Chapter 2661: 577: it's a small iron pillar

"When they heard this cry, everyone who had been standing outside the operating theater suddenly became energetic."

"Lin Ze, in particular, immediately ran to the door of the delivery room."

"Not long after, the door to the delivery room was opened. A nurse came out with the child in her arms.
"Which one of you is Bai Jingshu's family member?" "

"Me," Lin ze immediately said."

Ye Shu ran over as well. "We all are."

"The nurse smiled and said, "Congratulations to both of you. The mother and child are safe. The child weighs 8.3 kilograms. It's been very hard on the adults." "

The mother and child are safe...

"Lin Ze was stunned for a moment. Then, he raised his head to look at the nurse. "It's... It's a small iron pillar?" "

The nurse was stunned. "What Iron Pillar?"

Ye Shu took the child from the nurse's hands and smiled. "I knew it was definitely a boy."

"At this moment, Lin Ze couldn't care less about other questions. "Where's my wife?" "

"The adults still need to observe inside. You guys can wait for a while. Don't worry."

“Lin ze nodded and continued, “Then can I go in?” ”

“Not at the moment.”

“Seeing Lin ze like this, Ye Zhuo smiled and said, “Brother, do you want to go in and see sister-in-law?” ”

“Yes.” Lin Ze nodded.

“Although he had already seen the child, he was still a little worried that he didn’t see Bai Jingshu. ”

“Ye Zao continued, “Xiao Li, take my brother to change into the isolation suit.” ”

“Xiao Li knew ye Zao, so he nodded and said, “Okay, Mr. Xiao Lin, follow me.” ”

Lin Ze followed Xiao Li and changed into the isolation suit.

“Not long after, Lin Ze changed into his isolation suit and entered the delivery room. ”

Outside.

“Ye Shu held the child in her arms and asked the nurse, “Miss Nurse, what should we pay attention to now? Should we give the child a Bath?” ”

“There’s no need for a bath now. We’ll take a bath in three days.”

“Okay.”Ye Shu nodded.

“Ye Zao stood beside Ye Shu. “Mom, give me a hug.” ”

""Okay."Ye Shu handed the child to ye Zao. "Come, let Auntie hug it." "

"The child was just born. It was small, soft, and its skin was still red. Ye Zao had never seen a newborn child before. He asked in puzzlement, "Why is he so wrinkled? He looks like a little old man." "

"Cen Shaoqing glanced at ye Zao. Actually, he had wanted to say this the moment he saw the child, but he did not dare to. "

Ye Zao was the best. He dared to say anything.

"Hearing this, Ye Shu smiled and said, "All newborn children are like this. They will recover after a few days. Don't look at how ugly they are now. This child is different every day." "

Ye Zao nodded slightly. "I see."

"After saying this, Ye Zao looked at the child in his arms and continued, "Tiezhu, Little Tiezhu, I'm your aunt." "

"Tie Zhu?"Cen Shaoqing was stunned.

How could a good child be called tie Zhu?

"Ye Zhuo smiled and said, "This is the nickname my brother gave me." "

Cen Shaoqing twirled the Buddhist beads. "Can your sister-in-law agree to this?"

Lin tie Zhu?

""My sister-in-law only cares about the big name. The nickname doesn't matter,"ye Zhuo said. "

"The big name is Lin Xi?" Cen Shaoqing asked.

"Yes." Ye Zao nodded slightly.

She had talked to Cen Shaoqing when she was naming her child.

"This name is very nice and has a moral. In the future, you will also be the one to name our baby," Cen Shaoqing continued. "

Ye Zao shook his head slightly. "I'm almost numb to it. It's better for you to do it." Ye Zao had named many children before.

"That's fine as long as you believe in my aesthetic judgment," Cen Shaoqing said. "

"Take a few more and I'll review them," Ye Zhuo continued. "

"Okay." Cen Shaoqing nodded slightly.

"Ye Zhuo looked at the ugly child in his arms and suddenly did not feel ugly anymore. He continued, "Who do you think the Zhu looks like?" "

Like Who?

This really stumped Cen Shaoqing because he felt that this child did not look like anyone else.

"Like..." Cen Shaoqing considered his choice of words in his heart and continued, "A little like your brother, but also a little like your sister-in-law." "

This answer should not be a problem.

“Ye Zao said, “Why can’t I see anything that looks like them?”This newborn child did not even open his eyes. Ye Zao could not see anything that looked like Lin Ze or Bai Jingshu. ”

“Let me take a look.”Lin Jincheng walked over from the side. “Let me see Who Little Tiezhu looks like.”

“As he spoke, Lin Jincheng was about to reach out to carry the child. Just as his hand was about to reach the child, Ye Shu, who was beside him, opened it with a bang. ”

“Do you know how to carry a Child?”

“Lin Jincheng immediately retracted his hand and said somewhat aggrievedly, “Why don’t I know how to carry a Child?” ”

Chapter 2662: 577: it’s a small iron pillar 2

“Actually, Lin Jincheng had never really carried a child before. When Lin Ze was carried back by Old Lady Lin, Lin Jincheng was lying on the hospital bed. It was not until Lin Ze was ten years old that he woke up. ”

“He had missed out on a lot of things, causing Lin Ze’s childhood memories to only include the nanny, grandma, and Feng Qianhua and her daughter. ”

“Ye Shu took the child from ye Zao’s hands. “This child, you have to hold him like this. Gently, Slowly.” ”

“”I know, I know,”Lin Jincheng said. “Give me a hug.” ”

“”Be careful,”ye Shu said. ”

""Okay." Lin Jincheng carefully took the child from Ye Shu's arms. After holding it, he felt very strange. He looked at Ye Shu and said, "He, he, why is he so young?" "

He was too small!

"He felt that he could leak out of Ye Shu's arms at any time, but he didn't dare to use too much force. If he used too much force, he might accidentally hurt the child."

""It's only a little more than eight pounds. How Old Do you think it is?" Ye Shu continued, "Do you know how to hold it? If you don't know how to hold it, give it to me." "

""I know, I know." Lin Jincheng nodded and continued, "I think tie Zhu looks like Jingshu. Do you think he looks like her?" "

"Ye Shu said, "He does look a little like her, especially that nose. Look at how beautiful it is! And that eyebrow. It's exactly the same as Jingshu's." "

Ye Zhuo touched his nose. "Why can't I Tell?"

