

Almighty D 381

Chapter 381: 114: a heated relationship. Ye Shu's accident! 6

Ye Zhuo and Cen Shaoqing arrived at the airport together.

There were a total of eight seats in the first-class cabin.

“But until the plane took off, the other six seats were empty. ”

Ye Zhuo took out the phone case he bought at the Night Market Yesterday and prepared to change the case of the phone.

“When he opened the package, he found that there was also a phone case of the same model inside. ”

“Ye Zao looked at Cen Shaoqing. “I remember that our phones are of the same model, right?” ”

Cen Shaoqing took out the phone. “I think so.”

“Then this phone case is yours.”Ye Zao handed the phone case to Cen Shaoqing.

Cen Shaoqing took the pink phone case and fell into deep thought.

The phone case was not only pink.

It was also inlaid with diamonds and pearls that girls liked.

Did girls like pink that much?

“Ye Zao smiled and said, “If you don’t like it, you can give it to Grandma Cen. I remember that Grandma Cen’s phone model is the same as mine.” ”

“”No, I like it very much.”As he said that, Cen Shaoqing put the phone case on the phone. ”

“When the pink phone case was put on the phone, the phone immediately looked brand new. ”

Ye Zhuo deliberately teased him. “You should change the lock screen to a pink background as well. It’ll look better this way.”

Cen Shaoqing did not reply and looked down at the phone.

“Just as ye Zhuo thought Cen Shaoqing was angry, Cen Shaoqing suddenly handed the phone over. “What do you think of this one?” ”

It was a pink picture that had the heart of a young girl.

Ye Zhuo looked up in surprise. “You really changed it? I was just joking with you.”

“Cen Shaoqing said in all seriousness, “Actually, I’ve always liked pink.” ”

“Really?”Ye Zhuo raised his eyebrows in surprise.

“Really.”Cen Shaoqing nodded.

“Ye Zhuo saw that he did not seem to be lying, so he nodded and said, “This one is pretty good.” ”

A grown man actually liked pink. No wonder he wanted to become a monk after seeing through the secular world.

She really didn't agree with his aesthetic standards.

Cen Shaoqing set this picture as a lock screen.

"Five hours later, the plane landed at Yunjing Airport."

It was already past three in the afternoon.

The two of them had just walked out of the airport.

Ye Zhuo saw a familiar figure.

Was It song Shiyu?

Ye Zhuo looked up at Cen Shaoqing. "Wait for me here for a moment. I saw an acquaintance go say hello."

"Alright." Cen Shaoqing nodded slightly.

"Ye Zhuo jogged to song Shiyu's side and greeted, "Brother Song." "

"Upon seeing ye Zhuo, a look of surprise flashed across song Shiyu's eyes. "Ye Zhuo, you're here to pick someone up as well?" "

"Ye Zhuo shook his head. "I've just returned from the capital. Brother song, are you here to pick someone up?" "

"Yes." Song Shiyu nodded.

“Ye Zhuo continued, “My friend is still waiting for me there. I Won’t talk to you anymore.” ”

“Alright.” Song Shiyu swallowed the rest of his words.

Ye Zhuo walked towards Cen Shaoqing.

Song Shiyu raised his eyes slightly.

“Just like that, his gaze met Cen Shaoqing’s. ”

His eyes turned slightly cold.

Both of them could see the viciousness and threat in each other’s eyes.

“After a moment, CEN Shaoqing withdrew his gaze and looked back at Ye Zhuo. “Have you greeted him?” ”

Ye Zao nodded. “Yes.”

“Then let’s go.”

Ye Zao followed Cen Shaoqing out.

Song Shiyu narrowed his eyes as he watched the two of them leave.

A moment later.

He also turned around and walked out of the airport.

Picking her up was just a cover.

Picking her up was the true purpose.

What song Shiyu did not expect was that there would be an uninvited guest by her side.

Mu Yourong had just walked out of the airport.

She saw a figure in the crowd that made her scalp tingle and her limbs go soft.

It was song Shiyu.

“Although it was just a figure, Mu Yourong recognized it at a glance.”

That’s right.

It was him!

Mu Yourong hurriedly hid in the bathroom at the side.

She could not let song Shiyu discover her!

Absolutely Not!

Why would song Shiyu appear at the airport?

Was he there to stop her?

“But in this life, the person who provoked song Shiyu was not her at all.”

Could it be that song Shiyu was here to stop ye Zao?

That's right!

It must be ye Zao!

"Thinking of this, Mu Yourong heaved a sigh of relief. "

That's right.

How could she forget song Shiyu?

"With song Shiyu around, Ye Zao would not be able to live in peace! "

Song Shiyu would definitely kill ye Zao.

Mu Yourong secretly glanced outside the door.

Song Shiyu's figure had already disappeared.

"But just in case song Shiyu had not gone far, Mu Yourong stood in the bathroom for another ten minutes or so before walking out. "

"When Mu Yourong returned to the Mu residence, she called her assistant upstairs. "

"Miss, do you have any orders?" "

A sinister look appeared in Mu Yourong's eyes. "Find a few local ruffians to serve ye Shu and take a few photos to send to Ye Shu's friends and family."

"Chapter 382: 114: feelings heat up, Ye Shu gets into an accident, burning with power, domineering to protect her own! 7"

She had no way to deal with Ye Zhuo.

But she always had a way to deal with ye Shu!

"On what basis did the mother and daughter pair live their lives in such a hurry, while she got worse and worse? "

The mother pays the debt!

"She wanted ye Shu to become a promiscuous cousin, to be disgraced in the Yun capital! "

"When she thought of this, Mu Yourong felt extremely happy! "

"With a ruined mother like ye Shu, she wouldn't have the face to live in this world compared to Ye Zao, right? "

Serve?

Even take photos?

The amount of information mu Yourong's words contained was simply too much!

The assistant was stunned.

“If she remembered correctly, Ye Shu was Mu Yourong’s foster mother.”

They had been mother and daughter in the past.

Mu Yourong’s actions were truly venomous.

“But she was only an assistant. She could only do as Mu Yourong instructed. “Yes, miss, I understand.” ”

“MU yourong continued, “Remember to find more people. Ye Shu has been a widow for many years, so he must be thinking too hard.” ”

“The assistant nodded, feeling that this Mu Yourong was somewhat terrifying.”

“”Alright, go make the arrangements.” ”

“Then I’ll go out first. Call me if you need anything.”The assistant nodded and walked out.

...

12 pm.

Ye Shu finished the finishing work at the restaurant and walked home.

“Actually, she could usually reach home around 11:30 pm.”

“But today’s cleaning was a little slow, so she was busy until now.”

