Chapter 2521: 533: Get the wedding done! 2

“Doctor Liu was still a little worried. “Um, Miss Ye, is Weiwei really alright?” ”

“Although Weiwei’s condition had not improved over the past few days, she had not fainted either. ”

““She’s fine. Don’t worry,”ye Zao said. ”

“That’s good.”

The two of them walked out as they spoke.

“When they reached the door, ye Zao continued, “Doctor Liu, let’s stop here.” ”

““Take care, Miss Ye.”Doctor Liu stopped. ”

“Ye Zhuo continued, “If there’s any special situation tonight, just give me a call.” ”

“Okay.”Doctor Liu nodded.

Ye Zhuo walked forward.

Cen Shaoqing had not arrived yet.

She was ready to walk around the area.

Beep!

“At this moment, the sound of a horn honking suddenly sounded in the air.”

Ye Zao turned around and saw an ordinary Volkswagen.

The door was open.

“Under the dim light, one could vaguely see the handsome side profile of the man.”

It felt a little cold.

Ye Zao went to the passenger seat and opened the door. “Why did you change cars today? I almost didn’t recognize you!”

“CEN Shaoqing said slowly, “I didn’t want to be recognized. I didn’t expect that I didn’t even recognize my own girlfriend.” ”

Ye Zao chuckled. “Who knew that you would suddenly change cars?”

“Cen Shaoqing started the engine. As he drove, he turned to look at her. “Shall we have supper first?” ”

““Okay.”Ye Zao suddenly thought of the spicy hotpot that Wei Wei had just eaten and continued, “Let’s go to Linhuang Road.” ”

Ye Zao immediately saw through ye Zao’s thoughts. “Let’s Have Spicy Hotpot?”

“Yes.”Ye Zao nodded slightly. “Smart!”

“Okay.” CEN Shaoqing continued, “By the way, why did you run to the hospital so late?” ”

“I forgot to tell you that my sister-in-law is pregnant,” ye Zao said. ”

“So Soon?” Cen Shaoqing was a little surprised.

“Not really.” Ye Zao smiled and said, “My brother and sister-in-law have always wanted to have a child, but for some reason, they never got pregnant. My Sister-in-law even suspects that there’s something wrong with her.” ”

“CEN Shaoqing said, “They haven’t been married for long, right?” ”

“It’s been more than a year,” ye Zao answered. ”

“It’s been more than a year.” Cen Shaoqing could not help but sigh. “Time really flies!”

Ye Zao nodded slightly. “Yes.”

“Soon, they arrived at Linhuang Road. ”

“Linhuang Road was an old street, and the business on both sides of the street was very good. ”

This was especially true for this hot pot restaurant.

“Even before they got out of the car, ye Zao could already smell a familiar fragrance. ”

“Because the smell was not bad, and because the boss insisted on not raising the price for twenty years, business was very brisk. ”

“It was already close to midnight, and there was still a queue. ”

“Ye Zao opened the door of the passenger seat. “I’ll go line up first, you park the car.” ”

It was still quite difficult to find a parking spot in this area.

Cen Shaoqing nodded slightly. “Okay.”

Ye Zhuo unfastened his seatbelt as if he suddenly thought of something. “Do you have cash?”

“The owners of this shop were all elderly people who did not know how to use smartphones, so they only accepted cash. ”

““I have it in my wallet,”Cen Shaoqing said. ”

“Ye Zhuo picked up his wallet from the console and took out a hundred yuan note. Then, he closed the door and went to queue up. ”

There were about ten people in front of him.

Ye Zao was not in a hurry. He stood in line and looked at his phone.

The capital at night was very different from the day.

The cool breeze blew away the heat in his heart. It was very comfortable.

Cen Shaoqing parked the car and ran to look for ye Zao.

“When he came to ye Zao’s side, he was just in line to pick the dishes. ”

“What do you want to eat?”Ye Zao looked back slightly.

“I’m fine with anything.”

“Ye Zao smiled and said, “Then I’ll just take whatever I want.” ”

“Okay.”

“The dishes in the ordinary spicy hot pot restaurant were all weighed, but the dishes here were different. The vegetarian dishes cost 50 cents per skewer, and the meat dishes cost 1.50 yuan per skewer. ”

“Ye Zao took the portion for two or three people, and it was only 30 yuan. ”

“Add two bowls of rice.”

“The owner looked at ye Zao and then said, “Little girl, a porridge and a rice are hard to come by. Can the two of you eat so much?” ”

Very few people would order rice when they were eating spicy hot soup.

““Don’t worry, we can finish it,”ye Zhuo said with a smile. ”

The shop owner nodded. “That’s good. Our shop refuses to waste food.”

“Okay.”Ye Zhuo nodded slightly.

“After paying, they waited for the meal. ”

Ye Zhuo turned to look at Cen Shaoqing. “Shall we sit outside?”?

“Yes.” Cen Shaoqing twirled the Buddha beads and nodded slightly.

There was only one empty seat outside.

Cen Shaoqing picked up a tissue and carefully wiped the table and chair. Only then did he look up at Ye Zhuo. “Sit.”

Chapter 2522: 533: Get the wedding done! 3

Ye Zao looked at him and suddenly chuckled.

“What are you laughing at?” Cen Shaoqing looked up at Ye Zao.

“Ye Zao continued, “I feel like you’re like an old father.” ”

Especially the way Cen Shaoqing wiped the tables and chairs.

“Cen Shaoqing smiled helplessly and said, “You’ve always been a child who hasn’t grown up.” ”

“After saying that, he continued to ask, “Is it that when I’m not by your side, you’ve never wiped the tables and chairs?” ”

“Yes.” Ye Zao nodded slightly.

She was used to being unscrupulous and did not have any mysophobia.

