

## **Almighty D 391**

“Chapter 391: 116: a forceful slap in the face. The secret is exposed. So, Old Lady Cen is Cen Wu Ye’s grandmother! 1”

When Special Assistant Zhou said this.

The air was unusually quiet.

“Especially Li Qiandong. His face alternated between green and white, and he was somewhat embarrassed.”

How could he be stupid?

It was clearly Cen Shaoqing who had a misunderstanding about Mu Yourong.

“If that racer wasn’t Mu Yourong, who else could it be? ”

“Mu Yourong’s hand, which was stirring the coffee, also paused. ”

Her face was slightly pale.

Special Assistant Zhou was Cen Fifth Master’s man.

But didn’t Cen fifth master like her?

Then what did CEN Fifth Master Mean Now?

Mu Yourong subconsciously tightened her grip on the silver spoon.

“Li Qiandong raised his head to look at Special Assistant Zhou and tried his best to suppress the anger in his heart. “You said fifth brother asked you to bring the video over, then bring the video over for us to see!” ”

He really wanted to see who would dare to impersonate mu yourong!

It was really too detestable!

“He ziteng echoed, “Words have no proof. Qiandong is right. Special Assistant Zhou, quickly bring out the video and let us see it.” ”

He Ziteng had known Li Qiandong for many years.

“Although Li Qiandong was usually a bit of a playboy, he should not be so easily deceived. ”

“Moreover, he didn’t think that Mu Yourong was the type of person who would deceive others. ”

At this moment.

Mu Yourong was a little flustered.

Who could the person in the video be?

“Previously, she had clearly bribed the driving school. The driving school had promised her that the surveillance footage would not be leaked and that they would destroy the video in front of her. ”

This was also the reason why she was so confident that the person driving the car was her.

Because no one would be able to find out who the person driving the car was.

“But now, Cen Wuye had actually found out about the video!”

... or could it be that the person in the video was also her?

“After all, with the help of the system, she had also demonstrated some driving skills in the driving school.”

“Or perhaps, there was no video at all.”

Cen Wuye might have been testing her.

“Thinking of this, Mu Yourong heaved a sigh of relief. She raised her head to look at Special Assistant Zhou. “Special Assistant Zhou, everything depends on evidence. I also want to see who the person pretending to be me is!” ”

Special Assistant Zhou nodded. He turned on his tablet computer and clicked on a video.

This was the surveillance camera in the coach’s car.

“At first, it was the coach’s disdainful voice. “You don’t know how to fail? Come! I’ll give you the steering wheel. Drive one for us to see! Xiao Liu, get out of the car first.” ”

The image gradually became clear —

The girl sitting in the driver’s seat slightly tilted her head and looked at the coach in the passenger seat. “Are You Ready?”

This was a face so perfect that it made people sigh.

Her eyebrows were as clear as a painting.

Her skin was as white as snow.

Her red lips were naturally red without being touched.

Her cold breath carried a third of coldness.

“At first, he thought that Mu Yourong was very beautiful, but in front of this person, Mu Yourong instantly disappeared without a trace.”

The surveillance video continued.

“The coach glanced at her and reminded her, “Drive, I’ll tell you again. This is the accelerator, this is the brake! Don’t step on the wrong car!” ”

“As soon as she said this, the car rushed out.”

It sped up on the S-bend.

“It was clearly a coach car with very low equipment, but she drove it like a professional sports car.”

“Under her control, the coach continuously changed all kinds of high-difficulty movements.”

Drift!

Jump and slide!

The coaches on the side were all scared silly.

They were dumbstruck.

“All the doubts, disdain, all turned into affirmation at this moment.”

Seeing this.

Mu Yourong’s back broke out in layers of cold sweat.

How could this be?

Where did this video come from?

She had clearly asked someone to destroy the video.

What on Earth was going on?

“Mu Yourong couldn’t sit still, but she had to pretend to be very calm.”

She couldn’t panic.

She couldn’t panic now.

She believed that Li Qiandong would definitely stand on her side.

“He ziteng was a professional racer. With this video, he could tell at a glance that the young woman in the video was the person he was looking for!”

He ziteng stood up excitedly. "It's her! Special Assistant Zhou! The person I'm looking for is her!"

"Li Qiandong frowned and looked at special assistant Zhou. "Special Assistant Zhou, I know that fifth brother admires the great god very much, but he can't impose the glory that should belong to miss mu on the great god just because he admires him!" "

"In Li Qiandong's opinion, the person driving the car was Mu Yourong! "

Cen Shaoqing worshipped ye Zao too much.

"Therefore, Ye Zao was omnipotent in his eyes. "

"No matter what good things happened, he wanted to impose them on ye Zao. "

But this was simply too unfair to Mu Yourong.

"No matter what, Mu Yourong was once Cen Shaoqing's fiancée. How could Cen Shaoqing not care about the slightest bit of old feelings? "

"After saying this, Li Qiandong turned to look at he ziteng, "Ziteng! Don't be fooled by this fake video! This video was definitely post-made! The person driving the car was yourong! Fifth Brother did this because he had a slight misunderstanding of yourong! I can guarantee with my personality that the person driving the car is definitely yourong!" "

Chapter 392: 116: a forceful slap in the face. The secret was exposed. It turned out that Old Lady Cen was fifth Master Cen's grandmother! 2

“Mu Yourong’s eyes were slightly red. She said in a very aggrieved manner, “It is said that poverty can not defeat wealth, and wealth can not defeat officials. Big Brother Li, forget it. Since fifth master said that I am not a driver, then I am not!” ”

Mu Yourong’s words had a particularly profound meaning.

She was hinting that Cen Shaoqing was using his power to oppress people.

He had taken away the glory that should have belonged to her.

He ziteng was stunned.

He did not know who to believe.

“Special Assistant Zhou turned to look at Mu Yourong. “Miss MU, fifth master had already expected that you would say this. He specially prepared the coach car for you. If the driver is you, you can just show us your driving skills on the spot.” ”

“After saying this, Special Assistant Zhou placed the car keys on the table. ”

“He ziteng said, “That’s right, Miss Mu, can you show us your driving skills?” ”

Mu Yourong was silent for a moment.

Tears immediately welled up in her eyes.

