

Almighty D 2691

Chapter 2691: 600: but she can really endure it! 1

Zhou Ziyue didn't say anything.

It would be a lie to say that she didn't feel uncomfortable.

"If this Ma Lu was like Zheng Ke, it would be fine if she was a sunny and handsome guy, but Ma Lu's appearance made Zhou Ziyue somewhat unable to accept it."

"I'm talking to you! Do You Hear Me!" Ye Sui saw that Zhou Ziyue didn't respond and reached out to Pat Zhou Ziyue.

"Zhou Ziyue handed the phone to ye Sui. "Look, this is Ma Lu." "

"In the photo, Ma Lu was with a beautiful woman with a good figure. The beautiful woman had a hot figure, and Ma Lu was dark and fat. She couldn't even reach the shoulders of a beautiful woman. She was like a little dwarf! "

Zhou Ziyue felt disgusted at the sight of such a person.

"Ye Sui picked up the phone, and his eyes immediately lit up. "Look, look how well-shaped this child is! Not Bad, not bad!" "

"Mom, what are you talking about!" Zhou Ziyue looked at ye Sui, her eyes full of speechlessness. "

"Ye Sui continued, "A child is not bad-looking to begin with. He has a nose and eyes. Ziyue, let me tell you, don't look at people with your nose! "Besides, can good-looking be used as food? "Feng Yang is not bad-looking. Ask him if this beautiful woman in the photo would like Feng Yang." "

Zhou Ziyue was silent for a moment.

“Besides, you don’t look that good yourself. Don’t think that you’re some kind of celestial being!” Ye Sui continued, “I’m warning you, there aren’t many chances for a woman to change her fate. Take advantage of it. If you miss this opportunity, you can’t start all over again!” ”

“After saying that, ye Sui ignored Zhou Ziyue’s reaction and immediately took out his phone to call Bai Jingshu. ”

“Hello, is that Jingshu?” ”

“It’s me.” Bai Jingshu’s voice came from the other end of the phone.

“Ye Sui smiled and said, “Jingshu, Ziyue and I have already made an agreement. When do you think you can invite the man over and let the two of them meet?” ”

“Bai Jingshu said, “Is tomorrow morning okay? If it’s okay, I’ll go and contact Maru right now.” ”

“Yes, yes, Absolutely.” Ye Sui smiled and said, “Anyway, Ziyue has nothing to do here.” ”

“After hanging up the phone, ye Sui looked at Zhou Ziyue. “I’ve made an appointment for you. Tomorrow morning, 9:30 am, at the Dunhuang Road Cafe.” ”

“Okay.” Zhou Ziyue nodded.

“What did you say to Feng Yang?” Ye Sui continued to ask.

“Zhou ziyue said impatiently, “We’ll talk about it tomorrow.” ”

“Ye Sui said with disappointment, “Just do it!” ”

Zhou Ziyue didn't say anything.

"On the other side, Bai Jingshu turned to look at Lin Ze, who was lying on the bed. "Do you know who called you just now?" "

"Ye Sui," Lin ze said. "

"Bai Jingshu said in surprise, "How do you know?" "

"Lin Ze smiled. "Not only did I know that ye Sui called, but I also know that Zhou Ziyue has agreed to meet tomorrow." "

Bai Jingshu gave Lin ze a thumbs up. "Smart!"

"Lin Ze continued, "Tomorrow, Zhou Ziyue will definitely tell you that she's not some appearance association. She's willing to try it out with Ma Lu." "

Bai Jingshu frowned slightly and opened the lid of the skin cream. "That's not necessarily true."

"Then just you wait," Lin ze said. "

Bai Jingshu trusted Zhou Ziyue very much. She believed that Zhou Ziyue was a very innocent and loving person. Zhou Ziyue was definitely not like what Lin Ze had said.

"What If you lose?" Bai Jingshu asked.

"Lin Ze said, "If I lose, I'll wash iron pillar's diapers for a month." "

"Okay." Bai Jingshu nodded. "You'll definitely wash this diaper."

“Lin Ze smiled and said, “What If you lose?” ”

““I won’t lose,” Bai Jingshu said. ”

“You’re that confident?” Lin Ze asked.

Bai Jingshu raised her chin. “Of course.”

“Lin Ze continued, “If you lose, you have to promise me something.” ”

“Sure.” Bai Jingshu nodded.

On the other side.

Zhou Ziyue looked at ye Sui. “Didn’t you just say that you were going to call my dad? Tell him to bring libang over.”

“Ye Sui had just said that he was going to call back, but this time, ye Sui was already sitting in front of the dressing mirror and applying skincare products. He seemed to have forgotten what he had just said. ”

““Didn’t Bai Jingshu say that she was going to introduce you to someone? If I call back to my hometown now, what if Bai Jingshu goes back on her word?” Ye Sui applied the expensive skincare products on his face, then he said, “So, let’s wait for your matter to be settled first!” ”

“For the time being, he still couldn’t call back. ”

Zhou Ziyue didn’t say anything.

It was already the next day.

“In the morning, ye Sui personally sent Zhou Ziyue out of the door.”

“Jingshu, I’ll leave Ziyue in your hands. I hope she can find a good person this time.” Ye Sui held Bai Jingshu’s hand earnestly.

“Bai Jingshu smiled and said, “Don’t worry.” ”

“Okay, Jingshu. I’ll be at ease with your work.” Ye Sui nodded.

Dunhuang Road was not far from the Lin family manor. They would arrive in about ten minutes.

“When the two of them entered, Ma Lu had not arrived yet.”

“Bai Jingshu smiled and looked at Zhou Ziyue. “Ziyue, Ma Lu is usually quite busy. Do you mind if we wait for a while?” ”

“I don’t mind.” Zhou Ziyue smiled and shook her head.

Bai Jingshu nodded. “Then let’s order something to drink first.”

“Okay.”

“They had agreed to meet at 9:30, but Ma Lu didn’t arrive until after 10:00.”

“The first time Zhou Ziyue saw Ma Lu, she wished she could die on the spot.”

Ugly.

She was really too ugly!

She had never known that there was someone in this world who could be so ugly!

“She had thought that the Ma Lu in the photo was ugly enough, but who knew that the Ma Lu in real life was even uglier!”

“Ma Lu was holding a briefcase in her hand. “Sister-in-law, I’m sorry I’m late.” ”

“Bai Jingshu stood up with a smile. “It’s fine, it’s fine. Come, let me introduce you. This is Zhou Ziyue. Ziyue, this is Ma Lu.” ”

“Ma Lu turned to look at Zhou Ziyue, and her expression instantly changed. She looked like an emperor choosing his concubine and continued, “Ma Lu.” ”

Zhou Ziyue took the initiative to extend her hand to Ma Lu. “I’m Zhou Ziyue.”

“Ma Lu looked Zhou Ziyue up and down before continuing, “Not bad. What University did you graduate from?” ”

“Jianglu University.”

“Ma Lu nodded and continued, “It’s barely considered a key university.” ”

Barely?

Zhou ziyue frowned slightly. She had entered a university!

What did she mean by barely?

“After saying that, Ma Lu continued, “Do you know how to do housework?” ”

“”A little,”Zhou Zi Yue said. ”

“Ma Lu sat down, then, she said, “Let me explain my requirements. I don’t like outsiders at home. So, after you marry me, you don’t need to go out to work. You can just focus on taking care of the children and doing housework at home. In addition, I will give you six figures of pocket money every month.” ”

“Zhou Ziyue felt very uncomfortable when she heard this, but she still had to force a smile. ”

Why would there be such a strange person in the world?

Zhou Ziyue wanted to slap the table and leave immediately.

But...

She couldn’t.

Because the temptation of six figures of pocket money a month was too great.

She couldn’t refuse.

“After saying this, Ma Lu looked at Zhou Ziyue and asked, “What do you think?” ”

“Zhou Zi Yue smiled and looked at Ma Lu, “Mr. Ma, we just met for the first time today. Isn’t it a little too early to talk about this?” ”

“Ma Lu said, “Not too early, not too early. After all, I’m already at the age to get married! The earlier we settle this matter, the less those two old fogeys will be at home urging me.” ”

Two Old Fogeys?

Ma Lu was referring to her parents?

Zhou Ziyue was a little speechless.

“Although she couldn’t say that she was very filial to her parents, she definitely wouldn’t say such things about her parents in public. ”

“However, she also understood from these words that what Ma Lu lacked was a marriage partner. ”

“Oh right. I still have a question to ask you.”

Zhou Ziyue took a sip of coffee. “You ask.”

“Ma Lu continued, “Are you still a virgin?” ”

Zhou Ziyue almost spat out the coffee that she had just drunk.

“Ma Lu looked at Zhou Ziyue and continued, “Our family’s views are very traditional and we care more about this. The girlfriends we found before all broke up because of this.” ”

“Zhou Ziyue and Feng Yang had been together for so many years, how could they still be virgins! ”

“But at this moment, she still nodded. ”

“Ma Lu continued, “Alright then.” ”

“At this moment, Ma Lu seemed to have thought of something and continued, “Oh right, I have another request.” ”

“Speak.” Zhou Zi Yue put down her coffee cup.

“Ma Lu continued, “My woman must be obedient. After marriage, she has to be filial to her parents-in-law. I can treat my parents badly, but you can’t!” ”

Zhou Ziyue did not say anything.

“Ma Lu continued, “Also, you can’t interfere in my personal life. It’s normal for a man to have three wives and four concubines, but you can’t! A woman has to follow the rooster, marry the dog, and follow the dog!” ”

What era was this! Why Could Ma Lu still say such words!

Zhou Ziyue was truly speechless.

“After saying this, Ma Lu continued, “Jingshu, I’ve said my conditions.” ”

“Bai Jingshu smiled at Zhou Ziyue. “Ziyue, what about you?” ”

“Zhou ziyue said, “It’s nothing for now. If Mr. Ma has a good impression of me, I think we can give it a try.” ”

She was now in a passive state. What could she say? What would she dare to say?

Ma Lu lowered her head and sent a message to Bai Jingshu. [your cousin is really patient!]

Chapter 2692: 601: a debt of gratitude

Bai Jingshu was also speechless.

“She had thought that Zhou Ziyue was an innocent girl, but who would have thought that Lin Ze’s words would come true.”

Bai Jingshu lowered her head and replied: [I didn’t expect it either.]

“Ma Lu put away her phone and looked at Zhou Ziyue. She continued, “Does this mean that you can accept all of my requests?” ”

“Yes.”Zhou Ziyue nodded.

“Ma Lu continued, “Alright, that’s all for now. I still have a date.” ”

“After saying that, Ma Lu picked up the briefcase on the side and turned to look at Bai Jingshu. “Then I’ll be leaving first.” ”

“Okay.”Bai Jingshu nodded.

“Ma Lu turned around and walked out. Just as she reached the door, she saw a beautiful woman with a sexy figure dressed in cool clothes. “Brother Ma.” ”

“When the beautiful woman saw Ma Lu, she immediately walked over and hugged Ma Lu’s arm.”

She couldn’t wait to get close to Ma Lu.

“Seeing this scene, Zhou Ziyue frowned.”

Ugly people really cause trouble.

“Ma Lu was so ugly, and there was even a shameless woman who was willing to get close to her.”

“Ziyue, don’t be angry,” Bai Jingshu continued, “Ma Lu is just playing with those people. It’s not serious. Don’t mind her.”

“Zhou Ziyue nodded. “I understand. Jingshu, don’t worry. I’m not the kind of person who is petty.”

“Bai Jingshu looked at Zhou Ziyue and continued, “It’s good that you understand.”

“After saying that, Bai Jingshu added, “I forgot to ask you guys to add me on wechat.”

“Zhou ziyue said, “It’s fine. Just push my business card to him.”

“Okay.”

Bai Jingshu nodded.

