Chapter 2571: 540: Old Father's Heartache 4

"Ye Shu said, "Let me give you a hint. The boy and Ah Ze are good friends." "

Good friends with Lin Ze?

Lin Jincheng's eyes widened. "Could it be fat tiger?"

"No."Ye Shu shook her head.

"Mozzie?"

Ye Shu still shook her head.

"Lin Jincheng said, "It can't be dog two, right?" "

Ye Shu chuckled. "It's him."

"How could Lin Jincheng have imagined that one day, buttface would be able to get together with an Lizi. "

""So it's that child! As I said, that child is really not bad! If Lizi can get together with him, she will definitely be very happy in the future!" "

"Then how does buttface compare to Shaoqing?"Ye Shu asked.

“Lin Jincheng said, “That definitely can’t be compared to Shaoqing!” ”

“Even though he despised him, in Lin Jincheng’s heart, there was still no boy who could surpass Cen Shaoqing. ”

“Ye Shu said, “Then why are you still picking on him! Let’s sleep early tonight. We have to go to fourth brother and fourth sister-in-law’s Place First Thing Tomorrow Morning!” ”

“After saying that, Ye Shu stood up and said, “You sleep first. I’ll go tell burning and Ah Ze.” ”

““Okay, go quickly. I’ll wait for You,”Lin Jincheng said. ”

Ye Shu first went to Lin Ze and Bai Jingshu’s place.

Lin Ze hadn’t returned yet.

“Bai Jingshu was listening to the prenatal music. When she saw ye Shu come in, she immediately stood up from her chair. “Mom.” ”

“Ye Shu smiled and said, “Quickly sit down and sit down. Has Ah Ze not returned yet?” ”

“Not yet.”Bai Jingshu shook her head. “He’s been quite busy recently.”

“Ye Shu nodded. “Jingshu, wait for Ah Ze to come back. Tell him that no matter how important the matter is, he has to cancel it tomorrow.” ”

“Did something happen?”Bai Jingshu asked.

“Ye Shu said, “Go to your fourth uncle and fourth aunt’s house tomorrow. Lizi will bring her boyfriend back tomorrow.” ”

“”Really?” Bai Jingshu smiled and said, “Then fourth uncle and fourth aunt can finally be at ease!” ”

“Yes!” Ye Shu nodded.

“After leaving Bai Jingshu’s place, Ye Shu made another trip to ye Zao’s place. ”

“Upon hearing this, little white immediately said, “Then what should I do?” Ye Zao promised it that he would send it to the meeting tomorrow. ”

“Ye Zao smiled and said, “Don’t worry. Since I’ve promised you, I’ll send you to the meeting first before going to fourth uncle’s house. But you have to come back on your own!” ”

Ye Shu was confused. “What Meeting Room?”

“Ye Zhuo explained, “Little White is going to meet online friends tomorrow.” ”

Ye Shu was stunned.

Robots also like to chat online?

And meet online friends?

Ye Shu was a little worried. She explained some things to little white about meeting online friends before leaving.

“The next day, Cen Shaoqing came early in the morning and sent little white to meet online friends with Ye Zhuo. ”

The traffic in Beijing was a little congested in the morning.

The two of them set off at 9:30 am and arrived at Times Square at 10:30 am.

“Little White alighted from the car. “Goodbye, Big Burning!” ”

Ye Zhuo glanced to the side. “Have your netizens arrived yet?”

““Not yet, there’s no rush. I’ll wait for it for a while. As a person, the most important thing is to be a gentleman,” little white continued. “When it arrives, I’ll text you.” ”

““Alright, take care of yourself. I’ll go back first.” ”

“Okay.” Whitey nodded obediently.

Cen Shaoqing drove to Lin Qingxuan’s villa.

“When the two of them arrived, the villa was bustling with activity. Dog two had already arrived and was introducing itself to everyone. ”

““Hello, uncle and Auntie. I’m Ouyang Cheng.” ”

Ouyang Cheng.

This was the first time ye Zhuo knew dog two’s name.

“She quietly tugged at CEN Shaoqing’s sleeve and said with a smile, “I thought dog two’s name was dog two. I didn’t expect it to be such a nice name.” ”

“It’s better than my name?” Cen Shaoqing raised his eyebrows slightly.

“Ye Zao smiled and said, “Of course not.” ”

Cen Shaoqing was finally satisfied.

“At this moment, an Lizi had already brought dog two to the front of the two people. An lizi smiled and said, “Zao Zao, you don’t need me to introduce you to Lord Five, right?” ”

“Buttface took the initiative to extend his hand to Cen Shaoqing. “Hello, brother-in-law. I’m Ouyang Cheng.” ”

“Hello.”

Chapter 2572: 341: Sudden Realization 1

Maybe it was because of this ‘brother-in-law’ that he fawned over Cen Shaoqing. Cen Shaoqing’s thin lips curled up slightly. “Good luck.”

“”Thank you, brother-in-law.” Dog Two was a person who knew how to cause trouble. Although an Lizi was older than ye Zhuo, he couldn’t call Cen Shaoqing brother-in-law. ”

“Moreover, an Lizi entered the Lin family after Ye Zhuo. According to the order of seniority, it wasn’t too much to call Cen Shaoqing brother-in-law. ”

“Ye Zao smiled and said, “Lizi, you and dog two look quite alike when you stand up.” ”

“”Of course,” an Lizi said. ”

“Dog two looked at ye Zao and continued, “Speaking of which, I have to thank Zao Zao. If not for Zao Zao’s advice, I would still be confused.” ”

“Although an Lizi was dog two’s second girlfriend, because the first relationship ended too quickly, dog two did not learn from it and did not know how to develop the next step. ”

“An Lizi was a girl, so it was not appropriate for her to directly bring up the matter of meeting the parents. He did not know that the two of them were frozen there. ”

It was ye Zhuo who came to chat with him.

“Although the entire conversation took less than ten minutes, dog two suddenly came to a realization. ”

It could be described in one sentence:

Listening to your words is better than reading ten years of books.

“Ye Zhuo smiled and said, “Of course.” ”

“After saying that, ye Zao continued, “If you really want to thank me, just prepare more red packets when the time comes.” ”

““That’s for sure,”buttface said. ”

“An lizi smiled and said, “There are still my mother’s relatives over there. Zao Zao, I’ll bring him over to say hello first. He’ll come back later.” ”

“Okay.”Ye Zao nodded slightly.

“Looking at their backs, CEN Shaoqing continued, “The two of them reminded me of the first time I went to your house.” ”

Ye Zao Thought for a moment. "How were you feeling then?"

