

Almighty D 2561

Chapter 2561: 538: Going Abroad 2

“Okay.”

“After hanging up the phone, her husband sent the card number to her. ”

Liu Meilian immediately sent it to Weiwei.

““Weiwei, I sent the card number to you.”Liu Meilian walked in with a smile, then, she said, “I just pulled you into our family group. There’s no one else in the group except your uncle and your younger brother and sister. We are a family of five.” ”

Weiwei opened wechat and found that she had indeed been pulled into a family group.

Group name.

A happy family.

Weiwei opened the group and the corners of her mouth curled up.

Husband and wife were loving. They had children. They were indeed a happy family.

“Weiwei looked up at Liu Meilian and said, “Mom, can you introduce your younger brother and sister to me?” ”

““Okay.” Liu Meilian took out her phone and opened the family photo. “Look, this is your younger brother Zhe Zhe. This is your younger sister Sisi. The two of them...” ”

“When she talked about her two children, Liu Meilian’s eyes were filled with an unconcealable smile. ”

“The corners of Weiwei’s mouth curled up slightly, but she couldn’t tell what it meant. ”

She never knew that Liu Meilian actually had such a maternal side.

She was partial to those two children.

She was very happy now.

“Liu Meilian continued, “Your younger brothers and sisters adore you. Oh right, your younger sister is also a loyal fan of your comics! Previously, she even said that she wanted to meet you, but I was afraid that she would disturb you, so I didn’t let her come over.” ”

““And your younger brother. Don’t think that he’s only ten years old this year. He’s actually very shrewd. Every day, he says that he wants to be like his sister and become an excellent manga artist.” ”

“Weiwei just looked at her like that. Liu Meilian was immersed in the happiness of having children, so she didn’t notice the ridicule in Weiwei’s eyes. ”

“She was thinking, in Liu Meilian’s previous life, would she occasionally think of herself? ”

“After all, she was Liu Meilian’s daughter. ”

“Wei Wei looked away and said, “Mom, I’m tired. I want to rest.” ”

““Okay.” Liu Meilian put away her phone and said, “What do you want to Eat Tonight? Mom will buy it for you.” ”

“Anything.” Wei Wei continued, “But I want to eat your hand-made Ramen Tomorrow.” ”

“Liu Meilian smiled and said, “Okay, then mom will go home tomorrow to make Ramen for you.” ”

“Wei Wei said, “Then when you go home, bring your younger siblings along.” ”

She wanted to see what a child who was favored to grow up looked like.

“Okay.” Liu Meilian nodded.

“When she came out of the ward, Liu Meilian received a call from her husband. “I received a payment from your daughter.” ”

“How much?” Liu Meilian asked.

“It’s only 15,000 yuan.” ”

“Liu Meilian continued, “Why do you still think it’s too little? Weiwei just had an operation. It’s already good enough that she can make so much money. You’re such a short-sighted person. When Weiwei moves into our house in the future, won’t all her salary be ours!” ”

“Besides, how much is your salary for a month?” ”

“A person who only received a few thousand yuan a month actually despised 15,000 yuan. It was simply ridiculous.”

“You’re right.”

“Liu Meilian said again, “Wei Wei said that she wants to eat the ramen that I made personally. Prepare the ingredients tonight. I’ll be back early tomorrow morning.” ”

“” Alright, then I’ll put the beef stewed first.” ”

Liu Meilian gave some more instructions before hanging up.

...

“The next morning, Liu Meilian went home and started making ramen. She also instructed her children to please Wei Wei when they arrived at the hospital and not to speak nonsense. ”

“Her daughter, Sisi, pouted unhappily. “Why should I please her! She’s not my biological sister!” ”

“”Who says she’s not your biological sister? She’s your biological sister!”After saying that, Liu Meilian continued, “Even if she’s not your biological sister, she’s rich! As long as you make her happy, you can have anything you want in the future!” ”

Sisi’s eyes lit up when she heard that. “Then can I have a piano?”

“Sure.”Liu Meilian nodded.

“Sisi jumped up happily. “Oh, that’s great! I’m going to have a piano!” ”

“Zhe Zhe immediately asked, “Then will my biological Sister Buy Me an Ultraman?” ”

“You’re useless. All you know is Ultraman!”Liu Meilian said.

“Zhe Zhe said, “If she buys me Ultraman, then she is my biological sister!” ”

“After making the noodles, Liu Meilian brought her children to the hospital. ”

Wei Wei sat on the hospital bed.

“Liu Meilian brought her children and said, “Sisi Zhe, quickly call me sister.” ”

“Sister.”The two siblings said in unison.

Wei Wei looked at them and took out two red packets. “Here.”

“Seeing the red packets, Liu Meilian’s eyes lit up. “Quick, hurry up and thank sister!” ”

Chapter 2562: 538: Going Abroad 3

“Sisi said sensibly, “Thank you, Sister!” ”

“Zhe Zhe also thanked her. “Thank you, Sister.” ”

““You’re welcome,”Wei Wei said with a smile. ”

Liu Meilian looked at Wei Wei with a mocking look in her eyes.

“After all, a child was still a child. She could actually trust them without reservation in such a short period of time. ”

“However, the mocking look in Liu Meilian’s eyes quickly disappeared. ”

“Although Weiwei was still a child, she was still different from the children of ordinary families ”

How could a child of an ordinary family become a manga author at such a young age?

“In the end, it was all because of her genes. ”

“In the future, her son and daughter would definitely become even more outstanding than Weiwei! ”

What was a manga author?

Unrated!

“The more Liu Meilian thought about it, the more proud she became. It was as if she had seen the future. ”

Zhe Zhe put away the red packet and looked at Vivian. “Can you buy Ultraman for me?”

Ultraman?

Vivian frowned subconsciously.

She could not believe that this was said by an eleven-year-old child.

“He was already eleven years old, but he was still playing Ultraman. ”

“Sure.”Vivi nodded.

