“Chapter 301: 103: The Wise Brother Ze, the Old Lady Cen, the King of tricks! 3”

“Are you worthy?” Lin Ze’s tone was cold and his eyes were full of sarcasm.

Feng Qianhua was stunned.

She had wanted to use this opportunity to influence Lin Ze.

She didn’t expect that Lin Ze would not be swayed by force or persuasion.

“She had already lowered her stance so much, but Lin ze still treated her harshly. ”

A bastard was a bastard!

He didn’t know how to appreciate favors!

He didn’t know how to judge the situation at all!

“Feng Qianhua thought about it and tried her best to make herself look more pitiful. She started to give Lin Ze some medicine, “Ah Ze, you don’t like me! I Don’t Blame You! However, what I said is true! You’re a good child. You should be able to understand these principles! If your mother is really a good mother, will she always ignore you?” ”

She absolutely could not allow them to recognize each other as mother and Son!

“This mother and son pair of hers had turned against each other, turning against each other! ”

“If it’s useful to sow discord between us, I won’t be called Lin Ze anymore.” She might as well change her name to Lin silly.”

After saying this.

Lin Ze turned around and left.

Feng Qianhua looked at Lin Ze’s back view and was so angry that her face turned pale.

B * Stard!

B * Stard!

Lin Ze was a B * Stard!

“Not long after Lin Ze left, Aunt Zhang walked out from the side. “How is it?” ”

Feng Qianhua tried hard to suppress the anger in her heart and shook her head. “This little bastard won’t listen to force or persuasion. It seems that we still have to think of other ways.”

She didn’t believe it.

She still couldn’t teach a nineteen-year-old kid a lesson!

“Aunt Zhang narrowed her eyes and a sinister look flashed across her eyes. “If I had known this would happen, I wouldn’t have let this little bastard live nineteen years ago!” ”

“Nineteen years ago, Lin Ze was still a baby in infancy. He had not been fed by his mother. Even if something had really happened, no one would have suspected anything. ”

But now.

Lin Ze was already nineteen years old!

“It’s no use talking about this now.”Feng Qianhua retracted her gaze.

“After saying that, Feng Qianhua continued, “I heard that your old cold legs were acting up again a few days ago. Are you feeling better now?” ”

Aunt Zhang nodded. “I’m much better now.”

Feng Qianhua sighed and reached out to hold Aunt Zhang’s hands. “It’s been hard on you all these years.”

“Aunt Zhang smiled and said, “No, it’s not hard at all.” ”

It had been so many years.

“Seeing that Feng Qianhua was about to see the light of day, she did not feel that it was hard at all. ”

Feng Qianhua took out a bank card from her pocket. “It’s not much. Please take it.”

““I have enough money,”aunt Zhang refused. ”

“Feng Qianhua smiled and said, “You can keep this money for your retirement. Don’t take it out. Young people have hands and feet. They can earn it themselves! You have to plan for yourself. When you’re old, you should leave a way out for yourself.” ”

Aunt Zhang nodded. There were thousands of thoughts in her eyes before she accepted the bank card.

...

At the same time.

At the CEN Group.

“Li Qiandong rushed to the top-floor office excitedly. “Fifth brother! Fifth brother, have you seen the news?” ”

“Cen Shaoqing was holding a Buddhist bead in his hand. He was dressed in a plain, buttoned-up robe and was leaning against the back of his chair with his eyes closed to rest. ”

“He looked like a Buddha, but also like a celestial being. ”

His aura was transcendent.

“After a moment, he slowly opened his eyes. “What’s Wrong?” ”

His thin voice was covered in a layer of ice.

It was slightly cold.

“Li Qiandong held his phone and said excitedly, “Fifth brother! Yun Jing has produced a Godly Doctor Who can cure cancer! It’s even trending internationally now!” ”

Cure cancer?

Cen Shaoqing raised his eyebrows slightly. “Is there such a thing?”

Cancer was equivalent to death.

“Once One got cancer, it was like facing the death penalty. ”

“Although there were top experts in various countries around the world who had been researching cancer antibodies, after more than ten years of research, there was still no sign of it. ”

“Even technology, medical skills, and the most developed country, country P, were unable to cure cancer. ”

There was such a talent in Yunjing?

““It’s true! Now, the number one people’s Hospital in Yunjing is packed to the brim!”Li Qiandong was very excited, “I have to say, this miracle doctor ye is really too capable!”! Various countries all over the world sent experts over to discuss academic knowledge with Miracle Doctor Ye. Unfortunately, Miracle Doctor Ye did not have the time to pay attention to them! Not only did miracle doctor ye not show his face, but he also declined interviews from all the major media reporters! Now, the Internet has exploded!” ”

“Miracle Doctor Ye?”Cen Shaoqing’s hand that was holding the Buddha bead paused.

“That’s right! It’s Miracle Doctor Ye.”Li Qiandong nodded.

Cen Shaoqing narrowed his eyes.

He thought of someone.

Ye Zao.

Ye Zao’s medical skills were very good.

She was the one who cured old lady Cen’s illness.

Thinking of this person's abilities.

Cen Shaoqing twirled the Buddhist beads.

Could it be...

It really was her?

“Fifth brother, what are you thinking about?”

“Ye Zhuo.” Cen Shaoqing did not hide it.

“Li Qiandong also thought of something at this time and said in surprise, “I remember that the old lady's illness was cured by the great god, right?””

“Chapter 302: 103: wise brother Ze, Old Lady Cen is the king of tricks! 4”

Cen Shaoqing nodded slightly. “That's right.”

“Li Qiandong said in surprise, “Then this Miracle Doctor Ye can't be a god, right?””

“I'm not sure, but it's very possible.” Cen Shaoqing's expression was the same as usual.”

Ye Zhuo was more low-key.

The rumored Miracle Doctor Ye was also very low-key.

These two people just happened to match up.

“Li Qiandong frowned, then he said, “The Almighty is so busy, busy with scientific research, busy playing games, busy with live broadcasts, and also busy with the college entrance exam. She shouldn’t be so free, right? “I heard that Miss Mu’s medical skills are also quite good. Do you think it’s Miss Mu?” ”

“Although ye Zhuo was really very powerful,.”

Ye Zhuo was too busy!

He was busy with this and that all day long. How could he have time to study cancer antibodies?

This seemed a little unrealistic.

Mu Yourong had already retired from the live broadcast world. Li Qiandong still believed that it was Mu Yourong.

Cen Shaoqing raised his head to look at Li Qiandong. “You still want to eat pig large intestine sashimi?”

Li Qiandong immediately recalled his bet with Cen Shaoqing not too long ago.

Cen Shaoqing was especially ruthless.

“If he said ten catties of pig large intestine, then ten catties of pig large intestine.”

