Chapter 311: 104: Master Five woke up and fell in love with her

“Besides the sound of the wind and waves,.”

Ye Zhuo could hear his breathing the most clearly.

It was shallow.

But it was deeply rooted in people’s hearts.

“At this moment, Cen Shaoqing suddenly opened his eyes. ”

“Caught off guard, the two pairs of eyes met. ”

Sparks flew in all directions.

The atmosphere fell into a delicate state.

Both of them were stunned.

“Ye Zhuo was the first to react. He tried his best to act as if nothing had happened. “Fifth brother, I need to go back and take a shower. Give me the car keys.” ”

“You know how to drive?”Cen Shaoqing looked indifferent.

“Yes.”Ye Zhuo nodded slightly.

Cen Shaoqing handed the keys to her. "Drive slowly."

"Yes." Ye Zhuo took the keys. "I'll be back soon."

The sea breeze whistled.

Cen Shaoqing looked at her back and could not tell if it was the wind or his heart.

It was also at this moment.

Cen Shaoqing suddenly remembered that only when he thought of Ye Zhuo did he lose control of his emotions. His heart raced and he could not breathe.

"He took out his phone, opened his social media site, and posted a post: [why do I suddenly feel like my heart is racing and I can't breathe when I see a person? Am I Sick?] "

"No one replied to the post for a long time, so Cen Shaoqing set the reward of three gold coins. "

"As soon as he set the reward, someone replied: "

"[Congratulations, your Big Brother Dei! You are sick, and you are very sick. The name of your illness is lovesickness! It seems that your big brother Dei is very sick!] "

"[the person who makes your heart race and you can't breathe must be a girl, right?] "

"[OP, are you in love with her?] "

[and it's the kind of love that you can't extricate yourself from!]

[OP's spring is here!]

Cen Shaoqing looked at these replies and frowned slightly.

He was in love with ye Zao?

Love?

Does loving someone make your heart beat faster and you can't breathe?

Cen Shaoqing opened the search engine again and typed in a sentence: [does loving someone make your heart beat faster?]

Many people had asked this question.

One of the answers had the highest number of likes: [Yes! Of course... You Will Blush and your mind will go blank!]

"[not only will your heart beat faster, in the dead of night, you will also think of her and dream of her. When you see other members of the opposite sex, you will unconsciously compare yourself to her!] "

"[and besides her, you will not find any members of the opposite sex pleasing to the eye! I wish the two of you can get together as soon as possible and step into the Hall of Love!] "

"Looking at these answers, Cen Shaoqing twirled the prayer beads. "

Could it be...

That he really fell in love with ye Zao?

“The answers on the Internet might not be true, right? ”

While he was thinking.

The sound of a car engine rang in his ears.

Cen Shaoqing raised his eyes slightly and saw ye Zao getting out of the car.

He was wearing a simple white shirt.

It was paired with black trousers.

1

“His aura was very strong, and there was a sense of valor in his cold demeanor. ”

“His half-wet hair was draped behind his head, and the sea breeze blew gently, forming a messy beauty.
”

“His white face was not covered with makeup, but it was so beautiful that it was insolent. ”

“I brought you a bottle of coke.”Ye Zao threw the coke in his hand to Cen Shaoqing.

Cen Shaoqing reached out and took it. “Thank you.”

Ye Zao walked directly to the other side of the beach umbrella and lay down on the chair. He opened the cap of the Coke bottle and drank half of the ice coke in one go.

Cen Shaoqing also unscrewed the cap and drank a mouthful of coke.

The Iced Coke was very stimulating to the taste buds.

The taste was not particularly bad.

Cen Shaoqing actually drank an entire bottle of coke without realizing it.

“At this time, he had already forgotten that he never drank anything other than tea and plain water. ”

He did not even drink coffee.

“If this was seen by others, they would probably be dumbfounded. ”

“The Sun had gradually set in the west. The clouds in the Sky had turned golden, covering the entire sky and reflecting on the sea surface, making the entire sea surface golden. ”

“The sea and sky were the same color. The fiery red sunset was right on that line. Occasionally, a few seagulls would fly by, adding some color to the beautiful scene in front of them. ”

The entire scene looked very spectacular.

“Ye Zhuo lay on the chair and couldn’t help but sigh, “It’s so beautiful!” ”

This was something she couldn’t see in that world.

Cen Shaoqing lifted his eyelids slightly and looked at the sea. The scenery was indeed not bad.

“Ye Zhuo.”

Cen Shaoqing opened his mouth slowly and said in a low voice.

“HMM?”

“Do you have someone you like?” Cen Shaoqing asked.

“No.” Ye Zhuo looked back in confusion. “Why did you suddenly ask this question?”

Cen Shaoqing’s gaze fell on the horizon in front of him. His deep eyes could not see the bottom. “I’m a little curious. What does it feel like to like someone?” was the answer really the same as those on the internet?

Chapter 312: 104: Master Five has come to his senses. He has fallen in love with her. He has fallen into her trap

Ye Zao chuckled. “You’re just a monk. Why Are You worrying about this?”

The air was silent for a second.

“I’m not a monk.”

“Ye Zao continued, “Anyway, you’ve already seen through the secular world. What’s the difference between you and a monk?” ”

“Speaking up to this point, ye Zao continued, “Have you really never been in a relationship before?” ”

Cen Shaoqing twirled the Buddhist beads. “No.”

Ye Zhuo turned his head slightly. "Then I'm very curious. How did you see through the secular world? Aren't people like you who see through the secular world usually trapped by Love?"

"CEN Shaoqing continued, "I just feel that people shouldn't live their lives just to get a wife and have children. What's the point of having children after getting a wife and having children? What's the point of this cycle?" "

1

Humans were not animals.

They shouldn't be born for reproduction.

They should live for themselves.

"What you said makes sense."Ye Zhuo nodded. "This is indeed meaningless. I should learn from you."

"You also think that my thinking is right?"Cen Shaoqing asked.

""I think it's very right."Ye Zhuo continued, "Life is so long. No one knows which comes first, tomorrow or an accident! Time is short. You should live for yourself! Just like what you said, there's no need to get married just to complete the mission. What's the difference between this and a machine?" "

"Then will you find a boyfriend in the future?"Cen Shaoqing continued to ask.

"Ye Zhuo shook his head. "I don't know. Maybe, maybe not." "

"Why?"

"Ye Zao said, "I'm not you. I've already seen through the mortal world! If I can meet the right person at the right time, I can still give it a try!" "

“Ye Zao was a person who was content with the situation. She did not look forward to love, but she also did not resist love. ”

“However, in her previous life, she was still a single dog when she was twenty-seven years old. ”

1

“In this life, it was probably very difficult to meet the right person. ”

“After all, she was a beauty. ”

1

The only person by her side who met her aesthetic standards was a monk...

