Chapter 2591: 545: less satisfied

Zhou Cuihua did not expect this to be the result of her visit to the Lin family.

“She thought that Lin Qingxuan would stop Xia Xiaoman’s behavior, but she did not expect Lin Qingxuan to have no reaction at all. He even asked her to bring the wine back!”

This was more or less an insult!

“”Mom, what do you think is going on with this rich businessman?”Li hang was very curious now. ”

“Lin Qingxuan was already 50 years old. It was one thing for a second-marriage man to not have children, but after marrying Xia Xiaoman, he was still so obedient to Xia Xiaoman. ”

Li hang was even wondering if Xia Xiaoman had bewitched Lin Qingxuan!

Zhou Cuihua was also very speechless now. “Who knows what’s Going On!”

Everything was different from what she had imagined.

“At this moment, Li Hang seemed to have thought of something and continued, “Mom, under what circumstances would a man not have children after being married for so many years? Especially when this man is a wealthy businessman.” ”

“Even an ordinary family knew the importance of having an heir, let alone a wealthy businessman with millions in assets? ”

Were wealthy businessmen not afraid of having no heirs?

“Therefore, Lin Qingxuan and Xia Xiaoman felt that it was strange no matter how they looked at it. ”

“Hearing this, Zhou Cuihua narrowed her eyes and continued, “Either a man can’t give birth, or a woman can’t give birth.” ”

“”But Lin Qingxuan is a rich businessman after all. If he really can’t give birth, then where did the child between him and Xia Xiaoman come from?”? “If his ex-wife can’t give birth, then why would the two of them suddenly divorce after so many years?” ”

“Li hang paused and continued, “And no successful man would tolerate his wife not giving birth, right?” ”

“If Lin Qingxuan’s ex-wife really couldn’t give birth, Lin Qingxuan wouldn’t have lived with her for so many years. ”

“Hearing this, Zhou Cuihua was enlightened. She looked at Li hang and said, “So Hang, you’re saying that there’s something wrong with the rich businessmen?” ”

“Li Hang said uncertainly, “I’m not sure either. But according to normal reasoning, it should be like this.” ”

“If the person with a problem was Lin Qingxuan, then the person with the biggest problem was Xia Xiaoman. ”

“Thinking of this., li hang continued, “We can’t rule out the possibility that Xia Xiaoman is a mother relying on her son. She was the rich businessman’s mistress in the past. The rich businessman wanted to have a child for many years. Xia Xiaoman suddenly became pregnant. The rich businessman must be very happy, so he immediately divorced his ex-wife and married Xia Xiaoman.” ”

“”Right, right, right! You’re right! It must be like this!”Zhou Cuihua agreed with Li Hang’s words.” ”

“If it wasn’t for the fact that the mother was a mistress who relied on her son, what right did Xia Xiaoman have to marry into a rich family?”

“Zhou cuihua continued, “The Xia family is also not a good family. They actually produced such an immoral thing like Xia Xiaoman! What’s wrong with being a mistress?” ”

How disgusting!

Zhou cuihua could not wait to announce this result to the world.

She wanted to let everyone know that Xia Xiaoman was a shameless mistress.

“”Mom, you’re focusing on the wrong place,”Li Hang said. ”

“Zhou Cuihua was stunned for a moment and did not react. She continued, “What do you mean?” ”

“Li hang continued, “Mom, you’re not surprised at all. Why did the rich businessman and his ex-wife never get pregnant? Did they get pregnant with Xia Xiaoman so quickly?” ”

“This sentence was like waking up the person in the dream, and it instantly enlightened Zhou cuihua. ”

“Zhou cuihua, who came back to her senses, covered her mouth and said incredulously, “Oh my God! Oh My God! Xia Xiaoman is too bold!” ”

“After saying that, Zhou cuihua continued, “So who’s the bastard now?” ”

“Li hang shook his head, “I’m just guessing.” ”

“”No, no, no, this isn’t just a guess!”Zhou cuihua said, “I think it’s most likely true! Otherwise, why didn’t the rich businessman have any other children before? He had a child with Xia Xiaoman all of a sudden! Xia Xiaoman is too bold!” ”

“If it were anyone else, who would dare to do such a thing?”

Perhaps only the television would dare to do such a thing?

“Li hang said, “Actually, I didn’t expect it either.” ”

“After all, before the incident with an Dongliang, Xia Xiaoman was just an ordinary rural woman in her eyes.”

“Moreover, she did not care about her appearance and had a dusty face all day long.”

Who would have thought that she would turn out like this!

“The corners of Zhou Cuihua’s mouth curled up into a smile as she continued, “Hang Hang, do you think that Xia Xiaoman and an Lizi, these old B \* tches and B \* tches, would still be living their lives if the wealthy businessmen knew about this?” ”

Chapter 2592: 545: more dissatisfied 2

Zhou cuihua couldn’t wait to tell Lin Qingxuan about this.

“At that time, Lin Qingxuan would definitely kick Xia Xiaoman out.”

“Thinking of that scene, Zhou Cuihua’s blood was boiling. She was extremely excited.”

“Li Hang was still calm. He continued, “Mom, don’t be so impulsive. We have to clear things up first. What if it’s not what we think?” ”

“What’s there to clarify!” Zhou Cuihua continued, “Isn’t it obvious?” ”

“The rich businessmen couldn’t have children with other people, just like Xia Xiaoman. ”

Could it be that Xia Xiaoman had some special ability?

How could that be possible!

“Li Hang continued, “Mom, you should know that the rich businessmen will definitely be able to think of the problems that we can think of. Especially the rich families. They attach great importance to the bloodline problem. If there really is a problem with Xia Xiaoman, will the rich businessmen not be able to find out?” ”

Money could make the world go round.

“As long as Lin Qingxuan wanted to know, what else could he not know?” ”

“Zhou Cuihua smiled and said, “Hang Hang, you are still young after all. Don’t you know that there is a saying that goes, ‘If there is a countermeasure, there is a policy’? With Xia Xiaoman being such a scheming woman, what could she not do? She would definitely plan out all the possible problems ahead of Time!” ”

“Since Xia Xiaoman dared to find a bastard child to become the Lin family’s bloodline, it meant that she must have planned everything ahead of Time! ”

“Speaking up to this point, Zhou Cuihua continued, “Xia Xiaoman definitely has an adulterer behind her!” ”

Li Hang did not say anything.