“Seeing this, he ziteng frowned. ”

“Crying at every turn, what was going on? ”

“Li Qiandong’s heart ached terribly, and he continued, “Special Assistant Zhou, aren’t you deliberately making things difficult for us? ! Yourong’s family just suffered a very big accident, so she’s not in the mood to drive at all!” ”

“Special Assistant Zhou calmly replied, “What conflict does being in a bad mood have with driving? The real reason is that miss mu doesn’t know anything about racing, so she doesn’t dare.” ”

“After saying this, Special Assistant Zhou looked at he ziteng. “Young master he, Master Wu said that you’re a professional racer. Whether this video is real or not, you should be able to tell at a glance!” ”

He ziteng was a smart person.

“Things had already developed to this point. If he still could not tell the truth from the lies, then he would be an idiot. ”

Mu Yourong just did not know how to race.

“Because she did not, she did not dare to. ”

“Just as Special Assistant Zhou had said, what conflict did a bad mood have with driving? ”

It was not like she was missing an arm or a leg!

“If Mu Yourong really was a driver, she probably would not have been able to stand special assistant Zhou’s doubts and would have gone to demonstrate her driving skills to prove her innocence! ”

But Mu Yourong did not.

She was feeling guilty!

“He ziteng raised his head to look at Special Assistant Zhou. “Special Assistant Zhou, now I believe that the person in the video is my idol! Can you bring me to meet my idol now?” ”

When he said this.

Mu Yourong was so angry that she wanted to tear ye Zao apart.

Ye Zao!

It was ye Zao Again!

“It did not count that ye Zao had stolen her identity when she was young, but when she grew up, ye Zao had come to snatch things from her again! ”

Shameless!

Special Assistant Zhou nodded. “This will depend on fifth master’s arrangements. Please follow me to fifth master first.”

“Okay.” He ziteng immediately followed Special Assistant Zhou’s footsteps.

“Ziteng! You’ve really been deceived by fifth brother!” Li Qiandong grabbed he ziteng’s wrist.

He ziteng couldn’t leave!

“If he left, what would happen to Mu Yourong? ”

What about the Mu Corporation?

He had to keep he ziteng!

Only he ziteng could save the Mu Corporation now.

“He ziteng turned to look at Li Qiandong, he said in a low voice, “Qiandong, tell me the truth. This woman is your old lover, right? “I heard that your father suspended your bank card and even removed your position. Now That You’re all alone, you can’t Help Your Old Lover, so you lied to me with her. You want me to help her, right?” ”

“The more he ziteng thought about it, the more he felt that something was wrong. ”

Li Qiandong was definitely lying to him!

Because Li Qiandong had been leading the conversation to the Mu Corporation.

Both the words and the words were saying that the MU Corporation had gone bankrupt.

Li Qiandong was clearly trying to get him to lend a hand and make him a sucker.

““No! I’m not lying to you!” Seeing that he ziteng had a misunderstanding of him, Li Qiandong was so anxious that his face turned white. He immediately explained, “Ziteng, you have to believe me. The person driving the car is really yourong!” ”

“You really didn’t lie to me?” He ziteng narrowed his eyes.

““It’s true!” Li Qiandong said with certainty, “Ziteng, we’ve known each other for so many years. When do you think I’ve ever lied to You?” ”

“Although Li Qiandong was a bit of a playboy and was more playful, he really had never lied to anyone. ”

“He ziteng glanced at Li Qiandong, “Then Mu Yourong is lying to you! Qiandong, you’re not young anymore! How can you keep indulging in her tenderness? You Can’t even walk when you see a woman!

You see, she's so guilty that she doesn't even dare to touch a car, so how can she race? Wake Up, brother! Don't be fooled by her!" "

"Actually, what he ziteng said made a lot of sense. "

"But at this moment, Li Qiandong simply couldn't listen to him. "

"Li Qiandong held he ziteng's hand. "No! Ziteng, you've really misunderstood yourong. She didn't lie to you either! Fifth Brother is lying to you!" "

Mu Yourong was so kind. How could she lie?

"Chapter 393: 116: a forceful slap in the face, the secret exposed. So Old Lady Cen is fifth Cen's grandmother! 3"

She simply couldn't do something that would deceive others!

"He ziteng looked at Mu Yourong, "Brother, don't be angry if I say something. I don't think that woman is a good person. Look at her, she's like a little lotus. She clearly doesn't know how to race, yet she still pretends to be pitiful! To be honest, it's quite disgusting!" "

He ziteng was not quite the same as Li Qiandong.

"Li Qiandong had a tender heart, but he ziteng did not. "

"If Li Qiandong was a warm man, then he ziteng was a straight man! "

He really did not like girls who would cry at any time.

“After he said that, he ziteng paused and added, “Also, fifth brother treats you so well. No one can suspect that fifth brother lied to you!” ”

Perhaps it was because he had a life-and-death relationship with Li Qiandong in the middle east.

“Therefore, Cen Shaoqing was really very good to Li Qiandong. ”

“Back then, when the Li Corporation was on the verge of bankruptcy, Cen Shaoqing had invested in it! ”

“Without Cen Shaoqing, how could the current Li Corporation exist? ”

Li Qiandong had no reason to suspect that Cen Shaoqing lied to him!

“Li Qiandong was stunned. “But fifth brother really lied to you! Also, yourong is not some little white lotus. She is a very good and kind person! There is no person in this world who is kinder than her!” ”

“He ziteng patted Li Qiandong’s hand and said meaningfully, “Brother, I finally understand why fifth brother said you were stupid!” ”

He could not understand such a simple reason. He was really a little stupid!

It was really difficult for Cen Shaoqing to tolerate him until now.

“Thinking about it, if they did not have that friendship in the Middle East, Cen Shaoqing would probably have been unwilling to pay attention to Li Qiandong long ago. ”

Li Qiandong also didn’t know how blessed he was.

““Alright, I’m going to look for fifth brother, so I won’t talk to you anymore.”After saying this, he ziteng followed Special Assistant Zhou and left.”

“Li Qiandong stood on the spot and looked at he ziteng’s back, sighing deeply.”

He didn’t understand why everyone didn’t believe Mu Yourong.

This feeling of being misunderstood by others was really too unbearable!

“Li Qiandong turned to look at Mu Yourong and said very apologetically, “Yourong, I’m sorry...” ”

He did not know that things would turn out like this.

“Mu Yourong sniffed and said with red eyes, “It’s Alright, Big Brother Li, as long as you still believe in me.” ”

“Seeing Mu Yourong like this, Li Qiandong suddenly had the urge to hug her in his arms, but he could not.”

Although CEN Shaoqing now had a misunderstanding about Mu Yourong.

