“Chapter 341: 108: Smart Big Blaze, just break up, CEO’s wife Super Ness! 1”

Bai Wei was still a little nervous. She tidied her collar and tidied her hair. “Do you think I can do this?”

“This time, she wasn’t pretending to be nervous. ”

She was really a little nervous.

What if ye Shu was a difficult person to get along with?

“Ye Sen nodded. “Yes, she’s very beautiful!” ”

Bai Wei took ye Sen’s arm. “Then let’s go in quickly.”

“Okay.”Ye Sen reached out and knocked on the door.

“Bai Wei was a little nervous outside, but ye Shu was also very nervous inside. ”

“After all, this was the first time ye Sen brought a girl back. ”

Ye Shu put the cut fruit platter on the table.

“At this moment, there was a knock on the door. ”

Little White walked over to open the door.

“Ye Shu quickly said, “I’ll do it! I’ll do it! Little White, Go Get Burning!” ”

“Okay.” Little White slid into the room.

Ye Shu jogged over to open the door.

“Sis,” Ye Sen said with a smile. ”

“Bai Wei also called out, “Sis.” ”

Ye Shu responded and looked up at Bai Wei. The smile on her face was a little stiff.

“She was indeed very beautiful and had a gentle temperament, but why did Bai Wei look familiar. ”

As If... she had seen her somewhere before.

“At this moment, ye Shu suddenly remembered. Wasn’t this the woman who slapped the shopkeeper in the mall yesterday? ”

Was it her?

Or was she mistaken?

Ye Shu frowned slightly.

“Although her first impression of Bai Wei wasn’t very good, Ye Shu didn’t embarrass Bai Wei. After all, everyone who came was a guest. She smiled and said, “Come in quickly.” ”

What if she was mistaken?

She could not wrongly accuse the girl.

“Although ye Shu already had some doubts about Bai Wei, Bai Wei did not recognize ye Shu.”

She also did not know that ye Shu had seen her yesterday.

“Bai Wei held ye Shu’s arm very intimately. “Sister, you really take good care of yourself! If you walk out with Ye Sen and say that you are his sister, no one will doubt you.” ”

Bai Wei’s greatest advantage was that she could talk.

“She could talk to people, but she could talk to ghosts.”

“Ye Shu smiled and looked at Bai Wei. “You take good care of yourself too. You usually use perfect skincare products, right?” ”

Perfect was the shop that ye Shu went to yesterday.

“Bai Wei nodded and said in surprise, “Yes! SIS, don’t tell me you use the same brand as me?” ”

Ye Shu was stunned.

So she didn’t recognize her wrongly.

Bai Wei was the Miss Bai who slapped the shopkeeper sister yesterday.

“The Bai Wei today and the overbearing Miss Bai yesterday were completely different. If they hadn’t seen it with their own eyes, no one would believe that they were the same person.”

“Perhaps, there was some misunderstanding about this matter?”

“Ye Shu frowned without leaving a trace and continued, “Come in and sit.” ”

“Perfect skincare products are not bad! The moisturizing and anti-wrinkle effects are very good. No wonder you take such good care of yourself! I can’t tell your real age at all!” Perfect skincare products were not cheap.

Ye Shu naturally could not afford to use such skincare products with a burden on her.

“Without even thinking, she must have used ye Sen’s money. ”

“The mother and daughter Ate Ye Sen’s and used ye Sen’s, but now she, the future mistress, was actually trying to please her! ”

How infuriating!

A sullen look flashed across Bai Wei’s lowered eyes.

“But now, she had not registered with Ye Sen, so she could only endure these grievances. ”

“Coming to the living room, Ye Shu said to Ye Sen, “Quickly bring some fruit for Miss Bai to eat.” ”

Ye Sen nodded and handed a watermelon to Bai Wei. “Just treat this place as your home. Take whatever you want to eat. Don’t stand on ceremony.”

“Bai Wei took the watermelon and said with a smile, “Sister, you can just call me Bai Wei or Xiao Wei.” ”

“Ye Sen smiled and said, “Yes, yes, yes. We’re all family. It’s too strange to call Miss Bai.” Ye Sen was going to marry Bai Wei. Otherwise, he wouldn’t have brought Bai Wei home so quickly. ”

Family?

“Perhaps because of yesterday’s incident, Ye Shu couldn’t like Bai Wei at all. She always felt that Bai Wei wasn’t a good girl.”

Ye Shu picked up the cup and took a sip of tea. “You’ve only known each other for three months. It’s a little early to say this.”

An awkward look flashed across Bai Wei’s face.

She was very angry in her heart!

Ye Shu was just a pitiful wretch who lived under someone else’s roof. What right did she have to give her a look?

It was really disgusting!

Ye Sen was also a little puzzled.

Ye Shu was usually a person who was easy to talk to. Why was she acting a little strange today?

Could it be that she didn’t like Bai Wei?

Or was there a hidden reason?

“Ye Shu and he were siblings for many years, and he knew that Ye Shu wasn’t the kind of person who would change her face just like that.”

“Chapter 342: 108: The Smart Big Scorch, let’s just break up. CEO’s wife, Chauness! 2”

There must be a reason for this.

“At this moment, Ye Sen could only change the topic with a smile. “SIS, Where’s Scorch?” ”

“Ye Shu said, “She should be in the house. I’ll go get her.” ”

Ye Shu had just stood up from the sofa.

“Speaking of the Devil, the Devil had arrived. ”

“Ye Scorch walked out of the house. “Mom, Uncle.” ”

“As he looked around, he noticed that there was an unfamiliar woman in the room. ”

This is Bai Wei?

Ye Zao raised his eyebrows slightly.

“Almost like ye Zao, he immediately recalled the scene that happened in the skincare store yesterday. ”

“Ye Sen smiled and introduced ye Zao. “Zao, this is your Aunt Bai. Bai Wei, this is my eldest niece.” ”

“Bai Wei immediately stood up from the sofa. A look of amazement flashed across her eyes. “This is Zao Zao! She’s so beautiful! Hello, Zao Zao, my name is Bai Wei. I’ve heard so much about you from your uncle!” ”

“Bai Wei had been in the nightclub for so many years, but she had never seen such a beautiful girl.”

Beautiful.

She was really too beautiful.

“If this was in their nightclub, it would be the brightest star in the night sky, the kind that was sought after by tens of thousands of people.”

“Hello, Auntie Bai,” ye Zhu greeted politely.”

Bai Wei frowned.

