Chapter 2631: 559: Retribution for Evil! 2

“Sun Guixiang reached out and grabbed Li Hang’s arm. “Hang Hang, help Auntie say a few words.””

“In Sun Guixiang’s eyes, Li Hang had always been a sensible and sensible child, and she had always been very good to him.”

“Logically speaking, children should not be involved in matters between adults.”

“Therefore, Li Hang would more or less help her say a few words.”

“Who knew that what happened next was completely out of Sun Guixiang’s expectations. Li hang directly brushed Sun Guixiang’s hand away and continued to speak, “Aunt, when my mother divorced, do you still remember what you and Uncle Said and did? Now, you’re here to pretend to be a good person. It’s nothing more than seeing my mother look for uncle Wang.””

“Speaking up to this point, Li hang continued, “In the past, I never knew what it meant to be cold in the world, but now I do. My mother is right. From now on, Let’s go our separate ways!””

What did the rich people fear the most?

They were most afraid of the best relatives who would pester them to death.

“Rather than dragging their feet with them, it was better to cut them off completely.”

“After all, apart from dragging their feet, poor relatives knew nothing else.”

“Sun Guixiang stared at Li Hang with her eyes wide open. “Hang Hang, how can you speak like this?” She never expected that Li Hang would turn out like this.”

It was a little chilling.

““That’s all.” Li hang continued, “My mother has already said what she should say. Please have some self-respect.””

Sun Guixiang’s face was a little pale.

““Mom, let’s go.” Li hang held Zhou Cuihua’s arm and turned to leave.”

Sun Guixiang was about to catch up when her arm was suddenly grabbed by someone.

Sun Guixiang turned around and saw that the person who grabbed her was none other than Zhou Xiatian.

“Old Zhou.”

Zhou Xiatian’s expression was a little ugly. “I heard what you said. This mother and daughter have no conscience anymore. Let’s pretend that we don’t have such relatives in the future.”

“Sun guixiang said, “But she’s still your sister.””

““I don’t have such a sister.” This time, Zhou Xiatian was really angry.”

He had been running around for Zhou Cuihua’s matter. He had been so worried that he had gotten such an outcome.

""In the future, whether they live or Die has nothing to do with us.""

"Sun Guixiang looked at Zhou Xiatian and continued, "Old Zhou, are you talking in anger?"

""I'm not talking in anger,"Zhou Xiatian said seriously."

"Then are we really not going to chase after them?"Sun Guixiang asked.

"No."

Zhou Xiatian's attitude was very firm.

"Sun guixiang continued, "But looking at your sister, she seems to have really found some great backer. Do you see what she's wearing today? It can adjust the temperature!"

"The technology that could adjust the temperature was popular all over the world, but ordinary people who wanted to buy an air-conditioned shirt had to order it half a year in advance."

"Not only did Zhou cuihua wear it, even Li Hang wore one."

""It doesn't matter whether she found a backer or not. I don't want to rely on anyone either!"Although his current life was not too rich, it was still passable."

"Hearing this, Sun Guixiang smiled and said, "Since you have said so, what else can I say! Let's go back.""

"Okay."Zhou Xiatian nodded and followed Sun Guixiang's footsteps.

Over here.

"After Li Hang moved his household registration out, Li Dalong's heart had been empty."

He felt that something was missing.

“Feng Juan made him a cup of tea and said with a smile, “Dalong, I have already hung up my house. If you think it’s okay, we can choose an address and start a business in the supermarket.””

“So Fast?” Dalong looked at Feng Juan in surprise.

“”Some things need to be cut to the chase,” Feng Juan said.”

“Dalong continued, “Aren’t you afraid that I’ll lie to You?””

“Feng Juan looked at Dalong, “From the moment I saw you, I knew that you weren’t a liar. That’s why I trusted you so much. I’ve been divorced for three years, and I’ve never been so eager to have a home and a cute child.””

“In fact, Li Hang’s insistence on moving out of the household registration was a good thing for Feng Juan.”

“After all, Li Dalong wasn’t going to have another child in the first place.”

“Although Feng Juan didn’t object to this, as a woman, she was always eager to have a child with the person she liked.”

How could other people’s children have their own relatives?

“Feng Juan’s words made Li Dalong see endless hope. His heart moved, and he continued, “Juan ‘er, let’s Go get the certificate!””

“Now?” Feng Juan was stunned.

Li Dalong nodded. "Now."

Chapter 2632: 559: Retribution for Evil! 3

"Feng Juan looked at Li Dalong and asked, "Are you serious?" "

"I'm serious." Li Dalong's eyes were full of seriousness, then he said, "If you don't like the decorations at home, you can redecorate it. During this period of time, we can live outside. Or isn't it fashionable for young people nowadays to travel and get married? "Let's go on a trip and get married. When we come back, the house will be renovated." "

"Okay." Feng Juan nodded.

No woman would like the things left behind by her husband and ex-wife.

"Feng Juan was a very ordinary woman, so she was naturally no exception. "

"Feng Juan continued, "Can I renovate the house?" "

"You are the hostess, so of course you can do it." Li Dalong stood up and said, "I'll go get the household register. Let's go to the Civil Affairs Bureau now." "

"My household register is still at home," Feng Juan said. "

"It's okay. We'll be there soon by car."

"Before they went to the Civil Affairs Bureau, the two of them went to the hospital for a wedding check-up. "

“Feng Juan looked at the doctor and asked, “Doctor, my husband and I are now at this age. Is it easy to have children?” ”

“At present, the two-child policy was fully open. There were people like Feng Juan and Li Dalong every day. The doctor was already used to it. He smiled and said, “As long as you want it, you can have it anytime.” ”

“”Okay.”Feng Juan nodded. “Thank you, Doctor.” ”

“You’re welcome.”

