followed behind song Shiyu. ”

Monkey continued cutting her as usual.

“But this time, monkey was directly cut by song Shiyu. ”

“”Big Brother, you’re cheating!” ”

“666!”

“Song Shiyu continued, “Li Yueyue.” ”

“Yes.”

“Song Shiyu continued, “Didn’t you ask me to keep an eye out for high-quality youths last time?” ”

“Li Yueyue said in surprise, “There’s a result already?” ”

“Yes.”

“Li Yueyue said, “Who is it? Is he handsome? How Old is he this year?” ”

An Lizi and Zhao pingting were also very curious.

Chapter 2502: 527: Why wouldn't I Dare? 3

“Song Shiyu said, “He's 188 centimeters tall and comes from a good family background. He's about the same age as you.” ”

“What about his looks?”Li Yueyue was a super handsome dog.

“Song Shiyu continued, “He's of better quality.” ”

“Li Yueyue hurriedly said, “Then push his wechat to me!” ”

“”Okay.”Song Shiyu said as he played hero, “I'll push his business card to ye Zao and then ask ye Zao to push it to you.” ”

He and Li Yueyue did not add each other on wechat. They only added in-game accounts.

“Okay.”

“Zhao Pingting joined in the fun. “Mr. Song, can you introduce me too?” ”

“And me! And Me!”It was an Lizi's voice.

“Li Yueyue smiled and said, “Be careful that I don't tell your dog two that you want to cheat on him!” ”

“Don’t spout nonsense. There’s nothing between ME and Dog Two!”

“Zhao pingting said, “It’s indeed quite innocent, so innocent that we’re even kissing.” ”

“Hahahaha!”Li Yueyue laughed until her stomach hurt.

An Lizi:”...”all the bamboo shoots on the mountain were taken away.

“After playing the game, Song Shiyu logged into wechat and pushed the boy’s Wechat to ye Zao. ”

Ye Zao sent a question mark over.

Song Shiyu explained what happened.

“[ okay, I’ll immediately push it to Yueyue. I didn’t expect you to be a part-time matchmaker [ dog head ]  
. ] ”

[ it’s good to help others. ]

“After Li Yueyue received the business card, she immediately added the boy’s wechat. ”

“Song Shiyu had good taste. Although the two had never met, they had a very pleasant chat. ”

They even arranged to have hotpot together on the weekend.

“Li Yueyue sent a wechat message to Ye Zhuo: [ I will definitely thank Mr. Song properly after it is done. His efficiency is simply too high. I told him that day, but I didn’t expect him to really remember it. ] ”

“Li Yueyue was quite emotional now. After all, Song Shiyu was a very busy big shot. ”

It was really flattering to be able to make a big shot pay so much attention to her matters.

“Do you guys want to add him on wechat? I’ll push his wechat to you?”Ye Zhuo asked.

“Sure!”

Ye Zhuo pushed song Shiyu’s wechat to Li Yueyue.

“Li Yueyue clicked to add. She thought that she could successfully add song Shiyu, but she did not expect song Shiyu to set a “No friend”policy. ”

“However, Li Yueyue did not look for ye Zhuo. After all, she was not in a relationship with song Shiyu, so it did not matter whether she added him or not. ”

“After chatting with Li Yueyue, ye Zao sat on the bay window and read a book for a while. ”

“The sunlight shone in from outside the window, shining evenly on her body, giving people a peaceful feeling. ”

“When Cen Shaoqing returned, this was what he saw. ”

“His footsteps were very soft, but ye Zao reacted at the first moment. He turned his head to look in the direction of the door, and surprise flashed in his eyes. ”

“Leader.”

Ye Zao put down the book and smiled. “Are you done?”

“Yes.”Cen Shaoqing nodded slightly.

“Ye Zao continued, “When did you come back? Why didn’t you tell me?” ”

“I just arrived. I wanted to give you a surprise.”

Ye Zao put down the book and walked to his side. He stood on Tiptoe and hooked his arms around his neck. “It’s indeed quite a surprise.”

Cen Shaoqing reached out and hugged her waist. He lowered his head slightly and his thin lips covered her red lips.

He did not go deep.

It was just a light kiss.

“After a moment, ye Zao let go of him and continued, “Have you eaten lunch?” ”

“”No.”Cen Shaoqing twirled the Buddhist beads and asked, “What about you?” ”

“I haven’t eaten lunch either. Let’s eat together.”

“Okay.”Cen Shaoqing nodded slightly.

“Ye Zao continued, “Then wait for me for a moment. I’ll change my clothes.” ”

“Change your clothes?”Cen Shaoqing raised his eyebrows slightly.

“”It’s a perk for my boyfriend,”ye Zao said. ”

“Cen Shaoqing thought for a moment and said, “Then wear that yellow dress.” ”

“Ye Zao had a yellow one-piece dress with a sling on it. It was very revealing. The bright yellow fabric made his skin extremely fair. It was clearly not revealing anything, but it gave people a feeling that he could not stop. ”

Cen Shaoqing really liked ye Zao wearing that one-piece dress.

“Okay.”Ye Zao nodded slightly. “I’ll satisfy you.”

“Ye Zao turned around and went to the changing room to change his clothes. Very quickly, he changed into a one-piece dress and walked out. ”

“He wore a one-piece dress on his ankles and a pair of nude-colored high heels. He looked extremely slender, like a fairy who had fallen into the mortal world by mistake. ”

Cen Shaoqing looked at the person in front of him and was momentarily stunned.

“Is it good-looking?”Ye Zhuo asked.

