

Almighty D 2681

“Chapter 2681: 588: nine oxen, not even a hair”

“After saying that, ye Sui continued, “Ah Ze, then you must ask second aunt to take note. Your Cousin is not young anymore. If you delay any longer, she won’t be able to get married.” ”

“Okay.” Lin Ze nodded.

“Ye Sui couldn’t stop praising. “Good, Little Shu. You really didn’t give birth to the wrong son.” ”

Ye Shu’s fate was still the best.

“Back then, she gave birth to a dragon and a phoenix in her lifetime. Her husband’s family was powerful and powerful, and her son was so outstanding. Her daughter-in-law did not seem like an ordinary person. ”

“Ye Shu smiled and said, “It’s only right that their cousins help each other.” ”

Ye Sui nodded. “That’s true.”

“After saying that, ye Sui continued, “Little Shu, why don’t I see Luoluo?” ”

“Ye Shu said, “Burning went to work.” ”

“Is she already at Work Now?” Ye Sui asked.

“Ye Shu said, “Yes, she’s already at work.” ”

“Where does she work?”Ye Sui asked.

“Ye Zhuo was a fool, but he could still work! ”

It was really strange!

It seemed that money could really make the devil push the Millstone.

““She works in the laboratory,”ye Shu replied. ”

““OH.”Ye Sui nodded and didn’t ask any more questions. He continued, “I haven’t seen that child, burning! If I met her on the street, I wouldn’t know her.” ”

“Ye Shu smiled and said, “It’s just a coincidence. Something happened in the laboratory. Otherwise, burning would be at home at this hour.” ”

““No Rush, no rush. I live here. I will definitely see burning,”ye Sui said. ”

“Ye Shu nodded and looked at ye Sui. “Sister, you’ve said so much. Where’s Ziyue?” ”

““She’s inside. I’ll go get her. Little Shu, brother-in-law, wait for a moment.”Ye Sui walked inside. ”

“Zhou Ziyue sat on the sofa, deep in thought. ”

““Come out with me for a moment,”ye Sui said. ”

Zhou Ziyue was lost in her own thoughts and couldn’t react in time.

“What are you thinking about?”Ye Sui reached out and patted Zhou Ziyue.

“Only then did Zhou Ziyue react. “Mom, What’s Wrong?” ”

“Ye Sui could also guess why Zhou Ziyue was like this. He continued, “Your uncle-in-law and the others are here. Come out with me to recognize them.” ”

“After saying that, ye Sui continued, “Remember to build a good relationship with your cousin and sister-in-law. As long as they recognize you, they can hook you up with anyone. It’s better than Feng Yang!” ”

“Compared to the sons of noble families, Feng Yang was nothing. ”

“”Mom, I haven’t thought about it yet,”Zhou Ziyue said. ”

“Ye Sui looked at Zhou Ziyue. “Can’t you plan for both? Anyway, building a good relationship with your cousin and sister-in-law won’t do you any harm.” ”

“Got it.”Zhou Ziyue nodded.

“Come out with me.”Ye Sui turned around and walked out.

Zhou Ziyue immediately followed her footsteps.

The two of them walked to the guest room’s living room.

“”Ziyue, quickly call for help.”Ye Sui smiled and said, “This is Auntie, you’ve already seen her this morning. This is your uncle-in-law.” ”

“Zhou Ziyue smiled and called for help, “Auntie, uncle-in-law.” ”

“Lin Jincheng took out the red packet that he had prepared. “Ziyue, right! This is your first time coming to uncle-in-law’s house. You should take this red packet.” ”

“Hearing this, ye Sui said half-heartedly, “Brother-in-law! You’re too polite! It’s fine that we didn’t bring anything with us, but how can we accept your red packet?” ”

“Although ye Sui didn’t intend to reject this red packet, he still had to say the right words. ”

“Lin Jincheng said, “It’s a small red packet. Let the child take it.” ”

“”Ziyue, hurry up and thank your uncle-in-law.” ”

“Zhou Ziyue took the red packet. “Thank you, uncle-in-law.” ”

“You’re welcome.”

“Ye Sui continued, “This is your cousin, Lin Ze. This is your cousin and sister-in-law.” ”

“Zhou Ziyue took the initiative to greet them. “We’re all of the same age. From now on, we can call each other by their names. My name is Zhou Ziyue. You Can Call Me Ziyue.” ”

“I’m Lin Ze.”

“”Cousin, you can just call me Jingshu.” ”

“After getting to know each other, ye Shu said, “Sis, I happen to have nothing to do tomorrow. I’ll bring you and your mother around the nearby scenic spots, okay?” ”

“”Okay.”Ye Sui nodded at her. “Little Shu, I’ll have to Trouble You Then.” ”

“No trouble.”

“Ye Shu smiled and said, “It’s not easy for the two of you to come to the capital to play. This time, you must have a good time.” ”

It’s not easy to come to the capital?

Ye Sui frowned slightly.

What did ye Shu mean by this?

Could it be that ye Shu did not plan to buy a villa for her in the capital?

“Ye Sui smiled and said, “If I can buy a house in the capital, I can live in the capital more often in the future.” ”

““The capital doesn’t increase anything except the price of the houses.”Ye Shu smiled and said, “Sister, which district do you plan to buy a house in? How much is the down payment?” ”

“Ye Sui did not expect ye Shu to suddenly say this. He was stunned for a moment and then said, “Little Shu, don’t You Still Have You? I’m not very familiar with the capital.” ”

“Ye Shu said, “Then where do you plan to buy a house? Let me help you with your reference?” ”

Ye Shu was too stingy!

She did not leave the word ‘buy’ out of half of her sentence. She was already a rich lady now. Why couldn’t she buy a villa for her?

They were biological sisters.

“Ye Sui smiled and said, “Of course, the closer we are to the city center, the better. Your brother-in-law and I prefer villas.” ”

“”As long as we have spare money, it’s better to buy a villa.” ”

“At this moment, Yue Sao carried LIN XI over. ”

“The baby is awake?” Bai Jingshu looked at Yue Sao. “Have you fed it?”

“Little tie Zhu slept with Yue Sao, so Bai Jingshu squeezed the milk out in advance and let Yue Sao feed it. ”

Sister-in-law nodded. “I fed it.”

“Ye Sui looked at the child in sister-in-law’s arms and said in surprise, “This child is... Ah Ze’s?” ”

Ye Shu nodded. “Yes.”

“Ye Sui did not expect Lin Ze and Bai Jingshu to even have a child. He continued, “A boy or a girl?” ”

“”A boy,”ye Shu said. ”

“Ye Sui smiled and said, “Ah! Little Shu, Congratulations! You’re younger than me, and you even have a grandchild! Unlike the disappointing one in my family who only knows how to play games all day!” ”

“”Ze got married early,”ye Shu said. ”

“Let me carry him.”Ye Sui reached out to carry the child.

“For some reason, as soon as ye Sui carried him, the originally quiet little iron pillar suddenly burst into tears.”

Wah Wah Wah —

““Second aunt, let me carry him.” Bai Jingshu took the child. ”

“Ye Sui smiled and said, “No, no, I’ll carry him. It’s normal for a child to cry a few times. Which family’s child doesn’t cry?” ”

“Little Tiezhu was still crying loudly, his little face scrunched up. Bai Jingshu’s heart ached terribly, but if ye Sui didn’t give the child to her, there was nothing she could do. ”

Lin Ze frowned slightly and reached out to pick up the child from ye Sui’s hands. “Daddy’s here.”

“Lin Ze’s attitude was a little tough, which stunned ye Sui. ”

“Bai Jingshu felt that the atmosphere was a little strange, so she immediately smiled and stepped forward to smooth things over. “The child is young and a little shy. Let Ah Ze carry him.” ”

“Ye Sui was not embarrassed and continued to ask, “How many months has it been?” ”

““Just a full moon,” Bai Jingshu replied. ”

“Ye Sui said, “The child is raised really well. He doesn’t look like a child who just had a full moon. I thought he was two or three months old!” ”

The few of them chatted for a while more.

“Lin Jincheng spoke at the right time, “It’s getting late. Let second sister and Ziyue rest early! Let’s not disturb them!” ”

“”Yes, yes, yes. You guys rest early.”Ye Shu nodded. ”

“After Lin Jincheng, Ye Shu, and the others left, ye Sui looked at their backs, his eyes full of speechlessness. “I really didn’t expect rich people to be so stingy!” ”

“Zhou ziyue continued, “Mom, I’m afraid your wishful thinking this time is going to be wrong.” ”

Ye Sui had always wanted ye Shu to pay for her.

But Ye Shu didn’t seem like the kind of person who could be easily manipulated.

“Hearing this, ye Sui snorted coldly. His eyes were full of calculation. “Your Mom, do I look like the kind of person who plans for Nothing?” ”

She wouldn’t come to the capital for nothing.

“Since she was here, she had a way to achieve her goal. ”

“After saying this, ye Sui looked at Zhou Ziyue and continued, “Take a look at how much money is in the red packet.” ”

Zhou Ziyue nodded and opened the red packet.

“”It seems to be 2,888 yuan,”Zhou Ziyue said. ”

“”What? Only 2,000 yuan?”Ye Sui frowned and said meaningfully, “Your uncle-in-law is really generous!” ”

“It was Zhou Ziyue’s first time coming to the Lin family, so she had to give at least tens of thousands of yuan, but Lin Jin city only gave her 2,000 yuan. ”

Two thousand dollars was nothing to Lin Jin Cheng?

It was not even a drop in the ocean.

““She is quite stingy,”Zhou ziyue continued, “People say that the richer people are, the more stingy they are. With their conditions, two thousand dollars is not a lot.” ”

“After saying that, Zhou ziyue continued, “Mom, I remember you said before that you helped aunt, right?” ”

““If I hadn’t lent her that 300 yuan back then, she wouldn’t be the person she is now. But she has forgotten what happened back then in the blink of an eye. What an ingrate!” ”

“Zhou ziyue said, “She must have forgotten what happened back then!” ”

Chapter 2682: 590: Change 1

It was obvious that ye Shu wasn’t someone who knew how to be grateful.

“If ye Shu had known how to repay kindness, things wouldn’t have ended up like this. ”

There was only about two thousand yuan in a red packet.

“Not to mention that ye Sui was ye Shu’s sister, just based on the fact that ye Sui had helped ye Shu before, Ye Shu shouldn’t have neglected ye Sui this much! ”

“The more Zhou Ziyue thought about it, the more she felt that something was wrong. She looked at ye Sui and continued, “Mom, why don’t We Leave?” ”

“Leave?”Ye Sui’s eyes were filled with surprise. “Why?”

She did not come all the way to the capital just to make a trip to the capital.

“Zhou ziyue continued, “It’s obvious that little aunt doesn’t treat you as her sister. There’s no need for us to look for trouble here.” ”

““There’s only 2,000 yuan in a red packet. She thinks she’s trying to get rid of beggars!” ”

They would pay 800 Yuan for a ticket on the high-speed train to Beijing.

“It was 1,600 yuan for the two of them. ”

“What was the use of ye Shu giving them a red packet of 2,800 yuan? ”

““Don’t worry,”ye Sui continued, “Let’s wait and see.” ”

She had all sorts of ways to make ye Shu bleed.

““Mom, it’s obvious that their family looks down on us!”Zhou ziyue continued, “I can’t stand this injustice!” ”

““How can we achieve great things if we don’t suffer?”Ye Sui continued, “Just wait! Soon, our family will be able to buy a villa in Beijing!” ”

“Ye Shu had already eaten meat, yet she was still not allowed to drink some soup?”

What was a villa to ye Shu?

“Zhou ziyue shook her head, “I think you should stop Dreaming.” ”

“”Just wait and see!”Ye Sui continued, “Also, you and Feng Yang should be cut off! Don’t drag your feet, when that time comes, nothing will happen!” ”

“I know...”Zhou Ziyue said.

“”What else can you say besides saying that you know?”Ye Sui poked Zhou Ziyue’s forehead and continued, “Every time I say something, you won’t listen to me. You’ll be the one at a disadvantage!” ”

She really didn’t understand what was so good about Feng Yang that made Zhou Ziyue so loyal!