“After eating ten catties of pig large intestine raw, Li Qiandong went to the hospital overnight to have his stomach pumped. As a result, when he heard the words ‘pig large intestine’, his footsteps became weak and his face turned pale.”

“Li Qiandong continued, “Fifth brother, why do you have such a deep prejudice against Miss Mu? Although the god is very outstanding, Miss Mu is not bad either! Miss Mu is kind-hearted and versatile. She is really a very good girl!” ”

“”Fifth brother, are you still angry about the annulment of the marriage? Actually, I feel that there is really a misunderstanding about this matter. Why Don’t I help you make an appointment with Miss Mu? The two of you can meet face-to-face and explain this matter clearly?” ”

“If there was a misunderstanding, then it had to be resolved. ”

Cen Shaoqing could not stay single forever.

“Moreover, a powerhouse like Cen Shaoqing would definitely not like another powerhouse, so it was definitely impossible for him and ye Zhuo to be together. ”

“After all, as the saying goes, ‘use softness to overcome hardness’. ”

“Therefore, Mu Yourong was simply a good match. ”

She was worthy of Cen Shaoqing in every aspect.

“Most importantly, Mu Yourong really needed Cen Shaoqing. ”

“Cen Shaoqing’s expression was indifferent. He glanced at Li Qiandong and said, “Get out.” ”

“His voice was very faint, but it contained endless pressure that made people shudder. ”

It scared Li Qiandong so much that he shut his mouth.

“However, Li Qiandong was still a little unwilling. “Fifth brother, you really misunderstood mu...” ”

Cen Shaoqing raised his head slightly and opened his thin lips. "Aren't you leaving yet?"

"Although Cen Shaoqing didn't have any special expression on his face, Li Qiandong knew that this lord was really angry."

"I'm leaving! I'm leaving Right Now!"

Li Qiandong ran out in a hurry.

He was afraid that he would be blamed by this person in the next second.

"Although Cen Shaoqing usually did not lose his temper, he always looked calm and collected. He held a string of Buddhist beads in his hand at all times and muttered Amitabha. In fact, only Li Qiandong knew about it."

This person was hiding a knife in his smile!

Buddha's mouth was like a snake's heart.

"If he did not have some tricks up his sleeve, how could he have gotten to where he was today?"

...

The Cen family.

Zhou Xiang was chatting with old Mrs. Cen.

"Mom, Yunjing is close to the sea. I heard that there's a small island with a pretty good view. Since we're bored at home, why don't we go on a vacation?" "

“A small island?” Old Mrs. Cen rolled her eyes. “Is there a lot of people on that island?”

“Zhou Xiang shook his head. “It’s a private island. There are no other tourists, but the view is really good!” ”

Old Mrs. Cen was amused when she heard that. “Then call Yezi and Shaoqing along.”

Ye Zhuo was so beautiful and so outstanding. Old Mrs. Cen was worried every day that her granddaughter-in-law would be kidnapped by someone with bad intentions.

“Yezi is easy to talk about. Would Shaoqing be willing to go?” Zhou Xiang frowned slightly.

Cen Shaoqing had a strange personality.

“When he was free, he would rather go to a nearby temple to listen to the Buddhist music than go out for a vacation. ”

1

Go to a small island for a vacation?

That seemed a little unlikely.

“Old Mrs. Cen narrowed her eyes and chuckled twice. Anyone who heard it would know that there was a conspiracy hidden in her laughter. As she laughed, she reached out her hand to Pat Zhou Xiang’s shoulder. ”

Zhou Xiang felt a chill run down his spine. He shrank back and avoided old Mrs. Cen’s hand.

“When she patted the air, Old Mrs. Cen turned her head speechlessly. “You’re not a bastard, why are you shrinking?” ”

“Zhou xiang whimpered, “I’m afraid of you smiling like that...” ”

She had been with old Mrs. Cen’s mother-in-law for almost forty years.

Zhou Xiang knew her too well.

“Every time the old lady smiled like that, she must be planning something big. ”

“Old Mrs. Cen smiled and said, “What are you afraid of? Don’t worry, I’m not a good person!” ”

“Chapter 303: 103: The Wise Brother Ze, the old lady CEN has turned into the king of tricks! 5”

Zhou Xiang:“!!!”

““Ah No!”Old Lady Cen immediately corrected her. “You’re wrong. Don’t worry, I’m not a bad person!””

“Zhou Xiang:”...”Hur Hur, she almost believed it.”

“After saying that, old lady cen continued, “Will that brat be back for dinner tonight?””

“He should be.”Zhou Xiang nodded.

“Old Mrs. Cen Winked at Zhou Xiang. “Xiang Xiang, just wait and see.””

Zhou Xiang knew.

Her mother-in-law was going to trick her family's silly son again.

At night.

Cen Shaoqing came back on time for dinner.

“Halfway through dinner, Old Mrs. Cen suddenly put down her chopsticks. “Xiang Xiang, have you contacted Ze Yan recently?””

““No, why?” Zhou Xiang was confused.”

“Before she could react, her mother-in-law had already started to trick her silly son.”

“Old Mrs. Cen continued, “Didn't you tell me this morning that you wanted to go to a private island to play? I was thinking of getting Yezi to go with us. You said that the three of us girls would definitely not be safe on the island! At this time, we need a boy to protect us! “I think Ze Yan is not bad. We can use this opportunity to set him up with Yezi! “Don't you think this is a good thing that kills two birds with one stone?””

“When he heard the words ‘three girls’, the vegetable leaves in Cen Shaoqing's mouth almost spurted out.”

His grandmother often said shocking things.

“However, when he heard Zhou Ze Yan's name, Cen Shaoqing's face instantly darkened.”

Why was he everywhere!

“Grandma, Zeyan has to go to work tomorrow. He doesn't have time to go to the island with you guys for a vacation.” Cen Shaoqing slightly raised his eyes.”

“Old Mrs. Cen chuckled and said, “I didn't say it was tomorrow. How Do You Know It's Tomorrow? Even if you have to go to work, you can still ask for leave! Work is never finished. Talking about a wife is a major event in life. Do you think everyone is like you? All day long, Amitabha, Amitabha! What do you mean, no wife, no marriage! Ren Zeyan wants to start a family! The leaf is so outstanding, if Ze Yan doesn't make a move again, how to do by other Big Pig Trotters snatched away?””

“What the Cen Old Lady said is very reasonable, even Zhou Xiang listens to a Leng Leng Leng Leng Leng.”

“Cen Shaoqing put down his chopsticks, “Ze Yan is still in the internship period, unjustified leave, it will affect the graduation results.””

“Aren't you cousin Zeyan? Can't you be flexible about cousin Zeyan's life-long affairs?” Old Mrs. Cen was speechless.

