Chapter 2671: 580: Full Moon 2

Lin Ze held Bai Jingshu's hand. "Mom is right. Don't worry too much. Grandpa will definitely be fine."

"Okay."

Downstairs.

"Ye Shu was also a little anxious, she looked at Lin Jincheng and said, "Elder Bai's health is so bad. His only wish now is to see the child. If the old man can't see the child, it will be a lifelong regret. It would be great if the old man could see the child.""

Lin Jincheng sighed softly. "This matter is also difficult to handle."

"Luoluo?" Ye Shu looked at Ye Zao beside her. "You always have many ideas. Come up with a solution!"

"In Ye Shu's eyes, Ye Zao was simply an omnipotent existence."

"Ye Zao said, "Mom, it's impossible to bring the baby back. I can only think of a way to let them see him.""

"Ye Shu nodded and said with a smile, "Yes, yes, yes, we can just meet him once.""

There must be a way.

It was just a little difficult.

"Ye Zhuo looked at Ye Shu. "Mom, tell sister-in-law not to be anxious.""

“Okay.”

Time passed very quickly.

“In the blink of an eye, a month had passed.”

The Lin family’s eldest grandson’s full moon wine naturally couldn’t be too casual. Lin Jincheng had invited many guests.

Ye Han and Shi Qingcheng also came.

“It had already been a month. The child, who was originally only a little more than eight pounds, now weighed 16 pounds. His two big eyes looked limpid and especially cute.”

Shi Qingcheng picked up the child. “Oh my God! This is too cute! It doesn’t look like a child who just got a full moon.”

“For some reason, Bai Jingshu and Lin Ze weren’t fat, but the baby they gave birth to grew fat like crazy. Other People’s children grew at most five or six pounds a month, but the little iron pillar grew eight pounds! It looked a little bigger than a two-month-old child.”

“Bai Jingshu smiled and said, “You and ye Xiaohan should get married earlier and give birth to one as well. It’s even cuter than our little iron pillar.””

“Shi Qingcheng said a little embarrassedly, “We’re not in a hurry.””

““Ye Xiaohan,” Bai Jingshu turned to look at ye Han and continued, “You have to be more proactive!””

“Ye Han smiled and said, “I’m already being proactive enough. Qingcheng isn’t in a hurry, so there’s nothing I can do.””

No one was more proactive than him!

“Bai Jingshu continued, “Then you guys won’t be later than searing, right?””

“Shi Qingcheng nodded. “If nothing unexpected happens, it should be.””

“Hearing that, Bai Jingshu smiled and said, “Ye Xiaohan, looks like you have to create some accidents.””

“”Jingshu, what are you talking about!” Bai Jingshu pushed Bai Jingshu a little embarrassedly.”

“After all, the words ‘create accidents’ didn’t seem normal no matter how one looked at it.”

“Bai Jingshu smiled and said, “Look at you. I only said ‘create accidents’. What did you think of?””

Shi Qingcheng picked up the child. “I’ll play with the baby and ignore you!”

Bai Jingshu smiled.

“Shi Qingcheng held the baby and chatted with Ye Han. “Ye Xiaohan, who do you think little tie Zhu looks like?””

“Ye Han looked at the child seriously and said, “I think he looks more like brother Ze.””

“Shi Qingcheng said, “Why do I feel like he’s burning? Look at his Phoenix eyes. They’re exactly the same.””

“Ye Han lowered his head and looked at her again. “If that’s the case, he does look a little like my sister.””

Bai Jingshu stood at the side and smiled at Lin Ze. "Look at how professional Qingcheng is with her baby. Do you still remember the first time you held a baby? It was like hanging a frog!"

"Lin Ze said, "Her sister has already given birth to three children. How can she not be professional?""

Bai Jingshu smiled. "Really?"

Lin Ze nodded. "I heard it from ye Xiaohan too."

"Her sister is so amazing!" Bai Jingshu was really impressed. She had felt the pain of giving birth to one child, yet Shi Qingcheng's sister had given birth to three in one go!"

"Sister-in-law." At this moment, ye Zao's voice sounded in the air."

Bai Jingshu looked back slightly. "Zao Zao."

"Ye Zao walked in from outside and gave Bai Jingshu a black communicator. "Sister-in-law, you can contact tie Zhu's great-grandfather now."

Bai Jingshu's face was filled with disbelief. "Really?"

"Yes." Ye Zao nodded and continued, "But it'll only take thirty minutes at most."

"Bai Jingshu was very excited. "Enough, enough, thirty minutes is enough! Zao Zao, Thank You!"

"Sister-in-law, we're all family."

Bai Jingshu hugged ye Zao.

"Lin Ze stood behind Bai Jingshu, looked at ye Zao, and silently gave her a thumbs up."

Bai Jingshu could not sleep because of this. Ye Zao had finally fulfilled her wish.

Chapter 2672: 580: Full Moon 3

Ye Zao Winked at Lin Ze with his left eye.

The siblings did not need to say much to understand each other's thoughts.

"After receiving the communicator, Bai Jingshu immediately contacted elder Bai. "

"Soon, a transparent screen appeared in the air, and elder Bai appeared on the screen. "

"Jingshu."

"Grandpa!"

"Elder Bai sat on the chair in the courtyard as usual, basking in the sun. Seeing this scene, Bai Jingshu's eyes turned slightly red. "

"Where's the baby? Let Me See the baby."

Lin Ze immediately carried the baby over.

"Elder Bai stood up from the chair in excitement and said with a smile, "This child looks like Ah Ze! Like Ah Ze!" "

“Bai Jingshu smiled and said, “Grandpa, look at what you’re saying. Don’t you look like me?” ”

“”I look like you too, but more like Ah Ze,” elder Bai said. ”

“As he spoke, elder Bai’s gaze never left the child. ”

“Elder bai continued, “What’s the baby’s name?” ”

“”Her big name is Lin Xi, and her nickname is tie Zhu.” ”

“”Bai Lu Weixi. Good name! Did you name it, or did the baby’s father name it?” ”

“Bai Jingshu said, “Tie Zhu was named by the baby’s father, and her big name was given by Auntie.” ”

“Old Master Bai smiled and said, “So it was Miss ye who named him. No wonder!” ”

The topic of conversation between the two of them had always been about the child.

“Bai Jingshu seemed to have suddenly thought of something and continued, “Grandfather, we’re preparing to come back to see you tomorrow.” ”

“Tomorrow?” Old Master Bai frowned slightly. “Why are you guys coming back? I’m Fine! There’s no need to see me! The child is too young. You Can’t be parents like this! You have to be responsible for the child!”

“Bai Jingshu immediately explained, “Grandfather, we’re not bringing the child back.” ”

“”No, no, the child is still so young. How can he leave you!” Old Master Bai continued, “Jingshu, grandfather knows that you’re a filial and good child, but there’s really no need to be like this! “Grandfather is fine. A few days ago, your aunt came back. If you don’t want grandfather to worry, you’re not allowed to come back. Wait until the child is older before bringing the child back!” ”

“Grandpa!”

“Elder Bai smiled. “Jingshu, AH. Grandpa knows that you’re filial, but didn’t you see Grandpa Now? Grandpa is really doing well!” ”

“Lin Ze continued, “Grandpa, the child asked my parents to take care of you. Jingshu and I haven’t been back for a long time. It’s our duty to come back and see you.” ”

“Lin Jincheng and ye Shu also walked over at this time. They smiled and said, “Don’t worry, Grandpa. We’ll take good care of the child. We won’t let you and Jingshu Worry.” ”

“Grandfather Bai first asked Lin Jincheng and ye Shu, then, he said very seriously, “Jingshu, Ah Ze, I’m telling you very seriously now, don’t come back! Even if you come back, I won’t Welcome You, and I won’t see you!” ”

“At this point, grandfather Bai paused, then, he said, “When the child is older, you don’t have to say it. Grandfather also welcomes you back at any time. Not Now! Jingshu, you’re a mother now. You’re not allowed to be petulant.” ”

“”Jingshu, did you hear that? !” ”

“Bai Jingshu knew elder Bai’s temper and character, so she could only nod. “I heard, grandfather. You must take good care of yourself.” ”

“”Okay.” Elder bai continued, “Let’s call it a day for now. We’ll video chat for a few minutes every day in the future. Let me take a look at the baby.” ”

“Okay.”

