

Almighty D 361

“Chapter 361: 111: mother, uncle, trying to curry favor with your future uncle, trying to compete with her! 7”

This trip to Country P.

It was worth it.

“Ye Zhuo walked in front, and at this moment, a few naughty children rushed out from inside. ”

“While dodging, she stumbled and almost fell. ”

“Cen Shaoqing quickly reached out and grabbed her waist, pulling it to the side. ”

A very thin waist.

It was much thinner than he had imagined.

It was so smooth that he could hold it.

“Even though they were separated by a thin layer of clothing, they could still feel each other’s warmth. ”

“Cen Shaoqing was in a daze for a moment. He quickly let go of her and reminded, “Take care of your feet.” ”

Ye Zhuo was a little embarrassed.

She had always been good at fighting. She was always the one who reminded others.

This was the first time she was reminded by others.

Ye Sen glanced over and the corners of his mouth curled up slightly.

How could he not have noticed it before.

1

His eldest niece and Cen Shaoqing looked more and more compatible when they stood together.

They were simply a match made in heaven!

It was already one o'clock in the afternoon when they returned from the restaurant.

“Cen Shaoqing did not return to the Cen family manor directly. Instead, he went to the company.”

“When he knew that Cen Shaoqing was back today, Li Qiandong had been waiting at the door of Cen Shaoqing’s office since early in the morning.”

““Fifth brother, you’re finally back.” ”

Cen Shaoqing held the Buddhist beads in his hand and his expression was the same as ever. “What happened?”

“Li Qiandong passed the document in his hand to Cen Shaoqing with an unsightly expression. “Recently, those Old Fellows have been very restless!” ”

Cen Shaoqing flipped through the document and his thin lips curled up slightly. "A grasshopper after autumn is nothing to be afraid of."

"His voice was very light, but for some reason, it made people's hearts tremble."

It was obvious that he did not take this matter to heart.

"Seeing Cen Shaoqing like this, Li Qiandong heaved a sigh of relief. "Fifth brother, I see that you're in a good mood. Have you encountered any good things recently?" "

"I seem to be in a good mood?" Cen Shaoqing raised his eyes.

"Yes!" Li Qiandong nodded.

Cen Shaoqing twirled the Buddhist beads and narrowed his eyes.

"Li Qiandong continued, "Right, fifth brother, I have something to show you." "

"What?" Cen Shaoqing raised his eyebrows.

"Li Qiandong took out his phone and opened a video. "Fifth brother, look at this." "

"In the video, a white coach car was speeding along the S curve of the driving school. "

The speed was very fast.

All kinds of thrilling and exciting actions took place one after another.

Everyone who watched it heaved a sigh of relief.

“Perhaps no one knew that apart from reciting Buddhist scriptures, Cen Shaoqing had another hobby, racing cars. ”

Cen Shaoqing raised his eyebrows slightly.

“The racing blood in his body, which had been dormant for many years, was now boiling again. ”

He suddenly had the urge to compete with the person in the video.

“After a video was played, Li Qiandong said, “How is it, fifth brother? This person’s skills are pretty good, right?” ”

“Is she a newly promoted racer?”Cen Shaoqing asked.

“Li Qiandong shook his head slightly. “I don’t know her either, but I heard that she’s a female driver! She’s a student from this driving school!” ”

Cen Shaoqing narrowed his eyes. “She doesn’t look like a newbie.”

“”Brother Five, take a look at this again.”Li Qiandong swiped the screen of his phone and another scene immediately appeared. ”

This was the image of a young woman walking towards the driving school.

This woman was none other than Mu Yourong.

It was Mu Yourong.

Cen Shaoqing frowned slightly. “What are you trying to express?”

“Li Qiandong continued, “Fifth brother, I heard that Miss Mu’s driving skills are very good. It’s just that she hasn’t gotten her driver’s license yet. Do you think this racer could be her?” ”

Li Qiandong had found out by chance that Mu Yourong was also at that driving school.

Mu Yourong was extremely intelligent and had a good appearance. It was very normal for her to know how to race!

“Therefore, this person was definitely mu yourong. ”

“It’s not her.”Cen Shaoqing’s tone was firm.

Although CEN Shaoqing did not see clearly who was in the car.

But he was certain that this person was definitely not Mu Yourong.

“Li Qiandong said, “That might not be the case. Fifth Brother, your prejudice against Miss Mu is too deep!” ”

“Do you like Mu Yourong very much?”

Li Qiandong was stunned for a moment before he hurriedly shook his head. “No! I don’t like her!”A brother’s wife should not be bullied!

He still understood this point.

“Moreover, he was not worthy of such a good girl like Mu Yourong. ”

“Li Qiandong continued, “Fifth brother, actually, Miss Mu is really very outstanding! Not only does she know how to get stuck in traffic, she is also very caring. She goes to the Welfare Institute to visit the children almost once a week!” ”

“In this world, how many girls could do what Mu Yourong did? ”

Cen Shaoqing raised his eyes to look at Li Qiandong. “Being played around by a woman! I think you’re as stupid as a pig!”

“As he finished speaking, he pointed to the door and said, “Get lost!” ”

His deep voice seemed to be covered in a layer of ice.

It was a tone that could not be tolerated.

Li Qiandong’s heart jumped and he immediately walked out of the door. How would he dare to utter a single word?

Why was Cen Shaoqing so angry?

Could it be that he was angry and jealous because he kept mentioning Mu Yourong by his side?

“Li Qiandong scratched his head, feeling that it was very possible. ”

“Perhaps CEN Shaoqing had already taken an invisible liking to Mu Yourong, but he had not even realized it. ”

1

..

In the capital.

Lin Ze had already returned for almost a week.

“He remembered Ye Sen’s words. In these past few days, Lin Ze had been searching for traces of his mother. ”

“Since his mother had once lived in Beijing and given birth to him, she could not possibly leave behind not a single trace. ”

“Other than searching for traces in the Lin family’s old residence, Lin Ze was also planning how to get his mother’s name from Old Lady Lin. ”

“Meow.” A chubby cat rubbed Lin ze’s calf.

Lin Ze bent down and picked it up. “Brother Meow.”

He walked out of the door while carrying the cat.

He just happened to bump into Feng Xianxian walking in from outside. “Brother Ah Ze!”

Feng Xianxian greeted Lin Ze with a smile on her face.

Lin Ze carried the cat as if he didn’t see Feng Xianxian. He walked past her without even giving her a glance.

