Chapter 2701: 612: shrew cursing street 1

“Yao Cuifen leaned back in her chair and suddenly thought of something. She then said, “Oh right, have you asked little spike?” ”

“Asked what?”Ye Dafu asked.

“Yao cuifen then said, “Ask if that B * Stard has really struck it rich outside!” ”

Ye Dafu shook his head. “I didn’t ask.”

“”Then why don’t you ask!”Yao Cuifen was very anxious. She then said, “Hurry up and ask now. Take out your phone.” ”

Ye Dafu took out his phone and was about to make a call. “Didn’t you hear what someone said just now! You Can’t make calls on the plane!”

“Why can’t you make calls on the plane?”Yao Cuifen asked.

It was her first time on a plane and she didn’t know anything.

“Then how would I know!”Ye Dafu said.

“Yao cuifen continued, “That B * Stard is really heartless. After so many years, he still doesn’t know how to take us over and show US filial piety!” ”

“Do you know what the most important thing for us to go over this time is?”Ye Dafu asked.

“What?”Yao Cuifen asked.

""Money,"ye Dafu answered. "

"If they confirmed that ye Shu had really become a rich lady, then they would definitely need more money to go back. "

"Ye dafu continued, "Shuai Shuai won't be out for another ten years. We have to leave a way out for little treasure." "

Little Treasure was ye Shuai's son.

Yao Cuifen nodded. "You're right. How much do we need then?"

"Ye Dafu narrowed his eyes and continued, "That depends on where little treasure will work in the future. When we get to Beijing, we'll give little treasure a call and see what he says." "

"Okay."Yao Cuifen nodded.

"Four hours later, the plane stopped at the Beijing Airport. "

Ye Sui and Zhou Ziyue came to pick them up personally.

""Dad, MOM, over here!"Seeing ye Dafu and Yao Cuifen, they immediately waved. "

"Spiky!"

Yao Cuifen ran over excitedly.

""Mom, how was the journey?"Ye Sui smiled and said, "Did it go well?" "

""It went well!"Yao cuifen nodded and looked around, then said, "Just the two of you?" "

"Who else do you want?"Ye Sui asked back.

"Yao cuifen continued, "She didn't come with you?" "

Her?

"Ye Sui was puzzled. He suddenly thought of something and said, "Mom, Stop Dreaming! Do you think ye Shu will come to pick you and Dad Up?" "

"At this point, ye Sui changed his tone. "Stop Dreaming! She is now a rich lady with bodyguards and a driver. There are dozens of nannies at home. Why would she come to pick you up? What are you thinking!" "

"Hearing this, Yao Cui Fen immediately widened her eyes. "So it's true?" "

"What's true?"Ye Sui asked.

"Yao Cui Fen continued, "Did that wretched girl really find a rich man?" "

""Not just rich! She has power! She's very powerful anyway!"Speaking up to this point, ye Sui sighed.
"From now on, we're not from the same world as her!" "

"How are we not from the same world? I'm her mother! I'll always be her mother!"Yao Cuifen put her hands on her hips. "So What? Does she still dare to disown me?"

"Yao Cuifen's voice was especially loud, causing the passengers at the airport to look over, their eyes full of curiosity. "

“Zhou Ziyue put down her phone and noticed the expressions on everyone’s faces. She reached out and tugged at Yao Cuifen’s arm. “Grandma, Please Lower Your Voice. There are so many people watching!” ”

A country bumpkin was indeed a country bumpkin! She had no experience at all!

Could the airport be a place for her to make a racket?

“If she did not really need Yao Cuifen, Zhou Ziyue would not have provoked such a person no matter what she said. ”

“”So what if I’m making a racket! If they have the ability, then let the police come and arrest me! What a joke! Now they don’t even allow people to speak?”Yao Cuifen said. ”

“As soon as she said this, more and more people looked over. ”

“Zhou Ziyue wanted to find a hole to hide in, so she had to hold Yao Cuifen’s arm. “Grandma, Let’s Go First!” ”

“What? Why are you talking so quietly? I don’t owe them money!”Yao Cuifen glared at the crowd.
“What are you looking at!”

“Ye Sui’s face was also a little embarrassed. He pulled Yao Cuifen and walked out. “Let’s go, let’s go.” ”

Yao Cuifen cursed and walked forward. She wished she could greet everyone’s ancestors a few times.

How dare she meddle in her business!

“Soon, they arrived at the hotel. ”

“”Mom, I’ve booked a room for You and Dad. You can stay next door to us. If you two need anything, just knock on the door.” ”

""Stay in a hotel? Why do you need a hotel?"Yao Cuifen glared at ye Sui. "It's fine if that ungrateful ye Shu doesn't come to pick me up, but now he wants me to stay in a hotel?" "

"I've already said it. Ye Shu is a rich lady now. How could she have time to talk to you?"

"Yao Cuifen was so angry that she cursed, "This ungrateful..." "

Yao Cuifen's ability to curse made ye Sui's scalp go numb.

How could she be so good at scolding people? !

""Okay, okay,"Zhou Ziyue said with a smile, "Grandma, don't worry. I have a way to make little aunt come to pick you up and live a good life." "

"Hearing that, Yao Cuifen's eyes lit up and she immediately asked, "What Way?" "

"You don't need to know what way for the time being. You just need to listen to my arrangements."Zhou Ziyue remained mysterious.

"Yao cuifen glanced at Zhou Ziyue. "Okay, okay, okay. Ziyue, I'll listen to your arrangements." "

"Zhou ziyue nodded and continued, "You and Grandpa have been on the plane for so long. You must be tired. Rest first. I'll send your lunch over later." "

""Okay."Yao cuifen nodded lovingly and said with a smile, "We, ziyue, are the most sensible! As expected of someone who went to university!" "

"Ye dafu continued, "Ziyue, what are you thinking about? Can you tell Grandpa About It?" "

“Zhou ziyue smiled and said, “Grandpa, you and Grandma are old and it’s not suitable for you to work hard. So, let me do this kind of thing. You and Grandma just wait to hear my good news.” ”

“”That’s fine.”Ye Dafu was very satisfied with Zhou Ziyue’s answer and said with a smile, “Ziyue has really grown up.” ”

“Zhou ziyue said, “Grandpa, please go in and rest with Grandma. By the way, what do you want to eat for lunch? My mom and I will go buy it for you.” ”

“Just eat something for lunch. Your Grandma and I are not that particular people.”

“Zhou Ziyue nodded. “Alright then. Grandpa, you and Grandma should get some rest. My mom and I will not disturb you.” ”

“After saying that, Zhou Ziyue grabbed ye Sui’s hand and left the room. ”

“After leaving, ye Sui curiously asked Wen Zhou ziyue, “What can you do? ! Now That Your Grandpa and Grandma Are Here, you should tell me, right?” ”

“These days, Zhou Ziyue refused to tell her anything. Ye Sui was really worried to death! ”

“Zhou ziyue said impatiently, “I told you not to ask so many questions.” ”

“Ye Sui glanced at Zhou Ziyue and did not ask any more questions, but she was still curious, she continued, “Let me tell you, your grandmother is not someone to be trifled with. If you provoke them now and fail to take advantage of them, you will suffer!” ”

What kind of person was Yao Cuifen?

A typical shrew!

She did not acknowledge anyone other than her son and grandson!

“Not to mention Zhou Ziyue, even if it was her daughter, Yao Cuifen could turn hostile at any time.”

“Zhou Ziyue had a confident look on her face. “Don’t worry, I know what to do.” ”

“”As long as you know what to do.”Ye Sui continued, “Then what do you plan to do next?” ”

“Zhou Ziyue narrowed her eyes and continued, “You should ask ye Shu about that!” ”

“Ask ye Shu?”Ye Sui was stunned.

“”Yeah.”Zhou ziyue continued, “She’s about to be in big trouble.” ”

Ye Sui couldn’t understand what Zhou Ziyue was saying at all.

“”Let’s go,”Zhou Ziyue continued. ”

“Where are we going?”Ye Sui asked.

“Zhou ziyue said, “We’re going to buy food first, then we’re going to record a video.” ”

“Record what video?”Ye Sui was even more confused.

Zhou Ziyue smiled. “A video that will ruin ye Shu’s reputation.”

“Ye Sui wanted to ask more, but Zhou ziyue continued, “You just have to cooperate with me. Knowing too much is not good for my plan.” ”

“When she said this, ye Sui immediately stopped asking. He just said, “Okay, okay, okay. I Won’t ask anymore.” ”

The mother and daughter went outside to buy food.