“But he believed that one day, these misunderstandings would be resolved.”

He couldn’t touch Mu Yourong.

“Li Qiandong looked at mu yourong and said emotionally, “Yourong, don’t worry. No matter what happens in the future, I will stand behind you.” ”

Mu Yourong nodded emotionally. “Okay.”

She did not expect he ziteng to not believe her.

“Right now, only Li Qiandong was completely devoted to her, so she had to firmly hold onto Li Qiandong!”

“Let Li Qiandong, this stepping stone, play its greatest role.”

“Thinking of this, Mu Yourong took the initiative to walk to Li Qiandong’s side and stretched out her hand to hug Li Qiandong.”

Li Qiandong was stunned.

His heart was beating rapidly.

“Although he really did not want to admit it, he seemed to have really fallen in love with Mu Yourong.”

““Yourong, don’t worry. I will definitely think of a way to save Uncle Mu and bring the MU corporation back to Life!””

“Mu Yourong tightened her arms. “Brother Li, thank you.””

“With this idiot, Li Qiandong, there was no need for her to worry!”

“Since Li Qiandong liked her so much, he would definitely think of a way to save soldier Mu and the Mu Corporation!”

...

He ziteng came to the CEN Corporation.

“Cen Shaoqing was having a meeting in the conference room, so he ziteng could only sit in his office and wait for him.”

“About an hour later, Cen Shaoqing came out of the conference room.”

“Fifth brother.”

“When he saw Cen Shaoqing, he ziteng immediately stood up from his stool.”

Cen Shaoqing turned the Buddhist beads in his hand. “Did you see the video?”

“”I saw it! My Idol is too awesome! Fifth brother, thank you. If it wasn’t for you, I would have been deceived by that Mu Guy.”He ziteng was now very glad that he had come to find Cen Shaoqing yesterday, he had told Cen Shaoqing about this matter.”

“Otherwise, he would have been deceived by Mu Yourong and Li Qiandong right now!”

“He and Li Qiandong had been good brothers for many years. If Cen Shaoqing had not sent over the surveillance footage in time, he would never have believed that Li Qiandong would lie to him.”

He would never have thought that Li Qiandong would be fooled by a woman.

“Where’s that idiot?”Cen Shaoqing asked.

“He ziteng was stunned for a moment before he realized who the idiot Cen Shaoqing was referring to was. He continued, “Qiandong is still by Mu Yourong’s side. Even now, he still doesn’t believe that Mu Yourong would lie to him.””

“Chapter 394: 116: face-smacking, secret exposed. So, Old Mrs. Cen is fifth Cen’s grandmother! 4”

Cen Shaoqing frowned slightly.

“He ziteng passed a cigarette to Cen Shaoqing. “Fifth brother, this is something I specially got from U country. Have a taste.” ”

Cen Shaoqing waved his hand. “I quit smoking.”

Quit smoking?

He ziteng looked at Cen Shaoqing in disbelief. “Really?”

Cen Shaoqing had smoked for ten years...

How could he quit just like that?

Cen Shaoqing nodded slightly.

“Why?” He ziteng asked in surprise.

“CEN Shaoqing said, “Because smoking is bad for the lungs.” ”

1

Just like that?

He ziteng did not believe it.

“Because before this, old madam Cen had told Cen Shaoqing countless times that smoking was bad for the lungs, but Cen Shaoqing still did as he was told. ”

Now...

How could he quit just like that?

There must be something fishy going on.

There must be something behind this!

“Cen Shaoqing did not smoke, so he ziteng also gave up the idea of smoking. He continued, “Fifth brother, when can I meet my idol?” ”

“I’ll ask her.”Cen Shaoqing took out his phone.

“At this moment, he ziteng even thought that he was seeing things. ”

It was a pink phone case.

On top of it was a circle of dazzling diamonds...

In the middle of the diamonds was a pink little pig.

1

Didn’t little girls like this kind of phone case?

“”Fifth, fifth brother, did you take the wrong phone?”He ziteng was so surprised that he couldn’t even speak properly. ”

"I didn't." Cen Shaoqing was so calm as she continued to send messages.

"Your... your phone case..."

"It's not good-looking?" Cen Shaoqing raised his eyebrows slightly.

"He ziteng clearly saw the fleeting cold light in Cen Shaoqing's eyes and hurriedly nodded. "It's good-looking! It's good-looking! Very good-looking. Fifth Brother, your taste is really good!" "

"In order to show that he wasn't lying, he ziteng even gave a thumbs up. "

The corners of Cen Shaoqing's mouth curled up slightly.

"Of course, he had good taste. "

"He ziteng swallowed his throat. If he did not see wrongly, CEN Shaoqing seemed to be smiling? "

What was he smiling about?

"A moment later, Cen Shaoqing put down his phone and continued, "I just asked for you. She's free tomorrow." "

"That's Great!" He ziteng's eyes lit up.

"Cen Shaoqing nodded slightly. "Tomorrow morning at 10:30 am, on the winding mountain highway, she wants to play with you." "

Play with her?

He ziteng's blood was boiling!

“Really? I can really race with my idol?”

“”Yes.”Cen Shaoqing continued to spin the Buddhist beads. The dark red tassels circled around his fingertips, adding a little flirtatious charm. ”

“”That’s great! That’s really great! Fifth brother, thank you!”He ziteng was very excited. He continued, “Then what time shall we set off tomorrow?” ”

“Come to the office at 9:30 to look for me.”

“Okay.”

...

At the Cen family home.

“Old Mrs. Cen was standing in the garden and making some sounds. With a wave of her pink sleeves, she really felt something. ”

“At this moment, a servant jogged over. “Old Mrs. Cen.” ”

“What’s Wrong?”Old Mrs. Cen turned around and adjusted her sleeves.

“The servant said, “Young master Li is here. He’s waiting for you in the living room.” ”

“Dongzi is here?”Old Mrs. Cen was a little surprised.

“Yes.”The maid nodded.

Old Mrs. Cen rolled up her sleeves and followed the maid into the living room.

“Li Qiandong was sitting on the sofa in the living room. When he saw Old Mrs. Cen enter, he quickly stood up. “Old Madam.” ”

“Old Mrs. Cen smiled and said, “Why is Dongzi free today?” ”

“Li Qiandong said, “Old Mrs. Cen, I came to tell you something about fifth brother.” ”

Zhou Xiang was not in charge.

Cen Haifeng left early.

The only person who could control Cen Shaoqing was old Mrs. Cen.