""You're blind." Ye Shu looked at Cen Shaoqing. "Shaoqing, can you tell?" "

"CEN Shaoqing said, "I'm blind too." "

Ye Zhuo laughed out loud.

"Ye Shu said, "Look at the two of you. You're singing along." "

""Mom, I really can't tell how you look like sister-in-law." "

"At this moment, Ye Shu looked into the delivery room. "Why isn't your sister-in-law coming out yet?" "

"It's fine. Didn't brother go in? Let's Wait a little longer. She should be out soon."Ye Zhuo wasn't very clear about the nursing situation after the obstetrics surgery.

"Ye Shu nodded and looked at the child in Lin Jincheng's arms. She smiled and said, "Can our little Tiezhu wait for Mommy a little longer?" "

Little Tiezhu slept very soundly and did not have the time to pay attention to Ye Shu.

""The more I look at Tiezhu, the more he looks like Mommy."Ye Shu continued, "He also looks a little like daddy. Our Ah Ze must have looked like this when he was young." "

This sentence made Lin Jincheng feel a little sad.

"Fortunately, those things were all in the past. "

"At this moment, tie Zhu suddenly opened his eyes. The newborn child's vision had not fully developed. His vision was blurry, and his eyes were not as clear as before. In fact, they were a little cloudy. "

""Look, he opened his eyes."Ye Shu said somewhat excitedly, "Look, who does the baby's eyes look like?" "

""Phoenix eyes, like aunt,"Lin Jincheng said. "

"Hearing this, ye Zao said, "Let me take a look." "

"Although the little guy's eyes were small, he could indeed see the Phoenix eyes. "

""My Brother also has Phoenix Eyes,"ye Zao said. "

“Ye Shu smiled and said, “My nephew looks like aunt. He will be a lucky child in the future.” ”

“Ye Zao raised his eyebrows slightly. “Of course. With an amazing aunt like me around, how can he not be Lucky?” ”

“Hearing that, Ye Shu smiled even more happily. “In the future, your nephew’s skin will definitely be as thick as yours.” ”

“Is my skin thick?”Ye Zhuo asked.

“Ye Shu smiled and said, “What do you think?” ”

Ye Zhuo turned to look at Cen Shaoqing. “Do you think my skin is thick?”

“Cen Shaoqing twirled the Buddhist beads and said seriously, “It’s not thick at all.” ”

“That’s more like it.”

“Ye Shu said, “I can finally see that Shaoqing will be a strict wife in the future.” ”

“If this was said by anyone else, Cen Shaoqing would definitely refute it, but in front of Ye Shu, he did not have the courage. ”

“After all, this was the grandmother of the future child. ”

“Ye Shu said again, “Zhonghua, you are not allowed to bully Shaoqing in the future.” ”

“Ye Zhonghua said, “It’s not certain who is bullying who. Mom, why do you always turn your back on others?” ”

“Shaoqing is so honest. How can he bully you!”Ye Shu said.

“Honest?”Ye Zhuo looked at Ye Shu in surprise. “Why do you think he’s honest?”

Cen Shaoqing was really too honest!

“Ye Shu said, “If Shaoqing isn’t honest, what kind of boy is honest?” ”

“Ye Shu did not know in front of others, but Cen Shaoqing was indeed a rare good child in front of elders like them.”

“He had to have ability, looks, and looks. He was simply the best son-in-law.”

“Cen Shaoqing twirled the Buddhist beads and echoed, “Auntie is right. I am indeed very honest.” ”

Chapter 2663: 577: it’s a small iron pillar 3

Ye Zao: ...

“Ye Shu continued, “Come Shaoqing, come and hold the baby.” ”

“Me?”Cen Shaoqing was stunned.

“”Yes.”Ye Shu nodded. “You should get used to it first. Otherwise, when you have a child with Zao Zao, you won’t be able to hold it.” ”

“Cen Shaoqing hesitated. It was not that he did not dare to hold the baby, but he was a little afraid.”

The newborn baby was so small.

“His hands were small, his feet were small, and his face was small. What if he accidentally broke his hands and feet? ”

“Cen Shaoqing had never held such a small child before, so he was really a little flustered. ”

“Ye Shu handed the child to Cen Shaoqing, “Shaoqing, try it. Don’t be nervous. First, put your left hand here, and then put your right hand here. Yes, yes, yes, that’s it. See, isn’t this good? Everything is difficult at the beginning.” ”

“Cen Shaoqing was holding the child in his arms. He felt that it weighed more than ten million pounds. It was small and soft. No matter how he held it, he felt that something was wrong. He was afraid that he would strangle the child, but he was also afraid that he would drop the child if he held it too loosely. ”

“”How is it?”Ye Shu continued to ask, “Do You Feel Better Now?” ”

Cen Shaoqing nodded slightly. “Much better.”

“Ye Shu smiled and said, “The child just needs to be hugged more. It will be much better if you hug him more.” ”

“Okay.”

“At this moment, CEN Shaoqing’s expression changed.”

“Ye Shu noticed the change in his expression and immediately asked, “What’s Wrong?” ”

“CEN Shaoqing said, “He, he, he seems to have peed.” ”

“Peed?” Ye Shu asked.

Cen Shaoqing nodded slightly.

Ye Shu immediately took the child. “Let me take a look.”

“Just as she reached out to carry the child, ye Shu touched the hot liquid and said with a smile, “Sure enough, he peed. This little bastard, why did he pee on Uncle?” ”

“After saying that, Ye Shu looked at Lin Jincheng. “Go and get the baby’s diaper.” ”

“Okay.” Lin Jincheng nodded and immediately went to get the diaper.

“The husband and wife were busy changing the baby’s diaper. Cen Shaoqing bent slightly and looked at him very seriously, like a primary school student listening to a lecture. ”

This scene amused ye Zhuo. “Why are you looking at him when he’s changing his diaper? Do you want to wear one too?”

“CEN Shaoqing said, “I’m learning.” ”

“Learning what?” Ye Zhuo asked.

What was so good about changing a diaper?

Cen Shaoqing didn’t say anything. He continued to watch Lin Jincheng and ye Shu change the child’s diaper.

“Ye Shu smiled and said, “Look at this little guy being lazy. He can even fall asleep while changing a diaper.” ”

“As soon as he said that, the little guy who was sleeping soundly started crying loudly, as if he was refuting ye Shu’s words. ”

“”This is too magical!”Ye Shu looked at Lin Jincheng. “Jincheng, did you hear that?” ”

“Lin Jincheng also felt that it was very magical. “I heard it, I heard it.” ”

“This was the first time that the two of them were grandparents. No matter how the child reacted, they felt that it was very novel. ”

“At this moment, Cen Shaoqing walked to ye Zao’s side. “Leader.” ”

“Yes.”Ye Zao raised his eyes slightly.

