Chapter 331: 107: it's actually ye Zao! Confession! 5

“Li Qiandong was fifth master Cen’s best friend to begin with. Mu Yourong had even conquered Li Qiandong, so conquering fifth master Cen would definitely not be a problem. ”

It seemed that he would become fifth master Cen’s father-in-law one day!

“Thinking of this, soldier Mu’s face was once again covered with a smile. ”

Good!

Very good!

This was really too good!

“Once Mu Yourong married Fifth Master Cen, let alone the cloud capital, their MU family would also have to split half of the capital! ”

“Mu Yourong went upstairs to make some preparations. She changed out of her business suit, put on some nude makeup, and put on a light silk dress. She was prepared to meet Li Qiandong by chance. ”

“Li Qiandong looked like a playboy, but he actually paid quite a bit of attention to charity. ”

He would occasionally go to the orphanage to take a look.

“According to the system’s inquiries, Li Qiandong’s itinerary this afternoon was to go to the Angel Orphanage not far from the city. ”

Mu Yourong had to go over in advance to make preparations.

In the afternoon.

Li Qiandong and his secretary had just entered the orphanage when they saw a beautiful young woman playing chicken with the children.

“She was wearing a silk dress. As she moved, her dress fluttered in the wind, looking especially beautiful.”

“For a moment, Li Qiandong was stunned by what he saw.”

“Sensing Li Qiandong’s gaze, Mu Yourong’s eyes flashed with pride. She tried her best to make her movements and smile look more natural.”

“If Zy’s founder was also a man, then he would definitely be like Li Qiandong and become her subordinate!”

“It had to be her, and she was willing to give up everything for her.”

Who knew!

ZY’s founder was actually that little slut ye Zhuo.

“Thinking of the humiliation she had suffered, Mu Yourong’s gaze instantly became sinister and fleeting.”

“Yourong.” Li Qiandong tried his best to control his heartbeat and walked to Mu Yourong’s side.

“Big Brother Li?” Mu Yourong pretended to be very surprised as she looked at Li Qiandong. “Why are you here as well?”

“Li Qiandong said, “I’m here to see the children.” ”

“Mu yourong smiled and said, “What a coincidence. I’m also here to see the children.” ”

“The children at the side immediately said, “Sister Rong often comes to see us!” ”

“Actually, this was Mu Yourong’s first time coming. ”

The reason why the children said this was because Mu Yourong had given them benefits in advance.

“Mu Yourong had also promised them that if they cooperated well with her and finished today’s performance, she would fulfill each of their wishes! ”

Li Qiandong looked at Mu Yourong in great surprise.

He knew that Mu Yourong was a kind-hearted and good girl.

“If she really was the green tea that Cen Shaoqing was talking about, would she have come to the orphanage to visit the children? ”

1

What a pity!

“Not only was Cen Shaoqing a little blind, he also did not listen to advice... ”

Perhaps it was because powerful people had some flaws.

And Cen Shaoqing's flaw was that he could not see people clearly.

"Li Qiandong continued, "Yourong, your kindness will definitely be rewarded well." "

"Mu Yourong looked into the distance, a hint of worry appearing in her eyes. She frowned and said, "I don't ask for anything in return. I only hope that these children can lead a better life! Moreover, not everything you put in can be rewarded." "

"Seeing Mu Yourong's frown, Li Qiandong felt a little uncomfortable. "Yourong, did you run into trouble?" "

"No, Big Brother Mu, what kind of trouble could I run into?" Mu Yourong pretended to deny it firmly. "

"The more Mu Yourong denied it, the more Li Qiandong felt that there was something on Mu Yourong's mind, he continued, "Yourong, we're best friends. If there's anything, just tell me directly. As long as it's something I can help with, I'll definitely help you." "

"Mu Yourong shook her head. "It's really nothing, Big Brother Li. Thank you for your kindness." "

"Really nothing?" Li Qiandong asked, somewhat worried. "

"Really nothing."

"Speaking up to this point, Mu Yourong changed the topic and continued, "Big Brother Li, do you know what my greatest wish is?" "

"What is it?" Li Qiandong was very curious.

"Mu yourong smiled and said, "My greatest wish is that one day, there will be no orphans in our country! All children will be born into a happy family!" "

Li Qiandong felt that Mu Yourong's entire being was glowing at this moment.

"One could ask, in this world where benefits were so important, how many people could be as kind as mu yourong! So pure!"

"Mu Yourong sighed, then she said, "Brother Li, look at how cute these children are! I don't know how their parents were so cruel to throw them away! Perhaps they have their own unspeakable reasons? But no matter what happens, they shouldn't throw away their own children!" "

Chapter 332: 107: it's actually ye Zhuo! Confession! 6

"When she said the last sentence, Mu Yourong let out a deep sigh, as if her heart ached for this group of children. "

"Li Qiandong said, "People have thousands of faces, yourong. Not everyone is as kind as you!" "

"Mu yourong said somewhat embarrassedly, "Big Brother Li, you speak too well of me. Actually, I didn't do anything. I was born into a wealthy family, and I was only doing my best." "

"Li Qiandong said, "If everyone in the world thought the same as you, these orphans wouldn't be living such a poor life."Ye Zhuo was also very rich, but he had never seen ye Zhuo donate a single cent to the orphanage. "

1

Perhaps!

This was the difference between people.

“Although ye Zhuo was a god of technology and a live streamer that had become popular on the internet, she had always thought of enjoying herself. She had never thought that there were other people in this world who needed her help.”

2

Mu Yourong smiled.

“However, Li Qiandong saw an inexplicable sadness in this smile.”

““Yourong, What’s wrong with you?” Li Qiandong was very worried about her.”

“Mu Yourong sighed and raised her head to look at Li Qiandong. “Big Brother Li, can I give you a hug? Just a little!” Since she had used Li Qiandong as a stepping stone, she naturally had to give Li Qiandong some benefits.”

“From the way Li Qiandong was infatuated with her, she knew that Li Qiandong had been thinking about her for a long time!”

Li Qiandong was stunned. He had never expected that Mu Yourong would make such a request of him.

“Mu Yourong hurriedly explained in a gentle voice, “Big Brother Li, don’t misunderstand. I don’t have any other thoughts! I’m just too tired and want to give you a hug.” ”

“As she finished speaking, Mu Yourong immediately hugged Li Qiandong.”

The perfume on Mu Yourong’s body seeped into his nostrils through every orifice.

Li Qiandong’s entire body stiffened.

His heart beat faster and his face flushed red.

What should he do?