“CEN Shaoqing continued, “Even though I'm his cousin, I still have to do my job! Otherwise, what will the people below think?””

“Old Mrs. Cen was unhappy. “I don't care! We have to let Zeyan go. If Zeyan doesn't go, who will be in charge of our safety?””

Cen Shaoqing thought about it seriously. “Why don't I Go?”

He thought about it.

He was still the most suitable person to go.

It wasn't about love.

“He just felt that after working for so long, it was time for him to go out and adjust his mood.”

“Hearing this, Zhou Xiang’s eyes lit up.”

She really didn’t expect Cen Shaoqing to agree.

“Sure enough, love made one sink into oblivion.”

Cen Shaoqing clearly had his heart set on Ye.

“However, he was completely unaware of it.”

No wonder Old Lady Cen always thought of all sorts of ways to trick him.

Old Lady Cen looked at Cen Shaoqing with disdain. “Aren’t you an unmarried man? Why are you following me? Are you delaying Yezi’s youth?”

Cen Shaoqing:” ...”his own grandmother?

“A while ago, Old Lady Cen was still trying her best to set him up with Ye Zao.”

She did not expect that her attitude would change so quickly.

No wonder they said that women were like needles at the bottom of the ocean!

Cen Shaoqing continued to count the Buddhist beads. “Whether or not I am a celibate or not is not in conflict with protecting your safety.”

Old Mrs. Cen glanced at him. “I have an appointment with Yezi. We will leave on Wednesday afternoon. Do you have time?”

“I’m not busy during this period of time.” Cen Shaoqing’s tone was indifferent.

Not Busy?

“When the CEN group’s higher-ups heard this, they silently cried and fainted in the toilet.”

“Then that’s it! Sigh!” Old Mrs. Cen sighed. “It’s such a pity! I originally wanted to Matchmake Yezi and Ze Yan. The heavens don’t make it good.”

Zhou Xiang secretly praised Old Mrs. Cen’s acting skills.

“Cen Shaoqing replied indifferently, “Maybe it’s because they’re not fated. Grandma, don’t randomly pick a couple.””

““Don’t you know that there’s a saying, ‘love grows with time’?” Old Madam Cen said speechlessly, “It’s a sand sculpture! You won’t understand even if I tell you! It’s nothing!””

Cen Shaoqing:” ...”

He suspected that he was not his biological grandson.

Zhou Zeyan was.

Zhou Xiang covered her mouth and snickered.

...

At a restaurant.

“Chapter 304: 103: The Wise Brother Ze, the Old Lady Cen, the King of tricks! 6”

Today was the first time Ye Sen had asked Bai Wei out for dinner.

Ye Sen had specially arrived ten minutes earlier.

“Not long after, Bai Wei arrived as well. ”

She had always been a punctual person.

“Mr. Ye.”

“Miss Bai.” Ye Sen stood up and pulled out a chair for Bai Wei.

“Bai Wei smiled. “Thank you, Mr. Ye.” ”

“Ye Sen said, “It’s too strange for us to come and go like this. You can just call me by my name.” ”

““You’re a few years older than me, so I’ll call you brother Ye.” ”

“Ye Sen nodded. “Sure, no problem.” ”

“After saying that, Ye Sen handed the menu to Bai Wei. “Ladies first. You Order.” ”

“Bai Wei smiled and said, “I’ll just have a vegetable salad. You can order the rest, Brother Ye.” ”

“You’ll just have a vegetable salad?” Ye Sen asked.

“Bai Wei nodded. “A dance teacher has to maintain his figure. There’s nothing I can do.” Bai Wei was a folk dance teacher, so her image and temperament were very good. ”

“Ye Sen said, “Then it’s really hard to do your job.” ”

“Bai Wei smiled and said, “It’s not easy to do all kinds of jobs.” ”

Ye Sen nodded and agreed with Bai Wei.

“Although Bai Wei only ordered a vegetable salad, ”

Ye Sen still ordered a table full of dishes.

“They had agreed that he would treat her, and he couldn’t let her eat grass. ”

“But Bai Wei was a person with a strong sense of self-control. From the beginning to the end, she only ate the vegetable salad in front of her. She only ate one or two mouthfuls of the other dishes. ”

Ye Sen was very surprised.

It was the first time he had seen such a self-disciplined girl.

“After eating, Ye Sen went to the bar to pay the bill. ”

“Which table are you at?”

“Ye Sen said, “Table 71.” ”

“The cashier operated the computer and said, “Table 71 has already paid the bill.” ”

“Already paid the Bill?” Ye Sen frowned slightly. “Who bought it?”

The cashier tiptoed and looked at the middle of the restaurant. “It’s the lady in the plaid dress.”

Who else but Bai Wei was wearing the plaid dress?

“Thinking about it, Bai Wei must have paid while she was in the bathroom. ”

Ye Sen did not expect Bai Wei to take the initiative to pay.

“He had a good impression of Bai Wei, and at this moment, it was even better. ”

“He came to the seat. “Bai Wei, we agreed that I would pay. How could I let you pay! I have already transferred the money to your wechat.” ”

“Bai Wei smiled and said, “Anyway, it’s just a treat. It doesn’t matter who pays. At most, you can just invite them back next time. I won’t accept the money.” ”

“Then it’s a deal. I’ll definitely invite them back next time!”

Bai Wei nodded. “No problem. I’ll remember it for you.”

“Ye Sen looked at his watch and said, “Let’s go watch a movie while we still have time.” ”

“Bai Wei hesitated for a moment, then nodded. “Sure.” ”

“With that, the two of them walked to the cinema on the third floor. ”

...

Ye Zhuo accepted the old lady's invitation.

"In the world she lived in in her previous life, all the islands and oceans had been contaminated by various nuclear bomb experiments. The seawater had become stagnant water, and the marine life had ceased to exist."

She had only seen the original appearance of the ocean on television.

"She had been in this world for so long, and although Yunjing was considered a coastal city, she had not gone to the seaside to play once."

Tomorrow was the departure time.

Ye Zhuo planned to go shopping and buy some things that she needed.

First of all.

Bathing suits and sunglasses were essential.

"There were also beach shoes, Big Straw Hats..."

"As Ye Zao walked, he wrote down the things he wanted to buy on his phone."

"Ye Zao!"

A pleasant male voice suddenly sounded behind him.

Ye Zao looked back slightly and saw Li Boyang walking towards her.

Li Boyang did not expect to see ye Zao here today.

He had a high score of 688 in the college entrance examination and had already received the admission letter from Qinghua University.

Li Boyang regretted his words. Why didn't he bring the admission letter with him when he left the house.

"If he brought it with him, he could take this opportunity to confess to ye Zao with the letter."

"But even if he didn't bring it with him, this matter couldn't be delayed."

He had to confess to ye Zao as soon as possible.