“After video chatting with elder Bai, Lin Ze smiled and looked at Bai Jingshu. “You can rest assured now, right? I see that grandfather is in a very good condition. He’ll definitely wait until the baby goes to see him.” ”

""Okay." Bai Jingshu nodded and continued, "I really have to thank burning!" "

Lin Ze patted Bai Jingshu's head. "I already said that we're a family."

Chapter 2673: 581: Killjoy 1

""Where's the baby? Let's see the baby!" At this moment, Lin Qingfan and Wu Mei walked over with a smile. "

""Uncle," Lin Ze greeted politely, "Aunt." "

"Bai Jingshu had been married to the Lin family for a long time, so she still didn't recognize all the relatives of the Lin family. She followed behind Lin Ze and greeted, "Uncle, aunt." "

"Wu Mei smiled and said, "Jingshu has changed a lot after giving birth to a child. How is it? Is the baby noisy at night?" "

"After the birth of a child, Bai Jingshu's figure had become much more plump. Her face had also become rounder and more maternal. "

"Bai Jingshu said, "It's okay. It's not very noisy, but it's noisy every now and then." Newborn babies usually had this period, but fortunately, the Lin family had a two-month-old sister-in-law. "

It was fine as long as the child was noisy at night.

"Wu Mei said, "It's fine if it's not noisy at night. Some children don't gain any weight at night. They only gain one or two pounds in a month." "

"After saying that, Wu Mei continued, "Where's the child? Quickly carry him over and let me take a look." "

""I think my parents took him away," Bai Jing Shu said. "I'll go look for him." "

"Wu Mei said, "No, no, I'll go by myself." "

Wu Mei pulled Lin Qingfan and walked to the other side.

"Soon, they saw ye Shu in the crowd. "

"Ah Shu!" Wu Mei called out.

""Sister-in-law!" Ye Shu was very happy to see Wu Mei. "Big Brother and sister-in-law, when did you guys arrive?" "

""We just arrived!" Wu Mei smiled and said, "This must be the baby! Let me take a look!" "

Ye Shu carried the child and walked to Wu Mei's side.

"When Wu Mei saw the baby clearly, she exclaimed, "Oh my God! This doesn't look like a baby who has just reached the full moon!" "

"Ye Shu smiled and said, "This baby is indeed growing faster than an ordinary baby." "

"Let me carry him." Wu Mei took the baby from ye Shu's hands.

""He's so heavy!" Wu Mei smiled and said, "I remember the ones in my family weighed about 10 kilograms when they reached the full moon!" "

"After saying that, Wu Mei continued, "By the way, does the baby eat breast milk or milk powder?" "

""Breast milk,"ye Shu said. "

"Wu Mei said, "Breast milk is still better. The older one in my family said that we should pay attention to the management of our figure. After giving birth, he left the baby to his sister-in-law and didn't ask about it." "

"Speaking of this, Ye Shu didn't know what to say. Wu Mei continued, "Your Jingshu is still the best. She's obedient and sensible. She even knows how to show filial piety to her parents." "

Wu Mei had two sons and two daughters-in-law. Both of them had their own characteristics. It was not that they were unfilial. It was just that young people's thoughts were too avant-garde. There were always some differences between them and the older generation.

"Fortunately, Wu Mei did not want to care about those things. Most of the time, she would turn a blind eye. "

"Ye Shu smiled and said, "Actually, Wenjing and Huihui are both rare good children. You, don't think too much. Young people have their own ideas and small families. You can just let them solve many things on their own." "

"Wu Mei had a strong personality. Ever since she married Lin Qingfan, she had been controlling both her family and her daughter-in-law. It was impossible for her to interfere in her son's and daughter-in-law's matters now. "

"Wu Mei nodded. "Yes, I know. That's why they can do whatever they want now. I Don't care anymore!" "

"After saying that, Wu mei continued, "But Ah Shu, I still envy you. Jingshu is such a good child! She'll do whatever you say!" "

"Ye Shu said, "Jingshu is indeed a good child." "

“If my two children are half as good as Jingshu, I won't Say Anything!”Wu Mei said. ”

“Just as Wu Mei was about to say something else, ye Shu gently poked Wu Mei's arm with her finger. Then, she changed the topic and said with a smile, “Your family should be in the third grade in the second half of the year, right?” ”

“Wu Mei was also a smart person. She knew that there must be something wrong with Ye Shu's sudden change of topic. She immediately smiled and said, “Yes! It's almost time for third grade.” ”

“Ye Shu sighed and said, “Time really flies! It's only a blink of an eye!” ”

“I know!”

“At this moment, a pleasant voice appeared in the air. “Auntie, Mom.” ”

Ye Shu looked up and smiled. “Wenjing is here.”

“That's right. It was Wu Mei's eldest daughter-in-law, Cai Wenjing. ”

“Cai Wenjing was born into a prestigious family. She was good-looking and had a new style of thinking. She often thought of new ideas, so she was always at odds with Wu Mei. However, the mother-in-law and daughter-in-law did not have any big conflicts. ”

“Wu Mei smiled and said, “Wenjing, come and see the baby.” ”

“Cai Wenjing walked over and said with a smile, “He's so cute! Let me give him a hug!” ”

Wu Mei handed the baby to Cai Wenjing.

“Ye Shu then asked, “Wenjing, where are Duan Duan and Rui Rui?” ”

Duan and Rui Rui were both Cai Wenjing’s children.

“Cai Wenjing said, “Follow behind their aunt! Their aunt and nephew haven’t seen each other for a long time. They are very intimate!” ”

“Of course, the aunt was referring to ye Zao. ”

“The younger generation of the family liked ye Zao very much. Every time they came to the capital, they would always surround ye Zao. ”

“Wu Mei smiled and said, “Fortunately, Zao Zao also likes children. Otherwise, with so many children following behind her, it would be so annoying.” ”

“Cai Wenjing said, “I know, right? The children are chattering so much that their heads are about to explode!” ”

“Then..., cai Wenjing continued, “You said that our genes are really strange. In all these years, other than searing, no other girls have appeared. When I was pregnant with Rui Rui Rui, I thought it was a girl. I didn’t expect it to be a boy!” ”

“Cai Wenjing liked girls very much. Before she got pregnant, she did not believe in the rumors of only having boys and not girls. After giving birth to two sons, she completely believed it. ”

“Most importantly, not only did she give birth to sons, but her sisters-in-law also gave birth to sons. ”

“Ye Shu smiled and said, “I also thought that Ah Ze could change his genes. After all, he and searing are twins.” ”

“When Bai Jingshu was pregnant, Ye Shu was still looking forward to it. She thought that Bai Jingshu was pregnant with twins. ”

“Cai Wenjing said, “Auntie, then you really think the same as me! I think so too!” ”

Who knew that Bai Jingshu was pregnant with a boy.

“Ye Shu continued, “Genes are too powerful!” ”

“Wu Mei asked, “By the way, does your Jingshu still want a second child?” ”

““I’m not sure, so I didn’t ask.”Ye Shu smiled and said, “This kind of thing depends on the couple themselves.”As an elder, it was not appropriate for them to interfere too much.”

“Wu Mei nodded. “Yes, let them make their own decisions about the affairs of the young people.” ”

“Wu Mei did a good job in this regard. Even if her daughter-in-law did not want children, she would not say anything more.”

“Cai Wenjing continued, “Actually, Jingshu can have another child. What if she has a Daughter?” ”

“Ye Shu smiled and said, “I can’t say for sure.” ”

““At that time, I wanted to have a second child because I wanted to have a daughter. I didn’t expect to have a son after giving birth to Rui Rui.”When she said this, Cai Wenjing was filled with regret. She really liked cute and obedient daughters, with her and Lin Zhao’s genes, they would definitely have a beautiful daughter.”

“Unfortunately, the heavens did not grant her wish.”

“At this moment, Bai Jingshu walked over. Cai Wenjing immediately waved her hand. “Jingshu, over here.” ”

“Sister-in-law.” Lin Zhao was the eldest in the Lin family.

