Chapter 2581: Her eyes reddened with jealousy

She was waiting for the elevator.

There were all kinds of people.

“Nannies, sanitation workers. ”

She had never noticed before that there were sanitation workers living in the same neighborhood as her!

“Nowadays, even sanitation workers could afford to buy a house in Beijing? ”

She was reduced to living in the same neighborhood as a sanitation worker!

“If she was living in a big villa, would she still have to squeeze into the elevator with these lowly people?  
”

Definitely Not!

Li hang endured the nausea and discomfort in his heart and walked into the elevator.

She lived on the 32nd floor. Li hang only felt a pungent smell constantly surging into his nose.

It was so disgusting that he wanted to vomit.

“When the elevator door opened, Li Hang could not wait to run out, covering his mouth and retching. ”

She had to move out of this damn place as soon as possible!

“Li Hang took a deep breath, walked to the door, and rang the doorbell. ”

Ding Dong —

“Soon, the door opened. ”

The one who opened the door was a middle-aged woman with hot instant noodles.

“When she saw Li Hang, the middle-aged woman said, “How is it? Have you seen Xia Xiaoman?” ”

““Yes,” Li Hang answered as he changed his shoes. ”

“The middle-aged woman looked like she was watching a good show, then she said, “Is Xia Xiaoman living a particularly poor life now? It’s very normal when you think about it. What right does a country woman like her have to marry the big boss of the capital city? In fact, she’s just being used as a nanny!” ”

“The middle-aged woman was Li Hang’s mother, Zhou Cuihua. ”

Zhou Cuihua looked down on Xia Xiaoman and thought that Xia Xiaoman was not a woman.

She had actually forced her husband to his death!

“As a man, it was very normal for him to mess around outside. ”

Those who mess around were usually capable men. How could a man without ability mess around?

Xia Xiaoman was a hag!

“Now that she was being ordered around by her rich husband as a nanny, it was her retribution! ”

“After saying that, Zhou cuihua continued, “Did Xia Xiaoman tell you that she regretted it?” ”

“”No.” Li Hang looked at Zhou cuihua and continued, “Mom, Xia Xiaoman and her mother are living a happy life now. We are no longer in the same world as her.” ”

“What?” Zhou cuihua looked at Li hang in disbelief. “Are you mistaken? But it’s possible that Xia Xiaoman is forcing a smile.”

Who would want to save face in front of others?

“”No.” Li hang shook his head. “She’s really living a very happy life. Moreover, she already has a son with that rich businessman.” ”

“She really has a son?” Zhou Cuihua’s face was full of disbelief.

“Previously, when she heard that Xia Xiaoman had a son, she didn’t believe it. She felt that the rumors were wrong. She didn’t expect that Xia Xiaoman actually had a son! ”

“”I saw it with my own eyes,” Li Hang said. ”

“After saying that, Li hang continued, “Also, did you know, Mom? An Lizi also married into a wealthy family. The man is very well-off.” ”

“Although Ouyang Cheng’s words and actions did not seem to show much love for an Lizi, he was still much better than ordinary people.”

“How well-off?” Zhou cuihua asked.

“Li Hang looked at Zhou cuihua and said, “Let me put it this way. The man is someone that I will never be able to get in touch with in my life.” ”

That was why the circle was very important.

Friends determined your connections.

Zhou cuihua took a deep breath. “Really? That impressive?”

One had to know that the people who pursued Li hang were not bad either.

There were overseas returnees and self-employed bosses...

“If it was someone that Li Hang would never be able to get in touch with in his life, how outstanding would he be? ”

“”It’s true.” Li hang nodded. “That’s why the circle is so important! Although Xia Xiaoman’s character is bad, she did the right thing!” ”

“What Thing?” Zhou cuihua asked.

“Li hang said, “She married an Lizi into a rich family.” ”

“Previously, Li Hang hated Xia Xiaoman and an Lizi, but now he was envious of an Lizi. ”

“If she was born into a rich family, she would definitely marry better than an Lizi! ”

“Zhou cuihua said, “Don’t be so envious of her yet. Maybe what you see is just the surface. Who knows what kind of life she lives in secret!” ”

She would never be envious of a woman like Xia Xiaoman!

“Li Hang took out his phone and continued, “Mom, come and take a look at this photo.” ”

Zhou cuihua walked over.

Li hang showed the photo to Zhou cuihua.

“”This is where Xia Xiaoman lives now. This is the housekeeper of her house.”As he spoke, Li Hang slid to the next photo and continued, “Look at this room again. Do you know whose room this is?” ”

The European style of decoration revealed a sense of luxury in its simplicity.

“At a glance, it was obvious that this was not the decoration of an ordinary home. ”

Chapter 2582: 452: So jealous that her eyes turned red

“Zhou cuihua asked, “Is this the room Xia Xiaoman is staying in now?” ”

“No.”Li hang shook his head.

“Zhou cuihua said in surprise, “If it’s not Xia Xiaoman, then who is it? An Lizi?” ”

“Not really.”Li Hang continued to shake his head.

“Zhou cuihua seemed to have suddenly thought of something and continued, “Could it be that the rich businessman is raising a concubine outside? This is too arrogant, he actually dared to bring a concubine directly into the house!” ”

“”Mom, what are you thinking about!”Li hang said somewhat speechlessly, “How can there be someone who would openly take care of a mistress! And I think that the rich businessman really loves Xia Xiaoman!” ”

“”Impossible! Absolutely Impossible!”Zhou cuihua smiled and waved her hand, “How can there be someone who likes that kind of woman who is half-old!” ”

“Seeing her like this, Li Hang did not continue this topic and continued, “Mom, this room is the room of Xia Xiaoman’s nanny!” ”

“What?”Zhou Cuihua’s eyes were filled with disbelief.

The nanny’s room!

A nanny actually lived in such a good room!

What the hell!