"I was quite nervous." Cen Shaoqing twirled the Buddhist beads. "To be honest, I didn't fall asleep that night." "

All sorts of worries.

He was worried that he wouldn't be able to get past Lin Jin city and Ye Shu.

Ye Zhuo chuckled. "Really? I don't even know! What are you worried about? I feel like my parents didn't make things difficult for you."

"Uncle and aunt are one of the reasons." Cen Shaoqing paused and continued, "Actually, the more important reason is Ah Ze." "

"My Brother?" Ye Zhuo was a little puzzled. "Why?"

"CEN Shaoqing continued, "I should have told you that your brother and I had a little bit of a grudge, even though he was only three years old at the time." "

"This reminded ye Zhuo of her past. However, Cen Shaoqing was not the one who told her about it. Lin Ze was the one who told her. "

"Ye Zhuo smiled and said, "At that time, my brother even stopped me from being with you. He said that you were prone to violence. What did you do to my brother at that time?" "

Ye Zhuo was rather curious about this matter.

"He said that I was prone to violence?" Cen Shaoqing asked.

“Yes.”Ye Zhuo nodded slightly.

“CEN Shaoqing explained, “It has nothing to do with a tendency to be violent. It’s just that I’ve been mysophobic since I was young.” ”

“Mysophobic?”Ye Zhuo asked.

“”Yes.”Cen Shaoqing nodded slightly, then, he continued, “Back then, your brother was three years old. Even a three-year-old child wouldn’t like to step in mud. Naturally, your brother was no exception. You Don’t even know how dirty your brother was back then...”the important thing was not that Lin Ze’s body was too dirty, it was that Lin Ze still wanted to pounce on him. ”

A three-year-old child would be familiar with anyone.

“Recalling the past, CEN Shaoqing was very regretful. ”

“If he had known that the youth he had pressed into the swimming pool to wash would become his brother-in-law, he would definitely have worshipped Lin Ze. ”

“Ye Zao laughed out loud. “So, you pressed my brother into the swimming pool to wash him clean?” ”

“”Yes.”Although Cen Shaoqing did not want to admit it, it was the truth. ”

“Actually, pressing him into the swimming pool was not a big deal. What was important was Cen Shaoqing’s disgusted expression at that time. ”

He held the back of Lin Ze’s collar with one hand.

This caused Lin Ze to never dare to step into the CEN family ever again.

“Cen Shaoqing opened his thin lips and continued, “I really didn’t expect that your brother’s memory would be so good.” ”

Ye Zao smiled. “Maybe you left too much trauma in his heart.”

“”I regret it too,”Cen Shaoqing said. ”

“But how old are you?”Ye Zao asked.

“”Fifteen,”Cen Shaoqing answered. ”

“Ye Zao clicked his tongue. “Mr. Cen, you’re twelve years older than me!” ”

“Don’t you know that there are three good things in an uncle?”

“Ye Zao said, “Which three good things?” ”

“CEN Shaoqing said, “It’s better to be mature and patient.” ”

“At this point, Cen Shaoqing paused before continuing, “If you don’t believe me, why don’t you give it a try?” ”

Chapter 2573: 341: Sudden Realization 2

Ye Zhuo reached out and pinched Cen Shaoqing’s waist.

“Cen Shaoqing did not Dodge. “Look, it’s another good addition.” ”

“HMM?”Ye Zhuo asked.

“”Baby, if you want to fight, you can fight. If you want to pinch, you can pinch. Wherever you point, you can hit.”CEN Shaoqing continued, “The leader told me to go east, and I definitely won’t Go West!” ”

“When did you become so oily!”

“This is called the transformation of love.”Cen Shaoqing clenched ye Zhuo’s hand tightly. “It’s self-taught.”

Ye Zhuo smiled.

“Cen Shaoqing looked to the other side and asked, “What kind of relatives are there? Why haven’t I seen them before?” ”

“Cen Shaoqing had seen most of the relatives of the Lin family, but he had seen many unfamiliar faces today.”

“”I haven’t seen them either,”ye Zhuo said. “They should be fourth aunt’s relatives.” ”

Xia Xiaoman had a few relatives from her family who had settled down in the capital. She would definitely be there on a day like today.

“CEN Shaoqing continued, “That man over there has already looked over here thirty-one times in the past ten minutes.” ”

“Ye Zao chuckled. “If you don’t look at him, how do you know that he’s looking at you?” ”

“”He’s not looking at me,”Cen Shaoqing continued. “He’s looking at you.” ”

These words were somewhat sour.

“It’s not a big deal to look at him.” Ye Zao smiled and said, “Besides, he might be looking at other people. Don’t be so sensitive.”

“Men understand men the best.” Cen Shaoqing blocked in front of Ye Zao.

“Zao Zao! Da Zao Zao!”

“At this moment, Zhao Pingting’s voice sounded in the air.”

“Ye Zhuo looked back slightly and said with a smile, “Pingting!”

“Zhao Pingting first greeted Cen Shaoqing and then said, “Scorch, there are three short of one mahjong player over there. Do you want to go?”

“Mahjong?” Ye Zhuo hesitated.

Zhao Pingting seemed to have suddenly remembered something. “I forgot that you don’t know how to play mahjong. But doesn’t your boyfriend know how to play? Just let him teach you.”

“No problem.” Cen Shaoqing nodded slightly and held Ye Zao’s hand. “Let’s go play mahjong.”

There were already two people sitting at the mahjong table.

“One of them was third cousin-in-law, and the other was a young girl Ye Zao didn’t know.”

“Third sister-in-law,” Ye Zao greeted politely.

“Third cousin-in-law smiled and introduced, “This is Lizi’s cousin, Li Hang. Hang, this is Lizi’s cousin, Ye Zao. This is Zao’s fiancé, Cen Shaoqing.” ”

“”Hello.”Ye Zao said politely, “I’m Ye Zao.” ”

Cen Shaoqing.

“Li Hang’s birth was not ordinary. Naturally, he knew about Cen Shaoqing. ”

“However, the news of Cen Shaoqing’s proposal shocked the world. ”

What she did not expect was that she would see Cen Shaoqing in person today.

“In fact, Li Hang had always looked down on Xia Xiaoman. ”

“In the words of Li Hang’s mother, she was not a woman. ”

“If it was not for Xia Xiaoman, an Dongliang would not have died. ”

“The three of them were a good family, but Xia Xiaoman broke them up. ”

“An Lizi had her own biological father, but now, she came all the way to the capital to be his stepdaughter! ”

What was so good about being a stepdaughter!

