Chapter 2621: 558: very serious 6

“Boss Wang was very concerned about Zhou cuihua, so the call came right away.”

“Looking at boss Wang’s call, Zhou Cuihua’s mouth was full of a sweet smile, and her heart beat faster.”

Zhou cuihua slid the phone to answer.

Boss Wang’s worried voice came from the other end of the phone. “Hello.”

“Zhengxuan.”

“Hearing Zhou Cuihua’s voice, boss Wang said anxiously, “Cuihua, What’s wrong? Did Something Happen?” ”

“”Nothing. I’m just feeling a little unwell. You Don’t have to worry,”Zhou Cuihua said.”

“Then where are you now?”Boss Wang continued to ask.

“Zhou cuihua said, “I’m at home.” ”

“Boss Wang immediately said, “Then I’ll come over to see you.” ”

“Hearing that, Zhou cuihua hurriedly said, “No, no. I’m really fine. You Don’t have to come over.” ”

“Although she said that, boss Wang was still worried. He continued, “Why don’t I Come and take you to the hospital?” ”

“Zhou cuihua smiled and said, “I’m really fine.” ”

“Just then, boss Wang’s secretary came over to ask about official matters. Zhou cuihua immediately said understandingly, “Zhengxuan, you should go and get busy. Don’t worry about me. Work is more important. I’ll hang up first.” ”

“After saying that, Zhou cuihua hung up the phone. ”

“After hanging up the phone, a smile appeared on the corner of Zhou Cuihua’s mouth. ”

What Zhou Cuihua didn’t expect was that boss Wang actually came to the rental house personally half an hour later.

“The moment the door opened, Zhou Cuihua was dumbfounded. ”

She didn’t expect boss Wang to suddenly appear. She subconsciously raised her hand to cover her face.

“Boss Wang immediately noticed her abnormality and asked, “Cuihua, what happened to you?” ”

“N-nothing. I just accidentally fell while walking.”Zhou cuihua subconsciously hid the truth.

“Boss Wang continued, “You fell on your face?” ”

“At this point, boss Wang seemed to have thought of something and continued, “Is it your ex-husband?” ”

“Zhou cuihua immediately denied it. “It’s not him, Zhengxuan. I’m really fine. Don’t bother about it.” ”

“Her marriage with Li Da Long had always been ambiguous. If she were to drag Li da long into it at this time, Zhou Cuihua was worried that boss Wang would find out something.”

“At that time, the gains would not make up for the losses.”

“Hearing that, boss Wang continued, “Cuihua, you don’t treat me as an outsider. If you encounter anything in the future, remember to tell me immediately.” ”

“Okay.”Zhou cuihua nodded.

“Boss Wang didn’t ask further and continued, “By the way, did you apply ice on your face? Ice can reduce swelling.” ”

“Zhou cuihua said, “I’ve already applied ice on it just now.” ”

“”That’s good.”Boss Wang nodded, ”

“zhou cuihua continued, “Come in and take a seat.” ”

“Boss Wang followed her in and looked at the environment of the rented house. He then said, “Cuihua, it’s really not suitable for you to recuperate here. It’s not convenient for you to do anything. If you don’t mind, you can move to my place first.” ”

“At this point, boss Wang paused, then, he said, “Don’t worry. I have no intention of taking advantage of you. My Place is big, and there are servants who can serve you. No matter what you do, it’s much more convenient. “Moreover, you should understand my thoughts. I’m not easily moved. You’re the person who makes me want to be responsible for my whole life.” ”

Zhou Cuihua was very happy.

Boss Wang invited her to stay at his house. What did this mean?

It meant that boss Wang had already acknowledged her from the bottom of his heart!

It meant that she was the future mistress of the Wang family!

Good!

This was really great!

“Zhou Cuihua was very excited now, but she still had to be reserved. She couldn’t let boss Wang look down on her. ”

“”Zhengxuan, I know what you mean, but with my current status, it’s not appropriate for me to go to your house, right?” ”

“”There’s nothing inappropriate about it. I don’t lack anything at my place. I just lack a female host.”Boss Wang paused at this point, then he said, “Cuihua, perhaps you will think that my decision is a little frivolous. After all, we have only known each other for less than a month, but please believe me. I’m absolutely sincere to you!” ”

Zhou Cuihua was very touched. “I don’t doubt you. I just feel that it might be a little too soon.”

“Zhou Cuihua was not only touched, she was also very excited. ”

This was great!

She was finally going to become the mistress of the Wang family!

“Boss Wang continued, “I won’t force you to stay at my place. If you think that it’s suitable, we can get married. If you think that I’m not good enough for you, then our marriage will have nothing to do with each other. “We have to get used to each other. Let’s live under the same roof and get used to each other.” ”

Chapter 2622: 558: very serious 7

Zhou Cui Hua thought about it and then nodded. "Okay."

"Boss Wang said it sincerely. If she still refused, it would seem a little pretentious! After all, she wasn't some young lady anymore. "

Some things had to be faced.

"Seeing that Zhou Cui Hua finally agreed, boss Wang was very happy. "That's great, Cui Hua. Then let's leave now." "

"Zhou cuihua said, "I'll pack up my things." "

"Boss Wang said, "There's no need to pack up. I have everything there." "

"In order to show that she was a good woman who was diligent and Thrifty, Zhou cuihua continued, "I'm used to using my own things. Besides, I don't want to spend your money." "

""My Money is your money,"boss Wang said. "

"Zhou cuihua said a little embarrassedly, "It's easy to squander, but it's hard to start a family. We can't waste it." "

""Yes."Boss Wang nodded and continued, "Cuihua, you're really a good woman!" "

"Zhou cuihua said, "Being diligent and thrifty is the virtue of our Chinese people." "

“After tidying up some clothes, Zhou Cuihua followed boss Wang to the lookout pavilion courtyard.”

There were a total of ten servants and a butler in the small house.

“Boss Wang said in front of the butler and servants, “From now on, this is the wife of the family. You all just listen to the orders of the wife. Butler, take everyone and introduce yourself to the wife.” ”

“Zhou cuihua stood in front of the servants, her eyes full of superiority.”

She never thought that this day would come so quickly.

“Xia Xiaoman, Ah Xia Xiaoman, she finally beat Xia Xiaoman!”

“At this moment, Zhou Cuihua wanted to laugh three times!”

“In the evening, Zhou Cuihua told Li hang the good news through wechat.”

Li hang was also very surprised when he heard this and immediately dialed Zhou Cuihua’s voice call.

