Chapter 261: 098: kneel before the Big Boss! 2

“However, she had overlooked one thing.”

The college entrance examination in this life was already 10 years away from her previous life. She had long forgotten the knowledge in the textbooks.

She had underestimated the difficulty of the college entrance examination questions.

She had not expected that ye Zhuo would be ranked first in the entire city.

“After all, in her previous life.”

Ye Zhuo was just a trash.

“At this moment, the system said again, [host, from the moment you were reborn, there was a butterfly effect! Therefore, Ye Zao was not reborn, and she did not have the system! The college entrance examination had passed, and no one could save her. The most important thing for you now is to develop your own power in the scientific and technological world! Let Niu Hulu? The two giants, YC and Dr. Warne, become your right-hand men!]”

If ye Zao had also been reborn.

Then it would not have chosen mu yourong.

“After saying that, the system continued, “I will transfer the advanced research technology to you in a while!” ”

“Okay.”

Mu Yourong logged onto the science and technology website.

She began to complete the mission.

“Because her account name was only one word away from ye Zao’s account name, and because she had achieved outstanding results as soon as she registered on the science and Technology website, and she was still a woman, her popularity on the platform was also very high. ”

A good person’s life was safe: “Holy Shit! This newcomer YR is very powerful! This year’s Dark Horse of the year will definitely be her!”

Niu Hulu? Qiang Guoguo and Yu di: “Just This? Just this is considered a dark horse? Where did you put our YC father?”

“Niu Hulu? Fleeting years: “YC father is a man after all! Yr is a woman, how can this be compared? I feel that YR can become the female representative of the science and Technology World!” ”

“Niu Hulu? Past events: [although YC’s father is a man, no one can compare to his achievements!]! Father can complete 20 missions in a day? Everyone present, including Yr, who can complete 2 missions? I hope you don’t compare YC’s father with a nobody.] ”

“Hua ran XR: [who doesn’t know that YC is a team of 1,000 people! I’m on Miss Yr’s side, Miss YR is alone, how can she be compared to a team of 1,000 people? This time I’m on Miss Yr’s side!] ”

“Niu Hulu? Little Dai: [Lemon Sprite! You’re the Team Dog! You’re not outstanding, but you’re still jealous of YC’s father! Go To Hell!] ”

“Happy 1258: [everyone, stop arguing!]! God YC’s abilities were undeniable, but rookies could be considered quite powerful! No matter what, she was still a girl! “It’s been so many years. Not to mention China, even country P hasn’t had a few powerful girls.” ”

When this was said.

Everyone agreed.

This sentence was too right.

Niu Hulu? YC was a man after all.

Niu Hulu wasn't the only one on the technology web. YC was a god.

It wasn't rare for a man to be a god.

But Niu Hulu? There weren't many women like YR.

Yr was the best among the women!

"There was a treasure 0369: [from the profile picture of Miss Yr, I feel that Miss YR is most likely a beauty.]"

Da Hei Zi: [I can lick these hands for a year!]

I love technology! : [I Love Love. I can imagine how handsome these hands are when they are typing on the keyboard and doing missions!]

"Looking at these comments, a smug smile flashed across Mu Yourong's eyes."

The members of the technology industry were basically all men.

"Hence, there were signs that the Yang was flourishing while the Yin was declining."

“Right now, she was just testing her skills. She had only done a few small missions on the technology website, yet she had already caused such a huge sensation. ”

“In the future, if she were to bring even greater achievements, wouldn't these people go crazy? ”

“Therefore, one could not be too small in one's outlook on life. ”

One had to stand high to see far.

“Right now, no matter how smug ye Zhuo was, she was just a small streamer. How could a small streamer compare to her? ”

“To put it nicely, she was a streamer. ”

“In fact, she was just a clown trying to please the crowd. ”

And she!

She was going to be the one to lead the world of Science and Technology!

She would stand at the top of the world of science and technology.

“Whether it was Dr. Warne, Niu Hulu? ... YC... ... or the three giants of country P. ”

They would all become her subjects.

“At that time, she would be recorded in history! ”

After she led the world of Science and technology.

She would marry Cen Wuye.

What was Ye Zhuo?

Ye Zao can't even compare to a single strand of her hair.

She can still do the same as in her previous life. She can crush that Little Streamer ye Zao with a single finger.

Thinking of this.

Mu Yourong's eyes were filled with pride.

...

On the other side.

The Ye family.

"After resolving the p picture incident, Ye Zao began her live broadcast."

"But tonight, she did not live broadcast chess."

"Instead, she began to broadcast video games."

The person with the account name: Miao Yin user 202106080126 came again.

Chapter 262: 098: kneel before the Big Boss! 3

“This time, he sent another ten peerless beauties in a row. ”

The bullet screen was filled with the words ‘Big Boss 666’and ‘request for a mistress’.

He sent two batches of gifts.

Cen Shaoqing suddenly heard ye Zhuo say that he would not play chess tonight and would continue playing games.

Continue playing games?

“Cen Shaoqing frowned slightly and sent another ten or so gifts. Then, he closed his computer and walked downstairs. ”

“Old Mrs. Cen and Zhou Xiang were sitting on the sofa in the living room, applying facial masks. ”

“Seeing Cen Shaoqing come down, Zhou Xiang asked curiously, “Shaoqing, where are you going?” ”

““I’m going to Qian Dong’s place,”Cen Shaoqing answered. ”

Zhou Xiang frowned slightly. “Why are you still looking for Qian Dong at this time of Night?”

The sound of a car engine came from outside the door.

Not long after.

The car was parked downstairs in Li Qian Dong's apartment.

The lights in the apartment were on.

“When Cen Shaoqing came in, Li Qiangdong was sitting on the sofa watching the live broadcast.”

On the screen.

A female streamer wearing a bunny outfit was twisting and turning in front of the camera.

She had a very good figure.

She was also very beautiful.

Li Qiangdong had given her 20 sports cars.

“The streamer immediately said coquettishly, “Thank you for the sports car, young master Li. I love you for 10,000 years. In order to thank young master Li for the sports car, let me sing a song for Young Master Li? I wonder what song young master Li likes to listen to? “After I finish singing, if young master Li thinks that I’m singing pretty well, how about giving a few sports cars to your sister?” ”

Li Qiangdong typed in the title of the song.