“Cai Wenjing continued, “Jingshu seems to have gained some weight.” ”

Bai Jingshu nodded. “She gained 10 pounds.”

“In the past, Bai Jingshu only weighed 100 pounds. Now, she weighed 110 pounds. ”

“After giving birth, not only did she gain weight, but her figure also became more out of shape. This was also the reason why many people suffered from postpartum depression. ”

“Fortunately, Bai Jingshu was a cheerful person. In addition, she had a good relationship with Lin Ze. Lin Jincheng and ye Shu were not the kind of vicious in-laws, so there was no such problem as postpartum depression. ”

“Cai Wenjing said, “It’s okay if you’re ten pounds overweight, but I gained nearly twenty pounds at that time! And that’s before I breastfed the baby! If I breastfed the baby, I’d probably be even fatter! Right, is your baby and breast milk still milk powder?” ”

““Breast milk.” Bai Jingshu did a lot of homework when she was pregnant. She said that if the baby drank breast milk, it would be better for the baby and the adults. ”

“Cai Wenjing said, “I suggest you stop breastfeeding and give the child milk powder.” ”

“Ah?” Bai Jingshu was stunned.

“Cai Wenjing continued, “Anyway, children who drink breast milk until they are about one year old will have to quit. It’s better for them to quit early. Moreover, drinking breast milk will cause their breasts to sag, and they won’t be able to correct it in the future...” ”

Wu Mei was a little angry when Cai Wenjing said a bunch of bad things about breast milk.

“She did not like Cai Wenjing’s behavior in the first place, but this was great! Cai Wenjing did not want to breast-feed herself, and now she was trying to harm Bai Jingshu! ”

What the hell was going on!

“Wu Mei did not want to interrupt Cai Wenjing directly. She smiled and changed the topic. “By the way, Jingshu, do you plan to have a second child?” ”

“Bai Jingshu smiled and said, “I want to have another child. No matter if it’s a boy or a girl, it’s better to have a partner than to have a child.” ”

“Wu Mei nodded. “Jingshu, you’re right.” ”

“Cai Wenjing said, “Actually, I still like having both children. Jingshu, if you’re not sure if your second child is a girl, I suggest you don’t have one!”! “It takes a year to give birth, and another year to recover after giving birth. Women don’t have many years of youth to waste.” ”

Wu Mei was furious.

“As her eldest daughter-in-law, she was good at everything except talking. Every family wanted more children, but Cai Wenjing had to ruin the mood. ”

“Fortunately, Ye Shu didn’t argue with her! ”

“Bai Jingshu looked at Cai Wenjing and continued, “AH ze likes girls more. Actually, I can do either. After giving birth to a second child, I want to give the child a companion. If anything happens in the future, I can have someone to discuss it with.” ”

““Yes, yes, yes.”Wu Mei nodded with a smile. “For example, in our family, having more people is also more powerful.” ”

On the other side.

In Ye Zao's room.

"A group of children surrounded ye Zao, chattering away. "

Cen Shaoqing sat at the side with a headache. How could these children be so talkative?

""Auntie, didn't you say that you went to my house to visit me last time? Why didn't you go in the end?"
"

""Aunt, do you and uncle not want to Get Married?" "

""If you get married, will I not be able to see you?" "

Chapter 2674: 582: a glance is worth ten thousand years

There were seven or eight children in the house. Everyone was talking to each other. Ye Zhuo did not know who to answer.

"Huanhuan was the older child among the children. She continued, "If aunt gets married, she won't be able to stay at home anymore. We definitely won't be able to see aunt in the future." "

"Duan Duan and Rui Rui heard this and immediately hugged ye Zhuo. "Aunt, then don't get married, okay!" "

""Aunt, don't get married!" "

"Uncle is bad! I don't like Uncle Anymore!"

“Surrounded by a group of children, Ye Zhuo smiled and said, “Okay, okay, okay. Aunt Won’t get married anymore.” ”

“Having said that, how could cen Shaoqing still sit still, he smiled and said, “Don’t worry, you kids. I’m married to your aunt, so you can still see her. Not only can you see her, but you’ll also have another person who likes you in the future.” ”

“Who is it?”Huanhuan asked.

“CEN Shaoqing said, “Of course it’s your uncle.” ”

“Huanhuan thought for a moment and asked, “Who’s your uncle?” ”

“Cen Shaoqing opened his thin lips and said, “When your aunt and uncle get married, I’ll be your uncle in the future. I’ll like you more than your aunt.” ”

“Really?”Huanhuan asked.

“”Of course.”Cen Shaoqing nodded slightly and continued, “Huanhuan, do you like Princess Elsa?” ”

“Yes.”Huanhuan nodded.

“CEN Shaoqing continued, “I can invite Princess Elsa over and play games with you.” ”

“Really?”Huanhuan’s face was full of surprise.

“”Of course it’s true,”Cen Shaoqing said. ”

“”Thank you, uncle,”Huanhuan said excitedly. ”

“Although Huanhuan was a boy, she liked Princess Elsa and Snow White since she was young. Her personality was very much like a girl’s. ”

“Cen Shaoqing looked at the other children. “Duan Rui Rui Rui, do you like Ultraman?” ”

““Yes, yes, yes!” ”

“CEN Shaoqing continued, “Then I can invite Ultraman to my house.” ”

“Then can I ask Dijia to come over?”Duan Duan asked.

Cen Shaoqing nodded slightly.

““Uncle, we like Armored Warriors!” ”

“Cen Shaoqing opened his thin lips slightly. “The idol uncle that you like can invite over for you. However, uncle has a condition.” ”

“What Condition?”The children immediately asked.

“CEN Shaoqing continued, “You have to be obedient.” ”

““Okay, okay, okay.”. ”

The children were very cooperative with Cen Shaoqing.

He took less than ten minutes to subdue the children’s hearts. Ye Zao raised his eyebrows slightly.

This person was really not an ordinary black-bellied person.

The children did not Pester ye Zao anymore. Cen Shaoqing finally had time to sit beside ye Zao. "How is it? Am I Powerful?"

"Powerful!"Ye Zao nodded slightly.

""I also think that I'm very good."Cen Shaoqing twirled the Buddhist beads, and the corners of his mouth curled up. "But what's the use of that? I'm so good, but I still fell under your skirt." "

Ye Zao Laughed Lightly. "Glib tongue."

""Every word is sincere."Cen Shaoqing's eyes were serious, and he continued, "Zao Zao, I'm now looking forward to the time passing faster every day." "

"Why?"Ye searing asked.

"CEN Shaoqing continued, "Because that way, we can skip the middle of the time and go straight to the day of our wedding." "

Cen Shaoqing did not have much of a concept of time in the past. This period of time was simply like a year.

"He wanted time to pass faster, but every day was so slow. "

"Ye searing stood up and smiled, "Don't think about those impossible things. Let's go out and take a look." "

There were many guests in the house today. It was not good for them to keep hiding upstairs like this.

Cen Shaoqing stood up as well.

The two of them went outside.

The Cen family's relatives had almost arrived.

The hall was very lively inside and outside.

""Burning!" At this moment, ye Zhuo's shoulder was patted by someone. "

Ye Zhuo looked back slightly. It was an Lizi.

"Lizi."

"An lizi smiled and said, "What are the two of you doing hiding in the room? We've been looking for you for a long time, but we still haven't Found You." "

""Nothing much," ye Zao said. "

An Lizi smiled evilly. "Really nothing much?"

""Really nothing much," ye Zao said. "

"An lizi continued, "I don't believe it." "

"Cen Shaoqing answered at this moment. He opened his thin lips and said, "What do you and your friends usually do in the room? What did searing and I do in the room just now?" "

"An Lizi almost stuttered. She did not expect Cen Shaoqing to be so lethal. "I, I, I, we usually do nothing!" "

“Then what can you absolutely do for us?”Cen Shaoqing retorted.

An Lizi:” ...”

She admitted defeat.

An Lizi hugged ye Zao’s arm. “Shall we go downstairs and play mahjong? Just the four of us.”

“Okay.”Ye Zao nodded.

The few of them went downstairs to play mahjong.

Ye Zao’s Luck was not bad. It was a good start.