Zhou Ziyue didn’t say anything.

“From the beginning, she and Feng Yang weren’t playing around. She had already met Feng Yang’s parents. ”

“What she liked was not only Feng Yang, but also Feng Yang’s family. ”

“Feng Yang’s mother was a high school teacher, and his father was a middle school teacher. He could be considered to be from a scholarly family. Moreover, Feng Yang’s mother liked her very much. As long as she went, no matter how busy Feng Yang’s mother was, she would always prepare a big table of food. ”

The Little Sisters beside Zhou Ziyue were all very envious of Zhou Ziyue.

“Ye Sui did not want to say anything else, but he could not help but say, “Feng Yang, that poor boy, apart from giving you a stable life, he can’t give you anything else!” ”

A stable life.

These five words were a little stimulating to Zhou Ziyue.

She suddenly thought of her junior high school deskmate.

“Getting married, having children. ”

These six words were the current situation of Zhou Ziyue’s deskmate.

“Ye Sui continued, “Mother Feng Yang is still young. There are still more than ten years before she retires! “If you marry Feng Yang, once you have children, then you will be a complete housewife! “Once a woman deviates from society, then there will be no meaning to her existence!” ”

“At this point., ye Sui continued, “Look at Bai Jingshu. After she marries into the Lin family, she’ll become a rich lady! She just had a full moon child, and she’s already hired two! Can the Feng family hire a wife for you? When the time comes, you’ll be a wife yourself! “If Feng Yang is an honest man, then forget it. But if Feng Yang were to cause any trouble outside, what would you do?” ”

“Hearing this, Zhou Ziyue bit her lips. ”

“Ye Sui continued, “Anyway, I’ve told you everything I need to say. Think it over yourself. Don’t blame me for not explaining myself to you!” ”

“”Mom, please stop talking!” ”

“Zhou Ziyue couldn’t take it anymore. Her heart was getting more and more panicked. She didn’t want to live like her deskmate, but she liked Feng Yang very much. ”

“Right now, she was feeling very conflicted and uncomfortable.”

Ye Sui looked at Zhou Ziyue. “It’s up to you. I Can’t be bothered with you anymore!”

“After saying that, ye Sui added, “Right, whether you want to break up with Feng Yang or not, remember to build a good relationship with Bai Jingshu.” ”

She had observed that Bai Jingshu had quite a high status in the Lin family.

“Moreover, Lin Ze was the only boy in the Lin family. In the future, Bai Jingshu would be the mistress of the Lin family. If Zhou Ziyue could build a good relationship with Bai Jingshu, there would only be benefits and no harm. ”

“Okay.”Zhou Ziyue nodded.

On the other side.

In Lin Ze’s room.

“Bai Jingshu was carrying the child. As she fed her, she asked curiously, “What’s going on with second aunt? Didn’t you say that Grandma only has one daughter?” ”

“Lin Ze said, “She and my mom aren’t Biological Sisters.” ”

“Not Biological Sisters?”Bai Jingshu was even more curious. “Then what’s going on?”

“Lin Ze said, “She’s the older sister of Mom’s adoptive parents.” ”

“Bai Jingshu had heard about ye Shu before. She nodded and said, “I see. Her surname is ye too. I thought that she and mom were Biological Sisters!” ”

Lin Ze nodded. "The family that adopted mom back then had the surname Ye."

"After saying that, Lin Ze seemed to have thought of something and continued, "That mother and daughter pair aren't easy to deal with. Try not to interact with them too much." "

"Even though he hadn't interacted with ye Sui much, Lin Ze could tell that ye Sui was definitely not a good person. "

"The mother and daughter pair had to be aware of fame and fortune, especially when ye Sui asked Lin Ze to introduce a boyfriend to Zhou Ziyue. "

Some people could tell the truth with just a few words.

Bai Jingshu was too naive. Lin Ze was afraid that she would be used by the two of them.

"Then why did mom take them in?" Bai Jingshu asked.

"Lin Ze continued, "It seems like mom and dad are returning her a favor." "

"Lin Ze didn't want to interfere with the matters of the previous generation. Besides, it was a fact that ye Sui had helped ye Shu before. If he didn't let ye Shu return the favor, Ye Shu wouldn't feel at ease either. "

"Bai Jingshu nodded. "Okay, I got it." "

"After saying that, Bai Jingshu continued, "How long will they stay here? I don't think they want to go back anytime soon." "

Lin Ze frowned.

He had always hated dealing with such things.

“I’ll Ask Mom Tomorrow,” Lin Ze said. ”

“You should.”

The next morning.

“Bai Jingshu was taking a stroll in the garden with the child in her arms. As she carried the child, she spoke to the child. “Tiezhu, Tiezhu, do you think the flowers in the garden are pretty?” ”

“Tiezhu was only a month old, so he had no idea what Bai Jingshu was talking about. He just stared at Bai Jingshu with wide eyes. ”

“At this moment, Little Tiezhu, who had been quiet, suddenly burst into tears. ”

“What’s wrong? What’s Wrong?” Bai Jingshu immediately carried the child and began to sway him. “Are You Hungry?”

The child did not drink the milk even after being fed. He was crying very hard.

“At this moment, a gentle female voice suddenly appeared by the side. “Let me do it.” ”

“Before Bai Jingshu could react, the child in her hand was carried away by someone. ”

“Don’t Cry, Don’t cry. The baby doesn’t cry anymore.” The other party only coaxed the child a few times. The child, who was crying very hard, stopped crying instantly. ”

Bai Jingshu was extremely surprised. Only then did she realize that the person carrying the child was Zhou Ziyue.

“Ziyue.”

“Zhou Ziyue looked at Bai Jingshu with a smile and continued, “Newborns usually have intestinal cramps. If you carry him like this and Pat Him Gently, he won’t cry anymore.” ”

“Really?” Bai Jingshu asked.

“”Yeah.” Zhou ziyue smiled and said, “You try it.” ”

“Okay.” Bai Jingshu nodded and reached out to take the baby.

“Zhou Ziyue guided her from the side. “Yes, yes, yes. This way, and then this way.” ”

“You Really Won’t cry anymore.” Bai Jingshu looked at Zhou Ziyue with joy in her eyes.

“Chapter 2683: 591: if it wasn’t for me back then, you wouldn’t be what you are now”

“Zhou ziyue continued, “If the baby cries again next time, you can try this method.””

“”Okay.” Bai Jingshu nodded and asked curiously, “Ziyue, how do you know so much?””

“Zhou ziyue, an unmarried little girl, actually knew something that even her child’s mother didn’t know. This was too rare.”

“Zhou ziyue explained, “When I was in college, I studied neonatal care, so I know a little about it.””

“I see.” Bai Jingshu continued, “So What do you do now?”

“I’m a kindergarten teacher,” Zhou Ziyue replied.

“Bai Jingshu smiled and said, “No wonder.””

“Zhou Ziyue maintained a faint smile on her face and said, “Why don’t we add each other on wechat? If you encounter any problems in the future, you can look for me.””

“Okay.” Bai Jingshu nodded and took out her phone. “I’ll scan you.”

“Zhou ziyue said, “It’s not convenient for you to carry the baby. Let me do it.””

“Okay.” Bai Jingshu pulled out her QR code.

Di —

The sound of a notification indicating that they had successfully added each other as friends rang out.

“After adding Bai Jingshu on wechat, Zhou Ziyue was surprised to discover that Bai Jingshu was a writer. “Are you a writer?””

Bai Jingshu nodded.

“This was the first time Zhou Ziyue had met a writer in real life. She smiled and said, “So writers are so beautiful. I thought writers were the kind of otaku girls who wear thick glasses.””

“Bai Jingshu said, “I was indeed short-sighted before, but I corrected it later.””

“Zhou ziyue continued, “I really like your ‘The Great Ming Dynasty’. Can you give me an autograph?””

“Sure.” Bai Jingshu nodded.

Zhou Ziyue took out her hand again. “Let’s take a photo together. This is my first time successfully chasing after a celebrity!”

“Okay.” Bai Jingshu nodded.

“Zhou Ziyue took a few photos and asked, “Can I post it on wechat? Use the photo we took just now.””

“Sure.”

“After a short period of time together, Bai Jingshu realized that she and Zhou Ziyue got along quite well.”

“At the very least, Zhou Ziyue was a person who knew her limits and knew how to advance and retreat.”

“If it was anyone else, they probably wouldn’t ask for her opinion like Zhou Ziyue did.”

Zhou Ziyue edited a friend circle and posted it.

[I didn’t expect that the author of ‘The Great Ming Dynasty’ was actually my cousin and sister-in-law! I can be considered to have succeeded in chasing after celebrities!]

“‘The Great Ming Dynasty’ was a very popular novel. After it was adapted into an IP, it became even more popular in China.”

“After Zhou Ziyue posted it on her wechat moments, it immediately attracted a crowd of people to watch.”

“In less than ten minutes, the comments on her wechat moments had increased to fifty.”

“Wow Wow Wow! I really like the author, Da Da!”

“Can you help me get an autograph book?”

“Oh my God! I didn’t expect the author of the Great Ming dynasty to be related to you!”

“I’m so envious!”

“I want to have a cousin like her too. Forget it... My Cousin doesn’t deserve her!”

“...”

“Looking at the comments of the crowd, Zhou Ziyue’s brows unconsciously curved up. This was the first time she felt the feeling of being chased by others.”

It was... not bad.

“However, Zhou Ziyue did not indulge in this feeling. She quickly put away her phone and looked at Bai Jingshu. “Jingshu, you’re really talented!””

“Bai Jingshu smiled and said, “I can’t say that I’m very talented. I just like history better than ordinary people.””

“Nowadays, many novels and TV series on the market were changing history.”

Bai Jingshu’s greatest success was that she was restoring history.

What she presented in front of everyone was the true Ming dynasty.

“Even if it was just a small detail, she would have to ponder over it for a long time.”

“Zhou ziyue continued, “You’re too modest.””

Bai Jingshu smiled.

...

“Before long, Zhou Ziyue looked at the time and said, “Jingshu, it’s time for me to go out with my mom and the others.””

““Okay, you go ahead,” Bai Jingshu said.”

Zhou Ziyue turned around and left.

Ye Shu and ye Sui were already in Zhou Ziyue.

“Lin Jincheng was also there. He looked at ye Shu and said, “It’s not easy for second sister and the others to come to the capital. Bring them to have fun.””

Ye Shu nodded. “I know.”

“Ye Sui continued, “I didn’t come here often in the past, but now I Have Little Shu!””

“In the future, the capital would also become her second hometown.”

“Lin Jincheng added, “You two sisters can indeed walk around more often when you have nothing to do.””

“After saying that, Lin Jincheng looked at Ye Shu. “Where are you planning to go today?””

“Ye Shu said, “I’m going to Tonggong Alley first, then to the Great Wall.””

“Okay.” Lin Jincheng nodded.

“After saying that, ye Shu said, “Second sister, if you’re not in a hurry to go home, we can still go to Fu Hai the day after tomorrow.””

Fu Hai was one of the capital’s most unique attractions.

“However, due to the large number of visitors, in order to maintain the attraction, it was only open to the public on Wednesdays and Fridays.”

“Ye Sui smiled and said, “No rush, no rush. Xiao Shu, to tell you the truth, we are here to settle down in the capital. You and brother-in-law are both capable people. We will leave the matter of settling down and buying a house to you!””

““Settling down in the capital?” Ye Shu said, “That is not a small matter! Have you discussed it with brother-in-law?””

““He’s more than happy to settle down in the capital!”! “What’s there to discuss!” Ye Sui continued, “Little Shu, it’s only because of you and brother-in-law that your brother-in-law and I dare to dream of settling down! Otherwise, we’ll be cooped up in that small place, yunjing, for the rest of our lives! Ziyue, quickly come and thank your aunt!””

“Thank...”

Zhang Ziyue was about to say something when Lin Ze walked over from the side. “Don’t be in a hurry to say thank you.”

