Chapter 271: 099: Zhao Pingting's parents knew the truth

Zhao Pingting went to work in a restaurant.

It was her first time doing manual labor.

It was tiring.

But Zhao Pingting persevered.

Because she knew that her parents were more tired than she was over the years.

It was good to experience her parents' hardships before she died.

...

On the other side.

Ye Zhuo was going to take the driver's test today.

"Because she had an appointment with Zhao Pingting, she sent a wechat video to Zhao Pingting."

The video was quickly connected.

"On the other end of the screen, Zhao Pingting was wearing a work uniform from a restaurant. "Zao Zao, why are you looking for me?" "

“Ye Zao said, “Didn’t we agree to take the driver’s license test together? which driver’s school did Auntie sign you up for? I’ll be right over.” ”

“Zhao pingting smiled and said, “Zao, I’m going to take a summer job recently. I’m afraid I won’t have time to take the driver’s license test with you. Sorry, I missed our appointment again.” ”

“Taking a summer job?”Ye Zao raised his eyebrows slightly.

“Yes.”

“At this moment, Zhao Pingting’s voice came from the other end of the screen. ”

“Zhao Pingting immediately responded and said, “The shop is starting to get busy! Zao, I Won’t talk to you anymore. Let’s chat again when we have time.” ”

“After saying that, she hung up the video call. ”

“Zhao Pingting did not go, so ye Zhuozhuo had to go alone. ”

“She found a pretty good driving school online, which was near her home. ”

“The coach was a middle-aged man in his fifties, surnamed Wu. ”

“When he did not smile, he was a little serious. ”

“Recently, Zhengzhi’s college entrance examination had ended, and many students had come to learn how to drive. Some of the young people looked smart, and their studies were not bad, but in fact, they were very stupid. They could repeat a movement a few hundred times, but they could not remember it!  
”

This caused coach Wu's scalp to go numb when he saw the grade 12 graduates.

"When he saw the driving school staff bring ye Zhuo over, coach Wu's heart skipped a beat. "You're also a student of this year's College Entrance Examination?" "

Ye Zhuo nodded.

"Coach Wu scratched his head, pulled open the car door at the side, and got into the passenger seat. He turned around and said to ye Zhuo, "You can get in the car too." "

"Okay."Ye Zhuo sat in the back seat.

A student was sitting in the driver's seat.

"Coach Wu said, "Let's practice S-bend first." "

"Okay."The student nodded.

"At first, the car was quite quiet. After a minute, coach Wu began to lose his composure. "How can students nowadays have such poor comprehension skills! It's really worrying you to death! Did you really get into university?" "

"I told you to step on the brakes! Why did you step on the accelerator! ! Do you want to commit murder?"

The student in the front seat turned red and became more and more flustered. He was so anxious that he didn't know where to put his hands.

"Kill him! Kill him! Kill him with the steering wheel!"

Ye Zhuo glanced at the front seat and a smile appeared on his face.

Coach Wu turned his head angrily. "New student at the back! What are you laughing at! Have you learned it yet? Just laugh! Put away your phone and watch how he learns it seriously!"

"Ye Zhuo said, "Coach, I learned how to drive at home before. I came here today to confirm with you and make an appointment for the exam for the first, second, third, and fourth subjects." "

Coach Wu was speechless.

Young people nowadays were getting more and more unreliable!

They only knew how to Brag!

"He had been a coach for a long time, but this was the first time he had met someone who was so good at bragging."

He could even go to heaven!

Couldn't such a beautiful little girl be a little more steady?

"There are rules here. After passing the first exam, you can only make an appointment for the second exam at least 10 days later. After the second exam, you have to wait for 10 days before you can make an appointment for the third exam, and then you can make an appointment for the fourth exam! "Do you think it's that easy to get a driver's license? "It's like eating sunflower seeds!" "

"Ye Zhuo raised his eyebrows slightly. "In other words, I have to wait at least 30 days before I can get a driver's license?" "

"You want to get a driver's license after 30 days?"?

"Only a god who hasn't failed a single exam can do that, right?"? "

“Hearing this, coach Wu felt even more speechless. “Stop Dreaming! Among the students under me, the most talented one also waited for two months to get a driver’s license! Someone like you has to wait at least three to four months!” ”

Coach Wu had been a coach for such a long time.

He was too experienced.

“Usually, the beautiful ones were not very good at driving. ”

“Otherwise, ‘female driver’ would not have become a derogatory term. ”

“Ye Zhuo smiled slightly. “Don’t worry, I Won’t fail.” ”

““Won’t Fail?” Coach Wu frowned. “Come! I’ll give you the steering wheel. Drive one for us! Xiao Liu, get out of the car first.” ”

“Xiao Liu, who was in the driver’s seat, immediately opened the door and got out of the car. ”

Ye Zhuo came to the driver’s seat.

Although the configuration of the car was a little bad.

It was still passable.

He could still enjoy it.

“Chapter 272: 099: the handsome searing, Zhao’s parents know the truth”

“After fastening his seatbelt, ye Zao turned to look at the coach. “Are You Ready?” ”

“Go ahead, I’ll tell you again. This is the accelerator, this is the brake! Don’t step on the wrong pedal!” ”

“Ye Zao curled his lips slightly. “Don’t worry, there’s no mistake.” ”

“After saying that, Ye Zao started the engine. ”

Boom —

“Before the coach could react, the car had already flown out! ”

It was extremely fast.

But it had accurately avoided every car on the s-bend!

Whether it was a big bend or a small bend!

“Not only did she not slow down, but she was even faster! ”

“Looking from afar, she could only see an afterimage. ”

Drift!

Jump and slide!

These thrilling and exciting scenes could only be seen on the racing track normally.

This driving skill!

The other coaches present were stunned and their blood boiled!

“Amazing! Really Amazing! I didn’t expect that our driving school had a racer!”

“In the crowd, some people even whistled. ”

“Seeing this scene, the other students were not in the mood to practice driving and got out of the cars one by one. ”

“One student could not help but exclaim, “This is so cool! When will I be able to practice to this level?” ”

The coach beside him glanced at him. “You? In your next life.”