“After dinner..., zhou ziyue said, “Grandpa and Grandma, I Have Something to tell you. You have to do as I say. Only by doing as I say can ye Shu come to take you back willingly and show respect to you.” ”

““Okay, okay, okay.”Yao Cuifen immediately nodded. “Ziyue, you say it. Your Grandpa and I will listen to you.” ”

Zhou Ziyue took out her phone. “I will record a video for you guys in a while...”

“After finishing her sentence, Yao Cuifen was overjoyed. “This university student is really different. He speaks in a clear and logical manner. Ziyue, hurry up and record it!” ”

Chapter 2702: 612: public opinion ferment 1

“Zhou Zi Yue nodded. “Alright, then you make your preparations.” ”

““Don’t worry, I’m already prepared.” ”

“Zhou Zi Yue continued, “Don’t forget what I told you just now.” ”

“Don’t worry.”Yao Cui Fen patted her chest. “I’ll remember it all!”

“Yao Cui Fen couldn’t do anything else, but she was throwing a tantrum and pretending to be crazy. If she claimed to be number one, no one would dare to claim to be number two.” ”

“Grandpa, What About You?” Zhou Ziyue looked at Ye Dafu. ”

Ye Dafu nodded. “I’m fine with it.”

“Zhou Ziyue took out her phone. “Alright, let’s begin then.” ”

Yao Cuifen immediately entered her state of mind.

“Not long after, such a video was posted online. ”

The title was: [adopted daughter heartlessly abandons elderly parents!]

“Such a title was too eye-catching, and it could easily cause anger in people’s hearts. ”

“An elderly couple had painstakingly raised their adopted daughter, who was completely unrelated to them, more than ten years ago. But now, their adopted daughter was rich, and she actually turned her back on them! ”

Such a person was simply not worthy of being human!

It was simply disgusting!

“On the video, Yao Cuifen was crying bitterly, “When she first came here, she was still so young and had a high fever. It was us, husband and wife, who brought her up, fed her, and clothed her. In the blink of an eye, the child had finally grown up, and she thought that we could retire peacefully, but who knew...
... who knew ... ” ”

“Ye Dafu wanted to say something, but he hesitated. He portrayed the helplessness of a father to the fullest. ”

“In a moment, ye Dafu walked in front of Yao Cuifen and held her hand. “Forget it, children are all debts! Let’s just pretend that we never raised her...” ”

“Yao cuifen cried, “I just want to see her and hear her call me mom. Is it that difficult?” ”

“The video was not long. It had only been a few minutes, but the viewership and number of views had already exceeded 10,000. ”

[oh my God! This adopted daughter is too vicious! She doesn’t even acknowledge her parents!]

[does she deserve to be human?]

[this is disgusting!]

[I beg powerful netizens to dig out this disgusting adopted daughter!]

[...]

“Zhou ziyue browsed through the comments on the internet one by one, the corners of her mouth curling up slightly. ”

“She knew very well that the influence of public opinion on the internet was powerful. With the current situation, if it continued to ferment, it might even affect the LIN Corporation. That was why Zhou Ziyue thought of such a move. ”

It was very obvious.

She had not taken the wrong step.

This was how it should be when dealing with people like ye Shu.

“Ye Sui stood beside Zhou Ziyue and said worriedly, “Ziyue, can we really do this? Just based on a video and a few comments, we can get ye Shu to obediently buy us a big villa?” ”

Why did she find this matter so mysterious?

““Don’t worry, Mom,” Zhou Ziyue continued, “Whether it’s the Lin family or ye Shu himself, neither of them can resist the public opinion on the Internet. Once the public opinion develops to a point where it can not be controlled, then ye Shu, including the Lin Group, will pay a painful price. “On this point, this businessman, Lin Jincheng, knows better than us. He also knows better than us to stop the losses in time.” ”

Zhou Ziyue had seen too many such things.

“Really?” Ye Sui asked.

“Yes.” Zhou Ziyue nodded. “The Lin family should be very lively now.”

“Why?”

“Zhou ziyue smiled and said, “They are busy looking for connections and public relations to suppress the heat of this matter.” ”

Unfortunately.

The Lin family had overlooked many phenomena.

“In today’s society, it was no longer a society where capital could control the sky. ”

It was basically impossible for the Lin family to quietly suppress this matter and shut the mouths of the masses.

“Hearing this, Ye Sui was very worried. “The Lin family is so rich. As the saying goes, money can make the devil turn the Millstone. Ziyue...” ”

“Don’t worry too much.”Zhou Ziyue narrowed her eyes. “This is the age of traffic. So many people are watching this matter! The Lin family is nothing!”

“Zhou Ziyue was, after all, a university student. She had a wide range of knowledge and was well-organized. ”

“Hearing her words, ye Sui immediately felt relieved. He smiled and asked, “Then what should we do next?” ”

“”Wait,”Zhou Ziyue said. ”

“Wait for what?”Ye Sui asked.

“Zhou ziyue continued, “Wait for ye Shu to contact us.” ”

“What if she doesn’t contact us?”Ye Sui asked.

Zhou Ziyue’s eyes flashed. “She will contact us.”

“Ye Sui wanted to say something, but after thinking about it, he didn’t say anything. With Zhou Ziyue’s current situation, if she asked too many questions, Zhou Ziyue would definitely get impatient. ”

So he decided not to ask.

In the room next door.

“Yao Cuifen was already dreaming of making a fortune. “Old Man, how much do you think we should charge?” ”

Ye Dafu put away his phone. “I’ve checked just now. The Lin family is not an ordinary wealthy family. We need at least ten digits.”

“Like father, like daughter. ”

“Ye Sui opened his mouth and asked for nine digits. Ye Dafu was even more ruthless than ye Sui. Every time he opened his mouth, he asked for ten digits. ”

“”Ten digits?”Yao Cuifen counted with her fingers. In the end, she covered her mouth and said in surprise, “One billion?” ”

“Yes.”Ye Dafu nodded.

“Yao cuifen continued to ask, “Is the Lin family that Rich?” ”

“”One billion is just a drop in the ocean for them,”ye Dafu said. ”

“Then why don’t we ask for more?”Yao Cuifen asked.

“Ye Dafu narrowed his eyes and thought for a moment. Then he said, “When the time comes, we’ll see how things go. You should be smarter too.” ”

“With a billion dollars, they would be considered millionaires! ”

“Yao cuifen nodded repeatedly. “Don’t worry, I know what to do.” ”

“As the number of reposts and clicks of the video increased, this matter attracted a lot of attention from the media. ”

There were even people who contacted Zhou Ziyue to find out the whole story.

Zhou Ziyue avoided the main point and said a few things.

“First, her grandparents’ adopted daughter was now very rich. ”

“Second, her husband’s identity was not simple. He was an important figure in the capital. ”

“Once these two points were revealed, the public opinion became more and more heated. ”

“As an important figure, he should not have done such a heartless thing! ”

“Heavens! I didn’t expect that there would be such a daughter in the 21st century!”

[disgusting!]

“[it seems that there is something about the identity of the adopted daughter. After investigating for so many days, we still haven’t found out the true identity of the adopted daughter.] ”

“[I’m so angry! If I find out who the adopted daughter is, I’ll definitely send her a wreath!] ”

[count me in for sending a wreath!]

“Just like that, two days passed. ”

“Ye Sui would hold his phone to read the comments every day and see the people reposting them. He said proudly, “Ye Shu must be worried to death right now! She never thought that we would invite your grandparents over!” ”

Zhou Ziyue was talking to the media on the phone.

“Ye Sui continued, “I have to get your dad and libang to come over as well.” ”

“Zhou Ziyue hung up the phone and looked at ye Sui, “Mom, contact ye Shu now. Tell her that no matter what, we are still a family. Let her think about what she said to her before. Otherwise, don’t blame us for not caring about our relatives.” ”

“Okay.”Ye Sui nodded and immediately opened ye Shu’s wechat.

Ye Shu had been so busy these past few days that she didn’t have time to read the news.

It wasn’t until ye Sui sent her a message that she realized what had happened.

“Seeing the ugly faces of ye Dafu and Yao Cuifen appear in the video, Ye Shu was so angry that her whole body was trembling. ”

“Lin Jincheng was reading the newspaper and continued, “I’ve already said that your sister isn’t easy to deal with. We shouldn’t have bothered with her from the beginning.” ”

“How could I have imagined that their skin would be so thick!”Ye Shu felt like she had eaten a fly.

“She originally didn’t want to care about the past, but some people were just that shameless. ”

“Lin Jincheng continued, “You don’t have to care about this.” ”

“Saying this, he paused. “I’ll handle it.” ”

“”Dad, Mom, neither of you need to handle it.”At this moment, a clear and shallow voice appeared in the air. ”

Lin Jincheng and ye Shu turned around. It was ye Zhuo.

