Chapter 2551: 536: not to be trifled with

Wang Dajun had really become Wei Wei's attending physician.

Who had signed Wei Wei's surgery list?

"After all, Wei Wei had refused to sign it this morning."

Could it be Wei Wei's parents?

"Thinking of this, nurse song frowned and immediately took the surgery list to Ye Zhuo's office. "Miss Ye! Miss Ye!" "

Ye Zao looked up slightly. "What's wrong with Xiao Song?"

"Nurse song handed the surgery list to Ye Zao. "Miss Ye, look at this." "

Ye Zao reached out to take it and frowned slightly. "Nonsense!"

"A moment later, ye Zao reached out to press his temple and said, "Go and call doctor Wang over." "

"Okay."Nurse song nodded and turned around to call Wang Dajun.

"But Wang Dajun was not willing to come over, "If Miss Ye wants me to go over because of Weiwei's surgery, then I don't need to go over. I must carry out the surgery tomorrow. If Miss Ye is not convinced, you can make Weiwei choose to believe in her!" "

The person Weiwei believed in now was him!

“At this point, doctor Wang continued, “Just wait. After Tomorrow, Miss Ye will thank me.” ”

He was the one who saved ye Zhuo.

“If he had not discovered that Weiwei’s condition was not right in time, Weiwei would have already died on ye Zhuo’s operating table. ”

“Nurse song looked at Wang Dajun. “Doctor Wang, you should go over.” ”

“”I’m very busy,”Wang Dajun said. ”

“After saying that, Wang Dajun turned around and left. ”

Nurse song looked at Wang Dajun’s back view with a helpless expression on her face.

“On the other hand, Wang Dajun announced the news to the media as soon as he went out. ”

“Thank you for the patient and the patient’s family’s trust. They have already signed the consent form. The surgery will be scheduled for tomorrow at 9 am.”

“ ...”

“After nurse song returned, she immediately reported the situation to Ye Zhuo. ”

“Hearing this, ye Zhuo continued, “Go and call director Han.” ”

“Okay.” Nurse Song nodded.

“Soon, director Han arrived.”

“Looking at Ye Zao, director Han expressed his deepest apologies. Everything that had happened now was not within his control.”

“Ye Zao raised his hand slightly and interrupted director Han’s apology, he continued, “Doctor Wang arranged for the surgery to be at nine o’clock tomorrow morning. I looked at the surgery list. Halfway through the surgery, there will definitely be a drop in heart rate and non-stop bleeding...” ”

“Director Han nodded repeatedly. “Don’t worry, Miss Ye. I know what to do.” ”

Ye Zhuo nodded slightly.

“After director Han left, Ye Zhuo went to Weiwei’s ward.”

“To his surprise, Ye Zhuo actually saw a very warm scene.”

A middle-aged woman sat by the bed and fed Weiwei spoon by spoon. Weiwei’s face was full of a happy smile.

“Sister Ye!”

“Seeing Ye Zhuo, Vivi took the initiative to greet him.”

“Ye Zhuo walked over and asked, “Vivi, have you agreed to Dr. Wang’s surgery?” ”

“Vivi’s heart was already dead, but at this moment, she had regained the fatherly love that she had not seen for a long time. This made her want to give it a try.”

What if she survived?

“Yes.” Vivi nodded.

“Ye Zhuo continued, “Wei Wei, you can’t enter the operating table tomorrow.” ”

“Why?” Wei Wei asked.

““Because doctor Wang didn’t even diagnose the most basic cause of the illness correctly,” ye Zhuo continued, “To give a simple example, a small tree is on the verge of drowning due to the continuous rain. At this time, we should think of a way to drain the water in the basin instead of watering the small tree. If we continue to water it, the small tree can only drown.” ”

“Hearing this, Liu Meilian felt that something was wrong. She stood up and said, “You must be that Miss Ye! Can you please leave immediately? We don’t need you to tell us what to do!” ”

“Mom!” Wei Wei immediately stopped her mother.

“Liu Meilian said, “Doctor Wang said that you must not believe this woman’s words. She will kill you!” ”

Chapter 2552: 537: Miss Ye Yds! 1

First Impressions first.

“As it was Wang Dajun who found Liu Meilian first, and it was also Wang Dajun who gave Liu Meilian advice, Weiwei forgave them.”

“Therefore, Liu Meilian trusted doctor Wang very much. If it wasn’t for doctor Wang, how would she know that the current Weiwei was actually so promising! ”

Ye Zhuo raised his eyes slightly and looked at Liu Meilian.

“Weiwei immediately introduced, “Sister Ye, this is my mother.”After saying that, Weiwei continued, “Mother, don’t talk about sister ye like that. Sister Ye is also kind-hearted!” ”

“”What kind-hearted? She just doesn’t have good intentions!”Liu Meilian snorted coldly, then, she continued, “Some people rely on their own achievements and don’t even recognize themselves! Our Weiwei is young and doesn’t distinguish between good and Evil! We don’t welcome you here. Please leave immediately!” ”

“These people were jealous of Vivi’s youth and talent. The money she earned before she became an adult was higher than that of an adult, so they couldn’t wait to harm Vivi! ”

She was simply too shameless!