“Li hang continued, “Xia Xiaoman’s life now is much better than you think! We have all underestimated her means.” ”

“To be able to live like this, one could imagine Xia Xiaoman’s means. ”

“Zhou cuihua originally wanted Li Hang to watch Xia Xiaoman’s joke, but she didn’t expect that in the end, it would end up like this. ”

“The joke didn’t catch their eye, but it made them extremely envious. ”

“Speaking up to this point, Li hang paused, then continued, “She now has a maid service at home and a personal chauffeur when she goes out. Unlike us, who live in this kind of low-class slum, living there isn’t as good as her nanny.” ”

“The more he spoke, the more Li Hang felt indignant. ”

Very indignant.

“When Zhou Cuihua heard this, she felt extremely uncomfortable. “If I knew about this flower, I would have gone to take a look today!” ”

“Although she felt very uncomfortable, she wanted to see it with her own eyes. People were sometimes so contradictory. ”

“Li hang seemed to have thought of something and continued, “Mom, when I came back today, Xia Xiaoman asked about you. She asked you to visit the Lin family when you have time!” ”

“I’m not going!”Zhou cuihua said.

What was she going to do?

Was she going to watch Xia Xiaoman show off for her?

She couldn’t stand it.

““No, you’re going. And you have to go politely.”Li hang narrowed his eyes, he looked at Zhou cuihua and said, “I heard that rich businessman likes to drink. Didn’t my dad collect a bottle of old wine from the 1970s? You can bring the old wine with you!” ”

“Hearing that, Zhou Cuihua was speechless and said, “Are you crazy? !” ”

Bring wine for Xia Xiaoman?

“Do you know how much your dad’s bottle of wine is worth?”Zhou cuihua continued to ask.

“”The more expensive it is, the more it shows our sincerity!”Li hang said, “Besides, the Lin family has a lot of money. It’s just a bottle of wine. No matter how expensive it is, it’s only six figures. The Lin family doesn’t care about it at all.” ”

“Zhou cuihua said, “There’s no need for us to curry favor with them!” ”

“Zhou Cuihua was already very jealous when she found out that Xia Xiaoman was living such a good life. Now, Li Hang even asked her to bring a gift to the Lin family to visit. Wasn’t this the same as throwing salt on her wound? ”

“”Mom, Xia Xiaoman is no longer the Xia Xiaoman of the past,”Li Hang said very seriously, “It’s good for us to have a good relationship with her now! “Only through Xia Xiaoman can we get to know people who are not strong enough in our current circle.” ”

“Although Li Hang also didn’t like Xia Xiaoman, and even threw up if he took one more look at her, she had no choice but to bow to reality. ”

“Speaking of this, Li hang continued, “Moreover, I found that an Lizi’s boyfriend doesn’t like an Lizi at all.” ”

“Although he didn’t finish his sentence, it left people with endless reveries. ”

“Hang Hang.”Zhou cuihua raised her head to look at Li Hang.

“The mother and daughter didn’t say much, but at this moment, they both understood each other’s meaning from the other’s eyes. ”

“Li hang nodded. “Yes, Mom.” ”

“Speaking up to this point, li hang continued, “Since Xia Xiaoman can change the trajectory of her life through herself, then I can do the same.” ”

Wealth comes from danger.

“Zhou cuihua licked her lips and said somewhat worriedly, “This, is this really okay?” ”

She was still a little worried.

“”No problem.”Li hang stood up and walked to Zhou Cuihua’s side, holding her arm. “Mom, you just need to accompany me on a trip tomorrow.” ”

“Zhou cuihua hesitated for a moment, then nodded. “Okay.” ”

Chapter 2583: 452: her eyes turned red with jealousy

“In the blink of an eye, it was the next day. ”

Zhou cuihua brought the good wine from home and drove Li Hang to the Lin family.

Zhou Cuihua’s car was a BMW three series.

“Among ordinary people, it was considered a very good car. However, when she arrived at the villa area where the Lin family was located, she knew what a truly wealthy person was. ”

Only by witnessing this scene with her own eyes could she understand the shock within.

This was because the shopping and nanny cars here all started from bmws.

“Very quickly, they arrived halfway up the mountain. ”

“Looking at the large villa that occupied several thousand square meters in front of them, Zhou Cui Hua was immediately dumbfounded. “Hang Hang, is this really where Xia Xiaoman is staying now?” ”

“En.”Li hang nodded.

“Zhou Cui Hua parked the car in the parking spot. In a moment, the mother and daughter duo got out of the car. ”

The door of the villa was closed.

Li Hang went over to ring the doorbell.

“Soon, the maid came over to open the door. “Hello, May I know who you are looking for?” ”

“Li hang smiled and said, “I’m Lizi’s cousin, and this is my mother. We came here yesterday.” ”

“The maid sized up Zhou Cuihua and her daughter and then said, “What’s Your Name?” ”

“”My name is Li Hang, and my mother’s name is Zhou Cuihua,”Li hang replied. ”

The maid nodded. “I’ll go in to verify.”

“Alright.”

Zhou cuihua had never experienced such a thing before. She was completely stunned.

She did not expect that it would be so difficult to see Xia Xiaoman Now!

The uncomfortable feeling in her heart became more and more serious.

A moment later.

"The Maid returned and smiled as she opened the door. "Esteemed guests, please come in." "

"Li hang smiled and said, "Thank you." "

""You're welcome."The servant guided the two of them into the house while saying, "Our wife is not at home today. Only Sir and young master are at home." "

"Is my cousin busy?"Li Hang asked.

The servant nodded. "Madam is indeed very busy these few days. Miss has gone to attend a class reunion."

"I see."Li hang nodded.

"After a while, he walked into the living room. "

"Sure enough, only Lin Qingxuan was at home. "

"Li Hang knew that Lin Qingxuan was not familiar with the mother and daughter, so he immediately took the initiative to go forward. "Hello, uncle. I'm Li Hang. This is my mother, Zhou Cuihua. is my aunt not at home today?" "

“Lin Qingxuan roughly knew that Xia Xiaoman seemed to have such a relative. She smiled and said, “Yes, your aunt is busy outside. Take a seat quickly. Mother Wu, go and pour some tea.” ”

““Yes, sir.” ”

Zhou Cuihua was a little stunned when she saw Lin Qingxuan.