“Cen Shaoqing did not want to come to cloud capital, but he still came under old Mrs. Cen’s pressure. ”

“So, as long as Old Mrs. Cen nodded and spoke up for Mu Yourong, Cen Shaoqing would definitely agree to marry Mu Yourong. ”

As long as Cen Shaoqing married Mu Yourong.

Then all the difficulties of the MU family would be easily solved!

“As far as he knew, old Madam Cen was a very reasonable elder, and she also especially hoped that Cen Shaoqing could marry and have children as soon as possible. ”

“Mu Yourong was so kind, old madam Cen would definitely like her very much! ”

“The more Li Qiandong thought about it, the more excited he became. ”

Old Madam Cen looked at Li Qiandong. "What do you want to tell me about fifth-shaoqing?"

"Li Qiandong thought about the words in his heart and said, "Old Mrs. Cen, I want to tell you about fifth brother's major life event!" "

"Hearing this, Old Mrs. Cen was extremely excited, "Isn't that right, Dongzi! You can see it too! Shaoqing has someone he likes recently! I think they're about to get married! I don't want to brag, but if it weren't for me, a good grandmother from China, that Brat wouldn't have married such a beautiful wife!" "

"Chapter 395: 116: face-smacking, secret exposed. So, Old Mrs. Cen is fifth Cen's grandmother! 5"

"Ever since he met ye Zao, Cen Shaoqing had changed too much! "

He no longer smoked!

His phone case had also changed!

It seemed that the day when she would hold her great-grandchild was not far away.

"The more old Mrs. Cen thought about it, the happier she became. "

Li Qiandong looked at old Mrs. Cen in surprise. "You also discovered it?"

"Old Madam Cen said speechlessly, "I'm not blind! Of course I could see it!" "

"Li Qiandong sighed. "Even you could see it, but fifth brother is still lying to himself..."he clearly liked mu yorong, yet he still pretended to not like her. He even wanted to hurt her to attract her attention! "

Cen Shaoqing was really too muddle-headed!

“Old Madam Cen smiled and said, “Isn’t there a saying that those in the middle are the ones who are muddle-headed? I think Shaoqing is the one in the middle who is muddle-headed!” ”

“So you also agree that they should be together?”

“Old Madam Cen nodded, her eyes filled with satisfaction. “I agree! Of course I agree!” ”

Li Qiandong could see that old madam Cen was really very satisfied with Mu Yourong and could not help but heave a sigh of relief.

“As long as Old Madam Cen was also satisfied with Mu Yourong, then this matter would be easy to handle!”

“Li Qiandong continued, “Old madam, now that something has happened to the Mu family, Miss Mu can no longer wait! “Since you like Miss Mu so much, why don’t you make the decision to resume fifth brother’s engagement with Miss Mu! “Fifth brother is not young this year either. Let them hold the wedding as soon as possible!” ”

“Although he liked mu yourong very much, he was still a gentleman. ”

A gentleman would not take away a person’s interests.

Only when he saw Mu Yourong and Cen Shaoqing hold their wedding could he completely give up.

“Hearing this, Old Madam Cen immediately flew into a rage. She slammed the table and stood up. ”

“What did you say?”

Li Qiandong was startled. He did not quite understand why old madam Cen had such a big reaction and repeated what she had just said.

“I think your head has been kicked by a donkey, right? How can she be worthy of our Shaoqing with that kind of trash?” Old Lady Cen was so angry at Li Qiandong that she placed her hands on her hips, she cursed, “You even want to resume the engagement? Where did you get such a big face? You Son of a bitch! Our Shaoqing treats you so well, yet you hurt him like this! Are you worthy of Shaoqing?” ”

Li Qiandong was dumbfounded by old lady Cen’s scolding.

Didn’t Old Lady Cen Like Mu Yourong Just Now?

Why did she change her face just like that?

“After a while, he finally reacted, “Old Lady, you’ve Misunderstood Me! I didn’t harm fifth brother, I was doing it for his own good! Miss Mu is really very kind! She’s a rare good girl!” ”

Good Girl?

Even Mu Yourong could be considered a good girl?

Old Madam Cen felt like she was about to have a heart attack from Li Qiandong’s anger!

“You can shut up! Your words are worse than farts! If you don’t know how to speak, then don’t speak! I’m just wondering, Li Jianjun and Li Weiguo are both smart people, how did your old Li family produce such a fool! A fool!” ”

“Li Jianjun was Li Qiandong’s grandfather, while Li Weiguo was Li Qiandong’s father. ”

“As soon as he finished speaking, old madam CEN continued, “For a shameless person like Mu Yourong, our Cen family won’t accept her even if she comes knocking on our door! If you want to marry into our Cen family, forget about the next life! You Won’t even have the chance to marry into the next life!” ”

“Seeing Old Madam Cen misunderstanding mu Yourong like this, Li Qiandong was really very sad.”

He didn't know what Cen Shaoqing had said in front of old Madam Cen.

“As one grows old, it is inevitable that one will become somewhat muddle-headed!”

Sigh!

To think that he used to think that old lady cen was a reasonable person.

“Now, it seemed that Old Lady Cen was simply blind.”

“Li Qiandong tried his best to control his emotions, “Old Lady, actually, the matter of the annulment of the marriage was just a misunderstanding. Miss Mu is truly an exceptionally good girl. In this world, other than her, no other woman can match up to fifth brother!” ”

“Old Madam Cen was already very angry, but when she heard these words, she became even angrier, “My granddaughter-in-law, Yezi, is many times more outstanding than Mu Yourong! Mu Yourong doesn't even have the right to carry my granddaughter-in-law's shoes! I think you're blind! You Son of a bitch, you're really pissing me off! Hurry up and apologize to me, or I won't forgive you!” ”

“Because of the incident in the Middle East, old Mrs. Cen didn't want to argue with Li Qiandong.”

““Yezi?”Li Qiandong narrowed his eyes. “Old Mrs. Cen, are you talking about ye Zao?” ”

“At the mention of Ye Zao, old Mrs. Cen calmed down a little. “Yes! That's right! Yezi is my granddaughter-in-law! You know my granddaughter-in-law too?” ”

So that's how it was!

No wonder Cen Shaoqing wanted to pin the matter of the race car on Ye Zao.

“Chapter 396: 116: a forceful slap in the face and the secret exposed. So, Old Mrs. Cen is fifth Cen’s grandmother! 6”

In an instant.