““Ah Ze, what do you mean?” Ye Sui looked at Lin Ze.”

“Lin Ze continued, “You grew up with my mother, and you’re a few years older than her, so I respectfully address you as second aunt. “As the saying goes, people have to move on. So, I don’t want to pursue the things that happened to my mother anymore, but you can’t climb up the ladder!””

Ye Sui was stunned.

She didn’t expect Lin Ze to say such a thing so bluntly.

He really didn’t have any upbringing.

“He was just a junior, what right did he have to criticize her in front of her!”

She didn’t know how ye Shu taught him!

“But at this moment, ye Sui could only keep a straight face, she smiled and said, “Ah Ze, did you misunderstand something? Your mother and I, we are Biological Sisters! “What do you mean by growing up together? We are more than just fated to grow up together!”! “As the saying goes, blood is thicker than water. Blood-related sisters should help each other out!””

“Ye Sui paused and continued, “Actually, I was just casually mentioning the matter of settling down. If you guys are really in a difficult situation, then forget it.””

“Lin Ze wanted to say something else, but ye Shu held his wrist. “Forget it, forget it.””

“Many things had happened over the years, and Ye Shu suddenly understood that life was just a show”

“On this stage, there would be good people and bad people, and there would also be people like ye Sui.”

“” Anyway, she still has to go back.””

“Since ye Shu had spoken, Lin Ze couldn’t say anything more. He just said, “Settling down depends on the policies of the capital. It’s not like my mom can settle down just because she says so.””

“Lin Jincheng also said at this moment, “Alright, Little Shu, quickly bring second sister and Ziyue out.””

“Okay.”Ye Shu nodded. “Let’s go.”

“Ye Sui felt very uncomfortable, but he could not say anything else. He left with Ye Shu.”

Beijing was much more prosperous than Yun Jing.

The traffic was naturally very congested.

“Ye Sui sat in the back seat. “Little Shu, I saw on the television that rich people always fly helicopters when they go out! It’s so congested when they drive!””

“”SIS, that’s just what the television said,”ye Shu said. “You also have to follow many rules when you fly a helicopter. You Can’t just fly it whenever you want.””

“Ye Sui said with some dissatisfaction, “I think you just don’t want to sit for me.””

Ye Sui understood ye Shu too well.

She was timid and afraid of trouble.

“She was no longer in the Lin family, but no one would speak up for ye Shu.”

“Ye Shu said, “You can think whatever you want.””

“”Little Shu!”Hearing this, Ye Sui looked at Ye Shu in surprise. “How did you become like this now!””

The Ye Shu in the past was not like this.

“If it was in the past, Ye Shu would definitely bring her to the helicopter immediately.”

“Ye Shu looked at ye Sui. “People change. Moreover, there is a limit to how much a person can endure.””

Ye Sui was stunned.

Zhou Ziyue was also stunned because her impression of her aunt was the same as ye Sui’s.

“It seemed that ye Shu, who had become a rich lady, had really changed a lot.”

“Ye Sui quickly reacted and said with a smile, “Little Shu, what are you talking about! We Are Biological Sisters! As a sister, you have become rich. Can’t you help a sister like me?””

“Speaking of this, ye Sui paused and said, “Back then, when you were in trouble, I gave you all the money I had! If it weren’t for me, would I have the current you?””

Chapter 2684: 592: Calculation 1

Ye Sui was really angry. She didn’t expect ye Shu to become like this.

““If I knew you didn’t care about sisterhood, I wouldn’t have lent you the 300 yuan back then!”Ye Sui said angrily. ”

““Didn’t I return the 300 Yuan back then?”Ye Shu turned her head slightly and continued, “If I remember correctly, I still returned it to you with interest.” ”

She borrowed 300 yuan and returned 400 yuan.

“After so many years, ye Shu had gotten used to many things. A person’s life was actually very short. There was no need to dwell on some things. ”

“If she hadn’t gotten used to these things, Ye Shu would never have recognized ye Sui as her sister. ”

“Ye Sui was stunned for a moment and then said, “It’s been so many years. It’s hard for you to still remember so clearly.”Didn’t she just ask for a little more interest? Wasn’t it normal to lend money for interest? ”

“Ye Shu smiled at Ye Sui. “If you didn’t mention it, I would have already forgotten.” ”

“Seeing that the topic was becoming more and more stiff, Zhou Ziyue opened her mouth at this time, “Aunty, actually, all these years, my mother has been thinking about you a lot. “Indeed, we shouldn’t have asked for interest on the three hundred Yuan back then. After all, we were family, but those days weren’t easy. My mother was also anxious and confused. Later on, my mother also regretted it very much. She kept saying in front of us that we shouldn’t have charged you interest.” ”

“Ye Sui immediately added, “Right, right, right. Ziyue is very right! Little Shu, I’ve been regretting it all these years. I wanted to apologize to you, but I couldn’t bring myself to do it!” ”

Ye Shu’s expression didn’t change much. “I don’t want to fuss about the past anymore.”

““Yes, yes, yes, Little Shu. I know that your tolerance has always been the greatest!”Ye Sui smiled apologetically. ”

Ye Shu was indeed different.

It seemed that Zhou Ziyue was right. It was really too difficult to hold ye Shu firmly.

“In the car, ye Sui and Zhou Ziyue, the mother and daughter, quietly exchanged glances.”

“After blocking the car for half an hour, they finally arrived at the scenic spot.”

“Ye Shu got out of the car and said to the driver, “Little Liu, go buy the tickets first.””

““Yes, Madam.””

Ye Shu brought ye Sui and Zhou Ziyue to the VIP room of the scenic spot’s ticket office.

“As soon as the three of them entered, a waiter welcomed them warmly.”

“Mrs. Lin.”

Ye Shu smiled.

“The waiter continued, “What would you like to drink, Mrs. Lin?””

““Orange juice will do,”ye Shu said”

The waiter looked at Zhou Ziyue and ye Sui. “What would you like to drink?”

Ye Sui straightened his back and imitated ye Sui. “We’ll have orange juice as well.”

““Okay, please wait a moment.””

The waiter then walked out.

“Ye Sui was filled with emotions. He lowered his voice and said to Zhou ziyue beside him, “See? Rich people don’t even have to queue when they go out for travel.” ”

Zhou Ziyue didn’t say anything.

“Ye Sui said again, “If you were with Feng Yang, would you be able to enjoy such treatment?” ”

Feng Yang was just a very ordinary person.

“”Mom, why don’t you leave Feng Yang at all times?”Zhou Ziyue asked. ”

“Ye Sui said, “I’m just afraid that you’ll go down the wrong path and have nowhere to regret.” ”

Zhou Ziyue pursed her lips and didn’t say anything.

...

On the other side.

Bai Jingshu hugged the child to sleep.

Lin Ze changed his clothes and walked out of the changing room. “The baby is very obedient today.”

“Bai Jingshu nodded and continued, “Ziyue taught me a few things about newborns. After I did as she said, the baby became much more obedient.” ”

“Zhou Ziyue?” Lin Ze asked.

“Yes.”

Lin Ze frowned slightly. “Don’t interact with her.”

Bai Jingshu was too simple-minded and did not plan anything. Meeting someone like Zhou Ziyue was enough to make her suffer.

“Bai Jingshu recalled how she had interacted with Zhou Ziyue this morning and continued, “I feel that Ziyue is not as bad as you say.” ”

How could a person with a bad personality be so gentle to a child?

“In Zhou Ziyue’s eyes, Bai Jingshu saw not only gentleness but also patience. ”

“Speaking up to this point, Bai Jingshu continued, “Perhaps there’s something wrong with her mother and it has nothing to do with her. Besides, you haven’t interacted much with Ziyue, so how do you know who she is?” ”

“Lin Ze said, “Zhou Ziyue seems to be much more scheming than her mother.” ”

Bai Jingshu smiled. “I know you’re concerned about me. Don’t worry. I know what I’m doing.”

Bai Jingshu had experienced many things and grown up. She also believed in her own judgment of people.

““But people say that being pregnant is silly for three years. You’re already starting to look silly. I’m a little worried,”Lin ze said half-jokingly. ”

“F * ck you!”Bai Jingshu grabbed a pillow and threw it at Lin Ze.

Lin Ze dodged nimbly.

“I’m going to the office first,” Lin Ze continued. ”

“Go.”

“Lin Ze continued, “Be wary of Zhou Ziyue.” ”

“Bai Jingshu nodded. “I know, I know!” ”

“Lin Ze walked over and kissed the child in Bai Jingshu’s arms. “Little guy, Don’t Disturb Mommy, okay? Be Obedient!” ”

“After saying that, Lin ze instructed, “Don’t hold him for too long. Just let sister Fang and sister Yue take care of him.” ”

Sister Fang and sister Yue were both sister-in-law in the family. They were usually responsible for taking care of the two children.

“Okay.”

“Then I’ll be leaving first.”

“Bai Jingshu smiled and said, “If you don’t leave now, it’ll be dark soon!” ”

“Okay, okay, okay. I’ll leave now.” ”

Lin Ze turned around and left.

“On the other side, Ye Shu brought ye Sui and Zhou Ziyue to tour the scenic spots around them.” ”

Ye Sui bought a lot of souvenirs.

“Naturally, Ye Shu was the one who paid for them.”

“Although the souvenirs were all small things, they still cost tens of thousands of yuan.”

“If it were any other time, ye Sui wouldn’t dare to spend so much.”

“Ye Sui looked at Ye Shu and narrowed his eyes. He glanced around and saw the jewelry shop in front, he smiled and said, “There’s a jewelry store in front! Ziyue, haven’t you always wanted a necklace? Come, let’s go in and have a look!” ”

“Okay.”Zhou Ziyue nodded.

The group entered the jewelry store.

The shop assistant saw that ye Shu was not a simple person and immediately welcomed her warmly.

“Do you want to buy jewelry?”

“Yes.”Ye Sui nodded. “It’s worn by young girls. Can you recommend it?”

“”This way, please.” ”

“As soon as he arrived at the counter, ye Sui had his eyes on a gold bracelet.”

“”Let me take a look at that one,”ye Sui said.”

“Okay.”The shop assistant picked up the bracelet and handed it to ye Sui.

Ye Sui took the bracelet and looked at the label. It weighed 68 grams. It was the heaviest bracelet in the shop.

“According to the current price of gold, this bracelet cost more than 30,000 yuan.”

“Ziyue, what do you think of this bracelet?” Ye Sui asked.

“Zhou Ziyue wanted to say ‘too vulgar’, but she didn’t say it in the end. Although gold was tacky, it was valuable.”

“I like it.” Zhou Ziyue nodded.

“Ye Shu said from the side, “If you like it, then buy it.” ”

“The shop assistant immediately said, “Then I’ll help you put it away. Which one do you like?” ”

“This ring is not bad.” Ye Sui immediately took a fancy to the largest ring.

“And this earring is also not bad.”

“...”

“Seeing that ye Shu had no intention of stopping him, ye Sui chose the gold worth more than 100,000.”

Ye Shu went over to pay.

“On the way back, the smile on ye Sui’s face never disappeared.”

“When they reached the guest room, ye Sui immediately took out all the trophies from today. “Ziyue, come and take a look. These things will be ours from now on!” ”

“Zhou ziyue said, “These things are nothing to Aunty.” ”

“”That’s true.”The smile on ye Sui’s face quickly disappeared. He continued, “We’ll go shopping tomorrow, but we won’t go to the jewelry store tomorrow. We’ll go directly to buy a villa.” ”

The reason why ye Sui bought so many things today was to test ye Shu.

“In the end, she was very satisfied. ”

“Zhou ziyue said worriedly, “We’ll go tomorrow? What if she doesn’t pay us?” ”

“”She won’t! Don’t Worry!”Ye Sui continued, “She paid for the things that cost more than 100,000 yuan today. She will definitely pay tomorrow!” ”

Zhou Ziyue nodded. “Okay.”