“She had thought that the rich businessman that Xia Xiaoman had found would definitely be an old and ugly old man. She did not expect that this man was not only not ugly, but also quite handsome. ”

“Although he was already over forty years old, his facial features were still there. ”

“Coupled with the proper maintenance, it was not obvious at all that this was a man who was almost fifty years old. ”

It would be a lie to say that she was not jealous.

Who would have thought that Xia Xiaoman could marry so well after having a second marriage?

“After a while, Zhou cuihua finally reacted, she smiled and said, “Cousin-in-law, Xiaoman and I are cousins. We grew up together and our relationship is especially good. “I was originally planning to visit Xiaoman yesterday, but I was delayed by something yesterday. I hope cousin-in-law will not take offense.” ”

““You’re too kind, cousin-in-law,” Lin Qingxuan continued, “Sit down with the child. I’ve already asked someone to inform Xiaoman. She’ll be back soon.” ”

“Zhou Cuihua sat down with a smile. When she saw Lin Zhi on the sofa, she asked with a smile, “This must be little nephew, right? He’s so cute!” ”

“At the mention of Little Lin Zhi, Lin Qingxuan’s face was full of smiles. She picked up Lin Zhi and said, “Zhi, call me Auntie.” ”

Xiao Lin Zhi was very cold. He raised his chin and completely ignored Zhou cuihua.

“Lin Qingxuan said, “Ah Zhi, you can’t be so rude!” ”

“Zhou cuihua quickly said, “It’s fine, it’s fine. He’s just a child! Oh right, how old is my nephew this year?” ”

“”He’s almost three years old,”Lin Qingxuan replied. ”

“Just as they were talking, the sound of footsteps came from outside. ”

“Qingxuan!”

“Hearing the voice, Lin Qingxuan immediately stood up from the sofa. “It’s Xiaoman.” ”

Chapter 2584: 543: Extreme Punishment 1

Lin Qingxuan couldn’t handle the trivial matters at home.

“Hearing Xia Xiaoman’s voice, she was very excited. ”

Xia Xiaoman was finally back. She immediately carried the child and walked out.

“Hearing this, Zhou Cuihua and Li Hang looked at each other and saw the speechless and disgusted expressions in each other’s eyes. ”

Why did Xia Xiaoman come back at this time.

Why was she back?

“Although she was very unhappy, she still put on a show.”

Zhou cuihua also stood up with a smile.

“In the next second, Xia Xiaoman’s figure appeared in front of them.”

“She bent down to change her shoes, and the nanny took the bag from her hands.”

“When Xiao Lin Zhi saw that his mother was back, he was so excited that he immediately jumped off Lin Qingxuan’s body and cheered, “Mommy, Mommy, Mommy, Mommy!” ”

It was a very pleasant baby voice. It was so cute that it melted people’s hearts.

Xia Xiaoman picked up Xiao Lin Zhi and kissed him on the cheek. “Did Ah Zhi listen to Daddy obediently today?”

“”Yes, Ah Zhi was very obedient today.”Xiao Lin Zhi hugged Xia Xiaoman’s neck tightly. “Mommy, I love you!” ”

Xia Xiaoman’s face was full of smiles.

“She didn’t know who Lin Zhi had followed. Clearly, neither of them were the kind of people who could speak sweet words, but Xiao Lin Zhi was very good at talking.”

Zhou Cui Hua followed. “Xiao Man is back.”

“Li hang followed behind and called out, “Cousin.” ”

“Xia Xiao Man looked up at the two of them and said with a smile, “Cousin is here! I was telling Hang Hang about you yesterday! Come in and have a seat!” ”

“Zhou Cui Hua said with a smile, “I had something to do yesterday and couldn’t get away, so I came to tell you today. “I heard from hang hang that Lizi’s boyfriend is a talented man with a graceful bearing. There’s no such thing as heaven and earth. Congratulations, Xiaoman.” ”

“At the end of her sentence, Zhou cuihua sighed and said, “Xiaoman, you’ve finally made it.” ”

This sentence could be said to be quite meaningful.

“Xia Xiaoman smiled and said, “It’s not as exaggerated as you say. That Kid Ouyang is just an ordinary person. They can solve their young people’s problems by themselves. As elders, we only want the younger generation to be happy and happy.” ”

“You’re right.” Zhou cuihua nodded. “That’s why I often tell this kid hang hang hang that he doesn’t need to pick anything else when he finds a partner. As long as his character is good!”

Zhou Cuihua looked at Xia Xiaoman with a fawning smile on her face.

“Behind this fake smile, there was intense jealousy and jealousy. ”

“Back then, Xia Xiaoman was not as well-off as him. Although she started a supermarket with an Dongliang from scratch, she was still not as good as him. ”

What about now?

“Xia Xiaoman had already become a rich lady, but she still looked the same as before. ”

Comparing people was really infuriating.

“Yes.” Xia Xiaoman nodded in agreement. “You’re right. Nothing is more important than character.”

Zhou Cuihua was stunned.

“She thought that Xia Xiaoman would take the opportunity to ask Li Hang if he had a boyfriend now and then answer that he did not. Then, she could take the opportunity to ask Xia Xiaoman to introduce someone to Li Hang.”

“After all, Xia Xiaoman was now a rich lady from a wealthy family. The circle of contacts was different, and the people she interacted with were also different. Therefore, the People Xia Xiaoman introduced to Li Hang were definitely all sons of influential families.”

Who would have thought that Xia Xiaoman would actually not follow the usual pattern.

“Everyone said that one person achieved the dao, and the whole family ascended to heaven.”

“Xia Xiaoman, on the other hand, became a rich lady from a wealthy family, and completely ignored their relatives.”

This was too much!