This place was not far from the neighborhood.

“After walking through an alley, she would be home in 10 minutes.”

“Ye Shu walked on the road, thinking that she had to get her driver’s license quickly so that it would be easier to commute to work.”

There was almost no one on the road at 12 o’clock.

“When she passed by the alley that she usually passed by, Ye Shu suddenly felt a chill in her heart and subconsciously gripped her phone.”

She didn’t know what was wrong with her either.

This feeling was very strange.

“The more ye Shu thought about it, the more she felt that something was wrong. She quickened her pace and walked forward.”

“At this moment, two people suddenly rushed out from the corner and blocked in front of Ye Shu. “Beauty, where are you going?” At the same time, footsteps sounded behind her. There were about seven or eight men surrounding ye Shu.”

“What do you want?” Ye Shu held her phone tightly.

““Nothing much. I just want to play with you, beauty.” One of them reached out and lifted ye Shu’s chin.
”

Obscene laughter immediately came from all around.

It was fake to say that she didn’t panic.

“Ye Shu tried hard to calm herself down and pushed away the gangster’s hand. “If you don’t stop, I’ll call the Police!” ”

“Go ahead and call them!”

“Ye Shu picked up her phone, but before she could unlock it, it was snatched away. ”

“At this moment, her phone rang. ”

The Caller ID was burning.

That’s right.

The call was from ye Zhuo.

“Usually, Ye Shu would be home on time at 11:30. ”

“But today, it was already past 12, and Ye Shu was still not home. ”

“She called once, but no one picked up. ”

“She called twice, but no one picked up. ”

Ye Zao frowned slightly and walked out with his phone.

“Coincidentally, Ye Sen came out of the bathroom after taking a shower. “Zao Zao, where are you going?” ”

“I’m going to see why my mom isn’t back yet.”

Ye Sen raised his head and looked at the clock hanging on the wall. “It’s already 12:05. is your mom still not back yet?”

Ye Zao shook his head.

“I’ll go with you.”Ye Sen immediately put down the towel to dry his hair and followed ye Zao out.

The two of them jogged along the way.

“When they reached the entrance of the alley, they felt that something was not right. ”

Ye Zao and Ye Sen looked at each other.

“The deeper they went, the more they felt that something was not right. ”

There were curses and cries.

“Mom!”

Ye Zao called out.

“Sear Sear!”

A strong voice came from the darkness.

“It’s My Mom!”Ye Zao turned around and looked at Ye Sen.

The two of them immediately ran towards the source of the voice.

“Seeing this scene, ye Zao’s eyes immediately turned red, and the anger in his body reached its peak.”

He saw ye Shu sitting on the ground.

The clothes on her upper body were a little untidy.

“She crossed her arms in front of her chest and slowly moved back. “Don’t come over, don’t come over!” ”

““Don’t worry, we’ll take good care of you.” ”

Ye Zao couldn’t care about anything else. He rushed over quickly and ruthlessly.

A painful wail immediately sounded in the air.

“But in the blink of an eye, the Hooligans were curled up on the ground. ”

Ye Sen directly picked up the steel pipe on the side and smashed it on the hooligans again and again. “Bastards! You Bunch of bastards! You bullied my sister! I Let You Bully My Sister!”

““Mom, are you okay?” ”

“Zha Zha!”Ye Shu hugged ye Zha and cried out loud.

Fortunately!

“Fortunately, Ye Zha came early. ”

“If it were a little bit more, she would not be her. ”

“”Mom, it’s okay! It’s Okay!”Ye Zha patted ye Shu’s back. ”

“Thinking of what she had just experienced, ye Shu still had lingering fear and hugged ye Zha tightly. ”

“”Stop fighting! If you keep fighting, people will die! We are also taking money from others to do things for others! We didn’t do it on purpose! Please spare us! Please!”The hooligans knelt on the ground with tears streaming down their faces. ”

All of them were beaten black and blue. It was a horrible sight.

“Who asked you to come?”Ye Zao suddenly asked.

The air was quiet. No one was willing to speak.

They also had the rules of the street.

“Say it!”Ye Sen smashed another steel pipe down.

There was a painful wail in the air.

One of the hooligans quickly took out his phone with trembling hands. “It’s... It’s the woman in the photo.”

Ye Zhuo took the phone.

She didn’t know this person.

This person must be working for someone else.

“Ye Zhuo sent the photo to his phone. Then, he took out a bottle of medicine from his pocket and threw it in front of the Hooligans. “Take the medicine in the bottle.” ”

The hooligans looked at each other. No one dared to take the medicine.

What if the medicine was poisonous?

“Suddenly, one of the hooligans stood up and ran.”

He was very fast!

Ye Zao picked up a steel pipe and threw it out.

Bang!

The steel pipe hit the man’s calf.

Bang!

He fell heavily to the ground.

“At the same time, the crisp sound of bones breaking could be heard in the air.”

“”I’ll eat it! I’ll eat it!”One of the Hooligans quickly picked up the medicine bottle on the ground, poured out a pill, and swallowed it.”

“I’ll eat it too!”

The remaining hooligans scrambled to eat the medicine. No one dared to cheat.

“Seeing that they had finished eating the medicine, ye Zao said, “Scram!” ”

The few of them felt as if they had been pardoned and ran out of the room.

“Ye Zao helped Ye Shu up from the ground. “Mom, let’s go home.” ”

“Ye Shu had gradually calmed down. She stood up with Ye Zao, but her body was still trembling. ”

“Sister is fine.”Ye Sen walked over and held ye Shu’s arm.

The two nephews protected ye Shu in the middle.

“Ye Sen continued, “Zao Zao, what did you feed those bastards just now? If it were up to me, I would have turned them into eunuchs! Otherwise, it would be too easy for those bastards!” ”

“Fortunately, other than being a little frightened, ye Shu did not let those bastards succeed. Otherwise, killing them would not be enough to vent their hatred! ”

“That medicine is to make them become eunuchs.”Ye Zao’s voice was cold.

“Really?”Ye Sen said in surprise.

Ye Zao nodded.

“After returning home and comforting ye Shu, ye Zao turned on the computer and began to search for information on that woman. ”

Liu Xiaodie.

Female.

“Currently, she was Mu Yourong’s assistant. ”

It did not need to be thought to know that the person behind this matter was definitely mu yourong.

Ye Zhuo narrowed his eyes.

“Mu Yourong, right? ”

Then she would double the pain that ye Shu had suffered tonight and return it to Mu Yourong!

Ye Zhuo opened an encrypted international software and posted a bounty mission on it.