The Student:” ...”

“”Holy shit! There’s a continuous curve ahead, and he’s not slowing down!” ”

“Will he crash?”

“Under normal circumstances, even a professional racer wouldn’t dare to rush around in a continuous curve like this. ”

“Oh my God! He’s actually speeding up again!”

“He doesn’t want to live anymore!”

Everyone's hearts started to race as well.

The next second.

The car smoothly passed through the straight curve!

"F \* ck! Awesome!"

The commotion here even attracted the principal of the driving school. The principal thought that he was seeing things. He took off his glasses and pinched the bridge of his nose. "Whose car is this?"

Why didn't he know that there was such a talent in the driving school?

"In the crowd, someone recognized this car. "This seems to be Old Wu's car, right?" "

"Old Wu?"The principal put on his glasses again. "Old Wu is that good?"

The others were also shocked.

"Who would have thought that coach Wu, who usually looked very ordinary, would be so good "

"Old Wu is hiding his abilities!"

""I didn't expect Old Wu's driving skills to be so good! See, he's getting faster and faster!" "

"Oh my God! What happened to Wu today! Why did he suddenly become so good?"

Not to mention the other coaches.

“Even coach Wu, who was in the car, was dumbfounded.”

He didn't expect ye Zhuo's driving skills to be so good!

In less than two minutes.

Ye Zhuo ran the s corner twice.

Chi —

“Three minutes later, a beautiful tail swing stopped steadily on the road.”

Coach Wu's face turned pale.

He had been a coach for so many years.

This was the first time he had met such an amazing student.

““Coach, are you okay?” ”

Coach Wu smoothed his hair that had been messed up by the wind. “I'm fine.”

“Old Wu! You're so amazing!”

““D \* MN! Old Wu, I can't tell usually!” ”

“At this moment, a group of coaches surrounded the car.”

“When they saw coach Wu sitting in the passenger seat, everyone's expression changed.”

Could it be...

That the person driving just now wasn't coach Wu?

But wasn't the little girl in the driver's seat a little too young?

How could such a young girl be so powerful?

It was impossible.

"Amidst everyone's confusion, coach Wu slowly said, "The person driving just now wasn't me." "

""If it wasn't you, then who was it?" "

"Hearing that, everyone was stunned. "

Could there be a third person in the car?

"Coach Wu tilted his head and looked at Ye Zao. "It's my new student, Ye Zao." "

F \* ck!

The surroundings instantly fell silent.

A moment later.

"Someone laughed softly. "Old Wu, don't joke with us anymore." "

“That’s right! This joke isn’t funny at all!”

“Coach Wu said very seriously, “I’m not joking with you. Look at me. Do I look like someone who just drove?” In fact, he was also quite frightened just now. ”

“Hearing that, everyone carefully looked at coach Wu. ”

Because the speed of the car just now was too fast.

His hair was also messed up.

There was not even a hint of blood on his face.

He was in a very sorry state.

He did not look like he had just driven a car.

“On the other hand, Ye Zao, who was in the driver’s seat, had always looked calm and collected. ”

Could it be...

That the person who had just driven the car was really ye Zao?

Wasn’t this too terrifying?

How Old was she?

““Young lady, is the person who just drove the car really you?” ”

“Yes.” Ye Zao nodded slightly.

“Amazing!” That person gave him a thumbs up. “Really amazing!”

“Another person asked, “Little girl, why did you come to our driving school?” ”

Chapter 273: 099: the handsome burning. Zhao family’s parents know the truth

Ye Zhuo looked up slightly. “I’m taking the driver’s license test.”

Taking the driver’s license test?

““You, you don’t have a driver’s license yet?” ”

“Yes.”

Everyone was stunned.

How could a person who didn’t even have a driver’s license be so good at driving?

How could they bear the fact that they had a driver’s license?

“Ye Zhuo turned to look at the coach. “Coach Wu, can you tell me how to make an appointment for the test now?” ”

“Coach Wu was completely convinced. She continued, “You can make an appointment by downloading the 12123 app.” ”

“Okay, thank you. I got it.”Ye Zhuo unfastened her seatbelt. “Then I’ll go back first.” ”

“After saying that, Ye Zhuo opened the door and got out of the car. ”

“Seeing her open the door and get out of the car, the people surrounding the car automatically made way for her. ”

“At this moment, ye Zao still didn’t know. ”

A video of a race was already trending on the internet.

1

...

“After leaving the driving school, ye Zao passed by a milk tea shop. ”

The weather was hot.

Ye Zao went in to buy milk tea.

“Just as he ordered the milk tea, a pleasantly surprised male voice came from behind. “Ye Zao?” ”

Ye Zao looked back slightly and saw Li Boyang. Two male classmates were standing beside him.

“Li Boyang continued, “Are you here to buy milk tea too?” ”

“Yes.”Ye Zhuo nodded slightly.

“Li Boyang continued, “These two are my classmates, Wei Jun and Qian Wenbin.” ”

“Hello.”Ye Zhuo smiled politely.

“”Hello, your kumquat lemon tea is ready.”The shop assistant’s voice came from behind. ”

“”Thank you.”Ye Zhuo turned around and took the lemon tea, then said to Li Boyang, “I’ll go back first.” ”

“Li Boyang wanted to say something more, but she had already walked out of the door. ”

“Just as ye Zhuo left, Wei Jun and Qian Wenbin asked curiously, “Who was that beauty just now, Li Boyang? Isn’t she too beautiful?” ”

“Her name is Ye Zhuo.”

“”Ye Zhuo?”Wei Jun continued, “Which school is she from? Can you introduce us?” ”

“Li Boyang glanced at Wei Jun, “She’s going to be my girlfriend soon, don’t let your imagination run wild.” ”

Wei Jun had only scored over 400 points in the college entrance examination.

How could ye Zhuo fall for him?

“You want to pursue her?”Wei Jun asked.

“Yes.”Li Boyang nodded.

