

Almighty D 2531

Chapter 2531: 533: Surprise 4

Old Mrs. Cen took the gift list and carefully checked it.

“After saying that, old Mrs. Cen continued, “Xiangxiang, give that Brat a call tomorrow morning.” ”

“Okay.”

Lin family.

“After ye Zhuo went back, he told his parents that Cen Shaoqing might not be able to come tomorrow. ”

“Ye Shu smiled and said, “It’s fine, it’s fine. We all know that Kid Shaoqing. He definitely had something to do and couldn’t come. It’s the same for Old Mrs. And your Aunt Xiangxiang. It’s just a formality.” ”

“Lin Jincheng’s expression didn’t look too good, “No matter what, tomorrow is one of the most important things in your lives. If he doesn’t come at this time, your mother and I can understand. What will the others think?” No matter how one looked at it, it was because Cen Shaoqing didn’t seem to value him. ”

“If he valued him enough, he would come no matter what. ”

“As the saying went, when a mother-in-law looked at her son-in-law, the more she looked at him, the more she liked him. Ye Shu looked at Lin Jincheng and said, “Shaoqing is definitely not the kind of person you’re talking about!” ”

“After saying that, Ye Shu looked at ye Zao again, then, she said, “Zao Zao, don’t listen to your father’s nonsense. I believe in Shaoqing! Today is just setting the date, not missing the wedding. Shaoqing is usually a very polite child. This time, he must have something to do!” ”

“Yes.”Ye Zao nodded slightly.

Lin Jincheng did not say anything else.

“But from his expression, it could be seen that he had a lot of opinions on this matter.”

“Marrying off his daughter was originally a heartbreaking matter for a father. Now that the man was so unconcerned, it made him, an old father, feel even more reluctant to part with his daughter.”

Setting a date was also a matter of timing.

“She left at 7:28 am and arrived at the Lin family home at 8:28 am, so Old Lady Cen got up at 5:30 am.”

She was mainly excited.

“In the next few decades, how could she have imagined that she would have the opportunity to personally manage Cen Shaoqing’s wedding.”

“At that time, she was even prepared to let Cen Shaoqing be a monk for the rest of his life.”

She felt like she was living in a dream.

“Old Madam Cen even started humming a tune. However, when she thought of Cen Shaoqing saying that he would not be able to come back today, her expression immediately darkened.”

Rascal!

He was really too insensible!

“Coincidentally, Zhou Xiang also came downstairs at this time.”

Old Mrs. Cen looked at Zhou Xiang. “Have you contacted Shaoqing?”

Zhou Xiang shook her head. “I haven’t contacted him yet.”

“Old Mrs. Cen was so angry that she almost burst into a torrent of abuse. She said angrily, “If he isn’t my grandson, I wish him to be a bachelor for the rest of his life! How can such a person find a girlfriend! He doesn’t deserve it!” ”

“Zhou xiang comforted her, “Mom, don’t be angry. Maybe Shaoqing really met with something important.” ”

“Bullsh * t important! How can the most important thing be compared to searing?”The Cen Old Lady said.

Zhou Xiang didn’t say anything else.

“Soon, it was seven o’clock. ”

There were still twenty-eight minutes before the departure time.

The Cen family’s servants had already set off firecrackers in front of the gate.

“Twenty minutes after the departure time, the Cen Old Lady got into the car. ”

“At this moment, a surprised voice sounded from outside the door. ”

“Shaoqing!”

“Hearing this, Old Mrs. Cen immediately got out of the car and indeed saw Cen Shaoqing holding a bouquet of flowers.”

“Old Mrs. Cen continued, “Quickly get in the car. Don’t delay the auspicious hour.” ”

“Okay.”Cen Shaoqing nodded slightly and sat in the back seat.

Eight minutes later.

“Following the sound of firecrackers, the car started to set off.”

The speed of the car was neither fast nor slow. It was controlled to reach the Lin family’s house within one hour.

“When the servants from the Lin residence saw the car approaching, they immediately lit the firecrackers.”

“Then, the car door was opened.”

“Cen Shaoqing, who was holding fresh flowers in his hands, was the first to lean out from inside.”

“He had a slender figure. When he stood up, he blocked most of the sunlight. Although his face could not be seen clearly, the aura around him could not be ignored.”

“When he saw him, ye Zhuo was slightly stunned. Then, he jogged over and took the flowers. “Didn’t you say that you were not free to come today?” ”

“Cen Shaoqing said in a low voice, “I wanted to give you a surprise, so I said so.” ”

Chapter 2532: 534: a great big shot

No wonder.

Ye Zhuo curled his lips and looked up at Cen Shaoqing. "Then you've really offended my father."

"What do you mean?" Cen Shaoqing asked in a low voice.

"Ye Zhuo continued, "After I talked to him last night, he really thought that you weren't coming, so he flew into a rage." "

Lin Jincheng was indeed quite angry yesterday.

"After all, setting a date was a big day in one's life. "

"If Cen Shaoqing attended at this time, it was enough to show that he didn't value ye Zhuo and the Lin family enough. "

Cen Shaoqing curled his lips slightly. "It's such an important day. How could I not come?".

"After saying that, CEN Shaoqing continued to ask, "Is auntie angry?" "

"My mother isn't angry," ye Zhuo continued, "Not only is she not angry, but she's also trying to excuse you. You didn't see the look in my father's eyes at that time." "

It was said that a mother-in-law liked her son-in-law the more she looked at him. This sentence made a lot of sense.

“Hearing this, the corners of Cen Shaoqing’s mouth curled up. “What About You? What did you think at that time?” ”

“Of course I understand you,”ye Zhuo answered. ”

“Are you disappointed?”Cen Shaoqing asked.

“It would be a lie to say that he was not disappointed. After all, it was a very important day. ”

“However, ye Zhuo still understood him very well. ”

“A little.”Ye Zhuo made a gesture with his hand.

“While the two of them were talking, they had already walked into the hall. ”

“When he saw Cen Shaoqing, Lin Ze, who was originally depressed, was suddenly stunned. ”

Was he seeing things?