“Yes.”Cen Shaoqing nodded slightly. “But leader...”

Chapter 2503: 527: Why wouldn’t I Dare? 4

“What’s Wrong?”Ye Zhuo asked.

“Cen Shaoqing looked at ye Zhuo and said very seriously, “Why don’t you go and change your clothes?” ”

“Why?”Ye Zhuo frowned slightly. “Don’t you look good?”

“CEN Shaoqing continued, “I’m afraid that other people’s boyfriends won’t be able to take it.” ”

Ye Zhuo chuckled.

“”Alright, Alright, Alright. I’ll go change.” ”

“When she came out again, ye Zao changed into a very simple set of white clothes and black pants. ”

“It was clearly a very simple set of clothes, but it made her exude the aura of an international supermodel that people couldn’t ignore even if they wanted to. ”

“Let’s go.”Ye Zao looked at Cen Shaoqing.

“Okay.”Cen Shaoqing nodded slightly.

The two of them walked out.

“At this moment, Yu Muannian’s voice came from behind. “Zixu!” ”

Cen Shaoqing looked back slightly.

“Seeing Cen Shaoqing, Yu Muannian said in disbelief, “Zixu is really you!” ”

“After saying that, Yu Muannian continued, “When did you come back?” ”

""I just came back,"Cen Shaoqing answered. "

"Yu Muannian said, "Then where are you going?" "

"To eat."

""I'll go with you guys!"Yu Mumu said very naturally, "I haven't eaten yet." "

""No,"Cen Shaoqing directly rejected. "

"Yu Mumu was a little speechless and said, "Why? Brother, this is a little unkind!" "

Cen Shaoqing glanced at him. "Are you going to be a third wheel?"

"Yu Mumu cried, "Sure enough, once you have a wife, you forget about your brother!" "

Cen Shaoqing no longer looked at Yu Luonian. He stretched out his hand and wrapped it around ye Zhuo's shoulder. "Let's go."

Ye Zhuo nodded slightly and followed Cen Shaoqing's footsteps.

Yu Luonian looked at the backs of the two of them and let out a long sigh towards the sky!

Too Much!

This was really too much!

They were bullying him because he did not have a girlfriend?

“Although he did have a girlfriend, he had a girlfriend! ”

“Moreover, it was the kind that could not be counted with ten fingers. ”

Yu sunset immediately took out his phone and started to chat with his female companions.

That’s right.

It was a group chat.

“Every time Yu sunset wanted to look for them, he would just send a message in the group, because sending one message after another was too troublesome. ”

What was even more amazing was that these female companions in the same group had never had an argument. It was so harmonious that it did not seem real!

This was also the amazing thing about old age.

“Ye Zhuo and Cen Shaoqing went to an elegant restaurant. Although it was a restaurant, it mainly served desserts. Ye Zhuo ordered five desserts in one go. ”

She ate four desserts and CEN Shaoqing ate one.

““Leader, are you free tomorrow?”Cen Shaoqing continued to ask. ”

““I’m free.”Ye Zhuo continued to say, “I’m preparing to return on the 28th.” ”

Today was the 25th.

There were still three days left.

Cen Shaoqing twirled the prayer beads. "Follow me to a place tomorrow."

"Where to?" Cen Shaoqing suddenly became serious. Ye Zhuo was a little curious.

"To the island we went to for the first time."

"Ye Zhuo seemed to have thought of something and continued, "Then let's bring more seasonings." "

"Bring seasonings?" Cen Shaoqing asked doubtfully.

Ye Zao nodded slightly. "That's right. Have you forgotten that the island is rich in resources?"

"Cen Shaoqing then remembered that during the days when ye Zao was on the island, even ants had to take a detour when they saw her. He could not help but laugh out loud. "Then you have to bring one more thing." "

"What?" Ye Zao asked.

Cen Shaoqing opened his thin lips slightly. "A recipe."

"Ye Zhuo said, "There's no need for that. Just a search on the internet will get you everything." "

"After the two of them finished eating, they went back. Yu Mumu secretly found Cen Shaoqing and said mysteriously, "Zixu, come over here for a moment. I have something to tell you." "

Cen Shaoqing followed Yu Mumu's footsteps.

"When they came to Yu Mumu's room, Yu Mumu said, "Zixu, did your wife tell you about our bet?" "

“What Bet?” Cen Shaoqing asked curiously.

“Yu Mumu smiled and said, “I knew you didn’t know. Come, come, take a look at this. Your Wife signed it herself. Don’t Deny It!” ”

Cen Shaoqing took the letter from Yu Mumu and looked at it carefully.

Chapter 2504: 529: Proposal 1

“Yu Xiannian reminded him, “Zixu, look carefully. Don’t Miss Anything.” ”

“As he spoke, he observed Cen Shaoqing’s expression. ”

He thought Cen Shaoqing would definitely be angry.

“However, CEN Shaoqing’s expression did not change at all. There was not even the slightest fluctuation.  
”

This was a little strange.

“Just as Yu Xiannian was puzzled, Cen Shaoqing returned the letter to Yu Xiannian. ”

“You have no reaction at all?” Yu Xiannian looked at Cen Shaoqing and asked in surprise.

Cen Shaoqing twirled the Buddhist beads. “What reaction should I have?”

""Aren't you angry that I asked you to wear women's clothing?"Yu Xiannian sized Cen Shaoqing up and down before continuing, "Or do you have a hobby of wearing women's clothing?" "

Cen Shaoqing slowly curled his lips. "You should be worried about yourself."

