

Almighty D 2641

Chapter 2641: 562: Hope Destroyed 2

“Zhou cuihua cried, “Brother! Brother! I’m your only sister, you can’t treat me like this!” ”

Zhou Xiatian didn’t say anything else and turned to leave.

“Zhou cuihua followed Zhou Xiatian’s footsteps and Sun Guixiang immediately reached out to stop Zhou cuihua, “Do you not understand human language or what! Didn’t you hear what our old Zhou said?” ”

“After saying that, Sun Guixiang slammed the door shut. ”

Zhou cuihua looked at the tightly shut door and could not help but cry like rain.

She regretted it.

She really regretted it.

She regretted that she had gone too far and did not leave any way out for herself.

“Now that things had come to this, where should she go? ”

“Zhou cuihua leaned against the door and shouted, “Brother and sister-in-law, I was wrong! I really know I was wrong. Please forgive me!” ”

There was no sound from inside

“Brother! Sister-in-law!”

Inside the house.

Zhou Xiatian was cooking in the kitchen.

“Sun Guixiang stood beside Zi and looked at him. She said hesitantly, “Old Zhou, should we... Should we forget about it?” ”

“At this point, she sighed. “No matter what, she’s still your sister. Moreover, when she divorced Li Dalong, she didn’t ask for anything. She probably has nowhere to go now. It’s quite pitiful.” ”

Sun Guixiang also had her own thoughts.

“After all, she had a good-for-nothing younger brother. ”

“This bowl of water had to be even, right? ”

What if that good-for-nothing younger brother of hers came over one day and Zhou Xiatian talked about Zhou Cuihua’s matter?

“Fortunately, although her younger brother wasn’t good-for-nothing, he wasn’t as heartless as Zhou Cuihua. ”

Zhou Xiatian focused on cooking and didn’t say anything.

“Sun guixiang continued, “Old Zhou, did you hear what I Said?” ”

Zhou Xiatian then looked up at Sun Guixiang. “Speak.”

“Sun Guixiang continued, “Your sister is still your sister. The two of you share the same blood. Why Don’t we just forget about it? We adults are magnanimous. Don’t lower ourselves to her level.” ”

“When she heard this, Zhou Xiatian did not have any special expression on her face. She only said, “I’ve said it before. From now on, she has nothing to do with me.” ”

“Are you serious?”Sun Guixiang asked.

“Yes.”Zhou Xiatian nodded.

“Good words warm the heart for three winters, but harsh words hurt the heart for six months. ”

“Zhou cuihua had thoroughly disappointed Zhou Xiatian. He had thought a lot these days, and he would never regret making this decision. ”

“”Then let’s make a deal. You were the one who insisted on having nothing to do with your sister. If anything happens in the future, you can’t blame me!”Sun Guixiang added. ”

“There were some things that had to be made clear. Even if it was a husband and wife, there was no need to make things unclear. ”

“I won’t blame you.”Zhou Xiatian continued to cook.

Sun Guixiang nodded. “Alright then.”

“After saying that, Sun Guixiang turned to look outside the door. She couldn’t tell what was in her eyes. ”

Zhou cuihua had completely brought this upon herself. There was nothing to sympathize with.

“Zhou cuihua just sat outside the door, tears trickling down from the corners of her eyes. ”

“After a while, Zhou Cuihua stood up and walked downstairs. ”

“She thought that Zhou Xiatian would definitely help her, but she didn’t expect...”

“Now that her family had no conscience, even if she stayed here for a day and a night, nothing would change. ”

“Auntie!”

“At this moment, a surprised male voice came from behind Zhou Cuihua. ”

“Xiaowen!” Zhou Cuihua turned her head and saw a youth wearing a basketball uniform.

“The youth wore black rimmed glasses. Not only did he not appear dull, but he was also extremely bright. Zhou Xiatian’s figure could be seen in his eyes. ”

That’s right.

“This was Zhou Xiatian’s son, Zhou Xiaowen. ”

“”Aunt, when did you come? Why didn’t you come in?” ”

“Zhou Cuihua immediately wiped away the tears at the corner of her eyes and pretended as if nothing had happened. She smiled and said, “Oh, it seems like there’s no one here.” ”

“No One?” Zhou Xiaowen was stunned. “How can that be! I just called my dad. They’re all at home!”

“As soon as he said that, Zhou Xiaowen pulled Zhou Cuihua’s arm and said, “Let’s go, Auntie, let’s go home.” ”

Go home.

“When she heard this word, Zhou Cuihua’s eyes turned red for a moment. ”

Home?

Did she really still have a home?

Did she still have a home to go back to?

“The road ahead was long, where was her home? ”

“Zhou cuihua pulled her arm back and smiled. “Xiaowen, I still have other things to do, so I won’t be going. Please send my regards to your parents.” ”

“After saying that, Zhou cuihua left in a hurry. ”

“Aunt!”

“Zhou Xiaowen looked at Zhou Cuihua’s back, his eyes filled with confusion. ”

Chapter 2642: 562: Hope Destroyed 3

“With a doubtful heart, Zhou Xiaowen returned home. “Mom and Dad.” ”

“Your son is back.”Sun Guixiang immediately went forward to take the basketball from Zhou Xiaowen’s hands. “Is it hot outside today?”

“It’s not bad.”Zhou Xiaowen continued, “By the way, Mom, I saw Auntie outside just now.” ”

Sun Guixiang was stunned for a moment and did not say anything.

“Zhou Xiaowen continued, “Auntie seemed a little strange. I asked her why she did not enter the house, but she said that you were not at home. Dad, Mom, did you have a conflict with Auntie?” ”

“Ever since Zhou Xiaowen remembered, his father and Auntie’s relationship had been quite deep. Seeing this scene today, he was quite surprised. ”

“Sun guixiang smiled and said, “It’s nothing. It’s a matter between US adults. You’re just a child. Don’t bother about it.” ”

“Let’s eat.”Zhou Xiatian placed the dishes on the dining table.