“CEN Shaoqing continued, “I’ve learned it.” ”

“Learned what?”Ye Zao felt that it was somewhat baffling.

“CEN Shaoqing continued, “I’ve learned how to change diapers.” ”

“Cen Shaoqing lowered his voice and whispered into ye Zao’s ear. He slowly said, “From now on, I’ll be the contractor for our daughter’s diapers.” ”

“What if it’s a son?”Ye Zao asked.

“”Then there’s still a sister-in-law,”Cen Shaoqing said. ”

“”How Can You Be Like This!”Ye Zao said, “What era are we in? Why are you still sexist?” ”

“CEN Shaoqing said, “Because a daughter needs to be well-off and a son needs to be poor. I don’t want the Little Princess that I’ve worked so hard to raise to be coaxed away by a dog man after she grows up.” ”

Ye Zhuo nodded slightly. “What you said does make sense.”

“At that moment, Bai Jingshu was pushed out of the delivery room. ”

“Ye Shu and Lin Jincheng immediately carried the child forward. “Jingshu, how are you now?” ”

““I’m very well. Parents, you don’t have to worry.”Bai Jingshu did seem to be in a good condition. ”

“Where’s the child?”Bai Jingshu asked immediately.

““Here, here.”Ye Shu immediately placed the baby next to Bai Jingshu. ”

Bai Jingshu turned her head and frowned slightly. “It’s so dark! Did I carry the wrong baby?”It was completely different from the white and tender baby that she had imagined.

“Ye Shu smiled and said, “It’s not dark, it’s red. All newborn babies are like this. They’ll be fine in a few days.” ”

“Really?”Bai Jingshu asked.

“Of course it’s true.”Ye Shu nodded.

Bai Jingshu reached out and carefully poked the child’s forehead. “But he’s really ugly.”

“Ye Shu smiled and said, “He’ll look good if he’s raised.” ”

Bai Jingshu smiled and nodded.

“When they returned to the ward, ye Shu said, “I’ll call the housekeeper to send over some chicken soup.” ”

“Upon hearing this, Cen Shaoqing said, “There’s no need, Aunty. My grandmother and my mother are on their way here right now. They brought chicken soup.” ”

“As soon as he said this, there was a knock on the door. ”

Ye Zhuo walked over to open the door.

“Aunt Xiang! Grandmother Cen.”

“That’s right, the people outside were Zhou Xiang and Old Lady Cen. ”

Chapter 2664: 578: Iron Egg 1

“”Zhuozhuo, where’s your sister-in-law?”Asked Old Mrs. Cen. ”

“”She’s inside. Grandma Cen, Aunt Xiang, come in quickly,”said ye Zhuo. ”

“”Okay.”Old Mrs. Cen nodded. She looked at ye Zhuo and said, “Zhuozhuo, your sister-in-law gave birth to a boy, right?” ”

“”Yes.”Ye Zhuo smiled and said, “Didn’t Cen Shaoqing tell you?” ”

""What does that Brat know!"Old Mrs. Cen continued, "He only said that your sister-in-law gave birth and didn't say anything about it!" "

"After saying that, old Mrs. Cen smiled and said, "I knew it must be a boy! Your Lin family has this root! Xiangxiang, do you think what I said is right?" "

""Yes, yes,"Zhou Xiang said, "It's strange. What kind of genes do you think your family has? You only give birth to boys, not girls." "

"Although there was a girl in ye Zao's generation, Ye Zao and Lin Ze were twins. "

"Ye Zao smiled and said, "Then, am I not a Girl?" "

"Zhou Xiang said, "You and Ah Ze are twins. What I mean is that no one in your family can have a daughter after giving birth." "

""That's true."Ye Zao continued, "My third aunt has given birth to three children without a daughter." "

"At first, third aunt did not believe in this. She even said that she would not give up until she gave birth to a girl. After giving birth to three children in a row, she gradually gave up. "

"How many Catties was your brother's child born?"Old Mrs. Cen asked.

"Ye Zhuo said, "Eight catties and three taels." "

""Yo, it's not light!"Old Mrs. Cen smiled and said, "It's not like Shaoqing. He was only a little more than five catties when he was born, just like a puppy." "

"Ye Zao laughed softly, which reminded her of something. "

"One day, Ye Zao sent a message to CEN Shaoqing, which roughly meant where you are, dog. "

“After Cen Shaoqing saw it, he replied seriously, “I’m not a dog, I’m a human.”. ”

“Then, ye Zao replied again, “You’re trying to blind my dog eyes.”. ”

“Cen Shaoqing replied again, “You’re not a dog either, you’re also a human.”. ”

“Then, he replied, “Be good, don’t talk about yourself like that in the future. We are not dogs.”. ”

“Ye Zao laughed for a long time on the other end of the screen. Until now, when he thought about it, he still felt that Cen Shaoqing was too funny. ”

“Now, ye Zao finally understood that this person had been a dog since the day he was born. ”

The three of them talked as they walked into the ward.

“After passing through the living room, they arrived at the bedroom inside. ”

“Ye Shu and Lin Jincheng came out to welcome them. Ye Shu smiled and said, “Old Madam, Xiangxiang, why are you guys here in person!” ”

““We’re here to see the baby,”Old Madam Cen said. ”

“Zhou Xiang handed the thermos bucket in her hand to Ye Shu. “Ah Shu, I made some chicken soup for Jingshu. I didn’t put much salt in it. Take it and nourish Jingshu.” ”

“You’ve put in a lot of effort.”Ye Shu took the thermos bucket.

“Zhou xiang smiled and said, “It’s a small matter. Oh right, you haven’t eaten yet, right? I’ve also prepared food for you. The housekeeper will send it over right away.” ”

“Old Mrs. Cen walked in front of Bai Jingshu and smiled. “TSK, look at how cute this baby is! He looks like Jingshu, but also a little like Ah Ze!” ”

This child was good in every way except for one thing.

It would be even better if it was ye Zhuo and Cen Shaoqing’s child!

Old Mrs. Cen looked at Bai Jingshu. “Have you given the baby a Name Yet?”