The host immediately sang.

“As he sang, he made flirtatious glances, heart gestures, and kisses in front of the screen.”

Cen Shaoqing frowned slightly.

This host was far inferior to Ye Zhuo.

Ye Zao had never asked for gifts from his fans.

Nor had he ever worn such revealing clothes.

Nor would he do such strange actions.

Vulgar.

It was really too vulgar.

“Cen Shaoqing averted his gaze. He, who had always kept a straight face, had a rare look of disgust in his eyes.”

“Qian Dong.”

The sudden voice gave Li Qian Dong a fright. “Fifth brother? When did you come?”

“I just arrived.” Cen Shaoqing spun the prayer beads.

“Li Qiandong quickly jumped down from the sofa and said, “Fifth brother, you came to look for me for something, right?” ”

“Yes.” Cen Shaoqing nodded slightly.

Li Qiandong poured cen shaoqing a glass of water.

Cen Shaoqing declined politely.

“Seeing that Cen Shaoqing wasn’t drinking, Li Qiandong drank it himself. “Fifth brother, what did you come to look for me for?” ”

“Cen Shaoqing continued, “Teach me how to play games.” ”

What?

Play games?

“Cen Shaoqing, who was devoted to Buddhism, actually asked him to teach him how to play games? ”

“Li Qiandong suspected that he was hearing things, and he spat out all the water in his mouth. ”

““Fifth brother, did I hear it right? Play Games?”Li Qiandong casually wiped his hands with his sleeve. ”

““Yes, play games.”Cen Shaoqing looked serious. ”

“Li Qiandong said incredulously, “Fifth brother, you don’t have a fever, do you?” ”

“No.”Cen Shaoqing twirled the Buddhist beads. “I’m very serious.”

Li Qiandong was even more incredulous.

He sized Cen Shaoqing up and down.

Everything was fine.

Why did Cen Shaoqing want to learn to play games?

Was he crazy?

Or was he possessed?

“Cen Shaoqing leaned over and sat on the sofa. “Hurry up, I don’t have much time.” ”

“Li Qiandong also quickly sat down. “Fifth brother, which game are you going to Learn?” ”

“King.”

““King?” Li Qiandong looked at Cen Shaoqing. “Fifth brother, are you serious?” ”

“Cen Shaoqing placed the Buddha beads on the table and took out his phone. “I’ve already downloaded the game. Teach me how to dress, move, and think.” ”

Li Qiandong was stunned.

What was wrong with Cen Shaoqing today?

““Fifth brother, are you infatuated with any streamer?” Li Qiandong asked. ”

Cen Shaoqing’s expression did not change. “No.”

Li Qiandong narrowed his eyes. “Then why did you suddenly learn this?”

““To keep up with the times,” Cen Shaoqing said concisely. ”

Li Qiandong looked at him suspiciously and did not ask further.

He began to teach Cen Shaoqing how to play games.

Cen Shaoqing was very smart.

He understood everything at once.

“In a short while, he became an expert in the valley.”

An hour later.

Li Qiandong sent Cen Shaoqing away.

He returned home.

Cen Shaoqing turned on the livestream again.

It was a pity.

Ye Zhuo had already logged out.

How could he log out so soon?

“Cen Shaoqing frowned slightly. He picked up the computer, wrote a script, and installed it on his phone.”

“This way, even if he did not add ye Zhuo as a friend in the game, he would still be able to match ye Zhuo.”

“When they matched, they would still be able to match ye Zhuo.”

...

“After learning that ye Zhuo was the top scorer in Yunjing City, an Lizi and Zhao Pingting were especially happy. The two of them quickly logged into their school forum accounts and posted on the forum to mock the person who had plagiarized ye Zhuo.”

Chapter 263: 098: kneel before the boss! 4

Ye Zao got first place in the city.

The school forum exploded.

[F * ck! F * ck! 749 points! Kneel before the Boss!]

[full score for composition? Are you sure you're a science student?]

“[I heard that the boss forgot to do a multiple choice question, so he lost one point...]”

[are you serious?]

“[I really didn't expect ye Zao to get first place in the city. Previously, I thought that the people in Class 7 were crazy. Now, it seems that we are.]”

Tingting 0216: [don't some people want to eat cell phones live? [screenshot jpg] [screenshot JPG]

The people below helped to move the people who said they wanted to eat cell phones live that day.

Those people's faces were hurting from the slaps.

"At this time, they could only pretend to be dead and not reply."

The next day.

"Ye Zao, an Lizi, and Zhao Pingting made an appointment to go to the amusement park together."

"However, because Zhao Pingting had something urgent to attend to, she did not go with them."

Ye Zhuo arrived at the place where he had arranged to meet an Lizi.

"An lizi asked curiously, "Zhuo Zhuo, did Pingting tell you why she suddenly stopped coming?" "

"She seems to be suffering from an upset stomach," ye Zhuo replied. "

"An lizi nodded and continued, "Wasn't she fine yesterday? Oh right, Zhuo Zhuo! Do you know how well Pingting and I cooperated with each other yesterday? We scolded them so much that none of them dared to make a sound! It was so great!" "

At this moment.

A black car stopped in front of the two of them.

The car window rolled down.

A well-defined face was revealed.

The hand that was holding the steering wheel was holding a string of Buddhist beads.

An Lizi was stunned.

Who was this man!

He was really handsome.

She had never seen a MAN who could wear a retro button-up shirt so manly!

This appearance and this aura.

He was more than a few streets ahead of the current generation of fresh meat.

“Ye Zao.”

The man said calmly.

“Fifth brother?” Ye Zao raised his eyebrows in surprise.

“CEN Shaoqing continued, “Get on the bus. I’ll send you guys.” ”

“Ye Zao smiled and said, “No need. The bus should be arriving soon.” ”

“You’re not allowed to park here.” Cen Shaoqing’s tone was indifferent.

Ye Zao did not refuse anymore and brought an lizi onto the bus. “We’re going to the amusement park. I’ll have to trouble fifth brother.”

“Alright.” Cen Shaoqing’s expression remained the same.

