“Chapter 251: 096: his strength is trash, exciting! College entrance examination champion! 8”

The college entrance examination champion is his!

Ye Zhuo is a student of their class.

“If he didn’t ask ye Zhuo to change classes back then, what would have happened to Jiang Wenhui Now?
”

Qian Dabao wished he could give himself two slaps.

“However, Jiang Wenhui added fuel to the fire. “Teacher Qian, Congratulations on teaching the second place in the city!” ”

Qian Dabao’s expression turned even uglier.

“In front of the first place in the city, the second place in the city was nothing?”

“If he had not asked ye Zhuo to transfer schools, then the first and second place in the city would have been his. ”

“Jiang Wenhui patted Qian Dabao on the shoulder, “Teacher Qian, I still have to thank you. If it weren’t for you, our class wouldn’t have such an outstanding student like God Ye! There wouldn’t have been a top scorer in the city! Tonight, you must drink more!” ”

Qian Dabao’s expression became even more unsightly.

His forehead was covered in layers of cold sweat.

It was even worse than being dead.

Ye Shu was busy in the restaurant.

“Suddenly, she received a call from an unknown number.”

“Hello, Hello.”

“Hello, are you student ye Zhuo’s mother?”

“I am.”

“The voice on the other end sounded particularly excited. “Hello, I am the person in charge of the admissions office of Qinghua University. My surname is Lu! Congratulations to your daughter student ye Zhuo for obtaining an excellent score of 749 points in this college entrance examination! May I ask if you have...”

The following words.

Ye Shu couldn’t hear clearly.

“After a long while, she finally found her voice. “You, you’re Not a liar, right?”

“Mother ye Zhuo, how can I be a liar! Haven’t you gone to the official website to check student ye Zhuo’s college entrance examination results? Your Daughter is this year’s top scorer in science in your city!”

“I, I’ll go check now!” After saying that, Ye Shu hung up the phone with trembling hands.”

“As soon as the phone was hung up, a new phone rang.”

Ye Shu picked up the phone.

““Yes, I am ye Zhuo’s mother! My surname is Ye.” ”

““Hello, Ms. Ye. I am the person-in-charge of the admissions office of Beijing University. Congratulations to your daughter for entering the golden roll and getting a good score of 749 points!”! “May I ask if you and Ye Zhuo have considered our Beijing University?”? “As long as you are willing to come to our Beijing University, we will arrange for a private car to pick you up and waive all tuition fees!” ”

“After hanging up, Ye Shu immediately went to the bar and opened the computer web page. She entered the scoring system.”

Only when she saw ye Zhuo’s score did she believe that it was real!

“Ye Shu covered her mouth. After a long while, she finally reacted. “Nana! Come over here for a moment!” ”

Bai Nana immediately ran over. “What’s wrong with the Lady Boss?”

“Ye Shu continued, “She got the top scorer in the market!”! “Go tell the customers who are eating now that I’ll give them a free meal to celebrate my daughter getting the top scorer!”! “Also, all the customers who come in later will get a 50% discount!”! “Also, I’ll give each of you an 800 Yuan raise this month!” ”

It was better to be happy alone than to be happy together!

Ye Shu was really too excited!

She couldn’t wait to share this joyous event with everyone.

“Hearing this, Bai nana smiled and said, “Lady Boss, Congratulations! I knew that burning flame would definitely get a good result! I’ll go and inform the others now!” ”

“When the customers who were eating heard about this, they were also very happy. Everyone came over to congratulate ye Shu. Some people even suggested taking a photo with Ye Shu, wanting to share the joy of being the top scorer. ”

Many of them even posted it on their wechat moments.

They could be considered to have gotten a boost from being the top scorer today.

“Ye Sen was the same as ye Shu. At the same time, he also received a call from the various famous schools ‘fighting over’ ye Zao. ”

After hanging up the phone.

He was completely dumbfounded!

“Then, he quickly called his secretary, Xiao Hu. ”

““President Ye, what are your orders?” ”

“Ye Sen tried his best to sound calm as he said, “Order a cup of milk tea for everyone in the company right now. Then tell them to get off work half an hour earlier today. I’ll treat them to hot pot!” ”

“Hearing that, Xiao Hu said in surprise, “What’s wrong, CEO Ye? What happy event happened?” ”

“Ye Sen could no longer control himself, he said excitedly, “My eldest niece! Ye Zao! It’s Zao Zao, you met her last time! She’s the top scholar in the market! The best in the city! 749 points! She’s the first person in so many years to score 749 points naked!” ”

““Congratulations, CEO Ye!” ”

“Ever since he had seen ye Zao’s abilities the last time, Xiao Hu knew that ye Zao was not an ordinary little girl. ”

It was not very surprising that she could get the top scorer in the college entrance examination!

An ordinary person could get a contract with Toaeon?

...

At the same time.

Beijing.

Feng Xianxian got 743 points.

She was third place in Beijing.

“With such good results, Feng Qianhua naturally had to bring Feng Xianxian to the Lin family. ”

“When they arrived, Lin Ze was chatting with Old Lady Lin. ”

“Old Lady Lin was especially happy to see Feng Xianxian. “Xianxian is here today! Xianxian, come over quickly! Grandma hasn’t seen you for a while.” ”

Feng Xianxian immediately walked over to give Old Lady Lin a massage.

“Feng Qianhua gave the nutritious soup to Old Lady Lin. “Aunt Lin, be careful, it’s hot.” ”

“Feng Xianxian said while massaging, “Grandma Lin, the college entrance exam results are out. Back then, you promised me that as long as I do well in the exam, you would give me a surprise. I wonder if you still remember this sentence?” ”

“Hearing this, Old Madam Lin sat up straight from her chair. “The results are out already? Xianxian, how much did you get?” ”

“Feng Qianhua deliberately said with a straight face, “Her! She only got third place in the entire city! Xianxian, with such poor results, you have the nerve to ask your grandma Lin for a surprise?” ”

Feng Xianxian pouted unhappily.

“Old Madam Lin said in surprise, “Isn’t it good that she got third place in the entire city? If Our Ah Ze could get third place in the entire city, I would wake up laughing in my dreams!” ”

What a pity.

Lin Ze did not have such good results.

“Feng Qianhua said, “Aunt Lin, Xianxian, this child, is especially careless with her questions. If she can do well in her exams this time, she might even get second place! Ah Ze’s results have always been pretty good, so he must be doing very well too! “By the way, Ah Ze, how many points did you get?” ”

Lin Ze’s tone was indifferent. “I haven’t checked yet.”