"I'm worried about myself? What am I worried about?"Yu sunset looked confused.

"CEN Shaoqing continued, "Have you thought about what women's clothing you'll wear that day?" "

"Yu sunset turned to look at Cen Shaoqing and suddenly laughed out loud. "Zixu, you don't think I'll lose, do you?" "

What a joke!

How could he possibly lose!

""If you don't lose, who will?"Cen Shaoqing asked back. "

"Cen Shaoqing knew ye Zao too well. She never did anything that she was not confident in. Since she dared to make a written agreement with Yu Mumu, she would definitely win. "

"Yu mumu laughed hysterically, "Zixu, ah, Zixu! You are really smart and muddle-headed for a Lifetime!" "

Cen Shaoqing twirled the Buddhist beads and did not say a word.

"Yu Luonian continued, "To tell you the truth, Zixu, Xian 'er has been with me for three years, and no one knows her better than I do! Let alone three months, she might not even last half a month! So, your wife is going to lose for sure!" "

"As he said that, Yu Luonian touched his chin and said, "I haven't seen you in women's clothing!" "

“When the time came, the scene would definitely be very exciting! ”

“”It’s a coincidence that I haven’t seen you in women’s clothing either,”Cen Shaoqing said. ”

Yu sunset was a little speechless.

It was true that a family did not enter the same house. Ye Zhuo had also said the same thing in front of him.

“Yu sunset smiled and said, “You’re a classic case of not shedding tears until you’re in the coffin!” ”

“”I’ll give you the same thing.”Cen Shaoqing twirled the Buddhist beads. “Sometimes, blind confidence is not a good thing.” ”

“Water can carry a boat, but it can also overturn it. ”

“Yu Xiannian shook his head and continued, “No wonder people say that the IQ of men and women in love is negative.” ”

Cen Shaoqing was a good example.

“Yu Xiannian continued, “I have to hurry up and choose a dress for women.” ”

Cen Shaoqing looked at him in confusion.

“Yu Xiannian waved the receipt in his hand. “It says clearly that the winner can personally choose the dress for the loser. In other words, you have to wear whatever I choose!” ”

“”Okay.”Cen Shaoqing nodded slightly, looking very easy to talk to. ”

Yu Muannian looked at Cen Shaoqing and narrowed his eyes.

""Zixu, you won't go back on your words at the last minute, right?" "

Cen Shaoqing didn't look like a person who would obediently wear women's clothes no matter how one looked at him.

""Not to mention that our leader won't lose, even if our leader really loses, I won't go back on my words."Cen Shaoqing said word by word, and his voice was powerful. "

"Yu Mumu nodded and said with a smile, "Okay, okay, okay. I'll remember what you said." "

"What About You?"Cen Shaoqing turned to look at Yu Mumu.

"Yu Mumu was stunned and asked, "What About Me?" "

"CEN Shaoqing said slowly, "What if you go back on your word?" "

""I won't lose at all, so I won't have such an assumption,"Yu Mumu said confidently. "

Cen Shaoqing chuckled but didn't say anything.

"Seeing him like this, Yu sunset continued, "If I regret it, I'll stick my head in the toilet!" "

Cen Shaoqing took out his phone. "Say it again. I didn't hear it clearly just now."

Yu sunset immediately repeated it.

He wasn't afraid at all.

Because he wouldn't lose!

Cen Shaoqing curled his lips slightly. "I've already recorded it."

"Yu Mumu continued, "That's not fair." "

"What's Not Fair?" Cen Shaoqing asked.

"Yu Mumu said, "You recorded mine, but I didn't record yours." "

"Cen Shaoqing twirled the Buddhist beads and continued, "Record it. I'll cooperate with you." "

Yu Mumu immediately took out his phone.

Just wait and see. How confident Cen Shaoqing was now would be how regretful he would be when the time came.

"Is there anything else?" Cen Shaoqing continued to ask.

"Not for the time being," Yu Mumu said. "

Cen Shaoqing turned around and left. "I'll be leaving first."

"Let's go."

Yu Mumu looked at Cen Shaoqing's back and his eyes were filled with smiles.

“He had known Cen Shaoqing for many years, but he had never taken advantage of him in front of Cen Shaoqing. This was the first time! ”

Chapter 2505: 529: Marriage Proposal 2

This feeling was pretty good.

“When Cen Shaoqing returned to the villa and found that ye Zhuo was not there, he sent a message asking where ye Zhuo was now. ”

Ye Zhuo replied very quickly.

[ I’m preparing to follow the local fishermen to catch the sea. I’m at the small shop now. ]

“Since he was going to catch the sea, he naturally had to buy some tools to catch the sea. ”

[ I’ll be there soon. ] Cen Shaoqing replied.

“The small shop was not far from here, so Cen Shaoqing arrived soon. ”

Ye Zhuo had already bought the tools.

“A crab trap, a bucket, two small shovels, and some other tools. ”

“Why did you buy so many?”Cen Shaoqing walked forward and took the things in her hands.

“”Aren’t we going to the island? We can take them to the island,”ye Zhuo said. ”

""Okay."Cen Shaoqing stuffed the Buddha beads into his pocket and continued, "When do we set off? I'll inform someone to bring the yacht over." "

"Drive the yacht?"Ye Zao asked.

"CEN shaoqing nodded slightly, "Yes." "

"Ye Zao was a little speechless and said, "Mr. Cen, please make it clear. We're going to catch the sea, not to play! Who would drive a yacht to catch the sea?" "

"Then how are we going to get there?"Cen Shaoqing asked.