“Cen Shaoqing picked up the kettle and rinsed the tableware. “In that case, when you are alone in the future, don’t go out to eat.” ”

““It’s okay.”Ye Zao smiled and said, “It’s not clean. You Won’t get sick if you eat it.” ”

Cen Shaoqing smiled faintly and did not say anything else.

“Very soon, the cooked spicy hotpot was served. ”

It was an old-fashioned spicy hot pot with pure bone soup. There was no milk or other messy things added. It was mixed with a faint herbal fragrance and smelled very fragrant.

“Ye Zhuo picked up his chopsticks and took a bite of potato chips. As expected, it was still a familiar taste. ”

The capital at night appeared quiet and peaceful.

“After eating, the two did not go back immediately. Instead, they sat at the dining table and chatted. ”

A rolls-royce drove by the roadside.

“In a flash, it went back again. ”

“The Man in the driver’s seat widened his eyes and looked at the roadside. He asked with some uncertainty, “Is that master five?” ”

“Which one?”The Man in the front passenger seat asked.

“The one who eats spicy hot soup by the roadside.”

“Hearing that, the man in the front passenger seat laughed out loud. “What are you thinking! How could master five Cen Eat Street Food?”And it was junk food like spicy hot soup! ”

“Not to mention Cen Wu Ye, even they would not eat such a thing. ”

“But I really look like Cen Wu Ye! Why Don’t you take a look again?”

“The Man in the co-pilot seat did not even want to take a look. He continued, “Chen Qiang, you’re really mistaken!” ”

“At this moment, the two people who were originally sitting there stood up. ”

It looked like they were about to leave.

“Chen Qiang continued, “They’re about to leave. Quick, take a look.” ”

“The Man in the front passenger seat turned his head to take a perfunctory look. When he took a look, he was immediately stunned. “D * MN! They really look alike!” ”

“Very similar, very similar. ”

“Chen Qiang said, “Should we go up and say Hello?” ”

““Wait,”the man in the front passenger seat continued, “What if we’ve mistaken them for someone else! Let’s see where they’re going first!” ”

“Okay.”Chen Qiang nodded.

“Not long after, Cen Shaoqing and ye Zhuo walked to the parking spot. ”

“Cen Shaoqing went around to the passenger seat, opened the door, and even put his hand on the roof of the car.”

Ye Zhuo sat in the passenger seat.

Cen Shaoqing followed closely behind and returned to the driver’s seat.

Chen Qiang rubbed his eyes and turned to look at the passenger seat. “Am I seeing things? Are they driving a Volkswagen?”

“The Man in the co-pilot’s seat also widened his eyes and said, “I didn’t see wrongly!” ”

It was a Volkswagen!

“With that, the man in the co-pilot’s seat continued, “I knew it was definitely not Cen Wuye!” ”

“It was one thing to eat spicy hotpot, but how could Cen Wuye drive a Volkswagen! ”

Cen Wuye’s car was either a Lamborghini Supercar or a handsome Hummer. The worst of them all was Xia Li!

What was Volkswagen?

Nothing!

“Chen Qiang said, “Fortunately, we took a look. Otherwise, we would have mistaken him for someone else.” ”

“The Man in the front passenger seat continued, “Let’s Go!” ”

“Since he had confirmed that it was not CEN fifth master, there was no need to stay here. ”

Chen Qiang started the engine and drove away.

“On the other side, Cen Shaoqing sent ye Zhuo home. When they reached the Cen family manor, it was almost 1 am. ”

The lights in the living room were still on.

“The moment Cen Shaoqing entered the living room, he saw old Mrs. Cen sitting on the sofa. ”

“When she saw Cen Shaoqing return, Old Mrs. Cen immediately stood up from the sofa. “Shaoqing!” ”

““Grandma, Why are you still up so late?” ”

Old Mrs. Cen yawned. “I’m Not Sleepy.”

Cen Shaoqing:” ...”he really believed her.

“Old Mrs. Cen continued, “Is your eldest brother-in-law’s wife pregnant?” ”

“Yes.”Cen Shaoqing nodded slightly.

“Old Mrs. Cen smiled and said, “Then your father-in-law really has a double wedding coming!” ”

“After saying that, old Mrs. Cen continued, “Right, have you discussed with Zhonghua when the wedding will be held?” ”

““Not yet,”Cen Shaoqing said. ”

“It was not that he did not want to tell ye Zhuo, but that this kind of matter had to be handled by the elders. ”

“In front of Lin Jincheng, he was just a junior. ”

“CEN Shaoqing continued, “I was just about to discuss this matter with you.” ”

Chapter 2523: 533: Get the wedding done! 4

““Wait for you to discuss it with me? Wait for you to discuss it with me. It’s already too late!”Old Mrs. Cen continued, “I’ve seen it. The 18th is a good day. Go and ask burning. Can We go to her house on the 18th?” ”

Cen Shaoqing nodded slightly.

“Old Mrs. Cen took out a piece of red paper and handed it to Cen Shaoqing. “This is the auspicious day that I asked the fortune teller to pick for you. When the time comes, let your father-in-law, mother-in-law take a look. The day they set the date is the day.” ”

Cen Shaoqing took the red paper.

There were a total of three days on it.

“They were all six months later, and the days were very close. ”

“Do you have any questions?”Old Mrs. Cen asked.

Cen Shaoqing shook his head slightly. "I don't have any questions."

"That's good." Old Mrs. Cen continued, "Then that's it. You can ask burning. I'll go upstairs and Sleep First!" "

"Good night," Cen Shaoqing said. "

...

The next morning.

At the Lin family home.

Ye Zhuo mentioned this matter to his parents at the dining table.

"Lin Jincheng said, "Alright, get old Mrs. Cen to come over on the 18th." "

"After saying that, Lin Jincheng seemed to have thought of something. He turned to look at Lin Ze and Bai Jingshu. "Can the two of you make it back before the 18th?" "

Setting a date was a big deal.