Feng Xianxian bit her lip and her gaze fell on the cat in Lin Ze’s arms. Her eyes were filled with malice.

The Bastard carried the wild cat.

Wait!

“One day, she would make these two beasts disappear from the Lin family. ”

“Chapter 362: 112: Secrets Among Secrets, Technology Conference, face-smacking time! 1”

Feng Xianxian hated Lin ze very much.

“Born as a human being, everyone was equal, but Lin ze always acted high and mighty. ”

He ignored her.

Feng Xianxian could even see a layer of disgust in Lin Ze’s eyes.

The way he looked at her was like he was looking at a pile of trash.

“Yet, every time, she had to put on a long face to curry favor with Lin Ze like a clown. ”

Why?

Lin Ze’s biological mother was just a shameless mistress. What right did he have to be the young master of the Lin Family!

She was born into a wealthy family and had noble blood. What right did Lin Ze have to give her a hard time?

“If it wasn’t for ye Shu stealing Lin Jincheng from Feng Qianhua back then, she would be the legitimate daughter of the Lin family now. What business would there be with Lin Ze? ”

Lin Ze was a shameless bastard!

A bastard who stole everything that belonged to her!

“Xianxian, what are you standing there for?” Old Mrs. Lin walked in from outside with the help of Aunt Zhang. ”

“Feng Xianxian turned around with a smile. The viciousness in her eyes instantly disappeared, just like the person just now wasn’t her. “Grandma, I was just greeting brother Ah Ze! But brother Ah Ze didn’t seem to see me...” ”

“At the end of her sentence, Feng Xianxian lowered her head, her face full of loneliness. ”

“Hearing this, Old Madam Lin’s eyes revealed a displeased look. ”

“This child, Lin Ze, was really getting more and more insensible. ”

“He clearly knew that she liked Feng Xianxian very much and had already treated Feng Xianxian as her biological granddaughter. He also had plans to let Feng Qianhua marry Feng Xianxian into the Lin family, but he had repeatedly shown his displeasure to Feng Qianhua and her daughter. ”

Who was she doing this for?

It was all for his own good!

She was already so old this year and could die at any time. She did not want Lin Jincheng and his son to be left alone a hundred years later.

“Lin Jincheng’s body was not in good shape, and Lin Ze was a child. ”

There was no woman to take care of him at home.

She was really worried!

“Unfortunately, the father and son were each more heartless than the other. It was fine if they did not appreciate the kindness, but now they had to throw a tantrum.”

“Thinking of this, Old Lady Lin sighed deeply and continued, “Xianxian, don’t be angry. When that kid comes back, I will definitely teach him a good lesson!” ”

“Feng Xianxian raised her head and said very sensibly, “Grandma, I Don’t blame brother Ah Ze. Please Don’t blame him!” ”

“Old Lady Lin said very gratifyingly, “Xianxian is still the most sensible one.” ”

“Aunt Zhang smiled and continued, “Old Lady, you are also blessed. Although Xianxian is not your biological granddaughter, she is not inferior to other people’s biological granddaughter! Which family’s granddaughter can be so filial?” ”

Feng Xianxian was so filial!

She came over almost every day to talk to Old Lady Lin.

“If it was anyone else, would they be able to do what Feng Xianxian did?”

“Old Lady Lin agreed with Aunt Zhang’s words. She smiled so much that her eyes could not be seen. Her face was full of kindness. “Yes, yes, yes! It is my fortune to have such a good granddaughter like Xianxian.” ”

“Feng Xianxian smiled and said, “Grandma, please don’t say that. It is my fortune to have such a good grandma like you!” ”

Old Mrs. Lin was even happier after being coaxed.

1

“As she smiled, Feng Xianxian’s smile faded again. She said worriedly, “Grandma, do you think there’s something I didn’t do well enough that brother Ah Ze doesn’t like me?” ”

“Old Mrs. Lin hugged Feng Xianxian with heartache. “No, no, Xianxian, you’re a very good child. It’s that Brat Ah Ze who doesn’t know what’s good for him!” ”

““Xianxian, are you talking bad about Ah Ze in front of your grandma Lin Again?”Feng Qianhua walked in from outside the door. ”

““Mom, I’m Not!”Feng Xianxian raised her head to look at Feng Qianhua. ”

“Feng Qianhua’s face was stern, “Xianxian, how many times have I told you? You and Ah Ze grew up together. Although you’re not blood-related siblings, this friendship can’t be replaced by anything else! Say, why didn’t you learn better? How did you learn to gossip? Hurry up and apologize to your Grandma Lin!” ”

Feng Xianxian apologized to Old Lady Lin very aggrievedly.

“The mother-daughter pair chimed in, causing Old Lady Lin’s heart to ache. “Qianhua! You really misunderstood Xianxian this time! Xianxian is a good child. She won’t gossip behind her back!” ”

“Not only did Feng Xianxian not gossip, she even told her not to blame Lin Ze. ”

“Feng Qianhua said, “Aunt Lin, I’ve watched Ah Ze grow up. I know his personality the best. He definitely wouldn’t do something like bullying a little girl! So, it must be Xianxian’s fault first! Xianxian, this child, has been spoiled rotten by me!” ”

“Chapter 363: 112: Secrets Among Secrets, Science and Technology Conference, face-smacking time! 2”

“Seeing Feng Qianhua being so reasonable and blaming all the mistakes on Feng Xianxian, Old Mrs. Lin felt very guilty.”

She thought that she had taught Lin ze well.

“This time, she took the college entrance examination and was the top scholar in the Arts in Beijing. In front of everyone, she had won her favor.”

It was a pity.

That was all superficial.

This child’s upbringing was far inferior to Feng Xianxian’s.

“In front of Feng Xianxian, other than his academic results being a little better, Lin Ze was inferior to Feng Xianxian in all other aspects.”

Old Madam Lin only regretted that she had not given the infant Lin ze to Feng Qianhua to feed.

“But now, what was the use of regretting?”

“Old Mrs. Lin Sighed. “I spoiled ah ze! It has nothing to do with Xianxian. Qianhua, don’t blame the Child!” ”

“Feng Qianhua smiled and said, “Ah Ze has been sensible since he was young. He’s nothing like Xianxian! Crazy Girl!” ”

Feng Xianxian pouted to express her dissatisfaction.