“Sun guixiang immediately said, “Yes, yes, yes. Let’s eat.” ”

“Zhou Xiaowen was still a little puzzled, but he did not say anything in the end. ”

“Halfway through the meal, Zhou Xiatian continued, “Xiaowen, your mother and I are going to look at houses the afternoon of the day after tomorrow. Do you have time?” ”

“After working hard in the capital for more than ten years, the Zhou family had always rented a house. Recently, they had finally decided to buy a house with a mortgage. ”

“Yes.”Zhou Xiaowen nodded.

“Okay, then let’s go together as a family of three.” ”

“After saying that, Zhou Xiatian put down the bowl and chopsticks and continued, “Oh right, Xiaowen, there’s one more thing. I didn’t tell you before because you were too busy. It’s time for me to tell you now.” ”

“When Zhou Xiaowen saw that his father’s expression was quite serious, he immediately put down the bowl and chopsticks and said, “Dad, What’s wrong? Tell me.” ”

“Zhou Xiaxia continued, “Your aunt and I have already broken off our sibling relationship.” ”

This sentence made Zhou Xiaowen a little confused.

How did they break off their relationship?

He had only been away from home for two months!

““What’s going on?”Zhou Xiaowen did not know what to do for a moment. “Dad, are you joking with me?” ”

“Even if something huge had happened, he did not know that it had come to this point! ”

Zhou Xiatian did not want to talk about it anymore. She put down the bowl and chopsticks and walked into the room.

““Mom, what’s Going On?”Zhou Xiaowen looked at Sun Guixiang. ”

“Sun Guixiang sighed. “Actually, your dad is not to blame for this.” ”

“Then what’s the reason?”Zhou Xiaowen immediately asked.

Sun Guixiang also put down her chopsticks. “It’s like this...”

“Hearing this, Zhou Xiaowen was also very surprised. Who would have thought that his usually astute and wise aunt would make such a mistake. ”

““Your father tried to persuade her, but she just wouldn’t listen. She thought that she had hooked a rich husband! “And she still had to sever her relationship with your father. You Don’t even know how tough she was back then. Tell me, it’s one thing for her to be deceived, but she still had to drag hang hang along with her.” ”

“At this point, Sun Guixiang paused, then, she continued, “Hang used to look like a sensible and filial child. Only at a critical moment could she see clearly who she was! When she heard that her mother had found a rich stepfather for her, she wanted to disown her father no matter what! “No matter how your father tried to persuade her, he refused to listen. He even thought that we were jealous that she had found a rich stepfather! “Therefore, such people don’t need to sympathize with her at all! “They have brought this upon themselves!” ”

“Zhou Xiaowen found it hard to digest so many questions at once. He swallowed his throat and continued, “That means that little aunt and hang hang hang are now homeless? What about little uncle?” ”

“Your little uncle is not someone to be trifled with. I heard that he sold his house and went to other cities with his new wife.”

Li Da Long’s intention was very obvious. He did not want to get involved with Li Hang and his daughter anymore.

“Sun guixiang continued, “Actually, I think your little uncle did the right thing. If I were him, I would do the same! You Don’t even know how much your little aunt has gone overboard! Anyway, I can’t watch it anymore!” ”

Zhou Xiaowen felt a little uncomfortable. “Then what about aunt and the others in the future?”

“Sun guixiang said, “Doesn’t hang hang have to go to work? It’s such a big city. Don’t worry, they won’t starve to death! Besides, Hang Hang is a top student. You Don’t have to worry about them anymore.” ”

“At the end of her sentence, Sun Guixiang stood up from her chair and began to clean up the dining table.”

Zhou Xiaowen sat on the sofa in silence for half an hour before he went to the bedroom.

“Ten minutes later, there was a knock on the bedroom door.”

Zhou Xiaowen went to open the door. “Dad.”

The person who came was Zhou Xiatian.

“Zhou Xiatian walked in from outside. “Xiaowen, let’s have a chat, shall we?” ”

“Okay.”

“Zhou Xiatian sat on the chair in the room. “Xiaowen, you already know about your aunt and I, right?” ”

“Yes.” Zhou Xiaowen nodded.

“”As adults, we should be responsible for our own actions. Your aunt is paying for her own actions now.” Zhou Xiaowen continued, “I’ve said what I should say, and I’ve done what I should do. I’ve fulfilled my obligation as an elder brother. From now on, we won’t get involved in their affairs.” ”

“A person’s life was a process of continuous growth. Zhou Cui Hua was experiencing such a thing. If he treated this as if nothing had happened and forgave her., Zhou Cui Hua would never realize that she was wrong.”

“Zhou Xiaowen sighed. “Dad, I understand.” ”

Over here.

“After Zhou Cui Hua left, she went to the detective agency.”

““Detective Wu, almost two months have passed. What did you guys find out? If you don’t find anything, give me a full refund.” ”

“Chapter 2643: 570: car accident, see you one last time”

“In order to find Xia Xiaoman’s adulterer, Zhou cuihua gave nearly 100,000 yuan to the detective agency.”

“This 100,000 yuan was not worth mentioning to Zhou Cuihua in the past.”

“But to Zhou Cuihua now, it was a huge sum of money.”

“The person-in-charge, who was wearing a black suit, sat in front of Zhou Cuihua, he then said, “Ms. Zhou, we have investigated Xia Xiaoman for two whole months and have not sent out any suspicious information. Your suspicion was born out of nothing. Our detective agency has done our duty.””

“Hearing this, Zhou Cuihua was so angry that she was about to stomp her feet, “What do you mean by I’m born out of Nothing? If she, Xia Xiaoman, didn’t do anything, would I suddenly look for you guys to investigate her? Clearly, you guys don’t have the ability to shirk responsibility! I Don’t care! If you don’t get the results of the investigation, you have to return all the money to me!””

Throwing a tantrum and acting shamelessly was professional for Zhou Cuihua. No one was better than her.

The person-in-charge of the detective income looked at Zhou Cuihua and frowned slightly. They had always been in contact with educated and civilized customers. This was the first time they had seen someone like Zhou cuihua who did not care about her image.

“Ms. Zhou, this is a public place. Please pay attention to your image.”

“Zhou cuihua could not hear this at all. She became even more excited. “Unscrupulous detective agency, you cheated me of my hard-earned money! If you don’t give me an explanation today, I will not let this Go!””

“Return the money to me!”

“The person-in-charge looked at Zhou Cuihua and frowned slightly. In a moment, she walked into the house and made a phone call.”