"As brother and sister-in-law, Lin Ze and Bai Jingshu had to be at home. "

"Bai Jingshu said, "It's only the 6th today. We should be home by the 17th." "

"That's good." Lin Jincheng continued, "You guys are leaving tomorrow, right?" "

"Bai Jingshu nodded. "Yes, Dad." "

“At this moment, ye Shu brought over a bowl of bird’s nest. “Come, Jingshu, have some bird’s nest. I specially asked the kitchen to boil it.” ”

Bai Jingshu ate everything except bird’s nest.

She always felt that bird’s nest had a fishy smell.

“When she found out that bird’s nest was the saliva of a swallow, it became even harder to swallow. ”

“”Mom, I Can’t drink it.”Bai Jingshu shook her head. ”

“Ye Shu smiled and said, “Drinking bird’s nest now is good for you and the child.” ”

“Drinking bird’s nest is good for the child?”Bai Jingshu’s eyes immediately lit up.

“Ye Shu nodded. “That’s right. I heard that not only can it improve a pregnant woman’s skin, but it can also make the baby’s Skin Fair and tender when it’s born.” ”

“Bai Jingshu turned to look at ye Zao. “Zaozao, is that really the case?” ”

Ye Zao nodded slightly. “I think that’s the case.”

“Upon hearing this, Bai Jingshu immediately said, “Mom, give it to me quickly!” ”

She could finish three bowls of it!

“Ye Shu passed the bird’s nest to Bai Jingshu, who finished it in one gulp. ”

“Ye Shu smiled and said, “Remember to drink it every day from now on.” ”

“Okay.” Bai Jingshu nodded.

“For the sake of having beautiful children in the future, she had to persevere. ”

The next day.

Bai Jingshu and Lin ze set off for the s galaxy.

“After arriving at the s galaxy, Bai Jingshu and Lin Ze went straight to the Bai family’s old residence. ”

“The Bai family’s parents had heard from God knows where that the two of them had returned home, so they shamelessly came over. ”

They were thoroughly scolded by Elder Bai.

“Left with no choice, the Bai family’s parents went back dejectedly. ”

Elder Bai stood in front of the main door and welcomed Bai Jingshu and Lin Ze.

“Soon, an aircraft landed at the door. ”

Elder Bai immediately walked over. “Jingshu! Ah Ze!”

“Grandpa.” Bai Jingshu hugged elder Bai.

“Elder Bai’s eyes were slightly red. He patted Bai Jingshu’s back and turned to look at Lin Ze. “Come, come, come! Quickly enter the house!” ”

Lin Ze followed elder Bai's footsteps.

The three of them walked into the house together.

"After entering the house, elder Bai looked at Bai Jingshu and said, "Jingshu, you told me in your message that you have something to tell me. What Happened?" "

"Ever since he received Bai Jingshu's message, Old Master Bai had been looking forward to Bai Jingshu's return, but at the same time, he was also a little worried. "

"He was looking forward to seeing Bai Jingshu earlier, worried that she had encountered something that couldn't be resolved and was still having conflicts with her in-laws. "

"There is something that I have to tell you. Otherwise, we wouldn't have decided to come back so quickly." "

Chapter 2524: 533: re-check 1

"Hearing this, Old Master Bai's expression turned serious. He looked at Bai Jingshu. "What's the matter?" "

Bai Jingshu helped Old Master Bai Sit Down. "Please sit down first."

"Old Master Bai didn't have the mood to sit down now. He continued, "Jingshu, hurry up and tell me!" "

"Grandpa, I'm Pregnant," Bai Jingshu continued. "

Pregnant?

Elder BAI's expression turned incredulous. "Really?"

Lin Ze nodded. "It's really grandpa."

""Good, that's great!" Elder Bai grabbed Bai Jingshu's hand. "God Bless Us!" "

"There had been no news of Bai Jingshu and Lin Ze for more than a year. In fact, the person who was most anxious was still elder Bai. "

He had been praying that Lin Ze and Bai Jingshu would have a child of their own soon.

Fortunately.

"Fortunately, the old man heard his prayers. "

"Old Man Bai continued, "How long have you been pregnant?" "

"Bai Jingshu said, "Five weeks." "

Old Man Bai did some mental calculations. "That's more than a month?"

"Yes." Bai Jingshu nodded.

"Old Man Bai smiled and said, "Does your in-laws know about this?" "

"They all know."

“That’s good.”

“Elder Bai looked at Lin Ze, he then said, “Ah Ze, you’re a good child. I can trust you to take care of Jingshu. “I heard that pregnant women have tempers that fluctuate. If she does anything wrong during pregnancy, you have to be tolerant of her.” ”

“Lin Ze said, “Don’t worry, grandfather.” ”

Elder Bai nodded.

He felt that he had not misjudged the person.

“At first, everyone thought that Lin Ze was just an ordinary earthling. Who knew that in the end, this person would suddenly become the hot heir to the Shangguan family. ”

“After their wedding, there were rumors that Lin Ze would definitely dump Bai Jingshu. ”

“After all, Lin Ze was the heir to the Shangguan family. ”

How could a powerful man like him fall for a vase like Bai Jingshu? !

Bai Jingshu had been married to Lin Ze for a year and was not pregnant. This speculation was even more serious.

Some people said that Bai Jingshu would not give birth.

There were also rumors that Lin Ze would not allow Bai Jingshu to give birth.

The future heir to the Shangguan family must have a noble birth mother.

Bai Jingshu was nothing?

But now.

Bai Jingshu was pregnant.

All the rumors were destroyed.

“Old Master Bai’s previous wish was that Bai Jingshu could get pregnant as soon as possible. Now, his only wish was to see his great-grandson be born.”

“As long as he saw his great-grandson be born, he would be able to close his eyes in peace.”

He would also be able to walk in peace on the road to the underworld.

“After eating, old master Bai walked to Bai Jingshu’s side and said in a low voice, “Jingshu, come with me for a moment.” ”

“Okay.” Bai Jingshu nodded and followed Old Master Bai’s footsteps.