“Ye Sui looked at Zhou Ziyue and continued, “From now on, we’ll be people from the capital!” ”

“She had thought about it. If she wanted to establish herself in the capital, she couldn’t just have a villa. She had to have a career. ”

“Send a message to libang and ask him to come over.”

“Now?”Zhou Ziyue asked in surprise.

“”Yes, now.”Ye Sui nodded. “Anyway, he has nothing to do at home. Ask your aunt to arrange a job for him and make him a CEO.” ”

“The Lin family was powerful and the Lin Corporation was so big. Zhou libang could just come over and be a boss. When that time came, Zhou Libang would be dating a rich second-generation girlfriend and get married. Then, he would be a superior person in the future! ”

“Zhou ziyue continued, “It’s not good to ask Libang to come over now, right? Why don’t we wait for the villa to be arranged before I ask him to come over?” ”

Ye Sui hesitated for a moment and then nodded. “That’s fine too.”

“After all, buying the villa was only a matter of tomorrow. ”

Chapter 2685: 593: worrying over nothing

Ye Sui was determined to buy the villa.

“After all, Ye Shu bought more than 100,000 yuan worth of jewelry for her today without even blinking. This meant that ye Shu had tacitly agreed to her spending. ”

The villa in the capital was only 100 million yuan.

100 million yuan was nothing to ye Shu?

It was not even a drop in the ocean.

“Most importantly, Ye Shu was her sister. She was ye Shu’s sister. ”

So what if her sister bought a house and asked her sister to pay for it?

This was a matter of course.

“Ye Sui continued, “When the time comes, let your father see if he has the ability or if I have the ability!” ”

“When she first came, her husband had a look of disapproval. ”

“After all, ye Sui’s previous actions did not leave a good impression on ye Shu. He was afraid that ye Shu would ignore ye Sui. ”

“This was also the reason why their son, Zhou Libang, did not follow them. ”

“Women suffered a little when they were wronged, but Zhou Libang was their son! He was the root of the Zhou family! ”

“Zhou Ziyue glanced at ye Sui and then said, “Mom, don’t be happy too early.” ”

Ye Sui snorted. “Just see if I’m happy too early or if you’re worrying over nothing!”

“Zhou Ziyue didn’t say anything else and continued, “I’m going back to my room to rest.” ”

““Go ahead.”Ye sui nodded and reminded, “Remember to chat with Bai Jingshu more often.” ”

“Okay.”Zhou Ziyue nodded and turned to leave.

Zhou Ziyue was very tired today.

Physically and mentally exhausted.

“After returning to her room, Zhou Ziyue had just laid down on the bed when her cell phone rang.”

Zhou Ziyue took out her cell phone to take a look. It was a video call from Feng Yang.

“At this moment, Zhou Ziyue suddenly resisted this call, but she still picked it up. ”

“The next second, Zhou Ziyue’s face was filled with smiles. ”

“Feng Yang.”

“Feng Yang’s handsome face appeared on the other end of the screen. “Ziyue, where did you guys go to play today?” ”

“Hearing this, Zhou Ziyue’s heart was even more resistant. ”

What did Feng Yang mean by this?

To investigate her whereabouts.

“Zhou ziyue said, “We went to a nearby scenic spot to play today.” ”

“How was it? Was it fun in the capital?”Feng Yang asked.

““It was alright,”Zhou Ziyue said. ”

Feng Yang asked some irrelevant questions.

“Zhou ziyue became more and more impatient. She continued, “I ran outside for a whole day today. I’m so tired now. I’m going to sleep for a while. You should sleep early too. Don’t stay up late at night.” ”

“Okay.” Feng Yang nodded. “I know. Go to sleep then.”

“After ending the video call, Zhou Ziyue let out a deep sigh.”

What should she do now?

Should she break up with him?

She didn't know.

She wasn't willing to not break up with him. She wasn't willing to live an ordinary life.

“But if she broke up with him, she was afraid that she would regret it. She would regret missing out on such an outstanding man like Feng Yang.”

“After all, her friends were very envious of her when she was with Feng Yang.”

Du Du du —

“At this moment, there was a knock on the door.”

“Zhou Ziyue immediately got up from the bed, tidied up her hair, and walked over to open the door.”

The door opened and the nanny of the Lin family stood outside.

“Hello,” Zhou Ziyue took the initiative to say.

“The nanny smiled and said, “Miss Zhou, Young Madam invites you over for some fruit.” ”

This young madam was naturally referring to Bai Jingshu.

Zhou Ziyue nodded. "Alright."

"After all, this was a rare opportunity to interact with Bai Jingshu. "

"Bai Jingshu's place was quite a distance away from the guest room, and they had to go through the garden to reach it. "

"Because Bai Jingshu loved flowers and plants, ye Shu had specially chosen the bridal room near the garden when they were renovating the bridal room. Therefore, as long as Bai Jingshu pushed open the window, she would be able to see all sorts of flowers, if it was a windy morning, she would be able to smell the fragrance of flowers. "

"Zhou Ziyue silently sized up the garden. Although this was not her first time here, every time she came, she would be extremely surprised and sigh at the Lin family's financial resources. "

It was really good to have money.

"As long as it was something she could think of, she could use money to solve it. "

"Soon, the nanny brought Zhou Ziyue to Bai Jingshu's courtyard. "

"Young Madam, Miss Zhou is here." "

"Ziyue is here."

"Bai Jingshu was busy cutting fruits. "Sit down, sit down." "

"After saying that, Bai Jingshu looked at Zhou Ziyue and asked, "Ziyue, what fruits do you like to eat?" "

“Other than the usual apples and bananas, there was also a pile of fruits that Zhou Ziyue had never seen before.”

“Bai Jingshu picked up a bunch of fruits that looked like longan. “Ziyue, you can try this dragon palace fruit later. It’s very good. And this, this is a harvest fruit...” ”

“Okay.”Zhou Ziyue nodded.

The two of them chatted while eating the fruits.

“Zhou Ziyue looked around and continued, “Where’s the baby?” ”

“Bai Jingshu said, “Sister-in-law is taking him with her.” ”

“The small iron pillar was too annoying and needed someone to carry it around. Sometimes, when Bai Jingshu’s arm got sore, she would ask sister-in-law to take it with her. ”

“OH.”Zhou Ziyue nodded.

“At that moment, Bai Jingshu seemed to have thought of something and said, “Right, ziyue, I have something to give you.” ”

Zhou Ziyue was stunned.

Bai Jingshu took out a jewelry box. “Open it and take a look.”

“Zhou Ziyue refused. “No, no, no. Jingshu, I can’t accept your gift.” ”

“She had only known Bai Jingshu for a short while. If she accepted Bai Jingshu’s gift now, she would definitely leave a bad impression on Bai Jingshu. ”

“Bai Jingshu smiled and said, “It’s fine. You can keep it. I bought it especially for you.” ”

“Zhou Ziyue still refused. “Jingshu, I came in a hurry and didn’t prepare a gift for the baby. I really can’t accept it.” ”

Bai Jingshu stuffed the gift into Zhou Ziyue’s hands. “Take it. I hope you’ll like it.”

How should she put it.

“Although Lin Ze had already instructed Bai Jingshu to take Zhou Ziyue’s place, Bai Jingshu still felt that Bai Jingshu was a friend worth befriending. ”

“At least, she didn’t see any schemes or other things in Zhou Ziyue’s eyes. ”

“Seeing that she couldn’t refuse, Zhou Ziyue had no choice but to accept it. She looked up at Bai Jingshu and said, “Thank you.” ”

““You’re welcome.” Bai Jingshu smiled and said, “We’re all relatives.” ”

“After saying that, Bai Jingshu said again, “I heard that you guys want to buy a house in the capital, right?” ”

Zhou Ziyue nodded. “That’s what my mom is planning.”

“Bai Jingshu said, “Then we can go out more in the future.” ”

“Sure.” Zhou Ziyue did not expect that she would get along with Bai Jingshu so quickly. Everything was much simpler and smoother than she had imagined.

It was already an hour later when they returned from Bai Jingshu's room.

"Zhou Ziyue endured the urge to not open the gift box on the way back. After she returned, she immediately opened it."

"As soon as she opened it, Zhou Ziyue's face was filled with surprise."

Inside the gift box was an open-mouthed bracelet from a famous luxury brand.

"Bai Jingshu knew how to earn money, but she also knew how to spend money. She had no concept of money. Just this one bracelet was enough to compete with the gold jewelry that ye Sui had bought this afternoon."

"A rich lady was a rich lady, and her first gift was six figures."

"Zhou Ziyue held the bracelet, and her expression was unclear."

"When would she become like Bai Jingshu, who gave people gifts that were as high as six figures?"

"Obviously, Feng Yang would not be able to fulfill her wish."

On her own?

Impossible!

"Her monthly salary was less than ten thousand Yuan, and she had to work for more than a year to buy a bracelet. This was even when she was frugal."

Perhaps it was really time to break up.

“Just then, there was a knock on the door. ”

Zhou Ziyue stood up and went to open the door.

The person standing outside the door was none other than ye Sui.

“Mom.”Zhou Ziyue opened the door.

“Ye Sui walked inside, closed the door, and said impatiently, “I heard that Bai Jingshu looked for you?” ”

“Yes.”Zhou Ziyue nodded.

“Ye Sui continued to ask, “Why did she look for you?” ”

Zhou Ziyue took out the bracelet. “She gave me this.”

“The bracelet looked very nice and had a strong design. Unfortunately, ye Sui only knew about gold and did not know about luxury items. He frowned slightly and said, “She gave you this thing?” ”

She was trying to trick a child!

She was really stingy!

Zhou Ziyue looked at ye Sui. “Do you know what brand this is?”

“What brand?”

“Dr.”

“OH.”Ye Sui’s reaction was very calm.

“Zhou ziyue continued, “Why don’t you ask about the price?” ”

“It’s obviously not something from before. What’s there to ask?”Ye Sui said.

“Zhou Ziyue chuckled. “Mom, you’re wrong! This bracelet is even more valuable than the gold jewelry you bought this afternoon.” ”

“What did you say?”Ye Sui widened his eyes.

“Zhou ziyue said, “This is a luxury item. It’s worth 130,000 yuan.” ”

““That’s it?”Ye Sui said in disbelief, “Don’t be fooled by Bai Jingshu!” ”

“She couldn’t tell that such a small thing was worth 130,000 yuan. ”

““It’s clearly priced. She can’t Fool Me,”Zhou Ziyue said. ”

Ye Sui gulped and looked at Zhou Ziyue. “Is it really that valuable?”

““Yes,”Zhou Ziyue nodded. ”

““Tsk,”ye Sui continued, “This rich person is really different. He’s selling bracelets worth more than 100,000 yuan.” ”

Zhou Ziyue sighed. “Who says so!”

“Life was really unfair. Some people were born to stand at the top of the pyramid, but some people were still struggling for food and clothing at the bottom!”

“Ye Sui looked at Zhou Ziyue. “So, you haven’t thought about it yet?” ”

“Hearing that, Zhou Ziyue wanted to say something, but in the end, she didn’t say it out loud. She just said, “We’ll talk about it later.” ”

She was also very annoyed now.

“In the blink of an eye, the next day arrived. ”

Ye Shu was still leading ye Sui and Zhou Ziyue to play around the capital.

“Ye Sui had already planned the route. “Little Shu, I want to see the house today. Why don’t we pass by the sales office on our way back and take a look?” ”

Chapter 2686: 594: just buy a villa

Ye Shu nodded. “Sure.”

“After saying that, Ye Shu continued to ask, “SIS, what kind of house are you planning to buy?” ”

“Ye Sui smiled and said, “It doesn’t need to be too good. Just buy a villa.” ”

Just buy a villa.

“If outsiders heard this, they would think that ye Sui was some billionaire! ”

“The capital was not like other places. A random villa would cost tens of millions, hundreds of millions. ”

“Ye Shu continued, “Are you guys done packing? If you’re done packing, you can set off now.” ”

““Let’s go, let’s go.”Ye Sui was full of smiles and was pleased with himself. ”

“After saying that, ye Sui looked at Zhou Ziyue behind him and urged, “Ziyue, what are you doing? Let’s Go!” ”

““I’m Coming, I’m Coming.”Zhou Ziyue immediately followed the two of them. ”

They walked out of the door.