Didn’t check?

Perhaps his score was too low and he was too ashamed to say it out loud?

“Feng Qianhua’s eyes flashed with sarcasm, she continued, “Ah Ze, it’s alright if you don’t perform well. The key university is a university, so doesn’t that mean that a normal university isn’t a university? Actually, it’s all the same! You Don’t have to bear any psychological burden!” ”

Old Madam Lin Sighed.

She felt a little embarrassed.

“After all, Feng Xianxian was ranked third in the city. ”

“And her favorite grandson, however... ”

“Feng Xianxian seemed to have suddenly thought of something and said with a smile, “Brother Ah Ze, there are so many repeaters now. You can choose to repeat! When the time comes, I’ll help you review! I guarantee that you’ll be ranked second in the country next year!” ”

Feng Qianhua’s eyes were filled with pride.

It was her daughter who gave her face.

“Old Mrs. Lin’s eyes lit up and she looked up at Lin ze, “AH ZE, Grandma feels that Xianxian’s words are very reasonable! Why Don’t you repeat for a year! Let Xianxian personally tutor you.” ”

Lin Ze did not say anything.

“Seeing Lin ze like this, old Mrs. Lin frowned slightly and was about to say something. ”

“At this moment, the Butler suddenly ran in and said breathlessly, “Old Lady! Old Lady!” ”

“What’s the matter? Why are you in such a hurry?”

“The butler continued, “There are people from the television station outside. They say that they want to interview the young master! Are you letting them in?” ”

Old Mrs. Lin frowned. “Why are the television station people interviewing Ah Ze?”

For no reason...

Could it be that Lin Ze had done something bad?

“The butler continued, “Don’t you know? The young master is the top scorer in Beijing’s liberal arts college entrance examination this year!” ”

“Hearing this, the bowl in Madam Lin’s hand fell to the ground. “What, what did you say?” ”

Chapter 252: 097: Today was also a day of being crushed by the big boss

Top Scholar in the liberal arts?

Lin Ze actually got the top scholar in the liberal arts!

It wasn’t just Old Lady Lin who was stunned.

“Even Feng Qianhua and Feng Xianxian, who were at the side, were stunned. Their faces became extremely pale. ”

How did Lin Ze get the top scholar in the liberal arts?

Wasn't his results average?

What the hell was going on?

"Just a moment ago, Feng Qianhua was still feeling smug because Feng Xianxian got the third place in the city, but in the blink of an eye, Lin Ze got the top scorer in the liberal arts!"

"Compared to the top scorer in the liberal arts, what was the third place in the city?"

It took Mrs. Lin a long time to react. She grabbed the housekeeper's hand. "Did you hear it right? Did Ah Ze really get the top scorer in the liberal arts?"

"The housekeeper nodded excitedly. "Yes! It's true! Old Lady, the young master really got the top scorer in the liberal arts! The total score is 749 points!" "

"Good! That's great! Ah Ze has brought glory to our Lin Family!" Mrs. Lin was so excited that her eyes were red. "Quick! Quickly invite everyone from the television station in!"

Mrs. Lin originally did not like the media.

"The Lin family was a prominent family in Beijing. In the eyes of outsiders, they were a mysterious and flamboyant existence. There were many variety shows that wanted to interview Mrs. Lin, but she had rejected them all!"

"But now, it was different."

"This time, Lin Ze was the top scorer!"

Four or nine cities were neither big nor small. The fact that Lin Ze was able to stand out from so many people was enough to prove Lin Ze's strength.

“Moreover, among Old Lady Lin’s many grandchildren, not to mention her grandson, even her great-grandson was not able to get the top scorer.”

Lin Ze was worthy of being the grandson that she had personally raised.

He was truly amazing.

“This time, Mrs. Lin was also honored that Lin Ze had passed the exam.”

The housekeeper quickly ran outside to invite the reporters in.

“Mrs. Lin then instructed the other servants, “Quickly prepare some fruits and snacks! Also, prepare some red packets. I don’t know how many people there are, but remember to prepare more red packets! Oh right, also, when you guys get off work later, everyone go to the housekeeper to get a red packet!” ”

““Thank you, Old Lady.” ”

“The servants were busy, and the Lin family was in a state of joy.”

“Old Lady Lin turned to look at Lin Ze, her face full of affection. “Ah Ze! You’ve really brought glory to our Lin family this time!” ”

“Feng Qianhua immediately reacted and said with a smile, “Congratulations, Ah Ze! This is the top scholar in the arts! Usually, I’ve only seen other people’s children on television, but this time, I’ve finally seen my own child on television!” ”

“Lin Ze looked at Feng Qianhua and his tone was cold, “Auntie Feng, you really don’t see me as an outsider. What does my appearance on television have to do with your child? If you want your child to appear on television, you can ask Feng Xianxian to repeat her studies for a year. I can tutor her.” ”

Lin Ze returned the words that Feng Qianhua and her daughter had just said to him to her.

Feng Qianhua choked and her expression was a little awkward.

“Under normal circumstances, old Mrs. Lin would have reprimanded Lin Ze.”

“But now, this damn old woman did not say a word, as if she did not hear anything!”

Damn Old Woman!

She was so good to her!

But she treated her like this.

“At this moment, Feng Qianhua could only bite her teeth and swallow her blood. She smiled and said, “Xianxian doesn’t have the talent to be the top scorer. Even if she repeats her studies, I’m afraid she won’t be as good as Ah Ze. How can you be so good that you can take high school in one fell swoop!” ”

“Old Madam Lin smiled and continued, “Xianxian is also very good! A girl actually got third place in the entire city! which family’s daughter in our circle can be as good as Xianxian?” ”

Feng Qianhua gave a fake smile.

That was just very good.

“At this moment, in Old Madam Lin’s eyes, no matter how good Feng Xianxian’s performance was, she probably couldn’t compare to Lin Ze who was the top scorer.”

“Thinking of this, Feng Qianhua’s eyes darkened.”

She originally came here today to see Lin Ze make a fool of himself.

She didn't expect that!

She had failed to steal the chicken.

"Instead, she made a wedding dress for Lin Ze. "

What was going on?

Feng Qianhua was very regretful!

The reporters were about to arrive.