“The bounty was 500,000 yuan. ”

“After posting the mission, Ye Zhuo closed his computer and made a call. He walked to the French window and said, “I want to see the MU group declare bankruptcy in three days!” ”

Chapter 383: 115: Searing Fifth Master works together to destroy the SCUM! The Mu Family Falls! 1

The Mu family.

Mu Yourong had been staring at her phone waiting for a call.

“Time passed by minute by minute, but she had not received any calls. ”

What was going on?

It was already past two in the morning.

Could it be that the group had not succeeded yet?

“Mu Yourong paced back and forth in the room, her face full of anxiety. ”

Could something have gone wrong?

Ye Shu was just a middle-aged woman with no strength to tie a chicken. She had specially asked Liu Xiaodie to find eight men!

“So, there shouldn’t be any problems. ”

She just needed to wait for a reply with peace of mind.

This time!

She had to make ye Shu and her daughter lose their reputation in Yun Jing.

“Thirty minutes later, Mu Yourong finally received a call. ”

It was from the other party.

It had definitely been done!

“Mu Yourong’s eyes lit up, and a smile appeared on her face. She quickly picked up the call. “When will the photos be sent over?” ”

“It was unknown what was said on the other end of the call, but Mu Yourong’s face turned pale. Her smile froze on the corner of her mouth, and she was so angry that she smashed her phone against the wall. “Trash! A bunch of trash!” ”

Mu Yourong had never thought that her plan would fail.

She had never thought that ye Shu would be able to escape from the hands of eight men!

Just what was going on?

She had thought that she could destroy ye Shu’s reputation in one fell swoop and make her life a living hell. She had never thought that she would end up with nothing.

Mu Yourong’s facial features were twisted into a ball and her entire body was trembling.

“After a long while, Mu Yourong pulled out the phone card and threw it into the toilet to flush it. ”

“Seeing the phone card disappear into the toilet, Mu Yourong narrowed her eyes. ”

“This time, she was lucky enough to let ye Shu escape. Next time, Ye Shu would not be so lucky! ”

““System, help me check ye Shu’s current situation and her schedule for this period of time!” ”

There was no reply in her mind

Mu Yourong bit her lip. Only then did she realize that the system had already disappeared.

When would the system be able to return?

No!

She could not lose the system!

Absolutely Not!

“Mu Yourong tightly gripped the edge of the basin, because her knuckles had already turned slightly white from overexerting herself.”

“In the blink of an eye, the next day arrived.”

“Ye Shu was still the same as before. She woke up early in the morning, as if the incident from last night had never happened.”

She went to the kitchen and found ye Zao already cooking porridge.

““Zao Zao, why are you up so early? Come out quickly, I’ll Cook!”Ye Shu put on an apron.”

“Ye Zao turned his eyes slightly and said with a smile, “I’ve already made it. We Can Eat Now.” ”

“Ye Shu knew what ye Zao was worried about. She looked at ye Zao and said seriously, “Zao Zao, don’t worry. Mom Is Fine Now!” ”

“Ye Zao continued, “Mom, from today onwards, there will be a special driver to take you to and from work.” ”

““Okay.”In order to make ye Zao Feel at ease, Ye Shu nodded.”

“Not long after, Ye Sen also got up.”

The family of three sat at the dining table and ate.

“Ye Zao took a bite of his fried dough stick. “Mom, why don’t I sign you up for a Sanda Class? Practicing Sanda can not only train your body, but it can also improve your ability to defend yourself.” ”

“Right now, Ye Shu’s value was increasing day by day. Even without mu yourong, there might still be others in the future.”

“It was easy to dodge an open spear, but difficult to defend against an arrow in the dark.”

Only when one was strong could one truly be strong!

“Ye Sen nodded in agreement. “I think what Zao Zao said makes sense. Sister, it’s better to rely on yourself than anyone else! What if one day, Zao Zao and I aren’t by your side? What will you do?” ”

Ye Shu hesitated for a moment and then nodded.

“After what happened last night, Ye Shu was also extremely afraid.”

“If ye Zao and Ye Sen hadn’t arrived in time last night, the consequences would have been unimaginable.”

“As a mother, it was fine if she couldn’t protect ye Zao, but she couldn’t drag ye Zao down either.”

She had to work hard to become stronger!

“Therefore, after dinner, ye Zao accompanied ye Shu to sign up for the adult Sanda class.”

“Ye Sen also wanted to go with her. Ye Shu smiled and said, “Why are you following me? Go and do your work! The company is so busy now!” ”

“Ye Zao said, “Uncle, I will accompany my mother there. It is meaningless for you to follow her there. On the contrary, it is a waste of time.” ”

“The incident last night still left ye Sen with lingering fear. He continued, “Zao Zao, call me if there is anything.” ”

“Okay.”Ye Zhuo nodded.

...

“With the help of Li Qiandong, the MU group, which had already been on the right track, withdrew their investments overnight. At the same time, a mysterious force was suppressing them in the dark. ”

“President Mu is in trouble! The land in the South has been snatched by the Zhang Group!”

Chapter 384: 115: Master searing fifth is working together to destroy the SCUM! The Mu family has fallen! 2

“President Mu! PL company suddenly broke the contract and said they would cancel the meeting in the afternoon!”

“”President Mu! The death of a construction worker in the north has been exposed by the family! Now, the higher-ups have banned the construction!” ”

“President Mu! The local tax bureau said that we are suspected of tax evasion and asked you to cooperate with their investigation!”

“Chief Mu...”

“In just one morning, soldier mu seemed to have aged more than ten years. ”

“Soldier Mu had been in the business world for more than thirty years. Naturally, he knew that this was not a coincidence. ”

Someone was deliberately targeting the MU family!

Because it was impossible for everything to erupt at the same time.

What should he do now?

“At this moment, soldier Mu thought of Cen Wu Ye! ”

Right!

And fifth Master Cen!

“The last time the MU family encountered a financial crisis, it was fifth Master Cen who had asked Li Qiandong to take care of it! ”

“Fifth Master Cen liked Mu Yourong so much, and this time, he definitely would not just watch the MU family fall. ”

“With this in mind, a huge rock in general Mu’s heart finally fell to the ground, and he immediately rushed back to the MU family. ”

Shen Rong was meeting a few wealthy ladies at home to play cards.

“When she saw that soldier Mu had returned, Shen Rong asked somewhat strangely, “Old Mu, why are You Back Now?” ”

“Soldier Mu did not answer. Instead, he asked, “Where’s yourong?” ”

“”She’s upstairs reading a book,”Shen Rong said as she threw out three cakes. ”

The lady sitting below her was so happy that flowers bloomed. “Bang! I’m Done!”

