Chapter 2651: 572: Being a new person 3

What was going on!

Sun Guixiang was very anxious when she saw Zhou Xiatian like this. What exactly happened to make Zhou Xiatian show such an expression.

““What, what happened?”At this moment, Sun Guixiang was also very anxious. ”

“Zhou Xiatian’s eyes instantly turned red. “Cui, Cuihua, Cuihua are gone.” ”

“When she said the last sentence, Zhou Xia Tian broke down and burst into tears. ”

How could such a person disappear just like that!

Sun Guixiang was also stunned. “What do you mean by Gone? How did it disappear? What exactly is going on?”

“Zhou Xia Tian choked with sobs and said, “Hang hang just called and said that it was a car accident. He’s already at the funeral home and wants us to go over immediately.” ”

““What, What’s going on? ! Is He joking with you? ! He was fine a few days ago. How can he just disappear like that?”Sun Guixiang was also in disbelief. ”

““I can hear it. Hang Hang Hang isn’t joking,”Zhou Xiatian said. ”

Sun Guixiang swallowed her throat. She couldn't react for a long time.

She was in disbelief and also a little glad.

"She was glad that when Zhou Cuihua came to look for them, she did not put her foot down. She even persuaded Zhou Xiaxia to let Zhou Xiaxia forget about it."

It was Zhou Xiaxia who was determined not to let Zhou Cuihua's younger sister.

"If she had not said a word back then, Zhou Xiaxia would definitely blame her now."

Lucky.

Lucky!

"Sun Guixiang continued, "Xiaxia, can you confirm that the call just now was from Hanghang? There are so many scammers nowadays. Don't be fooled!" "

"As she said that, Sun Guixiang took out her hand. "No, I have to make a call to ask." "

Sun Guixiang dialed Li Hang's number.

"Very soon, Li Hang picked up the call."

"Hello."

"Sun Guixiang immediately said, "Is it hang hang?" "

"Yes." Li Hang's voice sounded weak. One look and it was obvious that he had experienced a huge wave.

Sun Guixiang's heart skipped a beat. It looked like something really happened to Zhou Cuihua!

"Sun Guixiang immediately said, "Hang Hang, good child. Don't be anxious now. Your uncle and I will come over right away." "

"At this moment, when he heard his aunt's voice, Li Hang immediately cried out, "Aunt..." "

"Good child, don't cry." Sun Guixiang's voice was also a little choked up. "We will be there right away." "

"No matter what happened between adults, a child was still a child. "

"Moreover, Zhou Cuihua was already dead. "

"Li Hang had no relatives in this world. She was still a child in her twenties. At this moment, she was definitely alone and helpless. "

Sun Guixiang was not the kind of person with a heart of stone.

"After hanging up the phone, Sun Guixiang wiped her tears. "I'll go pack my clothes. Call Xiao Wen and ask him to book two tickets to Wuling City. Then, if his unit has time, ask him to take a leave of absence in the end." "

"Looking at Sun Guixiang like this, Zhou Xiatian was stunned. "

It seemed that he had misunderstood Sun Guixiang all along.

"What are you waiting for? Hurry up and Go!" Sun Guixiang said.

Zhou Xiatian immediately nodded.

“Very soon, the family of three boarded the plane to Wuling City. ”

The plane was very fast.

It arrived in two hours.

“And after the three of them left the airport, they went straight to the funeral parlor. ”

Li Hang sat at the entrance of the funeral parlor in a daze.

“The funeral parlor was originally a place filled with death and sadness. Just by sitting there, she seemed to have an endless aura of death. ”

“When Zhou Xiatian saw this, her heart ached. “Hang Hang!” ”

Sun Guixiang was also shocked.

It had only been a few days!

Li Hang had actually become like this.

“Hang Hang!”

The husband and wife hugged Li hang like this.

“Li Hang, who had finally seen his loved ones, instantly cried out. ”

This was a subconscious action.

“After his mother died, she had been busy all by herself.”

“At this time, she really hoped that she could have a family member to stand behind her.”

“Actually, through this matter, she had also seen many things clearly.”

The most important thing in life was to live.

It was good to live.

Then there was family love.

“A person could have nothing, but they could not have no family, they could not have no love.”

“In the past, she was proud and arrogant. For the sake of power and money, she could give up everything.”

“Little did she know, those were just fleeting moments.”

“In the future, she would cherish what she had now.”

““Uncle, aunt!” ”

““Good child, uncle and aunt are here. It’s okay now.”Sun Guixiang kept comforting Li Hang.”

Li hang cried so hard that he couldn’t help himself.

“Zhou Xiaowen, who was watching from the side, also felt a little uncomfortable.”

“After Zhou Xiatian came, Li hang immediately found his backbone. She only needed to listen to Zhou Xiatian on everything. ”

“Three days later, Zhou Cuihua’s ashes were transported back to her hometown and buried in the cemetery of her hometown. ”

“In the end, Li Dalong did not come to the funeral. ”

“The reason was that Feng Juan was pregnant. If he came to the funeral, he would pass the yin energy to Feng Juan. It would not be good for the fetus. ”

“After Sun Guixiang learned about this, she could not help but curse, “This Li Dalong is really not a good person. He has already left, but he still refused to come and send off the final journey! To think that I was still on his side back then.” ”

“Li Hang was dressed in white mourning clothes. His face was thin, and there was no longer any arrogance in his eyes. “Actually, it’s not all dad’s fault.” ”

“Zhou Xiatian looked at Li Hang. “Hang Hang, your mother has left, but your uncle and aunt are still here. From now on, you will live with us. Your aunt and I will be your parents.” ”

“Sun Guixiang immediately nodded. “Your uncle is right. Hang Hang, from now on, you will move back home.” ”

“As long as Li Hang was a boy, Sun Guixiang would not say this. ”

But Li Hang was a girl. The girl was from China Merchants Bank. She would not lose anything if she raised Li Hang.

“Chapter 2652: 573: a new life, a new beginning”

“Although Sun Guixiang sympathized with Li Hang, if Li Hang made her do something that cost her money, then she wouldn’t do it!”

“In this day and age, which family didn’t want a life?”

“But Li Hang was not only a girl, but also a top student. He basically didn’t have to worry about finding a job. If he got married in the future, he wouldn’t have to worry about marrying a local.”

“If he treated Li hang as his biological daughter, she would be the one who would benefit in the future.”

“After all, Li Hang did not have a biological mother now, and his biological father did not want her anymore.”

“If Li Hang was a boy, then Sun Guixiang would not do such a loss-making business.”