“Otherwise, why would he see Cen Shaoqing? ”

Didn’t Cen Shaoqing not have the time to come over?

“Mr. Cen!”Bai Jingshu said in surprise when she saw Cen Shaoqing.

“You saw it too?”Lin Ze turned to look at Bai Jingshu.

Bai Jingshu nodded slightly. “Yes.”

“After she said that, Bai Jingshu smiled and said, “I thought Cen Shaoqing really wasn’t coming, but he still came. You, don’t keep a straight face.” ”

“Ever since he found out that Cen Shaoqing wasn’t coming, Lin Ze had been pulling a long face. ”

“Hearing that, Lin ze said somewhat awkwardly, “I didn’t pull a long face.” ”

“As long as he didn’t admit it, no one would know. ”

“Bai Jingshu smiled and said, “Okay, okay, okay. You didn’t.” ”

“Seeing Cen Shaoqing, Lin Jincheng was also a little surprised. ”

“He rubbed his eyes, but there was still no change in front of his eyes. A moment later, Lin Jincheng turned to look at ye Shu beside him and said, “Is that that kid from the Cen Family?” ”

““That’s right.”Ye Shu smiled and said, “Are you feeling better now?”? “I was worried that Shaoqing wouldn’t come. I told you that Shaoqing wasn’t that kind of person, but you didn’t believe me. You were angry for a long time!”! “Look, it’s all in vain!” ”

“Lin Jincheng touched his head. “This kid, what game is he playing with me!” ”

““You really are a person!”Ye Shu looked at Lin Jincheng and said somewhat speechlessly, “Shaoqing didn’t come and you’re angry. He came and you’re acting all weird again! What do you want?” ”

“Ah Shu! Why are you helping others? !”Lin Jincheng said somewhat speechlessly.

“How am I helping others?”Ye Shu asked.

“Lin Jincheng said, “You always speak up for outsiders, and you even say that you’re not helping others!”Lin Jincheng even suspected that Cen Shaoqing was ye Shu’s biological son! ”

“Even if he was his biological son, he wouldn’t be so attentive. ”

“You said that Shaoqing is an outsider?”Ye Shu asked.

“Lin Jincheng said exasperatedly, “Not only is he an outsider, he’s also a thief!” ”

“What did he steal from you?”Ye Shu asked.

“Lin Jincheng said, “He stole my precious daughter!” ”

“His precious daughter was going to be taken away by a pig like Cen Shaoqing. As a father, no matter how he thought about it, he didn’t feel good about it. ”

“Ye Shu smiled and said, “Look at you! The situation is getting smaller! You should think like this. From now on, our family will have one more family member!” ”

Lin Jincheng did not say anything.

“”Uncle and aunt.”At this moment, Cen Shaoqing held ye Zhuo’s hand and walked in front of the two of them. ”

Lin Jincheng was stunned.

“Ye Shu quickly reacted and smiled as she gave CEN Shaoqing a red packet. “Okay, okay, okay.” ”

“As soon as she finished speaking, ye Shu elbowed Lin Jincheng. ”

Lin Jincheng finally reacted and smiled. “Didn’t you say you weren’t coming? Why are you here all of a sudden?”

Lin Jincheng felt that something was wrong.

Was Cen Shaoqing playing some tricks with him.

“After all, in Lin Jincheng’s eyes, Cen Shaoqing was just a pig who wanted to eat cabbage.”

“Ye Shu quickly smiled and explained, “Shaoqing, what your uncle means is that he is very happy that you can come!” ”

“Cen Shaoqing explained, “I said that I couldn’t come earlier because I wanted to give Zao Zao a surprise. It was my thoughtlessness that made uncle and aunt worried!” ”

Chapter 2533: 534: Amazing Big Shot 2

“So that’s how it is!”Ye Shu was getting more and more satisfied.

“Lin Jincheng continued, “I’m afraid it’s just a shock.” ”

“In fact, Lin Jincheng did not have such a big objection to Cen Shaoqing before. ”

It could be because of the anxiety of marrying a daughter.

“In the past, Cen Shaoqing was only in a relationship with Ye Zhuo. ”

It was different now.

“After today, the wedding date between Ye Zhuo and Cen Shaoqing was set. In the future, Ye Zhuo would be married to Cen Shaoqing.”

“Hearing this, Ye Shu immediately pinched Lin Jincheng and said in a low voice, “If you don’t know how to speak, then don’t speak.” ”

This was the little romance between Cen Shaoqing and Ye Zhuo.

Lin Jincheng’s words were too unromantic.

“Cen Shaoqing’s attitude of admitting his mistake was very good. “Uncle, you’re right. Indeed, I wasn’t thoughtful. I shouldn’t joke about such a big matter. Don’t worry, I won’t do it again in the future.” ”

“Look at how good this child’s attitude towards admitting his mistake is!”Ye Shu said with a smile.

Lin Jincheng didn’t say anything.

“Ye Shu elbowed Lin Jincheng and said with some dissatisfaction, “Say something!” ”

“Lin Jincheng’s mood was very subtle now. He looked at CEN Shaoqing and said, “Quickly go in!” ”

““Go in,”ye Shu said as well. ”

Cen Shaoqing then followed ye Zhuo in.

“Cen Shaoqing lowered his voice and said, “I think uncle is in a bad mood today.” ”

“The cabbage that he worked so hard to raise was eaten by a pig. Do you think he will be able to recover?”Ye Zhuo asked.

“Although what you said makes sense, but as for keeping a straight face, I think my attitude is still very good.” Cen Shaoqing held Ye Zhuo’s hand tightly. ”

“Cen Shaoqing did not have a daughter now, so he could not sympathize with Lin Jin city at all. ”

“His daughter had finally found her own happiness. As an old father, he should give her his blessings. ”

“Ye Zhuo smiled and said, “You will know when you have a daughter in the future.” ”

“CEN Shaoqing said, “I will definitely give them my blessings with a smile.” ”

“That may not be the case.” Ye Zhuo continued, “Under normal circumstances, it is the mother-in-law who likes her son-in-law the more she sees him. In the eyes of the father-in-law, sons-in-law are all pigs.” ”

“How can a pig be as beautiful as me?” Cen Shaoqing asked in return.