“Hearing this, Cen Shaoqing frowned slightly, ”

ye Zao did not resist love.

“In other words, there was a high possibility that Zhou Zeyan and she were together. ”

“Thinking of the image of Ye Zao and Zhou Zeyan together in the future, Cen Shaoqing felt as if something had been knocked over in her heart. She felt very uncomfortable. ”

Ye Zhuo seemed to have suddenly thought of something. He jumped down from the beach chair and looked at Cen Shaoqing. “Did you bring a lighter?”

“Cen Shaoqing looked up at her. In the morning glow, her facial features seemed somewhat unreal. ”

“What do you need a lighter for?”

“Ye Zhuo smiled and said, “I brought a barbecue grill from the villa. Of course, it’s grilled fish.” ”

Cen Shaoqing took out a lighter from his pocket and handed it to her.

“Ye Zao took the lighter, took out the barbecue grill from the car, and began to cook the grilled fish. ”

“At the same time as the barbecue, ye Zao also used dry wood to light a bonfire. ”

The night by the beach was a little cold.

“She sat in front of the bonfire with one hand supporting her head and the other holding the grilled fish. Her jade-like face reflected the light of the fire, making it even more vivid. ”

Not long after.

A strong aroma of grilled fish came from the air.

Cen Shaoqing reclined on the beach chair with one hand resting on the back of his head as he looked at her.

He suddenly thought of a poem:

There are beauties in the north who are peerless and independent.

One looks down on a city and another looks down on a country.

It would be better to not know about the beauty of a city and a country. It would be hard to find a beauty again.

“At this moment, ye Zhuo looked back slightly and handed over a grilled plate. “I know you are a vegetarian, so I specially grilled some vegetables for you. I also used vegetable oil. Have a taste. How does it taste?” ”

“Thank you.”Cen Shaoqing sat up and took the roasting tray with both hands.

“There were grilled steamed bread slices, baby vegetables, cowpeas, leeks, and golden needle mushrooms on the roasting tray. Not only did it look good, but it also smelled very fragrant.”

“Ye Zao took a big bite of the grilled fish. The grouper did not have any thorns, so he was very satisfied with the fish meat in one bite. He turned to look at Cen Shaoqing, “How does it taste? I don’t know if you can eat spicy food, so I put in a little bit of Chili.” ”

Cen Shaoqing tasted a piece of potato chip and complimented him generously.

“It’s very good.”

“Ye Zao said proudly, “Of course. Don’t you see who baked it? Ordinary people can’t eat it!” ”

Cen Shaoqing began to eat the mantou. “I’m very lucky.”

Night gradually fell.

“In a short while, the sky turned completely dark.”

“After dinner, the two walked a few rounds along the beach.”

“Although CEN Shaoqing had already seen through the mortal world, his thinking was not limited to eating vegetarian and chanting Buddhist scriptures.”

“Ye Zhuo realized that whether it was future technology or ordinary chit-chat, he could pick up on it. Moreover, he had his own unique views. At the end of the conversation, the two of them still felt like they had met late. ”

...

On the other side.

Yunjing city.

“Ever since ye Sen had asked Bai Wei out for dinner the last time, the number of times the two of them met had obviously increased. ”

“Ye Sen smiled and said, “We agreed that I would treat you to a meal this time. You Can’t Go and secretly pay the bill again.” ”

“”Don’t worry, I won’t.”Bai Wei stirred the coffee in front of her. ”

Ye Sen ordered the dishes.

Bai Wei still ordered a vegetable salad.

“After dinner, Ye Sen invited Bai Wei to watch a movie. ”

“Bai Wei said, “I’m sorry. I still have two dance lessons this afternoon. Maybe another day.” ”

A disappointed look flashed in ye Sen’s eyes. “Okay then.”

Did he do something wrong that made Bai Wei angry?

“Ye Sen continued, “Where is your school? I’ll drive you there.” ”

Bai Wei nodded. “Then I’ll have to trouble you.”

“Seeing Bai Wei nod, ye Sen heaved a sigh of relief. Since she was willing to nod, it meant that she was not angry.”

“What trouble is there? It’s my honor to be able to drive you to work.”

The car was moving very fast.

“Not long after, the car stopped in front of an office building.”

“Bai Wei said, “This is the place.” ”

Ye Sen opened the car door. “Let me send you up.”

“Bai Wei smiled and said, “No need. I can go up by myself. Go Do Your Thing.” ”

“Just then, Ye Sen received a call from his secretary. It was quite urgent, so he got into the car. “Then I’ll go back first. We can watch a movie together when we have time.” ”

“Bai Wei sent him off with her eyes. “Okay, drive slowly on the road.” ”

“When the black car disappeared into the traffic ahead, a woman in a blue dress walked out of the office building. “How far have you guys progressed?” ”

“Bai Wei turned to look at her. The gentleness on her face disappeared. “Sister Yiyi, I feel that Ye Sen will confess to me at any time.” ”

Chapter 313: 105: Bai Wei's true colors

"Hearing this, Li Yiyi raised her head to look at Bai Wei. "Are you that confident?" "

Bai Wei puffed out her chest. "Because I have the capital to do so."

"Bai Wei was very confident in herself. Because of her outstanding looks and good figure, it could be seen that Ye Sen had been charmed by her. "

"Judging from the current situation, it was only a matter of time before she confessed. "

"Li Yiyi smiled and continued, "After you become rich, you can't Forget Me." "

""That's a must." Bai Wei held Li Yiyi's arm. "Sister Yiyi, everything I have now is given to me by you. Of course, I Can't Forget You!" "

That's right.

"From the moment Bai Wei first met Ye Sen, everything was a trap. "

It was a trap set by Li Yiyi herself.

Li Yiyi was not willing to be abandoned by Ye Sen.

She and Ye Sen had been together for three whole years.

Why did ye Sen abandon her?

She was the lady boss of Shengdong Express Company!

Since ye Sen made her suffer!

Then she couldn't let ye Sen suffer.

"After three years with Ye Sen, Li Yiyi Knew Ye Sen's life habits. She knew what ye Sen liked and didn't like, so it was easy for her to make ye Sen fall in love with someone. "

"At this time, Li Yiyi thought of her little sister Bai Wei. "

Bai Wei was beautiful and had a gentle temperament. It was easy to see that she was a good girl with good upbringing.

No man could resist such a woman.

"So, Li Yiyi found Bai Wei and planned everything herself. "

Bai Wei's name was not Bai Wei.

"Bai Wei's real name was Li Lanxiang, and Bai Wei was the name she changed later. "

She and Li Yiyi were from the same hometown.