“Ye Zao then introduced an Lizi to Cen Shaoqing. “Fifth brother, this is my classmate, an Lizi. Lizi, this is my fifth brother. You can call me fifth brother.” ”

An Lizi was very surprised.

Wasn’t Ye Zao an only child?

Since when did he have a brother?

An Lizi felt that calling him fifth brother seemed a little intimate. “I’ll still call you Mr. Ye.”

“Seeing that an Lizi had misunderstood, ye Zao was about to explain. ”

“CEN Shaoqing said calmly, “My surname is Cen.” ”

“Cen?” An Lizi frowned slightly. Could it be that this person was not ye Zao’s brother? “Then you and Zao Zao...”

“Cen Shaoqing, who had always been quiet, continued, “I’m friends with her.” ”

So it was just a friendship.

An Lizi nodded. Her gaze could not help but turn back and forth between ye Zao and Cen Shaoqing.

She had a strange feeling that these two people matched each other’s faces.

These two people definitely weren’t just friends.

The amusement park wasn't too far from the city.

They arrived very quickly.

Ye Zhuo got out of the car and thanked them.

Cen Shaoqing's tone was indifferent. "You don't have to be polite with me."

"Then we'll go in first."

"Go in." Cen Shaoqing nodded slightly.

Cen Shaoqing stood where he was and watched them go in.

"An Lizi quietly turned around and looked at Cen Shaoqing. She tugged at ye Zao's arm and asked, "Zao Zao, that Mr. Cen is quite handsome." "

" "Yeah, he's not bad." Ye Zao's expression remained the same. "

"An lizi continued, "Does he like you?" "

"You're thinking too much." Ye Zao's tone was shallow.

" "If he doesn't like you, why did he send us to the amusement park! You Don't even know how handsome he was when he said 'get in the car, I'll send you guys' Just Now! He's practically the boss!" "

"As an Lizi recalled the scene just now, stars were about to appear in her eyes. "

She had read so many novels about the CEO of the company.

She had never felt that there was anyone more like the CEO of the company in reality than Cen Shaoqing.

Even some of the professional celebrities who acted as the CEO of the company did not have half of Cen Shaoqing's aura.

That kind of innate aura of a superior was inadvertently emitted.

Others could not learn it at all.

Nor could they copy it.

“Ye Zhuo smiled and said, “He’s a vegetarian and believes in Buddhism. It’s impossible for him to fall in love with anyone. You! Don’t let your imagination run wild!” ”

Cen Shaoqing was already thirty-one years old.

“If there was someone he liked, he would have long been enlightened. ”

Why would he wait until now?

“Ye Zhuo had previously investigated Cen Shaoqing. Ever since he came of age, there had not been any special members of the opposite sex in his circle. ”

Chapter 264: 098: kneel before the Big Boss! 5

Even the assistant and secretary were men.

“In Ye Zao’s eyes, Cen Shaoqing was a pure and unsullied person with no emotions.”

“What if you successfully make him fall in love with you?” An Lizi asked.

“It’s impossible,” ye Zao said. “We’re just friends.”

How could a person without emotions fall in love with him?

What kind of joke was this?

“An Lizi narrowed her eyes, “Based on my years of reading novels, this matter is definitely not simple. He must have fallen in love with you! Do you know, Zao Zao? If you like someone, you can’t hide your eyes! He has you in his eyes. Do you understand that feeling?”

“Ye Zao raised his eyebrows slightly. “He’s not blind. It would be abnormal if he didn’t have me in his eyes, right?”

An Lizi:“...”

This sentence was so reasonable that she couldn’t refute it.

“An Lizi sighed and shook her head helplessly. “Sigh, I can’t even explain it to a single dog like you.”

“After saying that, an lizi continued, “Zao, let me say, if... If he fell in love with you and confessed his feelings for you, what would you do? Would you accept him and marry him?”

“Ye Zhuozhuo’s tone was indifferent. “This kind of thing can not happen to him and me. Lizi, don’t think about this nonsense.”

An Lizi pursed her lips. "That's hard to say. What If it happens? What if you two see eye to eye?"

"Never."Ye Zhuozhuo enunciated each word.

"An lizi smiled and said, "Do you know the definition of true fragrance?" "

""The definition of true fragrance is useless to me."Although ye Zao had a good impression of Cen Shaoqing, it was only a good impression. "

Cen Shaoqing was also a monk.

How could the two of them see eye to eye?

"Even if Mars collided with earth, such a thing would not happen. "

An Lizi continued to explain the definition of true fragrance to ye Zao.

The two of them talked as they walked.

"In a short while, they arrived at the amusement park's tourist area. "

"Today was Sunday, and there were a lot of tourists inside. "

"Seeing all kinds of fun, an Lizi forgot the definition of true fragrance. She said excitedly, "Zao Zao! Let's go play the roller coaster first! Then we'll play the jumper. And I want to play the roller coaster too!" "

"Okay."Ye Zao nodded.

“In his previous life, Ye Zao was an orphan. He could only look at the parents of other children with envy as they took them to the amusement park to play.”

When she grew up.

“When she had the ability, she suddenly had no desire to go.”

So.

This was the first time ye Zao came to the amusement park.

“Whether it was a roller coaster, a roller coaster, or a jumper, she was amazed.”

She liked the adrenaline rush.

It was exciting.

Anlizi was a little different from ye Zao.

She loved to play.

“But when she was playing, she was scared out of her wits.”

She cried like a ghost.

It was a stark contrast to the calm ye Zao.

They played some exciting games.

The two went to the haunted house again.

There were three floors in the haunted house.

They had to queue up to enter.

“An Lizi was very timid. When she stepped into the haunted house, she was so scared that she grabbed ye Zao’s hand. “Zao Zao! You have to protect me!” ”

“No problem.”

The haunted house was very eerie.

All kinds of props were very realistic.

An Lizi was so scared that she screamed repeatedly.

“She grabbed ye Zao’s arm tightly, wishing that she could turn into an octopus and wrap herself around ye Zao. Throughout the entire process, she did not even dare to open her eyes. ”

Three minutes later.

Ye Zao brought an lizi out of the haunted house.