“After leaving the hospital, the two of them went straight to the civil affairs bureau.”

“Today was not a special festival, so there were not many people in the civil affairs bureau.”

The two of them quickly received their marriage certificate.

“Li Da Long was very excited. He held Feng Juan’s hand and said, “Let’s have a big meal tonight.” ”

“Okay.”

Two people who knew each other well were destined to have a happy ending when they got together.

“After returning home, Li da long cleaned up all the things related to Zhou Cuihua and Li Hang.”

The house keys were also changed.

“The next day, the two of them prepared to go on a trip outside.”

“Li Da Long had been busy for most of his life, but he had never officially gone out to play. This time, he could have a good time. ”

“On the other side, Li Hang officially moved to the Lookout Pavilion Courtyard. ”

“That night, boss Wang treated Li Hang to a grand reception. ”

“”Hang Hang will be an official member of our big family in the future. If you need anything in the future, don’t stand on ceremony. Just ask us directly.” ”

“”Thank you, Uncle Wang.”Li hang raised his glass. “Let me toast to you.” ”

“Zhou cuihua felt that it was a little strange because she did not see an old lady at the dining table. She asked, “Where’s the Old Lady?” ”

“Boss Wang said, “My mother was picked up by my sister.” ”

“Zhou cuihua said in surprise, “You have an older sister?” ”

“Boss Wang nodded. “My Sister is in love with a young man and has married far away. She originally wanted to treat you to a meal, but time was too short, so she did not stay for long.” ”

“OH.”

“”Don’t worry. There will be plenty of opportunities to meet in the future,”boss Wang added. ”

“Okay.”Zhou Cui Hua nodded.

“Actually, she didn’t care about boss Wang’s sister at all. ”

“After the meal, boss Wang said, “Cui Hua, I’m going on a business trip next, so I’ll have to trouble you to take care of everything at home.” ”

“After saying that, boss Wang looked at the housekeeper. “While I’m not at home, just listen to Madam.” ”

““Yes, sir.” ”

Zhou cuihua smiled.

Li Hang looked at boss Wang and felt more at ease.

“From the looks of it, boss Wang really treated Zhou cuihua very well. ”

“In the blink of an eye, half a month passed. ”

“During this month, Li Hang and Zhou Cuihua had been staying at the Wang family’s residence. ”

“Li hang asked curiously, “Mom, why did uncle Wang go on a business trip for such a long time? Did you ask him where he went?” ”

Boss Wang was a rich man to begin with. The place where he appeared was definitely surrounded by a bunch of women. What if he was tempted?

Li Hang was a little worried.

“Zhou cuihua said, “He went abroad and won’t be back for a while.” ”

“During this period of time, Zhou Cuihua was very comfortable. ”

She enjoyed the care of the servants every day. She only needed to play cards and show off her happy life to her good friends.

Zhou cuihua would invite a few good friends to play mahjong in the lookout pavilion courtyard every day.

None of her good friends were not envious of Zhou Cuihua's good life. A woman who was married for the second time could actually find a rich businessman.

Zhou cuihua also enjoyed her current life very much.

""Oh right, Hang Hang, do you think the detective agency we found is a liar? How could they investigate Xia Xiaoman? They haven't come up with any results until now!" "

Chapter 2633: 559: Retribution for Evil! 4

Li hang frowned slightly. "This matter is indeed a little strange. Let Me Make a call and ask."

"After saying that, Li Hang went to call the detective agency. "

"Very soon, the call was connected. "

"Ten minutes later, Li hang hung up the phone. "

"Zhou cuihua asked anxiously, "What did they say?" "

"Li hang said, "The Detective Agency said that Xia Xiaoman is doing fine. They didn't find any mistresses." "

“Impossible!”Zhou cuihua said.

“Li hang nodded. “I also think it’s impossible, but that’s what the detective agency said.”If Xia Xiaoman was normal, then how did Lin Zhi come out? ”

“Would a rich man not have children for more than 20 years after marriage, and then have children after his second marriage? ”

It was impossible!

“After saying that, Li hang continued, “But mom, don’t be anxious. The detective agency is still investigating. Maybe we’ll have a result in a few days.” ”

“Zhou cuihua said, “There’s nothing we can do even if we’re anxious now. This Xia Xiaoman hid herself too well. No wonder Lin Qingxuan never found out.” ”

Even a professional detective didn’t find out about Xia Xiaoman’s problem. How could an ordinary person like Lin Qingxuan find out!

Zhou Cuihua’s only wish now was to see Xia Xiaoman being kicked out of the house as soon as possible!

“Li hang continued, “Mom, have you contacted Uncle Wang during this period of time? When does he plan to hold a wedding with you?” ”

Zhou cuihua shook her head. “We haven’t mentioned this topic for the time being.”

“”How can that be! Although we have already lived here, have you lost anything between the two of you? What will you do if uncle Wang falls in love with someone else one day?”Li Hang said. ”

“”Then what should we do?”Zhou cuihua continued, “Your uncle Wang shouldn’t be such a person, right?” ”

""People's hearts are unpredictable. Anything Can Happen!"Li hang continued, "However, this kind of thing can not be directly mentioned by the woman. You can be more tactful." "

"If Zhou Cuihua pursued him too hastily, it would instead have the opposite effect. "

""En."Zhou cuihua nodded. "Then when I chat with your uncle Wang Tonight, I'll talk to him." "

"Okay."

A month passed just like that.