He felt as if he had fallen in love with Mu Yourong.

But he couldn't!

Mu Yourong was Cen Shaoqing's fiancée.

He couldn't take away someone else's love!

He couldn't!

Mu Yourong hugged Li Qiandong just like that and rested her chin on Li Qiandong's shoulder. The corners of her mouth revealed a trace of a smug smile.

"Seeing Li Qiandong like this, she knew that Li Qiandong had fallen deeply in love with her."

She knew that no one could resist her charm.

"Very soon, Mu Yourong released Li Qiandong. Her eyes instantly turned red. "Big Brother Li, I'm sorry. I lost my composure just now. I'll be leaving First!" "

"With that, Li Qiandong turned and ran."

She knew that her goal had been achieved!

"Next, Li Qiandong would definitely find a way to find out why she was in such a bad mood."

“Li Qiandong was still immersed in the hug just now. After a long while, he finally reacted and turned to look at his secretary. “Zhuo Hao, go and find out if something happened to the Mu Family!” ”

“Something big must have happened to the MU family. Otherwise, Mu Yourong wouldn’t be so sad ”

The secretary nodded. “Alright.”

“It was not difficult to find out about the MU family. Soon, the Secretary had an answer, he looked at Li Qiandong and said, “Young master Li, something has happened to the MU group. A project of the MU group has encountered problems. The losses are severe and they are already facing a financial crisis. They are about to go bankrupt!” ”

Li Qiandong frowned.

So that’s how it is. No Wonder Mu Yourong was so upset just now.

Sigh!

“Mu Yourong was really too kind. Something so big had happened to the MU group, yet she was actually unwilling to tell him. ”

1

“If it wasn’t for his meticulous care, wouldn’t the MU group be finished? ”

“Li Qiandong continued, “Get director Qi to make some preparations. We will immediately start cooperating with the MU Group.” ”

The only way to stabilize the morale of the army was to work with the MU Corporation to tide them over.

“Alright.”The secretary nodded.

“Before Mu Yourong reached home, Big Soldier Mu received a call from the Li Corporation, asking him to go over and discuss the matter of cooperation! ”

Big Soldier Mu was overjoyed!

His daughter was truly capable!

“Although the MU Corporation’s crisis had been resolved, Mu Yourong was not too happy. ”

“Ye zhuoming was just a piece of trash, why was he always suppressing her? ”

“And now, he had actually become ZY’s founder! ”

“At this moment, Mu Yourong suddenly thought of song shiyu, “System, is the person working with ZY the song group now?” ”

[yes.] The system replied.

“Mu Yourong narrowed her eyes, and the bottom of her eyes instantly lit up. ”

Why did song Shiyu cooperate with Zy?

Just like why did song Shiyu help the MU corporation through the crisis in his previous life.

This meant that song Shiyu already knew that Zy’s founder was ye Zao!

Song Shiyu did the same thing again.

“In her previous life, when she learned that Song Shiyu was the savior of the Mu Corporation, she had a good impression of Song Shiyu. When the Song family sent someone to say ‘kiss’, she agreed without hesitation!”

Chapter 333: 107: it's actually Ye Zao! Confess! 7

Soon!

“Things were progressing along the path of her previous life. Soon, Ye Zao would become Song Shiyu's guinea pig.”

Ye Zao would die a very pitiful death!

Ye Zao would die without a complete corpse just like her in her previous life!

“Thinking of this, Mu Yourong felt extremely comfortable.”

She was waiting for the day when Ye Zao would be tortured by Song Shiyu.

...

At the Cen residence.

Old Madam Cen was chatting with Zhou Xiang.

“Xiang Xiang, do you think there was any progress between Shaoqing and Yezi on the island last time?”

Zhou Xiang nodded. “I think there was.”

“Hearing this, the corners of old Madam Cen’s mouth curled up into a smile. She continued, “Do you think there were any scenes that were inappropriate for children when they were alone?” ”

“Zhou Xiang was a little speechless. “Mom, what are you thinking about? Our Shaoqing is a gentleman. He can’t do those things.” ”

“As a mother, Zhou Xiang knew Shaoqing too well. ”

“If he had any other thoughts, he wouldn’t still be a virgin until now. ”

“You don’t understand this, do you?” Old Mrs. Cen continued, “Don’t look at some people who appear to be pure-hearted and unlustful. They don’t care about anything. Once they are enlightened, they will be full of evil thoughts! I know the men of the Cen family too well! Back then, your father-in-law was also so gentle and refined. In fact, in the mainland, he was very evil! “Don’t tell me that your man didn’t have any fancy tricks back then. He was especially well-behaved!” ”

“If he was really well-behaved, he wouldn’t have had five children in one go. ”

“Zhou Xiang’s face blushed suspiciously. “Mom, what are you talking about!” ”

“Old Mrs. Cen said speechlessly, “Look at you, why are you blushing! You’re Not a big girl!” ”

“Just then, Cen Shaoqing walked in from outside. ”

The mother-in-law and daughter-in-law immediately stopped the topic. Zhou Xiang opened the lid of the incense burner and was ready to change to a stick of sandalwood.

“Mom, Grandma.”Cen Shaoqing took the initiative to greet the two of them. ”

“Zhou Xiang held the sandalwood in his hand. “Shaoqing, lend me your lighter.” ”

“I don’t have a lighter.”

“Where’s your lighter?”Zhou Xiang asked.

“CEN Shaoqing said concisely, “I threw it away.” ”

“Zhou Xiang said in surprise, “Why did you throw it away? Don’t you smoke anymore?” ”

“I quit.”Cen Shaoqing’s tone was indifferent.

“You quit smoking?”Zhou Xiang asked in disbelief.

“Yes.”Cen Shaoqing nodded slightly.

“This time, even old Mrs. Cen was stunned. ”

Cen Shaoqing had been smoking for more than ten years.

He quit just like that?

“Why did you quit smoking?”Zhou Xiang asked.

“CEN Shaoqing said, “Because smoking is not good for the body.” ”

Zhou Xiang and old Mrs. Cen looked at each other.

They could see the doubt in each other's eyes.

They had told Cen Shaoqing countless times that smoking was harmful to health.

But Cen Shaoqing had never listened to them seriously. He had been smoking for ten years.

Why did he suddenly stop smoking now?

There must be something fishy going on!

There must be something fishy going on!

“Shaoqing, why did you suddenly stop smoking? Did something happen?” Zhou Xiang asked.

“Nothing.” Cen Shaoqing walked upstairs.