“”Mom! Don’t you dare talk about sister Ye Like That!”Vivi liked ye Zao very much. If ye Zao didn’t conceal her illness, she would definitely believe ye Zao. ”

“Liu Meilian looked at Vivi with a helpless expression. “My silly child, what exactly is her purpose now? Can’t you see it?” ”

“Ye Zhuo couldn’t be bothered with Liu Meilian. He just looked at Wei Wei and opened his red lips. “Wei Wei, I’ve said what I need to say. The decision is in your hands.” ”

“Saying this, Ye Zhuo turned around and left. ”

“Wei Wei looked at Ye Zhuo’s back and opened her mouth, but in the end, she didn’t say anything. ”

Liu Meilian immediately followed behind ye Zhuo to close the door.

“After closing the door, she continued, “Wei Wei, I’m telling you, don’t be fooled by that Ye Guy. She’s definitely not a good person!” ”

“Weiwei said, “Mom, don’t talk about sister ye like that. I believe in her. She’s doing this for my own good.” ”

“Liu Meilian rebuked, “Look at you, you’re blaming Mom! MOM is doing this all for you! Do you know, when mom heard that doctor Wang said that your current condition was very serious, she was scared silly! Fortunately, God blessed her and allowed doctor Wang to find a cure. From now on, our family will live happily together and don’t have to worry about anything.”Then, Vivi gave her the salary for safekeeping. ”

“Six figures a month, a minimum of 100,000 yuan, and then the whole family wouldn’t have to go to work! ”

“The more Liu Meilian thought about it, the more excited she became. ”

Vivi also yearned for that kind of life.

She had never had a happy family. Everything now was just like a dream.

Creak —

“At this moment, the door of the ward was pushed open. ”

““Vivi, Look What Daddy bought for You!”Xiang Chao walked in from outside. ”

Vivi turned her head and saw Xiang Chao holding a toy doll in his hand.

No one had ever bought something like this for her.

No girl could resist a furry toy doll. Vivian's eyes lit up as well.

"Xiang Chao brought the furry toy doll to Vivian. "Do you like it, Vivian?" "

"I do." Vivian took the toy doll with a surprised look on her face. "Thank you, Dad." "

"She was touched, but also a little afraid. She was afraid that this was just a dream, and she was even more afraid of repeating what happened when she was young. "

She did not want to be abandoned a second time.

"What are you thanking me for?" Xiang Chao patted Weiwei's head lovingly. "This is what dad should do."

"At this point, Xiang Chao sighed. "Weiwei, it's all Dad's fault in the past. Dad has let you down, and even more so, your grandmother..." "

"Seeing Xiang Chao play the bitter card with Weiwei, Liu Meilian was not willing to be outdone. She immediately cried, "And mom, Mom has also let you down, Weiwei..." "

"When Xiang Chao and Liu Meilian first came to look for her, Weiwei was really angry. "

"She was angry that these two people ignored her when she was young, and now they came to look for her again. Their faces were really ugly! "

"Later, when she saw that Liu Meilian and Xiang Chao had their own difficulties, she gradually let down her guard. "

"In the end, Weiwei was only a thirteen or fourteen-year-old child. "

Children at this age were the most sensitive and easily touched.

“It’s okay,” Weiwei said in a hoarse voice, “Dad, Mom, the past is the past. We will always be together in the future.” ”

“Hearing this, Liu Meilian’s eyes were full of pride. ”

Xiang Chao was the same.

Chapter 2553: 537: Miss Ye Yds! 2

They had thought that Weiwei would never forgive them again. Who would have thought that she would forgive them so quickly.

What a ‘silly child’

How did this IQ become a famous manga author?

Was the bar for manga authors so low now?

On the other side.

At the nurses’ station.

“Little song, did you know? Weiwei’s relationship with her parents seems to have eased up!” ”

Nurse song nodded. “That seems to be the case.”

“After saying that, nurse song sighed and continued, “Children are children. If I Were Weiwei, I would never forgive them! I think they’re here for Weiwei’s money. They’re really too shameless!” ”

“”That’s right, that’s right!” ”

“”Actually, doctor Wang contributed half of this.”Speaking up to this point, nurse song turned around and looked around. Just in case Wang Dajun was hiding in some corner again, there was no one around, only then did nurse song muster up her courage and said, “If it wasn’t for doctor Wang, how would those disgusting parents know about Weiwei’s current situation?” ”

“”You can’t say that.”A beautiful nurse with an exquisite figure walked over from the side, “Doctor Wang is also doing this for Weiwei’s good. Doctors treat their parents. If doctor Wang didn’t want Weiwei to recover quickly, he wouldn’t have gone through so much trouble to find Weiwei’s parents!” ”

“”It’s Fangfang.”Nurse song smiled and turned around. “Fangfang, are you so sure that doctor Wang is confident that he can cure Weiwei?” ”

Jin Fang was the most beautiful nurse in the entire nurses’s station. She was a fresh graduate and was very popular in the hospital. She was even pursued by many doctors.

“Jin Fang said, “I don’t care who you believe. I believe in Doctor Wang anyway.” ”

She also agreed with Wang Dajun’s words.

“The current Wang Dajun was the ye Zhuo from back then. No one agreed with her, but in the end, she still made a gamble and succeeded.”

“Now that she was on Wang Dajun’s side, it proved her vision and structure.”

“”It’s useless no matter what I say now,”jin fang continued, “We’ll just wait for the surgery tomorrow. After all...”at this point, Jin Fang paused and then added, “Facts speak louder than words.” ”

Nurse Song nodded. "Then let's wait for tomorrow. I also believe that facts speak louder than words."

"Although the surgery was scheduled for tomorrow, a lot of media had gathered outside the hospital today."

"As soon as Director Han came out, he was surrounded by many reporters."

"Director Han, I want to ask, what do you think of Tomorrow's surgery?"