“The smile on Zhou Cuihua’s face did not change. She continued, “Speaking of which, Hang Hang is older than Lizi! Lizi has already found a boyfriend, but she’s still single! I don’t know what to do!” ”

“Since she had already said this much, Xia Xiaoman should be able to understand, right? ”

“Xia Xiaoman did not directly answer Zhou Cuihua’s words. Instead, she handed Lin Zhi to Lin Qingxuan. “You hold Ah Zhi.” ”

""Okay." Lin Qingxuan took over Lin Zhi and smiled. "Come, let Daddy Hug You." "

"Actually, Lin Zhi was quite unwilling to let his father hug him. However, seeing that his mother was busy, he could only force his father to hug her. "

"Xia Xiaoman continued, "I'll chat with my cousin for a while. You Take Ah Zhi to the amusement park to play for a while, and then arrange lunch for him." "

""Okay." Lin Qingxuan nodded and then asked, "Cousin and the others don't have any taboos, right?" "

"Looking at the way the couple got along, Zhou Cuihua thought of her husband who was like a proud old master at home and couldn't help but be envious. "

She didn't expect the wealthy businessman to be so rich and have such a good temper.

Xia Xiaoman really saved the Milky Way galaxy in her previous life!

Chapter 2585: 543: Extreme 2

"When people compared themselves to each other, it was inevitable that they would feel resentment. "

"Xia Xiaoman turned to look at the two of them and asked with a smile, "Do you guys have any taboos?" "

Zhou Cuihua was still in a daze when Li Hang used his elbow to bump into Zhou Cuihua's elbow without anyone noticing.

"Zhou cuihua instantly reacted and said with a smile, "No, no taboos. Xiaoman, just make some home-cooked meals. We're all on the same side. You and cousin-in-law don't have to be too polite." "

“Lin Qingxuan said, “Alright, I’ll Go and prepare.” ”

Xia Xiaoman nodded. “You go ahead.”

“After Lin Qingxuan left, Zhou Cuihua held Xia Xiaoman’s arm and said, “Xiaoman, you’ve really married the right person this time!” This sentence did not sound like much. If one were to savor it carefully, it could be said to be a heart attack.”

“Xia Xiaoman and an Dongliang’s marriage was unfortunate. Even though a long time had passed and the wound had begun to scab, when it was torn open again, it would still bleed profusely.”

Xia Xiaoman smiled and did not say anything.

“Zhou cuihua narrowed her eyes and continued, “Xiaoman, you don’t have to worry about anything now. Unlike me, you don’t have to worry about this and that!” ”

“”Cousin Sister, your family is happy now. Cousin brother-in-law is also very capable. Hang Hang is also very capable. What’s there to worry about?” Xia Xiaoman asked. ”

“Zhou cuihua sighed and said, “What’s there to worry about! Other than bragging, what else does your cousin brother-in-law know?” In her eyes, her husband was still an outstanding man in the past, in comparison to Lin Qingxuan, he was now nothing more than trash! ”

“Xia Xiaoman said, “You can’t brag about two houses in the capital city.” ”

“To be honest, Zhou Cuihua’s husband was quite capable. ”

“After all, two houses in the capital city could not be bought just like that. ”

Zhou cuihua waved her hand. “He can’t be compared to my cousin-in-law.”

“At the end of her sentence.., zhou cuihua continued, “And hang hang, he’s even older than Lizi! I haven’t found a boyfriend yet, so how can I not be anxious? “By the way, Xiaoman, do you have a suitable boy by your side? “If you do, introduce him to hang hang.” ”

“Since Xia Xiaoman did not answer her, she could only take the initiative to bring it up. ”

“Xia Xiaoman said, “I don’t seem to have any suitable boys by my side. When I meet a suitable one, I will definitely introduce him to hang hang.” ”

What did she mean by there was no suitable one?

She clearly did not want to introduce him to Li Hang.

This Xia Xiaoman was really hypocritical!

Zhou Cuihua was very angry!

“Why was Xia Xiaoman’s daughter able to marry into a rich and noble family, while her daughter did not even have the chance to get to know a rich and noble family? ”

It was unfair!

It was very unfair!

“Although she was very angry, Zhou Cuihua didn’t show it. Instead, she smiled and said, “Xiaoman, thank you for your trouble. When you meet a suitable boy, you must think about hang.” ”

““Don’t worry, I will.”Xia Xiaoman nodded. ”

“Zhou cuihua turned to look at Li Hang. “Hang, quickly thank your aunt.” ”

“”Thank you, aunt,”Li Hang said. ”

“”You’re welcome.”Xia Xiaoman picked up a cup of coffee and said, “Cousin, you’re welcome. have some coffee.” ”

“”Okay, you’re welcome.”Zhou cuihua picked up the cup of coffee. ”

“After saying that, Xia Xiaoman continued, “I went back the year before last. I wonder how aunt and uncle are doing recently?” ”

Zhou Cuihua’s parents were Xia Xiaoman’s aunt and uncle.

“Ever since Zhou Cuihua settled down in the capital, she rarely went home to visit her parents. ”

“Xia Xiaoman went to visit the old lady the year before last, but Zhou Cuihua had not gone back for four to five years. ”

“If she did not even go back, how would Zhou Cuihua know about her parents’ situation? ”

“But under such circumstances, Zhou cuihua naturally could not admit that she had not gone back. ”

“Zhou cuihua said, “They’re all fine. Xiaoman, you don’t have to worry about them.” ”

“Okay.”Xia Xiaoman nodded. “As long as they’re healthy.”

The two of them chatted for a while.

“Soon, it was lunchtime. ”

“Lin Qingxuan walked in with the child in his arms. “Xiaoman, it’s time to eat.” ”

“”Okay.”Xia Xiaoman nodded and stood up. “Cousin, Hang Hang, let’s go eat first.” ”

Zhou cuihua and Li Hang followed her footsteps.

Xia Xiaoman walked to Lin Qingxuan’s side and took Xiao Lin Zhi from his arms.