“Zhuo Zhuo.”

“Lin Jincheng said, “Your identity is special now. It’s not appropriate for you to interfere in this matter. Let Me Do It!” ”

“Ye Zhuo’s face was expressionless. He continued, “We don’t need to care about this matter. Let it ferment naturally.” ”

Rumors stopped at wise men.

“There were many things that even if ye Dafu and Yao Cuifen could hide for a while, the internet had memories. ”

“You don’t Care?” Lin Jincheng didn’t react in time.

“”Really, really don’t Care?” Ye Shu asked. ”

“Really.” Ye Zao nodded.

“After saying that, Ye Zao looked at Ye Shu, then, he said, “Mom, there are some things that you can look down on and you can see clearly, but that can only represent you personally. You have to know that not everyone is like you. “Also, when a person’s heart is not enough, the snake will swallow the elephant.” ”

“For those top-notch relatives, the only way was to completely sever ties. ”

“Otherwise, they would be bloodsucking worms with no bottom line. They would suck blood while not being satisfied. ”

“Ye Shu nodded. “Okay, I got it.” ”

Chapter 2703: 613: things have developed to the way they are now

“In fact, things have developed to the way they are now, which is beyond ye Shu’s imagination.”

Ye Shu was also regretting it now.

“She regretted that when ye Sui came to the capital, she had forgotten about the pain after she recovered from her scar.”

“Ye Shu looked at ye Zao and continued, “Zao Zao, don’t worry. Mom Won’t be stupid again in the future.””

Ye Zao nodded.

“At this moment, Lin Jincheng continued, “Zao Zao, have you and Shaoqing been busy recently?””

““Yes, they have been busy.”Ye Zao continued, “There is a project on Mars that has some problems.””

““Then what about your wedding date?”Recently, the Lin family had been preparing for their wedding. Lin Jincheng continued, “Have you discussed with Shaoqing whether the wedding should be postponed?””

Postponed?

"The corners of Ye Zhuo's mouth curled up slightly. When Cen Shaoqing heard these words, he was afraid that he would cry."

"No need." Ye Zhuo smiled and said, "No matter how busy I am, I can still find time to get married."

"Hearing that the wedding could not be postponed, Lin Jincheng said, "Alright, then your mother and I will continue to prepare for the wedding."

"Yes." Ye Zhuo nodded slightly, as if he had thought of something. "Oh right, Grandma Cen and Aunt Xiang will come tomorrow."

There was a custom in the capital.

"Before the groom-to-be and the bride got married, there would be a betrothal letter and a gift."

Lin Jincheng nodded. "I know that."

"Ye Shu continued, "Your father and I have been discussing this matter since the day before yesterday! Zao Zao, will you be at home tomorrow?"

"Cen Shaoqing and I will be at home in the morning," Ye Zao answered."

"Are you still going to the base in the afternoon?" Lin Jincheng asked.

"Yes." Ye Zhuo nodded slightly.

"Lin Jincheng continued, "Alright, then you should go and rest. You still have to wake up early tomorrow."

"Alright, Father and mother, you should rest early too," Ye Zhuo said."

Lin Jincheng looked at ye Zhuo's back and suddenly felt a little sad. He couldn't help but tear up his eyes.

"Seeing him like this, ye Shu asked curiously, "What's Wrong?"

"I just suddenly feel a little uncomfortable." Lin Jincheng wiped his eyes, "Why do girls have to get married when they grow up? Our Zao is usually busy. We don't even see each other every three to five months. If we get married, we won't see each other for three to four years!"

"As long as he thought of these things, Lin Jincheng felt very uncomfortable."

"Ye Zao was the apple of his eye, but in the blink of an eye, she was going to become someone else's apple."

This was too unbearable!

"Ye Shu was also a little uncomfortable, but she still comforted him, "It won't be. Even if Zao gets married, she'll still be our daughter. This will always be her home. Even if she doesn't have time to visit us, we can go visit her. How can we only see her once every three to five years! You're exaggerating!"

"Hearing Ye Shu's words, Lin Jincheng's mood was slightly better."

On the other side.

"After ye Sui sent a message to Ye Shu, not only did ye Shu not reply, but she was also blacklisted."

"Ziyue!" Ye Sui was furious. "Look at this B * Tch Ye Shu, she's too much!"

"What's Wrong?" Zhou Ziyue asked.

“Ye Sui continued, “She blacklisted me!””

“Blacklisted?” Zhou ziyue frowned.

“Yeah.” Ye Sui handed the phone to Zhou Ziyue. “Take a look for yourself.”

Zhou Ziyue took the phone and frowned. “This ye Shu is really daring!”

“What should we do now?” Ye Sui asked.

“Zhou Ziyue narrowed her eyes. “Since she’s heartless, don’t blame us for being unrighteous!””

“What do you plan to do?” Ye Sui asked.

“”I only have my way!” Zhou ziyue continued, “Don’t worry about it. If the news media calls you, just say that you two were close sisters when you were young. Later, she married a rich man and became like this.””

“Okay.” Ye Sui nodded.

Zhou Ziyue began to contact V-belt rhythm. She even said that she wanted to directly reveal the identity of her adopted daughter.

“”My grandparents’ adopted daughter is Ye Shu, the wife of the CEO of the LIN Group.””

“After this message was sent to the other party, it was like a stone sinking into the ocean.”

The other party did not respond anymore.

Zhou ziyue frowned slightly.

What was going on?

“Zhou Ziyue contacted other media outlets, but the result was still the same.”

What was going on?

Could it be that the Lin family used their power to suppress the news?

“In the end, she had underestimated the power of capital.”

Zhou Ziyue still did not give up. She logged into her account and planned to shoot a new video to upload.

The main characters of the video were still ye Dafu and Yao Cuifen.

Ye Dafu and Yao Cuifen cried so hard that they could not help themselves.

“In the end.., they still pretended to say, “Actually, we just want to see our daughter. Since she doesn’t want to see us, then forget it. This means that our mother-daughter relationship, our father-daughter relationship, has come to an end! It has reached a point where we can not stay! Please Don’t blame her. No matter what, we were once a family. She will always be our daughter!””

“These words could be said to be extremely harsh, causing the netizens in front of the video to burst into tears. They could not help but sigh at how strong the love of a father and mother was!”

“The adopted daughter already had no conscience. However, as parents, under such circumstances, not only did they not blame the adopted daughter, they even pleaded for the adopted daughter!”

“[this is too much! who exactly is the adopted daughter! Why is it that after so many days, we still haven’t found out!]”

[I'm so angry that I haven't eaten for an entire day!]

"[uncle and aunt, don't be anxious. Good will be rewarded for good and evil will be rewarded for evil. It's not that the time hasn't come yet.]"

"[according to reliable sources, the adopted daughter is the mistress of a prominent family in the capital. Her children are all very outstanding. I really didn't expect such a person to actually have children!]"

[...]

"In just a few minutes, public opinion had reached an uncontrollable stage."

"Next, it was time to expose ye Shu's identity!"

"Thinking of this, Zhou Ziyue narrowed her eyes."

Just wait!

"Soon, Ye Shu would have a taste of being exposed online."

"Lying on the sofa, Zhou Ziyue slowly flipped through the comments. She felt that something was wrong. There were more and more new comments. This time, not only were the new comments not scolding ye Shu, but..."

They were scolding them!

What was going on?

""Damn it, I was wondering why I didn't see my adopted daughter appear. I also didn't see the name of this family! If I didn't see it with my own eyes, who would believe that there would be such a shameless person in the world! It's so disgusting!""

"You made me waste so much sympathy!"

""You consumed the sympathy of the masses and even tried to stir up public opinion. Do you really think that everyone is blind? You want to use us as guns, right?""

""Brothers!"! The identities of these two old men had already been exposed! Ye Dafu and Yao Cuifen had previously forced Mrs. Lin to sever her relationship with them. This time, if we hadn't discovered it in time, Mrs. Lin might have been smeared by them!""

[two animals! They don't deserve to be someone else's parents!]

"[there are probably many people who don't know the whole story!]! Then, I'll repeat it for everyone. These two old geezers are called ye Dafu and Yao Cuifen. Thirty-eight years ago, the Scum Xi Muwen gave his biological daughter to this couple for adoption and gave them a huge amount of child support! Because they were not related by blood, this couple beat and scolded Mrs. Lin. When Mrs. Lin was still underage, they were chased out of the house by these two scumbags! Not only that, these two scumbags even almost sold Mrs. Lin to an old wealthy businessman. Later on, Mrs. Lin could not bear the burden and directly cut off her finger and cut off her relationship with them! Now, these two shameless things actually had the nerve to come knocking on her door... "... ""

"Zhou Ziyue didn't understand how things had turned out like this. As she watched, her body couldn't help but tremble, and there wasn't the slightest bit of color on her face."