"During this period of time, Zhou Cuihua had been waiting for the detective agency's reply. "

"At noon, Zhou Cuihua had just arranged for her mahjong partner to come to her house to play mahjong. At this time, a man in a suit suddenly appeared. "Excuse me, is this Ms. Zhou Cuihua?" "

"I am."Zhou cuihua stood up.

"The man continued, "Hello, I am the person-in-charge of happy residence. Would you like to renew your stay or check out?" "

"Check out?"Zhou Cui Hua was stunned. "You must be mistaken! This house is mine!"

"The man smiled and said, "The house you are staying in now is rented by Mr. Wang Zhengxuan. He rented it for half a year previously. Now that half a year has passed, this is our contract." "

"After saying that, the man handed the contract to Zhou Cui Hua. "

Zhou Cui Hua took the contract and her face turned pale. She immediately shouted for Li hang upstairs.

“Hang Hang Hang Hang Hang!”

“Li hang answered, “Mom, What’s Wrong?” ”

“”Hang Hang, look at this!” ”

Li Hang took the contract from Zhou Cuihua’s hand and his expression turned grave bit by bit.

How could this be!

Boss Wang’s small house was actually rented!

Rented!

“In that case, what they had seen in the past few days was just an illusion. ”

“The man continued, “May I know if the two of you want to continue staying or give up the rental? If you want to continue staying, we’ll start renting from one month. The rent is 100,000 yuan per month.” ”

“Li Hang looked at the man and tried his best to calm himself down. “Wait a moment, I’ll make a call first.” ”

“Okay.”

“Li hang then looked at Zhou Cuihua. “Mom, give me your phone.” ”

Zhou cuihua immediately gave the phone to Li Hang.

“Li hang turned on the phone and started to call boss Wang’s number, but there was a notification on the other end of the phone that said the phone was off. ”

“Chapter 2634: 560: things are different, people are different”

Turn off the phone?

Why would boss Wang turn off the phone at this time?

What was going on?

“Li Hang tried his best to calm himself down. He turned his head to look at the man beside him and continued, “Wait a moment, this must be a misunderstanding. I am contacting my Uncle Now.””

Boss Wang did not need to rent a house to deceive them.

“The only explanation was that the house belonged to boss Wang. The people under him did not know and thought that they were tenants, so they could collect the rent.”

“After all, boss Wang was the boss of a real estate company.”

“”Okay, contact him first.””

“Li hang opened wechat again and dialed a voice call. However, the screen showed ‘you are not a friend in the other party’s contact list’.”

He was blacklisted.

Li Hang was stunned. She did not expect boss Wang to blacklist Zhou Cuihua.

Everything happened too suddenly.

“Li Hang looked at Zhou cuihua and asked, “Mom, have you and uncle Wang quarreled recently? Or did you make Uncle Wang Unhappy?””

“”No!”Zhou cuihua continued, “We have been chatting very well these few days.””

Li Hang opened other social media apps and found that boss Wang had blocked all of Zhou Cuihua’s accounts.

“Immediately, Li Hang took out his phone again, and the result was the same.”

“The staff at the side was a little anxious and continued to speak, “Ladies, if you don’t intend to renew the lease, please move out before noon today at 12 o’clock. If you want to renew the lease, please renew the rent for a month first.””

Li Hang did not know how to react.

“Although she did not want to admit that boss Wang had lied to Zhou Cuihua and them, that was the truth.”

“If it was a misunderstanding, boss Wang would not have blocked them at all.”

What should they do now?

Li Hang tried not to lose his composure in front of others and tried his best to maintain his smile. “May I ask if the person who checked in was called Wang Zhengxuan?”

The staff member flipped through the information in his hands and nodded. “It was him.”

It was really rented.

“Li hang continued, “Alright, I got it. Thank you. We will move out before 12 o’clock.””

“”Alright.”The staff member nodded. “Ladies, I will be leaving first. If there is anything you need, you can contact me at any time.””

“Alright.”

The staff member turned around and left.

“Looking at the staff member’s back view, Li Hang’s expression was slowly breaking down.”

“Zhou Cuihua’s face was pale. She looked at Li hang and said, “What about hang? Your Uncle Wang Won’t lie to me! Why would he lie to me!””

There was no need for a person to spend so much money to lie to her.

“He won’t lie to me!”

Li Hang’s expression was also very ugly. “When was the last time you contacted him?”

“Zhou cuihua said, “When I just woke up in the morning, we even contacted each other. Oh right, he also said...””

Zhou cuihua could not continue what she was about to say.

“Li hang immediately asked, “What else did he say?””

Zhou cuihua gulped. "He said that he would give me a mysterious gift today."

Zhou Cuihua was still looking forward to this gift in the morning.

Could it be...

"The more Zhou Cuihua thought about it, the paler her face became."

""Hang Hang, what should we do now?""

Zhou Cuihua was very flustered.

What if boss Wang was really a swindler?

"In order to find a rich businessman and live the life of a rich wife like Xia Xiaoman, Zhou Cuihua now had nothing."

She even gave the last sum of money to the detective agency.

How was she going to live in the future?

Especially since she moved Li Hang's account from Li Dalong's side. What was Li hang going to do in the future?

""How would I know what to do!"Li Hang was furious. "When you divorced my father and insisted on moving my account out, why didn't you think of this!""

Li Hang was very angry now!

It was all Zhou Cuihua's fault!

It was simply not enough to accomplish anything.

“If it were not for Zhou cuihua, she would not have come to this point.”

“How did I know that things would turn out like this!” Zhou cuihua almost burst into tears. She continued, “Hang Hang, don’t be anxious. Maybe your uncle Wang is just joking with us!”

“Hearing this, Li Hang’s expression changed.”

Rich people like to play probing games...

Maybe boss Wang was standing in front of the camera looking at them at this moment.