The grandfather and grandson walked into the study.

““Close the door,” Old Master Bai said. ”

“Okay.” Bai Jingshu turned around and closed the study’s door.

“Old Master Bai sat at the head of the study and pointed at the stool beside him. “Jingshu, you sit too.” ”

“Bai Jingshu sat on the stool. “Grandfather, do you have something to tell me?” ”

“Yes.” Old Master Bai nodded.

“After that, the old man continued to ask, “How did your in-laws react when you came back this time?” ”

“Bai Jingshu said, “They supported my return and even prepared a lot of gifts for you.” ”

“Hearing that, Old Master Bai stroked his beard and nodded. “Ah Ze’s parents are all kind and courteous people. Since they treat others with courtesy, Jingshu, we have to treat them with courtesy too.” ”

Bai Jingshu was stunned for a moment. She didn’t quite understand what elder Bai meant.

“Elder bai continued, “Jingshu, your sudden return this time was a mistake.” ”

“Why?” Bai Jingshu asked.

“Elder bai continued, “You’re only pregnant now. According to the saying that the fetus is unstable during the first three months of pregnancy, under normal circumstances, most people would only announce it to the public after three months of pregnancy. Try not to travel too far three months ago and be careful. You’re only one month pregnant now and you’ve already come to the s galaxy. If anything happens, how do you want me to explain this to Ah Ze’s parents?” ”

Bai Jingshu did not say anything. She did not expect that there would be so many explanations for her pregnancy.

“”Actually, it’s not your fault. This should have been what your mother told you, but that mother of yours...”at this point, elder Bai sighed softly. “It’s fine if you don’t say it!” ”

“Bai Jingshu looked up at elder Bai. “Grandfather, what should I do now?” ”

“Elder bai said, “I’ll call Ah Ze’s parents and tell them.” ”

Chapter 2525: 533: re-check 2

“Okay.” Bai Jingshu nodded.

“Elder bai continued, “Don’t worry too much. Ah Ze’s parents are kind people. They definitely won’t blame you.” ”

“Elder Bai paused. “Jingshu, you should be more careful in the future. Although they won’t argue with you, as a junior, you should know what to do.” ”

“Okay.”

“Elder bai asked again, “How are things with Ah Ze Now?” ”

He was still very worried about Bai Jingshu and Lin Ze’s relationship.

“Bai Jingshu smiled and said, “Grandfather, don’t worry. Ah Ze is very good to me. I have a bad temper sometimes, and it’s mostly because he gives in to me. Ah Ze is a good husband now, and he will be a good father in the future!” ”

“Although they had been married for more than a year, the two of them were still as if they were in a passionate relationship. ”

“It was inevitable that there would be occasional arguments, but these were all to increase the reconciliation of their relationship, making the relationship between the two of them better and better. ”

“”That’s good.” Old Master Bai continued, “Relationships are a matter between two people. Both of you have to tolerate and understand each other.” ”

""Yes, I know." Bai Jingshu nodded. "

"Old Master Bai continued to ask, "Are the rest of the Lin family easy to get along with?" "

""They're all very easy to get along with," Bai Jingshu said. "

"Old Master Bai looked at Bai Jingshu. "Jingshu, you've been used to reporting good news and not bad news since you were young. However, you can't report good news and not bad news for such a major event in your life!" "

""Grandpa, what are you thinking about? Ah Ze's family is really very good. You've met sister, and there are also some other people who are very warm to me," Bai Jingshu said. "Grandpa, do you think I'm the kind of person who would suffer in silence?" "

"That's Good!" Old Master Bai nodded.

"After Bai Jingshu left, Old Master Bai contacted Lin Jincheng and Ye Shu. "

""Old Master, how have you been recently?" Lin Jincheng asked. "

"Old Master Bai smiled and said, "Thank you for your concern, Father Ah Ze. I'm very well. It's just that Jingshu has been causing trouble for the two of you at home!" "

"Ye Shu continued, "Old Master, what are you talking about? We're all family! "Jingshu is a very good child. We like her more than anything! "How can you say that it's not troublesome? Don't worry, Jingshu is in our house. We'll treat her as our biological daughter!" "

""Okay." Old Master Bai nodded, "Jingshu is lucky to have such sensible parents-in-law like you two. "However, this child isn't sensible. She's not even three months pregnant. She shouldn't have come back with Ah Ze this time. It's also because you two are magnanimous enough not to argue with her. If it were someone else, they would definitely lecture her." "

“After saying that, elder Bai continued, “Don’t worry, I’ve already lectured that child on behalf of the two of you. She definitely won’t do it again in the future.” ”

“”Elder Bai, your words are too serious.”Ye Shu smiled and said, “It’s a new era now. It’s not like before. The children can go wherever they want to go. It’s fine. You Don’t have to take it to heart.” ”

“”Although that’s what you said, we still have to abide by the rules. After all, there’s no circle without rules,”Old Master Bai said. ”

“Lin Jincheng continued to speak, “Old Master, it’s really nothing. We husband and wife didn’t take these things to heart. What rules or no rules? Rules are dead, and people are alive. As elders, what they want to see the most is that the younger generation is happy.” ”

“Elder bai smiled and said, “Both of you are reasonable people. Jingshu is lucky to have met two in-laws like you!” ”

“If it were anyone else, they might not have such a good temper. ”

Elder Bai chatted with Lin Jincheng and ye Shu about their parents before cutting off the video call.

“After cutting off the video call, elder Bai went to find Lin Ze. “Ah Ze, do you have time to chat with Grandpa?” ”

“Lin Ze nodded slightly. “Yes, Grandpa.” ”

“After saying that, Lin Ze followed elder Bai’s footsteps. ”

The two of them walked to the gazebo in the garden.

A servant brought some tea.

Elder Bai looked at Lin Ze. "Does ah ze drink black tea or jasmine tea?"