“An Lizi was also a spineless person. Her father was killed by this woman, yet she still followed Xia Xiaoman out! ”

“If she were an Lizi, she would never acknowledge a mother like Xia Xiaoman in this lifetime! ”

“Li hang smiled and looked at Ye Zhuo. “Hello, Miss Ye. I’ve long heard of your name, Li Hang. Qihang.” ”

Qihang.

“Li Hang’s name was specially calculated by a master, so every time he introduced himself, Li Hang would emphasize on introducing his own name. ”

Many people praised her name for being beautiful and special.

“She was clearly a girl, but her name was extremely domineering. ”

“Third Cousin’s wife smiled and said, “We’re all on the same side. SIT, sit, sit!” ”

Ye Zhuo sat down. Cen Shaoqing brought a stool over and sat beside ye Zhuo.

“Seeing this, third cousin’s wife teased, “Shaoqing, why are you so worried about searing alone? Don’t worry, we promise not to bully little twelve!” ”

“Cen Shaoqing explained, “She doesn’t know how to play mahjong. Let me give her some pointers.” ”

““Then you have to go easy on her,”third cousin sister-in-law said. ”

“CEN Shaoqing said modestly, “I don’t know how to play either. Just a little.” ”

“If it were any other time, Cen Shaoqing would definitely give way if he played mahjong with his elders.
”

But today was different.

“Today, he was going to teach ye Zhuo.”

“If he lost to three women in front of his girlfriend, then what face would he have left.”

“So, the first round of Ye Zao ended.”

Li hang raised his head and looked at ye Zao.

“Beautiful and bright, this was probably her first impression of ye Zao.”

She was more eye-catching than on camera.

Chapter 2574: 341: Sudden Enlightenment 3

Like an unreachable flower.

No wonder an Lizi was willing to live under someone else’s roof and be a stepdaughter.

Being a stepdaughter was really worth it!

“If not for being Lin Qingxuan’s stepdaughter, would an Lizi know big shots like Ye Zhuo and Cen Shaoqing?”

“After all, her horizons were too short.”

“Li hang smiled and said, “Miss Ye, your skin is really good. Compared to you, even movie stars are inferior by more than a third!” ”

“Thank you.”

“Li hang continued, “What kind of skincare products does miss ye usually use?” ”

““Ziyang,”ye Zao answered. ”

Ziyang?

Li Hang was stunned.

Ziyang was a very inconspicuous brand. would someone like ye Zao use such an inconspicuous skincare product?

It was obvious that he was not telling the truth!

“He originally thought that ye Zao was easy to get along with. He did not expect that the moment he opened his mouth, the distance between the two of them had widened. ”

She was still too naive!

“For a person like her, without a stepfather like an Lizi, how could she be worthy of making friends with Ye Zao. ”

“Li hang smiled and said, “So Ziyang’s effects are so good. I’ll try Ziyang Tomorrow.” ”

“Third Cousin’s wife smiled and said, “I also used Ziyang. The effects are indeed good.” ”

“So you also used Ziyang?”Li Hang looked at third cousin’s wife.

“Yes.” Third Cousin sister-in-law nodded with a smile. “It was also fiery who recommended me to use it.”

“Then I must give it a try,” Li Hang said with a smile. ”

“Although she was smiling on the surface, in her heart, she had already begun to scold third cousin sister-in-law for being hypocritical. ”

“A top-notch noblewoman like them should not even bother to look at Ziyang, right? ”

“Actually, what Li Hang was annoyed about was not that they did not use Ziyang. Instead, he was disgusted with their hypocritical faces, which they were obviously unwilling to admit even though they had used even more high-end skincare products. ”

“After three rounds, Ye Zhuo had already made three rounds. ”

“Third Cousin’s wife smiled and said, “Shaoqing, you are not allowed to help little twelve this time! If this continues, the few of us will even lose to you and your wife!” ”

Cen Shaoqing twirled the Buddhist beads. “It’s third cousin who is giving in to us.”

“Talking to a cultured person is really different,” third cousin’s wife said with a smile. ”

Ye Zhuo looked at Cen Shaoqing. “I can almost play.”

“Okay.” Cen Shaoqing nodded slightly.

“Mahjong was very simple. Although they had only played three rounds, Ye Zhuo had almost grasped the rules. ”

“Although the second round did not have Cen Shaoqing’s guidance, Ye Zhuo still played mahjong. ”

“Li Hang said as he shuffled the cards, “Miss Ye is really amazing. At that time, I only learned mahjong for one day. Unlike Miss Ye, who just learned the rules and could already play mahjong.” ”

“Li Hang had no other skills, but he had a glib tongue. She did not even offend a three-year-old child, so she was like a fish in water in the circle. Her advice was harsh to the ear, and people liked to listen to pretty words.”

“Although she had just met third cousin’s wife, third cousin’s wife already had a very good impression of her.”

“Hearing this, third cousin’s wife immediately nodded in agreement. “Hang Hang is right. This smart person is different after all.” ”

“Ye Zhuo smiled and said, “He was just lucky.” ”

““Luck is also a part of strength,” Li Hang continued.”

Ye Zhuo was indeed lucky.

“Not only was she beautiful, she was also born into a top-tier wealthy family.”

“Her father was the head of the Lin family. Although her mother was born ordinary, she was also a famous entrepreneur. She was the Mrs. Lin that everyone envied.”

Her brother was the founder of the LK Group.

Her sister-in-law was a famous history writer.

She was also knowledgeable and stood at the top of the technology world. Even finding a fiancé was a big shot.

This life was like cheating!

“If not for her good luck, how could ye Zhuo have been born with all these?”

“After a few rounds, the fourth cousin-in-law came over to join in the fun. “Who won and who lost?” ”

“Li hang continued, “Miss Ye won the first half. Third cousin-in-law won the second half. I was the only one who lost.” ”

“And I also lost!”Zhao Pingting continued.

“Li hang smiled and said, “Then we lost.” ”

“Ye Zhuo yawned and looked at fourth cousin-in-law. “Fourth cousin-in-law, do you want to play?” ”

““Little Twelve, you play. I’ll watch.” ”

“Ye Zhuo pulled Cen Shaoqing up from the chair. “I’ve been sitting for too long. My back hurts. Fourth cousin-in-law, why don’t you play a game? Let’s go out for a walk.” ”

It was too stuffy inside.

““Alright, I’ll play a game.”The fourth cousin-in-law rolled up her sleeves and sat down.”

Ye Zhuo and Cen Shaoqing walked out.