“Ye Zhuo raised his eyebrows slightly. “I don’t know if a pig is as outstanding as you, but I know that a pig is definitely not as narcissistic as you.” ”

Cen Shaoqing twirled the Buddhist beads. “Birds of a feather flock together.”

“As he finished speaking, CEN Shaoqing continued, “There’s another term called subtly shifting.” ”

“Who are you referring to?” Ye Zhuo asked.

“I’m referring to myself,” Cen Shaoqing said. ”

“That’s more like it.”

“As they spoke, the two of them had already arrived at the hall.”

Almost all of the Cen family’s relatives had arrived.

Those they knew.

Those they didn’t know.

““CEN fifth master, Congratulations!” A distant relative of the Lin family came to congratulate them.”

“Ye Zhuo introduced, “This is second cousin.” ”

““Same to you,” Cen Shaoqing replied politely. ”

“Zhuo Zhuo looks really good today.” Sixth Cousin’s wife walked over with a smile.

““Thank you, sixth cousin.” ”

Ye Zhuo led Cen Shaoqing around the hall.

He greeted his relatives.

““Little Twelve!” At this moment, eighth cousin’s wife came over with the child in her arms.”

“Eighth cousin’s wife.” Ye Zhuo immediately called for help.

“Eighth cousin’s wife continued, “Little Twelve, your eighth brother and I want to go out for a while. Can you help us take care of Baylor?” ”

“Alright.”Ye Zhuo took the little nephew from the eighth cousin’s wife’s hands.

“The eighth cousin’s wife said somewhat embarrassedly, “Little twelve, then I’ll have to trouble you. Baylor is a stranger. He doesn’t want anyone to bring him along. He has his eyes on you!” ”

“Hearing this, Baylor immediately answered vaguely, “Du du, beautiful!”Baylor was still learning to speak at the moment, and his aunt was pronounced ‘du Du’by him ”

“”You Little Thing, you know how beautiful you are!”Eighth Cousin’s wife said somewhat speechlessly. ”

Cen Shaoqing stood by the side.

“After eighth cousin’s wife left, he said, “Leader, let me do it. He’s too fat, you can’t carry him!” ”

“Baylor had just turned one year old this year, and he weighed 38 pounds. Compared to his peers, he was indeed quite fat. ”

“Baylor looked at Cen Shaoqing like this, his pair of big eyes rolling around non-stop. In his heart, he was thinking whether he should cry for Cen Shaoqing to see. ”

“After thinking for a long time, Baylor decided not to cry. ”

A man should not cry!

“”Don’t worry, I can carry him,”ye Zao said. ”

“Baylor was only 38 pounds. If it was 380 pounds, she could still carry him. ”

Sprinkle water.

“To prove himself, Baylor looked at ye Zao and said, “Du du, come down!” ”

He had just learned how to speak and could only say four words at a time.

“Come down?”Ye Zao looked at Baylor. “Do you mean you want to come down?”

Chapter 2534: 534: A Great Big Shot 3

Baylor nodded.

“Ye Zao put Baylor on the ground, a little worried. ”

“Baylor had just learned how to walk, and when he walked, he swayed. Ye Zao was a little worried and used his hand to support him. Baylor pushed away ye Zao’s hand and said in a childish voice, “I know nine! I’m Not Fat!” ”

“Ye Zao smiled and said, “Okay, okay, our Baylor is not fat!” ”

Baylor looked at Cen Shaoqing and snorted.

“He was clearly a child, but he acted like an adult, making people not know whether to laugh or cry. ”

“CEN Shaoqing continued, “Leader, why is he called Baylor?” ”

“Ye Zao continued, “Didn’t you notice his hairstyle?” ”

Cen Shaoqing immediately looked down and indeed saw Baylor's unusual hairstyle. His thin lips parted slightly. "He's already bald at such a young age. He definitely won't be able to find a girlfriend in the future."

"Although Baylor did not know what a girlfriend meant, he could tell that it was definitely not something good. He looked at Cen Shaoqing and rolled his eyes."

Ye Zhuo could not help but laugh. "He rolled his eyes at you."

"Cen Shaoqing did not say anything on the surface. In fact, when ye Zhuo was not paying attention, he immediately rolled his eyes at Baylor."

This scene was coincidentally captured by Ye Zhuo who was looking back.

Cen Shaoqing was stunned.

"Ye Zhuo laughed out loud. "Mr. Cen, you're too childish!" He actually rolled his eyes at a child."

Cen Shaoqing could not defend himself.

Baylor laughed very proudly.

"At this moment, Ye Zhuo received a text message."

It was from Zhao Pingting.

Zhao pingting came over to look for her. She had a misunderstanding with someone on the way and went to the police station. She needed to go over.

Ye Zhuo looked at Cen Shaoqing. "I'm going out for a while. You take care of Baylor."

“Where are you going?” Cen Shaoqing asked.

“Pingting had a misunderstanding with someone. She asked me to go over. Don’t worry, I’ll be back soon,” ye Zhuo replied. ”

“Okay.” Cen Shaoqing nodded slightly and continued, “Call me almost anytime if there’s anything.” ”

“Okay.” Ye Zao nodded slightly and squatted down to look at Baylor. He instructed, “Baylor, listen to your uncle. Aunt will be back soon.” ”

Baylor pursed his lips and was about to cry.

Ye Zao had a headache.

“Watch me.” Cen Shaoqing gave ye Zao a look, then squatted down and whispered a few words into Baylor’s ear. ”

It was very magical!

“After listening to Cen Shaoqing, Baylor immediately stopped crying. He raised his head to look at Ye Zao with tears in his eyes. “Listen, listen to me!” ”

“Cen Shaoqing explained from the side, “Baylor means that he is a little man. You can rest assured that he won’t Cry!” ”

“Yes.” Baylor nodded in cooperation.

