

## Almighty D 2611

Chapter 2611: 557: she was very excited

“Therefore, she still had to wait. ”

She had to wait until Saturday to see boss Wang’s attitude.

“When Li Hang returned home, he saw Li da long cutting fruits. ”

“Li Da Long seemed to be in a good mood. “Hang Hang, you’re back.” ”

“Dad.”

“”Hang Hang, do you have a boyfriend?”Li Da Long continued to ask. ”

“”No.”Li hang shook his head. “Dad, why would you suddenly ask that?” ”

Li Da Long took out his phone. “Look at your moments.”

“Li hang said, “Oh, I’m going with my friend.” ”

“After saying that, Li hang continued, “She’s a woman. Dad, don’t make wild guesses. Oh right, didn’t you say that you were going to see Auntie Yi today? How was it?” ”

“The time was not ripe yet, so they could not let Li da long know about boss Wang’s existence. ”

What if Li Da Long knew and thought that he was sabotaging it?

Then wouldn't it be a futile effort?

"Li Da long smiled and said, "The impression is still okay, but I don't know how his temper is. So I plan to get in touch with him more." "

"Actually, Li Da Long's requirements were not high. As long as he could live at home, it would be enough. "

Li hang nodded. "Congratulations."

""This child."Li da long continued, "What about your mother? How has she been recently?" "

Li hang shook his head and denied that he had met Zhou Cui Hua recently. "I'm not too sure either."

"Hearing such an answer, Li Da Long was somewhat gratified. "

"After all, his daughter was on his side. "

"Li da long continued, "Hang Hang, the matter between your mother and I is between her and me. After all, she is your mother. She is the one who gave birth to you and raised you. No matter what happens between adults, your mother will always be your mother. You Can't just ignore your mother because of a moment of anger." "

Li hang frowned slightly. "But she betrayed you!"

These words were too touching.

Li Da Long's eyes turned hot. "Good child."

“At this point., li da long continued, “Father still said the same thing. Mother will always be mother. Although your mother has betrayed her marriage, she still has nothing to say to you. Hang Hang Hang, the most important thing in life is filial piety. Can’t you not even recognize your mother?” ”

“Although Li Da Long did not have much culture, he was reasonable. ”

The matter between him and Zhou Cui Hua should not involve the child.

“Okay.”Li hang nodded.

“Li da long continued, “Hang, eat some of this fruit. I picked it from the shed in the afternoon. It’s sweet.” ”

Li Hang picked up a piece and tasted it. “It’s really sweet.”

“Seeing that his daughter liked it, Li Da Long was even happier. ”

“Soon, it was Saturday. ”

Li hang made some preparations and arrived at Zhou Cuihua’s rented place.

“Today, Zhou Cuihua was dressed like a rich lady. ”

She was very elegant.

“In addition, she was already quite good-looking. When she dressed up like this, she looked like a real lady. ”

“”Mom, should we go alone, or will uncle Wang come to pick us up?” ”

Going alone and having someone pick us up were two completely different concepts.

“Zhou cuihua said, “He didn’t say. Did you drive here?” ”

“Yes.” Li hang nodded.

“Zhou cuihua said, “Then let’s go alone.” ”

“Hearing that, Li Hang knitted his brows without leaving a trace ”

“He didn’t say he was coming to pick you up?”

“Zhou cuihua shook her head and said with a smile, “It’s convenient now with the navigation! There’s no need for anyone to pick you up.” ”

“”Although that’s what they say, that’s not the reason!” Li hang continued, “It’s your first time going to the Wang family. If he values you enough, he should take the initiative to come and pick you up, and not let you go by yourself!” ”

“Zhou cuihua said nonchalantly, “Today is your grandma Wang’s birthday. Your Uncle Wang is busy, so there are some things that can’t be considered.” ”

The most important thing between husband and wife was to tolerate each other.

Zhou Cuihua didn’t care about such things.

She just needed to make sure that boss Wang liked her.

“After saying that, Zhou cuihua continued, “Hang Hang, have you thought about what I asked you to think about? When will you move your household registration out from your father’s Place?” ”

“Li hang said, “Mom, don’t be anxious. Let me think about it again.” ”

“”What else is there to think about?”Zhou cuihua continued, “I’ve never met anyone who doesn’t want to be a rich young lady! Hang Hang, let me tell you. If you don’t come, Don’t blame me and your uncle Wang for having another younger brother and sister.” ”

“Li hang smiled and said, “Mom, it’s just a matter of time, and you’re already thinking about such a distant problem?” ”

Zhou cuihua had already started to think about the future before she even had a chance to make a name for herself!

She was thinking too simply.

Chapter 2612: 557: I’m so excited

“Indeed, no culture means no culture.”

“Zhou cuihua said, “What’s the matter? Do you look down on your mother? Or do you think that your mother can’t compare to Xia Xiaoman?””

“”Mom, that’s not what I meant. I also don’t think that you can’t compare to Xia Xiaoman. I just think that you sometimes think things are too simple,”li hang continued, “Think about it. How many days have you known boss Wang? What makes you think that he will definitely marry you?””

“At this point, Li Hang paused, then he said, “You have to know that there are many young and beautiful girls in this world who are younger than you and have higher education than you. They have many

advantages over you. “Even if boss Wang really likes you today, it doesn’t mean that boss Wang Won’t like others tomorrow. “Mom, you have to be aware of the crisis.””

Li Hang thought a lot.

This was also the reason why she was reluctant to move her household registration.

“Because she knew that once she moved her household registration, it would hurt Li Dalong’s heart. If she wanted to move back in the future, it would be difficult.”

“”I don’t know what crisis awareness is. I only know that your uncle Wang only likes me now,”Zhou cuihua continued, “It’s easy for you young people to think too much. According to what you said, Lin Qingxuan should have liked other people back then, but why did she like Xia Xiaoman? “What right does Xia Xiaoman have to compete with those young college students?””

“Zhou cuihua only knew that she was better than Xia Xiaoman. If Xia Xiaoman could marry a rich businessman, then she could!”

“No matter what, she was ten times better than Xia Xiaoman, a hundred times better!”

“Li Hang was speechless by Zhou Cuihua’s words. He could only say, “Mom, I’ve already told you what I should say. You should be more careful.””

“Actually, Zhou Cuihua had her own reasons.”

“Xia Xiaoman, who was married for the second time, could marry a rich man. Logically speaking, Zhou cuihua could too.”