“Zhou Xiang turned to look at Old Mrs. Cen. “Mom, do you think this is strange?” ”

“Old Mrs. Cen nodded. “Xiang Xiang, do you think it's possible that Yezi doesn't like smoking, so Shaoqing gave up smoking?” ”

“Zhou Xiang frowned. “I don't think so. Shaoqing doesn't know that he has fallen in love with Searing. He can't even be bothered to listen to us. Would he listen to Searing's words? It should be impossible, right?” ”

“Cen Shaoqing had yet to face his feelings, so how could he listen to Ye Zao's words. ”

“Moreover, from Zhou Xiang’s point of view, Cen Shaoqing was a very chauvinistic person. He would not listen to the words of a little girl. This was not in line with his style.”

“Old Mrs. Cen smiled and said, “That may not be the case. What if this is really the work of Yezi? After all, Yezi is so outstanding. If that Brat doesn’t coax Yezi, what if Yezi doesn’t want him?” ”

“Old Mrs. Cen was an optimist. No matter what, she liked to think in a positive direction.”

“Zhou Xiang said, “I hope it’s what you think, but I think the possibility is too small! It’s also possible that Shaoqing himself realized that smoking is bad, so he didn’t smoke!” ”

...

On the other side.

Ye Sen thought for a long time and finally decided to confess to Bai Wei.

He felt that Bai Wei was the girl he was looking for.

Ye Sen bought a bunch of roses and planned to confess his love to Bai Wei at dinner tonight.

“That night, Ye Sen specially came to the restaurant 20 minutes earlier and prepared everything in advance.”

“At eight o’clock, Bai Wei arrived as promised.”

“Bai Wei was still the same as before. In order to maintain her figure, she only ordered a vegetable salad.”

After dinner.

“Ye Sen looked at Bai Wei. “Bai Wei, I have something to tell you.” ”

“Go ahead.” Bai Wei took out a tissue and wiped her mouth elegantly.

“Ye Sen mustered his courage. “Bai Wei, I know what I’m going to say next might be a little abrupt, but I swear, I mean it from the bottom of my heart!” ”

A smug look flashed across Bai Wei’s eyes.

“Ye Sen was going to confess to her, wasn’t he? ”

That was great!

“Ye Sen continued, “Bai Wei, I like you! I hope you can be my girlfriend.” Speaking up to this point, Ye Sen took out the roses that he had hidden earlier. ”

“Bai Wei pretended to be very surprised. “Ye Sen, you?” ”

“”Bai Wei, I really like you!” Ye Sen handed the roses to her. ”

“I. . .” Bai Wei hesitated.

Ye Sen looked at Bai Wei with pleading eyes.

“After a long while, Bai Wei took the rose. “Then let’s... Try.” ”

“”Really?” Ye Sen was overjoyed. “Bai Wei, you accept me?” ”

“Bai Wei nodded and continued, “Have you told your sister about us? Will she not like me?” ”

“”No!”Ye Sen said, “My sister is a very good person! She will definitely like you! You will know when you see her!” ”

Bai Wei looked at ye Sen. “When are you going to take me to see your sister?”

Chapter 334: 108: go to Yunjing and meet Bai Wei! 1

Bai Wei really hoped to see ye Shu soon.

Please Ye Shu.

Make Ye Shu acknowledge her.

“Ye Sen’s conditions were too superior. God knows how many little girls were thinking of pouncing on him. If she didn’t hurry up, what would happen if ye Sen was snatched away by other vixens?” ”

“Although she was beautiful and had a good temperament, in terms of age, she was still inferior to young girls. ”

“Just last night, she realized that she was actually starting to have crow’s feet. ”

“Ye Sen continued, “My sister is really a very easy person to get along with. Don’t worry, I will bring you back to see my sister as soon as possible.” ”

“Not only was Bai Wei beautiful, but she also had a good personality. Ye Sen believed that ye Shu would definitely like Bai Wei very much.”

“Okay.” Bai Wei nodded. “Then I’ll wait for you.”

“”Oh right, this is also for you.” Ye Sen then took out a jewelry box. ”

“Bai Wei asked curiously, “What’s This?” ”

Ye Sen opened the lid. “This is a necklace that I specially went to the mall to choose. Do You Like It?”

“This was a silver platinum necklace, an internationally famous brand. ”

It could not be bought without ten thousand yuan.

“Bai Wei was someone who had worked in the underworld. She recognized the brand at a glance and quickly rejected it. “Ye Sen, we just got together. I can’t accept such an expensive item!” ”

To accept such an expensive item on the first day would inevitably make people suspicious of money.

Only if she didn’t accept it could she win ye Sen’s favor.

“Ye Sen looked at Bai Wei and said seriously, “This is the first time I’m giving you something. Whether it’s valuable or not, it’s a token of my appreciation. I hope you can accept it.” ”

“Bai Wei thought for a moment and said, “If you really want to give me a gift, I want to choose it myself.” ”

“Ye Sen nodded. “Okay, where do you want to go?” ”

“Just follow me.” Bai Wei stood up.

Ye Sen followed her footsteps.

The two of them sat in the car while Bai Wei guided Ye Sen.

“Soon, the car arrived at a very lively night market.”

“Ye Sen, park the car over there. I’ll wait for you here.” Bai Wei pushed the door open and got out.”

“Okay.” Ye Sen nodded.

Bai Wei stood where she was and waited for Ye Sen.

“Soon, Ye Sen came back.”

The two walked to the night market together.

It was obviously not Bai Wei’s first time going to a night market. She was very familiar with the environment here.

“Ye Sen was a little surprised and said, “I didn’t expect you to like going to night markets too.” ”

He had thought that a petty female like Bai Wei would definitely not come to a place like the night market.

It seemed that he was wrong.

Bai Wei was far more outstanding than he had imagined.

“Bai Wei smiled and said, “Actually, I prefer this kind of night market to shopping in high-end malls.” ”

Who Didn't like shopping in high-end malls?

Bai Wei had saved some money during her years as a princess in the KTV.

Her favorite thing was to go to the mall and live the life of a rich person.

She liked the feeling of being flattered by the shopping mall assistants.

“If it weren't for her acting for ye Sen, she wouldn't have come to a place like the night market. ”

“Bai Wei walked to a small stall and picked up a necklace. “Ye Sen, do you think this looks good?” ”

“Yes.”Ye Sen nodded.

“Bai Wei smiled and said, “Okay, then I'll take this one.” ”

“Hearing that, the stall owner immediately introduced enthusiastically, “This beauty has good taste. This is our most popular item this year. The style is novel, and it's sold out online!” ”

“How much is this?”Bai Wei asked.