“Actually, Zhou Cuihua’s words were not wrong. ”

“Zhou cuihua continued, “So the most important thing for us now is to quickly find that adulterer!” ”

“When the time comes, let’s see how Xia Xiaoman will go back on her word! ”

Li hang nodded. “But how are we going to find him?”

“Zhou cuihua smiled and said, “Follow the clues! A Fox will eventually reveal its tail!” ”

“At this point, Zhou cuihua sighed and continued, “It’s a pity that the rich businessman is such a good man and didn’t meet a good woman! Look at how well the rich businessman treats Xia Xiaoman!” ”

Zhou Cuihua was about to say that she wasn’t Xia Xiaoman!

“In fact, she really thought so. ”

“If she were Xia Xiaoman, she would definitely be more valuable to the rich businessman than Xia Xiaoman. ”

“Some things were fine if they were not seen, but once they were seen and witnessed, the seeds of desire would take root and sprout in the heart. ”

“Li hang continued, “Mom, should we follow Xia Xiaoman?” After all, only by following the vines could one find out the truth. ”

Only by following Xia Xiaoman could one find out who the adulterer was!

“Zhou cuihua said, “We ordinary people can’t do detective work.” ”

“Although Zhou Cuihua didn’t have much culture, she knew that there was a profession called detective in this world.”

“Li hang turned to look at Zhou cuihua and asked, “You mean to find a Detective?” ”

“”Yes.”Zhou cuihua nodded. “This time, we must make Xia Xiaoman reveal her true colors!” ”

“Li Hang hesitated for a moment. “But private detectives should be very expensive, right?” ”

“Li Hang did not know about private detectives, but he knew that such private detectives usually served the rich.”

“”You can’t trap a wolf by being unwilling to part with a child!”Zhou cuihua continued, “Besides, when we get the evidence and let the rich businessman see the truth, the rich businessman might have to thank us!” ”

“Li hang nodded, “That’s true.” ”

Lin Qingxuan was so rich that she definitely wouldn’t be stingy with the private detective’s money.

“Zhou cuihua said while driving, “Hang hang, check if there are any private detective shops nearby.” ”

“Are we going now?”Li Hang asked.

“Zhou cuihua nodded. “Of course we have to strike while the iron is hot. Since Xia Xiaoman is unkind, don’t blame us for being unrighteous!” ”

Li hang nodded. “Then let me search.”

“Soon, they found a private detective’s shop.”

“Mom, I found it.” Li hang sent his phone to the central console. “Just follow the navigation.” ”

“Zhou cuihua glanced at the navigation and asked, “Is the next intersection a left turn?” ”

“Yes.” Li hang nodded.

“The detective’s shop was not far away, and they arrived soon. ”

The fee for a private detective was higher than Li Hang had imagined.

“However, Zhou Cuihua did not feel any heartache when she paid. After all, the reward was greater than the effort! ”

“When they came out of the detective agency, Zhou Cuihua hummed a little tune along the way. ”

“Li Hang was a little worried. “Mom, what do you think we should do if the detectives don’t find anything?” ”

“Do you think that private detectives are useless?” Zhou cuihua continued, “Hang Hang, just you wait and see. In less than three days, Xia Xiaoman will definitely reveal her fox tail!” ”

Chapter 2593: 545: less satisfied

Zhou cuihua was very confident in the detective.

“Soon, the car arrived at the residential area. ”

“As soon as they reached the parking space, Li Hang said, “My dad is back.” ”

Li Da Long had been on a business trip all year round and only spent a third of his time at home. Li hang was quite surprised to see Li Da Long’s car in the parking space at this time.

“Normally, Zhou Cui Hua would be very excited when she heard the news of her husband’s return. ”

But not today.

“After all, she had already seen someone else’s more outstanding husband. ”

“At this time, Li Da Long was nothing but a useless man in her eyes. ”

“He had worked hard for so many years, but he was not even half as rich as Lin Qingxuan. ”

What else could this kind of man be if he was not a useless man?

“So what if you’re back!”Zhou cuihua said.

The mother and daughter returned home together.

“Just as they pushed the door open, they saw Li da long lying on the sofa. When he saw the mother and daughter return home, he said, “You’re back. I brought gifts for both of you. Hurry up and go get them.” ”

““Thank you, Dad.”Li hang poured a glass of water for Li da long. “It’s been tough on you when you’re out on business!” ”

“Li Da long smiled and said, “No wonder people say that daughters are Daddy’s little cotton-padded jacket!” ”

Zhou Cui Hua placed the wine on the table.

“Li Da Long noticed her actions and asked curiously, “Why are you touching my wine all of a sudden?” ”

“Usually, Li da long treasured his wine so much that he wouldn’t let anyone touch it. When he saw Zhou Cui Hua touching his wine, he couldn’t help but feel a little strange. ”

“It’s just a lousy bottle of wine. How can I not touch it?” Zhou Cuihua turned around and said.

“Li Dalong said, “What’s wrong with you? You’re so Rude!” ”

“Zhou Cuihua looked at Li Dalong and the more she looked at him, the more she disliked him. It was fine if this man didn’t have money, but he wasn’t even as handsome as Lin Qingxuan! ”

He was middle-aged and had a bald head and a beer belly!

He was a completely different person from Lin Qingxuan!

He couldn’t be compared to her!

“The more Zhou Cuihua looked at Li Dalong, the more uncomfortable she felt. She continued, “I’m just like that. If you don’t want to live with me, you can find someone else!” ”

Only a man with no ability would despise his wife.

A man like Lin Qingxuan would feel sorry for his wife.

She was blind back then to marry a man like Li Dalong who had nothing.

Only Lin Qingxuan was worthy of her.

A man like Li da long should be worthy of Xia Xiaoman.

What a joke!

“Li Da Long felt that his wife was a little strange. He turned to look at Li Hang and said in a low voice, “Daughter, what happened to your mother? Did she eat gunpowder?” ”

Li hang shook his head. “I’m not too sure either.”

“Even if he was sure, he could not say it. ”

“Li da long continued, “Is your mother going through menopause soon?” ”

It was said that women who went through menopause were not to be trifled with. It looked like it was true.