“”Mom, are you sure you’ve moved to Uncle Wang’s House?” ”

“”Of course it’s true. If you don’t believe me, I’ll take a photo for you to see in a while.”Zhou Cuihua’s mouth was full of smiles. “Your uncle Wang is really nothing to say. He’s many times better than your father!” ”

“Speaking up to this point, Zhou cuihua continued, “Oh right, your uncle Zhou even asked about you today! He said that it’s not lively at all without a child at home. He asked when you would move over.” ”

“Li hang said, “I’ll think about it.” ”

“She did not know what was going on with Zhou Cuihua and boss Wang, so she naturally did not dare to make the decision to move over.”

“Furthermore, moving out from Li Dalong’s household register was not a small matter, so she had to think about it carefully.”

“Zhou cuihua said, “If you want to think about it, that’s up to you. But Hang Hang, I want to tell you one thing, don’t regret it. Your Uncle Wang and I still have conditions. If I’m like Xia Xiaoman, then don’t blame mom for not caring about mother and daughter.”At that time, the Wang family would no longer have Li Hang’s position.”

“Hearing this, Li Hang’s heart immediately became vigilant. “Mom, this isn’t a small matter. You have to let me think about it. You and my uncle Wang add up to almost a hundred years old. Don’t mess around!” ”

“Then make a decision quickly!”Zhou cuihua said.

“Li hang continued, “Mom, don’t be anxious. Give me time to think about it.” ”

““It’s up to you. Anyway, I’ve already delivered the message to you.”After saying that, Zhou cuihua directly hung up the phone.”

“Coincidentally, just as she hung up the phone, there was a knock on the door.”

““Come in,”Zhou Cuihua said.”

“The next second, boss Wang pushed the door open and entered.”

“Zhengxuan.”

“Boss Wang smiled and said, “Cuihua, how’s your discussion with Hang Hang? My mother and I have already agreed that hang hang will be staying in the bedroom on the third floor.” ”

“Zhou cuihua said, “I’ve already told Hang Hang. That child said that he has to rely on himself and doesn’t want to rely on his family.” ”

“”I can’t tell that Hang Hang is still a good and ambitious child,”boss Wang continued, “Young people nowadays all have their own ideas. How about this, you make an appointment with hang hang and we’ll find some time tomorrow to have a face-to-face talk.” ”

“Okay.”Zhou Cui Hua nodded.

“After saying that, Zhou cui hua continued, “Zhengxuan, thank you.” ”

“Boss Wang smiled and said, “Thank me for what?” ”

“”Thank you for being so good to US mother and daughter,”Zhou Cui Hua said. ”

She had never dreamed that she would have such a day.

The feeling of being a rich lady was really great!

“Boss Wang smiled and said, “We’re all family. Cui Hua, you don’t have to be so polite.” ”

“After saying that, boss Wang continued, “Then that’s settled. I’ll go back to my room first. You should rest early. If you need anything, just look for the Butler.” ”

“Okay.”Zhou cuihua nodded.

Boss Wang walked to his room.

Zhou cuihua looked at boss Wang's back and the corners of her mouth unconsciously curled up.

"Then, Zhou cuihua called Li Hang again and told boss Wang, "Hang Hang, I'm warning you. If you don't want to lose to that Little B * Tch, an Lizi, take advantage of this opportunity." "

""Got it," Li Hang said. "

"After saying that, Zhou cuihua seemed to have thought of something and continued, "Oh right, how's the detective's investigation going? Did he call you?" "

Li Hang was stunned. "What detective?"

It had been too long. She had really forgotten about this matter.

"Zhou cuihua continued, "The detective who investigated Xiao Man." "

"Although she had married into a wealthy family, she had no intention of letting Xia Xiaoman go. She wanted Xia Xiaoman to become a concubine! She would be abandoned by Lin Qingxuan! "

"At that time, Xia Xiaoman would have to look up to her! "

"Li hang finally reacted and continued, "Didn't the detective leave your phone number? Why did he contact me?" "

"Zhou cuihua said, "He didn't contact me. I thought he had contacted you! It's been half a month, and I should have found something!" "

""If he didn't contact you, he definitely hasn't found anything," li hang continued, "Mom, if you're free, go to the detective agency to take a look." "

“Just like Zhou cuihua, Li Hang couldn’t bear to see an Lizi live a good life. ”

She couldn’t wait for Lin Qingxuan to kick an lizi out of the house immediately.

“Zhou cuihua said, “I should go and take a look if I have time.” ”

“After the mother and daughter hung up, Li Hang began to seriously consider Zhou Cuihua’s words. ”

This matter was a huge turn of events for her. She had to grasp it well and not let it slip by.

“Because once something was missed, there was no room for regret. ”

Li hang narrowed his eyes and already had the answer in his heart.

“Because he had an appointment with Zhou Cuihua and boss Wang, Li Hang woke up very early the next morning. ”

“Li Da Long was making breakfast in the kitchen. When he saw her wake up so early, he smiled and said, “Hang Hang, where are you going so early?” ”

“Li hang smiled and said, “I made an appointment with my classmate to go to the suburbs to pick green flowers, so I woke up early.”When he lied, his face was not red, and his heart was not beating, so no one could see any flaws. ”

“Li da long said, “Indeed, you should wake up early when you go to the suburbs. What do you want to eat in the morning, Daddy will make it for you.” ”

“I’ll just have a sandwich.”

“Okay.”Li Da long nodded.

“While eating breakfast, Li da long said, “Hang Hang, if you have nothing to do tomorrow, don’t go out. There are guests at home tomorrow.” ”

Chapter 2623: 559: a Fox’s tail exposed 1

“Tomorrow, Li Da Long’s blind date would be visiting his house. That was why Li da long told Li hang not to go out if he had nothing to do. ”

“Li hang naturally knew what Li da long meant. He smiled and raised his head. “Dad, actually, as long as you and aunt fan are on the same page, it doesn’t matter whether I watch or not. The main thing is that you’re happy.” ”

“Li Hang’s words were really too heartwarming, causing Li da long to be endlessly moved. ”

“If it was someone else’s daughter, who would be as sensible as Li Hang? ”

“Li da long continued, “Hang Hang, you’re so sensible that you don’t even know what to say to dad. Don’t worry, your aunt fan is definitely not that kind of woman. She definitely won’t let you down.” ”

“”En.”Li hang nodded. “Dad, I believe in your judgment.” ”

Li Da long nodded as well.