“A boy not only had to get married and have children, but he also had to buy a marriage house.”

Who would be willing to do a loss-making business?

“When Li Hang heard Sun Guixiang’s words, he was very touched. He looked at Sun Guixiang and said, “Auntie, thank you.””

“Sun Guixiang held Li Hang’s hand and said, “You silly child, why are you being so polite with Auntie? From now on, we are one family. Don’t talk about two families as a family.””

“Okay.”Li hang nodded.

Zhou Xiatian looked at Sun Guixiang and felt very gratified.

“He had thought that his wife would object to this matter, but he did not expect Sun Guixiang to be so sensible. Damn”

“In fact, this was how a family should be.”

“Li hang continued, “Aunt, I plan to look for a job after I go back. If it’s possible, I’ll stay in the company dormitory.””

“Although Zhou Xiatian and Sun Guixiang said that she could stay in the Zhou family and treat her as their biological daughter, she was still an outsider.”

It was not suitable to stay at uncle and aunt’s house all the time.

““What company dormitory! Besides, it’s not easy to find a job now!”At this point, Sun Guixiang looked at Zhou Xiaowen and continued, “Xiaowen, is your company still lacking people?””

“Yes.”Zhou Xiaowen nodded.

“Sun guixiang continued, “Then introduce your sister in.””

“Sun Guixiang was talking about her sister, not her cousin. This sentence made Li hang even more moved and regretted his previous actions.”

“If she had not done it, how would things have developed to this point.”

A good family had just been broken up like that.

“Things have changed, but people have changed.”

“Li hang sighed in his heart, his face full of loneliness.”

“Zhou Xiaowen looked at Li Hang. “Hang, do you want to try joining our company?””

“Li Hang had graduated from a famous school, so it was not difficult for him to join their company. As long as Li Hang was willing, Zhou Xiaowen would arrange for her to join.”

“Li hang nodded. “Brother, I’ll have to Trouble You Then.””

“The company that Zhou Xiaowen was locked in was also a foreign company. The benefits and treatment were very good. Moreover, Zhou Xiaowen was a leader in the company. With Zhou Xiaowen taking care of her, her situation in the company would be better.”

““Okay, then I’ll go back and make some arrangements. Wait for me to inform you to go to work,”Zhou Xiaowen said.”

“Okay.”Li hang nodded.

“Sun guixiang continued, “Hang Hang, your brother’s company is close to home. After you go to work, don’t stay in the dormitory! “What’s so good about a dormitory? There are messy people living in a house, and some people are especially unhygienic. You’d better stay at home with us!””

“Since she had already decided to accept Li Hang, Sun Guixiang naturally wouldn’t let Li Hang live outside.”

“Once a person was far away, their feelings would become distant.”

“Hearing that., zhou Xiaxia immediately nodded and echoed, “Your aunt is right. You are a girl, living alone outside is always worrying. If anything happens, your mother will not forgive me even in the Netherworld.””

“Sun Guixiang held Li Hang’s hand tightly and continued, “Hang Hang, in any case, I will not let you move out. If you leave, I will hold your hand tightly.””

Li hang was very touched. He felt more and more sorry for Zhou Xiatian and Sun Guixiang.

In the future.

“When she had the ability, she would definitely repay him well.”

“If it wasn’t for Zhou Xiatian and Sun Guixiang this time, she didn’t know how she would have survived this.”

At night.

Sun Guixiang sat in front of the dressing table in the bedroom and applied skincare products.

Zhou Xiatian washed up and walked out of the bathroom.

““I’m done washing up,”Sun Guixiang asked.”

““Okay.”Zhou Xiaxia nodded and looked up at Sun Guixiang. “Guixiang, thank you.””

“Sun guixiang smiled and said, “Thank me for what?””

“Zhou Xiaxia continued, “Thank you for accepting Hang Hang.””

“If Sun Guixiang did not accept Li Hang, then Li Hang would be a homeless orphan now.”

“Sun Guixiang said, “Your heart aches for this niece of yours, Hang Hang. As your aunt, my feelings are the same as yours.””

“At this point, Sun Guixiang sighed, then, she said, “No matter what, I still feel that Li Da Long is not a human. Hang Hang is his biological daughter, but he is like an outsider! “It’s fine if he doesn’t care about hang, but Cuihua is his wife after all. It’s said that a husband and wife have a hundred days of grace. Cuihua has already left, but he doesn’t even show his face!””

“Chapter 2653: 573: New Life, New Start 2”

“No matter what happened to them in the past, the dead were the most important! Now that Zhou Cui Hua was gone, Li Da Long, as her ex-husband, should step in!”

Zhou Xia Tian also sighed. “The blame is on Cui Hua herself!”

“Even his own brother could not face the former Zhou Cui Hua, let alone Li da long, her ex-husband. ”

“”Although that’s what you said, the dead are still the most important! What happened in the past is already in the past, and Hang Hang is still his biological daughter! What do you think hang hang would have done if it wasn’t for us?” ”

“Although Sun Guixiang had always felt that Zhou Cuihua didn’t do things properly, this time, Sun Guixiang was on Zhou Cuihua’s side. ”

Li Dalong had done things too ruthlessly!

“At this moment, Sun Guixiang seemed to have thought of something and continued, “By the way, I heard that Li Dalong’s current wife is called Feng Juan, do you know that?” ”

“”Feng Juan?”Zhou Xiatian was stunned for a moment before continuing, “Why do I feel that this name is a little familiar...” ”

“Sun guixiang smiled and said, “That’s right, it’s the ex-wife of that old BI from your unit.” ”

“Old BI’s ex-wife?”Zhou Xiatian asked in surprise.

“Old Bi’s full name was Bi Zhongyuan, and he was Zhou Xiatian’s former colleague. He was a very ordinary person in the unit. No one knew that he had actually abused his wife at home. The most serious time was when he had beaten his wife half to death. ”

“His wife also came to her senses at this time. She resolutely collected evidence, took up legal weapons to protect herself, and let Old Bi leave the house with nothing! ”

“After the divorce, Old Bi drank heavily all day and did not go to work anymore. Later on, Zhou Xiatian heard that old bi fell into the river because he was drunk. When the sanitation worker who was cleaning up the garbage on the river found out., his entire body was already swollen. ”

“”Right,”sun guixiang said, “I also heard it from Old Zhang’s wife.” ”

“Hearing that, Zhou Xiatian asked curiously, “How did old Zhang’s wife find out?” ”

“Sun guixiang said, “Old BI’s ex-wife, Feng Juan, is good friends with old Zhang’s wife. I also heard that Feng Juan is pregnant now. I heard that they’re twins.” ”

“At this point., sun guixiang continued, “The human heart is really hard to fathom. Back then, Li Da Long was so good to hang hang. He gave hang hang whatever he wanted. Now that he has a new wife and a new child, he doesn’t even bother with hang hang!” ”

“Hearing that, Zhou Xia Tian sighed. “Is this information reliable?” ”

“How is it not reliable? Old Zhang’s wife told me personally!”Sun Guixiang said.