“After all, Zhou Cui Hua was usually a very gentle person. ”

“Li hang said, “More or less.” ”

“Li Da long smiled and said, “Fortunately, your mother’s menopause did not hit your puberty. Then our family will not be able to live on!” ”

“Speaking up to this point, Li da long stood up from the sofa and continued, “Alright, I’ll go and make some food for myself! I’ll do it myself. I’ll make enough food and clothes for you!” ”

“Li hang stood up and said, “Dad, what do you want to eat? I’ll go and make it for you.” ”

“Li Da long smiled and said, “My Daughter is still the best! You can just make a bowl of egg fried rice for Dad.” ”

“Okay.” Li hang walked towards the kitchen.

“Although she also felt that Li Da Long was not as capable as Lin Jin Cheng, Li Da Long was still her biological father. ”

The blood of the Li family flowed in her bones.

“No matter how Zhou Cui Hua looked at Li da long now, she felt that he was not pleasing to the eye. She kept asking herself in her heart, why did she find such a thing in the first place! ”

She was so good-looking. What kind of person did she want to marry back then?

“Zhou cuihua continued, “When will you leave after you come back this time?” ”

“”I don’t know the exact time. Let’s see the notice.” Li dalong continued, “But I might be at home during this period of time.” ”

“Hearing this, Zhou Cuihua was even more unhappy. ”

“After all, she felt annoyed whenever she saw Li Dalong now. ”

Zhou Cuihua didn’t say anything else. She walked into the bedroom and closed the door with a bang.

The force was so strong that even Li Dalong trembled.

“Is this woman crazy?” Li Dalong scratched the back of his head.

“Not long after, Li Hang placed the egg-fried rice on the table. “Dad, it’s time to eat.” ”

“”I’m Coming, I’m Coming!”Li Dalong stood up and walked into the restaurant. “My Daughter is still the best. She knows how to care for others, but I don’t know which family will benefit from her in the future! Oh right, Hang Hang, have you fallen in love recently?” ”

Chapter 2594: 545: less than 4

“No.”Li hang shook his head.

“Li da long continued, “Then you have to work hard. Dad heard from your uncle Zhao today that little melon has already given birth to a second set!” ”

Little Melon was Li Hang’s childhood Playmate and was the same age as Li Hang.

“Li hang said in surprise, “So Fast?” ”

“After all, Little Melon was only 23 this year. ”

“Li Da long nodded. “Although it’s a little early for her to have a second child at this age, it’s just right for her to fall in love at this age. Hang Hang, if you don’t have a boyfriend, your uncle Hu’s family...” ”

“Before Li da long could finish his sentence, he was directly interrupted by Li Hang. “Dad, don’t say anymore. I don’t like Hu Shan! It’s impossible for me to be with him! Don’t randomly pick a couple!” ”

“Sure enough, the circle determined one’s horizon. ”

Li Da Long would always only know Hu Shan.

But how could Hu Shan be worthy of her?

“Hu Shan was an ordinary worker at the age of 23 this year. Other than having two houses in Beijing, her family was completely useless.”

But what did the two houses in Beijing Mean?

Ouyang Cheng could own a large company that was about to go public at the age of 23!

“Compared to Ouyang Cheng, Hu Shan could not even compare to his little finger.”

“Li Da long smiled and said, “Okay, okay, okay. It’s fine if you don’t like it. I Won’t say it again in the future. I just think that that kid from the Hu family is quite dependable and suitable for living.”Moreover, his financial condition was not bad, he was a person worth marrying.”

“After saying that, Li da long continued, “Hang, Tell Daddy what kind of person you like. Daddy will pay attention to it for you! Besides your Uncle Hu, Daddy also has other childhood friends!” ”

It was still childhood friends!

“With Li da long like this, what kind of childhood friends could he know? ”

“Without waiting for Li Hang to speak, Zhou Cui Hua walked out of the bedroom, she said in an imposing manner, “Childhood friends! Other than introducing this kind of poor boy to our daughter, what else do you know! Do you really want our daughter to marry someone like you and live a life like mine? !” ”

Zhou cuihua had had enough of such a life! She would never let her daughter go through it again!

Li Dalong was stunned. “What’s wrong? What’s wrong with me growing up? which one of them doesn’t have a car and a house? I think they’re pretty good!”

“I’ve really had enough of you!” Zhou Cuihua picked up the pillow and threw it heavily on Li Dalong.

How did she end up marrying such a person! !

““You B \* Tch, what’s wrong with you!” Li Dalong was also angered by Zhou Cuihua. He stood up and said, “From the moment I entered the door, my nose was not my nose, and my eyes were not my eyes! Did you take the wrong medicine?” ”

“As he said that, Li Dalong tried his best to calm himself down. Zhou Cuihua was in menopause after all.  
”

“It was not easy for a woman, and it was even harder for a woman in menopause. As a husband, he should be tolerant and understanding. ”

“At a time like this, he should not quarrel with Zhou Cui Hua. ”

“What’s wrong with me?” Zhou Cui Hua pointed at herself and was so angry that she laughed. “There is something wrong with me. My biggest problem is that I married you! Why would I marry a man like you!”

“Li Dalong also laughed. “What’s wrong with me? All these years, have I starved you or frozen you! I let you live in such a big house, but you have a problem living in it!” ”

““What a joke! Do you think you are especially capable! Is having two houses considered capable? Li Dalong, you have never seen a truly capable man!” Zhou Cuihua continued, “If I could go back to 25 years ago, I would never marry a man like you!” ”

““Then who do you want to marry? Do you think you can still marry a diamond bachelor?” Dalong li continued, “Why don’t you look in the mirror and see what kind of person you are!” ”

“In terms of appearance, Zhou Cuihua was not bad-looking. ”

“Otherwise, Li Hang would not be so good-looking. ”

“However, when Li Da Long was young, he was also a little boy who could make all the girls yearn for him. ”

“It was just that now that he was middle-aged, there was some difference between him and when he was young. ”

“In fact, Li Da Long’s facial features were still very good. ”

Li Da Long’s words were very good at provoking Zhou Cui Hua.