“The stall owner said, “98 yuan. This model is pure silver.” ”

Bai Wei looked at ye Sen. “What Are You Waiting For? Pay Up.”

Pay Up?

Ye Sen was stunned.

He had thought that Bai Wei would bring him to the mall to personally pick it out.

He had not expected that Bai Wei would only pick a stall that was worth a few tens of yuan.

“For a moment, Ye Sen’s favorable impression of Bai Wei increased exponentially. ”

It was really rare to see a girl like Bai Wei who was not material.

Ye Sen paid.

Bai Wei handed the necklace to Bai Wei. “Help me put it on.”

“Okay.”Ye Sen nodded and took the necklace to help Bai Wei put it on.

“It was a very low-quality necklace. Bai Wei felt very uncomfortable around her neck the moment she put it on, but she had no choice but to pretend that she liked it very much. She smiled at ye Sen. “Ye Sen, do you think this necklace looks good on me?” ”

Bai Wei looked very pretty when she smiled. Ye Sen was stunned for a moment. “Yes!”

“Then let’s go over there and have a look.”

Bai Wei dragged Ye Sen to the other side.

“At about ten o’clock in the evening, Bai Wei looked at her watch. “Ye Sen, it’s getting late. I should go back. My mom will send a video to check on me later.” ”

Chapter 335: 108: I'm going to Yun Jing to meet the mother and son. I'll bump into Bai Wei! 2

"Check up on me?" Ye Sen looked at Bai Wei curiously.

"Bai Wei explained, "Although my parents aren't in Yun Jing, my family's upbringing is especially strict. Every night after 10:30, they'll send a video to see if I'm at home." "

Ye Sen nodded to show that he understood. "Then let's go back quickly."

Ye Sen drove Bai Wei back.

Bai Wei lived in a high-end neighborhood.

"Soon, they arrived at their destination. "

"I'll go back first." Bai Wei got out of the car with the Roses in her hands. "Drive slowly on the road."

"I will." Ye Sen looked at Bai Wei's back and suddenly thought of something. He continued, "Bai Wei, wait a moment." "

"Is there anything else?" Bai Wei turned around in confusion.

"Ye Sen took out the jewelry box. "Bai Wei, put this on." "

Bai Wei smiled and pulled out the necklace around her neck. "I already have this."

"But this was meant for you. If you don't want it, what should I do with it?" Ye Sen said. "

Bai Wei thought for a moment. "Give it to your sister. She's more suitable than me."

"Ye Sen smiled and got out of the car. "She'll be your sister in the future." After saying that, he stuffed the necklace into Bai Wei's hands. "What's given to You is yours. If you don't want it, throw it in the trash can." "

" "Alright, I'll go back first. Good night." "

"Bai Wei knew that she couldn't refuse, so she didn't refuse. "Good night." "

Ye Sen drove away.

"Seeing ye Sen's car leave, Bai Wei put down the disguise on her face and turned around to walk to the other side. "

"She didn't live in this upscale neighborhood at all, but in an ordinary neighborhood nearby. "

Bai Wei now lived with Li Yiyi.

"When she went back, Li Yiyi was sitting in the living room watching TV. "

"Sister Yiyi."

"Li Yiyi turned her head and saw Bai Wei walking in with a rose in her hand. She was stunned, but she immediately reacted. "Ye Sen confessed to you?" "

Bai Wei was indeed a formidable person.

The speed of her development was faster than she had imagined.

“Yes.” Bai Wei nodded.

A hint of jealousy flashed across Li Yiyi’s eyes. It was fleeting.

Yes.

How could she not be jealous?

Ye Sen was her boyfriend in the past after all.

But so what if she was jealous?

“Bai Wei smiled and walked to Li Yiyi’s side. “Sister Yiyi, look. This is the necklace ye Sen gave me. I’m giving it to you now.” ”

This could be considered as comforting.

Bai Wei knew the logic of a dead lip and a cold tooth.

Li Yiyi was unhappy.

Then her good days would come to an end.

“Li Yiyi asked doubtfully, “Giving it to me?” ”

“Bai Wei nodded. “Yes, giving it to you! Sister Yiyi, everything that I have now is given to me by you. If I don’t give it to you, who else can I give it to? We agreed to share happiness together. This necklace is just the beginning.” ”

“But this is something ye Sen gave you. What if Ye Sen asks about it?” Li Yiyi said.

“Bai Wei pulled out the necklace around her neck. “I’ll wear this one.” Anyway, she was a simple person. Wearing such an expensive necklace would ruin her character.”

Li Yiyi narrowed her eyes. “I don’t think the quality of your necklace is very good.”

“Bai Wei smiled and said, “Sister Yiyi has good taste. I bought this necklace from a street stall. Although it’s uncomfortable to wear, I think ye Sen likes it.” ”

“Li Yiyi was not an idiot. She immediately understood the trick and took the jewelry box from Bai Wei. “In that case, I won’t stand on ceremony with you.” ”

Every woman pursued big brands.

Li Yiyi had liked this brand of necklaces for a long time.

Bai Wei put the Roses aside. “No need to stand on ceremony. What’s mine from now on is yours.”

“Compared to Ye Sen’s wealth, a ten-thousand-yuan necklace was nothing?”

Bai Wei really did not care.

Li Yiyi took the necklace and was in a better mood. “Did ye Sen say when he would bring you to meet his parents?”

“Bai Wei shook her head. “He didn’t say when exactly, but he has a very good impression of me. I think it will only happen during this period of time.” ”

“Remember to perform well when the time comes,” Li Yiyi reminded. ”

“Don’t worry.” Bai Wei smiled and said, “I know what to do.” ”

“Li Yiyi nodded, and a calculative look flashed in her eyes. “That’s good.” ”

...

On the other side.

“Ye Sen was in high spirits at happy events. On the way home, he even bought a fried chicken and iced coke. ”

Ye Shu happened to come back from the restaurant and bumped into Ye Sen at the entrance of the apartment building.

“Sis!” Ye Sen hummed a little tune to greet her.

Ye Shu saw the smile in Ye Sen’s eyes. “What Good Thing Happened?”

“Chapter 336: 108: heading to Yun Jing, mother and Son meet and bump into Bai Wei’s true face! 3”

“Ye Sen pretended to be mysterious and said, “Sister, Guess.” ”

“Did you sign a big ticket?” Ye Shu looked at Ye Sen.

“No.” Ye Sen shook his head.