The sun was very high today.

“Ye Shu walked in front. Ye Sui saw that ye Shu didn’t sweat at all and asked curiously, “Little Shu, aren’t You Hot?” ”

““I’m fine,”ye Shu answered. ”

“Zhou ziyue continued, “Is aunt wearing an air-conditioned jacket?” ”

Air-conditioned clothes!

“Upon hearing this term, ye Sui’s eyes instantly lit up. ”

“Although air-conditioned clothes were popular now and the price was not very expensive, there were too many people who needed them. Every time they were released, the normal version would be snapped up by others. The remaining ones were all high-end ones. ”

High-end ones were too expensive and ordinary people could not afford them.

Ye Shu nodded. "Yes."

"Ye Sui continued, "Little Shu, where did you buy your air-conditioning clothes?" "

"On the official website," ye Shu said. "

"Ye Sui continued, "Actually, we've wanted to buy this air-conditioning clothes for a long time, but we haven't been able to get them..." "

The meaning of this sentence was very obvious.

"Ye Shu knew what she meant and continued, "I just happen to have two pieces that haven't been worn yet. I'll go back and get them for you later." "

"Their figures were about the same, so she could wear the clothes that ye Shu was wearing. Damn "

"Hearing this, ye Sui smiled and said, "Okay, okay, okay! Since you can't wear them anyway, why don't you give them to me!" "

"As soon as he finished speaking, ye Sui continued, "Then is there anything your burning Jade doesn't Wear?" "

"What's Wrong?"Ye Shu asked.

"Ye Sui said, "Only I have it, but our Ziyue doesn't have it yet! If your burning jade has anything that she doesn't wear, ask her to give two pieces to Ziyue as well." "

“I’ll ask her when I go back.” Ye Shu continued, “Oh right, when do you plan to go back? I’ll get the housekeeper to buy the plane tickets.”

Go Back?

Ye Shu was sending her back just like that?

She was not going back!

“Ye Sui said, “After we settle the matters of the house, we’ll settle down in Beijing.”

“After saying that, ye Sui said again, “Little Shu, is brother-in-law’s company very big?”

“It’s average,” ye Shu said.

“Ye Sui smiled and said, “Little Shu, I’m not an outsider. Is there anything you can’t tell me? I know brother-in-law is very capable.” At this point, ye Sui paused and continued, “Oh right, Little Shu, I want to discuss something with you.”

“Go Ahead,” ye Shu said.

“Ye Sui continued, “I plan to get your brother-in-law and Libang to come over after I buy the villa. After Libang graduated from university, he hasn’t been able to find a good company. I was wondering if you could get brother-in-law to arrange for Libang to enter the company. Just arrange a general position for him.”

Any general position.

Ye Sui said this with ease.

“Ye Shu was already a little impatient. She originally wanted to not argue with ye Sui about the past, but not only did ye Sui not know what was good for him, he even took an inch and took a mile.”

“What university did Libang graduate from?”Ye Shu asked.

“Speaking of this, Ye Sui’s face was full of pride. “Libang graduated from Linhai Vocational and technical school.” ”

Vocational and technical school.

“Ye Shu’s expression didn’t change much. She looked at ye Sui and continued, “The LIN Group’s employees are all at least undergraduates.” ”

Undergraduates?

“Hearing these four words, ye Sui instantly exploded. He continued, “Undergraduates? So what if I’m an undergraduate! Do you still discriminate against academic qualifications? What about yourself? You haven’t even finished junior high school. Do you have the nerve to discriminate against vocational majors?” ”

Ye Shu was really disgusted!

“She didn’t even have any academic qualifications, and she still had the face to despise Zhou Libang! ”

“Besides, so what if he was a vocational major? Couldn’t he be a boss if he was a vocational major? ”

“Ye Sui continued, “I’ve even seen people who haven’t graduated from primary school become a boss! Our family’s libang is still a vocational major after all!”Compared to people who hadn’t even graduated from primary school, Zhou Libang was already very outstanding! Why could people who didn’t graduate from primary school become bosses, but not Zhou Libang? ”

“Moreover, Ye Shu was Zhou Libang’s aunt! ”

“As his aunt, Ye Shu should help Zhou Libang!”

“Ye Shu continued, “People who didn’t graduate from primary school can become bosses. They rely on their own strength.” ”

“Our Libang also has strength!”Ye Sui said.

“Ye Shu looked at ye Sui and asked in return, “His strength is based on connections?” ”

“Ye Sui was stunned for a moment, and then his face was full of a fawning smile, “Little Shu, as the saying goes, to be able to rely on connections is also a kind of strength! Who asked our libang to have a good aunt! Seeing that Libang is your only nephew, you help him! Actually, Libang entering your brother-in-law’s company is also a good thing for you!” ”

“At this point, ye Sui paused, then, he continued, “As the saying goes, a man will change when he has money. With libang around, he can at least help you keep an eye on your brother-in-law and prevent him from messing around outside! “I’m doing this for your own good. If it weren’t for my family, who would treat you so sincerely! “Little Shu, I’m telling you, this shop won’t exist after this!” ”

Ye Shu didn’t know what was good for her!

“If it were anyone else, who would be so kind! ”

Ye Shu looked at ye Sui. “I appreciate your kindness.”

““Little Shu, what do you mean?”Ye Sui looked at Ye Shu, then, he said, “I’m telling you, you’re all here because of your brother-in-law. If one day, your brother-in-law is seduced by a little fairy who is younger than you, you’ll regret it before it’s Too Late!” ”

Ye Shu was now an old woman. What right did she have to compete with a little girl!

“Sister, you worry too much! I know Jin City Better Than You,” ye Shu said. ”

“Ye Sui wanted to say something more, but at that moment, Zhou Ziyue quietly pulled on ye Sui’s sleeve. Ye Sui did not continue. ”

“Anyway, their family was going to settle in the capital. There would be plenty of opportunities like this in the future. ”

“Soon, they arrived at the scenic spot. ”

“Today, ye Sui bought a bunch of tourist souvenirs that she did not have to pay for herself. ”

“On her way back, she passed by the sales office. ”

The few of them walked towards the sales office.

“Ye Sui said generously, “Introduce me to the villa with the best layout on your side.” ”

“When the sales lady saw that ye Sui did not seem to lack money, she immediately smiled and greeted, “Hello, Madam. Please follow me over here.” ”

Ye Sui followed her.

“This was a villa facing the river. The surrounding environment was very good, and it was in the center of the city. It had a total of more than 3,000 square meters. ”

“Ye Sui took a liking to it at a glance. He turned to look at Ye Shu. “Little Shu, what do you think?” ”

“It’s Alright,” ye Shu said. ”

“Seeing that ye Shu nodded, ye Sui said to the sales lady, “Alright, this one then!” ”

“”Alright.”The sales lady smiled and said, “Follow me over here. Would you like to pay in full or as a down payment?” ”

“Of course I’ll pay in full!”Ye Sui said.

In full!

“Hearing this word, the sales lady’s eyes lit up. “Alright, Alright. Follow me over here and sign the contract first.” ”

Ye Sui followed her over.

Ye Shu stayed where she was. “You guys go ahead. I’ll sit here and rest.”

“After the contract was signed, the sales lady took out a credit card machine. “Madam, can I have your bank card?” ”

“Wait a moment.”Ye Sui looked at Zhou Ziyue. “Go and call your aunt over.”

“Okay.”Zhou Ziyue nodded and walked over to call ye Shu.

“When she arrived at the rest area, Ye Shu was no longer there. She only saw her assistant standing there. ”

“Zhou Ziyue immediately ran over and asked, “Where’s my aunt?” ”

“The assistant replied, “She’s too tired, so she went back first. She told me to wait for you guys here.” ”

“Zhou Ziyue nodded. “Alright, then come with me to swipe your card.” ”

“Swipe Your Card?”The assistant was stunned. “Swipe What Card?”

“Zhou ziyue said, “We have to pay.” ”

“These few days, they were the ones buying things in the front while the assistant followed behind to swipe their cards. ”

“The assistant continued, “Are you saying that you want to buy a villa for Madam to swipe her credit card?” ”

“Yes.”Zhou Ziyue nodded as if it was a matter of course.

“The assistant still could not react in time. He took out his phone and said, “Let me ask Madam.” ”

“After saying that, the assistant dialed Ye Shu’s number. After the call was connected, the assistant explained the matter briefly. He did not know what was said on the other end, but the assistant continued, “Alright, I understand.” ”

“After hanging up, Zhou ziyue continued, “Is it alright now?” ”

“The assistant looked at Zhou Ziyue. “Miss Zhou, I’m really sorry. Madam said that she doesn’t have the money to lend you guys for the time being.” ”

“Lend?”Zhou ziyue frowned.

“Yes.”

What was wrong with Ye Shu?

Didn't she want to buy a house for their family?

She was so rich. Could it be that she cared about the money for a small villa?

Chapter 2687: 595: not even as good as Grandma Liu

"Are you mistaken?" Zhou Ziyue asked.

"The assistant shook his head. "That's exactly what Madam said. If you don't believe me, you can call her and ask." "

"Zhou Ziyue narrowed her eyes, her expression unsightly. "

What was going on?

What the hell was going on!

"The house had been taken care of, but ye Shu was not willing to pay. How were they going to deal with the rest of the matter? "

Zhou ziyue came to ye Sui's side with an ugly expression.

Ye Sui was chatting happily with the sales lady.

This was the first time she enjoyed the feeling of being courted by others.

“Ye Sui turned around and saw Zhou Ziyue. He asked curiously, “Where’s your aunt?” ”

“She went to pay first?”

Ye Sui naturally felt that ye Shu would definitely help them pay for the villa.

“Zhou Ziyue did not answer ye Sui directly. Instead, she held ye Sui’s hand and smiled. She looked at the sales lady and said, “Miss, I’m sorry. We still want to take a look. We won’t buy it for the time being.” ”

“After saying that, Zhou Ziyue pulled ye Sui and walked out. ”

“Ye Sui said speechlessly, “Why are you pulling me? Why aren’t you paying? What’s going on? Where’s your aunt?” ”

“Let’s go out first.”

“The sales lady looked at their backs and said in a low voice, “Why are you pretending to be rich if you don’t have money? What Bad Luck!”She laughed for a long time at the side. So she was a poor person! ”

Zhou Ziyue pulled ye Sui out of the door. Ye Sui shook off Zhou Ziyue’s hand. “What’s going on?”

“Zhou ziyue continued, “Mom, Stop Dreaming. She Won’t pay for you!” ”

“Her?”Ye Sui was stunned. “Who? Your Aunt?”

“Yeah.”Zhou Ziyue nodded.

“Ye Sui continued, “Where is she?” ”

“She went back early!” Zhou Ziyue held back the anger in her heart. “She’s so rich herself. So what if she bought us a villa! But Mom, do you know what she said?” ”

“What did she say?” Ye Sui asked.

“Zhou ziyue continued, “She said that she doesn’t have the money to lend us for the time being.” ”

“What!” Ye Sui widened his eyes in excitement.

“Yes, you heard it right, that’s what she said!” Zhou Ziyue couldn’t hold back the anger in her heart in the end, then, she said, “I said that we shouldn’t come to the capital to humiliate ourselves. She didn’t treat us as relatives at all. Now that this has happened, do you think you look good?” ”

“They didn’t mention the matter of borrowing money the entire time, but ye Shu directly said that she didn’t have any money to borrow! ”

What was this?

This was an insult!

“Ye Sui was ye Shu’s biological sister after all, but ye Shu actually treated her like this! ”

She was simply an ingrate.

“Zhou ziyue continued, “Once this person gets rich, he will be ungrateful. Even if I told you, you wouldn’t listen! Now, not only are you insulted, but I’m also insulted!” ”

Zhou Ziyue was very angry now! She had never been so bluntly insulted before.