“Bai Jingshu’s emotions were very complicated right now, then she said, “Ziyue, you saw what happened just now. If you marry Ma Lu in the future, he might not change much. What Ma Lu needs is a wife who keeps to herself.”

“I understand.” Zhou Ziyue nodded, “Actually, I have never been a society of looks, and I don’t care about the family background of the man. As long as I like him, it’s fine. The first time I saw Ma Lu, I felt as if I had met her before. So, I’m willing to accept everything about him.”

Bai Jingshu looked at Zhou Ziyue. She had never known that a person could speak against his conscience to such an extent.

“Then would you mind if he has someone else outside?” Bai Jingshu asked.

“I don’t mind.” Zhou ziyue said, “And I believe that he will change because of me.” ”

“Bai Jingshu smiled and said, “I wish you the best.” ”

“Thank you.”

Bai Jingshu stood up from her chair. “Then let’s go first.”

“Okay.”

Zhou Ziyue followed Bai Jingshu’s footsteps.

The two of them walked out of the cafe one after the other.

“When they returned home, ye Sui asked, “How was it?” ”

“I guess it was successful.” Zhou Ziyue’s feelings were very complicated. She continued, “But I’m a little unwilling.” ”

“What’s there to be unwilling about?” Ye Sui asked.

“Zhou Ziyue recalled the scene when she met Ma Lu and continued, “Mom, you didn’t see how ugly that Ma Lu was.” ”

“So what if she’s ugly? As long as she has money, isn’t that enough?” Ye Sui continued, “Feng Yang is so handsome. Can he let you live the life of a rich lady?” ”

Zhou ziyue bit her lip. “But Lin Ze is also very handsome!”

Why could Bai Jingshu marry a handsome man?

But she had to marry someone who was so ugly!

““But Bai Jingshu is also good-looking,”ye Sui asked, “Do you think you’re half as good-looking as Bai Jingshu?” ”

Bai Jingshu was simply a beauty among beauties.

“Although Zhou Ziyue was also good-looking, she was only an ordinary person compared to Bai Jingshu.
”

““Although I’m not as good-looking as Bai Jingshu, I’m not an ugly woman!” ”

“Ye Sui laughed. “Luckily you’re not an ugly woman. If you were an ugly woman, would ma Lu still fall for You?” ”

“Zhou ziyue continued, “Mom, do you know what Ma Lu told me?” ”

“She felt that in front of Ma Lu, she was just a lowly ant. ”

“What did she say?”Ye Sui asked.

Zhou Ziyue told ye Sui what Ma Lu told her.

“Ye Sui said in surprise, “What did you say? How much pocket money does he give you in a month?” ”

““Six figures,”Zhou Ziyue said. ”

“Ye Sui counted with his fingers, “Then it’s 100,000, or a few hundred thousand?” ”

“Yes.”Zhou Ziyue nodded.

“Ye Sui exclaimed, “Rich people are rich people. Just a random pocket money is the money that ordinary people earn in their lifetime. “Damn girl, I’m telling you, you have to hold Ma Lu well. After this, there won’t be this shop anymore!” ”

“Zhou ziyue frowned, “I’ve told you so much, but you only heard six figures of pocket money?” ”

“Is there anything else?”Ye Sui asked.

“Zhou ziyue continued, “What he means is, if he raises women outside, I can’t care about it...” ”

““That’s nothing,”ye Sui continued, “Who among the rich doesn’t raise women outside? Lin Jincheng and ye Shu seem to be very loving, but maybe he has raised several women outside!” ”

Zhou Ziyue was silent for a moment and didn’t know what to say.

“Ye Sui continued, “This Bai Jingshu has finally done something human.” ”

What kind of things did she introduce to Zhou Ziyue earlier!

“Zhou Ziyue looked at ye Sui, “You didn’t see that Ma Lu today. He looks much more disgusting than in the photo! It’s also strange. Logically speaking, the genes of the rich should be good, but why is Ma Lu So Ugly?” ”

““Look at what you’re saying,”ye Sui continued, “If she’s handsome, she might not like you.” ”

“Zhou Ziyue felt that her pride had been hit. “Mom, am I as bad as you say?” ”

“If you think I’m wrong, you can look in the mirror,” ye Sui said bluntly. ”

Zhou Ziyue was furious.

“Ye Sui continued, “Feng Yang can only be with you because he can’t find a girlfriend. As long as he has some money, he won’t take a fancy to you. Ziyue, you should be happy now! Don’t be ungrateful!” ”

Ye Sui felt that Zhou Ziyue didn’t know herself well enough.

“As a mother, she also wanted Zhou Ziyue to find a good family. ”

But Zhou Ziyue’s conditions were right there.

“She wanted to find a tall, rich, and handsome man? ”

Difficult!

“Zhou ziyue said, “You weren’t at the scene today, so you don’t understand the situation at all.” ”

“As long as she thought of Ma Lu’s face, Zhou Ziyue couldn’t stand it. ”

“Ye Sui looked at Zhou Ziyue, “Ma Lu is at least the same age as you. How many young and beautiful girls have married men who are several rounds older than them for money! “The Ma family is a big family. Even if it’s for the sake of your brother, you should still marry him! “Libang is the only boy in our family, and also the only hope for our family. Are you going to just watch Libang do nothing?” ”

“As long as Zhou Ziyue could successfully marry into the Ma family, she would not have to live on ye Shu’s face in the future. ”

“Now, the dowry of an ordinary family in Yunjing was 580,000 yuan. ”

“If Zhou Ziyue married Ma Lu, it would not be too much to ask for a dowry of 10 million yuan, right? ”

She would also need a villa and two cars.

Ye Sui had already planned everything in his heart.

“Hearing this, Zhou Ziyue felt very uncomfortable. “Why should I think for Libang! For Libang, do I have to sacrifice my own happiness?” ”

“Because you are his sister!”Ye Sui said.

““Sister?”For the first time, Zhou Ziyue felt that her mother was so biased. “Sister has to sacrifice her own happiness for Brother?” ”

““Zhou Ziyue! Don’t look so wronged, okay?”Ye Sui continued, “Don’t think that I don’t know that you also want to marry a rich man. If you really don’t want to continue with Ma Lu, can I still force your head? What’s wrong with letting you help your younger brother after marriage? In this way, you can become a rich lady, and Libang can have a promising future. What’s wrong with that? Let me tell you, don’t be too selfish! It wasn’t easy for me to raise you. Let’s not talk about supporting your younger brother! You have to return the favor of raising me!” ”

Ye Sui couldn’t be bothered to say too much to Zhou Ziyue.

Zhou ziyue bit her lip and didn’t say anything.

On the other side.

“After Bai Jingshu returned to the room, Lin Ze was coaxing the child. ”

“Hearing Bai Jingshu’s voice, the originally quiet child instantly started to babble.”

““Baby, I’m back.” ”

“Bai Jingshu walked over and picked up the child, ”

“lin Ze asked with a smile, “Who won?” ”

“Hearing this, Bai Jingshu sighed. “I really misjudged.”Who would have thought that Zhou Ziyue was actually a person who wasn’t what she seemed. ”

““Don’t forget our bet,”Lin ze said. ”

““Yes, yes, yes! I Won’t forget it!”Bai Jingshu continued, “Then how should we deal with the rest of the matters? I think Zhou Ziyue’s situation now seems to be ready to marry Maru.” ”

But Maru was just playing around with Zhou Ziyue.

““You don’t have to care about this. Maru will settle it herself,”Lin ze said. ”

Bai Jingshu nodded. “Alright.”

“After saying that, Bai Jingshu said again, “Nothing will happen, right?” ”

““It won’t,”Lin Ze said. ”

Chapter 2693: 602: it was because of the car accident

“Ma Lu really needed a girlfriend. Now, it all depended on whether Zhou Ziyue had the ability to conquer Ma Lu!”

“If she didn’t have the ability, she wouldn’t be able to implicate others.”

“Bai Jingshu continued, “How did you and Ma Lu Meet?””

““We went to high school together,” Lin ze replied.”

““OH.” Bai Jingshu nodded and continued, “Actually, he’s not a bad person.””

“Lin Ze continued, “Actually, Ma Lu didn’t look like this before.””

“What do you mean?” Bai Jingshu asked.

“Lin Ze said, “When he was in junior high, there was a car accident that caused his bones to stop growing and his appearance to change.””

““In other words, he didn’t look like this at the beginning?””

Lin Ze nodded.

“Do you have a photo?” Bai Jingshu was a little curious about what Ma Lu looked like before.

“I think there’s a group photo.” Lin Ze stood up. “Let me see if it’s still there.”

“Okay.”

“After searching for a while, Lin Ze finally found his old photo album.”

“This is it.”

In the photo were two young boys who had yet to shed their childishness.

“Bai Jingshu recognized Lin Ze at a glance. “Ah Ze, this is you, right?” ”

“Yes.”

“Bai Jingshu said in surprise, “Then the person standing next to You Is Ma Lu?” ”

“It’s him.”

Bai Jingshu’s face was filled with disbelief.

“In the photo, Ma Lu’s facial features were very delicate, and her skin was also very white. Standing side by side with Lin Ze, she was actually a little taller than Lin Ze. If they had not seen it with their own eyes, perhaps no one would believe that these two people were the same person.”

““This, this is really, Ma Lu?” ”

““Yes.” Lin Ze nodded very seriously. “I developed late. In the first year of junior high, I was less than 1.6 meters, and Ma Lu was already much taller than me. If not for that car accident, he would still be a very handsome man now.” Unfortunately.., a person’s plans were not as good as God’s. A car accident had taken away all of a young man’s possessions.”

“Lin Ze continued, “At that time, Ma Lu was very hurt. If he wasn’t born in the Ma family, he wouldn’t be here now.” ”

“What do you mean?” Bai Jingshu didn’t quite understand.

“Lin Ze explained, “Ma Lu’s life was piled up with money.” ”

“Bai Jingshu frowned slightly. “Actually, I think there are pros and cons. Ma Lu used to be a bright and handsome man, but now that she has become like this, he must be very upset, right?” ”

“Lin Ze said, “This kind of thing depends on the individual.” ”

Some things were like fish drinking cold water.

“No one was Ma Lu, so no one knew how Ma Lu felt. ”

“You’re right.”

The couple was talking when there was a knock on the door.

Bai Jingshu went to open the door and smiled. “Second aunt.”

““Jingshu, I didn’t disturb you two, did I?”Ye Sui said as he looked inside. ”

““No, no,”Bai Jingshu continued, “Second aunt, please come in and take a seat.” ”

Ye Sui followed Bai Jingshu into the house.

“Bai Jingshu brought ye Sui to the outer hall. “Second aunt, please take a seat for a while. I’ll get you some water.” ”

“Ye Sui immediately grabbed Bai Jingshu’s hand. “No, no, I’m not thirsty. Let’s just have a chat today.” ”

“Okay.” Bai Jingshu nodded.

“Ye Sui held Bai Jingshu’s hand with a loving look in his eyes. “Jingshu, thank you so much. I heard from Ziyue that the boy you introduced to her is really not bad.” ”

“After saying that, ye Sui continued, “By the way, are you familiar with that boy?” ”

“”I’m not very familiar with him, but Ah Ze is his classmate.” ”

“Hearing that, ye Sui’s eyes immediately lit up. “Really?” ”

“If the boy was Lin Ze’s classmate, then this matter would be even more assured. ”

“Hearing this news, ye Sui was very excited. ”

“”Yes.” Bai Jingshu nodded and continued, “Second aunt, did Ziyue say anything to you when she went back today? Maru had an accident a few years ago, so her facial features might not be so...” ”

“Ye Sui obviously knew what Bai Jingshu was going to say, so he immediately interrupted her, “Jingshu, don’t worry. Our family is not the kind of people who care about appearance. As long as the boy is nice and has a good mind, it’s fine. Oh right, did Ah Ze’s friend ask you about Ziyue’s situation later?” ”

It wasn’t easy for Zhou Ziyue to meet a rich man. She couldn’t let him slip away just like that.

