

Almighty D 321

Chapter 321: 105: obtain the highest honor! 2

“Mu yourong said, “I’ll arrange this matter. Dad, you should use this money to resolve the current crisis first. You must not mess up the People’s Hearts!” ”

Mu Yourong’s bank card had more than 20 million.

“Although 20 million was not a lot, it could solve the urgent problem. ”

“In any case, the next matter would be solved by ZY. ”

“Soldier Mu nodded. “Okay, I’ll go to the company now.” ”

...

On the other side.

The CEN Group.

Cen Shaoqing was sitting at his desk reading documents.

“At this moment, there was a knock on the door. ”

““Come in,”Cen Shaoqing said without raising his head. ”

The secretary came in from outside. “Master Five.”

“Speak,” Cen Shaoqing said concisely. ”

“The secretary stood respectfully in front of the desk and continued, “Fifth master, I’ve already found the two people you asked me to find.” ”

Cen Shaoqing frowned slightly when he heard this. He closed the documents and looked up at the secretary. “Who are those two people?”

“The secretary continued, “They’re Song Shiyu’s men.” ”

“Song Shiyu?” Cen Shaoqing narrowed his eyes.

The scene of Song Shiyu sending Ye Zhuo off at the cocktail party replayed in his mind.

The two of them standing together.

It was really eye-piercing!

“What’s Song Shiyu’s motive?”

“The secretary continued, “They were sent by Song Shiyu to be in charge of Miss Ye’s safety.” ”

“Cen Shaoqing clenched the prayer beads in his hands. “Alright, I got it! You can leave now.” ”

The secretary bent down and walked out of the door.

In the office.

Cen Shaoqing's tightly knitted brows never relaxed.

Song Shiyu had a particularly gloomy personality.

He was temperamental.

He had killed his own father with his own hands when he was two days away from adulthood!

What was the relationship between Ye Zhuo and Him?

Why did Song Shiyu arrange for people to protect Ye Zhuo?

What exactly was Song Shiyu trying to do?

"After a moment, Cen Shaoqing made a call."

"The call was quickly picked up. "Hello, Master Five." "

"Cen Shaoqing turned the Buddha bead and said, "Send someone to keep an eye on Song Shiyu." "

Keep an eye on Song Shiyu?

The person on the other end of the line was stunned.

He even thought that he was hearing things.

Why was he staring at Song Shiyu all of a sudden?

“The person on the other end of the phone asked uncertainly, “Master Five, is it song Shiyu from the song group?” ”

“Yes.”

Was It really him?

“The person was stunned for a moment before saying, “Alright, I’ll make the arrangements right away.” ”

“After hanging up, Cen Shaoqing continued to read the documents. ”

“A minute later, he closed the documents again and picked up the lighter and cigarette beside him. ”

Click —

A faint blue flame shot out from the lighter and lit the cigarette between his fingers.

“With the cigarette between his thin lips, the familiar smell of tobacco instantly filled his entire mouth. ”

Cen Shaoqing walked to the floor-to-ceiling mirror and looked down at the scenery below his feet. His sexy Adam’s apple moved up and down and slowly exhaled a beautiful ring of smoke.

“The man’s figure was slender and he wore a long, buttoned-up robe. He stood in front of the floor-to-ceiling window as if he was a king overlooking the world. He exuded a noble aura while he was abstinent. ”

It was beyond one’s reach.

Soon.

He finished his cigarette.

Cen Shaoqing took another cigarette.

“Unknowingly, in less than ten minutes, he had finished half a pack of cigarettes.”

2

“Cen Shaoqing did not have much of a craving for cigarettes. Today, it was obvious that he had lost control.”

“He could still puff out smoke rings from the cigarette, but the depression in his heart could not be released.”

“Especially when he thought of Song Shiyu, he felt even worse!”

“At this moment, his phone rang.”

It was a message from wechat.

“Other than the people close to him and ye Zhuo, no one else knew about Cen Shaoqing’s wechat.”

Could It Be Ye Zhuo?

Cen Shaoqing walked over and picked up his phone.

“As expected, it was a wechat message from ye Zhuo.”

The depression in Cen Shaoqing's heart disappeared in an instant. He swiped the lock screen and clicked on wechat.

Ye Zhuo: [did you go to the hospital? What did the Doctor Say?]

Was she concerned about him?

"If she had not sent him a message, he would have forgotten about this matter. "

Cen Shaoqing's lips curled into a faint smile as he replied: [not yet.]

In fact.

Ye Zhuo was really concerned about CEN Shaoqing.

It was because Cen Shaoqing's illness was too strange.

She was curious about what strange illness Cen Shaoqing had.

What other illness could she not diagnose!

Ye Zhuo: [remember to let me know when you're there.]

Cen Shaoqing: [I'll be there in a while.]

Ye Zhuo: [it's best to do a full-body CT scan so that it can be examined more thoroughly.]

[Okay.]

“After replying to Ye Zhuo’s message, Cen Shaoqing extinguished the cigarette butt in his hand and walked out of the door.”

Chapter 322: 105: receive the highest honor! 3

He suddenly felt the air was sweet!

“When the secretary saw him come out, he quickly stood up. “Master Five.” ”

Cen Shaoqing nodded slightly. “Inform Xiao Li that I’m going to the hospital.”

Go to the hospital?

The Secretary was shocked!

“He had been by Cen Shaoqing’s side for more than ten years, but he had never seen Cen Shaoqing go to the hospital.”

“Because he was especially sensitive to the smell in the hospital, even if he had a cold or a fever, he would never go to the hospital.”

“Today, he actually took the initiative to go to the hospital... ”

What was going on?

Could it be that he was seriously ill?

The secretary informed the driver Xiao Li in surprise.

“When Cen Shaoqing walked to the company building, the driver Xiao Li was already ready.”

Just like the secretary.

Xiao Li was also very surprised.

“When the hospital director learned that Cen Shaoqing was coming, he specially stood at the hospital entrance early to wait for him.”

He opened the VIP channel for him.

““CEN fifth master, please come in.””

Cen Shaoqing nodded slightly.

“As the deputy director walked, he asked, “May I ask what is wrong with you?””

“When he saw Cen Shaoqing tell him his symptoms in a serious manner,.”

The deputy director was very nervous.

“When he saw a person, his heart would beat faster, his breathing would be rapid, and he would be unable to control himself..? ... wasn’t this because of love?”