Ye Zhu was just a nineteen-year-old child.

But she felt an inexplicable pressure.

It was very strange.

That feeling was like seeing the supreme leader of a nightclub.

She felt a little weak.

She didn't even dare to look up at Ye Zao.

Bai Wei lowered her head to look at herself.

“She didn't say anything wrong, and she didn't offend the mother and daughter.”

She was well-dressed too...

But why did her heart feel like it was weighed down by a big stone?

“Ye Shu looked at Bai Wei and asked, “What does your family do?” ”

Ye Shu only had a rough idea of what happened yesterday.

She was afraid that she would misunderstand Bai Wei.

She couldn't just kill her with one blow.

“Bai Wei continued, “My father is a university professor, and my mother is an archaeologist. They are currently living abroad.” ”

“In fact, Bai Wei's parents were just a pair of very ordinary farmers. ”

Ye Shu nodded. “Then your family is a scholarly family! How many brothers and sisters do you have?”

““I'm an only child.”Bai Wei continued, “That's why I'm very envious of Ye Sen for having such a good sister like you!” ”

Ye Shu smiled.

“Seeing that ye Shu did not reply, Bai Wei immediately changed the topic. “Oh right, sister, I brought you a gift. It's a small token of my appreciation. I don't know if you like it.” ”

“As she spoke, Bai Wei took out the gift that she had prepared earlier. ”

It was a brand-name lipstick.

No woman could resist a lipstick.

“Ye Shu declined politely. “I appreciate your kindness, but I don’t know how to put on makeup very well. You can keep it for yourself.” ”

“Bai Wei placed the gift box on the table. “Sister, I’ve brought it with me. Please accept it.” ”

“Ye Sen immediately spoke up for Bai Wei. “Sister, this lipstick has been chosen by Bai Wei for a long time. Just keep it.” ”

“But I really don’t need it.”Ye Shu stood up. “You guys chat first. I’ll Go Cook.”

““Sister, let me help you!”Bai Wei immediately stood up as well. ”

Ye Shu refused. “No need. The kitchen is too smoky. Don’t get your clothes dirty.”

“It’s okay. I often cook at home.”

“This time, Ye Shu looked at Bai Wei in surprise. ”

“Logically speaking, a girl who often cooked at home and loved life would not have a bad personality. ”

Why would Bai Wei...

Could it be that she misunderstood Bai Wei?

Ye Shu and Bai Wei went to the kitchen to work.

Only Ye Sen and ye Zhuo were left in the living room.

“Ye Sen looked at Ye Zhuo. “Eldest niece, do you not like Bai Wei very much?” ”

“Yes.”Ye Zhuo nodded slightly.

Ye Sen was stunned. He did not expect ye Zao to be so Frank.

“Why don’t you like her?”Ye Sen continued to ask.

“Ye Zao picked up an apple. As he chewed on it, he told her about what he saw in the mall yesterday. ”

“Hearing this., ye Sen said, “Eldest niece, did you guys misunderstand Bai Wei? I have known Bai Wei for a long time. She is not the kind of person to throw a tantrum! “If that cabinet lady was in the wrong first, Bai Wei could have been forgiven for giving her a slap out of anger.” ”

“After saying that, ye sen continued, “Eldest nephew, you only saw Bai Wei beating someone up, but you didn’t see the cause of the incident. It’s not good to take things out of context, right?” ”

It was normal for people to lose their temper when they were very angry.

Beauty was in the eye of the beholder. Ye Sen believed that Bai Wei was not the kind of person who would lose her temper for no reason.

“Ye Zao took a bite of the apple, then he said, “Although we didn’t see the cause of the incident, a person’s eyes will not lie. From Bai Wei’s eyes, we can see that she is not a person who is easy to get along with. “By the way, uncle, what did you say her occupation was?” ”

“Chapter 343: 108: the Smart Big Burning, just break up, CEO’s wife Chauness! 3”

The eyes are the window to the soul.

“In her past and present life, Ye Zhuo had seen all kinds of people. It was not the first time she had seen someone like Bai Wei who was good at disguising herself.”

“Dance teacher,” ye Sen replied. ”

“Ye Zhuo smiled slightly, “People who practice dance all year round will have especially developed leg muscles, and they won’t be able to lose weight. Look at Bai Wei’s legs, the muscles are loose and have no elasticity. It’s obvious that it’s caused by a lack of exercise! “Uncle, do you think a dancing teacher will have a lack of exercise?” ”

“Dancing mainly depended on the movement of the legs. Over time, the legs would form strong muscles, which became thicker and thicker. The muscles were especially developed. ”

“Looking at Bai Wei’s legs, she didn’t look like a person who practiced dancing all year round. ”

“Ye Sen was stunned, and his eyes were full of disbelief. ”

“Seeing ye Sen like this, Ye Zao took a bite of an apple. “Uncle, if you don’t believe me, you can look at your arm. You deliver packages all year round, so the muscles in your arm must be more developed than normal people.” ”

Ye Sen lowered his head and looked at his arm.

The muscles were indeed very developed.

“Ye Sen licked his lips. “Your Aunt Bai pays a lot of attention to her figure. Every time she orders a meal, she only orders a vegetable salad. Her thin legs may have something to do with her self-discipline.” ”

“Dancing is a sport that consumes a lot of physical energy. For example, if you only eat a few vegetable leaves every day to deliver packages, can you run?” Ye Zao continued to bite the apple, “Even if her thin legs are related to diet, what about her lack of muscles on her legs? You should know that being thin has nothing to do with muscles, right?”

Ye Zao’s words were very reasonable and there was no way to refute it.

Ye Sen’s face was slightly pale.

Could it be that Bai Wei really lied to him?

“After saying that.., ye Zao continued, “Uncle, look at Bai Wei’s face again. Although her makeup today is very appropriate, no matter how thick the makeup is, it can’t hide the tired look on her face. Her eyes are still slightly red. Do you know what caused this?”

Ye Sen shook his head.

“Ye Zao threw the apple core away. “This is caused by often staying up all night and turning day and night upside down. This means that Bai Wei is most likely not a dance teacher at all, but often works the night shift.”

“With that, the apple core fell into the trash can ten meters away without any error.”

“Maybe she often stays up all night? Don’t young people nowadays like to stay up all night?” Ye Sen asked in return.

“Ye Zao smiled and said, “Staying up late and staying up all night are two different concepts. Simply staying up late doesn’t have the same situation as her. From her looks, she has been upside down for more than ten years.”