“An Lizi threw out a piece of paper and said, “Lizi, I just saw your good friend Sister Sha Sha’s mother. Why didn’t I see Sha Sha?” ”

“Because of ye Zao, an Lizi also knew Lin Sha, and she also knew Lin Sha’s story. ”

“Ye Zao said, “Sister Sha Sha went abroad to study, and she won’t come back for nearly two years.” ”

“She went abroad to study?”An Lizi asked in surprise.

“Anlizi had always had a gentle impression of Lin Shasha. She had been lied to before and even got pregnant with a scumbag. Back then, when Lin Shasha had an abortion and was studying for the college entrance exam at home, many people were puzzled. ”

“After all, Anlizi was already twenty years old at that time.”

“Just when everyone thought that Lin Shasha wouldn’t be able to get into a university, not only did Lin Shasha get into a university, but she also got into a key university.”

“An Lizi thought that Lin Sha would work directly after graduation, but she did not expect Lin Sha to study abroad.”

“Yes.” Ye Zao nodded slightly.

“An lizi continued, “What is sister Sha Sha’s major?” ”

““Fashion design,” ye Zao said. ”

“That has a bright future!” An Lizi said.

“Ye Zao nodded slightly, “It is indeed not bad. The main thing is that Sister Sha Sha likes fashion design.” ”

An Lizi sighed. “Sister Shasha’s life is too legendary. She can even write a novel.”

She dropped out of junior high school at the age of seventeen or eighteen.

“After dropping out of school, she went to work in a factory. Every day, she would go to work and go home for dinner.”

“Then, she would get a boyfriend, get married, and have children.”

“Finally, there were trivial matters. After getting married, she would be busy taking care of the children and complaining about her mother-in-law. If she met a good husband, she would be able to save some trouble. But if she met a husband who liked to play, the pain would come.”

This was the current situation of many people.

“Originally, Lin Sha’s life trajectory was the same. However, she jumped out of the box and gave herself a different life.”

“At this point, an Lizi looked at ye Zao and continued, “But it’s all thanks to you, Zao Zao. If it wasn’t for you, I Would Still Have Sister Shasha. We wouldn’t be where we are now.” ”

That was why it was important to make friends in one’s life.

Ye Zao had influenced a lot of people.

“Ye Zao smiled at an Lizi. “Lizi, the reason why everyone’s life is so exciting is because of her.” ”

“As a bystander, she could only play a guiding role. The one who really walked down the path was herself.”

“If Lin Shasha hadn’t listened to her and cut ties with Zhang Qiang, Lin Shasha wouldn’t be where she is now.”

“An lizi smiled and said, “Anyway, you are the idol I admire the most in my life!” ”

“At this point, an Lizi turned to look at Ouyang Cheng beside her and said, “Do you know what burning looked like when I first met her?” ”

“I don’t know.”Ouyang Cheng shook his head.

“An Lizi said, “She wore heavy makeup and looked like a little gangster. In short, she did not look very smart. “Actually, at that time, I was still a little afraid of her and didn’t dare to talk to her, because the people around her were always those bad students.” ”

“Thinking back to the past, an Lizi’s eyes were filled with memories. ”

She thought of many things and also many people.

“An Lizi continued, “You don’t know how incredible their class was when burning fire was admitted as the top scorer in Yunjing City!” ”

“Everyone knew that after ye Zhonghua lost her glamorous identity, she would never recover. Little did they know that this was the beginning of her real life, the beginning of her peak. ”

“Ye Zhonghua smiled and said, “Time flies.” ”

She still remembered the first time she opened her eyes in this strange world.

““Yes, time flies too fast.” An lizi continued, “Oh right, I’ve always been curious. How did you and master five meet, Zhonghua?” ”

“Hearing this, CEN Shaoqing continued, “My grandmother sold me to her.” ”

“Ah?” An Lizi was a little surprised. “Really? What’s the situation?”

This sentence brought back a lot of memories for ye burning. “Yes.”

“CEN Shaoqing continued, “Do you still remember where we first met?” ”

Ye burning thought for a moment. “After completing the OS system?”

“No.”Cen Shaoqing shook his head.

“No?”Ye Zhuo raised his eyebrows slightly and began to comb through his memories.

“CEN Shaoqing continued, “Do you still remember the night when the Mu family held the family recognition banquet?” ”

“Cen Shaoqing paused at this point and continued, “I was there that night too.” ”

It was this sentence that suddenly opened the door to ye Zhuo’s memories.

Ye Zao recalled the first time he met Cen Shaoqing’s eyes and his eyes curved. “My first impression of you was that you were not to be trifled with.”

“You still remember?”Cen Shaoqing was a little surprised. He thought that ye Zao had forgotten.

“Ye Zao said, “I had already forgotten, but you reminded me again.” ”

“Cen Shaoqing’s thin lips parted slightly. “Before this, I never believed in a single glance for ten thousand years, until I met you.” ”

“At this moment, an Lizi put down the mahjong in her hand and used her hand to tightly hold her mouth. This exaggerated expression attracted ye Zhuo’s attention. “Lizi, what’s Wrong?” ”

An Lizi instantly became more dramatic. “I’m afraid that I’ll make a dog bark.”

Ye Zhuo chuckled.

“An Lizi continued, “Do you know, Da Zhuozhuo? Just this silly dog of mine, he would never say these words to me.” ”

The silly dog was naturally referring to Ouyang Cheng.

Ouyang Cheng was a straight man. He always said what he said and never did what he did.

“Being suddenly called out, Ouyang Cheng rubbed his nose, feeling a little embarrassed.”

“Ye Zhuozhuo continued, “It’s alright, it’s alright. Men all need to be taught. You just need to take your time.” ”

“An Lizi said, “I’m just afraid that the older generation will plant a tree and the younger generation will take advantage of it.” ”

““I won’t,”Ouyang Cheng said at this moment. “I can swear.” ”

Ye Zhuo chuckled. “Don’t you think Ouyang is doing quite well?”

An Lizi also laughed.

...

At the South Station of the Beijing levitation train.

A mother and daughter walked out of the exit.

“Just as they walked outside, the middle-aged woman’s phone rang. She picked up the phone. “Hello.” ”

““Little Sui, are you here yet?”A man’s voice came from the other end of the phone.” ”

""Yes, I'm here,"ye Sui said. "

""Then be careful."The man continued, "By the way, can you find your sister's home address?" "

""Don't worry, I can find it. Just wait for my news at home." "

"Okay."The Man on the other end of the phone suddenly sighed. "I'm just afraid that your sister won't recognize us."

"Hearing this., ye Sui smiled and said, "After all, we're blood-related sisters. How could she not recognize me? ! "Besides, she's so rich now. Even if a little bit of money leaked out from her fingers, it would be enough for us to spend. Just wait for my news." "

Rich people didn't care about that little bit of money at all.

"Okay."

"After exchanging a few words with each other, they hung up the phone."

"Zhou Ziyue looked up at ye Sui and asked, "Is that my dad?" "

Ye Sui nodded. "It's your dad."

"Zhou ziyue continued, "Mom, I'm actually a little worried too. What if Auntie ignores us?" "

"Zhou Ziyue still felt a little guilty. After all, when Ye Shu was still down and out, she had never called ye Shu 'Auntie'before. "

""No, aunt is still aunt."Ye Sui was not worried about those things at all, "I didn't have any conflicts with your aunt. Don't worry, your aunt definitely won't care about so many things! When you see your aunt later, remember to be a little sweeter and don't call her names." "

Chapter 2676: 583: ye Sui 1

"Zhou Zi Yue nodded. "Don't worry, Mom. I know.""

Zhou Zi Yue was very much like ye Sui.

"She had always been very good at supporting ye Shuang's smelly feet, and she was even better at supporting ye Shuang's two daughters."

"Speaking up to this point, Zhou Zi Yue continued, "Mom, what if Little Aunt Doesn't like me?""

"After all, she did not have a good relationship with ye Shu in the past."

"Zhou ziyue sighed, "If we knew that Auntie would end up like this, we should have treated auntie well then.""

""Look at Lin Sha's house! If it wasn't for my Auntie, would Lin Weiwei be able to do business? Would Lin Sha be able to study abroad?""

"Hearing this, Ye Sui was also very regretful."