“Baylor is so obedient!” Ye Zao hugged Baylor’s face and kissed him on the cheek.

Cen Shaoqing: "...he really wanted to give himself a tight slap.

Ye Zao turned around and left.

Baylor looked at her back reluctantly until she was nowhere to be seen.

"Although Cen Shaoqing was a little against Baylor, he would not bother with a child, let alone a child who had just turned one year old."

"Not long after, Ye Zao came with Zhao Pingting."

"Zhao Pingting looked at the guests in the hall and asked curiously, "Why don't I see Lizi?" "

"Logically speaking, an Lizi wouldn't be absent at such an occasion."

"Ye Zhuo explained, "Lizi's defense is today. She might arrive later." "

"Her defense is today?" Zhao Pingting asked.

"Yes." Ye Zhuo nodded slightly.

"No Wonder."

"While the two were chatting, a small figure rushed towards them."

"Du du!" Baylor opened both of his arms and rushed towards them.

Ye Zao squatted down and also opened his arms to welcome him.

“Baylor.”

“Seeing such a loving scene, Zhao Pingting’s heart almost melted. She asked, “Zao, whose child is This?” ”

“Ye Zha smiled and said, “This belongs to my eighth cousin’s sister-in-law.” ”

“Zhao Pingting reached out and pinched Baylor’s face. “How cute! Little Guy, What’s Your Name?” ”

““Fai, Brother Fai!”Baylor said. ”

“Brother Fai?”Zhao Pingting was stunned.

“Ye Zha smiled and said, “It’s a handsome guy.” ”

“Yes!”Baylor nodded.

This was what his father had taught him.

“If a pretty girl asked him his name, he should answer that she was a handsome guy.” ”

Zhao pingting laughed even more anxiously.

“Ye Zhuo continued to ask, “Where’s your uncle?” ”

“Then!”Baylor pointed with his small hand.

Ye Zhuo looked in the direction Baylor was pointing and saw Cen Shaoqing.

“Pingting, let’s go take a look,”ye Zhuo said. ”

“Okay.”Zhao Pingting followed ye Zhuo’s footsteps.

Chapter 2535: 534: a big shot 4

Cen Shaoqing did not notice that Baylor was missing.

He was looking for a toy for Baylor.

“At this moment, he saw Baylor’s toy in the hands of an eight or nine-year-old little girl. ”

“Cen Shaoqing immediately walked in front of the little girl. “Little friend, this toy of yours...” ”

“Before he could finish his sentence, the little girl raised her head and looked at Cen Shaoqing. With an old-fashioned manner, she said, “Which family are you from? Is this the attitude you have when talking to your elders?” ”

???

Cen Shaoqing was stunned.

Why did this little girl sound so angry when she spoke!

“Cen Shaoqing was just about to lecture the little girl and tell her that children should not talk like that when Lin Ze walked over and said, “Great-aunt.” ”

Great-aunt!

Cen Shaoqing was immediately stunned.

Who Was Lin Ze calling great-aunt?

It was simply terrifying!

“The little girl glanced at Lin Ze and nodded. “This is little ze, right? We haven’t seen each other for many years. We almost don’t know each other anymore!” ”

“Lin ze nodded and continued, “Great-aunt, this is searing’s boyfriend.” ”

“After saying that, Lin Ze looked at CEN Shaoqing and introduced, “This is great-aunt.” ”

Cen Shaoqing did not say a word for a long time.

Was this the legendary seniority of the younger generation?

The little girl saw that Cen Shaoqing did not say a word and placed her hands behind her back. She shook her head helplessly. “The younger generation nowadays is really getting more and more insensible!”

“At the end of her sentence, she even let out a meaningful sigh. ”

She looked very much like an elder in the family.

Cen Shaoqing:” ...”

“Lin Ze continued, “Great-aunt, there’s self-service ice cream over there.” ”

“Really?”The little girl’s expression immediately changed. “Where is it?”

Lin Ze pointed in a direction and the little girl immediately ran over.

“Lin Ze explained to CEN shaoqing, “Great-aunt is a relative of Grandma’s side. Grandma has to call her mom ‘Little Aunt’. Anyway, it’s quite complicated. Our great-aunt only got this daughter when she was almost fifty years old. She dotes on her like nothing else.” ”

“Cen Shaoqing had always known that ye Zao’s seniority was very low, but he did not expect that ye Zao’s seniority was even lower than that of a seven or eight-year-old child. ”

He had miscalculated!

“Lin Ze seemed to have read CEN Shaoqing’s mind. He patted him on the shoulder and said, “You’ll get used to it in the future.” ”

““Brother, what are you guys talking about?”At this moment, ye Zao walked over to the two of them. ”

“Lin Ze smiled and said, “I just introduced our great-aunt to fifth brother.” ”

Ye Zhuo couldn’t stop smiling.

“Actually, when she first met her great-aunt, she was also very shocked. ”

“At that time, she even called her great-aunt a little sister. ”

“In the end, she was severely taught by her great-aunt. ”

“Even now, Ye Zhuo still remembered the scene at that time. ”

“Looking at Cen Shaoqing’s appearance, she knew that he must have been taught by his great-aunt. ”

Zhao Pingting was a little puzzled. “What about great-aunt?”

“This great-aunt has a great background!”Ye Zao said mysteriously.

“Zhao pingting asked curiously, “Is she a very powerful big shot?” ”

Ye Zao and Cen Shaoqing were already very powerful big shots.

Zhao Pingting was very curious. What kind of big shot could make CEN Shaoqing show such an expression.

“”It’s really quite impressive.”Ye Zhuo turned his head and pointed in a direction. “Here, that’s the one.” ”

“Hearing this, Zhao Pingting tiptoed and looked over. “Is it the old man wearing the Purple Cape?” ”

“Ye Zhuo smiled and said, “It’s the one eating ice cream next to the old man.” ”

“Hearing this, Zhao Pingting widened her eyes and looked at ye Zhuo in disbelief. “Is it the little kid who is eating ice cream?” ”

“Yes.”Ye Zao nodded slightly.