Bai Wei wasn't a dance teacher either. Her real job was the princess of the KTV nearby.

“Because of her good looks, she was very popular in the KTV, and there were countless admirers who came for her. ”

But the princess was just a princess after all.

“After those people had a one-night fling with her, they abandoned her one after another. ”

“Although those people were generous, and a single night was half a month’s salary for ordinary people, this industry was like eating the rice of youth. Once she turned yellow, there would be nothing left. ”

“Over the years, Bai Wei had gotten used to being extravagant. ”

“As the saying goes, it was easy to go from frugality to extravagance, but difficult to go from extravagance to frugality ”

“Once she lost her source of income, how would she live? ”

Bai Wei was already 30 years old this year.

“She was no longer as fresh and lovely as a 18-or 19-year-old girl, and her monthly income was more than half of what it used to be. ”

Bai Wei sensed the crisis.

She knew that she had to find a long-term backer.

Marry a rich man.

“However, as a princess, it was too difficult for her to marry a rich man among her past patrons. ”

Because those rich men looked down on this industry!

And no man could tolerate his woman having such an unbearable past.

They just wanted to play with her.

“But apart from those patrons,.”

Bai Wei didn’t know any other rich people.

“Apart from KTV, she had no other way to meet rich people. ”

“After all, her circle was only so big. ”

There were ordinary men who pursued her.

But she didn’t care about those ordinary people at all.

“Could ordinary people buy her LV, Gucci, Chanel? ”

Could ordinary people let her live the life of a rich lady who didn’t have to worry about food and clothing?

“When Li Yiyi came to her door, Bai Wei knew that her chance had come! ”

She would definitely be able to hook up with a rich man like Yesen!

She would leap from a humble family to become a rich lady that everyone envied.

“Therefore, Bai Wei agreed to Li Yiyi without any hesitation and cooperated with Li Yiyi to put on a good show.”

“Li Yiyi looked at Bai Wei and continued, “Lanxiang, it’s extremely cold at the top. Now is the critical moment. You must not let your guard down and let ye Sen discover anything! Otherwise, all my previous efforts will be wasted!” ”

“Bai Wei nodded, her eyes flashing with pride. “Sister Yiyi, don’t worry, I know.” ”

Who Was Bai Wei?

She had been out since she was sixteen and had experienced countless men.

Her acting skills had long reached the peak.

She was usually best at acting.

She knew what to do to attract the attention of men and what to do to make them worry about her.

“Moreover, she also knew ye Sen’s life habits. ”

“As long as Ye Sen’s habits became her habits,. ”

Ye Sen would definitely feel that there was a special affinity between them.

It had to be her.

The facts proved that.

Bai Wei was right.

“In just two short months, Ye Sen already felt that there was a special affinity between them.”

“Chapter 314: 105: Bai Wei’s true colors, when she’s being abused! 2”

It could be seen from ye Sen’s eyes.

He had her in his heart.

“Li Yiyi continued, “The people that ye Sen cares about the most are his sister ye Shu and his niece. Fawning over him is only secondary. Thinking of ways to fawn over ye Shu and ye Shu’s daughter is the main thing.” ”

“Speaking up to this point, Li Yiyi paused, “As long as you get ye Shu’s approval and have her speak up for you in front of Ye Sen, then you don’t have to worry about anything! Ye Shu is a very easy to get along with woman. She’s quite simple. It’s not difficult to get her approval and like.” ”

Li Yiyi had heard ye Sen talk about ye Shu more than once before.

“At that time, Ye Sen was still a poor kid who had nothing.”

“From his words, it could be heard that ye Sen respected ye Shu a lot! ”

“Every time they went out to eat, he would pack a bag for ye Shu. ”

“Even if Ye Sen was rich now, he would definitely not forget ye Shu. ”

“Therefore, Bai Wei had to please ye Shu! ”

“Bai Wei nodded. “Okay, I got it.” ”

“Usually, kind people would not have too many hearts. ”

Bai Wei could even coax those smelly men.

How could she not coax a housewife?

“”And there’s Ye Sen’s niece.”Li Yiyi continued, “That niece of his seems to be quite smart. You have to be more careful in front of her.” ”

“Hearing this, a disdainful smile appeared on the corner of Bai Wei’s mouth. “What does an eighteen or nineteen-year-old little girl know?” ”

Bai Wei really did not take ye Zao to heart.

She was already thirty years old.

Would she still fall into the hands of a little girl?

“Li Yiyi frowned. “In short, don’t let your guard down. Those who don’t seem to pose any threat are the most threatening!”Just like her back then.”

It was precisely because she looked down on ye Sen.

Who would have thought that a poor kid with nothing would suddenly become the boss of a courier company?

Li Yiyi really regretted it.

"If she had not chosen to Dump Ye Sen back then, she would be Ye Sen's legitimate girlfriend now."

How could Bai Wei still have the right to interfere?

"Bai Wei smiled and said, "Sister Yiyi, don't worry. She's just a little girl who hasn't even dried her milk. There's no need to take her to heart! I've been through hundreds of battles. What kind of stinky man have I Not Seen?" "

"Thinking of Bai Wei's experience and knowledge over the years, Li Yiyi did not say anything more and nodded, then she said, "Lanxiang, it's good that you know what to do. In short, before you get the marriage certificate with Ye Sen, you can't let anyone notice anything unusual!" "

Bai Wei frowned. "What's the point of getting the marriage certificate? Just get pregnant with his child! Don't tell me that he doesn't recognize his own flesh and blood?"

Ye Sen was already so old. He would definitely want to have a child of his own.

"Rather than waiting for the marriage certificate to be so troublesome, it would be better to take a leap into the sky."

Get pregnant with Ye Sen's child.

"Who knew that once these words were said, Li Yiyi immediately rejected it. "No! You absolutely can not do that!" "

""Why?" Bai Wei looked at Li Yiyi, her eyes full of confusion. "

"Li Yiyi continued, "Perhaps because of her sister's influence, Ye Sen is a very conservative person. He is very opposed to living together before marriage. If you want to maintain the image of a good girl in front of him, you must not have too much intimate contact with him! Otherwise, all our previous efforts will be in vain!" "

“Bai Wei looked at Li Yiyi in disbelief. “No Way, Sister Yiyi! During the years you were with him, did you not... ?” ”

Li Yiyi shook her head.

“Hearing this, Bai Wei sighed. “I didn’t expect ye Sen to be such a good man!”In today’s society, who could be as restrained as ye Sen? ”

This sentence of “Good Man”deeply hurt Li Yiyi’s heart.

This man used to belong to her.

Unfortunately.

He didn’t belong to her now.