"If she had known this would happen, she definitely wouldn't have mocked ye Shu back then."

"Otherwise, she would be the one enjoying life with ye Shu now! How could Zhou Yuelian have the right to speak!"

“Ye Sui sighed and continued, “Who knows the past and the future!””

“”But Ziyue, don’t worry. I’m your aunt’s biological sister. She has cut off relations with your grandmother and uncles now. If she sees me, she will definitely be very happy.””

Zhou Ziyue was still a little worried.

“After all, ye Sui had done a lot of bad things to Ye Shu in order to please ye Shuang in the past. Including a junior like Zhou Ziyue, he had mocked and ridiculed ye Shu before.”

Zhou Ziyue did not say anything.

“Ye Sui continued, “Actually, when your aunt dated that Lin Qingcheng, I could already feel that Lin Qingcheng was not a simple person! “Your Aunt’s life is still the best. Although she has lived through 18 years of hardship, she is finally happy after suffering!””

“Ye Sui used to look down on Ye Shu, but now he was envious of her.”

“After saying that, ye Sui reminded Zhou ziyue, “Ziyue, remember to perform well. I heard that on your aunt’s side, other than ye Zhuo, all the brothers of the Lin family have sons. They don’t have any daughters!””

“Although Zhou Ziyue graduated from an ordinary secondary school, she was good-looking and well-behaved. If Ye Shu was willing to set her up, Zhou Ziyue would definitely marry into the Lin family!”

“In this way, Zhou Ziyue would be a rich lady from a wealthy family in the future!”

“The more ye Sui thought about it, the more excited he became.”

Zhou Ziyue also thought of this and nodded. “Okay.”

“At this moment, Zhou Ziyue seemed to have thought of something and asked, “How is Ye Zhuo Now?””

“Zhou Ziyue had only met ye Zao once. At that time, the rumors about ye Zao were not good, so she did not pay much attention to ye Zao.”

“Although there had been a lot of news about ye Zao in recent years, Zhou Ziyue did not know that the famous Miss Ye in China was ye Zao.”

“Ye Sui was the same as Zhou Ziyue. She only knew that ye Zao was not very smart, so she did not know anything else.”

““Ye Zao is just an idiot. You Don’t have to pay attention to her,”ye Sui said.”

Ye Sui’s memory of Ye Zao was still stuck on the fact that ye Zao was an idiot who could not even recognize a man.

“Okay.”Zhou Ziyue nodded.

“As the mother and daughter spoke, they left the station and took a taxi to the address of the Lin family manor.”

“When the driver heard that it was the famous wealthy nest, he smiled and said, “Are the two of you here to visit relatives?””

“Yes.”Ye Sui nodded.

“The driver then asked, “Big sister, do your relatives work at North Ring Road?””

““No.”Ye Sui smiled and said, “My sister lives here. By the way, master, are the people who live here all very rich?””

“When the driver heard this, he was immediately amused. “You don’t even know that your sister lives here?””

“Ye Sui said, “She’s just lucky to be married here.””

“The driver continued, “The North Ring Road is a famous wealthy nest in the capital. The housing prices here are six figures per square meter.””

“At this point, the driver paused and said, “Especially your address. This is where a rich family surnamed Lin lives.””

“”Is that so?”When she heard this, ye Sui’s interest was piqued.”

“She only knew that the Lin family was very rich, but she did not know exactly how rich the Lin family was.”

“Ye Sui continued to ask, “Then is the Lin family especially rich?””

“The driver smiled and said, “The Lin family can no longer be measured by whether they have money or Not! Big Sister, let me tell you this, if your sister really marries into the Lin family, then the two of you will no longer belong to the same world!””

Ye Sui gulped.

The driver glanced at ye Sui.

He had to receive many guests every day and had seen all kinds of people.

“With ye Sui’s appearance, it was obvious that she was a sarcastic person who would climb up and trample on others.”

Did a person like her really have a sister who would marry into a wealthy family?

Chapter 2677: 583: Ye Sui

“The driver asked, “Big Sister, is your sister married to the head of the Lin Family?” ”

““Yes, yes, yes. It’s the head of the Lin family, Lin Qingcheng.” ”

Lin Qingcheng?

The driver frowned. “But isn’t the head of the Lin family called Lin Jincheng? Who Is Lin Qingcheng?”

““Lin Jincheng?”Ye Sui continued, “You must be mistaken! My Brother-in-law is clearly called Lin Qingcheng.” ”

“Although it had been a long time, because Lin Jincheng was very handsome when he was young, ye Sui still remembered his name.”

“I’m not mistaken. The head of the Lin family is called Lin Jincheng.”The driver nodded. “It’s Jinxiu’s Jincheng. The head of the Lin family is very famous in the capital. His sons and daughters are also very outstanding. I Won’t be mistaken about his name.”

“Ye Sui smiled and said, “Master, you must be mistaken!” ”

“Back then, ye Sui had witnessed Ye Shu and Lin Qingcheng’s love life.”

“But back then, Lin Qingcheng was just a poor boy, so ye Sui didn’t care.”

“If she had known that Lin Qingcheng was an invisible rich man, she would have definitely thought of a way to please Lin Qingcheng. She heard that Lin Qingcheng had four older brothers! Then she and Ye Shu were sisters-in-law now.”

How could they be like now.

“Ye Shu was already a rich lady from a wealthy family, but what about her?”

She was still the wife of an ordinary worker.

“She and Ye Shu grew up together. Ye Shu had been outstanding looking since she was young. Later on, she followed a poor boy and gave birth to an illegitimate daughter. This made ye Sui extremely happy!”

So what if Ye Shu was good-looking?

“She lived in the basement and raised an illegitimate daughter. In the end, she was even cursed as a mistress.”

She was different.

“Zhou Haitao was a native of Yun Jing. Not only was he handsome, but he also had a house and a car at home. At that time, ye Sui was extremely superior.”

Who knew that the tables would turn soon!

““Big Sister, is your sister really married to the head of the Lin Family?”The driver expressed his doubt.”

““I’m sure!”Ye Sui said, “Would I be mistaken about my brother-in-law’s name?””

“The chauffeur continued, “Big sister, if you don’t believe me, you can search on the internet to see if the head of the Lin family is Lin Qingcheng or Lin Jincheng.” ”

“Ye Sui looked at Zhou Ziyue. “Ziyue, you search.” ”

Zhou Ziyue nodded. She opened her phone and used the search engine to search for the name of the head of the Lin family.

“A moment later, Zhou Ziyue looked up at ye Sui. “Mom.” ”

“What’s Wrong?”Ye Sui asked.

“Zhou ziyue continued, “The head of the Lin family in the encyclopedia is indeed called Lin Jincheng.” ”

“Lin Jincheng?”Ye Sui asked.

“”Yes.”At that moment, Zhou Ziyue also began to doubt. ”

Was Lin Jincheng and Lin Qingcheng the same person? Was Ye Shu really married to a millionaire!

What if it was a mistake?

How could someone like ye Shu really marry a millionaire.

“The driver smiled and said, “That’s what I said. The head of the Lin family is Lin Jincheng.” ”

“Mom?”Zhou Ziyue looked at ye Sui.

“Ye Sui frowned slightly and said, “Then, then maybe I made a mistake! It doesn’t matter if the name is wrong, as long as the person is right! Anyway, my brother-in-law is the head of the Lin Family!” ”

The driver didn't say anything.

"Zhou ziyue tugged at ye Sui's clothes and said in a low voice, "Mom, are you sure that your uncle-in-law is really the head of the Lin Family?" "

"Yes!"Ye Sui nodded.

"Since she was already here, she had to go to the Lin family to find out. She absolutely couldn't let go of this opportunity to turn things around. "

Zhou Ziyue didn't say anything else.

The driver in the front seat also didn't say anything else.

"Not long after, the car stopped at the entrance of a low-key manor. At the entrance were two hundred-year-old towering trees, and the security booth was hidden under thick leaves. "

Low-key and mysterious.

""Big sister, we're here,"the driver reminded. "

"We're here already?"Ye Sui looked out of the window. "Are you sure this is the manor where my sister's brother-in-law lives?"