“Not long after, a police siren sounded outside the door.”

Two policemen walked in.

“Soon, Zhou Cuihua and the person-in-charge walked into the police car.”

“Under the mediation of the police, the detective agency agreed to return a portion of the money.”

“When Zhou Cuihua heard that there was only 20,000 left out of 100,000, she instantly gave up.
“100,000 to 20,000? No, no, no! Liar! You’re all liars! Liars!””

“The detective was afraid of Zhou Cuihua’s pestering, but where was this place?”

This was the police station!

“They had seen countless top-notch people like Zhou cuihua, so they could handle it easily.”

“Soon, Zhou Cuihua stopped making trouble and took the 20,000 yuan that the detective had compensated and walked out of the police station.”

“20,000 yuan was nothing in the bustling capital.”

But it was better than nothing.

“With this 20,000 yuan, Zhou Cuihua went to the basement hotel where she stayed the day before.”

“Li hang happened to come back from looking for a job. When he saw Zhou cuihua, she said with some doubt, “Mom, didn’t you go to Uncle’s house?””

“Zhou cuihua said, “Your uncle... said that he wanted to sever the sibling relationship with me.””

“How could this be?” Li Hangwen asked.

“Zhou cuihua shook her head. “They already have no conscience...” at this point, recalling what happened today, Zhou Cuihua could not help but cry. “Zhou Xiatian, this heartless person, I’m his only sister. How could there be such an elder brother in this world...””

“No matter what her sister did wrong, a sister was a sister, and an elder brother was an elder brother.”

“However, Zhou Xiatian completely disregarded the brotherly relationship between brother and sister!”

“Li hang hesitated for a moment before continuing, “Then what should we do? I’ve already found a job today. The company will provide food and accommodation...””

“Li Hang did not finish his sentence, but the rest of his words were self-evident.”

“The company would provide food and accommodation. In this way, Zhou Cuihua would become a burden.”

Where would Zhou Cuihua go?

She couldn't live with her in the company.

“Zhou Cuihua also understood the hidden meaning of these words. She continued, “Hang Hang, you don't have to worry about me. I can find a place to live on my own.””

“After saying that, Zhou Cuihua seemed to have thought of something. She continued, “Oh right, what kind of job did you find? is the treatment good?””

““It's a foreign company. The treatment is not bad,”Li Hang replied.”

She was a graduate student and a graduate student at a key university. It was not difficult for her to find a good job.

“Perhaps, in the eyes of ordinary people, this was a hard-earned job, but in Li Hang's eyes, this was a job for the lower-class people.”

But she had no choice now.

She could only endure.

No one knew how regretful she was.

“Zhou Cuihua smiled and said, “My daughter is really capable! Right, how much is the salary?””

“As expected of her daughter, Zhou Cuihua. She was able to find a job in a foreign company right after graduation.”

“Li hang said, “The internship period is 15,000 yuan. After she becomes a full-time employee, it will be around 20,000 yuan.””

“Hearing that, Zhou Cuihua’s face fell. “Why is it so low?””

“One had to know that Zhou Xiaowen received an annual salary in a foreign company. Although the annual salary was not high, it was around 500,000 yuan.”

Chapter 2644: 570: get into a car accident and see him one last time

“Not only did Zhou Xiaowen earn 570,000 yuan a year, but the company’s benefits were also very good.”

“If not, the Zhou family would not have been able to afford a house.”

“Why did Li hang only earn 20,000 yuan after becoming a full-time employee? After all, Zhou Xiaowen had not even entered graduate school yet!”

“Li hang said, “I don’t have any work experience. It’s already very good that I can get a job worth 10,000 yuan right after graduating.””

“Zhou cuihua sighed. “That’s true. Hang Hang, don’t be anxious. You’re still your father’s only daughter. Even if your father is angry and ignores you now, when he gets old in the future, won’t all of his things be yours?””

Li Da Long was almost 50 years old. Could it be that he could still have a child with that second marriage woman?

“Moreover, Li Hang had always been the apple of Li Da Long’s eye. Back then, Li Hang had only said that he didn’t want a younger brother. Li Da Long didn’t have another child. Now that he was already so old, how could he have another child!”

It was absolutely possible!

“Zhou cui hua continued, “Your father has sold his house now. I’ve calculated that two houses should be sold for at least 40 to 50 million!””

“Speaking of this, Zhou Cui Hua was extremely regretful. She regretted that she did not have good eyesight at that time. She was guarding the 40 to 50 million property and did not know about it!”

“The word 40 to 50 million also made Li Hang feel uncomfortable for a moment. Immediately, her expression returned to normal.”

Zhou Cuihua was right. There was no overnight feud between father and daughter. She was Li Da Long’s only daughter. Li Da Long would forgive her one day.

“At that time, all the money would be hers.”

The difficulties were only temporary. She had to face the present difficulties bravely.

“”Mom, Can I rent a single room for You?”Li Hang continued.”

Zhou cuihua shook her head.

“Then where do you live?”Li Hang asked.

“Zhou cuihua said, “I’ll go look for your father.””

She had to find Li Dalong. She couldn't let Li Dalong give all the money to that SL * t from his second marriage!

All the money was hers!

No one could snatch it away.

"Li hang said, "Do you know where he is?""

"Zhou cuihua said, "He should be in the south.""

"How do you know?" Li Hang asked in surprise.

"Zhou cuihua said, "I went to your uncle's house today and accidentally heard it. Hang, don't worry. I will definitely find them.""

"Li hang continued, "Why don't we just forget about it?""

What was this called?

This was called playing hard to get.

Li Hang knew Zhou Cuihua too well.

"Zhou Cuihua liked to go against others the most. The more she objected, the more Zhou Cuihua had to do it."

"Li hang observed Zhou Cuihua's expression and said, "Mom, actually, it's not easy for dad. He worked hard for so many years and finally went out to enjoy himself with Aunt Feng. You...""

“I’m the one who should enjoy myself!” Zhou Cuihua said excitedly, “I’ve been working hard for this family for decades! What’s that Shameless B * Tch? I’ve worked hard for this family for more than ten years, but she didn’t have to do anything and took advantage of me! Shameless! Really Shameless!”