A helicopter?

He only had these two means of transportation at the moment.

"Ye Zhuo looked at Cen Shaoqing and said, "You really are an otherworldly young master." "

Cen Shaoqing raised his hand and touched his nose. He did not say anything and did not refute.

"In front of the person he liked, he had to lower his head when he should. "

"Ye Zhuo continued, "Let's go with the fishermen. I have already made an appointment to meet at the west pier at 1:30." "

"After saying that, Ye Zhuo grabbed Cen Shaoqing's wrist and looked at the time on his watch. "It's almost 1:30. Let's Go Faster." "

Cen Shaoqing immediately followed ye Zhuo's footsteps.

The two of them walked towards the west pier together.

“After about 15 minutes, they finally arrived at the west pier.”

“When the two of them arrived, the fishermen had also just arrived.”

“Miss Ye!” An elderly granny saw ye Zhuo walking over and immediately greeted him with a smile.

“”Granny,” Ye Zhuo said with a smile.”

“The granny held ye Zhuo’s hand and turned to look at Cen Shaoqing. She then asked, “Is this your boyfriend?” ”

“”Yes.” Ye Zhuo nodded slightly. “This is my boyfriend, Cen Shaoqing.” ”

“CEN Shaoqing politely said, “Hello, Granny.” ”

“”Good, good, good.” The granny turned to look at the side and raised her voice. “Little Guo!” ”

“Hearing that, a little girl who looked to be thirteen or fourteen years old immediately ran over.”

“”Granny, What’s Wrong?” ”

“The granny continued, “Bring Mr. Cen and miss ye onto the boat.” ”

“”Alright.” Xiao Guo smiled and said, “Brother and sister, come with me.” ”

“The granny took the tools from Cen Shaoqing’s hands and said, “Just give me the things.” ”

“CEN Shaoqing said, “Granny, I’ll Take It.” ”

“The granny smiled and said, “You don’t know where to put it, let me do it! Don’t worry, I can take it!” ”

“Hearing that, Cen Shaoqing had no choice but to put the things down and let the granny take it away.”

“Xiao Guo continued, “My granny has been on the ship since she was born. Brother, don’t worry, she’ll be fine.” ”

“After saying that, Xiao Guo looked at ye Zhuo and asked, “Sister, are you and brother a couple?” ”

“Yes.”Ye Zhuo nodded slightly.

“Xiao Guo smiled and said, “I knew it would be like this. Sister, you and brother are a perfect match!” ”

“Xiao Guo had followed her out to sea since she was young. She could be considered as someone who had seen a lot of things. Indeed, she had never seen a couple like ye Zhuo and Cen Shaoqing who were a perfect match.”

“”Thank you.”Ye Zhuo continued to ask, “How long will it take for us to reach the place?” ”

“Little Guo replied, “Twenty minutes will do.” ”

“Okay.”Ye Zhuo nodded slightly.

“Little Guo brought ye Zhuo and Cen Shaoqing to the bow of the ship. “Brother and sister, you can sit here. If there’s anything, just call me.” ”

“Okay.”

“Cen Shaoqing had a serious mysophobia. Before ye Zhuo sat down, he took out a handkerchief and carefully wiped the stool. ”

“Ye Zao smiled and said, “If you’re not here, I’ll just sit on it.” ”

Ye Zao did not have a mysophobia. He did not care about trifles and was even more heroic than a boy at certain times.

“CEN Shaoqing said, “Actually, there’s nothing dirty about it. I’m just used to it.” ”

“While eating in the restaurant, Cen Shaoqing knew that the cutlery had already been sterilized, but he habitually used boiling water to boil it again. ”

“If it was possible, he would even bring his own cutlery. ”

“Also, his bed absolutely did not allow others to sit on it casually. ”

He even refused to let others into his bedroom.

“Xiao Guo sat on the deck not far away, looking at ye Zhuo’s side profile in a daze. ”

Chapter 2506: 529: Proposal 3

“At this moment, the granny walked over and asked with a smile, “Little Guo, what are you looking at?” ”

“Little Guo said, “I’m looking at my sister in front of me.” ”

“After a while, little guo continued, “Granny, Sister is really beautiful! I’ve never seen anyone more beautiful than sister!” ”

It was as if the whole world had descended.

The granny nodded. “I’ve never seen her either.”

““Granny, do you think I’ll be as good-looking as sister in the future?”For a child of Xiao Guo’s age, the future was what she looked forward to the most. ”

What would she become in the future?

““Sure, Definitely.”The granny smiled and said, “Our Xiao Guo will definitely be as beautiful as Miss Ye.” ”

“Really?”Xiao Guo’s eyes lit up.

““Of course it’s true,”the granny said very seriously. ”

“Xiao Guo was very happy. He stood up from the deck and said, “I’ll go get some fruits for my brothers and sisters to eat.” ”

“Go ahead.”

There were many tropical fruits in the South China Sea that were not available elsewhere.

“Xiao Guo carried a plate full of cut fruits and walked to Cen Shaoqing and Ye Zhuo. “Brothers and sisters, it’s a hot day. Eat some fruits.” ”

“After saying that, Xiao Guo added, “Don’t worry, there’s no charge for this!” ”

“After saying that, little guo placed the fruit plate on the table. ”

“Ye Zhuo raised his eyes slightly. “Little Guo, thank you.” ”

““Sister, you’re too polite.”Little Guo continued, “Sister, try this egg fruit. This is something that can not be bought outside. It’s very delicious.” ”

“Okay.”Ye Zhuo nodded slightly. He took the egg fruit that little guo handed over and took a bite.