Right.

It must be like this.

“Li hang sorted out his emotions and continued, “Mom, I Don’t Blame You. I just feel that your decision back then was too arbitrary!”

“Chapter 2635: 560: things are different, people are different”

“At this moment, the Butler walked over and said, “Madam, there are some things that I have wanted to say for a long time.” ”

“Hearing the Butler’s voice, Zhou Cui Hua grabbed her life-saving straw and immediately said, “Butler Zheng Xuan did not lie to me, right?” ”

“The butler sighed, “Actually, we were all actors that he hired. We all signed a confidentiality agreement with him for a month and a half.” ”

“What did you say?”Zhou cuihua’s expression immediately changed.

“The Butler took out the confidentiality agreement and continued, “This is the contract that we signed at that time.” ”

Li Hang took the contract.

It was written in black and white on the contract. All of this was just an act.

“A few seconds later, the butler continued, “Our employment relationship with Mr. Wang ends today. Madam, do you want to leave with us? It will be more convenient if you follow our car later.” ”

“Although Li Hang had chauffeurs when he went out these days, those cars were all rented.”

Wang Ting’s courtyard was very large. It would take about half an hour to walk out without a transport car.

Leave?

“Zhou Cuihua was stunned again. If they left this place, where could the mother and daughter go? ”

No.

They could not leave.

“Zhou Cuihua looked at the butler and said, “Butler, you’re joking with me, right? You must be joking with me...” ”

“The butler said, “I am not joking with you.” ”

“At this point, the butler paused and continued, “Actually, Wang Zhengxuan is a liar. It’s just that the both of you have not realized it.” ”

“After saying that, the butler turned around and left. ”

Zhou Cuihua’s strength seemed to have been sucked away at this moment. Her entire body went limp on the ground and she wailed loudly.

“Li hang stood at the side, also in a daze. He did not know what to do. ”

“Only after a few minutes did li hang come back to his senses. He pulled Zhou cuihua up from the ground. “Mom, Don’t cry. Let’s leave this place first.” ”

Zhou cuihua raised her head to look at Li Hang. “Where are we going?”

“Li Hang did not know where she could go at this moment. He continued, “Let’s leave this place first.” ”

“Zhou Cuihua was stunned for a moment before she reacted. She said in a hoarse voice, “I don’t want to leave!” ”

She had already lived here for a month. She was already familiar with the days of being served by the servants.

She did not want to leave this place.

She could not leave this place either.

""If you don't Leave Now, are you going to wait for others to kick you out?"Li hang continued, "Wang Zhengxuan is a liar!" "

""No, he's not a liar! He said he wanted to marry me. She can't be a liar!"Zhou cuihua immediately cried.  
"

"Li hang continued, "Where did you say you met Wang Zhengxuan?" "

""At Xia Xiaoman's house,"Zhou Cuihua said. "

"Xia Xiaoman! It must be Xia Xiaoman!"Li hang seemed to have suddenly thought of something. "Let's go find Xia Xiaoman Now!"

"At the mention of Xia Xiaoman, Zhou Cuihua immediately nodded. "

The mother and daughter went upstairs to pack their things.

"In fact, apart from clothes, they had nothing else to take with them. "

"When they left, Zhou Cuihua's eyes were full of reluctance. "

"She thought that she could live here forever, but who would have thought that her dream would be shattered so soon. "

"Stop looking."Li hang dragged her.

"Zhou cuihua wiped away the tears in her eyes. "Xia Xiaoman, that D \* MN B \* Tch! It must be her!" "

"Needless to say, all of this was planned by Xia Xiaoman. "

“After all, she had only met Wang Zhengxuan at Xia Xiaoman’s place. ”

Li hang frowned. “What’s the point of saying all this now? I knew that there was something wrong with this boss Wang. It was you who felt that your charm was limitless!”

“How could a big boss of a real estate company fall for a middle-aged woman like Zhou cuihua, who couldn’t stand up to the public? ”

“Even if one thought about it with their toes, they would know that it was impossible! ”

But Zhou Cuihua firmly believed it!

“”Am I the only one who was deceived?”Zhou cuihua looked at Li Hang. “Hang Hang, you have to speak and act with a conscience! Besides, you’ve even studied in university. You’re a top student! Have you read all these years into your dog’s stomach?” ”

Li Hang did not say a word.

It was all Wang Zhengxuan’s fault for being too good at scamming people.

“Until now, Li Hang still could not figure out what Wang Zhengxuan’s true intentions were. ”

“Money and sex, he really wanted the same thing! ”

But Wang Zhengxuan did not seem to want anything!

“Unless, all of this was Xia Xiaoman’s scheme. ”

The mother and daughter dragged their luggage and directly took a taxi to the entrance of the Lin family's villa.

"Zhou cuihua put her hands on her hips and began to curse, "Xia Xiaoman, come out! You Bitch!" "

"Chapter 2636: 560: things have changed, people have changed"

Li hang stood at the side and looked at Zhou Cuihua. He did not seem to want to stop her.

What did the rich people fear the most?

They were most afraid of shrews.

"With Zhou Cuihua's current state, even if she could not threaten Xia Xiaoman, she would at least attract Lin Qingxuan's attention."

"When the time came, he would tell Lin Qingxuan about this matter and the affair between Xia Xiaoman and the adulterer. Although they did not have conclusive evidence yet, the detective agency was already investigating. They believed that they would have a result soon."

"In short, the mother and daughter didn't have a good life. Xia Xiaoman and an Lizi wouldn't have a good life either."

"The Butler stood in the villa and dialed the police. "Hello, there's someone disturbing the people at 218 Jin Tong Road. It has seriously disturbed our work and rest.""

