Chapter 291: 101: Cure! Large-scale Dalian Scene! 8

“I know.”

“In the office, everyone was discussing today’s surgery. ”

“I heard that the surgery over there has been successfully completed! Do you guys think that little girl surnamed ye is really that amazing?”

“Some people were already beginning to regret, “Sigh! Why didn’t I apply to join Group A at that time! If I joined Group A, I would be a member of Group A now. When the higher-ups give out bonuses, I would definitely have a share!” ”

“”Little Gu is still smart! She took the initiative to stand up and become the leader of group A. When that time comes, she would be the first doctor in our hospital to cure cancer! From now on, we and Little Gu would be from two different worlds!” ”

“Su Zishan smiled as she walked in from outside, “It hasn’t even been a week yet. Why are you all in such a hurry? If cancer was really that easy to cure, the oncologists in country P wouldn’t have studied it until now! Even my master, William, was helpless against cancer. How could a little girl do it? Now You’re all envious of Xiao Gu. Maybe Xiao Gu will be envious of you too!” ”

Su Zishan didn’t believe ye Zao at all.

She had seen ye Zao once.

Except for his beautiful face.

He was completely useless.

“Therefore, in Su Zishan’s eyes, Ye Zao was an arrogant little girl. ”

“Hearing this, everyone felt that what Su Zishan said made sense. ”

No foreign master could conquer cancer.

How could a little girl?

“Ever since the surgery, Ye Zhuotian would come to the hospital to talk to Zhao Pingting. ”

Zhao Pingting clearly felt that her body was rapidly improving.

First: she was no longer coughing up blood.

Second: she could breathe freely now. There was no longer any obstructing feeling from before.

Third: the pain in her chest had also disappeared.

“Most importantly, her appetite had improved. Before the surgery, nothing she ate tasted good. Now, everything she ate tasted good. ”

“The director of the hospital also came to visit Zhao Pingting once a day. When he saw that Zhao Pingting was getting better, he was very happy. He was waiting for the test in a week’s time. ”

“If the test on Zhao Pingting and the other two patients showed that there were no cancer cells in their bodies, then the highlight of his life would come. ”

He looked forward to the hospital he managed becoming the first hospital in the world to cure cancer!

Zhao Pingting was not the only one who felt better. The other two patients in the same ward also felt that they were recovering rapidly.

They looked at the other two patients who did not receive treatment and felt a little anxious.

Could it be that they were really better?

“Little girl, are you really alright?” Auntie Cao, who lived in the bed next to Ye Zao, could not help but ask. ”

“Zhao pingting nodded. “Yes! Auntie Cao, I feel like I’m full of strength.” ”

“Auntie Cao hesitated for a moment and said a little embarrassedly, “About that, I want to try it too. Can you tell your friend to arrange an operation for me too?” ”

“Hearing this, another young lady quickly said, “And me!” ”

“Zhao Pingting shook her head regretfully. “I might not be able to. That medicine is only for five people in total. Because you didn’t use it that day, it was already given to others.” ”

“Hearing this, both of their faces turned pale. ”

They were filled with regret.

“Zhao pingting continued, “But don’t worry, Aunties. I will be discharged in a few days. On the day I am discharged, the hospital will test that I have fully recovered. The hospital will definitely mass produce the medicine. At that time, all of you will have the opportunity to have surgery.” ”

“Auntie Cao said, “There are so many people who have cancer! Will the hospital be able to take care of us?” Auntie Cao was very regretful now, if she had received treatment back then, she would be like Zhao Pingting now. She would no longer have to suffer from the pain of her illness. ”

Auntie Cao was not the only one who was regretful. The young woman was also very regretful.

“But now, it was useless to regret!”

Time passed very quickly.

“In the blink of an eye, a week had passed.”

“Early in the morning, the Zhao family accompanied Zhao Pingting for a checkup.”

“Zhao Pingting was lying in the C T machine, feeling a little uneasy.”

“Similarly, director Zhou and Gu Dening, who were standing beside the machine, were also feeling uneasy.”

Victory and defeat depended on this one move!

They had to defeat the cancer cells.

“Ye Zhuo was the calmest person in the room. Not only was she not anxious, but she kept her head down to play with her phone.”

“Soon, the radiologist walked out with the CT report.”

“Director Zhou immediately walked over. “Doctor Zhang, how is it?” ”

“Doctor Zhang said excitedly, “Miracle! Director Zhou! It’s a miracle! The patient has completely recovered! There are no more infected areas in his lungs!” ”

“Really?” Director Zhou was so excited that his eyes were red.

“It’s true!”The radiologist handed the CT report to the director. “If you don’t believe me, take a look for yourself!” ”

“When Zhao Yingjun’s parents, Zhao Yingjun, and Tang Jia heard the news, they were also extremely excited. They thanked ye Zao profusely. ”

Director Zhou took the report with trembling hands. “Right away! Inform all the doctors immediately. I want to call an emergency meeting!”

“Okay.”

Director Zhou came to Ye Zhuo’s side again and bowed deeply. “Miss Ye! I thank you on behalf of all the cancer patients! It’s you who gave them a chance at a new life!”

“This is the responsibility of the doctors. I have already told Doctor Gu everything about the method to conquer cancer. You can discuss with doctor gu about what to do next. If you encounter any problems, just ask doctor Gu to look for me.” ”

“Okay!”Director Zhou said many more words of thanks.

In the office.

“When the assistant director of the hospital informed the doctors of the various departments to attend a meeting, everyone was dumbfounded. ”

Why was there a meeting going on?

Su Zishan narrowed her eyes. She suddenly remembered that today was the day Zhao Pingting and the others were tested and discharged from the hospital.

Could it be that something had happened to Zhao Pingting and the others?

Yes!

Something must have happened.

“Thinking of this, Su Zishan smiled and looked up at her assistant. “Is it about those lung cancer patients?” ”

The assistant nodded. “Yes! Those three cancer patients have all recovered! The director called everyone over because he wants to discuss the press conference with everyone!”

Chapter 292: 102: a new Dark Horse in the face-smacking process! 1

Cured?

The cancer had actually been cured?

How was this possible!

The moment he said this.

The entire room was silent.

“Su Zishan’s expression was extremely ugly, alternating between green and white. ”

“After a long while, she finally reacted and looked at her assistant. “Little He, stop joking!” ”

How could the cancer be cured!