“This master, could it be that he was here to make me happy?”

“However, seeing how serious Cen Shaoqing was, it didn’t seem like he was joking.”

“At this moment, CEN Shaoqing continued, “Give me a full-body CT scan.” ”

Full-body CT scan?

“Since the Big Boss had spoken, the deputy director couldn’t say anything more. “Alright, please follow me this way.” ”

After a round of inspection.

“The deputy director took the report form and walked in front of Cen Shaoqing. He smiled and said, “Master Five, Congratulations. Your indicators are all normal. There are no problems.” ”

“Normal?”Cen Shaoqing frowned slightly and took the report form. “Are you sure?”

“The deputy director nodded. “Yes, I’m very sure.” ”

“CEN Shaoqing continued, “Are there any hidden problems that haven’t been found?” ”

“The deputy director said, “Fifth Master, don’t worry. The machines that our hospital uses are all imported. There won’t be any mistakes.” ”

“Then why do I keep feeling uncomfortable?”Cen Shaoqing asked.

“The deputy director considered his words in his heart and continued, “If I may ask, is the person who made your heart beat faster and your breathing faster a girl?” ”

“Yes.”Cen Shaoqing nodded.

The vice president was stunned!

Was fifth Master Cen's EQ so low as to stand at the top of the pyramid?

He didn't even know what she liked?

He didn't know which family's girl was so lucky.

To be able to make fifth master Cen so worried!

"The vice president continued, "Aren't you sick?" "

"Then what is it?"Cen Shaoqing frowned.

The deputy headmaster looked up at Cen Shaoqing and tried his best to be tactful. "This is probably because... you have fallen in love with her."

Fallen in love?

Cen Shaoqing was stunned.

That was what the Internet said.

And now the headmaster was saying the same thing again.

Could it be... that he had really fallen in love with ye Zao?

"If you like someone, your breathing will become rapid and your heartbeat will quicken?"After a long while, Cen Shaoqing finally spoke. "

"The deputy hospital director adjusted his glasses. "Occasionally, I might even dream about her." "

Cen Shaoqing was stunned again.

Yes.

The deputy hospital director was right.

Ye Zhuo had indeed been fond of running into his dreams recently.

All the way until he returned from the hospital.

Cen Shaoqing kept repeating the same sentence in his mind.

“... You’ve fallen in love with her.”

“Cen Shaoqing sat on the boss’s chair, puffing and puffing. In an instant, he had smoked a pack of cigarettes.”

At this moment.

A wechat notification sounded in the air again.

Was It ye Zao?

Cen Shaoqing quickly picked up his phone and unlocked it.

Unfortunately.

It was not from ye Zao.

“It was from his second sister, Cen Yueya.”

“[Shaoqing, when are you, Grandma, and mom going back to Beijing?]”

Cen Shaoqing was about to reply.

“At this moment, he received a message from ye Zao, [Have You Been to the hospital?]”

Cen Shaoqing immediately replied to Ye Zao. [I’ve been to the hospital. The Doctor said that I’m fine.]

Fine?

Ye Zao was stunned at the other end of the screen.

It seemed that there was nothing wrong with her medical skills.

“However, if Cen Shaoqing was fine, why would she have the symptoms of shortness of breath and rapid heartbeat?”

[take a picture of the CT report and send it over.]

“Cen Shaoqing immediately took out the CT report, placed it on the table, and took a picture of it.”

Ye Zhuo opened the photo.

Everything on the CT report was indeed normal.

“Her gaze landed on the ashtray in the upper left corner of the CT report, and she raised her eyebrows slightly.”

The monk still smoked?

It seemed that he was quite addicted to smoking.

“[it’s good that you’re fine. [dog head] Oh, right, smoking is bad for your lungs. Although your lungs haven’t been diagnosed with any problems yet, if this goes on, your lungs will definitely be blackened!]”

Chapter 323: 105: obtain the highest honor! 4

Not letting him smoke?

The corners of Cen Shaoqing’s lips curled up slightly.

“Ye Zao was concerned about him, right?”

“[okay, I’ll quit smoking in the future.]”

“[my mom asked me to eat, I’m going to eat first.]”

[Okay.]

“Very soon, CEN Shaoqing received another picture from ye Zao. It should be her lunch.”

Seven dishes and one soup.

The lunch was very rich.

Cen Shaoqing immediately called his secretary. "Send my lunch over."

Send Lunch?

Didn't they say they wouldn't eat lunch?

"The assistant was a little surprised, but he still sent the lunch over within ten minutes."

Cen Shaoqing opened the lid and took a picture of ye Zao and sent it over.

Ye Zao opened the picture Cen Shaoqing sent over and raised his eyebrows slightly.

As expected of a vegetarian.

"Other than bean products, all of them were vegetable leaves."

[do you like to eat leaves that much?]

Eat... leaves?

Cen Shaoqing looked at these words and could not help but smile. Warmth appeared in his eyes.

"[because the leaves are delicious, fresh and juicy.]"

"When ye Zao saw these words, he raised his eyebrows slightly."

“If it was someone else, she would definitely suspect that the other party was flirting with her.”

But this person was Cen Shaoqing.

Who Was Cen Shaoqing?

He was a monk!

Did he know what flirting was?

[I don't understand the world of monks.]

Cen Shaoqing replied: [I'm not a monk. Just because I don't eat meat now doesn't mean I won't eat meat in the future.]

“Ye Zhuo teased, [wine and meat pass through the intestines of Buddha's heart?]”

Just as Cen Shaoqing was about to reply.

A video call came in.

It was Cen Yueya.

Cen Shaoqing then remembered that he had forgotten to reply to Cen Yueya.

“However, he did not answer it. Instead, he directly hung up and continued replying to Ye Zao's message, [yes, that's the reason.]”

Ye Zao conveniently sent out a [what a retard] Kumamoto Bear Emoji Package.

Looking at this Kumamoto Bear.

Cen Shaoqing raised his eyebrows slightly.

This bear seemed to be a little vulgar.

It actually used profanity.

What did ye Zhuofa mean by giving him this emoji package?

Did he dislike him for being too stupid?

[my IQ is 170.]

“When ye Zhuo saw this sentence on the other end of the screen, he almost spat out rice. Sure enough, a monk was a monk.”