““Yes,” Bai Jingshu said with a smile. “His nickname is tie Zhu, and his real name is Lin Xi.” ”

“Upon hearing this name, Old Mrs. Cen was immediately amused. “His real name sounds pretty good, but his nickname is a little too down-to-earth. However, it’s good to be down-to-earth, and it’s easy to feed him! In the past, didn’t people always call him a rat or a B * Stard?” ”

“Bai Jingshu said, “The big name was given by aunt, and the nickname was given by his father. Fortunately, we have an aunt at home, or else we would have called ourselves ‘Iron Pillar’.” ”

“Old Mrs. Cen smiled and said, “Actually, ‘iron pillar’is pretty good too. Of course, the name ‘burning’sounds even better!”As expected of her good granddaughter-in-law! ”

““Come Jingshu, this is the chicken soup that your aunt Xiang specially brewed for you. have some.”Ye Shusheng scooped up a bowl of chicken soup and handed it to Bai Jingshu. ”

“Bai Jingshu smiled and took the chicken soup. “Thank you, Aunt Xiang.” ”

“Zhou Xiang said, “What are you being so polite for? We’re all on the same side!” ”

““I almost forgot! And This!”At this moment.., old Mrs. Cen seemed to have thought of something. She took out a small golden lock from her bosom and put it around the baby’s neck. “This is the longevity lock that great-grandmother gave us. I wish our little iron pillar a long life, peace, and happiness.” ”

""Quickly thank great-grandmother."Ye Shu walked over. "Old Lady, you are too polite. How can an elder like you prepare a gift for a baby!" "

Chapter 2665: 578: Iron Egg 2

A newborn child received a long-life lock prepared by an octogenarian. This was also a kind of beautiful blessing.

""This is what I should do,"old Mrs. Cen said with a smile. "It's just a small lock. Oh right, Ah Shu, why didn't I see your mother?""

"On a day like today, ye Langhua should not be absent."

"Ye Shu said, "My mother went to country L a month ago. She's already on her way back.""

"Ye Langhua had worked hard for half of her life before she finally found her biological daughter. It was also time for her to enjoy herself, so ye Shu had arranged a lot of travel plans for her."

"I see."Old Mrs. Cen nodded.

"At this moment, there was a knock on the door again."

Du Du du.

"I'll go and open the door."Ye Zhuo jogged over to open the door.

"I'll go."Lin Ze ran over to open the door before ye Zhuo.

“Ah Ze!”

“Outside the door were Xia Xiaoman and Lin Qingxuan, as well as Xiao Lin Zhi and an Lizi’s family of four.”

“Fourth uncle and fourth aunt.” Lin Ze greeted them politely.

“Xia Xiaoman asked a little excitedly, “AH ze, what did Jingshu give birth to?””

“Xiao Lin Zhi said, “Eleventh sister-in-law, can you give birth to a little Teddy for me?” He had wanted a little teddy for a long time, but unfortunately, Xia Xiaoman had never let him take care of it.”

“Hearing this, Xia Xiaoman immediately said, “What nonsense are you talking about, child? Of course, your sister-in-law gave birth to a little nephew for you! What little Teddy!””

“”OH.” Xiao Lin nodded, not fully understanding.”

“Xia Xiaoman looked at Lin Ze and said a little embarrassedly, “Ah Ze, I’m sorry. A child is not sensible.””

“Xiao Lin also apologized, “Brother Eleven, I’m sorry.””

“Lin Ze bent down and picked up little Lin Zhi. He smiled and said, “It’s okay, it’s okay. A child’s words are fearless.” After saying that, Lin Ze turned to look at Xia Xiaoman and the others, then, he said, “Fourth uncle, fourth aunt, Sister Lizi, come in quickly. My parents are inside.””

“”Okay, okay, okay.””

The few of them followed him in.

""Dad, Mom, fourth uncle, fourth aunt, and the others are here,"Lin ze said."

"Xia Xiaoman walked directly to the bed. "Oh my God, this doesn't look like a newborn baby. How much did this baby weigh?""

""Eight pounds, three ounces,"Bai Jingshu said."

Xia Xiaoman smiled. "No wonder! Our Ah Zhi seemed to weigh only a little more than five pounds at that time."

Bai Jingshu smiled. "The doctor also said that children weighing more than eight pounds are rare."

"Xia Xiaoman continued, "Jingshu, thank you for your hard work. It's not easy for a child that weighs more than eight pounds to give birth naturally.""

"Bai Jingshu said, "Actually, it's not that bad. I didn't feel much pain when I gave birth, but it was a little unbearable when I sewed it up. Fortunately, it was only for a short while.""

"Xia Xiaoman picked up the child and continued, "Little baby, you must be filial to your mother in the future!"

"This was also the first time that Xiao Lin Zhi had seen a child younger than him. He stood on his tiptoes curiously and said, "Mommy, Mommy, is this little brother or little sister?"

"Xia Xiaoman said casually, "Little brother.""

"After saying that, she suddenly remembered something and said with a smile, "What little brother? This is your little nephew. He's going to call you little uncle. You Can't call him that blindly.""

"Although Little Lin Zhi was young, his seniority in the Lin family was not low. After all, he was of the same seniority as Lin Ze."

“When he heard this, little Lin Zhi said, “No, I’m not an uncle! I’m a little brother.””

“As he said this, he pointed at Lin Jin Cheng and said, “Little uncle already has a beard. I don’t even have one.””

“He was young, so when he said these words, his childish voice made the adults in the room burst into laughter.”

Xia Xiaoman squatted down and explained everything to Xiao Lin Zhi.

“However, Xiao Lin Zhi was only a four-year-old child after all. How could he know so much? “Anyway, I’m not a little uncle!””

Xia Xiaoman was a little helpless.

“Ye Shu smiled and said, “Xiaoman, it’s just a child. It’s okay to call him anything. Anyway, he’ll know when he grows up.””

Xia Xiaoman nodded. “That’s all we can do.”

Bai Jingshu looked at Little Lin Zhi and smiled as well. “Our Ah Zhi is already an uncle at such a young age.”

“Little Lin Zhi said, “Eleventh sister-in-law, I’m not an uncle. I’m still a child!””

“At this moment, Ye Zhuo squatted down and looked at little Lin Zhi. “Ah Zhi, age and seniority are different. Do you know what little baby will call me and Big Sister?””

Xiao Lin Zhi shook his head. “He will call sister and aunt. He will call me aunt.”