“Shen Rong said in a speechless manner, “You can even win this? Why is my luck so bad today!” ”

Soldier Mu walked upstairs.

Mu Yourong was sitting in her room reading a book.

“On the surface, she was reading, but in reality, she was calling the system back. ”

Unfortunately.

“She called the system many times in her heart, but the system still did not reply. ”

“Just then, there was a knock on the door. ”

“Mu Yourong’s thoughts were interrupted by the knock on the door. She put down her book and walked over to open the door. When she saw who it was, Mu Yourong said in surprise, “Dad, why are you back?” ”

“Soldier mu said, “Yourong, something big has happened! Let’s go to the study and talk!” ”

“Okay.”Mu Yourong nodded and followed soldier Mu’s footsteps.

“The father and daughter came to the study, and soldier Mu began to talk about the current situation of the MU group. ”

“Hearing this, Mu Yourong’s face turned pale. “How could this be?” ”

Soldier Mu frowned. “I suspect that someone is deliberately targeting us!”

Someone was deliberately targeting the MU corporation?

Mu Yourong narrowed her eyes.

Who was this person?

Was It song Shiyu?

“After all, in her previous life, Song Shiyu had single-handedly destroyed the MU Corporation. ”

“But in this life, she had not provoked song Shiyu! ”

But...

“Besides song Shiyu, who else was there? ”

Could It Be... Ye Zhuo?

“Thinking of this, Mu Yourong’s brows twitched. ”

Could it be that ye Zao already knew that she was the one who had done that thing last night?

But how did ye Zao Find Out?

“For a moment, Mu Yourong fell into deep thought. ”

“Soldier Mu continued, “Yourong! Quickly contact young master Li and get him to help us tide over this crisis!” ”

“No matter what, the MU family could not fall! ”

“Because of the financial crisis last time, relying on Li Qiandong’s backing, soldier Mu had offended quite a number of people. ”

He couldn’t let those people see him as a joke!

He couldn’t!

“Mu Yourong lowered her head to look at Soldier Mu. “Father, don’t be anxious. I’ll go look for Li Qiandong right now! Don’t worry, he definitely won’t sit idly by!” From Li Qiandong’s eyes, it could be seen that he liked her very much now! ”

It was just that he didn’t dare to confess because of fifth master Cen.

“As long as she inadvertently mentioned the Mu family’s problem, Li Qiandong would definitely step in to resolve it. ”

“This was because Li Qiandong, this stepping stone, couldn’t bear to see her suffer any grievances or harm. ”

“Hearing this, soldier mu heaved a sigh of relief. “Then I’ll wait for Your Good News at the company.” ”

“Mm.” Mu Yourong nodded.

Mu Yourong returned to her room to change her clothes and put on some light makeup before leaving.

Only when she got into the car did mu yourong realize that she had overlooked one thing.

“That was, she no longer had the system.”

“Without the help of the system, it would still be a little difficult for her to run into Li Qiandong by chance.”

“After all, Yunjing was so big.”

What should she do now?

“Mu Yourong sat in the driver’s seat, her brows tightly furrowed.”

“Time waited for no one. In this situation, she could only go to the orphanage to try her luck.”

And so.

Mu Yourong drove in the direction of the orphanage.

“Little did she know that a black car had quietly followed her, maintaining a distance that was neither too far nor too close.”

Only when she reached the orphanage did Mu Yourong realize that Li Qiandong had just left.

“And so, Mu Yourong drove to the place where she had often met Li Qiandong.”

Chapter 385: 115: Burning Fifth Master teaming up to destroy trash! Mu family toppling! 3

“However, Mu Yourong did not run into Li Qiandong by chance until nightfall. ”

““System! Where the hell have you been!” Mu Yourong clenched her fists and smashed them hard on the steering wheel, her expression very ugly. ”

“If the system was here, she would not have run into walls everywhere. ”

“Just then, her phone rang. ”

Mu Yourong took a deep breath and picked up the phone. “Dad.”

““Yourong, how is it? Have you seen Cen Wu Ye and Young Master Li?” Soldier Mu sounded very anxious. ”

“Mu Yourong tried her best to calm herself down. “Dad, don’t be anxious. I will definitely resolve this matter!” ”

“It had only been a day, and the MU corporation was already half empty. How could soldier Mu not be anxious? ”

“Then hurry up. Dad will wait for your news.”

““Okay.” Mu Yourong hung up the phone, her brows tightly knitted together. ”

“At this moment, she suddenly thought of a place. ”

“Darkness Bar..,”

she remembered that the system had mentioned before that Li Qiandong was a regular customer of this bar.

He would go there several times a week.

So...

“If she went to Darkness Bar, she would definitely meet Li Qiandong. ”

“Soon, the car stopped at the entrance of the bar. ”

“At the same time, the black car that had been following her all along also stopped at the entrance of the bar. ”

Five strong men walked out of the car and walked into the bar one by one.

The bar was filled with drunken debauchery and a mixture of dragons and snakes.

Mu Yourong searched the crowd for Li Qiandong’s figure.

Unfortunately...

There was none.

“Li Qiandong, whom she could normally easily see, seemed to have vanished from the face of the Earth at this moment. ”

“Although she could not find Li Qiandong in the bar, Mu Yourong did not intend to give up just like that.”

She went to the bar counter at the entrance and ordered a glass of Blue Hawaiian.

She was gambling.

She was betting that Li Qiandong was there.

“As long as Li Qiandong was in this bar, he would definitely see her.”

Mu Yourong had just sat down on the high chair when she was accosted by a middle-aged man. “A beauty alone? Making Friends?”

Mu Yourong raised her head in disgust. “Do you deserve it?”

“Little did she know that the moment she raised her head, the man standing next to her conveniently threw a white pill into her glass.”

The white pill melted when it came into contact with water.

“By the time Mu Yourong raised her glass, the white pill had already disappeared without a trace.”

The alcohol content of the Blue Hawaii was not high.

“But after drinking a cup of wine, Mu Yourong felt Dizzy.”

Her head was heavy and her feet were light.

“Her entire body was hot, and her face was extremely red.”

Mu Yourong pressed her temples and stumbled towards the washroom.

“Miss, Are You Alright?” The middle-aged man who had tried to hit on Mu Yourong earlier immediately walked over and hugged her. ”

“Mu Yourong’s consciousness was completely muddled, and she fell into the man’s arms. “Hot, so hot...” ”

The man gave his companion a look.

“Immediately, four men surrounded her. ”

They led Mu Yourong out of the door.

This kind of thing often happened in bars.

So the guests were already used to it.