"Not long after, the sound of sirens suddenly came from the foot of the mountain."

"Ten minutes later, Li Hang and Zhou cuihua were brought to the police station for investigation."

“By the time the mother and daughter came out of the police station, it was already evening. Zhou cuihua looked at li hang and said, “Hang Hang, why don’t we go look for your father?””

“They were now penniless, and eating and drinking had become a problem.”

Li hang hesitated for a moment before nodding his head.

“For now, he could only look for Li da long.”

“She was Li Da Long’s daughter. Even if Li Da Long was angry and did not want to pay attention to her, he would not ignore her.”

“Hence, the two of them came to the familiar apartment building.”

“Zhou Cui Hua looked at li hang and said, “Hang Hang, I’ve decided. As long as your father apologizes to me, I won’t hold it against him.””

“After experiencing such a big matter, Zhou Cui Hua had also thought it through.”

“People were not as good as before, clothes were not as good as new.”

“In the future, she would not think about those trivial matters anymore, and she would not easily bring up divorce again.”

“Li hang nodded and said with some worry, “What if dad isn’t willing to apologize?”Speaking up to this point, Li hang paused, then he said, “To tell you the truth, my dad found a new aunt not long after divorcing you.””

“”He was just doing it for me! I’ve been with your dad for so many years, I know him too well!”Zhou cuihua said.”

How could Li da long walk out of the shadow of divorce so quickly.

Absolutely impossible!

“Moreover, they divorced because of a misunderstanding. As long as she explained the misunderstanding clearly, Li Da Long would definitely forgive her.”

“After all, she didn’t really divorce.”

Li hang glanced at Zhou Cuihua and didn’t say anything.

“Things had developed to this point, and Li Hang was completely disappointed with this mother.”

She thought that Zhou Cuihua could really bring her into the upper class.

She did not expect that she would turn into a clown in the end.

“If her friends knew about this, they would laugh at her!”

Especially Zhao Jing!

Li hang wished that Li Dalong would not forgive Zhou cuihua.

“But there were some things that he could only think about in his heart. It was not appropriate for him to say it out loud. After all, Zhou Cuihua was just a commoner. If he really provoked her, she would do anything.”

“Li hang continued, “Let’s go upstairs first.””

“Okay.”Zhou Cui Hua nodded.

The two of them went upstairs together.

“The door was closed. From the outside, everything here was the same as before. Nothing had changed.”

Li hang reached out and pressed the doorbell.

“Very soon, the door opened.”

“However, the person who opened the door was an unfamiliar man. “Who are you looking for?””

Zhou Cui Hua saw that it was a stranger and instantly became anxious. “Who are you? Why are you at my house?”

“The man continued, “You must have the wrong door. This is my house, the House I just bought.””

Chapter 2637: 561: this outcome 1

The house he just bought.

This sentence made Zhou Cuihua and Li Hang stunned.

Could it be...

Li Dalong sold the house?

How could this be possible!

It couldn't be.

"Especially Li Hang, her face was pale. Li Dalong loved her the most. He even said before that his house would all be Li Hang in the future! "

How could Li da long sell his house secretly!

Impossible!

""This is my house! I Am the mistress of this house!"Zhou cui hua continued, "How come I didn't know when this house was sold!" "

Zhou Cui Hua was very emotional. She pushed away the man in front of the door and walked inside.

The house was still the same layout as before.

Even the words "Blessing"that hung on the door during the new year were still left on the door.

"Seeing this scene, Zhou Cuihua's eyes turned hot. "

It was very uncomfortable.

She also wanted to return to Li Dalong's side more and more.

""What's the matter with you guys? Why are you casually running to other people's Houses!"The man was so angry that he took out his phone and was about to call the police. "If you guys don't Leave Now, I'm going to call the police!" "

""This is my house!"Zhou cuihua pointed at the sofa and said, "I personally chose this sofa and this dining table. Do you know what brand this is? It's imported from country R! Is it illegal for me to enter my own house?" "

The man was so angry that his face turned red.

He had bought this house a month ago.

"He heard that the original owner had originally planned to renovate the house and live in it again. Then, for some unknown reason, he sold the house directly. "

The 105-square-meter house was sold for more than 18 million yuan.

"After paying the money, he was short of money, so he did not renovate it anymore. He did not expect that a lunatic would come today. "

The man immediately called the police.

""Hello, is this 110?" "

"Someone broke into our house!"

"The police in Beijing were very efficient. In less than ten minutes, a uniformed policeman came to the door. "

"Who called the police?"

""Me."The man who called the police immediately went forward and handed in his identity card. "Hello, Officer. My name is Shen liangqi, the owner of this house. I don't know where these two people came from, but they insisted that this is their home!" "

“After saying that, the man continued, “This is my property certificate.” ”

“The police took Shen Liangqi’s identity card and property certificate. After taking a look, he turned to look at Zhou Cuihua and Li Hang. “Take out your identity cards and let me see them!” ”

“Zhou cuihua said, “Officer, don’t be fooled by them! My name is Zhou Cuihua. I am the real owner of this house.” ”

“The policeman looked at the few of them and then said, “Stop arguing. Come with me to the police station first.” ”

The few of them were taken to the police station.

“Soon, the matter was cleared up by the police.”

““Zhou cuihua, Li Hang, we have investigated the matter clearly.”A police officer walked in front of the two of them, “The house in unit 3305, Block 103, Unit 7, on Yun Hua Road has been sold by Li Da Long. The current buyer is Zhang Ye.” ”

Sold.

Li Da Long actually sold the house!

Li hang could not accept this fact for a moment. How could Li da long sell the house!

It could not be!