“After saying that, sun guixiang continued, “Besides, I’ve been married to you for so many years. Am I the kind of person who would randomly make up stories about others?” ”

That was true.

“Sun Guixiang had some cultural heritage. Although she was very common in the streets, she would never make something out of nothing.”

“Zhou Xiatian said, “I don’t blame him for getting married. I also don’t blame him for having a child with someone else. After all, that’s his own life. Many things have a cause and effect. This is inevitable. “But he shouldn’t have not even shown himself at Cui Hua’s memorial. No matter what, Hang Hang is his biological flesh and blood.” ”

“Speaking up to this point, Zhou Xiatian waved her hand and continued, “Forget it, forget it. Let these things pass! Don’t mention it in front of hang hang in the future!” ”

“”I know.”Sun guixiang nodded and continued, “Have you noticed? After experiencing this incident, Hang Hang’s child has grown up a lot and is much more sensible than before.” ”

Some things could be observed with the naked eye.

Li hang had changed too much from the past!

“Zhou Xiatian said, “It’s great to be able to correct mistakes. Hang Hang, this child, will have a bright future!” ”

“Li Hang was a very outstanding person. Now that he had put his mind on the right path, he would definitely have a bright future. ”

“I think so too.”Sun Guixiang nodded in agreement.

On the other side.

An Lizi received Li Hang’s wechat message.

Li Hang had asked her to meet him at the Coffee Shop at two o'clock tomorrow afternoon.

"An Lizi did not like Li hang at all, especially when she knew that Zhou Cuihua had also asked a private detective to investigate Xia Xiaoman."

"However, since Li Hang had taken the initiative to bring up this matter, if she didn't go, it would seem too petty."

An Lizi resolutely went to the appointment.

"Although the appointment was at 12 pm, when an Lizi arrived at 11:40 pm, Li Hang had already arrived."

"For some reason, an Lizi looked over and felt that something had changed on Li Hang's body."

"He had become a little strange. He had lost a lot of his sharpness, and his face was a little pale. There was even a sense of weakness."

"Chapter 2654: 573: New Life, New Start 3"

This was very unlike Li Hang.

"An Lizi frowned slightly, feeling a little puzzled."

"Lizi," Li Hang took the initiative to greet her."

An Lizi walked over. "Why are you so early?"

“Li hang said, “I just happened to have nothing to do, so I came over early.” ”

An Lizi sat opposite Li Hang.

“Li Hang handed the menu to an Lizi. “Lizi, what would you like to drink?” ”

““Coconut milk latte,”an Lizi said. ”

“Okay.”Li hang nodded and turned to call the waiter. “A coconut milk latte.”

“The two of them sat opposite each other, speechless for a moment. ”

“Fortunately, the waiter who delivered the food quickly broke the silence. ”

““Hello, your coconut milk latte.” ”

“Just as he put down the cup, a strong coconut milk smell and the aroma of the latte spread over. ”

“An Lizi took a sip of coffee and said, “You didn’t just come to me for coffee, right?” ”

““Yes.”Li hang nodded. “Lizi, my mom left.” ”

“Where did she go?”An Lizi was stunned for a moment.

It was also a little strange. Why did Li Hang tell her about Zhou Cuihua’s whereabouts for no reason.

“Li Hang was silent for a moment and then said, “She left a week ago. The first seven days have already passed.” ”

The first seven days?

“Hearing this, an Lizi instantly reacted and continued, “What do you mean?” ”

“Yes.” Li hang nodded. “It’s exactly what you think.”

“Speaking up to this point, Li hang continued, “People often say that good will be rewarded with good, and evil will be rewarded with evil. Perhaps, this is our retribution.” ”

“In the past, Li Hang did not believe this sentence. That was why she was willing to do anything to achieve her goal. ”

“But now, Li Hang firmly believed these words. ”

The fact that she and her mother had come this far was all retribution.

“Li Hang took a sip of his coffee, but his eyes couldn’t tell what kind of expression he had. “So, people should do more good deeds.” ”

“But doing good deeds, Mo Wen’s future. ”

An Lizi was stunned and didn’t know how to respond for a moment.

“She originally thought that Li Hang was looking for her for something else, but now the development of the matter had already deviated from her understanding. ”

“Li hang continued, “Lizi, I came here today to replace my deceased mother and apologize to you and your aunt. I don’t have the face to see her anymore. Please help me convey that no one will disturb her life in the future.” ”

Li Hang Thought for a long time and finally decided to personally apologize to an Lizi.

“Before Zhou Cuihua was cremated, Li Hang also changed her into another shroud. ”

“Although she was an atheist, this would at least make her conscience feel better. ”

“An Lizi looked at li hang and continued, “Actually, you came to find me today completely out of my expectations. Since she’s already gone, there’s no need to dwell on the past. I hope you can be happy in the future.” ”

No one would argue with a person who had already passed away.

And no one would continue to bite the bullet.

“Forgetting the past could make one happier, and it could also make others happier. ”

“”Thank you,” Li Hang said. ”

“In fact, Li Hang did not expect an Lizi to say anything to wish her happiness. In the past, she had been blinded by jealousy and missed out on a good sister. In the future, she did not expect to have a sisterly relationship with an Lizi. It was fine as long as both of them were well. ”

“Li Hang picked up the cup in front of him and continued, “This cup is to our past.” ”

“After saying that, she took a sip of coffee. ”

“After drinking, she raised the cup again. “This cup is to our tomorrow.” ”

Everything was in the cup of coffee that had already been drunk.

An Lizi also picked up the cup and drank with her.

“When she left, an Lizi said, “Where do you live now? Shall I send you back?” ”

““There’s no need. I’ll just take the bus.”Li hang raised his hand. “Goodbye, Lizi.” ”

“Some people might still be in the same city after that, but they might never see each other again. ”

People had to pay for their actions.

“Goodbye.”

Li hang smiled. “You have to be happy forever.”