Zhao Pingting was in disbelief. “Are you sure that that little friend is your great-aunt?”

“”Yes, definitely,”ye Zao said. ”

Zhao Pingting swallowed her throat.

This big shot was really big. No wonder Cen Shaoqing had such an expression on his face.

“Very soon, the luncheon began. ”

The Lin Family Manor had a special banquet hall.

“After the luncheon, Lin Jincheng, Ye Shu, Ye Langhua, Old Mrs. Cen, Zhou Xiang, and the other four brothers of the Lin family sat together and discussed the wedding day. ”

Old Mrs. Cen took out the three dates that she had chosen.

“After Lin Jincheng saw them, he showed them to the other four brothers as well. ”

“The few of them discussed for a while, and Lin Jincheng continued, “Old Mrs. Cen, why don’t we set it for the sixth day of February next year?” ”

“Old Lady Cen smiled and said, “As long as you don’t have any objections, we won’t have any objections.” ”

Chapter 2536: 535: the wedding date has been set

“Now, it was the Cen family’s request for marriage. ”

“As long as there were no problems with the Lin family, the Cen family only needed to cooperate well. ”

“Ye Shu smiled and said, “I also think that February 6th is a pretty good day.” ”

““Since both of you think it’s pretty good, then let’s set it for February 6th,” Lin Jincheng continued. ”

““What about the two young people?” Lin Qingxuan smiled and looked at Ye Zhuo and Cen Shaoqing. “Zhuozhuo, Shaoqing, what do the two of you think? is February 6th okay?” ”

“Ye Langhua continued, “Yes, yes, yes. His fourth uncle is right. The important thing is that both young men like this day. We should ask the two young men.” ”

“I’m fine with it.” Ye Zhuo turned to Cen Shaoqing. “What About You?”

Cen Shaoqing twirled the prayer beads. “I’m fine with it too.”

“Of course, Cen Shaoqing hoped that the wedding date would be as close as possible. ”

“In the past, he loved being a monk. ”

He ate vegetarian scriptures every day to clear his mind and keep his desires low.

“However, there were some things that once started, he could no longer clear his mind and keep his desires low. ”

“Old Madam Cen smiled and said, “Since there’s no problem, then let’s set it up like this. Father and mother, let’s set the wedding date for the two children on the sixth day of February.” ”

“Sure.” Lin Jincheng nodded.

“After the wedding date was set, Old Mrs. Cen felt relieved, she smiled and said, “Our Shaoqing is lucky to be together with Zha Zha Zha. Father Zha Zha, Mother Zha Zha, Lang Hua, and a few uncles, please rest assured that after Zha Zha arrives at our Cen family, we will not let her suffer any grievances.” ”

“Hearing this, Zhou Xiang continued, “Last night, my mother said that when Zhonghua marries into the family, she will let Zhonghua be the head of the family.” ”

“Yes.” Old Mrs. Cen nodded.

The elders at the table were all satisfied.

It had to be said that the CEN family did a good job.

“Cen Shaoqing held ye Zhonghua’s hand tightly and said in a low voice, “Leader, you will not be my leader alone from now on.” ”

“Huh?” Ye Zao looked at him in puzzlement.

“Cen Shaoqing’s voice was low and deep as he whispered into her ear, “You are the leader of our entire family. You are a leader who will never go back on his word.” ”

“Hearing this, Ye Zao’s brows and eyes were filled with smiles. ”

“After the wedding date was discussed, the elders were divided into several groups: those who fought the landlord, those who played mahjong, and those who fought the landlord. ”

The Lin family manor was very lively.

“Ye Langhua looked at the lively scene and said with some emotion, “It’s a pity that grandma searing can’t see.” ”

“Hearing this, Old Mrs. Cen’s eyes also looked distant. “In the blink of an eye, time really flies.” She still clearly remembered the scene when she went to university with old Mrs. Lin. ”

“At that time, both of them were still young girls in their twenties. ”

“In the blink of an eye, their old friends had turned into a pile of dirt.”

“Ye Langhua nodded and continued, “Life is like a dream!” ”

“Thinking back to the past, ye Langhua’s heart was filled with a myriad of emotions.”

Old Madam Cen looked at Ye Langhua. “Langhua.”

“Yes.”

“Old madam CEN continued, “Do you still have any unfulfilled wishes in your life?” ”

Ye Langhua smiled and shook her head. “No.”

“In the past, her greatest dream was to be reunited with her daughter.”

“Unfortunately, she had experienced disappointment after disappointment.”

“Now that she had finally found her daughter and shared the joy of family, ye Langhua really did not have any other wishes.”

““What About You, elder sister?”Ye Langhua looked at Old Mrs. Cen.”

“Old Mrs. Cen smiled and said, “Yes.” ”

“What is it?”Ye Langhua asked.

“Old Mrs. Cen continued, “I want to witness the birth of my great-grandchild with my own eyes.” ”

“After saying that., old Mrs. Cen continued, “I’ve done some calculations. Zhuozhu and Shaoqing will get married in February next year. If they get married and get pregnant for the second time, the child will be born in February the next year. If things continue to develop at this pace, I’ll have to persist for another three years. “My current physical condition is pretty good. I probably won’t leave just like that. “I’ll pay more attention in the future. I must see my precious great-grandchild.” ”

“Because CEN Shaoqing had always been in a state of no love and no marriage, wanting to see the birth of Cen Shaoqing and Ye Zhuo’s child with her own eyes had almost become an obsession of old Madam Cen.”

“Ye Langhua turned to look at Old Madam Cen. “With your good health, not only can you see the birth of the child, but you can also see him go to school, get married, and have children.” ”

“Hearing this, Old Madam Cen laughed out loud. “I’m already ninety-eight this year. If I live long enough for him to get married and have children, won’t I become an old monster?” ”

“Ye Langhua said, “What old monster! There are many centenarians now!” ”

Chapter 2537: 535: the wedding date has been set at 2

Old Mrs. Cen looked into the distance. “I don’t expect to be 100 years old. My only wish is to be able to see my precious great-grandchild. Just one look and I’ll be satisfied.”