“Why not sister?” Xiao Lin Zhi tilted his head and asked.

“Ye Zhuo said, “Seniority is the same as seniority. Me, sister, and you, including your eleventh brother and eleventh sister-in-law, are all on the same level. The newborn baby is one level lower than us, so he has to call you uncle and call us aunt.””

Chapter 2666: 578: Iron Egg 3

“Xiao Lin Zhi nodded as if he understood something. “Then, does the baby have to call everyone in the house who calls me brother and sister uncle and aunt?” ”

“”Yes, our Ah Zhi is really smart.”Ye Zhuo patted Xiao Lin Zhi’s head. ”

Xiao Lin Zhi tilted his head and looked at Ye Zhuo. “Sister is also very smart. She’s much smarter than Mommy. I don’t even understand what mommy is saying!”

“Xia Xiaoman walked over and poked Xiao Lin Zhi’s head with her finger. “You Little Brat, why are you still looking down on Your Mom?” ”

“”Mom, I’m sorry,”Xiao Lin Zhi continued, “But you’re really stupid. Haven’t you always taught me to be honest? I Can’t speak against my conscience, right?” ”

Ye Zhuo chuckled.

The others beside him also laughed out loud.

“Xia Xiaoman was a little speechless as she said, “When this child grows up, he’ll definitely be like his father. He’ll be a straight man made of Steel!” ”

“Lin Qingxuan was innocently caught in the crossfire. She looked at Lin Jincheng beside her and asked, “What’s a straight man made of Steel?” ”

Lin Jincheng rubbed his head. "I don't know either."

"Lin Zhi continued, "Then what's my little nephew's name?" "

"Lin Xi." Bai Jingshu smiled. "But you can also call him by his nickname."

"What's his nickname?" Xiao Linzhi asked.

"Iron pillar," Bai Jingshu answered. "

Xia Xiaoman smiled. "Why did you give your child such a nickname?"

Iron pillar didn't sound very smart.

"Bai Jingshu said, "Ah Ze gave it to him." "

"Eleventh sister-in-law, is the baby's name Iron Pillar?" Xiao Linzhi asked. "

"Yes." Bai Jingshu nodded.

"Oh my god, that name Sounds So Nice!" Xiao Linzhi's eyes lit up. He immediately hugged Xia Xiaoman.

"Mommy, Mommy, give me a nice nickname too!" "

"Xia Xiaoman said, "Isn't your name Ah Zhi Pretty Nice?" "

"But I want a nickname too!"

“Xia Xiaoman didn’t know how to choose a nickname all of a sudden. She had no choice but to perfunctorily say, “Okay, okay, okay. Then Mommy will go home and think of a nickname for you.” ”

“”Mommy, you’re doing this again.”. “When we get home, you’ll definitely forget about this. Besides, I’m a child. Children don’t have good memories!”! “You’re bullying a child!”Xiao Lin Zhi continued, “Mommy, give me a nickname now!” ”

“Xia Xiaoman was about to say something when Xiao Lin Zhi seemed to suddenly remember something and continued, “Ah! I know! My nickname will be iron egg! This name is so nice!” ”

“What did you say?”Xia Xiaoman was dumbfounded.

“I want to be called Iron Egg!”Xiao Lin Zhi said.

“Upon hearing this name, Old Mrs. Cen smiled and said, “This child is quite smart. He even knows how to give himself a nickname.” ”

Ye Shu also smiled. “How did he come up with it?”

“No.”Xia Xiaoman objected.

“Why?”Xiao Lin Zhi asked.

“Xia Xiaoman continued, “Because this name doesn’t sound good.” ”

“Xiao Lin Zhi was very speechless, “Why doesn’t it sound good? Even a baby can be called iron pillar. Why Can’t I be called Iron Egg? I think iron egg sounds pretty good! and isn’t brother-in-law’s nickname also called Dog Egg? I Don’t care! I’m going to be called Iron Egg Anyway!” ”

“How is Iron Egg Nice to listen to!”

"I'm Iron Egg! Lin Iron Egg!" Xiao Lin Zhi retorted.

"No!"

"Dad!" Xiao Lin Zhi immediately looked at Lin Qingxuan.

"Lin qingxuan smiled and said, "Xiao Man, why are you fighting with the child? It's just a nickname, our big name has been decided! Besides, I also think it sounds pretty good to be called Iron Egg! Just listen to the Child!" "

"Xia Xiaoman was very helpless and could only nod in agreement. "Okay, okay, okay! Iron Egg it is! From today onwards, you are Lin Iron Egg!" "

"Xiao Lin Zhidu cheered happily and raised his hands. "Yay, yay, yay! Oh, yay! Long live mommy and Long live daddy!" "

Xia Xiaoman shook her head helplessly.

"An Lizi was also a little speechless. She looked at Xiao Lin Zhidu and said, "You will definitely regret it in the future." "

"Kobayashi looked at an Lizi. "Sister, you're jealous of me." "

"Why would I be jealous of You?" An Lizi asked.

"Kobayashi continued, "You're jealous that I have a nickname." "

An Lizi:"..."

“Kobayashi looked at everyone, he continued, “Grandma Cen, Aunt Xiang, little uncle, little aunt, eleventh brother, and eleventh sister-in-law, as well as Sister Jiao, Brother Cen, and my biological sister. From now on, I’ll Be Lin Tiedan. Remember to call me by my nickname!” ”

“After he finished speaking, he even bowed to everyone in a dignified manner. ”

Everyone was amused by Xiao Lin and burst into laughter.

A child was a child.

“After staying in the hospital until the afternoon, Ye Zhuo and Cen Shaoqing were ready to return. ”

Chapter 2667: 579:1

Ye Zhuo and Cen Shaoqing had been quite busy recently. It was not easy for them to spare a day during Bai Jingshu’s labor.

“Ye Zhuo walked to Bai Jingshu’s side and said with a smile, “Sister-in-law, we’ll be going back first.” ”

“Bai Jingshu said with a smile, “Hurry up and go back. We’ve wasted so much of your time.”Her labor was not a big deal to begin with. Bai Jingshu was really a little embarrassed that she had wasted so much of everyone’s time. ”

“Ye Zao smiled and said, “Sister-in-law, we’re family.” ”

“After saying that, ye Zao used his little finger to gently poke the little guy next to him. He said gently, “Little Tiezhu, aunt is going home.” ”

“After a night, the little guy was much whiter than last night. He felt that someone was poking him with his finger. The little guy stuck out his tongue and licked his lips. He even smiled.”