“Zhe Zhe continued, “I want to gather all the Ultraman Heroes.” ”

“Okay.”Vivi nodded.

“Zhe Zhe was very happy. He looked at Vivi and said, “Okay, then you will be my biological sister from now on!” ”

Vivi couldn't help but laugh.

“After a while, Vivi took out her phone. “Tell me your address.” ”

“Zhe Zhe didn't know her home address. Liu Meilian immediately said, “Room 601, No. 5 building, garden estate, 663 Longhua Road.” ”

“Okay.”Weiwei typed in the address.

“Liu Meilian pushed Sisi without leaving a trace. Sisi quickly smiled and went forward. “Sister, can I have a piano?” ”

Piano.

“Hearing this term, Weiwei's eyes dimmed for a moment. ”

“Once upon a time, she also had a dream of playing the piano. She also envied the young lady who sat in front of the piano in a small gown. ”

Unfortunately.

She could only be envious.

“Sure.”Vivi continued to nod.

“Vivi said a little excitedly, “Thank you, Sister.” ”

““You’re welcome,”Vivi said. ”

“Sisi had never felt that having an additional sister was a wonderful thing. But at this moment, she hoped that Vivi would always be her sister. ”

Nothing in this world was omnipotent.

“If there was anything, it was money. ”

There was never a problem that money could not solve.

“If one yuan was not enough, then one hundred million. ”

Weiwei was a good example.

“Liu Meilian looked at the scene in front of her with satisfaction. Indeed, reporting Xiang Chao was a very wise decision. If Xiang Chao had not been reported, how could there be such a scene? ”

It was not until evening that Liu Meilian sent the two children back.

“Vivi was very understanding and said, “Mom, you can come tomorrow afternoon. You haven’t accompanied your younger siblings for a long time.” ”

““That’s fine.”Liu Meilian smiled and said, “Then I’ll come tomorrow afternoon and bring you some ramen noodles.” ”

““Okay.”Vivi nodded. “Mom, I’ll wait for you.” ”

I'll wait for you.

"A long, long time ago, Weiwei had said the same thing to Liu Meilian."

Unfortunately.

"She waited for a long time, but Liu Meilian did not come to pick her up."

"Okay."

Weiwei looked at Liu Meilian. "You must come." This was her childhood dream.

"Three meals a day. As long as she finished eating, she would run to the Old Banyan tree at the entrance of the village and look forward to it."

She waited and waited.

She waited for a long time.

"In the end, it was grandma who broke her dream."

"Your mother is dead. She will never come to fetch you back."

"Your father and your mother are not good people. You are not good people either!"

"..."

Grandma's words were still ringing in her ears.

“For a moment, Weiwei actually could not tell the past from the present.”

“It was Liu Meilian’s voice that brought her back to reality. “Don’t worry, I’ll definitely come.” ”

“Liu Meilian, who was still a child, didn’t answer her question.”

Things had changed a long time ago.

Weiwei sent Liu Meilian and her brother and sister to the hospital entrance.

“Then, Weiwei went to the nurses’ station. “Little Sister Zhao.” ”

“When she heard Weiwei’s voice, Little Zhao immediately looked up. “Weiwei is here.” ”

“Weiwei nodded. “Sister Little Zhao, let’s go.” ”

“Your mother has already left?” Little Zhao asked.

“Yes.”

Little Zhao flipped open the duty book at the side. “Then wait a moment.”

“Alright.” Weiwei nodded.

“After saying that, Weiwei continued, “Is sister ye around today?” ”

“Little Zhao shook his head. “Miss Ye isn’t around today. Don’t worry, she has already explained everything.” ”

“Okay.”

“Little Zhao got up from his chair after finishing his work. “Weiwei, let’s go. Shall we go to the pet shop first?””

“Yes.”

The two of them went to the pet shop.

The lady boss was very happy when she saw Weiwei coming over. “Weiwei is back! Are you here to take Wangfu and Wangcai Back?”

“”Yes.”Weiwei even brought a gift for the lady boss. “Aunt Zixuan, I’ve settled down overseas. This time, I’m here to help Wangfu and Wangcai go abroad.””

“”Good, good, good. Don’t worry about going abroad. I know the procedures very well. Just leave it to me.”Zhang Zixuan continued, “Besides the overseas procedures and fees, there’s still a lot of money left from the last transfer. I’ll transfer it to you from Alipay.””

“Zhang Zixuan had been worried about Weiwei for the past few days. Now that Weiwei was finally back, Zhang Zixuan was relieved.”

“”Okay.”Weiwei gave the gift to Zhang Zixuan. “Aunt Zixuan, this is for you. I wish you a prosperous business and a prosperous day.””

“”Thank you.”Zhang Zixuan took the gift with both hands and said with a smile, “This child is too polite! By the way, who is this?””

“Weiwei said, “An elder sister in the family.””

Zhang Zixuan nodded with a smile. “It’s been so long. I finally met your relative.”

Weiwei smiled as well.

Little Zhao’s mood suddenly turned heavy.

Weiwei was so young. How many heavy things had she shouldered.

“After negotiating with Zhang Zixuan, Little Zhao sent Weiwei to the airport.”

“After all, the child was only a teenager. Little Zhao asked worriedly, “Weiwei, can you go alone?””

““I’m fine.” Weiwei smiled and said, “Someone from country M picked me up.””

“Is that person reliable?” Little Zhao asked.

Vivi nodded. “He’s my chief editor.”

““As long as he’s reliable,” little Zhao said, “You’re young. You’re alone out there. No matter what happens, you have to be careful. Don’t be deceived. If you encounter anything, remember to send me a message immediately!””

““Okay.” Vivi continued to nod. “Thank you, Sister Zhao.””

““You’re welcome!” Zhao patted Vivi’s head. “If you don’t mind, you can treat me as your sister in the future.””

“Okay.” Vivi smiled.