“In the future, he would belong to Bai Wei. ”

“Thinking of this, Li Yiyi looked at Bai Wei. “Lanxiang, Congratulations. From now on, you’ll be the lady boss of Shengdong Express! Ye Sen will never betray you once you marry him!” ”

“Bai Wei could hear the hidden meaning in Li Yiyi’s words, “Sister Yiyi, you’re the Bole of my life. If it weren’t for you, I wouldn’t have met Ye Sen! Don’t worry, no matter what happens in the future, you’re still my sister! I Won’t let you drink soup if I get to eat meat!” ”

Bai Wei’s words came from the bottom of her heart.

There was no falsehood at all.

“After all, she and Li Yiyi were on the same boat. ”

Chapter 315: 105: Bai Wei’s true colors

“If she only cared about enjoying herself, Li Yiyi would definitely fall out with her. At that time, the loss would outweigh the gain. ”

“Therefore, she would bring Li Yiyi along to enjoy wealth and glory. ”

“Hearing this, Li Yiyi felt a little better. “You and I came from the same village. We grew up together. If I didn’t trust you, I wouldn’t have found you in the first place.” ”

“Since Li Yiyi had found Bai Wei, she was prepared. ”

The information in her hands was enough to destroy Bai Wei in front of Ye Sen.

“Therefore, she wasn’t worried about Bai Wei betraying her. ”

“Bai Wei smiled and held Li Yiyi’s arm. “Sister Yiyi, you haven’t eaten yet, right? Come, I’ll treat you to a meal! Also, Sister Yiyi, I’m no longer Li Lanxiang. You have to call me Weiwei in the future.” ”

Li Lanxiang and the like.

She was really a country bumpkin.

“Alright.”Li Yiyi nodded.

“The two of them chatted as they walked. “Oh right, Sister Yiyi, is Ye Sen living with his sister now?” ”

“Yes.”

“Bai Wei said again, “You just said that Ye Sen was conservative because he was influenced by his sister. What’s the situation with his sister?” ”

“Knowing Yourself and your enemy, you will always be victorious. ”

She had to understand the situation clearly.

“Li Yiyi said, “His sister is a single mother.” ”

“Hearing that, Bai Wei frowned in disgust. “She even brought a burden with her?” ”

“Yes.”

“Bai Wei said in a speechless manner, “I can’t stand living with an outsider after marriage! Ye Sen is already so rich. Can’t he just give some money to get rid of his sister? ! Why did he bring his sister and that burden with him?” ”

“In the future, she would marry ye Sen. ”

Ye Sen’s money was her money.

Why would she use money to support an outsider?

Was it because LV and Gucci didn’t smell good?

“Also, she couldn’t stand the life of looking at an outsider’s eyes. ”

So!

Ye Shu had to get lost!

“Li Yiyi turned to look at Bai Wei, she said very seriously, “Lanxiang, oh no! Weiwei, I have already told you just now. Ye Sen respects his sister very much, and he especially likes his niece. If you want to marry him, you have to please ye Shu! Otherwise, no matter how much ye Sen likes you, he won’t Marry You!”If she accepted ye Sen, she had to accept ye Shu. ”

Li Yiyi had been with Ye Sen for three years.

He often said that elder sister was like a mother.

“Although ye Shu wasn’t elder sister, in Ye Sen’s heart, she was much more important than elder sister.
”

“Bai Wei narrowed her eyes. “Don’t worry, Sister Yiyi. No matter how stupid I am, I know I can’t offend Ye Shu at this time! Do you want to please her? I’m not good at other things, but this is what I’m best at!” ”

She still had to act on the surface.

It wouldn’t be too late for her when everything was in place.

“No matter how good their relationship was, they were afraid of sowing discord. As long as the wind blew by her pillow was good enough, she wasn’t afraid that ye Shu wouldn’t leave! ”

Li Yiyi knew that Bai Wei wasn’t the kind of person who didn’t know her limits.

“After a few words of advice, she didn’t say anything else. ”

...

The next morning.

Yunjing Island.

Six o'clock in the morning.

"Under the influence of his biological clock, ye Zao opened his eyes on time and got up. "

"The first thing he did when he got up was to go to the window, pull open the curtains, and push open the window. "

"In an instant, the sea breeze blew in. "

It was very refreshing.

Even his sleepiness was somewhat awake.

"Looking down at the scenery in front of him, ye Zao suddenly remembered a poem — "

"I have a house, facing the sea, with flowers blooming in spring. "

No wonder everyone yearns for this kind of beautiful scenery.

The scenery in front of him was indeed pleasant.

"After standing by the window for a while, ye Zao went to wash up. "

Because he was preparing to go for a run.

“Therefore, ye Zao changed into a set of sportswear. ”

“His jet-black and beautiful black hair was tied into a bun, revealing the snow-white and beautiful swan neck. ”

Ye Zao put on his white earphones as he walked downstairs. His expression was calm.

“As soon as he walked downstairs, he saw Cen Shaoqing reading the newspaper on the sofa in the living room. ”

His legs were crossed.

His back was straight.

“No matter when or where he was, he was self-disciplined. He stood like a pine tree and sat like a bell. ”

“Although he believed in Buddhism and held a string of Red Buddhist beads in his hands, his body was filled with the aura of an overlord in a high position. ”

“Ye Zao’s eyesight was not bad. Even though she was so far away, she could still see that it was a newspaper printed with French. ”

This was the world newspaper.

She did not expect capitalists to read such a newspaper. Ye Zao raised his eyebrows slightly and took the initiative to greet CEN Shaoqing. “Good Morning.”

“Good Morning.”Cen Shaoqing looked up slightly. “Why are you awake so early?”

Ye Zao pressed on his earpiece. "I'm going for a run."

"Chapter 316: 105: Bai Wei's true colors, when the torture begins! 4"

"Cen Shaoqing nodded slightly and continued, "By the way, what do you want to eat in the morning?" "

"You know how to Cook?"Ye Zhuo raised his eyebrows.

"CEN Shaoqing said, "There are sandwiches and milk in the fridge. Just heat them in the microwave. If you don't want to eat sandwiches, there are also buns and eight treasures porridge." "

Ye Zhuo hesitated for a moment. "Then I'll have the sandwiches and milk."

"Okay."

"Then I'll go for a run first."

"Go ahead."

"At six o'clock in the morning, the air on the island was very good. The sea breeze was gentle and accompanied by the chirping of birds. It made people feel relaxed and happy. "

The island was not very big. It would take about an hour to run one lap.

Ye Zhuo began to jog around the island.

The island was not only beautiful but also rich in products. Ye Zao even saw a few wild rabbits and wild goats on the road.

Little Fat Sheep! ?