Ye Shu looked at him. "Did you win the lottery?"

"The two of them walked and talked. After a while, they reached the door of their house. Ye Sen reached out and knocked on the door. "No, I stopped buying lottery tickets a long time ago! Sister, Guess again." "

"Ye Sen used to have dreams of getting rich overnight, so he often bought lottery tickets. "

"Ever since he took over Sheng Dong Express, he had been focused on the company and never bought lottery tickets again. "

None of these were true? !

Could it be...

Ye Shu narrowed her eyes. "Are you in a relationship?"

"Sister!" Ye Sen was amused. "You are so smart! You are indeed my biological sister!"

"Just then, little white opened the door from the inside. "

Ye Sen let little white take the slippers.

After changing the slippers.

"Ye Shu looked at Ye Sen and said in disbelief, "Really? You really found a girlfriend?" "

"After the incident with Li Yiyi, Ye Shu thought that ye Sen would need a long time to recover from that relationship. "

She didn't expect it to be so fast.

""Yes, I really did!"Ye Sen nodded. "

"Ye Shu immediately asked, "Where is the girl from? How Old is she? What does she do?" "

"As her elder sister, Ye Shu was most worried about Ye Sen's life. "

"When she heard the news, she was quite happy. "

Ye Sen put the fried chicken on the table. "She is a local of Yunjing. She is 28 years old this year and is a dance teacher."

""Nice to meet you, teacher! Teacher teaches and educates people. She's reasonable and is the gardener of our country!"Ye Shu continued, "By the way, how long have you two been in a relationship? Have you met her family?" "

"Ye Sen continued, "We've known each other for almost three months and only confirmed our relationship today. She's a very simple girl." "

"At this moment, ye Zao walked out of the house with a popsicle in his mouth. "

""Mom, uncle, what are you guys talking about?" "

"Ye Shu smiled and said, "Zao Zao, your uncle found you an aunt." "

"Aunt?"Ye Zao raised his eyebrows slightly. "Really?"

Ye Sen pulled out a large drumstick and handed it to Ye Zao. "Of course it's true! How can such a thing be fake?"

“Uncle, how long have you known each other?” ”

“Ye Sen smiled and said, “Why do you two like to ask the same question? I’ve known her for almost three months.” ”

“Ye Zao frowned slightly. “You’ve only known her for less than three months and you’ve already confirmed your relationship? Uncle, you’ve already suffered a loss once. This time, you must keep your eyes wide open.” ”

The incident with Li Yiyi made ye Sen sad for a long time.

It had only been three months. How could he know the other party’s background?

What if he was deceived again?

“Ye Sen said, “Eldest niece, don’t worry. I definitely didn’t misjudge the person this time!” ”

“Uncle, the word ‘bad person’ won’t be carved on the face of a bad person.” Ye Zao took a bite of the drumstick and casually put the popsicle on the table. ”

“Ye Shu continued, “Zao Zao is right. Some people hide their thoughts very deeply. Oh right, how did you two meet?” ”

“Ye Sen talked about how he met Bai Wei, he patted his chest and said, “Sister, Zao Zao, don’t worry! “Although Bai Wei and I have only known each other for a few months, Bai Wei is really not the kind of person you think she is! “You will know when you see her! “I believe that when you see her, you will immediately fall in love with her! “Bai Wei is the kind of person who makes people feel very comfortable at a glance.” ”

Ye Sen believed that Bai Wei was not the kind of evil woman who was blinded by greed.

“If Bai Wei was really that kind of person, she would not have gone to the carpet tonight to pick out a necklace that was worth dozens of dollars. ”

She could have gone to the mall to pick out an expensive necklace.

But she did not.

“Although ye Sen had made a solemn vow, Ye Zhuo still did not have a good impression of Bai Wei, whom he had never met before, “It’s said that looks are born from the heart, but that’s not the case. Some people may look bitter and mean, but they are actually kind-hearted and very easy to get along with. On the contrary, some people may look very kind-hearted, but they are not necessarily kind-hearted!” ”

“Ye Zao had lived for two lifetimes, so what kind of people had he not seen before? ”

She always felt that ye Sen and Bai Wei’s meeting was too coincidental...

“After all, there was another word called hypocrisy. ”

“”I think what Zao Zao said is very right!”Ye Shu nodded, “Ye Sen, you’ve only known each other for three months, so you don’t know each other very well. There are some things that you should pay more attention to. Observe her personality and see if it’s as you imagine.” ”

“Chapter 337: 108: head to Yunjing, meet the mother and son, and bump into Bai Wei’s true face! 4”

“Ye Sen liked Bai Wei very much, and had never doubted Bai Wei, “Sister, zhuoluo, I can assure you that Bai Wei is not that kind of material girl. She doesn’t want money, she doesn’t want money! I know it’s useless to say anything now. When you meet her, you’ll know that I’m not lying.” ”

“Since Bai Wei could live in a high-end residential area, it meant that she did not lack money at all. ”

“Since she did not lack money, why would she need money?”

“Ye Zhuo was quite curious about Bai Wei. He raised his eyebrows slightly. “Uncle, when are you going to bring her back for us to see?” ”

“Ye Sen smiled and said, “Since you want to see your future aunt so much, I’ll find a time to bring her back for you to see.” ”

...

Beijing.

The summer vacation was already halfway over.

Lin Ze knew that he couldn’t wait any longer.

He had to make another trip to Yun Jing!

Lin Ze carried the pastries that he had personally made to old Mrs. Lin’s room. “Grandma.”

“Ah Ze is here.” Old Mrs. Lin sat up from the bed.

“The weather in Beijing had been bad recently. Her rheumatism had been acting up, and she felt uncomfortable all over. ”

“Lin Ze walked to the bedside and sat down. He handed the pastry to old Mrs. Lin. “Grandma, this is my first time learning how to make pastries. Please try it. I know you have bad teeth, so I specially made it soft.” ”

“In order to make old Mrs. Lin Happy, not only did she have to know how to say nice things, but she also had to know how to do nice things.”

“Old Mrs. Lin smiled and picked up a piece of pastry. She smiled and said, “As long as it’s made by Ah Ze, I like to eat it.” ”

“When the pastry entered her mouth, it was soft and melted immediately. The taste was very good.”

“From this, it could be seen that Lin Ze had also spent a lot of effort on the pastry.”

Old Mrs. Lin was full of praise.

“Lin Ze considered his words in his heart. Instead of sneaking off to cloud capital, he might as well tell old Mrs. Lin openly, “Grandma, Mozzie, Fat Tiger, and dog two are going to form a group to go to cloud capital to play. I want to go too.” ”

Yun Jing?