"The driver smiled and said, "It's here. The place where rich people live is heavily guarded. If outsiders go in first, they have to make an appointment in advance. You can go to the security booth and ASK." "

Only then did ye Sui notice the security booth hidden under the big tree.

“The mother and daughter pulled their suitcases and walked inside. Before they reached the inside, they were stopped by the security staff in uniform. ”

“Who are you looking for?”

“Ye Sui smiled and said, “I’m looking for my sister and brother-in-law. My brother-in-law is Lin Jincheng and my sister is Ye Shu. I’m their sister, Ye Sui. This is their niece, Zhou Ziyue.” ”

“The staff looked ye Sui up and down and said, “Wait a moment.” ”

“Although ye Sui didn’t look like ye Shu’s relative, she was still surnamed ye after all. They still had to investigate clearly to avoid offending the nobleman. ”

On the other side.

In the manor.

Ye Shu was playing mahjong when the housekeeper walked over. “Madam.”

“What’s Wrong?”Ye Shu turned around.

The housekeeper whispered into ye Shu’s ear.

“Hearing this, Ye Shu frowned slightly. ”

Why was ye Sui Here?

“Today was a good day. If she just ignored ye Sui, based on ye Sui’s character, since she was able to find him, she would definitely make a big fuss. ”

“Ye Shu thought about it in her heart and said, “Okay, I got it. Let them in first.” ”

“Alright.”

“After the Butler left, Ye Shu looked at the few people at the table. “Sister-in-law, second sister-in-law, and third sister-in-law. I’m sorry, but I have a small matter to take care of. You guys can play for now.” ”

“Then let Jingshu take over.”.

Ye Shu nodded and called Bai Jingshu to take over.

“After a while, Ye Shu went to the back hall and waited. ”

“On this side, ye Sui was brought in by the butler. ”

They came in by car.

“After entering, ye Sui found out that the interior of the Lin family manor was different. The deeper they went, the more luxurious the decorations. ”

It turned out that ye Shu had been living such a good life all these years!

Ye Sui was extremely envious.

“A few minutes later, the car stopped in front of a building. ”

“Both of you can get off.”

“Ye Sui nodded and held Zhou Ziyue’s hand. “Come, Ziyue, we’re here.” ”

Zhou Ziyue followed ye Sui's footsteps.

"As they walked into the house, ye Sui asked, "Uncle, who did you say you were? Are You My Sister's housekeeper?" "

Ye Sui had only heard of the word "Housekeeper" in television dramas. He did not expect to see it with his own eyes today.

The housekeeper nodded. "Yes."

"What About My Sister?" Ye Sui asked.

Chapter 2678: 586: two options 1

"Madam is in the front hall now. Please wait a moment," the Butler said. "

In the front hall.

"Hearing this, ye Sui looked around and remembered what he had seen when he came in the car. He then asked, "Are all the places here my sister's Home?" "

The Butler glanced at ye Sui and nodded. "Yes."

It was obvious that the mother and daughter were not easy to deal with.

He did not understand why ye Shu had such relatives.

“It was one thing to hear about it, but it was another to witness it with one’s own eyes. Ye Sui’s eyes were full of envy.”

“”Little Shu is really rich!”Ye Sui looked at the housekeeper and continued, “Do you know who I am? I Am Little Shu’s biological sister!” ”

She wanted to announce to the world that ye Shu was her sister.

The Butler did not say anything and only smiled politely.

“Ye Sui continued, “Why isn’t my sister here yet? Why Don’t you hurry her up?” ”

“The butler said, “Don’t worry, Madam should be here soon.” ”

“How long have you worked at my sister’s House?”Ye Sui continued to ask.

“The housekeeper continued, “It’s been twenty years.” ”

“Ye Sui said in surprise, “Twenty years?” ”

The housekeeper nodded.

Ye Sui was very surprised.

Twenty years!

“To be able to hire a housekeeper twenty years ago, how rich must the Lin family be! ”

As expected of a rich family!

“Ye Sui asked again, “Then how much do you earn for a month now?” ”

“”I get an annual salary,”the housekeeper said. ”

“Annual salary?”Ye Sui asked.

The housekeeper nodded.

“Ye Sui continued, “Then your annual salary must be very high, right?” ”

“Although ye Sui had never come into contact with a wealthy family, he knew that the annual salary was usually at least 200,000 yuan. ”

“A housekeeper’s annual salary was already over 200,000 yuan. The Lin family was really too rich! ”

The housekeeper didn’t say anything.

“Zhou Ziyue pulled on ye Sui’s sleeve and said in a low voice, “Mom, don’t talk so much.” ”

Ye Sui looked like a country bumpkin who had never seen the world. It was too embarrassing!

“What About Me?”Ye Sui was a little speechless. “He’s just a servant. Do I have to be afraid of Him?”

“Zhou ziyue said, “Mom, I didn’t mean that. Anyway, you should just say less.” ”

Ye Sui was about to say something else when footsteps suddenly came from outside.

“”Madam,”the butler greeted respectfully. ”

Ye Sui immediately smiled and ran out. "Little Shu!"

"When he saw ye Shu, ye Sui was stunned. "

"Was the person in front of him wearing a cheongsam, elegant temperament, and expensive jewelry really ye Shu? "

This was too different from the Ye Shu in ye Sui's memory!

"Little Shu?"

""Sis,"ye Shu called out. "

"She grew up with ye Sui. During her most difficult times, ye Sui lent her 300 yuan. "

"Although the money wasn't much, it was a life-saving straw for ye Shu at that time. "

Ye Sui just liked to climb higher and trample on the lower ones. He wasn't completely heartless.

""Aiya, Little Shu! It's really you!"Ye Sui hugged ye Shu and was extremely happy. "Little Shu, I've finally met you!" "

"As he finished speaking, ye Sui let go of Ye Shu and looked at Zhou Ziyue. "Ziyue, quickly call for Help!" "

"Zhou Ziyue looked at the elegantly dressed lady in front of her and then looked at ye Sui who was beside the lady. She could not tell what expression she had in her eyes, so she politely called out, "Aunt." "

Ye Shu looked at Zhou Ziyue and smiled. "I haven't seen you in a few years. Ziyue has become more beautiful again."

"After saying that, ye Shu asked again, "Have you found a family yet?" "

"Zhou Ziyue was two years older than ye Zhuo. Under normal circumstances, she should have found a family. "

"Without waiting for Zhou Ziyue to speak, ye Sui interrupted, "Not yet! What kind of good family can you find in a small place like Yun Jing?" "

"Hearing that, the butler's expression changed. "

Yun Jing could not find a good family?

Then what did ye Sui Mean?

Did she mean that she wanted ye Shu to find a good family for ye Zhuo in the capital?

That would only be possible if the capital's influential people could see Zhou Ziyue last week!

"Ye Shu also heard the hidden meaning in ye Sui's words. She didn't answer him, but said, "Where's brother-in-law? has brother-in-law come?" "

""No, he's at his hometown!"Ye Sui continued, "Little Shu, where's brother-in-law?" "

"Ye Shu said, "There's a guest at home today. He's in the front hall greeting the guests." "

Guests?

“Hearing this, Ye Sui was a little unhappy. ”

Lin Jincheng was greeting guests in the front hall?

Then what kind of person was she in the Lin Family?

What did ye Shu mean by this?

“However, ye Sui didn’t show any displeasure on his face. He smiled and said, “I see! Oh right, Xiao Shu, I also brought gifts for you, brother-in-law, and the children.” ”

“As she spoke, ye Sui opened the suitcase that she had brought with her. ”

“After opening the suitcase, it was filled with some of the specialties from her hometown. ”

“Vegetables, corn, and so on. ”

“Ye Sui smiled and said, “I specially went back to my hometown to pick these. I knew you couldn’t buy them in a big city.” ”

“As the saying goes, a gift from a thousand miles away is light but heavy. ”

“In fact, ye Sui did not go back to her hometown at all. She bought these things in the supermarket. ”

“Anyway, the vegetables she bought looked the same as the vegetables she picked in the field, so ye Shu definitely couldn’t tell. ”

“”Sister, thank you!”Ye Shu smiled and said, “It’s hard for you to bring vegetables from such a far place.” ”

""We're sisters, there's no need to be so polite,"ye Sui said. "

"Ye Shu continued, "Sister, you and Ziyue have worked hard all the way here. Take a rest first. Butler, ask the kitchen to make some food and bring it to the guest room." "

""Yes, Madam." "

""Sister, Ziyue, follow me to the guest room." "

This sentence made boss ye Sui unhappy again.