"Lin Ze said, "I'll drink jasmine tea." "

Elder Bai nodded slightly and looked at the servant. "Pour some jasmine tea for Ah Ze."

"Okay."The maid brought some tea for Lin Ze.

Elder Bai waved his hand. "You can leave first."

The maid bowed and turned to leave.

"Elder bai smiled and said, "This jasmine tea was brought by your parents last time. Jingshu is really blessed. Although her original family has problems, your Lin family really doesn't have any objections to her." "

Chapter 2526: 533: re-check 3

""Grandpa,"Lin Ze put down his teacup and continued, "I'm married to Jingshu. You're being too polite. My House is her house, and my parents are her parents." "

Elder Bai looked at Lin Ze with a gratified look in his eyes.

It was really important to teach by example.

"Lin Jincheng and ye Shu were both very kind people, and so was Lin Ze. "

“Elder bai continued, “Ah Ze, I’m getting old. I don’t know which comes first, tomorrow or the accident. My only wish right now is to see Jingshu and the child live happily ever after. I watched Jingshu grow up. That child’s personality is quite gentle, but it’s inevitable that she’ll have her own temper. I hope you can be more tolerant of her in the future.” ”

“At this point, Old Master Bai’s eyes turned slightly red. He sobbed, “Jingshu is different from the other children. Once I leave, she won’t have a family anymore!” ”

This was what Old Master Bai was most worried about.

“If a girl was wronged in her in-laws’family, the first thing she would think of would definitely be her family.”

But Bai Jingshu didn’t have a family.

It was better to have no parents like that.

“As one gets older, especially at Old Master Bai’s age, one should consider one’s own future.”

Old Master Bai did not have anything else that he could not let go of.

The only person he could not let go of was Bai Jingshu.

“It’s all my fault for not teaching my son well! I’ve harmed Jingshu!” Old Master Bai wiped away his tears.

“Children were born with a blank sheet of paper. No matter how adults taught them, the blank sheet of paper would develop in any direction.”

“When elder Bai was young, he was often away from home. By the time he came to his senses, the children’s worldviews had already been formed. How could there be any hope of redemption?”

“All these years, elder Bai had always regretted it.”

He regretted that he had not done his duty as a father back then.

“Unfortunately, he was already in his eighties. There was no use in regretting it.”

“Grandfather, please don’t say that. You’ve already done very well. Other things have nothing to do with you,” Lin Ze continued. “Don’t worry. I’m Jingshu’s backer. I definitely won’t let her suffer any grievances.”

“Elder Bai looked up at Lin Ze and smiled with tears in his eyes. “Ah Ze, I believe in You!” ”

...

Time passed quickly.

“In the blink of an eye, ten days had passed.”

On the 17th.

Lin Ze and Bai Jingshu arrived home on time.

“Ye Shu was really worried after not seeing Bai Jingshu for ten days. When she saw Bai Jingshu, she immediately went up to her and asked, “Did Jingshu have any other reactions during this period of time? Did you feel uncomfortable after staying in the shuttle for three days?” ”

“Bai Jingshu smiled and said, “Don’t worry, Mom. I’m fine everywhere. There’s nothing uncomfortable about me.” ”

“That’s good.” Ye Shu grabbed Bai Jingshu’s hand and looked behind the two of them. Then, she said, “Didn’t I tell you to have your grandfather come and stay with us for a while? Why didn’t he come?” ”

“Bai Jingshu said, “Grandfather said that he was too lazy to go back and forth.”The thing that people feared the most when they were old was traveling back and forth. ”

Especially long distance travel.

“Elder Bai had already come to Earth previously and fulfilled his wish. Now, he no longer had any obsession to come. ”

“Ye Shu nodded. “That’s true. Old people are getting old, and they really don’t want to go back and forth. If you have time in the future, you can go back and visit Grandpa more often.” ”

“”Okay.”Lin Ze nodded. “Mom, don’t worry. Jingshu and I will definitely go back and visit Grandpa often.” ”

“”Okay.”Ye Shu continued, “Let’s go back quickly.” ”

“When they returned to the living room, Lin ze continued, “By the way, Mom, is there anyone from fifth brother’s family coming tomorrow?” ”

“Yes.”Ye Shu nodded.

Lin Ze looked around the living room. “Is burning not at home?”

“”Yes. I’ve been quite busy these past few days,”ye Shu said. “I heard that there’s a very strange patient who’s quite troublesome.” ”

“Patient?”Lin Ze frowned slightly.

Ye Shu nodded. “I’m not too sure either. I heard that the little girl is quite young. She’s only fourteen.”

“Bai Jingshu asked, “Is it a very serious illness?” ”

““Yes, I heard that it is.” ”

“Bai Jingshu said regretfully, “It’s such a pity that she’s only fourteen. I hope that the little girl can recover soon.” ”

“Lin Ze placed his hand on her shoulder. “Don’t worry. With the burn, the young lady will definitely be fine.” ”

At the hospital.

Wei Wei’s condition had not improved in the past few days.

“However, she was actually quite happy. ”

At least she could eat whatever she wanted these few days.

Ye Zhoutong talked to doctor Wang as he walked towards the ward.

Chapter 2527: 533: re-check 4

“Hearing the footsteps, Vivi immediately put down her phone and looked out of the door. “Sister Ye!” ”

“After hearing their interactions over the past few days, Vivi’s address of ye Zao had changed from Miracle Doctor Ye to Sister Ye. ”

“The door was pushed open and ye Zao, who was wearing a white coat, walked in. ”

“Vivi, how are you feeling today?” Ye Zao asked. ”

“I feel pretty good,” Vivi said. ”

Ye Zao sat in front of the hospital bed and checked Vivi’s pulse.

“How is it?” As soon as ye Zao released his hand, Vivi said impatiently, “Sister Ye, can I be discharged from the hospital soon?” ”

Ye Zao smiled and nodded. “Yes.”