“Old Lady Lin frowned and her expression instantly turned ugly. She immediately put down the pastry in her hand and asked, “What are you going to Yun Jing for?” ”

“Lin Ze was stunned and said somewhat at a loss, “Did I make you angry in some way? Or is there a problem with going to Yun Jing?” ”

Only then did Old Lady Lin realize that her reaction was a little too extreme.

“After all, Lin Ze still did not know anything.”

“Thinking of this, Old Madam Lin’s expression eased up a little. She continued, “Yun Jing is a poor place with no birds in the sky. It’s not even half the size of our capital! What’s there to be fun about?” ”

Unruly people came out of the mountains and rivers.

Ye Shu was one of them.

“Lin Ze continued, “Actually, the fairy peak in Yun Jing is quite fun! “Unfortunately, I only played half of it last time. Oh right, grandma, I also heard that there is a very effective temple in Yunjing. Your Health is not good, so I want to go to that temple and burn some incense so that the bodhisattva can bless your health and live a long life! “Mozzie, fat tiger, and buttface are all going to burn incense and pray for their grandma! “Other grandmas have some, but my grandma must have some too!” ”

“Hearing this, Old Mrs. Lin was extremely touched. ”

So the child wanted to be filial to her.

“When one was old, they wanted to see the younger generation be filial to them the most. ”

““Grandma, I’ve Never Done Anything for you in my entire life. Please let me go!” ”

Old Mrs. Lin looked at Lin Ze. “How many days are you guys going to spend there?”

““About ten days,”Lin ze replied. ”

“Ten days is that long?”Old Mrs. Lin frowned.

“Lin Ze continued, “There are many tourist attractions in Yun Jing that are worth checking out. Ten Days isn’t much. Grandma, I Know You’re worried about me! But I’m not a child anymore. I can take care of myself!” ”

Old Mrs. Lin hesitated for a moment.

“She was afraid that Lin Ze would run into ye Shu in Yun Jing, and she was also afraid that if she didn’t agree to Lin Ze’s request, Lin Ze would let his imagination run wild.”

It had already been so many years. Perhaps ye Shu was no longer in the cloud capital?

“Besides, the mother and son had never seen each other before. Even if they did run into each other, they might not be able to recognize each other.”

It was not a big deal to keep holding Lin ze back and not letting him go to the cloud capital.

Old Mrs. Lin narrowed her eyes and a calculative look appeared in her eyes. “Then go ahead. I’ll get the housekeeper to pack up some things for you later.”

“After saying that, old Mrs. Lin continued, “That dog two, if it can be broken, it should be broken! He and you are not from the same world.” ”

“A flash of displeasure flashed through Lin Ze’s eyes, but he did not show it. He only said, “Grandma, dog two got second place in the college entrance exam in the capital.” ”

“Chapter 338: 108: Head to Yun Jing, mother and son meet, bump into Bai Wei’s true face! 5”

Second place...

One place higher than Feng Xianxian.

Old Mrs. Lin was instantly speechless.

“The next day, Lin Ze, Li Wen, Fatty Hu, and dog two boarded the plane to Yun Jing.”

It was different from last time.

“This time, Lin Ze went openly. ”

“Four and a half hours later, the plane landed on time at the airport. ”

The four of them pulled their suitcases out of the airport.

“Fat Tiger’s family had relatives in Yun Jing, so he wasn’t too unfamiliar with Yun Jing. “Let’s go to the hotel first, then we’ll set off in the afternoon to play.” ”

“Okay.”Lin Ze nodded.

“Knowing that they had a small tail behind them, the other three tried their best not to talk about Lin Ze’s biological mother. ”

“It was the first time that dog two and Li Wen had come to Yun Jing, so they were amazed. “So Yun Jing is so prosperous. I thought that Yun Jing was many times behind our Jing City!” ”

Yun Jing was a very old and charming city. The tourism chain had driven the development of the entire city.

“Fat tiger smiled and said, “Don’t think that Yun Jing is small, but there are a lot of rich people in Yun Jing!” ”

The four of them chatted and laughed until they reached the hotel.

“It was not until they closed the door that Li Wen said, “What about brother Ze? With people following us, how are you going to find Auntie?” ”

“Although the four of them were not that old, their acute senses were not inferior to anyone else’s!”

Lin Ze frowned slightly. “We’ll go to the temple in the afternoon and wait and see.”

Li Wen nodded.

“In the afternoon, the four of them went to the temple to burn incense and pray for their respective grandmothers.”

Old Madam Lin was especially happy when she heard about this.

The first thing Lin Ze did when he went to Yun Jing was to go to the temple to burn incense and pray for her. How could she not be happy?

“This meant that he had put himself, his grandmother, first!”

““Alright, you don’t have to follow Ah ze tomorrow! It would be bad if ah ze found out,” said old Mrs. Lin.”

The butler nodded.

Feng Qianhua and Feng Xianxian came on time to deliver the health soup to Old Mrs. Lin.

““Qianhua, you’re here! Xianxian, come over quickly. Come and sit with Grandma.” Old Mrs. Lin waved at Feng Xianxian kindly.”

“As there had never been a girl at home, Old Lady Lin liked Feng Xianxian no matter how she looked at it.”

She felt that Feng Xianxian was her biological granddaughter.

“Grandma Lin.” Feng Xianxian walked over with a smile.

“Old Lady Lin smiled and said, “You Child, how many times have I told you! In the future, you’re not allowed to call me grandma Lin, you’re allowed to call me grandma.” ”

“Hearing this, Feng Xianxian’s face showed a somewhat troubled expression. “Grandma, this is a little against the rules...” ”

““What’s against the rules? If I say it’s against the rules, it’s against the rules!” Old Lady Lin held Feng Xianxian’s hand. ”

“Feng Xianxian immediately called out sweetly, “Grandma!” ”

“Hey! Grandma’s good granddaughter!” Old Lady Lin was overjoyed.

“With Feng Qianhua and Feng Xianxian, the house was immediately filled with laughter. ”

Old Lady Lin was very happy.

This family could only be called a home with Feng Qianhua and Feng Xianxian.

“When Feng Qianhua and Feng Xianxian were not around, the house was cold. ”

How was it like a Home?

“After Lin Ze and the others returned from the temple, they were surprised to find that their tails had disappeared. ”

Back to Beijing?

Lin Ze turned on his computer and hacked into the hotel's internal system. He found that they had already checked out.