"Old Lady Lin tilted her head to look at Feng Qianhua and asked nervously, "Qianhua, look at my messy hair. Should I go and change my clothes? Can I just appear on camera like this?" "

"Feng Qianhua smiled as if nothing had happened and said gently, "Aunt Lin, you're very good like this. Your Hair is not messy and your clothes are very suitable for you! If you appear on TV like this, you'll be the most beautiful grandmother in China!" "

"Hearing that, Madam Lin heaved a sigh of relief and smiled so much that she could not close her mouth. She tidied her hair and said, "Qianhua, you're the only one who knows how to make me happy." "

Chapter 253: 097: Today was also a day of being crushed by the big boss

Not to mention other things.

Feng Qianhua's mouth could not be compared to anyone else's.

She was old and could not listen to anything.

Other than beautiful words.

"At this moment, the Butler brought the reporter to the main hall, and Old Lady Lin hurriedly went out to welcome him."

"The butler introduced, "Reporter comrade, this is our young master's grandmother, and this is our young master, Lin Ze!" "

"The reporter quickly passed the microphone over. "Hello, are you the Grand Scholar's grandmother?" "

Old Lady Lin was shocked by the words 'Grand Scholar's grandmother'. She immediately laughed so hard that her eyes could not be seen.

"She had been addressed many times in her life. Before she got married, everyone called her Miss Zheng, director Zheng, after she got married, everyone called her Mrs. Lin, the matriarch of the Lin family, and now, Old Lady Lin..."

This was the first time she had been addressed as Grandma Champion.

"In an instant, she felt her face brighten up."

She had a lot of face!

"As the saying goes, all things are inferior, but only those who are highly educated."

Old Lady Lin felt that this should be the most glorious moment in her life.

"I am." Old Lady Lin nodded. "I am Lin Ze's grandmother."

"The reporter continued, "Hello, Grandma Champion. May I ask how you usually educate Lin Ze? Can you share your experience in educating children with the parents in front of the television?" "

"Old Madam Lin said proudly, "Our ah ze, this child, has been smart since he was young. When he was only three years old, he already knew how to recite the three-character classic and the rules of his disciples. Actually, I didn't really care about him. The main thing is that this child has done his best! He loves to learn! It's said that a filial son is born from a stick. Actually, this saying is wrong. You Can't be violent with a child!" "

She was really very proud.

Old Mrs. Lin still had a few close old sisters. Their grandson was also taking the college entrance exam this year.

"When the program was broadcast, they would definitely die of envy. "

"Feng Xianxian stood by the side and watched, feeling extremely uncomfortable. "

"Just a moment ago, she was still the center of attention. "

"But in the next second, she became an ugly duckling. "

She became a foil to Lin Ze.

"Feng Xianxian looked up at Lin Ze, her eyes filled with anger! "

Lin Ze!

It was all Lin Ze!

“If it wasn’t for Lin Ze, she would be the one being praised by Old Mrs. Lin, and she would be the one being interviewed by the reporters!”

“With Lin Ze’s status, how could he surpass her to become the number one in the city?”

“Lin Ze’s mother was a low-class person, and he was also a low-class person!”

His grades were bad.

He was absent during class.

He did not attend any training classes.

The homework assigned by the teacher had never been completed on time.

She was so hardworking!

“A few nights before the college entrance examination, she had never had a good night’s sleep, but she actually did not do as well as Lin Ze!”

It was unfair!

This was simply unfair!

“Feng Xianxian was so angry that her entire body was trembling, but she still tried hard to suppress her emotions.”

“After the interview with the reporter, Old Mrs. Lin asked everyone to eat, and then asked the maid to give the reporter a red packet prepared in advance. She was extremely happy.”

“The reporter, the cameraman, and the other staff members were also very happy.”

This was the first time in their lives that they had received a red packet from the news.

They were originally worried that a big family like the Lin family would refuse their interview.

“They didn’t expect that not only did they not refuse, but they were even so enthusiastic.”

“Old Lady Lin smiled and said, “You guys don’t have to be so polite. These fruits were just flown over from Poland this morning. Normally, you can’t eat them outside.” ”

“On the other hand, the main character, Lin Ze, had always been indifferent.”

He was neither proud of being the top scorer in the college entrance examination nor proud of being on television.

If it was possible.

He would rather exchange the title of top scorer for his mother’s return.

Unfortunately.

No.

Lin Ze looked out the window and into the distance.

“The reporter continued, “Grandma Top Scorer, my son will be taking the college entrance exam next year. May I take a picture with you to share your happiness?” ”

“Normally, old Mrs. Lin would not want to take a picture with a stranger. ”

But today was different.

“Today, she was not the old lady of the Lin family. ”

She was the grandmother of the top scorer!

Her grandson was the top scorer of the college entrance examination in Beijing!

“If these people wanted to bask in the glory of the top scorer, of course, she would be willing. ”

“Okay! No problem.”Old Lady Lin nodded without hesitation.

“The reporter took a photo with Old Lady Lin as he wished. Then, he took out a brand-new notebook.
“Student Lin Ze, can I trouble you to write a sentence of encouragement for my son?” ”

Lin Ze nodded and took the notebook. He wrote a paragraph on it:

“The blade of a sword is sharpened, and the fragrance of plum blossoms comes from the bitter cold. ”

Chapter 254: 097: Today was also a day of being crushed by the big boss

Lin Ze’s handwriting had been practiced.

“It was well-balanced, and the strokes were horizontal. ”

It was very good-looking.

The reporter took the notebook with both hands and couldn't help but take another look at Lin Ze.

Lin Ze was indeed worthy of being the top scholar in the liberal arts.

Just this stroke.

“Even someone like her, who was from the Chinese department, couldn't compare to it. ”

““Thank you, Lin Ze. My son usually studies very hard too. If he knew that this sentence was written for him by this year's top scholar in the liberal arts, he would definitely be very happy!” ”

“You're welcome. I wish your son the best in the college entrance examination next year.”

The reporter continued to thank him.

“After the interview, the reporter left the Lin family home. ”

Old Mrs. Lin took out her phone and wanted to inform every relative in the family about Lin Ze being the top scholar in the liberal arts.

““Grandma, I'm going upstairs to rest.” ”

“Old Mrs. Lin said lovingly, “Go on, go on. When we eat later, I'll ask Xiao Zhao to bring the food to your room.” ”

Lin Ze nodded.