“Zhou Cuihua continued, “I must find them! I’m not having a good time, what right do they have to have a good time!””

“Li Hang sighed, but his lowered eyes flashed with a bright light.”

The anger in Zhou Cuihua’s heart was indeed stirred up!

Very good.

“Mom, have you really decided to go?” Li Hang continued to ask.”

“Of course!” Zhou Cuihua nodded.

“Li Hang sighed again and continued, “Alright then, I know you won’t listen to anything I say now. Rather than trying to persuade you, it’s better to support you.””

“Zhou Cuihua said, “I’ll find them even if I have to search the ends of the Earth!””

“Why don’t I accompany you?” Li Hang suggested.

“No need, no need. Just go to work properly,” Zhou Cuihua said. “I don’t know exactly where they are either.””

“That’s fine too.” Li Hang took out what little money he had left. “Mom, I still have 5,000 yuan here. Take it and use it on the road.””

“Li Hang came out of the lookout pavilion courtyard with a total of 15,000 yuan.”

“After taking out 5,000 yuan, he still had 10,000 yuan.”

“Zhou cuihua took the 5,000 yuan. “I still have 20,000 yuan with me. It’s a total of 25,000 yuan. I hope I can use this 25,000 yuan to find them.””

“Li hang continued, “I’ll start working tomorrow. If you don’t have enough money, just call me.””

“Zhou Cuihua was going to find Li Dalong after all. Of course, she would help him. After all, she was the one who benefited in the end.”

“Okay.”Zhou cuihua nodded.

“Chapter 2645: 570: car accident, see you one last time”

“The next morning, Zhou Cuihua boarded the train to the south. ”

Li Hang also started to work at his new company.

Everything seemed to be moving in a positive direction.

“”Xiao Li, take this document to type.”The old employee threw a stack of documents to Li Hang. ”

“Li hang smiled and tried his best not to offend anyone. “Okay, Xiao Mei, I’ll go right away.” ”

“Just as Li Hang was carrying the documents to the printing room, he suddenly saw a familiar figure at the elevator entrance. ”

That person was wearing a black suit and an exquisite wristwatch on his wrist.

“Every movement of his exuded the aura of a business elite, causing the passing employees to look at him.”

Who was that.

Li Hang was stunned.

“Then, three words appeared in his mind: Ouyang Cheng.”

It was him.

“It was an Lizi’s fiancé, Ouyang Cheng.”

Why was he here?

“Oh...”

“Just as Li Hang was about to chase after him, that figure disappeared into the elevator in front of him, and Li Hang himself was pulled back by his colleague beside him.”

““Little Li, what are you doing? That’s a private elevator. Although the staff elevators are very busy now, you wouldn’t go to the extent of wanting to take a private elevator, right?” ”

Only then did li hang react. “I saw an acquaintance.”

“His colleague, Wu Jing, said in surprise, “Acquaintance? You mean the person who was at the elevator just now?” ”

“Yes.” Li hang nodded.

“Wu Jing continued, “Do you know who that is? Ouyang Cheng! He Ye Group’s boss! How could you possibly know him!” ”

“Li hang said, “I really know him!” ”

“”Then what’s your relationship with him?” Wu Jing said, “Don’t tell me you’re his sister. One of You is surnamed Ouyang while the other is surnamed Li.” ”

“Most importantly, she did not look like a rich person from the way she looked at Li Hang. ”

“Li hang said, “Can’t we be very good friends?” ”

“Wu Jing immediately laughed out loud, “This is so funny! Director Cheng would make friends with someone like you?” ”

“Li hang frowned slightly, feeling extremely angry. ”

“Wu Jing Sized Li hang up and down before continuing to tease him. “But I did hear that director Cheng has a fiancée. You Can’t be that fiancée, right?” ”

“At this point, Wu Jing seemed to have thought of something and continued, “But her fiancée’s surname is an, not Li.” ”

Not surnamed Li.

Surnamed an.

On what basis did an Lizi have?

On what basis?

“Wu Jing clenched her fingers tightly, feeling extremely indignant.”

Why did she lose to an Lizi time and time again? How was she inferior to an Lizi?

“Since the heavens had allowed her to meet Ouyang Cheng Here, then she must get Ouyang Cheng’s attention!”

Definitely!

“Wu Jing pulled Li Hang. “Let’s Go, stop daydreaming! Let me tell you, flowers will never bloom in the dust.” ”

“Just like that, Li Hang was pulled away by Wu Jing.”

“Coincidentally, when Li Hang came back with the printed documents, he met Ouyang Cheng again.”

Li hang narrowed his eyes.

“This time, she had to let Wu Jing know whether she was daydreaming or not.”

“Li hang slightly raised his eyes and pretended to inadvertently look in Ouyang Cheng’s direction. Then, his eyes were full of surprise. “Ouyang!” ”

“In the Lin family’s banquet hall, Li Hang called Ouyang Cheng his brother-in-law.”

But Li Hang knew that successful men like them would not easily admit that they had a fiancée.

So it was better to call him Ouyang.

“After all, she was an Lizi’s cousin. Back in the banquet hall, she could be considered to have a good conversation with Ouyang Cheng. After Ouyang Cheng saw her, he would definitely be very surprised. ”

“After Ouyang Cheng called out, Wu Jing’s eyes widened, and she looked at Li Hang in disbelief. ”

Li Hang’s face was just right for a smile.

When was a girl the most beautiful?

“Of course, it was when she smiled. ”

She wanted Ouyang Cheng to be able to see her most beautiful self at any time.

Who knew that Ouyang Cheng did not even look at her and walked straight out of the door.

He did not hear it?

“This was Li Hang’s first reaction. If Ouyang Cheng had heard it, it would not be like this! ”

“Ouyang!” Li hang increased the volume of his voice.

“This time, even the other people on the side also looked in Li Hang’s direction. ”

“Ouyang Cheng!”

“At this moment, Ouyang Cheng’s assistant beside him looked in his direction and immediately said to the person-in-charge of PL company, “When your company is recruiting talents, is there no threshold?” ”

“The hidden line of this sentence was, any Tom, Dick, or Harry can enter? ”

“The person-in-charge repeatedly apologized and then looked in Li Hang’s direction and angrily said, “Director Cheng’s name is also something you can call!” ”

Li Hang’s face was slightly pale.