“Wei Jun looked outside the door, “She’s so beautiful, will she fall for You?” ”

“Li Boyang’s eyes flashed with confidence. “Don’t worry, she’ll definitely agree to it!” ”

“Qian Wenbin said speechlessly, “Are you that confident? What if she doesn’t agree to it?” ”

Ye Zao was too beautiful.

She was the kind that could blow up the streets if she walked out.

“Li Boyang stood beside her. At most, he could make do with what he saw. ”

Only if ye Zao was blind would he take a fancy to Li Boyang.

“She will!”

Li Boyang knew ye Zao too well.

A person with a low academic background yearned to be with a person with a high academic background.

This could make up for her shortcomings.

“Now, not only did he get into a university, but he was also in Qinghua University. ”

It was impossible for ye Zao not to agree to him.

“Li Boyang continued, “Just you wait! Ye Zao will definitely become my girlfriend! When the time comes, I will bring her to treat you to milk tea.” ”

“What if she doesn’t agree to it?”The guards asked.

“Qian Wenbin said, “How about this? If ye Zao doesn’t agree to it, you can take over the stinky socks for me and the guards this month. How about that?” ”

“”Sure!”Li Boyang said, “If she agrees to it, you have to wash my stinky socks for a month!” ”

“Okay! No problem.”

Time passed quickly.

“In the blink of an eye, another three days passed. ”

“Zhao Pingting felt more and more uncomfortable these few days, as if she couldn’t breathe. ”

Her chest was still very painful.

“But fortunately, she could still hold on. ”

After work.

She went to the pharmacy to buy painkillers.

There were still three months left.

She had to hold on for these three months.

She just came out of the pharmacy.

Then she ran into Zhao Yingjun who had just come back from work.

“Zhao Yingjun asked curiously, “Pingting, are you not feeling well?” ”

“Zhao pingting smiled and said, “No, I’m just feeling a little uncomfortable with my throat. I’m going to buy some throat lozenges.” ”

“OH.”Zhao Yingjun nodded suspiciously.

“At night, when she was sleeping. ”

Zhao Yingjun and Tang Jia were chatting and talking about Zhao Pingting’s unusual behavior in the past two days.

“”Tang Jia, have you noticed that Pingting has lost a lot of weight recently? She doesn’t look too good either.” ”

“Tang Jia was putting on a facial mask and said casually, “Hasn’t she been losing weight recently? It’s normal for her to lose weight!” ”

“Zhao Yingjun frowned and still felt that something was wrong. “Losing weight doesn’t have to make her look so bad, right? I even saw her coming out of the pharmacy today! Tang Jia, do you think something happened to Pingting?” ”

Chapter 274: 099: handsome and dazzling. Zhao family’s parents know the truth

“Tang Jia said speechlessly, “Don’t worry. Your Sister’s physique is so good. She won’t encounter any problems! Besides, does she look like she’s suffering a loss?” ”

“Zhao Yingjun continued, “Give me 500 yuan.” ”

“What do you need money for?”Tang Jia’s face was full of vigilance.

“”I’ll give it to Pingting.”Zhao Yingjun continued, “Pingting must have been too tired from work recently. I’ll give her some money so that she can buy some delicious food to nourish her body.” ”

Tang Jia was a little unhappy. “Take your own private money! Don’t even think about touching my money!”

“How can you be like this? Isn’t Pingting treating you quite well? You Can’t even bear to take 500 yuan?”

Tang Jia pursed her lips. “300 yuan! I Can’t give you any more! We still have to save our money to buy a house!”

“With that, Tang Jia took out 300 yuan and handed it to Zhao Yingjun. ”

“After receiving the money, Zhao Yingjun quickly went to look for Zhao Pingting. Just as he reached her door, he heard Zhao Pingting coughing in the house. ”

“”Pingting, open the door.” ”

“Hearing this, Zhao Pingting hurriedly threw the toilet paper that was covering her mouth into the trash can. She looked at herself in the mirror before walking over to open the door. “Big Brother, why are you here?” ”

“Zhao Yingjun asked with concern, “I heard you coughing in the house just now. Are You Okay?” ”

“Zhao pingting smiled and said, “I’m fine. It’s just that my throat is a little uncomfortable.” ”

“Zhao Yingjun was a little worried. “Why don’t I accompany you to the hospital to take a look? Sometimes, coughing is not a small matter!” ”

“”I’m really fine.”Zhao Pingting sat on the bed as if nothing had happened. She continued, “Big Brother, it’s so late and you’re not sleeping. Is there anything you need from me?” ”

“Zhao Yingjun then remembered what he had to do. He quickly took out 500 yuan from his pocket. “Pingting, your sister-in-law asked me to give you this 500 yuan. She saw that you’ve been working too hard recently, so she asked you to buy some delicious supplements.” ”

“Tang Jia only gave him 300 yuan, and the remaining 200 yuan was Zhao Yingjun’s personal savings. ”

“”Help me thank sister-in-law, but I’m not short of money. You should take this money back.”Zhao pingting continued, “Brother, aren’t you guys preparing to buy a house recently? Hurry up and pay the down payment! Don’t spend money recklessly! My classmate said that the house price in Yunjing will rise again.” ”

“Zhao Yingjun directly stuffed the money into Zhao Pingting’s hands. “Even if you want to buy a house, you don’t lack this 500 yuan! Take it, be good!” ”

“After saying that, Zhao Yingjun turned around and left the room. ”

Zhao Pingting looked at Zhao Yingjun’s back as he left. Her nose was sore and she almost cried.

But she tried her best to hold it in.

“The next day, Zhao Pingting went to work on time. ”

Tang Jia had a rest today.

It was not easy for her to have a day off. She slept until ten in the morning before she woke up.

Everyone in the family went to work.

The house was empty.

“After eating, Tang Jia began to clean.”

There were many people in the family.

“Every time she cleaned, she would take turns. Whoever rested would get it.”

“When they cleaned Zhao Pingting’s room, Tang Jia discovered that there was blood on the toilet paper in the trash can.”

What was going on?