“Just like that, Mu Yourong was led by five people to a cheap hotel. ”

...

“When Mu Yourong woke up again, she only felt dizzy and Dizzy. Her entire body was very uncomfortable, sore and painful. ”

She remembered ordering a glass of Blue Hawaii at the bar last night.

“After drinking the Blue Hawaii, she seemed to be drunk. ”

And then?

She was taken away by someone she didn't know?

"At this moment, an extremely unbearable scene suddenly appeared before Mu Yourong's eyes."

Mu Yourong's face instantly turned white.

Was that a dream?

Mu Yourong's hands subconsciously gripped the blanket under her.

Sheets?

Where did the sheets come from?

"Mu Yourong lowered her head and looked down. With this look, she instantly sobered up and screamed in fear, "Ah!" "

Who were these five people?

Why were there five unfamiliar men on her bed?

"Pa!"

"One of them raised his hand and slapped mu yourong, "Slut! What are you shouting for!" "

"A piercing pain came from her face, but at this moment, this pain could no longer compare to the panic in Mu Yourong's heart. With a trembling voice, she said, "Beast! Bastard! What have you done to me?" "

“Hearing this, a burst of laughter immediately came from the room.”

“Brothers, this B * tch is asking us what we did to her last night? Why don’t we help her recall?” ”

“Mu Yourong looked at these five men, and scene after scene suddenly appeared in her mind.”

It was like a movie playing.

She remembered.

She remembered everything.

“At this moment, humiliation, unbearable, and assault covered mu Yourong’s entire body.”

“Mu Yourong hugged the blanket tightly and cried, “Call the police! I want to call the police!” ”

“Call it in.” A cell phone was thrown over. “Since your eldest miss mu is shameless, what does it matter if we small fry spend two years in prison?” ”

Chapter 386: 115: Burning the fifth master working together to destroy scum! The Mu family falling! 4

Hearing this.

Mu Yourong was stunned.

No!

She could not call the police.

“If she did, wouldn’t everyone know about this?”

The wealthy families valued innocence the most.

“If this matter were to be exposed, not only would her parents be unable to conduct themselves, it would also affect her marriage to Cen the fifth master.”

No!

“Right now, she could only bite off her teeth and swallow her blood.”

““Since eldest miss mu isn’t going to call the police, then our brothers will leave.”The men began to put on their clothes.”

“Mu Yourong sat on the bed, not saying a word.”

An hour later.

Mu Yourong finally walked out of the hotel.

The pain in her body constantly reminded her of what had happened last night.

“Among the five men, the oldest was already in his fifties or sixties!”

“Even in her previous life, Mu Yourong had never suffered such an insult.”

The weather in August was clearly scorching hot.

But Mu Yourong felt her entire body turn cold.

Ye Zao!

It was definitely that slut ye Zao who was harming her!

Slut!

Mu Yourong's entire body was trembling.

She had to take revenge!

She must return the humiliation she had suffered to ye Zao a thousand times over.

Mu Yourong returned to the Mu family in a daze.

"Seeing that Mu Yourong had returned, soldier mu said impatiently, "Yourong, you're back! Has Young Master Li already agreed to help us?" "

Soldier Mu was too anxious.

He was so anxious that he did not even notice the redness and swelling on mu yourong's face.

"Mu Yourong raised her eyes to look at Soldier Mu. "Father, I'll go upstairs and rest for a while. We'll talk about other things later." "

"Soldier Mu wanted to say something else, but Mu Yourong had already gone upstairs. "

“Sigh!”

Soldier Mu sighed deeply.

“After all the major investors had withdrawn their investments yesterday, the MU group’s shares had dropped by ten points today, and they were flying green all the way. ”

“Now, the shareholders of the company were already discussing about selling the company! ”

“They were already in a situation of imminent danger, so how could they wait? ”

“At this moment, Shen Rong walked past soldier Mu in a flashy outfit. She smiled and said to soldier mu, “Old Mu, what do you think of my outfit today?” ”

Soldier Mu turned to look at Shen Rong. “Where are you going?”

“Shen Rong said, “I have an appointment with Mrs. Sun and Mrs. Wang to play cards.” ”

“Soldier Mu was already in a fit of anger. When he heard these words, he was even more furious. He directly slapped Shen Rong’s face. “Play cards! Play cards! What else do you know other than cards?” ”

“Shen Rong was stunned by the slap. Her face swelled up and she said in disbelief, “Soldier Mu! You actually hit me!” ”

“Soldier mu said angrily, “Do you know that our family is going to go bankrupt!” ”

“What?”

Shen Rong was stunned.

...

Upstairs.

“Mu Yourong stood under the shower, using water to wash her body over and over again.”

But those bruises couldn't be washed away at all.

After a long time.

Mu Yourong finally came out of the bathroom and began to put on makeup.

She couldn't lose!

She couldn't lose to ye Zao!

“Since she couldn't meet Li Qiandong by chance, she would personally go find Li Qiandong!”

“After putting on some makeup, Mu Yourong went downstairs.”

She drove to Li Qiandong's address.

Li Qiandong lived in the wealthy district of Yunjing.

It was not far from the MU residence.

“Twenty minutes later, she appeared at the door of Li Qiandong's apartment.”

She rang the doorbell.

“Very quickly, the door opened from the inside.”

“Li Qiandong had obviously just woken up. His eyes were sleepy and he was still wearing his sleeping robe. When he saw who it was, he immediately woke up from his drowsiness. “Yourong? !” ”

“At this moment, a delicate voice came from the room. “Who’s there so early in the morning?” ”

This was the female companion who had a one-night stand with Li Qiandong the previous night.

“Hearing this, Mu Yourong immediately took a step back. “I’m sorry, Big Brother Li. I’ve disturbed you. I’ll leave now.” ”

“Li Qiandong clearly noticed that mu yourong’s mood was not right. He hurriedly grabbed mu yourong’s wrist. “Yourong, come in first. Give me five minutes.” ”

“Mu Yourong pretended to struggle, but Li Qiandong’s grip was really too tight.”

“Thus, Mu Yourong could only follow Li Qiandong into the room.”

““Yourong, sit on the sofa for a while.” ”

“Mu Yourong’s eyes were red and she said somewhat uneasily, “Big Brother Li, Am I disturbing you?” ”

““No, don’t think too much.” ”

“After comforting Mu Yourong, Li Qiandong walked into the bedroom.”