“Really?” Vivi’s eyes lit up.

“Of course it’s true,” ye Zao said. ”

“Vivi hugged ye Zao excitedly. “Sister Ye, thank you!” ”

“Before she met ye Zao, Vivi felt that it was the same whether she lived or died. ”

“But now, she suddenly felt that living was actually pretty good. ”

“This is what a doctor should do.” Ye Zao looked at Vivi and continued, “The most important thing for you now is to cooperate with the treatment.” ”

“Okay.” Weiwei nodded. “I will.”

“After giving some instructions, ye Zao and Doctor Wang left the ward. ”

“After leaving the ward, doctor Wang looked at ye Zao and said, “Miss Ye, you, you...”he suddenly did not know how to speak halfway.”

“Ye Zao smiled slightly and turned to look at Doctor Wang. He asked, “You want to ask why I lied to Weiwei?” ”

“Yes.”Doctor Wang nodded.

“Ye Zao continued, “I didn’t lie to her.” ”

Didn’t lie?

Doctor Wang looked at ye Zao in disbelief.

“Weiwei’s illness was very strange. Although ye Zao had dealt with it, they had yet to determine the final cause. ”

“Up until now, there was still no treatment plan, but ye Zao said that it could cure Weiwei. ”

“No matter how one looked at it, it was inconceivable. ”

“Doctor Wang continued, “Miss Ye, but haven’t we found the cause of the disease?” ”

“Didn’t chief physician Feng Tell You?”Ye Zao continued to ask.

Doctor Wang shook his head.

“Ye Zao said, “The cause of the disease was confirmed last night.” ”

“Doctor Wang seemed to have remembered something and continued, “Miss Ye, are you saying that Weiwei has ordinary malaria?” ”

“”Yes.”Ye Zhuo nodded slightly. “Although Weiwei’s illness looks very different from malaria, she is indeed malaria. As long as she is treated with malaria, she will definitely recover.” ”

“Doctor Wang was still in disbelief. “Really, really?” ”

Ordinary malaria was nothing in front of professional doctors like them.

“If it was really malaria, they would not be able to detect it. ”

“”It’s true.”Ye Zhuo looked at his watch and said, “My time is up. I’ll be leaving first.” ”

“”Take care, Miss Ye.”Seeing ye Zhuo’s figure walk out of the door, doctor Wang was still a little incredulous. ”

“After a moment, he came back to his senses and walked back to Weiwei’s ward. ”

“Seeing doctor Wang coming back, Weiwei asked curiously, “Doctor Wang, Why Are You Back? where is Sister Ye?” ”

“”She went back first.”Doctor Wang continued, “Weiwei, come with me for a check-up.” ”

“”A check-up?”Weiwei asked curiously, “I already had a check-up yesterday. Sister Ye said there’s no need to do it again.” ”

“After saying that, VIVI continued to ask, “Is there a problem?” ”

“Doctor Wang nodded. “Yes, so we need to do a new check-up.” ”

“Okay.”Vivi nodded and got down from the bed. She then asked, “Where’s sister Ye?” ”

“Miss Ye has already gone back,”doctor Wang said. ”

“OH.”Vivi said, “Then let’s go.” ”

“With that, Vivi walked in front. ”

“Dr. Wang wanted to give Vivi a check-up on malaria. If it was really malaria, it would definitely be detected. ”

Chapter 2528: 533: Surprise 1

“Not long after, doctor Wang brought Weiwei to the examination room. ”

“The examination for malaria required three tests, so it was not too troublesome. ”

“Weiwei looked at doctor Wang and asked, “Doctor Wang, is there a new problem with my body?” ”

“Doctor Wang said, “We will only know after the results of the examination are out.” ”

“Vivi hesitated for a moment before asking, “Is it serious?” ”

“Doctor Wang looked at Vivi. “To be honest, your situation isn’t very optimistic.” ”

He was different from ye Zao.

“Doctor Wang felt that as a doctor, he should tell the patient the truth and not hide it from the patient.”

Ye Zao’s intentions were good.

“However, the patient’s mental endurance was inferior to that of an ordinary person. Under great sorrow and joy, the patient would definitely not be able to withstand it.”

“Therefore, he chose to tell Weiwei the truth.”

“Hearing this, the expression on Weiwei’s face disappeared in an instant.”

““But, but sister ye said that I’ll be able to recover soon!”Weiwei continued.”

“Doctor Wang pushed up his spectacles, “Weiwei, your situation is indeed not optimistic. The reason why Miss Ye said this was because she was afraid that you wouldn’t be able to withstand it. However, the illness can not be hidden. One day, you will also know the true situation.” ”

“Weiwei’s face became paler and paler. She could barely stand. Fortunately, there was a wall behind her. Otherwise, she would have fallen to the ground.”

She had already seen hope.

“However, life had disappointed her again!”

What should she do?

What should she do now?

The strength in Weiwei's body seemed to have been sucked away in an instant.

Doctor Wang reached out to support Weiwei. "You have to be strong."

"Vivi turned to look at Doctor Wang. "Then, do I, do I still have any hope of surviving?" "

"Doctor Wang frowned slightly. "The hope is very small, but it's better than nothing." "

"Okay."Vivi nodded. "I understand."

"Doctor Wang continued, "Vivi, don't be negative. Maintain the optimistic attitude from before. Although our hospital is not confident that we can cure your illness, there is a cause and effect. I believe that we will definitely find a way to cure it one day." "

"Okay."

"Seeing that Weiwei's expression was getting worse, doctor Wang continued, "Weiwei, I only told you the most serious result. Let's wait for the test results to come out." "

"Okay."Weiwei nodded.

"Half an hour later, the test results came out. "

Doctor Wang immediately took the report and looked at it carefully.

The results were as he expected.

Vivi's results did not match up with malaria.

It was not malaria!