This was impossible.

“Therefore, her assistant, little he, was definitely joking.”

“When he said this, everyone else in the office also reacted. They smiled and said, “That’s right, little he! It’s not good to joke about this kind of thing! If the patient’s family heard what you said, wouldn’t it be a false joy!” ”

Little he looked serious. “Why would I joke about this kind of thing with you guys! Hurry up and get ready. The meeting will start in ten minutes! I’m going to inform the other departments!”

“After saying that, Xiao he turned around and jogged away.”

It looked like he was really in a hurry.

The office returned to silence.

““Dr. Su, Dr. Su, this seems to be true! Xiao He isn’t joking with us!”Dr. Li, who was sitting beside Su Zishan, turned around and looked at Su Zishan.”

Su Zishan was stunned. Her eyes were filled with disbelief.

“How, how could this be?”

“That little girl, how could she possibly cure cancer?”

On what basis?

Su Zishan could not describe what she felt in her heart. It was very uncomfortable.

The office was also filled with sighs.

“Initially, everyone was waiting to see ye Zao and Gu Dening become a joke. ”

“Previously, they had said that they were going to hold a farewell party for Gu Dening. ”

Who would have thought that a slap to the face would come so quickly.

He had recovered just like that!

“Sigh! It’s really different from the same person! If I had known that Miss Ye was really capable, I would have joined Group A back then!” ”

“Little Gu’s fate is still better, leaping through the dragon’s Gate!” ”

“In the future, we and Little Gu won’t be in the same world anymore. Who knows, we might even have to report to Little Gu once we see him!” ”

“That’s right! Sigh! It’s really different from the same person’s fate! Why do you think Little Gu’s taste is so good?”

“Back then, when Xiao Gu applied to be the team leader of Group A, we were laughing at her! Now it’s her turn to laugh at us! It’s really like the saying goes, ‘The river flows east for thirty years, but the river flows west for thirty years’.” ”

“Everyone spoke one after another, and their words were filled with envy for Gu deling. ”

“Apart from envy, there was also regret. They regretted that they did not volunteer to be the team leader of group a like Gu deling back then. ”

The person who felt the most pain was Su Zishan.

“After all, in the beginning, Su Zishan was team a leader.”

She was the one who pushed away the honor.

Su Zishan was stunned until she reached the meeting room.

“She looked at Gu Deling, who was standing on the stage and smiling. She felt like she could not breathe.”

Two hours later.

The meeting ended.

The first People’s Hospital of Yunjing held a press conference.

It announced a piece of news that shocked the whole country and even the whole world.

As soon as the news came out.

The whole world was boiling!

The hot searches on all the major websites around the world were all about curing cancer.

Extranet:

China Cures Cancer!

China cures cancer first person gu dening!

China Yunjing First People's Hospital!

YKA medicine!

Domestic websites:

"# cancer, Gu Dening! #"

shocking! China's number one people's Hospital of Yunjing City has found a way to cure cancer!

cancer can be cured!

China's number one people's Hospital of Yunjing City!

YKA medicine!

The trolls were gone.

The keyboard warriors were gone.

The internet was filled with jubilation.

"[I'm so excited! I'm even happier than when I won first place in the idou competition! I've always said that country P's medical science is advanced. This time, we've finally won!]"

[my great China is rising!]

[doctor Gu is cheating!]

“[F * CK, F * CK, F * ck! Yunjing city’s number one people’s Hospital is cheating!] ”

[oh my God! Is this true?]

“[earlier this year, my mother was diagnosed with esophageal cancer. Unfortunately, she didn’t get the news [candle] .] ”

[I want to make an appointment with the oncology department immediately!]

“[brother, don’t dream about it. I just made an appointment, and the system immediately crashed...] ”

“[I’m so excited! Ever since I got cancer, I’ve been prepared not to live until next year! Thank you, doctor Gu! Thank you, First People’s Hospital!] ”

The official website of the first People’s Hospital of Yun Jing City crashed.

“The number of people who had made an appointment for the oncology department had exceeded 100,000 in one second! ”

The various media reporters surrounded the hospital like a tsunami.

“A microphone was placed in front of Su Zishan. “Hello, Doctor.” ”

“Susan didn’t expect to be on camera, so she immediately put on a decent smile. “Hello.” ”

Chapter 293: 102: a new Dark Horse in the face-smacking process! 2

“Do you know Dr. Gu de-ning?”

The smile on Su Zishan’s face froze when she heard gu de-ning’s name.

She regretted it very much.

She regretted it so much that her intestines turned green.

She wished she could strangle herself to death.

“If she had not given this opportunity to Gu de-ning back then, she would be the one being chased by the reporters now.”

And what about Gu Dening?

What right did gu dening have?

“Look! Doctor Gu is over there!”

Someone shouted from the crowd.

The reporters who were interviewing Su Zishan instantly ran far away.

Su Zishan’s expression became even uglier.

She was so angry that her entire body was trembling.

Her back was covered in a layer of cold sweat.

“Doctor Gu! Please wait!”

“Dr. Gu!”

“Gu deling, who had just walked out of the conference room, was instantly surrounded by reporters.”

“”Hello, Dr. Gu! As a global YKA drug that has developed a cure for cancer, how do you feel about it? Have you encountered any difficulties in the process? Will the YKA drug be mass produced in the future?” ”

“”Dr. GU, May I ask which school did you graduate from?” ”

“”Doctor Gu, May I know how you discovered the cancer antibody?” ”

“...”

“Gu decing smiled and looked at the camera, “First of all, I want to clarify a question through your media. I didn’t develop the YKA drug! “I’m not the first person to cure cancer in the country. I’m just a little luckier than others and participated in the process of developing the YKA Drug!” ”

As soon as he said that.

The reporters all looked at each other.

No one expected gu dening to say such a thing.

They also didn’t expect gu dening to not be the first person to cure cancer!

“As soon as he said that, the reporters immediately asked, “Not you? Then who is the developer of Yka Medicine? Is He also a doctor from the first People’s Hospital of Yunjing City?” ”

“GU dening continued, “The developer of Yka Medicine has the surname Ye. The initials of YKA medicine are taken from her surname. You can call her Miracle Doctor Ye! At the same time, Miracle Doctor Ye is also the first person in China to cure cancer!” ”

Miracle Doctor Ye?