He didn't even understand the emoji package.

After replying to Ye Zhuo's message.

Cen Shaoqing then unhurriedly opened Cen Yueya's dialog box and sent her a video.

Cen Yueya quickly received the video.

“On the other end of the video was Cen Yueya's exasperated face. “Cen Laowu, What's wrong with you? Why haven't you replied to me for so long? Don't you know that I'm waiting for your reply?” ”

“Cen Yueya had an impatient and hot temper. Compared to the unsmiling Cen Shaoqing, she was from a completely different world.”

They didn't look like siblings at all.

“Cen Shaoqing said seriously, “I was processing documents just now and did not see your message.” ”

“CEN yueya ridiculed, “Processing documents! Processing documents! You only know how to process documents! I think you might as well just live with documents in the future! You deserve to not be able to get a wife until now! I think you are destined to be a bachelor for the rest of your life!” ”

“In Cen Yueya's eyes, Cen Shaoqing had always been a workaholic. ”

He would either go to the temple to listen to the sounds of Buddha.

Therefore.

“When Cen Shaoqing said that he was processing documents, CEN Yueya did not doubt it at all. ”

“CEN Shaoqing continued, “Second sister, what's the matter?” ”

Cen Yueya then remembered the serious matter. “When are you guys planning to return to the capital?”

““Around September,”Cen Shaoqing answered. ”

Cen Yueya narrowed her eyes. “September? So It's true?”

“What's true and false?”

“Cen Yueya had a wicked smile on her face. “I heard Grandma say that she has found a beautiful wife for you, right?” ”

“Don’t listen to the wind and rain.”Cen Shaoqing’s tone was indifferent.

“CEN Yueya continued, “I also heard that my future sister-in-law is extremely beautiful! She is a rare beauty! She is a thousand times, ten thousand times, better looking than Mu Yourong, who looks through the crack of the door! “Oh Right, let me show you this and this. These are all gifts I prepared for my future sister-in-law!” The video was aimed at CEN Yueya’s jewelry desk. ”

The entire jewelry desk was filled to the brim and could barely fit any more items.

“”Oh right, does my future sister-in-law have oily skin or dry skin? “I’m preparing to customize a set of skincare products for her overseas. I don’t know what color lipstick she likes, so I bought all the lipstick numbers from Dior and Armani’s family!” ”

“Do you think this set of red agate jewelry looks good?”? “I specially auctioned this set of jewelry at the auction house!”! “I heard that the former princess of country y even wore it before!”! “This red is the best color for a beauty!”! “This set of jewelry will definitely look super good on my future sister-in-law!”

Chapter 324: 105: the highest honor! 5

“At this point, Cen Yueya’s eyes were almost sparkling. ”

It was as if she had already seen her future sister-in-law.

She originally wanted to ask Old Mrs. Cen to send a photo of ye Zao for her to see.

But Old Mrs. Cen refused no matter what!

She said she was afraid that she would scare her precious granddaughter-in-law!

Ha!

Was she the kind of person who did not know what was important and what was not?

“Therefore, up until now, Cen Yueya had only heard ye Zao’s voice and did not see him. ”

She was dying of curiosity.

She had been imagining what her future sister-in-law would look like.

It was as if a cat’s paw was constantly scratching her heart!

“Cen Shaoqing looked speechlessly at Cen Yueya on the other end of the screen. He was just about to say something when Cen Yueya retorted back, “Are you trying to say that you’re not getting married? Come on! Hurry up and say it! I’m recording the video! If you dare to say it, I’ll take today’s video and slap your face until it’s swollen! For a dog like you, it’s already good enough for someone to take a fancy to you! Grandma told me that my future sister-in-law is fair-skinned and beautiful! She looks just like the one who walked out of a painting! Look at you, you’re old, you don’t know how to Flirt, you’re a vegetarian, and you don’t want to get married! You can still see other than that face, what else do you have ”

Don’t say that you have money! What can money do? Can Money Buy My Smile?”

Cen Shaoqing:” ...”

“Seeing that Cen Shaoqing didn’t say anything, Cen Yueya was satisfied and continued the topic. “I originally wanted to buy a set of diamond jewelry for my future sister-in-law, but big sister has already prepared the diamond jewelry!” ”

Cen Shaoqing was a 31-year-old bachelor.

It was not easy for him to say that he had found a wife.

The CEN sisters were very happy and each prepared a generous gift.

“Now, they were just waiting for Old Madam Cen and the others to return.”

Everything was ready except for the east wind.

“Speaking up to this point, Cen Yueya looked at CEN Shaoqing and continued, “Can you send me a picture of your future sister-in-law? Can you satisfy my curiosity?” ”

“Cen Shaoqing raised his hand to look at his watch. “I have an important meeting to attend, so I won’t talk to you anymore.” ”

“With that, he cut the video call.”

Cen Shaoqing knew this second sister too well.

“Cen Yueya was very capable and talkative. Unlike other strong women, she was especially gossipy.”

“Even when she was with a few old ladies, she could chat for three days and three nights.”

“Seeing that the video was hung up, Cen Yueya was furious and sent the video to Cen Shaoqing again.”

[you are not the other party’s good friend yet. Are you going through the friend verification?]

Cen Yueya:”! ! !”This smelly younger brother really pissed her off.

...

At the Ye residence.

Ye Zhuo was drawing something with his head down in front of his desk.

“At this moment, Whitey’s voice came from outside the door, “Da Zhuozhuo, there’s someone knocking on the door. I don’t know who it is. Should I open the door?” ”

““Let me open it.”Ye Zhuo looked up slightly, put down the pen in his hand, and walked out. ”

Ye Zhuo walked over to open the door.

“Just as he opened the door, he saw director Zhou and Gu Dening who was standing beside him. ”

“Ye Zhuo said in surprise, “Director Zhou, doctor Gu!” ”

“Director Zhou said, “Miss Ye, is it convenient for you now?” ”

Ye Zhuo nodded slightly. “There’s time. Come in quickly.”

Xiao Baibai was very observant as she went to pour water for the guests.

“Ye Zhuo brought director Zhou and Gu Dening to the living room. “The house is rather simple and crude. Director Zhou, doctor Gu, please take a seat. Don’t stand on ceremony.” ”

Director Zhou looked around the living room.

It was indeed very simple and elegant.