“Seeing ye Zhuo and Cen Shaoqing walk out, Li Hang couldn’t sit still anymore. He wanted to follow them out, but he couldn’t find an excuse for a while.”

He could only continue playing mahjong.

Ye Zhuo and Cen Shaoqing came outside.

Chapter 2575: 341: Sudden Realization 4

“I’m almost bored to death.”Ye Zhuo stretched lazily.

“She did not care about trifles and did whatever she wanted to do. She simply had a good body. No matter what she did, she was very beautiful. ”

“Cen Shaoqing smiled and said, “Then why didn’t you come out earlier?” ”

““I’m lacking one person. I’m embarrassed to come out.”After saying that, ye Zhuo continued, “And I won money in the first half.”There was an unwritten rule in the card game. The loser did not mention leaving the game, the person who won definitely could not speak first. ”

“CEN Shaoqing said, “So there’s such a saying.” ”

“Ye Zhuo said, “It’s always others surrounding you. Of course you don’t know.” ”

Cen Shaoqing twirled the Buddhist beads. “What’s the use of that? Don’t I still have to be around you now?”

Ye Zhuo chuckled.

She realized that she was losing out to Cen Shaoqing.

In the inner room.

An Lizi brought buttface to meet her relatives.

“There were too many relatives in an Lizi’s family. Buttface was already feeling a little dizzy. “Lizi, I’m starting to lose track of who’s with whom.” ”

“”It’s alright.” An lizi smiled and said, “You can just follow behind me and bark. Look at that. That’s my third cousin, Wang Bin. He’s going to be a second-year grad student this year.” ”

“Okay.” Dog two nodded.

The two walked toward Wang Bin.

“Third cousin.”

“Lizi.”

“Wang bin smiled and said, “Your boyfriend is very good. He has good taste.” ”

“”Thank you, third cousin,” dog two said. ”

“Wang bin put his arm around an Lizi’s shoulder and said, “Lizi, I have something to ask you. Come with me.” ”

“Okay.” An Lizi nodded.

The two of them came to the door.

“Wang bin lowered his voice and asked, “Who is that girl in the White T-shirt?” ”

“Which one?” An Lizi asked.

“The one who is the most beautiful,” Wang bin Said. ”

“An Lizi said, “You mean burning?” ”

“I think so.” Wang bin continued, “I don’t know her name, but she is the most beautiful one. Her skin is very white and she has a bun on her head.” ”

“You mean that?” An Lizi happened to see ye Zhuo and Cen Shaoqing walking by the artificial lake.

“Wang bin followed an Lizi’s line of sight and nodded excitedly. “Yes, yes, yes, that’s her!” ”

“An Lizi said, “She’s fifth uncle’s daughter.” ”

“Wang bin continued, “She’s really beautiful. Can you introduce her to me?” ”

“Are you crazy?” An Lizi was a little speechless. “Do you know who she is? Besides, she already has a fiancée!” ”

“Hearing this, Wang bin Said nonchalantly, “She can still get a divorce after getting married. What’s there to be afraid of if she has a fiancé?” ”

“An Lizi frowned. This Wang Bin had never been on the right path since he was young. She had thought that after so many years, this person would change. She did not expect that a dog would never change!
”

“With so many people around today, an Lizi did not want to embarrass him. She continued, “Do you know Fifth Master Cen?” ”

“Yes.” Wang bin nodded.

“An Lizi continued, “Fifth Master Cen is burning’s fiancé.” ”

“At this point, an Lizi lowered her voice. “There was once a person who had the same thoughts as you. He had thoughts that he shouldn’t have. After that, he lost an eye.” ”

“Don’t be an alarmist!” Wang bin Said.

“An lizi smiled and said, “Whether it’s an alarmist or not, you’ll know once you try it! But Don’t blame me for not reminding you. If Cen Wu is ruthless, he won’t recognize anyone. When that time comes, he won’t care who you are!” ”

“Wang bin gulped and smiled, “Look at you, why are you so serious! I was just joking! It was just a joke!” ”

““Sorry, I took it seriously!” An Lizi continued, “Wang Bin, it’s none of my business how you play in your own house, but this is the Lin Family!” ”

“After saying this, an Lizi turned around and left. ”

“Wang bin kept smiling along, “Yes, yes, yes, I was wrong. It was just a joke, just a joke!” ”

“When an Lizi’s figure disappeared, the smile on Wang Bin’s face disappeared completely. He snorted coldly, “Bah! What the hell! You’re really treating yourself like a big shot!” ”

Chapter 2576: 342: just an outsider

This was the Lin family after all.

“The Lin family was surnamed Lin, and an Lizi was a foreigner. What right did she have to criticize her in front of her? ”

It was simply disgusting.

Wang bin had never been treated this way before. He could not take it for a while.

“”Third cousin, What’s wrong with you?”At this moment, Li Hang walked over from the side with a smile on his face. ”

“Of course, Wang Bin would not tell anyone about his scandal. He smiled and said, “It’s nothing.” ”

“Li hang continued, “There are so many beautiful women here today. Do you have anyone you like? If there are, let Lizi introduce you.” ”

“”Forget it!”Wang bin Said self-deprecatingly, “How can I touch her?” ”

A joke from her could make an Lizi give him a bloody lesson. How could he expect an Lizi to hook him up?

This was a dream!

Li hang narrowed his eyes. “What’s going on between the two of you? Is there a misunderstanding?”

“”Nothing.”Wang bin was very stupid, but he was not stupid. He naturally knew that Li hang was not someone who was easy to deal with. ”

“The two of them had their own thoughts. Li hang continued, “I’m serious. If you’re really embarrassed to say anything to Lizi, just tell me. I’ll get wechat for you.” ”

“No,” Wang bin Said. ”

“Li hang continued, “The relatives of the Lin family are not simple people. Are you sure you want to miss it? The little girl who sat at the Mahjong table with me just now is not bad. I heard that her family is in the clothing business. She alone has bought three villas in the capital!” ”

Buying three villas in the capital was not just a matter of words.

“After all, an ordinary person wouldn’t be able to buy a villa in the capital even if they spent their entire life. ”

“Although Zhao Pingting usually kept a low profile and wore ordinary clothes, she was actually an invisible rich lady. ”

“Who is it?” Upon hearing this, Li Hang’s interest was piqued. “How does it look?” ”

“There’s nothing to say about its appearance!” Li hang continued, “It’s on the same level as Lizi. I heard that the two of them were high school classmates.” ”

“Where are they?” Wang bin asked.

“Li hang said, “Come with me.” ”

Wang bin immediately followed Li Hang’s footsteps.