“Bai Jingshu shook her head. “No, Ma Lu is quite busy.” ”

“”I understand.” Ye Sui smiled and said, “After all, it’s a family business. It’s normal to be busy.” ”

Bai Jingshu nodded.

“Ye Sui grabbed Bai Jingshu’s hand and continued, “Jingshu, with your understanding of this little horse, do you think Ziyue’s relationship with him will work out?” ”

“It was not easy to catch a rich husband, and ye Sui was also worried that things would go south! ”

“Bai Jingshu smiled and said, “I’m not too sure about that either. Second aunt, to tell you the truth, Ma Lu sometimes has a bad temper. I think if Ziyue can get along with him, I think there will be no problem.” ”

“At this point, Bai Jingshu paused, “Ma Lu and Ah Ze are the same age. Seeing that Ah Ze is already married and has children, his parents are actually very anxious. The two of them are very reasonable. For their future daughter-in-law, as long as she is virtuous and obedient, it will be fine.” ”

“Hearing this., ye Sui smiled and said, “Jingshu, I don’t dare to say anything else. This virtuous and obedient, our ziyue definitely won’t have any problems. She is a teacher herself. In the future, when she has children, she can even teach them herself. She doesn’t even need a tutor!” ”

The most fortunate thing for her now was that she had enrolled in a university for Zhou Ziyue.

“Bai Jingshu continued, “Also, Ziyue has definitely never been in a relationship before, right? You know that some families value this aspect more than others.” ”

““Don’t worry, don’t Worry!”Ye Sui said with a smile, “Our Ziyue is definitely not the kind of girl who would mess around outside!” ”

“That’s Good!”

“After chatting with Bai Jingshu about some other issues, ye Sui left the room. ”

“After ye Sui left, Bai Jingshu came to the bedroom and asked curiously, “Do you think Ziyue has talked about it this week?” ”

“90%,” Lin ze answered. ”

“Bai Jingshu frowned and asked, “Why 90% ?” ”

“Lin Ze looked up at Bai Jingshu and said, “Another 10% is because you don’t trust me.” ”

“Bai Jingshu smiled and said, “That might not be the case.” ”

“You want to make a bet again?” Lin Ze asked.

“Bai Jingshu immediately waved her hand. “No, no.” ”

On the other side.

“After ye Sui went back, he told Zhou Ziyue to break up with Feng Yang as soon as possible. ”

“Zhou Ziyue was already getting impatient. “I know, I know!” ”

““You’re just saying that you know. When are you going to make a move?”Ye Sui was very speechless.
“I’m telling you, you only get one chance. Don’t do it!” ”

Zhou Ziyue nodded.

“Ye Sui continued, “You can’t do this. You have to break up with Feng Yang Today!” ”

It would be a disaster if he kept making decisions!

Zhou Ziyue was in such a state now.

“Zhou Ziyue looked up at ye Sui and said, “Some things are better said face to face. You Can’t ask me to break up with Feng Yang on the phone, right?” ”

“”Over the phone!”Ye Sui continued, “The phone is meant to provide convenience for humans. Besides, if you ask him to meet you, what if he pesters you?” ”

“He’s not that kind of person!”Zhou Ziyue knew Feng Yang well after being with him for so many years.

“”Then what do you mean? Ask him out and break up with him? But don’t forget, you’re in Beijing now. where is he? He’s at his hometown!” ”

“Zhou ziyue continued, “He came to the capital on business yesterday.” ”

Business Trip?

“Ye Sui looked at Zhou Ziyue and narrowed his eyes. “He can’t be chasing after you, right?”Feng Yang was too scary. He could actually chase him all the way to the capital. ”

“”No, he’s on business.”Zhou ziyue continued, “How about this, I’ll meet him tomorrow and explain things clearly.” ”

“”Alright, you can decide your own matters.”Ye Sui continued, “I still say, settle it as soon as possible.” ”

“After saying this, ye Sui left the room. ”

“After ye Sui left, Zhou Ziyue called Feng Yang. ”

Feng Yang quickly picked up. “Hello.”

“Zhou ziyue said, “Are you free tomorrow?” ”

“I was just about to call you. I’m Free Tomorrow,” Feng Yang continued, “Send me your aunt’s address. By the way, this is my first time coming to your aunt’s house. What should I bring?” ”

Come to the Lin Family?

Wouldn’t that expose her?

“Zhou ziyue continued, “Feng Yang, it’s best if you don’t come to my aunt’s house. Let’s go outside.” ”

“Why?” Feng Yang asked.

“He and Zhou Ziyue had met each other’s parents a long time ago. They had already reached the point of discussing marriage. At this moment, Zhou Ziyue and her mother were both living in the Lin family. As Zhou Ziyue’s fiancé-to-be, it was only right for him to come and visit. ”

“Zhou Ziyue sighed, then, she said, “To tell you the truth, my aunt doesn’t like us country relatives very much. If my mother didn’t insist on staying here, I would have left long ago! “You don’t know, but I even feel that the air here is oppressive! “I feel terrible every day! “But Feng Yang, I don’t want to implicate you and me in suffering together!” ”

“Hearing that, Feng Yang frowned slightly. “So, your aunt doesn’t welcome you?” ”

“Yes,” Zhou Ziyue said. ”

“Feng Yang continued, “How can your family have such relatives!” ”

“Zhou Ziyue sighed again. “It can’t be helped. People will change when they get rich. Their family is a high-class family in the capital, and my mother and I are just poor relatives who came here to fight.” ”

Feng Yang was very angry. He felt that people should not look down on their relatives at any time.

Chapter 2694: 602: Let's break up

"Although the Lin family was a high-class family in the capital, their morals were not good."

He looked down on such people from the bottom of his heart.

"Feng Yang continued, "Ziyue, why don't you and Auntie Come Back Too? Don't stay there any longer." "

"Zhou Ziyue sighed. "I don't want to continue staying here either. It depends on their expressions, but I can't do anything about it. My mother is too loyal..." "

"Alright then." Although Feng Yang felt sorry for Zhou Ziyue, this was after all Zhou Ziyue's family matter, so he couldn't interfere, then, he said, "Take care of yourself. Don't let others bully you. If anyone bullies you, give me a call." "

"Okay." Zhou ziyue continued, "Then where shall we meet tomorrow?" "

"Feng Yang said, "Where do you live?" "

"Downtown," Zhou Ziyue replied. "

"Feng yang smiled and said, "It just so happens that I'm also in the downtown area. Then, can we meet on the first floor of the Biluo Building at 10 o'clock Tomorrow Morning?" "

"Sure." Zhou ziyue continued, "Then we'll meet tomorrow." "

"See You Tomorrow."

“After hanging up the phone with Feng Yang, Zhou Ziyue felt a little uncomfortable and even a little breathless.”

“The more she thought about Ma Lu’s face, the more obvious this feeling became.”

What should she do?

Should she really make things clear with Feng Yang Tomorrow?

“From now on, she would spend the rest of her life with that Ugly Freak?”

No.

She was not convinced.

On what basis?

On what basis would fate treat her like this.

“Zhou Ziyue held her phone tightly, her expression unclear.”

“At this moment, the tightly shut door was pushed open.”

The person pushing the door was none other than ye Sui.

“Looking at ye Sui’s expression, she knew that she had been eavesdropping outside the door for a long time.”

“Seeing ye Sui, Zhou Ziyue said angrily, “You eavesdropped on me!” ”

“I’m your mother! What do you mean by eavesdropping!”Ye Sui said.

“Zhou ziyue continued, “What exactly do you want to do?” ”

“”What do I want to Do? I want you to break up with Feng Yang as soon as possible!”Ye Sui pointed at Zhou Ziyue and said, “When you meet Feng Yang Tomorrow, don’t delay anymore!” ”

Zhou Ziyue didn’t say anything.

“”If you continue to get involved with Feng Yang, I won’t have a daughter like you in the future!”Ye Sui continued, “I’ve already helped you to find out. The Ma family’s family background can be counted on one hand in the capital. Even many big stars are fighting to be the MA family’s daughter-in-law! Don’t you know what’s good for you!” ”

“This was a blessing that many people could not hope for. Zhou Ziyue, on the other hand, wasted this opportunity for nothing. ”

“After saying that, ye Sui continued, “If you follow Ma Lu, your children will be the second generation of the rich. If you follow Feng Yang, you will be the second generation of the rich! Think it through yourself!” ”

“Some things had to be thought through by the authorities themselves. Otherwise, it would be futile for others to say anything more. ”

“Zhou Ziyue was feeling very uncomfortable now, especially when ye Sui said those words. ”

She knew very well what it meant to be a rich second generation or a negative second generation.

“”With how Ma Lu looks like, how good can our descendants be?”Zhou Ziyue asked in return. ”

“Actually, this was also what Zhou Ziyue was most worried about. ”

Genes were the most powerful. What if their children in the future all inherited Ma Lu’s genes?

Who Didn’t like beautiful girls?

Especially girls.

“Ye Sui continued, “I’ve already asked around for you. The reason why Ma Lu became like this is not because he looked like this from the beginning!” ”

“What do you mean?”Zhou Ziyue asked.

“Ye Sui explained, “Bai Jingshu told me that Ma Lu had a car accident before, that’s why she became like this. The Ma Lu in the past was also a handsome young man. So, you don’t have to worry about your descendants.” ”

“Really?”Zhou Ziyue asked in surprise.

“”Really.”Ye Sui nodded, “Ninety percent of the reason for this appearance is because of heredity. This Ma family is rich and powerful. How Could Ma Lu’s father marry an ugly monster? So, you should know what’s going on even if you think about it with your toes!” ”

“I see.”Zhou ziyue came to a sudden realization. The doubts that had accumulated in her heart over the past few days disappeared completely.

“Seeing Zhou Ziyue like this, ye Sui’s attitude was also much better, he continued, “Ziyue, you are my daughter. There has never been a mother in this world who would harm her own daughter. So, you must seize the opportunity to turn the tables. If you miss this opportunity, you will never be able to turn the tables in the future.” ”

“Ye Sui’s attitude suddenly changed from strong to weak, which made Zhou Ziyue somewhat at a loss. ”

She began to reflect on whether what she said earlier was too much.

“Ye Sui looked at Zhou Ziyue’s expression and sighed, then he said, “Your father and I have been ordinary people all our lives. We’ve worked for others all our lives. We know the hardships of living under someone else’s roof. Ziyue, you’re different. You have a chance to change your fate now. I hope you can grasp it firmly and not waste this opportunity.” ”

“Zhou Ziyue nodded. “Yes, Mom, I understand.” ”

“”It’s good that you understand.”Ye Sui patted Zhou Ziyue’s hand, “Actually, Feng Yang is also a good child. Unfortunately, his family’s conditions are a little poor. If you really marry him, then you can only live like your mother for the rest of your life.” ”

Live Like Ye Sui?

“Hearing this, Zhou Ziyue looked up at ye Sui. ”

“Although ye Sui was ye Shu’s sister, she was only two years older than ye Shu. However, the bright and beautiful ye Shu looked like she was only in her early thirties. But what about ye Sui? ”

“Because of her constant fatigue, she looked old and haggard. ”

No.

She couldn’t live like ye Sui

She wanted to live a beautiful life!

“Ye Sui grabbed Zhou Ziyue’s hand at the right time. “Ziyue, the saddest thing in a person’s life is to choose the wrong path.” ”

“Okay.” Zhou Ziyue nodded again.

Ye Sui looked at Zhou Ziyue and was already confident.

“In the blink of an eye, the next day arrived. ”

Zhou Ziyue arrived at the address that she had agreed to with Feng Yang.