“Ye Sui also didn’t expect such a thing. She originally thought that when ye Shu paid them the other money, she would pay without hesitation. Wasn’t this just a villa? Ye Shu definitely didn’t take it seriously.”

Who knew!

Who knew that ye Shu would actually care about such a thing!

This was too much!

“”Alright, Alright, don’t be angry anymore.”Ye Sui continued, “I’m still her sister. Don’t worry, she’s just saying it. How about this, let’s go back first. I’ll explain these things to her face to face.” ”

“Zhou ziyue continued, “This kind of person. You want me to break up with Feng Yang and then ask her to introduce me to someone. Do you think she will?” ”

Of course not!

She could finally see that ye Shu was a hypocrite!

She was extremely shameless.

“Let’s go back first.”Ye Sui suppressed the anger in his heart.

Zhou Ziyue did not say anything more and followed ye Sui’s footsteps.

The speed of the car was very fast.

They arrived at Lin Manor in a short while.

“Looking at the huge Lin Manor, Zhou Ziyue and ye Sui felt even more indignant. ”

Why did ye Shu live in such a huge villa and not even buy a small villa for her? !

What did Lin Jincheng see in her?

What right did she have to be the mistress of the Lin Family? !

Ye Sui looked at the maid beside him. “Where’s My Sister?”

“”Madam is resting in her room,”the maid said. ”

Ye Sui did not say anything else and walked straight to Ye Shu’s room.

“She wanted to push the door open and enter, but the door was equipped with an intelligent lock, so strangers couldn’t open it. ”

“Shu! Shu!”Ye Sui reached out and knocked on the door.

“After knocking for a long time, no one opened the door. Ye Sui frowned slightly. “Shu! where is she? Open the door!” ”

“Ye Shu was really too much now. Not only did she not buy her a villa, but now she didn’t even open the door! ”

“”Madam Zhou!”At this moment, a servant walked over from the side. ”

“What’s Wrong?”Ye Sui turned to look at the servant.

“The servant continued, “Are you looking for Madam?” ”

“Yes.”Ye Sui nodded.

“The servant said, “Madam isn’t at home.” ”

Not at home?

“Ye Sui was already very angry. After hearing this, she became even angrier. “Not at home? If she’s not at home, where did she go? Didn’t you guys just tell me that she’s resting at my place?” ”

What did they mean?

Were they playing with her?

Now even a servant could bully her like this?

Ye Sui was very angry!

“The servant continued, “Madam just went out.” ”

Just went out?

How could it be such a coincidence!

“Open the door and let me take a look!”Ye Sui said.

She wanted to see what kind of trick ye Shu was playing!

“The servant said somewhat awkwardly, “Madam did indeed go out.” ”

“Ye Sui said angrily, “Okay! Then I’ll go wait for her in the living room!” ”

“Ye Shu wasn’t out. She was clearly in the bedroom, hiding and not daring to see her. ”

She wanted to see how ye Shu would come to the living room!

“After saying that, ye Sui walked downstairs. ”

“Ye Sui waited in the living room for more than an hour, but he didn’t see her. ”

“Not long after, footsteps came from outside the room. ”

Ye Sui frowned slightly.

Was she really outside?

“A moment later, ye Shu walked in with something in her hands. ”

“Ye Sui smiled. “Little Shu, where did you go?” ”

“Ye Shu said, “I went out to buy some things.” ”

“I see.”

“Ye Shu looked at ye Sui and asked, “Did you need something from me?” ”

Now she didn’t even call him sister anymore!

“Ye Sui suppressed the anger in his heart and continued, “Little Shu, you were at the sales office just now. Why did you suddenly leave?” ”

“Ye Shu said, “You were the one who bought the house. I was also delayed there, so I came back early.” ”

“Then did you forget something very important?”Ye Sui asked tactfully.

She was giving ye Shu a way out.

“As a sister, Ye Shu should buy her a house. ”

Which sister would be as unpresentable as ye Shu and run away when it was time to pay!

How Shameless!

“What is it?”Ye Shu asked.

“Ye Sui didn’t expect ye Shu to pretend to be ignorant. Since ye Shu was shameless, she didn’t need to care about ye Shu’s face anymore. “You forgot to pay!” ”

These words were very reasonable.

“Pay for what?”Ye Shu asked.

““To buy a house,”ye Sui said. ”

“Ye Shu smiled and said, “I’m not buying a house. What kind of money am I paying for?” ”

“Ye Sui was extremely angry, but he still controlled his emotions, “Little Shu, I’m your sister! We’re a family! Since we’re a family, what’s the point of separating us? You’re already so rich, do you still care about a small villa?”She didn’t make any outrageous request! ”

“You mean you want me to buy a house for you?”Ye Shu asked.

“Ye Sui said, “What do you mean by buying a house for me? We’re sisters, it’s only right for us to help each other!” ”

“Speaking up to this point, ye Sui paused and continued, “Why don’t you lend me some money?” ”

“‘lend’was just another way of saying it. As long as ye Shu borrowed money, ye Sui wouldn’t return it! ”

““I don’t have money to lend you,”ye Shu said. ”

““No Money?”Ye Sui looked at ye Shu and questioned, “How can you not have money! Little Shu, you can’t Be Like This! When you were in trouble back then, I didn’t hesitate! How can it be your turn to be like this!” ”

Ye Sui’s tone was full of disappointment.

““Think about it carefully. Back then, did you owe me that 300 yuan?” ”

“Ye Shu looked at ye Sui and made eye contact with her. “If it weren’t for that 300 Yuan, you wouldn’t even be able to enter the Lin family.” ”

Ye Sui was stunned.

““I advise you to quit while you’re ahead.”Ye Shu continued, “You and I don’t have any sisterhood to begin with.” ”

“Saying this, Ye Shu turned around and left. ”

It took ye Sui a long time to react. He stomped his feet in anger.

“When he returned to his room, Ye Sui was still very angry. ”

“Zhou ziyue said sarcastically, “I already said that she doesn’t treat you as her sister, but you insisted on coming over! Back then, Granny Liu even gained a lot of benefits when she entered the Grand View Garden! At the very least, everyone in the Jia family was polite to her. But you, you’re even worse than Granny Liu!” ”

Chapter 2688: 596: What’s Going On? 1

Zhou Ziyue was against ye Sui coming to the capital to look for ye Shu from the very beginning.

“Because she clearly knew that as long as a person was rich, they would turn bad. ”

Ye Shu was now a wealthy lady who stood high above the masses. She was no longer the ye Shu of the past.

Only ye Sui was deceiving himself and could not see the reality clearly.

“Zhou ziyue continued, “Ye Shu is right. Let’s stop when things are good! Pack up and go back quickly!” ”

“Under such circumstances, if they continued to stay here, they would only embarrass themselves. ”

Go Back?

“Ye Sui stared at Zhou Ziyue with wide eyes and said angrily, “This is my sister’s home. Why should I go back?” ”

““Your sister?”Zhou Ziyue looked at ye Sui, “You say it nicely, but does she treat you as her sister?” ”

Ye Sui was simply daydreaming!

“As long as ye Shu treated ye Sui as her sister, ye Sui would not be in such a passive position. ”

“Ye Sui continued, “Even if she doesn’t treat me as her sister, I’m still her biological sister!” ”

“Zhou Ziyue had yet to find a rich second-generation boyfriend, Zhou Libang had yet to become the boss of the Lin Corporation, and she had yet to buy a villa. She would not leave the Lin family. ”

Zhou Ziyue looked at ye Sui speechlessly. “Then you can just stay here and beg for your life! I’ll go back tomorrow!”

She could not stay any longer.

““If you dare to go back, I won’t have a daughter like you in the future!”Ye Sui said. ”

Zhou Ziyue took a deep breath. “Can you be reasonable!”

“Ye Sui was too lazy to discuss irrelevant topics. He continued, “Have you explained things clearly to Feng Yang?” ”

“You’re still hoping that Ye Shu can introduce me to a boyfriend?”Zhou Ziyue asked.

“Ye Sui said, “You’re her biological niece. Why Can’t she introduce you to a boyfriend? I’ve heard that even her idiot daughter has found a big shot with a big background. Why Can’t You?” ”

“Other than not being as good-looking as that little idiot, what else could Zhou Ziyue not be better than that little idiot?”

“Ye Sui warned, “Hurry up and break up with Feng Yang!” ”

“Zhou Ziyue wanted to say something, but in the end, she did not say anything. ”

“What about the Villa?”Zhou Ziyue asked.

“Ye Shu has to buy this villa even if he doesn’t want to!”Ye Sui narrowed his eyes.

Zhou Ziyue shook her head speechlessly.

“It was already so late, and she was still dreaming. ”

“Ye Sui continued, “Mind your own business and mind your own business!” ”

She definitely had a way.

Du Du du —

“At this moment, there was a knock on the door. ”

Zhou Ziyue got up to open the door.

“Ziyue.”Bai Jingshu stood outside the door.

“Zhou ziyue smiled and said, “Why is Jingshu Here? Come in and have a seat.” ”

Bai Jingshu nodded and followed her in.

“Seeing Bai Jingshu, ye Sui, who had been pulling a long face, instantly smiled. “Jingshu is here.” ”

“Second aunt.”

“Ye Sui stood up and said, “Sit, sit, sit.” ”

“Bai Jingshu sat on the sofa and said with a smile, “Did you have fun today, second aunt?” ”

““Yes, I did.”Ye Sui nodded repeatedly and said with a smile, “The capital is the capital. It’s much more fun than the small place of Yun Capital!” ”

“Bai Jingshu continued, “Then second aunt must stay at home for a few more days.” ”

“Okay.”

“After chatting for a while, Bai Jingshu continued, “By the way, I heard that Ziyue doesn’t have a boyfriend right now, right?” ”

“Hearing this, ye Sui narrowed his eyes. ”

Did Bai Jingshu mean to introduce a boyfriend to Zhou Ziyue?

Bai Jingshu was the daughter-in-law of the Lin family. The people she knew were definitely from influential families.

“Thinking of this, ye Sui was extremely excited. ”

“Without waiting for Zhou Ziyue to speak, ye Sui immediately replied, “No, no, I was just worried! What should I do if this child can’t find a boyfriend? After all, she’s already at an old age.” ”

“Bai Jingshu smiled and said, “Why don’t I introduce someone to Jingshu?” ”

“Ye Sui said, “Of course it’ll be great!” ”

“After saying that, ye Sui said, “Jingshu, I’ll leave this matter to you.” ”

““Of course.” Bai Jingshu looked at Zhou Ziyue and said, “Ziyue, why don’t you guys add each other on wechat and get to know each other better?” ”

“Ye Sui said, “Don’t add me on wechat. You Can’t see me on wechat right now. Jingshu, why don’t you ask the boy out and meet him. If possible, you can add me on wechat.” ”

“Bai Jingshu nodded. “That works too. Ziyue, when are you free?” ”

Zhou Ziyue hesitated but didn’t say anything.

Was she really going to break up with Feng Yang?

“Although she was mentally prepared, Zhou Ziyue had an indescribable feeling in her heart when it really came to this. ”

She felt a little sad.

“Ye Sui smiled and said, “Ziyue has never been in a relationship before! Look at her, she’s embarrassed!” ”

“Bai Jingshu said, “There are very few girls like Ziyue these days.” ”

“I do hope that she can be like other girls,” ye Sui continued, “That way, I won’t have to worry about her every day!” ”

“Bai Jingshu continued, “Then when Will Ziyue Be Free? I’ll contact her.” ”

“Our Ziyue is free whenever she wants. Jingshu, just make the arrangements,” ye Sui said. ”

Bai Jingshu nodded. “Alright.”

“After ending the topic, Bai Jingshu stood up. “Second aunt, I’ll go back first.” ”

“Okay, okay, okay. It’s getting late. You should go back and rest early.” Ye Sui stood up and walked Bai Jingshu out. ”

“After closing the door, ye Sui walked to Zhou Ziyue. “Did you hear what Bai Jingshu said just now?” ”

Zhou Ziyue didn’t say anything.