The two of them came to the hall together.

Zhao Pingting was still sitting at the table playing mahjong.

“Li hang pointed at Zhao pingting and said, “She’s the one wearing the grass-green dress and sitting there playing mahjong.” ”

Wang bin immediately followed his line of sight and looked over.

“Immediately after, a disappointed look appeared in his eyes. ”

“If he had not seen ye Zhuo before, he might have been attracted to Zhao Pingting. ”

“But after seeing ye Zhuo and then looking at the others, he did not feel anything. ”

““You still don’t like her?” Seeing Wang Bin like this, Li Hang asked in disbelief. ”

“As a woman, she already thought that Zhao Pingting was good-looking enough! ”

He did not expect Wang Bin to actually not like her.

How High was his standards?

“Wang bin Said, “That’s it. It’s not as exaggerated as you say.” ”

Li Hang rolled his eyes in his heart.

Big Brother.

Please look at yourself in the mirror.

“Li hang continued, “She’s only 22 years old.” ”

“It was a very short sentence, but it had another meaning. ”

“The meaning was that Zhao Pingting could buy three villas in Beijing at 22 years old. Wang Bin was almost 30 years old this year, and everything depended on his family.”

What right did he have to look down on Zhao Pingting?

This was simply ridiculous!

“Wang bin glanced at Zhao Pingting. “Since you’ve already said so, then I’ll reluctantly give it a try.” ”

Li Hang was really speechless.

“She could be considered to have met many people, but this was the first time she had met a scum like Wang bin.”

“If any girl were to meet him, it would really be the misfortune of eight lifetimes!”

“Li hang smiled and said, “After that, you have to give me, this matchmaker, a big red packet.” ”

“Okay.”Wang bin nodded.

“Wang bin continued, “You’re only talking about me. Why didn’t you ask an Lizi to introduce you to someone? There are so many influential people here!” ”

““I don’t want to look for a boyfriend for the time being,”Li Hang said.”

“If she didn’t look for a boyfriend, then she wouldn’t make do.”

Making do with it wasn’t her style.

“Wang bin nodded. “If you like someone, don’t stand on ceremony with me.”It was easier for a man to strike up a conversation with a man than for a woman to strike up a conversation with a man.”

“Okay.”Li hang nodded.

“At this moment, Li Hang seemed to have seen something and continued, “I’m going to take a look over there.” ”

It just so happened that Wang Bin and Li Hang didn’t have much to talk about. “You go ahead.”

Li Hang walked to the other side.

This was the garden area of the villa.

“Lin Qingxuan’s villa was built halfway up the mountain. There was only one villa in the surroundings and it was located in an open location. It was currently early autumn and the breeze was blowing gently, bringing with it a faint orange fragrance.”

Chapter 2577: 342: just an Outsider 2

Li hang raised his head and saw a tall orange tree not far away.

Two or three oranges with yellow skin were very dazzling among the green leaves.

“Li Hang walked to the orange tree and picked an orange. He raised his head and looked in front of him. Then, he sat on the wooden chair under the Orange Tree. He held the orange in one hand and closed his eyes to take a nap.”

She even specially tidied her hair and lifted the hem of her skirt to the roots of her legs.

One or two leaves fell on her skirt. Everything looked so fresh and natural. It was like the innocence of a photographer.

Li Hang took a nap while secretly looking forward.

“Seeing a figure getting closer and closer to him, Li Hang immediately closed his eyes, making everything more natural and unadorned.”

The footsteps were getting closer and closer.

Li hang could clearly feel that the figure stopped in front of her. Its gaze was deep and locked onto her tightly.

Its gaze was filled with curiosity and amazement.

“Li Hang became more and more nervous. His heart rate increased, but she still told herself not to be nervous.”

She had to be calm.

Once.

It was only once. She did not expect that she would win that person’s gaze with just a little trick.

“Ah!”

“At this moment, a scream suddenly came from the air.”

“Someone died!”

“Someone died here!”

“Li hang was so scared that he quickly opened his eyes. When he opened his eyes, he saw a terrified face.”

This face was very close to her.

The owner of the face had two ponytails and was staring at her without blinking.

“Li hang was like a frightened bird. He immediately stood up from the chair, “Who are you! What do you want!” ”

““So you’re not dead! I thought you were dead!”That person said while patting his chest, “You’re really strange!” ”

“Li hang was very speechless. She thought that someone else was walking over, but who would have thought that a crazy woman dressed strangely and dressed strangely.”

“The woman looked to be in her thirties, but she was wearing an exaggerated skirt, twin ponytails, and her facial expression was also very exaggerated.”

“You’re the one who’s dead! How unlucky!”Li hang naturally would not continue to pretend in front of a lunatic.

““I’m not dead, I can breathe. Look, I still have a Shadow!” ”

Li hang could not be bothered with her and turned around to leave.

“At this moment, he saw the Lin family’s butler leading a group of people in this direction. “Miss Guanghua, Miss Guanghua, Are You Alright?” ”

Miss Guanghua?

Could it be this crazy woman behind him?

Li hang turned around.

“He saw the crazy woman waving her hand. “I’m fine, I’m fine. It’s just that I thought this woman was dead just now. She was just lying on the chair like this. I looked at her for a long time, but she didn’t say a word...” ”

“As Guanghua spoke, she imitated Li Hang’s appearance and even pulled the hem of her skirt up to her legs. ”

The Butler took a glance at Li hang and immediately understood what had happened.

“In all these years in the Lin family, what had he not seen? ”

Couldn’t these girls walk the Righteous Path?

They only wanted to take shortcuts all day long.

Did they really think that the nobles had no eyes and could take a fancy to anyone?

“Li hang wished he could find a hole in the ground and hide. He could only bite the bullet and say,” ... Butler Zhou, there might be some misunderstanding.” ”

“Butler Zhou raised his formal smile and said, “Miss Li, the banquet hall is over here.” ”

Li Hang had no choice but to walk forward.

“The Butler smiled and looked at Guanhua. “Miss Guanhua, the Old Madam is looking for you. Please follow me quickly.” ”

“Guanhua nodded and happily held onto the butler’s arm. She skipped forward and said, “Then let’s go quickly! Don’t make Grandma Wait so anxiously!” ”

“Okay.”

Li Hang walked in front and turned around to look curiously.

Who Was this Guanhua Miss?

She seemed to be a little unusual.

“Although the interlude was a little unpleasant, when they arrived at the banquet hall, Li Hang still maintained the most appropriate smile on his face. ”

No one else had seen him just now.