“If he had not seen it with his own eyes, a miracle doctor who cured cancer and the top scorer in Yun Jing City’s college entrance examination would have lived in such a simple house! ”

What did he mean by indifferent to fame and fortune?

This should be it.

“With the current conditions of the Ye family, it would not be a problem for them to live in a big villa and hire a few servants! ”

“Ye Zhuo continued, “Director Zhou, doctor Gu, did you come here today to look for me for something?” ”

“Director Zhou stood up. “Miss Ye, the YKA drug that you developed has benefited all of mankind! Doctor Gu and I have specially come to thank you on behalf of the medical community and cancer patients from all over the country!” ”

“Speaking up to this point, director Zhou and Gu Dening bowed to ye Zao together. ”

““Director Zhou, Doctor Gu, you don’t have to do this!”Ye Zao also stood up immediately. ”

“Director Zhou continued, “Originally, a few experts from the medical community wanted to come with us. After they learned that you were unwilling to meet other people, they entrusted us to bring the glory and bonus that belongs to you.” ”

Gu deling immediately took out a beautiful gift box.

Inside the gift box was a trophy and an envelope with a check.

Chapter 325: 105: obtain the highest honor! 6

Curing cancer was a matter that shocked the entire world!

“It was also a matter that benefited the entire human race. Therefore, the international medical community gave ye Zao the highest level of commendation!”

“Originally, they wanted to hold a commendation ceremony for ye Zao.”

“However, Ye Zao was too low-key and did not want to show his face at all. Therefore, they could only entrust them to send the trophy and the prize money over.”

“Ye Zao took the things that Gu dening handed over with both hands and said, “Thank you.””

“Gu dening smiled and said, “Miss Ye, we should be the ones thanking you.””

“Director Zhou took out another check and said, “Miss Ye, this is a small token from our hospital. It’s you who made us great! Please accept it!”It was ye Zao who pushed the first People’s Hospital to a new height!”

“Now, the entire country and even the entire world knew about the first People’s Hospital of Yun Jing City!”

The first People’s Hospital had changed from a grade-3 B hospital to the highest grade-3 a hospital!

“Regardless of whether it was a doctor or a nurse, their status had risen along with the tide!”

And all of this was due to Ye Zhuo.

“If it wasn’t for Ye Zhuo, their hospital wouldn’t have what it was today. ”

“At the moment, they had already agreed to build a bronze statue of Miracle Doctor Ye in ye Zao’s image and place it in front of the hospital’s main entrance! ”

“Ye Zao rejected director Zhou’s check. “Director Zhou, I appreciate your kindness, but I can’t accept this sum of money from your hospital!” ”

“Director Zhou said, “Miss Ye, you deserve it.” ”

“Ye Zao pointed at the trophy and the prize money on the table and said, “That’s What I deserve. A Man’s heart is not enough, and a snake will swallow an elephant. I really can’t take this money anymore!” ”

“Director Zhou directly placed the check on the coffee table and said, “Miss Ye, our hospital can only do so much for you. You must accept this money. Otherwise, doctor Gu and I will not leave today!” ”

“Seeing that he could not refuse, ye Zhuo said, “Then how about this, director Zhou, please help me donate this money to the patients in need in the hospital!” ”

“Although China was now a developed country, there were still a lot of people who went bankrupt for treatment! ”

Director Zhou could see many people who gave up treatment for money every day. “Then I’ll thank Miss Ye on behalf of the patients’families.”

“You’re welcome.”

“Walking out of the Ye family home, director Zhou sighed, “Dr. Gu, Miss Ye is really an extraordinary woman!” ”

Gu dening nodded. “That’s right!”

Gu dening had never seen a girl like Ye Zhuo.

“She was only 18 or 19 years old, but she was so amazing! ”

It was said that the water was overflowing and the Moon was full.

“However, there was not a hint of impetuosity on ye Zhuo. ”

“Even though she had become the first person in the world to cure cancer, she was still as low-key as before. ”

“The fame, money, and glory that ordinary people pursued were not worth mentioning in front of her. ”

She did not even bother to look at them.

Gu dening had never been so impressed by anyone before.

Ye Zao was the first!

“Just as the two of them reached the parking spot in the neighborhood, they saw a man standing there. Seeing the two of them walking over, he hurriedly said, “Hello, are you the owners of this cloud P21589 car?” ”

“The car belonged to Gu Dening. Gu dening nodded and said, “It’s my car.” ”

“The man said a little embarrassedly, “My surname is Ye, and this is my business card. I accidentally scratched your car when I parked just now. If there are any expenses later, you can contact me.” ”

Gu dening looked at the business card.

Ye Sen.

The general manager of Shengdong Express delivery.

She seemed to have heard ye Zao mention that her uncle was a courier.

Could it be that this was ye Zao's uncle?

"Are You Miss Ye's uncle?" Gu dening asked tentatively.

"Are you talking about my eldest niece, ye Zao?" "

"Gu dening nodded hurriedly. "Hello, Uncle Ye. My name is Gu Dening, and Miss Ye is my life coach." "

"Director Zhou also hurriedly shook hands with ye Sen. "Hello, Uncle Ye. My name is Zhou Gang, and I'm the Director of the first People's Hospital. Miss ye is an important person in our hospital! Next time you come to our hospital, we'll definitely open the VIP channel for You!" "

"Ye Sen was a little confused. Even after director Zhou and Gu Dening drove away, he was still standing in the wind in a mess. "

His eldest niece was really amazing.

She could even subdue the director and doctors!

"He remembered that the first People's Hospital of Yunjing City had just been on the trending searches not long ago and had become a god in one battle. Currently, it had been upgraded to the only tertiary grade a hospital in Yunjing City. "

Ye Sen quickly walked home and saw a bowl-sized trophy on the coffee table.

It was golden!

Chapter 326: 105: receive the highest honor! 7

“Zao Zao, what is This?” ”

Ye Zao sat on the sofa and played with his phone. “It seems to be a trophy.”

“Trophy?”Ye Sen quickly walked over and picked up the trophy. “Did those two people just send this?”

“Ye Zao nodded. “Uncle, did you run into them?” ”

“Ye Sen looked at the trophy. There was a line of words carved on the trophy. “The medical world directly awards trophies! Miracle Doctor Ye Zao...”saying this., ye Sen finally realized what was going on. “F * ck! My niece, don’t tell me that the first person to cure cancer is you, Miracle Doctor Ye? !” ”

“It’s me.”Ye Zao was still calm.