“Hearing this, the reporters’ eyes were filled with excitement. ”

“Then can you tell us more about this Miracle Doctor Ye?”

“Gu dening smiled and said, “I’m really sorry. Miracle Doctor Ye is a very low-key person. She doesn’t want to reveal her personal information. Please Don’t disturb her!” ”

No one expected that someone would reject such an honor!

“After all, this was the first person to cure cancer. ”

The first person in the world!

The reporters were even more curious about this Miracle Doctor Ye.

“The reporter then asked, “In that case, can you tell us the gender of this Miracle Doctor Ye?” ”

“GU dening said, “Miracle Doctor Ye is a very beautiful local girl from Yunjing City.” ”

She had thought that Miracle Doctor Ye was a man.

She did not expect that Miracle Doctor Ye was also a woman.

“The reporters wanted to ask about Miracle Doctor Ye’s situation, but Gu Dening did not reveal any more information about Ye Zao, so the reporters could only ask other questions.”

““Doctor Gu, since you participated in the development of YKA drug, does that mean that you have also mastered the method to cure cancer?””

“Gu Dening nodded. “Yes! Doctor Ye is the first person to cure cancer, and he is also my teacher! All the honors I have now were given to me by Doctor Ye! It was Doctor Ye who made me successful!””

Never Forget to dig a well when drinking water.

Gu Dening was not the kind of person who was ungrateful.

“She was really grateful to Ye Zhuo, if it were not for Ye Zhuo.”

She was still the ordinary doctor Gu.

““Then, other than you, are there any other doctors in the first People’s Hospital of Yunjing City who can cure cancer?””

““Not yet. I’m the only one who has been working with Miracle Doctor Ye,” Gu Dening said.”

“The reporter continued to ask, “Then why isn’t there anyone else working with Miracle Doctor Ye?” Was it because there was an inside story? Or did the director open a backdoor for Gu Dening?”

This sentence was too informative.

““Because other than director Zhou and doctor Zhu, no one else believed that miracle doctor Ye could cure cancer.” Gu Dening told the story in a concise and comprehensive manner, “From the initial doubt

to the first patient recovering and leaving the hospital, Miracle Doctor Ye's journey was really not easy!"

”

“At that time, no one believed that ye Zao had the ability to cure cancer.”

“Walking in the hospital, no one knew how many people rolled their eyes at her.”

But she still persevered.

“Gu dening accompanied ye Zao all the way here, from the first experiment to the second experiment, then the third, fourth, and fifth experiment... .. In the eyes of outsiders, it might only be a short half a month, but only gu dening knew how difficult ye Zao's journey was.”

Chapter 294: 102: a new dark horse in the face-smacking process! 3

“When he was analyzing the composition of the drug, Ye Zhuo was so busy that he did not sleep for two whole nights. The next day, he was still in high spirits and went to the sterile room to do experiments.”

Rumors were terrible.

Just the rumors and the white eyes were not something that ordinary people could bear.

“After defeating the cancer cells, it was supposed to be her time to shine. However, she retreated behind the scenes and hid her achievements and fame.”

“If it was anyone else, they would not be as indifferent to fame and fortune as she was.”

“Su Zishan looked at the reporters supporting Gu Dening, and her heart felt extremely uncomfortable.”

She should be the one who was supported by the stars.

It should be her.

Who was Gu Dening? She had never even walked out of the country.

“Thinking that in the future, not only would Gu Dening appear in front of the national television station, but she would also appear in front of the global audience, and that in the future, all the people who would interact with Gu Dening would be medical professors from all over the world, Su Zishan was very jealous.”

Yes.

Jealous.

“As a proud daughter of heaven, Su Zishan had never been jealous of anyone. Even she herself did not expect that one day, she would be jealous of a country bumpkin who had never even walked out of the country.”

This kind of jealousy made Su Zishan feel like she could hardly breathe.

This opportunity should have been hers!

“If she could turn back time, she would definitely not look down on Ye Zao.”

She would definitely not reject this opportunity.

“If she were to be Ye Zao’s assistant, she would definitely be ten times or a hundred times better than Su Zishan.”

Unfortunately.

There was no way to turn back time in this world.

Rumble —

“At this moment, a loud noise appeared in the air.”

Everyone turned their heads to look out of the window.

They saw.

A few helicopters flew over the hospital.

““Doctor Su! Doctor Su! The director is looking for you!”At this moment, a nurse rushed over.”

““Okay.”Gu decing turned around and apologized to the reporter. Then, she left with the nurse.”

“The reporter could not interview gu decing, so he had to interview the other doctors in the hospital.”

““Hello, May I ask if it was true when doctor Gu said that few people in your hospital believed that Miracle Doctor Ye could cure cancer?” ”

“The doctor who was interviewed looked a little embarrassed, but he could only tell the truth. After all, there were people who were more embarrassed and regretful than them, “It’s like this, doctor Gu is right. In fact, our director Zhou recommended other doctors to be Miracle Doctor Ye’s assistants in the beginning, but this doctor refused because he had other patients in his hands! Later, it was doctor Gu who volunteered.” ”

“Because he was too curious about Miracle Doctor Ye, the reporter asked him about Miracle Doctor Ye again.”

“Miracle Doctor Ye is young and very beautiful.”

“But other than being young and very beautiful, he could not ask any other questions. ”

Because the hospital director had specially instructed before that ye Zhuo’s identity could not be exposed to the public.

“The reporter did not give up and went to ask the cleaning lady in the hospital again, “Have You Seen Miracle Doctor Ye?” ”

“”I have.”The cleaning lady nodded and tried her best to recall the brief encounter before she gestured to the reporter, “Miracle Doctor Ye is about this tall, MM, taller than you, thinner than you, and whiter than you. She is very beautiful! “I have worked in the hospital for so many years, but I have never seen such a beautiful little girl! She is so handsome! No one would believe that she’s a miracle doctor!” ”

The cleaning lady suddenly saw the reporter’s phone case. “Hey! She’s even more beautiful than the Big Star on your phone case!”

The Big Star was song Chenyu.

She was known as a beauty that only appeared once in five thousand years.

“Hearing this, the reporters were stunned. ”

How could anyone be more beautiful than song Chenyu?

She felt that the cleaning lady had over-beautified this Miracle Doctor Ye.

“After interviewing the cleaning lady, the reporter went to interview other hospital staff. ”

The answer was the same.