“Zhou Cui Hua widened her eyes in anger. “You want me to look in the mirror? What do you mean? Are you saying that I’m not good enough for you? Li Da Long, who exactly is not good enough for Who!” ”

“If it was not for Li da long delaying her, she could have found a man who was comparable to Lin Qingxuan. ”

“After all, she was prettier than Xia Xiaoman, and she was more understanding than Xia Xiaoman. ”

Everything she had was better than Xia Xiaoman!

“She could have everything that Xia Xiaoman had originally, but now, she could only stay with Li Dalong, this useless thing, for the rest of her life. ”

“The more Zhou Cuihua thought about it, the more she felt wronged, and her heart felt extremely uncomfortable, “Li Dalong, think about it with your conscience. All these years, I’ve suffered and cried with you! But what about you! What have you given me! “It’s been more than 20 years. Other than two broken houses and a broken car, what have you given me!” ”

“The more Zhou Cui Hua spoke, the more excited she became. She was almost in tears. “All you’ve given me is old age and ugly wrinkles all over my face!” ”

“When she married Li da long back then, she was only a young girl of 18 or 19 years old. ”

“In the blink of an eye, she was almost 50 years old. ”

Other People’s 50-year-old could marry a rich man and live a good life.

Her 50-year-old could only stay with a useless man.

What was the meaning of such a life?

“Most importantly, this man did not know how to be grateful! ”

“Li Dalong looked at Zhou cuihua, his eyes full of confusion. ”

He even felt that Zhou Cuihua had changed into a different person.

The Zhou Cuihua in the past was not like this.

Could it be that all menopausal women were so scary?

“Li Da Long tried his best to calm himself down. He was a man, he could not be calculative with a woman who was in menopause. ”

“I don’t want to quarrel with you now.” Li Da Long looked at Zhou Cuihua and lowered his head to continue eating the egg fried rice.

“Li Hang walked to Zhou Cuihua’s side and pulled her into the bedroom. “Mom, don’t quarrel with my dad.” ”

“In fact, Li Dalong had not had it easy all these years.”

“Although the Li family did not have much money, they did not lack small money. ”

Just the two houses in the center of Beijing were not something that ordinary people could own.

“Moreover, Li Hang had learned dance and piano since he was young. ”

These hobbies were not things that ordinary people’s children could have.

“Zhou Cuihua had not gone to work since she got married. When Li Hang was young, he was raised by his grandparents. Later, when his parents passed away unexpectedly, Li Hang was already in junior high school. ”

“Zhou Cuihua was usually responsible for shopping, buying clothes, and playing cards. ”

“Therefore, before this, Zhou Cuihua had a sense of superiority in front of her relatives. ”

“After all, other people had to work from nine to five every day, but she did not have to do anything. ”

Especially Xia Xiaoman.

“Xia Xiaoman was the same age as her and loved to compare herself with her since she was young. In the end, she married a good-for-nothing man and had to take care of her own children after giving birth.”

“When Xia Xiaoman gave birth to an Lizi, she was still in the womb when she went out to do business!”

“But now, this sense of superiority was broken by Xia Xiaoman!”

How could Zhou Cuihua bear this!

“Seeing that Li Hang also asked her to go back to the bedroom, Zhou Cuihua was even more dissatisfied. “Hang Hang, you are the child that I carried for ten months. Are you going to stand on your father’s side now?” ”

“Li Hang was also somewhat helpless. She knew that Zhou Cuihua had suffered too much in the past few days, so she continued, “Mom, I didn’t mean that. Dad just got home from a business trip, and he’s also quite tired...” ”

These words were undoubtedly the spark that detonated the bomb.

“Zhou Cuihua turned her head to look at Li Hang and said angrily, “He’s tired? So he’s tired and I’m not tired anymore? Hang Hang, you really disappoint me!” ”

“In this family, she had paid much more than Li Da Long!”

What did Li Da Long give this family?

“Other than giving a small amount of money, he didn’t give anything!”

Li Hang didn’t know what to say.

“At this time, Li da long said, “Hang Hang, go back to your room. This is between your mother and me. Don’t interfere.” ”

“Li hang nodded and walked into the bedroom. After taking a few steps, he turned to look at Li da long and said worriedly, “Dad...” ”

Chapter 2596: 546: Divorce 2

“As a daughter, Li Hang did not want to see his parents become like this. ”

“No matter how incompetent Li Da Long was, he was still his father. ”

“Li da long said, “Go in. Don’t worry. I Won’t argue with your mother. Dad knows what to do.” ”

“Okay.”Li hang turned around and returned to the house.

“After Li Hang returned to the house, Li da long raised his head to look at Zhou Cuihua whose eyes were already red and swollen. He then said, “What exactly do you want to do? Aren’t you satisfied with the life you have now?” ”

The life you have now?

Could it be that Li da long still felt that she was living a good life now?

“Zhou Cui Hua originally did not want to argue with Li da long, but when she heard these words, her anger was ignited in an instant. ”

“I haven’t wanted to live such a life for a long time!”

“Li Da long put down his chopsticks. “Then tell me, what do you want to Do?” ”

“Up until now, he still did not understand what Zhou Cui Hua was angry about? ”

“He did not eat, drink, go to prostitutes, gamble, or beat up his wife. ”

“When he was middle-aged, he did not have to worry about food and drink. His family’s conditions were decent. ”

“With such living conditions, how could Zhou Cui Hua not be satisfied? ”

How did she end up like this!

“Zhou Cui Hua did not know what she wanted to do either. As long as she thought about Xia Xiaoman’s current life, she would feel very uncomfortable. ”

This was what she dreamed about in her dreams at night.

She did not know anything else.

“However, she knew that other people’s lives could not be envied. They could only be exchanged with actual actions. ”

“If she wanted to exchange for such a life, the first thing she had to do was to get a divorce. ”

She was already at this age. She could not be delayed by Li da long any longer.

“If she were to delay any longer, she would not have any chance at all. ”

“Zhou Cui Hua raised her head to look at Li da long and said, “I want to divorce you.” ”

Yes.

She wanted a divorce.

She wanted to escape from a useless man like Li Da Long.

Divorce?

Li Da Long was stunned for a moment.

“He had spent most of his life with Zhou Cui Hua. Although he had had his ups and downs, he had never thought of divorcing her. ”

“But now, Zhou Cui Hua had actually taken the initiative to bring up this matter. ”

“What did you say?”Li Da Long thought that he had heard wrongly.