But Li Hang couldn’t believe it.

Especially since boss Wang didn’t come to pick up Zhou cuihua tonight.

It was obvious that he didn't put Zhou Cuihua in his eyes.

But Zhou Cuihua was still unaware of it.

"Zhou cuihua continued, "Hang Hang, It's okay if you don't believe me now. One day, you'll know that Mom's feeling isn't wrong. Boss Wang is a person worthy of being entrusted with his life. He's many times better than your dad!"

"Mom, I also hope that you can successfully marry boss Wang." Li Hang took out the car keys from his bag and continued, "Where is that boss Wang's Home? Let me navigate."

"Zhou cuihua said, "Wang Ting Courtyard."

Wang Ting Courtyard.

Li Hang knew about this neighborhood.

It was a famous wealthy district in the capital.

Many famous celebrities lived there.

"Zhou cuihua continued, "Do you know how much the Wang Ting courtyard costs per square meter?"

"I do." Li hang nodded.

"Not to mention the unit price of the property, just the property fee alone was as high as 3,000 yuan per square meter."

"What did 3,000 yuan mean?"

“The house prices in some small counties were not even 3,000 yuan per square meter.”

“Therefore, there was a saying online that even if someone gave you a house in the Lookout Pavilion, you would not be able to afford the high management and property fees.”

“Zhou cuihua smiled and said, “In the future, ask your uncle Wang to buy you a house in the gazebo courtyard as well.””

“”Mom, you’re Dreaming!””

“Zhou cuihua said, “How do you know that I’m Dreaming? This kind of thing can not be guaranteed.””

At least she was now in boss Wang’s eyes.

“Boss Wang had been single for so many years, but there had never been a woman who could truly enter his heart.”

She was the first.

And also the last.

“Li hang continued, “Just because he doesn’t want to pick you up.””

Zhou Cuihua didn’t say anything.

“Li hang continued, “Today is his mother’s birthday. We can understand that he’s very busy, but there are so many chauffeurs in his family. If he really has you in his heart, he can arrange for a chauffeur to pick you up! But what about him? He doesn’t! So, Mom, don’t give him any excuses.””

“Zhou cuihua continued, “He is a man, how can he think so much as you? We should think from his point of view. Don’t you young people often say something? About that...”speaking up to this point., zhou

cuihua thought for a moment and then said, "Think from another's point of view! Yes, that's the word! You usually use it so naturally. How come when it comes to me, you have completely forgotten?"

"You haven't figured out the crux of the problem at all." Li Hang opened the car door and said somewhat helplessly, "This isn't a problem of thinking from another's perspective."

"Just as Zhou Cuihua was about to say something else, a figure walked over from the side."

Chapter 2613: 557: she was very excited

"May I ask if you are Ms. Zhou?"

Zhou cuihua turned around. "I am."

"The person who came immediately introduced himself respectfully. "Hello, Ms. Zhou. I am CEO Wang's assistant, Wu ran. CEO Wang asked me to come and pick you up." "

"When she heard that, Zhou Cuihua's eyes lit up. "

Li hang was a little surprised.

She had thought that boss Wang did not value Zhou cuihua. She did not expect boss Wang to really send someone to pick her up.

It seemed that Zhou cuihua still held some position in boss Wang's heart.

"Wu ran continued, "Originally, our boss Wang was prepared to come and pick you up personally, but he was really too busy today. Boss Wang could not leave at all, so he asked me to come over. "Boss Wang also asked me to explain to you that you don't mind." "

“Zhou cuihua immediately smiled and said, “I don’t mind, I don’t mind. Even if Mr. Wang doesn’t come to pick you up, it’s okay.” ”

“Please.”The assistant immediately made a ‘please’gesture.

Zhou cuihua nodded and stepped forward.

Li hang followed closely behind.

It was a luxurious Ferrari.

“Li hang recognized it. This car was limited to 10,000 units worldwide. ”

Rich people were rich people. It was a limited edition luxury car at every turn.

The mother and daughter sat in the luxury car.

The assistant drove in front.

“An hour later, the car stopped in front of a small house in front of the lookout pavilion courtyard. ”

A fountain was being built in front of the house.

“Boss Wang was standing at the door. When he saw the Ferrari stop, he immediately went up to greet her. “Ms. Zhou.” ”

“Zhou cuihua smiled as she got out of the car. “Mr. Wang, you’re too kind. You even sent someone to pick us up. Actually, we can just drive ourselves over.” ”

""Actually, I should have picked them up myself, but I really can't leave today,"boss Wang said. "

"Li hang stood behind and greeted politely, "Uncle Wang." "

"Boss Wang nodded. "Hang Hang, come in quickly. There are many people of the same age here today. I'll introduce you to them later." "

""Thank you, Uncle Wang,"Li Hang said. "

"Boss Wang said, "This child, why are you still saying thank you to Uncle Wang? Come, come, let's go in first." "

The mother and daughter followed boss Wang inside.

"Soon, they arrived at the banquet hall. "

"There weren't many people, and there weren't as many toasts as they had imagined. "

"Boss Wang said, "There aren't many outsiders today. They're all relatives. Cuihua..."boss Wang looked at Zhou Cuihua. "You don't mind me calling you that, do you?" "

"Zhou Cuihua was stunned at first, but then she quickly shook her head. "I don't mind, I don't mind." "

""It's good that you don't mind,"boss Wang said. "My name is zhengxuan. You can just call me by your name." "

""Zhengxuan, Zhengxuan,"Zhou Cuihua said a little embarrassedly. "

"Boss Wang smiled and said, "I'll bring the two of you to meet my mother first." "

“Okay.” Zhou Cuihua nodded. “I even specially prepared a gift for her.”

“You’re thoughtful.”

“Zhou Cuihua smiled and said, “Showing filial respect to the elderly is what we juniors should do.” ”

“”Cuihua, you’re right.” Boss Wang nodded. ”

Li Hang quietly sized up boss Wang and Zhou Cuihua.

It seemed that Zhou Cuihua’s confidence was not without reason.

Boss Wang had taken a liking to Zhou Cuihua.

“Otherwise, boss Wang would not have taken Zhou Cuihua so seriously. ”

“Thinking of this, Li Hang narrowed his eyes. ”

“Old Lady Wang’s bedroom was upstairs, and they arrived soon. ”

“The old lady was already 75 years old this year. Her hair was full of silver hair, and she didn’t look very energetic. ”

“Mom.” Boss Wang walked to Old Lady Wang’s side.