She was very beautiful.

She was young.

“After the reporter’s interview, there was a new hot search on various websites.”

researcher of Yka Medicine!

Dr. Ye!

mysterious Dr. Ye!

beautiful Dr. Ye!

“# the number one cancer fighter, Miracle Doctor Ye #”

“For a moment, everyone was filled with curiosity towards Miracle Doctor Ye. They all wanted to know who he was.”

Unfortunately.

Even the top hackers could not find any information about Miracle Doctor Ye.

[my surname is also Ye! I suddenly feel my face lit up!]

[Miracle Doctor Ye has benefited all mankind. It can be recorded in history.]

“[it is certain to be recorded in history, but Miracle Doctor Ye is too low-key. He might not be willing to reveal his personal information to be recorded in history.]”

“[this doctor Gu is also very capable! When Miracle Doctor Ye was being questioned, she had always been by Miracle Doctor Ye’s side. She did not give up and did not give up. She liked her very much!]”

Chapter 295: 102: a new dark horse in the face smacking process! 4

[i quite like doctor gu too.]

[those who mocked miracle doctor ye before probably regret it to death now.]

[that’s for sure! I would regret it too!]

[I’m a little curious about how beautiful that Miracle Doctor Ye is.]

“[you’re not alone upstairs, I’m also very curious! They also said that Miracle Doctor Ye isn’t old, but shouldn’t this kind of miracle doctor be at the level of a Professor? How many young professors are there?]”

“[Miracle Doctor Ye can develop the YKA drug, which means that she is not an ordinary person. It is normal for her to be young! Can a god be like us ordinary people? Didn’t you see some prodigies enter junior high school at the age of seven?]”

“[ye is really a very magical surname! I heard that this year’s top scorer in Yunjing’s College Entrance Examination has the surname Ye, and the popular online chess streamer is also called Ye.]”

“[Miracle Doctor Ye is an existence that benefits all mankind. Don’t compare her to an online celebrity, okay? They are not from the same world, so don’t mess around!]”

“That afternoon, all the high-speed rail, plane, train, and bus tickets to Yunjing from all over the world were sold out!”

“There were also many people driving private cars to Yunjing, resulting in a long line of traffic on the Yunhai Highway leading to Yunjing.”

The hospital was also surrounded by nearby residents.

“Country P, which claimed to be the world’s most advanced medical technology, sent ten experts to exchange experience with Gu dening overnight, hoping to bring this technology back to country P.”

“Not only country P came, but also country L, country y...”

“For a time, the first People’s Hospital in Yunjing became the gathering point for all the major medical experts in the world.”

But Gu dening did not communicate with these experts immediately.

“According to statistics, there were more than three million new cancer patients in China every year. As a Chinese, she had to ensure that all the cancer patients in China were protected first!”

...

“As the first cancer patient in the world to be cured, Zhao Pingting also received an interview from the reporter.”

But Zhao Pingting refused the reporter’s interview and recommended Uncle Wang who received treatment at the same time as her to the reporter.

Uncle Wang recovered very well.

He welcomed the reporter's arrival.

It was the old man's first time on television and he was still a little excited.

“Uncle Wang, as the world's first batch of patients who have been cured of lung cancer, can you tell us about your treatment process?” ”

“Treatment process?” Uncle Wang scratched his head, “I don't know what to say about this process either. I just know that the medicine is not quite the same as our common medicine. It's Green!” “At that time, there were a total of five people in the ward I stayed in. There were two patients who refused treatment because they didn't believe that the medicine could cure cancer! “After they found out that the three of us had recovered, the two of them regretted it so much!” ”

“Uncle Wang laughed happily. “Actually, let me tell you guys. My old life is no different from a picked-up one. I even bought a shroud! Who would have thought that I would recover in the end!” ”

“Actually, the person I have to thank the most is Miracle Doctor Ye! When a young man is strong, the country is strong. Although Miracle Doctor Ye is not old, she is really capable!” ”

“At this point, uncle Wang bowed deeply in front of the camera. ”

The reporters still wanted to ask some questions about Miracle Doctor Ye.

But uncle Wang did not say much.

...

The internet was filled with hot searches about Miracle Doctor Ye.

“Ye Zhuo, who was the most involved, was sitting in front of the computer table, broadcasting the game live. She was extremely calm. ”

It was as if this matter had nothing to do with her.

“When Cen Shaoqing turned on the live stream, Ye Zhuo’s game had already started. It was too late to match her with the game.”

She had never shown her face in a live stream.

She was wearing a white shirt.

The first button was unbuttoned.

“One could vaguely see the beautifully curved collarbone hidden under the collar. At this moment, the scene of climbing up with ye Zao that day suddenly appeared in front of Cen Shaoqing’s eyes.”

“She was also wearing the same shirt. Following his line of sight, she saw the undulating softness.”

Thinking of this.

Cen Shaoqing’s gaze turned hot. He silently chanted the clear heart mantra and immediately turned his gaze to her hand.

One hand pressed on the keyboard while the other pressed on the mouse.

“Her hand was very beautiful. Her fair and slender fingers pressed on the black keyboard, making it appear white and clear. It was especially pleasing to the eye.”

Cen Shaoqing could not help but think of a poem:

A white wrist with a golden ring.

“A moment later, Cen Shaoqing picked up his phone and sent a gift out.”

“Account: [Miao Yin user 202106080126, sent out a peerless beauty * 10!]”

“At present, Cen Shaoqing’s account is firmly in first place on the fan list.”

It left second and third place by several streets.

Chapter 296: 102: a new dark horse in the face smacking process! 5

“[he’s here, he’s Here! The Big Boss is here with the Peerless Beauty!]”

[today is also the day that the big boss loves leaf.]

[worship the Big Boss!]

“[strange, why does the Big Boss Never Say Anything?]”

“[say something, Big Boss]”

“Account: [the heaven-toppling purple-gold hammer 1225, presents the peerless beauty * 11!]”

“[F * ck! F * ck! Hammer bro, F * ck! Take down the first rank!]”

“Account: [That Dog, gave out 12 Peerless Beauties!]”

[dog bro is also awesome!]

[what's going on today? Is it a fight between Immortals?]

“[the first rank, second rank, and third rank are fighting! Come and watch!]”

[there's a good show to watch!]