"Do you believe in Doctor Wang or Miracle Doctor Ye?"

"..."

Director Han was a little confused by this series of questions.

"After a while, Director Han continued, "First of all, this surgery is completely a decision between Wang Dajun and the patient. It has nothing to do with our hospital. Our Hospital has always agreed with Miss Ye's diagnosis."

"The patient has been confirmed to have malaria. If we insist on the surgery, after all, there will be a decrease in heart rate and non-stop bleeding. Once this happens, the patient will face death..."

"Before Director Han could finish his sentence, he was interrupted by the reporter. "May I ask how you came to this conclusion?"

"Director Han continued, "These results were all deduced by Miss Ye. As I said, our hospital absolutely believes in Miss Ye."

"The reporter asked Director Han some other questions, but Director Han answered them the same way. No matter what, he believed in Ye Zhuo."

“Wang Dajun stood at the side and looked at director Han’s answer. The corners of his mouth curled up slightly, but he didn’t go forward to interrupt director Han’s speech. ”

This was pretty good.

“After Tomorrow, director Han would discover just how stupid his actions were. ”

How confident director Han was now would be how regretful director Han would be tomorrow.

Ye Zhuo was also regretful.

Ye Zhuo was too confident.

“Because of curing cancer, she had become arrogant and would not listen to anyone’s opinions. ”

“But thinking about it, it made sense. Life always had to face a beating. ”

Ye Zhuo was still young. She would experience this kind of thing many times in the future. This was just the beginning.

“Soon, it was the second day. ”

“At six o’clock in the morning, Wang Dajun arrived at the hospital and began to prepare for the surgery.
”

Today’s surgery was broadcasted live. He must not make any mistakes.

He was bound to become famous in one battle!

“Weiwei was also very nervous. If the surgery was successful, she could live happily with her parents in the future. ”

“If it failed, her happiness would stop there. ”

Chapter 2554: 537: Miss Ye Yds! 3

“Liu Meilian held her hand and comforted her, “Weiwei, don’t be afraid. Your father and I will accompany you in the operating room. We will walk through this hurdle together. As long as we pass this hurdle, everything will be fine!” ”

“Xiang Chao immediately said, “Your mother is right. Weiwei, you must not be afraid. Your parents are with you. You will be fine. We will accompany you through this hurdle.” ”

“Weiwei nodded and looked out the window. She was looking forward to the days to come. She held her parents’ hands and said, “Dad, Mom, I’m not afraid.” ”

“Good child.”

8:30 am.

Weiwei was pushed into the operating theater.

“Xiang Chao and Liu Meilian also put on their isolation suits and entered the operating theater together. At the same time, a few cameras were also pushed into the operating theater. ”

Everything seemed to be extremely tense.

Wang Dajun made a simple self-introduction in front of the cameras before he began the surgery in an orderly manner.

“Because this surgery involved Miracle Doctor Ye, it attracted a lot of people’s attention.”

Even many people came to the international website.

It was extremely popular!

[who is this person? He seems to be very corrupt!]

“[if you’ve studied before, you can do the same.] ”

[can this person really be compared to Miracle Doctor Ye?]

[I’m afraid not!]

“[you can’t judge a book by its cover. How should I put it? Actually, I think this doctor is right about one thing. You Can’t look down on anyone at any time. If no one trusted miracle doctor ye back then, then the cancer wouldn’t have been cured.] ”

“[in any case, Miracle Doctor Ye and his diagnosis were two completely different outcomes. Moreover, Miracle Doctor Ye also said that during the surgery, there would definitely be a drop in heart rate and non-stop bleeding. Let’s just watch!] ”

[why do we have to code it? We can’t even see it clearly!]

“”Hemostatic forceps, gauze...” ”

The nurse handed everything to Wang Dajun one by one.

“Wang Dajun responded carefully. He did not feel the slightest bit nervous because from the beginning until now, the surgery had been very smooth. There was not the slightest error, and there was also no situation where the surname Lu was dropping and the blood loss did not stop.”

What did this mean?

This meant that ye Zhuo’s deduction was completely wrong.

“Thinking that the entire process of the surgery was broadcasted live, Wang Dajun was extremely excited. He was finally going to be famous throughout the world!”

[F * ck! F * ck! The surgery actually succeeded.]

“-LSB- docWangwang, YYDS!] ”

[I’m dying of laughter. Why aren’t those people who support Miracle Doctor Ye coming out?]

[what’s the situation?]

Beep! Beep! Beep!

“At this moment, the operating theater that was originally so quiet that only the sound of breathing could be heard suddenly sounded the alarm of the monitor!”

It was extremely urgent.

“When he looked at the ECG monitor again, the patient’s heartbeat was decreasing in a straight line!”

It was especially terrifying!

“The atmosphere in the operating theater instantly changed. “Doctor Wang, it’s bad. The patient’s wound is bleeding non-stop!” ”

“”Doctor Wang, the patient’s blood pressure is dropping!” ”

“”Doctor Wang, the patient’s heart rate is dropping rapidly!” ”

“Doctor Wang...”

“Wang Dajun stood there, stunned for a few seconds. His mind was filled with what to do. ”

How could this be?

The surgery had clearly been very successful!

How could such a situation still happen?

“The assistant doctor’s voice became more and more urgent. “Doctor Wang, the patient’s pupils are beginning to dilate!” ”

Dilated pupils!

Any doctor knew what dilated pupils meant. Wang da Jun instantly reacted. “Prepare for defibrillation!”

“Okay!”The assistant doctor immediately prepared defibrillation equipment.