She thought that she and Ouyang Cheng should not be so estranged.

““Let’s go quickly!”Wu Jing immediately pulled Li hang in another direction and did not forget to explain, “She has a fever!” ”

“When they returned to the office, Li Hang’s face was full of confusion. ”

She did not understand why things had turned out this way!

“Wu Jing said in a low voice, “Don’t worry, I will keep this matter a secret for you! I will definitely not tell anyone else!” ”

“As soon as she said this, the minister walked in. “Who is Li Hang?” ”

Li hang instantly reacted. Did Ouyang Cheng suddenly think of her and want to see her?

“I am!”

“The minister continued, “Li Hang, you failed your internship and were fired.” ”

Fired?

“Why?” Li Hang looked at the minister. “There has to be a reason for your dismissal!”

“It will be on the dismissal slip. Pack your things and leave quickly.”

“After saying that, the minister left the office.”

“At the same time, Li Hang’s cell phone rang.”

Was It Ouyang Cheng?

“The PL fired her, and then the he ye group asked her to go to work?”

“Hello.” Li hang answered the phone with anticipation.

“Hello, is this Ms. Li Hang? I’m the police of Wuling City in Jiangde Province. My surname is Jiang. Your mother had a car accident in Wuling city in Jiangde Province. She is now in the ICU Ward in Wuling City. The Doctor said that the situation is not objective. Come and see your mother one last time.”

Chapter 2646: 572: the unfairness of Fate 1

A car accident?

Zhou Cuihua?

How was that possible!

She had just met Zhou Cuihua yesterday.

There was a mistake!

There must be a mistake!

“Li hang continued, “You must have made a mistake!” ”

“Are You Li Hang?”The policeman on the other end asked.

““Yes,”Li Hang replied. ”

“Then is your mother called Zhou Cuihua?”The policeman continued to ask.

“Yes.”

“That’s right.”The police officer sounded a little anxious. “Your mother’s condition is very serious now. You should come over quickly.”

Zhou Cuihua was hit by the cement tanker when she was crossing the road. She was unconscious on the spot.

The cement tanker driver died on the spot in order to avoid Zhou cuihua.

“Li Hang’s expression was unclear. He continued, “My mother... my mother...” ”

Why did fate have to go against her.

He had hoped that Zhou cuihua would be able to find Li Dalong and let her return to her previous life.

“But now, Zhou Cuihua was gone...”

Then what about her?

What should she do?

“The police officer could understand Li Hang’s current mood very well. He continued, “Little girl, don’t be anxious. I’ll send you the specific address after I hang up the phone. Hurry over after you pack up.” ”

“Okay.” Li Hang hung up the phone.

“Not long after, Li Hang received a text message. ”

It was the specific address of the hospital.

“At this moment, Li Hang really wanted to cry, but she could not cry. This was the company. ”

“Even if she wanted to leave, she had to leave in a dignified manner. She could not let others see her as a joke. ”

Li Hang tried his best to calm himself down. He took his things and walked out.

“Soon, Li Hang arrived at the entrance of the group. ”

“He first went to the dormitory, then to the hospital. ”

“After standing there for a while, Li Hang confirmed the route. ”

“There was no one in the dormitory, so Li Hang packed his things. ”

She never thought that she would move out today after moving into the dormitory yesterday. She never thought that something would happen to Zhou Cuihua.

What should she do?

What should she do now!

An Lizi!

All of this was an Lizi's and her mother's fault!

"If it wasn't for them, Zhou Cuihua wouldn't have divorced Li Dalong for no reason!"

"If it wasn't for them, Zhou Cuihua wouldn't have spent all her private money on the detective agency."

B * Tch!

An Lizi and her mother were B * tches.

"Die a horrible death!" Li Hang picked up the vase on the table and smashed it on the ground. "An Lizi, you will get your retribution!"

"After a long time, Li Hang walked out of the dormitory with his suitcase."

The sunset dragged her back.

Li Hang got on the bullet train to Jiangde Province.

“Five hours later, Li Hang appeared at the city hospital in Wuling City, Jiangde Province.”

“As soon as he got off the train, the police called him.”

““Little girl, have you arrived?””

““I just arrived at the high-speed railway station,”Li Hang answered.”

“The police continued, “Alright, I’ll wait for you at the hospital entrance.””

“Okay.”

“It was Li Hang’s first time in Wuling City, so he was very unfamiliar with everything here. After going around in circles for nearly two hours, he finally arrived at the hospital entrance.”

“After getting out of the car, she called the police.”

““Hello, officer Li, I’m here.””

“Officer Li held his phone and looked for Li Hang’s figure in the crowd. “Little girl, are you wearing a blue dress?””

““I am,”Li Hang said.”

“Officer Li put down his phone and jogged over to Li Hang. “Little girl, Are You Li Hang?””

“I am.”

Officer Li Looked Li hang up and down.

The little girl was about twenty-three or twenty-four years old. Her eyes were very swollen. She should have just cried.

“Little girl, are you the only one here? Where’s the rest of your family? Where’s your father?”

Li hang looked at officer Li. “My parents got divorced.”

My parents got divorced and my mother got into an accident.

It was really too tragic!

“Officer Li Sighed. “I’m sorry, please come in with me quickly. First, go and see your mother. Then, I’ll tell you about what happened. You can follow me back to the police station to make a backup.” ”

“Okay.”Li hang nodded.

“Soon, Li Hang came to the ICU in a bacteria-proof suit. ”

“The attending doctor introduced to Li hang, “The patient has a comminuted fracture all over her body and intracranial bleeding. The current situation is not optimistic. You have to be mentally prepared. She may lose her heartbeat at any time.” ”

Zhou Cuihua was lying on the hospital bed with tubes inserted all over her body. Her vital signs could no longer be seen.

“Even though Li hang usually looked down on this mother, when he saw Zhou cuihua lying on the hospital bed like this, his eyes turned red and he could not help but burst into tears. ”

Chapter 2647: 572: the unfairness of Fate 2

“Mom! Mom!”

“Zhou cuihua, who was lying on the bed, did not reply.”