“[go, Brother Dog! Go, Hammer Bro! Go, Big Brother!]”

“Cen Shaoqing blocked the bullet screen, but he could still see the bullet screen of the gift.”

“When he saw this scene, he frowned slightly, clicked on the screen, and continued to send gifts.”

He had been in a high position for a long time.

He had to do his best no matter what.

He would never allow anyone to surpass him.

It was the same for gifts.

“[account: Miao Yin user 202106080126, sending out a peerless beauty * 100!]”

100?

The bullet screen exploded.

Everyone thought they were seeing things.

“[the boss is mad! He sent out 100 items for 50,000 each. I’m not good at Math. Can anyone answer how much 100 items cost?]”

[5 million!]

“[[covering my face and crying] mom, I’ve grown stronger! 5 million flew past me just now.]”

[F * ck! Five million! This big shot on the list must have a gold mine!]

“[I just took a look. The first person on the list is really a die-hard fan of Yezi. Miao Yin, who just registered in June, gave out gifts worth more than 20 million, all for Yezi!]! [and, the only person he pays attention to is Yezi.]”

[I’ve fallen in love.]

[I want to have such a big shot too.]

“Hammer bro, Doggie Bro, don’t be afraid, keep up”

I Can’t afford it! I Can’t afford it! My Monthly Allowance is only around two million. I’ve spent almost all of it this month

I only have 1.8 million

Are you sure you want to use the word ‘only’

“[F * ck! F * ck! A person with a monthly salary of 3,000 shed tears of poverty [dog head -RSB- .]”

[the world of rich people is unimaginable...]

Ye Zao raised her eyebrows slightly and looked at the bullet screen.

To be honest.

She was also quite curious about this guy on the first rank.

He had given her a gift worth more than 20 million yuan.

He was indeed quite rich.

“At this moment, Ye Shu’s voice came from outside the door, “Zao Zao, come out quickly! Your classmate is Here!” ”

Classmate?

Could it be Zhao Pingting.

“Ye Zhuozao had just finished playing a game. “Sorry, Dear Babies. We have guests today. We’ll see you tomorrow.” ”

Baby?

Did Ye Zhuozao just call him baby?

1

When he heard this sentence.

“On the other end of the screen, Cen Shaoqing’s old face turned red, and his hand that was holding the Buddha beads paused. ”

“After a long while, he finally snapped out of his daze from calling him ‘baby’, and the corners of his mouth curled up slightly. ”

“It just so happened that Zhou Xiang came to deliver some fruits to Cen Shaoqing. When he saw that the wooden figure at home was actually smiling, he asked curiously, “Shaoqing, what are you smiling about?” ”

“Cen Shaoqing was stunned for a moment before he immediately regained his ice-cold face and continued counting the Buddhist beads. “No, you’re mistaken.” ”

“From the way he looked, it seemed like the person who was snickering just now was really not him. ”

Was he seeing things?

Zhou Xiang frowned. “Am I seeing things?”

Cen Shaoqing nodded slightly. “It’s your eyes that are seeing things.”

Zhou Xiang thought about it. This wooden son of hers had always been very reserved since he was young and did not like to laugh.

“She remembered that when Cen Shaoqing was five years old, in order to make him laugh, Zhou Xiang had deliberately pretended to be ugly for him to see. ”

“In the end, the person directly said, “Mom, are you an idiot?” ”

“From then on, Zhou Xiang did not want to make Cen Shaoqing laugh anymore. ”

“Cen Shaoqing did not like to laugh when he was young, and he did not like to laugh even more when he grew up. He had the same expression all year round and his face was tense. ”

He looked like a wooden man.

“Perhaps, her eyes were really playing tricks on her just now. ”

Zhou Xiang placed the fruits on the table. “The weather has been hot recently. Eat more fruits.”

“”I’m not eating. Mom, please take them away.” ”

“”It’s good for your body to eat more fruits.”Zhou Xiang continued, “This is the lotus mist that was just flown in. And this peach is also very good. You can eat two of them in one go!” “Oh right, get someone to light up this peach bun and send it to sear sear!” ”

“As Zhou Xiang spoke, she walked downstairs. ”

“After Zhou Xiang left, Cen Shaoqing picked up a white peach and took a bite. ”

It was sweet and juicy.

Chapter 297: 102: a new dark horse in the face-smacking process! 6

The taste was indeed not that bad.

“Cen Shaoqing ate one mouthful after another. In a short while, he finished eating the entire peach. ”

On the other side.

At the Ye residence.

“Zhao Pingting’s parents, brother, and sister-in-law had specially brought a heavy gift to thank ye Zao.”

Ye Shu knew ye Zao’s capabilities.

“However, when she learned that ye Zao was the Miracle Doctor Ye on the news, she was still quite shocked.”

Never in her wildest dreams did she expect that the person who cured cancer was actually her daughter.

“Looking at ye Zhuo’s indifferent expression, as if he did not take this matter to heart, Ye Shu tried her best to calm herself down.”

“Xiao Bai brought over a few cups of tea that had been brewed. “Distinguished guests, please enjoy your tea!” ”

“Zhao pingting said in surprise, “Zhuo Zhuo, is this robot yours?” ”

“Yes.”Ye Zha nodded.

“It’s quite intelligent!”Zhao Pingting looked left and right at little white.

“Little White covered its face and pretended to be shy. “Don’t look at me like that, my face will turn into a red apple...” ”

“F * ck!”Zhao Pingting exclaimed in surprise.

“Little White continued, “Honorable Guest, swearing is an uncivilized behavior!” ”

“What’s Your Name?”Zhao Pingting asked.

“Xiao Bai said proudly, “My name is Xiao Bai Bai, the smartest robot in the Universe!” ”

“Zhao pingting smiled and said, “Then how much does burning pay you to work at Burning House for a month?” ”

““Very, very high.” ”

“Then what about your salary?”

Xiao Bai tilted his head and thought for a while. “I used my salary to pay the electricity bill.”

“Haha!”

Zhao Pingting was not the only one who laughed. Everyone else in the room also laughed out loud.

In order to make up for the regret that Zhao Pingting did not manage to go to the amusement park last time.

“Ye Zhuo had even made an appointment with Zhao Pingting. After she recovered for a period of time, he called an Lizi and the three of them went to the amusement park again. ”

Today was the day that ye Zhuo was interviewed and broadcast on television.