Feng Yang had been waiting for her since a long time ago.

“When he saw Zhou Ziyue come over, Feng Yang immediately trotted over. “Ziyue.” ”

“Feng Yang.”

Zhou Ziyue smiled and hugged Feng Yang. “Have you been waiting for a long time?”

Feng Yang helped Zhou Ziyue to brush her hair. “I just arrived too.”

“Really?”

“Really.”

“Just like Zhou Ziyue, he had given his heart to Zhou Ziyue. ”

It was not easy for the two of them to love each other for ten years.

“Feng Yang held Zhou Ziyue’s hand tightly and asked, “When is Auntie going back?” ”

Zhou Ziyue shook her head. "I'm not sure yet."

"Feng Yang frowned slightly and continued, "Since your aunt's family is not friendly to you, why don't You Leave?" "

"Hearing that, Zhou Ziyue sighed, "Firstly, my mother is more loyal. She just went to my aunt's house not long ago. If she left so soon, she would definitely be discussed by those acquaintances in her hometown. My aunt looks down on her poor relatives. "So, my mother didn't leave because of my aunt's face." "

"In just a few words, ye Sui was molded into a good sister who was thinking of her younger sister. "

"What about the second reason?" Feng Yang asked.

"Zhou ziyue continued, "The second reason is because of my brother." "

"Libang?" Feng Yang asked.

"Zhou Ziyue nodded. "You know my brother. Not only does he not have any abilities, but he is also ambitious. My mother and father are very worried about her. They hope that my aunt can help libang find a good job." "

"I see." Feng yang nodded and continued, "The hearts of all parents are pitiful. However, asking your aunt for help is not a solution. Libang still has to set his own goals." "

It was better to rely on oneself than to rely on anyone else.

"A bitter smile appeared on Zhou Ziyue's face. "Although that's what you said, in the eyes of parents, if you can help your child, you must help him." "

"That's true." Feng Yang reached out and put his arm around Zhou Ziyue's shoulder. "But if you can persuade me, you can persuade Auntie. Libang still has to rely on himself." "

“Yes, I know.” Zhou Ziyue nodded. ”

Feng yang smiled and said, “Let’s not talk about these unhappy topics. I know a delicious coconut chicken restaurant upstairs. Shall we have coconut chicken for lunch?” ”

“Sure.”

The two of them went to the restaurant upstairs.

“After lunch, Zhou Ziyue went to watch a movie with Feng Yang. ”

“Zhou Ziyue looked at the tall and handsome Feng Yang beside her and held his hand tightly. She tried to say something, but every time the words reached her mouth, she swallowed them. ”

How should she tell Feng Yang?

Zhou Ziyue bit her lips.

“Feng Yang saw that something was wrong with Zhou Ziyue. He turned to look at Zhou Ziyue and said, “Ziyue, what’s wrong? Are you not feeling well?” ”

“No.” Zhou Ziyue shook her head. “Feng Yang, I have something to tell you.” ”

“What?” Feng Yang looked at Zhou Ziyue.

“Zhou ziyue continued, “Let’s break up.” ”

Chapter 2695: 604: thought it through

Break up.

“At this moment, Feng Yang even felt like he was hearing things.”

Who was breaking up with whom?

Zhou Ziyue was breaking up with him?

““Why?”Feng Yang looked at Zhou Ziyue, his eyes filled with disbelief. “Ziyue, are you kidding me?””

““I’m not kidding.”Zhou Ziyue sighed. “Feng Yang, we’re not compatible.””

They were really not suitable for each other.

Feng Yang could never give her what she wanted.

“Ye Sui was right. It was better to cut the pain short than to drag it out. Rather than dragging it out, it was better to cut ties with Feng Yang as soon as possible.”

“What’s not suitable?”Feng Yang looked at Zhou Ziyue. “We’ve been together for ten years. We know each other better than we know ourselves.”

“Zhou Ziyue looked at Feng Yang and continued, “Feng Yang, you’re a good person. I’m not worthy of you.””

“Speaking up to this point, Zhou ziyue continued, “When I was in high school, everyone thought that I was better than you. At that time, I thought that I might really not be good enough for you.””

“Zhou Ziyue was also very sad to break up with Feng Yang, but she had no choice but to break up with him.”

She and Feng Yang were not from the same world.

She also did not want to repeat ye Sui’s life after she married Feng Yang.

“Feng Yang put his hands on Zhou Ziyue’s shoulders and said, “Ziyue, it’s not like that! There’s no such thing between us. It’s been so many years. Do you still have a grudge against us?””

“Zhou Ziyue’s eyes were a little red, she sobbed and said, “You don’t understand my feelings at all, because I was the one who was involved in the matter! And you were just a bystander, so you never felt that those things hurt me! Instead, you were gloating! Gloating that someone would be jealous of you and Smear Me!””

“It was fine if she didn’t think about some things, but the more she thought about it, the more Zhou Ziyue felt that the things back then were unfair to her.”

Feng Yang was very handsome.

“But at the same time, Feng Yang was also very poor.”

““I didn’t.”Feng Yang looked at Zhou Ziyue. “I never thought about it that way! Ziyue, why haven’t you said these things before? !””

““Because I thought that some things would be over in the past, but I didn’t expect that the pain would stay with me until now.”Zhou ziyue continued, “Feng Yang, think about it. Before you decided on anything, did you ever discuss it with me? “You didn’t. You always made a dictatorial decision!”Zhou ziyue continued, “The most important thing for two people to be together is mutual understanding and respect, but we didn’t. You always thought that I was trying to climb up to you. For example, buying a house. You never asked for my opinion.””

“I didn’t ask for your opinion on buying a House?” Feng Yang finally realized that something was wrong. He looked at Zhou Ziyue and said, “I’ve been asking you. If you didn’t nod, I didn’t pay.””

“Hearing this, Zhou Ziyue became even angrier, she said angrily, “Then what do you mean? What does it have to do with me if you buy a house? “If I agree, what if the house price falls? Will you blame me? “Also, if I agree and our relationship breaks up later, will you blame me for agreeing to buy a house for Love? “You just want to trap me with the House!””

“So that’s what you think in Your Heart?” Feng Yang’s expression was unclear.

He was very sad.

Very sad.

“He never knew that in Zhou Ziyue’s eyes, he was already unbearable to this extent.”

“What I think depends on how you do it!” Zhou Ziyue said.

“So,” Feng Yang looked up at Zhou ziyue, “You have to break up, right?””

“Yes.” Zhou Ziyue nodded.

“There’s no room for redemption,” Feng Yang continued to ask.”

“Zhou ziyue continued, “There’s no room.””

There’s no room for redemption.

“Are you serious, or are you acting on Impulse?” Feng Yang paused, then, he said, “People will be very impulsive at a certain moment. It will be fine after this period of time. Why don’t we go back and calm down? If you still want to break up after the period of calm, I have no objections.””

“There’s no need to calm down.” Zhou Ziyue looked at Feng Yang and said, “To tell you the truth, I have thought about these things for many days.”

“Zhou Ziyue, we have been together for ten years! Not ten days!” Feng Yang could no longer control the anger in his heart. He threw the milk tea in his hand onto the ground. “Did you break up so easily?”

“It is precisely because we have been together for ten years that we have achieved nothing in these ten years. That is why I want to break up!” In Love, it was either you who made me, or I who made you. But she and Feng Yang, she was an ordinary person, Feng Yang was also an ordinary person. There was no one who made the other.”

“Is that your real goal?” Feng Yang’s face was full of sadness, “Actually, I should have thought of it long ago. Your aunt isn’t an ordinary person. In fact, she didn’t look down on you at all. The real reason you didn’t let me go to your aunt’s house was because you wanted to break up with me, right?”

The capital was a bustling city. It was normal for young and beautiful girls to get lost here.

“However, Feng Yang was still a little unwilling.”

How could his girlfriend of ten years break up so easily? !

They were clearly at the stage where they were talking about marriage.

“Yes.” Zhou Ziyue took a deep breath. “Since you already know, then I won’t hide it anymore. Your guess is right. Feng Yang, from today onwards, we are done. There will be no relationship anymore.”

“After saying this, Zhou Ziyue turned around and left.”

Feng Yang stood where he was.

“In a moment, he picked up the milk teacup on the ground, walked to the corner, and threw it into the trash can. Then, he squatted in the corner, covered his face, and wailed without caring about his image.”

“At this moment, the phone suddenly rang.”

Feng Yang took out his phone. It was his subordinate.

His subordinate must have something important to call him right now. Feng Yang immediately stopped crying and tried to pretend that nothing had happened. He picked up the phone. “Hello.”

“Hello, President Feng. The first party said that there was a problem with the plan. Where are you now?”

“Okay, I’ll be there at nine.”

“After hanging up the phone, Feng Yang didn’t have time to be sad. He immediately took a taxi back to the hotel.”

The biggest feature of Beijing was traffic jams.

“After half an hour of traffic jams, the car finally arrived at the entrance of the hotel.”

Feng Yang hurriedly got out of the car.

“At this moment, he hid his sadness in his heart and could no longer see any abnormalities.”

“After returning to his hotel room, he began to work busily.”

...

On the other side.

“After Zhou Ziyue returned to the Lin family, ye Sui immediately asked, “How was it? How was it? Did you explain everything clearly?””

“Yes.” Zhou Ziyue was very sad now.

She was even sadder than Feng Yang.

“These ten years, not only Feng Yang’s ten years, but also her ten years.”

“Ye Sui patted Zhou Ziyue’s shoulder. “Don’t be sad. After today, you will be above everyone else. No one can compare to you. Not just you. In the future, your children, your children’s children, will be above everyone else.””

“Zhou Ziyue took a deep breath and said with red eyes, “Mom, I want to calm down by myself.””

She didn’t even know why she had the courage to break up with Feng Yang today.

“She was so determined, so heartless.”

“Now, she felt a little regretful. She picked up her phone, opened wechat, and wanted to send a wechat message to Feng Yang.”

“What if after she broke up with Feng Yang, Ma Lu looked down on her again?”

“After all, Ma Lu didn’t even add her wechat.”

“Feng Yang was right. Sometimes, people were impulsive at a certain moment. After being impulsive, they would regret it.”

“What If Ma Lu didn’t want her? Based on her current situation, it would be difficult for her to find someone better than Feng Yang.”

“As she thought about it, Zhou Ziyue couldn’t help but open the dialogue box with Feng Yang.”

“At this moment, the wechat suddenly popped up with a friend request.”

It was Ma Lu!

“After the blind date that day, Ma Lu did not add Zhou Ziyue’s wechat in time.”

“Now, Ma Lu had finally applied.”

“Zhou Ziyue’s heart was quickly replaced by excitement. She clicked back and opened Feng Yang’s wechat. Then, she clicked delete and entered the blacklist.”

“From then on, she had nothing to do with Feng Yang anymore.”

“After deleting Feng Yang, Zhou Ziyue deleted Feng Yang’s circle of friends again. She changed the circle of friends that she had only seen for three days to one that could be seen at any time.”

“After confirming that there were no problems, Zhou Ziyue agreed to Ma Lu’s friend request.”

“Ye Sui looked at Zhou Ziyue’s expression and could not help but say, “Ziyue, you must not be muddle-headed again. Feng Yang doesn’t deserve you at all.””

“”Okay, I got it.”Zhou Ziyue nodded.”

“Hearing that, ye Sui said in surprise, “What did you say?””

“I said I got it.” Zhou Ziyue looked up at Feng Yang. “Mom, I won’t have anything to do with Feng Yang anymore. Don’t worry.”

“Really? Ziyue, have you really thought it through?” Ye Sui asked.

Chapter 2696: 605: take what you need

“Yes, I’ve thought it through.” Zhou Ziyue nodded. ”

“Since she had already made things clear with Feng Yang, she would not be bothered anymore. ”

From now on.