“Although the doctor by the side had experienced too many things like this, he was more or less moved when he saw the scene in front of him.”

“After a moment, Li Hang looked at the doctor beside him and asked, “Please, please save my mother! I Can’t lose her!””

“The doctor said, “Don’t worry about the patient’s family. We have been working hard and will not let go of any hope.””

Li Hang left the ICU in tears.

The police were standing outside the door.

““Officer Li, have you caught the culprit?””

“Officer li said, “The driver died on the spot because your mother jaywalked and did not obey the traffic rules. Both of you have to bear a part of the responsibility for this accident.””

“At that time, there were traffic lights at the intersection. Zhou Cuihua did not look at the cars in front and behind and directly rushed out.”

“As a result, the car in front did not dodge in time and crashed into the green belt, causing a rollover and a rear-end collision.”

“Is there a misunderstanding? How could my mother directly run through the traffic lights? !”

“Officer Li continued, “The traffic police brigade has surveillance footage. If you have any doubts, you can go and check the surveillance footage.””

“After saying that, officer Li continued, “Follow me back to the station first.””

“Okay.” Li hang nodded.

Li Hang returned to the hospital once again. It was already past five o’clock in the afternoon.

She took out her phone and made a call to Li da long.

“Although Li Da Long had said a lot of harsh words to her before, to her surprise, when Li Hang called his number again, he did not blacklist her.”

“Soon, someone answered the phone.”

“Hello.”

““Dad, it’s me,” Li Hang said.”

“What’s Wrong?” Li Da Long asked.

“Li hang cried and said, “Dad, my mom was in a car accident and is now in the ICU. The Doctor said that her life is in danger at any moment. What should I do? Dad!””

“No matter what, Li Da Long was her hired father and Zhou Cuihua’s husband.”

She didn’t believe that Li Dalong could just sit by and do nothing when Zhou Cuihua was in a car accident.

“How could this be?” Li Dalong was very surprised.

“After all, Zhou Cuihua had talked to him a few days ago, even though the conversation wasn’t very pleasant.”

“I don’t know either. Dad, can you come over quickly? Mom and I Need You...” Li Hang’s voice was almost hoarse.

“After all, Li Dalong was a father. When he heard such a voice, it would be a lie to say that he was not moved at all.”

“Hang Hang, don’t be anxious. Calm down first...”

“When he heard this, Li Hang’s eyes flashed. She had thought that Zhou Cuihua’s car accident was the beginning of the darkness. She did not expect that there would be another bright future.”

Great!

“Feng Juan was in the room. When she heard that something was wrong, she frowned slightly.”

“From the sound, it sounded like Li Hang was calling.”

Zhou Cuihua was in a car accident?

“From the first time Feng Juan visited the Li family, she knew that Li Hang was not someone who was easy to deal with. Otherwise, Li Dalong would not have abandoned his child for Li Hang.”

“If Li Dalong and Zhou Cuihua and her daughter were to get back together at this time, then their future lives would definitely be in a mess.”

“Moreover, from the sounds of their conversation, Zhou Cuihua seemed to be dying!”

“If Zhou Cuihua died, Li Hang would definitely take this opportunity to follow them and ask Li Dalong to forgive her.”

No.

Feng Juan secretly clenched her fists.

“Her relationship with Li Dalong was very good. If there was one more person suddenly, the future would definitely be chaotic.”

“According to Li Da Long’s thoughts, he would definitely give half of the assets to Li Hang.”

She had to stop such a thing from happening now.

“Feng Juan closed her eyes and made up her mind. She stretched out two fingers and stuffed them into her mouth, pressing on the depths of her throat.”

“Urgh...”

She directly vomited.

“Then, as she vomited, she opened the door and ran in the direction of the bathroom.”

“The commotion was very loud, causing even Li Da Long, who was on the phone with Li Hang, to look over.”

““Juan ‘er, are you alright?””

“Feng Juan lay on the toilet and vomited until her face was pale, but she still said, “I’m, I’m Fine!””

“Li Da Long said to the other end of the phone, “Hang Hang, I Won’t talk to you for now.” After saying that, he directly hung up the phone and ran in the direction of the bathroom.”

“On the other side, Li Hang looked at the phone that had been hung up and frowned slightly.”

She had long known that Feng Juan didn’t seem to be someone who would keep to herself!

As expected!

On the other side.

“Li Da Long ran to the bathroom and patted Feng Juan’s back as he said, “Juan ‘er, are you alright? Why are you vomiting so badly!””

Chapter 2648: 572: the unfairness of Fate 3

“Feng Juan smiled and said, “It’s nothing. It’s just pregnancy vomiting. Every woman will experience it. There’s nothing to make a fuss about.” ”

“After saying that, Feng Juan washed her hands and rinsed her mouth before continuing, “Who were you talking to just now? I didn’t disturb you, did I?” ”

““No, no,” Li Dalong continued, “It was hang hang who called. Zhou Cuihua was in a car accident. I heard that the situation was quite dangerous.” ”

“Hearing this, Feng Juan’s face turned pale, “Then, should we go and take a look?”? “Although Zhou Cuihua went overboard in the past and hang hang has also disappointed you, they are now in trouble after all. Some things have already passed, so let it pass. Da long, don’t dwell on the past anymore!” ”

“Once Feng Juan said this, Li Da Long’s heart felt very uncomfortable. He immediately recalled what had happened before.”

Li Hang was willing to forsake him as his father for the sake of the rich and powerful.

Zhou cuihua was even more heartless.

Retribution.

This was all their retribution.

““What are you looking at?”Li da long continued, “This is their retribution for disliking the poor and loving the rich! Regardless of whether they live or die, I will not take another look at them!” ”

“Feng Juan said, “Da Long, forget about Zhou Cuihua. Hang Hang is different. Hang Hang is your biological flesh and blood!” ”

““Biological flesh and blood? I treat her as my biological flesh and blood. What does she treat me as? Does she treat me as her biological father?”Li Dalong looked at Feng Juan, “Juan ‘er, good people will not be rewarded well! Why Are You So Kind? If you treat them well, they will think that you are a fool! Juan ‘er, in the future, only you and the child will be my lover and Family!” ”

“Some things were fine if they were forgotten, but if they were not forgotten, the more they thought about it, the angrier they would get. ”

“For example, the current Li Dalong. ”

“Seeing Li Dalong like this, Feng Juan heaved a sigh of relief, but she still said, “Dalong, you can’t say that. Zhou Cuihua is about to die now, and hang hang will be alone in the future. It’s quite pitiful. Why don’t we bring her over!” ”

“I’ve said it before. She will never be my daughter again!” Li Dalong looked very determined.