Li Qiandong had no good impression of ye Zao at all.

She had thought that ye Zao was different from other girls.

“But now, it seemed that ye Zao was not as beautiful as he had imagined.”

He had come to ye Zao with all his schemes just to marry Cen Shaoqing.

He had misjudged ye Zao!

“Li Qiandong was very angry now. He raised his head and looked at Old Madam Cen. “Old Madam, let me say something unpleasant. Don’t be angry. Ye Zao is too scheming. Since ancient times, beauties have caused disasters. She doesn’t deserve fifth brother at all...” ”

Old Madam Cen did not want to argue with a junior like Li Qiandong.

“But now, he actually said something bad about ye Zao behind his back!”

How could she endure this?

She couldn’t endure it!

“Old Madam Cen directly interrupted Li Qiandong’s unfinished words, “Shut up! You shut up for me! You Son of a bitch! You dare to speak ill of my granddaughter-in-law! My granddaughter-in-law is the bright moon in the sky, and she, Mu Yourong, can’t even compare to the mud on the ground! I see that your brain is filled with water, and your small brain raises fish! Your eyes are even blind! You Can’t even tell good from bad! Little Zhao, Little Qian, Little Sun, Little Li! Come out quickly!” ”

“Old Lady!”Four strong men wearing sunglasses immediately walked out of the door.

These four were the Cen family’s bodyguards.

They were usually in charge of Old Lady Cen’s safety.

“Li Qiandong still wanted to say something. “Old Lady, I’m telling the truth...” ”

“Old Lady Cen did not give him the chance. She said angrily, “Little Zhao, Little Qian, Little Sun, Little Li! All of you, seal this son of a bitch’s mouth!” ”

The four bodyguards were quick and ruthless. Li Qiandong’s mouth was immediately sealed by tape and he could not say a single word.

“Old Mrs. Cen pointed at the door and said, “Throw him out! Throw him out right now! From now on, he is not allowed to step into our Cen family ever again!” ”

““Yes, Old Mrs. Cen.” ”

The four bodyguards dragged Li Qiandong away.

“Although Li Qiandong’s skills were not bad, these four bodyguards had trained before! ”

How could he be a match for these four people!

Li Qiandong was unable to speak and he was so angry that he was about to explode!

“Could it be that when people got old, they could not differentiate between good and bad?”

“Clearly, old Madam Cen was not like this in the past!”

“Seeing Li Qiandong being dragged away, old Madam Cen was still very angry, but she still comforted herself. “I’m not angry at all! I’m not angry at all! If I’m angry, I’ll get wrinkles!” ”

“Zhou Xiang heard that something was wrong downstairs and came down from upstairs, “Mom, What’s Wrong?” ”

“Old Mrs. Cen finally managed to calm down her anger, but at this moment, it burst out again, “It’s that kid from the Li Family! I’m so angry! He actually dared to say bad things about my granddaughter-in-law!” ”

“What’s going on?” Zhou Xiang was a little curious.

“Old Mrs. Cen told the whole story. Hearing this, Zhou Xiang was also very angry, “What’s wrong with this kid, Qiandong? I remember that he used to be quite sensible!” ”

““He must be blind! I think Old Li’s family is about to be broken by him! To think that our fifth and Shaoqing are so good to him!” Old Mrs. Cen took off her costume, “No! I have to go find my granddaughter-in-law! I Can’t let this bastard go to my granddaughter-in-law and talk nonsense! Nonsense!” ”

“I’ll go with you.” Zhou Xiang stood up.

Old Mrs. Cen waved her hand. “I’ll go alone! Get Someone to keep an eye on that son of a B \* Tch!”

“Okay!” Zhou Xiang nodded.

Old Mrs. Cen went into the house to change her clothes and then went out.

She had developed a good habit of changing clothes when she went out.

“When the car passed by a fruit supermarket, old Mrs. Cen suddenly said, “Xiao Li, stop for a moment. I’m going to the car to buy fruit! My granddaughter-in-law likes to eat mangosteen from this house.” ”

“Xiao Li said, “Old Mrs. Cen, wait in the car. I’ll go over and buy some.” ”

“Just wait in the car!”How could she let someone else buy fruit for her granddaughter-in-law! She had to choose the fruit herself!

Old Mrs. Cen got off the car and walked to the fruit supermarket.

“Not only did she buy mangosteen, she also bought Lychees and a bunch of other fruits that ye Zao liked to eat.”

“Just as Old Mrs. Cen was carrying a bunch of fruits out, she was suddenly hit by someone.”

Bang —

The fruits scattered all over the ground.

Old Madam Cen was also hit to the ground.

“At the same time, a shrill voice came from the air, “Damn Old Woman! Don’t you have eyes?” ”

Old Madam Cen instantly flew into a rage!

She had hit someone and still dared to scold her!

“Raising her head, she saw a familiar face.”

It was Mu Yourong!

“In the past, Mu Yourong would definitely not come personally to buy fruits, but this was not the past. Their family no longer had any servants.”

“Chapter 397: 116: a forceful slap to the face, a secret exposed. So Old Lady Cen is fifth Cen’s grandmother! 7”

“The sudden decline of her family and the loss of what was rightfully hers by Ye Zao, Mu Yourong’s heart was already burning with anger.”

She had met another blind old woman!

It was just the right time to vent the evil fire in her heart.

“Who are you scolding? How dare you be so arrogant after bumping into someone! Scum!”

The reason why Mu Yourong dared to be so arrogant was precisely because she knew Old Lady Cen’s background.

The CEN family had already declined!

Could it be that there was still someone who could stand up for Old Lady Cen?

“Damn old woman, say that again!” Damn old woman, she actually dared to call her a scumbag! ”

“At this moment, Old Lady Cen suddenly sat down on the ground. She hugged Mu Yourong’s leg with one hand and refused to let her leave. With the other hand, she began to take out her cell phone from her pocket to call the police, “She hit someone! She hit someone! Police uncle, quickly come over! Someone is bullying the elderly here!” ”

“Mu Yourong did not expect Old Madam Cen to suddenly act like this. She was so anxious that her face turned white. “Damn old woman, what are you talking about? Who Hit You?” ”

“The police were patrolling nearby. After receiving the call, they immediately rushed over. ”

“Seeing the police coming over, Old Madam Cen was like seeing her savior, she complained with Snot and tears, “Police Uncle, you’re finally here! If you still don’t come, I’ll be beaten to death by her! Police uncle, you have to stand up for me!” ”

“Mu Yourong was so angry that she wanted to directly tear old Madam Cen apart. She hurriedly explained, “Acting! This old woman is acting. She wants to blackmail me! She’s cheating! Police comrade, don’t believe her!” ”

Damn Old Woman! She was really too shameless!