Ye Sen was stunned again.

“If what ye Zao said was true, then what exactly did Bai Wei Do?”

Why did she lie to him?

“Uncle, there are a lot of jobs on the night shift. Have you ever thought about why Bai Wei didn’t tell you about her work and instead said that she was a dance teacher?” Ye Zao asked. ”

“In fact, ye Zao already had the answer in his heart. ”

The culture of Chinese medicine was extensive and profound.

“From Bai Wei’s facial features and walking posture, one could tell that she was a person with a rich nightlife. ”

“I. . . I don’t know.” Ye Sen’s face was expressionless. He raised his head to look at Ye Zao. “Zao Zao, are you mistaken? Besides, can you tell that Bai Wei often works the night shift just by looking at her?” ”

“Ye Zao smiled and said, “Do you know what traditional Chinese medicine emphasizes?” ”

“I don’t know.”

“Ye Zao smiled and said, “Traditional Chinese medicine emphasizes looking, smelling, asking, and cutting. Looking depends on the complexion; smelling, listening to the other party’s breath; asking, referring to asking about the symptoms; cutting; feeling the pulse. When an insider looks at Bai Wei’s complexion, he can tell that she often works the night shift.” ”

Ye Sen was speechless.

“Uncle, do you not believe what I Said?” ”

“I don’t believe it,” Ye Sen said. ”

“After all, Bai Wei was his girlfriend. He really couldn’t accept ye Zhuo suddenly telling him this.”

How could this be?

Bai Wei was obviously a very good girl.

“Ye Zhuo smiled slightly. “If you don’t believe it, I have a way to verify whether what I said is true.” ”

“What Way?”

Ye Zao walked to Ye Sen’s side and whispered to him.

Ye Sen nodded.

“Soon, the meal was ready.”

“Ye Sen went to the kitchen to serve the dishes. When he saw Bai Wei, he wanted to ask all the questions in his heart, but when he thought of ye Zao’s words, he held back and tried to pretend that nothing had happened.”

““Bai Wei, thank you for your hard work today.” ”

“Chapter 344: 108: Wise Big Scorch, let’s just break up. CEO’s wife, Chauness! 4”

“Bai Wei smiled and said, “It’s not hard. I’m just here to make trouble. I cooked all the dishes on this table.” ”

Ye Sen just looked at Bai Wei.

“If everything she did was an act, then she was too scary.”

How did she do it?

“Bai Wei touched her face. “Ye Sen, why are you looking at me like that? Is there something dirty on my face?” ”

“”No.”Ye Sen tried his best to look away and said, “Let’s eat. You and sister have been busy all morning.” ”

“Okay.”Bai Wei nodded.

“During the meal, Ye Sen naturally gave the first drumstick to ye Zao. ”

“When Ye Sen was getting the second drumstick, Bai Wei thought that Ye Sen was going to give the drumstick to her, but ye sen directly gave the drumstick to Ye Shu. ”

Bai Wei furrowed her brows without leaving a trace.

“There was a drumstick that was not given to his girlfriend, but given to two outsiders? ”

What was going on?

And the mother and daughter were also shameless.

“Living in someone else’s house, they actually had the face to eat the drumstick. ”

And they even ate it with peace of mind.

Bai Wei suddenly had a disgusting feeling of eating a fly.

Wait!

“When she married into the Ye family, she told the mother and daughter to get as far away as possible.”

“At this moment, Ye Sen picked up a chicken wing and put it into Bai Wei’s bowl.”

“Thank you.” Bai Wei looked up at Ye Sen.

“Eat quickly.”

“After eating, Ye Sen sent Bai Wei back.”

In the car.

“Bai Wei said worriedly, “Ye Sen, I feel that your sister and your niece don’t like me.” ”

““You’re wrong. They don’t dislike you,”Ye Sen said.”

“Really?”

“Yes.”Ye Sen nodded.

“Seeing that ye Sen’s expression didn’t change, Bai Wei heaved a sigh of relief.”

“Soon, the car stopped at the entrance of Bai Wei’s neighborhood.”

"I'm here." Bai Wei opened the car door and got out.

Ye Sen turned to look at her. "I happen to have nothing to do in the afternoon. Let's go to your house and have a cup of tea."

"Bai Wei said, "My roommate is at home. We made a promise to each other not to bring the opposite sex back! How about next time?" "

"Okay." Ye Sen nodded.

Bai Wei did not notice that a strange look flashed in Ye Sen's eyes.

"Then you have to be safe on the road. I'll Contact You When we get home," Bai Wei said. "

"Okay." Ye Sen closed the car door and drove away.

Bai Wei waited until she could not see Ye Sen's car before she turned around and walked to the other side.

"Little did she know that after she left, the car that had already disappeared from her view turned back at this time. "

"Ye Sen sat in the driver's seat, his fingers tightly gripping the steering wheel. Because he had used too much force, his knuckles had turned slightly white. "

Yes.

Ye Zao was right.

Bai Wei did not live in this neighborhood at all.

“Even her address was fake, what else was real?”

Ye Sen could not tell what he was feeling at the moment. He started the engine and turned the car around.

Not long after.

The car stopped in front of an office building.

Bai Wei’s dance class was in this teaching building.

Ye Sen walked to the service center of the office building. “May I know if you have a dance teacher named Bai Wei Here?”

“The customer service staff said, “Wait a moment, I’ll check for you.” ”

“After about three minutes, the customer service staff continued, “Sir, we don’t have a dance teacher named Bai Wei here.” ”

““Okay, I got it.”Ye Sen nodded. ”

“After coming out of the office building, Ye Sen had an indescribable expression on his face. He immediately drove back. ”

At the Ye residence.

Ye Shu was cleaning the living room.

“When she saw Ye Sen return, Ye Shu looked up at him. “You’re back.” ”

“Yeah.”Ye Sen nodded.

“Ye Shu continued, “Ye Sen, I don’t think Bai Wei is a good girl.”Ye Shu had originally prepared a bracelet for Bai Wei, but after spending the whole morning together, she gave up the idea of gifting the bracelet.”

“Ye Sen sighed. “Sister, I might have really misjudged her! By the way, where’s Zhuo Zhuo?” ”

“In the room.”

Ye Sen walked to Ye Zhuo’s room and knocked on the door.

“The door isn’t closed.”Ye Zhuo’s voice came from inside.

Ye Sen pushed the door open and entered.