Guest Room?

She was ye Shu's sister and could be considered half the owner of this house. How could ye Shu let her stay in the guest room!

This was too much!

"After all, she had made a fortune and started to disown her family! "

Ye Sui cursed ye Shu in his heart and smiled as he followed ye Shu's footsteps.

The guest room was on the second floor.

"Ye Shu smiled and said, "Sister, Ziyue lives next door to you. If you have any problems, you can call the housekeeper at any time." "

"Okay."Ye Sui nodded.

“Ye Shu continued, “The housekeeper will send food over in a while. If you want to take a shower, there’s a bathroom in the room. The toiletries in there are all new. You can use them as you like.” ”

“”Okay,”ye Sui said. ”

“Ye Shu continued, “Then I’ll go to the front hall to take a look. You guys can rest after eating.” ”

“After saying that, Ye Shu turned around and left. ”

“Watching ye Shu’s back disappear at the elevator exit, ye Sui said in a low voice, “They actually let us stay in the guest room! They even said that there are guests in the front hall! If the guests in the front hall are guests, then what am I! ! Ye Shu, this little b * tch, once she became rich, she wouldn’t be able to see the sisters that she had gone through thick and thin with! What was that! ”

“”Mom, Please Lower Your Voice.”Zhou Ziyue immediately stopped ye Sui. ”

“Ye Sui said, “Don’t worry, my voice is low. They won’t be able to hear me.” ”

Zhou Ziyue didn’t say anything and sighed.

“Ye Sui continued, “Don’t worry, your mom isn’t that stupid. At times like this, I will build a good relationship with her and try to get her to introduce you to a good partner. When that happens, our family will be able to hold our heads high in front of your uncle’s family.” ”

“But...”Zhou Ziyue was a little hesitant.

“”But what? !”Ye Sui frowned and said sternly, “Ziyue, let me tell you, don’t think about those nonsense! How can a person like Feng Yang be worthy of you! He is simply a toad that wants to eat swan meat!” ”

“Feng Yang was Zhou Ziyue’s boyfriend. The two of them began to fall in love in university and it was not easy for them to get to where they were now. Unfortunately, ye Sui had always looked down on Feng Yang because the Feng family was not rich enough to give Zhou Ziyue a rich and noble life. ”

“Ye Sui continued, “I’m warning you, break up with Feng Yang immediately! Then ask your aunt to introduce you to someone better!” ”

“”Men are afraid of entering the wrong line of work and women are afraid of marrying the wrong man. If you get together with that kind of person, you will regret it for the rest of Your Life!” ”

“In the past, ye Sui never thought that men were afraid of entering the wrong line of work and women were afraid of marrying the wrong man until he saw ye Shu’s success. ”

Ye Shu was able to get to where she was today because she married well.

“She had already missed a chance and couldn’t marry again. However, Zhou Ziyue was still young, so she still had a chance. ”

“Zhou Ziyue hesitated for a moment and then said, “Mom, but this is too unfair to Feng Yang.” ”

“After all, Feng Yang was Zhou Ziyue’s first love, so Zhou Ziyue had forgotten him just like that. For a moment, Zhou Ziyue really couldn’t accept it. ”

“”Fair, can fair be a meal?”Ye Sui looked at Zhou Ziyue and asked, “Let me ask you, do you want to live like me or like your aunt?” ”

Zhou Ziyue was silent.

“Ye Sui continued, “If you want to live like me, then just pretend that I never said these words. You can live like Feng Yang!” ”

“Mother!”Zhou Ziyue looked at ye Sui.

“Ye Sui continued, “Ziyue, you have to believe one thing. No mother in the world would harm her own daughter! If you have to choose Feng Yang, mother will not object. Just don’t regret it in the future.” ”

Zhou Ziyue fell silent again.

“She was very envious of Ye Shu’s current life, but she did not want to break up with Feng Yang.”

It was true that she liked Feng Yang.

It was also true that she wanted to grow old together with Feng Yang.

Why couldn’t love have it both ways?

“Ye Sui wanted to slap Zhou Ziyue directly to wake her up, but after thinking about it, she held back.”

“As a mother, she believed that Zhou Ziyue would definitely wake up.”

“Ziyue, think about it yourself,” ye Sui continued, “You only have one life. If you make the wrong choice, you can’t start over. So, think about it yourself.”

Chapter 2679: 587: Icing on the cake

Zhou Ziyue naturally couldn’t accept the sudden decision.

She and Feng Yang were true love.

The two of them had experienced misunderstandings and witnessed each other’s growth together. She didn’t want to break up with Feng Yang just like that.

“”Mom, can you let me think about it?”Zhou Ziyue asked. ”

“”I’m up to you,”ye Sui continued, “As long as you don’t regret it.” ”

“After saying that, ye Sui said, “I’m going to take a shower.” ”

“After saying that, ye Sui turned around and entered the house. ”

“Although it was a guest room, it was more luxurious than a five-star hotel. Even the bathroom amazed ye Sui. ”

Ye Shu was really rich. Even the guest room at home was so good.

When would she be able to live in a house like this?

She would ask ye Shu to buy her a villa in Beijing!

“Ye Shu was so rich now. She had servants, butlers, and drivers. Buying a villa was nothing to her! ”

“Ye Sui lay in the bathtub, already planning for the future. ”

On the other side.

Zhou Ziyue washed up and sat on the sofa in a daze.

“At this moment, her phone suddenly rang. ”

It was a video call from Feng Yang.

“Zhou Ziyue was very upset, but when she picked up the video call from Feng Yang, she still smiled.
“Feng Yang.” ”

Feng Yang and Zhou Ziyue were classmates. He was about 1.8 meters tall and handsome. He was very eye-catching among the crowd.

“Comparatively, Zhou Ziyue was slightly worse than Feng Yang. That was because Zhou Ziyue would often ask him why he liked her. After all, when she was in school, many of her seniors and juniors had chased after Feng Yang, but Feng Yang had never changed his mind. ”

Feng Yang would always answer that love had nothing to do with looks.

“He liked Zhou Ziyue, not her face. ”

“Every time she heard this answer, Zhou Ziyue would be very touched. ”

““Ziyue, are you here?” Feng Yang asked with concern. ”

Zhou Ziyue nodded. “I’m here.”

“Where’s Auntie?” Feng Yang asked.

“Zhou ziyue said, “My mom is washing up.” ”

“After saying that, Zhou ziyue continued, “How was your interview today?” ”

““Pretty good.” Feng yang smiled and said, “Don’t you have any confidence in me?” ”

““Yes, yes, yes.” Zhou ziyue continued, “Have you eaten?” ”

“”I just ate.” Feng Yang nodded as if he had thought of something. “By the way, I’m preparing to pay the down payment. Do you think it’s okay to go to the residential area we saw last time?” ”

“Half a month ago, Zhou Ziyue and Feng Yang went to see a house together. ”

“It was a three-bedroom, one-living area. The environment of the residential area was not bad in all aspects. The total price was 2 million. Feng Yang could pay 1.2 million down payment and the remaining 800,000 in loans. ”

“Half a month ago, when Zhou Ziyue and Feng Yang went to see a house, they were full of confidence in their lives and future. ”

But now...

Zhou Ziyue suddenly didn’t know how to reply to Feng Yang.

“Seeing that she was absent-minded, Feng Yang said, “Ziyue, what’s Wrong?” ”

“Zhou Ziyue finally reacted and said with a smile, “It’s nothing. Have you brought Auntie to the neighborhood to look at the Environment? What did she say?” ”

“”She said that as long as you like it, it’s fine,” Feng Yang said. “Anyway, we’ll be staying here in the future. My parents have a house.” ”

“Zhou Ziyue was stunned for a moment and then said, “Then let’s Wait a little longer. I’m a little busy here. Can we talk about it when I come back?” ”

“Sure.” Feng Yang nodded.