“Tang Jia frowned slightly. She picked up a clump of toilet paper, stood up from the ground, and accidentally knocked over the bag on the table.”

Crash —

The things in the bag were scattered all over the floor.

Tang Jia quickly squatted down to pick up the things.

“At this moment, Tang Jia suddenly picked up a CT report and a medical case.”

Patient: Zhao Pingting.

Lung Cancer?

“When she saw these two words, the report fell to the ground, her face pale.”

Zhao Pingting actually had lung cancer.

The date of her visit was the day Zhao Pingting bought gifts for her family.

At this moment.

Tang Jia finally understood why Zhao Pingting had changed so much during this period of time.

So...

So she had lung cancer.

Zhao Pingting was only nineteen this year.

Tang Jia couldn't imagine how she had managed to survive by herself these past few days.

Tang Jia couldn't care less about anything else. She quickly called Zhao Yingjun and her in-laws to tell them to come back as soon as possible.

“She hurriedly hung up the phone and ran out of the door. She didn't even have time to change her shoes. She ran to a restaurant not far from the neighborhood and found Zhao Pingting, who was serving dishes in the crowd.”

“Little Sister.”

“Sister-in-law?” Zhao Pingting was a little surprised when she suddenly saw Tang Jia.

Tang Jia directly took the plate from Zhao Pingting's hand. "Stop carrying plates! Come Home with me!"

""Sister-in-law, what's Wrong?"Zhao Pingting looked at Tang Jia in confusion. "

"You come with me!"Tang Jia dragged Zhao Pingting out.

"At this moment, the restaurant owner walked out from inside. "Little Zhao! It's a busy time right now. Who are you chatting with? Come in quickly!" "

Chapter 275: 099: "So Handsome."Zhao Pingting's parents knew the truth

""I'm sorry, my sister quit!" "

"The Boss's expression was very ugly. "She's only been working for a week. If she suddenly quit now, she won't get paid!" "

"No! We don't want the pay!"Tang Jia suddenly lost control of her emotions and shouted angrily.

"Zhao Pingting was shocked by Tang Jia. "Sister-in-law, what happened to you? Did Something Happen?" "

"Tang Jia looked at Zhao Pingting, she said in a hoarse voice, "I know! I know everything! Little Sister, go home with sister-in-law! Sister-in-law will take care of you! Don't worry, sister-in-law and your brother have saved over a million yuan! It will definitely be enough for you to treat your illness!" "

Zhao Pingting did not expect Tang Jia to know about this.

She did not expect Tang Jia to say such a thing.

Tang Jia was usually a very stingy person.

She did not want to do her hair.

She did not want to buy her clothes.

She did not want to buy her skin care products.

“She was only in her thirties, but she had managed to live like a 40-year-old woman.”

She had saved for many years.

They had only saved more than a million...

But today.

“For her, she had actually given all this money to her for treatment.”

“They usually did not seem to care about each other. In fact, in their hearts, they had already regarded each other as the people closest to them.”

Tang Jia was even more so.

“In her heart, Zhao Pingting was her younger sister.”

This family could not live without her.

“Zhao Pingting tried her best to force a smile. “Sister-in-law, I have lung cancer. It’s in the middle and late stages. There’s no hope for treatment. Rather than wasting money, I might as well spend my last days with you guys.” ”

“”It can be cured! It can definitely be cured! You’re still so young. As long as you cooperate with the treatment, there will definitely be hope!”Tang Jia’s face was already covered in tears, “You don’t have to worry about the money. Your brother and I can save over 200,000 yuan a year. Moreover, we still have over a million yuan in savings. This money will definitely be enough for you to cure your illness!” ”

“Zhao Pingting shook her head, “Sister-in-law, listen to me. My illness is a death disease. It Can’t be cured! Even if you forcefully treat it, you’ll only end up with nothing! It will only add to the pain. Don’t tell my brother about this, and don’t tell mom and Dad About It!” ”

“”Mom and dad only have one daughter, and your brother and I only have one sister, and you are the only aunt in Zhuang Zhuang! If something were to happen to you, what do you want us to do? You are not allowed to say anything depressing! Let’s go, let’s go home with sister-in-law!”Tang Jia dragged Zhao Pingting back. ”

“”Sister-in-law, you and my brother’s savings are used to buy a house! You have saved for so many years, I can not drag you down! And I can’t drag down Zhuang Zhuang! I beg you, please don’t tell my brother and my parents about this, okay?”At the end of her sentence, zhao pingting directly knelt on the ground. ”

Zhuang Zhuang was the son of Zhao Yingjun and Tang Jia.

He was five years old this year.

“Now, he was brought by Tang Jia’s mother and was usually sent back once a week. ”

Zhao Pingting did not want to drag the family into a mess before she died.

Lung cancer was a fatal disease.

“Not only was there no cure, but once they were admitted to the hospital, they could not afford the medical expenses at all.”

It was no different from burning money.

“Tang Jia was also kneeling on the ground, “Little sister, sister-in-law, please don’t give up on yourself when we haven’t given up on you, okay? If the house is gone, you can buy it again. If the person is gone, then it’s really gone! This illness must be treated! Even if we have to sell everything we have! One Million is definitely enough! You Don’t have to worry about money! This isn’t a problem that a child like you should be worried about!” ”

“Sister-in-law!”

“Tang Jia continued, “Come Home with me. Let’s go home together! Let’s go treat the illness, okay?” ”

Zhao Pingting was also in great pain. “It can’t be cured... my illness can’t be cured.”

“Tang Jia continued, “Get up first. I’ll keep it a secret for you.” ”

“Really?” Zhao Pingting looked at Tang Jia in surprise.

Tang Jia nodded. “Really.”

“Zhao Pingting stood up. “Sister-in-law, thank you.” ”

Tang Jia wiped the tears from her face. “Let’s go home.”

“When the two of them returned home, Zhao Yingjun and his parents had already returned.”

“Zhao Yingjun asked in puzzlement, “What Happened to Tang Jia? Why did you call me and my parents back in such a hurry?” ”

Zhao Pingting's parents were also puzzled.