““You too,”an Lizi said. ”

“After saying that, Li Hang walked onto the bus that was parked in front of him. ”

“Looking at the bus that was gradually moving away, an lizi was filled with emotions. After a moment, she turned around to drive. ”

“After returning home, an Lizi told Xia Xiaoman about what had happened today. ”

“Hearing that, Xia Xiaoman was also very surprised. “Are you saying that your aunt is gone?” ”

“Yes.”An Lizi nodded.

Xia Xiaoman sighed. “Life is really like a dream.”

An Lizi looked around the house. "Where's Ah Zhi?"

"Your dad took him out to play."

"As soon as she said this, Xiao Lin Zhi's voice came from outside the door. "Big Sister, Big Sister! I'm Back!" "

"Ah Zhi."

"Xiao Lin Zhi was holding two piglets of Paige's ice cream in his hands. He ran towards an Lizi. "Big sister, this is the ice cream that dad bought. We'll each have one." "

"Thank you."

An Lizi reached out to take the ice-cream.

Xia Xiaoman looked at Lin Qingxuan behind her and smiled. "Lizi is already a child. Why are you still buying ice-cream for her?"

"Look at what you're saying. No matter how old a child is, he's still a child," Lin Qingxuan said. "

"An Lizi held the ice-cream in her hands. Her heart was warm as she smiled and said, "That's right. Can't I just enjoy eating ice-cream?" "

"In fact, what she cared about was not the ice cream, but her attitude. Although buying ice cream was not a big deal, it proved her position in Lin Qingxuan's heart. "

Chapter 2655: 575: I like everything I like

“In fact, Xia Xiaoman was very gratified when she saw this scene.”

What was the most frightening thing about reorganizing a family?

“Adults were disharmonious, and children were also disharmonious. Therefore, there were many misfortunes in life, and most of them appeared in reorganizing families.”

This was also the reason why many adults gritted their teeth and persevered through no matter how unfortunate their marriage was for the sake of their children.

“Actually, before they remarried, Xia Xiaoman had also been worried about this. It was an Lizi’s constant comforting and encouragement that allowed her to open her heart and truly accept Lin Qingxuan.”

Reality proved that she and an Lizi’s judgment was not wrong.

Lin Qingxuan was a good father and a good husband. He did not neglect an Lizi just because of Little Lin’s birth. He also did not treat an Lizi badly just because an Lizi was not related to him by blood.

“Xia Xiaoman smiled and said, “You’re already twenty-three, not thirteen.””

“Lin Qingxuan continued, “Whether it’s twenty-three or thirteen, in the eyes of parents, they are all children.””

“An lizi smiled and said, “My father is very right.””

“You two are father and daughter.” Xia Xiaoman smiled and shook her head.

“Little Lin Zhi opened the ice cream. “Sister, let’s eat together. You have a bite first.””

“Okay.” An Lizi nodded and took a bite of the ice cream.

“Xia Xiaoman continued, “You just said that your aunt has left. Where is Hang Hang Now?””

“Life was actually just a dream. There was no obstacle that could not be overcome, and there was no resentment that could not be overcome. If Li Hang was homeless now, as his aunt, she could help him.”

““She’s staying at her uncle’s house now,” an Lizi said.”

“That’s good.” Xia Xiaoman nodded.

Lin Qingxuan looked at Xia Xiaoman curiously. “Where did your cousin go?”

“Xia Xiaoman said, “She left in a car accident.””

“She died?” Lin Qingxuan was very surprised.

“Yes.” Xia Xiaoman nodded.

“Although Lin Qingxuan did not like Xia Xiaoman’s cousin very much, he was still quite surprised to hear that she had died.”

““This is too sudden.” Lin Qingxuan sighed and continued, “That’s why people should do good deeds.””

It was always right to say that good deeds were rewarded for good deeds.

“Zhou Cuihua was too calculative and scheming, which was why she had come to this point.”

“An Lizi said at this time, “After this incident, Li Hang has changed a lot. He’s also very different from before.””

“At this point, an lizi paused and continued, “She’s a smart person. As long as she puts her mind on the right path, her future will not be too bad.””

“Putting everything else aside, Li Hang was indeed very outstanding. Her high education and ability to deal with the world was not fake.”

“Xia Xiaoman nodded, then, she said, “Actually, the reason why hang has become like that is mostly because of the influence of her mother. Children are just a blank sheet of paper. Parents are the first teachers. Some children are not influenced by their original families, but some children will be influenced by their original families for the rest of their lives.””

Lin Qingxuan nodded in agreement.

“Xiao Lin Zhi seemed to understand but not understand. “Then, what kind of person will I become in the future?””

“Xia Xiaoman smiled and said, “Who do you want to become?””

“Xiao Lin Zhi immediately made a pose and said in a dignified manner, “I want to become Ultraman to protect the earth and all mankind!””

“Yes.” Lin Qingxuan nodded. “That’s a good ambition. Daddy will support you.”

The family of four was very happy.

...

“Time passed very quickly. In the blink of an eye, another four months had passed.”

“The Lin family had been very busy these few days, especially ye Shu. She had put down all her work and spent time with Bai Jingshu.”

“Because Bai Jingshu had already reached her due date, it was only in these few days. However, her stomach had yet to move.”

“Seeing that ye Shu was so nervous, Bai Jingshu smiled and said, “Mom, quickly go to work! You Don’t have to spend time with me. There are so many servants at home. I’ll be fine.””

“”Outsiders are outsiders after all. It’s better for me to stay with you.”Ye Shu had experienced the change of children in her early years, so she had a little shadow in her heart, “You’re right about Ah Ze. How can he still be in the mood to go on a business trip at a time like this? He really doesn’t have the awareness of being a father!””

“Bai Jingshu smiled and said, “Mom, don’t blame Ah Ze. This has nothing to do with him. I was the one who asked him to go on a business trip. He wasn’t the one who gave birth to my child. Besides, I don’t feel anything at all now. Who knows when I’ll give birth? I Can’t let him waste his time staying at home with me.””

Chapter 2656: 575: I like everything I like

“As a man, work came first. ”

“It was the same for Bai Jingshu. Although she was pregnant, she had always been a creative person. She was a model writer in the eyes of the editors. ”

“Ye Shu said, “Jingshu, it’s all because you’re a good person! Not only did you not argue with him, you even defended him!” ”

“Bai Jingshu said, “Mom, I’m telling the truth.” ”

Bai Jingshu had many good friends who were already married. They would often complain about their mother-in-law in front of her.