“Mozzie, fat tiger, and Buttface.” Lin Ze looked up at the three people who were playing landlord.”

“What happened to brother Ze?” The three people looked up in confusion.

“Lin Ze continued, “The person my grandmother sent to follow me has disappeared. You guys go and play tomorrow. Remember to buy me a tourist souvenir.” ”

“Disappeared?” Buttface asked curiously, “Where did they go?” ”

“They should have returned to the capital.”

“Fat tiger added, “Brother Ze, why don't we accompany you to look for them?” ”

Li Wen and dog two nodded.

“Lin Ze said, “There's no need. You guys go and play. Remember to take more photos. Otherwise, it'll be hard to explain when you go home. Besides, I don't even know who my mother is. You guys won't be able to help much.” ”

“Alright!”

“The three of them continued to play landlord. Lin Ze lay on the sofa and sent a wechat message to ye Sen. [Uncle Ye, I'm here in Yunjing.] ”

“Ye Sen happened to be chatting with Bai Wei. When he saw Lin Ze's wechat message, he immediately replied, [already here?] ”

Lin Ze: [yes.]

“Ye Sen continued to reply, [then we’ll have time to meet.]”

[Okay.]

The next day soon arrived.

“Early in the morning, Lin ze set off. ”

“Lin Ze did not know anything, so he naturally did not get any news that day. ”

But he was not discouraged.

“He believed that as long as he persevered, he would definitely be able to find his mother. ”

On the other side.

“Chapter 339: 108: Head to Yun Jing, meet the mother and son, and bump into Bai Wei’s true face! 6”

“Because ye Shu had been urging ye Sen to bring Bai Wei back to meet her as soon as possible, ye Sen told Bai Wei about this matter. ”

“Hearing this, Bai Wei was extremely happy. ”

She could finally meet ye Shu.

“But she still pretended to be very nervous. “Ye Sen, what if your sister doesn’t like me? Will you break up with me?” ”

“Ye Sen smiled and said, “You’re So Nice. It’s impossible for my sister not to like you.” ”

“In Ye Sen’s eyes, Bai Wei was a rare good girl. ”

Bai Wei’s face was full of shyness. “I’m not as Nice as you say.”

“Ye Sen continued, “Then this Sunday morning. Do you have time? If you have time, I’ll pick you up!” ”

“Bai Wei hesitated for a moment. “I have two classes on Sunday morning, but it’s okay. I’ll just switch with another teacher.” ”

“Okay.”Ye Sen nodded.

“Because Bai Wei was going to be a guest on Sunday, on Saturday.., ”

ye Shu was ready to take ye Zhuo to the mall and prepare a welcome gift for her future sister-in-law.

“Because it was Saturday, there were a lot of people in the mall. ”

“Ye Zao held ye Shu’s arm and led her to a high-end skincare shop. “Mom, go buy some skincare products! Although your skin is in good condition, you are at the age where you should take care of it.” ”

“Ye Shu was 39 years old this year. Although there were no signs of aging on her face, if she didn’t take care of it, she would age very easily! ”

“Ye Shu originally wanted to refuse, but after hearing what ye Zao said, she didn’t refuse and followed ye Zao to the store. ”

“This was a very big brand skincare store. Sister counter was very perceptive. When she saw ye Shu and her daughter, she immediately greeted them warmly, “Ladies, what would you like to see?” ”

“Ye Zao smiled and said, “This is my mother. Please recommend some moisturizing and wrinkle-resistant outfits to her.” ”

Sister counter immediately introduced them to Ye Shu.

“Ye Shu listened very seriously. “Alright, this one then.” ”

“Seeing that ye Shu was so straightforward, sister counter immediately recommended other suits to Ye Shu. “There’s a recent event. If you buy this suit together with the one that you’ve just taken a fancy to, you can enjoy a discount of 85% .” ”

“Ye Shu knew the marketing methods of the merchants. She smiled and said, “I’ll take this one first! I’ll buy it again when I’m done.” ”

“The shopkeeper was a tactful person. Hearing this, she immediately didn’t say anything more. She wrapped the things up and brought ye Shu to pay the bill. ”

“Ye Shu originally wanted to bring Bai Wei a set too, but she didn’t know what kind of Skin Bai Wei had, so she didn’t buy it for her. ”

“Slap!”

“In the originally quiet environment, a crisp slap was suddenly heard, followed by a sharp and mean voice: ”

““Where’s your store manager? Quickly call her over, I want to file a complaint against you!” ”

This voice instantly attracted the attention of all the customers in the store.

Everyone turned to look at the source of the sound.

“However, not only did the main character of the incident not restrain himself, he became even more arrogant, looking like he was high and mighty.”

“Half of the shopkeeper’s face was red and swollen after being slapped by her, and she lowered her head and sobbed.”

“The store manager quickly ran over from the other side. “Miss Bai! This employee is new. She was careless and brought you unhappiness. I’m really sorry! Little Wang, hurry up and apologize to Miss Bai!”

This Miss Bai was called Bai Wei.

Bai Wei was a senior member of their store. She would come over every month to do maintenance.

“She was generous. Naturally, the store manager would not offend a senior member like Bai Wei because of an employee.”

“Therefore, no matter whose fault it was, it was the employee’s fault!”

“The employee who was beaten looked up at the store manager and said aggrievedly, “Store manager, this has nothing to do with me. She was the one who hit me first...””

“The store manager frowned and berated coldly, “Little Wang! Do you want to quit? !””

“The wages of high-end skincare stores were very high, and the commission was also high. Occasionally, there would be customers who gave tips.”

“Back then, Little Wang had gone through a lot of trouble to become a shopkeeper. Naturally, she did not want to lose her job. At that moment, she could only endure the grievance and apologize.”

“In the world of adults, what was the point of being wronged? ”

“Although Little Wang apologized, Bai Wei was still a little dissatisfied. ”

“The store manager then took out a beautiful gift box, “Miss Bai, for the sake of her being a new employee, adults should forgive her for her wrongdoings! “Oh right, this is a new model that just arrived in our shop. It has a very good hydrating effect!”! “I’m giving it to you now. I know that just a set of hydrating products will definitely not catch your eye, Miss Bai. Please take it as a small gift from our shop. Please accept it.” ”

“Chapter 340: 108: Head to Yun Jing, meet the mother and son, and bump into Bai Wei’s real face! 7”

“Bai Wei’s vanity was well satisfied by the manager. She reached out and took the skincare products. “Since manager Zhou has said so, I’ll forgive her this time!” ”

““Thank you, Miss Bai.”The manager bowed again. ”

“Bai Wei turned to look at Little Wang, her eyes full of contempt, “You’re called Little Wang, right? Remember to be smart when you do things in the future. Do you know what brand my shoes are? Can you afford to pay for them if they’re damaged? I think the biggest thing you can do in your life is to be a lowly shopkeeper!” ”

“Unlike her, who was about to fly to a branch and become a rich lady. ”

Bai Wei raised her chin and walked out of the door.