“Ye Sui continued, “Anyway, the opportunity is right in front of you. It’s up to you to seize it!” ”

On the other side.

Bai Jingshu returned to her room.

“Lin Ze was sitting in front of his computer. When he saw her return from outside, he asked, “Where did you go?” ”

“Bai Jingshu said, “I came back from Ziyue’s place.” ”

“Hearing this, Lin Ze frowned slightly. “Didn’t I tell you to stay away from her?” ”

“”You’re just thinking too much,” Bai Jingshu said. “I think Ziyue is pretty good. I was even planning to introduce a boyfriend to her.” ”

“Introduce a boyfriend?” Lin Ze asked.

“Yes.”

“Lin Ze asked again, “Who is it?” ”

“Bai Jingshu continued, “It’s an author. He’s 26 years old this year.” ”

“How’s his family background?” Lin Ze asked.

“Bai Jingshu said, “His family background isn’t bad, right? The main thing is that he’s an outstanding person. His parents are both very simple and rural people. Now, he has a villa in Beijing.” ”

“Lin Ze continued, “Then Zhou Ziyue might not like him.” ”

“How do you know?” Bai Jingshu asked.

“Lin Ze said, “It’s very obvious that Zhou Ziyue wants to find a rich second generation. Moreover, I suspect that Zhou Ziyue already has a boyfriend.” ”

“She said that she doesn’t have a boyfriend. Don’t talk nonsense. Second Aunt said that Ziyue has never been in a relationship.” Bai Jingshu still believed in Zhou Ziyue.

“”Never been in a relationship?” Lin Ze shook his head helplessly. “Sure enough, she’s been pregnant for three years. How can you believe such nonsense?” ”

“Don’t think that people are so evil,” Bai Jingshu said. ”

“Lin Ze continued, “It’s not that I’m evil, but that’s the truth.” ”

“How do you know?” Bai Jingshu asked.

“I can tell.”

“What do you think?” Bai Jingshu asked.

“Lin Ze continued, “A young lady and a young lady walk differently.” ”

“Ah?” Bai Jingshu looked puzzled. “There’s such a saying?”

“Yes.” Lin Ze nodded.

“Bai Jingshu continued, “But the naked eye isn’t a machine scan. There will always be mistakes. You must have made a mistake!” ”

“Lin Ze did not say much and just said, “Facts speak louder than words. Just wait and see. Zhou Ziyue will definitely not like the one you introduced to her.” ”

“That may not be the case,” Bai Jingshu said. ”

“Then just wait and see.”

“Bai Jingshu applied some skincare products for a while and then said, “I’ll go and contact Zheng Ke now.” ”

“After contacting Zheng Ke, Bai Jingshu went to Zhou Ziyue’s room again. ”

Zhou Ziyue didn’t speak the entire time.

“Ye Sui smiled and said, “Okay, okay, okay. Don’t worry. Ziyue will definitely arrive on time tomorrow.” ”

“Okay.” Bai Jingshu nodded.

“Ye Sui walked in front of Zhou Ziyue and continued, “Did you hear that? Remember to dress better tomorrow.” ”

“Got it.” Zhou Ziyue nodded.

“She didn’t want to betray Feng Yang, nor did she want to break up with Feng Yang. ”

She just wanted to see what kind of person Bai Jingshu had introduced to her.

The next day.

Bai Jingshu came to look for Zhou Ziyue punctually.

Zhou Ziyue had already washed up and dressed up.

“Ye Sui smiled and said, “Jingshu, I’ll leave our Ziyue to You Then.” ”

“Okay.”

The two of them went out together.

“Bai Jingshu said, “Ziyue, don’t be nervous. It’s Zheng Ke’s first blind date. He’s definitely more nervous than you.” ”

“Zhou Ziyue nodded. “Yes, I know.” ”

“Bai Jingshu continued, “Zheng Ke has been very outstanding since he was young. Although his family background is average, he’s very hardworking and hardworking. He has already settled down in the capital city.” ”

Average family background?

What was going on?

Zhou Ziyue’s eyes were filled with confusion.

Could it be that Bai Jingshu didn’t introduce her to a rich second generation?

Chapter 2689: 597: she dares? 1

“Zhou Ziyue was in a bad mood, but she couldn’t show it. ”

“Bai Jingshu continued to ask, “What other requirements do you have for a boy?” ”

“Zhou ziyue smiled and said, “I don’t have too many requirements. As long as he has a heart of ambition.” ”

“Hearing that, Bai Jingshu smiled and said, “I can’t guarantee anything else, but Ziyue, don’t worry. Zheng Ke definitely has a heart of ambition.” ”

Ambition?

Who Didn't have the ambition?

But what was the use of having the ambition alone?

Would ambition allow her to live like Bai Jingshu?

"If she had known earlier that Bai Jingshu was introducing an ordinary person to her, she wouldn't have agreed to it no matter what. "

It was simply a waste of time!

"This Bai Jingshu was really funny. She was marrying a rich man, and she was introducing an ordinary person to her. "

Disgusting!

"But since she was already here, it wouldn't be good for her to find an excuse to leave at this time. Bai Jingshu could only endure the impatience in her heart and continue walking forward with Bai Jingshu. "

"Before long, they arrived at the restaurant they had agreed on. "

"The moment they entered the restaurant, Bai Jingshu saw Zheng Ke. "Jingshu, do you see him? He's the one by the window. He's wearing a white shirt and glasses." "

Zhou Ziyue looked up.

There was indeed a person sitting by the window.

“He was not bad-looking, and he smelled like a scholar. One look and you could tell that he was a scholar.”

“But in this era, what could a scholar do? What could a good-looking person do?”

“Bai Jingshu lowered her voice and said, “What do you think?” ”

“Zhou ziyue said, “We’re too far away, so we can’t see much.” ”

“Then let’s go over first.” Bai Jingshu held Zhou Ziyue’s hand.

The two of them walked into the room.

“Soon, Zheng Ke also noticed the two of them and immediately stood up from his chair. ”

“Teacher Bai.”

“In their author circle, they all called each other “Teacher.”. ”

“Moreover, Bai Jingshu was a very important author in the circle. ”

““Teacher Zheng, let me introduce you. This is my cousin, Zhou Ziyue.” Bai Jingshu introduced each other. “Ziyue, this is Zheng Ke.” ”

“Zhou ziyue sized up Zheng Ke without batting an eyelid, a look of disdain hidden in her eyes. ”

“The clothes that Zheng Ke was wearing were not branded clothes, nor were they luxury goods. They were just very ordinary taobao goods. It was estimated that they would not even cost 100 yuan. ”

How could such a person deserve to go on a blind date with her!

What was Bai Jingshu thinking?

Zhou Ziyue was furious.

“At that moment, zheng ke said, “Miss Zhou, teacher Bai, what would you like to drink?” ”

““Orange juice would be fine,”Bai Jingshu said. ”

“Zhou ziyue said, “I’ll just have a glass of plain water.” ”

“It was Bai Jingshu’s first time being a matchmaker, so she didn’t have much experience. Seeing that the two of them didn’t have much to talk about, Bai Jingshu took the initiative and said, “Teacher Zheng, I heard that your hometown is in Yun Jing, right?” ”

“Yes.”Zheng Ke nodded.

“Bai Jingshu smiled and said, “That’s really a coincidence. Ziyue’s hometown is also in Yun Jing.” ”

“Really?”Zheng Ke was a little surprised.

The capital was very big. It was not easy to meet someone who came from the same place.

Zhou Zi Yue nodded. “Yes.”

“Zheng Ke continued, “I’m from Yun Jing Ke. Where are you from?” ”

“Zhou Zi Yue said, “Zi Wei District.” ”

“Zheng Ke nodded. “Oh, you’re from the city.” ”

“Yeah.”

“Seeing that the topic of conversation was about to end, Bai Jingshu continued, “Oh right, do you two want to add each other on wechat?” ”

“”Sure.”Zheng Ke had a good impression of Zhou Ziyue. Even if they couldn’t become a couple, they were still from the same hometown. ”

The main reason was that Zheng Ke trusted Bai Jingshu.

“Since it was Bai Jingshu who pulled the strings, there was definitely no problem. ”

“Zheng Ke had already taken out his phone. Even if it was for Bai Jingshu’s sake, Zhou Ziyue couldn’t not add him on wechat. “Let me scan you.” ”

“Okay.”Zheng Ke pulled out his QR code.

“Soon, the two of them added each other as friends. ”

“Halfway through, in order to give the two of them more space, Bai Jingshu excused herself and left. ”

“After Bai Jingshu left, Zhou Ziyue was sitting on pins and needles. ”

“Zheng Ke also felt Zhou Ziyue’s discomfort. Considering that this was her first blind date, he was a little nervous, so he suggested, “Why don’t we go watch a movie?” ”

Watch a movie?

Zhou Zi Yue didn't want to watch a movie with a pauper like Zheng Ke.

""There's no need, Mr. Zheng. I still have something to do. I'll go back first," Zhou Zi Yue stood up and said. "

Zheng Ke also stood up. "Then I'll send you back."

Zhou Zi Yue didn't want to have anything to do with this pauper right now. What if he pestered her after sending her back?

"Therefore, if he could keep a distance from this kind of person, he must keep a good distance. He must not give him any room for imagination. "

""No need." Zhou ziyue continued, "I'll take a taxi back." "

"Zheng Ke was a smart man. Seeing Zhou Ziyue like this, he had already guessed what Zhou Ziyue was thinking. "

""Okay, be careful on the road." Zheng Ke wasn't the kind of person who pestered her. Moreover, it was his first time seeing Zhou Ziyue today, so he couldn't be considered to be in love. "

""Thank you." After thanking her, Zhou Ziyue turned around and left without looking back. "

Bad Luck!

She was really unlucky today!

She had wasted so much time for no reason and still did not get anything.

“On the other side, Zheng Ke sent a message to Bai Jingshu. ”

Bai Jingshu immediately called him back. “How did it end so quickly!”

“Zheng ke said, “She said that she had something to do at home.” ”

“Bai Jingshu asked again, “Then why didn’t you send her off?” ”

“Zheng ke explained, “She said that she would take a taxi home herself.” ”

“Bai Jingshu smiled and said, “Teacher Zheng, you’re too honest. Sometimes, girls will feel embarrassed. After all, this is Ziyue’s first blind date. She said that she didn’t need to send her off, but you really didn’t send her off?” ”

Zheng Ke’s inner and outer conditions were very good. Bai Jingshu personally felt that he and Zhou Ziyue were quite compatible.

“Logically speaking, Zhou Ziyue should not have looked down on Zheng Ke. ”

“Zheng Ke continued, “Teacher Bai, you might have misunderstood the matter. Miss Zhou really doesn’t have feelings for me. If you don’t believe me, you can ask her.” ”

Bai Jingshu was stunned.

“After a while, Bai Jingshu continued, “Then wait a moment. I’ll make a call to ask Ziyue.” ”

“Okay.”

“After hanging up, Bai Jingshu immediately contacted Zhou Ziyue. ”

Zhou Ziyue picked up the call very quickly.

“Bai Jingshu went straight to the point. “Ziyue, you met Zheng Ke today. What do you think?” ”

“Zhou Ziyue hesitated for a moment before continuing, “I’m sorry, Jingshu. Mr. Zheng and I might not be suitable for each other.” ”

“Not suitable?” Bai Jingshu asked.

“”Yes.” Zhou ziyue continued, “I don’t have that kind of feeling towards him either. However, he’s a good person. I believe that he will definitely be able to find an even more outstanding girl.” ”

“Once a good person card was issued, there was an 80-90% chance that this matter would not succeed!”

“Bai Jingshu smiled and said, “Alright then. Since the two of you aren’t fated, you can’t force it.” ”

“”Okay.” Zhou ziyue continued, “I’m sorry, Jingshu. I’ve let you go through all this trouble.” ”

“Bai Jingshu said, “It’s fine, it’s fine.” ”

“After hanging up the phone, Bai Jingshu fell into deep thought. ”

“Could it really be like what Lin Ze said? From the start, Zhou Ziyue had been aiming for the second generation of the rich. ”

“Initially, Bai Jingshu did not believe Lin Ze’s words, but now, he was starting to believe them. ”

After all...