Zhao told Vivi a lot of things and watched her walk into the boarding gate before he left.

The plane to M Nation landed on time nine hours later.

Vivi's English was good and she did not encounter any difficulties along the way.

"Just as she walked out of the gate, she saw the editor-in-chief waving at her."

"Vivi, this way!"

Vivi pulled her suitcase and jogged over.

"Sister Linda."

Linda took her suitcase. "I've already arranged a place for you to live next door to me."

"Thank you, Sister Linda."

"You're welcome." Linda continued to ask, "Have you settled all the domestic matters?"

"Yes."

Linda nodded. "You should rest for three months first. Don't be in a hurry to write a serial. Wait until your body recovers before you start writing."

"Okay."

"Looking at the obedient, sensible and talented vivi, Linda really wanted to have another daughter."

...

On the other side.

“When Liu Meilian returned to the hospital again, she found out that Vivi had already been discharged.”

Discharged!

“Liu Meilian said in surprise, “Why didn’t anyone inform me that my daughter was discharged?””

“The patient discharged herself.”

“Liu Meilian continued, “But I’m her guardian! Where did my daughter go?””

““Sorry, I’m not too sure about that either.””

Liu Meilian immediately took out her phone and dialed Weiwei’s number.

“Although it was late at night in Country M, Weiwei quickly picked up.”

““Weiwei, where did you go? Mom was worried sick about you!””

““I went abroad,” weiwei continued, “Ms. Liu, strictly speaking, I’m not your daughter. Zhou Si and Zhou Zhe are your children. I’m very grateful to you for choosing to give birth to me back then. I’ve already returned this favor to you. In the future, we don’t owe each other anything, and we won’t see each other again! That’s all.””

“After saying that, Vivi hung up the phone.”

Liu Meilian was stunned.

What did Vivi mean by this?

It seemed that Vivi had been acting with her all these days?

She said that she had already returned the favor of giving birth to her.

“Could it be that she had transferred 15,000 yuan, bought a piano for Zhou Si, and a few broken toys for Zhou Zhe? And then two red envelopes?”

“But these things added up only amounted to about 100,000 yuan.”

What was this?

Chapter 2564: 539:1

Liu Meilian stood there with a pale face.

Little B * Tch!

This little B * Tch dared to lie to her!

“If she had known this would happen, she wouldn’t have stayed at home last night. ”

But now.

1.

No.

She couldn't take this lying down.

"Since Vivi had secretly gone abroad, she would look for a hospital."

Wasn't it very easy for such a big hospital to casually take out tens of millions?

"Even if it was not tens of millions, there would still be millions!"

"With this thought in mind, Liu Meilian came to the hospital hall and cried and yelled, "Without the consent of the Guardian, what right do you have to perform a discharge surgery on My Daughter? ! What right do you have? ! Give my daughter back!" "

"She threw a tantrum and rolled on the floor, putting all the unpresentable things on the table."

It made people dumbfounded.

"In a place like the hospital, it was very normal for doctors to make a scene. When some busybodies saw this scene, they uploaded the video onto the Internet."

"When she saw that someone was filming it, Liu Meilian became even more enthusiastic, "My daughter is still underage!" "What kind of hospital are you guys in... ?" treating human lives like grass ! Although I'm just an insignificant commoner, I also have human rights ! Where did you hide my daughter ! All of you here are human traffickers. Heavens, is there still justice in this world? !" "

"After this video was posted on the Internet, it immediately received hundreds of thousands of views and views."

The modern people's outlook on the world was very normal.

“When they saw such a thing, of course, they had to stand up, but what they saw was too one-sided.”

“If one's willpower was slightly weak, some netizens would be led astray.”

It would cause a huge uproar.

[oh my God! are all the hospitals nowadays so scary?]

[I heard that the daughter of the human affairs department is still underage.]

“[@first People's Hospital of Beijing, please give us a reasonable explanation.]”

“[it is not that there is no darkness in this world, but that we do not see darkness. The reality is far more serious than what we see.]”

“[is the threshold for creating rumors so low now? Before the cause and effect of the incident is revealed, everyone should be careful with their words and actions! Good words warm the heart for three winters, and evil words hurt the heart for six months of cold.]”

“[@capital's number one people's Hospital,@number one news site,@capital city report. is official Weibo going to play dead again at this time?]”

“[what else can we do if we don't Play Dead? Since ancient times, the poor can't win against the rich, and the people can't win against the officials!]”

[let's unite and give this mother an explanation.]

“[I'm also a mother. Seeing this video, My Heart Really Hurts!]”

“Unity is strength!”

“...”

“The public opinion was getting bigger and bigger, like a snowball rolling in the snow.”

“If they didn’t clear the clouds and see the sun, they would eventually cause an avalanche.”

The hospital also had a headache.

They were most afraid of unruly people like Liu Meilian.

““Director Han, what should we do now?”The assistant showed the tablet to director Han. “Many patients in the hospital are protesting now.” ”

Director Han also had a headache.

He didn’t know how to explain.

“At that moment, there was a knock on the door.”

The assistant immediately went to open the door.

“Director Han.”

““Little Zhao is here,” director Han said.”

Little Zhao handed director Han a USB drive. “Miss ye asked me to give this to you.”

“Director Han reached out to take it and asked curiously, “What’s This?” ”

“Little Zhao shook her head. “I’m not sure either, but you’ll know once you open it and take a look.” ”

“Okay.”

“Director Han inserted the USB drive into the computer. When she opened it, she found that it was a edited video.”

The background of the video was Wei Wei’s operating room that day.

The conversation between Liu Meilian and Xiang Chao could be clearly heard in the video.

“How will the inheritance be divided if she dies?”

““Doesn’t she still have 300,000? I have 250,000, and you have 50,000!” ”

“On what basis!”

““On the basis that Wei Wei was brought up by my mother all these years. Other than giving birth to her, what else did you do?” ”

“I don’t agree!”