“Ye langhua smiled and said, “Definitely.” ”

“Okay.” Old Mrs. Cen nodded.

“In order to successfully see her great-grandchild, old Mrs. Cen worked very hard.”

“She was not a person who liked sports, but for the sake of her great-grandson, she now woke up almost every morning and went to the gym for a run. She did not dare to eat recklessly. The food she ate every day was prepared by a dietitian. ”

“”I hope so,” old Mrs. Cen continued. ”

“The topic seemed to be too heavy. Ye langhua continued, “Let’s go play mahjong?” ”

“When Old Madam Cen heard this, her eyes immediately lit up. “Let’s go, Let’s Go!” ”

“Actually, sitting for too long was not good for the elderly, but today was a good day. ”

“On the other side, an Lizi came back after her defense and immediately rushed to ye Zao’s side. “Zao Zao!” ”

“Ye Zao looked back slightly and said with a smile, “How was your defense?” ”

“”You performed normally.”An Lizi held ye Zao’s arm and continued to ask, “Zao Zao, have you guys decided on the wedding day?” ”

“Yes.”Ye Zao nodded slightly.

“An lizi immediately asked, “Which date?” ”

“”The sixth day of February,”ye Zao answered. ”

An Lizi calculated that there was still half a year left.

“”Congratulations!”An lizi smiled and said, “Fifth master must be very happy now. He can finally get the beauty back!” ”

“He’s really quite smug now.” Of course, Cen Shaoqing was not the only one who was happy. It was a great thing to be able to have a successful relationship with the person he loved. Ye Zao continued to ask, “Lizi, what about you?” ”

“An Lizi was stunned for a moment. She pointed at herself and asked, “Me?”? ”

“Yes.” Ye Zhuo said, “How are things with Buttface?” ”

“An Lizi felt a little embarrassed when she mentioned this. “He hasn’t mentioned it all this while. I’m just a girl. I Can’t ask too many questions, can I?” ”

“Actually, an Lizi was also a little anxious. ”

“However, girls should be more reserved and not ask too many questions. ”

“Dog Two did not take the initiative to bring it up. If she took the initiative to bring it up, it would be as if she could not get married. ”

Ye Zhuo chuckled. “That’s true. When are you guys planning to meet your parents?”

“I haven’t decided yet,” an lizi continued, “We’ll talk about it then. There’s no rush.” ”

“After saying that, an Lizi said, “They say that love should go both ways, but I feel that dog two is a little slow to warm up. Moreover, he’s a little straight. Anyway, he’s different from master five. Master five won’t cause any trouble!” ”

“Ye Zao continued, “It seems that dog two isn’t aware enough. Wait, I’ll help you educate him.” ”

“An Lizi smiled and looked at Ye Zao. “Okay, okay. I’ve wanted to tell you about this for a long time, but I’m too embarrassed to tell you.” ”

“We’re all on the same side. What’s there to be embarrassed about?” Ye Zao said.

“An Lizi said, “Can’t he be a little shy?” ”

““Okay, okay, okay.” ”

“An Lizi looked around and then asked, “Oh right, why don’t I see Pingting? Didn’t she say that she would come?” ”

““She went to the bathroom,” ye Zao said. ”

“OH.” An Lizi nodded. “What about Yueyue? Is she here?”

“She’s here too. She’s playing mahjong over there.”

“An Lizi followed ye Zao’s line of sight and looked over. She then said, “Then I’ll go over and say hello.” ”

“Go ahead.” Ye Zao nodded slightly.

“Li Yueyue had won three rounds in a row and was in a good mood. When she saw an Lizi coming over, she smiled and said, “Lizi is here!” ”

“Yes.” An Lizi nodded. “How’s Your Luck?”

““It’s just so-so. I’ll treat you to supper tonight,” Li Yueyue said. ”

“Okay.” An Lizi found a chair and sat beside Li Yueyue. “I don’t know how to play mahjong yet. You can teach me while you’re at it.”

Li Yueyue crossed her legs like a grandpa. “No need to teach me. This thing is simple. Just watch it twice.”

“Li Yueyue said it was simple, but an Lizi watched it a few times but still couldn’t learn it. She said with a lack of interest, “I can’t learn it. I’m going to find Pingting.” ”

“Go.”

“Coincidentally, Zhao Pingting also came. ”

“The two of them chatted for a while, and Zhao Pingting mentioned the great-aunt of the Lin family. “Your great-aunt is really amazing! This is the first time I’ve seen such a young great-aunt!” ”

“Great-aunt?” An Lizi was stunned. “Are you talking about that little brat?”?

“Yes.” Zhao pingting nodded.

“An Lizi said, “Don’t judge her by her young age. She has a steady bearing as an elder. When she reprimands people, she is very well-behaved! She even dares to shout at my father!” ”

Chapter 2538: 535: the wedding date has been set for 3

Great-aunt always called Lin Qingxuan by her first name.

“It was fine to call her by her first name, but she had to add the word ‘Little’in front of it. ”

“It was always like this. A child who was not even eight years old would chase after Lin Qingxuan, who was almost 50 years old, and call her ‘Little Qingxuan’ ”

“Most importantly, this great-aunt especially liked to put on airs as an elder.”

Lin Qingxuan could not get angry yet.

“Zhao pingting asked, “Does your father have to call her aunt?” ”

“Yes.” An Lizi nodded. “There’s nothing we can do about it. It’s her fault for being so Junior!”

“Zhao pingting smiled and said, “Then whoever marries this great-aunt of yours in the future will have a very high seniority!” ”

An Lizi nodded. “Exactly. I don’t know who will be so lucky in the future!”

...

On the other side.

At the hospital.

“Vivian was sitting on the hospital bed, staring blankly ahead.”

“A nurse came in with lunch. “Vivian, it’s time to eat.” ”

Vivian shook her head. “I can’t eat.”