“Feng Qianhua said, “Aunt Lin, I Won’t Disturb You Then. I’ll take Xianxian back first.” ”

“Old Mrs. Lin continued, “Wait a minute, Xianxian. Grandma promised you that as long as you do well in the exam, she will give you a surprise. What do you want? Grandma will get someone to buy it for you.” ”

“Feng Xianxian tried her best to smile. “Thank you, Grandma. There’s no need. I was just joking with you just now.”Feng Xianxian originally wanted to show off her high score in front of Lin Ze, who knew that Lin Ze would get the top scorer in the liberal arts? ”

What was the difference between this and humiliating himself?

Feng Xianxian did not have the face to ask for anything now!

“”How can it be considered a joke! Since Grandma promised you, she will definitely do it!”Old Mrs. Lin said seriously, “Tell me, what do you want?” ”

“Feng Qianhua smiled and said, “Aunt Lin, you don’t have to be so polite. This child doesn’t lack anything. She just wants to make you happy!” ”

“Old Madam Lin said, “Ah Ze got the top scorer in the liberal arts and Xianxian also got the third place in the city. If she’s happy today, I’ll buy whatever Xianxian wants for her.” ”

Feng Qianhua’s expression turned ugly for a moment.

So.

Feng Xianxian was only basking in Lin Ze’s glory?

What was this!

No Way!

She had to think of a way to give birth to a child for Lin Jincheng.

The child she gave birth to.

Would definitely be a thousand times better than that B * Tch ye Shu!

Ten Thousand Times!

“Aunt Lin, there’s really no need!” Feng Qianhua said with a smile, “Ah Ze was the top scholar in the liberal arts. He should be the one you should reward the most!” ”

These words finally hit the bottom of old Mrs. Lin’s heart.

“Yes, yes, yes! I was just thinking about what surprise I should prepare for Ah Ze! This child doesn’t lack anything, and I don’t know what he wants...” at the end of her sentence, Old Mrs. Lin’s voice was filled with worry. ”

“Hearing this, Feng Qianhua’s expression changed again. She knew that this old hag had no intention of preparing a gift for Feng Xianxian. ”

For a moment.

Feng Qianhua even questioned her many years of persistence.

Was her persistence really meaningful?

She was so good to Old Mrs. Lin.

“In the end, what did she get?”

This old hag kept saying that she treated her as her daughter-in-law.

But did she really keep her words to herself?

“In Old Lady Lin’s heart, there was only Lin Ze, her biological grandson.”

Those who were close to each other were always close to each other.

“Thinking of this, Feng Qianhua’s eyes flashed with a hint of sarcasm. “Aunt Lin, we’ll go back first.” ”

“Old Lady Lin smiled and said, “I’ll get the driver to send you back.” ”

““No need to trouble you, Aunt Lin. I drove here.” ”

“Old Mrs. Lin instructed, “Then drive slowly.” ”

“I know.”

Old Mrs. Lin sent Feng Qianhua to the door.

Feng Qianhua and Feng Xianxian got into the car.

It was very quiet in the car.

Feng Qianhua had lost so much face today that Feng Xianxian did not even dare to make a sound.

She was afraid of adding fuel to the fire.

“All the way back to the Feng family, Feng Qianhua did not say a word. ”

“If she didn’t die in silence, she would explode in silence. ”

Feng Xianxian was very scared.

“When she got home, Feng Xianxian took the initiative to pour Feng Qianhua a glass of water. “Mom, have some water.” ”

“PA—”

Feng Qianhua directly waved away the glass that Feng Xianxian handed over.

The boiling hot tea was poured all over Feng Xianxian’s hands.

Her fair skin was burning red.

“”Mom, I’m sorry! I was wrong!”Feng Xianxian was so scared that she directly knelt on the ground. ”

“Feng Qianhua didn’t say anything, but her eyes were full of anger. ”

Feng Xianxian was her proudest daughter.

“Since she was three years old, she had sent Feng Xianxian to all kinds of training classes, so that she could cultivate Feng Xianxian into a talented girl that everyone knew. ”

Chapter 255: 097: Today was also a day of being crushed by the big boss

I didn't expect it!

I didn't expect Feng Xianxian to disappoint me so much.

"I spent a lot of money to nurture Feng Xianxian, but Feng Xianxian is not even as good as a bastard born from a B * Tch. "

Even Lin Ze could become the top scorer.

Feng Xianxian got third place!

What a shame!

""Do you know what your mistake was?" After a long while, Feng Qianhua lowered her head and looked at Feng Xianxian. "

""My mistake is that I didn't study hard! I shouldn't have lost to Lin Ze..." she could lose to anyone, but she couldn't lose to Lin Ze. "

Her mother had set the standard for her since she was young.

Better Than Lin Ze.

Better Than Lin Ze.

"And she herself was also more outstanding, no matter what she learned faster. "

She had won an award at level nine piano.

She had won an award at level ten go.

She had even participated in a calligraphy competition and won second place.

He had also won an award in oil painting.

“It was not an exaggeration to say that he was proficient in all aspects of music, chess, calligraphy, and painting.”

“Most importantly, Feng Xianxian’s academic results were very good.”

She was always first in her grade.

“Otherwise, she would not have been able to get third place in the entire city.”

“When Feng Qianhua learned that Feng Xianxian was third in the entire city, she was also very happy. After all, there were more than 60,000 college entrance examinees in Beijing this year.”

It was already very difficult for Feng Xianxian to get into third place!

“But now, Lin Ze actually got first place.”

“In front of first place, what was third place?”

Third place could only be used as a foil to the icing on the cake!

The daughter she gave birth to was supposed to be the most outstanding!

“But now, why couldn’t she even compare to the son of a B * Tch. ”

1

Feng Qianhua lost to Ye Shu back then.

She would never allow her daughter to lose to Ye Shu’s child.

“Why! Why Can’t You Fight for me!”Feng Qianhua shook Feng Qianqian’s shoulders hard.

“”Mom, I’m sorry...”Feng Qianqian cried, “I tried my best! I really tried!” ”

“Shut up!”

“Feng Qianhua interrupted Feng Qianqian, “You didn’t try your best! If you tried, how could you not even be comparable to that bastard Lin Ze! How could my daughter, Feng Qianhua, not even be comparable to a little bastard!” ”

Feng Xianxian was so scared that she didn’t dare to say a word.

She didn’t even dare to cry.

She couldn’t make her mother angry anymore.

The atmosphere was tense and oppressive.