The two of them argued in the operating theater until their faces turned red.

“Director Han’s expression instantly turned bright. “Miss Ye, this video came at the Right Time!” ”

“After saying that, director Han continued, “Little Wang, upload the video to the Internet. Explain to the netizens what you need to explain!” ”

Little Wang nodded. “Alright.”

Little Wang immediately uploaded the video.

“Very soon, the first hospital made an explanation. ”

“[regarding this matter, our hospital has already made an investigation. First, although the lady in the video is the mother of the patient, Xiang Wei, she is not her guardian. Xiang Wei came to the hospital alone for an in-patient surgery when she was seriously ill. Now, she has the right to leave the hospital alone. Not all parents can be called parents. In addition, Xiang Wei is doing very well now. Please don't worry about her.] ”

Chapter 2565: 539: The Chicken Flies and the egg beats 2

Then there was a video from that day in the hand room.

“With the video, the direction of the wind changed in an instant. ”

“”My God, how can there be such a mother in the world!” ”

“”It's really disgusting! Indeed, we can't look at the problem too one-sidedly.” ”

“”How should we put it? Before the little girl has made a statement, we can't believe the hospital's one-sidedly.” ”

“[yes, we'll wait and see how the little girl responds.] ”

“[no matter how the little girl responds, the parents’ words in the operating room are already disgusting!] ”

No parent would discuss how to divide the child’s inheritance when their child’s life was on the line.

“Seeing that the matter was getting more and more serious, little Zhao told the situation to Vivi who was far away abroad. ”

“This matter had to be handled personally. Otherwise, it would not be resolved. ”

“After knowing the situation, Vivi immediately made a statement. ”

“She appeared in front of the camera with a smile and looked forward, “Hello, everyone. I’m Xiang Wei. I’m also the daughter of this Ms. Liu in the video. I’m now abroad. I’m very safe and well. Don’t worry about me.” ”

“At this point, she paused, then, she continued, “This Lady Liu left me when I was three years old. During this period, I fantasized countless times that she could bring me back, but she didn’t. Perhaps in her eyes, I’m just a burden! In the past, I only thought that way. Until recently, I was completely certain that in her eyes, I’m just a burden... .. ”

“Vivi calmly told her life story. Her eyes did not even turn red during the whole process. When people were extremely disappointed, they did not have any emotions. ”

“However, it touched the countless netizens in front of the camera. ”

“[don’t be afraid, you will be my daughter from now on!] ”

[I’m so angry! This kind of mother does not deserve to live in this world. How can she have the face to ask the hospital for her? Is She a mad dog? Vivi should not return the favor. Is she worthy of this kind of person? She is not worthy of being a mother!]

[this kind of person is worse than a Mad Dog!]

“[this time, I’m standing at the Hospital!]”

[I’m standing at the hospital too!]

“[Vivi, set up an account. From now on, US uncles and aunts will accompany you to grow up and see the world together.]”

[we just found out that Vivi’s pen name in the comic is Vivi. Let’s go and pay attention to Vivi.]

[...]

“For a time, a lot of people paid attention to Vivi. ”

“Vivi’s fans rose from 300,000 to 600,000. ”

“That night, Vivi had an inspiration and created her new work, “She who fell from the sky,” with the female lead, Fanye. ”

“After opening the first sentence, Vivi’s thoughts surged. She drew ten sentences overnight and uploaded them all backstage. ”

The response of the new manga was particularly good.

“On the first day of its release, the number of comments had exceeded 1,000. ”

“The style of the new manga was indeed very different from before. After all, Vivi was based on Ye Zhuo this time. ”

The female lead was a Doctor Who Saved lives and helped the injured.

“From being unknown to being surrounded by stars, she had doubts and support along the way. This kind of growth-type female lead was more popular.”

“[after half a year, the Vivi that we are familiar with has returned. The style of the new manga feels completely different from before.]”

[the female lead is self-reliant and self-reliant. I like it very much.]

“[the profession of doctor is really too great. The Doctor Fanye in the story reminded me of Miracle Doctor Ye. If it wasn't for Miracle Doctor Ye, the cancer would still be incurable.]”

[I also thought of Miracle Doctor Ye.]

The chief editor didn't expect that Vivi would start serializing the new manga so soon. He also didn't expect that the new manga would receive so much attention the moment it was released. He knocked on Vivi's door that very night.

“Vivi.”

Vivi came over to open the door.

“Sister Linda.”

“Linda looked at Vivi and said, “Why did you start serializing the new comic so soon? Didn't you say that you needed to rest for a period of time?” ”

“Vivi smiled and said, “I just had an inspiration, so I started.” ”

“Linda continued, “Is the prototype of your new comic Miss Ye?” ”

Vivi did not hide it and nodded. “Yes.”

“Linda continued, “I knew it. Your body has just recovered, don’t tire yourself out. Do what you can.” Although Linda also hoped that Vivi could continue to serialize comics., setting a new record, the body was still the most important thing. ”

Only with a healthy body could one create a better work.

““Yes.”Vivi nodded, “Sister Linda, I know, don’t worry.” ”

“Linda continued, “Then from Tomorrow, I’ll bring you soup every morning before I go to work.” ”

Chapter 2566: 539:3

““Linda, you don’t have to go through so much trouble,”Vivi said. ”

“It’s not a problem. It’s decided.”Linda asked Vivi some more questions before she turned around and left.

“After Linda left, Vivi sat at the computer desk and began to draw. ”

Only Vivi who was immersed in the comic world was the happiest.

It was as if she had become a character in the comic.

Her emotions would be affected by the plot of the comic.

“Sometimes she would frown, sometimes she would smile.”

“Liu Meilian originally wanted to use public opinion to make the hospital pay, but she didn’t expect things to turn out like this.”

“Not only did she not get a single cent, but she was also scolded.”