""Also, the people who released this video are these two granddaughters, their names are Zhou Ziyue. Speaking of this Zhou Ziyue, compared to those two beasts, she was simply better than them! Even though she had a boyfriend, she was still going on a blind date with a tall, rich, and handsome man in the circle of Beijing! She thought that she hid it well, but she didn't know that in the eyes of the tall, rich, and handsome man, she was just a clown! Disgusting to the extreme"

..

More and more similar comments were made.

Zhou Ziyue couldn't sit still.

"At this moment, ye Sui ran over excitedly with his phone in hand. "Ziyue, Ziyue, have you looked at your phone? !""

Zhou Ziyue didn't say anything.

"Ye Sui continued, "The number of reposts has exceeded 100 million! These ye Shu can't get up anymore! Our family is really going to post it!"

"When these words fell into Zhou Ziyue's ears, she only felt that it was very ironic."

"Have you looked at the comments?" Zhou Ziyue looked at ye Sui.

She understood now!

She finally understood!

She understood why ye Shu dared to block ye Sui's wechat.

"Comments?" Ye Sui was stunned. "What comments?"

"Naturally, the comments were all for them!"

"We're finished," Zhou Ziyue said expressionlessly."

"If ye Sui observed carefully, he could see that Zhou Ziyue's face was frighteningly pale."

Chapter 2704: 614: unable to say a single word

What a pity.

“Ye Sui did not notice Zhou Ziyue’s expression and said with a smile, “What do you mean it’s over! Ziyue, what are you saying?” ”

Zhou Ziyue was stunned and could not say a single word.

Regret.

She was very regretful now.

She regretted why she had to create trouble.

“She had thought that she had always been very smart, but she did not expect that from the beginning to the end, she was the clown. ”

““Ziyue, what’s Wrong?”Ye Sui nudged Zhou Ziyue. ”

“Zhou Ziyue looked up at ye Sui, and at that moment, tears fell directly from her eyes. “It’s fake, it’s all fake! It’s all fake!” ”

““What’s Wrong?”Ye Sui was still immersed in the beautiful dream that Ye Shu was going to be unlucky and that their family was going to be rich. He continued, “Everything Is Fake?” ”

“Zhou ziyue cried, “Mom, we have nothing! We shouldn’t have come to the capital in the first place!” ”

“If she hadn’t come to the capital, none of this would have happened, and she wouldn’t have broken up with Feng Yang. ”

She regretted it.

Zhou Ziyue really regretted it!

“What’s Wrong?”

“At this moment, there was a knock on the door. ”

“I’ll open the door first.”Ye Sui walked over to open the door.

The door opened and a staff member stood outside.

“Are they ye Sui and Ms. Zhou Ziyue?”The hotel staff member asked.

Ye Sui nodded. “Yes.”

“The staff member continued, “Please Pack your things and go to the front desk to go through the formalities. Leave the hotel.” ”

““Leave the hotel? Why?”Ye Sui continued, “Is it ye Shu who came to pick us up?” ”

“The staff looked at ye Sui and said, “There are also ye Dafu and Ms. Yao Cuifen who are with us. Please leave our hotel as soon as possible.” ”

Ye Sui was still a little confused.

“Until the staff left, ye Sui still didn’t understand what had happened. ”

““Ziyue, what’s going on!”Ye Sui continued, “Ye Shu didn’t come either. Why did the hotel suddenly stop letting us stay?” ”

““Ziyue, say something!”Seeing that Zhou Ziyue didn’t say anything, ye Sui reached out and pushed her.
”

Only then did Zhou Ziyue react. “Let’s go back.”

“If this continued, they wouldn’t be able to stay in the capital city any longer. ”

They could only leave first.

““Go Back?”Ye Sui widened his eyes speechlessly. “Damn girl, are you crazy!” ”

How could she go back in this situation?

“Zhou ziyue continued, “Don’t you understand what happened?” ”

Ye Sui narrowed his eyes and turned on his phone again.

“After ye Sui figured out what happened, he was dumbfounded. He looked at Zhou Ziyue and asked,
“What, what’s going on?” ”

Why did the public suddenly attack them? !

“Zhou ziyue continued, “Now you understand why the hotel doesn’t let us stay here, right?” ”

“What about our Villa?”

“Hearing that, Zhou ziyue said speechlessly, “What time is it? You’re still thinking about the villa? !” ”

Ye Sui was unwilling.

He was very unwilling.

“”It’s all because of you, you wretched girl!”Ye Sui slapped Zhou Ziyue’s face. “I already said that I’m not leaving, but you insisted on leaving! Now Isn’t It Better!” ”

“When he left the Lin family, ye Sui had already felt that this matter was a little unreliable. It was Zhou Ziyue who insisted on moving away! ”

“Now, it was enough! ”

Ye Sui was really angry!

“Didn’t you have a way? Didn’t you have a way? Why aren’t you saying anything now?”Ye Sui was so angry that he was about to cry.

Zhou Ziyue’s face was ashen. “I didn’t expect things to turn out like this...”

She really didn’t expect it.

“”Mom, stop talking. Let’s leave quickly.”Zhou Ziyue knew how big the impact of this matter was. She continued, “And Grandpa and Grandma.” ”

“Since things had developed to this point, ye Sui wasn’t willing to leave just like that. “I’m not leaving! I’m Ye Shu’s sister. Why should I leave!” ”

Zhou ziyue frowned. "Haven't you realized the seriousness of the situation?"

"You still have the nerve to say that!" Ye Sui got angrier the more he thought about it. He slapped Zhou Ziyue's face again. "I think you're sick! I must have lost my mind to believe your nonsense!"

The current ye Sui was very regretful.

"If she had not listened to Zhou Ziyue and moved out of the Lin family, she would still be living in the Lin family. "

At least there was hope if she lived in the Lin Family!

But now!

"There was no hope, there was nothing! "

"Go and apologize to me now! Go and apologize to ye Shu! Ask her to forgive you!"

Zhou Ziyue just sat on the ground with no life on her face.

She came to the capital.

She felt that her life was a joke.

A clown who had been played.

"We shouldn't have come from the beginning." Zhou Ziyue looked up at ye Sui. "If we hadn't come, so many things wouldn't have happened." "

"Thinking back to everything that had happened in the capital, ye Sui felt very uncomfortable. "

“First, he was fooled by Ma Lu, and then he broke up with Feng Yang...”

Their ten-year relationship was all ruined by her hands.

Zhou Ziyue suddenly broke down and burst into tears.

Ye Sui looked at Zhou Ziyue and was so angry that he wanted to kill her with a knife!

“How could I give birth to such a useless thing like you!”

“At this moment, ye Sui seemed to have thought of something. He held Zhou Ziyue’s hand and said, “Get Up! Get Up quickly! You Go and contact Xiao Ma and ask him to think of a way!” ”

“The Lin family had power and influence in the capital, but the Ma family was not bad either! ”

“With Ma Lu around, this matter would definitely be resolved perfectly. ”

“Thinking of Ma Lu, ye Sui regretted the slap that he gave Zhou Ziyue just now. ”

“”It’s impossible for me to be with him,”Zhou Ziyue said in a daze. ”

“”Why?”Ye Sui widened his eyes, which were full of disbelief. ”

Zhou Ziyue’s eyes were full of self-mockery. “Do you really think that he likes me?”

Ma Lu was just playing with her.

“Thinking of this, Zhou Ziyue’s heart went cold, and she felt very uncomfortable. ”

“What do you mean?” Ye Sui looked at Zhou Ziyue, his eyes full of disbelief. ”

“He was just playing with me! Did you take it seriously?” Zhou Ziyue laughed.

Ye Sui stared at Zhou Ziyue. “What did you say! Say It Again!”

Zhou Ziyue bit her lips.

Ye Sui was so angry that his face turned white. He grabbed Zhou Ziyue’s shoulder and shook it hard.
“What’s wrong with you! What’s wrong with you!”

Zhou Ziyue was her only hope!

“But now, that hope was gone! ”

Zhou Ziyue’s face was devoid of any expression. She was like a marionette.

“At this moment, the door was pushed open from the outside. It was ye Dafu and Yao Cuifen. ”

“Xiao Sui! What are you doing? ! What happened between the mother and Daughter?” Yao Cuifen looked at the mother and daughter sitting on the ground. Her face was full of surprise.

Neither of them said anything.