"Tang Jia took a deep breath and said, "I have something to announce to all of you." "

"What is it?" Zhao Yingjun asked.

"Realizing what Tang Jia was going to announce, Zhao Pingting's eyebrows jumped and she hurriedly pulled on Tang Jia's sleeve. "

"Sister-in-law, don't say it! Please! You promised me not to say it!" "

"I have to say this!" Tang Jia turned to look at the three people in the room. "Dad, Mom, handsome, my little sister is sick and has advanced lung cancer." "

"Chapter 276: 0100: exciting, burning! 1"

The moment he said that.

The room instantly fell silent.

Lung Cancer?

Advanced Stage?

Impossible!

How did Zhao Pingting suddenly get lung cancer?

Everyone thought they were hearing things.

“Father Zhao pressed the cigarette butt in his hand into the ashtray and said with a smile, “Tang Jia, stop joking! This joke isn’t funny at all.” ”

“That’s right!” Zhao Yingjun also said.

“”No! I’m not joking,” Tang Jia choked and her eyes instantly turned red. “Little sister really has lung cancer...” ”

Zhao Pingting couldn’t help but turn red.

Clang —

Mother Zhao was pouring water when she heard this and the cup in her hand fell to the ground.

It shattered.

“”Tang, Tang Jia, what are you saying?” ”

Tang Jia covered her mouth and burst into tears.

“Pingting? Really?” Mother Zhao ran to Zhao Pingting’s side.

Zhao Pingting held back her tears and nodded.

“Child! Child, tell me, this isn’t real!” Mother Zhao hugged Zhao Pingting and burst into tears. “It’s not real! My Son is so young, how could he get this illness? The person who should get this illness should be mother...” ”

She was already in her fifties.

It didn’t matter if she died.

But Zhao Pingting was only nineteen.

She had just entered university.

Her life had just begun.

How could she get this illness?

“At this moment, mother Zhao wished she could trade her life for Zhao Pingting’s health. ”

“Thinking of what she had done to Zhao Pingting these past few days, mother Zhao was filled with regret. She wished she could slap herself to death. ”

It was all her fault.

It was her fault

“As a mother, she did not care enough about Zhao Pingting. ”

No Wonder Zhao Pingting would suddenly use all her savings to buy gifts for her family.

No wonder...

“It was fine that she did not care about Zhao Pingting, but she actually asked her to work. ”

Father Zhao seemed to have aged ten years in an instant. His legs trembled as he walked in front of Zhao Pingting. He tried his best to hold back his sobs. “Pingting! Child! Didn’t you kill your parents?”

“After saying this, Father Zhao was unable to control his emotions. ”

He covered his face and cried.

This was the first time a fifty-something-year-old man had bent over. He felt as uncomfortable as a child.

The atmosphere in the living room was oppressive and stifling.

It was extremely uncomfortable.

“Zhao Yingjun pinched the bridge of his nose and tried his best to control his emotions. His parents and wife were already on the verge of collapse. At this moment, he had to stand up. Otherwise, this family would be finished! ”

““Dad, Mom, Tang Jia, Don’t cry. Crying won’t solve the problem.”. “The most important thing now is to go to the hospital immediately. You Don’t have to worry about the money. Tang Jia and I still have more than a million yuan in savings. Now that medicine is so advanced, Pingting will definitely recover!” ”

“Yes! Yes!”Mother Zhao seemed to have grabbed onto a life-saving straw. “Go to the hospital! Quickly go to the hospital. Your Dad and I still have more than six hundred thousand yuan in savings. We will definitely be able to cure Pingting!”

“Zhao Pingting shook her head, “It can’t be cured. Father, mother, brother, and sister-in-law, don’t waste your money. Instead of making me suffer in the hospital, why don’t you let me spend the last part of my life with you guys?” ”

“It can be cured! It can definitely be cured!” Tang Jia said, “Little Sister, I had a colleague before. She has breast cancer. It’s been five years now. Isn’t she still alive and well? “As long as you maintain a happy mood and cooperate with the treatment, there’s definitely hope for a cure for this disease! “Money is a worldly possession. People are truly priceless treasures! “Little sister, don’t give up on yourself like this!” ”

Zhao Pingting’s parents looked at Tang Jia.

It would be a lie to say that they were not moved.

“They did not expect Tang Jia, who usually seemed to be a person who liked to fuss over things, to be so sensible at critical moments. ”

“It’s useless! It’s really useless!” Zhao Pingting’s eyes were red as she said, “Lung cancer has the highest mortality rate. There’s no cure at all! Dad, Mom, brother, Sister-in-law! I beg you! Please don’t waste your money on a dying person like me, okay? People have to die anyway. I just took a few steps ahead of time. Don’t be sad. Just treat it as me going on a trip.” ”

“No Way! Pingting, don’t talk nonsense! You Won’t Die! Mom Won’t Let You Die! Go to the hospital! Let’s go to the hospital now!” ”

“I’m not going!” Zhao Pingting was determined.

She couldn’t go.

“With her illness, going to the hospital was like burning money. ”

“Pingting, stop fooling around! Come with us to the hospital!” Zhao Yingjun picked up the car keys and dragged Zhao Pingting out. ”

“Zhao pingting cried, “Big Brother, I’m not going! This illness can not be cured. You and sister-in-law have saved for so many years to save enough for the down payment on the house! I can’t be so selfish!” ”

“Chapter 277: 0100: exciting, Burning Action! 2”

“Pingting!”

“I’m not going! Brother! Stop talking! I Won’t go!”Saying this., zhao Pingting looked up at Zhao Yingjun and softened her tone. “Brother, don’t force me. Can you let me live a little happier in the last three months?” ”

Wasn’t it just death?

People die.

There was nothing to be afraid of.

“Zhao Yingjun, who had been holding back his tears, suddenly burst into tears. He turned his head and wiped the tears off his face. ”

“Pingting! Child! I beg you! Can I kneel down for You?”Mother Zhao knelt at Zhao Pingting’s feet. “Can you go to the hospital? Let’s listen to the Doctor and cooperate with the treatment!”