Ye Sen was really surprised!

He did not expect that the person who had been on the international trending list for more than half a month and had become a god in one battle was actually his niece!

“Eldest niece! You’re really amazing!”

“Ye Zhuo smiled and said, “That’s a must. Why Don’t you take a look at who my uncle is!” ”

“Ye Sen was coaxed into laughing out loud. He hugged the trophy and said, “Do you think this is pure gold?” ”

Ye Zhuo shook his head slightly. “I’m not too sure either.”

“”Let me have a bite.”Just as he said that, he leaned on the trophy and took a bite. “D * MN! There are teeth marks! It’s actually gold! This medical world is really generous!” ”

This trophy weighed at least ten kilograms.

“According to the current gold price, a trophy was worth about two million! ”

“However, no matter how poor the trophy was, it could not be pawned. Ye Sen continued, “By the way, other than the trophy, are there any other rewards?” ”

“Ye Zao said, “There should be a check in that envelope.” ”

Ye Sen immediately put down the trophy and picked up the envelope.

“After opening the envelope, there was indeed a check inside. The amount of the check was filled with a string of Arabic numbers. ”

“”A total of 50 million!”Ye Sen turned to look at Ye Zao. “Zao Zao, you’re a Little Rich Lady Now!” ”

“Ye Zao raised his eyebrows slightly, and there was a hint of laziness in his clear voice. “I was a little rich lady to begin with.” ”

“Ye Sen smiled and said, “That’s true!” ”

Ye Zao's net worth had long passed the 12th digit.

It was just that ye Zao kept a low profile and wasn't willing to show off.

...

On the other side.

Mu Yourong brought the proposal to ZY technology company.

Zhao Yang personally received her.

“Miss Mu, I've seen your proposal, but I still have to discuss it with our CEO Ye.” Mu Yourong's proposal was bold and innovative enough, and it was very in line with their business philosophy! ”

“However, they still had to wait for Ye Zhuo to see it before they could decide whether or not they wanted to cooperate with the MU family. ”

“After all, this was a major event. They could not casually cooperate with each other. ”

“Mu Yourong drank a mouthful of coffee and tucked her hair behind her ear. “CEO Zhao, I want to see your CEO Ye. I'll tell him the details of the proposal!” ”

“Zhao Yang said apologetically, “I'm sorry, Miss Mu. Our CEO ye is not convenient to receive guests. If you have any needs, just tell me directly. I'll help you pass on the message.” ”

“I'm not a guest. I'm here to deliver money to your President Ye.” Mu yourong continued, “President Zhao, you're a person of true ability. You've already seen my proposal. I believe that you should be very clear in your heart what kind of benefits this proposal will bring to your company, right? “Don't lose a partner just because of a small matter!” ”

The last sentence carried a hint of threat.

“Mu Yourong was determined to win this matter. Zhao Yang, who was not afraid at all, directly refused.”

“In the end, Zhao Yang was only a professional CEO. He also worked for others. He simply could not bear such a risk.”

Zhao Yang had seen the plan.

It was done very well!

“If the negotiations fell apart because of a small matter, the consequences were indeed not something he could bear.”

“After deliberating for a while, Zhao Yang continued, “Miss Mu, I still need to consult our director ye on this matter. How about this, you go back first. If our director ye agrees to meet you, I will inform you again. Is that okay with you?” ”

““Yes.” Mu Yourong nodded. “However, there are some things that I have to say first. I will only wait for you for one night.” ”

“Alright.”

Mu Yourong turned to look at her assistant beside her. “Let’s go.”

The assistant hurriedly followed Mu Yourong’s footsteps.

“After Mu Yourong left, Zhao Yang hurriedly contacted ye Zhuo.”

“Ye Zhuo had always been particularly attentive to the matters of the company. When she heard that a miss mu wanted to meet her with an excellent proposal, she immediately agreed. “Let’s set the time at 10:30 Tomorrow Morning.” ”

“”Okay.”Zhao Yang nodded. After hanging up the call with Ye Zao, he hurriedly went to contact mu yourong. ”

“On the other end of the phone, Mu Yourong’s face was filled with a determined smile. ”

This result was within her expectations.

“Right now, she just needed to properly do her hair and do a facial treatment. Tomorrow, she would be in the best state of mind to meet the mysterious and unpredictable ZY behind-the-scenes CEO Ye. ”

“Soon, the next day arrived. ”

“Mu Yourong, who was wearing exquisite makeup and a smart suit, came to ZY group as a businesswoman. ”

The front desk respectfully received Mu Yourong and brought her to the conference room.

“When they passed by the program department’s Cubicle, Mu Yourong suddenly saw a familiar figure. ”

That Was?

Ye Zhuo?

What was Ye Zhuo doing here?

Could it be that he was here to bring goods for a live broadcast?

She did not expect that such a high-level company like ZY would actually hire such a LOW-level streamer like ye Zao!

It was really disgusting to death!

“Mu Yourong narrowed her eyes, her eyes filled with disgust. It was fine if ye Zao did not meet her today.”

Since he had met her.

Then did ye Zao Want to live-stream ZY again?

In your dreams!

“Even if song Shiyu did not make a move now, she would still borrow ZY’s behind-the-scenes director Ye’s hands to make ye Zao’s reputation in the live broadcast world fall apart.”

“In the end, Ye Zao was just a small live streamer.”

Once ZY made his move.

She still had a chance to turn things around?

“Very quickly, Mu Yourong was brought to the meeting room.”

“In the meeting room, Zhao Yang was already waiting inside. “Miss Mu, this way please! Our Director Ye is currently in the program department due to some small matters. Please wait a moment.” ”

Chapter 327: 107: it’s actually ye Zhuo! Confession! 1

“Hearing this, Mu Yourong lowered her head to look at her watch. “I’ll only wait until 10:30. I Won’t wait until it’s past 10:30.” ”

“She had the plan to move forward in her hands, so she had to make a proper posture! ”

They had agreed that 10:30 would be 10:30. She couldn’t just come knocking on her door like that.

“After all, it was ZY who was begging her to cooperate, not her who was begging ZY! ”

“Zhao yang smiled and said, “Don’t worry, our CEO ye is a person with a good sense of time. Since we agreed that it would be 10:30 pm, she will definitely arrive on time.” ”

Ye Zhuo had already arrived.