There was nothing going on between him and Zhou Cuihua. There was no reason for Zhou cuihua to bring up divorce.

“Therefore, it was definitely an illusion. ”

“Zhou cuihua looked at Li da long with a calm gaze and a calm tone. “I said, let’s get a divorce.” ”

This marriage had to be divorced immediately!

“”Why?”Li Da Long looked at Zhou Cuihua in disbelief. “Hang Hang is about to have a family, and you’re saying that you want a divorce now! What are you trying to do?” ”

Divorce at such an old age? Wasn't this a joke?

"Li Da Long was a somewhat traditional man, and his views on marriage were also very traditional. "

They would be a couple for the rest of their lives.

"Zhou cuihua continued, "Li da long, you've delayed me for so many years. I beg you to let go! I can give up everything, I just want to divorce you!" "

Li Da Long didn't have much wealth anyway.

"Li da long said, "Zhou Cui Hua, are you crazy?" "

""Yes, I'm Crazy!" Zhou Cui Hua looked at Li da long and continued, "If I wasn't crazy, why would i choose to marry someone like you back then!" "

Zhou Cui Hua's tone was filled with disgust towards Li da long. It was as if she would vomit if she took another look at this man.

"In fact, this was how Zhou Cuihua felt right now. "

She did not even want to look at Li Dalong anymore.

""You have someone outside?" Li Dalong looked straight at Zhou cuihua, his eyes filled with anger. "

"It must be because he had been on business trips all year round, so Zhou Cuihua could not stand the loneliness of having someone outside! "

"If not, Zhou cuihua would definitely not have suddenly proposed a divorce! "

“No.”Zhou cuihua directly denied it.

“Li dalong said, “If there’s no one, why do you want to divorce me so much?” ”

““I just don’t want to continue living with you!”Zhou cuihua continued, “Li Dalong, I was blind in the past to fall for a person like you! I beg you to let me off!” ”

Li Dalong looked at Zhou cuihua. “Just admit it! Do you have someone outside!”

““Yes, I am seeing someone else!”Zhou cuihua simply admitted to these groundless accusations so that Li Dalong wouldn’t pester her and refuse to let go. “So, Li Dalong, let’s get a divorce!” ”

Li Dalong’s face revealed such an expression.

No wonder.

No wonder he lost his temper the moment he returned.

“It turned out that it wasn’t menopause, but that there was a wild man outside. ”

It was too much!

Chapter 2597: 546: Divorce 3

“All these years, he had been working hard to earn money to support his family, trying to find ways to let Zhou cuihua live a better life. Who would have thought that this B \* Tch Zhou cuihua would actually cheat on him outside! ”

“No matter which man, they could not bear the humiliation of being cuckolded.”

“Li Dalong walked in front of Zhou cuihua, raised his hand, and gave Zhou cuihua a slap.”

Bang.

This slap made Zhou cuihua fall to the ground.

“”B \* Tch! You B \* Tch!”After saying that, Li Dalong grabbed Zhou Cuihua’s hair and said angrily, “Who is that adulterer! Tell me! I’ll go kill him!” ”

Zhou Cuihua was hit until she was dizzy and couldn’t react for a long time.

She didn’t expect that Li Dalong would suddenly make a move.

“After all, Li Dalong had never made a move against her since they were married for so many years.”

“But now, Li Dalong actually made a move to hit her! ”

“Li Dalong! Are you crazy? !”Zhou Cuihua was almost hysterical.

“”Crazy! I am indeed crazy!”Li Dalong pulled Zhou cuihua’s hair, “I actually didn’t notice the abnormality between you and the adulterer! Tell me, when did you two do it? !” ”

Li Da Long wished he could just kill Zhou Cui Hua.

He was really suffering.

“Zhou cui hua said, “Li da long, you are a coward, you are a coward who only knows how to hit women! If you have the guts, Divorce Me!” ”

“Divorce! Divorce Right Now!”Li Da Long’s eyes were bloodshot.

“Hearing this, a huge rock in Zhou Cui Hua’s heart finally fell to the ground. ”

She was about to be freed from this man who was not a man at all!

“Li Hang, who was in the back room, heard that something was not right outside and immediately opened the door. ”

“When he came to the living room, he was immediately stunned. ”

“”Dad, Mom, what are you guys doing?” ”

“When Li da long heard this, he immediately released Zhou Cuihua. ”

“Li hang ran to Zhou Cuihua’s side. “Mom, are you alright? Dad, how could you hit someone!” ”

She had thought that Zhou Cuihua was just casually complaining. Who would have thought that things would develop to this point.

Zhou cuihua hugged Li Hang and cried bitterly.

“Li Da long pointed at Zhou cuihua and said, “Ask her yourself, what shameful things did she do!” ”

“”Mom, what’s Going On?”Li hang looked at Zhou Cuihua. ”

Zhou Cuihua did not say anything.

“Li da long continued, “Tomorrow, go to the Civil Affairs Bureau Tomorrow and get the divorce certificate! Don’t even think about giving my things to that adulterer!” ”

Divorce!

“Hearing this, Li Hang immediately looked at Zhou Cuihua and said with wide eyes, “Mom, you want to divorce my dad?” ”

Zhou cuihua nodded.

Li Hang never dreamed that his parents would walk the path of divorce.

“”Why?”Li Hang was a little unwilling to see such a result. “Mom, why did you divorce Dad! Why!” ”

“Zhou Cuihua didn’t say anything, but quietly tugged at Li Hang’s sleeve. ”

“Li Hang looked at Zhou cuihua and somewhat understood the meaning in her eyes, so he didn’t say anything more. ”

“Li dalong continued, “Once things happen, they have to be resolved. Hang Hang Hang, your mom and I can’t go on. You’re already an adult. Tell me, who are you going to follow in the future?” ”

“He and Zhou Cui Hua only had one child, Li Hang. ”

“Other than property, it was also very important for Li Hang to appear in someone’s household register in the future. ”

“Li Hang was stunned for a moment before he continued, “Dad, do you really have to make me choose? Actually, I don’t feel that the matter is so serious that I have to get a divorce...” ”

“You have to get a divorce!” Li Da Long’s attitude was very firm. The reason why he did not say the reason was because he wanted to take into account the face of Zhou Cui Hua next week.