“Old Lady Wang looked up at him and said with a smile, “Zhengxuan is back.” ”

“Boss Wang continued, “Let me introduce you. This is Cuihua. This is Cuihua’s daughter, Hang Hang. The two of them have specially come to congratulate you on your birthday.” ”

“OH.” Old Madam Wang nodded.

“Zhou cuihua immediately smiled and went forward. “Old Madam, I’m Zhou Cuihua. I wish you a long life and a longer life than Nanshan.” ”

Li hang followed. “I wish grandmother a happy birthday.”

Old Lady Wang looked at the two of them and nodded.

Zhou cuihua took out a gift that she had prepared long ago. It was a small Golden Buddha that she had spent a lot of money to buy.

She thought that even the elderly believed in this.

“Although the small Golden Buddha was gold-plated, it had cost Zhou cuihua almost half of her private money.”

“”Old Lady, this is my birthday gift to you. Please don’t mind it.” ”

Old Lady Wang didn’t seem to hear it clearly and let out an “AH”.

Boss Wang raised his voice and repeated it in Old Lady Wang’s ear.

“After saying that, he looked at Zhou Cuihua and said with a smile, “My mother’s ears are like this. Don’t mind it.” ”

“Zhou cuihua hurriedly expressed that she didn’t mind and said, “Everyone will have such a day.” ”

Chapter 2614: 557: I’m so excited

“Boss Wang smiled and said, “It’s my good fortune to be able to meet you. It’s also my mother’s good fortune.” ”

“Zhou cuihua said a little embarrassedly, “How can I be as good as you say?” ”

“At this moment, old madam Wang suddenly opened her mouth and said with a smile, “I know, Zhengxuan. This is your girlfriend, right?” ”

Her words stunned boss Wang and Zhou Cuihua.

“Boss Wang held Zhou Cuihua’s hand and said, “Good child. You’re really a good child. I’ve been looking forward to this for so many years. Finally, you’re here!” ”

“”Mom, don’t be like this. You’re scaring Cuihua.” ”

“Zhou cuihua immediately said, “It’s okay, it’s okay. Old people are always like this.” ”

“Boss Wang said a little embarrassedly, “My mom is just too excited. After all, I’ve been single for so many years.” ”

Boss Wang’s words made Zhou cuihua even more excited.

Although he didn’t personally admit anything.

But Zhou Cuihua could hear from his words that he had indirectly admitted their current relationship.

“In order to show that she was really filial and really liked the elderly, Zhou cuihua accompanied old madam Wang upstairs to chat for a long time.”

Boss Wang brought Li hang downstairs to meet a few young people.

“After the banquet ended, boss Wang personally sent them back.”

“When they got off the car, boss Wang seemed to have thought of something. “Hang Hang, wait a moment.” ”

“”What’s wrong, Uncle Wang?”Li Hang asked.”

“Boss Wang said, “I almost forgot one thing. Here are ten music tickets. Take them.” ”

“”Thank you, Uncle Wang.”Li Hang took the tickets with both hands. “How much is the total? I’ll transfer it to you.” ”

“Boss Wang smiled and said, “We’re all on the same side. There’s no need to be so formal.” ”

“Zhou cuihua said from the side, “Although that’s what you said, Blood Brothers still have to settle scores! Zhengxuan, just tell hang!” ”

“”No need, no need. It’s just a small amount of money. Just treat it as my friends inviting Hang!”Boss Wang continued, “We’re a family! If you mention money again, I’ll be angry!” ”

“Zhou cuihua looked at Li Hang. “Hang Hang, why don’t you quickly thank your uncle Wang?” ”

“”Thank you, Uncle Wang.”Li hang immediately thanked her.”

“You’re welcome.”

“Li hang continued, “Mom, aren’t you going to treat uncle Wang to a cup of tea?” ”

“”Yes, yes, yes. You See, I forgot about it.”Zhou cuihua continued, “I’m sharing a house with someone else. Zhengxuan, it’s fine as long as you don’t mind the mess at home.” ”

“”I don’t mind, I don’t mind! Why would I mind!” ”

“Li Hang said at the right time, “Then I’ll go back first.” ”

Zhou cuihua nodded. “You go back.”

“Boss Wang instructed, “Be careful on the road. Drive safely.” ”

“”Okay, uncle Wang.” ”

Zhou Cuihua brought boss Wang upstairs for tea.

“Although the living conditions in the neighborhood that Zhou Cuihua rented were not bad, it was still incomparable to a small house. ”

“However, boss Wang did not show any disdain on his face. ”

“Zhou cuihua rented a large bedroom, which was 30 square meters. ”

“”Zhengxuan, you take a seat first.”Zhou cuihua smiled and said, “I’ll pour you some tea. is black tea okay?” ”

“Yes.”Boss Wang nodded.

He quietly observed the environment of the rented house.

“Zhou cuihua must have cleaned the house before she went out, so the house was relatively clean and tidy.”

“Soon, Zhou cuihua came over with tea.”

“”Zhengxuan, have some tea. This is wild black tea that my hometown brought from home. You Can’t buy it outside.” ”

“Thank you.”Boss Wang took the Teacup with both hands.

“Zhou cuihua smiled and said, “I’ll lend you a word. A family doesn’t need to speak two languages.” ”

“”Yes, yes, yes.”Boss Wang continued, “Cuihua, I’ve met many people over the years, but you’re the most special one I’ve met.” ”

“Really?”Zhou cuihua asked.

Boss Wang nodded.

“Zhou cuihua said, “Actually, you’re the same. You’re the best man I’ve ever met.” ”

“Boss Wang was more handsome than Li Dalong, richer than Li Dalong, and more considerate than Li Dalong.”

Zhou cuihua had already started the process. Why didn’t she get a divorce earlier so that she could meet boss Wang earlier!

“Boss Wang continued, “Do you know that there’s a saying that goes, ‘it’s too late to meet each other’?” ”

Zhou cuihua nodded. "Of course I know."

""The feeling I have for you is that it's too late to meet each other,"boss Wang said. "I regret not meeting you earlier." "

"Zhou cuihua said very excitedly, "Me too. I have the same feeling for you too." "

It turned out that a true lover could really connect with his heart.

Chapter 2615: 557: she was very excited

On the other side.

Li Hang returned home.