“A girl in sexy pajamas was lying on the bed. She had a very good figure. When she saw Li Qiandong enter, she immediately winked at him. “Young master Li, do you want to do it again?” ”

“Unexpectedly, Li Qiandong seemed to have changed into a different person. “I’ll give you three minutes! Get lost immediately!” ”

1

Chapter 387: 115: Burning Fifth Master working together to destroy trash! Mu family toppling! 5

“Young master Li!”The girl stood up and hugged Li Qiandong.

“Get lost!”Li Qiandong’s face immediately turned black as he shook off the girl’s hand.

“Seeing that Li Qiandong was really angry, the girl jumped in fright. She hurriedly changed her clothes and ran out of the bedroom as if she was escaping. ”

“When she passed by the living room, the girl glanced at Mu Yourong who was sitting on the sofa. ”

Li Qiandong changed his face as he said so. She had thought that some coquettish slut had come.

So that was all there was to it.

It was clear and watery.

How could it be half as charming and moving as her?

Li Qiandong’s taste was really terrible!

“When the girl was sizing up Mu Yourong, Mu Yourong also raised her head and glanced at her.”

Her eyes were filled with ridicule.

So what if she was beautiful?

So what if she slept with Li Qiandong?

“In Li Qiandong’s heart, she was still the most important person.”

“Even if she did not do anything, that Idiot Li Qiandong was willing to give up everything for her.”

Three minutes later.

Li Qiandong walked out of the room neatly dressed and poured mu yourong a cup of water.

“Thank you, Big Brother Li.”

Mu Yourong took the cup of water with both hands.

“You’re welcome.” Li Qiandong continued, “Yourong, did you encounter some difficulties?”

“Hearing this, Mu Yourong immediately cried out, “Big Brother Li...”

“What’s Wrong?” Seeing Mu Yourong Cry, Li Qiandong’s heart ached terribly.”

“Mu Yourong immediately hugged Li Qiandong, crying as she said, “Big Brother Li, someone is targeting our family, and our family is going bankrupt... Big Brother Li, what should I do?”

Mu Yourong was a smart person.

“Since she couldn’t meet Li Qiandong by chance, and since he had taken the initiative to find her, instead of hiding it, she might as well get straight to the point.”

“Li Qiandong’s body instantly stiffened as he comforted her, “Yourong, don’t worry. You’re So Kind, your family will definitely not go bankrupt! I’ll help you!” ”

“Really?” Mu Yourong raised her head to look at Li Qiandong with tears in her eyes.

“Li Qiandong reached out to help mu yourong wipe her tears. “Really, yourong, don’t cry. This small matter isn’t worth your tears.” ”

“Mu Yourong was moved as she hugged Li Qiandong. “Big Brother Li, thank you.” She knew that Li Qiandong, this stepping stone, would not disappoint her. From an angle that Li Qiandong could not see., the corners of Mu Yourong’s mouth curled up into a sinister arc.”

“It’s my duty.”

“MU yourong continued, “Oh right, Big Brother Li, can you help me investigate who is targeting our mu group?” ”

“”That’s for sure. Even if you don’t say it, I will investigate.” He really wanted to see just who would dare to lay their hands on the Grand Elder! ”

Did he not know that he had the support of the Mu Group?

Mu Yourong knew that Li Qiandong would definitely help her vent her anger.

“Once it was discovered that it was ZY, not only the Li Corporation, even fifth master Cen would probably take action to suppress it.”

“Compared to the CEN Corporation, ZY was nothing?”

“At that time, the person on the verge of bankruptcy would be ye Zhuo!”

“Thinking of this, Mu Yourong felt extremely happy!”

“Ye Zhuo, that little slut, dared to fight with her?”

She really overestimated herself.

Mu Yourong returned home.

Big Soldier Mu welcomed her.

“Knowing what big soldier Mu wanted to ask, Mu yourong smiled and said, “Father, don’t worry. Young Master Li has already promised me that he will immediately invest in our company. He will also send someone to inform the local tax bureau.” ”

“Hearing this, big soldier mu heaved a sigh of relief.”

“As expected, his daughter was really capable!”

“After sending Mu Yourong back to the Mu family, Li Qiandong called his secretary. “Hello, is this little Wang?” ”

“”It’s me, young master Li.” ”

“Li Qiandong instructed, “I want to invest in the MU group. In addition, sign the two recent major projects of the company to the MU Group.” ”

““Yes, young master Li.” ”

“After the secretary hung up the phone, he went to do some work. ”

Ten minutes later.

Li Qiandong received a call from his secretary again. “Has the matter been settled?”

“The Secretary hesitated for a moment before continuing, “I’m sorry, Young Master Li. Your position has been revoked by the chairman, so you are temporarily unable to invest in the MU group. You also don’t have the right to decide on the company’s cooperation.” ”

“What did you say?” Li Qiandong suspected that he was hearing things.

The Secretary repeated what he had just said.

Only then did Li Qiandong believe that he had not heard wrongly. He immediately called Father Li.

He questioned why father Li wanted to revoke his position.

Father Li immediately cursed loudly:

““You Prodigal Son, you still have the face to ask me! Don’t you think about what stupid things you have done during your time in Yunjing? ! All you do is drink and play with women! You lost 500 million last time! And Now You’re throwing money at the MU group! I’m not spending my money to raise women for you!” ”

Chapter 388: 115: searing the fifth master together to destroy the SCUM! The Mu Family Falls! 6

“After scolding, father Li hung up the phone.”

“Li Qiandong called again, but the line was already busy.”

This meant that he was blacklisted!

Li Qiandong was father Li's old son. He was very indulgent towards Li Qiandong and never interfered in his affairs.

Why would father Li remove his position this time?

Li Qiandong frowned.

He suddenly thought of Cen Shaoqing.

Yes!

It was definitely Cen Shaoqing.

“Cen Shaoqing was the Li Group's largest shareholder. If it wasn't for Cen Shaoqing's intention, father Li would never have done such a thing.”

Cen Shaoqing's heart was too ruthless!

“He clearly liked mu yourong, so why did he do this?”

Shouldn't he protect someone he liked?

“If he hurt Mu Yourong like this, would mu yourong still forgive him? ”

Li Qiandong felt extremely uncomfortable and went straight to the CEN group.

“”Fifth brother, did you ask my father to remove me from my position?” ”

“Yes.”Cen Shaoqing held the Buddhist bead in his hand and nodded indifferently.

“Li Qiandong frowned. “Fifth brother, why did you do this? Do you know that the MU group is about to go bankrupt! Are you going to watch as Miss Mu’s family goes bankrupt?” ”

Cen Shaoqing continued to twirl the Buddhist beads. “What does the MU family’s bankruptcy have to do with me?”