“After a long while, Feng Qianhua bent her knees and knelt on the ground, she hugged Feng Xianxian and said, “Xianxian, I’m sorry! Mom didn’t mean to be fierce to you! Mom Can’t lose to that B * Tch ye

Shu! And you can't lose to Lin Ze! Remember, you must always be better than him. No matter what, you can't lose to him!" "

"Feng Qianqian nodded. "Don't worry, Mom. I'll please Grandma Lin in the future. Feng Qianqian will become Lin Qianqian one day!" "

"Hearing this, a smile finally appeared on Feng Qianhua's lips. "

"Yes! This is my good daughter!" Feng Qianhua seemed to see hope, she continued, "There are no girls in the Lin family. Once mom marries you, you'll be the only granddaughter in the Lin family. When mom gives you a younger brother, then Lin Ze will have nothing to do with it!" "

"Feng Qianxian raised her head and looked at the table lamp on the table, "Mom!"! "So a college entrance exam scholar is nothing. Although I didn't get into the college entrance exam, no daughter in the circle can compare to me. Even if I didn't get into the college entrance exam scholar, I can still marry Cen Wuye!"! "One day, when you become Cen Wuye's mother-in-law, at that time, they will all have to do as you say!" "

"After saying that, Feng Qianhua continued, "Mom, don't worry. I will help you make the health-preserving soup in the future and send it to Grandma Lin on time every day. I believe that one day, Grandma Lin will see the heart of our city!" "

"Hearing the words 'health-preserving soup', Feng Qianhua's gaze became more determined and she narrowed her eyes. "

"With the health-preserving soup, Old Lady Lin could not live without her. "

"When Feng Xianxian married Cen Shaoqing in the future,."

She would become the matriarch of the Lin family.

"Then, the capital would be her world! "

“When she thought of this, Feng Qianhua narrowed her eyes.”

...

Lin Jincheng’s situation had not been very good recently.

He had been recuperating in the sanatorium these few days.

“After learning that Lin Ze had passed the examination for the top scorer in the liberal arts, Lin Jincheng immediately pulled out the needle in his hand and returned to the Lin family despite the doctor’s objections.”

“Mom!”

“Hearing Lin Jincheng’s voice, Old Madam Lin was overjoyed and immediately went out to greet him.
“Jincheng is back!” ”

Lin Jincheng walked over quickly. “Where’s Ah Ze?”

“He’s resting upstairs.”

Lin Jincheng wanted to go upstairs to take a look.

Old Madam Lin held his hand. “Ah Ze was too tired from preparing for the college entrance exam. Don’t go up and disturb him.”

Chapter 256: 097: Today was also a day of being crushed by the big boss

Lin Ze was the top scorer!

“He stood out from the 60,000 people.”

One could imagine how hard Lin Ze worked.

Lin Jincheng nodded.

“Old Lady Lin continued, “Why did you come out of the sanatorium? Your body has recovered? There are no problems?” ”

““There are no big problems,” Lin Jincheng replied. ”

““Ah Ze got the top scorer this time. I plan to let the eldest, second, third, and fourth come back to celebrate Ah Ze. After so many years, our Lin family has finally produced a top scorer!” ”

Lin Jincheng nodded slightly. “I’ll make the arrangements.”

“Old Lady Lin shook her head. “You’re not well, and you’re usually busy with company matters. I’ll make the arrangements for such a small matter.” ”

“That’s fine too.” Lin Jincheng didn’t have much expression on his face.

“Although he and old Madam Lin were mother and son, the relationship between them was no longer what it was back then. Facing Old Madam Lin, he didn’t have anything else to say. He stood up and said, “I’ll go back to my room first.” ”

““Okay, I’ll get doctor Su to come over later. You rest well.” ”

“Old Madam Lin looked at Lin Jincheng’s back, and she couldn’t tell what expression was on her face.”

She knew.

Lin Jincheng still hated her.

Nineteen years had passed.

“Ever since that incident, he had never said a single word to her.”

“But what happened between him and Ye Shu, could she be blamed?”

“If she had not stopped that incident in time,.”

Lin Jincheng would have married ye Shu long ago.

Then this cuckold would be very strict.

Raising a child for someone else.

The paper can't cover up the fire.

“When that time comes, won't everyone in the capital laugh at the Lin Family?”

Sigh!

Old Mrs. Lin Sighed.

“In the end, it was all that bitch ye Shu's fault.”

“If she hadn’t interfered and seduced Lin Jincheng, the Lin family wouldn’t be like this.”

Lin Jincheng didn’t have a wife.

Lin Ze didn’t have a mother.

“If Lin Ze’s mother was Feng Qianhua, then he would definitely be more outstanding than now.”

Thinking of Ye Shu.

Old Lady Lin’s eyes were full of hatred.

She wished ye Shu could die right away!

Lin Jincheng came to the bedroom upstairs.

His bedroom was very clean.

“Although he hadn’t lived in it for a long time, the maids would come up every month to change the bedsheets and bedding, so it didn’t look like nobody lived in it.”

Lin Jincheng lay on the bed.

He stared blankly at the ceiling.

Suddenly.

He saw a woman’s face smiling at him.

Who was this person?

“Looking at Lin Jincheng, his eyes suddenly turned red, and a name came out of his mouth. “Ah Shu...” ”

Ah Shu?

Who Was Ah Shu?

“Lin Jincheng suddenly felt as if he had forgotten something, so he quickly grabbed his phone and made a call. “Secretary Zhang, who is Ah Shu?” ”

“Secretary Zhang’s voice came from the other end of the phone, “President Lin, have you forgotten about those things again?”? “Madam’s full name is Ye Shu. There is a secret compartment in the safe in your room. There is a photo in the secret compartment. The person in the photo is madam. There is also a letter that you personally wrote to Madam.” ”

After hanging up the phone.

“Lin Jincheng quickly went to open the safe. According to Secretary Zhang, he found a photo and a letter in the safe.”

The door to his memories slowly opened.

Lin Jincheng was immersed in his memories.

Lin Ze lived in the room next door.

“Lin Ze was sitting in front of his computer, his fingers constantly tapping on the keyboard.”

The air was filled with crackling sounds.

“After he finished, he saved the document.”

“In the document sending list, there was a person named [director Wang] . ”

“After sending the document, Lin Ze found Ye Sen in his friends list and found that the department was for Ye Sen: [Uncle Ye, my college entrance exam results are out.] ”

Ye Sen was probably busy and did not reply immediately.

“Lin Ze then sent a message: [Uncle Ye, how are you doing in Yunjing?] ”

“[oh right, I got into the top scholar in the liberal arts in Beijing.] ”

[do you think my mother would be very happy if she knew this news?]