Xiao Lin Zhi was especially happy to be held in his mother’s arms.

“Zhou cuihua walked forward and said, “Xiaoman, this child really looks like you and cousin-in-law!” ”

“Xia Xiaoman smiled and said, “He looks more like his father.” ”

Chapter 2586: 543: heart attack 3

Lin Zhi inherited a lot of good genes from the Lin family.

“He had white skin, thick eyebrows, and big eyes. He was very cute. ”

Zhou cuihua had some doubts in her heart.

This Lin Qingxuan didn’t have a child with his previous wife?

“Looking at Lin Qingxuan’s age, his and his ex-wife’s child should be about the same age as an Lizi, right?  
”

"If it was a girl, it wouldn't be a big deal. But if it was a boy, he would definitely fight for property with Xia Xiaoman's son in the future! "

"Thinking of this, Zhou Cuihua felt a lot better. "

It would be best if she had a ruthless stepson to get Xia Xiaoman and her son out of the Lin family.

"Soon, they arrived at the restaurant. "

The restaurant was very big.

It was about fifty square meters.

"The luxurious crystal lights, the high-end mahogany furniture, and the servants waiting at the side made Zhou Cuihua feel very surreal. "

"In her heart, she was even more envious of Xia Xiaoman. "

"Indeed, people were afraid of entering the wrong line of work, and women were afraid of marrying the wrong man. "

"Xia Xiaoman pulled out a chair. "Cousin, you can sit anywhere you like." "

"Okay."

Zhou Cuihua pulled out a chair and sat down with Li Hang.

"Just as they sat down, the maid walked over and bent down to ask, "Would you like some wine or fruit juice?" "

Zhou Cuihua was stunned.

Li hang quickly reacted. "My mom and I both drink fruit juice."

"Okay."The maid immediately filled both of their cups with fruit juice.

"Thank you."Li hang politely thanked her.

"You're welcome."

"Xiao Lin Zhi was only three years old. At the dining table, Lin Qingxuan fed him. "

"Seeing this scene, Zhou Cuihua was speechless. "

This Xia Xiaoman was too unladylike!

"As a wife and a mother, it was her duty to take care of the child. However, Xia Xiaoman threw the responsibility of taking care of the child to Lin Qingxuan. "

Lin Qingxuan also had a good temper.

"If it were anyone else, they would have lost their temper a long time ago. "

This Lin Qingxuan definitely did not know what a gentle woman was!

"Zhou cuihua put down her chopsticks and wiped her mouth with a tissue. "Xiaoman, cousin-in-law, I'm already full. Enjoy your meal." "

"Xia Xiaoman raised her head and said, "Are you eating so fast?" "

"Yes."

"Zhou cuihua stood up and walked to Lin Qingxuan's side. "Cousin-in-law, let me feed the baby. The food is already cold. You should go and eat." "

Lin Qingxuan smiled and looked up. "No need. I'm not hungry now."

"In the past, Lin Qingxuan dreamed of having a child of his own. Now that he finally had little Lin Zhi, he treasured all the time he spent with little Lin Zhi. "

"Zhou cuihua continued, "We're all family. Cousin-in-law, you don't have to be so polite with me." "

"As she said this, Zhou Cuihua was about to take the baby bowl and chopsticks from Lin Qingxuan. "

"At this moment, Little Lin Zhi reached out and slapped Zhou Cuihua's hand. He said in a childish voice, "I don't want you to feed me!" "

Zhou Cuihua didn't expect little Lin Zhi to say this. She was stunned for a moment.

She was a little embarrassed.

"Lin Qingxuan said, "Okay, okay, okay. Daddy, feed him." "

The corners of Zhou Cui Hua's mouth curled up into a forced smile. "Baby is really smart."

"HMPH." Little Lin Zhi pouted.

“Xia Xiaoman continued, “Cousin, you can sit down. His father loves to feed his child. You Don’t have to care about him.” ”

“Lin Qingxuan echoed, “Xiaoman is right. Cousin, you don’t have to care about me.” ”

Zhou Cuihua was a little embarrassed. She laughed dryly and sat back in her chair.

“After a while, Zhou Cuihua changed the topic again and continued, “Xiaoman, where did Lizi Go?” ”

“”I think she said she had a gathering with her classmates,”Xia Xiaoman said. ”

“Zhou cuihua nodded and continued, “You’re the best. A son and a daughter. I only have one.” ”

“Actually, this sentence was indirectly asking if Xia Xiaoman had a stepson. ”

“Xia Xiaoman smiled and said, “An only child has the benefit of an only child. If you really want to be like me, you can have another child.” ”

“”I’m already at this age, what else can I have!”Zhou cuihua said with a smile. ”

“From what Xia Xiaoman said, did she mean that Lin Qingxuan did not have other children? ”

How was that possible! !

“Zhou Cuihua’s eyes were filled with doubt, but she couldn’t ask directly. ”

“Xia Xiaoman said, “When I gave birth to Ah Zhi, I was already in my forties.” ”

“Zhou cuihua said, “I’m almost fifty now! Oh right, is the baby’s name Ah Zhi? The one with ambition?” ”

“Xia Xiaoman said, “It’s called Lin Zhi. Zhiyuan’s Zhi.” ”

“”That’s a really nice name. It has a moral,”Zhou Cuihua said. ”

“His cousin gave him that name. It’s really not bad.”

It was not until evening that Zhou Cuihua had no choice but to leave when Xia Xiaoman did not open her mouth to stay for dinner.