"Ye Zao." Li Boyang jogged to ye Zao's side.

"What's Wrong?" Ye Zao's brows were still furrowed.

"Li Boyang continued, "I scored 688 points in the college entrance examination and have been accepted by Qing Hua University." "

"Ye Zao's expression was calm. "Oh, Congratulations." "

Li Boyang was stunned.

Why was ye Zao's reaction so calm?

688 points!

He was ranked 89th in the entire city!

There were tens of thousands of college entrance examinees in Yun Jing. How many people would be able to get such a high score like him?

“Chapter 305: 103: The Wise Brother Ze, the Old Lady Cen, the King of tricks! 7”

Ye Zao must be faking it!

Yes!

He must be faking it!

Ye Zao did not want to act like he had never seen the world before.

Although he knew that ye Zao was faking it.

“However, Li Boyang still felt that ye Zao was acting too much. ”

“Even if she was very surprised, he would not look down on her. ”

“After all, they were no longer from the same world. ”

“Li Boyang continued, “Ye Zao, didn’t you say that you also participated in the College Entrance Examination? How many points did you get?” ”

“Ye Zao looked at his phone and said casually, “749 points.” ”

749 points?

Li Boyang was speechless!

Ye Zao really knew how to Brag!

Why didn't she say that she was the college entrance examination's top scorer!

“I heard that our Yun Jing's top scorer also scored 749 points, right?” Li Boyang had heard about the matter of the top scorer and did not know his name. ”

“Ye Zhuo nodded. “That's right, I am.” ”

She really dared to say it!

“Ye Zhuo, stop joking!” ”

Ye Zhuo raised his eyebrows slightly. “I'm not joking with you.”

“Li Boyang took a deep breath and continued, “Ye Zhuo, there's something I want to talk to you about.” ”

“Speak.”

“Li Boyang continued, “I like you! I've liked you for a long, long time. Can you be my girlfriend? Can I bring you to Beijing? Even if you know that you didn't take the college entrance exam, I Won't look down on You! “I've already been accepted by Qinghua University. Couples should complement each other. You're a junior high school student, and I'm a university student. In the future, I can teach you the knowledge that I've learned! “Just draw your own strengths and weaknesses!” ”

Li Boyang said everything he thought in one breath.

He knew that ye Zao would definitely agree to his request.

Because no one would refuse the pursuit of a highly educated person.

Qinghua University!

This was a school that many people dreamed of!

“After saying this, Ye Zao’s face did not show the expression that Li Boyang wanted.”

What was going on?

Could it be that ye Zhuo was too excited?

Li Boyang was a little puzzled.

“The corners of Ye Zhuo’s mouth curled up. “I’m sorry, a junior high school student like me isn’t good enough for you.” ”

“He knew that ye Zhuo would not reject him. Li Boyang continued, “Although your academic qualifications are a little low, I don’t mind.” ”

“At this moment, a piece of news appeared on the big screen of the shopping mall behind ye Zhuo. ”

““Let me introduce the top scorer of this year’s college entrance exam in Yunjing City, ye Zao! Ye Zao is a native of Yunjing city. He is 19 years old this year, and he obtained the best score in Yunjing City in the past 10 years, 749 points!” ”

“Hello, everyone, I am ye Zao.” ”

“Hearing this familiar voice, Li Boyang thought he heard wrong. He looked up and saw that the person interviewed on the big screen was very familiar. ”

“This, this was really ye Zao? ”

It was really ye Zao!

“Li Boyang stood rooted to the ground, cold sweat beading on his back. ”

He had never dreamed that ye Zao could be the top scorer.

He had never thought that ye Zao was really a senior.

It turned out that what ye Zao said before was true.

He felt like a clown.

“One second ago, he was proud of his 688 points. ”

“The next second, he was slapped in the face. ”

688 was nothing in front of 749?

He was not even a younger brother!

The sense of superiority in front of ye Zhuo immediately disappeared without a trace.

“Embarrassment, embarrassment, and all kinds of complicated emotions mixed together, making Li Boyang’s face instantly turn red, and he was so ashamed that he could not raise his head.”

“Ye Zhuo was still in a hurry to buy things, so he did not say anything. As he walked to the mall, he opened wechat and deleted Li Boyang.”

“Boyang!”

“At this moment, Qian Lingyu ran over from the other side.”

“Mom...” Li Boyang turned to look at Qian Lingyu.

“Qian lingyu frowned and said, “Was that ye Zhuo who stood beside you just now?” ”

Li Boyang nodded.

“Qian Lingyu said angrily, “Boyang! How many times has mom told you to stop talking to people like Ye Zhuo! “She’s not from the same world as you! “You’re going to go to university soon. She can only be a part-time worker for the rest of her life! “You probably can’t ruin your future because of her!” ”

“In Qian Lingyu’s eyes, Li Boyang was a dragon among men!”

No one could compare to her son!

“Although ye Zhuo was beautiful, she did not have a degree. She came from a wealthy family. Her family was so poor that she was not worthy of Li Boyang!”

“Li Boyang’s expression was a little ugly. “Mom, you misunderstood! Ye Zao is not a part-time worker. She is the top scorer of this year’s College Entrance Exam!” ”

“Do you think your mom is a fool? How can she be the top scorer of this kind of person?”

“I’m not lying to you! Ye Zao is already on the news. Just search on your phone and you’ll know!” After saying that, Li Boyang turned around and left. ”

Qian Lingyu quickly picked up her phone.

“If she didn’t search, she wouldn’t know. Once she searched, she was shocked. ”

“Not only was ye Zao the top scorer in this year’s college entrance exam, he was also the daughter of the Ye family’s private kitchen owner! ”

Qian Lingyu even thought that she was dreaming.

She pinched him hard.

It hurt!

It wasn’t a dream.

This was real.

“Qian Lingyu was very regretful. If she had known that ye Zao would become the top scorer in the college entrance exam, if her family was so rich, she would have treated ye Zao better back then. ”

It was useless to say anything now...

“In the blink of an eye, the next day arrived. Today was the day that old Mrs. Cen and ye Zao had agreed to go to the island for a holiday. ”

“Ye Zao was carrying his bag. Just as he walked out of the residential area, he saw Old Mrs. Cen standing in front of a black car and waving at her. “Yezi!” ”

“Grandma Cen.”Ye Zao jogged over.

“Old Mrs. Cen continued, “Let’s get in the car quickly.” ”

“After getting in the car, ye Zao realized that Cen Shaoqing was driving.”

“After a while, they arrived at the dock.”

A luxurious yacht was parked in front of the dock.

Ye Zao and Cen Shaoqing walked in front.

Old Mrs. Cen walked behind them.