She actually dared to extort her like this!

“Don’t worry, we police won’t wrongly accuse a good person, and we won’t let a bad person off either.” ”

There were no surveillance cameras at the scene of the incident.

“There were also no witnesses, so the police had no choice but to bring the two back to the police station. ”

“Old Madam Cen insisted that Mu Yourong had beaten her, “Police uncle, didn’t she say that I was extorting her? I don’t want her to compensate me. I just want her to have a proper attitude and apologize to me. As for the rest of the matter, you can handle it however you want!” ”

The two police officers looked at each other.

They both felt that Old Lady Cen’s request was not excessive.

“If the old lady really wanted to extort money, she would not be so easy to talk to. ”

Mu Yourong did not want to apologize to Old Lady Cen.

She wanted her to apologize to this wretched old lady?

On what basis?

“But at that moment, she only had the choice of apologizing. ”

Because the MU family was no longer the MU family of the past.

“So, she could only apologize to old Mrs. Cen with a cold face. “I’m Sorry!” ”

“Old Mrs. Cen was so ‘scared’ that she hid behind the police officer, “Police uncle, I’m scared of her like this! Do you think she’ll take revenge on me when she gets out? I’m just a weak little girl, what should I do when the time comes? Police uncle, you have to make a decision for me...” ”

1

The police officer looked at Mu Yourong angrily. “Have a proper attitude! Detain her for three days and apologize to the old lady. You Choose!”

“Mu Yourong was about to explode from anger. She could only take a deep breath and try her best to calm herself down. “Old Lady, I’m really sorry. It’s all my fault. Please forgive me!” ”

“Only then was old Madam Cen satisfied. She waved her hand and said, “Forget it, forget it. We beautiful people won’t stoop to the level of those who are ugly!” ”

Ugly?

This damn old woman actually said that she was ugly!

Mu Yourong was so angry that she gritted her teeth!

“After saying this, old madam Cen turned to look at the police officer behind her and said apologetically, “Police uncle, I’ve caused you trouble today!” ”

Look at how polite the old man was!

““It’s fine, it’s fine, old man. In the future, if anyone dares to bully you again, you can just call the police.” ”

““Alright, thank you, police uncle.” ”

Old Madam Cen signed the document and walked out of the police station with a smile on her face.

Mu Yourong walked in front of old Madam Cen.

“Just as she walked out of the police station, she saw a slender figure walk in. ”

He was dressed in an old-fashioned long gown and held a string of Buddhist beads in his hand. The sunlight cast a faint halo on his brows.

This is...

CEN fifth master?

Why did CEN fifth master come?

Mu Yourong's breathing stopped.

Could it be...

CEN fifth master came for her?

Yes!

It must be like this!

CEN fifth master must have come for her.

"Otherwise, why would he suddenly appear at the police station?"

"Thinking of this, Mu Yourong was extremely excited."

Her heart almost jumped out of her chest.

She knew that fifth master Cen loved her.

“Knowing that she had encountered some trouble, Cen Shaoqing could not wait to come to the police station to avenge her!”

This damned old woman was dead for sure!

Mu Yourong was extremely happy. She just stood there and waited for Cen Shaoqing to come and find her.

“Seeing that Cen Shaoqing was getting closer and closer to her, Mu Yourong was extremely excited.”

Bang Bang Bang —

“Five...”

The remaining ‘grandfather’ word was stuck in Mu Yourong’s throat because Cen Shaoqing had passed her and walked straight inside.

What was inside?

Why did Cen Shaoqing act as if he did not see her?

“At this moment, Mu Yourong was a little flustered.”

She turned around and looked behind her.

“She saw Cen Shaoqing walk straight to old Madam Cen’s side and stop. “Grandmother, are you alright? Are You Hurt Anywhere?” ”

Old Lady Cen Smiled. “I was just bitten by a mad dog. Don’t worry.”

Grandmother? !

Boom!

Something exploded in Mu Yourong's mind.

"Mu Yourong's blood instantly flowed backwards. Her face was deathly pale, and she stumbled back a few steps."

"Chapter 398: 117: Cen Shaoqing is CEN fifth master, so remorseful that even his intestines have turned green! 1"

"Fortunately, there was a police car at the back, so Mu Yourong did not fall to the ground in a sorry state."

How could this damned old woman be Cen Fifth Master's grandmother?

Wasn't the Cen family already bankrupt?

What on Earth was going on?

Was she dreaming?

"Yes, she was definitely dreaming!"

"Mu Yourong did not want to believe the scene in front of her, but the scene in front of her was real and real."

Cen Shaoqing held on to Old Madam Cen's arm as they walked out the door.

Old Madam Cen shook off Cen Shaoqing's hand in disgust. "I'm not so old that I can't walk anymore! You Don't have to help me!"

She was not old!

She was still young!

Cen Shaoqing had no choice but to give up and follow old madam Cen with the prayer beads in his hands.

"Mu Yourong lay limply in the police car, her entire body trembling, her face devoid of any color."

"Old Lady Cen deliberately looked in Mu Yourong's direction, the corners of her mouth curling into a smile."

"Without even thinking about it, she knew that Mu Yourong would definitely be so regretful that her intestines would turn green."

Picking up a sesame seed and throwing away a watermelon.

How could she not be regretful?

She just liked to see Mu Yourong regretful.

She would be happy as much as Mu Yourong regretted it!

Old Lady Cen even wanted to buy a string of firecrackers to celebrate.

“At this moment, Mu Yourong understood.”

The CEN family did not go bankrupt.

Everything was fake.

The Cen family had deliberately created this to test her!

CEN fifth master was the CEN Fifth Master!

They were fiancées!

“When she thought of everything that had happened, Mu Yourong’s face became paler and paler. Even her lips did not have the slightest bit of color. It was even worse than being dead.”

Just what stupid thing had she done!

She had actually broken off the engagement between her and fifth Master Cen!

“If she had not proposed to break off the engagement, then she would already be the Cen family’s young Madam!”

“If she had known that old Madam Cen was the Cen Shaoqing’s grandmother, she would definitely have treated old madam Cen as her ancestor!”

“At this moment, Mu Yourong wished she could slap her previous self to death.”