“After the two of them left, Lin Qingxuan said, “Xiaoman, isn’t it a little bad for us to treat your cousin like that?” ”

Chapter 2587: 543: Extreme Criticism 4

“Xia Xiaoman said, “This cousin of mine has always liked to compare herself to others since she was young. Now that she sees that I’m living so well, she must be feeling terrible! She’s feeling terrible from both sides. I Can’t be bothered to pretend anymore! Anyway, she didn’t come here to visit us sincerely.” ”

“As a cousin, Xia Xiaoman knew Zhou Cuihua too well. ”

“Lin Qingxuan hugged little lin zhi and said, “Wouldn’t it be a little bad if this news reached your relatives’ ears?” ”

“No matter what, Zhou Cuihua was Xia Xiaoman’s relative. If this news reached Xia Xiaoman’s hometown, Xia Xiaoman would definitely be criticized. ”

“”She hasn’t returned to her hometown for many years. You Don’t have to worry about this.”Xia Xiaoman knew Zhou Cuihua too well, so she naturally knew Zhou Cuihua’s current situation. ”

“Lin Qingxuan nodded. “Alright, you can make the decisions on these matters.” ”

“Xia Xiaoman continued, “I didn’t ask him to stay tonight. I think she would be too embarrassed to come here in the future.” ”

““Oh right, she also brought a bottle of wine over today.” Lin Qingxuan seemed to have thought of something and continued to say. ”

“What wine?” Xia Xiaoman asked.

“Lin Qingxuan continued, “I’ll bring it over for you to see.” ”

“A moment later, Lin Qingxuan brought the wine over. “I heard that it was produced in the 1980s and has been in storage for a long time. See how this wine is handled.” ”

“A bottle of wine that was worth more than 100,000 yuan was nothing to Lin Qingxuan, but to Zhou cuihua, it was a considerable income. ”

“Xia Xiaoman took the wine and said with a smile, “This cousin of mine really put in a lot of money this time.” ”

“After saying that, Xia Xiaoman continued, “Get someone to send this wine back.” ”

““Isn’t this a little bad?” Lin Qingxuan said, “No matter what, this is still a gesture from her.” ”

“Xia Xiaoman thought for a while and said, “How about this, I’ll bring something over while I’m at it. Just say thank you for her kindness, but no one in our family drinks.” ”

“That works too.” Lin Qingxuan nodded.

Xia Xiaoman then arranged for the butler to return the wine to Zhou Cuihua.

On the other side.

On the road.

“Zhou cuihua was driving while chatting with Li Hang. “Hang, does an Lizi’s stepfather have any other children?” ”

“”I’m not too sure about that either,”li hang continued, “But at his age, he shouldn’t have no children at all.” ”

“Zhou cuihua nodded, “I think so too.” ”

The mother and daughter both had their own thoughts and soon reached home.

“Just like yesterday’s Li Hang, they returned to the apartment building again. No matter how Zhou Cuihua looked at it, she didn’t like it. ”

What right did Xia Xiaoman have to live in a big villa while she had to live in such a small shabby house?

She was unwilling to accept it.

“Mom went in.”Li Hang pulled Zhou Cuihua’s arm and the mother and daughter walked into the apartment building together.

“Not long after the two of them returned home, the urgent sound of a doorbell rang in the air. ”

“Ding Dong, Ding Dong — ”

Li hang immediately ran over to open the door. "You're here."

"The moment the door opened, Li Hang was stunned. "T-butler Grandpa." "

"That's right, the person who came was the butler of the Lin family. "

"The Butler gave a formal smile. "Hello, Miss Li. May I know if your mother is at home?" "

"Yes, she is." Li hang nodded and took a few steps back. "Please come in." "

"Li hang shouted into the house, "Mom, come out." "

Zhou Cuihua walked out of the house. "What's Wrong?"

"When she saw the butler, Zhou Cuihua immediately smiled. "Butler Wu, why are you here?" "

"My wife asked me to come." The Butler placed the things in his hands on the ground, then she said, "And these things are what my wife asked me to bring to you. She said thank you for taking the time to visit her today and for bringing so many expensive gifts, but no one at home drinks." "

Chapter 2588: 545: extremely jealous

"After saying that, the atmosphere in the living room became a little gloomy. "

"Zhou Cuihua did not say anything, and Li Hang did not say anything either. "

They had brought back the gifts that they had brought over. What did Xia Xiaoman mean by that?

Was she looking down on their poor relatives?

It was really too insulting!

“Li hang finally reacted at this moment and said with a smile, “Cousin, you’re being too polite. As a junior, it’s normal for me to bring some gifts over to visit her. Why did she let you bring them back?” ”

“The butler continued, “There’s really no one at home to drink wine. Good wine needs to be tasted by people who know how to drink.” ”

“Speaking up to this point, the butler paused and said, “There are also some bird’s nests here. Madam specially asked me to bring them over. For women, eating more bird’s nests can beautify their appearance.” ”

Bird’s Nest?

Who cared about Xia Xiaoman’s bird’s Nest?

Xia Xiaoman was really too disgusting!

“Li hang smiled and said, “Then I really have to thank you, Aunty.” ”

“Zhou cuihua also came to her senses at this time and continued, “Butler Wu, don’t just stand there. Come in and have a seat. The house is shabby. Don’t mind it.” ”

“Although Butler Wu was just a butler, sometimes the butler also played a very important role in a family. ”

“Perhaps, just a word from Butler Wu could change the image of the mother and daughter in Lin Qingxuan’s heart. ”

“Butler Wu continued, “You’re welcome, Mrs. Li. I have other matters to attend to, so I won’t be sitting down.” ”

“After saying that, Butler Wu turned around and walked out of the door. ”

Zhou cuihua followed Butler Wu’s footsteps. “Are you really not going to sit down?”

“”You’re welcome, Mrs. Li.” ”

Zhou cuihua and Li Hang walked Butler Wu all the way to the apartment building.

Butler Wu turned around and looked at the two of them. “The two of you really don’t need to see us off anymore.”

“Zhou cuihua stopped in her tracks. Her face was filled with a hypocritical smile. “There’s a traffic jam at night. Butler Wu, be careful.” ”

“In the darkness, it could be clearly seen that Butler Wu was driving a Porsche that was worth a million dollars. ”

The Lin family was the Lin family. Even the Butler was driving a luxury car worth a million dollars.