“Li Qiandong frowned. “Fifth brother, I’m the general manager of the Li Corporation after all. How can you remove my position without even informing me? !” ”

“If this were to spread, wouldn’t he lose face? ”

“”What I decide, is it up to you to Judge?”Cen Shaoqing raised his eyelids and looked at Li Qiandong, his eyes filled with a myriad of pressure. ”

“Li Qiandong’s heart trembled and he immediately stopped. He prayed in a low voice, “Fifth brother, I beg you to reinstate my position! The Mu family can not go bankrupt! Otherwise, you will regret it for the rest of your life!” ”

He was doing this for Cen Shaoqing’s good.

“It was one thing that Cen Shaoqing did not appreciate his kindness, but now he had to show him his face! ”

“Now, he was no longer human!”

“It was said that if God opened a door for you, he would close a window for you.”

Cen Shaoqing was a typical example.

Mu Yourong was so good that he could not see.

It was as if he was blind.

“To be deceived to this extent by a woman! She said that you were as stupid as a pig and even insulted a pig!” Cen Shaoqing’s eyes were filled with anger. “You are 28 years old this year! Not 8 years old!”

Cen Shaoqing rarely lost his temper.

The air was so quiet that it was terrifying.

Li Qiandong did not dare to say another word.

“CEN Shaoqing continued, “Uncle Li only has one son, and he has placed a lot of hopes on you! Can you help him to live up to his expectations? If the day comes when he is completely disappointed, it will be too late for you to regret it.” ”

Li Qiandong lowered his head and did not say a word.

“Cen Shaoqing narrowed his eyes. “Go back now and reflect on yourself! When you have done so, I will consider reinstating your position.” ”

Li Qiandong turned around and left Cen Shaoqing’s office.

Cen Shaoqing pinched his nose helplessly as he watched Li Qiandong's back.

At first.

He thought that Li Qiandong was just confused. He didn't expect that Li Qiandong was really stupid.

"After leaving the CEN Group, Li Qiandong didn't go back immediately. Instead, he went to the bank and prepared to transfer a sum of money from his private account to the MU group's account."

1

"No matter what, he could not just watch the MU group collapse."

"Moreover, he had already promised mu yourong."

"He had already promised her, but he had not done it."

How would mu Yourong view him in the future?

"Li Qiandong sat at the VIP window. The cashier raised her head and looked at Li Qiandong. "Mr. Li, how much do you want to transfer?" "

"I'll transfer one billion first," Li Qiandong said."

1

One billion was enough for the MU Corporation to operate.

They had to get through the crisis first.

“Okay.”

“Two minutes later, the Teller looked up at Li Qiandong with a complicated expression. “Mr. Li, I’m sorry! Your account has been frozen. You Can’t transfer any money out at the moment.” ”

“What?” Li Qiandong looked at the teller in disbelief.

The Teller repeated what he had just said.

Li Qiandong frowned.

This result was beyond his expectations.

He had not expected that Cen Shaoqing would be so ruthless.

He had even frozen his private account.

Then what should he do now?

Li Qiandong walked out of the bank in a daze.

“When he thought of Mu Yourong’s pear-shaped face, Li Qiandong’s heart ached terribly. ”

How could he let Mu Yourong Down?

“Thus, Li Qiandong called his rich second-generation friends. ”

“But when they heard that Li Qiandong wanted to borrow money, they were so scared that they found excuses to hang up the phone.”

Chapter 389: 115: Burning Fifth Master working together to destroy the SCUM! The Mu Family Falls! 7

It was very obvious.

This was a warning from CEN Shaoqing.

Who would dare to disobey CEN fifth master's Words?

Li Qiandong was so angry that he wanted to smash his phone.

The Mu family.

Big Soldier Mu had been waiting for the news of Li Qiandong taking a stake.

“But after waiting for a long time, he still did not receive it.”

“Seeing that the company was on the verge of collapse and that the local tax bureau had been exerting pressure, big soldier mu called Mu Yourong again.”

“Mu Yourong comforted soldier Mu. “Dad, don't worry. Since Li Qiandong promised me, he won't go back on his word! Perhaps he's already making arrangements!” ”

“Hearing this, soldier Mu's heart calmed down a little.”

“At this moment, someone knocked on the office door.”

“Soldier mu said, “Come in!” ”

A few shareholders walked in from outside.

““Old Mu, the company is on the verge of bankruptcy now! The stock has dropped by 10 points. If this continues, you should be very clear about the consequences!” ”

Big Soldier Mu frowned. “So What do you want?”

““Now that someone is willing to buy the company, a few of our shareholders have discussed it and decided to sell the company!” ”

““Impossible!”Big Soldier Mu said with a straight face, “All of you are old people in the company! All these years, what kind of hardships have we not experienced? Don’t tell me that even you are going to add insult to injury now?” ”

Sell the company?

“With the current situation, even if they really sold the company, they would not be able to fill up the mess. ”

The few shareholders did not say anything.

“Big soldier mu continued, “I’ll tell you the truth! The Li Group will soon take a stake in our MU group! At that time, the MU group will usher in a new glory!” ”

“Hearing this, the few shareholders looked at each other and did not doubt big soldier Mu’s words. ”

“After all, the MU group’s previous crisis was solved by the Li Group. ”

“Old Mu, with your words, we can be at ease! When is the Li Group going to take a stake?”

“It’s already being arranged,” answered big soldier Mu.

“Hearing this, the huge stone in the hearts of the shareholders was finally lifted, and they no longer mentioned the matter of selling the company.”

“In the blink of an eye, it was evening.”

But there was still no news of the Li Corporation investing.

“This time, big soldier Mu couldn’t sit still any longer and immediately drove home.”

“When Mu Yourong heard about this matter, she frowned slightly and was also somewhat uneasy.”

“It had already been a day, so how could there be no reaction from Li Qiandong’s side?”

“Father, don’t be anxious. I’ll go and contact Li Qiandong right away.”

“After saying this, Mu Yourong hurriedly contacted Li Qiandong.”

“On the other end of the phone, Li Qiandong said very apologetically, “Yourong, I’m sorry... My Father has revoked my position! But don’t worry, I’ll definitely think of a way to help you!”

Mu Yourong’s face instantly turned white.

She had never imagined that things would turn out like this.

Right at this moment.

The door to the MU residence was pushed open.

“A few people dressed in uniforms filed in. “Soldier Mu, is it? You’re suspected of tax evasion and bribery! Please come with us!” ”

“Before soldier Mu could react, his hands were handcuffed with ice-cold handcuffs. ”

“Dad!” Mu Yourong stood in front of Soldier Mu.

“Please don’t interfere with official business!” A few law enforcement officers pulled mu yourong away.

Soldier Mu was taken away just like that.