“Old Mrs. Lin hugged Feng Xianxian and said, “Our Xianxian is not a crazy girl!” ”

“Feng Xianxian’s face was full of smiles, but her heart was filled with disgust. ”

“This damn old woman, if it wasn’t for the Lin family’s influence in the capital, who would be willing to be her granddaughter? ”

“After a while, old lady lin continued, “Qianhua, the weather will be fine tomorrow. Go back and ask your mother to come over. We haven’t seen each other for a long time.” ”

“”Okay.”Feng Qianhua nodded. She took out the health-preserving soup from the thermos bucket and handed it to Old Mrs. Lin. “Aunt Lin, Drink the soup first.” ”

Old Mrs. Lin took the bowl and drank a mouthful of the soup.

“As it was health-preserving soup, it had a faint smell of Chinese medicine. Fortunately, the smell of the medicine was not particularly strong. After a mouthful, she felt refreshed and her breathing was smooth.”

Old Madam Lin felt very comfortable.

“Only Feng Qianhua was filial. If it were anyone else, would they be able to deliver soup to her day after day for ten years? ”

“If not for this bowl of health-preserving soup, she would have died long ago. ”

It was not until the afternoon that Feng Qianhua and her daughter left.

Aunt Zhang sent them out.

“Walking out of the manor, Feng Qianhua said, “Aunt Zhang, you should go back quickly.” ”

“Aunt Zhang turned around and looked inside. “Miss Qianhua, there’s something that I haven’t had the time to tell you.” ”

““Go ahead,”Feng Qianhua said. ”

“Aunt Zhang lowered her voice and said, “Didn’t I go back to my hometown some time ago? After I came back, I heard that Lin Ze went to Yun Jing for ten days.” ”

“When she heard the words ‘Yun Jing’, a hint of ruthlessness appeared in Feng Qianhua’s eyes. ”

What was that little bastard doing in Yun Jing?

He must be looking for ye Shu!

A bastard was a bastard.

She was so good to him!

But this bastard seemed to have no eyes.

He didn’t know what was good for him!

“Aunt Zhang continued, “But don’t worry. He didn’t seem to have found anything in Yun Jing.”If Lin Ze had found something, he wouldn’t be so calm. ”

“Feng Qianhua frowned. “Please keep an eye on Aunt Lin. Don’t let her say anything in front of the Little Bastard.”Feng Qianhua was a smart person. She knew that the reason why Lin Ze couldn’t find ye Shu., was because Lin Ze didn’t know anything about ye Shu.”

Once Lin Ze found ye Shu...

The consequences would be unimaginable.

Aunt Zhang also knew the severity of this matter. “Don’t worry with me around.”

Feng Qianhua nodded. “Then I’ll have to trouble you.”

““It’s my duty,” aunt Zhang continued, “It’s rush hour now. Drive slowly when you go back.” ”

““I know.”Feng Qianhua looked at Feng Qianxian. “Qianxian, quickly say goodbye to your Grandma Zhang.” ”

Feng Qianxian was a little unwilling.

It was fine if she had to curry favor with that old woman from the Lin family and Lin Ze.

But what was Aunt Zhang?

She was just a servant of the Lin family.

Asking her to call a servant grandmother?

What was this?

“Seeing that Feng Qianqian had no reaction, Feng Qianhua raised her voice and said coldly, “Are you deaf? Quickly say goodbye to your grandmother Zhang!” ”

“Aunt Zhang smiled and said, “It’s fine, it’s fine. Why are you arguing with a child? Quickly go back! It’s getting late.” ”

“Feng Xianxian!”

“Feng Xianxian bit her lip and said unwillingly, “Goodbye, Grandma Zhang.” ”

Only then was Feng Qianhua satisfied.

“Feng Qianhua lowered her head and looked at Aunt Zhang. “Aunt Zhang, we’ll go back first.” ”

“Let’s go back.” Aunt Zhang nodded and watched Feng Qianhua and her daughter get into the car.

Only when the red car disappeared into the road did aunt Zhang turn around and leave.

In the car.

“Feng Qianxian asked curiously, “Mother, is Lin Ze’s mother in Yunjing?” ”

““This isn’t a question you should be asking.” Feng Qianhua’s expression was a little ugly as she continued, “Qianxian, I’ve told you many times not to be so rude to your grandma Zhang!” ”

“Chapter 364: 112: The Secret of Secrets, the technology conference, the face-smacking process! 3”

“Feng Qianhua turned her head to look out of the car window. “I’m already tired of fawning over those people from the Lin family every day! It’s just a servant, Mom, isn’t this a little too much to make a fuss over?” ”

“Feng Qianhua looked at Feng Qianhua and wanted to say something, but she swallowed her words and said, “Next time, when you see Grandma Zhang, be more polite!” ”

“”Got it,”Feng Qianxian replied casually. ”

“After Feng Qianhua returned to the Feng family, she immediately told Old Mrs. Lin about inviting old Mrs. Feng to the Lin family as a guest. ”

“Hearing this, old Mrs. Feng looked at Feng Qianhua and said, “Qianhua, I don’t have any other wishes now. My only wish is that you can marry into the Lin family as soon as possible and truly become a member of the Lin family.” ”

“After saying this, old madam Feng continued, “The Lin family invited me over this time. Is it to discuss your marriage with Jin City?” ”

Nineteen years.

Feng Qianhua had been waiting from the beginning until now.

But there was still no movement from the Lin family.

Old Madam Feng was worried that Feng Qianhua would come up empty-handed.

“A hint of sadness flashed across Feng Qianhua’s eyes. It lasted for a moment before disappearing. “Mother, when it comes to matters of the heart, it should be done naturally. You Can’t rush it. Don’t worry, what belongs to me will not grow wings and fly away.” ”

Lin Jin city belonged to her.

The position of the matriarch of the Lin family also belonged to her!

She would not let anyone take away what belonged to her!

“Ye Shu could not defeat her 19 years ago, but 19 years later, she still had to step on her feet.”

“Old madam Feng continued, “Qianhua, if the Lin family doesn’t give you a reply, you have to make two plans. Even if you don’t think about yourself, you should think about the Feng family. All these years, the food that you and your mother have been eating has belonged to your brother and sister-in-law!” ”

The last sentence was a little harsh.

“If Feng Qianhua was not still useful, a daughter who had already married off would not have been raised by her mother’s family for so long!”

“But it had been so many years, and the Lin family had not made any concrete actions. How could old madam Feng not be worried?”