“At six o’clock in the evening, ye Shu switched the TV to the Yunjing TV station on time. ”

The TV was hung on the wall of the restaurant.

The 90-inch big screen could be seen by all the guests in the hall.

“Everyone was here for the reputation of the top scholar, and now they were all looking forward to the news being broadcast earlier.”

Soon.

The news was broadcast.

“After the host’s introduction, the screen turned to the scene of the interview with Ye Zao and Ye Shu in the blink of an eye.”

“It’s Out! It’s Out! The top scorer and the top scorer are out!”

Many people took out their phones to take photos.

“Although it was only two minutes, compared to other news, it was already a long time.”

“After the broadcast of the top scorer of the college entrance examination in Yunjing, the television station broadcast a clip of the top scorer of the college entrance examination from all over the country.”

““This is Wen Aiguo, the top scorer of the liberal arts college entrance examination from Shanghai! Wen Aiguo is 19 years old this year, and he obtained an excellent score of 742 points in the college entrance examination this time!” ”

““Hello Everyone, I Am Wen Aiguo.” ”

“Because it was a clip, everyone only had one sentence to introduce themselves, or else they would not have enough time.”

““This is Lin Ze, the top scholar of the liberal arts college entrance examination from Beijing! Lin Ze is 19 years old this year, and he obtained an excellent score of 749 points in this college entrance examination!” ”

“Hello Everyone, I Am Lin Ze.” ”

Lin Ze?

“Looking at the youth on the television, Ye Shu’s heart felt as if it was suddenly pinched by someone. At this moment, the pain was suffocating. ”

Was she seeing things?

Why.

“She looked at the youth in front of her, and he looked so much like the person from back then? ”

Even his voice was the same.

Was he his child?

19 years old.

“If this really was his child, didn’t that mean that when he was with her back then, he already had someone else. ”

For so many years.

Ye Shu refused to believe this truth.

“But now, the truth was right in front of her eyes. ”

The wound that was already scabbed was instantly torn into a bloody mess.

That year.

When Ye Shu was giving birth.

A pregnant woman like her came to the door.

She said.

She was already pregnant with their child.

She also said that they were engaged.

The woman berated ye Shu.

She said that she was a saboteur.

She said that she was a mistress.

“Cheng is my fiancé now, he will be my husband in the future, the father of the child! I beg you! Please let Cheng Go, okay? Give me and the child a home.”

“B * Tch! You are a B * Tch! You destroyed a home with your own hands! A mistress!”

Ye Shu did not believe that Lin Qingcheng would lie to her.

She had been waiting for him all this time.

“From the moment she was pregnant to the day of the birth, she had been waiting for him for a whole month.”

But it was as if he had disappeared into thin air.

Disappeared without a trace.

Not even a letter.

Since he disappeared.

That woman had not come again.

If Lin Ze was really his child.

Then.

His biological mother must be that woman at that time.

Nineteen years old.

The age was just right.

“This child also took the top scorer exam and taught the child so well. All these years, he must have been very happy, right?”

Ye Shu closed her eyes and let out a light breath.

She didn't know what was wrong with her either.

She thought so much when she saw a child.

“Perhaps, this child had nothing to do with him?”

Forget it!

The past had passed so long ago.

Let It Pass!

“Ye Shu adjusted her emotions and walked to the kitchen. However, when she turned around, she returned to her usual smiling face and chatted with the employees as if that scene had never happened before.”

At the same time.

In Yunjing.

“Lin Ze didn't know if it was because of the bond between mother and son, but he also turned on the television. It happened to be the Yunjing television station.”

The screen was showing the reporters interviewing ye Shu.

“Hello, number one mom. Do you have any parenting tips to share with the viewers in front of the television?” ”

Lin Ze was eating an apple.

When he saw ye Shu on the television.

He was suddenly stunned.

This feeling was very strange.

“He clearly didn’t know ye Shu, but he subconsciously felt that he had known this aunt for a long time.”

A bitter smile appeared on the corner of Lin Ze’s mouth.

He had been living in a single-parent family for a long time.

No matter who he met.

He felt that that person was his mother.

How could it be so coincidental.

“He turned on a TV casually, and the person on the TV was his biological mother?”

“Meow.”The Fat Cat in his arms seemed to have sensed its owner’s mood and raised its head to Meow.

Lin Ze rubbed the cat’s head.

Feng Qianhua walked in from outside and saw this scene on the television.

Who was the person on the television?

Ye Shu?

It was actually her!

“Feng Qianhua narrowed her eyes and immediately took a few steps back. She said to old madam Lin, “Aunt Lin, I saw Sister Ye Shu on the news.” ”

“What news could she be on?” Old Mrs. Lin’s face was full of disdain.

How could a promiscuous woman be qualified to appear on television?

“If she was going to be on the news, it would definitely be negative news! ”

“Feng Qianhua continued, “I’m not too sure about the specific news. Look, Ah Ze is really sitting there watching!” ”

Lin Ze was sitting there watching?

Old Mrs. Lin was shocked!

She absolutely could not let Lin Ze see ye Shu!

She absolutely could not let Lin ze suspect anything!

Lin Ze was her eldest grandson and had nothing to do with that B * Tch Ye Shu.

She was not fit to be Lin Ze's mother!

"Old Mrs. Lin panicked and hurriedly said, "Auntie Zhang! Auntie Zhang!" "

"I'm here, Old Mrs. Lin." "

Old Mrs. Lin tried her best to keep her voice low. "Quick! Quick! Get Someone to cut off the power!"

"Okay!" Aunt Zhang immediately went to do it.

PA —

Lin Ze was watching the news.

The television screen suddenly disappeared.

The power went out?

"There was a generator at home that could provide power 24 hours a day. If the power really went out, the higher-ups would definitely notify them in advance and the Butler would also make arrangements."

Why did the power suddenly go out?

Lin Ze frowned slightly.

He had a vague feeling that something was not right.

At this moment.

“Old Mrs. Lin walked in with Feng Qianhua and her daughter, chatting and laughing.”

“Grandma.” Lin Ze directly ignored Feng Qianhua.

Feng Qianhua did not feel awkward and greeted Lin ze with a smile. “Ah Ze is at home.”