Only then did she realize.

An Lizi was not the only one who was holding her hand. There were also two young women who she did not know.

Ye Zao’s skin was fair.

It was these three who had pinched her red.

“The two of them said in embarrassment, “I’m sorry, Miss! We didn’t do it on purpose. We were too scared in there just now!” ”

“It’s okay.”Ye Zao smiled slightly.

The two of them looked up at Ye Zao.

They were stunned.

This was too beautiful.

It was too dark in the haunted house just now. They did not see ye Zao’s face clearly. They did not expect ye Zao to be so beautiful!

“Seeing that ye Zao was so bold, the two of them thought that ye Zao was a tomboy. ”

They did not expect the reversal to be so big!

“After coming out of the haunted house, Ye Zao and an Lizi went to play bumper cars again. ”

...

On Li Boyang’s side.

“There was a problem with Li Boyang’s results, and it could only be found today. ”

Li Boyang's hands trembled as he entered his admission card number and identity card number.

"He saw that all the students around him had obtained high scores, but his results had not been able to be found out."

Li Boyang was extremely anxious.

"He tossed and turned every day, unable to sleep all night."

"Fortunately, he could finally find out now."

The next second.

A result sheet appeared in front of Li Boyang.

688 points!

Chapter 265: 098: kneel before the Big Boss! 6

Ranked 89th in the city.

"688 points had already exceeded the key points. Although it was a little difficult to go to Beijing University, there was still no problem for him to go to Qinghua University."

"Seeing this score, Li Boyang was extremely excited."

He quickly ran downstairs.

“Mom! My results are out!”

“It was daytime, and the barbecue shop was not open yet. Qian Lingyu was cleaning up. When she heard this, she said excitedly, “Boyang, how many points did you get?” ”

“688!” Li Boyang answered.

“Really?” Qian Lingyu’s face was full of joy.

Li Boyang nodded. “It can’t be wrong.”

“Qian Lingyu put her hands together. “Buddha bless! It’s really Buddha bless!” Qian Lingyu’s nephew was also taking the college entrance exam this year. A few days ago, her sister-in-law called to show off that her nephew got a high score of 654 points. ”

She didn’t expect Li Boyang to score 688 points!

A full 34 points higher than her nephew.

Don’t look at the difference of only 34 points.

“In the college entrance exam, a difference of 34 points was equivalent to a difference in the Milky Way galaxy. ”

“Li Boyang could go to a famous school, with a focus of 985 points. ”

And her nephew could only go to a single college.

“Boyang! You’ve really done your mother proud this time!”

Li Boyang himself was very happy.

He had finally lived up to his mother's expectations.

And he had also lived up to his own expectations.

Qinghua University!

And Ye Zao.

"If ye Zao knew that he had scored 688 points, he would definitely be in disbelief."

Li Boyang only wanted to immediately bring his report card and stand in front of ye Zao to share this joy with him.

"Then, he would conveniently confess to ye Zao."

He was a Qinghua student.

Ye Zao was a junior high school student.

Ye Zao would definitely feel honored to have a boyfriend from Qinghua University.

It would be a great honor to bring him out to meet his friends.

It would also be a great honor to tell his relatives and friends at home.

Li Boyang immediately picked up his phone and asked ye Zao to meet him.

He wanted to confess to ye Zao immediately!

...

Zhao Pingting's stomach hurt a little today.

"Hence, she stood up to Ye Zao and the others."

"She had initially thought that she would be fine after taking some medicine, but who knew that the pain would still be unbearable after taking the medicine. Hence, she could only go to the hospital to have a look."

"After going to the hospital, the Doctor said that he wanted to do a CT scan."

"After a series of examinations, the doctor's expression did not look too good. "Young Lady, did you come alone?" "

Zhao pingting nodded.

"Where are your parents?"

"Zhao pingting said, "My parents are both at work." "

"The doctor frowned. "Other than your parents, is there no one else in your family?" "

"I have an elder brother and sister-in-law, but they are also at work." Zhao Pingting felt that her chest pain was much better now. She smiled and said, "Doctor, if you have anything to say, just tell me directly. I am already an adult." "

"The doctor looked at Zhao Pingting with a complicated expression. "Young Lady, are you this year's college entrance exam candidate?" "

""Yes."Zhao pingting nodded. "Doctor, what does my illness have to do with the college entrance exam?" "

"The doctor poured Zhao pingting a glass of water. "Young lady, sit down." "

"Zhao Pingting took the glass of water with both hands. She felt that things were not that simple. "Doctor, AM I... Am I suffering from some incurable disease?" "

"The doctor sighed. "Young Lady, have you been feeling a little nauseous recently, followed by a slight chest pain and cough?" "

""Yes."Zhao pingting nodded and continued, "Doctor, please tell me what illness I have! I can take it!" "

The doctor looked at Zhao Pingting.

"After a long while, he slowly said, "Lung cancer." "

Lung Cancer?

Zhao Pingting felt her mind go blank.

How did this happen?

How did she get cancer?

"Although the doctor was used to seeing life and death, he still couldn't bear to see Zhao Pingting like this. "Young Lady, medicine is so advanced now. As long as you cooperate with the treatment, you will definitely see Hope." "

“According to the medical records, Zhao Pingting was only 19 years old this year.”

She was still a child...

“Zhao Pingting tried very hard to calm herself down. “Then, what is my current situation? Early or late stage?” ”

“Middle or late stage.”

“Hearing this, Zhao Pingting’s originally bright eyes dimmed in an instant, like stars that had lost their luster. ”

“However, she still forced a smile. “Then there’s no meaning to the treatment.” ”

““Young lady, don’t be like this. No matter what, you have to give it a try. You’re still so young. Even if there’s only a 1% chance, you can’t give up.” ”

“Zhao Pingting smiled. “Doctor, my grandmother also died of lung cancer.” ”

It was precisely because her grandmother also died of lung cancer.

That was why she knew so much about cancer.

Chapter 266: 098: Kneel to the boss! 7

Advanced lung cancer.

It was no different from a death sentence.

“Even if she was hospitalized, it would only cause more pain and waste money.”

Zhao Pingting touched her hair.

Even if she died.