“Liu Meilian and Xiang Chao, who were by the side, were anxious to death when they saw this situation.
”

What should they do?

“If Weiwei died just like that, wouldn’t their acting for the past few days be in vain?”

“They had already checked the bottom line. The current Weiwei did not have much money. At most, she had saved 500,000 to 600,000 yuan. Compared to 500,000 to 600,000 yuan, of course, the long-term meal ticket was more fragrant.”

“”Dr. Wang, Will Weiwei be okay?” ”

The originally harmonious ward instantly turned into a mess.

The bullet screen was also very interesting.

[oh my God! Miracle Doctor Ye really hit the nail on the head!]

[terrifying!]

“[as expected, Miracle Doctor Ye is still you, Miracle Doctor Ye.] ”

“[I heard that the patient is still a young girl in her teens. It’s such a pity. If she had supported Miracle Doctor Ye, she would still be alive! Now...] ”

“[the two people on the side are her parents, right? At this time, they are actually concerned about whether the young girl has made a will or not? They are really presumptuous parents!] ”

“[it seems that the young girl is a very powerful person. At such a young age, her parents are already concerned about her inheritance!] ”

[the young girl is also pitiful!]

Chapter 2555: 537: Miss Ye Yds! 4

[Miracle Doctor Ye is cheating!]

“[what time is it now? Hurry up and inform Miracle Doctor Ye. As long as Miracle Doctor Ye comes, there will be a chance to save the situation!] ”

“Although Vivi was lying on the operating bed, unable to do anything, her consciousness was surprisingly clear. ”

She even knew how far the operation had progressed.

The operation failed.

What surprised Vivi even more was the reaction of her parents.

A will?

“A monthly salary of 100,000 yuan? ”

“She was about to die. The first thing they thought of was not how to save her life, but how to divide her inheritance. ”

It was ridiculous!

“Fortunately, she had made a plan and handed WANGCAI and Wangfu to the lady boss of the pet shop. If she handed Wangcai and Wangfu to them, she was afraid that the same thing would happen to her. ”

Vivi was disheartened.

“At this moment, she suddenly heard the sound of the door opening, followed by a surprised voice. ”

“Miss Ye!”

“Miracle Doctor Ye!”

Then came the sound of footsteps.

Was Ye Zao Here?

“Vivi tried hard to open her eyes, but she could not open them. ”

“The originally noisy operating theater quieted down at this moment. Looking at the slender figure that was coming against the light, the doctors around the operating bed immediately made way for her. ”

“The person was wearing a dark green surgical gown. A pale blue surgical mask covered her face, and only a pair of delicate phoenix eyes could be seen. Under the illumination of the operating lamp, her long and thick eyelashes were clearly visible. ”

“She walked directly to the operating bed and stood before it. Then, she said, “Prepare the forceps and thread, number three.” ”

The medical assistant on the side immediately handed the things that he had prepared to ye Zao.

Ye Zao did not even turn his head as he reached out his hand to take it. He began to suture the wound that was almost split open. The bright red blood quickly dyed the medical gloves red.

The situation was far more serious than he had imagined. Ye Zao frowned slightly.

“Scissors.”

“Hemostatic forceps.”

“Prepare for blood transfusion.”

“ ... ”

“In the quiet operating room, other than the sound of everyone’s breathing, there was only ye Zao’s faint voice. ”

“Although her voice was very faint, it had a sound when it landed. It also had a kind of magic power that could calm people’s hearts. ”

A pair of eyes shuttled between the wounds just like that.

“Wang Dajun was standing behind her, looking at her with a dull gaze. ”

Could ye Zao really snatch someone back from the hands of the Grim Reaper?

No.

It was impossible.

Weiwei was clearly not malaria.

“Ye Zao would only be like him, losing face in the live broadcast room. ”

He would fail.

This surgery would fail.

“Wang Dajun comforted himself in his heart. He did not realize that at this moment, his entire body was trembling. ”

He felt extremely uncomfortable.

After an unknown amount of time.

Everything returned to calm. The alarm of the ECG monitor disappeared. The ECG data returned to normal!

[Miracle Doctor Ye Yds!]

“For a moment, the bullet screen was filled with these words. ”

“The patient’s vitals have returned to normal!”A joyful voice suddenly came from the operating theater.

“”Miss Ye, you’re really amazing!” ”

“For a moment, everyone’s gaze shifted to Ye Zao. ”

“She was wearing a mask, and no expression could be seen on her face. She only said faintly, “It’s all thanks to everyone’s cooperation. Thank you for your hard work.” ”

“After she said that, she continued, “The patient will stay in the operating theater to observe for an hour. Doctor Zhou, Doctor Ma, stay. The rest of you can leave.” ”

“As soon as she said that, everyone was ready to leave. ”

Liu Meilian’s face was still covered in tears. “What do you mean? Is Our Weiwei Alright?”

Xiang Chao was also confused.

He had been so focused on how to divide the inheritance that he did not notice what happened after that.

“However, before they could say anything, they were forcefully taken out of the operating theater. ”

“When Wang Dajun walked out of the operating room, he only felt that everything outside was dark. ”

He did not know why things had become like this.

Chapter 2556: 537: too confident in himself 1

The operation failed.

The person who became famous in the end turned out to be ye Zao.

Then what was he doing?

Making a wedding dress for ye Zao?