“Mom!”Zhao Pingting cried out and knelt on the ground.

“If it’s not enough for your mother to kneel down for you, I will kneel down for You Too! Child! You are still so young and your life has just begun. You Can’t be harmed! As long as there is a glimmer of hope, we can’t Let It Go!” ”

“At the critical moment of life and death, Father Zhao couldn’t care about anything else and knelt down with her. ”

“As parents, they couldn’t just watch their daughter die. ”

Regardless of whether she could be cured or not.

“Even if they knew the final result, they couldn’t let Zhao Pingting go. ”

They couldn’t!

“Dad! Can you not do this? I beg you! You have to get up quickly! We all know in our hearts that this illness can not be cured, so why should we waste time and money? “When the time comes, there will be no one left and the money will be gone too. Why do you all have to do this?” ”

“Zhao Yingjun pulled Tang Jia and knelt down together. “Pingting, father and mother are already so old. Do you have the heart to see them do this for you? Big Brother and your sister-in-law are begging you too. Please cooperate with the treatment!” ”

The whole family knelt on the ground just like that.

2

Zhao Pingting’s eyes were filled with tears and her heart was filled with grief.

Why did this illness bother her?

“If she died, so be it. ”

“But now, she had dragged her family down with her. ”

“I promise! I Promise You! Dad, Mom, Big Brother, sister-in-law, quickly get up!” ”

“Really?” Mother Zhao was so happy that she cried.

Zhao pingting nodded.

““Good! Good!” Mother Zhao was so happy that she cried. She pulled Zhao Pingting up. “Pingting, don’t worry. We will definitely cure you! Definitely!” ”

““Mom is right! Little Sister, you will definitely get better.” ”

Everyone was very happy that Zhao Pingting was finally willing to compromise and go to the hospital for treatment.

Zhao Pingting’s mother was busy packing her clothes.

Zhao Pingting’s illness would definitely need to be hospitalized.

“After packing up, the family set off for the best hospital in Yunjing City. ”

“After a series of examinations, Zhao Pingting’s mother and Tang Jia were accompanying Zhao Pingting.  
”

Father Zhao and Zhao Yingjun were talking to the doctor inside.

““Doctor, is there any hope for my daughter to be cured?” ”

The Doctor looked at the examination report with a very serious expression. “The patient’s cancer cells have already spread and the infection in her lungs is serious...”

“Zhao Yingjun quickly asked, “Then can we still operate?” ”

“Let’s do an in-hospital operation first and do radiation treatment!” “You, the patient’s family, should also be mentally prepared. The lungs are the most important respiratory organ in the human body, and lung cancer is also a cancer with a mortality rate! “From the current situation, the patient still has at most three months.” ”

The radiation treatment was just to seek psychological comfort.

They could not just do nothing and watch people die.

This was also the reason why many people had to go bankrupt to go for treatment after they got cancer.

1

“Hearing the doctor’s verdict with their own ears, Father Zhao and Zhao Yingjun could not help but cry out loud. ”

“Father Zhao held the doctor’s hand tightly and knelt down, “Doctor! I beg you! Save My Daughter! My daughter is only nineteen years old this year! She just entered university! Her life has just begun! How about this, you transfer my lungs to my daughter! I’m fifty-five years old! It doesn’t matter if I die, but my daughter can not die! She can not die! I beg you! Save My Daughter! If you can save my daughter, I will do anything you ask me to do!” ”

Zhao’s father’s wish was to win the lottery.

It would be best if he could earn fifty million at one go.

But now.

He only hoped that he could have a healthy daughter.

He could exchange for his daughter’s health at all costs.

Only now did he understand what the greatest wealth in life was health.

“The doctor quickly pulled Father Zhao up, “Please get up. Our job as doctors is to treat patients and save people. Don’t worry, we will do our best to save the patients! But you also know that the medical community has not yet conquered cancer and reached a complete cure for the disease. Once we get this disease, we can only do our best! The rest is up to fate.” ”

“Chapter 278: 0100: exciting, burning hands! 3”

“Do your best, leave it to fate. ”

“As a doctor, he didn’t want to see such a young girl being taken away by cancer. ”

But he couldn’t do anything about it.

“At present, let alone China, even country P, which had developed medicine, couldn’t cure cancer. ”

“Father Zhao stood up from the ground, his face full of sorrow. ”

After a long while.

The father and son walked out of the Doctor’s office.

“Mother Zhao stood up immediately. “His father, what did the Doctor Say?” ”

“Father Zhao smiled and said, “It’s fine, it’s fine. The Doctor said that our Pingting’s condition isn’t too bad. As long as we cooperate with the treatment, she will definitely get better!” ”

Mother Zhao's eyes instantly lit up. "Really?"

"Father Zhao was speechless and said, "Look at what you said. Would I still joke with you about something like this?" "

"After saying that, Father Zhao smiled and said to Zhao pingting, "Pingting, don't say any more disheartening words. Just cooperate with the doctor's treatment properly." "

"Zhao Pingting was very clear about her own physical condition, but in order to avoid her parents' worry, she still nodded. "

"Zhao Yingjun said, "Then I'll go and handle the hospitalization procedures first." "

"Go ahead." Father Zhao nodded.

Tang Jia followed Zhao Yingjun's footsteps. "I'll go with you."

"Let's go." Zhao Yingjun held his wife's hand.

The two of them walked to the first floor together.

"After nodding, the smile on Zhao Yingjun's face immediately faded. "

"Tang Jia frowned slightly and asked in a low voice, "Is little sister's condition not too good?" "

Zhao Yingjun held Tang Jia's hand tightly.

"Tang Jia sighed and held Zhao Yingjun's hand back. "Don't worry, little sister is very lucky. She will definitely be able to get through this difficult time." "

“Walking out of the elevator, Zhao Yingjun took a deep breath and said in a voice that was close to crying, “The Doctor said that Pingting may only have three months left.” ”

Although she knew that cancer was equivalent to death.

Tang Jia was still shocked.

Three months?

She could not imagine that the lively Zhao Pingting would disappear from her life after three months.