“This was not good, that was not good. The relationship between mother-in-law and daughter-in-law was very discordant. ”

“Bai Jingshu had never had this kind of trouble. She and Ye Shu got along very well. They were not mother and daughter, but they were better than mother and daughter. ”

“Speaking up to this point, Bai Jingshu paused and continued, “Mom, I’m serious. You Don’t have to leave work to accompany me. I’m already so old. Can’t I take care of myself?” ”

“”It’s not a special time right now!”Ye Shu smiled and said, “Anyway, I don’t trust you alone.” ”

Bai Jingshu’s relationship with her biological parents wasn’t good to begin with. She couldn’t let Bai Jingshu not feel concerned at a time like this. Women were the most sensitive when they were pregnant.

“Ye Shu was a person who had been through this, so she could understand. ”

“After saying that, ye Shu continued, “Jingshu, logically speaking, you should have started. Why isn’t there any movement at all?” ”

“Bai Jingshu smiled and said, “It’s probably because the little one in her stomach isn’t willing to come out.” ”

“”Searing said that she came back today, but there’s still no sign of her.”Ye Shu continued, “Wait for her to come back and let her take a look.” ”

“”There’s no rush.”Bai Jingshu smiled and said, “When I went for the prenatal checkup, the doctor said that it’s normal to delay and bring it forward.” ”

“Compared to Ye Shu, Bai Jingshu was really not in a rush. She was a Buddhist, and she had to eat and drink every day. ”

Ye Shu had prepared the delivery bag and other things. She just had to be responsible for delivering the baby.

“Ye Shu smiled and said, “When I was pregnant with Ah Ze and searing flames, it was brought forward by a whole week.” ”

““Usually, the twins will be brought forward,” Bai Jingshu said. ”

“At this moment, the sound of an engine came from downstairs. ”

“It must be searing.” Ye Shu stood up and walked downstairs.

“When she reached downstairs, she saw ye Zhuo and Cen Shaoqing walking in side by side. ”

Cen Shaoqing was carrying two big bags of things in his hands.

“Ye Shu jogged over. “Shaoqing, why do you always bring so many things every time you come here? !” ”

“No matter what, CEN Shaoqing would never come empty-handed. He always brought a bunch of things.
”

“CEN Shaoqing said, “Auntie, there are some things that my mother and grandmother prepared for the children.” ”

Bai Jingshu was about to give birth. Zhou Xiang and old madam Cen were very excited and prepared a lot of things for Cen Shaoqing to bring over.

“Go back and help me thank your mother and grandmother. You’re too polite!”

“CEN Shaoqing said, “We’re all family. Auntie, you’re Too Kind.” ”

Ye Shu reached out to take the things from Cen Shaoqing’s hands. “Let me take it.”

“Cen Shaoqing did not dare to let his mother-in-law take the things. He continued, “It’s alright, Auntie. It’s not heavy at all.” ”

“Ye Shu smiled and said, “This child.” ”

Ye Shu was extremely satisfied with Cen Shaoqing as her son-in-law. Cen Shaoqing was older than ye Zao and had a calm personality. Ye Shu believed that ye Zao would definitely be very happy in the CEN family in the future.

“Seeing the two of them like this, ye Zao smiled and said, “Mom, I realize that I’m becoming less and less in your eyes.” ”

““You’re not carrying anything in your hands,”ye Shu said. ”

“Ye Zao held ye Shu’s arm and continued, “How’s my sister-in-law?” ”

““Speaking of which, we were just chatting just now!”Ye Shu said, “Your sister-in-law’s expected delivery date is almost over, but there’s still no movement at all. What do you think is going on?” ”

“Ye Zhuo said, “Giving birth a week or two before and after the due date is a normal phenomenon. Mom, don’t be anxious. Just pay attention to sister-in-law’s condition. We can’t lack people at this time.” ”

“Bai Jingshu was in a situation where she could give birth at any time. Once people left her side, she would be in a very dangerous situation. ”

Ye Shu nodded. “I know that. I sleep in my room with Jingshu now.”

“Ye Zhuo had not been home for a while. When he heard this, he asked curiously, “Is my brother not at home?” ”

““Your brother is out of town on a business trip.”Speaking of this, Ye Shu could not help but say, “Your brother is too much. He’s going out on a business trip at this time. Isn’t he afraid of Jingshu giving birth? Seriously!” ”

Chapter 2657: 575: I like everything that searing likes

“What about sister-in-law? What’s her attitude?”Ye searing asked.

“Ye Shu said, “Your sister-in-law doesn’t care at all. Instead, she’s speaking up for your brother.” ”

“Ye searing smiled and said, “That means sister-in-law is a good person.”Bai Jingshu was a typical person who was not influenced by her original family. Back then, everyone in the Bai family, except for elder Bai, was against her marrying Lin Ze, because of this, Bai Jingshu even became the laughingstock of the entire galaxy. ”

It was because Bai Jingshu insisted on her own choice that led to today.

Ye Shu nodded. “Your sister-in-law is a rare and good daughter-in-law.”

“Cen Shaoqing silently followed behind, silently remembering the conversation between the mother and daughter. After he married ye Zao in the future, he could not make the same mistake. ”

“Not long after, the three of them walked into the house. ”

Bai Jingshu came down from upstairs. “Zao Zao.”

“Sister-in-law.”

“Cen Shaoqing also followed behind and called out, “Sister-in-law.” ”

“Bai Jingshu smiled and said, “You haven’t eaten yet, right?” ”

“Ye Zao said, “We’ve already eaten.” ”

“Bai Jingshu puffed out her big belly, and her limbs and face were much rounder than before. She looked like she had never felt this kind of love before. ”

“”By the way, I noticed that there are a lot of things growing on my face recently. Do you think it can be removed in the future?”Bai Jingshu continued. ”

“What Things?”Ye Zao asked.

“Bai Jingshu walked to ye Zao’s side and pointed at the spots on her face. “Look, this is it.” ”

“The spots on Bai Jingshu’s face couldn’t be seen clearly from afar. When she looked closer, they were quite obvious. ”

“Ye Zhuo continued, “Sister-in-law, your condition is caused by the increase in melanocyte-stimulating hormone secreted by the pituitary gland during pregnancy. Yes, after you give birth to the baby, this condition will gradually decrease. You Don’t have to worry. When the time comes, I’ll mix some medicine for you and apply it on your face.” ”

“”Will it really decrease?”Bai Jingshu was very worried about her daughter, she continued, “I saw that a few of my author friends said that freckles like these are very hard to get rid of. Their children are already several years old, and they still have these spots on their faces.” ”

“Bai Jingshu’s skin was fair, and the spots on her face were very obvious when she was not wearing any makeup. ”

“It’s really nothing. With a powerful sister-in-law like me around, what are you worried about!” Ye Zao said. ”

“Bai Jingshu smiled and said, “Yes, yes, yes. After all, they don’t have a powerful sister-in-law.” ”

“The sister-in-law and sister-in-law chatted and laughed, and the atmosphere was especially harmonious. ”

“At this moment, ye Shu asked, “Jingshu, did ah ze tell you when he will be back?” ”

“He didn’t tell you the exact time. It should be in the next few days.”