“Wang Dajun stood where he was. All the strength in his body seemed to have been sucked away in an instant. His feet were unsteady, and he almost fell to the ground. ”

“Fortunately, there was a wall on the side. ”

“People kept passing by Wang Dajun. They pointed at Wang Dajun and said, “Fortunately, there is Miss Ye. If it wasn’t for Miss Ye, Weiwei’s little life would have been lost!” ”

“Some people are just too confident in themselves! Don’t you see the consequences!”

“Shh! Lower Your Voice!”

“These words were heard by Wang Dajun. If it were any other time, he would have retorted directly. ”

But today was not the day.

Because the surgery had indeed failed.

He was now a person who had failed.

“If ye Zao had not made a move today, then a fresh life would have been lost in his hands. ”

An hour later.

The door of the operating theater was opened.

Three figures walked out from inside.

A slender figure walked in front. Even the wide surgical gown could not hide her beautiful figure.

“The sky-blue mask covered her stunning face, leaving only a pair of delicate phoenix eyes. ”

“At this moment, a group of reporters swarmed over and handed the microphone to ye Zao. ”

““Miracle Doctor Ye, may I ask how you feel now?” ”

“Has the patient escaped from danger?”

“You were misunderstood by so many people back then. Do you have anything to say to everyone now?”

The reporters bombarded him with a series of questions.

“Ye Zao reached out to press the mask on his face and said in a clear and shallow tone, “In a word, saving lives and helping the injured is a doctor’s duty.” ”

““Thank you.”She politely nodded at the camera. After saying that, she pushed the microphone aside and walked toward the exit. ”

The camera immediately aimed at her back.

“Soon, the slender figure disappeared in front of them, leaving the other two doctors to answer the reporters’ questions. ”

““This is a real doctor, not for fame and fortune.” ”

““That’s right! If it were anyone else, they would definitely ignore her. After all, the patient and doctor Wang Don’t trust her.” ”

""Also, did you guys notice that Miracle Doctor Ye has never shown her face in front of the camera? Every time, she would either wear a mask or only make a sound." "

"Am I seeing things? Why Do I feel that Miracle Doctor Ye is so similar to miss ye?"

""What is the person upstairs thinking about? One is a god in the scientific and technological world, while the other is a god in the medical world. These two people are not from the same world, Okay?" "

[miss ye rarely shows her face. Does a real big shot not care about fame and fortune?]

"[not only are their eyes similar, but their voices are also very similar.] "

[...]

There were also comments speculating whether Miracle Doctor Ye and Miss Ye were biological sisters.

Wang Dajun was still sitting on the spot.

"At this moment, a nurse walked over from the side. "Doctor Wang." "

Wang Dajun raised his head to look at the nurse.

"The nurse continued, "Director Han wants you to make a trip over." "

""... Alright."After a long while, Wang Dajun finally nodded. "

"In a moment, Wang Dajun stood up from the ground and walked towards the director's office. "

"Very soon, he arrived at the director's office. "

Director Han was sitting on the office chair.

""Director."At this moment, Wang Dajun no longer had the spring breeze of the past two days. "

"In the end, he had overestimated himself. "

"Director Han put down the pen, looked at Wang Dajun, and continued to speak, "Doctor Wang, none of us want to see the consequences that have resulted. When you decided to have the surgery, I warned you that you must bear all the consequences yourself." "

"Yes."Wang Dajun nodded. "I know."

"Director Han glanced at Wang Dajun and continued, "Fortunately, Miss ye acted in time. Otherwise, you would have already been involved in a criminal case!" "

"Wang Dajun had insisted on this surgery. At that time, the entire hospital had opposed it. If something happened and his family insisted on holding him accountable, Wang Dajun would definitely be held accountable for intentional murder. "

Wang Dajun did not say anything. His expression was downcast.

"Director Han frowned. "If you had realized your mistake earlier, would you still be in this situation?" "

Wang Dajun was also very regretful.

But what was the use of regretting now?

"Director Han continued, "You can report to the logistics department tomorrow." "

A person like Wang Dajun was really not suitable to continue appearing in the operating theater.

“Although he had long known that he would receive the surgery like this, he still felt extremely uncomfortable when he heard director Han’s words.”

It was a humiliation for him to be suddenly demoted from a chief physician to the hospital’s logistics department!

A scholar could be killed but not humiliated!

Chapter 2557: 537: self-confidence 2

“”Director you rest assured, I will not appear again tomorrow in the hospital.”Wang Dajun then opened his mouth.”

He’ll leave the hospital.

“Director Han looked at him, then said: “Making a mistake is not terrible, terrible is not to know repentance.” ”

“After saying this, director Han paused for a moment. “Where are you going after leaving the hospital?”If he were to go to the logistics department, he could at least be a logistics department without any promotion. Although the head of the logistics department was not as glamorous as the chief physician, but much better than the average office worker.”

“”Can not take the scalpel, I go where all the same.”Wang Dajun Way.”

“Director Han some tired pinched temple, and then said: “You have considered it?” ”

""Yes." Wang Dajun nodded, words fall, Wang Dajun then said: "Director Han, you for my good I know, but I really have no face to come to the hospital." "

Director Han sighed softly. "It's good that you've thought it through."

"Wang Dajun continued, "Then I'll be leaving first." "

"Okay." Director Han nodded.

Wang Dajun turned around and left.

"The moment he turned around, his eyes instantly turned red and tears almost burst out of his eyes. "

This was the place where he had worked for more than 20 years.

"Now, he had to leave in such a sorry state. "

"At this moment, ye Zao, who was wearing a mask, walked towards him. "

Wang Dajun subconsciously turned around.

No.

He could not let ye Zao find him in such a sorry state.