““Comrade police officer, you are mistaken. You must be mistaken! Li Da Long is my father! I am his only daughter. He will not sell the house!”Li Hang said anxiously.”

“The police officer continued, “The house has indeed been sold. If you don’t believe me, you can call your father to verify it.” ”

“Hearing this, Zhou Cui Hua immediately took out her phone and dialed Li Da Long’s number. ”

The call went through very quickly.

“Hello.”It was a very gentle female voice.

Li Hang was stunned and didn’t say anything.

“A voice came from the other end again. “It’s hang hang, right?” ”

Li hang still did not say anything.

She knew that the person on the other end of the phone was Feng Juan.

“At this moment, Li Hang was already beginning to regret. She should not have promised Li da long to let him be with Feng Juan in the first place. ”

Regret.

Very Regret.

“Feng Juan continued, “Hang Hang, are you looking for your dad? Wait a moment, he’s taking a shower.” ”

Taking a shower?

That meant that Feng Juan had already moved in with Li Da Long?

Li Hang's face was extremely pale.

"Feng Juan continued, "Hang Hang, why aren't you saying anything? Why are you looking for your dad? Tell me, I'll tell your dad." "

"Li hang held his phone like this, but he still did not say anything. "

"Zhou Cui Hua, who was at the side, also felt a little strange. She looked at Li hang and said, "Why aren't you saying anything?" "

"Li hang turned his head to look at Zhou Cui Hua, not knowing what to say. "

"Zhou cuihua took Li Hang's phone and directly asked, "Li Dalong, what's wrong with you? Why did you sell the House?" "

Chapter 2638: 561: such an outcome 2

"On the other end of the phone, Feng Juan was also stunned for a moment before she continued, "I'm sorry, may I ask who you are?" "

"Upon hearing Feng Juan's voice, Zhou cuihua said angrily, "Who are you? Where's Li Dalong? I'm looking for Li Dalong?" "

"Feng Juan continued, "Oh, I know. You're Hang Hang Hang's mother, right? I'm Dalong's current wife. Is Dalong not around right now? May I ask what you're looking for him for? "If you don't mind, you can tell me first, and I'll pass the message on to Dalong." "

Current wife!

Zhou Cuihua's eyes widened.

God damn that Li Dalong. He actually remarried!

Zhou Cuihua was furious.

Li Dalong actually dared to remarry. Did he still have a wife in his heart.

""What Bullsh \* t current wife! Do you know who I am? I'm the real wife of Li Dalong!" Zhou cuihua continued, "You shameless mistress..."

""Juan 'er, who are you talking to?" At this moment, Li Dalong appeared behind Feng Juan."

Feng Juan held the phone and did not know how to answer for a moment.

"Li dalong continued, "Who is it?"

"On the other end of the phone, when Zhou cuihua heard Li Dalong's voice, she became even more furious. She said angrily, "You shameless mistress, I advise you to leave our Dalong quickly! You..."

""Zhou cuihua, that's enough!" At this moment, Li Da Long's voice suddenly came from the phone. "We're already divorced. If you're scolding someone, I'll record the voice and leave a certificate. I'll go to the court and Sue You!"

"Zhou Cuihua was stunned for a moment, then, she said, "Li da long, I've been married to you for more than 20 years. Isn't it better to be a woman that I've known for a few months? You're such a heartbreaker! If it wasn't for me back then, who would have been willing to marry you! If it wasn't for me staying at home to take care of my daughter, you wouldn't be where you are today! You Chen Shi Mei!"

“Zhou Cui Hua was in tears. “Even if you don’t care about the friendship between us, you should think about hang hang. Hang Hang is our only daughter! How can you abandon your wife and daughter for a woman”

“”Let me ask you, what’s going on with our house!””

“Li dalong continued, “I’ve already sold the House.””

“That’s the house left for Hang Hang. What right do you have to sell it?”

“”Li Hang’s household registration has been moved out,”Li Dalong continued, “Oh no, it should be called Wang Hang now. “Zhou Cuihua, I knew that you would get your retribution one day, but I didn’t expect that this day would come so quickly. There’s really a God above you.””

“Although Zhou Cuihua didn’t say anything, Li Dalong could guess her current situation from her few words.”

There were only two results.

“One, Wang Zhengxuan was a fake rich man.”

“Two, Wang Zhengxuan abandoned Zhou cuihua.”

“Otherwise, Zhou cuihua would never come back crying, and she would never take the initiative to mention that Li Hang was his daughter.”

“If it was in the past, seeing the mother and daughter in such dire straits, Li Dalong would definitely feel sorry for them.”

But the current Li Da Long would not.

“After experiencing these things, Li da long finally saw clearly that what husband-wife relationship, father-daughter relationship were all fake.”

Li Hang had already been thoroughly taught a bad lesson by Zhou Cui Hua.

Incomparably greedy.

“For the sake of a little bit of benefit, she was actually able to abandon her biological father.”

“In the first few days, Li da long could not sleep through the night. He did not know where he was wrong, and even more so, he did not know why his daughter, who had always been in his hands, had to be like this.”

Fortunately.

“Fortunately, in these gloomy days, there was still Feng Juan.”

It was Feng Juan who gave him the hope to continue living.

“Originally, Li Dalong was going to renovate the house and then move in. Later, he thought about it and decided to sell the property in the capital.”

Because he knew that Zhou cuihua would be abandoned one day.

“If he was still in the capital and lived in his old house, Zhou Cuihua would definitely visit him shamelessly.”

“He was not afraid of Zhou Cuihua, but he was afraid of offending Feng Juan, so he discussed with Feng Juan and sold all the properties. The two of them moved to a coastal city that was spring-like all year round.”