The mutton was very delicious to begin with.

The wild goat had not eaten any feed and was walking around the mountain. The taste would definitely be more delicious.

“Ye Zao seemed to see roasted lamb chops, braised mutton, spicy mutton, and roasted mutton leg waving at him. ”

The lamb chops that were roasted until they were golden and crispy were dripping with oil in one mouthful.

He was drinking a mouthful of spicy and sour lamb vermicelli soup.

The taste was simply too beautiful!

“Ye Zao swallowed his throat, and his footsteps could not help but slow down. He quietly hid behind a tree and began to calculate how to catch the little fat lamb. ”

Catching it alive would definitely not work.

“After thinking about it, ye Zao still decided to give the little fat lamb a quick death! ”

“Thus, Ye Zao found a very round stone on the ground and aimed at little fat sheep’s head. ”

Whoosh!

Bang!

“The stone hit little fat sheep’s head and fell to the ground. He closed his eyes and stomped his four feet, leaving just like that.”

“Ye Zao walked over and directly carried little fat sheep on his shoulders, walking quickly into the villa.”

“The whole process was smooth and smooth, without even a frown.”

Cen Shaoqing was about to go out for a walk.

He saw ye Zao’s figure.

“Moreover, he was carrying a huge object on his shoulder!”

What was that?

A sheep?

Cen Shaoqing was stunned. He even thought that he was hallucinating.

Didn’t he go out for a run?

Why was he carrying a sheep back?

That fat sheep weighed at least a hundred pounds!

How did she carry it?

Ye Zhuo looked at Cen Shaoqing excitedly. "Fifth brother! Guess what I'm carrying?"

"A sheep?"

"Yes!" Ye Zhuo continued, "This little fat sheep is really fat. It's also wild, so it'll definitely be delicious when it's made into grilled lamb chops and fat lamb rolls! Unfortunately, you won't be able to enjoy it."

Cen Shaoqing twirled the prayer beads. "Did you catch this sheep?"

"Yes." Ye Zhuo nodded slightly. "I happened to run into it."

Cen Shaoqing really didn't expect ye Zao to be able to catch a sheep.

Cen Shaoqing was in a high position.

"Every year, countless daughters of wealthy families would come close to him."

He had seen all kinds of women.

But this was the first time he had seen someone like ye Zao.

This was the first time he had seen someone like ye Zao.

"No matter what time it was, she always had an indifferent look on her face, as if she didn't care about anything at all. However, she was able to display her skills in various fields, and she could do whatever she wanted."

She lived freely.

She did whatever she thought of and didn't care about the gazes of others.

Ye Zhuo carried the fat sheep to the backyard and found a knife and a few utensils that could be used to store lamb meat.

Cen Shaoqing followed her to the backyard.

Ye Zhuo looked up at Cen Shaoqing. "You should leave for a while."

"Why?" Cen Shaoqing was a little puzzled.

"Ye Zhuo picked up a sharp knife. Under the sunlight, the edge of the knife shone with a sharp and cold light. "Because the next scene will be a little bloody." "

"You want to dissect it?"

Ye Zhuo nodded slightly.

"CEN Shaoqing said, "Do you know how to do it? Let a professional do it." "

""That's it? It's no big deal."With that, Ye Zhuo raised the knife and cut a bloody mark on the mutton belly. Then, he swiftly peeled off the mutton skin. "

"It was clearly a very bloody thing, but Cen Shaoqing saw a peaceful harmony in his body. "

Ye Zao raised his eyes slightly. "Aren't you going to avoid it?"

"You're not even afraid of a little girl. Why should I avoid it?" Cen Shaoqing twirled the Buddha beads.

“But aren’t you a vegetarian?”Ye Zao said.

Cen Shaoqing’s tone was indifferent. “I’m just taking a look. It’s no big deal.”

“Then go to the kitchen and bring a big plate over. I want to remove the best part of the Tenderloin.”

“Okay.”

Cen Shaoqing turned around and walked to the kitchen.

Ye Zhuo was probably the first person who dared to order Cen Shaoqing around like that.

“However, Cen Shaoqing did not feel that anything was wrong. ”

“After taking the plate, CEN Shaoqing asked, “Is there anything else you want to take?” ”

Chapter 317: 105: Bai Wei’s true colors

“Go get me another pair of scissors.”

“Okay.”

“So, Ye Zhuo ordered Cen Shaoqing for the whole morning. ”

“At 10:30, Ye Zhuo dissected the whole sheep. ”

He didn’t want the internal organs in his stomach.

“Including the sheep’s head, there was a total of 80 catties of mutton. ”

“At noon, Ye Zhuo planned to boil mutton vermicelli soup and then roast mutton chops! ”

“Since CEN Shaoqing was not a vegetarian, ye Zao planned to give him a mushroom sour and spicy powder. ”

It would be fine with a plate of cold cucumber.

“With this thought, ye Zao immediately took action. ”

“In a short while, the kitchen was filled with the aroma of grilled mutton. ”

Ye Zao tried a piece of grilled mutton chop.

The roast mutton chop was cooked just right.

“Crispy on the outside, tender on the inside. ”

“When he took a bite, the juice was overflowing. ”

It made him want to swallow his tongue as well.

As expected of a wild goat!

This taste!

It was simply too great!

Ye Zao narrowed his eyes in satisfaction.

Cen Shaoqing stood outside the glass door and raised his eyebrows slightly.

The taste of the lamb chop...

Was it that good?

“After the lamb chop was roasted, Ye Zao began to boil cen Shaoqing mushroom sour and spicy powder, and his own lamb vermicelli soup. ”

The mushroom soup and mutton soup were prepared in advance.

“At this time, he only needed to add some vermicelli to cook. ”

“Monks did not eat onions, ginger, and garlic. ”

“Therefore, ye Zao cut some coriander into it. ”

“”Fifth brother, it’s time to eat. Come over and serve.” ”

“Coming.”Cen Shaoqing hurried over.

“Ye Zao passed the mushroom hot and sour powder to Cen Shaoqing. “This is yours. Oh right, this cold cucumber is also yours.” ”

Cen Shaoqing reached out to take it.

The two of them went to the dining room to eat.

Cen Shaoqing did not expect that the seemingly light vermicelli soup would taste so good.

“In a short while, he finished a whole bowl of vermicelli soup. ”

“After eating, Cen Shaoqing took the initiative to wash the dishes. ”

There was no dishwasher in the kitchen.

He had to wash them by hand.

The Noble CEN fifth master stood in front of The Dishwasher for the first time in his life.

“CEN fifth master, who was famous in the business world and was a man of his word, was at a loss when faced with a pile of dishes. ”

What steps should he take before washing the dishes?