"Seeing that she was in a good mood, Li da long asked curiously, "Where did hang hang go today? Why Are You So Happy?" "

"Li hang said, "He went out to eat with a friend." "

"Li da long said, "You young people should indeed go out more often." "

"After saying that, Li da long continued, "Hang Hang, didn't I tell you about your aunt before? I plan to invite her over to our house for a visit in the next few days. Do You Mind?" "

"Li Da long respected Li Hang's opinion. After all, the child was already so old. As long as Li Hang did not agree, he would not bring anyone into the house. "

“Li hang hesitated for a moment. “Dad, did you guys develop so quickly?” ”

“”It’s a little faster than I imagined.”Li Da long paused for a moment before continuing, “After all, we are already people at this age. As long as we have a good impression of each other and both of us are rushing to live our lives, it will be fine.” ”

Li hang nodded in understanding. “When will you bring auntie over?”

“If it was any other time, Li Hang would definitely not agree to his father’s second marriage so quickly. However, things were different now. Zhou cuihua had found a wealthy businessman and she was too lazy to bother with Li Da Long’s matters. ”

“Li da long said, “Hang, if you agree, I want to bring her over the day after tomorrow.” ”

Li Hang did not say anything and took a bite of the apple.

“Li Da long could not understand Li Hang’s thoughts either. He continued, “Hang Hang Hang, don’t worry. Your Aunt Fan is definitely not that kind of messy woman.”Although he did not know much about fan yue, he could tell that.., fan Yue was a good woman who lived at home. ”

“”En,”li hang continued, “Is aunt fan the same age as you? What’s the situation at home?” ”

“Li da long said, “She’s two years younger than me. She has a son who is currently studying abroad. Her son’s abilities are pretty good, so he doesn’t need your auntie fan to take care of him at the moment.” ”

Li hang nodded. “Then why did she and her ex-husband get divorced?”

“Although he didn’t want to interfere in Li Da Long’s matters anymore, he still had to do some superficial work. ”

“Li da long said, “Her ex-husband was abusive. The heaviest time was when he beat your Auntie fan up and put her in the hospital for a month. It was only after the police intervened that this matter was settled. “It was also because of this matter that your aunt fan decided to get a divorce.” ”

“Li hang sighed. “That aunt fan is really pitiful. Dad, remember to treat her well in the future.” ”

“”Hang Hang, I’m so happy that you can think like that!”Li Da Long was a little gratified and a little excited. ”

“”Dad, I’m your daughter, so I hope that you’ll be happy.”Li hang looked at Li da long. “Similarly, I also hope that you won’t mistreat yourself for the rest of your life.” ”

“Li Hang’s words were sincere, making Li da long feel gratified. ”

He had grown up.

His daughter had really grown up!

“If it was in the past, he would not dare to think that way. ”

“Li Hang was the only daughter in the family, so his character was a little overbearing since he was young. A few years ago, Li Da Long also wanted to have a second child, but at that time, Li Hang angrily said that if his mother dared to have a second child., she would throw her brother and sister downstairs and fall to their deaths! ”

“Since then, Li Dalong never mentioned the matter of having a second child again. ”

“Therefore, Li Dalong had always been worried that Li hang would stop him from remarrying. ”

“”Hang Hang, thank you,”Li Dalong said. ”

""Dad, what are you talking about!"Li hang smiled and said, "As a son and daughter, isn't it normal to want your father to live a happy life?" "

Li Dalong was so happy that he wiped his tears.

The next day.

Zhou Cuihua was still sleeping when she was awakened by a knock on the door.

"When she opened the door, she realized that it was really her brother, Zhou Xiatian. "

""Brother, what are you doing so early in the morning?"Zhou Cuihua yawned and asked. "

"Zhou Xiatian looked at Zhou cuihua and frowned, "What time is it now? How can you sleep?" "

"Zhou cuihua asked curiously, "What's wrong? What Happened?" "

"Zhou Xiatian continued, "Li Dalong is going to marry someone else! If you don't go back now, your home, your house, will become someone else's!" "

"As an older brother, Zhou Xiatian did not want to see such a thing happen. "

"OH."Zhou Cuihua's voice was very calm after she heard it.

"Zhou Xiatian said, "Why aren't you going back? ! Apologize to Dalong properly. What kind of obstacle can there be between a couple that can't be overcome?" "

"Once Li Dalong really married someone else, then Zhou cuihua would really be unable to salvage the situation. "

""Brother, I know you're doing this for my own good!"In the early morning, Zhou Cuihua tried her best to hold back her anger and not let herself get angry, "But I really don't need it. Li Dalong and I have already divorced. He can do whatever he wants with whoever he wants! It has nothing to do with me! From now on, he can cross his one-log bridge, and I can take my own path!" "

""Cuihua, please wake up a little, okay?"Zhou Xiatian continued, "The two of you are living a good life, why do you have to take this step today! Do you really think that you can find a better one after divorcing Dalong? Stop Dreaming!" "

Zhou Xiatian wanted to slap Zhou cuihua right now.

"Hearing that, Zhou cuihua smiled and said, "Brother, just you wait! Let's see who is not worthy of whom!" "

"Soon, she would be able to marry into a rich family again! "

"Zhou Xiatian looked at her sister like this and continued, "Cuihua, you really can't be wrong anymore! There are many things in life that can not be repeated. I don't want to see you regret it. I hope that you will be happy for the rest of your life." "

The last sentence touched Zhou cuihua.

She was not the kind of person who was heartless.

She knew that Zhou Xiaxia was doing this for her own good.

""Brother, I'm an adult now. I know how to choose some things."Zhou cuihua continued, "Please believe me this time. My choice this time is absolutely right." "

Zhou Xiaxia shook her head helplessly.

"Seeing this, Zhou Cuihua could only tell Zhou Xiatian about boss Wang. "

“Hearing this, Zhou Xiatian’s first reaction was that Zhou Cuihua had been deceived. ”

“”Cuihua! Quickly cut off contact with that person! That person must be a liar!”Zhou Xiatian continued, “How could a real rich businessman take a fancy to you!” ”

A rich businessman was not blind!

A young girl younger and prettier than Zhou Cuihua did not smell good?

“Zhou Cuihua was not happy to hear this. “Brother, what do you mean? What do you mean by the rich businessman does not like me? Do you think I have the face of someone who has been deceived?” ”

“”I don’t mean that,”Zhou Xiatian said. “I just think that the rich businessman will find someone with better conditions.” ”

“Then you mean Xia Xiaoman has also been deceived?”Zhou cuihua asked back.