“Looking at the figures of the two people in front, old Mrs. Cen lowered her voice and said, “Xiangxiang, I’m very worried about a problem.” ”

“What problem?”Zhou Xiang was curious.

“Old Mrs. Cen continued, “I’m worried that Yezi will not be able to stand it when she gets together with Shaoqing in the future.” ”

“Zhou xiang asked in puzzlement, “Can’t stand what?” ”

“Old Mrs. Cen raised her head and looked in front of her. Ye Zhuo was standing on the yacht, and Cen Shaoqing was standing on the deck. The two of them were up and down. No one knew what they were talking about, but from old Mrs. Cen’s point of view., she could see a faint smile between ye Zao’s eyebrows.”

The beauty smiled and her eyes twinkled.

“The Moonlight was shy, and she held the golden outhouse. ”

“The sunlight penetrated through her from behind. The blue sky and white clouds were above her head, and the blue sea was under her feet. ”

The scene was so romantic that it was like a TV series.

“Old Mrs. Cen said in a low voice, “Look at how thin ye Zi’s waist is. Even the wind can blow her off! Our Young Minister can easily lift a barbell that weighs more than 200 Jin! Running for an hour without breathing! I’m afraid that Yezi’s small body won’t be able to bear it in the future... ..” ”

Chapter 306: 104: Master Five has come to his senses. He has fallen in love with her. He has fallen into her trap

Cen Shaoqing’s body is simply too good!

“He is also very fond of sports. Three of the treadmills in the house have been broken, and his muscles are especially well developed. ”

Old Mrs. Cen is really worried.

“Hearing this, Zhou Xiang was stunned. She really did not expect old Mrs. Cen to suddenly race. She raised her head and looked at the two people who were talking in front of her, then she said, “Mom, don’t look at how skinny you are. In fact, you are really burning! Burning knows how to fight, how to heal, and how to catch snakes! At that time, it’s still not certain who will win!” ”

Cen Shaoqing and ye Zao were evenly matched.

Neither of them would lose to the other.

“Look at what you are saying. How can my granddaughter-in-law not be amazing?” Old Mrs. Cen said with a proud face.

“Zhou Xiang smiled and said, “Then what are you worried about?” ”

Old Mrs. Cen turned to look at Zhou Xiang. “Do you know what age Shaoqing is at now?”

Zhou Xiang was puzzled. “What do you mean?”

“”Thirty years old is of course the age of a wolf and a tiger! “He has been a monk all this time. Do you think searing can withstand the torment when the time comes?” Old Mrs. Cen continued, “To be honest, if Shaoqing isn’t my eldest grandson, I really can’t bear to introduce Yezi to him. I’m simply the best grandmother in the entire universe!” ”

“When she said the last sentence, old Mrs. Cen raised her chin proudly. ”

Zhou Xiang covered his mouth and chuckled.

“Old Mrs. Cen continued, “Did you bring a camera?” ”

“I did.” Zhou Xiang nodded.

“Give it to me.”

Zhou Xiang took out a camera from his bag and handed it to old Mrs. Cen.

“Old Mrs. Cen took the camera. “Yezi, Shaoqing, I’ll take a photo for you.” ”

Ye Zhuo looked up slightly.

Cen Shaoqing turned his head.

One of them was standing on the yacht while the other was standing on the deck. Behind them was the luxurious yacht and the blue sky and white clouds.

“If it were an ordinary person, they would definitely be suppressed by this luxurious background and would have no sense of existence.”

“However, these two people were dragons and phoenixes among men.”

“At this moment, whether it was the sea or the yacht, in front of these two people, they were reduced to a backdrop without any highlights.”

Kacha —

The beautiful scene was fixed on the camera screen just like that.

Zhou Xiang silently swallowed back the words that Cen Shaoqing never took photos.

It seemed that liking someone was really magical.

“Ever since he met ye Zhuo, Cen Shaoqing had changed a lot invisibly.”

It was just that he was still unaware of it.

“At this moment, Old Mrs. Cen handed the camera to Zhou Xiang. “Xiangxiang, come and take a photo for the three of us.” ”

“After saying that, old Mrs. Cen quickly stood between the two of them.”

““Three, two, one.” ”

“Then, Zhou Xiang found the yacht’s driver to take a picture of the four of them together.”

“After taking the picture, the four of them boarded the yacht and started to set off.”

“After about two hours of sailing, the yacht finally stopped at the northwest side of the island.”

““Mom, Zhonghua, Shaoqing! We’re Here!” ”

Zhou Xiang walked in and called for Ye Zhonghua.

“Ye Zhonghua and the Old Lady Cen were sitting in the lobby of the yacht, drinking cold drinks and chatting.”

“Cen Shaoqing was sitting at the side, holding a Buddhist bead in his hand and occasionally peeling a mangosteen for the two of them.”

Ye Zhonghua liked eating mangosteen very much.

It was sour and sweet.

“But mangosteen was too cold. It was not good for girls to eat too many cold things. After peeling a mangosteen, Cen Shaoqing picked up an emperor orange.”

“While chatting with Ye Zhuo, Granny Cen narrowed her eyes at Cen Shaoqing.”

This rascal was quite attentive.

“Seeing Zhou Xiang walk in from outside, Ye Zhuo raised his eyes in surprise. “You’re here so quickly?” ”

“Zhou xiang smiled and said, “This is fast! It’s already been two hours!” ”

“Two hours, more than 150 kilometers. ”

“I’ve been chatting with Granny Cen. I didn’t expect that two hours had passed unknowingly.”

“Old Mrs. Cen took a sip of her drink, “Yezi, this means that we have a common topic! When we’re together, we have to have a common topic. Don’t be like some wooden people! You Can’t even get a fart out of them! It’s very annoying! No wonder you can’t get a Wife!” ”

Young Master Cen (wooden)(head) Qing (human) :” ...”he felt offended.

“”Let’s go, Let’s Go!”Cen stood up and held ye Zhuo and Zhou Xiang’s arms. “Let’s go down and take a look.” ”

“After saying that, she turned to Cen Shao Qing. “Take our luggage.” ”

Cen Shao Qing took the three’s luggage and followed behind.

1

Cen Old Lady smiled and turned to look at Ye Zhuo. “Men should be porters for us girls!”

The Young Lady:”...”

“As soon as she stepped out of the yacht, she saw the tall and sturdy coconut trees on the beach. ”

Chapter 307: 104: Master Five has come to his senses. He has fallen in love with her. He has fallen into her trap

The Sun was scorching hot.

The ripe coconuts on the coconut tree were particularly tempting.

“Look, there are coconuts!” Zhou Xiang was a mainlander and rarely had the chance to see the sea. Now that she saw the wild coconut tree, she was particularly excited.”

“Let me see if I can climb up,” ye Zao said as he rolled up his sleeves, revealing a part of his wrist that was as white as snow.”