“If it was crisp and sweet, it was very refreshing. If he ate the greasy food, it would be amazing. ”

“Is it good?”Little Guo looked at ye Zao with anticipation.

“Ye Zao smiled and said, “It’s very good.” ”

“Little Guo was very happy to receive ye Zao’s affirmation. “Sister, if you like it, I’ll go get it for you!” ”

“Ye Zao was about to say that there was no need, but little guo had already turned around and ran far away. ”

“The people here are really warm.”Ye Zhuo turned to look at Cen Shaoqing.

Cen Shaoqing nodded slightly. “They are indeed very warm.”

“Not long after, Little Guo ran over with the egg fruit. “Sister, take it.” ”

““Thank you, Little Guo.” ”

“Little Guo said a little embarrassedly, “You’re welcome.” ”

A young girl at this age really hoped to receive the approval of the person she liked.

Ye Zhuo’s approval was something that could make her happy for the whole day.

“”Xiao Guo, come here.” ”

“Ah?”Xiao Guo was stunned.

“Ye Zhuo smiled and said, “Stand beside me.” ”

Xiao Guo walked to ye Zhuo’s side shyly.

Ye Zhuo took off the crystal clip by his ear and put it on Xiao Guo’s head. “This is for you.”

“Under the sunlight, the crystal clip emitted a colorful light. ”

It was especially dazzling.

“Xiao Guo quickly took off the crystal clip on her head. “Sister, I can’t accept such an expensive thing from you!” ”

“This crystal clip was obviously expensive. She had only given ye Zhuo a plate of fruit, how could she accept such an expensive thing. ”

“Ye Zhuo said, “It’s not expensive. It’s just a clip, unless you don’t like it that I’ve worn it before.” ”

“Little Guo naturally didn’t dislike it. She liked this crystal clip very much. Because she liked it, she even peeked at it a few times. “Sister, I didn’t mean that. I just feel that...” ”

""Since you don't dislike it, then keep it."Ye Zhuo picked up an egg fruit. "Take it as a return gift from the egg fruit." "

""Thank you, Sister!" "

""You're welcome."Ye Zhuo took a bite of the egg fruit and then asked, "By the way, aren't you going to school?" "

"Today was a working day, and it was not summer yet. Logically speaking, Xiao Guo should have appeared in class. "

"Speaking of this, Xiao Guo smiled and said, "I just passed the jump exam, and the teacher gave me a week of marriage!" "

"Then you're very good!"Ye Zhuo said.

"Xiao Guo said a little embarrassedly, "Thank you, Sister. Grandma called me. I'll go over first." "

"Go."Ye Zhuo nodded slightly.

Xiao Guo jogged toward the cabin.

"Soon, the fishing boat started to set off. "

"Not long after, they arrived at an unknown shoal. "

"Xiao Guo ran over and said, "Brother and sister, the tide has just subsided. It's really a good time to rush the sea. I know a place that usually has a lot of goods. I'll take you there." "

“Okay.”

Xiao Guo led the way in front while ye Zhuo and Cen Shaoqing followed behind.

“Soon, they arrived at the secret base that Xiao Guo had mentioned. ”

“Xiao Guo continued, “Brother and sister, you guys search here. I’ll go over and help Granny and the others!” ”

“”Then be careful,”ye Zhuo instructed. ”

Chapter 2507: 529: Proposal 4

“Xiao Guo smiled and said, “Sister, don’t worry. I’ve been traveling with Granny since I was young. I’m very familiar with this place. I’ll be fine!” ”

“Looking at Xiao Guo’s back, Ye Zhuo turned to look at CEN Shaoqing and said with a sigh, “It’s so good to be young!” ”

“CEN Shaoqing said, “You’re very young too.” ”

Ye Zhuo raised his eyebrows slightly. “That’s a must! You’re eighteen years old. Do you understand?”

“At this moment, ye Zao suddenly saw a fish that had run aground. “Fish! Quick, quick, Quick!” ”

Cen Shaoqing followed her line of sight and indeed saw a fish.

“It weighed about two to three Jin, and the color of the fish scales was very bright. ”

Cen Shaoqing immediately put down the things in his hands and went to catch the fish.

“This was not his first time catching fish, so his movements looked very consistent. Ye Zao took out his phone and took a lot of photos, then sent them to the group.”

This was the CEN family group.

Old Mrs. Cen was the first to speak: [ who is this? Why does he look so much like my stupid grandson? ]

Cen Yuying: [ Shaoqing? ! ! ]

Zhou Xiang: [ don't be surprised. ]

“As long as he was with Ye Zhuo, no matter what Cen Shaoqing did, Zhou Xiang would not find it strange.”

“After all, that person was ye Zhuo.”

And then there was the crazy mugwort ye Zhuo.

[ Zao Zao is amazing! ]

“[ as expected, it's a little tofu with brine. ] ”

[ ... ]

“Ye Zao did not have time to reply to the messages in the group because she actually saw a big bread crab on the stranded beach. She immediately put down her phone, walked to the side, and started to catch bread crabs.”

“In less than two hours, the two of them had a full harvest. ”

...

The next day.

Ye Zao woke up very early because CEN Shaoqing had said that they were going to the Nameless Island today.

“Opening the wardrobe, ye Zao picked out a white one-piece dress. ”

“Her skin was cold and white, so it was very suitable for a white one-piece dress. She looked like she was out of this world. ”

“Leader.”