“Feng Juan continued, “Dalong! Don’t do anything that you’ll regret.” Although she hadn’t been with Li Dalong for long, Feng Juan understood Li Dalong too well. He was a good person! ”

He was exactly the same as her in the past. She was always on the path of suffering or suffering.

“After experiencing a failed marriage, Feng Juan had grown up a lot, but Li Dalong seemed to be stuck in the same spot, and many things had to be reminded of by others. ”

“Li dalong continued, “Only by bringing her over will I truly regret it!” After saying that, Li Dalong pulled Feng Juan into his embrace. “Juan ‘er, from now on, the three of us can just live our own lives. Don’t think too much about it.” ”

““There’s something I haven’t told you,” Feng Juan said. ”

“What is it?” Li Dalong asked.

“Feng Juan continued, “I’m pregnant with twins. The doctor only called me to inform me.” ”

“Hearing that, Li Dalong said in surprise, “Really?” ”

Feng Juan nodded.

“Then why didn’t you tell me earlier?” Li Dalong was ecstatic.

“Feng Juan said, “I want to give you a surprise.” ”

“Li Da long smiled and said, “In that case, we will be a family of four from now on?” ”

“Yes.”Feng Juan nodded.

Li Da Long was very happy and kissed Feng Juan a few times.

Li hang was very unwilling and called Li da long again.

“Li Da long quickly picked up, but his attitude had obviously changed. ”

““Li Hang, we don’t have any relationship now. Whether Zhou cuihua lives or dies has nothing to do with me. Don’t call me again in the future.” ”

“Before Li Hang could say anything, Li Dalong hung up the phone. ”

“Li hang dialed again, but it was already busy. ”

It was blocked.

Li Dalong had actually blocked her.

Why?

They were father and daughter!

Who would have thought that a father and daughter whose blood was thicker than water would one day come to this point.

Li hang wished he could just throw his phone away.

But he couldn't.

She was already in a tight spot. It wasn't worth it to buy a broken phone again.

"At this moment, she could only silently accept the injustice of fate."

Li Hang walked into the hospital in a daze.

"Now he could only pray to God to bless Zhou cuihua. The wicked still needed the wicked to torture them. He had to quickly make Zhou cuihua recover, and then let Zhou cuihua deal with Li Dalong and Feng Juan, that slut!"

"At this moment, Li Hang's phone suddenly rang."

Was It Li Dalong?

"Li hang immediately picked up the phone, but the doctor's voice came from the other end. "Is this Zhou Cuihua's family member, Li Hang?" "

"I am."

A voice came from the other end. "Zhou Cuihua's physical signs are declining. Quickly come and see her one last time."

Chapter 2649: 572: Being a new person

The last time.

“Although Li Hang had made sufficient preparations, he still found it difficult to accept this at this moment.”

“How could it be...” Li hang directly cried out.

“Come over quickly.”

“After saying this, the medical staff hung up.”

Li hang quickly ran into the hospital.

He ran all the way to the ICU.

“The Doctor was already waiting at the door. Seeing that Li Hang had come over, he immediately let Li Hang put on the isolation suit. “Quickly go in.” ”

“Okay.” Li hang nodded and walked into the ward.

“Zhou cuihua had already woken up. When she saw Li Hang come in, she smiled and said, “Hang.” ”

“Mom.” Li hang immediately ran over and held Zhou Cuihua’s hand.

“Unlike her dying breath in the morning, Zhou Cuihua’s face was ruddy. There was a smile at the corner of her mouth. She did not look like a person who was about to die at all.”

“”Doctor, are you mistaken? My mother is in such a good state of mind, how could she...” ”

“The doctor who was following behind sighed. “Theoretically speaking, your mother’s condition is like a flash in the pan.” ”

“This phenomenon was like the setting sun in the west. Although its light would make the sky brighter, it would not last too long and would soon darken. ”

“It was the same for the patient. Before she died, her condition would be much better than before she died. She would suddenly be able to talk and laugh, and she would be able to clearly explain her funeral arrangements. ”

Zhou Cuihua was currently in this state.

“The doctor continued, “If you have anything to say, say it as soon as possible.” ”

Zhou cuihua looked at the doctor. “How much more time do I have?”

“Although the doctor could not bear it, he still had to tell the truth. He could not let the patient leave with regrets. ”

“No more than tomorrow.”

No more than tomorrow.

“When she heard this, Zhou Cuihua’s expression was unclear. ”

“The doctor continued, “I’ll be right outside. If you need anything, you can call me.” ”

“After saying that, the doctor walked out of the door. ”

“After he left, only Zhou Cuihua and Li Hang were left in the ward. ”

“Mom! I Don’t want you to die!”Li Hang threw himself next to Zhou Cuihua and cried out loud.

“Zhou Cuihua didn’t expect things to turn out this way. When she was about to die, she remembered many things from the past. “Hang Hang, Mom has let you down.” ”

“If she hadn’t been jealous of Xia Xiaoman, she wouldn’t have divorced Li Dalong. As long as they didn’t divorce, things wouldn’t have turned out this way.”

“She was about to die and wouldn’t know anything. However, Li Hang had suffered.”

“”Mom, don’t say that.” ”

“Zhou cuihua held Li Hang’s hand and continued, “Hang Hang, have you contacted your father?” ”

“I have.”Li hang nodded.

“Zhou cuihua continued, “Then what did he say?” ”

“Li hang cried, “He still said the same thing. It has nothing to do with me anymore. So Mom, you can’t die. You have to live. If you die, what will I do?” ”

“Hearing that, Zhou Cui Hua’s expression instantly became vicious, “It’s said that a tiger doesn’t eat its own son. This Li Da Long! He’s not human! Even if I turn into a malicious ghost, I won’t let him go!” ”

Zhou Cui Hua was very hateful now.