"It was obviously too late for him to turn around and not let ye Zao find him, because ye Zao had already seen him. "

"Next, Ye Zao would definitely stop and mock him openly. "

“After all, he was wrong this time. ”

Bear with it.

Bear with it for a while.

“No matter what ye Zao said to him, he would bear with it. ”

“Thinking about this, Wang Dajun pinched his fingers. As he used too much strength, his knuckles had already turned white. ”

“However, things did not develop in the direction that Wang Dajun had imagined. ”

“Ye Zao did not stop, nor did she mock him. She walked straight over, just like many other times. ”

“To her, Wang Dajun was still the same Wang Dajun. She would not attack Wang Dajun just because of a failed surgery. ”

“Wang Dajun was stunned. He turned around and looked at ye Zao’s back, not saying a word for a long time. ”

“In the end, he was still using the heart of a villain to measure the stomach of a gentleman. ”

Ye Zao was completely different from what he had imagined.

“At this moment, Wang Dajun seemed to have thought of something. He suddenly trotted forward and caught up with ye Zao. ”

“”Miss Ye, Wait!” ”

Ye Zao stopped and looked back.

“Wang Dajun was already defeated. He bowed to ye Zao and said, “Miss Ye, I’m Sorry!” ”

“After saying this, Wang Dajun quickly turned around and ran away. ”

He had already used his lifetime’s courage to say that he was sorry. He had no face to face ye Zao directly.

Doctor Zhao looked at Wang Dajun’s actions and shook his head regretfully.

“If Wang Dajun had realized this earlier, he would not have ended up like this. ”

“”Miss Ye,”doctor Zhao turned to look at Ye Zhuo. “Weiwei is awake.” ”

“Awake?”Ye Zhuo asked.

“Yes.”

“Ye Zhuo continued, “Then let’s go and see her.” ”

“Okay.”Doctor Zhao followed ye Zhuo’s footsteps.

“Soon, they arrived at Wei Wei’s ward. ”

Wei Wei had already woken up.

Liu Meilian was feeding Wei Wei some water.

“When she saw ye Zao come over, Liu Meilian immediately stood up and thanked him. “Miss Ye, you’re here! Take a seat! Miss Ye, you’re really our family’s Savior!” ”

“Liu Meilian’s face no longer had the usual malice on it. Now, she was truly grateful to ye Zao. ”

“If it wasn’t for Ye Zhuo, Weiwei would have been killed by Wang Dajun! ”

““Miss Ye, you are a living God! If it wasn’t for you, how would our Weiwei still be alive?”Liu Meilian continued, “That Wang Dajun is a murderer. If it wasn’t for him, Weiwei wouldn’t have suffered so much!” ”

Liu Meilian said indignantly.

“Ye Zhuo ignored her and walked to Weiwei’s bed. He asked in a low voice, “How does Weiwei feel now?” ”

“Weiwei’s face was a little pale. “She’s fine. Thank you, thank you, Sister Ye.” ”

““If you’re not feeling well, remember to call the Doctor,”ye Zhuo said. ”

““Okay.”Weiwei looked at ye Zhuo and said, “Sister Ye, thank you! Thank you so much!” ”

“At the moment when the surgery failed and Liu Meilian and Xiang Chao said what they were thinking, Wei Wei was almost in despair! ”

“Fortunately, Ye Zhuo gave her another life. ”

"I'm a doctor." Ye Zhuo patted Wei Wei's hand.

"Wei Wei's eyes were very red, but she still held back her tears. "

She couldn't cry.

"Wei Wei continued, "Sister Ye, when can I be discharged?" "

"Hearing this, Liu Meilian immediately walked over and asked, "Yes, yes, yes. Miss Ye, when can my daughter be discharged?" "

She could not wait to bring Wei Wei to her house.

"Ye Zhuo looked at Liu Meilian and continued, "She will need to recover for at least a month." "

A month?

"A month's time was enough for too many things to happen. She could not wait for a month. Liu Meilian continued, "Miss Ye, can you be discharged from the hospital early and go home to recuperate?" "

She had to get ahead of Xiang Chao and bring Wei Wei back. She had to let Xiang Chao intercept her.

"No," Ye Zhuo said. "

Liu Meilian frowned slightly. "Then do we have to stay for a month?"

“Ye Zhuo did not say anything. Doctor Zhao, who was at the side, continued, “It depends on how she recovers. If we forcefully discharge Wei Wei from the hospital now, her life will definitely be in danger.” ”

“When she heard that her life was in danger, Liu Meilian was terrified. She immediately said, “Then we won’t be discharged. We won’t be discharged!” ”

“Ye Zhuo looked at Wei Wei and continued, “Wei Wei, if you feel any discomfort, tell the nurse immediately. I’ll be leaving First!” ”

“Okay.”Wei Wei nodded.

Ye Zhuo explained some problems to doctor Zhao before he left.

“She left through the back door of the hospital, perfectly avoiding the reporters who were waiting at the front door.”

Wang Dajun returned home in a daze.

“When Zhang Hong saw her husband return, she immediately took the briefcase from his hands. “Dajun is back.” ”

“Wang Dajun sat on the chair, his face ashen. “Zhang Hong.” ”

““Yes, What’s Wrong?”Zhang Hong asked.”

“Wang Dajun continued, “Let’s get a divorce.” ”

Divorce?

Zhang Hong was stunned.

“When mother Wang, who was standing in the living room, heard this, her tears fell like rain. She covered her mouth, not allowing herself to make a sound. ”

“She had watched the live broadcast, so she naturally knew the result of the surgery. ”

The surgery had failed.