Her identity was only Zhou Ziyue. She had nothing to do with Feng Yang.

“Even if she did, it was only as a stranger. ”

“Ye Sui smiled and said, “Good Girl, Ziyue, your fortune is still in the future.” ”

Zhou Ziyue’s eyes were filled with determination.

“At this moment, wechat rang. ”

Zhou Ziyue looked down at her phone.

It was a wechat message from Ma Lu.

“Who sent this message? Feng Yang?” Ye Sui asked.

“No,” Zhou Ziyue shook her head. “It’s Ma Lu.” ”

“Ma Lu?” At this moment, Ye Sui’s eyes lit up. He continued, “Then you have to have a good chat with little Ma. Be careful with your words. Don’t let little Ma discover anything.” ”

“Okay.” Zhou Ziyue nodded.

On the other side.

Feng Yang finished all his official business and sat on the sofa. He looked especially tired.

It was very uncomfortable.

He had given his heart to Zhou Ziyue. He had even thought of the names of their children in the future.

He had thought of many possibilities for the two of them in the future.

But he had not thought of breaking up.

The word ‘break up’ was too far away for them.

But everything happened so suddenly today.

“Feng Yang pinched the bridge of his nose, tears flowing uncontrollably from his eyes. ”

“At this moment, he suddenly thought of something and immediately took out his phone to call Zhou Ziyue.”

“He didn’t believe, didn’t believe that Zhou Ziyue would really break up with him.”

All of this might just be a joke.

“However, the busy tone on the other end of the phone was hinting to Feng Yang that Zhou Zi Yue had already blocked him.”

It was impossible.

There was really no possibility between them.

Feng Yang hung up the phone.

“Just as he hung up the phone, the ringtone sounded again.”

Was It Zhou Zi Yue?

“Feng Yang’s already dim eyes instantly lit up with hope. He picked up the phone again, but the caller ID disappointed him.”

It wasn’t Zhou Ziyue.

It was his mother in Yun Jing.

Feng Yang took a deep breath and pretended to be fine as he picked up the phone. “Hello.”

“Hello, Yang Yang.”

“Mom.”

“Mother Feng continued, “Yang Yang, have you eaten?” ”

“I’ve already eaten. How about you?”Feng Yang continued to ask.

““I’ve eaten too.”Mother Feng smiled and said, “Have you seen Ziyue today?” ”

““Yes,”Feng Yang answered. ”

““That’s good.”Mother Feng asked again, “Will you come back with Ziyue?” ”

“Probably not.”Feng Yang Thought for a moment and finally decided to go back and tell his mother about him and Zhou Ziyue. “She said that she wants to stay at her aunt’s house for a while longer.”

““Aunt is her aunt after all. Isn’t it inappropriate to stay at her house for such a long time?”Mother Feng continued, “Tell Ziyue that relatives are separated by a layer after all. They are too embarrassed to take the initiative to bring it up, but we adults shouldn’t be insensible.” ”

““It’s fine. That’s her biological little aunt,”Feng Yang said. ”

““Okay, okay, okay.”Hearing Feng Yang’s words, mother Feng smiled helplessly and said, “Anyway, I’m just saying.” ”

“After saying that, mother Feng reminded, “You must take good care of yourself outside. Remember to eat on time.” ”

““Yes, I know.” ”

“Mother Feng said again, “By the way, have you told Ziyue about the house? I heard from your uncle that the house prices in South Lake are about to rise. If you have such plans, you must make the down payment earlier.” ”

“Feng Yang’s uncle worked in a real estate company, so he had a clear view of the real estate problem.”

Mother Feng was extremely regretful that she had not listened to her brother and bought a few more houses.

“Hearing this, Feng Yang fell silent.”

“After a while, he said, “Yes, if the price is going to go up, why not buy it? I’ll settle the down payment when I get home.” ”

“So Soon?” Mother Feng asked.

“Yes.” Feng Yang nodded.

“Mother Feng asked again, “Have you discussed it with Ziyue?” ”

“”Mom, I’ll be back the day after tomorrow.” Feng Yang changed the topic.”

“Okay.”

“After chatting with his mother for a while, Feng Yang hung up the phone.”

“After hanging up the phone, Feng Yang sighed. “Life!” ”

It was like a joke.

Feng Yang finally believed a sentence.

“In this world, apart from family ties, everything would go bad.”

Zhou Ziyue and Ma Lu were chatting quite well.

Ma Lu even asked her out for dinner and a movie.

“Of course, Zhou Ziyue happily agreed.”

The next day.

Zhou Ziyue got up early in the morning to put on her makeup.

“Seeing her like this, ye Sui was very happy. He smiled and asked, “Are you going on a date with Xiao Ma?” ”

“Yes.” Zhou Ziyue nodded.

““Okay.” Ye Sui bent down and put his hand on Zhou Ziyue’s shoulder. “Ziyue, you must seize the opportunity. The wealthy families pay the most attention to bloodline issues. If you can...” the rest was self-evident.”

“Zhou Ziyue nodded. “Mom, I know.” ”

““Well, it’s good that you know,” ye Sui said.”

“After breakfast, Zhou Ziyue went to the restaurant where she had a date with Ma Lu.”

“When she arrived, Ma Lu had not arrived yet.”

“However, Zhou Ziyue was not angry. She just sat by the window and waited.”

“After about half an hour, Ma Lu arrived late.”

The most important thing was that Ma Lu was not alone. Beside her stood a beautiful woman with a good figure.

Her skin was fair and she looked much better than Zhou Zi Yue.

“The beautiful woman took the initiative and said, “Hello, Miss Zhou. I’m Nina and I’m also Young Master Ma’s female companion. Nice to meet you.” ”

Zhou Zi Yue sat there and forgot to react.

What did Ma Lu mean by this?

There were actually other women around her on a date with her. Was he trying to humiliate her?

“Seeing that Zhou Ziyue didn’t say anything, Nina smiled at Ma Lu. “Young Master Ma, Miss Zhou seems to be angry!” ”

“At this moment, Zhou Ziyue stood up from the chair and smiled. “Sister Nina, Nice to meet you. My name is Zhou Ziyue.” ”

Nina was stunned.

How could she have thought that Zhou Ziyue could actually smile.

Amazing!

“Obviously, Ma Lu also did not expect Zhou Zi Yue to be so tolerant. She hugged Nina and sat down on the chair. Then, she said, “In the future, when I go out with you, Nina will always be by my side. You Won’t mind, right?” ”

“No.”Zhou Zi Yue said.

“”That’s good.”Ma Lu continued, “Not only Nina, but also ANSHA, Coco, se se...” ”

“I’ve said it before.”Zhou Ziyue looked straight at Ma Lu’s ugly face. “What I Like Is You. It has nothing to do with other people.”

Nina took a sip of her drink.

“She was with Ma Lu purely for money, but she didn’t expect that someone would actually say such words in front of Ma Lu. ”

“Ma Lu raised her cup. “So, you’re different from them? They’re all interested in my money, only you. You’re doing this for me?” ”

“”Yes.”Zhou ziyue continued, “After seeing you, I have no doubt about love at first sight.” ”

“Love at first sight?”Ma Lu laughed out loud. “Are you sure it’s not money at first sight?”

“No.”Zhou Ziyue said firmly.

“She wasn’t after money, she was after the position of Mrs. Ma. ”

“”Okay.”Ma Lu nodded. “I believe you. Otherwise, Jingshu wouldn’t have introduced you to me.” ”

“For the first time in her life, Zhou Ziyue felt that she should thank Bai Jingshu. ”

“At the same time, she also hated Bai Jingshu. ”

She hated why Bai Jingshu would introduce such an ugly freak to her.

“Ma Lu continued, “You did well. As my wife, you will have to endure more than this in the future. I will slowly let you get used to it. Of course, if you can’t get used to it, you can quit anytime.” ”

“Speaking up to this point, he pulled Nina over and kissed her on the cheek. ”

Zhou Ziyue maintained her smile. “I got it.”

Ma Lu looked at Zhou Ziyue and nodded.

“After the meal, another beauty who was on par with Nina arrived. ”

Ma Lu hugged her left and right while Zhou Ziyue followed behind the three of them like a servant serving tea and water.

“Zhou Ziyue was also a person with dignity. She could not stand such things, but she still endured it and did not complain on the spot. Instead, she went home and complained to ye Sui. ”

“Ye Sui smiled and said, “What is this? “At least Xiao Ma has told you his true self, unlike some people who pretend to be affectionate when they are clearly having an affair outside! “Anyway, the two of you are getting what you want. You Don’t need to think so much! “You just need to get what you want.” ”

“In the face of money and power, everything was just floating clouds. ”

Zhou Ziyue narrowed her eyes and felt that ye Sui’s words made sense.

“Ye Sui continued, “When you become Mrs. Ma, those vixens outside will have to look at your face. As long as you become Mrs. Ma, they will never be as good as you.” ”

““Yes.”Zhou Ziyue nodded. “Mom, you’re right.” ”

Chapter 2697: 606: Heartless 1

It had to be said that ye Sui sometimes saw things much more clearly than others.

“When she became Mrs. Ma, those people outside would never be able to compare to her! ”

“Thinking of this, Zhou Ziyue’s eyes were full of determination. ”

“Ye Sui continued, “So, ziyue, you have to suffer through hardships to become a better person. The hardships you are suffering now are all paving the way for your future happiness.” ”

“Thinking about how she would be able to attain the Dao and raise her family to heaven, ye Sui was very excited. ”

He felt even more honored.

“After all, Zhou Ziyue was her daughter. She had nurtured and educated her well, which was why Zhou Ziyue had her current achievements. ”

““Okay, mom, I understand.”Zhou Ziyue nodded. ”

““It’s good that you know.”Seeing Zhou Ziyue like this, ye Sui nodded in relief. ”

On the other side.

“After dealing with the matters in the capital, Feng Yang bought a plane ticket back to cloud capital. ”

“Before returning to cloud capital, Feng Yang edited a text message and sent it to Zhou Ziyue. ”

He and Zhou Ziyue had a story of ten years.

These ten years could not be forgotten just like that.

“Therefore, he planned to give himself a chance and also give Zhou Ziyue a chance. ”

“After sending the text message, Feng Yang went to the address on the text message. ”

An hour passed.

Two hours passed.

“In the end, he still didn't see Zhou Ziyue's figure. ”

“Feng Yang looked into the distance, and his eyes gradually became moist. ”

“At this moment, he suddenly saw a familiar figure. ”

It was Zhou Ziyue.

Zhou ziyue came?

“He knew that Zhou Ziyue was definitely like him, unable to let go of the feelings of these ten years.”

“Zi...”the remaining word ‘Yue’was stuck in Feng Yang’s throat just like that.

What did he see?

“He saw Zhou Ziyue actually hugging a man’s arm, smiling sweetly.”

“The man’s facial features were not very friendly, but even if they were very far away, one could still see the rich and noble aura on his body. Not only that, there were even bodyguards behind him.”

Feng Yang took a few steps back weakly.

He had waited for so long...

In the end...

Was this the result he had been waiting for?

“He had thought that there was only pure love between him and Zhou Ziyue, but it was not the case.”

“Handsome.”

“At this moment, a pleasant female voice suddenly appeared in the air.”

Feng Yang looked up and saw that it was a young woman with wavy curly hair.

She was very good-looking.

“Hello,” Feng Yang said. ”

“The young woman continued, “Handsome, do you know Zhou Ziyue?” ”

“Yes.” Feng Yang nodded.