She hated herself but why did she have to run the red light.

“At this moment, Zhou Cui Hua seemed to have thought of something and continued, “Right, Hang Hang, after I die, you have to make the driver responsible! Make them compensate! At least five million!” ”

“I can’t...” Li hang shook his head.

“Why?” Zhou cuihua asked.

“Li hang continued, “The driver who hit you died on the spot. His family is in the countryside and can’t even afford 100,000 yuan, let alone five million.” ”

Zhou Cuihua’s heart thumped.

She originally thought that her death would bring Li hang a sum of money...

She did not expect...

““So Mom, you have to be strong. You have to help me find my father!” Li hang cried, “You can’t Die!” ”

“If she could not die, who would not want to live? ”

“At this point, Zhou Cuihua was no longer afraid of death. However, she was afraid that after she died, Li Hang would have no one to take care of him. ”

“Zhou cuihua continued, “Call your father now and tell him that I am about to die. You are his only biological daughter. He can not leave you alone!” ”

“No matter what happened, Li Hang was still Li Da Long’s only daughter. Li Da Long had to take care of him. ”

Li hang shook his head. “It’s useless. He’s already blacklisted me.”

“Did you tell him that I’m going to die?” Zhou Cuihua asked.

Li Hang nodded.

“Hearing this, Zhou Cuihua wished she could stand up and kill Li Da Long with a knife.”

He was really inhuman!

Chapter 2650: 572: Being a new person 2

He could even turn a blind eye to his own daughter.

Was there such a father in the world?

““Wait! Li Da Long, just you wait! I Won’t let him off!” Zhou Cui Hua’s eyes widened. “I curse him, I curse him and that B * Tch to die a horrible death!””

“Speaking up to this point, Zhou Cui Hua seemed to have thought of something and continued, “Hang Hang, I still have something I need you to do.””

“What is it?” Li Hang asked.

“Go and buy me a set of clothes to wear on the road.”

Clothes to wear on the road?

A shroud?

“Li hang swallowed his throat, not knowing what to do.”

““It can be considered a shroud.”Zhou cuihua continued, “Remember, I want a red dress, red high heels, and a red hat.””

Li Hang was stunned again.

“Zhou Cuihua had seen a horror movie before. It said that if a person was dressed in red before death, they would turn into a malicious spirit after death.”

She wanted to turn into a malicious spirit to seek revenge on Li Dalong and Feng Juan.

She also wanted to make Xia Xiaoman suffer!

This was Zhou Cuihua’s last counterattack.

She believed that there must be a mysterious power in this world.

She would definitely succeed in her revenge.

“Go quickly! What are you waiting for!”Zhou cuihua pushed Li Hang.

“Only then did li hang react. He said with some hesitation, “Mom...””

“Go quickly.”

“Seeing Zhou Cuihua’s determined expression, Li hang could only do as she said. He left the ICU to buy the things that Zhou Cuihua needed.”

“At this moment, Zhou Cuihua seemed to have thought of something and said, “Wait a moment.””

“Do you have anything else?”Li Hang asked.

“Zhou cuihua continued, “Hang Hang, after I die, remember to call your uncle. Although your uncle said some harsh words, he is my brother after all. He will definitely come.””

Zhou Cuihua was really worried about Li hang being alone in the world.

“With Zhou Xiaxia’s uncle taking care of him, he would be more at ease.”

“Okay.”Li hang nodded.

“Zhou cuihua continued, “Alright, go quickly.””

“Li hang nodded and turned to leave. Very soon, he arrived at a funeral parlour. According to Zhou Cuihua’s needs, he bought a red dress, red high heels, and a red hat.”

“By the time Li Hang reached the hospital, Zhou Cuihua’s heart had already stopped beating and she was declared dead.”

“Looking at his mother lying on the hospital bed without a sound, Li hang burst into tears.”

“Mom!”

“Why can’t you wait for me!”

“A nurse at the side advised, “Young Lady, I’m sorry for your loss.””

Li hang could no longer listen to any sound.

Her mind was filled with thoughts of what she should do if Zhou cuihua died?

“Also, was the red dress that she had prepared for Zhou Cuihua really useful?”

What should she do now?

“”Mom!”Li hang cried more and more sadly. In the end, he actually fainted.”

“When Li Hang woke up, the nurse and others had already arranged for Zhou cuihua to wear a shroud.”

“The red dress, the red high heels, and the red hat on her head were all very strange.”

The nurse couldn't help but shiver.

Why would someone prepare such a burial suit for his mother.

Li Hang contacted a professional driver and dragged Zhou Cuihua's body to the funeral home.

“Then, he contacted Zhou Xiatian.”

“Zhou Xiatian had already broken off her relationship with Zhou Cuihua and did not want to have anything to do with Zhou Cuihua in the future. However, when she received a call from Li Hang, she was still shocked.”

“”What! Hang Hang, what did you say!”Zhou Xiatian's voice was anxious and trembling. “What happened to Your Mother?””

“”Uncle, my mother is dead,”Li Hang repeated.”

Dead?

How Could Zhou Cuihua be dead?

What happened?

How could this be?

“Zhou Xiatian tried her best to calm herself down and continued, “Hang Hang, this kind of thing is not something to joke about.””

“”Uncle, I’m not joking with you. My mother is indeed dead. She left in a car accident. I’m now at the funeral home in Wuling City, Jiangde Province. If you still treat my mother as your sister, then come to Wuling City.””

“After saying that, Li hang hung up the phone.”

Zhou Xiatian was stunned on the other end.

“Sun Guixiang immediately walked over and asked, “Old Zhou, what’s Wrong?””

“Hearing that, Zhou Xiatian didn’t have any reaction.”

Sun Guixiang asked again.

Zhou Xiatian still didn’t have any reaction.

“Sun Guixiang’s heart was full of confusion, so she reached out and pushed next Zhou Xiatian. “Old Zhou, why aren’t you saying anything?””

Only then did Zhou Xiatian react. She looked at Sun Guixiang in a daze. "Guixiang..."he didn't know how to say the rest of his words.

"Although he had already broken off his sibling relationship with Zhou Cuihua, Zhou Cuihua was still his biological sister. Now that she was gone, he, as her elder brother, really couldn't accept it."