Cen Shaoqing frowned slightly.

“Ye Zhuo leaned against the door, holding an apple in his hand. He looked at CEN Shaoqing and said, “I think you should squeeze some detergent first.” ”

“The detergent was right beside him, so Cen Shaoqing squeezed a little. ”

“A faint light flashed in ye Zao’s eyes. “Then, I have to wear an apron.” ”

“Cen Shaoqing looked at the apron with KT cat printed on it, and the corner of his mouth twitched. “Are you really going to wear it?” ”

“Ye Zao hid a smile in his eyes, but the expression on his face was very serious. “Of course I’m going to wear it! Otherwise, what if the oil stains my clothes?” ”

The pink KT cat paired with the cold and abstinent CEO.

TSK TSK TSK.

That scene would definitely be beautiful.

“Seeing ye Zao so serious, even though Cen Shaoqing was very resistant, he still picked up the apron and tied it on his body stiffly. ”

“Ye Zao was afraid that he would regret it in the next second, so he quickly walked over to help. “Let me help you tie the apron.” ”

“In less than three seconds, he helped CEN Shaoqing put on the apron. ”

“Cen Shaoqing had a very big frame and a tall figure. When he wore such a cute apron, his entire style immediately changed. ”

It was very comical.

“Ye Zhuo held back his laughter and said seriously, “This apron is really too suitable for you. Don’t move. Let me take a photo of you.” ”

Cen Shaoqing:” ...”why did he feel that ye Zhuo was holding back his laughter very hard?

Ye Zao took a few photos in a row.

Cen Shaoqing looked up at her. "Can I wash the dishes now?"

"Go ahead."

Cen Shaoqing turned around to wash the dishes.

Ye Zao turned around and walked towards the living room.

"As soon as she walked into the living room, she could not help but burst out laughing. "

Cen Shaoqing turned around. "What are you laughing at?"

"Ye Zao looked at the television and said, "I'm laughing at how silly the person on TV is!" "

"As soon as he said that, his laughter became even more unbridled. "

"Cen Shaoqing:" "...he suspected that ye Zhuo was implying something about him, but he had no evidence. "

"After washing the dishes, Cen Shaoqing brought a plate of fruit over. "

Peeled lychees and mangosteen.

Sliced pineapple.

And sweet watermelon.

"Unknowingly, five days passed just like that. "

“In these five days, the way ye Zhuo and Cen Shaoqing interacted with each other became more and more natural and less reserved. Just as Old Madam Cen had said, Ye Zhuo had now completely regarded Cen Shaoqing as a good sister. ”

The island was only so big.

“In the past five days, Ye Zhuo and Cen Shaoqing had visited almost every corner of the island. ”

Of course.

The small animals on the island had also been hoodwinked by her.

“On the first day, she took Cen Shaoqing to catch coconut crabs. ”

“On the second day, she instigated Cen Shaoqing to dig out the bird’s nest. ”

Chapter 318: 105: Bai Wei’s true colors

“On the third day, he brought Cen Shaoqing to look for wild honey. ”

...

“Now, even ants were scared to take a detour when they saw her. ”

““Fifth brother, I just called Grandma Cen. She said that she and Aunt Xiang haven’t had time to come yet. Why Don’t we go back first?”Everything on the island was full of food, and they were tired of eating seafood. Ye Zhuo suddenly felt a little bored. ”

“Okay.” Cen Shaoqing put away the newspaper. “Then let’s set off in a while! You Go Upstairs and pack your things first.”

“Ye Zao said, “Isn’t the yacht driver not here yet?” ”

“I can drive a yacht.”

“You Can Drive?” Ye Zao raised his eyebrows slightly.

Cen Shaoqing nodded.

“Then I’ll go pack my things first.”

Ye Zao’s things were very simple. They were packed in a short while.

The two of them went to the yacht.

Cen Shaoqing walked to the cockpit.

Ye Zao also followed curiously.

“In her previous world, the ocean was polluted, and the seawater was corrosive. The yacht was an obsolete tool.”

“Therefore, she didn’t know how to drive a yacht. ”

“However, she did pass the driving test for a small plane. ”

“Cen Shaoqing sat in front of the driver’s seat. With one hand on the steering wheel and the other hand on the key, she skillfully started the yacht. ”

“After a short while, the yacht started to move forward slowly. ”

“It was clearly a very simple action, but it was somehow somehow somehow handsome. ”

Especially the way he held the steering wheel.

Ye Zhuo looked at it seriously.

Cen Shaoqing looked back slightly. “Do you want to Learn?”

“Can I try?”

Cen Shaoqing stood up. “Sit down. I’ll teach you.”

Ye Zhuo sat down.

“Cen Shaoqing stood behind her and leaned slightly. His slender arm came around her shoulder and landed on her hand, controlling the steering wheel. ”

The two of them were very close to each other.

Ye Zao could even feel that his breath was right beside her ear.

“Between each breath, there was each other’s breath. ”

The rhythm of their heartbeats suddenly became chaotic.

“Focus.” Cen Shaoqing controlled the steering wheel with one hand and pressed the other hand on the engine lever. “This is the engine lever. Push it down.”

Ye Zhuo used one hand to push the engine.

“CEN Shaoqing continued, “This is the speedometer. When the speedometer reaches 5,000 revolutions per hour, it can be started.” ”

“It was very easy to drive a yacht. Cen Shaoqing taught ye Zhuo hand-to-hand for about ten minutes, and Ye Zhuo learned it. ”

Sailing on the sea was more enjoyable than driving.

“Cen Shaoqing was afraid that she would make any mistakes, so he always stood by her side. ”

The seat in the cockpit was very big. Ye Zao moved closer. “Isn’t it tiring to stand? Let’s sit together.”

Cen Shaoqing leaned over and sat down.

The two of them were very quiet.

“Cen Shaoqing leaned against the back of the chair. As long as he raised his eyes slightly, he could see the slender neck of that person. Looking down, he could see the exquisite collarbone and the ups and downs of it... ”

“After a while, CEN Shaoqing felt warm and thirsty. He stood up and said, “Be steady. I’m going out to get some fresh air.” ”

“Okay.” Ye Zao nodded slightly.

They came to the deck.

Cen Shaoqing looked at the endless sea. He held the Buddha beads in his hands and recited the heart-cleansing mantra more than ten times before he gradually calmed down.

He had lost his composure!

He had really lost his composure just now.

“In the past thirty years, he had never lost his composure like this! ”

“Fortunately, Ye Zao was focused on driving the yacht and did not notice anything unusual. ”

“Two hours later, the yacht was successfully parked at the dock. ”

“Cen Shaoqing’s car was parked in a nearby parking lot, so he drove ye Zao back. ”

“After a while, they arrived at the Ye family’s residential area. ”

Cen Shaoqing’s gaze fell on the rearview mirror.