“After a while, Li da long continued, “Right, how many of you are going out to pick green leaves later?” ”

“”Five or six,”Li hang replied. ”

""There are boys, right?"Li Da Long asked. "

Li hang nodded. "There are both boys and girls."

""That's good. Otherwise, it wouldn't be safe for you girls to go out."Li da long continued, "Why don't you ask your classmates to come over for dinner tonight? Dad will take you out to eat something delicious." "

"Li hang smiled and said, "No, Dad. I've already discussed where to eat." "

""That's fine too. When you have time, you must bring your classmates over as guests." "

"Okay."Li hang nodded.

"After breakfast, Li Hang carried his bag and prepared to go out. "

"Seeing that she was carrying a bag, Li da long continued, "Hang, Don't you bring anything else when you go out to pick Green?" "

"Li hang instantly reacted and said with a smile, "There's no need. I got someone else to bring it for me." "

"That's good."

Li Hang went downstairs and drove to the address that he had agreed to with Zhou Cui Hua.

"When she arrived, Zhou Cui Hua had already arrived. "

"Zhou Cui Hua smiled and waved at Li Hang. "Hang hang, here." "

Li Hang walked over and sat down. "Mom."

"After saying that, Li Hang looked around and asked in puzzlement, "Where's uncle Wang?" "

"Zhou cuihua said, "Your uncle Wang heard that you like drinking milk tea, so he went to buy milk tea for you." "

This indirectly showed how much boss Wang valued Li Hang.

Zhou Cuihua was also very happy.

"Li hang asked curiously, "Where's his assistant?" "

"Under normal circumstances, boss Wang did not lack assistants. "

"Zhou cuihua said, "When your uncle Wang came out with me, he did not let outsiders follow him." "

"OH." Li hang nodded.

"Zhou cuihua looked in the direction where boss Wang had left, but she didn't see him. Then she said, "Hang Hang, you have to seize this last chance." "

Li Hang continued to nod.

"Zhou cuihua said again, "Your uncle Wang really likes you. He even prepared a bedroom for you. "His son has his own business overseas. As long as your name appears in the Wang family's household register, then everything in the Wang family will be yours." "

"The Wang family had a big business. As long as Li Hang was willing to agree, then Li hang would be an authentic white, rich, and beautiful woman. "

“Li hang said, “Mom, why did you move in with him so quickly? If you do this, won’t uncle Wang think that you’re a very casual woman?” ”

The truly rich people paid a lot of attention to their morals.

Zhou Cuihua and boss Wang had known each other for less than a month.

It was indeed inappropriate for Zhou Cuihua to move to the Wang family in such a short period of time.

“”No.”Zhou cuihua continued, “If you can think of such a problem, why can’t I think of it? “Don’t worry, your uncle Wang isn’t that kind of person. Also, although I moved to your uncle Wang’s house, we didn’t live together.” ”

Li hang nodded. “I was just casually mentioning it. It’s good that you know what to do.”

“Zhou cuihua looked towards the door again and continued, “Your uncle Wang is a good person, and your grandmother Wang is easy to get along with. Hang Hang, you will definitely not regret coming to the Wang family. You will not have any future if you follow your father.” ”

What could Li da long give Li Hang?

A broken house and a broken car?

“Speaking up to this point, Zhou cuihua continued, “Yesterday, I had no intention to tell your uncle Wang that you like sports cars. I saw that he was already looking at sports cars today.” ”

The sports cars that Li Hang liked were all around eight digits in price. It was not something that Li Dalong could afford.

“Hearing this, Li Hang’s heart skipped a beat. He could not help but think of the night when he watched the musical. ”

“When she walked in the VIP exclusive passageway, those people looked at her with envy.”

Li hang really liked that feeling.

Chapter 2624: 559: Fox Tail Exposed 2

“”Mom, are you sure that uncle Wang will marry you and not just for fun?”Li Hang was still a little worried.”

“”What did you say, Kid! What do you mean by just for fun!”Zhou Cuihua was a little angry, “If it’s really just for fun, will your uncle Wang Be So Serious? If he’s just for fun, will he bring me to his house?” ”

Li hang did not say anything.

“In fact, what Zhou Cuihua said made a lot of sense. Looking at boss Wang’s appearance, it was indeed not just for fun.”

But Li Hang was a person who thought far ahead. She was a little worried.

“After all, no one could guess what would happen tomorrow. What if boss Wang did not like Zhou Cuihua one day?”

“Although Li Dalong did not have much money, it was better than the poor Zhou Cuihua.”

“Therefore, the current Li hang did not dare to change easily.”

“Seeing that Li Hang was still hesitant, Zhou Cui Hua was a little angry. She continued, “Whatever you want, Hang Hang!” As a mother, she had already done what she should do. The rest of the decision was up to Li Hang himself. ”

“Li hang smiled and said, “Mom, are you still angry?” ”

“”I’m not angry. I just feel that you, this child, don’t know what’s good for you!” Zhou cuihua continued, “Your uncle Wang is so good to you. He prepared this and that for you, yet you still have such an attitude!” It was like a dog biting Lu Dongbin! ”

“As the mother and daughter were talking, the sound of the door being pushed opened came from outside. ”

Zhou cuihua turned back and saw boss Wang walking in with milk tea.

“Seeing this, Zhou cuihua immediately changed the topic and said, “Hang Hang, what do you want to eat later?” ”

“Although Li Hang didn’t look back, he knew why Zhou Cuihua suddenly changed the topic. He smiled and said, “I can eat anything. Mom, please order more of Uncle Wang’s favorite food.” ”

Zhou cuihua nodded.

“At this moment, boss Wang walked to the two of them. “Lai Hang, drink the milk tea.” ”

“Li Hang was flattered. He immediately stood up and took the milk tea from boss Wang with both hands. “Thank you, Uncle Wang.” ”

“”We’re a family. There’s no need to say thank you.” Boss Wang continued, “You Child, you’re always so polite.” ”

“Zhou cuihua said from the side, “This child has been polite since he was young.” ”

“Boss Wang said, “Thank you for teaching him well.” ”

Zhou cuihua smiled a little embarrassedly.

“Soon after, Zhou Cuihua asked the waiter to bring the menu and ordered some of boss Wang’s favorite dishes. ”

“Although boss Wang liked her very much, young people nowadays were all fastidious about two-way love. ”

“Boss Wang liked her so much and had given so much for her, so she should also express her feelings. ”

“After eating, boss Wang entered the main topic, looking at Li hang, he said, “Hang Hang, your mother has already told me about your situation. Uncle won’t force you. If you’re willing to follow us, then follow us. If you can’t bear to part with your father, then continue to follow your father.” ”

“Speaking up to this point, boss Wang paused, “As for me, I only have one son. He’s 28 years old this year and currently lives in Australia. If you live with us, your mother and I don’t plan to have another child. Firstly, your mother is old. If she gives birth again, it will definitely be bad for her health. “But if you don’t come, your mother and I have already discussed it. After we get married, we will start preparing for a pregnancy. A family must have an heir and hope.” ”

These words had already been said to the end.