“Yao cuifen continued, “Why is the hotel suddenly not letting us stay? is Little Shu coming to pick us up?” ”

“At this moment, Yao Cuifen was still immersed in the joy of being picked up by Ye Shu to enjoy her life.
”

Chapter 2705: 615: one hand covering the sky

Yao Cuifen didn't feel that there was anything wrong with ye Shu coming to pick her up.

"No matter what, she was ye Shu's mother. "

She was the one who raised ye Shu.

"If it weren't for her, Ye Shu wouldn't be where she is now. "

"Moreover, Zhou Ziyue helped her upload the video. "

"So, Ye Shu would definitely come to pick her up and live a good life! "

"Thinking of this, Yao Cuifen was very excited. "

""Pick you up? Ye Shu wants to kill us all right now! Don't even dream about it!"Ye Sui's emotions were already on the verge of collapse. Now that he heard Yao Cuifen's whimsical words, how could he still hold back. "

""Kill Us All?"Yao cuifen frowned and said, "Does she think that she can control everything in the capital?" "

"Ye Sui continued, "It's all because you were too good to her back then!" "

"Of course, ye Sui was being sarcastic. "

“Because ye Shu was not related to Yao Cuifen at all. Back then, Yao Cuifen treated ye Shu worse than a servant. She often beat and scolded her, and sometimes she didn’t even give her food. That was why ye Shu was forced to work before she was an adult, it was also because she lacked love that ye Shu fell in love so quickly when she met Lin Jincheng. ”

“”Little Sui, what do you mean by saying these things now?”Yao Cuifen asked. ”

Ye Sui took out his phone. “Go and see for yourself.”

Yao Cuifen took the phone. There was an interview video on the phone. “Isn’t this Buttfacé’s grandmother and Sanzhu’s mother? Why are they on TV?”

“At this moment, Buttfacé’s grandmother began to speak. ”

“”You Mean Shu! I know that child! She’s the third daughter of the old ye family.” She sighed, then she said, “Speaking of which, that child is also pitiful. She only had such parents. Who knows how much suffering she had to endure when she was young! She was not even half a person tall, yet she had to cook for the whole family and wash their clothes! She didn’t even finish junior high school before she went to work! The Old Ye couple are really not human!” ”

“”I also know about Shu. Shu is a good child, but it’s a pity that she didn’t give birth to a good family. The Old Ye couple still have the nerve to acknowledge their daughter. If it were me, I would have long found a hole to hide in!” ”

“I already guessed that Shu is not the biological child of the Old Ye family! It seems that my guess is right!”

“”Although Shu wasn’t their biological daughter, since they adopted Shu, they should be responsible for her!”! “You don’t know how pitiful that child was when she was young. It was winter, and she didn’t even have a pair of shoes. Her feet were red from the cold. In the end, Aunt Ge couldn’t stand it and gave her daughter’s shoes to her!” ”

“I’m relieved to see that Shu is doing well now!”

“ ... ”

“The surrounding people were all talking at once. Even without ye Shu’s appearance, they knew that ye Dafu and Yao Cuifen did not treat ye Shu well back then. ”

“In order to find out what kind of person ye Shu was, the media specially arranged for reporters to go to Ye Shu’s hometown for an interview. Only then did the scene on the screen appear. ”

“”Nonsense! They’re talking nonsense!”Yao Cuifen was hopping mad. “These gossip women, B * tches, only they know how to talk, right? Ziyue! Ziyue, take a video for me!” ”

“It had been so many years since the incident, so how could they have any evidence that she had abused ye Shu. ”

“In court, they still had to pay attention to witnesses and evidence! ”

“With a mouth under her nose, would they be the only ones who knew how to speak? ”

She would also speak!

Yao Cuifen’s greatest ability was to make the dead into the living.

Zhou Zi Yue raised her head to look at Yao Cuifen. “It’s useless. My video account has already been blocked.”

“Due to the distortion of the truth and the destruction of other people’s reputation, Zhou Ziyue’s video account had been blocked. ”

“”How could this be?”Yao cuifen continued, “Then what about your rich boyfriend?” ”

Zhou Ziyue did not speak.

“Are You Mute?” Yao Cuifen was so angry that she pushed Zhou Ziyue.

Zhou Ziyue did not speak.

Ye Sui did not speak either.

“Seeing that the two of them didn’t say anything, Yao Cuifen was so angry that she started cursing, “You Useless Thing! Did you offend them? ! I knew you didn’t have a rich life! Did you come all the way here just to make us look bad?” ”

“At this moment, Yao Cuifen appearing in Beijing was no different from making a fool of herself. ”

...

On the other side.

At the Lin family manor.

Ye Shu was sitting on the sofa with her phone in her hand. Her face was filled with shock. “Oh my God! The direction of the wind has really changed!”

The netizens from before were all on ye Dafu’s and Yao Cuifen’s side.

“Coincidentally, this was ye Zhuo coming down from his spin. Ye Shu turned her head to look at Ye Zhuo. “Zhuozhuo!” ”

““What’s wrong, Mom?” Ye Zhuo asked. ”

“Ye Shu continued, “Did you arrange these videos on the Internet?” ”

“No.” Ye Zao shook his head slightly.

“Then what did they do?” Ye Shu was very curious.

Ye Zao smiled faintly. “Because justice is in the heart of the people.”

Ye Shu’s face was filled with emotion.

“In fact, all these years, Ye Zao had been using ye Shu’s name to help those people from Yun Jing’s hometown. After all, these people had done ye Shu a favor in the past. ”

“Now that ye Shu’s reputation had been wronged for no reason, they definitely had to speak up for ye Shu. ”

“” Ahhh!” Bai Jingshu walked in from outside with the child in her arms. When she saw ye Zao, the baby in her arms shouted excitedly, “Ahhh!” ”

“Little Tiezhu!”

Ye Zao walked over with a smile and reached out to carry him.

“The child was only two months old, but he already recognized people and was exceptionally close to Ye Zao. ”

“Bai Jingshu smiled and said, “Speaking of which, tie Zhu, your brother, and I aren’t as close as you are!” ”

“Really? Does little tie Zhu already know Auntie?”

“Little tie Zhu could not speak, so he could only babble a few times, as if echoing ye Zao’s words. ”

“”Sister-in-law, is tie Zhu a little overweight?”The child was only two months old, but he was already heavy in his arms. ”

“Bai Jingshu nodded. “18 pounds! The doctor also said that he’s a little overweight, so he asked me to control my appetite a little.” ”

“Under normal circumstances, a two-month-old child would weigh around 10 to 15 pounds, but the little tiezhu weighed 18 pounds. ”

“I have to control it.”Ye Zhuo nodded slightly.

“Ye Shu stood up from the sofa. “It’s a blessing to be able to eat. It shouldn’t be a problem for him to be fatter, right?”Ye Shu was a little reluctant to part with such a young child who had to go on a diet. ”

“After all, she was a grandmother. It was normal for her to feel sorry for her grandson. ”

“Ye Zhuo continued, “Mom, it’s just to let the baby eat less. It’s not like I’m not letting him eat anymore. Besides, it’s better to eat less than fatty liver, right? It wouldn’t be good if such a young child gets fatty liver and it affects his health.” ”

“Hearing this, Ye Shu nodded. She walked over and took the small iron pillar from ye Zhuo’s arms. “Everyone says that our iron pillar is fat. I don’t think he’s fat.” ”

“Lin Ze walked in from outside. Hearing this, he smiled and said, “He’s not fat? He’s already a ball!” ”

“Who says that about their own son!”Ye Shu rolled her eyes at Lin Ze.

“Lin Ze smiled and said, “He is. The Doctor said to control his weight.” ”

Chapter 2706: 616: Unexpected 1

“Ye Shu hugged little tiezhu and continued, “Did the doctor say how much a normal child weighs?” ”

“Bai Jingshu replied, “Around 10-15 kilograms.” ”

“”Then our little Tiezhu is only three kilograms overweight.”Ye Shu turned to look at Bai Jingshu, then, she said, “Jingshu, if you control the baby’s weight, you must not lose too much at once. If you lose too much at once, the child will definitely not be able to take it.” ”

“Bai Jingshu nodded. “Don’t worry, Mom. I know.” ”

“As soon as she said that, Bai Jingshu seemed to have thought of something and asked, “Oh right, Mom, how are things at Home?” ”

“”It’s fine,”ye Shu said. ”

“That’s good.”

“”Dad, Mom, brother, sister-in-law, you guys are at home. I’ll go out for a while.”Ye Zhuo took his phone and walked out. ”

“Ye Shu turned around and looked at Ye Zhuo. “It’s already so late. Zhuozhuo, where are you going?” ”

“Ye Zhuo said, “Pingting is going out of town tomorrow. We’re going out for a gathering tonight.” ”

“Lizi is going too?”Ye Shu asked.