“There was a fool, a butler, and a group of servants. ”

They were all low-class people. There was nothing to be afraid of.

“When Li Hang arrived at the banquet hall, he happened to see an Lizi. He immediately jogged over.
“Lizi.” ”

“Li Hang.”

“Li Hang’s smile did not change, but he was a little unhappy in his heart. This was also the reason why she looked down on an Lizi.”

“An Lizi was always like this. They were obviously cousins, but an Lizi called her by her first and last name.”

She didn’t respect people at all!

““Lizi, Congratulations, you are really a man and a woman with your boyfriend!”Li Hang said something that went against his heart, but there was no expression on his face that went against his heart.”

Chapter 2578: 342: just an outsider 3

““Thank you.”An lizi smiled and said, “I also wish you can find your other half as soon as possible.” ”

“Yeah.”Li hang nodded. “I hope so too.”

“As he spoke, Li Hang had already grabbed an Lizi’s arm. “Lizi, time really flies! I remember when we were young, we even played house together!” ”

“Thinking back to the past, an Lizi was also filled with emotions. “Yeah.” ”

“Li hang chatted about other things before finally returning to the main topic. “Oh right, Lizi, I just saw a very strange person. Is she a relative of your family?” ”

“Who?”An Lizi asked.

“Li hang said, “She’s about thirty years old. She dresses like a little child. I saw that everyone called her Miss Guanghua.” ”

“An Lizi said, “Oh, you mean Aunt Guanghai. She’s the daughter of my father’s old friend, and also the successor of the Soaring Enterprise.” ”

“The successor of the Soaring Enterprise?” Li hang widened his eyes in disbelief.

Successor?

A crazy woman?

“”Yeah.” An Lizi nodded. “Actually, Aunt Guanghai doesn’t have much of a problem. She’s just a little different from normal people.” ”

“Li hang smiled and said, “I see.” ”

“”Actually, when I first met Aunt Guanghai, I wasn’t used to it. After getting along with her for a long time, you’ll realize that she’s smarter than most people,” an Lizi continued. ”

“Really?” Li Hang asked.

“Yes.”

“Li hang turned his head and looked in the direction of Guanghai. He then said, “Oh right, Lizi, I have a favor to ask of you.” ”

“What is it?” An Lizi asked.

“Li hang scratched his head. “Actually, it was someone else who asked me.” ”

“Tell me.”

“Li hang continued, “Does your good friend Zhao pingting have a boyfriend?” ”

“”I don’t think so,”an Lizi replied. ”

“”That’s Great!”Li hang continued, “Wang Bin Fell in love with your good friend at first sight. He asked me to help him set up a connection. Can you help me ask your good friend’s opinion?” ”

“Hearing this, an Lizi immediately frowned. “Is Wang Bin Sick? Is it over?” ”

“”What’s Wrong?”Li Hang asked with some confusion, “Why did he suddenly have such a big reaction?” ”

“An Lizi said, “Go and tell Wang Bin to stop thinking about my friend!” ”

“What’s Going On?”Li Hang asked.

“Nothing much! It’s just that he’s not worthy!”An Lizi was not afraid of offending Wang Bin.

“If there weren’t so many people today, she would have kicked Wang bin out directly!”

“Li hang narrowed his eyes, he smiled and said, “To be honest, I don’t like Wang bin very much either, but he’s our cousin! “You, it’s fine if you endure it, but at most, you won’t associate with people like him in the future! “Anyway, I won’t be living with him in the future, so I still have to work on my reputation.” ”

“At this moment, dog two walked in from outside. “Lizi!” ”

“”Here,”an Lizi answered. ”

“Dog two continued, “Auntie has something to talk to you about.” ”

“”I’m here,”an Lizi replied. Then, she looked at Li Hang. “Then, I’ll be leaving first.” ”

“Okay.”Li hang nodded.

An Lizi followed dog two’s footsteps and the two of them walked out.

“An lizi asked curiously, “Why did my mom call me?” ”

“Dog two smiled and said, “Auntie didn’t call you.” ”

An Lizi instantly reacted and reached out to pat dog two. “You’re good! You’re quite perceptive!”

“Actually, she really hated Li Hang.”

“At a very young age, an Lizi had already discovered Li Hang’s hypocrisy. ”

“But she had no choice. After all, Li Hang was her cousin. Sometimes, they still had to maintain their relationship. Even if they didn’t respect the monk, they still had to respect Xia Xiaoman. ”

“”Of course.”Buttface continued, “I’m already at your house. When are you coming back to my house with me?” ”

An Lizi thought for a moment. “I’ll discuss it with my parents tonight.”

“Okay.”Buttface held an Lizi’s hand tightly. “It’s not a day or two that my parents want to see their future daughter-in-law.”

“What if I’m not the ideal daughter-in-law for uncle and aunt?” An lizi continued, “The most difficult relationship in the world is that of a mother-in-law and daughter-in-law. I’m not good at pleasing others. If I have a conflict with your mother in the future, which side are you on?” ”

“I’m on the side of the truth,” buttfac said. ”

An Lizi was a little speechless. “Can’t you say that you’re on my side?”

“Buttfac smiled and said, “Don’t worry. My mother is very easy to get along with. Moreover, she’s very busy. She’s busy with work and traveling. She absolutely has no time to create conflict with you! “Even if you two really have a conflict, I will help the truth and not the family.” ”

“Buttfac’s mother was a typical career-oriented woman. It was said that on the day she gave birth to buttfac, she was still busy discussing cooperation with others. Buttfac was born in an ambulance. ”

“Can’t You Coax Me?” An Lizi asked.

“Buttfac said very seriously, “This kind of thing will last a lifetime. If I really coax you with the tone of a little girl, it means that I am not worth marrying, so I won’t Coax You. “Every word I say to you now, every word, is from the bottom of my heart.” ”

“An lizi smiled and said, “You’re a straight man of Steel!” ”

A straight man who didn’t even know how to coax his girlfriend.

“Buttfac said, “Straight men who give their girlfriends lipstick are all death Barbie fans. When have I ever given you death Barbie fans?” ”

“After saying that, buttfac continued, “I heard from brother Ze that when master five was chasing after searing aring, not only did he give a bunch of death lipstick, but he also gave a bunch of pink dresses.” ”

“Ye Zao had also shared this matter with an Lizi and the others, so when an Lizi heard this, she immediately laughed out loud, “Yes, yes, yes, there was such a thing. At that time, I was laughing my head off! I always thought that this kind of steel straight man only existed in jokes!”Who would have thought that.., there was such a thing in reality, and it was even a pursuer of her good friend! ”

“Buttface continued, “So I’m still straight?” ”

“Just a little better than straight men.”An Lizi made a gesture.