Li Hang was a little excited.

“There were some words that he heard from Zhou Cuihua, and hearing boss Wang say it with his own ears was another matter. ”

“The meaning in boss Wang’s words was already very obvious. As long as she was willing to nod her head, she would be the successor of the Wang Group in the future. ”

“Basically, no one could reject such a heaven-splashing wealth, and naturally, Li Hang couldn’t either.”

“Li hang pondered over the words in his heart and continued, “Uncle Wang, I know what you and my mother mean. First of all, thank you for your great love. Yes, but I still have to consider this matter carefully. Can you give me three days?” ”

“She couldn’t agree to it immediately, as it would seem a little impatient.”

“Boss Wang nodded and said with a smile, “Sure, Hang Hang, think about it carefully. Actually, I can understand your current mood. The heart and the back of the hand are all flesh. One side is the father, and the other is the mother. It’s indeed a little difficult to choose.” ”

“”Thank you for your understanding, uncle Wang.” ”

“Boss Wang said, “As I said, we’re all family. There’s no need to be so polite. Hang Hang, even if you choose your biological father, you’re welcome to visit our house frequently.” ”

Visit.

He said visit.

“This was also to remind Li hang that if Li Hang did not choose to follow Zhou cuihua, then she would be a guest to him and the Wang family.”

Chapter 2625: 559: Fox Tail Exposed 3

“”Okay, uncle Wang.”Li Hang continued to nod.”

“After eating, Li Hang drove home.”

“Along the way, she thought a lot.”

“In the end, she had an answer in her heart.”

“In order to avoid arousing Li Dalong’s suspicion by going back too early, Li hang specially sat in a nearby coffee shop for a while and waited until it was dark before going back.”

The next day was the day that Li da long brought his current girlfriend back.

Li hang woke up early.

Li Da Long had just woken up as well.

“”Dad, quickly go and pick up Auntie fan. Leave the house to me.””

“Li Da long smiled and said, “Hang Hang, thank you.”With a daughter as sensible as Li Hang, Li Da Long was really very gratified.”

How many daughters could do what Li Hang did?

“Li hang said somewhat helplessly, “Dad, are you still so estranged from me? Alright, quickly go and pick up aunt fan. Girls need to put on makeup when they go out. You can wait for Aunt Fan.””

“”Okay, okay, I’ll go right away.”Li Da long nodded.”

“Li hang seemed to have thought of something and continued, “Oh right, what kind of dishes does aunt fan like to eat? Let aunt fan taste my cooking today.””

“Since he was brought up by his grandmother, Li Hang’s cooking skills were very good.”

Li Da Long was even more touched. It was really rare for his daughter to do what Li Hang did!

““As long as it’s cooked by you, your auntie fan likes to eat it,” Li da long said.”

“Li hang smiled and said, “Okay, then I’ll make some random dishes.””

“Okay.” Li Da long nodded.

“After Li da long left, Li Hang quickly began to prepare lunch.”

“About two hours later, the doorbell rang in the air.”

Li hang wiped his hands on the apron and immediately ran over to open the door.

“Dad.”

The person standing outside the door was Li da long. Beside Li da long stood a plain-looking middle-aged woman.

She had short black hair and wore a plaid dress. She had no makeup and her facial features were not bad. She had the standard appearance of an ordinary person and was completely different from Zhou Cui Hua.

“Li dalong smiled and introduced, “Hang Hang, this is your aunt fan. Juan ‘er, this is my daughter, Li Hang. You can just call her hang hang.””

““Hello, Aunt Fan. Come in and have a seat.””

“Fan Juan walked in and said, “Hang Hang is really beautiful! No wonder your father talks about you all day long.””

“”Thank you, Aunt Fan. You’re also very beautiful,”Li Hang said.”

“After saying that, Li hang continued, “We have tea and drinks at home. What would you like to drink, Aunt Fan?””

“Fan Juan said, “Tea and I will do.””

“”Okay, I’ll pour you some tea.””

“Fan Juan stood up and said, “Where’s the Tea? I can pour it myself.””

“”I’ll do it.”Li hang smiled and said, “There’s no reason to let the guests do it.””

“As Li Hang said this, he poured some tea for Fan Juan.”

Fan Juan sized up the young girl in front of her.

Sensible and beautiful. This was her first impression of Li Hang.

“It seemed that Li Da Long was right. He indeed had a rare and good daughter. Initially, fan Juan thought that Li Da Long’s words were more or less exaggerated, but now that she saw Li Hang, she realized.., li Da Long was not exaggerating at all.”

Li Hang was indeed very outstanding.

“Very soon, Li Hang came over with tea. “Auntie fan, please have some tea first. The food will be ready soon.””

"After saying that, Li Hang looked at Li da long and continued, "Dad, please take care of Auntie fan. I'll go to the kitchen to take a look.""

"Li Da long smiled and said, "You go ahead.""

"Fan Juan stood up as well. "Hang Hang, let me help you.""

""No need, no need."Li hang turned around and placed his hand on fan Juan's shoulder as he sat back down on the sofa. "Auntie fan, you can just sit here and chat with my dad. I'm a junior, so it's normal for me to cook for you guys.""

Li Hang's action was also to make his conscience feel better.

She had to let Li da long have some company before she left Li da long.

"Li Da long smiled and looked at fan Juan. "Since it's hang hang's filial piety, don't argue with her.""

"Fan Juan nodded. Looking at Li Hang's busy figure in the kitchen, she said, "Hang Hang is really a good child.""

This was a heartfelt compliment. It was rare for a child as old as Li Hang to accept his parents'second marriage.

"But not only did Li hang accept it, his attitude was also so sincere. It was really quite surprising."

"Li Da long said somewhat proudly, "I've already said it. Hang Hang is a sensible and obedient child.""

Fan Juan nodded. "Your ex-wife taught her very well."

“This sentence made Li da long somewhat unhappy. He continued, “What can she teach hang hang? It’s mainly because hang hang is excellent to begin with.””