The first person Lin Ze wanted to share with was his mother after getting into the top scholar in the liberal arts.

It was a pity.

He didn't even know who his mother was.

Lin Ze looked at his phone screen and a helpless smile appeared on his face.

“At the other end of the screen, Ye Sen was busy treating his employees to hotpot. ”

There were more than 500 people in the headquarters.

He had to call the Hotpot restaurant in advance and get ready.

“After settling the company’s matters, Ye Sen turned on his phone and was ready to share the good news with Bai Wei.”

Only then did he see the message from Lin Ze.

He opened the message.

Yesen sighed.

This was also a poor child.

“Although he was born rich, he didn’t have a mother since he was young.”

Chapter 257: 097: Today was also a day of being crushed by the big boss

“[ah ze, I believe that after your mother finds out about this, she will definitely be very happy! Back then, she must have had her own reasons for abandoning you. No matter what, Don’t give up on looking for your mother. I believe that one day, the two of you will meet again.]”

“[oh right, my eldest niece’s results are out! She got the top scorer in science in our Yunjing City!]”

“Lin Ze replied very quickly, [congratulations, Uncle Ye! We can meet in Beijing then.]”

[see you in Beijing!]

[red packet]

“Seeing the red packet sent by Ye Sen, Lin Ze was stunned. ”

“Ye Sen sent him a message, [a small red packet. To celebrate you getting the top scorer in arts, my niece got the top scorer in science.] ”

Lin Ze clicked on the red packet and accepted it.

66.6.

It was a very meaningful number.

“[thank you, Uncle Ye. Next time you come to Beijing, I will treat you to a meal.] ”

[Okay.]

Ye Sen then reported the good news to Bai Wei.

...

Ye Zao came to the restaurant to help.

“As soon as he stepped into the restaurant, he received a congratulatory message from the restaurant staff. “Zao Zao, Congratulations!” ”

““Zao Zao, you are really amazing! You actually got the top scorer in science in our city! What is wrong with your brain?” ”

Ye Zhuo looked at the crowd in confusion. What were they saying?

Why did she not understand?

Top Scorer?

She got the top scorer in the science department?

Wasn't her score not out yet?

"When the diners who were eating heard this, they raised their heads curiously. "So this is our Yun Jing's little top scorer!" "

They wouldn't know if they didn't look.

"When they saw it, they were shocked. "

This little top scorer was really beautiful.

"One by one, the news spread. Soon, all the customers in the restaurant turned to look at Ye Zao. "

Their eyes were filled with astonishment.

"In the past, the best scholar in Our Yun Jing City was from the other counties below. I didn't expect that this year, there would be a little scholar in this city. You've brought glory to our city!" "

"Calculating, it had been four to five years since there had been a best scholar in Yun Jing City. "

"This time, he could be considered to have held his head high. "

"Ye Zhuo was a little confused. After saying thank you, he went upstairs to the rest area and turned on his computer, preparing to check his score. "

1

“Just as he turned on his computer, his phone rang. ”

“It was his form teacher, Jiang Wenhui. ”

“Is that student ye Zhuo?”

1

““It’s me, teacher Jiang.” ”

““Student Ye Zhuo, have you checked your score?”Without waiting for Ye Zhuo to answer, jiang Wenhui continued, “You’ve scored 749 points! The top scorer of science in our Yunjing City! A lot of schools have just called me to ask about your first choice! And the Massachusetts Institute of Technology Overseas...” ”

1

Jiang Wenhui was really too excited.

Very excited.

“After being a teacher for so many years, this was the first time he had encountered such a situation. ”

Many famous schools were vying for his students!

“And he, too, would be named an excellent teacher. ”

A promotion and a raise!

So she had really gotten into the top scorer in science...

“Ye Zhuo’s expression remained the same. “Thank you, teacher Jiang. I Won’t consider foreign universities. I want to go to Beijing University.” ”

“Beijing University? Are you sure?”Jiang Wenhui asked.

““Yes, I’m very sure.” ”

“Jiang Wenhui nodded. “Alright, I understand! Student Ye Zhuo, Congratulations! Thank you too!” ”

“Ye Zao smiled and said, “Teacher Jiang, I should be the one thanking you.” ”

“After hanging up the phone, ye Shu walked up from downstairs. ”

“Ye Shu hugged ye Zao excitedly. “Zao Zao, you’re really awesome!” ”

The top scorer in science!

“Before this, Ye Shu didn’t even dare to think about it. ”

““Of course!”Ye Zao said proudly, “If your daughter isn’t awesome, then who is?” ”

“At this moment, Bai Nana ran up while panting. “Lady Boss, a television station is looking for me downstairs. They want to interview Zao Zao!” ”

Television station? !

“Ye Shu said in surprise, “Really?” ”

“Yes!” Bai nana nodded.

“Ye Shu hurriedly said, “Then let’s hurry down.” ”

Ye Zao originally didn’t have much interest in interviews.

“But seeing that ye Shu was so excited, he didn’t refuse and followed her downstairs. ”

They only found out after they went downstairs.

It wasn’t just the reporters.

The district head and the person-in-charge of the community had all come.

There hadn’t been a top scorer in Yunjing City for many years.

They had suddenly become the top scorer in science.

Everyone was too excited. They shook hands with ye Zao one by one and gave him the prize money.

The camera at the side recorded the entire process.

“It wasn’t Ye Zao’s first time on camera, so she wasn’t nervous. On the other hand, ye Shu seemed to be a little nervous. Ye Zao held her hand tightly. ”

Ye Shu raised her head and looked at ye Zao.

“From this angle, she could just see the confident smile on ye Zao’s face.”

“Suddenly, Ye Shu was not nervous anymore. She smiled at the camera and answered the reporters’ questions one by one.”

Chapter 258: 097: Today was also a day of being crushed by big shots

“After the interview ended, ye Shu asked, “Comrade, when can I see it on TV?” ”

“It was her first time on TV in her life, so ye Shu couldn’t help but feel a little excited.”

“The reporter said, “About a week from now, we will be able to see the news every day at 6 pm on our Yunjing television station. Then, there will be a rebroadcast at 12 pm and 3 pm during the day.” ”

““Alright, thank you.” ”

“The Ye family’s private restaurant business had always been very popular. Ever since they found out that the top scorer of the science department in Yunjing City was the daughter of the Ye family’s private restaurant owner, many people had come because of the fame and wanted to bask in the joy of the top scorer’s restaurant.”