She wanted to die pretty.

She didn't want to become bald because of chemotherapy.

People die.

It was nothing.

Zhao Pingting comforted herself in her heart.

Zhao Pingting forgot how she got out of the hospital.

She only felt that her hands and feet were extremely heavy.

“It was a clear and bright sky, but in her eyes, it became gray.”

“In the end, Zhao Pingting could not hold it in.”

She just squatted on the street where people came and went.

She wailed loudly.

“People came and went, and they looked at her curiously.”

“An old granny handed her a piece of tissue. “What’s wrong, Young Lady? Did you encounter some difficulties?” ”

“Zhao Pingting took the tissue. “Thank you, I’m fine.” ”

“The old granny smiled and said, “Young Lady, life will always encounter such difficulties. Don’t be afraid. As long as you face them head-on, these difficulties will be resolved one day.” ”

Will It?

It Won’t.

Her difficulties will never be resolved.

“The old lady continued, “Think of your parents, think of your relatives. If they see you like this, they will definitely feel sorry for you...” ”

“Zhao Pingting wiped her tears. “Thank you, I know what to do.” ”

She had just asked the doctor.

She still had three months left in her life.

“She wanted to make good use of these three months to spend time with her family, and then go to visit the great rivers and mountains of the motherland. ”

She couldn’t come to the human world for nothing.

Zhao Pingting returned home and found out all the pocket money she had saved all these years and the New Year's money.

"There was a total of 30,000 yuan. "

"After getting the money, she immediately went to the mall. "

She bought a silk qipao for her mother that she had liked for a long time but had been reluctant to buy.

Her father liked to drink.

He kept talking about maotai.

Zhao Pingting bought a bottle of Maotai.

Then her brother.

Her brother had mentioned that he wanted a big-brand suit.

Zhao Pingting knew her brother's size and went to buy the suit again.

Then her sister-in-law.

Zhao Pingting's sister-in-law was a very beautiful girl. She often talked about some big-brand skincare products.

"There were four gifts in total, and they cost 28,000 RMB. "

"There was still 2,000 RMB left. "

“After shopping, she went home. ”

Zhao Pingting went to the market again.

She was going to cook in the evening.

“Zhao Pingting had been able to cook since she was young, but she rarely did anything since she entered high school. ”

In the evening.

“When Zhao Pingting’s parents, brothers, and sisters-in-law came home and saw a table full of food, they were very surprised. ”

“”Mom, did you get off work early tonight?”Sister-in-law Tang Jia looked at Mother Zhao. ”

Mother Zhao shook her head. “No! I just got home too!”

“After saying that, mother Zhao turned to look at Father Zhao. “You made this?” ”

“Father Zhao said in a speechless manner, “Didn’t I come home with You?” ”

“Could it be handsome?”Tang Jia frowned slightly. “But handsome also came home with me!”

“At this moment, Zhao Pingting came out of the kitchen with the fish soup in her hands. “Dad, Mom, sister-in-law, you’re back! There’s only one more dish left to start the meal. By the way, where’s My Brother?” ”

The family members were all stunned.

They all looked at Zhao Pingting in disbelief.

“Like all young people, Zhao Pingting was very lazy. She would never stand when she could sit and would never sit when she could lie down.”

“Ever since Tang Jia married into the family, she had never entered the kitchen.”

“Usually, if mother Zhao did not have time to cook, she would order takeout.”

““Little sister, did you cook this table of dishes?”Tang Jia asked.”

“Zhao pingting nodded. “Yes. Sister-in-law, you haven’t eaten my dishes, right? try them later to see if they taste good.” ”

Tang Jia felt a little confused.

“Father Zhao said with a gratified expression, “Our little slob has finally grown up!” ”

“Mother Zhao smiled and said, “Pingting! You just finished your college entrance exam. Remember to rest well. Mom will get off work early. Mom will just come back and cook for you.” ”

““Mom, you guys have worked hard at work. I’ve already grown up. From now on, I’ll Cook for you guys every day!” ”

Mother Zhao was so happy that she wiped her tears.

She was really touched that her daughter was so sensible.

Seeing her mother like this.

Zhao Pingting felt very guilty.

She regretted not being sensible earlier. Her life was about to come to an end. How many more days could she be filial to her parents?

“When Zhao Yingjun parked his car and went home, he was also shocked. ”

“After cooking the last dish, the family sat in the dining room and began to eat. ”

Zhao Pingting’s mother picked up a chicken leg and gave it to Zhao Pingting. “Pingting has worked hard today. This chicken leg should be given to Pingting.”

Chapter 267: 098: kneel before Big Brother! 8

““Thank you, Mom.”Zhao pingting continued, “Mom, I made you your favorite fish soup. Drink more. And Dad, this is your favorite clam. And Big Brother and sister-in-law, this is your favorite blood curd. Sister-in-law, try this taste!” ”

Tang Jia felt a little flattered.

“She did not expect that Zhao pingting, who usually looked so heartless, would actually remember the tastes of her family. ”

Zhao’s parents were also very happy.

She had grown up. This child had finally grown up.

She had a very happy meal.

After the meal.

Zhao Pingting took out the gifts that she had bought for her family today.

“Dad, Mom, these are for you. Big Brother and sister-in-law, these are for you. Open them and see if you like them.”

Zhao Yingjun and Tang Jia opened their presents.

“When they saw what was in the box, they were shocked. “Pingting (little sister) , why did you give us such an expensive thing?”

“Zhao pingting smiled and said, “Big Brother and sister-in-law, don’t you like it?”

“It’s not that I don’t like it, it’s that it’s too expensive! Pingting, where did you get the Money?” Zhao Yingjun asked.

“Zhao pingting said, “I bought it with the pocket money and New Year’s money that I’ve saved all these years.”

New Year’s money?

“Zhao Pingting was usually very stingy. Usually, as her brother, he couldn’t even borrow a single cent.”

“This time, would she be so generous?”

“Zhao Yingjun looked at Zhao Pingting suspiciously. “Pingting, do you have something that you want to ask your sister-in-law and me about? If there’s something, just say it.”

“Zhao Pingting shook her head. “No, brother, you’re thinking too much.” ”

Zhao Pingting’s parents opened their presents and were stunned. These things could not be bought without tens of thousands of yuan.