No Way!

Fifth Master Cen was her fiancé.

Fifth Master Cen was hers!

No one could snatch him away!

“Thinking of this, Mu Yourong immediately chased after her and grabbed Old Lady Cen’s arm, she cried, “Grandma, I’m Sorry! I’m sorry! It was all my fault, I didn’t do it on purpose! Please forgive me! Please forgive me! I will properly honor you in the future!” ”

“Old Mrs. Cen didn’t expect Mu Yourong to be so shameless. She was stunned for a moment, then she fiercely shook off Mu Yourong’s hand. “Who’s your grandma? ! Shameless!” ”

“Mu Yourong was thrown to the ground, then she crawled over and grabbed Cen Shaoqing’s clothes.”

“Cen Shaoqing had already expected her to do this. He took a few steps back, and Mu Yourong missed him. ”

“Fifth Master!” Mu Yourong lay on the ground and raised her head to look at Cen Shaoqing. “Fifth Master! I’m your fiancée! You Can’t abandon me! The engagement between our two families has long been set! You Can’t go back on your word!”

That’s right!

The engagement was set long ago by the elders of the two families.

“No matter what, Cen Shaoqing could not abandon her! ”

She had to defend her marriage.

Cen Shaoqing frowned slightly.

“He had seen countless people in his life, but this was the first time he had seen someone as unscrupulous as MU yourong.”

“Old Madam Cen was stunned by Mu Yourong’s shamelessness. Standing in front of Cen Shaoqing, she pointed at Mu Yourong and cursed: ”

“Scum! White Lotus Flower! Why Are You So Shameless? You actually have the cheek to say that you are our Shaoqing’s fiancée! Ah Pui! Why Don’t you take a piss and take a look at yourself! How can someone like you be worthy of our Shaoqing? Why didn’t you think of today when you looked down on others with your dog eyes? Now You Remember? It’s Too Late!”

“Mu Yourong looked at Old Mrs. Cen with tears streaming down her face, “Grandma, it was all my fault in the past. Please forgive me! I didn’t want to break off the engagement! This, this was all my parents’idea! It was them who despised the poor and loved the rich, it was them! It was all their fault! It had nothing to do with me!” ”

Yes!

It was all their fault!

It was all soldier Mu and Shen Rong’s fault!

They were the ones who looked down on the Cen Family First.

Two idiots!

Then they were two idiots!

“If they had not insisted on breaking off the engagement, she would already be the young madam of the Cen Family! ”

Old Madam Cen was speechless. She had no words to describe mu yourong.

“Shaoqing, let’s Go! Ignore this disgusting person!” ”

Cen Shaoqing nodded slightly and followed old madam Cen’s footsteps.

“Mu Yourong immediately chased after her, “No! Grandma, You Can’t Leave! Please forgive me!” ”

But Old Mrs. Cen did not give her the chance at all.

PA —

She closed the car door.

The driver started the engine.

“Chapter 399: 117: Cen Shaoqing is CEN fifth master, so remorseful that even his intestines have turned green! 2”

All that was left for Mu Yourong was the dust on the ground.

“Ah!”

Mu Yourong cried out in despair!

...

In the car.

“Old Madam Cen looked at Cen Shaoqing with some worry. “Damned Brat, I’m telling you! You must not be deceived by that scum, Mu Yourong! I only recognize Yezi as my granddaughter-in-law!””

“Nowadays, some SCUM’s methods were very high.”

Old Mrs. Cen was worried that Cen Shaoqing would be deceived by Mu Yourong.

“In fact, the main reason was that old Mrs. Cen had recently read a romance novel.”

“In the novel, the male lead was deceived miserably by the scum!”

“Under the Scummy Woman’s frame, the male lead had many misunderstandings about the female lead. He dug out her heart and dug out her kidney!”

He tortured the female lead badly!

The most infuriating thing was that the female lead actually forgave the male lead in the end.

She was like a sand sculpture.

Old Lady Cen’s teeth were itching as she watched. She wished she could put on a book and punch the female lead to wake up! Then she kicked the male lead’s head to the side!

“After all, Mu Yourong was just a little white lotus.”

She would lie as soon as she opened her mouth.

“In order to marry into the Cen family, she could even slander her biological parents.”

So Old Lady Cen was worried!

“What if Cen Shaoqing was like Li Qiandong, blind and deceived by Mu Yourong?”

Old Lady Cen would never allow such a thing to happen!

“With this in mind, Old Lady Cen looked fiercely at Cen Shaoqing, “If you dare to have any misunderstandings towards Yezi and bully her, I Will Smash Your Dog Head! I will break your dog legs! From now on, you will no longer be my eldest grandson! We will no longer be friends! I will never forgive you for this!””

“Cen Shaoqing:” ...”Heh, biological grandson?”

“Did you hear that?” Old Mrs. Cen slapped Cen Shaoqing hard.

Cen Shaoqing twirled the prayer beads. “I heard it.”

Old Mrs. Cen was stunned. Her eyes were filled with surprise.

What did she just hear?

Holy Sh \* t!

She was overjoyed!

Cen Shaoqing actually did not emphasize that he did not want to get married!

This meant that Cen Shaoqing had really fallen in love with Ye Zao.

Old Madam Cen was overjoyed.

Of course.

Such joy could not be expressed. Old Madam Cen could only cover her mouth and Snicker.

What if she laughed her granddaughter-in-law to death?

“At this moment, the old lady cen seemed to have suddenly thought of something and turned to look at Cen Shaoqing, she then said, “Oh right! What happened to that kid from the Li Family? Did he eat SH \* t? Do you know what he said in front of me today?””

Cen Shaoqing frowned slightly. “What happened to him?”

The old lady immediately told Cen Shaoqing about Li Qiandong’s visit to find trouble.

“When Cen Shaoqing heard that Li Qiandong was actually chewing on ye Zao’s tongue in front of old Mrs. Cen, a shadow flashed across his eyes.”

“Old Mrs. Cen continued, “You must seek justice for Yezi on this matter! Our Yezi is so good, why should we let that bastard slander us!””

Cen Shaoqing held the Buddha bead in his hand. “I know what to do about this matter.”

Old Madam Cen nodded. “As long as you know what you’re doing.”

“After spending so much time at the police station, it was already past ten in the afternoon, so old Madam Cen did not go to the ye residence.”

At the same time.

Mu Yourong arrived at the Mu family villa in a daze.

“When she saw the court seal on the villa, she realized that this was no longer her home.”