“The power of the internet was too great. In less than a day, the Ye family’s private restaurant had become popular in Yunjing.”

“After ye Zhuo was done with the interview, he gave Old Mrs. Cen a call.”

“After Old Mrs. Cen received the call from ye Zhuo, she was extremely excited.”

She quickly went upstairs to look for Zhou Xiang. "Xiang Xiang! It's a joyous occasion!"

"What's the matter, Mom?" Zhou Xiang was applying a facial mask. When she heard that, she turned around to look at Old Mrs. Cen. "

"Old Mrs. Cen smiled and said, "She won! Xiang Xiang! My Granddaughter-in-law won!" "

"Won what?" Zhou Xiang was confused.

Old Mrs. Cen grabbed Zhou Xiang's hand. "My granddaughter-in-law is the top scorer in high school! 749 points! The top scorer in Yunjing City!"

"Really?"

"Old Mrs. Cen said with a proud face, "My granddaughter-in-law is so powerful, of course it's true!" "

"Zhou Xiang couldn't even put on a face mask anymore and directly pulled it off. "Zhuozhuo said that she wants to enter Beijing University. If that's the case, then we can go back to Beijing together with Zhuozhuo!" "

Yun Jing and Zhou Xiang had had enough of staying!

"Of course!" Old Mrs. Cen nodded, "It's just that Shaoqing still has to work harder. There are so many young men in Beijing University. They're younger than Shaoqing, more romantic than Shaoqing, and more flirtatious than Shaoqing. What if they abduct my granddaughter-in-law?" "

"Compared to them, besides being a little handsome and rich, Cen Shaoqing had no other advantages. "

But what was the use of being handsome?

Could being handsome be used as food?

What was the use of having money?

Who would be willing to look at an ice cube face every day?

2

Old Age!

2

Not knowing how to laugh!

Not knowing how to make a girl happy.

Not knowing how to sweet-talk.

Not even touching a girl's hand.

"In old Mrs. Cen's opinion, Cen Shaoqing was simply full of flaws. "

1

"Yes," Zhou Xiang echoed, "Mom! What you said makes sense! I have to talk to Shaoqing about it properly later." "

"Old Mrs. Cen said, "Don't get involved in this matter. I have a way to deal with that Brat." "

“When she came out of Zhou Xiang’s room, Old Mrs. Cen happened to meet Cen Shaoqing who had just returned from the company.”

He was holding a string of Buddhist beads in his hand and mumbling something.

Old Mrs. Cen guessed that he was probably chanting Buddhist scriptures.

“She, an old lady, did not believe in Buddhism as much as he did. She did not know how a young man like him could have such a hobby. Old Mrs. Cen really could not understand.”

Old Lady Cen’s expression changed and she walked downstairs happily.

She was still humming a tune. “We common people are really happy today...”

““Grandma, what are you so happy about?”Cen Shaoqing raised his eyebrows slightly.”

““Didn’t Yezi tell you?”Old Lady Cen looked at Cen Shaoqing in surprise, “Yezi got into the top scorer in the market!”! Do you think I wouldn’t be happy? “I need to call Zeyan right now and ask him to seize the opportunity to catch Yezi before school starts! “Once Yezi goes to Beijing University and faces so many outstanding young hunks, she will definitely choose the wrong ones! “Then Zeyan won’t have a chance!””

Old Mrs. Cen said as she walked downstairs.

““Grandma,”Cen Shaoqing called out to her.”

“What’s the matter?”She raised her head to look at him.

Cen Shaoqing’s tone was indifferent. “Ye Zhuo and Ze Yan aren’t suitable. You’d better not randomly pick a couple.”

“Whether they’re suitable or not isn’t up to you! A dog with a mouse is meddling in other people’s business!” She rolled her eyes at him.

“After saying that, she turned around and walked downstairs.”

Cen Shaoqing frowned slightly.

He returned to his room.

“Cen Shaoqing sent a message to his secretary, [take care of Zhou Zeyan during this period of time.]”

Zhou Zeyan was already in his third year of university.

“Not long ago, he officially entered the CEN Group’s branch company for an internship.”

The secretary in front of the screen frowned slightly.

“If he remembered correctly, master five and Zhou Zeyan should be related. Why was master five always finding fault with Zhou Zeyan when he had nothing to do recently?”

“After sending this message, CEN Shaoqing immediately turned on the wonderful sound.”

“Seeing that ye Zhuo did not turn on the live broadcast, Cen Shaoqing backed out again. He set up a live broadcast reminder and began to process the documents.”

Chapter 259: 097: Today was also a day of being crushed by the big boss

Mu family.

“With the help of the system, Mu Yourong was ranked fifth in the city. ”

Although she didn't get first place.

“But there were nearly 70,000 examinees in Yunjing city. It was already very good that Mu Yourong could get this result. ”

Mu Yourong was very satisfied with her results.

She immediately posted her results on the mystifying sound platform.

“When everyone saw Mu Yourong's results, they were all extremely surprised. ”

736 points!

They were all in fifth place.

A faint light blew past the mint green ° : “Yourong is really amazing! She doesn't look like some plagiarized dog!”

“After graduation, don't cry: “Fifth in the city! Okay! Very amazing! Hahaha, I wonder how many points did the plagiarized dog get?” ”

“Lou Zui and Tingyu: [the plagiarized dog doesn't dare to come out anymore, right! I'm Still My Rong! Impressive!] ”

Elegant and seductive: [top student! Top student wishes for good luck!]

The comments were all mocking ye Zao.

There were also many people who ran to ye Zao's account and maliciously attacked ye Zao.

"When Mu Yourong saw this scene, the corners of her mouth curved into a proud smile. "

She had finally let ye Zao experience what she had felt back then!

The higher she stood!

The more she fell.

"Moreover, ye Zao could no longer get up this time. "

A stepping stone was a stepping stone.

"If it wasn't for the attacks of these Internet trolls, ye Zao would have almost forgotten about this matter. He quickly sent out a screenshot of his report card and issued a statement. "

"[good evening, babies! This is my response to the plagiarism that happened a while ago. [jpg] "

"Once this picture was posted, the wonderful sound platform immediately exploded. "

"[Congratulations, leaf! Congratulations on being the top scholar! Fans of the neighboring family, weren't you trying to slander our leaf? Does Your Face Hurt Now?] "

"That Dog: [Wu Wu Wu! Leaf is too awesome! Fifth is nothing! We, Leaf, are number one!] "

"Betrayal, everywhere: [F * ck! F * ck! The top scorer in Yunjing Science! Both of the additional points are 0! This is really awesome! Top Student! This is the real top student! Kneel to the top student!] "

“I Love Yezi: [I, Ye Shengshi, am beautiful, V587!] ”

Today was also a day of love for Yezi. 1314: [frantically punch in for Yezi!]