“In the shop, the shopkeeper didn’t look too good. ”

How could the shopkeeper be so humble? !

“Ye Shu, who had witnessed the whole process, also frowned slightly.”

It could be seen that Miss Bai was not an easy person to get along with.

“After buying the skincare products, the mother and daughter went to the jewelry store on the third floor and picked out a bracelet for Bai Wei.”

“As everyone knew, a woman’s wardrobe was always short of a piece of clothing, so after leaving the jewelry store, the two went to the clothing store on the fourth floor.”

It was not until four o’clock in the afternoon that the two of them returned with a full load

“Ye Zhuo had not gotten his driver’s license yet, so ye Shu did not know how to drive, so the two of them had to take a taxi home. Ye Zhuo suggested, “Mom, if you are free, you can learn to drive.” ”

“Learn to drive?”Ye Shu was stunned.

“Ye Zhuo nodded. “You often go on business trips, so it’s more convenient for you to learn to drive.” ”

These words were true. It was inconvenient to go anywhere without knowing how to drive.

“Ye Shu continued, “At my age, is it easy to learn a driver’s license?” ”

“Learning a driver’s license was a young matter. She was already 39 this year, and Ye Shu was worried that she wouldn’t be able to learn it.”

“Ye Zhuo chuckled. “How Old Are You? If people who don’t know heard you, they would think that you’re already 70 or 80! Actually, learning to drive is especially easy! It’s not difficult at all.” ”

“Compared to a bicycle, which one is easier?” Ye Shu asked. ”

“Before coming to this world, ye Zhuo had only seen bicycles on the computer, so he said, “Of course a car is easier.” ”

“Really?” Ye Shu asked in surprise.

Ye Zhuo nodded. “Of course it’s true.”

“Ye Shu said, “Then I’ll find some time to get a driver’s license.” ”

“Ye Zhuo nodded slightly and continued, “Mom, I just called for an online car booking. Wait here for the car. There’s a milk tea shop in front. I’ll go buy two cups of milk tea. What flavor of milk tea do you want?” ”

“Red bean milk tea will do,” ye Shu said. ”

“Okay.” Ye Zhuo ran to the milk tea shop.

“Ye Zhuo had just left when a seventeen or eighteen-year-old boy walked over from behind. “Auntie, you dropped your wallet.” ”

Ye Shu raised her head slightly and was stunned when she saw the youth’s face.

This child...

Looked so familiar.

“Right at that moment, ye Shu suddenly remembered that this child was the top scorer of the Beijing College entrance examination that she had seen on television. ”

He looked too much like that person from back then.

His shadow could be seen between his brows.

Ye Shu was slightly startled when she suddenly remembered that person.

Was the youth in front of her really his child?

“Ye Shu wasn’t the only one who was surprised, but also Lin Ze.”

Lin Ze didn’t expect that the owner of this phone was actually the aunt he saw on TV the last time.

Because his mother was in Yunjing.

“Therefore, he remembered everything about Yunjing very clearly.”

“At that time, he even suspected that this aunt might be his mother.”

“Now that he thought about it, it was impossible.”

“This Auntie’s daughter was the same age as him, and she was also this year’s college entrance examinee.”

How could she give birth to two children of similar age at the same time?

It was very obvious.

The timing did not match.

“Auntie, is this your wallet?” Seeing that Ye Shu did not speak for a long time, Lin Ze spoke again. ”

“Only then did Ye Shu react. She nodded and said, “It’s my wallet.” ”

“Lin Ze continued, “To confirm if this wallet is yours, can you tell me what’s in this wallet?” ”

“Ye Shu said, “In addition to the card and the money, there’s also a photo of me and my daughter. You can open it and take a look.” ”

Lin Ze opened the wallet and indeed saw the photo in the wallet.

“Auntie, here’s your wallet back.” ”

“Thank you.” Ye Shu took it with both hands.

Lin Ze smiled. “You’re welcome.”

“When the youth smiled, there was a faint dimple on the side of his face, which overlapped with the person in his memory. ”

Could it be that this was really that person’s child?

“Ye Shu continued, “Young man, there’s a milk tea shop in front. To express my gratitude, I’ll treat you to a cup of milk tea, okay?” ”

“Lin Ze was not in the mood to drink milk tea now that his mother was nowhere to be found. “Aunty, I appreciate your kindness, but I have something urgent to attend to. I’ll be leaving first!” ”

“With that, Lin Ze turned around and left. ”

Ye Shu looked at his back and her eyes suddenly became dry.

“Not long after Lin Ze left, Ye Zhuo came over with two cups of milk tea. As soon as she walked over, she felt that something was wrong with ye Shu’s expression. “Mom, What’s Wrong?” ”

“Nothing.”Ye Shu quickly reacted.

“Ye Zao handed the milk tea to Ye Shu. “Mom, are you really okay?” ”

“Ye Shu smiled and said, “Look at you asking. What could be wrong with your mom?” ”

“Although ye Shu said so with a smile on her face, ye Zao still felt that something was wrong. “Mom, are you hiding something from me?” ”

“The car is here!”Ye Shu changed the topic at the right time.

“A Volkswagen also happened to stop in front of them, so ye Zao didn’t ask any more questions. ”

The next day arrived in the blink of an eye.

Ye Sen brought Bai Wei to the Ye family as a guest.

“Seeing the car drive to a very ordinary neighborhood, Bai Wei frowned slightly. wasn’t Ye Sen Very Rich? ”

Why did he live in this shabby place?

“Although she was puzzled, she didn’t ask too much. Anyway, she just needed to know that ye Sen was very rich. ”

“In order to leave a good impression on ye Shu today, Bai Wei specially dressed up. She wore a well-fitting fragrance suit and a pair of high heels that were neither tall nor short. ”

She even bought a gift for ye Shu.

She was prepared to make sure nothing went wrong.

“Ye Sen brought Bai Wei to the door of his home. Before knocking on the door, he turned to Bai Wei and said, ”

““This is my home. Today, my sister and my niece are both at home. Don’t be nervous. They are very easy to get along with.” ”