Chapter 2626: 559: Fox Tail Exposed 4

“Fan Juan smiled and said, “You!” ”

“”Today is a happy day. Let’s not talk about her,”Li da long continued, “To be honest, what’s your impression of Hang Hang?” ”

“Very good.”Fan Juan nodded.

“She did not say anything against her heart, but it was really good.”

“Fan Juan continued, “I’ve never seen such a sensible child like hang hang.” ”

“Li Dalong was very proud. “After all, she’s my daughter.” ”

Fan Juan nodded.

“Li dalong continued, “By the way, Hang, you’ve met him. When will you arrange for me to meet Qiang Qiang?” ”

Qiang Qiang was fan Juan’s son.

“Hearing this, fan Juan said, “Qiang Qiang said that he wouldn’t interfere in my matters. He’s currently abroad. He shouldn’t be back for a while.” ”

“Speaking up to this point, fan Juan continued, “Qiang Qiang’s attitude might not be as good as Hang Hang’s. When the time comes, don’t mind him.” ”

“Li dalong smiled and said, “Do I look like the kind of person who has a small tolerance?” ”

“In any case, he was not going to live with fan Juan’s son. ”

“Fan Juan continued, “In any case, it’s good that you know what you’re doing. That Child Qiang Qiang has always been like that since he was young. He doesn’t have much to say to a mother like me.” ”

“Okay.”Li Da Long continued to nod.

“Soon, the meal began. ”

Li hang prepared five dishes and a soup.

It was very sumptuous.

“Fan Juan could not help but praise, “Hang Hang is really skillful. The dishes on this table look very delicious.” ”

“”Thank you for your praise, Auntie fan. Dad, quickly bring Auntie fan to sit down. We’re all on the same side today. Tell Auntie fan not to stand on ceremony.” ”

Li Da Long turned to look at fan Juan. “Did you hear what Hang Hang said? Don’t stand on ceremony!”

“Fan Juan smiled and said, “You’re welcome, you’re welcome.” ”

The meal was very enjoyable

“Fan Juan was a very simple woman. She did not have too much scheming, so she naturally did not notice the perfunctory look on Li Hang’s face. ”

“After the meal, Li Da Long sent fan Juan back. ”

“After returning, Li da long looked at Li Hang. “How is it?” ”

Li Hang was stunned. “How is what?”

“Li da long continued, “How is your Aunt Fan?” ”

“Li hang smiled and said, “I think aunt fan is very good. She is much gentler than I thought. Although she is not as beautiful as my mother, she has something that my mother does not have. Therefore, I think she is a good woman who is very suitable for living. Dad, you must hold onto aunt fan well. You must not let her be snatched away by others.” ”

“Fan Juan was only in her forties. She could still give birth to a second child. At that time, even if she were to leave, Li Da Long would still have hope. ”

“As a daughter, she could only help Li da long to this extent. ”

“Hearing this, Li da long smiled and said, “Hang Hang, you summed it up very well. Don’t worry, I will cherish your aunt fan. I Won’t let her be snatched away by others.” ”

“Okay.”Li hang nodded.

“After handling Li da Long’s matter, Li Hang could finally respond to boss Wang with a peace of mind. ”

“At night, she called Zhou Cui Hua. ”

“Hearing that, Zhou Cui Hua said excitedly, “Hang hang, are you serious?” ”

Li hang nodded. "Yes."

"Then I'll let your uncle Wang answer the call," Zhou Cui Hua said. "Tell him yourself." "

"Okay," Li Hang said. "

"Soon, boss Wang walked over and picked up the phone. "Hang Hang." "

Li Hang repeated what he had just said.

"Hearing that, boss Wang said happily, "Good, good, good. Hang Hang, hurry up and choose a time to settle the household registration matter. This kind of matter should be settled sooner rather than later." "

"Yes, I know, Uncle Wang." "

"Boss Wang continued, "Hang Hang, uncle Wang has already prepared the room for you. You should move over to uncle's house as soon as possible." "

"Okay."

"After you've finished talking to your father, tell uncle that uncle will send a driver to pick you up." "

"Thank you, Uncle Wang." "

"We're all on the same side. There's no need to be so polite. Besides, this is what an uncle should do." "

"After hanging up the phone, Li Hang began to think about how to tell Li Dalong. "

“At noon the next day, Li Hang finally decided to confess to Li Dalong. ”

“”Dad, I want to tell you something. Do you have time now?” Li hang looked at Li Dalong with a serious and serious expression. ”

“Seeing her like this, Li da long smiled and said, “What do you want to tell me? Why Are You So Serious?” ”

“”Something very important,” Li Hang said. ”

“You have a friend?” Li Da Long asked.

Li hang shook his head. “No.”

“Then what is it?” Li Da Long asked curiously.

Chapter 2627: 559: Fox’s tail exposed 5

“Li hang continued, “Please Sit Down First and let me tell you slowly.” ”

“Okay.” Li Da long nodded.

The father and daughter went to the study room and sat down.

“Li hang deliberated over his words and continued, “Dad, I’ve thought about it for a long time, but in the end, I still feel that I have to tell you the truth.” ”

“I want to be with my mother.”

“Hearing this, Li Da Long was stunned for a moment before asking, “Why?” ”

“”I just want to be with my mother,” Li Hang said. ”

“Li Da long instantly found a problem with himself. “Is it because dad remarried? If it’s because of this reason, dad can immediately break up with your Aunt Fan!” ”

“For his daughter, Li Da Long would do anything. ”

“”Dad, it’s not because of this reason,” li hang continued, “I just feel that my mother is too pitiful alone. She has worked hard for this family for so many years. I don’t want her to have nothing in the end.” ”

“Li Hang’s words were dignified. If people who did not know heard it, they would really think that Li Hang was a filial daughter. ”

“She was not a filial person. At the same time, she was not the kind of child who was unforgivable. ”

“At least, before she left, she found a suitable woman for Li Da Long to live with. ”

“For the rest of his life, Li Da Long was at least not alone. ”

“”If you think your mother is very pitiful, then don’t you think your father is very pitiful?” Li Da Long did not understand why li hang would change so much in such a short period of time. ”

“”Tell father, what exactly happened? Or did your mother say something to you? Or did father do something wrong? That led to your decision!” ”

“Li Da Long looked at Li Hang, eager to know the answer. ”

“As long as Li Hang could point out the problem, he would definitely change it.”

“Li hang looked at Li da long and said sincerely, “Dad, I just want to stay with mom. I Can’t bear to part with you. I beg you not to make things difficult for me.” ”

“Li da long continued, “Hang Hang, do you know that you are dad’s Fate!” ”

“Li hang said very calmly, “Then have you ever thought that I am also my mother’s fate?” ”

One sentence made Li da long speechless.