“A husband and wife had a hundred days of grace. After all, they still had Li hang as a bond between them.”

“Li da long continued, “Hang Hang, you choose. With me or with her.” ”

“Li hang hesitated for a moment. He raised his head to look at Li da long and continued, “You are my father, and she is the mother I carried for ten months. The palms and backs of my hands are all flesh. If you insist on me choosing one, aren’t you making things difficult for me?” ”

“Seeing Li hang like this, Li da long wiped his tears. ”

“When parents walked down the path of divorce, the ones who suffered would always be their children. ”

“Fortunately, fortunately, Li Hang was now a big girl. ”

“After saying this, Li hang continued, “Father, if you insist on walking down this path, can you let me think about it first?” ”

“Yes.” Li Da long nodded.

“Zhou cuihua walked out from the ground, went to the bedroom, and began to tidy up her things. ”

“Just as she finished tidying up her jewelry, Li Dalong walked over and directly took away her jewelry box. “You can’t take anything except clothes!” ”

“Zhou cuihua said, “This is mine!” ”

“I bought it with my hard-earned money. Don’t even think about bringing it to that adulterer!” Li Da Long’s attitude was very firm.

“Zhou cuihua originally wanted to argue with him, but when she thought of how it was better to leave things alone, she did not say anything in the end. ”

“When she was like Xia Xiaoman and married a rich man, she would have all the jewelry she wanted? ”

What was this little piece of jewelry?

“Li dalong continued, “Zhou cuihua, you have to leave the house with nothing!” ”

“Do you really think you have any wealth?” Zhou cuihua looked up at Li Dalong. “I don’t want your things either!”

Li Dalong’s little things couldn’t even be compared to Lin Qingxuan’s little finger!

She really didn’t know where Li Dalong got his confidence from!

“Zhou Cui Hua tidied up her clothes and did not plan to take anything else. She continued, “I will be staying out tonight. Do you have any objections to meeting me at the entrance of the Civil Affairs Bureau at 9:30 Tomorrow Morning?” ”

““Sure.” Since things had developed to this point, Li Da Long did not want to hide anything anymore. ”

Zhou Cui Hua turned around and went into the living room. She greeted Li Hang and was ready to leave.

“Li hang looked at Zhou Cuihua. “Mom, are you really leaving?” ”

Li Hang felt extremely uncomfortable when things developed to this point.

She didn’t expect her parents to walk down the path of divorce.

“Zhou cuihua nodded. “I can’t stay in this house for even a minute. Hang, if you don’t want to leave with mom, then mom will leave first.” ”

Li Hang couldn’t stop Zhou Cuihua and could only watch her leave.

“At this moment, the bedroom door was opened again. ”

“Wait a minute!”Li Da Long’s voice came from the air.

“What else do you want?”

Li Da Long walked in front of Zhou Cuihua and directly grabbed the key in her hand. “I bought the car too!”

“Zhou Cuihua was stunned at first. “Okay, here you go!” ”

“She had said that she wouldn’t take a needle from Li da long, so she wouldn’t take anything from him! ”

Zhou cuihua turned around and left.

The summer night was very lively.

“After walking out of that house, Zhou Cuihua felt her entire person had become much more relaxed. ”

“In the future, she was finally no longer that housewife who was nothing. ”

“She would be like Xia Xiaoman, living out her true self. ”

“Zhou cuihua originally wanted to return to her parents’house, but thinking that she still had to go to the Civil Affairs Bureau tomorrow morning, she did not return to her parents’house. Instead, she found a hotel to stay. ”

Although she didn’t take anything from Li Dalong.

But she still had some private money in the Li family all these years.

“At nine o’clock the next morning, Zhou Cuihua appeared in front of the Civil Affairs Bureau. ”

“When it was time for the appointment, Li Dalong arrived. ”

“Although it had already been a night, Li Dalong was still very angry. ”

How could he have imagined that Zhou cuihua would silently put on a hat for him.

“After going through the process, the two of them successfully obtained the divorce certificate. ”

Zhou cuihua was overjoyed and immediately called Li Hang to ask him out.

““Hang Hang, look, what’s This?” ”

“Li Hang looked at the divorce certificate and frowned slightly. “Mom, you’re too impulsive!” ”

“How am I impulsive! Your dad doesn't have the ability, don't tell me he won't allow me to imitate Xia Xiaoman and find a capable stepfather for you?” Zhou Cuihua was very confident in herself. ”

She believed that she would definitely marry better than Xia Xiaoman.

“Li hang continued, “Mom, this kind of opportunity doesn't come often. Nowadays, it's hard for many college students to find a financial backer, not to mention...” although Li Hang didn't finish, what he said next was self-evident. ”

Zhou Cuihua had already reached her age.

It was impossible for her to find a millionaire at her age.

“What About Me?” Zhou Cuihua looked at li hang and said, “Don't tell me that in your eyes, your mother can't be compared to the half-aged Xia Xiaoman? “Let me tell you, I, Zhou Cuihua, can not only do what Xia Xiaoman can do, but I can do it even better!” ”

“At this point, Zhou Cuihua continued, “Hurry up and move out from your father's place.” ”

Chapter 2599: 556: Scorch is out

“She had already divorced Li da long, so the earlier Li Hang moved out, the better. ”

“Hearing this, Li Hang hesitated. “Mom, I, I don't want to move out.” ”

“You don't want to move out?” Zhou Cui Hua's face was full of question marks. “Why?”

“Li hang continued, “I want to stay with Dad.” ”

Zhou Cui Hua was almost 50 years old this year.

“She had seen Xia Xiaoman marry a rich businessman for the second time, so in a moment of passion, she divorced Li da long. She thought that she could be like Xia Xiaoman and marry a rich man, but in fact, she was nothing. ”

It was impossible for everyone to be as lucky as Xia Xiaoman.

It was also impossible for everyone to marry a rich man.

“When she heard this, Zhou cuihua said in disbelief, “Hang, what are you talking about? ! What can you do by accompanying him? ! What can that trash, your father, give you? !” ”

“Other than the two apartments under Li Da Long’s name, there were only two cars, and his savings did not exceed seven figures. ”

He simply could not give Li hang a rich life.