She had just changed her clothes when there was a knock on the door.

“What’s Wrong?”Ye Zao asked.

“CEN Shaoqing continued, “Are you ready?” ”

“Yes.”Ye Zhuo opened the door.

“Cen Shaoqing twirled the prayer beads. “Let’s go downstairs for dinner. After dinner, we’ll set off.” ”

“Okay.”

“At the dining table, Yu Niannian asked curiously, “Zixu, where are you guys going later?” ”

“A single dog doesn’t deserve to know,” Cen Shaoqing said. ”

Yu Niannian choked.

“Although he was a single dog, he did not lack female companions! ”

“I saw a helicopter parked outside the door. Do you guys want to take the helicopter later?” Yu Munian continued to ask.

“Yes.” Cen Shaoqing nodded slightly.

Yu Munian sighed softly. “I originally wanted to borrow a helicopter from you guys.”

“Nowadays, using a luxury car to flirt with girls was already outdated. ”

It was cool to use a plane!

Yu Shaoqing did not have a private plane.

“It was not because he could not afford it. Besides, the procedures to buy a plane were too complicated.  
”

“Therefore, he used the Cen family’s plane most of the time. ”

“After dinner, Ye Zhuo and Cen Shaoqing boarded the plane. ”

It would take half an hour to get to the Nameless Island.

“Just as they were about to arrive, CEN Shaoqing took out a ribbon and looked at Ye Zhuo. “Leader, close your eyes. I have a surprise for you later.” ”

“What Surprise?”Ye Zao asked.

“”Close your eyes,”Cen Shaoqing said. ”

Ye Zao closed his eyes.

“Her eyelashes were dense and long. When she closed them, they cast a fan-shaped shadow under her eyelids. ”

Cen Shaoqing held the white ribbon and covered ye Zao’s eyes. He tied a bow on the back of his head.

“Ye Zao teased, “You’re not thinking of selling me, are you?” ”

“”Yes,”Cen Shaoqing answered. “Is it okay to sell me to the foolish son of the landlord?” ”

Ye Zao laughed softly.

“As the helicopter slowed down and the noise grew louder, the helicopter finally came to a steady stop.  
”

“Cen Shaoqing held ye Zao’s hand and walked out. “Zao Zao, you can open your eyes now.” ”

“Chapter 2508: 530: the proposal is a success, all the big shots send their blessings! 1”

“As Cen Shaoqing spoke, she untied the ribbon that covered ye Zao’s eyes. ”

“As the ribbon scattered, ye Zao slowly opened his eyes. The scene in front of her made her slightly stunned.”

All she could see was an endless amount of red.

The air was filled with a faint fragrance.

It was roses.

It was as if he was in a sea of roses.

It was especially magnificent!

“No matter what time it was, girls always had a romantic heart.”

And roses were the representative of romance.

There were almost no girls who didn't like flowers.

Especially roses.

“At this time of year, it was still a little difficult to gather so many roses in this city of the South China Sea.”

It would be a lie to say that it was not shocking to see so many roses.

No wonder Cen Shaoqing had asked her to close her eyes when the helicopter was near the island. This was the reason.

“Sear Sear,” Cen Shaoqing looked at Ye Sear, he continued, “One rose represents that you are the only one in my heart; two roses represent that I love you; three roses represent that I love you; Four Roses represent that I promise you that I will never change; five roses represent that I love you with no regrets; six roses represent that we are united forever and Wish You a lifetime of peace; seven roses represent... .. 99 Roses represent my love, 999 Roses represent my love for you to the end of time. I have many 999 roses here, representing my love for you to the end of Time!”

“Burning, I love you.”

“As soon as he said that, a small drone flew over from the sky.”

A heart-shaped balloon was hanging on the drone.

“Under his feet was a sea of red roses. When he raised his head, he saw the blue sky and white clouds. Then, a heart-shaped balloon flew over. It was as romantic as a movie.”

The drone flew closer and closer until it stopped in front of Cen Shaoqing.

Cen Shaoqing reached out to take the balloon and took out the diamond ring that was hidden on the balloon.

“Then, he knelt on one knee and looked at ye Zao. He said word by word, “Miss Ye, marry me.”

“The diamond, which was as big as a pigeon egg, shone with a rainbow-colored light under the sunlight.”

“Ye Zao knew that Cen Shaoqing was planning to propose, but she did not expect that the day would come so soon.”

“Moreover, all of this did not seem to be something that Cen Shaoqing, a steel-like straight man, could do.”

“Ye Zao thought that Cen Shaoqing would just kneel down and say, “Leader, marry me.”Then it would be over. He did not expect that CEN Shaoqing would have the same sense of ceremony as Cen Shaoqing.”

“At this moment, ye Zhuo even felt like he was dreaming.”

It was very unreal.

When did the steel-like straight man become enlightened?

“As he finished speaking, Cen Shaoqing opened his thin lips and said slowly, “From now on, I’m yours. Everything I own belongs to you. If you want me to go east, I’ll Never Go West. If you want me to wash clothes, I’ll never cook.” ”

“Cen Shaoqing paused and continued, “With your surname and my name, Miss Ye, allow me to be your subordinate.” ”

His tone was low and his pleasant voice was charming.

“Especially when he deliberately lowered his voice, it was simply irresistible.”

Like now.

“Although he was 20 centimeters taller than ye Zhuo, he was a lot shorter than her when he knelt on one knee. He looked up at her with a serious expression, and her figure was reflected in his dark pupils.”

It was as if she was the only one left in the world.