“In the end, Ye Zhuo had appeared in time. ”

Wang Dajun had proposed a divorce at this time so that he would not drag Zhang Hong Down.

“As a mother, it was not appropriate for her to say anything. ”

She respected her son’s choice.

“Why do you want a divorce?”Zhang Hong continued to ask.

“Wang Dajun continued, “The surgery failed.” ”

“You want a divorce because of this?”Zhang Hong asked.

Wang Dajun was stunned.

“Back then, his wife had married him because of the sacred position of a doctor. Now, he could no longer hold a scalpel. He was no longer a chief physician. When he reached middle age, he was facing a crisis of unemployment. ”

Would his wife continue to stay by his side at such a time?

“Isn’t this reason enough?” Doctor Wang asked.

“Zhang Hong frowned, then, she said, “I saw the live broadcast. I know that the surgery failed! “But I never thought of divorcing you, so you’re not allowed to divorce either! “We’ve already spent half our lives together. What do you mean by wanting to get rid of me now! “Do you want Tao Tao to be a motherless child?” ”

“But I can’t be a doctor anymore!” Wang Dajun said.

“”There are so many careers in life, why do we have to be doctors?” Zhang Hong continued, “We can start a business and advance and retreat together. The world is so big, there must be a job that suits us!” ”

“Hearing Zhang Hong’s words, the Queen Mother’s face was full of disbelief. ”

“She never dreamed that this daughter-in-law, who usually looked snobbish, would support her son so much at this time. ”

This made her especially surprised.

“Honghong?” The Queen Mother looked up at Zhang Hong.

“Mom.” Zhang Hong turned her head.

“The Queen Mother said in a low voice, “Honghong, thank you. Thank you for standing behind Wang Dajun resolutely. ”

“”Mom, we’re all family!” ”

“The queen mother wiped her tears and laughed. “Yes, you’re right. We’re all family.” ”

“Zhang Hong turned to look at Wang Dajun and continued, “No matter what happens, a family is a family. You’re not allowed to casually mention the word ‘divorce’ in the future!” ”

“Okay.” Wang Dajun nodded.

“Zhang Hong continued, “During this period of time, you should rest at home and adjust your mood. It just so happens that Tao Tao and the others are going on vacation. The five of us can go out for a walk, Relax, and travel!” ”

Wang Dajun’s current situation was also more suitable for him to go out for a walk.

“All these years, the couple had only accumulated some savings ”

“Hearing that.., mother Wang agreed very much, “Right, right, right. Hong Hong is right. We should go out for a walk. “But your father and I won’t go. We haven’t been to any place all these years, so we can’t be bothered to do anything. Besides, since both of you have left, we can’t go home without anyone.” ”

Chapter 2559: 537: too confident in himself 4

“” Mom, you and dad should go out with us.” Zhang Hong smiled and said, “It’s been so many years, but our family has never gone on a trip together!” ”

“Wang Dajun’s mood was originally quite heavy, but after returning home and hearing Zhang Hong’s words, he relaxed a lot. ”

He suddenly felt that losing his job wasn’t such a terrible thing.

It was a blessing in disguise.

He could use this opportunity to get along with his family.

“Wang Dajun continued, “Zhang Hong is right. Mom, you and dad should come with us! It’s not easy for us to decide to go on a trip. It’s a rare opportunity.” ”

“Hearing that, mother Wang was also a little shaken. She continued, “Then when your dad comes back, I’ll discuss it with him.” ”

“Okay.”Wang Dajun nodded.

“In front of his father, it was always his mother who made the decisions. As long as the queen mother nodded, his father’s side would not have any big problems. ”

It was better to choose the right day.

“Thus, on the second day of the students’ vacation, the family boarded a plane to travel overseas. ”

Very soon.

A month had passed.

“During this month, Weiwei had recovered very well and was able to walk freely on the ground. ”

Ye Zhuo came over for a routine check-up.

“Weiwei smiled and said, “Sister Ye, when can I be discharged?” ”

““Soon,”ye Zhuo replied. ”

“The smile on Weiwei’s face became even wider. “We’ll be able to see Wangfu and Wangcai soon!” At this point, the smile on Weiwei’s face dimmed for a moment before she continued, “Sister Ye, can you do me a favor?” ”

“Go ahead.”

“Weiwei continued, “Please don’t Tell Liu Meilian and Xiang Chao the truth.” ”

Ye Zao smiled and nodded slightly.

“Weiwei looked at ye Zao and said in surprise, “Sister Ye, don’t you find it strange at all?” ”

“How is it Strange?” Ye Zao asked.

“Weiwei continued, “I’ve suddenly changed so much to them!” ”

“These days, Vivi had been acting with Liu Meilian and Xiang Chao. ”

“In their eyes, Vivi was still the same Vivi who didn’t know anything. ”

“Ye Zao said, “From the moment you were pushed out of the operating room, I knew that you had seen through their true purpose.” ”

“The eyes were the window of the soul, which could be discovered by careful observation. ”

““Sister Ye, you’re really amazing!” Vivi looked at Ye Zao, her eyes full of admiration. “I’ve decided that the female protagonist of my next comic will be based on you!” ”

She wanted to draw an all-rounded female protagonist who was both A and a!

""Thank you,"ye Zao said. "

"Vivi continued, "Sister Ye, do you have a boyfriend?" "

""No."Ye Zao continued, "However, I do have a fiancé." "

""Fiancé?"Vivi asked, "Is he very handsome?" "

"Yes."Ye Zao nodded slightly.