“”I don’t comment on other people’s matters,”Zhou Xiatian continued, “Cuihua, I only care about you. If you don’t want to regret it in the future, then quickly cut off contact with that man!” ”

“Zhou cuihua said, “Brother, I don’t want to disturb the neighbors’rest early in the morning, and I don’t want to quarrel with you. If there’s nothing else, you can go back first!” ”

“After saying that, Zhou Cui Hua directly closed the door. ”

Bang.

Zhou Xia Tian was isolated outside the door.

“Looking at the tightly closed door, Zhou Xia Tian’s eyes were full of helplessness. ”

“He continued to knock on the door, but Zhou Cui Hua inside seemed to not hear him. ”

“The knocking on the door caused the other tenants to be dissatisfied, so Zhou Xia Tian had no choice but to leave. ”

Perhaps his wife was right.

“As long as he fulfilled his obligations, it would be fine. It was Zhou Cuihua’s own business whether she listened or not. ”

Some words that were spoken too much would only make others dislike her.

“How is it? is your sister ungrateful?”Zhou Xiatian had just walked out of the building when his wife came up to him.

Chapter 2616: 558: very serious 1

“Although she didn’t want to admit it, it was the truth. Not only did Zhou cuihua not appreciate it, she even chased him out. ”

Zhou Xiatian nodded. “It’s not good to mention this early in the morning. Let’s come back another time.”

“Although Zhou Cuihua had gone overboard, Zhou Xiatian was still an elder brother. From an elder brother’s point of view, he was still unwilling to give up on Zhou Cuihua. ”

He also did not want his only sister to spend the rest of her life in regret.

“Sun Guixiang snorted, then, she said, “Let me say something unpleasant. That sister of yours, she doesn’t even treat you as her older brother! If you really treat her well, she won’t know either. She’ll even think that you’re harming her! Old Zhou, I think you should stop meddling in her affairs! If you meddle too much, you’ll only make people dislike you!” ”

Sun Guixiang could see through Zhou cuihua. Zhou cuihua was a typical person who had a heart as high as the sky and a life as thin as paper.

“She thought she could marry some rich man, but in fact, she was nothing. ”

Zhou Xiatian scratched her head and looked at Sun Guixiang. “That’s easy for you to say. She’s my only sister!”

“So what if she’s my only sister?”Sun Guixiang was a little speechless. “You think so highly of her and have to consider everything for her. What about her? What has she done?”

“In any case, Sun Guixiang could not understand Zhou Xiatian’s act of sticking a warm face to a cold butt. ”

“Zhou Xiatian said, “What if it’s your younger brother? Would you be like this now and advise me not to interfere?” ”

“Speaking up to this point, Zhou Xiatian paused, then, he continued, “If you nod your head today, then I will never interfere in my sister’s matters from now on. You are also not allowed to interfere in your younger brother’s matters! I, Zhou Xiatian, am a man of my words and deeds. I will keep my word!” ”

Zhou Xiatian looked very serious and did not look like she was joking at all. Sun Guixiang looked at him and did not dare to make a sound.

Who asked her to have a disappointing younger brother!

“Breaking Bones and connecting tendons. Although her younger brother was disappointing, as an elder sister, she could not just watch her younger brother die outside. ”

“Sun Guixiang and Zhou Xiatian had been married for so many years. She knew Zhou Xiatian’s character. As long as she nodded her head today, there would be no room for negotiation in the future. ”

“”Alright, Alright. I was just saying. Look at how serious you are!”Sun guixiang continued, “Take care of her. Cuihua is your only sister. How can we not take care of her?” ”

“Hearing that, the anger on Zhou Xiatian’s face faded a little. ”

“Sun guixiang continued, “Why don’t we go look for Dalong?” ”

Zhou Xiatian did not say anything.

“Sun guixiang continued, “He and cuihua have been husband and wife for so many years. How can they break up just like that? Let’s Go and talk to him. Maybe he will forgive Cuihua.” ”

“Zhou Xiaxia thought for a moment, then nodded. “Alright, let’s go to Da Long’s place!”Having worked with Li da long for so many years, he knew that Li Da Long’s character was not bad. ”

“Since Zhou Cuihua refused to admit her mistake, then they could only look for a breakthrough on Li Da Long’s side. ”

Sun Guixiang accompanied Zhou Xiaxia to look for Li da long.

“Very soon, they arrived at the Li family home. ”

“With such a big incident happening at home, Li Da Long had rejected all the businesses and was prepared to take a good rest. At the same time, he would find a mistress for the family. ”

“In a family, it was fine to lose anyone but the mistress.”

Zhou Xia Tian knocked on the door.

“Very soon, the door opened.”

It was Li da long who opened the door.

“Seeing his former brother-in-law standing outside the door, the smile on Li Da Long’s lips froze for a moment, but he quickly reacted and said with a smile, “Her uncle and aunt are here. Come in and have a seat.” ”

“Although he and Zhou cuihua were divorced, Zhou Xiatian and Sun Guixiang were still Li Hang’s uncle and aunt.”

The Li family was still the same as before. It was as if Zhou Cuihua was still in the house and had never left.

Zhou Xiatian’s eyes were slightly red when she entered.

Li Da long quickly poured tea for the couple.

““Her uncle and aunt, have some tea.” ”

“Li Da Long seemed to be the same as before, but he seemed to be different again. It was hard to see what he was thinking.”

“Zhou Xia Tian picked up the Teacup, took a sip, and then said, “Where’s Hang Hang?” ”

“Li Da long smiled and said, “She went out early in the morning. Is there anything you need from her?” ”

Zhou Xia Tian did not say anything.

“Sun Guixiang said at the right time, “Da Long, actually your brother and I are here for you and Cui Hua.” ”

“After saying that, Li Dalong’s expression was clearly a little unhappy. ”

“Sun guixiang continued, “You and cuihua have been husband and wife for so many years. It’s really too sudden! Cuihua is also not willing to tell me what happened. Dalong, tell me honestly, what exactly happened between the two of you? Is there any possibility of redemption?” ”

Chapter 2617: 558: very serious 2

“At this point, Sun Guixiang paused, then, she continued, “People say that a hundred years of cultivation can lead to the same boat crossing, and a thousand years of cultivation can lead to the same bed sleeping together. All these years, you and cuihua have been through a lot. We’ve all seen it. It’s really a pity that the two of you got divorced just like that.””