“Lin Ze was very busy, very busy. The two of them would say goodnight to each other every day when it was time. She rarely asked when he would be back. ”

“Ye Shu said, “This child should be back by now.” ”

“Mom, he’s busy outside. Don’t worry.” The husband and wife had to give each other enough space ”

There was enough space.

“Ye Shu said, “This child of yours is so heartless.” ”

“For both husband and wife, during the first ten months of pregnancy, it was the easiest time for a man to have an affair. It wasn’t that her mother didn’t trust Lin Ze, but she just felt that Bai Jingshu was too heartless. There were exceptions to everything, lin Ze had been lied to before. Ye Shu was worried that Lin Ze would be tricked by someone with ulterior motives. ”

“In today’s society, some people would do anything to achieve their goals. ”

“Bai Jingshu smiled. She trusted Lin ze very much. Sometimes, couples needed to communicate, but there were some things that didn’t need to be communicated at all. Just by looking at each other, one could know what the other was thinking.”

“”Mom, there’s no need to be so calculative in a marriage.” ”

“Ye Shu also smiled and continued, “What do you guys want to eat tonight? I’ll go to the kitchen and make some arrangements.” ”

“Bai Jingshu said, “I just want to eat green bean sprouts with vinegar.” ”

“Just one?”Ye Shu asked.

“Yes.”Bai Jingshu nodded.

Ye Shu looked at ye Zhuo and Cen Shaoqing. “What about the two of you?”

“”I want to eat boiled fish.”Ye Zao continued, “And some dessert after dinner.” ”

“What about Shaoqing?”Ye Shu asked.

“CEN Shaoqing said, “Auntie, I like everything that Zao likes to eat.” ”

“Ye Zao smiled and said, “Mom, don’t you know him? He’s like a lamb. Just ask the kitchen to prepare more grass.” ”

“”How can you say that?”Ye Shu said, “How can Shaoqing Be a Lamb? Besides, if Shaoqing is a lamb, then what are you?” ”

Ye Zhuo raised his eyebrows slightly. “You’re really my biological mother.”

Ye Shu smiled and poked ye Zhuo's head.

"That night, just as they were about to eat, Lin Ze came back. "

"He walked to the dining room, looking travel-worn. "Dad, Mom, I'm back." "

"Ah Ze is back!" Lin Jincheng said, "Why didn't you call ahead to inform us?" "

"I wanted to give you a surprise." Especially Bai Jingshu.

"A surprise? !"Ye Shu said, "No one's going out when their wife is about to give birth." "

"Lin Ze continued, "That's why I ended my work there as soon as possible." "

"Sit down and eat," ye Shu said. "

Lin Ze walked over to Bai Jingshu and sat down.

...

"At 11:30 pm, Bai Jingshu was awakened by waves of pain. It was an unfamiliar pain. Bai Jingshu turned on the lamp. "

Lin Ze also woke up immediately. "What's wrong with Jingshu? Does she have a stomachache?"

"Yes." Bai Jingshu nodded. "It seems like she's going into labor."

"Lin Ze immediately said, "I'll go get mom and dad right away. Wait a moment." "

“Soon, the Lin family’s house was brightly lit. ”

“Ye Shu had already prepared everything. “Ah Ze, quickly carry Jingshu to the car. I’ll Go Get Zhuozhuo.” ”

“Okay.”

Ye Zhuozao was still awake when he heard the commotion. He immediately changed out of his pajamas and went downstairs. “Is sister-in-law going into labor?”

“Ye Shu nodded repeatedly. “Zhuozao, let’s hurry to the hospital.” ”

Chapter 2658: 576: the sound of a baby crying

“Upon hearing that Bai Jingshu was about to give birth, ye Zhuo immediately nodded. “Alright, then I’ll go upstairs and get my phone. I’ll be right there.””

““Okay, you should go quickly,” ye Shu said.”

“Ye Shu also went into the house to get things like the delivery bag. Giving birth was a major event, so she had to prepare a lot of things. Fortunately, Ye Shu had prepared these things many days in advance. Now, she just needed to go and get them.”

“Ye Zhuo immediately went upstairs to get his phone. When he went downstairs, Ye Shu happened to take the things and walk out.”

The nanny van was already parked outside.

Lin Ze carried Bai Jingshu down the stairs at this time. "Mom!"

Ye Shu immediately walked over. "How is Jingshu Now?"

"Bai Jingshu's amniotic fluid had already broken. Her stomach was hurting, but when she heard ye Shu's voice, she still smiled and said, "Mom, I'm fine.""

"Ye Zhuo continued, "Brother, don't just stand there. Quickly carry sister-in-law to the car.""

Only then did Lin ze come to his senses and carry Bai Jingshu to the car.

Ye Shu and Ye Zhuo followed suit.

"After getting into the car, Ye Zhuo was just about to ask where Lin Jincheng had gone when he saw a black Bentley following behind the nanny van. This was Lin Jincheng's car."

Ye Zhuo looked at Ye Shu. "Is my dad's car behind?"

Ye Shu nodded. "It's your dad."

Bai Jingshu endured the pain. "Why isn't dad getting into the car?"

"Ye Shu explained, "Your dad is an old fogey. He said that he's a father-in-law. His daughter-in-law is about to give birth, so it's not suitable for him to be in the car.""

"The driver was a lady. Other than Lin Ze, everyone in the car was female. As a father-in-law, it wouldn't sound good if people knew that he was sitting in the car."

"Therefore, Lin Jincheng chose to drive alone to keep up with them."

This would be good for everyone.

“Ye Zhuo took out the medical kit and continued, “Sister-in-law, are you in a lot of pain right now?””

“Bai Jingshu continued, “Actually, it doesn’t hurt very much. It just comes and goes. When it doesn’t hurt, it’s fine. But when it hurts, it’s that kind of excruciating pain.””

“It felt very strange, as if she was about to take a shit, but it wasn’t that kind of pain.”