“Ye Zhuo was sitting on the bay window, with a pile of disassembled parts in front of him. ”

“My niece.”

“”Huh?”Ye Zao raised his eyes slightly. “How is it, uncle? Have you verified what I Said?” ”

“Ye Sen nodded. “I’m thinking now, who is Bai Wei? Is it possible that even her name is fake!” ”

Her address was fake.

Her occupation was fake.

Bai Wei really disappointed ye Sen!

“It’s not impossible,” ye Zao said. ”

“Ye Sen continued, “Big niece, help me check! I know you must have this ability.”Ye Sen had always known that ye Zao was particularly talented in computer science! ”

“Chapter 345: 108: the Smart Big Burning, just break up. CEO’s wife is Super Nice! 5”

“I can investigate, but it’s a little troublesome.”Ye Zao stood up to take the computer and hacked into the encrypted website. ”

“In the eyes of outsiders, the tight firewall was solved with a mouse click in ye Zao’s hands. ”

Ye Sen sat behind ye Zao and looked at the constantly changing computer screen. His eyes were almost dazzled.

“After about ten minutes, ye Zao pressed the Enter Key. “It’s Done!” ”

“Did you find it?”Ye Sen was very excited.

“Yes.”Ye Zao nodded and switched the page.

“On the computer screen, Bai Wei’s information was displayed. ”

Bai Wei.

Female.

Age 30.

Real name: Li Lanxiang.

Hometown: L City.

Job: KTV Princess.

She dropped out of school at 16 and came to Cloud City. Her first job was in an electronics factory.

“He felt that the wages at the electronics factory were low. After a long period of time, he was introduced to KTV and worked there for 14 years.”

Ye Sen looked at the information on the computer and his whole body was trembling.

““Oh right, there’s also this.”Ye Zhuo clicked the mouse and changed the page, then he said, “This Li Yiyi and Li Lanxiang are from the same hometown. They don’t usually have a close relationship! Three months ago, the two of them suddenly moved in together and became roommates. “Uncle, I now suspect that the two of them are colluding.” ”

Ye Sen finally understood why Bai Wei and he had so many common interests.

It turned out.

They were all acting.

The behind-the-scenes director was Li Yiyi.

“After understanding everything, Ye Sen was not so angry anymore. He said in a calm tone, “No need to doubt it. This is the collusion between them.” ”

“What are you going to do now?”Ye Zhuo asked.

“I will break up with Bai Wei immediately!”

“Ye Zhuo smiled and said, “I am relieved to see you like this.”Ye Zhuo was worried that ye Sen would be stuck in this relationship and had the impulse to forgive Bai Wei. ”

Now it seemed that Ye Sen was more decisive than she had imagined.

She also hoped that this experience would teach ye Sen a lesson.

“I’ll go out first.”Ye Sen picked up the car keys.

“Okay.”

“In the living room, when Ye Sen walked past ye Shu, Ye Shu clearly felt that something was wrong. She raised her head to look at Ye Sen and was about to say something when ye Sen’s figure had already left the living room. ”

“Ye Shu quickly went to ye Zao’s room. “Zao, what happened to your uncle?” ”

“Ye Zao closed the computer. “Nothing much. I just saw Bai Wei, no, Li Lanxiang’s real face.” ”

“Who’s Li Lanxiang?”Ye Shu was a little confused.

“Ye Zao said, “Bai Wei is Li Lanxiang.” ”

“What?”Ye Shu was even more confused.

Ye Zao explained the whole process.

“After learning Bai Wei’s real identity, Ye Shu was extremely surprised. “My God! Even Television wouldn’t dare to act like this, right?” ”

Everything was fake.

What was the difference between her and a dummy?

Ye Sen drove to Bai Wei’s address and called Bai Wei.

“When Bai Wei received the call, she was in disbelief. “Hello, Ye Sen, what’s the matter?” ”

“I’m at the entrance of your neighborhood. Come out for a moment.”

““I’m outside now,”Bai Wei said. ”

““Then I’ll wait for you.”After saying that, Ye Sen hung up the phone. ”

“Bai Wei said somewhat inexplicably, “What’s wrong with this person?” ”

“Ye Sen called?”Li Yiyi asked from the side.

Bai Wei nodded.

“Li Yiyi frowned. “When you went to the Ye family today, did you offend Ye Sen’s sister?” ”

“No,” Bai Wei said, “I paid special attention to all aspects. At first, her sister might not like me, but later, I even cooked with her. I feel that she should be quite satisfied with me.”

“Bai Wei could talk. When she was cooking, her words were all to please ye Shu. She even said that she would cook for ye Shu every day in the future.”

She was not pretentious at all.

There shouldn't be any sister who didn't like her diligent sister-in-law!

“Therefore, Bai Wei was very confident.”

Li Yiyi heaved a sigh of relief. “It's good that you didn't offend her.”

“Then I'll go down and take a look first.”

Li Yiyi frowned. “You're just going to go down like this?”

Bai Wei knew Li Yiyi's worries. “It's fine. I just told ye Sen that I'm outside.”

Bai Wei walked all the way to the entrance of the residential area.

She saw ye Sen leaning against the car door and waiting for her.

To be fair.

“Ye Sen was really quite handsome. He gave off the feeling of a tough guy, especially when he was wearing a suit.”

“Not only was he handsome, but he also had a lot of money. When Bai Wei thought that this man would belong to her completely in the future, she was so excited that she quickly ran over. “Ye Sen.” ”

“Chapter 346: 108: Wise Big Scorch, just break up, CEO’s wife Chauness! 6”

“When she walked to Ye Sen’s side, Bai Wei realized that something had changed about him. ”

“Normally, when he saw her, his face would be full of smiles, and his eyes would be filled with her. ”

“But today, he did not. ”

“Not only did he not smile, but he was very serious. ”

“Ye Sen looked at Bai Wei. “I wanted to call you, but then I thought about it. It’s better to talk about this in person.” ”

What was better to talk about in person?

Could it be a proposal?

“With Ye Sen’s personality, it was not impossible. ”

“Thinking of this, Bai Wei was very excited. ”

“Bai Wei could not hide the surprise on her face. She lowered her head and said, “What do you have to say in person? Then I’m here now. You can say it.” ”

““Let’s break up,”Ye Sen continued. ”

“What?” Bai Wei looked at Ye Sen with disbelief in her eyes. She almost thought that she was hearing things.

Ye Sen repeated it again.

“Don’t tell me your sister and your niece don’t like me?” Bai Wei asked.