“Old Mrs. Cen raised her head to look at the coconut tree and held ye Zao’s hand. “No! This tree is too tall. We can’t risk our lives for a few coconuts. What if we break our legs? Shaoqing, you go!” ”

“Cen Shaoqing:” ...”Heh, aren’t you afraid that he will break his legs? His own grandmother?”

“Ye Zao smiled and said, “Actually, we don’t have to climb the tree.” ”

“After saying that, she picked up a few stones from the ground and looked up at the coconut tree. She aimed at the position and used a little strength to throw it over. ”

Pa Pa pa —

“The stones accurately hit the coconuts on the tree, and all of them fell down.”

Old Madam Cen and Zhou Xiang were stunned.

“The leaves are awesome!”

“Zha Zhuo, you’re really amazing!” ”

“Ye Zhuo said humbly, “Just so-so, third place in the world.” ”

“Cen Shaoqing turned his eyes slightly, and was caught off guard. He crashed into that smiling face that was like a flower. ”

Bang —

His heart seemed to have been hit by a heavy object. It beat uncontrollably.

It was as if his heart was palpitating.

It was a very strange feeling.

Cen Shaoqing looked away uncomfortably.

His symptoms seemed to be getting more and more serious.

It seemed that he had to find ye Zhuo to treat him as soon as possible and prescribe a few sets of traditional Chinese medicine.

Zhou Xiang and the Old Lady Cen picked up all the Coconuts on the ground and put them in a bag for Cen Shaoqing to hold together.

“After picking up the coconuts, the few of them continued to walk towards the island. ”

This was a very beautiful island.

In the middle of the island sat a luxurious villa with a sea view.

“Standing on the top floor of the villa, one could overlook the beautiful scenery of the entire island.”

“The garden on the first floor was built with a barbecue area, a swimming pool, a movie hall in the basement, a family KTV, and all kinds of food, drinks, and entertainment.”

“Because someone had come to clean up in advance, the villa was very clean. On the table in the hall were iced watermelons and sour plum soup to relieve the heat.”

“Zhou Xiang had watched the video in advance, so she was familiar with the layout of the villa. “Mom, Zhonghua, Shaoqing, I’ll bring you guys to your rooms.” ”

“In order to have a convenient view of the seaside, the rooms were arranged on the top floor.”

“The four rooms were connected. In order, it was Zhou Xiang, old Mrs. Cen, Ye Zhonghua, and then Cen Shaoqing.”

“After watching the rooms and taking a short break, Zhou Xiang suggested going to the seaside to swim.”

Ye Zhuo nodded. “Okay.”

“Old Mrs. Cen said, “My old limbs can’t swim anymore. I’m not as young as you guys. I’ll go take a look at the scenery!” ”

“Zhou Xiang turned to look at Cen Shaoqing. “Shaoqing, are you going?” ”

“Before Cen Shaoqing could say anything, old Mrs. Cen said, “Of course he’s going! If he doesn’t go, who will be our Porter?” ”

Could it be that the three girls were going to do this kind of physical work?

“CEN Shaoqing said, “I just saw a jeep parked in the courtyard. We’ll drive down in a while.” ”

““If you have a car, you can bring more things! Beach umbrellas, beach chairs, tents, and so on!”Old Mrs. Cen continued, “Yezi, Xiangxiang, you guys go and change into your swimsuits. Shaoqing and I will prepare the things.” ”

““Okay.”Zhou Xiang nodded. “Zhuozhuo, let’s go.” ”

Zhou Xiang and Ye Zhuozhuo went upstairs to change their clothes.

Not long after.

“Ye Zhuozhuo changed his clothes and stood outside the corridor, waiting for Zhou Xiang. ”

“Not long after, Zhou Xiang came out. ”

“Although she was already middle-aged, Zhou Xiang maintained her skin very well. Her skin was not loose at all. She was like a 30-year-old young woman. Her beautiful figure was still very impressive. ”

Zhou Xiang had just opened the door when she saw ye Zhuo waiting for her outside.

“Ye Zhuo was wearing a white swimsuit with a suspenders. The one-word design of the tube top covered her upper body, revealing a slim waist. ”

It was a very slim waist.

There was not a single bit of fat on it. One could clearly see the waistline of her abdomen.

“She was wearing a white boxer swimming trunks underneath, which made her legs look very slender.”

This figure...

Was simply too...

“It was obviously a very conservative swimsuit, but it made people’s blood boil. Even Zhou Xiang, this woman, almost couldn’t control herself when she saw it.”

““Oh my god, searing, you must be very disciplined usually! You actually maintain such a good figure!” ”

“Ye searing smiled and said, “I can’t say that I’m disciplined, but I go for a run every morning.” ”

“Actually, it had something to do with one’s physique.”

“Ye Zao liked to eat sweets very much. If an ordinary person ate sweets, they would definitely get fat. She had no signs of getting fat.”

Chapter 308: 104: Master Wu woke up and fell in love with her

“Zhou Xiang continued, “You’re just like our Shaoqing. Shaoqing also gets up early every morning to exercise! Don’t look at him as if he’s weak, but his body is actually very good! He needs a vest with a

vest and abdominal muscles! He can lift a barbell that weighs 200 jin in one go!"If anyone were to marry him..., they would definitely be very happy! "

"At this moment, Zhou Xiang's phone suddenly rang. "

Zhou Xiang picked up the phone and his expression changed instantly. "What? How can this be! I'm currently on vacation at the beach! The old lady is also here!"

"Can you wait for a few days?"

""Alright, I got it." "

"Zhou Xiang hung up the phone and said with a frown, "Zha Zha, your grandma Cen and I might not be able to go on vacation with you guys! The housekeeper just called and said that there's something urgent that we have to go back and take care of." "

""Then I'll go back with you guys,"ye Zhuozhuo said. "

"Zhou Xiang waved his hand. "No need, no need! It's not easy to come here. You and Shaoqing stay here and have fun. When your grandma Cen and I are done with our work, we'll come back and look for you guys!" "

"As Zhou Xiang said that, he went back into the house to change his clothes. "

"After changing his clothes, Zhou Xiang went downstairs to look for old Mrs. Cen. "

Old Mrs. Cen had already packed her things and was sitting in the jeep.

"When she heard this, Old Mrs. Cen's face fell. "It's not easy to come out to play, why are there so many things!" "

“Zhou Xiang quickly comforted old Mrs. Cen. “Let’s hurry back, we should be back soon.” ”

“It’s so annoying!” Old Mrs. Cen discontentedly got out of the jeep.

“Zhou Xiang told Cen Shaoqing, “Shaoqing, you and searing stay here and have fun.” ”

Cen Shaoqing looked thoughtfully at Zhou Xiang and old Mrs. Cen.