“Seeing this, Bai Jingshu said in surprise, “He smiled. He smiled.” ”

“Ye Zao explained, “This is a dream smile. It’s an involuntary reaction. It’s not a reaction to the surrounding environment or a natural expression. Under normal circumstances, a newborn baby will not smile until about two months old.” ”

““Oh, I see,” Bai Jingshu said.” ”

“After saying that, Bai Jingshu continued, “Zao, you know a lot. You’ll definitely know more about taking care of babies than I do.” ”

“Ye Zao said, “I’m a doctor after all.” ”

“Bai Jingshu looked at ye Zao with admiration in her eyes. She smiled and said, “From now on, tie Zhu will learn medical skills from aunt.” ”

““Okay.” Ye Zao nodded slightly and said with a smile, “But it depends on the child’s wishes.” ”

“Some children liked medicine, while others didn’t.”

Bai Jingshu nodded. “That’s true.”

Ye Zao and Cen Shaoqing greeted everyone and prepared to leave.

““Brother, Sister Zao, are you leaving?” At this moment, Kobayashi, who had just woken up from his afternoon nap, rubbed his eyes and asked the two of them.”

““Yes.” Ye Zao nodded slightly and reached out to Pat Kobayashi’s head. “Goodbye, Zhizhi.” ”

""Sister Zao, you called me by the wrong name," Little Lin Zhi said with a serious look on his face. "You don't care about me at all." "

"Ye Zao instantly reacted. He smiled and said, "Goodbye, Little Iron Egg." "

""That's more like it!" Little Lin Zhi continued, "Goodbye, Sister Zao. Goodbye, Brother." "

"Goodbye."

"Old Mrs. Cen followed behind and instructed, "Shaoqing, drive slowly." "

"I know." Cen Shaoqing nodded slightly.

"Old Mrs. Cen was still a little worried. She followed them out of the door and said, "You must drive slowly." "

"Okay."

"Ye Zhuo smiled and said, "Don't worry, Grandma Cen. I'm here. I'll keep an eye on him." "

"Okay." Old Mrs. Cen nodded.

The two of them got into the car.

"Cen Shaoqing placed the Buddha beads between his thumb and index finger and continued, "Did you notice a problem?" "

"What problem?" Ye Zhuo asked.

“Cen Shaoqing started the engine and opened his thin lips. “Every time when you were with me, Grandma would tell me to drive slower.” ”

“Ye Zhuo curved his lips slightly. “When you were alone, didn’t she tell you?” ”

“”Never,”Cen Shaoqing said. ”

“After that, CEN Shaoqing continued, “That’s why you’re Grandma’s biological granddaughter.” ”

“Ye Zhuo said, “You were sent here to pay the phone bill.” ”

“Cen Shaoqing said in all seriousness, “It’s really possible.” ”

“Before long, the car arrived at the entrance of the base. ”

Cen Shaoqing went around to the front passenger seat and opened the car door for ye Zhuo.

“The two of them walked side by side. Although they didn’t do anything, they gave off the feeling that they were an immortal couple. They were stunned by the sight of the base staff. ”

Why was it that they couldn’t get tired of such scenes every day?

Perhaps it was because people couldn’t hate beautiful things.

“Why do you think Master Five and Miss Ye have such a good relationship?”

“They don’t seem to quarrel.”

“Master Five is very afraid of Miss Ye. How would he dare to quarrel with Miss Ye!”

“Is master five strict with his wife?”

“”Yes, don’t you know?” ”

“Qin Xue looked at the scene in front of her, and a look of envy flashed across her eyes. She was hired into the base as a special talent a year ago. ”

“From the day she came to the base, Qin Xue had watched ye Zhuo and Cen Shaoqing go out together every day. ”

“It was said that flowers do not bloom for a hundred days, but it did not seem to be the case with Cen Shaoqing and Ye Zhuo. ”

Qin Xue had thought that an outstanding person like Cen Shaoqing could not be trapped between one woman. It was only now that she understood that a love that was evenly matched was the most beautiful.

“Cen Shaoqing was very outstanding, and Ye Zhuo was even more outstanding. ”

Chapter 2668: 579: Police 2

Two people like this were destined to be together forever.

“”Qin Xue, what are you looking at?”Tang mi walked over. ”

“Qin Xue smiled and said, “I’m Looking at Fifth Master and Miss Ye.” ”

“Tang mi continued, “Are you especially envious of this kind of love?” ”

“Yes.” Qin Xue nodded.

“Tang mi stretched out her hand and put it on Qin Xue’s shoulder. “Don’t be envious. One day, you will also encounter this kind of love.” ”

“Will I?” Qin Xue asked.

“Yes.” Tang mi nodded.

“Qin Xue continued, “Team leader Tang, why haven’t you found a boyfriend yet?” Tang Mi was ye Zhuo’s right-hand woman. She had a lot of experience in the base, but she didn’t put on airs. ”

“Tang mi said, “Actually, I don’t want to get married.” ”

“Don’t want to Get Married?” Qin Xue asked.

Tang mi nodded.

“Qin Xue asked, “Have you been injured before?” ”

“”No.” Tang mi shook her head, “It’s not that I don’t believe in love. I just don’t look forward to it. I think that a person is pretty good. Perhaps the current me is the old master five.”. Did you know? The old master five didn’t believe in love. We all thought that he would become a monk!” ”

Tang Mi was neither looking forward to it nor looking forward to it.

“Qin Xue said, “I’ve heard of it.” ”

“As she said that, Qin Xue smiled and said, “That’s why it’s very important to meet the right person at the right time.”If Cen Shaoqing really had the heart to become a monk, then even if he met ten ye Zao.., he wouldn’t change his mind. ”

“”Yes.”Tang mi nodded, ”

“as she finished speaking, Tang mi continued, “Do you know what master five once said?” ”

“What did he say?”Qin Xue asked.

“Tang mi said, “Master five said that he was in a relationship with Miss Ye and that he was climbing up the social ladder. Moreover, he was also the one who took the initiative to pursue Miss Ye. “There were many people who wanted to interfere in their relationship. In the end, before miss ye discovered them, master five took action to get rid of them.” ”

These words were a warning as well as a warning.

Tang Mi was just not arrogant. She was not a fool. She could see through Qin Xue’s little thoughts.

Qin Xue had her own unique views on scientific research. She was an extremely talented junior. Tang mi also did not want her to ruin her future in her own hands.