“At this moment, Bai Jingshu finally understood why medical science classified the pain of childbirth as the highest level of pain.”

“Then are you in pain now?”Ye Zhuo asked.

“Bai Jingshu shook her head. “It doesn’t hurt very much now...”as soon as she said this, Bai Jingshu’s expression changed, and she continued, “It’s starting to hurt again.””

“Ye Zao sat opposite Bai Jingshu. “Sister-in-law, bear with it for now. I’ll Take Your Pulse.””

“Okay.”Bai Jingshu nodded.

Ye Zao stretched out his hand to take Bai Jingshu’s pulse.

“A moment later, ye Zao continued, “The uterine opening has already been opened by one and a half fingers. Don’t be anxious for now. I’ll give you an injection to alleviate the pain.””

“Okay.”

“Lin Ze immediately asked, “What do you mean by one and a half fingers?””

He did not understand any of these medical terms. He only knew how to be anxious.

“Ye Zao explained, “Under normal circumstances, the uterus of a pregnant woman needs to be opened up to about ten fingers before she can prepare for delivery. Sister-in-law is only about one finger and a half now. We still have to wait for a while, so we can’t be anxious now.””

Lin Ze seemed to not understand. “Then how long do we have to wait?”

“Ye Zao said, “This depends on one’s physical condition. It can be as fast as one or two hours. Some people wait for seven or eight hours without giving birth.””

“In fact, ye Zao didn’t know much about these things in the past. Ever since Bai Jingshu got pregnant, she had specially added a lot of knowledge about obstetrics and gynecology.”

“Lin Ze nodded. “Then, what kind of system does your sister-in-law belong to?””

“Lin Ze was very anxious now. He had never experienced something like this before. Seeing how Bai Jingshu was in so much pain, he wished he could replace her.”

Ye Zao shook his head slightly. “I’m not too sure about that either. Let’s see how sister-in-law reacts to it.”

“Lin Ze continued, “Then give her a shot first.””

“Okay.”

Ye Zao opened the medical kit.

“Just as he was about to give her a shot, Lin ze said, “Wait.””

“”What’s wrong, brother?”Ye Zao asked.”

“Lin Ze said, “Will this shot affect your sister-in-law?””

““Don’t worry, it won’t,” ye Zao replied.”

“That’s good.” Lin Ze heaved a sigh of relief.

“Ye Zao picked up the Golden Needle again. Bai Jingshu continued, “Zao, wait a moment.””

“What’s wrong with sister-in-law?” Ye Zao asked.

“Bai Jingshu continued, “Will it affect the child again?” If it affected the child, she could bear with it.”

She did not want to give birth to a defective child for the sake of her temporary comfort.

Chapter 2659: 576: the sound of a baby crying

“Ye Zao smiled and said, “Don’t worry. This will only temporarily relieve the pain. It Won’t affect adults, nor will it affect my future nephew.” ”

“Okay.”

“After saying that, ye Zao continued, “Sister-in-law, you should relax a little.” ”

“Okay.”

Ye Zao took out two golden needles and pierced them into Bai Jingshu’s acupuncture points.

It was especially magical.

“Almost as soon as the Golden Needles landed on her acupuncture points, Bai Jingshu felt that the throbbing pain had lessened quite a bit.”

“When the second needle was pierced, the throbbing pain was immediately reduced by two-thirds.”

“It really doesn’t hurt that much anymore!” Bai Jingshu continued, “Zao, you’re really amazing!”

Ye Zao said, “It’s good that it’s effective. Sister-in-law, if you feel any discomfort later, you must let me know immediately.”

“Okay.”

“Lin Ze looked at BAI Jingshu and continued, “Is it really not painful anymore?””

“Yes.” Bai Jingshu nodded.

Lin Ze heaved a sigh of relief.

“Ye Zao continued, “But this needle won’t last long. If sister-in-law doesn’t give birth in an hour, the pain will continue.””

“Is it as painful as before?” Bai Jingshu immediately asked.

Ye Zhuo nodded slightly. “Yes.”

“Lin Ze immediately asked, “Then is there no other way?””

Ye Zhuo shook his head slightly. "There isn't."

"Bai Jingshu smiled and said, "It's fine, it's fine. It's just a little pain. Every mother has gone through it like this. I can endure it." "

It was also at this moment that Bai Jingshu finally understood why so many poems and articles were praising mothers.

The role of a mother was ordinary and great.

The only thing that Bai Jingshu could not figure out was why some mothers would abandon their children after giving birth.

She would protect her children with her life.

"After Bai Jingshu stopped feeling pain, the atmosphere in the car brightened up. "

Giving birth was originally a joyous event.

"At this moment, Ye Shu looked out of the window and suddenly realized something. She looked at Lin Ze. "Why is there a car following your father's car?" "

"Lin Ze said, "It might be a passing car." "

It was not unusual to have a car on the road.

"Ye Shu shook her head. "No, no, no. I noticed that he was following the car all the way." "

"Hearing that, Ye Zhuo also looked out of the window and said, "That seems to be Cen Shaoqing's car." "

“Shaoqing?” Ye Shu asked.

Ye Zhuo nodded slightly.

“How did he know that your sister-in-law was going to give birth?” Ye Shu asked.

“Ye Zao said, “I told him. I thought he would come tomorrow morning. I didn’t expect him to come now.” ”

“Hearing that, Bai Jingshu continued, “I’m just giving birth to a child. Actually, there’s no need to make it so grand. It’s already so late. Zao, Tell your family member to go back quickly.” ”

“Ye Zao smiled and said, “I’ll tell him when we get to the hospital.” ”

“Okay.” Bai Jingshu nodded. “You and your parents can go back later. Ah Ze can accompany me. I’ll call you when I give birth.”

Bai Jingshu didn’t think that this was a big deal.

“Besides, it wouldn’t be of much help even if so many people waited at the hospital. It was better to go back and rest well and wait for the child to be born before calling to inform her.”

“Hearing this, ye Shu said, “It’s more like letting Zhonghua go back! As grandparents, what would we look like if we went back early!” ”

“Speaking up to this point, ye Shu continued, “Besides, what does ah ze know! He doesn’t even know how to carry the child later!” ”

“Under the current situation, even if ye Shu really went back, she wouldn’t be able to fall asleep.”

“Half an hour later, the car stopped at the entrance of the hospital.”