“For children, their parents’ divorce did indeed leave them with no choice.”

“He was Li Hang’s father, and he saw Li hang as his entire life. However, Zhou Cui Hua was Li Hang’s mother, and she also saw Li hang as her entire life.”

“Li hang continued, “Dad, do you know how hard it is for a woman to be pregnant for ten months? I don’t want to see my mom’s disappointed eyes... Mom needs me, and I need her.” ”

“But dad and this family also need you.”

““Dad, you already have aunt fan,”Li Hang said.”

“Li Dalong said, “Hang, if it’s because of your aunt fan, I can break up with her immediately. I’ll call her right now and tell her.” ”

“After saying that, Li da long took out his phone and was about to call fan Juan.”

““Dad, it really has nothing to do with Aunt Fan.”Li hang directly took the phone from Li Da Long’s hand.”

“Then what’s the reason?” Li Da Long asked.

“”Because my mother is my mother,” Li Hang said. ”

“Li da long continued, “I don’t agree with you following your mother!” ”

“As a father, Li Da Long would never allow Li Hang to live a life of exile with Zhou Cui Hua. ”

Zhou Cui Hua had nothing now. What could she give Li Hang?

“Why?” Li Hang asked.

“Li da long continued, “I know your mother too well. If you follow her, she will only become a burden to you.” ”

“She won’t!” Li Hang said.

“”Hang Hang, you don’t know your mother at all!” Li da long continued, “In short, I absolutely won’t allow you to follow her!” ”

“In Li Da Long’s eyes, Li Hang was still a child. She couldn’t tell right from wrong. ”

“At the same time, Li Da Long didn’t want to see Li Hang Regret. ”

“”Dad, I beg you.” ”

“No means No.” Li Da Long’s attitude was very firm.

“Dad!”

Li Da long ignored Li Hang and turned to leave.

“Looking at Li Da Long’s back, Li hang frowned tightly. ”

What should he do now?

“Li Da Long’s heart was restless. Unknowingly, he drove the car to fan Juan’s apartment. ”

Li Da Long took out his phone and dialed fan Juan’s number.

“Fan Juan happened to be resting at home today, so she answered the phone very quickly. ”

“Hello.”

“Li dalong continued, “Juan ‘er, I’m downstairs at Your House.” ”

“”I’ll be right down,”fan Juan said. ”

“Soon, Fan Juan went downstairs. ”

“Why are you here?”Fan Juan looked at Li Dalong and asked.

Chapter 2628: 559: Fox’s tail exposed 6

“Li da long said, “I was in a bad mood and unknowingly walked to your place.” ”

“What’s the matter?” Fan Juan asked.

Li Da Long opened the car door and got out. “Let’s talk as we walk.”

The two of them walked along Wutong Avenue as they talked.

“Hearing this, fan Juan immediately said, “Is it because of my existence that Hanghang suddenly made this decision?” ”

“”This matter has nothing to do with you.” Li dalong continued, “I can tell that hang hang wants to leave me.” ”

“Fan Juan continued, “I think hang hang is quite sensible. Why would he suddenly ask to leave?” ”

“WHO KNOWS!” Li Dalong scratched his head.

“Fan Juan held Li Dalong’s hand and continued, “Don’t be anxious. Go back and talk to hang hang properly. Or maybe there’s some misunderstanding.” ”

“Okay.”

“Fan Juan continued, “Right, why did you and Hang Hang Ma get divorced? Actually, sometimes it’s normal for a child to want to be with his mother. After all, his mother was the one who was pregnant for ten months.” ”

“As a woman, Fan Juan could understand Zhou Cuihua’s feelings. ”

“The bond between a mother, daughter, or a mother and son could only be understood after becoming a mother.”

“At the mention of this matter, Li Dalong sighed. “Her mother had an affair.” ”

“An Affair?” Fan Juan was very shocked.

“Li Dalong nodded. “How could a person with a moral blemish teach his daughter well! Besides, she left home with nothing. Other than dragging hang hang down, what else could she give hang hang hang?” ”

This was also the reason why Li Dalong strongly opposed Li hang following Zhou cuihua.

“Fan Juan continued, “Did your ex-wife find a better one? is that why she thought of taking hang hang over?” ”

““That’s absolutely impossible!”Li dalong continued, “With Zhou Cuihua’s condition, what right does she have to find a better one? Even if she did find a better one, how could the man accept Hang?” ”

How could a man accept a daughter who was not related to him by blood?

Unless that man had gone crazy.

“Speaking up to this point, Li da long paused before continuing, “And I believe that Hang Hang is not that kind of person.” ”

Li Da Long would rather believe that Li hang really could not bear to part with Zhou cuihua than believe that Li Hang did not want him as a father because of a powerful person.

He did not believe it!

“Fan Juan smiled and said, “Don’t be in such a hurry to get angry. This is just my guess.” ”

Li Dalong did not say anything.

“Fan Juan continued, “Actually, I think you can talk to your ex-wife. She definitely knows what’s going on.” ”

“I have nothing to say to her.” Li Dalong directly rejected this suggestion.

“”You’re just too stubborn.” Fan Juan continued, “Since the two of you have already walked down the path of divorce, it means that everything in the past has been written off. You shouldn’t avoid her anymore.” ”

“Li Dalong pinched his temples. “What you said makes sense, but I’m still unable to convince myself to face her.” ”

“The moment he saw Zhou Cuihua’s face, he couldn’t help but want to tear it apart! ”

“Fan Juan smiled and said, “You’ll get used to this kind of thing slowly. Don’t worry.” ”

“Okay.”

“Fan Juan continued, “Actually, I was the same as you in the past. I was unable to face my ex-husband after a long period of divorce. Later on, I slowly came to a realization. The past is already in the past. Since I’ve already decided to start a new life, there’s no need to be stuck in the past.” ”

Fan Juan’s past was much scarier than Li Dalong’s.

“She could still dream about the past in her dreams now. Every time she woke up, she would be drenched in sweat. ”

“Hearing fan Juan’s indifferent tone of voice recounting the past, Li Dalong’s heart ached endlessly. He held onto fan Juan’s hand tightly. ”

“”Don’t worry, there won’t be such a thing in the future.” ”

""En."Fan Juan nodded and continued, "So you have to bravely walk out of that matter. Don't think too much about it." "

""En, I'll listen to you."Li Da long nodded. "

Over here.