“”This little B * Tch!” Liu Meilian was so angry that she cursed, “I shouldn’t have given birth to her back then! I should have strangled her to death!” ”

Zhou Si watched Liu Meilian from the side and felt that such a mother was terrifying.

Zhou Zhe also stared at Liu Meilian with his mouth agape.

The trajectory of their lives had already undergone a qualitative change from this moment on.

They were being taught by their own words.

“After all, parents were the best teachers for their children.”

...

On the other side.

The Lin family.

“Although Bai Jingshu didn’t have any reaction during the early stages of pregnancy, she had been reacting badly recently.”

She couldn't eat anything.

"Her face was sallow and sallow, as if she had aged more than ten years."

"Ye Shu was very anxious. "I wasn't like this when I was pregnant with Ah Ze and burning! Jingshu, should we go to the hospital to have a look?" "

"Bai Jingshu smiled and said, "Mom, I'm really fine. The Doctor said that this is all normal." "

"But your face is really too ugly!"Ye Shu continued, "Don't ruin your body because of pregnancy!" "

"Mom, I know my own body. Don't worry, I'm really fine!" "

Ye Zao was still a little worried. "Zao Zao has been too busy these few days. He hasn't been home for a long time. Why don't I let Zao Zao Show You?"

"Mom, did you miss me?"As soon as she said this, ye Zao walked in from outside. "

"Ye Shu thought that she was hallucinating. When she turned around, she saw ye Zao and said in surprise, "Zao Zao!" "

"Ye Zao smiled and said, "Mom, sister-in-law." "

"Zao Zao."

Ye Shu immediately grabbed ye Zao's hand and looked up and down. She looked left and right. "You've lost weight!"

"Mom, I haven't been home for a week. How can it be as exaggerated as you say? You've lost weight already?"Ye Zao turned to look at Bai Jingshu and said in surprise, "Sister-in-law, why do you look so pale?" "

“Ye Shu said, “Quick, let your sister-in-law take a look. Her reaction has been very strong recently. She can’t eat anything and her feet are swollen.” ”

“Okay.”Ye Zhuo nodded slightly.

“After saying that, Ye Zhuo checked Bai Jingshu’s pulse. ”

“A moment later, she let go of Bai Jingshu’s wrist and said, “Mom, don’t worry. This is a normal pregnancy reaction. She’ll be fine after a while.” ”

“”I already said that I’m fine, but mom still doesn’t believe me!”Bai Jingshu smiled at Ye Shu. “You Believe me now, right?” ”

“Ye Shu continued, “Then is there any way to improve it? If this continues, how can the adult’s body endure it?” ”

“Ever since Bai Jingshu married into the Lin family, ye Shu had always treated her as her own daughter. Seeing how Bai Jingshu had worked so hard, Ye Shu, as her mother, saw it and felt pain in her heart. ”

“Ye Zhuo said, “It’s just that the medicine is poisonous. How about this? I’ll give sister-in-law a few injections. It should be able to improve the situation.” ”

“”Okay, okay, okay.”Ye Shu immediately nodded. “Then I’ll get someone to prepare the acupuncture room now.” ”

“Okay.”

Ye Shu went to the acupuncture room.

Ye Zhuo chatted with Bai Jingshu.

“Sister-in-law, have you and my brother named the Baby Yet?”

Bai Jingshu shook her head. “Your brother and I have always decided to let you name the baby.”

“Let me name it?” Ye Zhuo asked.

“Yes.” Bai Jingshu said, “Your brother and I are both useless at naming names. Zhuo Zhuo, give your future niece and nephew a name.”

“Ye Zhuo smiled and said, “Sister-in-law, naming should be your forte. I’m the real useless at naming names.” Bai Jingshu was a historical writer who dabbled in literature, so she should be good at this aspect.”

“Bai Jingshu immediately shook her head. “No, no, no. I really don’t know how to name names. Every time I name a character in a virtual reality, it gives me a headache. Zao Zao, I’ll leave the matter of naming to you. When the time comes, I’ll get your brother to give you a big red packet!”

“She was really useless at naming names. She was not modest at all. She had once used the north, south, east, west, and north to name characters.”

“Ye Zao smiled and said, “Since sister-in-law says so, then I’ll have to think about it carefully.”

Chapter 2567: 539:4

“Then think of two.” Bai Jingshu continued, “One for a boy and one for a girl.”

“Ye Zao said, “According to our family’s genes, there shouldn’t be a need to think of a girl’s name.”

“The Lin family had always only given birth to boys, not girls.”

“That might not be the case.” Bai Jingshu said, “Aren’t you the exception?”

Ye Zao smiled and said, “That’s true.”

Not long after, Ye Shu finished organizing the acupuncture room and sent a message to Ye Zao and Bai Jingshu.

Ye Zao put down his phone. “Sister-in-law, let’s go. Mom sent a message over.”

“Okay.” Bai Jingshu stood up as well.

Little White appeared out of nowhere. “Da Zao!”

“Is something the matter, Doggie?” Ye Zhuo turned around.

Little White hesitated for a moment before continuing, “Scorch, I, you, you...”

Ye Zhuo narrowed his eyes. “Did you do something bad again?”

“No, no!” Little White immediately waved his hand.

Ye Zhuo continued, “Then what’s wrong with you?”

Little White said, “Can I go and see my online friends?”

Little White had become addicted to online chatting recently and had even registered a wechat account. Through a little shake, he had managed to meet quite a few people and had managed to make a particularly good netizen.

“Usually, they would chat together and eat chicken together.”

“Through communicating with little white, he realized that the other party was actually a robot as well!”

This made little white meet an old friend from another place!

“Meet some netizens?” This answer made ye Zhuo and Bai Jingshu very surprised.

Little White nodded and looked at ye Zao with anticipation.