Zhou Ziyue's actions were exactly what Lin Ze had said.

"On the other side, Zhou Ziyue quickly returned to the Lin family."

"Seeing Zhou Ziyue, ye Sui asked curiously, "Why did you come back so quickly? Why didn't you play with others for a while?" "

"What do you know!" Zhou ziyue continued, "That Bai Jingshu didn't have any good intentions! Do you know who she introduced me to?" "

"Ye Sui quickly asked, "What's going on? What's going on? Tell me quickly!" "

"Zhou ziyue continued, "The person Bai Jingshu introduced me to is also from Yun Jing! She's not some rich second generation at all! She's just a pauper, not even comparable to Feng Yang!" "

"Hearing this, Ye Sui's heart turned cold. After all, she was still hoping that Zhou Ziyue would find her a rich husband this time!" "

"How could this be? !" Ye Sui was very confused.

"Logically speaking, Bai Jingshu should know people who were either rich or noble. "

How...

Could things have turned out like this?

"Zhou ziyue continued, "I think Bai Jingshu did it on purpose! Let's Go! We don't want to be an eyesore here!" "

“Go? Why do we have to go? !”Ye Sui sat on the sofa, “If we leave, won’t we be giving them what they want! They want us to leave now! Anyway, I’m not leaving! Not only am I not leaving, I’m also going to call back and ask your dad and libang to come over!” ”

“Ye Shu didn’t want to buy them a villa, right? ”

Fine!

Then she would disgust ye Shu to death!

Zhou ziyue turned to look at ye Sui. “Are you really going to do that?”

Ye Sui nodded. “Ye Shu is my sister. She has the obligation to buy us a house!”

It was a matter of course for a sister to help her sister.

“Zhou ziyue continued, “Aren’t you afraid that ye Shu will turn hostile and refuse to acknowledge us?” ”

“How?”Ye Sui smiled and said, “Your father is her brother-in-law, and libang is her nephew!” ”

They were relatives normally. would ye Shu dare to kick them out?

She thinks ye Shu also dare not!

Chapter 2690: 599: arrange a meeting

“How do you know that Ye Shu doesn’t Dare?”Zhou ziyue continued, “When you bought the villa, you were even more confident than you are now. What happened in the end?” ”

“Forget about the villa, even if she didn’t give ye Sui a pigeon cage, she would still buy it for ye Sui!”

“Don’t worry! The villa won’t run away!”Ye Sui narrowed his eyes.

“Hearing this, Zhou Ziyue laughed out loud. “At this time, don’t tell me you still think that ye Shu will buy a villa for you?” ”

“She must buy it!”Ye Sui said.

Zhou Ziyue shook her head speechlessly. “Stop Dreaming.”

Ye Sui did not think that she was dreaming.

“Just wait and see!”Ye Sui said.

“Zhou Ziyue did not respond to this. She only said, “Fortunately, I did not tell Feng Yang What I said. Otherwise, I would have really become a clown!”She originally thought that Bai Jingshu had introduced him to a rich bachelor, but she did not expect him to be a pauper, it was really hard for the rich lady, Bai Jingshu, to know such a person! ”

“Hearing this, ye Sui immediately turned to look at Zhou Ziyue and frowned. “What did you say? You haven’t made things clear with Feng Yang Yet?” ”

“”I can’t let myself throw away the watermelon and pick up the Sesame!”Zhou ziyue continued, “I advise you to stop Dreaming!” ”

“It was all ye Sui’s fault for thinking too optimistically. Otherwise, Zhou Ziyue would not have had such high expectations for today’s blind date! ”

“If she had known this would happen, she wouldn’t have agreed to go on the blind date today! ”

What Bad Luck!

“Ye Sui said, “I’ll Call Your Dad Right Now!” ”

“As soon as he said that, ye Sui took out his phone and immediately called his husband. ”

On the other side.

“After Bai Jingshu returned, Lin ze asked, “How was it?” ”

Bai Jingshu looked dejected. “You really guessed it right! Ziyue didn’t fancy Zheng Ke!”

“Lin Ze handed Bai Jingshu a glass of water. “I told you that you thought Zhou Ziyue was too innocent, but you didn’t believe me. So, now you believe me?” ”

“I still think there’s a misunderstanding.” Bai Jingshu took the glass of water from Lin Ze and took a sip. “Do you think Zheng Ke isn’t Ziyue’s Type?”

“Although Zheng Ke was quite handsome, what if Zhou Ziyue liked a tough guy? ”

“After all, everyone had their own preferences. ”

“Lin Ze didn’t want to interfere in this matter, but he didn’t want to see Bai Jingshu being cheated by Zhou Ziyue. He said, “Actually, it’s easy to find out if Zhou Ziyue is looking for a rich second generation.” ”

“Why?” Bai Jingshu asked immediately.

“Lin Ze sat up straight and said, “Go and tell Zhou Ziyue to introduce her to someone else.” ”

“Introduce her to someone else?” Bai Jingshu asked in confusion, “What do you mean?”

“Don’t worry, let me tell you,” Lin ze continued, “Go and tell her that this family is very well-off, but the external conditions may not be that good...”

Bai Jingshu frowned. “But there has to be such a person!”

“I do have one here,” Lin ze said.

“Who is it?” Bai Jingshu asked.

“Lin Ze said, “It’s Ma Lu.””

“Ma Lu was Lin Ze’s high school classmate. Her family background was very good, and she was a standard scion of an aristocratic family. Unfortunately, her paternal genes were not very good. Ma Lu was less than 1.6 meters tall, her looks were rough, and her skin was not good...”

“Then what if Ziyue really agreed to go on a blind date?”

“Then let’s go.” Lin Ze smiled and said, “Ma Lu’s biggest interest is to teach green tea ancestor how to be a person.”

“After saying that, Lin ze continued, “How about it? Do you want to try?””

Bai Jingshu hesitated for a moment. “Is it not good to lie?”

“This is not called lying.”

“Bai Jingshu was still a little hesitant. She drank another mouthful of water and said, “Okay, then you tell your classmate.” ”

“Okay.” Lin Ze picked up his phone. “I sent you Ma Lu’s photo.”

Bai Jingshu clicked on the photo.

It was indeed not pretty.

“Bai Jingshu continued, “Then should I go look for Ziyue Now?” ”

“Go ahead.” Lin Ze nodded. “I’ll Call Ma Lu and let her know.”

“Okay.”

Bai Jingshu came to the guest room again.

“Seeing Bai Jingshu come over, Ye Sui was still as enthusiastic. ”

““Second aunt, are you alone? Where’s Ziyue?” Bai Jingshu asked. ”

“Ye Sui smiled and said, “She’s reading in the back room. I’ll go get her for you.” ”

““No need, no need.” Bai Jingshu grabbed ye Sui’s arm and continued, “Second aunt, actually, it’s the same if I tell you about this.” ”

““Okay, then tell me about it,” ye Sui said. ”

Bai Jingshu sat on the sofa. “Today’s matter didn’t succeed. I feel that I’ve let Ziyue down and let her come all this way for nothing.”

“Hearing that., ye Sui smiled and said, “How can you say that, Jingshu! It should be our Ziyue who has let you down! I’ve heard from Ziyue that the man is actually a pretty good person. Unfortunately, he’s not Ziyue’s Type! “Jingshu, thank you so much. You’ve put in so much effort.” ”

“Although he was complaining that Bai Jingshu had introduced Zhou Ziyue to a pauper, ye Sui could not express it directly. ”

He still had to act what he had to do.

“No matter what, he was still in the Lin family. ”

“Bai Jingshu continued, “I still have a boy here. I wonder if Jingshu would be interested in getting to know him.” ”

“At this point, Bai Jingshu paused and continued, “This boy and Ah Ze are classmates. He is the heir to the family business. He is very outstanding...” ”

“Hearing this, ye Sui’s eyes almost shone with Starlight! ”

The heir to the family business!

Oh My God!

He must be very rich.

“Ye Sui continued, “Actually, it doesn’t matter whether he comes from a rich family or not. The main thing is that the two of them can see eye to eye.” ”

““Second aunt, you’re absolutely right.”Bai Jingshu nodded in agreement. “The main thing is that the two of them can develop feelings for each other.” ”

“Ye Sui asked, “In that case, the boy is also from the capital?” ”

““Yes, he’s from the capital.” ”

“Ye Sui hid the excitement in his heart and continued, “I don’t care about Ziyue’s matters either. I’ll tell her about this. If she’s willing to meet, I’ll have to trouble Jingshu to arrange for them to meet.” ”

““Sure.” Bai Jingshu nodded and stood up from the sofa. “Second aunt, that’s settled then. I’ll go back first.” ”

““Okay, you can go back.” Ye Sui stood up to send Bai Jingshu off.” ”

“After walking out of the door, ye Sui seemed to have thought of something and continued, “Jingshu, what’s the name of the boy you mentioned just now?” ”

“Bai Jingshu said, “His name is Ma Lu, the heir of the Feli Group.” ”

““Okay, okay, okay.” Ye Sui nodded.” ”

“After Bai Jingshu left, ye Sui immediately went to Zhou Ziyue’s room.” ”

“Just as he reached the door of Zhou Ziyue’s room, he heard voices from inside.” ”

It was Zhou Ziyue on the phone with Feng Yang.

“Ye Sui frowned slightly, then reached out and slammed the door hard. “Ziyue! Ziyue!” ”

“Zhou Ziyue heard the voices and said into the phone, “Feng Yang, my mom said that I have something to do. I’m hanging up now.” ”

“Hang up. We’ll talk later.”

“Okay.”

“After hanging up the phone, Zhou Ziyue opened the door impatiently. “Mom, What’s wrong this time?” ”

“Ye Sui smiled and said, “There’s a big happy event!” ”

“What’s The Big Happy Event?” Zhou Ziyue asked.

“Ye Sui continued, “Bai Jingshu just came over and said that she wanted to introduce you to a boyfriend.” ”

“”She said the same thing yesterday,” Zhou Ziyue said. ”

“”This time is different,” ye Sui continued, “Just now, Bai Jingshu came over and said that she wanted to introduce you to the heir of the Phyllis Group. What’s the name of the heir? Ma...” Ye Sui suddenly couldn’t remember the name that Bai Jingshu mentioned. “Ma Lu! Yes, Ma Lu!” ”

“Hearing this, Zhou Ziyue narrowed her eyes. “Is That So?” ”

“”Of course!” Ye Sui said, “This time, I’ve helped you ask clearly. That Maru is a real bachelor! You have to grasp it well this time!” ”

“Zhou Ziyue still didn’t believe it. She continued, “Mom, which group did you say it was?” ”

“The Phyllis Group.”

“I’ll use my heavenly eye to check if there’s such a group.” Zhou Ziyue took out her phone.

“After a while, Zhou Ziyue looked up at ye Sui excitedly. “Mom, are you sure it’s the Fei Li Group?” ”

“Yes.”

“Zhou Ziyue continued to look down and said, “Is it called Ma Lu?” ”

““Yes, yes, yes! It’s Ma Lu!” Ye Sui became even more excited. “Did you find out?” ”

“Zhou Ziyue nodded. “I did find out, but I saw on the Internet that this Ma Lu is very ugly.” ”

“Hearing that, Ye Sui was a little speechless. “So what if she’s ugly? Haven’t you heard of ugly people being blessed?” ”

“As long as one had money, no matter how ugly they were, ye Sui could tolerate them. ”

“Zhou ziyue frowned. She was unwilling, and she didn’t want to marry such an ugly person. ”

““Don’t look down on her for being ugly!” Ye Sui continued, “Ziyue, actually, you have to recognize yourself. You’re just average-looking.” ”

“As soon as he said this, ye Sui continued, “Quickly break up with Feng Yang. I’ll reply to Bai Jingshu and ask her to arrange for you to meet Xiao Ma.” ”