“No Wonder,” the young woman continued, “My name is Nina.” ”

“Feng Yang,” Feng Yang said. ”

“Nina smiled and said, “Are you and Zhou Ziyue a couple?” ”

“We used to be,” Feng Yang said. ”

“Nina covered her mouth and smiled, “That’s true. But you’re so handsome, how do you see Zhou Ziyue?” ”

“Feng Yang didn’t say anything, ”

“Nina continued, “Handsome, there are plenty of fish in the sea. Don’t be sad. Actually, this is a good thing for you. Zhou Ziyue will betray you now, but she can still get married in the future. Do you know who the person beside Zhou Ziyue is? The Young Master of the Ma Corporation, Ma Lu. When Zhou Ziyue and Ma Lu went on blind dates, she claimed that she was single. She even said that she would tolerate anything for Ma Lu. Even if Ma Lu hugged her from both sides, she wouldn’t care.” ”

“To be honest, this is the first time I’ve seen a girl like her.” ”

“You’re really not worth it.”

Feng Yang couldn’t stand still.

His heart was broken.

It turned out that Zhou Ziyue had wanted to break up with him a long time ago. He thought that he had done something wrong and that Zhou Ziyue wanted to break up with him... ..

Everything had been planned for a long time.

“Thank you for telling me all this.” Feng Yang turned to look at Nina.

“Nina smiled and said, “You’re welcome. Actually, I’m the same as her. I love vanity.” ”

“However, she didn’t have a boyfriend like Feng Yang. ”

““However, the only difference is,” nina paused and continued, “I never lie.” ”

“At this point, Nina continued, “It’s a good thing to get rid of people like Zhou Ziyue. I wish you peace and happiness for the rest of your life.” ”

““Thank you,” Feng Yang said. ”

“You’re welcome.”

“After saying this, Nina turned around and left. ”

Feng Yang suddenly felt less sad. He picked up his suitcase and walked towards the airport.

“After a four-hour flight, Feng Yang arrived in Yun Jing. ”

The first thing he did after returning home was to buy a house.

“After mother Feng learned about this, she couldn’t help but blame, “Why didn’t you discuss it with Ziyue! What if she doesn’t like it?” ”

“”Mom.”Feng Yang carefully chose his words in his heart. Then, he looked at his mother and said, “I broke up with Zhou Ziyue.” ”

“Broke up?”Mother Feng’s reaction wasn’t as surprised as Feng Yang had imagined.

“Yes.”Feng Yang nodded.

“Mother Feng looked at Feng Yang and said, “It’s good that we broke up.” ”

“This time, it was Feng Yang’s turn to be surprised. He looked at mother Feng and asked, “Mom, are you telling the truth?” ”

“”Why not?”Mother Feng continued, “There are some things I didn’t want to say, but now that you two have broken up, it’s okay for me to say it.” ”

“What is it?”Feng Yang asked.

“You and Zhou Ziyue were never compatible from the beginning.”

“Mother Feng paused, “When Zhou Ziyue first came to our house, I felt that this girl was not someone who could live at home, let alone behave herself! “But there’s nothing we can do about it. You like her! “So your father and I can only respect your opinion. We thought that since the two of you are in love, maybe she could make a change for you.” ”

“Unfortunately, in the end, the two of them still went their separate ways. ”

“Mom, you have never told me these things!” Feng Yang’s eyes were full of shock. ”

“Mother Feng smiled and said, “Because I know that you really like her. If I had stopped your development at that time, would you have listened to me? Since I couldn’t stop her, then I might as well wish her well!” ”

“Speaking up to this point, mother Feng held Feng Yang’s hand, then she said, “Yang Yang, you and she are not from the same world. Now that you have separated, I am very happy. Don’t feel any regrets. In the future, if she regrets it, you are not allowed to go back to the way things were. A man can not be lacking in ambition.” ”

“Although Feng Yang could not be considered outstanding, he could definitely be considered outstanding among ordinary people. ”

“He was a small leader in the unit. He had a car and a house. His parents were both civil servants. When he got old, he would have a pension. In the future, he would not need to have any worries. ”

“Mom, I know.” ”

“Mother Feng continued, “How about this? From tomorrow onwards, I will pay attention to the right girl for you. Our unit does not have many things. We only have many young and beautiful girls.” ”

“There’s no need for that, Mom,” Feng Yang continued, “I don’t want to start a new relationship so soon for the time being.” ”

“At the moment, he wanted to focus on his work. ”

“That’s fine too.” Mother Feng knew Feng Yang very well, so she was not worried that he would turn back. She continued, “If you ever want to find someone, just let me know.” ”

“Okay.”

“After listening to his mother’s words, Feng Yang’s mood became even more cheerful.”

He thought that his mother would be sad and sad.

“It turned out that everyone had seen the true nature of Zhou Ziyue, but he was the only one who had not seen it clearly.”

He was really a fool.

“Feng Yang looked at the sunlight outside the window. At this moment, he was filled with confidence and hope for the future.”

In the capital.

“Today, not only did Feng Yang see Zhou Ziyue, but Zhou Ziyue also saw Feng Yang.”

“After returning home, Zhou Ziyue’s heart was still in a panic.”

“Because the love in Feng Yang’s eyes could not be stopped. She was afraid that Ma Lu would discover something, and even more afraid that Feng Yang would run to Ma Lu and spout nonsense.”

What should she do?

What should she do now?

“If Ma Lu knew that she had an ex-boyfriend, Ma Lu would definitely break up with her.”

No.

She couldn’t break up with Ma Lu.

“After thinking about it, Zhou Ziyue decided to give Feng Yang a call. ”

“Soon, Feng Yang picked up. ”

“Hello.”

““Feng Yang, did you see everything today?”Zhou Ziyue asked. ”

“See what?”Feng Yang asked.

“Zhou ziyue continued, “The person standing beside me today is my current boyfriend. I advise you not to overestimate yourself. You are not from the same world as him.” ”

“What are you trying to say?”Feng Yang asked.

“Zhou ziyue said, “I’m warning you. Don’t go to my boyfriend and talk nonsense, or else...” ”

““Don’t worry, I Won’t go to your current boyfriend and say anything,”Feng Yang said word by word.
“Zhou Ziyue, we won’t have any relationship in the future.” ”

“After saying that, Feng Yang hung up the phone. ”

This phone call could be considered to be the end of their relationship.

“In the future, they wouldn’t have any relationship anymore. ”

“Looking at the phone that was suddenly hung up, Zhou Ziyue was stunned. For a moment, she didn’t know how to react. ”

Feng Yang...

Seemed to be different from before.

She didn't expect that Feng Yang would suddenly become so heartless.

Chapter 2698: 607: she was completely dumbfounded

She and Feng Yang had been together for ten years.

"In her opinion, Feng Yang should have been heartbroken and begged bitterly when she broke up with him."

But Feng Yang didn't do any of that.

"Not only did Feng Yang not do any of that, he even told her heartlessly that they would never have a relationship again."

Ten years of her youth had been exchanged for such a scumbag.

Zhou Ziyue regretted not breaking up with Feng Yang earlier back then.

"If they had broken up earlier, she might have become a rich lady by now."

"Zhou ziyue pinched her fingers, her eyes filled with hatred."

It was also at this moment that the only guilt in Zhou Ziyue's heart disappeared without a trace.

“Ziyue.”

“At this moment, the door was pushed open from outside. ”

“Zhou Ziyue immediately wiped the tears off her face. She looked back at the door and said with a smile, “Mom.” ”

“Ye Sui said with a smile, “Ziyue, how was your date today?” ”

““It was pretty good,”Zhou Ziyue replied. ”

“What does Xiao Ma Mean Now?”Ye Sui asked.

““Mom, what do you mean?”Zhou Ziyue asked. ”

“Ye Sui continued, “Did he tell you when he brought home to meet his parents? When did you guys get engaged?” ”

“Although ye Sui was not a rich lady, he knew how important status was to this circle. ”

“As long as Zhou Ziyue did not get promoted, her position would not be so stable. ”

“Hearing this, Zhou Ziyue shook her head. “Not yet.” ”

Ye Sui narrowed his eyes. “Then what does he mean now?”

“Zhou Ziyue thought for a moment and continued, “From the looks of it, he should be treating me as a marriage partner to get along with.” ”

“Really?” Ye Sui asked.

“Yes.” Zhou Ziyue nodded. “If you’re worried, you can actually rush Bai Jingshu. After all, Bai Jingshu is the matchmaker.”

“It was best for Bai Jingshu, the matchmaker, to be the one to talk about the engagement.”

“Zhou Ziyue’s words were like a wake-up call. Ye Sui’s face was instantly filled with a smile. “Ziyue, you’re right. I’ll go look for Bai Jingshu right away.””

Bai Jingshu happened to be at home today.

“When ye Sui arrived, Bai Jingshu was taking care of the child.”

“Second aunt,” Bai Jingshu greeted when she saw ye Sui.

Ye Sui smiled and went forward. “Jingshu!”

“Bai Jingshu stood up from her chair and said with a smile, “Second aunt, please have a seat.””

“Ye Sui continued, “Aiya, this little baby really changes every day. He’s getting cuter and cuter.””

Bai Jingshu smiled.

“Ye Sui complimented the child a few more times before continuing, “Oh right, Jingshu, have you been in contact with that pony recently?””

“Not at the moment. What’s the matter, second aunt?” Bai Jingshu asked.”

“Ye Sui thought for a moment before continuing, “I was thinking that Ziyue isn’t young anymore. It’s time to settle the matter.” ”

““So Soon?” Bai Jingshu looked at ye Sui in surprise, ”

““Not so fast. In our hometown, girls as old as Ziyue can even walk,” ye Sui said. ”

“Bai Jingshu explained, “Second aunt, I mean Ziyue and Ma Lu have known each other for less than a month. Isn’t it a little early to talk about this?” ”

“Ye Sui smiled and said, “Jingshu, as the saying goes, if fate brings us a thousand miles to meet, it’s hard to hold hands without fate. As long as the two of them are fated, time is not a problem at all! Don’t you think so?” ”

““But the two of them haven’t gotten along yet!” Bai Jingshu continued, “It’s still too early for us to talk about this! Actually, some things have to be done naturally. It’s not good to be too anxious.” ”

“Speaking up to this point, Bai Jingshu paused and changed the topic, “Second aunt, actually, I’m just trying to matchmake Ma Lu and ziyue. As for the specifics, I’ll let the two young people develop on their own. Now, I’m not only the matchmaker for Ziyue, but I’m also related to Ziyue. If I say too much in front of the Ma family, the Ma family will think that our Ziyue can’t get married!” ”

“Ye Sui thought about it and agreed. After all, Zhou Ziyue was a girl, so she had to be more reserved. If she took too much initiative, it was inevitable that people would look down on her. ”

“Ye Sui thought about it and said, “Jingshu, you’re right. But you have to worry about Ziyue.” ”

““Okay, don’t worry, second aunt,” Bai Jingshu said. ”

“After chatting with Bai Jingshu for a while, ye Sui turned around and left. ”

“Back in the guest room, Zhou Ziyue asked, “Mom, how was it? What did Bai Jingshu Say?” ”

“Ye Sui passed on Bai Jingshu’s words to Zhou Ziyue, then, he said, “Actually, what Bai Jingshu said makes sense. If we follow her closely and even mention the engagement to the Ma family, the Ma family will think that you won’t be able to get married!”! “So, ziyue, the most important thing for you to do now is to grab hold of Ma Lu’s heart tightly and let her have no choice but to take the initiative to propose the engagement with you.” ”

“Hearing that, Zhou Ziyue frowned slightly and looked at ye Sui. “Mom, this... This might be a little difficult.” ”

“Why?”Ye Sui asked.

“Zhou ziyue said, “Ma Lu has been hugging me on every date with me now. His mind is obviously not on me. He just lacks an official girlfriend. Do you think he will do anything for me?” ”

““Since Xiao Ma has taken a liking to you, it means that there must be something about you that attracts Xiao Ma.”Ye Sui looked at Zhou Ziyue, then he said, “Ziyue, you can’t belittle yourself. Besides, you’re not ugly. You’re better than those coquettish B * tches out there!” ”

Zhou Ziyue did not say anything.