“However, there was a problem in the program department. ”

“The headquarters’ internal network had been hacked by an international hacker, and the data was in a mess. More than a dozen programmers had worked overtime for a few days, but they still couldn’t solve this problem. After ye Zhuo heard about this matter, he decided to try it out personally. ”

At the program department.

“The secretary brought ye Zhuo over. “Brother Li, brother Liu, this is the boss’ relative, Miss Ye. Miss ye is especially talented in computer science. Tell her about the problem.” ”

“In order to hear more different voices, ye Zhuo had already instructed Zhao Yang not to expose her identity in front of everyone. ”

“Therefore, in the entire company, other than Zhao Yang and his secretary, no one knew ye Zao’s real identity.”

“The people who were called brother Li and brother Liu were at a loss on the computer screen. When they heard this sentence, they were like people who had fallen into the water and grabbed the last straw. They quickly looked up.”

“When they saw ye Zao, the light in their eyes dimmed again.”

This little girl was pretty.

But she was too young!

She was eighteen years old?

She probably hadn’t gone to university yet?

How much did a high school student know about computers?

“At this moment, in the eyes of the two of them, Ye Zhuo was no different from a troublemaker.”

“They were already busy enough to begin with, and now they had to entertain the troublemaker.”

“However, she was, after all, a relative of the boss’s family. They had to give her face. Otherwise, what if the boss blamed them?”

“One of the bespectacled boys hurriedly stood up and said, “Hello, Miss Ye. I’m Li Hua, the backend engineer. This is DBA Liu Qiang.””

Ye Zhuo nodded slightly. “Hello.”

Liu Qiang quickly told ye Zhuo about the difficult problem they had encountered.

“Hearing that, Ye Zhuo raised her eyebrows slightly. “Let me try.” ”

Liu Qiang and Li Hua cooperated and gave up their seats for ye Zhuo.

“The secretary reminded, “Miss Ye, why don’t you try again later? There are only twenty minutes left until ten thirty.” ”

What could twenty minutes do?

Mu Yourong was still waiting upstairs!

“The Secretary knew how important this collaboration was, so she could not let mu yourong wait anxiously.”

“Ye Zao smiled and said, “There’s no need for twenty minutes. Ten minutes will do.” ”

She said it so simply that Liu Qiang and Li Hua did not know what expression they should use.

10 minutes?

“They had been working on a problem that they had not been able to solve for the past few days, yet she was able to solve it in just 10 minutes?”

This was too good at bragging!

Were all the boss’s relatives so arrogant?

Ye Zao sat in front of the computer with an indifferent expression on his face. His hands pressed on the keyboard and typed rapidly. The speed of his hands was so fast that only a white afterimage could be seen.

Fast!

Too Fast!

The air was filled with the sound of the keyboard.

Pitter-patter —

The code data on the computer kept changing along with it. It was dazzling to the eyes.

“However, ye Zao’s face was still as calm as the clouds and the wind.”

“Once an expert made a move, one would know whether it was true or not.”

“Liu Qiang and Li Hua, who were standing behind ye Zao, were stunned!”

Strong!

He was really too strong!

“They had thought that ye Zao was bragging, but they did not expect him to have real skills.”

“Those who knew the industry would look at the door, while those who did not know the industry would watch the show. Although the secretary could not understand the code, he could tell from the looks on Li Hua and Liu Qiang’s faces that ye Zao was a professional!”

And he was a very powerful one!

10:18 pm.

Only eight minutes had passed when ye Zao stopped moving and looked up at Li Hua and Liu Qiang. "It's almost done. Come and take a look."

"Li Hua and Liu Qiang quickly walked over and sat in front of the computer. Half a minute later, the two of them looked up at each other and saw the surprise in each other's eyes!"

There were really no more problems!

"Ye Zhuo continued, "Are there any other problems? If there are no other problems, I'll go up first." "

"No, no more problems." Liu Qiang stuttered. "

"Ye Zhuo nodded slightly, "I wrote a script on this main computer. If you encounter any problems next time, just open the script and you can handle it!" "If you have any other problems, you can call me. I left my contact information on the computer." "

Chapter 328: 107: it's Ye Zhuo! Confession! 2

8 minutes.

"Not only did she solve all the problems, she even wrote a script!"

Just how strong is she?

“Even the best hackers can’t compare to her, right?”

“This time, not only Li Hua and Liu Qiang were stunned, even the entire program department raised their heads to look at Ye Zhuo.”

Their eyes were filled with shock!

No one had expected that the boss’ relatives would be so shameless!

“Most importantly, they were beautiful.”

“Liu Qiang nodded. “O-okay, I got it.” ”

“Whether it was Li Hua or Liu Qiang, the two of them no longer dared to look down on ye Zhuo.”

“Ye Zhuo turned to look at the secretary. “Sister Wu, let’s go up.” ”

The secretary nodded and followed ye Zhuo’s footsteps.

After the two of them left.

The entire program department was Abuzz with discussion.

“D * MN! I didn’t expect Miss Ye to be so amazing!”

“”It’s fine if she’s amazing, but she’s so beautiful! If this were the entertainment industry, all the Divas and movie Queens would have to stand aside, right?” ”

“What kind of relationship do you think she has with our boss?”

“I think she often comes to the company. Could it be that she’s here on behalf of our Boss?”

“I think it’s very possible!”

“...”

The two of them sat in the CEO’s private elevator and went straight to the top floor.

Ding Dong —

The elevator’s reminder sounded.

“Zhao Yang rubbed his eyes and said with a smile, “Our CEO ye is here.” ”

He knew that ye Zhuo would not be late.

“Hearing this, Mu Yourong hurriedly sat up straight and adjusted her posture. ”

She had to greet CEO ye in her best mental state!

CEO Ye was experienced and knowledgeable. A man like him would definitely have seen all kinds of women.

But only she could give CEO ye a different feeling!

She would definitely be able to make CEO ye see her in a different light!

“For today’s meeting, Mu Yourong not only meticulously dressed up, she even put on a beheading male lipstick.”

Tap Tap Tap —

The footsteps were getting closer and closer.

“Mu Yourong was inexplicably a little nervous. She had dressed up so beautifully, and had made ample preparations. What if President Ye was a fat pig with a big head and big ears?”