“The nurse smiled and said, “Did you order takeout again?” ”

“Ever since she received ye Zao’s approval, Vivian had hardly eaten anything from the hospital during this period of time. She had been eating takeout all the time.”

“No.”Vivi shook her head.

“The nurse was in disbelief. She smiled and said, “Then the sun has risen from the west.” ”

“Where’s sister Ye?”Vivi continued to ask.

“The nurse said, “Miss Ye had something on today and didn’t come to the hospital.” ”

“Vivi nodded and continued, “I didn’t know why Miss ye allowed me to eat spicy hot soup and other unhealthy foods. Now I finally know.” ”

“The nurse noticed that something was wrong with Vivian’s expression and asked, “Vivian, are you okay?” ”

“A few days ago, Vivian was very optimistic and cheerful.”

Why was she so depressed today?

““I’m fine.”Vivian shook her head and asked, “Do you know why Miss Ye suddenly allowed me to eat spicy hotpot?”? ”

“The nurse smiled and said, “Of course, it’s because your illness has nothing to do with eating spicy hotpot.” ”

“Since it had nothing to do with eating spicy hotpot, why couldn’t she eat it. ”

““Maybe,”Vivi said with a smile ”

She used to think so too. It was not until now that Vivi knew that ye Zao had let her eat spicy hotpot because he did not want her to have any regrets in her life.

“After all, she was a person who was about to die.”

Ye Zao wanted her to be happy in the rest of her life.

Vivi knew that ye Zao was doing this for her own good.

“However, Vivi was still a little sad.”

Because ye Zao had let her see the beauty of life again.

“If ye Zao had not given her hope in the beginning, she would not be in so much pain.”

“Seeing that Vivi’s expression was getting more and more lonely, the nurse asked, “Vivi, what’s wrong? is your family here again?” ”

“No.”Vivi shook her head.

“Did you encounter something unhappy?”The nurse asked.

“Not really.”Vivi still shook her head.

“The nurse sat down and patted Vivi’s shoulder. She smiled and comforted her, “Vivi, don’t worry. Your illness will be cured soon. When Miss Ye comes back, I’ll arrange an operation for you.” ”

“Okay.”

“The nurse looked at Vivi and added, “If you encounter anything unhappy, you can tell me.” ”

““I’m really fine,”Vivi said. ”

“The nurse gave a few more instructions and left. After all, she still had other patients. ”

“Not long after the nurse left, Dr. Wang came. ”

He took the stethoscope and examined Vivi.

““Doctor Wang, am I going to die soon?”Vivi asked. ”

“Doctor Wang did not know how to answer Vivi. She was only a teenager, but if he did not tell Vivi anything, it would be too unfair for Vivi. ”

“After all, she would have to face reality sooner or later. ”

““Your situation is not optimistic, maybe...”doctor Wang did not say a word and continued, “But don’t worry, I am already looking for a treatment plan. I will definitely make you recover.” ”

“After he finished speaking, doctor Wang continued, “I’ve looked at Miss Ye’s plan. She’s going to arrange an operation for you the day after tomorrow. If you don’t want to die on the operating table, remember to reject this operation.” ”

“Will you die on the operating table?”Vivi asked.

“Yes.”Doctor Wang nodded.

“Vivi nodded. “Okay, I understand.” ”

“After saying that, VIVI continued, “If you don’t operate and you don’t find the treatment plan, how much time do I have?” ”

“When she said that, there was no longer any expression on Vivi’s face. ”

Doctor Wang was hesitating whether he should tell Vivi the truth.

Chapter 2539: 535: the wedding date has been set

“Vivi smiled and said, “Doctor Wang, just tell me the truth.” ”

“”It can be as long as a year, as short as a week.”Doctor Wang said, “Your illness is too strange. You have to prepare yourself mentally.” ”

“At this moment, Vivi seemed to have thought of something and continued, “Doctor Wang, can you discharge me from the Hospital Tomorrow?” ”

“Before she died, she still had a wish. ”

“Tomorrow?”Dr. Wang asked.

“Yes.”She nodded slightly. “Can I?”

Dr. Wang Thought for a moment. “I’ll try my best to arrange it.”

“”Thank you, Dr. Wang.” ”

“”It’s my pleasure,”Dr. Wang said. ”

The next afternoon.

“Under Dr. Wang’s arrangement, Vivi left the hospital. ”

She came to the pet hospital.

“Meow Meow Meow!”

“Woof Woof Woof!”

“As soon as she came in, the cat and dog surrounded her excitedly. ”

Weiwei squatted down as if she was hugging a cat and then a dog.

““Weiwei is here!”At this moment, the owner of the pet shop walked out from inside. ”

“Weiwei smiled and said, “Aunt Zixuan.” ”

“Zhang Zixuan said, “During the time you were away, Wangcai and Wangfu missed you so much! Now, you finally came to pick them up and bring them home.” ”

Wangcai and Wangfu were the stray dogs and cats that Weiwei had adopted.

“A desolate look flashed across Weiwei’s face. “Aunt Zixuan, I’m not here to take them home.” ”

“Ah?”Zhang Zixuan was stunned.

“Weiwei continued, “Aunt Zhang, I may have to go on a long trip recently. Wangcai and Wangfu will be in your hands. I transferred a sum of money to your Alipay account.” ”

“Zhang Zixuan smiled and said, “Okay, when will you be back?” ”

Wei Wei shook her head.

“Maybe, maybe... she would never come back. ”

“Zhang Zixuan asked curiously, “Are you going to go far away, Wei Wei?” ”

“Yes.”Wei Wei nodded.

“Zhang Zixuan continued, “Then you can go out without worry. Wangcai and Wangfu are with me.” ”

“”Okay.”Wei Wei held Wangfu in one hand and Wangcai’s dog leash in the other. “Aunt Zixuan, I’ll take them out for a walk. I’ll be back in a while.” ”

“”Okay, you guys go ahead.” ”

Wei Wei took the cat and dog out.

“After she left, Zhang Zixuan took out her phone and opened Alipay. She looked at the money that Wei Wei transferred to her. ”

“When she saw it, she was stunned. ”

“Ten million, ten million, ten thousand! ”

Six figures!