Ye Zhuo nodded slightly. "Yes."

"OH."

"Lin Jincheng continued, "You girls have to pay attention to your safety outside. Try not to drink alcohol. If it's inconvenient to drive when you're back, give me a call. I'll pick you up." "

""Okay, Dad."Ye Zhuo changed into his white shoes. "I'll be leaving first." "

The car was parked outside.

Ye Zhuo opened the driver's seat door and sat inside.

"Soon, the black sports car disappeared into the night. "

"Half an hour later, ye Zhuo parked the car in the parking lot near the night market. "

"Sear Sear!"

"As soon as the car stopped, Zhao Pingting waved her hand and ran over. "

""Pingting, why are you here so early!" "

"Zhao pingting smiled and said, "No, I just parked the car and saw you!" "

"Where's Lizi?"Zhao Pingting continued to ask.

"Didn't she send a message in the group chat when I first set off? She should be here soon!"Ye Zao said.

Zhao Pingting took out her phone. "Let me see where she is now."

"After that, Zhao Pingting sent a message to the group of three. [I'm here with Big Zao! Where are you, Lizi?] "

"An Lizi was waiting for the traffic light. When she saw Zhao Pingting's message, she immediately replied, [right away! Go and order some food before drinking a cup of tea. Wait for me.] "

"[okay, drive slowly. Don't be anxious.] "

"After replying to an Lizi's message, Zhao Pingting looked up at Ye Zhuo. "Lizi said that she'll be here soon. She wants us to order first." "

"Okay."Ye Zhuo nodded slightly.

"After an Lizi replied to the message, the traffic light at the intersection ahead turned green. An Lizi released the handbrake and the car slowly drove forward. "

Bang!

"At this moment, a rolls-royce suddenly rushed over from the right intersection. "

Chi!

An Lizi slammed on the brakes.

Her car had been hit.

"After realizing this problem, an Lizi immediately opened the door and got out of the car. "What's wrong with you? Are You Blind?" "

""I'm sorry, Ma'am. I didn't do it on purpose. Don't worry, I'll Take Full Responsibility."The Rolls-royce driver was a middle-aged man with white gloves on his hands. From the looks of it, he was a professional driver."

"Seeing this, an Lizi's attitude softened a little. She continued, "Uncle, do you know that you just ran a red light? It's very dangerous to do this at an intersection!" "

"You mean..."

"Before the driver could finish his sentence, the back seat door of the Rolls-royce was opened by someone. A well-built figure in a suit walked out. "Miss an." "

It was a very deep voice.

It sounded a little familiar.

"An Lizi looked up and said in surprise, "Boss song!" "

"Song Shiyu nodded slightly and continued, "I felt that the voice sounded a little familiar when I was in the car just now. I didn't expect it to really be you." "

""I didn't expect it either,"an Lizi said. "

"Song Shiyu looked at an Lizi. "Miss an, I'm really sorry. My driver just started his shift. Don't worry, I'll take care of the car's repairs." "

An Lizi turned to look at the car. "I'm afraid my car won't be able to drive."

Song Shiyu's car had just stuck to the back of her car.

“The entire back of the car had caved in. If not for the chauffeur braking in time, she would already be lying in a hospital bed.”

“Song Shiyu continued, “Miss an, where are you in such a hurry to go? I can send you over first and get my people to...” ”

““A week ago.” Song Shiyu continued, “Miss an, if you’re not in a hurry, let’s find a place to sit and discuss the car maintenance.” ”

““I’ve arranged to have dinner with Zhuozhuo and the others. Oh right, has boss song eaten yet?” ”

““Not yet,” song Shiyu said. ”

“An lizi smiled and said, “Since you’re not, then you can come with us. When we’re done eating, we can still drive together.” ”

Song Shiyu hesitated for a moment. “That’s fine too.”

““Then let’s go.” An Lizi continued, “Drive Your Car?” ”

“Yes.” Song Shiyu nodded slightly. “I’ll inform the driver.”

“An Lizi said, “Alright.” ”

Song Shiyu turned around and whispered a few words to the driver.

“The driver said respectfully, “Alright, don’t worry. I understand.” ”

“Song Shiyu walked to an Lizi’s side. “Miss an, let’s go.” ”

“Okay.” An Lizi nodded and followed Song Shiyu into the Rolls-Royce.

“The driver turned into Song Shiyu, and An Lizi sat in the passenger seat.”

“Where’s the address?” Song Shiyu turned his head and asked.

An Lizi adjusted the navigation. “Just follow the navigation.”

“Okay.”

“About ten minutes later, the two of them arrived at the agreed location.”

It was a night market.

The place was bustling with people and the air was filled with the smell of fireworks.

Song Shiyu’s gaze scanned the surroundings for a few times before he averted his gaze.

This place suited her style.

“Do we need to find a place first?” Song Shiyu turned his head to look at An Lizi and asked.

“An Lizi was looking around for a while when she suddenly saw Ye Zhuo talking and laughing with Zhao Pingting. She smiled and said, “Found it, found it. Mr. Song, Let’s go over there.” ”

Song Shiyu followed An Lizi’s line of sight and looked over.

“As expected, he saw Ye Zhuo.”

“In the crowd, she was wearing a simple white t-shirt, jeans, and hot pants. Her hair was tied up into a bun.”

“Simple, but not simple.”

“Zha Zha!” An Lizi waved at them excitedly. “Pingting!”

“”Lizi, over here!” Zhao Pingting immediately waved her hand in response. “Zha Zha, look at the person beside Lizi. He looks so much like brother song!” ”

Mr. Song?

“Hearing this, Ye Zha turned around and indeed saw song Shiyu’s figure.”

Zhao pingting frowned slightly. “I forgot to wear my glasses when I went out today. Did I see wrongly?”

“I didn’t see wrongly. It’s him.”

“The two of them got closer and closer. Zhao pingting asked curiously, “Lizi, why are you here with Brother Song?” ”

“Zhao Pingting and song Shiyu had been driving black more often, so they addressed each other more intimately.”

“An Lizi explained, “My Car and Mr. Song’s car had a little friction at the traffic light junction, so we came together.” ”

“Song Shiyu stood behind them and greeted them, “Ye Zhuo, Pingting, do you mind if I join you for a free meal?” ”

“”No, no,” Zhao Pingting said with a smile.”

“Chapter 2707: 618: she is faith and Light, Glory World Wedding

Zhao Pingting had a pretty good impression of Song Shiyu.

“He was gentle and polite, with handsome features and a modest personality.”

“However, what made Zhao Pingting curious was why song Shiyu was still single even though he was not bad looking.”

Could it be that song Shiyu was the same as Cen Shaoqing in the past and had seen through the secular world?

“Zhao Pingting moved a seat inside. “Brother Song, please take a seat.” ”

“Thank you.”Song Shiyu sat in Zhao Pingting’s seat.

Ye Zhuo called the waiter over. “I’d like another cup of green tea.”

“After saying that, she seemed to feel that something was amiss. She turned to look at Song Shiyu.
“Brother song, is green tea okay?” ”

“Yes.”Song Shiyu nodded.

Ye Zhuo smiled at the waiter. “Then I’ll have another cup of green tea.”

“”Okay, please wait a moment.” ”

“An Lizi also put her bag away and smiled. “Great Zao, Pingting, do you know how boss song and I Met?”
”

“How did we meet?” Zhao Pingting’s face was full of curiosity.

Ye Zao held the green tea and opened his red lips. “Car accident.”

“Hearing this, an Lizi looked at ye Zao in surprise. ”

Even song Shiyu turned his eyes curiously.

“An Lizi widened her eyes. “D * MN! Zao Zao, you installed a surveillance camera on me!” ”

“Ye Zao smiled and said, “Are you stupid? You said it yourself that there was a small friction with brother song’s car at the traffic light junction.” ”

An Lizi patted her head. “I think so.”

“After saying that, an Lizi smiled and looked at Zhao Pingting. “So Pingting is the idiot.” ”

Zhao Pingting was innocently blamed. “How am I Stupid?”

“An lizi continued, “How are you not stupid? When I said that there was a small friction with boss song’s car, you were there too. Even searing could guess that it was because of the car accident. You’re just like 250.” ”

Zhao Pingting scratched her head. “My reaction wasn’t as fast as searing.”

“That’s why you’re so silly.”

The two of them spoke one after another without any estrangement because they had not seen each other for a long time.

“Ye Zao took the menu and ordered a few dishes. Then, he handed the menu to song Shiyu. “Brother song, what do you want to eat?” ”

“”Let the two of them order first,” song Shiyu said. ”

Ye Zao shook his head. “There’s no need. I’ve ordered everything they like.”