“Lin Ze replied casually and then looked at Old Mrs. Lin. “Grandma, is there a power outage at home?” ”

“Old Mrs. Lin said, “It seems like the power line is broken. It’s being repaired now.” ”

“”OH.” Lin Ze nodded. He put down the cat in his arms and picked up the phone on the table. “Grandma, I’m going out for a while.” ”

“Old Mrs. Lin instructed, “Come home early for dinner tonight.” ”

“Got it.”

“The owner left, leaving the fat cat lying on the sofa. ”

Feng Xianxian disliked such small animals the most. She walked over and kicked the cat. “Why would brother Ah Ze keep such a wild cat?”

“Meow!” The Fat Cat whimpered after being kicked and quickly ran upstairs.

Old Lady Lin also disliked this cat. “Who knows what that child Ah Ze is thinking!”

“In Old Lady Lin’s eyes, this was just an unrepresentable country cat.”

“If she really wanted to raise it, she should also raise a valuable Persian cat.”

“If outsiders saw this kind of local cat, wouldn’t they laugh at the Lin family’s shabbiness?”

1

Feng Xianxian was the closest to the Lin family.

“From Feng Xianxian’s reaction, one could tell that she definitely wouldn’t raise such a low-class local cat.”

“If it weren’t for Lin Ze who had just gotten the top scorer and won Old Lady Lin’s favor, Old Lady Lin would have gotten rid of this cat long ago.”

“Lin Ze walked out of the manor and saw the butler instructing the gardener to trim the plants in front of the door. He asked casually, “Grandpa Butler, when will the wiring in the house be fixed?” ”

“The Butler was stunned for a moment before he smiled and said, “It will be fixed soon.” ”

Lin Ze nodded.

Ten minutes later.

Lin Ze arrived at the secret base of the four of them.

“Dog Two, fat tiger, and Li Wen had already arrived.”

“Seeing Lin ze come over, Li Wen said excitedly, “Brother Ze! Brother ZE, quickly come and watch this video! It’s So Cool!” ”

“What video?” Lin Ze walked over.

This was a video of a car driving.

“The car in the video was clearly a coach car, and the venue was also a driving school’s S-bend. However, the driver had driven out of the car race track to see the scene.”

Drift!

Jump and slide!

These difficult movements were more and more thrilling.

It made people’s blood boil!

“If they had not seen it with their own eyes, no one would have believed that a coach car could play so many tricks.”

“Lin Ze liked cars very much, and at this moment, he could not take his eyes off them.”

It had to be said.

This driver was indeed amazing!

“Lin Ze had watched many racing competitions, but he had never seen anyone with such good skills!”

“Who is this? A new dark horse in the racing world?” Lin Ze asked.

Li Wen shook his head. “I don’t know him either. This is a video that suddenly became popular a while ago. I heard that this person is a driving school student.”

Dog Two was stunned. "Student? Really?"

"I saw the person who posted the video say so," Li Wen continued, "It says here that he's a student from the Yun Jing Driving School!" "

Yun Jing.

"When he heard these two words, Lin Ze's eyes lit up. He continued, "I plan to make another trip to Yun Jing in the near future." "

"Fat tiger exclaimed, "Brother Ze, you're still going? Aren't you afraid that your grandmother will scold you?" "

"Lin Ze's expression was indifferent. "She scolded me because my mother is in yunjing, so I have to go!" "

"Chapter 299: 103: The Wise Brother Ze, the Old Lady Cen, the King of tricks! 1"

"In the past, he didn't know where his mother was, so it was understandable that he had nowhere to go. "

"Now that he knew that his mother was in Yun Jing, he had to go. "

Until he found his mother.

"Dog Two hesitated for a moment before continuing, "Brother Ze, what if... I said what if... What if your mother is already married in Yun Jing and has a family of her own? What would you do?" "

This wasn't the first time dog two had asked this question.

“Then I'll take a look from afar and not disturb them,” Lin ze answered the same way as before. ”

“Fat Tiger frowned. “So, in other words, even if you know that your mother already has a family, you still have to go?” ”

“Yes.” Lin Ze nodded.

He didn't expect that his mother would never get married after so many years.

That was unrealistic.

“After all, everyone had feelings and desires. ”

All he needed to do was to look at his mother from afar and he would be satisfied.

“Li Wen patted Lin Ze on the shoulder. “Brother Ze, don't worry. I believe that you will definitely be able to find Auntie.” ”

“Right, we also believe in her,” said dog two and fat tiger. ”

Lin Ze didn't continue this topic. He turned his gaze to the motorcycle beside him. “Shall we play?”

“Sure.” Buttfat immediately stood up, picked up the helmet hanging on the motorcycle, and put it on his head. ”

“Before long, four fast motorcycles appeared on the Winding Mountain Road. ”

The rumbling sound shook the entire mountain.

They chased each other.

All kinds of difficult moves were performed one after another.

No one lost to each other.

But it was obvious that the blue motorcycle was better!

This adrenaline rush made Lin ze temporarily forget all his worries.

After a long time.

The four motorcycles slowly stopped.

“Fat Tiger took off his helmet, turned his head and said, “Brother Ze, Buttfacer, Mozzie, I heard that CSBK will be held in Beijing in October. Why Don’t we sign up?” ”

“Really?” Buttfacer asked.

““Of course it’s true!” Fat tiger continued, “My cousin told me personally. It Can’t be wrong!” ”

Fat Tiger’s cousin was also a motorcycle enthusiast.

“Buttfacer said, “CSBK like this only needs to enter the top three to win the award. I want to sign up.” ”

“Li Wen followed, “Then I want to sign up too!” ”

““What About You, brother Ze?” Fat Tiger looked at Li Ze. ”

Lin Ze was sitting on the blue motorcycle. He had one foot on the ground and was holding a helmet in his hand.

He was a 19-year-old youth. He exuded a youthful aura from head to toe.

He looked.

A little cool.

“Count me in too.”

Fat Tiger nodded. “Okay! We’ll participate together then!”

At around 5 pm in the evening.

Lin Ze returned home.

Feng Qianhua was standing at the door.

It seemed like she was waiting for him.

Lin Ze frowned slightly and was about to walk past Feng Qianhua.

“Feng Qianhua suddenly reached out her hand to block in front of Lin Ze. “Ah Ze, I want to talk to you.” ”

“I have nothing to talk to you about.” Lin Ze frowned.

He really did not like Feng Qianhua.

He did not like her from the start.

He even felt disgusted.