“Butler wu smiled and said, “Thank you, Mrs. Li.” ”

“Zhou cuihua looked at Butler Wu and considered her words before continuing, “Oh right, Butler Wu, I want to ask you something.” ”

“”Mrs. Li, please ask,”Butler Wu said. ”

“Zhou cuihua continued, “My cousin and I have been close since we were young. Seeing how happy she is now, I am really happy for her.” ”

“Zhou cuihua paused and continued, “How many children does my cousin-in-law have with his ex-wife?” ”

“After saying that, Zhou Cuihua looked at Butler Wu with anticipation. ”

A successful person like Lin Qingxuan definitely had several children!

“Butler Wu glanced at Zhou cuihua and continued, “Mr. and Mrs. Lin only have two children.” ”

Only two children?

This sentence made Zhou cuihua unable to react in time.

Did the butler mean that Lin Qingxuan and his ex-wife had two children?

Yes!

That was definitely the case.

An Lizi was not considered their child at all.

“Li hang continued, “Butler Grandpa, are you saying that my uncle-in-law has a total of four children?” ”

“The butler said, “Sir and Madam only have two children, Miss Lizi and young master Lin Zhi.” ”

“The Butler’s tone was very flat, but Zhou Cuihua and Li Hang were stunned! ”

What!

Lin Qingxuan and his ex-wife actually did not have children!

What was going on?

“The housekeeper continued, “If the two of you don’t have anything else to do, I’ll go back first.” ”

“After saying that, the housekeeper walked to the parking spot and opened the car door.”

It wasn’t until housekeeper Wu’s car disappeared into the night that the two of them came back to their senses. Their faces were full of shock.

Neither of them had expected that Lin Qingxuan really didn’t have children.

How could she not have children?

“Especially Zhou cuihua, who was feeling extremely uncomfortable. She had originally hoped that someone would stand up and compete with Xia Xiaoman for the property!”

What was happening now?

Why did all the good things happen to Xia Xiaoman?

“She had married a second-marriage man, yet she still did not have children!”

What kind of Godforsaken Luck was this!

Zhou Cuihua was extremely jealous.

“Li hang said in disbelief, “I didn’t expect that a wealthy businessman would not have children!” ”

“Zhou cuihua said, “I didn’t expect it either.” ”

“If Xia Xiaoman was a peerless beauty, it would have been fine, but Xia Xiaoman was just a very ordinary housewife. She was just a housewife. What right did she have to get all this? ”

Xia Xiaoman couldn’t even compare to her.

“After a moment, Zhou cuihua sighed, then she said, “That’s why women are like vegetable seeds. If they land in a fertile place, they can be happy for a lifetime. If they land on a barren land, they can only work hard for a lifetime and get nothing.” ”

Chapter 2589: 545: extremely jealous 2

She just didn’t marry a good man.

“Speaking up to this point, Zhou Cuihua looked at Li Hang. “So, Hang Hang! If you’re looking for a boyfriend, you must keep your eyes open. Never Look for a poor guy who has nothing!” ”

“No matter how good his character was, he couldn’t marry.”

“Because from ancient times until now, there hadn’t been any examples of salted fish turning over a new leaf.”

“Li Hang looked much better than an Lizi. If an Lizi could find a disciple from a powerful family, Li hang could do the same.”

“Li hang nodded and said with a smile, “Mom, don’t worry. I definitely won’t do worse than an Lizi.” ”

Li hang was very confident.

Zhou cuihua nodded in satisfaction.

“After a while, Li Hang looked at Zhou Cuihua. “Mom, what do you mean by Xia Xiaoman? She asked a servant to send the things back! Does she think that poor relatives like us can’t reach her?” ”

This was too rude!

Zhou Cuihua was also very angry. “I’ve felt that something was wrong since she didn’t ask us to have dinner together!”

“At this point, Zhou Cuihua narrowed her eyes and said, “Maybe that rich businessman doesn’t know about this yet!” ”

“What do you mean?”Li Hang asked.

“Zhou cuihua said, “If the rich businessman knew about this, she could have asked us to bring the things back in front of the rich businessman! There’s no need for her to ask the butler to send the things back! This Xia Xiaoman is too scheming!” ”

“Li hang nodded and felt that what Zhou cuihua said was very reasonable. After all, it was very impolite to return a gift given by someone else, “She pretended to be very warm in front of the rich merchant. The rich merchant definitely wouldn’t have thought that she was a person who would act behind his back in front of him!” ”

“The more they talked, the angrier they became. The more they talked, the more jealous they became. Especially Zhou cuihua, she wished that she could replace Xia Xiaoman! ”

Because Xia Xiaoman was not worthy of Lin Qingxuan at all!

""Let's go again tomorrow,"Zhou Cuihua said. "

"Li hang frowned, "She doesn't welcome us today. Do We have to go again tomorrow?" "

""Yes, not only do we have to go, we have to bring back the things she returned! Let the rich businessmen see her ugly face!" "

Zhou cuihua only wanted to let Lin Qingxuan discover Xia Xiaoman's true colors!

"Then, she kicked Xia Xiaoman. "

"When she thought of Xia Xiaoman's ending, the corners of Zhou Cuihua's mouth curled up. "

"That way, it was as if she had already seen Xia Xiaoman's ending. "

"Li hang nodded, "Mom, you're right."For a hypocritical person like Xia Xiaoman, she should expose her true colors in time. "

Punish evil and promote good.

"Otherwise, she would think that there was no justice in this world. "

"After saying that, Li Hang said with some worry, "But, the rich businessman is so busy. What if he's not at home tomorrow?" "

"If the rich businessman was not at home, wouldn't they have wasted their efforts? "

""It won't be. I've already found out from the side. The rich businessman will be at home to take care of the children for the next few days,"Zhou Cuihua said. "

Li hang nodded. "That's good."

"He was afraid that if everything was planned out, all his efforts would be in vain. "

"Okay."