“”I know, Mom.”Feng Qianhua nodded. “Don’t worry, I’m not the kind of person who is ungrateful.” ”

Old Mrs. Feng patted Feng Qianhua’s hand. “I know you’re a good child.”

On the other side.

The Lin family.

“Old Mrs. Lin called Lin Ze into the bedroom, ready to have a good talk with him.”

“Ah Ze, Grandma is getting old. No one knows which comes first, tomorrow or by accident.” Old Mrs. Lin held Lin Ze’s hand, she said very emotionally, “The only person Grandma Can Trust right now is your Aunt Feng. Grandma doesn’t want you and your son to be alone in this world. I believe that your Aunt Feng will definitely bring life and warmth to this family.” ”

Feng Qianhua was a rare and good woman. Old Mrs. Lin was very assured that the Lin family would be handed over to her.

“Lin Ze looked at Old Mrs. Lin like this and his attitude was very firm. “Grandma, I’ll say it again. If you insist on my father remarrying, anyone is fine, except for Aunt Feng.” ”

“Why?” Old Mrs. Lin frowned.

“Lin Ze said, “I don’t like her.” ”

“Old Mrs. Lin’s eyes were a little red, “Ah Ze, you can’t be heartless. Your Auntie Feng has helped our family a lot over the years. Just take it as Grandma begging you, okay? It’s not easy for your Auntie Feng to carry Xianxian all these years. Don’t you want a sister?” ”

“I don’t like a sister,” Lin ze rejected directly. ”

Old Mrs. Lin Sighed. “Can’t Grandma Beg You Personally?”

Lin Ze remained silent.

Not answering was the best answer.

“Seeing Lin ze like this, Old Mrs. Lin tried her best to suppress the anger in her heart. She raised her hand and said tiredly, “You can go out.” ”

“Then I’ll go back to my room first.” Lin Ze turned around and walked out of the door.

Old Mrs. Lin looked at Lin Ze's back and sighed deeply.

She had not taught her child well.

She had let Feng Qianhua down.

"Soon, it was the next day."

Old Mrs. Feng brought a generous gift and came to the Lin family with Feng Qianhua and her daughter.

"Old Mrs. Lin warmly received them. "Elder sister, it's been a long time." "

"It has been a long time." Old Mrs. Feng smiled and said, "How have you been recently?" "

"Old Mrs. Lin welcomed old Mrs. Feng into the house. "Thanks to Qianhua's health soup every day, my body is much better than before." "

It was not old Mrs. Feng's first visit to the Lin family.

"But every time she came to the Lin family, she was surprised. "

"Compared to the Lin family's big manor, the Feng family's small villa could not even compare to a pigeon cage. "

"Chapter 365: 112: The Secret of the secret, the science and Technology Conference, the face-slapping session! 4"

No wonder Feng Qianhua was so determined to marry into the Lin family.

She had endured it all until now.

“Once she married into the Lin family, she would think of a way to tell Feng Xianxian to the CEN family. At that time, the entire capital would be in the hands of the mother and daughter.”

“Old Mrs. Lin ordered the servants to serve tea again. When she saw that the person who served the tea was a young girl, she asked curiously, “Where’s sister-in-law Zhang? Why haven’t I seen sister-in-law Zhang?” ”

“Sister Zhang isn’t feeling well today.”

“Mrs. Lin nodded. “Since she’s not feeling well, let her rest well.” ”

“After saying that, she looked at Old Madam Feng. “Elder sister, this is the first tea of the year. How does it taste?” ”

Old Madam Feng picked up the Teacup. “The things you have here are definitely the best.”

The two old ladies chatted as they drank their tea.

“Suddenly, Old Lady Feng changed the topic, she continued, “Little sister, since we are all one family, I shall not speak of two families. Qianhua has been waiting for your Jin city for nineteen years, it’s not like she can’t get married! It’s not that I’m bragging. As long as she is willing to agree, the people who want to marry her can line up from four or nine cities to the neighboring C City! Youth is priceless. I was thinking, shouldn’t your Jin city give Qianhua an explanation?” ”

Some things should be exposed.

“Otherwise, Feng Qianhua would be at a disadvantage.”

“Mom!” Feng Qianhua quickly stood up and said anxiously, “What are you talking about! I was the one who was willing to wait for Brother Jin Cheng! All of this has nothing to do with Auntie Lin and brother Jin Cheng!”

Old Lady Lin raised her hand. “Qianhua! Your mother is right. It’s indeed our Lin family that has delayed you all these years!”

“At this point, Old Lady Lin raised her head to look at Old Lady Feng. “Elder sister, don’t worry. Qianhua is the chosen daughter-in-law of our Lin family. No matter what, our Lin family will give her an explanation.”

“With these words, Old Lady Feng’s heart was finally relieved. “With your words, I don’t have to worry.”

She had thought that old Mrs. Lin was just brushing Feng Qianhua off.

Now it seemed that Feng Qianhua really had old Mrs. Lin’s approval.

“In the evening, Old Mrs. Feng proposed to leave.”

Old Mrs. Lin personally sent her out.

“When she reached the door, she just happened to bump into Aunt Zhang walking into the house.”

“Seeing Old Mrs. Feng’s aunt Zhang’s face turn pale, she lowered her head and quickly walked to the other side. Her figure soon disappeared into the dense green plants.”

1

“Old Madam Feng frowned and lowered her head to look at Feng Qianhua. She asked, “Who was that person just now? Why does she look so familiar to me?”

“Feng Qianhua looked over and said nonchalantly, “She’s just a servant. Perhaps you’ve seen her the last time you were here.” ”

Old Madam Feng nodded. She felt that it was possible.

“”What’s wrong, elder sister?”Old Madam Lin turned to look at Old Madam Feng. ”

Old Lady Feng shook her head. “Nothing.”

...

At the same time.

Yun Jing.

Ye Zhuo received an electronic invitation from the technology industry.

They invited her to participate in the latest science and Technology Conference.

“At the same time, Ye Zhuo also received thousands of blood letters from ‘sons’. ”

“[father, I beg you to participate in the science and Technology Conference!] ”

“[father, I won’t say anything else. Just two words: Science and Technology Conference!] ”

“[dad, I guess you must have received an invitation letter by now. Kneel and beg to participate!] ”

“[dad, if you don’t participate in the Technology Conference, your sons won’t be able to hold their heads up high in the future!] ”

“[[screenshot jpg] dad, look at how your sons are being bullied by outsiders! Kneel and beg to participate!]”

Ye Zhuo clicked on the first screenshot.