The rearview mirror reflected two young men and women drinking milk tea.

It’s them again?

1

Cen Shaoqing frowned slightly.

“After getting out of the car, ye Zao invited Cen Shaoqing to his home for a cup of tea. ”

Cen Shaoqing was just being polite.

“In fact, no matter what request ye Zhuo made, Cen Shaoqing had no resistance at all. ”

He followed ye Zhuo to the door.

Ye Zhuo rang the doorbell.

“It was Xiao Baibai who opened the door. “Welcome back, the most beautiful person in the universe, Xiao Baibai! We haven’t seen each other for so many days. Have you missed the most intelligent person in the universe, Xiao Baibai?” ”

Ye Zhuo looked at Cen Shaoqing somewhat awkwardly. “This is the robot at home.”

“Cen Shaoqing nodded slightly. He looked calm on the surface, but in his heart, he felt that this robot’s tone sounded a little like ye Zhuo’s...” ”

An illusion?

“Little White immediately greeted Cen Shaoqing. “Hello, Distinguished Guest. I’m the smartest little white in the universe. It’s nice to meet you.” ”

“Hello.”Cen Shaoqing nodded slightly.

“After entering the house, Little White was busy pouring water for Cen Shaoqing. ”

Cen Shaoqing sat on the sofa and looked up at Ye Zhuo. “Your robot is quite smart. Is it a robot butler?”

“Chapter 319: 105: Bai Wei’s true colors, the time of torture! 7”

“At present, only butler-type robots in the country had such intelligence. ”

“No!” Little White carried water and walked to Cen Shaoqing’s side. “It’s just a cleaning robot!”

“Ye Zhuo nodded. “Yes, it’s just a cleaning robot.” ”

“Cen Shaoqing:” ? ? ? “Nowadays, even cleaning robots could serve tea and chat with each other? ”

“After sitting in the Ye residence for a while, Cen Shaoqing proposed to leave. ”

“Just as he walked out of the apartment building, he saw the young couple just now standing in the pavilion by the side, watching the two old men play chess. ”

“However, from where they were standing, they could see the windows of the Ye residence at a glance.
”

1

“Cen Shaoqing frowned slightly, picked up his phone, and sent a message. ”

“After that, he sat in the car, started the engine, and left. ”

...

On the other side.

At the MU residence.

Mu Yourong had been doing missions on the technology website for the past few days while keeping a close eye on ye Zao's situation.

Ye Zao's situation was getting more and more abnormal. The Ye Zao in her previous life was clearly a dumbass!

But now!

"Not only did he steal her position in the live streaming world, he also stole her college entrance examination champion position! "

"If this continued, ye Zao would definitely surpass her radiance and steal more things that belonged to her. "

"Has song Shiyu made any moves?" Mu Yourong asked the system.

"Ye Zao was getting more and more out of control. If they wanted to get rid of her, they could only rely on song Shiyu, that demon. "

Only song Shiyu could make ye Zao die an even more miserable death!

"Thinking of her death in her previous life, Mu Yourong laughed out loud and felt extremely happy. "

But there was one thing that Mu Yourong felt was not quite right.

"In her previous life, not long after she had met song Shiyu, song Shiyu had already made a move on her. "

Why did song Shiyu not make a move in this life?

Could it be that he was playing cat and mouse with ye Zao?

“After all, Song Shiyu’s entire person was abnormal, abnormal and sinister. ”

Blood and struggle could make him excited.

“The system said, [this system has just checked. Not only did song Shiyu not make any movements, he even arranged for people to protect ye Zao.] ”

“”Protect?” Mu Yourong frowned and said in disbelief, “Are you sure it’s not surveillance?” ”

If song Shiyu had arranged for people to protect ye Zao.

She would not have died so tragically in her previous life!

“So, this was definitely not protection, but surveillance! ”

“The system continued, [I did not find any danger value on these people, so it’s protection, not surveillance.] ”

“”That’s impossible!” Mu Yourong stood up from her chair, “You must have made a mistake! Song Shiyu is a devil, he wouldn’t be so kind to protect ye Zao! It must be surveillance!” ”

“In her previous life, she had died so tragically, why did it become protection for ye Zao? ”

1

The system must have made a mistake.

Maybe song Shiyu wanted to play a big game!

He wanted ye Zao to die even more tragically.

[the system won't make a mistake.]

"Mu yourong said, "You seem to have made a mistake more than once, right? The last time at the live broadcast of Miao Yin's Gala, you said that my chess skills were unrivalled, but in the end, I still lost to ye Zao!" "

The system suddenly fell silent.

Even it did not think of that incident last time.

"After a while, it continued, [host, I feel that ye Zao is not as simple as you think. You should focus on the technology world! Don't create trouble for yourself!] "

""No! Ye Zao Must Die! Song Shiyu will definitely kill her!"Speaking up to this point, a sinister glint appeared in Mu Yourong's eyes. "

At this moment.

Voices came from downstairs.

It was followed by a sigh.

These were the voices of soldier Mu and Shen Rong.

Mu Yourong frowned slightly. She suddenly thought of something.

“In her previous life, the Mu Corporation had probably encountered an unprecedented financial crisis at this time. ”

“Later, it was song Shiyu who helped the MU Corporation to tide over the crisis. ”

“At that time, Mu Yourong thought that song Shiyu really had feelings for her. ”

“Otherwise, why would song Shiyu suddenly lend a hand? ”

“At that time, Song Shiyu was an omnipotent God in Mu Yourong’s eyes. ”

She loved him so much that she lost her rationality.

“In this life, song Shiyu’s gaze was attracted by Ye Zao. ”

Ye Zao was about to become her in her previous life.

She was no longer song Shiyu’s prey. Song Shiyu would definitely not save the Mu Corporation for no reason.

Without song Shiyu.

She had to think of a way to save herself!

She could not let the MU corporation fall just like that.

“Whether it was in her past life or this life, Mu Yourong did not have much talent in business. At this moment, the best method she could think of was to ask the system for help. ”

“”System, what should I do?” ”

“[host, I just searched for a new industry, ZY Corporation.] ”

“ZY Group? Is it the ZY group that produces adjustable temperature clothes?”

“[yes.] The system sounded a little excited, [I didn’t expect the humans here to be so SMART!]! [even such high-tech technology has been invented. I’ll give you a plan now. Take this plan and go find the mysterious boss behind Zy. I’m sure he’ll be very interested in working with you!]! ‘once you cooperate with ZY Group and gain Zy’s boss’s appreciation, you’ll be able to resolve the MU group’s financial crisis!’ ”

“Alright.”