“Ye Sen looked at Bai Wei. “Stop pretending, Li Lanxiang. I know everything.” ”

“When the words “Li Lanxiang” came out of Ye Sen’s mouth, Bai Wei’s legs went weak and her mind went blank. ”

How did he know?

How did ye Sen Know?

““Ye Sen, listen to me. Things aren’t what you think!” Bai Wei grabbed ye Sen’s hand and cried, “I didn’t mean to lie to you! I’m telling you everything! I’ll tell you everything! Please don’t break up with Me, okay? I love you, I really love you!” ”

She still wanted to become a rich lady!

She couldn’t Lose Ye Sen.

No!

Ye Sen calmly pushed Bai Wei’s hand away. “Leave some dignity for yourself.”

“After saying that, Ye Sen turned around and got into the car. ”

Bai Wei collapsed on the ground and cried loudly.

How did she get discovered?

What exactly did she give herself away?

What exactly was going on?

“Just then, the car door closed and suddenly opened at this time.”

Could it be that Ye Sen couldn't bear to part with her?

Bai Wei raised her head in surprise.

“Just then, a makeup mirror and a lipstick were mercilessly thrown on the ground.”

These two items were specially placed by Bai Wei on Ye Sen's passenger seat.

Her original intention was to make those girls who tried to get on Ye Sen's passenger seat retreat.

“But now, even these items were thrown out.”

“Before Bai Wei could react, the engine of the car sounded, and the next second, the black Mercedes drove away.”

“Ye Sen!”

Bai Wei immediately chased after him.

But all she was left with was dust on the ground.

“Bai Wei was unwilling to give up. She called Ye Sen, but he was busy. ”

“Then, she opened wechat, but she couldn’t send any messages. ”

He blocked her!

“When Bai Wei returned to the rental house, Li Yiyi saw Bai Wei like this and her heart skipped a beat.
“What happened to you?” ”

“Bai Wei roared, “Ye Sen broke up with me! He knows! He knows everything!” ”

“How could this be?” Li Yiyi said in disbelief.

“Bai Wei pointed at Li Yiyi and said, “Was it you! Was it you who told the secret!” ”

“Am I crazy? I’m going to tell the Secret!”

““It’s You! It’s you, B * Tch! You Can’t stand seeing me and Ye Sen together! You’re jealous of me!” Bai Wei had already lost her mind and slapped Li Yiyi directly. ”

“Thinking about it carefully, other than Li Yiyi, there was no one else who could tell the secret. ”

Thinking about it!

“Bai Wei vented all her anger on Li Yiyi, wishing she could tear off all of Li Yiyi’s hair. ”

Li Yiyi was not someone to be trifled with. The two women immediately began to fight.

...

It was different from last time.

Ye Sen did not go to get drunk. He went straight to the company and began to handle official business.

He acted as if nothing had happened.

“However, a discerning person could tell at a glance that ye Sen had changed a lot.”

“In the past, he would smile wherever he went.”

“Now, he didn’t smile anymore.”

“For seven days in a row, Ye Sen worked overtime almost every day and even settled two big contracts.”

“In addition, Ye Sen was still planning to expand the company.”

“In the afternoon, the Sun was hot.”

Ye Sen and Lin Ze had agreed to meet today.

“Before they met, Ye Sen went home to get something.”

“Just as he parked the car and walked to the entrance of the building, he saw ye Zhuo talking and laughing with a man as they walked out.”

“The man was dressed in a long robe with a string of Buddhist beads in his hand. His temperament was transcendent, making people unable to catch up to him. ”

“The girl beside him was devastatingly beautiful. Her features were like a painting, and her entire body exuded an otherworldly temperament with a hint of coldness. ”

“Chapter 347: 108: The Smart Big Scorch, just break up, CEO’s wife Chauness! 7”

“When two people like this stood together, even if they didn’t do anything, they could still form a beautiful scenery. ”

Ye Sen frowned slightly. He had seen this man before.

His name was Cen Shaoqing.

Cen Shaoqing definitely had bad intentions towards ye Scorch!

“Otherwise, why would he be so attentive towards ye Scorch? And he would always appear by Ye Zao’s side? ”

Handsome and rich men were all bad people!

They were irresponsible and had no sense of responsibility!

He could not allow ye Zao to be deceived by such a big pig trotter!

Ye Sen ignored Cen Shaoqing and walked directly to ye Zao’s side. “Zao Zao!”

“Uncle.”

“Cen Shaoqing followed and called out, “Mr. Ye.” ”

“Ever since he had met Ye Sen the last time, Cen Shaoqing knew that ye Zao’s uncle did not like him. ”

“Moreover, from ye Sen’s eyes, it could be seen that he was full of hostility towards him. ”

“Cen Shaoqing’s journey was smooth sailing. No matter who saw him, they had to respectfully address him as CEN fifth master. He had never met someone who hated him so much. ”

Cen Shaoqing narrowed his eyes. A faint light flashed in his deep eyes.

“Ye Sen casually nodded at Cen Shaoqing and then looked at ye Zao. “Zao Zao, where are you going?” ”

“Ye Zao said, “Fifth brother and I are going out for some business.” ”

““What business do the two of you have?”Ye Sen frowned and pulled ye Zao to the side. He whispered, “Zao Zao, you must protect yourself well! You must not fall for the hoof of the pig! Call me if there’s anything!” ”

Ye Shu had been deceived by the well-dressed hoof of the pig back then.

“Although ye Zao was very powerful, in the end, she was only a nineteen-year-old child. ”

Her feelings were even more blank.

A person like Cen Shaoqing could tell at a glance that there was no lack of women around him.

He was afraid that ye Zao would not be able to withstand Cen Shaoqing's flirting.

"Ye Zao nodded. "Uncle, don't worry. I know how to protect myself. Moreover, Cen Shaoqing is a monk. You Don't have to worry about problems that won't happen at all." "

"Ye Sen said speechlessly, "Have you seen a few monks with hair on their heads?" "

Monks?

How many people of noble birth would want to become a monk?

"Was it the bird's nest abalone, big lobster, or the game world? "

"They were both men, but ye Sen had long noticed that Cen Shaoqing was looking at ye Zao in a strange way! "

"Ye Zao smiled and said, "Don't worry. I can assure you that Cen Shaoqing is really not that kind of person." "

"Ye Sen glanced at Cen Shaoqing, his eyes filled with vigilance. "In short, you have to be careful. Don't let the Pig Trotter succeed." "

"Yes, I understand."Ye Zao nodded. "

Ye Sen instructed ye Zao for a while more before letting ye Zao follow Cen Shaoqing.