“However, judging from the degree of respect Zhao Yang had for President Ye, he was probably not some fat pig with a big head and big ears.”

“On the contrary, he was very likely a young genius!”

With this thought in mind

Two streaks of red secretly crept onto Mu Yourong’s face.

Which girl didn’t like Handsome Guys?

If it wasn’t for the fact that she already had fifth master Cen.

This CEO Ye was also a pretty good choice.

“After all, ZY was also an enterprise with a boundless future!”

“Unfortunately, after having fifth master Cen, this CEO ye of Zy was destined to only be a male supporting actor in a television drama.”

He would become an existence that served as a foil to her.

Mu Yourong puffed out her chest and raised her head to look outside the meeting room's door.

“Through a layer of glass, Mu Yourong saw the familiar figure she had seen in the program department's cubicle ten minutes ago.”

Ye Zhuo?

Why was Ye Zhuo here?

How could a lowly person like ye Zhuo deserve to be in ZY's conference room?

Could it be that she was also here to discuss a live broadcast endorsement deal?

“If ye Zhuo could really win ZY's endorsement deal, it would definitely cause a sensation in the live broadcast industry.”

“After all, ZY produced air-conditioning clothes that could adjust the temperature.”

There was no other company in the world that could replicate this kind of high-tech.

“Most importantly, ZY did not have any endorsers yet.”

“Once the contract was successfully signed, Ye Zao would be Zy's first spokesperson!”

Unfortunately.

This was impossible.

“With her around, ye Zao did not even have the qualifications to step into this meeting room.”

“Mu Yourong curled the corners of her lips and turned to look at Zhao Yang. Her eyes were filled with disgust. “President Zhao, Your ZY is a listed company after all. Why are you letting all kinds of random people in?” ”

Zhao Yang was stunned. He did not quite understand what Mu Yourong meant. “What random people?”

“Mu Yourong’s gaze turned to the door. “Look! Isn’t that it? I really don’t like that little streamer outside. If you still want me to cooperate with you, then get her as far away as possible!” ”

What right did a person like ye Zao have to sit at the same conference table as her?

It was too degrading!

“Zhao Yang looked over in confusion. When he saw that it was ye Zao, he hurriedly stood up and walked over.”

“Without even thinking, he knew that Zhao Yang was definitely there to chase ye Zao away.”

“After all, compared to her, what was ye Zao?”

Could Ye Zao bring huge benefits to Zy?

“Mu Yourong pinched her earring, the corners of her mouth curling into a smug smile.”

“If ye Zao knew that Zhao Yang was here to chase her away, he would definitely not accept it. He might even pester her and do something shameless.”

There were so many ugly things to do.

“Mu Yourong looked outside calmly. Thinking about ye Zao’s embarrassing state, the smug look in her eyes became even more obvious.”

Chapter 329: 107: it’s actually ye Zao! Confession! 3

After so many days!

He finally saw ye Zao Make a fool of himself!

“But right at this moment, not only did Zhao Yang Not Chase ye Zao away, he even whispered a few words into her ear before the two of them walked into the house together.”

“Moreover, their attitude was very reserved.”

What was going on?

“Mu Yourong frowned. Could it be that without CEO Ye’s permission, Zhao Yang did not dare to Chase Ye Zao Away?”

“At this moment, the two of them had already walked into the room.”

“Mu Yourong’s face was cold. “CEO Zhao, didn’t I already tell you? If you want me to continue working with you, then this unrated streamer miss, please immediately disappear from my sight!” ”

“Zhao yang smiled and said, “Miss Mu, you’ve misunderstood. This is the founder of ZY, CEO Ye.” ”

Boom!

Something exploded in Mu Yourong's mind.

Mu Yourong's face instantly paled.

CEO Ye?

What did Zhao Yang just call ye Zao?

CEO Ye!

"Ye Zao was Zy's founder, CEO Ye! "

What the hell was going on?

How could ye Zao Be Zy's founder?

Impossible!

This was impossible!

"She was a reincarnated person with a system, yet she couldn't even start her own company. "

Ye Zhuo was just an idiot!

What right did she have?

"Mu Yourong raised her head to look at Zhao Yang and pretended to be calm as she said, "Director Zhao, stop joking! How can she be the founder of your company with such a person!" "

She was joking.

This must be Zhao Yang joking with her.

This was not real!

“Zhao yang frowned and said very seriously, “Miss Mu, I’m not joking with you! Director ye is the founder of Zy!” ”

Shua!

Mu Yourong’s face instantly turned pale.

How could this be?

Mu Yourong never would have dreamed that ye Zhuo was ZY’s founder!

And she never would have thought that the person she wanted to please was actually ye Zhuo!

“Ye Zhuo raised his eyes to look at Zhao Yang, his brows still looking the same. “This is Miss Mu?” ”

““Yes.”Zhao Yang handed the proposal over. “CEO Ye, this is Miss Mu’s proposal. Please take a look.” ”

“Ye Zhuo took the proposal and casually flipped through two pages. “A tiger’s head, Snake’s tail, a heavenly stallion’s imagination, unrealistic! How can this be called an excellent proposal that has never been done before or since?” ”

“Her voice was very faint, but it was extremely imposing. Zhao Yang immediately broke out in cold sweat. ”

This proposal might be very excellent in the eyes of others!

“But in ye Zhuo’s eyes, it was just a few pieces of useless waste paper. ”

“After all, the system on Mu Yourong’s body was created by ye Zao himself. ”

The plan the system gave Mu Yourong was all left over from ye Zao’s playing years ago.

“Mu Yourong stood rooted to the ground, her face alternated between green and white, her hands clenched into fists. ”

She felt like a clown jumping around!

She had made ample preparations to win the favor of ZY’s founder.

She had not expected ZY’s founder to be ye Zao!

“This time, not only did she not get anything, she was even ruthlessly humiliated by ye Zao! ”

“In her past life and present life, other than the incident with song Shiyu, when had Mu Yourong ever suffered such an insult! ”

“Ye Zao placed the proposal on the table. “I don’t have time to waste on these few pieces of waste paper. ZY will never cooperate with the MU group. Brother Zhao, send the guest out!” ”

“Zhao Yang immediately did as he was told. “Miss Mu, please!” ”

Mu Yourong raised her head and looked at Ye Zao with an extremely ugly expression.