Li Hang also told Zhou Cui Hua about this matter.

"When Zhou Cui Hua heard about this matter, she was extremely angry. "Why doesn't he let you follow me! Li Da Long is really good!" "

"Li hang said, "Mom, what should we do now? Why Don't we just forget about this matter..." "

""Forget about it! You're my daughter! The daughter that I carried for ten months!"Zhou Cuihua was very strong. She continued, "Call him out tomorrow! I'll tell him directly!" "

"Call who out?"Li Hang was stunned.

"Li Dalong!"Zhou cuihua said.

Chapter 2629: 559: Fox Tail Exposed 7

"Li Hang was a little hesitant. "Mom, actually, it's quite good for me to follow my dad. There's no need to hurt the harmony between the two of you because of me." "

"Zhou cuihua said, "There's no harmony between him and me to begin with!" "

Li hang sighed and ultimately agreed to Zhou Cuihua's request.

"The next day, Li Hang used his own name to arrange a meeting with Li Dalong at a cafe. "

""Dad..."Li hang looked at Li da long as if he had 10,000 words to say, but in the end, he couldn't say anything. "

"Li da long said, "Hang Hang, I already told you what I should say yesterday. I Don't agree to you following her!" "

""You have no right to disagree!"At this moment, Zhou Cuihua's voice suddenly appeared in the air. "

Li Da Long looked up and indeed saw Zhou Cuihua.

"Zhou cuihua placed her handbag on the coffee table and said, "Li Dalong, Hang Hang is my daughter, and she is now an adult. She has the right to choose." "

"Hang Hang is Your Daughter?"Li Dalong looked at Zhou cuihua.

"Zhou cuihua smiled and continued, "Li Dalong, what can you give Hang Hang?" "

Li Dalong felt that Zhou Cuihua's words were extremely laughable. "What About You? What can you give Hanghang?"

"Zhou cuihua turned to look in the direction of the door. "Zhengxuan, come in." "

"The next second, boss Wang walked over from the direction of the door. "

""Let me introduce you. This is my fiancé, Wang Zhengxuan. He's also the chairman of LK Real Estate." "

“Boss Wang politely nodded at Li da long. “Hello, Mr. Li.” ”

Li Da Long was stunned.

“Before Li da long could react, zhou cui hua continued, “Zhengxuan will treat hang hang as his biological daughter in the future. He can give hang hang a bright future. May I ask, what can you give hang?” ”

“Compared to boss Wang, Li Da Long was nothing! ”

“Boss Wang immediately said, “Mr. Li, don’t worry. I don’t have a daughter, and I won’t have any other children in the future. I will treat hang hang as my own daughter. In the future, all the assets under my name will belong to hang hang.” ”

“Of course, the prerequisite was that Li Hang had to be surnamed Wang.”

Li da long immediately understood the meaning behind boss Wang’s words.

“I absolutely won’t allow my daughter to call others ‘father’!”Li Da Long said.

“Zhou cui hua continued, “Then I definitely won’t allow my daughter to call others ‘Mommy’! Besides, Zhengxuan can give Hang Hang, can you? Other than dragging hang hang down, what else can you do?” ”

Drag Li hang down?

This was originally a term that Li da long used to describe Zhou Cui Hua. He did not expect Zhou Cui Hua to use this term to describe him now.

“Li Da Long did not say anything. He turned to look at Li Hang. “Hang Hang, do you think so too?” ”

“Li Hang did not directly answer Li Da Long’s words. Instead, he said, “I want to follow mother.” ”

This sentence immediately made Li Da Long’s heart die.

She wanted to follow Zhou Cui Hua.

“Hearing this, Zhou Cui Hua became even more confident. She continued, “Did you hear Hang Hang’s Words? She wants to follow me, not you!” ”

Li Da Long did not say anything. He was in a state of shock.

He had never thought that Li hang would become like this.

What exactly made Li Hang become like this?

“Li hang continued, “Dad, Aunt Fan is a good person. In the future, just pretend that you don’t have a daughter like me. Have another child with Aunt Fan.” ”

“Since they had already fallen out, Li Hang did not want to continue pretending. ”

It was meaningless.

“”Hang Hang, do you really think so?”Li Da Long raised his head and looked at Li Hang. ”

“Li hang nodded and continued, “Dad, I am already an adult. I can judge right and wrong. Don’t worry, I will definitely not do anything that I will regret in the future.” ”

“”As long as you don’t regret it.”Li Da Long was very uncomfortable now. He continued, “Since you have already thought it through, then there is no point in me saying anything more.” ”

“From the moment Li Hang said that he wanted Li da long and fan Juan to have another child, his heart had already turned cold.”

“He had doted on Li hang so much, but Li Hang had treated him this way.”

“Hearing this, Li Hang was overjoyed. “So, Dad, you’ve agreed?” ”

Li Da long nodded. “You’re right. You’re already an adult. You’ll be able to judge right and wrong.”

“It was not sweet to twist the melon. At this moment, Li da long could only convince himself that he had never had this daughter before.”

“”Dad, thank you.” ”

Li Da Long stood up from the coffee table. “I’ll be leaving first.”

“Li hang immediately chased after him. “Dad, Wait a moment.” ”

“At this moment, Li Da Long’s eyes suddenly regained their luster. Did Li Hang suddenly think things through?”

“”Dad, why don’t we go and complete the procedures tomorrow?”Speaking up to this point, Li hang paused. “Are you free tomorrow?” ”

Some things could be thrown into chaos if they were determined.

He had to cut the Gordian knot quickly.

“Hearing this, the last glimmer of hope in Li Da Long’s eyes disappeared without a trace. He then said, “I’m free tomorrow.” ”

“Li hang said, “Then it’s settled.” ”

“Okay.” Li Dalong nodded.

“After leaving the cafe, Li Dalong did not go back directly. Instead, he went to fan Juan’s house and told her about this matter. ”

“Fan Juan was not too surprised when she heard this. After all, she had already guessed a little. ”

““Dalong, have you told Hang Hang’s uncle and aunt about this matter?” Fan Juan asked. ”

““Not yet,” Li Dalong said. ”

“Fan Juan continued, “Then you have to tell her uncle and aunt about this. Otherwise, they will think that you, the father, have abandoned your own daughter.” ”

Li Dalong nodded. “You’re right.” It was still a woman’s meticulous mind. She had not thought of this at all.

“After saying that, Li Dalong called Zhou Xiatian. ”

“When Zhou Xia Tian received the call, she was also very shocked. ”

She had thought that Li Hang was a sensible child. She had not expected that Li hang would actually do such a thing.