“Speaking up to this point, Tang mi paused. “My cousin Tang Xue is a good example.” ”

Tang Xue was much more outstanding than the current Qin Xue. She originally had a bright future ahead of her.

Unfortunately...

“Qin Xue was also a smart person. She smiled at Tang Mi, then, she said, “Team leader Tang, don’t worry. Although my name has the word ‘Xue’in it, I will definitely not become the second Tang Xue. “I

came to the base to work and realize my dream. I will definitely not dream of things that don't belong to me." "

"Work hard."Tang Mi stopped smiling and patted Qin Xue's shoulder. "I have high hopes for you."

"Actually, this sentence had another meaning. "

I'll supervise you.

"Once Qin Xue felt something was wrong, Tang Mi would take action. "

"Qin Xue nodded. "Don't worry, team leader Tang." "

Tang mi looked at Qin Xue's back.

""Team leader Tang, What's Wrong?"Cen Hu walked over from the side. "

Tang mi turned around. "Do young people nowadays like to take shortcuts?"

""Good Lord, you're talking like you're 70 or 80 years old!"Cen Hu continued, "Who are you talking about?" "

"Since Tang Mi had already warned Qin Xue, she wouldn't tell anyone else about this matter. She continued, "I'm just expressing my feelings." "

"Cen Hu continued, "Are you free tonight?" "

"You want to ask me out?"Tang mi turned around.

Cen Hu immediately crossed his hands and acted as if he was keeping his distance from Tang Mi. "Don't misunderstand. I'm not interested in women!"

"Tang mi smiled and said, "Then what should I do? I'm super interested in you." "

"Don't be like this."Cen Hu immediately crossed his hands and hugged his skinny self. "I'm so scared!"

"Tang Mi was a little speechless. "Tell me, what's Going On?" "

"Cen Hu continued, "Isn't that Miss Ye and master five about to get married? My Big Brother said that the few of us should get together to discuss what gifts to prepare for them." "

"The few of them had all been brought up by Ye Zhuo. If it weren't for Ye Zhuo, they wouldn't be here now. "

They would definitely give ye Zao a surprise for his wedding.

""Yeah, I've been too busy recently. I almost forgot about this!"In total, Ye Zao and Cen Shaoqing's wedding was less than two months away. "

"Cen Hu continued, "Are you free tonight?" "

Chapter 2669: 579: Police 3

"Tang mi glanced at Cen Hu and said somewhat speechlessly, "Why are you so far away from me? Can I still eat you?" "

"Cen Hu said, "That might not be the case." "

""Don't worry, I'm not interested in men either,"Tang Mi said. "

"Cen Hu looked at Tang Mi and continued, "Who knows if you're faking it? After all, there's a song that says a woman is a tiger." "

Which Tiger doesn't eat people?

Tang Mi:" ..."

* *

"Time passed by quickly. In the blink of an eye, a week had passed. "

Today was the day Bai Jingshu was discharged from the hospital.

"Because it was a natural birth, Bai Jingshu's recovery was exceptionally good. She hugged the child with both hands, and the corners of her mouth were filled with a gentle smile. "

"Lin Ze followed behind her, carrying bags of various items. "

"Most of the items were the children's diapers, changing clothes, and so on. Bai Jingshu's items were only a minority. "

Ye Zhuo drove over to pick them up.

""Brother, sister-in-law, Dad and mom asked me to pick you up." "

"Bai Jingshu smiled and said, "Just let the chauffeur come." "

""How can that be?"Ye Zhuo continued, "Dad was originally planning to come over, but we were too busy at home and couldn't leave at all." "

"Bai Jingshu was discharged from the hospital today. The couple was busy at home and had to handle everything personally. Naturally, they were busier than usual. "

"Bai Jingshu continued, "She's just discharged from the hospital. There's no need to make such a big fuss." "

"Let's go home."Ye Zhuo opened the car door.

"Bai Jingshu got into the car, and Lin Ze followed behind. "

"Ye Zhuo drove steadily, but his speed was not slow. Soon, they arrived at the Lin family manor. "

Lin Jincheng and Xia Xiaoman were waiting at the entrance.

"Seeing ye Zhuo's car approaching, the two of them immediately went up to welcome her. "Jingshu is back. Where's the baby?" "

""Ah Ze is holding her,"Bai Jingshu said. "

The two of them immediately took the baby from Lin Ze's hands. "Look at how cute and handsome the little one is. He's really becoming more and more like his parents."

"After seven days of not seeing each other, Little Tiezhu had indeed changed a lot. His skin had become whiter, and his eyes were brighter. "

"Seeing the two of them like this, ye Zao smiled and said, "Dad, Mom, let's go in and talk." "

""Yes, yes, yes. Let's talk inside. Let's talk inside." "

“At this moment, ye Shu turned to look at Bai Jingshu. “Jingshu, we’re going to set off firecrackers later. Don’t scare you.” ”

“Set off firecrackers?” Bai Jingshu asked.

“Ye Shu nodded. “Yes. This is a custom. When a newborn goes home for the first time, they have to set off firecrackers to welcome them.” ”

“”OH.” Bai Jingshu continued, “I’m fine. Will it scare the baby?” ”

“Ye Shu smiled and said, “It’s fine. Boys should be braver.” ”

“You’re right.” Bai Jingshu nodded.

“Before long, the sound of firecrackers filled the air. ”

Crackling.

“Apart from these, there was also a burning brazier. ”

“Ye Shu smiled and said, “Jingshu, cross over.” ”

“Bai Jingshu was very familiar with Earth’s history, so she naturally knew the meaning of crossing the brazier. ”

It was also at this moment that the sound of firecrackers rang out from the child in Ye Shu’s arms.

“He opened his eyes and looked around. He was not scared to tears by the sound of firecrackers, and his eyes rolled around. ”

“Ye Shu was immediately amused, “We’re home. Our Little Tiezhu has returned home. Let’s see if Grandpa and Grandma have prepared a children’s room for him! “Oh, right, our Tiezhu is still too young. It’s not suitable for him to live in a children’s room alone. We still have to have our parents live together.” ”

“Bai Jingshu was still in the middle of her pregnancy. After returning home, she went straight to the bedroom to rest. ”

Lin Jincheng called Lin Ze Downstairs.

“Ah Ze.”

“”Dad, What’s the matter?” ”

“Lin Jincheng continued, “Have you contacted Grandpa Jingshu in the past few days?” ”

Lin Ze nodded. “I have.”