“An lizi smiled and said, “Zhuo Zhuo understands the two of us very well.” ”

Only then did song Shiyu stretch out his hand to take the menu.

They were all very ordinary high-end dishes.

“They did not seem to have any special features, but there was already a long queue outside the door. ”

Song Shiyu added two more dishes. “That’s enough.”

“Very soon, the dishes were all served. ”

“Although there was now song Shiyu, the atmosphere of the conversation did not change at all. The three of them chatted and laughed, occasionally even giving song Shiyu a cue. ”

Song Shiyu was quite good at catching up.

“There was a boiling hot pot on the table. The red oil was boiling, and a few prawns were poured in. After about ten minutes, they were scooped out, fresh and refreshing. ”

Ye Zhuo ate three prawns in a row. “The prawns here are very delicious. Try Them.”

Zhao Pingting shook her head. "I don't like to eat prawns."

"Let me try." An Lizi scooped up a prawns.

Song Shiyu was eating the fat cow in his bowl.

"An Lizi took a bite of the prawns. "The taste is really good. Boss song, you should try it too. The prawns won't taste good when they're too slippery." "

"Okay." Song Shiyu scooped up a piece of prawns and slid it into the bowl.

"The round prawns were wrapped in a spicy dipping sauce. Not only were they smooth and refreshing, their lips and teeth were fragrant. There was also a very special taste to them. "

"Through the boiling heat from the bottom of the pot, an Lizi looked up at ye Zao. "Da Zao Zao Zao, the wedding date between you and Master Five is coming up soon. Are You Nervous?" "

The wedding date.

Yes.

"Although the person in front of him was his sweetheart, he was also about to become someone else's pillow. "

Song Shiyu's lowered eyes could not tell what kind of expression he had.

He was thinking.

"If the person who was trapped in the small dark room more than ten years ago had not met her, what kind of situation would he be in now. "

Was there still song Shiyu in the Human World?

Perhaps.

It couldn't be.

"If a person did not have light in his heart, how could he survive?"

"Her beautiful face was faintly discernible. After a moment, ye Zao slowly said, "Fortunately, I'm not particularly nervous." "

""Oh Right, Zao Zao, your wedding date with Master Five is set for the sixth day of February, right?"Zhao Pingting asked. "

"Yes."Ye Zouzhuo nodded slightly.

"Zhao Pingting did some calculations. "Then I might not have time to rush back. Zouzhuo, you..."at the end of her sentence, Zhao Pingting's voice became softer and softer. "

"Upon hearing this, an lizi continued, "Can you take a leave of absence?" "

The three of them were best friends. It was not easy to meet each other. An Lizi did not want Zhao Pingting to miss ye Zouzhuo's wedding.

"Chapter 2708: 618: she is faith and Light, Glory World Wedding

"Zhao pingting said, "I just started my job, so it might not be convenient for me to apply for leave." "

An Lizi's face was filled with regret.

Zhao Pingting was the same.

“Ye Zhuo held Zhao Pingting’s hand and smiled. “It’s Alright, Pingting. I’ll post the wedding video in our group.” ”

Zhao pingting nodded. “Then you guys have to post more photos in the group that day. Just treat it as me attending the wedding.”

“Okay.”

“Not long after, song Shiyu looked at his watch and said slowly, “Ye Zhuo, I have a meeting later. I might have to excuse myself.” ”

“Ye Zhuo turned to look at song Shiyu. “Alright, Brother Song, you should go back now.” ”

“Song Shiyu stood up and left. “Pingting, miss an, I’ll be leaving first.” ”

“”Brother song, be careful on the road.” ”

“After song Shiyu left, Zhao Pingting looked at his back and said, “Brother song is quite handsome and has a good personality. How can he not have a girlfriend?” ”

“”A good personality?” An Lizi turned to look at Zhao pingting and continued, “Pingting, I’m afraid you have some misunderstanding about a good personality!” ”

“Why?” Zhao Pingting’s face was filled with confusion.

“An Lizi continued, “Do you know what song Shiyu’s nickname in the circle is?” ”

“What?” Zhao Pingting asked.

“An Lizi said slowly, “King Yama.” ”

“After saying that.., an lizi continued, “Actually, in recent years, song Shiyu has restrained himself quite a bit. I heard that when he was still a minor, he was imprisoned in the Juvenile Detention Center for many years because he killed his father. “Anyway, the people in the circle have a very bad impression of him. “Before I met him, I didn’t have a good impression of him.” ”

“Ah?” Zhao Pingting was surprised.

Song Shiyu didn’t look like this kind of person.

“During this period of time, song Shiyu had always been like a spring breeze. ”

An Lizi continued to explain many things about song Shiyu to Zhao Pingting.

...

In the infirmary.

“Song Shiyu sat on a chair expressionlessly, allowing doctor Liu to examine him. ”

“Bai Jiayu also sat beside him and said, “Third brother, what did you do? You made yourself look like this!” ”

Song Shiyu was in a very bad condition. Red bumps were growing all over his body.

“Hearing this, song Shiyu did not say anything. ”

“Doctor Liu continued, “Boss song is allergic to prawns. Luckily, he came back in time. Otherwise, he might go into shock at any time.” ”

He was not afraid of shock.

He was just afraid that ye Zhuo would find out something was wrong.

“Bai Jiayu frowned. “Third brother, What’s going on? Did you get ambushed?” ”

Song Shiyu’s constitution was not good and he was allergic to many things.

Especially prawns.

“Therefore, song Shiyu definitely ate prawns without knowing. ”

“Furthermore, the other party was definitely someone who knew song Shiyu very well. ”

Who Was It?

Who wanted to harm song Shiyu?

“”No,”song Shiyu said slowly. “I ate it myself.” ”

Bai Jiayu widened his eyes in disbelief. “Why?”

Self-torture?

“Song Shiyu said unhurriedly, “It’s nothing.” ”

“Bai Jiayu narrowed his eyes. “Third brother, there’s something very wrong with you!” ”

He had definitely met someone?

““It’s Ye...”before Bai Jiayu could finish his sentence, he was interrupted by Song Shiyu. “It has nothing to do with anyone. It’s me who wants to taste what shrimp tastes like.” ”

Bai Jiayu took a look at song Shiyu. His eyes were actually filled with heartache.

Song Shiyu was such a proud person.

“But now, he had become like this... ”

““Third brother.”Bai Jiayu squatted down and looked up at Song Shiyu. “Actually, you don’t have to put yourself through this. If you like it, go and fight for it. Life is so long. Don’t leave yourself with regrets.” ”

“He laughed when he was happy, cried when he was sad, and chased after the person he liked. ”

Why was there a need to be so tired?

“With song Shiyu’s current status, there was no need for him to do that. ”

““Yeah, life is like a spring in the grass.”Song Shiyu sighed softly. “Jiayu, Cherish Little Tang well.” ”

Little Tang was Bai Jiayu’s current girlfriend.

“The two of them were on and off, and they had feelings for each other. However, Bai Jiayu felt that there was something missing, so he didn’t care. ”

“Bai Jiayu was a little speechless. “Third brother, we’re talking about you now! What are you CUE me for?” ”

“I just don’t want you to regret it.”

“Song Shiyu paused and turned to look at the completely dark sky outside, “I should have been a dead man twenty years ago, but God gave me another life. I’ve already avenged what I should have. What else am I not satisfied with?” ”

“Bai Jiayu looked at him, speechless for a long time. ”

“After a long time, Bai Jiayu continued, “Third brother...” ”

“Chapter 2709: 618: she is faith and Light, Glory World Wedding -LRB-end)3”

“He swallowed the words at the tip of his tongue, not knowing how to open his mouth.”

Song Shiyu was too proud.

It was precisely because of his unruly character that Bai Jiayu was worried that he would take an extreme path.

“It was also at this moment that song Shiyu turned to look at Bai Jiayu. He seemed to have seen through Bai Jiayu’s thoughts and said with a smile, “I have faith in my heart and light in my eyes. I Won’t do things that only the weak would do.””

“As long as faith and light were there, he would be there.”

"Hearing this, Bai Jiayu heaved a sigh of relief and continued, "By the way, third brother, my grandfather said that he wanted to introduce you to someone. The other party's looks are all very good. Do you want to go and take a look?"

"Help me thank old master, but there's no need," Song Shiyu said.

"Bai Jiayu continued, "But people have to get married and have children in the end!" How could Song Shiyu do this?"

"That's someone else." Song Shiyu's tone was indifferent.

"Bai Jiayu looked at Song Shiyu in disbelief. "Third brother, you're not really planning on not getting married for the rest of your life, are you?"

"Why not?" Song Shiyu asked back.