“Vivi walked forward. “Doctor Wang, how is it?” ”

Doctor Wang shook his head with a defeated expression.

“He did not say a word, but Vivi had already seen the results from his expression. ”

“After a moment, doctor Wang continued, “Vivi, don’t worry. Don’t worry. I will definitely find a way to save you.” ”

“Weiwei smiled and said, “I believe in miracles more than anyone else.” ”

“However, if miracles appeared so easily, then miracles would not be called miracles. ”

“Seeing her like this, doctor Wang heaved a sigh of relief. “Weiwei, it’s good that you can think like this. Let’s go, I’ll send you back to the ward to rest first.” ”

“Okay.”Weiwei nodded and followed doctor Wang’s footsteps.

“However, compared to when she came, her footsteps were much less lively. ”

She was like a puppet without a soul.

Doctor Wang sent Weiwei to the ward and told her to rest well and not think too much.

“Weiwei smiled and said, “I know, doctor Wang.” ”

Doctor Wang closed the door.

Weiwei leaned against the wall and cried out loud.

She could not bear to leave.

She could not bear to leave this beautiful world.

“A person never wanted to live, until they started to miss the world, and then they were sentenced to death.”

This feeling was very uncomfortable.

She was very grateful to ye Zao.

“At the same time, she also hated ye Zao.”

“Because ye Zao gave her hope, and ye Zao crushed her hope with his own hands.”

She had already become indifferent to life and death.

“Vivi just sat on the ground, hugging her knees with both hands, burying her head deep in her knees.”

The air was filled with suppressed sounds.

It was extremely cramped.

...

Doctor Wang took the examination report and went to look for director Han.

Director Han took the report and looked at Doctor Wang. "What's wrong with Old Wang?"

"Doctor Wang said, "This is Wei Wei's examination report." "

Director Han looked down at the report again and frowned slightly.

"Doctor Wang continued, "Director, I just gave Wei Wei a checkup. She doesn't have malaria at all. Since she doesn't have malaria, she naturally can't be treated according to the treatment plan for malaria." "

Chapter 2529: 533: Surprise 2

"At this point, doctor Wang added, "I know that Miss Ye has cured cancer, but everyone makes mistakes. Even Saints make mistakes, let alone Miss Ye." "

"Director Han pressed the report on the desk and looked up at Doctor Wang, "Doctor Wang, Miss Ye said that Weiwei's malaria has not been detected because it is different from ordinary malaria, so naturally, it can not be examined according to the normal examination plan." "

"Hearing this, doctor Wang was a little angry. He tried his best to suppress the anger in his heart, then, he said, "Director Han, Weiwei's symptoms are clearly not malaria. If we follow the information of the malaria plan, it will only aggravate Weiwei's condition!" "

"Director Han chuckled. "Old Wang, you're really worrying too much. After all, Miss Ye is at the peak of the medical world. We should trust her." "

Pinnacle?

Could it be that the pinnacle would not make mistakes?

“Doctor Wang continued, “Director Han, I know that Miss Ye has created a record that ordinary people can not break, but that doesn’t mean that Miss Ye won’t make mistakes! Please believe me this time. Miss ye really made a mistake in her diagnosis this time!” ”

“That’s impossible!”Director Han said.

Doctor Wang just looked at director Han like that. There was an indescribable expression in his eyes.

He felt very uncomfortable.

“In the past, doctor Wang had never known what it meant to speak lightly. ”

“This time, he truly experienced it. ”

“Because his statement did not reach ye Zhuo’s level, no matter what he said, no one would agree with him. ”

“Doctor Wang calmed himself down. He looked up at director Han and said, “Director, I’ll be leaving first.” ”

“When he turned around, doctor Wang made a decision in his heart. ”

He had to prove himself.

Prove that he was not wrong.

“Director Han looked at Doctor Wang’s back and said, “Old Wang, don’t think too much. Let’s just cooperate with Miss Ye.” ”

Doctor Wang did not say anything and continued walking forward.

“Even when he returned home, doctor Wang was still unhappy. ”

“His wife, Zhang Hong, saw that something was wrong and asked him what was wrong. ”

Doctor Wang told the truth.

“When she heard this, Zhang Hong’s mouth was wide open. She asked in surprise, “Is it that Miracle Doctor Ye who cured cancer?” ”

“Yes.” Doctor Wang nodded.

“Zhang Hong continued, “After all, Miracle Doctor Ye is the first person to cure cancer. Since your director said so, there shouldn’t be any problems, right? You like to think about things.” ”

“Doctor Wang was already very depressed. Now that he saw that his wife still did not understand him, he felt even worse. ”

“I support the Army!” Doctor Wang’s mother walked out of the kitchen with a bowl of soup in her hand. “Come to the army. Drink a bowl of mung bean soup every day to relieve the heat.”

Doctor Wang took the bowl from his mother’s hand.

“Mother Wang continued, “Army, I believe you. What Miracle Doctor Ye or Miracle Doctor Ye? So what if she cured cancer? Curing cancer only means that she is an expert in oncology. In front of other outpatient clinics, she is nothing!” ”

“In mother Wang’s heart, her son was always right. ”

What Miracle Doctor Ye

“As long as it was a human, there would be flaws.”

It was the same for Miracle Doctor Ye.

“Doctor Wang turned to look at his mother. “Mom, do you really believe in me?” ”

“Although his mother was not an expert in the medical field, at this moment, under the circumstances where no one believed in him, his mother’s trust was extremely precious.”

Mother Wang nodded. “Of course I believe in You! I also support you to make some achievements. Let them see what kind of Bullsh * t Miracle Doctor Ye is. My Son is much more powerful than Miracle Doctor Ye.”

Ye Zhuo’s position in the medical field was already at the peak.

“If doctor Wang could surpass ye Zhuo to prove himself, then doctor Wang would be the new peak of the medical field.”

Mother Wang had always believed in her son.