“Ye Sui continued, “Are you still going out tomorrow?” ”

““I’m Not Going Out Tomorrow,”Zhou Ziyue said. ”

“Xiao Ma didn’t ask you out again?”Ye Sui was a little confused.

“No.”Zhou Ziyue continued to shake her head.

“Ye Sui frowned slightly. He didn’t understand what Ma Lu meant, “Since Xiao Ma didn’t ask you out, then you should spend the next few days chatting with Xiao Ma and finding common topics to talk about. I heard that the thing that couples are most afraid of is not having common topics after a long time.” ”

“Yes, Mom, don’t worry, I know.” Zhou Ziyue nodded. ”

“Ye Sui asked again, “Feng Yang’s side has been completely cut off, right?” ”

“Yes.” Zhou Ziyue continued to nod.

“Seeing this, ye Sui’s eyes were filled with relief. “It’s good that it’s completely cut off. Ziyue, you must not be muddle-headed at this time. A man like Feng Yang is not worth you being muddle-headed.” ”

What was Feng Yang?

Feng Yang wasn’t worthy of Zhou Ziyue at all.

“Zhou ziyue continued, “Mom, don’t worry. I’ll treat it as if I fed my youth to a dog!” ”

“It’s best if you can think like that!” Ye Sui smiled. “Ziyue, I believe that you’ll definitely be better than your aunt in the future!” ”

Du Du du —

“At this moment, there was a knock on the door. ”

Ye Sui put away the smile on her face and walked over to open the door.

“Little Shu.”

The person who knocked on the door was none other than ye Shu.

“Ye Shu smiled and said, “Sister, Zhuozhuo and her fiancé will come over for dinner tonight. Let’s eat half an hour earlier.” ”

“Zhuozhuo’s fiancé is here too?”Ye Sui asked.

“Yes.”Ye Shu nodded.

“Ye Sui smiled and said, “Okay, okay, okay.” ”

“After saying that, Ye Shu left. ”

“After ye Shu left, Zhou ziyue immediately asked, “Mom, Auntie just said that ye Zhuo and his fiancé will come tonight?” ”

“After coming to the Lin family for so many days, Zhou Ziyue had never seen ye Zhuo and her fiancé. ”

“”Yes.”Ye Sui nodded. “That’s what they said. That Idiot Ye Zhuo can actually marry into a rich family! Ziyue, just watch. Her fiancé must be an old and ugly old man!” ”

“I don’t think so!”Zhou Ziyue said.

“”Why Not!”Ye Sui crossed his arms in front of his chest, “Otherwise, with ye Zao Like That, which rich young master would like her!” ”

“With that said, it was not without reason. Thinking of this, Zhou Ziyue’s eyes showed a hint of a smile. ”

Ma Lu was at least young.

“Knowing that ye Zao’s fiancé was Old and ugly, her heart instantly calmed down. ”

At night.

Zhou Ziyue specially dressed up and arrived at the restaurant.

“When they arrived, ye Zao and Cen Shaoqing had yet to arrive. ”

“”Aunty, uncle-in-law.”Zhou ziyue called out politely, “Zao Zao and the others haven’t arrived yet?” ”

“Ye Shu smiled and said, “Quickly sit down. Zao Zao should be here soon.” ”

Zhou Ziyue sat down on her seat.

“Not long after, the sound of footsteps came from outside the door. ”

“Zouzhuo and the others have arrived.”

“As soon as she said that, a slender figure walked in from outside. ”

Zhou Ziyue was stunned.

“She saw that the person who walked in from outside was wearing a simple white hoodie, black jeans, and a pair of black Martin boots, which made her look cool and wild. ”

“Looking up, she saw a stunning face. ”

Smiling and smiling.

This was...

Ye Zhuo.

It had been three years since they last saw each other. He did not expect ye Zhuo to still be so beautiful.

“Mom and Dad.”

“”Zhuo Zhuo,” Lin Jincheng said with a smile, “Take a seat. Your mom knew that you were coming back, so she specially asked the kitchen to cook a lot of dishes that you like.” ”

“Ye Shu asked, “Where’s Shaoqing?” ”

“Ye Zhuo replied, “He’s parking the car. He’ll come in right away.” ”

“Okay.” Ye Shu nodded.

“Just as she was speaking, another set of footsteps could be heard. ”

Zhou Ziyue raised her head again and saw a tall figure.

“The man was wearing a moon-white long gown with a pair of buttons. He wore a long black coat and held a string of dark red Buddhist beads in his hand. His entire being exuded a sense of alienation, making one unable to catch up to him. ”

He looked like a demon and a Buddha.

“Uncle and aunt.”

“After he said that, the man walked to Ye Zao’s side and sat down. He whispered in a very intimate manner. ”

Zhou Ziyue was dumbfounded.

This...

This was ye Zao's fiancé?

Chapter 2699: 609: There is a way

Zhou Ziyue was stunned by the scene in front of her. She could not breathe.

Didn't they say that ye Zhuo's fiancé was an old and ugly man?

"Why was the man in front of her not old or ugly? Instead, he looked like a visitor from outer space."

This face could only be described as Shengshi's beauty.

What was going on?

Ye Zao was just an idiot who had nothing but skin. How could she have such an outstanding fiancé?

"Zhou Ziyue clenched her hands tightly, feeling extremely uncomfortable."

"At this moment, ye Shu opened her mouth, "Shaoqing, this is second aunt. Zao Zao, you've met her before." "

"Second aunt?" CEN Shaoqing frowned without a trace and continued, "Auntie, if I remember correctly, Grandma only has you as her daughter. Where did Zao Zao and I get a second aunt?" "

“After he finished, the atmosphere became a little quiet. ”

“Ye Shu and ye Sui were not related by blood, so it was true. ”

“When Ye Shu and ye Zao were still living in the basement of Yun Jing, they did not see any relatives in their parents’house. But now, everyone who had any connection with them came over to recognize them. ”

It really matched that sentence.

“No one asked if they were poor in a busy city, but rich people had distant relatives deep in the mountains. ”

“Cen Shaoqing was an extremely arrogant person to begin with, so he naturally wouldn’t pay attention to such an extremely philistine person. ”

“His upbringing didn’t allow it, and neither did his pride. ”

“Lin Jincheng smiled and tried to smooth things over. “Since everyone is here, let’s eat.” ”

“Ye Shu followed, “Right, right, right, let’s eat.” ”

“Zhou Ziyue couldn’t sit still. Looking at Cen Shaoqing’s reaction, he wasn’t prepared to treat them as relatives at all. ”

Then what were they?

Air!

Zhou Ziyue was a person who wasn't afraid of power. She wanted to stand up and defend herself.

How could ye Sui Not Be Ye Shu's sister?

"Blood was thicker than water. Now that Ye Shu had climbed up the social ladder, she didn't even acknowledge them as relatives?"

"But for some reason, as long as she took a look at Cen Shaoqing, she couldn't help but feel a chill in her heart. Her legs went weak and she couldn't say a word."

"Ye Sui also had an evil fire hidden in her heart. Just like Zhou Ziyue, she could not say a single word in this situation."

"For a moment, there was only the sound of chewing on the dining table."

"Ye Shu kept picking up food for ye Zhuo with her chopsticks. "Recently, the base has been working overtime. Eat more." "

"Okay."

"After picking up food for ye Zhuo, ye Shu picked up food for Cen Shaoqing. "Shaoqing, eat more too. It's not good for young people to eat only vegetables. You need to replenish your protein properly." "

"Thank you, Auntie." "

"For a moment, the reflection of ye Sui and Zhou Ziyue made the mother and daughter look like outsiders."

Ye Sui was almost angered to death.

“Because from the beginning until dinner was almost over, Cen Shaoqing and Ye Zhuo did not call her second aunt.”

“Logically speaking, when a new son-in-law met an elder for the first time, he should have prepared a red packet.”

“But Cen Shaoqing not only did not have a red packet, he did not even have the proper etiquette.”

This was too much!

What did ye Shu mean by this?

Was she trying to intimidate her?

“Ye Sui was furious, but he did not dare to question her.”

After the meal.

“Ye Shu looked at ye Zao and said, “Zao Zao, after all, Ye Sui and I are sisters. Back then, you helped me once. Can you not make things difficult for them on account of Mom?” ”

“Ye Zao looked at Ye Shu. “Mom, this is between you and them. As long as they don’t go overboard, I will treat them as air.” ”

“Okay.”Ye Shu nodded.

“With these words, Ye Shu was relieved.”

“Okay.”

“On the other side, in the guest room. ”

Ye Sui was furious. “Ye Shu is such an ingrate. I misjudged her!”

“Zhou Ziyue’s expression was also a little ugly. “Mom, didn’t you say that ye Zhuo’s fiancé is an old and ugly man?” ”

“Moreover, Ye Zhuo didn’t look as stupid as before. ”

He looked very compatible with Cen Shaoqing.

“For no reason, when Zhou Ziyue saw her, she actually felt a sense of inferiority. ”

“Ye Zao and her fiancé were a couple, but she had to spend the rest of her life with an ugly freak. ”

How could Zhou Ziyue be reconciled to this.

“Ye Sui said, “Who knows! Logically speaking, this handsome and rich man shouldn’t be interested in that idiot! How did they end up together! It’s really strange!” ”

“Most importantly, ye Sui looked at that man as if he was more than just rich. ”

His temperament was not something that an ordinary person could have.

“This made ye Sui feel a little jealous. It was one thing for ye Shu to be lucky, but why was her daughter so lucky! ”

“Zhou Ziyue also felt strange and continued, “Do you think that man has some problems in other aspects?” ”

“What problems?”Ye Sui asked.

“Zhou ziyue said, “For example, those problems that can’t be seen?” ”

Those problems that can’t be seen!

“Ye Sui narrowed his eyes and smiled, “Maybe there really are!” ”

“Thinking about it, Zhou Ziyue felt much better. “That man might be a psycho! The kind that is indirect!” ”

“”Right, right, right!”At this point, the smile on ye Sui’s face stopped, and he continued, “But a psycho doesn’t have that kind of Aura, right?” ”

“Even now, when he recalled it, ye Sui still felt a chill in his heart, and he couldn’t help but shudder. ”

“”Indirectly, as long as it doesn’t happen, it’s the same as ordinary people!”Zhou Ziyue said. ”

“You’re right.”Ye Sui nodded.

“Then, ye Sui continued, “I’ll go ask around tomorrow and see what kind of background this man has!”If there really was a mental illness, it would be impossible to hide it. ”

“After all, there was no such thing as an impenetrable wall in this world. ”

“Okay.”

“Ye Sui continued, “You and Xiao Ma still have to continue. You Can’t think that Xiao Ma is not good enough for you just because ye Zao found someone like this! Ye Zao has a good family background, but you don’t have a family background like ye Zao’s!” ”

“This sentence was a good reminder to Zhou Ziyue, who was daydreaming.”

“After that, ye Sui added, “Not only is your family background inferior to ye Zao’s, you’re not as pretty as ye Zao.” ”

Ye Sui could see it clearly.

Zhou Ziyue couldn’t be compared to ye Zao just by looking at his face.

“At this moment, Zhou Ziyue seemed to have thought of something, she continued, “Oh right, Mom. Why would ye Zao’s fiancé say that Grandma only has one daughter? What’s going on? Could it be that after she became rich, she didn’t even want her biological parents anymore?” ”

This was too much!

“Speaking of this, ye Sui narrowed his eyes. “Could it be... could it be that she knows about it?” ”

“I don’t think so!”