“Without waiting for ye Zao to answer, little white continued, “Big Zao, I Promise You That I will never be cheated by anyone, and I will never be sold into the mountains!” ”

“Ye Zao continued, “Where are you going to meet him? Do you want me to send him off?” ”

“Little White widened its eyes and was extremely excited. It even changed the way it addressed ye Zao. “Daddy, can you send me off?” ”

“Yes.” Ye Zao nodded slightly.

“Little White said excitedly, “Thank you, daddy!” ”

“Long live burning!”

It wished it could sing a song right now!

“Afraid that ye Zao would go back on his word, little white stuck out its little finger. “Burning, let’s make a pinky swear! Whoever goes back on his word will be a puppy!” ”

“Okay.”Ye Zao made a Pinky swear with it.

Bai Jingshu looked at the two of them and laughed softly.

“After pinching it, little white continued, “We’ll meet tomorrow at 11 am. Can We set off at 10 am?” ”

“Sure.”Ye Zhuo nodded.

“Little White immediately circled around the spot. “Yay, yay, yay! Long live burning!” ”

“Ye Zhuo and Bai Jingshu continued to walk forward. Little White continued, “Burning, what are you guys going to do? Is there anything I can help you with?” ”

“Go and order milk tea for me.”Ye Zao looked at Bai Jingshu. “Sister-in-law, do you want to drink it?” ”

Bai Jingshu shook her head. “I don’t have an appetite.”

“Little White said, “Then I’ll order two cups!”Bai Jingshu did not drink milk tea, so ye Zao could drink two cups each. ”

“Okay.”Ye Zao nodded.

“Soon, they reached the acupuncture room. Ye Shu had prepared everything. Ye Zao let Bai Jingshu lie on the bed. “Sister-in-law, it might be a little painful at the beginning. Bear with it.” ”

“Okay.”Bai Jingshu nodded.

Ye Zao took out the acupuncture bag and began to perform acupuncture.

“At first, it did hurt a little, but it soon stopped. It was replaced by a very comfortable feeling, as if her entire body was wrapped by a warm current.”

“After the acupuncture, Bai Jingshu felt much more relaxed. “Zao Zao, thank you. I feel like I’m reborn now.” ”

“”Sister-in-law, we’re all family!”Ye Zhuoluo said with a smile.”

“Ye Shu said with a smile, “Yes, yes, yes, we’re all family. Jingshu, do you have a better appetite now? Do you want to eat something?” ”

Chapter 2568: 540: Old Father’s heartache

“Bai Jingshu smiled and said, “Mom, I’m not hungry for the time being. But I want to eat hairy blood curd tonight.” ”

“It was strange to say that Bai Jingshu wanted to eat something spicy right now. Whenever she thought of hairy blood curd, she would start drooling.”

“Ye Shu quickly said, “Then I’ll go to the kitchen to make it now. Do you want to eat something spicy, or do you want to Eat Something Normal?” ”

“”I don’t need it now. I’ll eat it tonight.”Bai Jingshu thought for a moment and continued, “I want to eat something really spicy. It’s best if it’s so spicy that my whole body sweats!” ”

“”Okay, okay, okay.”Ye Shu was relieved. She smiled and said, “Everyone says that it’s sour and spicy girls. Jingshu is definitely pregnant with a daughter!” ”

“”Mom, sour and spicy girls are pseudoscience.”Ye Zhuo continued, “Some people who are pregnant with a boy still like to eat spicy food. Specifically, it depends on their constitution.” ”

“Who said it’s pseudoscience?” Ye Shu said, “When I was pregnant with you and your brother, I liked to eat both sour and spicy food. In the end, it turned out to be a boy and a girl! So, sometimes these words have some origins.” ”

“Bai Jingshu continued, “Then ah ze must be so happy. He wants a daughter even in his dreams.” ”

“Sister-in-law, What About You?” Ye Zao asked, “Do you like a son or a daughter?” ”

“Bai Jingshu rubbed her belly and smiled gently. “I like boys. Just like your brother, I’m Indomitable.” ”

“After saying that, Bai Jingshu looked at ye Zao and asked, “Zao, What About You? Do You Like Boys or Girls?” ”

“I can do either.” Ye Zao continued, “I haven’t thought about it yet!” It was better to let fate decide. ”

“What about your Mr. Cen?” Bai Jingshu smiled and said, “Does he like girls like Ah Ze?” ”

“Yes.” Ye Zhuo nodded slightly. “Maybe all men are the same!”

“Bai Jingshu smiled and said, “After all, daughters are Daddy’s intimate little cotton-padded jacket!” ”

“What is a son?” Ye Zhuo asked.

“A leaky vest,” Bai Jingshu answered. ”

“Ye Shu, who was listening from the side, also laughed out loud. “Young people nowadays really know how to play.” ”

“It was one thing for a son to be a vest, but a leaky vest! ”

“Ye Shu continued, “The two of you stay here and chat. I’ll go get some snacks.” ”

“Okay.”Ye Zhuo nodded.

“Bai Jingshu continued, “Mom, bring some jasmine tea along.” ”

“I know.”

“Bai Jingshu liked drinking jasmine tea very much, so ye Shu would always get someone to prepare it beforehand. ”

The mother-in-law and daughter-in-law got along very well and didn’t have any complicated conflicts.

...

The Cen family.

“After confirming the wedding date, old Mrs. Cen started to make arrangements for the wedding. ”

“Although there was still some time before the wedding date, the wedding matters were quite complicated. In addition, Cen Shaoqing wanted to give ye Zhuo a grand wedding, so he naturally had to arrange it in advance.”

“Old Mrs. Cen wore her reading glasses and walked over to Cen Shaoqing with a red list. “Shaoqing, what do you think of the design here?” ”

Cen Shaoqing took the proposal list. “Let me take a look.”