“Buttface smiled and said, “Just a Little?” ”

“”What else do you think?”An lizi continued, “Although master five had a little bit of a straight man in the early stages, he corrected himself in time! Moreover, he stood unreservedly on burning great’s side.” ”

“”People are different from each other.”Buttface continued, “You just have to remember that I will never lie to you. I Won’t let you down.” ”

Chapter 2579: 351: Plan 1

Dog Two was a very realistic person. He would not easily make promises. He would definitely keep his promises.

“Then who will be in charge of our family in the future?”An Lizi continued to ask.

“Dog Two was silent for a moment before he continued, “You make the decisions on small matters. If there’s a big matter, we can negotiate.”Communication was a bridge to increase their relationship. There were some things that could be solved by one person, some things could not be solved by one person at all. ”

“In your opinion, what is a big matter and what is a small matter?” An Lizi looked at dog two and asked.

Dog two smiled and said, “Such things will happen in life. Some things can only be known after they happen. Don’t be anxious.”

How should she put it? Dog Two’s answer made an Lizi feel that marriage was somewhat different from what she had imagined.

“She felt a little uncomfortable, but she couldn’t tell what it was about.”

Dog two hugged an Lizi’s shoulder and said, “Lizi, don’t worry. I will definitely give you a happy home.”

“Then can’t you listen to me in Everything?” An lizi continued, “Just like Master Five and Zhonghua?”

“Although dog two was also very good, an Lizi still envied the way ye Zhonghua and Cen Shaoqing got along.”

The feeling of being held in the palm of someone’s hand all the time was really different.

Dog two chuckled, “I’ve said it before. People are different from each other, and the way they handle things is also different. “Moreover, I don’t know how to say sweet words, and I also don’t know how to use lies to make girls happy. “If there’s anything uncomfortable in the process of getting along with you, I’ll say it. “It’s the same for you. If I do something wrong, as long as you tell me, I will definitely change.”

“At this moment, an Lizi only wanted to say one word to buttface.”

Straight.

But he was different from a traditional straight man.

“What are you daydreaming about?” Buttfacet patted an Lizi on the head.

“An lizi smiled and said, “I thought you were straight.” ”

“Dog two continued, “You may say sweet words, but you can’t do it in action. What’s so good about this kind of person? I can assure you that I’m a person who keeps his word.” ”

“You say it like it makes sense.” An Lizi chuckled.

“”It doesn’t make sense. It makes sense.” dog two continued, “I’m a person who is suitable for living, so I can give you the life you want.” ”

An Lizi nodded.

Li hang stood by the side and listened to their conversation.

He could tell that Ouyang Cheng didn’t like an Lizi that much.

“If he really liked an Lizi, he wouldn’t be so perfunctory to an Lizi. ”

An Lizi was also a fool. She couldn’t even hear the perfunctory words. He didn’t know how she survived in this cannibalistic rich family.

“Obviously, the life of a wealthy family was not suitable for an Lizi. ”

Li Hang looked at Ouyang Cheng again.

He was 1.85 meters tall and had handsome features. He was a standard handsome man with a thick complexion.

He just didn't know what his family background was like.

Li hang narrowed his eyes and walked to Wang Bin's side.

"You're going to wechat?" Wang bin turned his head to look at Li Hang.

"Li hang smiled and said, "I just went to help you ask Lizi." "

"At this point, she paused and continued, "Guess what she said?" "

"What did she say?" Wang bin turned to look at Li Hang.

"Li hang continued, "Actually, she didn't say much. She just felt that she looked down on you from the inside out. I was wondering how you offended her? I'm quite curious." "

"Li Hang's words didn't clearly show how much an Lizi hated Wang bin, but it made Wang bin extremely angry. "

Wang bin snorted coldly. "She thought that a sparrow could really fly to the top and become a Phoenix!"

"Li hang smiled and said, "I don't know if a sparrow can become a phoenix, but I know that she has already flown to the top!" "

"Speaking up to this point, Li hang sighed softly. "From now on, we and Lizi won't be from the same world!" "

These words could be said to be extremely harsh.

"After all, an Lizi used to be from the same world as them. In fact, an Lizi was even inferior to them. "

“But now, an Lizi had actually transformed into someone from the upper class, and they were still the same as before. ”

Even people who had a little bit of self-esteem could not withstand such a blow.

“Not to mention Wang Bin, who was an extremely chauvinistic person. ”

He simply could not stand such a thing.

“Wang bin continued, “As the saying goes, who knows what will happen in the future!” ”

“Li hang curled the corners of his lips. “That’s true. By the way, do you know who Lizi’s boyfriend is? How is his family environment?” ”

Wang Bin had long figured out dog two’s background.

“He had originally wanted to find a sense of superiority from the middle, but he did not expect that the more he heard, the more depressed he became. ”

“Wang bin continued, “That Ouyang Cheng is a local of the capital city. His parents are both white-collar workers of large enterprises. Ouyang Cheng himself set up a company two years ago. He was also lucky. His luck has been very good these two years. I heard that he has already arranged to go public.” ”

“Hearing this, Li Hang said in disbelief, “Really?” ”

““Yes.”Wang bin nodded. Although he was not willing to admit that this was true, it was true. ”

“Li hang smiled and said, “That’s why I said that Lizi was lucky. Not only did she find a rich stepfather, but now she found a rich boyfriend. People like us are really envious of this fate!” ”

“They haven’t gotten married yet! Who said they can’t be envious? Besides, many people can still get divorced even if they get married!” At this point, Wang Bin raised his head to look at Li Hang and said with a smile, “I realized that you’re not worse than an Lizi. Your figure is even better than hers. Maybe you can marry better than an Lizi in the future.” ”

“Hearing that, Li Hang looked at himself and said with a smile, “Thank you.” ”

“Wang Bin said, “I’m telling the truth. There are so many powerful people here today. Work hard.” ”

“Li Hang smiled and said, “It’s better to let fate take its course.” ”

“Although he said that, Li Hang already had an answer and goal in his heart. ”

“After saying that, Li Hang continued, “Don’t worry. I’ll try my best to get Zhao Pingting’s WeChat for you. I’ll go over there first.” ”

“Go.”

Li Hang came to the other side of the banquet hall.

An Lizi was not there.