“Not only had she lost her engagement, but she had also lost her identity as the eldest daughter of the Mu family.”

She was supposed to be a phoenix that roamed the nine heavens!

Ye Zao!

It was all ye Zao!

“If it was not for ye Zao, she would not have become like this!”

She hated ye Zao!

“Very soon, Mu Yourong arrived at the place she was renting.”

The environment here was very poor.

It was no different from the basement that ye Shu used to live in.

Mu Yourong took a deep breath and pushed open the door to enter.

Shen Rong sat on the sofa and played with her phone. She did not even realize that Mu Yourong had returned. Words like ‘one pie’ and ‘East Wind’ kept coming from the air.

Mu Yourong closed her eyes. A fire suddenly rose in her heart.

Playing Cards! Playing Cards! All you know how to do is play cards!

It was already half past six and she had not cooked yet. Did Shen Rong really think that she was still a rich lady?

“If it wasn’t for Shen Rong, she wouldn’t have broken off the engagement with the Cen family!”

It was all her fault!

“The More Mu Yourong thought about it, the angrier she got. She threw her phone on the coffee table.”

“Only then did Shen Rong react. She raised her head to look at Mu Yourong. “Yourong is back! Hurry up and cook, I’m starving to death! That gas is different from ours, I don’t know how to Burn It!””

“Shen Rong had been a rich lady for over twenty years, and had lived in luxury for twenty years. She was not used to suddenly moving to the slums.”

Chapter 400: 117: Cen Shaoqing is Cen Wu Ye. He is so regretful that his intestines have turned green! 3

Cook?

She actually had the face to ask her to cook.

The anger in Mu Yourong’s heart was ignited at this moment. She directly snatched Shen Rong’s phone. “Stop playing!”

“Yourong, what are you doing!” Shen Rong stood up angrily. “I’m about to win!” ”

“Mu Yourong said angrily, “What Time Is it now? How can you still have the mood to play cards? Other than playing cards, what else can you do? You are simply not good enough to do anything!” ”

Having such a mother was worse than not having one!

Shen Rong was stunned.

This was the first time Mu Yourong had spoken to her like this.

Was she possessed?

“If she had not seen it with her own eyes, Shen Rong would not have believed that this person was her daughter. ”

“Y-yourong, what’s wrong with you?” ”

“Mu Yourong immediately roared, “You still have the face to ask me what’s wrong! Let me tell you! The CEN family has not gone bankrupt! Cen Shaoqing is CEN fifth master! It’s all your fault! It’s all your fault! If it wasn’t for you, I would be the Cen family’s young Madam Now!” ”

Shen Rong was immediately stunned.

She did not expect things to turn out this way.

The CEN family did not go bankrupt!

“Moreover, Cen Shaoqing was CEN fifth master! ”

Why did this matter sound so mysterious?

“Yourong, are you mistaken?” Shen Rong swallowed her saliva. ”

“I saw it with my own eyes! The Cen family going bankrupt was just a pretense! He just wanted to test you! I didn’t expect you to actually see through the cracks in the door! Who told you to break off the engagement!”

“Back then, not only did Shen Rong and soldier Mu insist on breaking off the engagement, they even took out 200,000 yuan to humiliate the Cen family! ”

“If Shen Rong and soldier Mu had not done these immoral things, Old Lady Cen would definitely not have such a deep misunderstanding of her! ”

It was all their fault!

“The more Mu Yourong thought about it, the angrier she got, and her entire body was trembling. ”

“It would have been fine if she had never had it, but she clearly had it! ”

It was the people around her who single-handedly destroyed her bright future!

This feeling was the same as when you won a lottery worth 10 billion but accidentally lost the lottery ticket.

Uncomfortable.

It was too uncomfortable!

“Hearing this, Shen Rong’s face didn’t show any expression. ”

“Even in her dreams, she never thought that the Cen family’s bankruptcy was fake, much less that the CEN family would come to test them. ”

It was truly too sinister!

“If she had known earlier that the CEN family was only testing their words, she would never have called off the engagement. ”

Did she regret it?

Of course she regretted it!

But was there any use in regretting it now?

“If she said it out loud, it would be water splashed out. ”

What was done could not be undone.

“Shen Rong raised her head to look at Mu Yourong and spoke with great difficulty, “Yourong, mother knows that your heart is hurting, and mother’s heart is also very hurting right now! “But back then, when you broke off the engagement with the Cen family, it couldn’t all be blamed on your father and me! “If you insist on not breaking off the engagement, can your father and I force you to break off the engagement?” ”

“In the end, Mu Yourong was also responsible for this matter. ”

“Back then, it was Mu Yourong who had despised the Cen family as a rundown household. ”

“When Mu Yourong heard these words, she felt even more upset. She felt as if she couldn’t breathe, and couldn’t contain her anger, “What do you mean by this? Do you mean that I want to break off the engagement? It was clearly you! It was you who forced me to break off the engagement! If it weren’t for you forcing me, I would have long been the Cen family’s young Madam!” ”

She had never despised the poor and loved the rich!

It was not her fault!

This was not her fault at all!

This was all their fault!

““What are you talking about, child?”Shen Rong frowned, “I admit that your father and I are responsible for the annulment! But isn’t the biggest responsibility you? You were the one who initiated the annulment in the first place! I admit that I hate the poor and love the rich! Don’t you hate the poor and love the rich? You are my daughter. Your father and I can’t just stand by and watch you marry a poor and destitute family! Your father and I can only be considered as secondary responsibility for this matter! “And you have to take full responsibility! “How can you push all the responsibility onto your father and Me Now?” ”

“At this point., shen Rong continued, “Besides, if you hadn’t agreed to break off the engagement and reached out to the CEN family, the Cen family would at most have disowned your father and me as in-laws! They wouldn’t disown you as their granddaughter-in-law! “Didn’t they test us just to see your character ”

““But what about you? What did you do? Not only did you want to break off the engagement, you even slandered Zhou Xiang and Old Lady Cen! In the end, it was you who didn’t live up to expectations! It was you who made them feel cold in their hearts!” ”

Shen Rong’s words were very reasonable.

“If Mu Yourong had been unwilling to break off the engagement and had extended her hand to the Cen family, things would definitely not have gone to this extent. ”

“Shen Rong’s words seemed to have turned into a sharp sword, directly stripping away the layer of beauty draped over Mu Yourong’s body, revealing her darkest and most corrupt side in the air. ”