Why would Zhao Pingting buy such expensive things for them?

“Mother Zhao’s mind was sharp. She looked up at Zhao Pingting. “Pingting, tell me honestly. Did Something Happen to you?” ”

“Zhao pingting smiled and said, “Mom, what are you talking about! What could happen to me? I’m already nineteen years old. Can’t I just buy a gift for my family?” ”

Father Zhao did not think too much about it. He happily took down the Maotai and poured himself a glass. “This wine smells so good! My Daughter is the best to me!”

“Mother Zhao rolled her eyes at Father Zhao, then, she said, “Pingting, these things are not cheap. Even if you have money, you can’t spend it like this. Forget about your brother’s and sister-in-law’s things. I Can’t take this qipao. You can take it back tomorrow.”. “Oh right, I’ve signed you up for a driving school. Tomorrow, you’ll drive a school bus! “Try to get your driver’s license this summer vacation.” ”

“Hearing this, Zhao Yingjun and Tang Jia hurriedly said, “We can’t take our things either. You can return them together.” ”

“Zhao pingting smiled and said, “I’ve already given them to you guys. It’s impossible to return them again! Mom, Big Brother and sister-in-law, it’s been so many years, but I’ve never bought any gifts for you guys. Just accept them.” ”

“After saying that, Zhao pingting continued, “Mom, I don’t want to take the driver’s license anymore. You can go and get your tuition fees back tomorrow.” ”

She only had three months left in her life.

What was the point of learning how to drive?

“Zhao Pingting’s mother frowned slightly, “Pingting! What’s going on with You Tonight! ! If you don’t return the things that should be returned, why should you return the things that shouldn’t be returned? You must learn how to drive! As for these things! You must return them to the mall tomorrow! We are a family living our lives. Such extravagant things are not suitable for us! You should keep your money well. There are still a lot of places to spend your money on when you go to University!” ”

Zhao’s mother had her own thoughts.

Zhao Yingjun had been married for so long and still lived with them. He didn’t even have a house.

He had to be frugal where he should be.

He had spent tens of thousands of dollars in one go!

Her heart ached.

Zhao Pingting did not expect her mother to be so determined.

She knew that her mother was doing this for her own good.

But she was still angry.

She was still wronged.

“No matter what, this was her heartfelt wish. ”

She was going to leave soon.

She only wanted to do her best to buy some gifts for her family during the last period of her life.

Could it be that she couldn't even fulfill this little wish?

“I won't go to the driving school! And these things, if you don't like them, throw them into the trash can!” ”

Zhao Pingting's mother was angered by Zhao Pingting. She slammed the table and stood up. “Zhao Pingting! Say That Again!”

Zhao Pingting held back her tears and walked into the room.

“Little Sister!”Tang Jia pulled on Zhao Pingting's sleeve.

“Tang Jia, leave her alone! Let Her Go! This child has been spoiled by us! Now she doesn't know the immensity of Heaven and Earth!” ”

Tang Jia had no choice but to let go of Zhao Pingting's hand.

Zhao Pingting walked into the room and lay on the bed. She couldn't help but cry softly.

At the dining table.

Father Zhao looked at mother Zhao and frowned. “At least it's a token of goodwill from the child! Why do you have to be such a Killjoy? It's not a bad thing!”

“Drink! Drink! You only know how to drink!”Mother Zhao was furious. “Do you know how much your bottle of wine costs? Six Thousand Yuan! Six Thousand Yuan is enough for your monthly salary!”

Father Zhao was stunned.

“Mother Zhao sat down, her eyes red. “If she doesn’t return it, I’ll return it myself tomorrow!” ”

“Tang Jia said, “Mom, I’ll rest tomorrow. I’ll accompany you.” ”

Mother Zhao nodded.

Zhao Yingjun was a little worried. “I’ll go and see Pingting.”

Mother Zhao looked up at Zhao Yingjun. “No one is allowed to see her! This girl! She’s getting bolder and Bolder!”

Chapter 268: 099: he’s so handsome. Zhao Pingting’s parents know the truth

Zhao Pingting’s mother was very angry.

“Zhao Yingjun said, “Mom, Pingting is still young and doesn’t have enough social experience. She’ll be fine when she grows up. Don’t be angry. I’ll go over and take a look.” ”

“After saying that, Zhao Yingjun ignored Zhao Pingting’s mother’s objections and walked into Zhao Pingting’s room.”

“In the room, Zhao Pingting was also feeling very uncomfortable. ”

She was only 19 years old.

“She had yet to go to university, had yet to confess to the person she liked, and had yet to show her filial piety in front of her parents...”

There were still many things in her life that she had yet to do.

Why.

Why did fate treat her like this?

She thought of her ending three months later.

Zhao Pingting hugged the blanket and covered her head as she cried.

“At this moment, there was a knock on the door. “Pingting.” ”

“At this moment, Zhao Yingjun’s voice sounded. ”

Zhao Pingting stood up and stopped crying. She took out a tissue to wipe her eyes and went to open the door. “Big Brother.”

““Pingting, are you crying?” ”

“I’m fine.” Zhao Pingting sniffed and closed the door.

“Zhao Yingjun sat on the chair in front of the desk and looked up at Zhao Pingting. “Pingting, I don’t blame you today. What’s wrong with you? This is our family’s condition. How can you buy such expensive things?” ”

Zhao pingting lowered her eyes and didn’t say anything.

“Zhao Yingjun continued, “Mom is very angry. Go apologize to her and then return the things with her tomorrow.” ”

““I said I won’t return them!”Zhao Pingting suddenly couldn’t control her emotions and looked up at Zhao Yingjun. “If you don’t like it, you can throw the things in the trash can!” ”

““Zhao Pingting!”Zhao yingjun frowned and said, “Do you know that 28,000 yuan is two months’salary for your brother? But you squandered it on a trip to the mall.” ”

“Zhao Pingting looked at Zhao Yingjun and tried her best to keep her voice low, “Money, money, money! You only know money! is money omnipotent? can more money buy time and life? You haven’t figured out what is the most precious!” ”

“By the end of her sentence, Zhao Pingting was already in tears. ”

So what if she had money?