The screenshot showed that an account with the ID of Hua ran XR mocked Niu Hu Lu · YC for being a team dog. The number of likes in the comments had exceeded a million.

The sons who defended her under the comments were all painted as dogs.

The second screenshot was a single account name.

Niu Hu Lu · yr.

“Ye Zhuo raised her eyebrows slightly. Although many people used Niu Hu Lu as the prefix of their accounts, apart from those high-quality fake accounts, this was the first time she had seen an ID that was one word different from her account name.”

“Moreover, she subconsciously felt that there was something wrong with this account.”

Ye Zhuo manually searched out this account.

“In a short while, she found all the true information about Niu Hu Lu · yr.”

She looked at the information displayed on the screen.

“Ye Zhuo slightly curved her lips, and her eyes were overflowing with color.”

Who Did she think YR was.

It was Mu Yourong.

Ye Zhuo began to search for Mu Yourong's recent browsing traces.

She quickly discovered that she had been frequently paying attention to the topic of the science and Technology Conference.

It seemed that Mu Yourong would like to attend the science and Technology Conference.

Demo Version, Only convert first 5 files at one time, Please buy now!

“Chapter 366: 112: The Secret of the secret, the technology conference, face-smacking time! 5”

“Since that was the case, she would satisfy Mu Yourong.”

She could take advantage of this opportunity to completely destroy Mu Yourong's external system.

“Ye Zhuo opened a dialog box marked as a, [send me another electronic invitation, I have a friend who also wants to participate in this year's technology conference.] ”

“The other side replied very quickly. “Big Brother, will you participate?” ”

“Yes.”Ye Zao said concisely.

“The invitation has been sent to your email. Please check it.”

“Thank you.”

Ye Zao opened his email and indeed received the invitation from the other side. Ye Zao filled in the name of the invitee and sent the invitation to Mu Yourong.

...

At the same time.

“In a laboratory filled with high-tech equipment, a man dressed in a white radiation-proof suit clicked to turn off the transparent control panel in the air and turned to look at his companion beside him, he said excitedly, “Yuanjie, Big Brother is coming to participate in this year’s science and Technology Conference!” ”

“Which Big Brother?”Zheng Yuanjie asked casually while controlling the machine in front of him with an expressionless face.

“YC father!”The man said.

“Zheng Yuanjie’s hand movements paused, and he said in disbelief, “Are you talking about Hu Lu Yc?” ”

“The man nodded very seriously and pressed the red button on the table, and the transparent screen appeared in the air again. “That’s right! Look at this record of my chat with the Big Shot!” ”

“”Hurry up and inform Dr. Warne.”Zheng Yuanjie continued, “Hasn’t he worshipped the big shot for a long time?” ”

“”Okay.”The Man sent a message to Dr. Warne and said, “In the past, country P has always been in the limelight at the Science and Technology Conference! Now, it’s finally our turn to hold our heads high!” ”

The annual science and Technology Conference was also a science and technology competition between various countries.

A total of many countries participated in it.

“In the past, the three big shots of country P had always been at the top, directly crushing people from other countries.”

“Hence, country P always had a sense of superiority in front of the other countries.”

Countless mocking words were said.

“Zheng Yuanjie continued, “Since the Big Boss is able to participate in the science and Technology Conference, it means that he isn’t a team of a thousand people! Zimo, you stay here and guard. I’m going to tell this good news to Dr. Qiao and Dr. Lin.” ”

“At that time, when there were comments on the science and technology website saying that Nihulu YC was a team of a thousand people, it was not that the people in the science and technology world had not questioned it.”

“After all, Niu Hulu YC’s strength was simply too shocking!”

A mission that could only be completed in a month could be completed by him in a minute.

“Now that Niu Hulu YC was willing to participate in the technology conference, it meant that he was not a team of 1,000 people at all!”

He was a technological genius!

Chu Zimo nodded. “Hurry up and go! Leave this to me!”

...

Mu residence.

“Mu Yourong was doing a mission on the science and Technology website when the system notification sounded in her mind, [host, someone is checking on you!] ”

“Who?” Mu Yourong’s hand that was pressing the mouse paused.

“The system said, [the other party’s account is too high-level, I can’t find out who it is.] ”

Mu Yourong frowned slightly.

“At this moment, at the bottom right of the computer screen, a notification popped up. ”

Mu Yourong opened the email and was instantly stunned.

It was actually an invitation to the science and Technology Conference!

“Most importantly, the invitation was actually sent by Niu Hulu YC! ”

What did this mean?

This meant that Niu Hulu YC had already noticed her.

“Perhaps, the person who had just checked her online was also Niu Hulu YC! ”

Mu Yourong was extremely excited.

She knew that she would definitely be recognized by YC.

It was not far from the day when she would be able to command the world of Science and technology.

She was a big shot in science and technology.

She was someone who stood at the top of the world of science and technology.

Even Dr. Warne and Hu Lu YC would become her right-hand men.

She and Shen Shaoqing.

“One was someone who stood at the top of the pyramid, and the other was someone who stood at the top of the world of science and Technology. ”

It was simply a match made in heaven. There was no one in this world who was more compatible with them!

Her future was bright.

Her future was boundless.

What was Ye Zhuo?

The boss of a small business?

A past Internet celebrity?

“At that time, she could crush ye Zhuo to death with a single finger. ”

“At this moment, the system’s voice sounded, [host, you can do it! The system has just detected that Cen Wu ye will also participate in this year’s science and Technology Conference!] ”

“Fifth Master Cen?” Mu Yourong was a little surprised.

“[yes, Fifth Master Cen is participating as an honored guest.] ”

“Every year, the CEN Group would allocate a huge sum of money to reward the winners of the science and Technology Conference. ”

“Chapter 367: 112: The Secret of the secret, the science and Technology Conference! 6”

“Mu Yourong’s lips curled up slightly. “In other words, as long as I can get a place in the science and Technology Conference, CEN Fifth Master will personally give me an award?” ”

Cen Shaoqing already had a very good impression of her. The reason why he had not been able to confess to her was because he had yet to understand his own heart. He was still conflicted.

“If he could let Cen Shaoqing see her at this science and Technology Conference, CEN Shaoqing would definitely confess to her immediately. ”

“At that time, she would be able to let Cen Shaoqing experience the feeling of torturing his wife for a moment and chasing after his wife to be cremated. ”

“Thinking of this, the smile on Mu Yourong’s face became even more obvious. ”

“[it’s like this.] The system continued, [although there are only three winners, with the help of the system, it shouldn’t be a problem for you to get third place.] ”

“That’s Great!” Mu Yourong stood up from the sofa and walked into the fitting room.