The old man was very happy to hear that Bai Jingshu had successfully given birth.

“Lin Jincheng continued, “I’ve discussed it with your mother. It’s not easy for an old man to live his entire life. Why Don’t you go and bring the old man over to take a look at his great-grandson?” ”

“Lin Ze did not directly answer Lin Jincheng’s question. Instead, he said, “I’ve thought about this before, but grandfather is really too old. It’s not convenient to go back and forth. If something happens along the way...” ”

“Lin Jincheng nodded in understanding. “Then, go upstairs and discuss it with Jingshu. Let’s see what she has to say.” ”

“Okay.”

"After Lin Ze returned to his room, he told Bai Jingshu about this matter. "

"Hearing this, Bai Jingshu was silent for a moment. Then, she said, "Dad and mom are thoughtful. They can still think of My Grandpa." "

"Then..., bai Jingshu continued, "Grandpa is old. It's definitely not realistic to come here. So, I plan to take the baby home after the full moon and stay with Grandpa for a while. You Go and ask Dad if this is okay." "

"The child was too young. It was only a month, and rashly bringing him to Galaxy S would take a lot of risks. This matter had to be discussed with the family. "

"Lin Ze nodded. "Okay, then I'll call mom and Dad up. We'll discuss it together." "

"Okay."

"Regarding this matter, Lin Jincheng and Ye Shu were of course supportive, but they were also afraid that the child was too young to adapt to the environment there. "

"Why don't we ask burning." Lin Jincheng said.

Chapter 2670: 580: Full Moon 1

"Ye Zao was a doctor and was quite familiar with the s galaxy. If she said that there was no problem, there would definitely be no problem. "

Ye Shu nodded. "Zao Zao just happened to be at home. I'll get her to call and ask her to come over."

“Okay.”

“After saying that, ye Shu immediately contacted ye Zao.”

“Very soon, ye Zao arrived.”

“”Mom, is there something you need me for?” ”

“Ye Shu nodded. “Zao Zao, sit down first.” ”

Ye Zao sat on the sofa.

Ye Shu told them about the matter.

“Upon hearing this., ye Zao said, “It’s indeed not suitable for a full moon baby to go to the s galaxy because many of the baby’s organs have not fully developed yet. Their resistance is much weaker than that of a normal person. If you insist on bringing them there, you will take a great risk. You have to consider this carefully.” ”

“It was a long journey to the s galaxy and it would take three days to reach it. After all, a child was still a child and their endurance was not as good as an adult’s.”

“Hearing this, Bai Jingshu frowned slightly and continued, “Then, Zao, do you have any other ideas?” ”

“Not at the moment.”Ye Zao shook his head slightly.

“After saying this, ye Zao continued, “You can bring the old man over.” ”

“Bai Jingshu said, “Grandfather is old, so it’s not convenient to bring him over. He doesn’t want to come over either.” ”

“She was afraid that something might happen to grandfather Bai on the way here or on the way back. The old man was old, so anything could happen.”

“Zao Zao, when can we bring the baby back?” Lin Ze asked.”

“Ye Zao said, “Yes, at least three months later.” ”

“Three months?” Lin Ze frowned.

“Yes, that’s the shortest time.” ”

Lin Ze turned to look at Bai Jingshu. “What should we do?”

Bai Jingshu shook her head.

“Ye Shu continued, “Jingshu, why don’t you leave the baby with your father and me? You and Ah Ze can go back and visit your grandfather.” ”

The child had just reached the full moon. They couldn’t let him take such a big risk.

Bai Jingshu nodded. “That’s the only way now.”

“After saying that, Bai Jingshu looked at ye Zao and asked, “Zao, what will happen if I bring the baby back?” ”

“Ye Zao said, “There will be a mutation.” ”

“Once there was a mutation, the child couldn’t be defined as a human.”

“Hearing that, Bai Jingshu’s face turned pale. “Is the probability high?” ”

“”About 90% ,”ye Zao continued, “And 10% depends on luck.”If Luck wasn’t good, it would be 100% . ”

“Ye Shu said, “Then forget it, Jingshu. You and Ah Ze go back and see grandfather. Your father and I will take care of the child at home.” ”

“Bai Jingshu still didn’t want to give up. She continued, “Zao, is there no other way?” ”

Old Master Bai’s only wish now was to take a look at the child. Bai Jingshu didn’t want him to have any regrets in his life.

“”Not for the time being,”ye Zhuozhuo continued, “The main thing is that the baby is too young. If it were a little older, it wouldn’t be a big deal to wear an isolation suit.” ”

Bai Jingshu sighed. “Grandfather’s health is getting worse by the day. I’m afraid that he’ll wait until three months later.”

“Ye Shu continued, “Jingshu, don’t think like that. Grandfather is a blessed person. He’ll definitely be able to see our little Tiezhu.” ”

“”Mom, I talked to grandfather’s attending physician the last time.”Bai Jingshu’s mood was a little down. “The Doctor said that he doesn’t have much time left.” ”

This was also the real reason why Bai Jingshu didn’t dare to bring grandfather Bai over.

“None of her uncles were reasonable. If something happened to old master Bai on Earth or on his way to Earth, then she wouldn’t be able to explain herself. ”

Ye Shu sighed softly. “But there’s nothing we can do now. We can’t risk our child.”

“After saying that, ye Shu continued, “Jingshu, don’t be anxious. It’s a taboo to be anxious during this month. Trust me, Old Master Bai will definitely be fine.” ”

Bai Jingshu nodded.

She was feeling very complicated right now and was beginning to understand why some parents did not allow their children to marry far away.

“Ye Shu continued, “Then, let’s do it this way. Jingshu, you rest well first. We’ll go back.” ”

“Okay.” Bai Jingshu nodded.

“Ye Shu, Lin Jincheng, and Ye Shu left the room. ”

“Bai Jingshu looked at Lin Ze. “Ah Ze, what should we do?” ”

“Lin Ze said, “Since the baby is too young to go, why don’t We Wait? I’ll go back with you first.” ”

“Bai Jingshu nodded. “Actually, I Just Want Grandpa to take a look at the baby.” ”

“Unfortunately, Earth and the s galaxy were too far apart, so there was no way to video-chat for the time being. Ye Shu and elder Bai had used energy stones previously, and now that they had used up all of them, it would be a luxury for elder Bai to meet the child. ”