Weiwei fell into a fantasy. It must be a very outstanding big brother to be ye Zao's fiancé!

"Not long after, Liu Meilian came in and asked with concern, "Miss Ye, when will our Weiwei be discharged from the hospital?" "

"Ye Zao said, "We still need to observe. We'll wait for the specific time to be informed." "

""OH."Liu Meilian nodded and then asked, "How is Weiwei's recovery now?" "

""Average,"ye Zao replied. "

"Hearing this answer, Liu Meilian was a little disappointed. She could not wait to bring Weiwei back immediately. "

"After staying in the hospital for so many days, not only did she not get a single cent, but she even added a lot of money into it. This had already made her current husband very dissatisfied. The most urgent thing now was to bring Weiwei back immediately and manage Weiwei's finances! "

"Liu Meilian continued, "Miss Ye, is there any special medicine that can help Wei Wei recover faster? You Don't have to worry about money at all. Our Wei Wei doesn't lack money!" "

Chapter 2560: 538: Going Abroad

“Vivi could get 100,000 yuan a month. A little money for the special medicine was nothing to her.”

“As long as there was a special medicine that could help Vivi get better, it was worth it no matter how much money she spent.”

““There is no such special medicine for the time being,”ye Zao said.”

“No?”Liu Meilian’s face was full of disappointment.

How could there be no special medicine!

“If there was no special medicine, Vivi could not be discharged from the hospital. If Vivi could not be discharged from the hospital, how could she give her husband an explanation.”

She had already wasted a long time in the hospital.

““Miracle Doctor Ye, you are the highest-level doctor. I believe that you definitely have a way. Can you please make an exception?”Liu Meilian continued, “You know the environment of the hospital. This place is really not conducive to Vivi’s recuperation. It’s better to stay at home.””

““I’m sorry, there really isn’t any special medicine.”Ye Zhuo turned to look at Weiwei and continued, “Remember to take the medicine on time. If you feel unwell, immediately tell the nurse.””

“Okay.”Weiwei nodded.

“After saying that, Ye Zhuo walked towards the door.”

“Liu Meilian looked at ye Zhuo’s back and wanted to chase after him, but in the end, she did not manage to do so.”

“After ye Zao left, Liu Meilian continued, “Doctors are all birds of a feather. In order to earn money, they will do anything! Weiwei, let’s not listen to her. I will go and do the discharge surgery for you. Let’s go home immediately.””

“”Mom, let’s listen to the Doctor,”Weiwei said.”

“”But mom still thinks that you will recover faster at home,”Liu Meilian continued, “And the younger brothers and sisters at Home Welcome You Back. Your uncle even specially made the master bedroom available for you.””

“Wei Wei didn’t reply and asked, “Why haven’t I seen my dad these few days?””

“”He might have something on,”Liu Meilian replied.”

“Actually, it wasn’t anything at all. It was Xiang Chao who had been arrested for gathering XI poison.”

This was also the reason why Liu Meilian couldn’t wait to bring Wei Wei back as soon as possible.

“It was to prevent more trouble from happening. Besides, there was no reason to talk to scum like Xiang Chao.”

Wei Wei nodded. “OH.”

“Liu Meilian looked at Wei Wei and continued, “Oh right, Wei Wei, I’m a little short on money recently. Can you lend me some money?””

“Wei Wei smiled and said, “We’re a family. What do you mean by lending? I’ll give you as much as you want.””

“Liu Meilian’s face was instantly filled with smiles, “Wei Wei, I’m not the kind of person who misses your money. I’m really short on money. You know, I quit my job to take care of you. Now, my whole family is dependent on your uncle. How much money do you have now? Just lend it to Mom.””

These words were half true and half false.

“It was true that Liu Meilian quit her job to take care of Weiwei, but she definitely didn’t do it to take care of Weiwei. What she planned was just one word.”

Money.

“Okay.”Weiwei nodded.

“Liu Meilian continued, “Then when can you transfer it to Mom? Don’t worry. When your uncle gets paid, Mom will think of a way to return it to you.””

“”Send me the card number,”Wei Wei said.”

“”Okay, okay!”Liu Meilian was overjoyed. “I’ll call your uncle right away.””

“Okay.”Wei Wei nodded.

Liu Meilian walked out of the door to make a call.

The person on the other end of the phone picked up very quickly. She sounded a little impatient.

“What’s the matter?”

“Liu Meilian continued, “Hubby! Wei Wei is going to transfer the money to us! Quickly send me the bank account number!””

“Hearing this, the voice on the other end of the line immediately perked up. “Really?””

““Of course it’s true!”Liu Meilian said proudly, “Weiwei is my biological daughter!””

“What about your ex-husband?”

“Liu Meilian said, “What kind of good ending can there be for him! He has already gone in!”Speaking up to this point, Liu Meilian quietly lowered her voice. “I reported him.””

“When she was with Xiang Chao, Liu Meilian knew that Xiang Chao was poisonous.”

“Therefore, when she saw an opportunity, Liu Meilian directly called him to report it!”

““Wait here, I will send you the bank card number right away.””

“Okay.”

“The current husband continued to ask, “Oh right, when can your daughter be discharged from the hospital?””

““What About My Daughter?”Liu Meilian said somewhat unhappily, “Isn’t She Your Daughter?””

““Yes, yes, yes! You’re right, she’s also my daughter! When will our daughter be discharged from the hospital?””

“Liu Meilian continued, “I just asked the doctor, and he said that we still have to wait for some time. Don’t say so much, quickly send me your card number!””