“Because Bai Jingshu’s palace entrance hadn’t been fully opened yet, she could only stay in the ward for now. She could only enter the delivery room after the palace entrance was fully opened. ”

“Ye Zao said, “I’ve already arranged the ward. Mom, brother, you guys can bring sister-in-law over. I’ll go look for Cen Shaoqing.” ”

“Okay.”Ye Shu nodded. “You go first.”

Ye Zao got out of the car and walked towards Cen Shaoqing’s car.

Cen Shaoqing pushed open the car door and got out. “How is it? Have you given birth yet?”

“Not yet.”Ye Zao shook his head slightly. “Why are you here?”

“I’m here to accompany you.”

“Ye Zao smiled and said, “Accompany me for what?” ”

Cen Shaoqing reached out and put his arm around ye Zao’s shoulder. “Isn’t this the duty of a boyfriend?”

“Ye Zao said, “You’re really getting more and more oily.” ”

Cen Shaoqing imitated ye Zao’s usual behavior. “Just average. I haven’t reached the third place in the world yet.”

“”Let’s go in quickly,”ye Zao said. ”

“Okay.”

The two of them walked towards the inpatient department.

“In the VIP ward, because of the injection, Bai Jingzhu was talking and laughing. She did not want to be near a person who was about to give birth.”

Chapter 2660: 576: the sound of a baby crying 3

“Shaoqing is here.”

“Uncle and Auntie.” Cen Shaoqing greeted her rationally.

“Ye Shu smiled and said, “Why did you come here so late at night! You still have to go to work tomorrow! Hurry up and go back!””

““It’s okay.” CEN Shaoqing said, “I’m here to accompany Zao Zao.””

“Although it was not ye Zao giving birth, at this time, a girl still needed someone to accompany her.”

“After all, giving birth was a very painful thing, whether it was an experiencer or a witness.”

“At this moment, Bai Jingshu, who was leaning against the bed, seemed to have thought of something and continued, “Zhuo Zhuo, have you decided on the name of the Child?””

“Ye Zhuo nodded slightly, “Yes.””

“What is it called?” Bai Jingshu asked with great anticipation.

“Ye Zhuo continued, “If it’s a girl, it can be called Lin Lu. If it’s a boy, it can be called Lin Xi.””

“Hearing this, Bai Jingshu immediately asked, “Is it the line in ‘Jian Jia’, ‘when the rain falls, the River Falls, Bai Lu Wei Xi’?””

“Yes.”Ye Zao nodded slightly.

“Bai Jingshu smiled and said, “That’s a good name. I like it.””

“Lin Ze said, “I also think that’s a good name.””

“Hearing this, Bai Jingshu was a little speechless and said, “Of course you think it’s a good name!”After saying this, she looked at ye Zao again. “Zao Zao, do you know what names your brother has chosen?””

“I don’t know.”Ye Zao shook his head slightly.

“Bai Jingshu continued, “What Lin Bao, Lin Xiaocui, Lin Guifen... I even suspect that he’s someone from the 1980s!””

“Ye Zao chuckled. “Actually, my brother’s names are quite unique.””

“”I don’t know if they’re unique or not. In any case, they’re quite down-to-earth, just like old people. Especially that Xiaocui and Guifen. I don’t even know how he came up with them!””

“Bai Jingshu was quite compatible with Lin Ze in other aspects, but when it came to naming, Bai Jingshu really couldn’t appreciate Lin Ze’s aesthetics.”

Lin Ze didn’t say anything. He just rubbed his nose.

“Actually, he thought that Guifen was a really nice name, but it was a pity that Bai Jingshu didn’t like it.”

“Ye Zhuo continued, “Why are they all girls’ names? Didn’t my brother choose a boy’s name?””

“”He gave them one too,” Bai Jingshu said.”

“What’s his name?” Ye Zao was very curious.

“Bai Jingshu continued, “Ask him yourself.””

“”Brother, what’s his name?” Ye Zao asked.”

“Lin Ze said, “Tiezhu.””

“”What?” For a moment, Ye Zao thought he was hearing things.”

“Bai Jingshu said, “That’s right, Zao Zao. You heard right. He wants to name his biological son Lin Tiezhu.””

“This time, even Ye Shu laughed out loud. She patted Lin Ze on the shoulder and said, “Oh my God, Ah Ze, how did you come up with that name?””

Ye Searing also laughed. “Why don’t we use Tiezhu as a nickname?”

“”It doesn’t matter as long as the big name isn’t Tiezhu,” Bai Jingshu said.”

“Ye Shu smiled and continued, “A cheap name is easy to raise. Why don’t we listen to Aunt? Our nickname is Tiezhu.””

Lin Ze looked at Bai Jingshu. “Is that okay?”

This matter had to be approved by Bai Jingshu. Lin Ze didn’t dare to make the decision alone.

“Bai Jingshu smiled and said, “That’s fine. My son already has a great name.””

Lin Xi.

She liked this name very much.

“”How do you know it’s a son? What if it’s a Daughter?”Lin Ze couldn’t help but say, “I think Lin Lu sounds better.””

“”What do you know?”Bai Jingshu, who never swore, couldn’t help but swear.”

Lin Ze didn’t say anything.

The world was vast and pregnant women were the most powerful. Good men would never compete with pregnant women.

“Soon, the one-hour period of relaxation passed. Bai Jingshu’s facial features were twisted from the pain. Seeing her like this, Cen Shaoqing came to the ward. His forehead was covered with a thin layer of sweat.”

“He had never experienced this before, so he never knew that it was so painful for a woman to give birth.”

“Why are you here?”Ye Zao also came to the door.

“Cen Shaoqing put the Buddha beads into his pocket and held ye Zao’s hand. “Zao Zao, we won’t have children in the future.””

It was so painful to give birth. It was better not to have children.

“Why?” Ye Zao was stunned. “Didn’t you say that it was best to have 70 to 80 children?”

““Because I suddenly don’t like children anymore,” Cen Shaoqing said.”

““But I like children,” ye Zao said. “It’s best to have a son and a daughter, and then a cat and a dog. Only then can a life be considered complete.””

Cen Shaoqing was silent for a moment.

“At this moment, Bai Jingshu’s palace was fully opened, and the doctors and nurses removed her from the delivery room.”

“Ye Zao held onto Cen Shaoqing’s hand and said, “Let’s go too.””

“Although the delivery room was soundproof, the screams of the pregnant woman could still be heard.”

Lin Ze paced around the room.

“Lin Jincheng held onto ye Shu’s hand tightly. At this moment, he felt that he had let her down. Why was he not beside ye Shu when she gave birth.”

“Time passed by slowly. At this moment, the sound of a loud baby crying could be heard in the air.”