“After hanging up the phone, Li Da Long was still very sad and could not walk out. ”

“Fan Juan said from the side, “Da Long, actually, this matter has pros and cons for you.” ”

"What do you mean?" Li Da Long asked.

"Fan Juan continued to ask, "Do you know why Hang Hang isn't close to you?" "

"I don't know." Li Dalong shook his head.

"Because you have too little company, resulting in her character being more or less influenced by her mother." Fan Juan continued, "I still have some savings. After I marry you, I'll sell this house. Let's use this money to open a shop. From now on, Don't go out to do business. Let's accompany our child to grow up together." "

These words sounded very promising.

"The haze in Li Da Long's heart immediately lessened by more than half. "Juan 'er, do you really think so?" "

"Yes." Fan Juan nodded.

"Li da long continued, "Alright, then I'll listen to you. Why don't We Go and get the certificate the Day After Tomorrow?" They were not young anymore. If they decided to have children, they had to do it as soon as possible. "

Fan Juan nodded. "Alright."

"Juan 'er, thank you." Li Da Long hugged fan Juan. "If it weren't for you, I really wouldn't know how I would have gotten over this hurdle." "

"Fan Juan smiled and said, "The two of us need each other, and we can accomplish things for each other." "

"He needed her, and she needed him. "

“Early the next morning, Li Hang and Zhou cuihua came to look for Li da long.”

The whole process was very smooth.

“In the middle, Zhou Xiatian also came, but no matter how he tried to persuade Li Hang, he would not listen, so he could only give up.”

“Looking at the brand new household register, Li Hang’s mouth was full of smiles.”

Her new life was coming.

“”Hang Hang, from now on, you will be a rich young lady!”Zhou cuihua continued, “Your uncle Wang also said that he would send you abroad to study.” ”

Chapter 2630: 559: Retribution for Evil! 1

Study Abroad?

“At a time like this, Li hang obviously wouldn’t choose to study abroad! ”

“”Mom, I want to stay in the country to develop,”Li Hang said.”

“Hearing this, Zhou cuihua said in surprise, “Why?” ”

“For someone like Li Hang, as long as he went abroad and came back with a layer of gold, his status would immediately be different.”

“Li Hang looked at Zhou Cuihua and said with a smile, “I want to accompany you and uncle Wang Well.”
”

Zhou Cuihua was especially gratified to hear that.

Her daughter had grown up and was sensible. She also knew that she had to accompany her.

““Good child,”Zhou cuihua continued, “But I still feel that your future is more important than accompanying us.” ”

Li Hang was good-looking. Perhaps he could even find a duke or other aristocratic family overseas.

“At that time, Li Hang would be a true upper-class person. ”

“From the perspective of a mother, Zhou cuihua quite hoped that Li hang could study abroad. ”

“Li Hang looked at Zhou cuihua, the corners of his mouth full of sarcasm. ”

She knew very well what Zhou Cuihua meant.

Zhou Cuihua wanted to take the opportunity to get her to go abroad and then have a son with Wang Zhengxuan.

Impossible!

She would never give Zhou cuihua such a chance.

She would never watch Zhou Cuihua and boss Wang give birth to a child.

“If they had a child, what would she be? ”

""Mom, the most important thing for me now is to accompany you and uncle Wang,"Li Hang looked at Zhou Cuihua and said. "

"Zhou cuihua smiled and said, "You silly child. To Mom, nothing is more important than your future." "

"Mother! I just want to accompany you!"Li hang hugged Zhou Cuihua's arm and began to act coquettishly.

"Zhou cuihua smiled and said, "Good, good, good. Accompany me, accompany me. You Child!" "

""Thank you, mother,"Li Hang said. "

"Zhou cuihua continued, "If your uncle Wang knew that you gave up the opportunity to go abroad to accompany him at home, he would definitely be very happy." "

""Cuihua! Wait a moment!"At this moment, a female voice sounded in the air. "

Zhou cuihua turned around and saw that it was none other than Sun Guixiang.

"Sister-in-law?"Zhou cuihua asked.

"Sun Guixiang looked at Zhou cuihua and said, "Cuihua, have you really thought it through?" "

""Sister-in-law, now that the boat has sailed, it's useless for you to say anything to my brother."Zhou cuihua continued, "There are many things in the past that I don't want to bother with you guys anymore. Sister-in-law, in the future, we'll go our separate ways. Don't bother with US mother and daughter, and we won't interfere with your life." "

"Sun guixiang continued, "Cuihua, you and old Zhou are blood-related siblings. It's too hurtful for you to say that." "

“At this point, Sun Guixiang paused and said, “No matter what happens, brother and sister are brother and sister. Blood is thicker than water. We can’t separate our blood ties no matter how hard we try.” ”

“Actually, Sun Guixiang had her own selfish motives when she said that. ”

“Looking at Zhou Cuihua, she seemed to have really found a wealthy businessman. After Zhou Cuihua married a wealthy businessman, she would have to support her family in the future. ”

“At this time, she obviously could not make things too awkward with Zhou Cuihua. ”

““Does my brother treat me as his sister?”Zhou Cuihua looked at Sun Guixiang and continued, “Sister-in-law, you only came here with a straight face because you saw that I’m different from before?” ”

“Although Sun Guixiang felt uncomfortable, she still maintained a smile on her face. Zhou Cuihua’s words could not be offended. ”

““Cuihua, a family is a family after all...” ”

““When my brother said those words, did he think that we were a family?”Zhou Cuihua asked. ”

“Sun Guixiang continued, “Your brother has a bad temper. Moreover, he’s a man. He definitely doesn’t think as well as US women. Why are you being so calculative with your brother. Actually, your brother is such a person. Whatever he says or does, it’s for your own good. It’s just that his methods are wrong. Your Brother always tells me about what happened when you were young... “... “...” ”

““What do you mean by telling me all this today?”Zhou Cuihua continued, “Are you trying to play the Family Card with me? Do you think I will ever forgive you again? A person like you who will do anything to achieve his goal is really disgusting!” ”

“Zhou Cuihua’s words were very unpleasant. Without even thinking, she knew that Sun Guixiang must be very regretful now. She regretted not treating her well back then. ”

“Some things just happened. No matter what she did now, it was useless! ”

“Sun Guixiang still maintained her smiling face. “Cuihua, you...” ”

Zhou cuihua couldn't be bothered with Sun Guixiang anymore. She grabbed Li Hang's arm and turned around to leave.