“Li hang looked at Zhou Cuihua, then he said, “Mom, I still think that you are taking too much of a risk. You should go back and clear up the misunderstanding with my father and ask him to forgive you. After all, you and he have been husband and wife for so many years. As long as you explain clearly, he will definitely forgive you.” ”

“When she heard this, Zhou Cuihua’s reaction was especially big. She stared at Li Hang with her eyes wide open, “Hang Hang, what are you talking about! Who wants his forgiveness? He doesn’t have the ability himself, yet he still blames me for divorcing him? As long as he lives like a man, we wouldn’t have reached this stage!” ”

“In Zhou Cuihua’s view, it was all because Li Dalong was too incompetent and didn’t give her the life she wanted. ”

“Zhou cuihua continued, “Back then, Xia Xiaoman could not even raise her head in front of me! And Now! She is a rich lady from a wealthy family, what am I? I am even worse than their Butler!” ”

“At the mention of this, Zhou Cuihua was furious. ”

“”Mom, calm down and let me analyze it for you.”Li hang continued, “Although my dad is not as rich as Lin Qingxuan, he has not let you suffer all these years. His two houses in the capital are also worth tens of millions. Think about it carefully, who among your Little Sisters would not envy your current life?” ”

“Among ordinary people, Zhou Cuihua was definitely not ordinary. ”

How many people spent their whole lives fighting for a house?

“Zhou Cuihua’s thoughts were exactly the same as Li Hang’s in the past, but now she would not have such thoughts anymore. ”

“”Hang Hang, you don’t understand at all.”Zhou cuihua continued, “So you don’t want to move out from your father’s Place?” ”

“”Mom, I’m sorry.”Li hang couldn’t take such a big risk for the time being. ”

“After all, Zhou Cuihua had nothing now. ”

“By following Li Dalong, at least she didn’t have to worry about her house and car. ”

“Seeing that her daughter didn’t believe her, Zhou Cuihua wasn’t angry either. She continued, “Hang Hang, just you wait. Mom will one day let you be like an Lizi and become a legitimate heiress!” ”

“It was fine if Li Hang did not believe her now. One day, she would prove it to Li Hang. ”

“Mom,” Li Hang took a sip of coffee. “I also think that you should think about it carefully so that you won’t regret it when the time comes.” ”

Regret?

“Zhou Cuihua smiled and said, “Don’t worry. I won’t regret it.” ”

Why would she regret it?

On the other side.

Today was Ye Shu’s birthday.

Xia Xiaoman and Lin Qingxuan brought Xiao Lin to the Lin family manor to play and celebrate Ye Shu’s birthday.

“Ye Shu said a little embarrassedly, “It’s just a birthday, and I made you guys come over.” ”

“Xia Xiaoman said, “It’s okay, we’re close anyway. It’s a good time for everyone to get together and have a chat.” ”

“Ye Shu took Xiao Lin from Xia Xiaoman’s arms and said with a smile, “Where’s Lizi?” ”

“Lizi and Ouyang said they’re coming over tonight.”

“Ye Shu asked with concern, “How’s their relationship recently?” ”

“Xia Xiaoman said with a smile, “That kid Ouyang is pretty good. What his father and I mean is that if the two of them can get along, we’ll let them get engaged in the second half of the year.” ”

“Ye Shu nodded. “I think Ouyang is pretty good too. They have four children together, and now Chu Yan doesn’t have a girlfriend.” ”

Chu Yan was fat tiger.

“Xia Xiaoman asked, “Have you found the child called Li Wen?” ”

“Ever since Xia Xiaoman and Ye Shu knew their real names, they had never called them by their nicknames. ”

Ye Shu nodded. “I heard from Ah Ze that he seems to have found them.”

The two sisters-in-law talked as they walked into the house.

“Fourth aunt is here.”Ye Zhuo walked out of the house.

Chapter 2600: 556: Great Scorch is out

“Scorch.”

“Ye Zao continued, “I was just about to look for you.” ”

“Look for me?”Xia Xiaoman was stunned. “What for?”

“Ye Zao said, “Let’s sit down and talk about it.” ”

“Looking at ye Zao’s expression, Ye Shu was a little anxious. “Scorch, it’s not a big deal, right?” ”

“Ye Zao smiled. “Don’t worry, it’s not a big deal.” ”

“That’s good.”Ye Shu heaved a sigh of relief.

“After the few of them sat down, a servant brought some tea over. Only then did ye Zao speak slowly.  
“Fourth aunt, someone hired a private detective to investigate you.” ”

“Hearing this, Xia Xiaoman was shocked. “Who? Who’s investigating me?” ”

““Someone called Zhou Cuihua,”ye Zao said. ”

Zhou Cuihua?

“Xia Xiaoman frowned slightly. “Is the information reliable? Zao Zao, how did you know?” ”

““It’s a coincidence.”Ye Zhuozhu took a sip of tea and continued, “The detective Zhou Cuihua found happened to be opened by a friend of mine. My friend investigated and found out about your relationship with me, so she told me about it.” ”

“Ye Zhuozhu paused. “By the way, fourth aunt, do you know this person called Zhou Cuihua?” ”

“Xia Xiaoman nodded. “Yes, she’s my cousin. Zhuozhu, do you know what she’s investigating about me?” ”

“Ye Zhuozhu hesitated for a moment before continuing, “It’s about her lifestyle. She suspects that you’re outside...” ”

The rest of his words were self-evident.

Xia Xiaoman was so angry that she slammed the table and stood up. "Outrageous! This Zhou Cuihua is really too outrageous!"

Anyone would be angry if they were suspected of having a lifestyle problem for no reason.

"Ye Zhuozhuo continued, "In addition, my friend told me that Zhou Cuihua and her husband, Li Dalong, had gotten a divorce certificate from the Civil Affairs Bureau this morning. I don't know if these two things are related." "

"Xia Xiaoman said, "I think I know what she wants to do!" "

She and Zhou cuihua were cousins. The two of them had grown up together. Zhou Cuihua had always been competitive since she was young. She was better at everything than Xia Xiaoman!

"This time, they were getting a divorce and hiring a detective. It was obvious what Zhou Cuihua wanted to do. "

This kind of person was really too disgusting!