They got into the car.

Cen Shaoqing took the initiative to speak. "Uncle... seems to have a misunderstanding about me?"

“Ye Zhuo said, “Don’t worry, I’ve already explained it to him.” ”

Cen Shaoqing nodded slightly and did not say anything more.

“Not long after, the car arrived at the CEN group’s building. ”

Ye Zhuo followed Cen Shaoqing all the way to the company and entered the CEO’s private elevator.

“Just as the two of them entered the elevator, the company’s wechat group exploded. ”

One had to know that Cen Shaoqing was famous for not getting close to women.

His office was on the 23rd floor.

“From the 20th floor onwards, there were no female employees. ”

“Even the secretaries, assistants, and bodyguards around him were all men. ”

“After so many years, this was the first time they saw the opposite sex around Cen Shaoqing. ”

“[I just saw a little girl beside master five! I don’t know if she’s our future CEO’s wife, but she’s super beautiful! She’s perfect for master five!] ”

[CEO’s wife? Didn’t you say that our master five has already seen through the mortal world?]

“[jpg] even though he only managed to get a side view, his looks are really too good! His temperament is also very good. If he debuts, he’ll definitely dominate the entertainment industry!] ”

This photo woke up a group of people.

[CEO's wife is hammered!]

[CEO's wife is so beautiful. This Side View is amazing!]

[oh my God! Master Five is finally enlightened. I thought master five would really become a monk!]

[F * ck! These legs are so long and thin!]

[the CEO's wife is Super Nice!]

...

On the other side.

Ye Sen drove to the place where he had made an appointment with Lin Ze.

“Just as he parked the car, he saw Lin ze walking over. “Uncle Ye.” ”

“Ah Ze.”

Lin Ze was very happy to see ye Sen. He gave him a big hug.

“It was strange. Lin Ze was usually a very cold person. Other than his father and grandmother, he did not have a very close relationship with his uncles and aunts. ”

“However, he treated ye Sen differently. When he saw Ye Sen, he could not help but want to get close to him.”

“Ye Sen continued, “Ah Ze, have you heard from your mother?” ”

Lin Ze shook his head.

“It was already the eighth day. He would be returning to Beijing in two days, but he still had nothing. ”

Ye Sen patted him on the shoulder. “Don’t be discouraged. We’ll find her in a day.”

“Okay.”Lin Ze nodded.

“Ye Sen continued, “There’s a restaurant over there. Shall we talk while we eat?” ”

“Okay.”Lin Ze nodded.

“The two of them walked into the restaurant. Lin Ze asked curiously, “Uncle Ye, do you have children?” ”

“No.”Ye Sen shook his head. “Your Uncle Ye is still single.”

“Hearing this, Lin Ze looked at him in surprise. ”

“Ye Sen smiled and said, “Why? Do you want to introduce a girlfriend to your Uncle Ye?” ”

“Lin Ze quickly shook his head. “No, no.” ”

“In a short while, the dishes were served. The two of them chatted as they ate, ye Sen continued, “Ah Ze, since your grandmother knows about your mother, you have to think of a way to get some information out of her. Otherwise, this sea of people has no information at all. It’s really too difficult to find a person!” ”

Lin Ze Sighed.”... My grandmother really hates my mother.”

“Yesen wanted to help Lin Ze, “Then what’s the situation in your family right now? Does your grandma know that you came to look for your mom this time? And your dad, your dad should know more about your mom’s situation than your grandma. Why Don’t you ask your dad?” ”

“Although he had known Lin Ze for some time, Yesen knew nothing about Lin Ze’s family. ”

Just a rough idea. Linze lost his mother when he was a kid.

I have a difficult grandmother at home.

And a father that Lyndsey never mentioned.

“”The situation in our family is very complicated.”Lin Ze took a sip of soda, he continued, “When I was born, my father had a very serious car accident and lost a leg. Now, whenever the weather is bad, he will have severe phantom limb pain. The car accident also brought him a sequela of memory loss. Occasionally, he will lose control of himself... “...” . “...” ”

“At this point, Lin Ze seemed to have suddenly remembered something, he continued, “Around March or April last year, my father’s spirit suddenly improved. He should have remembered many things during that time and even came to Yun Jing. However, a few days after he returned from Yun Jing, his condition suddenly became worse. From then on, he stayed in the sanatorium almost every day.” ”

“Chapter 348: 109: Great Burning’s first kiss with fifth master, Old Madam Song’s death! 1”

Perhaps he had experienced too much.

“When Lin Ze talked about Lin Jincheng, he did not have much expression on his face. ”

“Now that he thought about it, something must have happened to Lin Jincheng when he came to Yun Jing last year.”

“Otherwise, his illness would not have suddenly worsened after he returned.”

“Thinking of this, Lin Ze frowned.”

He didn't know what Lin Jincheng had experienced at that time.

“Ye Sen raised his head to look at Lin Ze. “So, your father also came to Yun Jing to look for Your Mother?” ”

“Lin Ze nodded. “I think that should be the case. Otherwise, he wouldn't have come to Yun Jing for no reason.” ”

““Did he see your mother?”Ye Sen continued, “It's been so many years. Your mother might still be alone, but she might have remarried and remarried. Your father couldn't accept this blow, so his illness worsened.” ”

Yesen had thought that Lin Ze's father was a jerk.

He had ignored his mother for so many years.

“Now, it didn't seem like it was all what he had imagined.”

Lin Ze's father hadn't had an easy life all these years.

“Yesen ate a mouthful of peanuts and continued, “However, it's also possible that your father couldn't find your mother in Yun Jing, and his illness suddenly worsened, so he had no choice but to return to the capital.” ”

“Hearing this, Lin Ze’s expression changed. “Uncle Ye, which of these two possibilities do you think is more likely?” ”

“Was it because his mother’s remarriage caused his father to suffer a huge blow and return to the capital, or was it because his father’s illness suddenly became serious that he returned to the capital?”

“Ye Sen raised his cup. “I think both possibilities are very high. It’s been 19 years, and it’s only natural for your mother to remarry! If she’s still waiting for your father, that means she’s a rare and good woman.” ”

Lin Ze also took a sip of his drink. “But can there really be such a person in the world? Not getting married for 19 years?”