“Sun Guixiang’s words were moving from the bottom of her heart. Li Da Long also felt a little uncomfortable listening to her. After all, his relationship with Zhou Cuihua for so many years was not fake.”

“At this point., sun guixiang continued, “Even if you don’t think about yourself, you should think about hang hang. Hang Hang is already in his twenties this year, and he is about to find a boyfriend. This sudden divorce of his parents will more or less affect Hang Hang’s future.””

“As the saying goes, hit the snake at its weakest point.”

“To Li Da Long, Li Hang was his weakest point.”

“Li Da Long looked at Sun Guixiang, then he said, “Her first aunt, I know that you’re doing this for my good, for the good of this family! “I don’t want a divorce either. It’s Zhou Cui Hua who can’t take it anymore. “Let’s not say things that we don’t understand. Let’s be honest with the two of you. It’s impossible for Zhou Cui Hua and I to be together!””

“Hearing this, Zhou Xia Tian looked at Li da long. “Da Long, then can you tell me what unforgivable mistake did Cui Hua make?””

Zhou Xia Tian was very curious as to what kind of mistake made Li da long hold such a grudge.

“After saying this, zhou xia tian continued, “I’m Cuihua’s elder brother. I know that Cuihua has a bad temper since she was young, but she has always been like this. You’ve been married to her for so many years, you should also know that she’s not a bad person.””

“”If Cuihua really made a mistake, I’ll apologize to you on her behalf. Please forgive her just this once. Go and bring her back, okay?””

Zhou Xiatian stood up and bowed to Li Dalong on behalf of Zhou Cuihua.

“Zhou Xiatian understood Zhou Cuihua’s personality too well. If Li Dalong didn’t take the initiative to admit his mistake and bring her back, Zhou Cuihua wouldn’t compromise.”

“Therefore, as her elder brother, he could admit his mistake on behalf of Zhou Cuihua.”

“As her elder brother, for the sake of her younger sister’s future happiness, it didn’t matter if he endured humiliation.”

“As long as his younger sister was happy in the future, it was fine.”

“”Brother, this isn’t a matter of admitting one’s mistakes.”Li Da Long hurriedly stood up. “No matter what happens, it’s impossible for me and Cui Hua to be together!””

""Why?"Zhou Xia Tian looked at Li da long, "Da Long, although Cui Hua's personality is indeed very strong at times and it's unbearable, the two of you have been husband and wife for many years! Could it be that the two of you are really going to part ways in the future?"""

"Even if he wanted to kill someone, he would only nod his head. As his elder brother, it was already very rare for him to be able to do this. However, it was really inappropriate for Li Dalong to be so calculative!"

"Between husband and wife, was there anything that could not be resolved?"

"Moreover, Li Dalong and Zhou Cuihua still had a child between them."

"Zhou Xiatian continued, "Can't it be done even for the sake of Hanghang?"""

""Brother, what do you want me to tell you?"Li Dalong sighed."

"The more Li Dalong acted like this, the more curious Zhou Xiaxia was. What did Zhou Cuihua do to make Li Dalong so heartless."

"Zhou xiaxia continued, "Dalong, just tell me clearly what happened! There are no outsiders here. I really don't know what you're worried about!"""

"Li Dalong looked at Zhou Xiaxia and said, "Brother, since things have come to this, I'll tell you! Zhou cuihua has someone outside."""

"Actually, there were some things that Li Dalong did not want to say."

"Firstly, he was afraid that Zhou Cuihua would lose face. Secondly, he was doing it for Li Hang's sake. Thirdly, after such a thing happened, he could not bear to lose face."

There was no man in this world who could tolerate his wife cheating on him.

“But now, there were some things that he had to say.”

“If he still did not say it, the Zhou family would think that he had made a mistake.”

“Speaking up to this point, Li Dalong paused and continued, “But please rest assured that you will always be hang hang’s first uncle and first aunt. Our Li family and the Zhou family will always be relatives.””

“Li Dalong was not an unreasonable person, so he would not force Zhou Cuihua’s mistakes on the Zhou family.”

Relatives will always be relatives.

Someone was outside? !

Zhou Xiatian was stunned on the spot.

How was this possible!

“”Did some misunderstanding happen?”Zhou Xiatian continued, “Dalong, believe me, Cuihua is definitely not that kind of casual person!””

Chapter 2618: 558: very serious 3

“Although Zhou Cuihua was a little snobbish and wanted to climb up the social ladder, she would never look for someone else. ”

Zhou Xiatian understood Zhou cuihua very well.

Zhou Xiatian refused to believe that such a thing had happened.

""Brother, I also don't believe that this is true, but it is true!"Li Dalong sighed. "You are also a man. You should understand my current feelings." "

"Sun Guixiang's eyes widened when she heard this, and she continued, "It's a mistake, it must be a mistake! Da Long, our Cuihua is definitely not this kind of person!" "

"Although Sun Guixiang did not like Zhou cuihua very much, she understood Zhou cuihua. "

Zhou Cuihua had her own bottom line.

""She admitted it to me personally."Li da long continued, "Otherwise, I wouldn't have wanted to divorce her. Brother and sister-in-law, just like what you guys said, Hang Hang is already so old, and we are about to become grandparents. There is no need to go through so much trouble!" "

"One day, a husband and wife would be forever indebted to each other. "

"Moreover, he and Zhou Cui Hua had been husband and wife for decades. "

"If Zhou Cui Hua had not broken his heart, he would not have made such a hasty decision. "

"Impossible! This is absolutely impossible!"Zhou Xia Tian denied repeatedly. "I know my sister best. She is not that kind of person!"

"As an older brother, Zhou Xia Tian did not believe in such things at all. "

"Seeing him like this, Li Da Long took out his phone. "Brother, there are some things that you don't have the final say on. I don't have the final say either. Let's see for ourselves. Look at this." "

This was a surveillance video.

“In the video, the moment Zhou Cuihua returned home, she began to pick on him. In the end, she even admitted that she had someone outside. Her words were extremely unpleasant. ”

Zhou Xiatian looked at the video and her expression became extremely ugly.

“Since things had already come to this, what else could he say? ”

Sun Guixiang was also extremely shocked.

Crazy!

This was really crazy!

Who would have thought that Zhou cuihua would be looking for someone outside.