She installed a very large full-body mirror in the fitting room.

The light was switched on.

Mu Yourong saw herself in the fitting mirror.

Her figure was very good.

Her face was also very beautiful.

“There were still a few days before the science and Technology Conference, so she had to prepare well.”

There were not many women who could participate in the science and Technology Conference.

“That Little Slut ye Zhuo did not have the qualifications to come to the science and Technology Conference. This time, no one was competing with her. When the time came, as the only lady who won the prize, she would be the center of attention.”

“Mu Yourong’s lips curled up slightly, and so did the beauty in the mirror.”

...

“In less than a day, the news that Niu Hulu YC was going to participate in the science and technology conference spread throughout the entire science and technology world.”

The forum was very exciting.

Niu Hulu Xiaodai: [Daddy is going to participate in the science and Technology Conference! I’m so excited! I’m so excited!]

“Niu Hulu was happy every day: [it seems that Daddy has read Our Ten Thousand People’s blood letter! Brothers, we are really awesome!] ”

“Niu Hulu: [those accounts that say that YC’s Daddy is a team dog, come out!] ”

Niu Hulu: Year of flowing water 1985: [dad is mighty! I Love Dad!]

“Hua ran X R: [the science conference hasn’t started yet, don’t be too proud! Who knows if your dad will stand you up!] ”

“Are you an idiot? : [actually, I’m looking forward to Niu Hulu yr!] ”

Hua ran X R: [plus one! I’m looking forward to YR more than Team Dog! She’s much more realistic than team dog!]

Ye Zhuo did not know anything about these things on the forum.

She was doing a mission.

“Suddenly, she received a message. ”

“A: [Big Brother, there are only a few days left until the science and Technology Conference. Can you add me on wechat? At that time, we will arrange for someone to pick you up at the airport.] ”

“Ye Zhuo handled the mission with one hand and replied to him with the other: [yes, send me a wechat message.] ”

A: [I’ll add you.]

Ye Zao sent the wechat message over.

“In order to be able to distinguish between two and three dimensions, ye Zao specially applied for a new account.”

“Very soon, the other party successfully added it.”

“[hello, Big Brother, I’m Chu Zimo.]”

[hello.]

“[Big Brother, let’s meet in the capital city.]”

Ye Zao replied: [see you in the capital city.]

“On this side, Chu Zimo held his phone and immediately opened ye Zao’s moments.”

His moments page was empty.

There were no messages.

The column for personal information was also empty.

“Chu Zimo looked at Zheng Yuanjie beside him and asked curiously, “Yuanjie, do you think that the Big Boss is a big man who likes to pick his feet?” ”

Zheng Yuanjie frowned slightly. “Maybe he’s an uncle who’s over 50 years old.”

“Ah?” Chu Zimo’s face was full of surprise. “Can the big boss be that Old?”

“Zheng Yuanjie smiled and asked, “How old is Dr. Warne this year?” ”

Chu Zimo suddenly understood.

“Usually, those who contributed to the scientific and technological world were the older ones. For example, Dr. Warne only became famous at the age of 46. ”

And the three big bosses in country P were not young either.

That was because scientific research and technology required time and research.

“Young people had not even finished their university studies, so how could they be famous in the scientific and technological world? ”

“From this, it could be seen that Big Boss YC was definitely an old man. ”

And he should be very old.

“Zheng Yuanjie continued, “Oh right, who did big boss give that extra invitation to?” ”

““Newcomer Yr,”Chu Zimo replied. ”

“Zheng Yuanjie narrowed his eyes. “YC, YR. The prefix is the same, just one word difference. Big Boss gave her the invitation again. What do you think the relationship between the two of them is?” ”

“Chu Zimo scratched his head, “Yr is also a very energetic newcomer. She has only registered her ID for less than half a year and already has a very good result! Do you think these two are father and daughter? Otherwise, why would boss give her the invitation card?” ”

“Chapter 368: 112: The Secret of the secret, the technology conference, face-smacking! 7”

““It’s possible.”Zheng Yuanjie continued, “How about this, when the time comes, we’ll arrange for Big Boss and YR to sit together.” ”

“With YR’s qualifications, she naturally couldn’t sit together with a bunch of big bosses. ”

But who asked her to have a good father?

“Chu Zimo continued, “But YR might not be big boss’s daughter, it might also be big boss’s granddaughter!” Big Boss YC was so powerful, he was definitely older than Dr. Warne! ”

Zheng Yuanjie nodded slightly. “That does make sense.”

...

At the same time.

A video spread throughout the car racing world.

The background of the video was a driving school.

The driver’s car was also a coach’s car.

“As soon as the video appeared, the number of likes exceeded one million. ”

“This is too cool! I want to acknowledge him as my master!” A young man said excitedly after watching the video.

“Hearing this, a tattooed young man turned around and looked at him. “No Way, young master he! Take him as your master? Is it that exaggerated? Although his actions are extremely dangerous, in the eyes of us racers, it doesn’t seem that difficult, right?” ”

This young master he was called he ziteng.

“He ziteng was the heir of the He family in the capital city. His biggest hobby was racing cars. In the last race meeting, he defeated a professional racer and obtained a good result of first place. ”

He was called a new dark horse!

“But today, this new dark horse actually wanted to learn from someone else! ”

“He ziteng said, “Take a good look at what kind of car he is driving. If I gave you a coach car, would you be able to drive him like this?” ”

“Hearing this, the tattooed young man was stunned. ”

Yes.

He had overlooked one thing.

The person in the video was driving a car that didn’t have any functions.

“As everyone knew, not only did racing test one’s skills, it also required a very high standard of the car. ”

“There were some difficult moves that could not be completed without a professional racing car. However, the person in the video not only completed it, but also completed it beautifully! ”

This was not simple!

“Thinking of this, the tattooed youth swallowed his throat. “Young master he, then do you think he’s a man or a woman?” ”

“”It’s very likely a woman,”he ziteng said. ”

“How do you know?”The tattooed young man asked in surprise.

“He ziteng paused the phone screen and pointed at the rearview mirror. “Look here. Although the picture is very blurry, you can tell that it’s a woman’s silhouette.” ”

“The car window was half open, and the rearview mirror showed a blurry figure. ”

The tattooed youth narrowed his eyes. “Looks like song Chenyu is about to meet her match.”