She actually had such dirty thoughts!

Xia Xiaoman continued to state her own thoughts.

"Although Xia Xiaoman had guessed it herself, her guess was not too far off. "

"Hearing this, Ye Shu frowned slightly. "Why is your cousin like this!" "

"It's cousin." Xia Xiaoman continued, "She has always been like this since she was young, but I didn't expect her to be so unwilling." "

Zhou cuihua actually divorced because she was unwilling to accept it!

“Ye Shu said, “It’s better to divorce this kind of person as far away from her as possible.” ”

“En.”Xia Xiaoman nodded. “I know. Treat it as if she doesn’t have such a relative in the future!”

“Ye Zhuo continued, “Not only do we have to distance ourselves from her, we also have to invite her into the trap and make her suffer the consequences of her actions.” ”

“Upon hearing this, Xia Xiaoman raised her head to look at ye Zhuo and asked, “Zhuozhuo, what do you mean?” ”

Ye Zao smiled mysteriously.

“Ye Shu said anxiously, “You Child, say something! You’re so anxious that your fourth aunt and I are about to die.” ”

Ye Zao’s Red Lips parted slightly as he spoke slowly.

“The wildfire could not be extinguished, but the spring breeze would come again. ”

“When dealing with people like Zhou cuihua, one should use a once-and-for-all method so that she would never be able to jump again. ”

“Hearing this, Xia Xiaoman smiled and said, “This smart person handles things differently. Zao Zao, you’re absolutely right. This is the way it should be done!” ”

Ye Shu nodded as well. “This method is indeed not bad.”

“Around six o’clock in the evening, Cen Shaoqing arrived with the birthday present that he had prepared for ye Shu. ”

“Auntie, this is a little gift from my mother and grandmother. Please accept it.” ”

“Ye Shu took the gift box with both hands and said with a smile, “I’ve let your mother and grandmother spend so much money on it. It’s just a simple birthday. It’s not a big birthday. Actually, it doesn’t have to be like this.” ”

Cen Shaoqing twirled the Buddhist beads. “It’s just some small things. As long as Aunty doesn’t mind it.”

“You Child, what are you saying!”Ye Shu continued, “Hurry up and go inside. The meal is about to start.” ”

“Okay.”Cen Shaoqing nodded slightly and looked around. He did not see her figure.

Where is she?

Did she not come back?

Cen Shaoqing frowned.

“Ye Shu saw his expression. Ye Shu smiled and said, “She is burning in the kitchen! Go quickly!” ”

“Thank you, Aunty.”Cen Shaoqing turned and walked towards the kitchen. ”

“He was already very familiar with every part of the Lin family. Naturally, he knew the way to the kitchen.” ”

“Ye Shu looked at Cen Shaoqing’s back and laughed softly, “This child.” ”

Cen Shaoqing came to the kitchen and indeed saw ye Zao in the kitchen.

She was wearing an orange dress and a pale white apron. The pale blue mask covered most of her face. She was flipping the pot with one hand and holding a spoon with the other. She was cooking the dishes in a proper manner.

Her eyes were serious.

“I didn’t expect you to know how to flip the Spoon!”The head chef said with some surprise, “Without seven or eight years of experience, I really can’t do it!”Especially when ye Zao was doing it in a proper manner.”

“Ye Zhuo smiled and said, “Uncle Liu, you don’t know about this, right? I know a lot of things!” ”

“The head chef continued, “I didn’t know before, but now I know.”In the past, when ye Zhuo stood at the kitchen door and said that he knew how to cook, everyone thought that ye Zhuo was bragging. ”

“After all, Ye Zhuo was a rich young lady! ”

How could the hands of this rich young lady be used to stir the ladle?

“She probably couldn’t even distinguish between soy sauce and vinegar, right? ”

“Who would have thought that not only did ye Zhuo know how to cook, but he was also very skilled! ”

“The head chef looked at ye Zhuo and continued, “Young Lady, have you learned it before?” ”

“I haven’t really learned it before, but I’ve often seen you guys stir the ladle,”ye Zhuo continued, “Actually, this isn’t very difficult. It’s easy once you get the hang of it.” ”

“The head chef said, “Then you’re too amazing!”Back then, he had studied cooking for more than three years before he could barely reach ye Zhuo’s current level. ”

Some people were really blessed by the heavens.

“It’s just so-so.”

Cen Shaoqing leaned against the door and looked at her.

“After ye Zhuo finished cooking, he looked back and saw Cen Shaoqing standing at the door. ”

“When did you come?”

“Cen Shaoqing walked over and said in a low voice, “Just now.” ”

“After saying that, CEN Shaoqing continued, “Do you need me to help you?” ”

“”No need.”Ye Zhuo poured some oil into the pot and continued, “You only know how to cook a few dishes?” ”

It was a little disdainful.

“”You’re underestimating me!”Cen Shaoqing rolled up his sleeves and walked to ye Zhuo’s side. He took the pot from her and said, “Let me show you what I Can Do.” ”

“Ye Zao smiled and said, “Sweet and sour pork ribs, do you know how to Cook?” ”

“”Of course I know how to cook,”Cen Shaoqing said ”

“He was not bragging. As he said that he knew how to cook, his hands began to move. ”

“In fact, Cen Shaoqing did not know how to cook at the beginning. After he met ye Zao, he learned a little. Later, he learned more and more, and it became that he knew everything now. ”

“Ye Zao stood at the side, crossed his arms over his chest, and said with a smile, “Not bad, not bad. It seems to be true.” ”

“Is that so?”Cen Shaoqing asked.

““Of course,”ye Zao said. ”

“Cen Shaoqing’s thin lips parted slightly. “Thank you, leader, for thinking so highly of me.” ”

“Before long, the two of them had cooked five beautiful dishes. ”

“When all the dishes were served, an Lizi and Buttface had also arrived. ”

“Seeing Cen Shaoqing wearing an apron, an lizi asked in surprise, “Is fifth master going to Cook Tonight?” ”

Ye Zhuo nodded slightly. “Yes.”

“An lizi smiled and said, “Then I’ll eat more tonight.” ”

This was the first time she had seen Cen Shaoqing Cook.

Ye Zhuo smiled and nodded. “Okay.”

“Dog Two stood at the side, looking a little reserved, ”