“Not only that, the two of them also bought an inn. Under their careful management, the business of the inn was getting better and better.”

What made Li Dalong the most happy was that Feng Juan had just been diagnosed as pregnant.

A child represented a new life.

What was a new life?

A new life was hope.

“The days were getting better and better. Li Dalong was also getting happier and happier. He continued, “Zhou cuihua, a person can do nothing but not be shameless...””

Chapter 2639: 561: such an outcome 3

““But you are hang hang’s father after all! Don’t you even want Hang Hang?”Zhou cuihua continued, “You only have hang hang as your daughter, and hang hang only has you as his father!” ”

“Li Hang had always been Li da Long’s biggest weakness. Zhou Cuihua did not believe that for a woman with an unknown background, Li Da Long did not even want his only bloodline. ”

Li Da Long did not say anything.

Because there was no need to say anymore.

“From the moment Li Hang made his decision, they were no longer father and daughter. ”

“Zhou Cui Hua did not hear Li da Long’s voice and immediately handed the phone to Li Hang. “Hang Hang, quickly call daddy!” ”

“Li Hang said in a dry voice, “Daddy.” ”

“Li da long continued, “I’m Not Your Daddy.” ”

“Hearing this, Li Hang finally couldn’t hold back his tears. “Dad, I’m sorry. I regret it. I shouldn’t have treated you like that back then...” ”

““What happened in the past is already in the past.”Li Da Long’s voice sounded very calm. “Hang Hang, you’re a cultured person. You should know that there’s a saying that goes, ‘what goes around comes around.’” ”

“After saying that, Li da long directly hung up the phone. ”

Du Du du —

A busy voice came from the other side.

“Li hang covered his mouth and cried, unable to control himself. ”

“Zhou Cui Hua was so angry that she started cursing. “Li da long, this heartless man, ingrate, Chen Shi Mei! And that Vixen! They will not get their retribution!” ”

A female police officer handed Li hang a napkin. “Wipe your tears.”

Li hang took the napkin.

“Half an hour later, the mother and daughter supported each other as they left the police station. ”

They walked aimlessly.

The sky was about to turn dark.

“Li hang continued, “Let’s find a hotel first.” ”

“Okay.”Zhou cuihua nodded.

“Li Hang took out his phone and found a hotel that only cost 50 yuan a day. Then, he followed Dao hang to the hotel entrance. ”

“Standing at the entrance of the hotel, Zhou cuihua said in disbelief, “Hang Hang, is this the hotel you found?” ”

Li hang nodded.

“Although it was called a hotel, it was actually a small hotel. The location was not bad. It was in the city center, but the environment was not so good. It was a very dark and narrow basement. ”

When had Zhou Cuihua stayed in such a bad hotel?

“Once she entered the hotel room, Zhou Cuihua covered her nose and said, “How can people stay in this place! Hang Hang, let’s change to another hotel!” ”

“With so many things happening in a day, Li Hang was no longer in the mood to deal with Zhou Cuihua. He sat on the chair and did not speak. ”

“Hang Hang!”Zhou cuihua raised her voice.

“Li hang raised his eyelids and continued, “Do you want to change to another hotel?” ”

“Yes.”

“Li hang continued, “Take a look at the balance in your card first.” ”

Zhou Cuihua was stunned.

“Li hang picked up the hot water bottle and said, “I’ll go boil some water. Let’s have instant noodles for dinner.” ”

“Zhou Cuihua wanted to say something, but she did not say anything. ”

Li Hang went to boil some water.

“Zhou cuihua looked at Li Hang’s back and suddenly felt very indignant. She continued, “Just wait! Li Dalong and that B \* Tch will definitely get their comeuppance!” ”

“After saying that, she took out her phone again. “Hang Hang, do you think something happened to your uncle Wang? That’s why he didn’t receive our call! Maybe he’ll come and pick us up tomorrow!” ”

Li hang did not say anything. He only felt that Zhou Cui Hua was so stupid that it was laughable.

“At this time, Zhou Cui Hua was actually still hoping that Wang Zhengxuan would come and pick her up!  
”

“Zhou Cuihua was still talking to herself, “Your father is so heartless! Hang Hang, if you’re rich in the future, don’t even look at him! A man like him doesn’t deserve to be a father!” ”

“I was blind to fall for such a disgusting man!”

More than ten minutes passed while they were talking. Li hang boiled the water and brought the instant noodles to Zhou cuihua.

“Let’s eat.”

“”This is what we’re going to eat tonight?” Looking at the cheap instant noodles in front of her, Zhou Cuihua couldn’t help but think of the life of the swallow’s nest ginseng in the Wang Ting Courtyard. ”

There were people serving her three meals a day. That kind of life was called life.

What the hell was this!

“The more Zhou Cuihua thought about it, the more uncomfortable she felt. It was as if a ball of fire had accumulated in her heart. ”

“What do you want to eat?” Li hang looked at Zhou Cuihua.

“Zhou cuihua continued, “Even if we don’t eat delicacies, we still have to eat something normal. We can’t possibly not even have money for a meal, right?” ”

“Have you looked at the balance?” Li Hang repeated again.

“Zhou cuihua continued, “I really don’t have any money in my card. Could it be that you don’t have any money in your card either?” ”

“Li hang said, “When I left, I didn’t bring any money.” ”

Zhou Cui Hua instantly fell silent and lowered her head to eat her instant noodles.