Zhou Xiatian seemed to have watched the video several times before he finally confirmed that this was Zhou cuihua.

“At this moment, Zhou Xiatian’s face was all white. ”

“After a long while, Zhou Xiatian finally reacted. ”

“”Dalong, it’s our Zhou family that has let you down. It’s also because I, Zhou Xiatian, have not taught my younger sister well.”Zhou Xiatian looked at Li Dalong with a face full of guilt. ”

He had never thought that Zhou cuihua would do such a shameful thing.

It was really too much!

""Brother, the matter has already passed. I've also divorced her. Let's not talk about anything else."Dalong li continued, "Let's just be safe from now on." "

No one should disturb each other anymore.

"Having said that, Zhou Xiatian was already too embarrassed to beg Dalong Li to forgive Zhou cuihua. After all, it was Zhou Cuihua who had cheated on him first. "

"According to the rules of their hometown, a woman who cheated on her would be spurned to death. At this moment, Zhou Xiatian did not even want to acknowledge her sister, she continued, "Dalong, you are a responsible and good man. It is her loss that Cuihua missed you. She will definitely regret it in the future." "

"Based on the current situation, Zhou Cuihua would definitely regret it in the future. "

Zhou Cuihua was almost 50 years old this year.

Who else could she marry?

Her decision would cause her to be miserable for the rest of her life.

""Brother, I don't want to mention this matter in the future."Li Dalong looked at Zhou Xiatian and continued, "I still say that we will still be relatives in the future." "

Zhou Xiatian was especially touched.

"It had to be said that Li Dalong was a rare good man. Unfortunately, Zhou Cuihua was not blessed. If it had been anyone else, they would definitely have made a move today. No matter what, it was Zhou Cuihua who had made a mistake. "

“However, Li Dalong did not. Not only did he not, he even said that they would still be relatives in the future. If it had been any other man, he would not have such a tolerance. ”

“Looking at Zhou Cuihua’s attitude, Zhou Xiatian instantly felt ashamed. ”

Perhaps this was the difference between people.

It was Zhou Cuihua who was not good enough for Li Dalong.

“Zhou Xiatian continued, “Dalong, thank you.” ”

““We’re all family, brother. From now on, we’ll call each other brothers,”Li Dalong said. ”

““Alright.”Zhou Xiatian stood up from the sofa and continued, “If you have time, you must go to hang hang out at home. Your sister-in-law and I have something to do, so I’ll be leaving first.” ”

Sun Guixiang also stood up.

“Li Dalong said, “Brother and sister-in-law, stay and have a meal!” ”

“In just a short period of time, Li Dalong’s address of Zhou Xiatian and Sun Guixiang changed from her first uncle and first aunt to brother and sister-in-law. ”

“It was as if it was the same as before, but it was different from before. ”

Chapter 2619: 558: very serious 4

“Zhou Xiatian was very upset. She had thought of going to the house to rematch the two of them, but who would have thought that it would end up like this. ”

It was all Zhou Cuihua’s fault for not living up to expectations.

“”No, no,”Zhou Xiatian refused repeatedly, “I still have things to do at home!” ”

“Sun Guixiang also smiled and said, “Yes, yes, yes, I still have things to do at home. Dalong, you don’t have to be polite. We’re all on the same side.” ”

“Seeing that the two of them were really unwilling to stay, Li Dalong did not force them. He picked up the car keys and said, “Brother and sister-in-law, why don’t I Send You Back?” ”

“Zhou Xiatian said, “No need, no need. Your sister-in-law and I happen to have some matters to attend to nearby, so there’s no need to send us off.” ”

“Then I won’t send you off.”Li Dalong put down the car keys. “You mustn’t be polite with me.”

“”You’re welcome, you’re welcome. We’re all family, what’s there to be polite about?” ”

The couple turned around and left.

“After leaving the Li family home, Zhou Xia Tian was still in a daze. ”

“Sun guixiang continued, “Old Zhou, it’s not that I want to say this, but your sister is really a piece of trash! Li Da Long treats her so well, but she’s still not satisfied and wants to marry a rich man! Just wait and see, she’ll definitely regret it!” ”

Regret was something that she would definitely regret. It was just a matter of time.

Zhou Xiatian did not say anything.

“Sun guixiang continued, “Old Zhou, what should we do now? Should we still look for your sister?” ”

“Who else should we look for now?”Zhou Xiatian asked back.

“Sun guixiang said, “If we knew that your sister would actually do such a shameless thing, we shouldn’t have come here. You Don’t even know that just now, I really wanted to find a hole to burrow into!” ”

Zhou Xiatian didn’t say anything because Zhou Cuihua wasn’t the only one who wanted to find a hole and hide in it. He also wanted to find a hole and hide in it!

“Zhou Xiatian sighed and said, “I don’t know what she’s thinking!” ”

“WHO KNOWS!”Sun Guixiang said.

“In Sun Guixiang’s opinion, the days before Zhou Cuihua’s divorce were her dream. ”

“She was a woman with no financial worries, no conflicts between her mother-in-law and daughter-in-law, and her husband did not cheat on her. She had a car, a house, and a harmonious family. ”

“However, Zhou Cuihua did not know how to be satisfied. ”

“Sun guixiang continued, “My words are a little harsh. Don’t mind me. I think your sister is an ugly person who causes trouble!” ”

“If it were her, if she were to live a life like Zhou Cuihua’s, she would wake up laughing in her dreams! ”

“If this was in the past, Zhou Xiatian would definitely scold Sun Guixiang to death. ”

“However, the situation now was different. ”

“At this time, Zhou Xiatian could only tacitly agree with Sun Guixiang’s words. ”

“Seeing that Zhou Xiatian did not speak, sun guixiang continued, “To be honest, only Li Dalong can tolerate someone like your sister. If it were anyone else, they would have long divorced...” ”

“The more Sun Guixiang spoke, the more enthusiastic she became. It was as if she would start a dyeing workshop if she was given some color. ”

“The more Zhou Xiatian heard, the angrier she became. She turned to look at Sun Guixiang. “You’re the only one who knows how to speak, right?” ”

Sun Guixiang’s words came to an abrupt end.

“Zhou Xiatian continued, “Do you think that I don’t feel bad after such a thing happened? But what can I do? As an elder brother, I’ve already done what I should have done!” ”

Zhou Xiaxia’s eyes turned red when she reached the end of her sentence.