Could her cancer be cured with money?

“Zhao Yingjun frowned, “Zhao Pingting! Have you read too many books and damaged your brain? ! Money isn’t important! Without money, can you live in such a good house? Can you have the chance to go to the mall and squander today? Don’t keep your brain filled with those unrealistic mind poison chicken soup! I think you must be out of your mind!” ”

“Zhao Yingjun’s monthly salary was 14,000 yuan. ”

“His monthly expenses were 5,000 yuan. ”

“Adding in the usual dinner gatherings and treating colleagues to a few cups of milk tea, under normal circumstances, he could only save 7,000 yuan a month. ”

“It was only 84,000 yuan a year. ”

“Adding in his wife Tang Jia’s salary, their annual income added up to about 200,000 yuan. ”

“The price of a house in Yunjing was 30,000 yuan per square meter. ”

Buying a three-bedroom house would cost at least 3.6 million yuan.

“He and his wife had been living frugally until now, but they had only saved 1.2 million yuan. ”

They were going to take out a loan to buy a house next month.

“The loan was 2.4 million yuan, which meant that they would be mortgage slaves for the rest of their lives. ”

“Therefore, he was very frugal. ”

He was wearing work clothes.

“Occasionally, he would buy a piece of clothing, but it would not cost more than 200 yuan. ”

“This time, Zhao Pingting bought him a suit, which cost more than 7,000 yuan. ”

“7,000 yuan, how many clothes did he have to buy? ”

Zhao Pingting’s mood was already unstable.

“Hearing Zhao Yingjun say that her brain was damaged from reading, she felt even more wronged. ”

If she had known earlier that she would get lung cancer.

Her life would have ended at the age of 19.

Why was she still reading?

“Yes! You’re right! I’m Crazy! I only bought you gifts because my brain was damaged from Reading!” Zhao pingting cried, “Don’t worry! I will never give you gifts again!” ”

Never again.

Because there was no chance.

Zhao Pingting really wanted to tell her brother about this.

But she couldn’t.

“If her parents knew about this, they would definitely not be able to bear it. ”

“In the first 19 years, she had not done a single day of filial piety. ”

“In the last three months of her life, she could not let her parents suffer such pain. ”

“Hearing this, Zhao Yingjun’s tone softened a little, he continued, “Pingting, you are still young. It is normal that you do not understand many things. When you are older than me, you will know how hard it is to get money. “We’ve received the things you bought for us, but we can’t accept these things! “Ping Ting, listen to me. Go and apologize to Mom. Don’t make her angry.” ”

Chapter 269: 099: “He’s so handsome.” Zhao Pingting’s parents knew the truth

“I’m not in the wrong. I’m not going.” Zhao Pingting turned her head.

She really could not stand in front of her mother and apologize.

Zhao Pingting would not listen to reason.

Zhao Yingjun had no choice. He shook his head helplessly and left Zhao Pingting’s room.

“Zhao Pingting’s mother was sitting on the sofa in the living room. When she saw Zhao Yingjun walk out of the room, she could not help but ask, “What did that wretched girl say?” ”

“” Mom, Pingting is still young. Don’t be angry with her.” Zhao Yingjun continued, “No matter what, she’s doing this for our own good. Look, her entire family bought gifts, but she didn’t buy them for herself.” ”

“Zhao Yingjun’s mother’s expression was a little ugly, “Then she should do what she can! She shouldn’t have looked at her own status! Could a single student like her buy those things? “You dare to spend so much money just because you’re living with us now. If we were to go to university in the capital in the future, wouldn’t we have emptied out all our assets?” ”

“Zhao Yingjun sighed and didn’t say anything more. He only said, “Tang Jia can return those things tomorrow. Don’t be angry. Go to bed early! I’m going back to sleep too.” ”

“Back in the room, Tang Jia was making the bed.”

“You’re back!”

“Yeah.” Zhao Yingjun nodded.

“Tang Jia said while making the bed, “Do you think your sister is possessed today? “I’ve never seen her treat US so well. She’s actually so generous today. She even took out the new year’s money! “I’ve just looked up those things on the Internet. Once they leave the cabinet, it’s not a matter of quality. I don’t support returning or exchanging them. I think there’s an 80% chance that they can’t be returned!” ”

Tang Jia had been married for two years.

This was the first time she saw Zhao Pingting buying things for her family.

She felt that something was wrong with this matter.

But she couldn’t figure out what was wrong.

Could it be that smoke was rising from the grave of Old Zhao’s family?

“They can’t be returned?”Zhao Yingjun looked at Tang Jia in surprise.

““Yeah,”Tang Jia continued, “If you don’t believe me, you can check it yourself.” ”

“Zhao yingjun frowned and said, “No, this thing must be returned! Otherwise, my mother will definitely suffer for a few days! How about this, Tang Jia, you go to the mall tomorrow to exchange it alone. Don’t Let Your Mother Follow You! If the other party doesn’t return it, we’ll pay for it ourselves!” ”

Pay for it ourselves?

“When she heard this, Tang Jia was immediately unhappy. ”

““Zhao Yingjun, are you crazy? !”Tang Jia couldn’t help but raise her voice, “28,000 yuan! Why should we pay for it! Anyway, I won’t pay for it!” ”

“In order to buy a house, Tang Jia usually didn’t even want to do her hair. ”

“To ask her to pay 28,000 yuan at once, she might as well just kill her with a knife. ”

“Tang Jia! That’s my sister!”