The MU group fell very quickly.

“The next day, it was declared bankrupt, and it was in debt of two billion! ”

The Court froze the accounts of everyone in the Mu family and sealed off the MU family’s villa.

Mu Yourong and Shen Rong were forced to move out of the villa.

They had no choice but to move to a dirty and run-down neighborhood.

“Li Qiandong drove over to help and looked at Mu Yourong guiltily. “Yourong, why don’t you and Auntie move to my place temporarily?” With the accounts frozen, Li Qiandong was currently unable to help Mu Yourong. ”

“Mu Yourong pretended to shake her head firmly and said with reddened eyes, “Big Brother Li, I appreciate your kindness! But there’s no need!” ”

What if Fifth Master Cen was testing her?

“If she really moved to Li Qiandong’s place, fifth master Cen would definitely have an opinion.”

“Li Qiandong sighed in his heart that Mu Yourong was really a good girl. She was already like this, yet she was still so strong. She was not willing to accept his help.”

The environment in the affordable residential area was very poor.

Shen Rong was used to living in luxurious villas. How could she be willing to live in a pigeon cage like this? She covered her nose with her hand and was extremely disgusted.

“Mu Yourong said in a low voice, “Mom, just bear with it! The money we have now is only enough to rent a house here. But don’t worry, I believe that we will be able to move out of here very soon.” ”

“Li Qiandong was moving things behind her when he received a phone call. “Hello, ziteng? You’re here in Yun Capital? Alright! Let’s meet and talk!” ”

Chapter 390: 115: Burning Fifth Master teaming up to crush the SCUM! Mu family toppling! 8

“After hanging up the phone, Li Qiandong ran to Mu Yourong’s side. “Yourong, I have a good friend who has come to cloud capital. I’m going to see him now. He’ll be back in a while.” ”

“Mu Yourong nodded. “Big Brother Li, you go and do your work.” ”

Li Qiandong arrived at the location he had agreed upon with he ziteng.

“Ziteng!”

He Ziteng waved at Li Qiandong. “Qiandong!”

“The two of them were very good friends to begin with. After not seeing each other for a long time, they immediately gave each other a big hug.”

“Li Qiandong asked, “Ziteng, why have you come to Yun Jing?” ”

“He ziteng nodded. “Yes, I came to Yun Jing to acknowledge my master.” ”

“Acknowledge your master?”Li Qiandong asked in surprise. “Who are you looking for?”

He ziteng took out his phone and showed Li Qiandong a video.

It was a racing video.

“After watching the video, Li Qiandong said excitedly, “Ziteng, I know the person you are looking for!” ”

“Who is she?”He ziteng was also very excited.

“Li Qiandong continued, “She is the eldest daughter of the Mu family, Mu Yourong!” ”

“Li Qiandong had personally asked mu yourong about the racing video, and Mu Yourong had also admitted that this person was her.”

“He ziteng’s family background was very good. With his help, Mu Yourong would definitely be able to make the MU group Rise Again! ”

“Hearing this, he ziteng immediately grabbed Li Qiandong’s hand. “Qiandong! Quickly take me to see her!” ”

“Li Qiandong continued, “I might not be able to today. There’s been some unforeseen events in the Mu family recently, and she’s busy moving house. How about tomorrow? Let’s meet at the Imperial Cafe Tomorrow!” ”

“Although he ziteng was anxious to acknowledge him as his master, he was not in a hurry. He nodded and said, “Alright, then I’ll go and see Fifth Brother First!” ”

“After bidding he ziteng goodbye, Li Qiandong immediately told mu yourong the good news. ”

“Hearing this, Mu Yourong was very excited. ”

She knew about the he family.

Their family background was not inferior to the Li family’s.

“With He Ziteng and Li Qiandong as stepping stones, what was there to be afraid of? ”

“Although she was very happy, Mu Yourong did not show it. Instead, she hesitated, “Big Brother Li, something like this just happened at my house. I’m really not in the mood to talk about racing right now. Why Don’t you let Young Master he go back?” ”

It was not that she did not want to talk about racing.

“Without the help of the system, she would not be able to race at all. ”

“If he ziteng asked her to show off her driving skills, she would have something to deal with. ”

“Li Qiandong said, “Ziteng is very stubborn. He won’t give up until he sees you. Even if you don’t want to talk about racing with him now, it’s okay to meet him! “I’ve already arranged to meet him at the Imperial Cafe. You Can’t make things difficult for me, right?” ”

“Mu yourong continued, “Brother Li, since you’ve already agreed, I’ll go tomorrow to not make things difficult for you.” ”

“”That’s great! Yourong, thank you!” ”

The next day.

He Ziteng arrived at the Imperial Cafe as promised.

“Not long after he sat down, Li Qiandong brought mu yourong over. ”

“Li Qiandong took the initiative to introduce, “Ziteng, this is Miss Mu! The person driving the car in the video is her! yourong, this is he ziteng, who wants to acknowledge you as his master! He really admires you!” ”

“He Ziteng did not expect Mu Yourong to be so young and pretty. He immediately stretched out his hand. “Hello, Miss Mu. I’ve finally met you! Your driving skills are really very good!” ”

He ziteng really admired Mu Yourong.

“If he had not seen it with his own eyes, he would not have believed that a girl could actually drive so well.”

“”Mr. He, you flatter me.”Mu Yourong was very modest. ”

“He ziteng handed the menu to Mu Yourong. “What would you like to drink, Miss Mu?” ”

Mu Yourong took the menu. "A cup of Blue Mountain will do."

The three of them sat down to drink coffee. Li Qiangdong intentionally brought up the topic of the Mu Corporation.

"He ziteng said, "Don't worry, Miss Mu. Your Business is my business. I guarantee that the MU corporation will regain its former glory!" "

"As long as she could successfully acknowledge him as her master, this small problem was nothing. "

"Hearing this, Li Qiangdong heaved a sigh of relief. "

Mu Yourong was also extremely happy.

She knew that she would not live in that kind of slum.

"At this moment, a man in a suit and tie walked to the table and stopped. He said respectfully, "Young Master He." "

"Special Assistant Zhou?" He ziteng looked up in surprise. "Why are you here?"

"Special Assistant Zhou took out his tablet, then, he said, "Master Wu asked me to come. He asked me to show you this video to remind you not to be fooled! The real driver is someone else. It has nothing to do with Miss Mu!" "

"After saying that, Special Assistant Zhou turned to look at Li Qiangdong. "

"Young master Li, Master Wu also asked me to tell you one more thing: it's not your fault for being stupid, but it's your fault for coming out and embarrassing yourself!"