“Sun Guixiang became anxious when she saw him like this, she continued, “Old Zhou, Old Zhou, don’t be anxious. This matter has nothing to do with you. I’m just talking about Cui Hua! Aiya, it’s all my fault, it’s all my fault! I Won’t say anymore! I Won’t say anymore, Alright?” ”

“You don’t understand my current feelings!”Zhou Xiaxia said.

“Sun guixiang continued, “Cuihua is already an adult. She can distinguish between good and evil. This kind of incident has nothing to do with you. Don’t blame yourself anymore.” ”

“At the end of her sentence, Sun Guixiang reached out and hugged Zhou Xiatian. She then comforted her, “Alright, Don’t cry. You’re a man. What does this matter matter?” ”

Zhou Xiatian’s eyes were really red.

He did not understand how Zhou Cuihua had come to this point. Her daughter was already so old. Was it not good to live a peaceful life? She had to do this!

“Sun guixiang continued, “Cuihua is not a child anymore. Let her handle her own matters. As her elder brother, you’re already competent enough! Don’t think too much and put yourself under pressure.” ”

“Zhou Xiatian nodded. “MMM, you’re right.”She still had to close the door and live her own life.”

“Seeing that Zhou Xiatian had thought it through, Sun Guixiang heaved a sigh of relief. “Let’s go home now.” ”

Zhou Xiatian followed Sun Guixiang’s footsteps.

Chapter 2620: 558: very serious 5

“Halfway through, Zhou Xiatian suddenly thought of something. “We can’t just go back like this.””

“Sun Guixiang asked curiously, “Then where are We Going?””

“To Zhou Cuihua’s Place!”Zhou Xiatian said.

“Sun Guixiang originally wanted to ask why they were going to Zhou Cuihua’s place, but she was afraid of provoking Zhou Xiatian, so she didn’t dare to ask. She just nodded and said, “Okay.””

“Half an hour later, the car stopped in front of Zhou Cuihua’s rented house.”

Zhou Xiatian did not get out of the car and just sat in the car.

“Sun guixiang reminded, “We’re here.””

Zhou Xiatian did not say anything.

Sun Guixiang reminded again.

“Zhou Xiatian continued, “I heard it.””

“Sun guixiang continued, “Then why aren’t you getting out of the car?””

Zhou Xiatian continued to remain silent.

Sun Guixiang felt a little uneasy and did not say anything else.

Let’s just wait like this.

“The two of them waited for about an hour before finally waiting for Zhou cuihua, who was dressed gorgeously, to come downstairs.”

“To be fair, Zhou Cuihua had taken good care of herself all these years. She did not look like a person who was almost 50 years old at all.”

It was precisely because she had taken good care of herself and her own condition that caused her to have the misconception that she was not inferior to others.

“Seeing Zhou Cuihua go downstairs, Zhou Xiatian immediately pushed the door open and got out of the car. She walked up to Zhou Cuihua in an imposing manner and gave her a slap before Zhou Cuihua could react.”

Slap!

It was a very loud slap.

“This slap not only stunned Zhou cuihua, but also Sun Guixiang, who was following behind her.”

She covered her mouth with both hands and looked at the scene in front of her in surprise.

“Zhou Xiatian! Are you crazy?” Zhou Cuihua didn’t even call him brother anymore. She covered her face with her right hand and said angrily.

“”You’re the one who’s Crazy!” Zhou Xiatian pointed at Zhou cuihua and said, “You’re a disgrace!””

“Zhou Xiatian was really angry! Otherwise, he wouldn’t have said these words.”

“”How am I a disgrace!” Zhou Cuihua was about to break down. “Zhou Xiatian, tell me clearly today!””

“Zhou Xiatian continued, “Tell me honestly, why did you divorce Dalong!””

“Seeing this, Sun Guixiang immediately walked forward and pulled Zhou Xiatian’s arm. “Old Zhou, Old Zhou, you drank too much!””

“After saying that, Sun Guixiang looked at Zhou cuihua again and continued, “Your brother drank too much. Don’t lower yourself to his level!””

“After saying that, Sun Guixiang pulled Zhou Xiatian towards the car.”

Zhou Cuihua was very angry. She chased after her and wanted to return the slap to Zhou Xiaxia.

She was not the kind of person who would suffer a loss!

“However, on second thought, it was not good to throw a tantrum on the street. After all, Zhou Xiaxia was still her brother. When she thought of how Zhou Xiaxia had treated her in the past, Zhou Cuihua still held back!”

Sun Guixiang pulled Zhou Xiaxia into the car and locked the car door.

“Zhou Xiatian said angrily, “Why are you pulling me out! Let me go down and I’ll beat that shameful thing to death!””

“Sun guixiang said, “Beating someone to death is against the law. Besides, are you really going to beat her to death? As the saying goes, one should not spread one’s dirty laundry around. Some things are only suitable to be said at home!””

“Speaking up to this point, sun guixiang continued, “No matter what, Cuihua is our younger sister. When people are angry, they will say anything. I don’t want you to do something that you will regret.””

“Actually, Sun Guixiang also had her own plans.”

Zhou Cuihua did have some capital. What if she really stepped on dog SH \* t and became a rich family’s wife?

“When Zhou cuihua became a rich family’s wife, she would have to help her family out. If Zhou Xiatian made their relationship too awkward at this time, it would not be good for them to meet in the future.”

“Zhou Xiatian slowly calmed down and did not speak again, but her expression was very ugly.”

Sun Guixiang drove away.

She could not help but sigh in her heart. This person was indeed different from others.

Zhou Cuihua did not know how to be satisfied driving a small BMW. She was only driving a second-hand car. What was there to be happy about.

“However, when she thought about it from the other side, a person should always be content.”

“Zhou Cuihua was originally going to have a meal with boss Wang. Now that she had been slapped by Zhou Xiatian for no reason, she had no choice but to cancel the date at the last minute.”

She couldn’t possibly go on a date with boss Wang with a swollen face!

Zhou Cuihua returned to the rental house and took a disposable ice pack to apply on her face.

Zhou Xiatian’s slap was not light.

“When she applied the ice pack, Zhou Cuihua grimaced in pain.”

He was really her biological brother!

The corners of Zhou Cuihua’s mouth curled up into an icy arc. She really could do it.

“After applying the ice pack, the pain on her face disappeared quite a bit. Zhou cuihua took out her phone and sent a message to boss Wang, telling him that she had something urgent to attend to and would not go to dinner.”