“Buttface was talking to Fat Tiger and Mozzie, and Lin Ze was also standing by the side. ”

“Li Hang narrowed his eyes, and the corners of his mouth curled up into a beautiful arc. Then, he walked over to the side of the few people. ”

“Cousin-in-law.” Li Hang walked over with a smile.

“Buttface was stunned for a moment. Then, he looked at Li Hang. After searching for a long time in his mind, he finally found information about Li Hang. ”

“Cousin Li Hang.” He originally wanted to call Li hang directly, but he felt that it was a little rude, so he added a cousin after his name. ”

“Li hang smiled and said, “Why don’t I see Lizi?” ”

“She has something to do,” buttface said. ”

“I see.” Li hang smiled and said, “Time really flies. In my impression, Lizi has always been a child who hasn’t grown up.” ”

Only children would be so childish as to ask their boyfriends to listen to her in everything.

“Dog two said, “It’s pretty fast.” ”

“Li hang continued, “Brother-in-law, aren’t you going to introduce these people?” ”

“Dog two immediately reacted and introduced with a smile, “These three are my best brothers. This is Lin Ze, this is Chu Yan, and this is Li Wen.” ”

Chu Yan was the name of Fat Tiger.

“Actually, Fat Tiger was not fat at all. The reason why he was called this name was because he had been quite fat before he entered primary school. ”

“After entering junior high school, he began to lose weight. ”

“Li hang shook hands with them one by one. “Mr. Lin, Mr. Chu, Mr. Li, Hello. I’m Li Hang. Mu Zi Li, Qihang’s hang.” ”

“After getting to know each other, Li Hang took out his phone. “Shall we add on wechat?” ”

“After all, he was a relative of an Lizi. Although Lin Ze, a married man, was a little resistant, he still added Li Hang’s wechat for the sake of an Lizi. ”

Chapter 2580: 452: I’m so jealous that my eyes are red

“After adding wechat, Li hang continued, “My family lives on Linsha Island. I welcome all of you to come and play. I’ll definitely treat you to a meal.” ”

“Dog two said, “Okay, I’ll definitely go.” ”

“”Ah Ze.”At this moment, Bai Jingshu walked over from the side. ”

She was three months pregnant and was starting to show signs of pregnancy.

“Jingshu.”Lin Ze immediately walked over to help her up.

Li Hang was stunned.

Who Was This?

Lin Ze’s wife?

Lin Ze was already married?

It was a pity that such an outstanding person actually got married at an early age.

Li Hang's eyes were filled with pity.

"However, it might not necessarily be a wife. Perhaps they were sisters?"

"Is this sister-in-law?" Li Hang continued to speak.

"Lin Ze nodded. "This is my wife, Bai Jingshu." "

"When he heard this, Li Hang's lowered eyes were filled with regret."

She had thought that Lin Ze was a golden bachelor.

Who would have thought...

"After saying this, Lin Ze looked at Bai Jingshu. "Jingshu, this is Lizi's cousin." "

"As for Li Hang's name, Lin Ze had already forgotten it."

"Hello, I'm Bai Jingshu." "

"Mrs. Lin, I'm Li Hang. Mu Zi Li, Qihang's hang." "

"Bai Jingshu shook hands with Li Hang and said with a smile, "Miss Li's name is very nice." "

"Thank you," Li Hang said. "In the industry, literature and art are the most important, and Jingshu's name is the most beautiful. Mrs. Lin's name is even better." "

Bai Jingshu smiled. "Thank you."

“After saying that, Bai Jingshu looked at Lin Ze and continued, “AH ZE, MOM asked us to go over.” ”

“Okay.” Lin Ze nodded and followed Bai Jingshu’s footsteps.

Fat Tiger looked at dog two and mosquito. “I heard that Xiao Li and the others are here as well. Let’s go over and take a look.”

“”Okay.” Dog two nodded and turned to look at Li Hang. “I’m sorry, cousin Li Hang. Please excuse us.” ”

Li Hang looked at the handsome and rich man in front of him and once again envied an Lizi’s good fortune.

“After a while, Li hang nodded. “You guys go quickly. Don’t worry about me.” ”

“Buttface, fat tiger, and Mosquito walked to the other side. ”

Li Hang looked at the backs of the three people and a look of determination flashed across his eyes.

“Although she couldn’t get a glance from Cen Wu Ye, she could start with Ouyang Cheng. ”

“After all, Ouyang Cheng didn’t really love an Lizi. ”

“It could be seen that Ouyang Cheng was very shaken now. If he met a girl he truly liked, he would definitely abandon an Lizi. ”

“With this in mind, Li Hang found a quiet seat and sat down. ”

He opened wechat and found the four people who had just been added.

“They were Lin Ze, Li Wen, Chu Yan, and Ouyang Cheng.”

“After getting rid of Lin Ze and Ouyang Cheng, Li Hang scrolled through Chu Yan and Li Wen’s circle of friends and found that Chu Yan and Li Wen were not ordinary people.”

They each had their own businesses under their names.

A wealthy family was indeed a wealthy family.

Just a few of them were already so outstanding. Those from small families really could not be compared to them.

“Li Hang curled the corners of his lips and turned to look at an Lizi, who was talking to Ouyang Cheng not far away. The look of determination in his eyes was even more obvious.”

Wait.

She would definitely take root in this wealthy family.

She wanted to give her next generation a better birth!

...

Li Hang’s family bought a three-bedroom house in the capital city.

“The price of a house in the capital city was expensive, and the houses in the city had reached more than 100,000 yuan per square meter. A three-bedroom house could not be bought without thousands of houses.”

“Moreover, her family also had a two-bedroom house, which was rented out.”

“Therefore, Li hang always had a sense of superiority in front of his relatives and friends, as well as in front of his classmates. ”

“When her friends of the same age were still struggling for a house and a car, she already had everything. ”

“But today, when she stood in front of the apartment building in the neighborhood again, the sense of superiority in her heart had disappeared completely. ”

“After all, what she saw today was the big villa that an Lizi lived in, the beautiful backyard, and the banquet hall of the Lin family alone was even bigger than their three-bedroom house. ”

“Therefore, Li hang only saw the mess. ”

Why could an lizi live in such a beautiful villa while she could only live in such a shabby place?

Just because she didn't die of her father?

No.

No.

She wasn't convinced.

“In terms of appearance, she was prettier than an Lizi. ”

“In terms of education, she was already in graduate school. ”

“In terms of birth, she grew up with a golden spoon in her mouth. ”

Why was Anlizi living a better life than her now?

“Li hang stood in front of the apartment building, took a deep breath, and walked inside. ”

“As soon as he walked in, he saw a group of people gathered at the elevator entrance. ”