A whole hundred thousand!

Why did Weiwei transfer so much money to her?

Zhang Zixuan came to the back room and told her husband about it.

“Her husband smiled and said, “She definitely wanted to transfer ten thousand, and then pressed an extra zero. When she comes back later, you can transfer it to her again! Rich people are so nice! She transferred a hundred thousand to her so easily!” ”

“Zhang Zixuan smiled and said, “Exactly. We have been doing this for so many years. It’s better to be a minor.” ”

Wei Wei brought a cat and a dog and wandered outside for several hours.

“When she came back, Zhang Zixuan said, “Wei Wei, do you know that you transferred the money wrong? I’ll transfer 90,000 yuan back to you! You Child, you have to be more careful in the future.” ”

“It’s not wrong.”Wei Wei looked at Zhang Zixuan and said.

“”It’s not wrong?”Zhang Zixuan smiled and said, “That’s 100,000 yuan! Did you take it as 10,000 yuan?” ”

“”It’s 100,000 yuan.”Weiwei continued, “Aunt Zixuan, I’m going to a far, far away place. I don’t know when I’ll be back. I’ll leave Wangcai and Wangfu to you!” ”

“”But you don’t need 100,000 Yuan!” ”

“Weiwei said, “You can keep it first. If the balance is not used up when I come back, you can transfer it to me.” ”

“But 100,000 is really too much.” ”

“Vivi smiled and said, “Just think of it as me keeping it with you.” ”

Chapter 2540: 536: Wake Up

“Zhang Zixuan noticed that something was wrong with Weiwei and asked, “Weiwei, did something happen to You?””

““It’s nothing,” weiwei smiled and said, “I spent my money anyway. Besides, you know my family’s situation. It’s better to keep the money with you. When I come back to pick up Wangcai and Wangfu, you can return the money to me.””

Unfortunately.

“It would never happen again. Because she knew the result, Wei Wei transferred 100,000 yuan to Zhang Zixuan. Zhang Zixuan was a businessman, not a philanthropist. After she left.., wangcai and Wangfu were going to be handed to Zhang Zixuan. Naturally, she could not let Zhang Zixuan lose money.”

“Zhang Zixuan had known Weiwei for more than a year. She knew a little about Weiwei’s situation, then, she said, “Weiwei, if anything happens, just tell Auntie. Don’t worry. As long as Auntie can help, Auntie will definitely not say anything.””

“Zhang Zixuan did not say anything against her heart. She really wanted to help Weiwei. As long as Weiwei was willing to speak up, after all, Weiwei was about the same age as her daughter.”

“Sometimes she envied Vivi, and sometimes she felt a little sympathy for Vivi. She envied Vivi for being young but talented, and her monthly salary was more than six figures.”

“However, sometimes what was said would be lost. Although Vivi had gained fame and fortune, she did not have a happy family. Her parents were very busy every day and almost forgot about her existence.”

“Zhang Zixuan’s daughter was the same age as Vivi. Every day when she came home from school, she would act coquettishly in front of their parents.”

“”Aunt Zixuan, thank you.”Zhang Zixuan was a good person. If she left, she would definitely bless Zhang Zixuan in heaven to make a lot of money.”

“Therefore, Vivi was very relieved to leave Wangcai and Wangfu to Zhang Zixuan, “I really didn’t encounter anything. I just want to go out for a walk. In the future, I might settle down abroad. If I don’t come back, please take good care of Wangcai and Wangfu.””

“In her situation, it was best to settle down abroad.”

Vivian wanted to leave quietly and did not want to disturb anyone.

“Hearing this., zhang Zixuan smiled and said, “It’s a good thing to emigrate. I like Wangcai and Wangfu very much. 100,000 yuan is really too much. How about this, I’ll charge you 30,000 yuan! “Even if you don’t come back for the rest of your life, I’ll take care of them for you.””

“”I might come back.”Wei Wei stood up and said, “Aunt Zixuan, it’s settled then. I’ll go back first.””

“After saying that, Wei Wei turned around and left.”

“Zhang Zixuan looked at Wei Wei’s back and felt that something was wrong. She ran back into the house and said, “Dazhi, did you hear that?””

“Li dazhi nodded and said, “I heard it! This little girl is really strange.””

“Zhang Zixuan continued, “Do you think I should take this money or not?”Although she wanted to earn money, she could not earn that kind of money that was not clear.”

“Moreover, Weiwei was not an adult yet.”

“Li Dazhi thought for a while and then said, “Let’s Save the money for Weiwei first. Deduct the fees that should be deducted. When she comes back, we will return the rest of the money to her.””

“Okay.”Zhang Zixuan nodded.

“After dealing with Wangcai and WANGFU, Zhang Zixuan no longer had anything else to worry about. She came to the hospital.”

“Just as she arrived at the hospital, the nurse ran over while panting. “Weiwei, where have you been? I’ve been looking for you for a long time!””

““I went out for a walk.”Weiwei continued, “Is there something you need me for?””

““I’m not looking for you. Miss ye is looking for you.”The nurse continued, “Come with me to the ward.””

“Okay.”Vivi nodded and followed the nurse’s footsteps. “What is it that Miss Ye wants to talk to me about?”

““I think she wants to talk to you about tomorrow’s surgery,”the nurse replied.”

Weiwei was originally looking forward to tomorrow’s surgery.

“But now, she was not looking forward to it at all, because this was originally an empty joy.”

““Vivi, the surgery is tomorrow. Are you excited now?”The nurse asked.”

“I’m fine,”Vivi answered.”

“The nurse smiled and said, “You must not have pre-operation anxiety. With Miss ye around, you can rest assured that there won’t be any problems.”Everyone here trusted ye Zao very much. After all., she was a person who stood at the top of the medical world.”

“Okay.”Vivi nodded.

“The nurse looked at Vivi and asked, “Vivi, are you feeling a little uncomfortable?”She felt that Vivi’s mental state was very bad, like a body that had lost its soul.”