Song Chenyu was a big star in the entertainment industry.

“But she was also a racing driver, and her racing skills were very good. ”

“At the same time, Song Chenyu was also the only female star in the entertainment industry who had a seat in the racing industry. ”

“Many people not only ate song Chenyu’s face, but also her racing skills. ”

When a woman started racing.

It could simply be described as valiant and valiant.

“Therefore, song Chenyu’s status in the circle was very high. ”

She had over 100 million fans on various social media sites.

He ziteng shook his head. "Song Chenyu can't be compared to her."

"After saying that, he ziteng continued, "Can you find out who this person is?" "

The tattooed youth shook his head. "I only know that this video was uploaded from a driving school in Yun Jing. Many people have reposted it. It might be difficult to find out who she is."

He ziteng made a call and walked out with his phone. "Help me look up someone."

"Who?" A pleasant male voice came from the other end of the phone screen.

"I've sent the video to you."

"Okay."

...

Time passed quickly.

"In the blink of an eye, it was the day before the science and Technology Conference. "

Ye Zhuo took a plane to Beijing.

"As soon as he got off the plane, he received a wechat message from Chu Zimo. [boss, have you arrived?] "

[just got off the plane.] Ye Zhuo pushed the suitcase with one hand and held his phone with the other.

“[okay, I’ll wait for you at the airport.] ”

“Chu Zimo held up a big sign and squeezed into the first row, his gaze locked onto the old man in the crowd. ”

“He was worried that YC boss could not walk, so he specially prepared a wheelchair. ”

1

“When the time came, he could sit in the wheelchair and push the boss to the parking lot. ”

“In addition to the wheelchair, he also prepared a crutch. ”

1

“In order to leave a good impression on the big boss, Chu Zimo even removed the ear studs from his ears. ”

This was because the older generation disliked these fancy things the most.

“Chu Zimo waited at the airport entrance for a long time, but he did not see an old man who fit the big boss’s image. ”

“Seeing that there were fewer and fewer people, Chu Zimo was anxious and kept stepping in the direction of the airport entrance. ”

“At this moment, a clear and shallow voice suddenly sounded in the air, “Hello, Are You Chu Zimo?” ”

“Chu Zimo turned around and saw a young woman with picturesque features standing in front of him, dragging a suitcase.”

“She was wearing a black hoodie, with 3,000 black hair draped behind her head, red lips and white teeth.”

She was wearing a pair of torn jeans and a pair of black Martin boots.

He looked extremely cool.

““Yes, I am.” After a long while, Chu Zimo finally reacted to her beauty.”

“Let’s go.” Ye Zhuo walked in front with his suitcase.

“Wait!” Chu Zimo scratched his head. “Do we know each other?”

“If it was any other time, Chu Zimo would not have missed such a beautiful woman.”

But not today!

He was still waiting to receive the big boss!

“I forgot to introduce myself.” Ye Zhuo extended his hand towards him. “I’m Niu Hulu YC. Nice to meet you.”

“Chu Zimo was stunned. “Don’t, don’t joke around!” ”

Niu Hulu YC was clearly an old grandpa.

How could he be so young?

“Chapter 369: 113: face-smacking scene, burning strong destruction system! 1”

“The girl in front of him was not only young, she was also very beautiful.”

She looked like she was at most 18 years old.

How could she be Niu Hulu YC?

“Chu Zimo gulped and reached out to shake hands with Ye Zao. “You, you are the boss’s assistant? is the boss in the back?” ”

Yes!

She was definitely the boss’s assistant.

Ye Zhuo took out his phone and logged into the technology website’s account in front of Chu Zimo. “Can you believe that I’m Niu Hulu YC Now?”

Chu Zimo was stunned.

“F * CK, F * ck!”

Was this really the boss?

The boss himself!

Chu Zimo never dreamed that the boss would be so young!

One had to know that the youngest boss in the technology industry was only 38 years old.

When had there ever been a teenage girl?

Oh My God!

This was too scary!

Chu Zimo could almost imagine what kind of commotion this person would cause if he appeared at the Technology Conference!

“Big, Big Boss, it’s really you!” Chu Zimo scratched his head. “I, I thought...” ”

Ye Zhuo raised his eyebrows slightly. “What did you think?”

He thought that the big brother was an old man in his sixties or seventies.

“No, nothing!” Chu Zimo continued, “Big Brother, are we going to the hotel now?” ”

“Let’s go.” Ye Zao pushed the suitcase and stepped forward.

Chu Zimo pushed the wheelchair and quickly followed Ye Zao’s footsteps.

Ye Zao lowered his eyes slightly. “Are you going to pick up the others?”

“No.” Chu Zimo shook his head.

“Then this wheelchair is?” If she was not mistaken, there was a walking stick on the wheelchair. ”

“Chu Zimo could not say. This wheelchair was originally prepared for you, so he could only say, “I prepared this for my grandfather at home.” ”

“OH.” Ye Zao did not ask further.

Chu Zimo spoke while leading the way for ye Zao.

“Soon, they arrived at the underground parking lot. ”

It was a very cool Aston Martin that had been modified and equipped with very high equipment.

Ye Zao raised his eyebrows slightly. “This car is not bad.”

“Chu Zimo helped ye Zao Open the car door and said in surprise, “Boss, you also Know About Cars?” ”

“A little.” Ye Zao leaned into the car.

Chu Zimo put the wheelchair back into the trunk and then put ye Zao’s suitcase back in.

“Just as he sat in the driver’s seat, he received a wechat message. ”

It was from Zheng Yuanjie. [did you get the Boss?]

Chu Zimo turned to look at the figure in the rearview mirror and replied: [Yes.]

[then I will wait for you at the hotel entrance with Dr. Warne.]

Chu Zimo replied: [Okay.]

He deliberately did not tell Zheng Yuanjie that the boss was a young and beautiful girl. He wanted to give Zheng Yuanjie and Dr. Warne a surprise.

Especially Dr. Warne!

“After all, the boss had always been Dr. Warne’s Idol!”

“If Dr. Warne saw that his idol was actually a little girl, what kind of expression would he have!”

He would definitely be very surprised!

“After replying to Zheng Yuanjie’s wechat, Chu Zimo tilted his head and looked at Ye Zhuo. “Boss, if you get Carsick, there is a spray on the shelf on the left that specializes in treating carsickness. You can spray it and you won’t get Carsick.” ”

“The inventor of the car sickness spray was Miracle Doctor Ye, who cured cancer.”