“How could this be? Didn’t dad say that little sister’s condition isn’t too bad?”

Zhao Yingjun shook his head. “We can only try radiation treatment now.”

““It’s fine! It will definitely be fine!”Tang Jia continued, “Go and tell the doctor that we can use the best medicine and equipment! Little sister will definitely get better!” ”

“Zhao Yingjun hugged Tang Jia. “Tang Jia, thank you.” ”

He was very glad that he had married such a good wife like Tang Jia.

“If it was anyone else, they might not be as sensible and kind as Tang Jia. ”

““What are you thanking me for! is little sister your sister and not my sister?”After living together for so long, in Tang Jia’s heart, Zhao Pingting was her biological sister. ”

“She was the same as her parents. As long as she could save Zhao Pingting, she was willing to do anything for her. ”

“After completing the hospitalization procedures, Zhao Pingting was admitted into the ward.”

“There were a total of five beds in the ward, and all of them were patients with lung cancer.”

“However, Zhao Pingting was the youngest.”

“When they saw Zhao Pingting walk in wearing her hospital gown, the other four patients were all very surprised.”

After arranging for her to be hospitalized.

“Mother Zhao said, “Yingjun, you and Tang Jia can go back first. Your father and I will be fine here.” ”

“Zhao pingting nodded. “That’s right. Big Brother, sister-in-law, you guys can go back first. There’s no use for so many of you to accompany me. There’s not even an extra stool here. Hurry up and go back.” ”

Tang Jia nodded. “Then we’ll go home first and make some food to send over.”

“Zhao Yingjun didn’t want to go back at first, but when he heard his wife say that, he followed her back.”

“After Zhao Yingjun and Tang Jia left, the middle-aged woman who was staying in the hospital bed on Zhao Pingting’s right asked curiously, “Big Sister, was that your son and daughter-in-law just now?” ”

Zhao Pingting’s mother nodded. “Yes.”

“Is That Your Daughter?”The middle-aged woman continued to ask.

“Yes.”

The middle-aged woman looked at Zhao Pingting with a look of pity in her eyes. She had thought that she was very pitiful.

She was only 55 years old and already had cancer.

This little girl looked like she was only 18 or 19 years old.

Sigh!

“The middle-aged woman continued to say, “Big sister, don’t be anxious. Although it’s said that cancer isn’t easy to cure, now that medicine has developed, as long as you cooperate with the treatment, you will definitely recover!” ”

““Yes, I will.”Mother Zhao nodded. ”

Father Zhao looked at Zhao Pingting. “Do you have anything that you really want to eat? Dad will buy it for you.”

Zhao Pingting shook her head.

“Then I will buy some fruits for you! I remember that you like eating mangosteen the most.”

“I will go with you.”Mother Zhao stood up.

“Chapter 279: 0100: exciting, burning hands! 4”

Father Zhao nodded.

“Sitting on the hospital bed, Zhao Pingting looked at her parents’ departing back and felt so sad that she wanted to cry. ”

But she couldn’t cry.

She had to act happy.

If she felt so sad.

Then her parents and family would definitely feel a thousand times worse than her.

Zhao Pingting’s parents walked out of the door.

“Only then did mother Zhao ask, “Old Zhao, tell me the truth about our Pingting’s situation.”Father Zhao had said it too easily just now, and she felt that something was not right. ”

“Father Zhao shook his head. After a long while, he sobbed, “The Doctor said that our Pingting... Pingting only has three months left at most.” ”

“What?”Mother Zhao’s face instantly turned pale. She covered her mouth and sobbed.

Three months.

Only three months left...

“Father Zhao’s eyes also turned red. “Alright, stop crying. If the child sees this, she will definitely feel bad. There are so many miracles in this world. What if Pingting recovers from the radiation treatment?” ”

Mother Zhao cried so much that she could not help herself. She leaned her back against the wall and slowly slid to the ground.

“Right now, she only hated why she was not the one who was sick.”

Why?

“Old Zhao!” Mother Zhao hugged Father Zhao.

Father Zhao also felt very uncomfortable.

He did not know how to comfort his wife.

The couple hugged each other and cried for a long time.

This scene did not attract anyone’s attention.

Where was this place?

It was the hospital.

The most common separation in the hospital was between life and death.

The illness was merciless.

“After seeing it many times, one would become numb to it.”

After a long while.

The Zhao family's parents gradually calmed down.

"Mother Zhao endured the pain and said, "Since it has already come to this point, we can not let the child leave with regrets. We have to explain that incident back then to the child clearly." "

"Okay." Father Zhao sighed and nodded. "When Yingjun and the others come, we can discuss it together." "

This was not a small matter.

"Okay."

In the evening.

Zhao Yingjun and Tang Jia came over with food.

Zhao Pingting's parents took advantage of Zhao Pingting's sleep to call the couple out.

"Dad, Mom, do you have something to tell us?" "

"Zhao Pingting's father nodded. "It's about Pingting. You know about Pingting's condition. The Doctor said that we have to prepare for the worst. Your mom and I have discussed it. No matter what, we can't let Pingting have any regrets." "

"Tang Jia could hear the hidden meaning in his words. She frowned slightly. "Dad, do you mean to tell Pingting about her true identity?" "

"Actually, Zhao Pingting was not born by her parents. "

She was abandoned by her biological parents the moment she was born.

“Coincidentally, the Zhao couple had always wanted a daughter, so they adopted Zhao Pingting.”

“All these years, they treated her like their own daughter.”

“Okay.” Father Zhao nodded.

“Father Zhao continued, “I plan to invite Pingting’s biological parents over to visit her. Let’s sit down and explain this matter clearly.” ”

He couldn’t let the child come to the human world without even knowing who he was.

“Zhao Yingjun asked worriedly, “But will they come?” ”

“Mother Zhao sighed. “The human heart is made of flesh and blood. The child is already like this. As a parent, they will definitely come.” ”

“Little sister? !”

“At this moment, Tang Jia cried out in surprise.”

No one had expected Zhao Pingting to suddenly appear here.