“At this point, mother Wang turned to look at doctor Wang and said, “Son, you have to make good use of this opportunity. This might be the turning point in your life.” ”

“Hearing this, doctor Wang’s eyes lit up.”

“Zhang Hong was a little worried, “Mom, Miracle Doctor Ye is an authoritative figure. She must have her own reason for determining the cause of the illness. Da Jun is already a chief physician now. There’s no need to take this risk. If anything happens to him, his life will be over!” ”

“Upon hearing this, the queen mother was extremely unhappy. “Tell me, other than throwing cold water on the military, what else can you do? If it weren’t for you, the military would have long become the vice-president!” ”

Zhang Hong did not say anything else. It was obvious that she was in the wrong.

Chapter 2530: 533: Surprise 3

What happened back then was indeed her fault.

“Wang Jun’s mother continued, “Jun Jun, this time, you can be at ease and do it boldly. No one will drag you down.” ”

“Wang Jun turned to look at his mother and nodded firmly. “Yes, mother!” ”

“This time, he would prove himself to the whole world. ”

...

On the other side.

“After ye Zhuo left the hospital, he made another trip to the base. ”

“Recently, CEN Shaoqing had gone on a business trip, so the base was a little busy. ”

“After ye Zao left the base and got into the car, he received a call from CEN Shaoqing. ”

“As Ye Zao started the engine, he picked up the Bluetooth headset and put it on. Then, he slid to the receiver. ”

“Hello, leader.” A deep and magnetic voice came from the other end of the headset. ”

“Yes.”

“Have you eaten?” Cen Shaoqing asked.

Ye Zhuo held the steering wheel with both hands. “Not yet. I’m about to eat. What About You?”

“I haven’t either.” Cen Shaoqing twirled the Buddhist beads. “What do you want to eat? I’ll get someone to call the same thing over. We can synchronize.”

“Yes...” Ye Zhuo thought for a moment and then said, “I want to eat braised pork in red sauce. I want to eat green pepper with tiger skin, shrimp skirt with soup, and a double dessert. That would be perfect.” ”

“Then go eat. I’ll ask my secretary to order it for me.”

“Okay.”

“CEN Shaoqing continued, “Focus on driving. We’ll talk when we get to the restaurant.” ”

“Okay.” Ye Zao Hung Up the phone.

“Ten minutes later, ye Zao came to the restaurant and ordered everything he wanted to eat. Then, he took a photo and sent it to Cen Shaoqing. ”

“Cen Shaoqing quickly replied, [what a coincidence. Mine just arrived [photo jpg -RSB- .] ”

Ye Zhuo had just finished looking at the message when his video call came.

Ye Zhuo tapped to answer it.

An overly cold face quickly appeared on the other end of the screen.

“Why are you so busy that you’re only eating now?”Ye Zhuo asked.

“CEN shaoqing slowly said, “I’m not hungry.” ”

The two of them chatted as they ate.

“After eating, Cen Shaoqing picked up the Buddha beads by the side and habitually twirled them. Then he said, “Oh right, leader, there’s something I need to tell you.” ”

“What is it?”Ye Zhuo asked.

Cen Shaoqing took a sip of tea and opened his thin lips slightly. “I might not be able to come back tomorrow.”

Tomorrow was the day the Cen family went to the Lin family to propose the marriage.

“Logically speaking, Cen Shaoqing, the groom-to-be, would definitely be present at such an important occasion. ”

“After saying that, CEN Shaoqing continued, “I was originally planning to take some time to come back, but the situation here is more complicated than I imagined. Leader, you won’t be angry, right?” ”

“Ye Zhuo smiled and said, “I’m not angry. Work matters are more important. Anyway, tomorrow is just a formality.” ”

“It’s good that you’re not angry.”

...

On the other side.

At the CEN residence.

Old Mrs. Cen was organizing the things that she was going to bring to the Lin family tomorrow.

She was going to set the date tomorrow.

“After Tomorrow, Cen Shaoqing and Ye Zhuo’s wedding would be officially finalized.”

“At this moment, Zhou Xiang walked over and said, “Mom, Shaoqing just called and said that he might not be able to come back tomorrow.” ”

“”What?”Old Mrs. Cen’s expression changed, and she turned to look at Zhou Xiang.”

Zhou Xiang repeated what he had just said.

“”This brat, What Day Is Tomorrow? He actually dares not to come back!”Old Mrs. Cen continued, “Go and call him. Tell him that no matter what happens tomorrow, even if the sky collapses, he must come back for me!” ”

Marriage was a major event of a lifetime!

“Moreover, the woman who set the date valued the man’s attitude.”

“If Cen Shaoqing didn’t come at this time, how would the Lin family view them?”

“Zhou Xiang immediately took out her phone and called Cen Shaoqing. “Okay, I’ll contact Shaoqing right away.” ”

“The next second, Zhou Xiang looked at Old Mrs. Cen with a subtle expression. “Mom, Shaoqing’s phone is off.” ”

“This brat!” Old Mrs. Cen was very angry. “What is he trying to do? Is He going to Heaven?”

What Day was tomorrow? He did not know?

“Cen Shaoqing could be absent at any time, but not tomorrow! ”

“”Mom, what should we do now?” Zhou Xiang looked at Old Mrs. Cen and asked. ”

“Old Mrs. Cen frowned. “When he comes back, I will break his legs and let him go to the burning family to apologize!” ”

“After saying that, old Mrs. Cen continued, “Xiangxiang, go and check the items, right?” ”

“After all, it was a fixed date. ”

“Other than traditional gifts, the thicker the gift, the better. ”

The relatives of the Lin family would all be present tomorrow. They must not let the Lin family lose face.

“Zhou Xiang nodded. “Okay, I’ll go now.” ”

“Half an hour later, Zhou Xiang walked in with the gift list. She looked at Old Mrs. Cen and said, “Mom, there are 28 cars in total. The items are all on this list. Please take a look.”