“Feng Qianhua pretended to be very infatuated. She had waited for Lin Jin city for so many years, but it was not for the Lin family’s power. ”

If Lin Jincheng was a poor boy with nothing...

Would Feng Qianhua still be so ‘affectionate’?

“With such a low standard, only Old Lady Lin would be deceived! ”

““It’s about your mother,”Feng Qianhua continued. ”

“Hearing this, Lin Ze stopped in his tracks. ”

“Feng Qianhua knew that she had grasped Lin Ze’s weakness. She continued, “Let’s talk over there.” ”

“After saying that, Feng Qianhua walked into the garden. ”

Lin Ze followed her footsteps.

Feng Qianhua walked to the Stone Table in the garden and sat down.

““Ah Ze, you sit too.” ”

Lin Ze leaned over and sat down.

“Feng Qianhua looked at Lin Ze and sighed. “Ah Ze, I know that you have never liked me. You think that I want to steal your father away...” ”

“Before she could finish her sentence, Lin Ze interrupted her. ”

““Isn’t That So?” Lin Ze looked up slightly, his eyes filled with sarcasm. ”

Feng Qianhua choked. She didn’t expect Lin Ze to be so disrespectful to her.

But Lin Ze was only a 19-year-old child.

“A child. Even if his mind was mature, he wouldn’t be able to outplay her! ”

She was waiting for the day when Lin Ze would willingly call her mother!

“With that thought in mind, Feng Qianhua felt a little better, she continued, “Ah Ze, you’ve misunderstood me. In fact, I was your father’s fiancée in the beginning. We were childhood sweethearts. It was your mother’s appearance that disrupted the peace and separated your father and I! “If it wasn’t for her, I would be your father’s legitimate wife now!” ”

“Chapter 300: 103: The Wise Brother Ze, the Old Lady Cen, the King of tricks! 2”

Ye Shu was a mistress.

A shameless mistress!

B * Tch!

She was clearly Lin Jincheng's favorite person.

"Yet, Ye Shu insisted on interfering. "

Lin Ze raised his head to look at Feng Qianhua. "Do you think I'll believe your one-sided Words?"

Even though he didn't know what had happened back then.

Lin Ze still believed that his mother wasn't that kind of person.

Definitely not.

"Feng Qianhua looked at Lin Ze, "Ah Ze, whether you want to believe it or not, this is all true! "But I don't blame your mother. I never blame her! "Because love is something that can't be controlled. She fell in love with your father and was beautiful. Everyone says that the flowers in the house don't have the fragrance of wild flowers. Your father was a normal man after all, so what happened after that was only natural." "

"At this point, Feng Qianhua gathered her emotions and continued: "

""But, what I did not expect was that your mother had clearly gotten your father, but she betrayed him! "I feel that your father is not worth it! "I also feel that our love is not worth it. In order to fulfill your mother and your father, I gave up our love to fulfill them! But your mother betrayed him! What she didn't want, I treated like a treasure! Ah Ze! Do you understand how I Feel?" "

Feng Qianhua spoke with sincerity.

Even her eyes were red.

She portrayed herself as a kind and generous person who sacrificed her love in order to help others.

“If it was anyone else, they would definitely believe it. ”

But Lin Ze did not believe it.

“Before he saw his mother with his own eyes, he would not believe anyone’s one-sided words. ”

Especially since this person was Feng Qianhua.

Someone like Feng Qianhua.

She would do anything to achieve her goal.

Lin Ze only cared about what he cared about. “Who is my mother?”

“I don’t know her name.”Feng Qianhua wiped away her tears. “Your father protected her too well. I didn’t even have the chance to know her. I only know that she exists!”

“Lin Ze continued to ask, “Where is she now?” ”

“Feng Qianhua said, “She’s dead.” ”

Feng Qianhua knew.

Only when Lin Ze knew that his biological mother was dead would he let down all his guard against himself.

The reason why Lin Ze had never accepted her was because he wanted to find his mother.

Now.

“Not only did Lin ze know that his biological mother was dead, but she was also a bad woman with a bad record. He would definitely be extremely disappointed with his biological mother.”

“At this time, she could take advantage of the situation.”

She had to let Lin Ze know.

The maternal love that he had been looking forward to.

Only she could give it!

Only she was worthy of being Lin Ze’s mother.

“Feng Qianhua looked at Lin Ze and continued, “Your mother died in a car accident while eloping with another man. It was a very tragic car accident. It was said that even her complete body was not found.”

Ye Shu deserved to die without a complete body!

Dismembered into thousands of pieces!

Feng Qianhua’s lowered eyes were filled with a sinister light.

Lin Ze did not speak.

There was no other expression on his face.

This was not the first time he had heard such words.

Old Mrs. Lin had said the same thing before.

““Maybe this is the legendary retribution,”Feng Qianhua continued, “She stole my fiancé. Even the heavens can’t stand it anymore.” ”

““Aren’t you the one who wants to steal my father from my mother?”Lin Ze looked up at Feng Qianhua. “You keep saying that my mother is already dead, but you’re so guilty that you don’t even dare to say my mother’s name!” ”

Guilty.

They were guilty!

If mother was really such a person...

Would Old Mrs. Lin have kept it a secret until now?

Lin Ze had grown up by Old Mrs. Lin’s side. He knew that old Mrs. Lin was a person with a very high social status. Old Mrs. Lin wasn’t even willing to befriend him and buttface.

Perhaps it was because his mother was born too young that Old Lady Lin looked down on her.

““It’s not like that, Ah Ze! We don’t have a guilty conscience!”Feng Qianhua stood up with red eyes, “Your mother is really dead! Some people might as well be dead! If she wasn’t dead, wouldn’t she have come to look for you once in all these years? It’s said that mother and son are linked by heart. You miss her so much, but does she miss you? !” ”

This sentence was implying that ye Shu was not worthy of being Lin Ze’s mother.

Nineteen years.

Ye Shu had never fulfilled her responsibility as a mother for a single day!

She had not even come to look for Lin Ze.

She was not worthy at all!

“Feng Qianhua continued, “Ah Ze, I’m just feeling sorry for you. You Care so much about your mother, but there are some people who are not worthy of your care at all! “You’ve never had a mother since you were young. I’ve watched you grow up. “I really hope that you can treat me like your mother! “Don’t worry, I’ll love you as if you were my own son!” ”