“She had thought that Cen Shaoqing would just take a look. After all, this person did not seem to care about anything. She had not expected that Cen Shaoqing would not only look at it very carefully, but he would also give old Mrs. Cen a lot of suggestions. ”

“Seeing him look at it with a straight face, old madam CEN could not help but sigh. “One thing begets another!” ”

“A moment later, Cen Shaoqing returned the list to Old Madam Cen. “Grandma, I have already changed the parts that need to be changed.” ”

“Old Madam Cen smiled and took it. “Alright, we’ll do it according to what you’ve changed.” ”

““Oh right, there’s one more thing.” Old Madam Cen adjusted her glasses as if she had thought of something. ”

“What is it?” Cen Shaoqing asked.

“Old Mrs. Cen continued, “Did you ask if Zhongruo likes a western-style wedding or a chinese-style wedding?” ”

““I’m fine with either,” Cen Shaoqing said. ”

“Old Mrs. Cen was a little speechless and said, “Who asked you? I asked about zhongruo!” ”

“After saying that, old Mrs. Cen continued, “Actually, I still prefer a chinese-style wedding. That phoenix coronet and gown is so festive and lively!” ”

“Of course, the final decision was still up to Ye Zao. ”

“If ye Zao liked a western-style wedding, then old Mrs. Cen would immediately change her preferences. Now that it was the young people’s world, of course she had to respect the young people’s thoughts. ”

Cen Shaoqing picked up his phone. "Then I'll ask our leader."

"Just ask on the phone?" Old Mrs. Cen asked.

"Yes." Cen Shaoqing nodded slightly.

"The old lady continued, "How can you ask such a big thing on the phone! It's still early. Go to the Searing House." "

Chapter 2569: 540: Old Father's Heartache 2

"Now?" Cen Shaoqing twirled the prayer beads.

"Yes."

"Cen Shaoqing put away the prayer beads. "Alright, I'll go now." "

"Ever since the wedding date was set, Cen Shaoqing felt that the way Lin Jincheng and Lin Ze looked at him had changed. "

"Especially in Lin Jincheng, who guarded against Cen Shaoqing like he was guarding against thieves. "

Cen Shaoqing drove to the Lin family manor.

"When he arrived, he was just in time for dinner. "

"Uncle, Auntie." "

“Seeing Cen Shaoqing, Ye Zhuo was a little surprised. “Why are you here?” ”

““I came to discuss something with you,”Cen Shaoqing said. ”

“Ye Shu immediately stood up from the sofa and smiled. “Shaoqing is here. Sit Down, sit down! You must have not eaten yet! Nanny Liu, add some bowls and chopsticks!” ”

““Yes, Madam.” ”

Ye Shu was too enthusiastic. She was so enthusiastic that Cen Shaoqing did not have the chance to refuse.

“Therefore, Cen Shaoqing, who had already eaten dinner, forcefully ate two bowls of rice. ”

Nothing else.

He just wanted to leave a good impression on his father-in-law and mother-in-law.

It took a lot of strength to eat.

A grown man could have nothing but strength.

“Ye Shu kept using her chopsticks to pick up food for Cen Shaoqing. “Shaoqing, eat more. Recently, there’s a new chef at home. What do you think of his skills?” ”

““Very good,”Cen Shaoqing said. ”

“Ye Shu smiled and said, “Right! Searing likes the boiled fish cooked by this chef the most! Try this sweet and sour pork tenderloin. It’s said to be a family heirloom. You Won’t be able to eat it outside!” ”

Lin Jincheng sighed helplessly.

“The cabbage in the house was almost taken away by the pig, yet the mistress was still so good to the pig!”

“The mother-in-law looked at her son-in-law. The more she looked at him, the more she liked him. What kind of metaphysics was this! !”

“Bai Jingshu also ate quite a lot tonight. She smiled and said, “Mom, this blood curd is really delicious tonight!””

“Ye Shu said, “Then let the kitchen continue cooking tomorrow.””

“Okay.” Bai Jingshu nodded.

“After eating, Cen Shaoqing and ye Zao went out for a walk.”

A bright moon shone high in the sky. Everything in the world was plated with a layer of bright moonlight.

“The Moonlight Tonight is really beautiful.” Cen Shaoqing twirled the Buddha beads and said in a low voice.

“Ye Zao looked up at the sky and said with a smile, “Yes. The Moonlight Tonight is really beautiful.””

““Leader, do you know the other meaning of the moonlight being really beautiful?” Cen Shaoqing continued to ask.”

Ye Zhuo laughed lightly. “Take a guess.”

“Seeing her like this, Cen Shaoqing knew that she definitely knew the other meaning of the moonlight being really beautiful.”

“Cen Shaoqing held the Buddha beads in his left hand and held her hand tightly with his right hand. He then said, “Oh right, Grandma asked me to ask you, what kind of wedding do you like, Chinese or Western style?” ”

““Chinese style,”ye Zhuo answered.”

“Phoenix Coronet Bridal Veil?”Cen Shaoqing asked.

“Yes.”Ye Zhuo nodded slightly.

Ye Zhuo liked traditional Chinese wedding very much.

“In fact, this was also considered a kind of cultural inheritance. In the future, young people would increasingly like western style wedding. Gradually, some of the things left behind by the ancestors would be forgotten.”

“Cen Shaoqing slightly arched his eyebrows and continued, “What a coincidence. Grandma also likes Chinese style wedding. If she knew that you also like it, she would definitely be very happy.” ”

““What About You? What do you like, Chinese or Western?”Ye Zhuo asked.”

“Cen Shaoqing smiled and said, “I like what you like.” ”

“After saying that, CEN Shaoqing continued, “I really hope that day will come soon.” ”

He was now living like a year.

“Even in his dreams, he was busy getting married.”

“Ye Zhuo raised his eyebrows slightly. “Anyway, you have been single for more than 30 years. It’s not a big deal to wait for a little longer.” ”

“”Baby, do you know what it means to live as long as a year?”Cen Shaoqing suddenly lowered his voice. Although he had deliberately lowered his voice, it was not difficult to tell that there was a faint huskiness in his voice. ”

“There were some things that one did not know when they did not have a girlfriend. Once they had a girlfriend, they would be able to learn without a teacher. ”

“For example, CEN Shaoqing now. ”

Ye Zao laughed softly. “I don’t know.”