Zhou Xiang felt a little guilty from being looked at.

“Old Mrs. Cen stood in front of Zhou xiang, “Little Brat, you’re not allowed to bully Yezi! If you dare to Bully Yezi, Don’t blame me for not recognizing you!” ”

“”Don’t worry, I won’t bully her.” Cen Shaoqing continued to count the Buddha beads with the same expression. ”

“Old Mrs. Cen turned to look at Ye Zao and said with a smile, “Yezi, this brat of our family is devoted to Buddhism and is about to become a monk. You Don’t have to be reserved when you are with him. Just treat him as your good sister!” ”

Ye Zao smiled and nodded. “Okay.”

Cen Shaoqing:” ...”

“One dared to say it, and the other dared to answer it. ”

“”Xiang Xiang, let’s go quickly.” Old Mrs. Cen looked at Zhou Xiang. ”

Zhou Xiang nodded.

“CEN Shaoqing said calmly, “I’ll drive you to the beach.” ”

“Zhou xiang smiled and said, “I’ll leave the yacht to you. Your grandmother and I will go back by helicopter.” ”

“As soon as he said that, there was a rumbling sound in the air. ”

From far to near.

“Zhou Xiang said, “The helicopter is here!” ”

Cen Shaoqing and Ye Zhuo sent the two of them to the door.

“Old Mrs. Cen and Zhou Xiang got on the helicopter and waved at the two of them. “Yezi, Shaoqing, you two have a good time!” ”

Ye Zhuo also waved at them.

They got on the helicopter.

“Old Mrs. Cen leaned against the back of the chair and said with narrowed eyes, “I hope that Shaoqing will be enlightened this time. It’s not in vain for us to put on such a show.” ”

That’s right.

This was just a show.

“Actually, there was no urgent matter at all. ”

All of this was planned by old Mrs. Cen in advance.

It was to create more space for the two of them.

“Zhou Xiang looked at the scenery outside the window. “Actually, I feel that young master has already fallen in love with searing. It’s just that he hasn’t realized it yet. Mom, don’t you think that we are doing something unnecessary?” ”

“Old Mrs. Cen said in disdain, “With that blockhead of his, by the time he comes back to his senses, Yezi has already been abducted by other hogs! If I don’t help him out, he’ll regret it for the rest of his life!” ”

Cen Shaoqing’s IQ was 170 points.

His EQ was at most 7 points!

Waiting for him to wake up by himself?

It would be better to wait for Mars to collide with Earth.

“Zhou xiang smiled and said, “You’re right.” ”

Cen Shaoqing’s personality had been especially perverse since he was young.

Other boys had a crush during puberty.

“During puberty, he had actually seen through the secular world and started a vegetarian journey.”

“All these years, if it weren’t for the old lady Cen stepping in to stop him, he would have long been accompanied by ancient Buddhas.”

“Now that he had suddenly met a girl he was attracted to, it was normal for him to not be able to see the true nature of her.”

“At this time, they really needed someone to give them some advice.”

“After Old Mrs. Cen and Zhou Xiang left, Ye Zhuo and Cen Shaoqing set off for the beach.”

Old Mrs. Cen packed a lot of things that could be used on the beach.

And they were all for four people.

It seemed that the two of them really had something to do at the last minute and left.

Chapter 309: 104: Fifth Master woke up and fell in love with her

“Ye Zhuo did not think too much about it. Although Old Mrs. Cen had always said that she wanted to set her up with Cen Shaoqing, she had not mentioned it for a long time. Moreover, Cen Shaoqing was someone who could see through the mortal world.”

Even if she could not control Cen Shaoqing’s manhood.

Cen Shaoqing did not have the heart to do so.

It was very obvious.

“It was impossible between them. Just like what old Madam Cen said, there was no need to treat CEN Shaoqing as a man.”

Cen Shaoqing sat in the driver's seat and turned to look at Ye Zao. "Get in the car."

"Coming." Ye Zao opened the car door and got into the car.

Ye Zao was still wearing that white swimsuit.

The action of leaning into the car was just right in front of Cen Shaoqing's eyes.

This familiar scene made Cen Shaoqing hurriedly look away.

His ears were slightly red.

"The fabric of this swimsuit was too little. Not only was his waist and legs exposed, if he leaned over, he could also see..."

"Fortunately, there were no other men on the island besides him!"

"To cover up the awkwardness, CEN Shaoqing immediately started the engine and drove away."

"Soon, they reached the beach."

"Ye Zhuo opened the trunk, took out the tent and beach umbrella, and prepared to set up camp."

Cen Shaoqing took the beach umbrella from her hand. "You go and swim. I'll take care of these things."

"Can you do it by yourself?" Ye Zhuo raised his eyebrows.

"No problem," Cen Shaoqing said.

“Ye Zhuo smiled and said, “Then I won’t stand on ceremony with you.” ”

“No need to stand on ceremony.”

“Ye Zao really didn’t stand on ceremony with Cen Shaoqing. He walked around the beach, even though he was standing on a reef and jumping into the sea. ”

Bang —

His perfect figure was completely hidden in the blue sea water. His body was agile like a mermaid from the deep sea.

Ye Zao liked to dive freely.

She liked the feeling of dancing with fish in the deep sea even more.

“Unfortunately, in her previous life, she could only play in artificial sea water. It was not easy to meet the real sea, so of course she had to have fun. ”

The only flaw was that she could only hold her breath for eight minutes at a time.

If only it could be longer.

Ye Zhuo swam to a group of colorful sea fish.

“These fish looked very good, and the taste must be very good. ”

But they were too small.

“There were too many small fish bones, so they could only be used for viewing. ”

“Suddenly, ye Zao saw a fat and beautiful grouper. ”

He swam over quietly and directly locked the grouper’s throat!

“After catching a fish, he just happened to float to the surface to breathe, and he also sent the fish back.
”

On the beach.

“Cen Shaoqing had already set up the tent, and the tent and beach chair had been set up. At this moment, Cen Shaoqing was lying on the beach chair, twirling Buddha beads. ”

“At this moment, footsteps suddenly appeared in the air. ”

“Cen Shaoqing slowly opened his eyes and saw ye Zhuo walking over with a fish in his hand. “Fifth brother, do you think this grouper is fat? This kind of grouper is the best for roasting and eating! It can also be sashimi...” ”

“You caught it?”Cen Shaoqing’s eyes revealed a hint of surprise.

“It was the hardest to catch fish in the deep sea, especially this kind of grouper that was particularly strong. ”

“If one was not a professional diving fish hunter, it would be very difficult to catch fish in the deep sea with one’s bare hands. ”

Could it be...

That it was dead?

“Yes.” Ye Zao nodded slightly. “By the way, did you bring a bucket? I’ll raise the fish. The weather is too hot, so don’t stink later.” ”

“There seems to be one in the car.” Cen Shaoqing turned around and went to get a bucket.