“Once this statement was posted, it immediately went on the hot searches. ”

When Mu Yourong saw ye Zao’s statement.

It wasn’t shock.

It wasn’t fear.

Her first reaction was that this screenshot was P.

How could someone like ye Zao get the top scorer in the market?

It was definitely fake!

She relied on the system to get fifth place. How could ye Zao get first place?

Just because ye Zao was an idiot who couldn’t even read a few words?

“Thus, under Mu Yourong’s intentional guidance. ”

There was such a comment.

“[from a professional point of view, this screenshot of Sitara is fake!] ”

“Lulu, wake up Lala: [F * ck! So it’s fake! I’m just saying, is it that easy to be the top scorer?] ”

I'm not a pure fool 03645: [This F * cking guts is too big! He actually dared to fake the college entrance exam!]

Lou Zui Tingyu 87: [ignorant! He really thinks that everyone else is a fool. He just posted a picture and said that he was the top scorer!]

“Elegant and seductive: [this is not ignorance, this is brainless!]”

“In an instant, the situation changed. ”

[Sitara YC's Ye P picture is fake] once again appeared on the hot search list.

Ye Zhuo's account was once again besieged.

There was a barrage of abuse.

“Just as ye Zao was about to make another statement, the official account of Peking University published a video and tagged her. ”

The video quickly made the trending list.

The announcement from Peking University was released.

The entire internet was boiling!

No one expected that the official account of Peking University would suddenly jump out and slap their faces in public!

“Heaven-toppling, earth-shattering, purple-gold hammer 1225: [ahhhhh! !! I’m so excited! The official account has come out to protect the weak! I knew that leaf didn’t know how to p-map! This face slap feels so good!] ”

“Pop Girl: [fake official account, right?] ”

Melody User 20215987423: [I’m Giao! It’s the real official...]

“Burning Acacia 695: [so, YC is the real top scorer?] ”

Beijing University V replied: [don’t doubt it! God Ye is the true top scorer!]

This comment was instantly liked to the top of the comments.

“It received a total of 150,000 likes! ”

[why do I feel that the official account is a bit like Ye’s brain-dead Fan?]

“[confirmed the look, it is ye’s fan!]”

“Beijing University immediately replied at the bottom of the comments, [be more confident! Little Editor is a ye fan! I, Ye Shengshi, am beautiful, V587!]”

No one would have thought that the official account of Beijing University was actually ye Zhuo’s fan.

“After learning that Beijing University immediately came out to clarify things for her, Ye Zhuo immediately issued a statement in response to Beijing University.”

Sitara? YC’s ye: “Thank you for liking it. See You in Beijing in two months!@beijing University v.”

Ye Zhuo’s popularity was really too high.

“As soon as this reply was sent out, it immediately received hundreds of thousands of likes.”

The hot searches on the entire platform were all done by her.

Jingcheng University V: [Ah Ah Ah! My Goddess has replied me! I’m going to have a face-to-face with my goddess!]

The comments section was very exciting.

[wake up! You Can’t break your cool persona! You have to remember that you are the official name of Jingcheng University [Dog Head]]

[my official ID is like a fake id...]

[covering my mouth and crying] I’m envious. I also want to have a face-to-face with the goddess.]

[YC is really amazing! She's beautiful and talented. I'm a fan of this streamer!]

“[ye Zi's old fans all know that Ye Zi didn't rely on her face to get famous in the first place! If it weren't for some people who maliciously smeared ye Zi as the princess of magnificent Tang, Ye Zi wouldn't have shown her face until now!]”

“[I, Rong, don't know how to improve myself, but I only know how to smear our ye Zao! This kind of person is really too disgusting.]”

Those who doubted that ye Zao was a P chart account instantly disappeared.

“For a moment, Mu Yourong became the ridicule of the entire internet. ”

She was slapped in the face instead of being slapped in the face.

The onlookers were so excited that they all ran to Mu Yourong's account to scold her.

[you are a scheming B * TCH. Evaluation Complete!]

[My Rong will always be a black sheep!]

[get out of the live streaming world.]

[Miao Yin has a live streamer like you. She is simply a disgrace to the platform!]

“[how disgusting! She is not outstanding, yet she still wants to smear others. I am not a fan of ye shuang or Rong Shuang. She is just a passerby. I really can't watch this anymore!]”

[Shameless!]

[...]

“Looking at these unsightly comments, Mu Yourong was so angry that her face turned pale and her entire body was trembling.”

She had originally wanted to use this opportunity to make ye Zao’s reputation tarnished and unable to recover.

She did not expect the situation to turn out like this!

“In the end, the person whose reputation tarnished and unable to recover turned out to be her.”

What right did ye Zao have?

Mu Yourong had originally suspected that ye Zao had been reborn.

“At this moment, this thought was becoming more and more intense.”

After all.

“In her previous life, Ye Zao was just a pitiful worm that she had squashed to death.”

Why was ye Zao so powerful in this life.

“Not only did Mu Yourong suspect that ye Zao had been reborn, she also suspected that ye Zao had a system.”

“Moreover, Ye Zao’s system was definitely more powerful than hers.”

“Otherwise, why would she always lose to ye Zao?”

This simply did not make sense.

Mu Yourong was furious to the extreme. She casually picked up the Teacup on the table and slammed it onto the ground. “Does ye Zao also have a system?”

“The system replied, “I checked last time and found that ye Zao does not have a system. To be precise, out of China’s 1.3 billion people, only you, the host, are the chosen one.” ”

““Only I have a system?” Mu Yourong narrowed her eyes, ”

[yes.]

“Mu Yourong narrowed her eyes. “But if ye Zhuo didn’t have the system, how could she have gotten the first place in the city?” ”

“[host, I’ve already told you to study hard before the college entrance exam! The system can only help you get fifth place. If you study hard before the college entrance exam, we can work together and not let ye Zhuo get first place!] ”

Mu Yourong frowned.

She had been very confident in herself.

“After all, in her previous life, she had obtained excellent results in the college entrance exam.”