“Don’t worry.”Cen Shaoqing’s thin lips curved slightly. “I’ll let you know.”

“The Moonlight Tonight was very beautiful, and the hearts of the people were slowly intoxicated. ”

“Under the illumination of the moonlight, her lips were exceptionally seductive. Cen Shaoqing lowered his eyes slightly, his left hand pressed on the back of her head, and just like that, he leaned over and kissed her. ”

“However, before a kiss could form, a cough sounded in the romantic space. ”

“”Cough, cough, cough!” ”

Cen Shaoqing immediately let go of Ye Zao. He turned his head and saw Lin Jincheng with a serious expression.

“Uncle.”

“Lin Jincheng put his hands behind his back and said expressionlessly, “It’s getting late. Shaoqing, you should go back now!” ”

Chapter 2570: 540: Old Father’s Heartache 3

“”Yes.”Fifth Master Cen, who had always been able to summon the wind and rain in the business world, lost his composure in front of his father-in-law for the first time. “It’s time to go back. Goodbye, Uncle.” ”

“After taking a few steps, Cen Shaoqing seemed to have thought of something and turned his head. “Zhuozhuo, I’ll go back first.” ”

“Ye Zhuo could not help but laugh. She had never realized that Cen Shaoqing was so afraid of Lin Jincheng. “En, you go back first.” ”

Cen Shaoqing turned around and left.

“Looking at Cen Shaoqing’s back as he left, Ye Zhuo smiled and said, “Dad, why are you scaring him?” ”

“Lin Jincheng said, “I’m not scaring him. It’s because he’s timid to begin with.” ”

“”It’s all because you’ve always had a straight face.”Ye Zhuo continued, “You should learn from my mother.” ”

“”You should learn from your mother!”Lin Jincheng said a little angrily, “My precious daughter is going to be raped by him! Do I have to set off two sets of firecrackers to celebrate?” ”

Perhaps only after becoming a father could one understand the feelings of marrying a daughter.

It was very uncomfortable.

“No matter how outstanding the future son-in-law was.., ”

ye Zhuo laughed out loud.

“Even when he returned to the bedroom, Lin Jincheng was still a little depressed. ”

Ye Shu was about to go out.

“Lin Jincheng grabbed her arm and asked, “Where are you going?” ”

“Ye Shu said, “I’m going to see Shaoqing.” ”

““He went back,”Lin Jincheng said. ”

““This child, why didn’t he say hello when he left!”Ye Shu said. ”

Cen Shaoqing had always been a polite person. He had never left without saying goodbye.

“Lin Jincheng continued, “He was scared back by me.” ”

“What happened?”Ye Shu immediately asked.

Lin Jincheng briefly explained the reason.

“Hearing that., ye Shu said, “Ren Shaoqing is not afraid of you at all. He respects you. After all, you’re burning’s father. I’m warning you, you’re not allowed to keep a straight face in front of Shaoqing in the future! Why are you making things difficult for his child? !” ”

“In any case, ye Shu just wanted to see how satisfied CEN Shaoqing was. ”

“Our family’s precious daughter is about to be taken away. Can’t we just let him have his way?”Lin Jincheng said.

Who could understand the heartache of an old father!

“Ye Shu held Lin Jincheng’s hand and said earnestly, “When children grow up, they will eventually have a family. According to what you said, do you still want to keep Yaozhuo as an old lady?” ”

“Lin Jincheng understood the logic, but he still felt a little uncomfortable. His eyes were red as he said, “It was not easy for our Lin family to have a girl like Yaozhuo, but in the end, she is going to get married so early.” ”

“”Aiya, Alright, Alright.”Ye Shu hugged Lin Jincheng. “This Zha Zha Zha hasn’t gotten married yet, and you’re already like this. Then on the day of Zha Zha Zha’s wedding, how will you cry?” ”

“As she spoke, Ye Shu’s eyes were also slightly red, she continued, “Actually, I can’t bear to part with Zha Zha, but a daughter is old, she has to get married eventually! She has to have her own family... .. We should be happy and not burden our two children. Besides, this is a happy occasion. It’s not nice to see you keep a straight face!” ”

“As he finished speaking, ye Shu wiped his tears and continued, “Oh right, fourth sister-in-law just called and asked us to visit her house tomorrow.” ”

“What’s the situation?”Lin Jincheng asked.

“”Lizi brought her boyfriend back,”ye Shu said. ”

Lin Jincheng instantly found comfort in his heart. "Lizi also has a boyfriend?"

"Originally, it was just his family's cabbages being stolen by a pig! "

"Now that Lin Qingxuan's family's cabbages were also being stolen, his mood instantly improved a lot. "

"Yeah."Ye Shu nodded. "And you even know the boy."

"Who is it?"Lin Jincheng asked curiously.

Ye Shu remained mysterious. "Take a guess."

"Lin Jincheng said, "The son of the old Zhang Family?" "

"That's not right."Ye Shu shook her head.

"Could he be from the old Xu Family?"Lin Jincheng continued, "Old Xu had previously asked me to Matchmake Lizi. What do you think about an uncle like me matchmaking his niece? "Then, I asked him to find someone else. I didn't expect it to really work out. Speaking of which, that kid from the old Xu family is really not bad, but he's still a little inferior compared to Shaoqing." "

"Ye Shu smiled and said, "Why? Are you thinking about Shaoqing Now?" "

"I guess so,"Lin Jincheng said. "

"After saying that, Lin Jincheng continued, "Is Lizi's boyfriend really old Xu's son?" "

"No."Ye Shu shook her head. "Guess again?"

"Guess again?"Lin Jincheng frowned slightly. "Then who else could it be?"

He really couldn't think of anyone else.

“Oh, you just tell me directly!” Lin Jincheng said. ”