Cen Shaoqing brought a bucket over.

Ye Zao took the bucket and filled it with seawater. He put the grouper in. The fish that was already dead began to plop when it came into contact with the water.

It was not dead.

Cen Shaoqing raised his eyebrows slightly.

It seemed that.

He had underestimated ye Zao.

“Since she could catch snakes with her bare hands, she could catch fish in the deep sea with her bare hands.”

“After settling the grouper, Ye Zao looked up at Cen Shaoqing. “Aren’t you hot wearing so much?” ”

The temperature at the seaside was almost 40 degrees Celsius.

“The Sun was scorching hot, but Cen Shaoqing was still wearing his long robe. He was as elegant as a teacher who had traveled back from the Republic of China.”

Cen Shaoqing held a Buddhist bead in his hand. “I was born this way. I don’t feel cold or hot.”

Ye Zao raised his eyebrows slightly. "There's such a Thing?"

"Yes."

"Ye Zao continued, "Let me check your pulse." "

"Cen Shaoqing stretched out his hand and rolled up his sleeves slightly, revealing his strong wrist. "It just so happens that I haven't been feeling well recently. Help me take a look." "

Ye Zao stretched out his hand and placed it on his wrist.

"It was obviously July or August, but his hand was a little cold. "

Yet his pulse was no different from an ordinary person's.

This was a little strange.

"Having lived for two lifetimes, this was the first time ye Zao had seen someone with such a physique. "

Ye Zao raised his eyebrows slightly and quickly let go of his wrist.

Chapter 310: 104: Master Five has come to his senses. He has fallen in love with her. 5 out of 5

"Is there anything wrong?"Cen Shaoqing asked.

"Your health is very good. There's nothing wrong,"ye Zhuo said. "

Cen Shaoqing frowned slightly. "Are you sure?"

Ye Zhuo nodded very seriously. "I'm sure."

"CEN Shaoqing continued, "But why do I have a feeling that something is wrong with me recently? I think I'm sick. Take a closer look at me and prescribe me two sets of Chinese Medicine." "

Ye Zhuo frowned slightly. could he have seen wrongly? He reached out his hand to touch Cen Shaoqing's pulse again and carefully felt it.

"Don't worry. There's nothing wrong. Everything is normal."Ye Zhuo let go of his wrist.

"Everything is normal?"Cen Shaoqing was a little doubtful of ye Zhuo's medical skills.

"Ye Zhuo continued, "Judging from the pulse, there's no problem at all. You said that there's something wrong with you. What's Wrong?" "

"Cen Shaoqing counted the Buddha beads and recalled his symptoms. "Sometimes, it feels like I can't control myself. My heart will suddenly beat faster and I Can't Breathe..." "

He could barely breathe.

Ye Zhuo frowned slightly. It sounded quite serious.

Could it be that there was something wrong with her medical skills.

"Otherwise, how could she not see through Cen Shaoqing's illness? "

“Ye Zhuo had been single in his previous life, so he naturally did not know that this was the feeling of liking someone.”

“When did these symptoms start?”

“About... two to three months ago,” Cen Shaoqing answered. ”

“Ye Zhuo continued, “Is there a pattern to the onset of the illness?” ”

“Cen Shaoqing thought about it very seriously. “It doesn’t seem to be very regular. Sometimes it’s in the morning, sometimes it’s in the afternoon, and sometimes it’s at night.” ”

Ye Zhuo searched through the medical knowledge in his mind. “Then how often does it happen?”

“Cen Shaoqing twirled the Buddhist beads. “It doesn’t seem to be regular either. Sometimes it happens once a week, and sometimes it happens once every two or three days.” ”

Ye Zhuo reached out his hand. “Let me take a look at your pulse again.”

Cen Shaoqing passed his hand over.

Ye Zhuo carefully listened to Cen Shaoqing’s pulse again.

“His pulse was strong and powerful, and it beat 90 times a minute. ”

“Not only was there no problem, but he was also very healthy. ”

Strange!

It was really too strange!

Ye Zhuo fell into self-doubt.

“Can’t you see anything?” Cen Shaoqing asked.

“Ye Zhuo shook his head slightly. “Other than being unable to control himself and having a rapid heartbeat and being unable to breathe, are there any other symptoms?” ”

Cen Shaoqing’s expression remained the same. “No.”

““This illness of yours is a little strange.”Ye Zao said anxiously, “I’ve been a doctor for so long, but I’ve never seen such a strange symptom.” ”

“Not only had he not seen it before, but he had also never seen it before. ”

Even the ancient medical books that ye Zao had read did not record it.

“After saying that., ye Zao continued, “However, based on my experience, it shouldn’t be a serious illness. Don’t be too anxious. I’ll go back and flip through the medical books. You should also go to the hospital to have a check-up. Sometimes, western medical instruments can detect problems that can not be detected by traditional Chinese medicine.” ”

“Alright.”Cen Shaoqing nodded.

Ye Zhuo looked at the sky. “It’s still early. I’ll go for another two laps.”

“Pay attention to your safety.”

“Don’t worry.”Ye Zhuo turned around and walked towards the reef.

Cen Shaoqing watched her back view.

Those two long legs swayed in front of his eyes.

“Suddenly, the strange feeling of his heart racing and being unable to breathe came back.”

“Bang, Bang, Bang — ”

It was as if his heart was about to jump out of his chest.

Cen Shaoqing frowned slightly.

Even ye Zao could not diagnose what illness it was.

Could it be...

A terminal illness?

1

“Ye Zao swam a few laps in the sea. Before sunset, he returned to the shore and prepared to go to the villa to take a shower and change his clothes before enjoying the sunset by the sea.”

“Just as he walked to the shore, he saw Cen Shaoqing lying on the beach chair with his eyes slightly closed. It seemed that he was asleep.”

“The hand on his abdomen was holding a string of bright red Buddhist beads. Tassels of the same color surrounded his fingers, making his already fair skin look as white as jade and giving off a cold light.”

“His entire body was shrouded in the shadow of the beach umbrella. There was a coldness in his abstinence. He was clearly a thousand miles away from others, but he was also full of temptation.”

Ye Zhuo looked down at Cen Shaoqing from above.

He suddenly realized.

This guy was really not ordinary good-looking.

At least.

“In her previous life, she had never seen such a good-looking person.”

“He had straight eyebrows, a very high nose bridge, and thin lips that were almost pursed into a line.”

How could such a good-looking person see through the secular world?

“Ye Zhuo was a good-looking dog to begin with. At this moment, he could not help but bend down slightly. Looking closer, there was actually not a single blemish on this person’s face. His eyelashes were long enough to be comparable to a girl’s.”