“Ye Zhuo also lowered his eyes at this moment. His gaze overlapped with his. After that, she appeared in his eyes, and she appeared in her eyes as well.”

She was loyal and unswerving.

“After a moment, she placed her hand in front of Cen Shaoqing and opened her red lips slightly. “Okay.””

Just the simple word ‘okay’ stirred up a storm in Cen Shaoqing’s heart.

“Although he already knew the answer, Cen Shaoqing still couldn’t control his excitement the moment ye Zao stretched out his hand. ”

He was very excited.

This feeling was indescribable.

His heart was about to jump out.

Thump thump thump.

Again and again.

“Like Ye Zao, he also had the illusion that he was dreaming. ”

Thus.

“Cen Wu Ye, who had always been high and mighty, had a feeling of panic for the first time. ”

He didn’t even know what to do.

He was stunned.

His mind went blank.

""What are you standing there for?"Ye Zhuo raised his eyebrows slightly. "If you don't say anything, I'm going to go back on my words." "

Cen Shaoqing finally reacted and immediately grabbed ye Zhuo's hand.

"Next, should he put a ring on her finger. "

"Do... do I have to put it on?"Cen Shaoqing had already forgotten about the planned procedure.

"Chapter 2509: 530: if the proposal is successful, all the big shots will send their blessings! 2"

"What do you think?"Ye Zao raised his eyebrows and asked back.

Cen Shaoqing's hands trembled as he put the ring on her finger.

He had secretly measured the size of her ring finger.

"Therefore, the ring was just right for her. "

Ye Zao stared at the ring on her ring finger.

"The design was quite nice, very much in line with her aesthetic standards. "

It was just that the diamond was a little too big. It was a little too exaggerated to wear out.

It was not suitable for daily life.

“Moreover, it was inconvenient to do anything with such a big diamond ring.”

“Do you like it?” Cen Shaoqing asked.

“I like it.” Ye Zao nodded slightly. “It’s just that the diamond seems to be a little too big.”

CEN Shaoqing said, “The bigger the diamond, the more valuable it is. The bigger it is, the more it can represent my love for you.”

Bang Bang Bang —

“With these words, countless fireworks rose around the small island.”

“With the sound of an explosion, countless colorful smoke sprayed into the air!”

“Although the light during the day had dimmed the color of the fireworks, CEN Shaoqing had modified the fireworks to dilute the color of the fireworks and deepen the color of the smoke. There were all kinds of colors in the smoke, and it was especially spectacular when combined together, it was majestic and very beautiful!”

“Finally, the colorful smoke slowly converged in the air with the direction of the wind and finally formed a line of words: ”

“Ye Zhuo, I love you for Your Whole Life!”

“Before the smoke dispersed, another round of explosions sounded in the air.”

Ye Zhuo turned around and saw that it was the fireworks behind him.

The fireworks finally formed a line of words:

“Ye Zao, I love you so much! ”

Bang Bang Bang —

Another round of explosions.

“This time, the words were: ”

Three lives lucky to meet you.

Bang Bang Bang —

“This time, the words were: ”

“For the rest of my life, it will be you. ”

“Ye Zao stood in the Sea of roses with a smile on his face. He looked up at CEN Shaoqing and said, “Mr. Cen, I love you too.” ”

“After saying that, she tiptoed and gave him a light kiss on the corner of his lips. ”

“After skimming the surface of the water, she was just about to leave. ”

A pair of large hands pressed down on her waist.

The light kiss deepened.

They attacked the city and seized the lake.

“They went back and forth, not budging an inch. ”

“In the end, it was not just who had fallen to whom. ”

“Right at this moment, Bang Bang Bang — ”

The five-colored ribbons landed on the top of their heads and shoulders...

“Surprise!”

“”Congratulations, Great Burning!” ”

“”Congratulations, Miss Ye and Master Wu!” ”

“I wish all of you a long and lasting life!”

“We’ll grow old together!”

“Have a son soon!”

“ ... ”

The sudden sound of blessings made ye burning open his eyes.

“The moment he opened his eyes, he saw the crowd surrounding them. ”

“There was an Lizi, Li Yueyue, Zhao Pingting...”

“There was also Lin Ze, Bai Jingshu...”

“There was also Yu Zifei, Tang Mi, Xu Gong...”

There were many familiar smiling faces.

“Ye Zhuo was stunned for a moment and asked in surprise, “Why are all of you here?””

“Zhao pingting smiled and said, “Master Five asked us a month ago if we had time!””

That’s right. Cen Shaoqing had planned to propose a long time ago.

He wanted more people to witness this happiness together.

““Yes, yes, yes.”Tang Mi’s eyes were red as she said, “Miss Ye, I’m really touched.””

“When unmarried men and women saw such a scene, their hearts would always be inexplicably touched.”

They even had the urge to immediately find a boyfriend and get married.

“An lizi smiled and said, “Scorching, you must be happy!””

“Okay.”Ye Zhuo nodded slightly.

Everyone was happy.

Only Lin Ze's expression was a little complicated.

"Bai Jingshu lowered her voice and said, "Ah Ze, what's wrong? Are you not feeling well?" "

Lin Ze shook his head. "I'm fine."

"Bai Jingshu continued, "Oh, I got it. After all, burning is our only sister. Are you afraid that burning won't come home when she gets married?" "

Lin Ze was an older brother after all. He was naturally unhappy to see his sister being taken advantage of by a pig.