“Ye Sui was also very confused. Logically speaking, ye Shu should not know about it. ”

““What’s the matter?” Zhou Ziyue was also very curious. “Mom, what did Auntie Know?” ”

“Ye Sui continued, “Your Auntie and I are not biological sisters. She was adopted.” ”

“Adopted?” Zhou Ziyue asked in surprise.

“Yes.” Ye Sui nodded.

“When Ye Shu came to the Ye family, Ye Sui was 12 years old. A 12-year-old girl had already remembered many things.”

“Actually, if this did not happen tonight, ye Sui would have already forgotten.”

“Zhou Ziyue narrowed her eyes. “Since she was adopted, then she should know how to be grateful. How could she treat her grandparents and you like that! This is too much! Should grandparents be penniless?” ”

“Zhou ziyue continued, “If she didn’t have grandparents back then, she would have died a long time ago! Now, she has found her biological parents and doesn’t even want them anymore! This kind of person is too disgusting!” ”

“”Mom, go and ask her for the Villa Tomorrow!”Zhou Ziyue changed the topic and looked at ye Sui.”

“Ye Sui said, “Go Tomorrow? Can she give it to us?” ”

“Ye Sui was originally full of confidence in himself, but after these days of interaction, ye Sui had almost figured out the situation.”

It was impossible to get the villa from ye Shu.

“Zhou Ziyue’s lips curled slightly. “This time, not only does she want to give the villa, she also has to give money.” ”

“Seeing Zhou Ziyue like this, ye Sui’s eyes lit up. “Ziyue, have you thought of a good idea? Quickly tell Mom!” ”

“Zhou ziyue continued, “Just do as I say. If ye Shu dares to reject you, just tell her not to regret it.” ”

“Is this really effective?”Ye Sui asked.

“Just do as I say,” Zhou Ziyue said. ”

Ye Sui narrowed his eyes.

“Zhou ziyue continued, “By the way, Mom, do you still have evidence of ye Shu being adopted back then?” ”

Ye Sui shook his head. “No.”

“What about Grandpa and Grandma?” Zhou ziyue said, “We’ll move out of the Lin family today and then call Grandpa and Grandma to come over.” ”

“Ye Sui said in puzzlement, “Ye Shu and Your Grandpa and Grandma have even signed the termination letter. What’s the use of coming here now?” ”

“Just ask them to come over. Oh right, bring the termination letter with you!” Zhou Ziyue said. ”

Ye Sui looked at Zhou Ziyue. “What exactly do you want?”

“Zhou Ziyue didn’t answer ye Sui. She walked to the cabinet and started to pack her clothes, “We’ll move out tonight! Go find ye Shu now and ask her to buy us a villa and give us a nine-figure deposit. Otherwise, this matter will never end!” ”

Chapter 2700: 611: Beijing 1

Zhou Ziyue was not the same person as usual.

Her tone was arrogant and her attitude was overbearing.

“Ye Sui looked at Zhou Ziyue and said, “Ziyue, do you have any ideas?” ”

““Don’t ask,”Zhou Ziyue said. ”

“Ye Sui frowned slightly. “Ziyue, if you think of any good ideas, you must tell Mom.” ”

“Just follow my instructions.”

“She couldn’t say too much to ye Sui. If she said too much, she would definitely ruin things.”

Zhou Ziyue didn’t want to take too big a risk.

“Ye Sui was very curious and continued, “Ziyue, what exactly are you thinking?” ”

““Don’t ask too much.”Zhou Ziyue put the clothes into the suitcase and continued, “Go and find ye Shu quickly. I’ll pack the rest.” ”

“Are we really going to move out overnight?”Ye Sui was very uncertain.

What if they moved out and they couldn’t move back?

““Mom, let me ask you. Do you want to be like Ye Shu and become a rich lady?”Zhou Ziyue looked at ye Sui and asked seriously. ”

“Yes.”Ye Sui nodded.

Even in her dreams.

God knows how much she envied ye Shu.

““Since you want to,” Zhou ziyue narrowed her eyes, “Then listen to me. As long as you listen to me, I promise you can live the same life as ye Shu.” ”

““Really?” Ye Sui frowned slightly, unable to believe what Zhou Ziyue said. ”

“Of course it’s true.” Zhou Ziyue’s eyes were full of confidence.

“After saying that, Zhou ziyue continued, “Alright, go and find ye Shu quickly. Tell her what I said, and then come back quickly.” ”

“Ye Sui hesitated for a moment, then nodded. “Okay.” ”

Ye Sui walked to the front yard.

“Soon, he arrived at Ye Shu’s yard. ”

Ye Shu was watering the plants in the yard with a small kettle.

“Little Shu.”

““SIS, why are you here now?” Ye Shu asked in surprise when she saw ye Sui. ”

Ye Sui walked over with a smile. “I came to say goodbye to you and chat with you.”

“Say Goodbye?” Ye Shu was stunned.

“Yes.”

“Ye Shu continued, “It’s already so late, do you still want to leave?” ”

This was not ye Sui’s style.

““Yes.”Ye Sui nodded. He felt that Zhou Ziyue was not just saying that. He continued, “Our Ziyue is already packing her things.” ”

““Then I’ll get the driver to send you guys off,”ye Shu said. ”

““No need, no need.”Ye Sui directly refused. “We’ll take a taxi to go by ourselves, Little Shu. I came to look for you to confirm something.” ”

“What is it?”Ye Shu asked.

Ye Sui looked at Ye Shu. “Then I’ll be straightforward. Are you going to buy our villa or not?”It was just buying a villa. Ye Shu was really stingy. She could buy a villa until now!

They were sisters!

“Ye Shu smiled at ye Sui. “I don’t think I have the obligation to buy a villa for you, right?” ”

““You mean you don’t want to buy it, right?”Ye Sui continued, “It’s fine if you don’t want to buy it. Just don’t regret it when the time comes.” ”

Ye Shu frowned slightly. She didn’t understand what ye Sui meant.

“Ye Sui looked at ye Shu proudly and continued, “Think about it yourself. Oh right, I sent my bank account number to your wechat.” ”

“What do you mean?”Ye Shu asked.

Ye Sui stretched out five fingers. "Transfer the money over. This number starts with nine digits."

Ye Shu frowned slightly.

"Little Shu, I've told you everything I need to say. Think about it yourself." After saying that, ye Sui turned around and walked out of the door. "

"Ye Shu looked at ye Sui's back, her eyes full of confusion. "

What exactly was the reason that made ye Sui become like this?

She was a little curious.

"But she was only curious for a moment, so ye Shu continued to water the flowers. "

On the other side.

"When ye Sui returned to the room, Zhou Ziyue had already packed everything. "

"Ye Sui looked at Zhou Ziyue and continued, "Ziyue, are we really leaving?" "

"Yes." Zhou Ziyue nodded. "Have you told ye Shu Everything?"

"Yes, I have." Ye Sui continued, "But she doesn't seem to have any intention of compromising." "

"This isn't something that she can not compromise just because she doesn't want to compromise." Zhou Ziyue narrowed her eyes and continued, "Mom, check if there's anything else that you have forgotten. Let's go." "

“Okay.”Ye Sui nodded. He hesitated for a moment before continuing, “Then, are we really leaving?” ”

“Yes.”Zhou Ziyue pulled up the suitcase.

“Ye Sui was a little hesitant. “Really, really leaving?” ”

“Am I still joking with You?”Zhou Ziyue asked back.

“Ye Sui bit his lips. “Ziyue, tell me honestly, how confident are you?” ”

“About 90% ,”Zhou Ziyue said. ”

“Really?”Ye Sui asked.

“Yes.”Zhou Ziyue nodded.

“Ye Sui said again, “Ziyue, what do you know? Tell me!” ”

“I’ll say it again.”Zhou Ziyue was getting impatient. “Just listen to my instructions.”

“Let’s Go!”Ye Sui picked up the suitcase next to him. “I’ll take a gamble today!”

Ye Sui followed Zhou Ziyue’s footsteps and walked to the door without looking back.

Zhou Ziyue had arranged for an online car booking in advance.

“Ye Sui got into the car and asked, “Where are we going now?” ”

“To the hotel,”Zhou Ziyue answered. ”

“Ye Sui frowned slightly and asked, “Then we’ll stay in the hotel next?” ”

“Yes.” Zhou Ziyue nodded.

“Then until when?” Ye Sui asked.

“Zhou ziyue said, “Until ye Shu invites us back.” ”

Ye Sui narrowed his eyes. “Can ye Shu really come and pick us up personally?”

“She will.”

“Seeing Zhou Ziyue’s determined look, ye Sui slowly calmed down. ”

Zhou Ziyue had never been an unreliable person. She must have her own reasons for being so sure.

“About half an hour later, the car stopped at the entrance of the hotel. ”

The mother and daughter officially moved from the Lin family to the hotel.

“When they arrived at the hotel, Zhou Ziyue continued, “Mom, did you call Grandma?” ”

“Why did you call your grandma?” Ye Sui asked.

“Zhou ziyue continued, “I called Grandma and asked her and Grandpa to bring the letter of divorce with Ye Shu to Beijing.” ”

Ye Sui frowned. “Why did you ask them to come?”

Zhou Ziyue was getting impatient. "Can you not ask so many questions? Just do as I say!"

Ye Sui was stunned by Zhou Ziyue's words.

"What are you waiting for? ! Hurry up and call Grandma and Grandpa!"

"Ye Sui immediately took out his cell phone. Just as he was about to make a call, he seemed to have thought of something and said, "Then what should I tell your Grandma and Grandpa?" "

"Just do as I say." Zhou Ziyue's face was a little ugly. "Why do you always talk so much nonsense! Is this very interesting?"

"For some reason, ye Sui suddenly felt a little afraid of Zhou Ziyue who was like this. He swallowed his throat and said, "Okay, okay, okay. I'll listen to you. I'll contact your grandmother and the others right away." "

"After that, ye Sui dialed the number of his hometown. "

"After hanging up the phone, ye Sui looked at Zhou Ziyue and said, "Your grandparents said that they will come tomorrow." "

"Okay." Zhou Ziyue narrowed her eyes and said, "Send a message to ye Shu. Tell her that you'll wait for three days. If she still turns hostile after three days, then don't blame us for being rude!" "

"Send a wechat message?" Ye Sui asked.

"Okay."

Yun Jing.

Yao Cuifen and ye Dafu boarded the plane to the capital.

“It was Yao Cuifen’s first time on a plane, so she was very excited. She looked at ye Dafu and said, “Do you think Xiao Sui has sent a message?” ”

Ye Dafu hugged a teacup and narrowed his eyes. “It must be Xiao Shu who asked us to go over.”

“Xiao Shu?”Yao Cuifen asked.

“”Yeah.”Ye Dafu continued, “I heard that Shu is Amazing Now! Lin Qingcheng is a famous tycoon in the capital. She is now a rich lady from a rich family!” ”

“Really?”Yao Cuifen’s eyes lit up instantly.

“”Speaking of which, we have three daughters. Little Sui is the most filial!”Ye dafu sighed and said, “Shu has been a rich lady outside for so many years. She thought of us. Little Sui has only been there for a few days!”! She already wants to take us over to enjoy her life!” ”

“Although Yao Cuifen had experienced many things over the years, there was a saying that said that a leopard can’t change its spots, “That B * Tch has always been a b * Tch since she was young. I never thought that she could raise me! We worked so hard to raise her up, and yet she wants to cut off relations with us! Is there such a daughter in the world?” ”

“In Yao Cuifen’s mind, no matter what happened, Ye Shu was raised by her, and that was her daughter!
”

“Even if they signed the termination letter, their bones and tendons were still broken!” ”

“The reason why they did not look for ye Shu all these years was because they did not know where Ye Shu was. Now that they knew that Ye Shu was in the capital and that she had become a rich lady, they naturally could not miss such a good thing! ”

Who asked ye Shu to be their daughter?