“After resolving this matter, Mu Yourong hurriedly went downstairs. ”

“After not seeing soldier Mu for several days, he seemed to have aged more than ten years. ”

Mu Yourong felt a little guilty.

“These past few days, she had only been paying attention to that little slut ye Zhuo, and had instead neglected the people closest to her. ”

“Dad.”

“”Yourong.”Seeing his most precious daughter, soldier mu forced a smile. ”

“Mu yourong continued, “Dad, did something happen to the company?” ”

Soldier Mu was stunned. “How did you know?”

“Mu Yourong took out a bank card and continued, “This is the money I earned as a streamer. You can use it to deal with the emergency! You Don’t have to worry about the rest. Just leave it to me.” ”

Soldier Mu’s eyes lit up. “You have a way?”

“Mu yourong nodded and said, “Do you know ZY Group?” ”

“”I know!”Soldier Mu continued, “ZY group is especially powerful. It’s a dark horse in the industry! It’s said that the boss behind the scenes is worth more than 12 figures!” ”

“In the current business world, everyone knew about Zy. ”

Zy was a legend in the business world and the technology world!

“Mu yourong continued, “I have a way to get ZY’s behind-the-scenes boss to cooperate with us.” ”

Big Soldier Mu frowned. “ZY’s behind-the-scenes boss is very mysterious. He hasn’t even shown his face when the group went public. Are you sure you can get them to cooperate with us?”

“Mu yourong smiled and said, “I naturally have a way to meet him and gain his appreciation. You can just wait patiently for ZY to cooperate with us! Don’t tell me that you still don’t believe in your daughter’s ability?” ”

“Not only would she be able to meet ZY’s mysterious boss behind the scenes, she could also make him fall in love with her at first sight and fall in love with her. ”

2

She could make him willingly give up everything for her!

“Mu Yourong was confident for a reason. Currently, there were not many top female entrepreneurs in the business world. ”

She was beautiful and had an advanced plan in her hands.

CEO Zy had no reason to not like her!

1

Chapter 320: 105: obtain the highest honor! 1

Mu Yourong was very confident.

But Big Soldier Mu felt that this matter was somewhat unreliable.

That was ZY technology company!

“There were many enterprises in Yun Jing that wanted to cooperate with ZY, but unfortunately, ZY did not even look at those small enterprises. ”

“Currently, ZY was cooperating with the song group, the emperor of Yun Jing. ”

Mu Yourong wanted a share of the song group..

This seemed rather unlikely.

“Big soldier mu continued, “Yourong, Father knows your ability, but that is ZY after all. I heard that a few days ago, the Zhang Group brought a proposal to work together, but in the end, I didn’t even see Zhao Yang!” ”

The Zhang Group was much larger than the MU group!

Their status in cloud capital was only second to the song group.

But even the person-in-charge of the Zhang Group couldn’t see Zhao Yang.

“Moreover, Zhao Yang was only a professional CEO, but he was elusive. ”

“Moreover, the person that Mu Yourong wanted to see was ZY’s behind-the-scenes boss! ”

“Seeing that soldier Mu was so worried.., mu yourong continued, “Dad, I never do things that I’m not prepared for. To tell you the truth, I have a proposal that can interest ZY’s behind-the-scenes boss! As long as he sees this proposal, he will definitely cooperate with us!” ”

“Speaking up to this point, Mu Yourong paused. “Words have no basis. Please wait for me here for a moment. I will go and take down the proposal. You will understand after seeing it.” ”

“After saying this, Mu Yourong walked upstairs. ”

“Shen Rong looked at Mu Yourong’s back and consoled, “Old Mu, don’t be anxious. Our Yourong is so powerful. If she says it will work, it will definitely work!” ”

“In Shen Rong’s heart, her daughter was the most outstanding young miss of the entire cloud capital, a phoenix that roamed the nine heavens! ”

The other vulgar fans simply could not compare to Mu Yourong!

What was a tiny ZY in her daughter's eyes?

Zy would sooner or later become a thing in Mu Yourong's hands!

"Not long after, Mu Yourong came down with a document in her hand. "

"Mu Yourong handed the document to soldier Mu. "Dad, take a look at this." "

Soldier Mu took the document and turned to look at the servant. "Go and bring my glasses over."

The servant immediately brought the glasses over.

"Soldier Mu wore his glasses and carefully looked at the plan. The expression on his face changed from calm to disbelief, and finally to shock! "

Unbelievable!

It was really too unbelievable!

Big Soldier Mu had never thought that Mu Yourong would have such a business talent.

As expected of big soldier Mu's breed!

No Wonder Mu Yourong was so confident.

It turned out that she had such an advanced plan in her hands.

ZY Group was originally focused on future high-tech.

This plan was simply tailor-made for ZY Group.

“With this plan, soldier Mu would not only stop cooperating with the MU group! ”

“When the time came, they would not be the ones begging ZY! ”

ZY would be the one begging them!

Soldier Mu was very excited. “Y-yourong! You’re the mastermind behind this plan?”

“Mu Yourong nodded. “Yes, this plan was the result of me staying up all night for a week.” ”

Staying up all night for a week?

“If it was an ordinary person, how could they have such perseverance? ”

“Hearing this, Shen Rong’s heart ached terribly. “Yourong! It’s been hard on you. Why didn’t you tell Mom in advance? ! Mom will send you supper every night!” ”

“Mu Yourong shook her head. “It’s not hard at all, Mom. As long as I can help dad and our MU group, I won’t have to work hard at all.” ”

Shen Rong and soldier Mu were extremely touched.

Their biological daughter was still the most outstanding!

How could that Little Bastard ye Zao be able to do it?

“Soldier Mu stood up from the sofa. “Good! This is really too good! With this plan, we won’t have to worry about ZY not cooperating with us anymore!” ”

“The corners of Mu Yourong’s mouth curled up into a smile. “Dad, my goal isn’t just to cooperate with Zy.” ”

She wanted to make ZY corporation’s behind-the-scenes boss fall in love with her.

Fall in love with her!

Only then would ZY corporation spare no effort to support her.

“At that time, the Mu Corporation would stand out in the business world of Yun Jing! ”

“In a television series, wouldn’t the female lead be surrounded by several male leads and two male leads who were willing to give their all for her? ”

She would be even more dazzling than the female lead in the television series!

“With this thought in mind, the smile on Mu Yourong’s face deepened. ”

“Soldier Mu had already seen Mu Yourong’s abilities, so he naturally would not doubt her. He walked over and patted her shoulder, “Yourong! Daddy believes in You! Daddy believes that you will definitely bring glory to our MU group! Right, when are we going to ZY Group?” ”