"Lin Ze looked at ye burning in the crowd, "Did you know? "Actually, I didn't really like any younger siblings in the past. In fact, I was very resistant to them. "It wasn't until I saw Zao Zao for the first time that I felt an inexplicable sense of familiarity. Even though I had never seen Zao Zao before, I felt as if I had known her for a very long time. "At that time, I thought that if Zao Zao was my younger sister, I would definitely give her the best thing in the world!" "

Bai Jingshu nodded. "I understand."

She also liked ye Zao very much and had always treated him as her biological sister.

"After saying that, Bai Jingshu continued, "Ah Ze, don't worry. Even if Luoluo gets married in the future, she will still be our closest and only sister." "

"Okay." Lin Ze nodded.

Cen Shaoqing's proposal this time was neither low-key nor low-key.

"Chapter 2510: 530: the proposal was a success, and all the big shots sent their blessings! 3"

“Although he did not announce the contents of the proposal on the island, the entry of the proposal made it onto the hot searches of all the major websites. ”

# CEN Wuye proposed! #

# Dr. YC’s wedding date will be set! #

# Qing Mu Burning Dessert is free #

“The comments under each entry were more than 100,000 + . ”

[ Ah Ah Ah! received customized desserts from miss ye and Wuye! Zhu 99! [ photo jpg ]

Yes.

“In order to have fun with everyone, cen Shaoqing personally designed a dessert and specially gave it away for free on the day of his proposal. ”

“As long as one was a citizen of China, they could receive it for free with their ID card. ”

[ poster is so lucky to receive it so quickly! I’m still waiting in line bitterly! Number 3256! I don’t know when I’ll be able to get it! ]

“[ I saw that many people posted it on my wechat moments, and I thought it was fake! I didn’t expect the free dessert to be real! Again, is it really free? ] ”

[ it’s really free! The prerequisite is that you have a Chinese ID card! ]

[ I'll go right away! ]

"[ I got it too, the dessert is really super delicious, and the design is very unique. The only flaw is that I only remembered to take a photo after I F \* CKING finished it! F \* ck! ] "

" ... "

"It was rare for everyone to gather on the island. At night, Cen Shaoqing held a grand bonfire banquet on the island. "

"Men and women, wearing their favorite clothes, danced around the bonfire and sang. "

The scene was very lively.

"Although the South China Sea was hot during the day, the temperature at night was not high, so it was not hot at all for everyone to dance around the bonfire. "

The temperature was just right.

Cen Shaoqing also prepared fireworks.

"When the gorgeous fireworks bloomed in the night sky, they even illuminated the blue sea surface. "

The water and sky were the same color.

It was exceptionally spectacular.

"Ye Zhuo held a goblet and sat on the beach, gently shaking the wine in the goblet. "

“As the goblet shook, the red liquid in the goblet also rippled in circles. ”

“The bright night reflected on her eyes and brows, making her look a little cold. After a moment, she turned to look at CEN Shaoqing and said, “How long did you prepare for today?” ”

Cen Shaoqing took a sip of the wine and opened his thin lips. “Not long.”

About three months.

Ye Zhuo leaned his head on his shoulder and looked up at the fireworks in the night sky. “Did you come up with all these things by yourself?”

“Yes.” Cen Shaoqing nodded slightly. “I’ve said that I want to give you a marriage proposal ceremony that you will never forget in your life.”

“Since he wanted to be unforgettable in his life, he naturally couldn’t give it to someone else. ”

“I’ve improved.” Ye Zhuo’s eyes were curved and filled with the color of stars. “I’m very pleased.”

Cen Shaoqing’s thin lips curved slightly. “Why do you want to be my father every day?”

“You don’t want to?” Ye Zhuo asked.

Cen Shaoqing twirled the Buddha beads. “I’ll be fine in one place. You can do whatever you want in the other places.”

“Where?” Ye Zhuo asked curiously.

Cen Shaoqing lowered his voice and said two words in a low voice.

“It was a very, very soft voice. ”

It was so soft that only ye Zhuo could hear it clearly.

“Ye Zhuo’s ears immediately turned red. He said, “Shameless.”Then, he stood up with the Buddha beads in his hands and walked in the direction of the crowd. ”

“Cen Shaoqing looked at her back, his eyes curved. ”

“As soon as ye Zao walked over, an Lizi pulled him over to dance with her. ”

““Da Zao Zao, your husband has really surprised me!” ”

““Yes, yes, yes,”Li Yueyue and Zhao pingting echoed. “Pingting and I never thought that master five would have a romantic relationship.” ”

What was even more interesting was that Cen Shaoqing actually thought of taking ye Zao’s good friends over.

“If it was anyone else, they might not be able to do this. ”

““You really know how to teach people!”Zhao pingting continued, “Great Zao, teach me too!” ”

“Teach me too!”

“Little White appeared out of nowhere, it said very proudly, “Great Zao is of course powerful! Otherwise, how could I be the most handsome, the most intelligent, and the most adorable sweeping robot in the entire universe! After all, I inherited my father’s business!” ”

“Since ye Zhuo was so powerful, as ye Zhuo’s only son, he naturally felt honored! ”

“Ye Zhuo looked at little white and said in surprise, “Doggie, why are you here too!” ”

Little White crossed its arms in front of its chest. “I’ve been here for a long time! It’s just that you’re lost in love and haven’t seen me yet!”

Ye Zhuo chuckled.

“Little White!”

“Oh my God! Master Five is too thoughtful. He actually arranged for Xiao Bai to come here!”

Zhao Pingting and Li Yueyue were Xiao Bai’s hardcore fans. They immediately hugged Xiao Bai and took photos of him.