Ye Zao!

Little B * Tch!

Just you wait!

“One day, she would make ye Zao pay the price!”

Mu Yourong turned around and left in anger.

““Miss Mu, wait!” ”

“At this moment, Zhao Yang suddenly chased after her. ”

What was Zhao Yang doing here?

Could it be that ye Zao was not CEO Ye at all and the real CEO ye had already returned?

Mu Yourong’s eyes flashed with surprise.

She knew that Ye Zao was not the founder of Zy.

“Mu Yourong had just stopped when Zhao Yang stuffed a document into Mu Yourong’s hands. “Miss Mu, I forgot to take your proposal.” ”

Mu Yourong bit her lip and held the proposal tightly in her hands. Her eyes were filled with humiliation and she wished that she could strangle ye Zao to death!

In the meeting room.

“Zhao Yang looked at ye Zao. “Director Ye, I’ve seen Miss Mu’s proposal. I feel that it might not be as bad as you say.” ”

“Ye Zao did not explain. He turned on the computer in front of the meeting table and typed on the keyboard for a while. Then, he connected to the big screen behind him. “Brother Zhao, raise your head.” ”

“Zhao Yang raised his head, his eyes filled with surprise. ”

The big screen showed nothing else. It was the central point of Mu Yourong’s document.

Zhao Yang did not expect that ye Zao would memorize the contents of the entire plan in just a few quick glances.

Chapter 330: 107: it’s actually ye Zao! Confession! 4

“Ye Zao continued, “This plan seems to be tailor-made for our ZY, but it’s actually not. Look here, here, and here. After careful analysis, it’s not difficult to see that there are loopholes in all of them! “It may bring our company temporary benefits, but that’s only temporary! “If you want to create a classic and leave a deep impression in history, you have to stand tall and look far ahead!” ”

Even though the system’s plan was left over from her years of playing.

“But Zhao Yang had not experienced that era after all, and Zhao Yang was not her. ”

“Therefore, Ye Zhuo could understand Zhao Yang. ”

“Not to mention Zhao Yang, even if ten people saw it, they would think that it was an excellent plan. ”

“After a long while, Zhao Yang finally understood. “CEO Ye, I understand! I was too anxious just now!” ”

He thanked Ye Zhuo for teaching him another lesson.

Zhao Yang was a returned overseas student.

“In the past, he always thought that his professional knowledge was rich enough. It was only after meeting ye Zhuo that he realized what it meant to say that there was always someone better than him.”

Compared to Ye Zhuo.

He was just a fledgling kid.

Ye Zao had taught him a lot of knowledge that he could not learn from textbooks.

“Currently, he was also growing day by day. ”

Ye Zao was his music and also his life mentor.

““There is a process of adaptation to everything. Once you see more, you will naturally understand in the future.”In fact, Zhao Yang was very talented in business, but he lacked some practical experience. ”

“Zhao yang continued, “Right, CEO Ye, the financial statements for the new quarter have already been released. Would you like to take a look at them?” ”

Ye Zhuo nodded slightly.

“Finance was a company’s lifeblood. If someone tampered with its finances, they could take over the entire company.”

“Therefore, Ye Zhuo paid special attention to financial matters.”

...

Mu residence.

“Soldier Mu was sitting in the living room, waiting for Mu Yourong’s good news.”

“At this moment, the sound of a bicycle engine could be heard from outside the door. Soldier Mu hurriedly stood up and went out to welcome her.”

“As expected, Mu Yourong had returned!”

“Yourong!”

“Compared to soldier Mu’s beaming face, Mu Yourong’s expression was extremely ugly. “Dad.” ”

“Seeing Mu Yourong like this, soldier Mu’s heart thumped. “Yourong, what’s wrong with you? Could it be that the cooperation hasn’t been agreed upon?” ”

Mu Yourong’s proposal was so excellent that ZY had no reason to look down on it!

Just what was going on?

Mu Yourong nodded. “Yes.”

Soldier Mu’s face instantly turned pale. “Why?”

“ZY’s founder had some matters to attend to overseas and won’t be able to return to the country for a short period of time. I sent the proposal to his email. The proposal he mentioned isn’t suitable for their company.” Mu Yourong did not want to mention Ye Zao.

If soldier Mu knew that Zy’s founder was Ye Zao...

Then where would she put her face?

“Could it be that she, a true daughter with a noble bloodline, was inferior to a fake daughter who had taken over the magpie’s nest?”

No!

She could not just be trampled under Ye Zao’s feet like this.

Ye Zao should be the stepping stone for her!

Soldier Mu’s face instantly fell. “Then what do we do now? Zy isn’t willing to cooperate with us. Are we just going to watch our family’s company go bankrupt?”

“Mu Yourong narrowed her eyes. “Dad, don’t be anxious. I’ll think of something.” ”

Soldier Mu Sighed.

“At this moment, soldier Mu seemed to have suddenly thought of something. “Yourong, don’t you know Song Shiyu? Last time, he invited you to attend Old Madam Song’s banquet. How about...” ”

Song Shiyu rarely showed his face in the circle.

He was twenty-nine years old and had yet to settle down.

Mu Yourong was the first member of the opposite sex that Song Shiyu had personally invited.

This meant that Song Shiyu treated Mu Yourong differently.

Looking for Song Shiyu?

Mu Yourong frowned slightly. Wasn't looking for Song Shiyu the same as seeking death?

"However, Soldier Mu's words reminded her."

"Other than Song Shiyu, she could also look for Li Qiandong!"

She had been too anxious just now and had forgotten about Li Qiandong as a stepping stone.

"Li Qiandong had shown her that he was his bosom friend, so he would definitely not leave her in the lurch."

"Thinking of this, Mu Yourong raised a smile. "Father, I can go find young master Li!" "

"Young Master Li?" Soldier Mu asked in puzzlement. "Which young master Li?"

"Mu Yourong continued, "It's young master Li from the capital." "

"Soldier Mu widened his eyes in disbelief. "Yourong, you're talking about young master Li, who is by fifth Master Cen's side?" "

"Yes, that's him." Mu Yourong nodded. "

Soldier Mu had long heard from Mu Yourong that she would marry fifth master Cen.

“After so much time had passed, soldier Mu still thought that there was no hope for this matter. ”

Who would have thought!

Mu Yourong had actually made Li Qiandong favor her a lot!