“”Why Not!”Ye Sen continued, “I have an older sister who was cheated by a scumbag when she was young! She even gave birth to a daughter, my eldest niece! After the scumbag disappeared, she raised the child alone and is still single! “It’s a pity that my sister didn’t meet a good man like your father!” ”

“At the end, Ye Sen sighed. ”

Ye Shu’s life was really too bitter.

“In the first half of her life, she met the scumbag, and later, she carried the wrong child in the hospital. ”

“Fortunately, ye Zao came back. ”

“Mu Yourong was not a good person at all. She urged ye Shu to sell her blood, and then she urged ye Shu to sell her kidney. ”

“If it wasn’t for ye Zao, who knows what kind of life they would be living now. ”

Lin Ze looked at Ye Sen in surprise.

He didn't expect Ye Sen to have a story.

"Ye Sen smiled and patted Lin Ze's shoulder. "So, Ah Ze, we men must be responsible. We can't do that kind of thing where we abandon our wives and daughters! Otherwise, we shouldn't provoke them. Once we provoke them, we have to be responsible as men!" "

Ye Sen was a very responsible man.

"Unfortunately, he had never met a good man. "

"Yes, Uncle Ye, I know." Lin Ze nodded firmly. "

"Have you ever tried to ask your mother beside your grandmother?" Ye Sen continued to ask.

"Yes." Lin Ze nodded. "But my grandmother doesn't like my mother very much. She even found me a stepmother and stepsister. She likes that Auntie very much, but I don't like her, and I don't like that sister either." "

"Ye Sen asked, "What about your father?" "

Lin Ze shook his head. "He doesn't like her either."

Ye Sen frowned. "It seems that all the problems in your family are your grandmother's fault."

"From Lin Ze's words, it was not difficult to analyze that Lin Ze's grandmother was a person with a deep sense of family status. "

"She looked down on Lin Ze's mother, so she had been preventing them from recognizing each other. "

"Fortunately, Lin Ze was a good child. After so many years, he had never forgotten to look for his mother. "

“Yes.” Lin Ze nodded.

“Ye Sen continued, “The person who solved the problem still has to be the one who solved it. So, you still have to look for an answer from your grandmother. “Ah Ze, you’re a good child. I believe that your mother is definitely a good woman, just like my sister! “So, don’t give up on looking for your mother, and don’t let each other’s lives leave any regrets.” ”

“With Ye Sen’s words, Lin Ze was filled with anticipation for his mother. ”

He was looking forward to the day he met his mother

“The two of them chatted for a long time. It wasn’t until four in the afternoon that Ye Sen sent Lin ze back to the hotel, “Ah Ze, I have to go to country P for a business trip tomorrow. I Won’t be able to send you back to Beijing the day after tomorrow. Remember to send me a message when you arrive in Beijing.” ”

“Chapter 349: 109: Great Burning’s first kiss with Master Five, Old Madam Song’s death! 2”

“”Alright.” Lin Ze nodded. “Goodbye, Uncle Ye.” ”

“Goodbye.”

...

On the other side.

At the CEN Corporation.

“Ye Zhuo stood behind the boss’s chair while Cen Shaoqing sat on it. He pointed at the computer and said, “There’s a small problem here, here, and here. Look, is there any way to fix it?” ”

Ye Zao leaned slightly and pressed the mouse with her slender and fair fingers.

A faint fragrance came from her body and entered his nostrils.

It was different from the perfume that was full of chemicals.

It was a very natural smell.

“It was like the fragrance of plants after a rain, making people unconsciously indulge in it. ”

At this moment.

“A wisp of naughty hair fell from her ear and slid to his ear. The soft end of the hair brushed against his ear, making it feel numb and slightly itchy. ”

It was a wonderful feeling.

Bang Bang Bang —

Cen Shaoqing could clearly hear his own heartbeat.

““Get up for a while,”ye Zhuo suddenly said. ”

““Okay.”In the blink of an eye, Cen Shaoqing had returned to normal. He stood up slightly and gave up his seat to Ye Zhuo. ”

“Ye Zhuo sat on the chair, his jade-like fingers constantly moving on the keyboard. ”

The data on the screen was constantly changing.

Cen Shaoqing was standing beside her.

“What’s going on here?” Ye Zao turned around to look at Cen Shaoqing.

“Cen Shaoqing leaned over, one hand on the computer desk and the other on the mouse. Looking from behind, he trapped Ye Zao between him and the computer.”

“It was hard for him to breathe, and his heartbeat was chaotic.”

“Cen Shaoqing had finally calmed down, but now his heart was in a mess again. He used the fingers holding the Buddha beads to point at the computer screen. “There’s no problem here. Look here, the real loophole is here.” ”

““There is no problem here. In Intel format, there is no need to use the remote transfer command and the remote sub-call command Operation Code.” Ye Zhuo looked back at Cen Shaoqing.”

Ye Zhuo was so focused on solving the problem that he forgot how close the two of them were now.

“In the instant he looked back, his red lips brushed past his thin lips. It was slightly cold, with a hint of fresh sandalwood fragrance.”

It was as if he had been electrocuted.

In this instant.

Ye Zao was stunned.

Cen Shaoqing was also stunned.

1

“The two of them landed in each other’s sight. At this moment, the air seemed to have stopped breathing.”

“For the first time in his life, ye Zao experienced the feeling of his heart beating like a drum.”

Bang Bang Bang.

He felt as if his entire heart did not belong to him anymore.

He could not control it.

It was a sin!

It was really a sin!

She had actually taken advantage of a monk.

“For the first time, Big Brother Ye, who was always eloquent, did not know to keep quiet.”

His mouth was dry and his tongue was parched.

He felt as if smoke was coming out of his entire throat.

“There doesn’t seem to be any problem here.”Cen Shaoqing stood up and coughed lightly. He changed the topic a little unnaturally. “Do you want to drink water?”

“Yes.”Ye Zhuo nodded along the steps.

“CEN Shaoqing continued, “Can I have some tea?” ”

“Ye Zhuo said, “I’d like some Iced Coke.” ”

“Okay.”

Cen Shaoqing nodded slightly and walked out.

Outside was the secretary’s office.

The secretaries were watching the company’s wechat group chat.

The group Chat was abuzz with discussions about the president’s wife.

Cen Shaoqing’s sudden appearance gave the secretaries a shock. They quickly closed the wechat chat window and started working seriously.

“”Secretary Li, I want a glass of Ice Cola and a glass of ice water.” ”

Ice Cola?

Didn’t their fifth master only drink tea?