“Tang Jia said speechlessly, “What’s wrong with your sister! Your sister made a mistake. Why should we pay for her?” ”

“Zhao Yingjun was also a little angry. He felt that Tang Jia did not understand him. No matter what, Zhao Pingting was still his sister. “What do you mean by paying for her? Although we paid for this 28,000 yuan, isn’t the item still here?” ”

““Stop talking! There’s no discussion about this!” Not to mention 28,000 yuan, even if it was 2,800 yuan, Tang Jia would not be willing to pay. ”

“Zhao Yingjun could only comfort Tang Jia, “Isn’t it just 28,000 yuan? We don’t lack that 28,000 yuan! “Besides, didn’t you always say that you wanted to buy a dress for your mother? “Your mother’s figure is about the same as my mother’s. That qipao will definitely be very suitable for your mother to wear. She must be at least 10 years younger!” ”

“Tang Jia snorted coldly. “Forget it! My mother is just an ordinary commoner. She Won’t be able to wear such an expensive silk qipao! It’s more than 7,000 yuan! My mother will be heartbroken when she finds out!” ”

““Just treat it as a gift for your mother!” Zhao Yingjun continued, “We’ve been married for seven to eight years. You haven’t bought her any expensive gifts yet!” ”

““With this 7,000 yuan, I might as well buy my mother Gold!”! “Gold can at least increase its value. What can a piece of tattered clothes do? “Your sister is already 19 years old this year, not nine years old. When she bought those things again, she didn’t think about the consequences! “I can’t do something like cleaning up someone’s mess! “If you don’t want to argue with me, then don’t say anymore! “I won’t agree to it!” ”

“In order to avoid arguing with Tang Jia, Zhao Yingjun could only shut up. ”

Zhao Pingting did not sleep the whole night and woke up very early the next morning.

The first thing she did when she woke up was to apologize to Mother Zhao.

“Mom, I’m sorry! I shouldn’t have lost my temper with you last night. It was my fault! I shouldn’t have wasted money on those useless things, but I’ve already bought them and can’t return them. If you want to scold me, just scold me.” ”

Chapter 270: 099: “He’s so handsome.” Zhao Pingting’s parents knew the truth

“Seeing her daughter like this, Zhao Pingting’s mother sighed, she said earnestly, “Pingting, you’re not young anymore. You should know that it’s not easy for your father and I to earn money. Since you know that you’re wrong, Let’s just forget about this matter. After dinner, your sister-in-law and I will think of a way to return the things. You can go to the driving school and learn how to drive.” ”

Learn how to drive.

“If this was in the past, Zhao Pingting would definitely be very happy. ”

“This was because before the college entrance examination, she had made an appointment with ye Zhuo to learn how to drive together. ”

“But now, she wouldn’t. ”

“At this moment, there was only bitterness in Zhao Pingting’s eyes. “Mom, I wasn’t joking with you yesterday. I don’t want to learn how to drive. You can go to the driving school and return the tuition fees.” ”

“Why?” Mother Zhao was very confused. “Didn’t we agree to learn how to drive after your college entrance exam?”

Zhao Pingting shook her head. “I’m just suddenly not interested in learning how to drive.”

“Mother Zhao’s anger, which had finally calmed down, was now raging again, “Pingting, what’s the matter with you? You’re the one who wants to learn how to drive! You’re the one who doesn’t want to learn how to drive! I just went to pay the tuition fee yesterday. You want me to go and get the tuition fee back today? Is this a joke?” ”

Zhao Pingting’s mother was exhausted from work every day. It wasn’t easy for her to get off work and get some rest. She even had to find time to go to the driving school to pay for Zhao Pingting’s tuition.

But Zhao Pingting was fine. She said she didn’t want to learn.

“Zhao pingting bit her lip. “Mom, I really don’t want to learn anymore. I hope you can understand me.”As she said this, Zhao Pingting paused, then she continued, “I don’t want to quarrel with you, so don’t be angry. I know that I’ve made you and my dad worry a lot over the years. In the future, I’ll be obedient and never make you angry again. Don’t force me to learn how to drive, okay?” ”

“Hearing this, Zhao Pingting’s mother’s heart softened a little. She held Zhao Pingting’s hand, “Pingting, tell me, What’s wrong with you? Did Someone Bully You? Or did you encounter something unhappy? As long as you say it, I will think of a way to help you solve it.” ”

Although Zhao Pingting had many common problems that many children had.

“Compared to most children, she was still a good child that made her parents less worried. ”

“Although her academic results were not very good, with her hard work, she still managed to obtain very good results in the college entrance examination. ”

“During this period of time, mother Zhao felt that she had gained a lot of glory in the workplace. ”

What about Beijing Normal University!

“In their workplace, there were really not many children who could do better than Zhao Pingting.”

Mother Zhao just could not understand.

How did this child suddenly become like this!

“Zhao Pingting shook her head. “No, Mom, I’m fine. Don’t let your imagination run wild.” ”

“Then why don’t you learn how to drive?”

“”No reason. I just don’t want to learn anymore.”Zhao pingting continued, “Mom, don’t return those things to my sister-in-law. When I bought them yesterday, she already told me that she doesn’t support returning and exchanging goods. It’s a waste of time for you to go over there.” ”

“When she heard that the items couldn’t be returned, Zhao Pingting’s mother was instantly enraged. She couldn’t contain her anger. “You’re buying things that can’t be returned and exchanged! That’s 28,000 yuan! Did you read too much into your brain?” ”

The corners of Zhao Pingting’s mouth curled up into a bitter smile. “Just think of it as me reading too much into my brain.”

“Hearing this, Zhao Pingting’s mother was furious. “Then go and work for me during the summer vacation! When you earn back this 28,000 yuan, I’ll forgive you.” ”

1

She had to let Zhao Pingting know that money was not so easy to earn!

“Otherwise, Zhao Pingting would never learn.” ”

“Zhao Pingting looked up at Mother Zhao. “If working during the summer vacation can make you not angry, I will go.” ”

“Mother Zhao continued, “The restaurant downstairs is still short of a waiter. I have a good relationship with the lady boss there. I will tell her in a while. You Go to work.” ”

“Okay.”Zhao pingting nodded.

“During dinner, Zhao Pingting told her family about this matter. ”

Tang Jia was very happy to hear this.

“This way, Zhao Yingjun would not be angry with her over the 28,000 yuan. ”

“Not only would he not be angry, she would also get a set of high-end skincare products for free! ”

This business was not a loss.

““Little Sister! It’s normal for girls to work out during the summer vacation. When they hoe the crops, sweat will drip down the soil. Only when you personally experience it will you know how hard it is for us adults to earn money! “Otherwise, you might think that money fell from the sky!” ”

““Yes.”Zhao pingting nodded. “Sister-in-law, you’re right.” ”

After breakfast.