"Bai Jiayu did not understand Song Shiyu's thoughts. He thought that when one was old, one should have children and grandchildren and enjoy the happiness of a family with a married person."

"For someone like Song Shiyu, he would have to spend the rest of his life alone."

"Bai Jiayu had also seen the news of an old man who died alone at home and only became known to his neighbors after he rotted, so he shared it with Song Shiyu."

"Unexpectedly, Song Shiyu just smiled and said, "You're worrying over nothing."

Bai Jiayu frowned. "You're doing this for..."

"It's not because of anyone." Song Shiyu stopped Bai Jiayu from finishing his sentence.

"But have you ever thought about what you'll Do When You're Old?" Bai Jiayu asked.

““We’ll live happily ever after,” song Shiyu answered.”

“Bai Jiayu sighed. “Third brother, you’ll regret it in the future.””

Song Shiyu didn’t say anything.

Would he regret it?

Of course not.

“If it was for the sake of carrying on the family line and enjoying the happiness of having a wife and child in the eyes of others, he would regret it for the rest of his life.”

One person for the rest of his life.

If that person was already a wife and a mother...

Then he would protect her.

“Seeing song Shiyu like this, Bai Jiayu could only shake his head helplessly.”

“A moment later, song Shiyu turned to look at Bai Jiayu and the doctor. “You guys go out first. I want to be alone for a while.””

Bai Jiayu glanced at the doctor before leaving with the doctor.

The room returned to silence.

"After a long while, song Shiyu stood up and walked towards the French window. He looked into the distance."

The sunlight shone through the window and coated his body with a layer of light.

There was no expression on his face. One could not tell whether he was happy or sad.

The past happened one after another.

"She came with the wind and rain. He could not avoid it. When she left, the four seasons were in chaos. He had been ill for a long time."

...

On the sixth day of the second month of the lunar calendar.

It was appropriate to marry.

"It was just past midnight, and the sky had yet to brighten. The Lin family was brightly lit from top to bottom."

The bright red word "Double happiness" was plastered all over the doors and windows.

"Seeing that the family was so busy, Lin Jincheng did not know what to do, and his heart was filled with melancholy."

"Ye Zhuo was his only daughter, and the only girl in the Lin family."

"After stepping out of the Lin family's door, she would be someone else's wife, and she would be a mother in the future..."

“As a father, he really couldn’t bear to part with her.”

“But today was ye Zao’s wedding day after all, so he still squeezed out a smile.”

“Although ye Shu usually didn’t feel much, when it came to the day of ye Zao’s wedding, she felt extremely uncomfortable.”

“Fortunately, Bai Jingshu and Lin Ze were taking care of the house from top to bottom.”

“In this house, Ye Zao was probably the only one who felt the most relaxed.”

“At this moment, she was sleeping.”

Bai Jingshu smiled and looked at Lin Ze. “Should we wake up Zao Now?”

“No.” Lin Ze shook his head. “I have an appointment with the makeup artist at 4:30. Let’s go wake her up at 4:20.”

“Okay.”

“At 4:20 in the morning, Bai Jingshu knocked on the door to wake ye Zao up.”

“Zao Zao! Wake Up!”

“Hearing Bai Jingshu’s voice, ye Zao responded, “Is the makeup artist here?””

“”She’ll be here in ten minutes,” Bai Jingshu replied.”

""Okay, I'll get up right away."Ye Zao took out his phone and looked at the time."

"Then, he immediately changed his clothes and got up."

The first set of clothes for today was a traditional wedding dress.

There were three pieces inside and three pieces outside. The intertwining of the ribbons was very complicated and required makeup before wearing the wedding dress.

"Therefore, ye Zao casually put on a coat and went to wash up."

"Just as he washed up, there was a knock on the door."

Beep Beep Beep —

""Doggie, go open the door,"ye Zao said."

"Okay!"Little White immediately went to open the door.

"The door opened, and it was Bai Jingshu who came over with her makeup artist."

"Chapter 2710: 618: she is faith and Light, Glory World Wedding -LRB-end)4"

"Bai Jingshu smiled and asked, "Is it burning?" "

"Yes."Little White took a few steps back. "Come in quickly."

Bai Jingshu led the two make-up artists in.

“Sister-in-law.” Ye Zhuo walked out of the bathroom.

“”Burning, these are the two make-up artists who gave you and your make-up today.” Bai Jingshu continued to introduce, “This is Michelle, and this is Annie.” ”

“”Hello,” ye Zhuo greeted them with a smile. ”

“The two makeup artists looked at ye Zhuo, their faces filled with astonishment. ”

This was probably the most beautiful bride they had ever seen.

“Most importantly, this was even under the condition of not wearing any makeup. ”

“Miss Ye!”

“Ye Zhuo continued, “Take a seat, Xiao Baibai, go and pour some tea.” ”

“”Okay, okay.” Xiao Baibai immediately went to pour some tea. ”

“Annie asked in surprise, “Is it a robot?” ”

“Without waiting for Ye Zhuo’s reply, little white immediately answered, “Right, right, right. And not only is it a robot, it’s also the most powerful robot in the entire universe!” ”

“Oh my God! It’s so cute!”

“Little White immediately raised its cute little head, “I forgot to mention just now that it’s the number one cute little white in the entire universe.” ”

“Soon, Whitey poured a cup of tea and served it to the two of them. ”

“Thank you.”

“After drinking the tea, it began to put on makeup. ”

The bride’s makeup was just like a traditional wedding dress. It was complicated and complicated.

Michelle and Annie were in charge of hair accessories and makeup.

“Michelle was smearing on ye Zao’s face as she said, “Miss Ye, your skin quality is too good. You Don’t have any powder at all. You’re very obedient!” ”

“”Maybe it’s because the skincare products were chosen well,”ye Zao answered. ”

“Annie immediately asked, “Miss Ye, what skincare products do you usually use?” ”

“”Ruosu,”ye Zao answered. ”

Ruosu was a domestic skincare product.

It was very common and very common. The most important thing was that it was cheap. A set only cost 200 yuan.

She had thought that a daughter of a wealthy family like ye Zao would definitely name an international brand that they looked up to. She did not expect ye Zao’s skincare products to be so popular.

“Really?”Annie did not believe it.

Why had she not heard that Ruosu was so useful?

“Ye Zao smiled and said, “Well, ruosu is a very conscientious Chinese product. Of course, it doesn’t count if I say it. You will only know after you use it.” ”

Facts speak louder than words.

“Michelle continued, “But I heard that fairy water is more useful.” ”

“Fairy water was also a skincare product, but it was a brand from country R. ”

“”En, actually, a skincare product like RUOSU is more suitable for our skin. The climate of the island and their lifestyle are all different from ours. The skincare products they developed are more suitable for the people of the island,”ye Zhuo said. ”

“Annie nodded. “In that case, it makes sense.” ”

Ye Zhuo explained some other skincare knowledge to them.

Michelle and Annie learned a lot.

“”Miss Ye, you’re really amazing. You know more than our professional makeup artist.” ”

Ye Zao looked at himself in the mirror. “The most important thing for a girl is her face.”

“Miss Ye is right.”

“Soon, the makeup and hair accessories were done. ”

Annie and Michelle walked to the bathroom.

There was a bathroom in ye Zao's bedroom.

"As the two of them walked towards the washroom, they whispered, "Annie, do you believe that Miss Ye is using Ruosu?" "

"Michelle shook her head, "I don't believe it." "

"For someone like ye Zao, even if she did not use fairy water, she would definitely use a top-notch custom-made product. "

"At this moment, Annie's gaze was attracted by the skincare products in front of the skincare table. "

""Michelle, look over there." "

Annie turned her head and was a little surprised.

"Some of these skincare products were half-used, some were nearly empty bottles, and some were just beginning. Other than Russo, there were other products. "

The only thing they had in common was that they were all made in China.

"I didn't expect Miss Ye to really use these Chinese products!"

"I want to take a photo and go back to use the same model as Miss Ye."Michelle took out her phone.

Six o'clock.

Ye Zao changed into his wedding dress and sat on the bed.

“Zao Zao!”

“At this moment, the door was pushed open. ”

“An Lizi and Li Yueyue, who were wearing bridesmaids’ dresses, came in from outside. ”

The light pink bridesmaid’s dress was also a traditional dress. It looked like it was floating in the air. They did not choose the dim style to not overshadow the bride’s beauty when they were choosing the dress.

“”Quick, let’s see if our bridesmaid’s dress looks good!” ”

The two of them excitedly circled around in front of ye Zao.

“It looks good!”Ye Zao nodded slightly.

“”I think it looks good too.”An Lizi looked at herself in the mirror. “Zao Zao, your taste is simply superb.”
”