The two of them talked about something else before hanging up.

Ye Sui walked in from the door. "You just talked to Feng Yang on the phone?"

"Yeah." Zhou Ziyue nodded.

"Have you told him clearly?" Ye Sui asked.

""Not yet," Zhou ziyue continued, "Mom, I..." "

"Ye Sui shook his head. "Forget it, forget it. I'm too lazy to care about your business! Anyway, if you want to break it, break it early. Don't drag it out. It'll make everyone uncomfortable." "

Zhou Ziyue still didn't say anything.

"Ye Sui looked at Zhou Ziyue, his face full of resentment. "

""Mom, I've been with Feng Yang for almost ten years. Please don't force me. Can you give me some time?" From the first time they met until now, these feelings were not fake. Zhou Ziyue was not a god, so she could not bear to part with them. "

"Ye Sui said, "Did I force you? Anyway, I won't bother you anymore!" "

"Mom..."

Du Du —

"At this moment, there was a knock on the door. "

Ye Sui immediately adjusted his expression and went to open the door.

""Hello, do you need to eat now?" The Butler stood outside the door and asked. "

“Ye Sui smiled and said, “I’m just hungry. Bring it up now.” ”

“The butler nodded. “Okay, please wait a moment.” ”

Chapter 2680: 587: icing on the cake

“Okay.”

“The butler continued, “Do you have any dietary restrictions?” ”

“”Dietary restrictions?”Ye Sui was stunned for a moment, then he said, “No dietary restrictions.” ”

“What would you like to drink?”The Butler asked.

“Ye Sui asked, “What do you have?” ”

“”We have milk tea and various fruit juices, as well as coffee and milk.” ”

“Ye Sui said, “Two cups of Orange Juice.” ”

“”Okay, please wait a moment.” ”

The Butler went to prepare the food.

“Soon, a servant pushed the dining cart over. ”

The food was very sumptuous.

“There were only two people, but there were eight dishes.”

“The dishes looked, smelled, and tasted good. They were more delicious than any of the cuisines ye Sui had ever eaten.”

“Ye Sui continued, “This is how it feels to be a master. If you follow Feng Yang, you won’t be able to have this kind of life for the rest of your life.” ”

“How do you know that Feng Yang won’t become a person above others in the future?”Zhou Ziyue asked.

“Hearing that, ye Sui laughed out loud. “Become a person above others? How can he become a person above others? Do you think that anyone can become a person above others?” ”

Crazy!

Zhou Ziyue was really crazy!

She actually thought that Feng Yang could also become a person above others.

What right did Feng Yang have?

What a joke!

“Zhou ziyue continued, “Mom, don’t look down on Feng Yang. In this world, there are many rich people who started from scratch!” ”

“So you believe that Feng Yang can also start from scratch?”Ye Sui asked.

“Without waiting for Zhou Ziyue to say anything, ye Sui continued, “I said, I will never interfere in your affairs again! If you are willing to follow Feng Yang, no one will stop you! As a mother, I have done my duty. The rest of the road is up to you. It has nothing to do with me!” ”

“The more ye Sui said this, the more uncomfortable Zhou Ziyue felt. ”

She stopped talking and lowered her head to eat.

“Ye Sui wished he could slap Zhou Ziyue and wake her up. However, she was his daughter after all. If she really had to slap Zhou Ziyue, she really couldn’t bear to part with her. ”

In the front hall.

The full moon banquet was still going on.

Ye Shu walked to Lin Jincheng’s side and told him about ye Sui.

“Hearing this, Lin Jincheng asked, “When did they arrive?” ”

“”Just now,” ye Shu answered. ”

“Lin Jincheng continued, “Have you settled down?” ”

“Yes.”Ye Shu nodded.

“”It’s good that you’ve settled down,”Lin Jincheng continued, “Ye Sui helped us before. Don’t mistreat her.” ”

“Lin Jincheng was a person who knew how to repay kindness. Although ye Sui’s character wasn’t good, he had helped them before. ”

“I know that.”

“Lin Jincheng continued, “Only ye Sui and her mother came?” ”

“”I think so,”ye Shu said. ”

“Ye Shu’s relationship with the others had been completely severed, so they didn’t have much face to come. ”

“Lin Jincheng pinched his temples. “Ye Sui must have come with a purpose. As long as it’s not something too excessive, try to comply with her.” ”

“Although a long time had passed, Lin Jincheng was still clear about ye Sui’s character. ”

Ye Sui suddenly came to their door. He must have a purpose.

“Okay.”

“After the full moon banquet ended, Ye Shu told Lin Ze and ye Zhuo about this matter. ”

“Lin Ze was not very clear about ye Sui’s character. “Mom, as long as it’s not some top-notch relative, it’s fine.” ”

“Ye Shu said, “Your second aunt’s character is a little bad, but she’s not an unreasonable person.” ”

“”Second aunt?”Ye Zhuo continued, “When you were down and out, why didn’t you see this second aunt come to help you in the midst of a difficult situation? The icing on the cake comes quickly.” ”

She didn't recognize this second aunt.

"Ye Shu explained, "She was a little snobbish, but when I was in the most difficult time, she lent me three hundred yuan. If I didn't have that three hundred yuan, I really didn't know what to do at that time." "

""You returned 600 yuan in the end, right?"Ye Zhuo asked back. "

Ye Shu didn't say anything.

"Am I right?"Ye Zhuo asked.

"Ye Shu said, "At that time, no one's life was easy. Let's not bother with the matter of a few hundred Yuan with her."Now that ye Sui had come from afar, ye Shu thought, let the past be the past.., there was no point in dwelling on the past. "

"Ye Zhuo continued, "You can repay the favor you should repay. I'm just reminding you not to be ordered around like a fool." "

""Don't worry, I Won't,"Ye Shu said. "

"At this moment, ye Zhuo's phone rang. "

"Picking up the phone, ye Zhuo's expression changed. "Okay, I'll be there right away." "

"After hanging up, she looked at everyone. "Dad, Mom, I still have something to do. I have to go to the base and won't be back tonight." "

"Then you should hurry up and get busy!"

“Lin Jincheng immediately picked up the car keys. “Zao Zao, let me send you off!” ”

“”No need. Cen Shaoqing is here to pick me up.”Ye Zao said, “He’s already at the door.” ”

“Hearing this, Lin Jincheng could only put down the car keys and watch ye Zao’s back disappear outside the door. ”

“Ye Shu continued, “Ah Ze, go and call Jingshu over. I’ll bring you to meet second aunt.” ”

“Okay.”Lin Ze nodded slightly.

“Not long after, Lin Jincheng, Ye Shu, Lin Ze, and Bai Jingshu arrived at the guest room. ”

Ye Shu reached out and knocked on the door.

“Soon, the door opened. ”

“It’s Little Shu!”Ye Sui was rather enthusiastic.

Ye Shu nodded. “Sister.”

“Ye Sui saw that there were other people behind ye Shu. He opened the door and said, “Come in and talk.” ”

The few of them walked inside.

“When they reached the inner room, Ye Sui looked at Lin Jincheng. “Qing Cheng, long time no see. You’re still the same as when you were young.” ”

Qing Cheng.

"It had been a long time since someone had called him by this name. In an instant, Lin Jincheng seemed to have returned to the past. "

"Second sister."

"Ye Sui looked at Lin Ze again. "This is Ah Ze, right?" "

"Second aunt." Lin Ze greeted her politely.

"What about this person? Is this burning?" Ye Sui looked at Bai Jingshu with some uncertainty.

"She had seen ye Zao once before and felt that ye Zao did not look like this either, but she was not sure either. "

""This is Ah Ze's wife, Bai Jingshu." "

"Bai Jingshu said politely, "Second aunt." "

"Ye Sui said in surprise, "Oh my God! Ah Ze already has a wife! Our Ziyue is still single!" Ye Sui held Lin Ze's hand. "Ah Ze, do you have any single young men by your side? Introduce one to your cousin." "

Those who could become good friends with Lin Ze were all wealthy.

"Lin Ze pulled his hand back without a trace. "Okay, second aunt. I'll keep an eye out for you." "

""Okay, then I'll have to trouble you." Ye Sui praised, "Such a good child!" "