“Because the effect was too good and there were no side effects, it was very popular among Carsick people.”

“”Thank you, I don’t get Carsick.”Ye Zao’s voice was shallow. ”

Chu Zimo started the engine and drove away.

...

On the other side.

Two people stood in front of a high-end five-star hotel.

“One of them was slightly younger, and the other looked to be around 50-60 years old.”

The two of them looked at the side of the road from time to time.

They looked a little anxious.

“One of them was the famous Dr. Warne. “Little Zheng, are you sure that Little Chu has picked up senior?” ”

“Zheng Yuanjie nodded. “Yes, doctor. Don’t worry. The airport is a little far from here. They should be arriving soon.” ”

Dr. Warne was still a little worried. “Are you sure that the person they picked up is Senior?”

““Yes, Doctor!” ”

“At this moment, an Aston Martin slowly drove over. ”

“Zheng Yuanjie’s eyes lit up. “They’re here! They’re here! Doctor, they’re here!” ”

Dr. Warne was especially excited. “Where are they?”

“Zheng Yuanjie pointed at the Aston Martin and said, “That’s Zimo’s car.” ”

“Let’s go there quickly.”

Dr. Warne couldn’t wait to meet his idol!

He had a lot of technical issues to discuss with Nehulu YC.

Zheng Yuanjie followed Dr. Warne's footsteps.

The two of them came to the front of the car.

Chu Zimo just got out of the car.

"Where's Big Brother?"

"Chapter 370: 113: face-smacking scene, burning to destroy the system! 2"

"Where's senior?"

Two anxious voices sounded in the air. One was Zheng Yuanjie's and the other was Dr. Warne's.

"Dr. Warne, Yuanjie, Big Boss is in the car." Chu Zimo licked his lips. "But you have to be mentally prepared. Big Boss is very young!" "

"After he said that, he opened the back seat door. "Big Brother, we're here." "

Ye Zhuo walked out of the car.

"Chu Zimo continued to introduce, "Big Brother, let me introduce you. This is my colleague, Zheng Yuanjie. You can call him little zheng. This is the elder of our scientific and technological circle, Dr. Warne. Yuanjie, Dr. Warne, this is Niu Hulu YC." "

After he said that.

Zheng Yuanjie and Dr. Warne were stunned when they saw ye Zhuo.

They were speechless for a long time.

The little girl in front of them looked like she was about eighteen or nineteen years old.

She had an extremely good appearance.

But appearance did not represent ability.

The Science and Technology Circle was not the entertainment circle.

The Science and Technology Circle did not look at faces.

Which one of the people who had achieved success in the science and Technology Circle was not a postdoctoral student?

“This little girl probably had not even stepped into the threshold of a university yet, right?”

Dr. Warne and Cen Yuanjie’s current mood was the same as Chu Zimo’s when he had just met Ye Zhuo at the airport.

“Zheng Yuanjie was the first to react. “Zimo, don’t joke with us.” ”

She was too young!

How could such a young girl be Niu Hulu YC?

“Therefore, Zheng Yuanjie’s first reaction was that Chu Zimo was joking with him. ”

“Chu Zimo said very seriously, “I’m not joking with you. This is really NIU Hulu YC!” ”

The air fell into a strange silence again.

It was really her?

“Zheng Yuanjie gave Chu Zimo a look, indicating that he should stop joking. ”

“Chu Zimo shook his head with a serious expression, indicating that he was not joking. ”

Zheng Yuanjie was stunned.

“Although Chu Zimo liked to joke, he never joked about serious matters. ”

Could This really be Niu Hulu YC?

Niu Hulu YC was so young!

“Ye Zhuo turned to look at Dr. Warne. “Dr. Warne, do you still remember the discussion about Project W on the Internet?” ”

“Dr. Warne was stunned for a moment, then nodded and said, “Yes.” ”

Ye Zhuo then took out a document from his bag. “This is my proposal. We agreed to meet and give it to you.”

Dr. Warne took the document with both hands and flipped through two pages. His face was filled with surprise.

This was an excellent technological proposal!

It was unprecedented and unprecedented.

“If it was brought to the scientific and technological world, it would definitely shock everyone.”

It was indeed the work of Niu Hulu YC!

It was her!

This was Niu Hulu YC!

It was really her!

Dr. Warne’s hand that was holding the document was trembling.

He was extremely excited.

“After a long while, Dr. Warne finally reacted and stretched out his hand to ye Zhuo. “Hello, senior, I’m Warne!” ”

“Although ye Zhuo was young, she was quite capable.”

“This temperament of hers, which was unperturbed by flattery, could not be replicated by others!”

“Therefore, she was worthy of calling Dr. Warne a senior.”

“She was completely convinced by this senior, Dr. Warne!”

“Ye Zao reached out to hold Dr. Warne’s hand and said concisely, “Niu Hulu YC.” ”

“In her previous life, Ye Zao had been addressed as a senior by countless people. Therefore, when Dr. Warne called her a senior, she did not feel that there was anything wrong with it. ”

“Chu zimo smiled and said, “Professor, Big Brother, this is not a place to talk. Let’s talk after we enter the hotel.” ”

““Yes, yes, yes. Let’s talk inside. Senior, this way please.”Professor Warne immediately made a ‘please’gesture.”

Ye Zhuo and professor Warne walked in front.

Zheng Yuanjie and Chu Zimo walked behind.

“Zheng Yuanjie said in a low voice, “Is that really a big brother?” ”

Chu Zimo nodded. “Why else do you think the doctor respected her so much?”

“Zheng Yuanjie looked up at the back of leaf burning, silently swallow throat.”

“Just yesterday, he and Chu Zimo are still speculating that the Big Brother is an old grandpa.”

I didn’t expect the slap to come so soon.

“Not only is this guy not a grandpa,.”

She's a little girl.

This is so exciting!

The four arrived at the pre-booked conference room.

Dr. Warne took out his computer and prepared to discuss the problem with Yezao.

“Ye Zhuo looked down at the mobile phone, “Wait for me ten minutes, I first in the hands of the two tasks to deal with, will soon exceed the time.” ”

““Big, Big Brother, you use the mobile phone to do a task?”Chu Zimo looked up to Ye Zhuo. ”

“Ye Zao hummed, her expression indifferent. ”

“Her casual answer shocked the three people in the room, including Dr. Warne! ”