When did he start drinking cola?

Could it be for the Chief Cleaner’s wife?

“Thinking of this, secretary Li seemed to have discovered some big secret of the day. He was extremely excited.”

““Okay, fifth master, make the arrangements immediately.” ”

The CEN group’s welfare benefits were especially good.

The company’s pantry was serving all kinds of drinks.

“As soon as secretary Li sent the message, someone jogged over with Ice Cola and ice water. “Fifth master, Here’s the Ice Cola and ice water you asked for.” ”

Cen Shaoqing took it and walked into the office.

“Seeing Cen Shaoqing turn around, the secretaries immediately opened the wechat group chat.”

[fifth master just gave our CEO’s wife a Coke!]

“[so the president’s wife also likes happy, fat otaku water.] ”

[master five dotes on the President’s wife!]

[not doting at all. Look at our master five. Does he look like the kind of person who dotes on his wife?]

[our master five is so outstanding. Who knows if the president’s wife will chase after him?]

[there’s no official announcement yet! Why are you in such a hurry? Maybe they’re just ordinary friends. I heard that master five doesn’t even like song Chenyu. Why would he like ordinary people?]

[I feel that the President's wife is prettier than song Chenyu!]

[plus one!]

[...]

Cen Shaoqing walked into the office with a coke.

Chapter 350: 109: Great Burning's first kiss with Master Five. Old Madam Song died of illness! 3

"Ye Zhuo had already recovered her natural state. At this moment, she was sitting in front of her computer, typing furiously on her keyboard."

"Actually, this was just a superficial phenomenon."

Ye Zhuo's heart was already in a state of panic.

That was her first kiss just now.

It was the first time in her past life and this life!

"Ye Zhuo."

A deep voice sounded above her head.

"Huh?" Ye Zao raised his eyes slightly and bumped into those dark and heavy eyes.

“Here’s the Iced Coke You Wanted.”Cen Shaoqing handed the coke over.

Ye Zao took the coke and took a sip.

“The Iced Coke entered his throat and instantly, his restless heart slowly settled down. ”

Ye Zao narrowed his eyes in satisfaction.

Cen Shaoqing drank a mouthful of iced water.

It was bland and tasteless.

He couldn’t help but be a little curious. was the taste of the Iced Coke that good?

“Cen Shaoqing continued, “Ye Zhuo.” ”

Ye Zhuo bit the straw and looked up at Cen Shaoqing.

“I’m going to Country P tomorrow.”

“OH.”Ye Zhuo nodded slightly.

“”It might take a week for you to come back.”CEN Shaoqing continued, “If you’re free during this period of time, you can visit my house more often. My grandmother likes you very much.” ”

“Okay.”Ye Zhuo continued to drink his coke.

“CEN Shaoqing continued, “My house has recently recruited a new dessert master. He is especially good at making Mousse desserts.” ”

“In the hot summer, a mouthful of ice-cold Mousse desserts spread on the tip of the tongue. The taste could not be better. ”

Ye Zhuo had no resistance to desserts. His eyes lit up. “Really?”

“Yes.”Cen Shaoqing nodded slightly.

“As expected, she was still a child. A single dessert could satisfy her so much. ”

Cen Shaoqing drank a mouthful of ice water.

“After drinking the coke, ye Zao went on with his work. Cen Shaoqing sat at the side and read a document. ”

The air was filled with the sound of typing.

“Occasionally, ye Zao would raise his head and say a few words to Cen Shaoqing. ”

The two of them got along very well.

“Soon, it was evening. ”

Ye Zhuo stood up and stretched. “Everything has been settled! It’s time for me to go home.”

Cen Shaoqing put down the documents in his hands. “It’s been hard on you. I know a restaurant that tastes really good. I’ll treat you to dinner tonight.”

“Sure.”Ye Zhuo did not stand on ceremony with him.

The restaurant Cen Shaoqing mentioned was near the CEN Group.

The two of them found a seat by the window and sat down.

“Soon, a waiter came over. “Are you two ordering now?” ”

Cen Shaoqing handed the tablet to ye Zao. “I can eat whatever I want. You Can Order.”

Ye Zao ordered two meat dishes and three vegetarian dishes. He also instructed the waiter not to put scallions and garlic in the vegetarian dishes.

Buddhism forbade five meat dishes and five spices.

“Five spices referred to scallions, garlic, leeks, onions, and Xing qu. ”

“Xing Qu was an Indian spice that was passed down in the western regions, but it was not available in the country at the moment. ”

The corners of Cen Shaoqing’s mouth curled into an unnoticeable arc.

Ye Zhuo had actually noticed the scallions and garlic.

“She was concerned about him, wasn’t she? ”

A certain part of his heart seemed to fill up quickly.

It was a very strange feeling.

“Nothing particularly happy had happened, but he was very happy. ”

He was even a little excited.

“Ye Zhuo looked up at Cen Shaoqing and said, “You haven’t ordered the staple food yet. How about some mushroom and vegetable porridge?” ”

“Okay.”Cen Shaoqing still looked the same. He nodded slightly and did not have any objections.

Ye Zhuo added more vegetables and mushroom porridge and handed the plate to the waiter. “These will do.”

“The waiter nodded. “Okay, please wait a moment.” ”

“Soon, the dishes were served. ”

“Cen Shaoqing ate at a moderate pace, looking extremely elegant. ”

He was obviously well-educated.

“Ye Zhuo picked up a drumstick and asked curiously, “Don’t you feel anything when you see me eating a big drumstick?” ”

“Is there a difference between drumsticks and vegetables?”Cen Shaoqing raised his eyebrows slightly.

“Ye Zhuo said, “Drumsticks are meat! Aren’t you curious at all about the taste of meat?” ”

“Cen Shaoqing took a sip of the porridge. “In my eyes, their only use is to fill the stomach.” ”

“Ye Zao took a bite of the chicken drumstick. “You’re really a magical person! You say that you earn so much money, but you don’t eat, drink, or enjoy yourself. What do you want?” ”

“Cen Shaoqing looked up at Ye Zao, and his deep eyes were black. “In the past, I didn’t know what I wanted, but now I know.” ”

“Then what do you want?”Ye Zao was curious.

“Keep it a secret.”Cen Shaoqing put down the spoon and took out a tissue to wipe his mouth.

“He sat casually, but it couldn’t hide his natural noble aura. In addition, Ye Zao was sitting opposite him. For a time, he attracted many people’s attention. ”