Zhao Pingting’s emotions were not as broken as she had imagined.

On the contrary.

She was very calm.

“She was so calm that she did not even frown. Instead, a smile appeared on her face, “Dad, Mom, I heard everything. Don’t go and look for them. Since they had already abandoned me back then, they have nothing to do with me. Only the two of you are my biological parents.” ”

“Actually, when she was very young, Zhao Pingting had heard some rumors. ”

“At that time, she didn’t think much of it. ”

She didn’t expect it to be true.

“She had only experienced one big disaster in her life, so this small incident was nothing. ”

“Pingting!”Mother Zhao ran over and hugged Zhao Pingting.

“”Mom, I’m fine. Don’t cry.”Zhao pingting patted mother Zhao’s back. ”

“Zhao pingting continued, “Are they uncle Wang and Aunt Lan?” ”

Zhao pingting nodded.

“No Wonder.”Zhao Pingting smiled.

No wonder she had to throw her away.

The uncle Wang and Aunt Lan that Zhao Pingting mentioned used to live in the same neighborhood as them.

“Later, for some unknown reason, they suddenly moved away. ”

Uncle Wang’s full name was Wang Dancai.

Aunt Lan's name is Lan Yue Yin.

The couple valued sons over daughters.

They had a total of four daughters and a son.

The eldest daughter and the second daughter are now married and have a family.

Chapter 280: 0100: exciting and exciting! 5

The third daughter and fourth daughter were given away.

"The youngest son was called Wang Baobao, who was one year younger than her. Just like his name suggested, Wang Baobao grew up in the palm of his hand, forming a stark contrast to the four sisters before him."

1

Zhao Pingting did not believe that there was anyone in this world who would throw away his own daughter.

"But now, she did."

"Mother Zhao continued, "Pingting, your uncle and aunt Wang had their own difficulties back then. Don't worry, they will definitely come and visit you." "

“Zhao pingting said, “Mother, I don’t need them to visit me. I really don’t need them! “Don’t be too sad. I know my illness very well. If I really leave, don’t be sad either. Just treat it as if you have never raised a daughter like me.” ”

“Hearing this, mother Zhao’s heart ached. She said with a straight face, “You child, what nonsense are you talking about? ! You will recover! You will definitely recover! Listen to your mother, take your medicine and cooperate with the treatment!” ”

Zhao Pingting smiled and nodded. “Yes! I will be obedient.”

The family sent Zhao Pingting back to the ward.

Although Zhao Pingting had clearly stated that she did not want to see her biological parents.

“However, the Zhao parents did not give up on the idea of inviting Wang Dancai and Lan Yueyin to the hospital.”

Zhao Pingting’s life was likely to end in three months.

“As parents, they had to think of a way to open the knot in the child’s heart. They could not let the child leave with regrets ”

On the other side.

The Wang family.

Wang Dancai and Lan Yueyin were sitting in the living room eating.

“Suddenly, Lan Yueyin said, “Dancai, the results of the college entrance examination are out. I heard that our four girls scored over 580 points!” ”

“Really?” Wang da Cai asked.

Lan Yueyin nodded. “How can it be fake? I heard sister Li say it with my own ears! Isn’t sister Li in the same unit as Old Zhao’s wife?”

“Wang da Cai put down his chopsticks. “Then our four girls are really not simple! With 580 points, we can even get one book, right?” ”

“That’s right. I heard that they filled in the capital Normal University!”

“”Go to the capital to study?” Wang da Cai’s eyes lit up. “The capital is the capital! If our four girls were to date someone in the capital in school, wouldn’t she be rich!” ”

Everyone in the capital was rich.

“As the saying goes, one person attained enlightenment and the whole family ascended to immortality.  
”

“Hearing this, Lan Yue Yin’s eyes lit up as well. ”

“”No! This kind of good thing can’t be given to the old Zhao family! We are the biological parents of the fourth girl! We have to go and recognize the fourth girl! When the time comes, let her introduce a daughter-in-law from the capital to Little Treasure. Then, wouldn’t our little treasure be a citizen of the capital?” ”

“Wang Dazai nodded. “You’re absolutely right! Our little treasure is so good-looking and good at studying. He will definitely be able to find a daughter from the capital!” In fact., wang Baobao had already been spoiled beyond recognition by them. It was just that they had yet to realize the seriousness of the problem. ”

“Lan Yueyin frowned and continued, “What if the fourth girl doesn’t acknowledge us?” ”

The fourth girl had been carried away at birth and had no emotional foundation with them. Lan Yueyin was a little worried.

“Wang Dazai said, “That won’t happen! “No matter what, the fourth girl is our biological child. Children are soft-hearted and easy to deceive. When the time comes, we will complain in front of her. If it really doesn’t work out, we will kneel down and admit our mistakes. She will definitely forgive us!” ”

“Lan Yueyin nodded and said with a smile, “You’re right. Then this matter is settled! Tell me, why is our child so promising! Little Treasure scored 410 points, and the fourth girl also scored more than 500 points!” ”

“”How can I, Wang Dacai, not be promising?” ”

The two of them were discussing this matter.

“Suddenly, there was a knock on the door. ”

“Who is it?”

Lan Yueyin walked over to open the door.

“The moment the door opened, she saw the Zhao couple. ”

“Lan Yueyin immediately smiled. “Aren’t they his uncle and aunt? Rare guests! Come in and have a seat! Come in and have a seat! His uncle and aunt, have you eaten? If you haven’t eaten, come eat with us. Our family just started eating.” ”

“Mother Zhao said, “You’re too polite. We’ve already eaten.” ”

“Then come in and have a seat.”

“Because she had the heart to recognize Zhao Pingting, Lan Yueyin was especially enthusiastic. She was very calm and made tea.”

“Mother Zhao took the tea from Lan Yueyin and said, “Big Sister Lan, you don’t have to be so polite. Actually, I came here today to talk to you about Pingting.” ”

“Lan yueyin smiled and said, “I heard that our four girls scored more than 580 points in the college entrance examination. Is this true?” ”