“Li Hang ate a mouthful of instant noodles. “I’ll go out to look for a job tomorrow. You Go look for your Uncle Tomorrow.”Although Zhou Xia Tian had rented a house, the size of the house was large. It just so happened that there was an empty house, so it was just right for Zhou Cui Hua to live in it. ”

“Upon hearing this, Zhou Cui Hua did not feel that there was anything inappropriate about it. Although she had had many conflicts with Zhou Xia Tian previously, they were still blood-related siblings after all. Blood-related siblings were bound to have broken bones and tendons, she believed that Zhou Xiaxia would definitely stand on her side. ”

“Moreover, Zhou Xiaxia would definitely go to Li Dalong to settle the score and help her vent her anger. ”

“”Okay.”Zhou cuihua nodded and continued, “Hang Hang, I’m sorry.” ”

“No matter what, she owed Li hang an apology. ”

“If it was not for her, Li Hang would not have suffered along with her. ”

“”It’s fine,”Li Hang said. ”

“Things had already happened. Even if she said that something had happened, what could she change! ”

“In the blink of an eye, the next day arrived. ”

Zhou Cui Hua arrived at the address that Zhou Xia Tian rented. The person who opened the door was none other than Sun Guixiang.

“When she saw Sun Guixiang, Zhou Cui Hua smiled. “Sister-in-law, where’s My Brother?” ”

This was probably the first time Sun Guixiang saw Zhou Cuihua's smiling face in the past two months.

It was strange.

It was really strange.

Zhou Cuihua actually took the initiative to come to her door and even spoke to her so politely.

There must be something wrong if something went wrong.

"Sun Guixiang leaned against the door. "Look Who's back! Oh, so it's our CEO's wife!" "

"Sun Guixiang's sarcastic words made Zhou cuihua lose her balance. "Sister-in-law, we're family. Don't talk like that." "

""Family?"Sun guixiang continued, "That's funny. Who's family with you? Who Are You Now? A high and mighty lady. Who Am I? I'm just an ordinary housewife. I don't have the right to be related to you." "

"As she spoke, Sun Guixiang carefully sized up Zhou cuihua. "

"Zhou cuihua tried her best to maintain a smile on her face. No matter how bad her words sounded, Zhou Cuihua was still not angry. "

What surprised Sun Guixiang the most was that the overbearing aura on Zhou Cuihua's body disappeared in an instant.

How rare was this!

One had to know that Zhou Cuihua had her nose up and did not care about anyone at all.

“Zhou cuihua smiled and said, “Sister-in-law, I know that it was all my fault in the past. I know that I’m wrong now. Sister-in-law, it’s not a big deal for us to just stand here. Let Me in first.” ”

“”Wrong? How could you be wrong! You’re not wrong! It’s US who are wrong! How could people from a small family like us have anything to do with you!”Sun guixiang continued, “You should go. There’s no brother here. Don’t get involved with relatives!” ”

“Regardless of whether Zhou Cuihua was rich or not, Sun Guixiang did not want to have anything to do with this kind of person. ”

Because some things could be done after they had happened once!

They definitely could not be sent a second time!

“Zhou Cuihua’s eyes were slightly red as she looked at Sun Guixiang. “Sister-in-law! No matter what, I’m still my brother’s biological sister! How can you say such things!” ”

“”Oh, now you know that these words are unpleasant to hear?”Sun Guixiang only felt that Zhou Cuihua was very laughable. “When you did these things back then, why didn’t you think of today?” ”

Do to others what you don’t want to do to yourself!

“Sun guixiang continued, “What did you say back then when Hanghang relocated its household registration? It’s only been a few days, and you’ve already forgotten?” ”

“At this point, Sun Guixiang looked at Zhou cuihua from head to toe, then, she said, “Looking at you, it should be that rich businessman who doesn’t want you anymore, right? What? We, my family, are garbage collectors, right? When you didn’t need us, we weren’t even as good as the rocks by the roadside. Now that the rich man doesn’t want you anymore, you came to find us! We’re garbage collectors?” ”

It was simply too disgusting!

Sun Guixiang was furious.

What the hell!

“Zhou Cuihua’s eyes were filled with tears. “Sister-in-law, are you saying these words from a human? I share the same blood as my brother! Yes! I admit that I’m down and out now, but who hasn’t been down and out before?” ”

She had never thought that Sun Guixiang would treat her like this.

She had never thought that she would one day be despised by her family.

What the hell was this!

““Yeah! Can anyone say that?”Sun guixiang continued, “You said it so well! Zhou cuihua, you’re so cute. Ask yourself, what you did, was it something that a human could do?” ”

“I don’t want to tell you! Where’s My Brother?”Zhou cuihua only wanted to see Zhou Xiatian right away.

She believed that Zhou Xiatian would definitely make the decision for her!

Sun Guixiang was still an outsider to her!

““I’m sorry, our old Zhou doesn’t have a sister like you!”Sun Guixiang said. ”

“Brother! Brother!”Zhou cuihua shouted at the top of her lungs.

“Who is it?”Zhou Xiatian walked out from inside.

“When she saw Zhou Xiatian, Zhou cuihua immediately cried out, “Brother!” ”

“When she saw Zhou cuihua, Zhou Xiatian was stunned for a moment before she said, “Why are you here?” ”

“Logically speaking, Zhou Cui Hua should not have appeared here at such a time. ”

“”Brother, that Wang Zhengxuan is a liar. He lied to me!” ”

Liar.

“Zhou Xia Tian was not surprised when he heard this, ”

“because from the beginning, he knew that Wang Zhengxuan was definitely not a good person. ”

“Therefore, he was not surprised that Zhou Cui’s words had fallen to such a state. ”

He just did not expect that this day would come so quickly.

It was too fast!

It had only been a few days?

“”It’s really hard for you to still remember that I’m your brother,”Zhou Xiatian continued, “Some things are not in the past. You should leave. I’ve said before that I won’t have a sister like you in the future.” ”