"As the mother and daughter spoke, they walked into the elevator. "

"When they reached home, Li Hang opened the bird's nest that Xia Xiaoman had asked the butler to send over. He said in surprise, "Mom! Come and take a look!" "

"What's Wrong?"Zhou cuihua asked.

"Li hang raised the bird's nest and said, "Look, this is a celebrity bird's nest of the same style." "

The bird's nest that Xia Xiaoman had asked the butler to send over was imported from country M. Just one gram was worth five figures.

"And this kind of bird's nest was sold from twenty grams, so Li Hang had never bought it. "

Because it was really too expensive!

He didn't expect that Xia Xiaoman would send over a box.

Zhou Cuihua walked over and took a look. "It really is!"

“As she said that, she said in a somewhat strange tone, “This rich lady from a rich family is really different!” ”

Why did she not have such a good life like Xia Xiaoman?

...

The next day at 10:30 am.

The mother and daughter duo carried their wine and reappeared at the Lin family villa.

“When they stepped into this villa area again, Zhou Cuihua no longer had the surprise from yesterday. Under the lead of the butler, the two of them came to the living room. ”

The person who brought the baby today was still Lin Qingxuan.

“When he saw Zhou Cuihua and Li Hang, Lin Qingxuan’s head hurt a little. However, the two of them were still Xia Xiaoman’s relatives after all, so he could not show it directly. He still said warmly, “Please take a seat.” ”

“After saying that, he turned to the servant and said, “Quickly go and pour tea for the distinguished guest.” ”

“Okay.”

“Zhou cuihua smiled and said, “Cousin-in-law, you don’t have to be so polite. Actually, we came here today to deliver something.” ”

Chapter 2590: 545: extremely jealous 3

“What is it?” Lin Qingxuan asked.

“Looking at Lin Qingxuan’s expression, he knew that he did not know what Xia Xiaoman had done. ”

Just you wait!

Xia Xiaoman’s Fox tail was about to be exposed!

“Zhou Cuihua hid the pride in her eyes, then, she said, “Cousin-in-law, hang hang and I took the liberty to disturb you yesterday. We are very grateful to Xiaoman and you for your warm hospitality. We have nothing to thank you for, so we brought you a bottle of wine. Why did Xiao Man ask someone to send the wine back to us?” ”

“After saying that, Zhou Cuihua was waiting for Lin Qingxuan’s reaction. ”

“Unexpectedly, Lin Qingxuan did not have any expression that she had imagined. ”

She was not even surprised!

“Lin qingxuan smiled and said, “Cousin-in-law, no one at home really knows how to drink wine. It would be a waste to give this wine to us. You should bring it back for cousin-in-law to appraise.” ”

How could this be?

Zhou Cuihua’s face was full of question marks!

This meant that Lin Qingxuan was completely aware of Xia Xiaoman’s actions?

How could this be?

How did Lin Qingxuan Know?

“Although she was very surprised, Zhou Cuihua’s expression did not change as she said, “Your cousin-in-law is a boorish person. How would he know how to appraise! This good wine should be given to someone who knows how to wine!” ”

It did not matter what Li Dalong wanted. He had worked hard in the capital for half his life and had only worked for half a house.

How could such a person compare to Lin Qingxuan?

“Lin Qingxuan smiled and said, “You are right. Good wine should be given to someone who knows wine. However, there is no one in our family who knows wine. Therefore, cousin, you should bring it back!” ”

“Zhou Cuihua was not willing to bring back this thing that had already been sent over. She directly placed the wine on the ground and said, “Cousin-in-law, that is all. I will go back first.” ”

Lin Qingxuan immediately gave the butler a look.

The Butler was also a sensible person. He immediately picked up the wine on the ground and chased after her.

“When he arrived outside, the Butler returned the wine to Zhou Cuihua. ”

“Zhou cuihua said, “There’s no reason to take back the things that were delivered. Butler Wu, please tell my brother-in-law that a man’s alcohol tolerance is slowly trained. It’s okay if he doesn’t drink now, but he will drink in the future.” ”

There were two meanings in this sentence.

“A man’s alcohol tolerance was equivalent to his courage, and they all needed to be trained slowly. ”

“Butler Wu said, “Mrs. Li, I’m just a part-time worker. Please don’t make things difficult for me. You should take this wine back! Even if you don’t want to take it back, you can throw it in the trash can.” ”

“As soon as she said this, Zhou Cuihua’s anger rose. She pointed at butler Wu and said, “What do you mean! Do you mean that my wine can only appear in the trash can?” ”

“After all, she was a guest of the Lin family. How dare a mere butler talk to her like that! ”

Butler Wu still maintained a polite smile. “That’s not what I meant.”

“Then what do you mean?”Zhou cuihua said angrily.

“Butler Wu continued, “Well, it’s a matter of opinion.” ”

“Zhou Cuihua did not know many words, so she did not know the meaning of this sentence. However, she also knew that this was not a good thing. She said angrily, “Do you believe that I will tell my cousin to fire you!” ”

“You can go ahead and say it.”Butler Wu still maintained his polite smile.

“Zhou Cuihua was so angry that she almost stomped her feet. Fortunately, Li Hang stopped her in time and looked at Butler Wu with a smile, “Grandpa Butler, I’m sorry. My mother has a short temper. Actually, she doesn’t have any bad intentions. Please don’t take it to heart.” ”

“Hearing Li Hang’s words, Zhou cuihua slowly calmed down. ”

“Butler wu said, “It’s fine. Take care, both of you.” ”

“After saying that, Butler Wu placed the wine on the ground. “The task that Mr. Lin gave me has been completed. It’s up to the both of you whether or not to bring the wine with you.” ”

“After saying that, Butler Wu turned around and left.”

Zhou Cui Hua looked at his back view and was so angry that she wanted to curse out loud.

He was just a butler!

What the hell!

How dare he treat her like that!

“Li hang sighed. “Mom, let’s go.” ”

“Although Zhou Cui Hua was very unwilling, she was helpless. She did not forget to bring the wine with her when she left. ”
