

Almighty D 401

Chapter 401: 117: Cen Shaoqing is Cen Wuye. He is so regretful that even his intestines have turned green! 4

“Mu Yourong was so angry that her entire body was trembling. She did not expect that not only did Shen Rong not take the initiative to admit her mistake, but she also thought of a way to save Cen Shaoqing with her. Instead, she pushed all the responsibility onto her head!”

What was this?

Was Shen Rong still worthy of being a mother?

““Shut up!” Mu Yourong shouted hysterically. “Shut up! It’s all your fault! It’s all your fault! Nineteen years ago, you did not fulfill your obligation to raise me! Nineteen years later, you personally destroyed my good marriage! Why Don’t you all die!” ”

Shen Rong’s face immediately paled.

She had never thought that Mu Yourong would say such a thing to her.

Was this person in front of her really her daughter?

Even ye Zao knew to kowtow and kneel before the Mu family when he left to thank them for their many years of nurturing!

“Shen Rong did not quite understand why mu yourong had suddenly become like this, with red eyes, she said, “Yourong! You, how can you say such things about your father and me? It’s not like we intentionally carried the wrong child! Do you think we want that?” ”

“Mu Yourong looked at Shen Rong, and a terrifying thought suddenly flashed through her mind. What would happen if Shen Rong directly disappeared?”

Shen Rong had disappeared.

She was the only person left in this world...

“The Cen family and the Mu family had been friends for many years. The Cen family definitely could not bear to leave her alone to face life. Perhaps, they might even be soft-hearted enough to bring her back.”

“At that time, she would still be Cen Shaoqing’s fiancée.”

“After all, it was not her wish to break off the engagement at that time!”

“Thinking of this, Mu Yourong’s expression changed. She cried, “I’m sorry, Mom, I’m sorry. I didn’t mean to make you angry! I just feel too uncomfortable! Mom, I hope that you can understand me...””

““It’s okay, it’s okay!”As a mother, Shen Rong would not blame her child. She quickly reached out and hugged mu yourong, “Good child, it’s fine! Mother Won’t Blame You! Just treat it as if you and Cen Shaoqing are fated to be apart! There are so many good men in the world, and you are so outstanding. I believe that you will meet a better man in the future!””

“Hearing this, Mu Yourong’s eyes flashed. Other than Cen Shaoqing, what good man was there in this world?”

She wanted to marry Cen Shaoqing!

She had to marry Cen Shaoqing!

Those who prevented her from marrying Cen Shaoqing were all stumbling blocks!

All stumbling blocks!

“Mu Yourong continued, “Mother, you haven’t eaten yet, right? I’ll go and Cook for you.” ”

“In her previous life, in order to please song Shiyu. ”

“Some time before her marriage, she had painstakingly practiced her culinary skills. ”

“When she ate the food that her daughter had personally cooked, Shen Rong instantly felt no anger in her heart. ”

The next morning.

“Mu Yourong woke up early and put on some light makeup. Then, she went to the market to buy some bones to make soup. ”

“When she returned, Shen Rong was sitting on the sofa playing mahjong with her phone. ”

“Mu Yourong poured a glass of water for Shen Rong. “Mom, drinking a glass of water in the morning can help soothe your intestines.” ”

Shen Rong took the water and drank it in one gulp.

“Mu Yourong narrowed her eyes, then, she said, “Oh right, Mom, I have something to do outside. I’m making bone soup on the gas stove. After an hour, please remember to turn off the fire. I Won’t be back for lunch. Please make do with some bone soup.” ”

“Okay.”Shen Rong nodded.

“Mu Yourong took her bag and went out. Before she went out, she even looked back at the bone soup on the stove. ”

“She had arranged to meet Li Qiandong. At this moment, Li Qiandong was standing downstairs waiting for her. ”

“Li Qiandong was Cen Shaoqing’s good brother. Right now, she had to tightly grab hold of Li Qiandong as a stepping stone. ”

“Li Qiandong felt especially guilty when he saw Mu Yourong. She was currently at a low point in her life, but he could not help her in any way. ”

...

On the other side.

Cen Shaoqing and Ye Zhuo had arranged to meet at 10:30 on the Winding Mountain Highway.

It was only eight o’clock when he ziteng arrived at the CEN residence. Old Mrs. Cen was watching the Huangmei Opera in the living room.

“When she saw he ziteng, old Mrs. Cen thought she was seeing things. “Little he? !” ”

“Old Mrs. Cen.”

“Old Mrs. Cen asked curiously, “When did you come to Yun Jing?” ”

“He ziteng said, “I just arrived yesterday! By the way, where’s fifth brother?” ”

Old Mrs. Cen looked at the clock on the wall. “He’s upstairs working out in the gym!”

“I’ll go up and look for him.”He ziteng ran upstairs.

Cen Shaoqing was indeed working out in the gym.

“Unlike his usual long-sleeved shirt, he was currently naked, revealing his strong chest, eight-pack ABS, and perfect mermaid line.”

His body was covered in a thin layer of sweat.

He was bursting with hormones!

Even a professional fitness trainer would be surprised to see him.

Chapter 402: 117: Cen Shaoqing is Cen Wuye. He is so regretful that his intestines have turned green! 5

He ziteng was stunned. He looked at Cen Shaoqing and then looked down at himself. He suddenly felt a little inferior.

Other people took off their clothes because of their ABS and Merman lines.

But he took off his clothes because he was fat...

“Indeed, comparing people was infuriating”

“At this moment, Cen Shaoqing suddenly noticed he ziteng standing at the door. He raised the barbell and said, “Why are you here?” ”

“He was very strong, and the barbell did not seem to weigh much in his hands. ”

It was light.

“He ziteng said, “Fifth brother, didn’t we agree that we’re going to meet my idol today?”He could not wait to race with his idol! ”

“CEN Shaoqing said calmly, “It’s only eight o’clock now.”They had agreed to meet at 10:30. ”

“He ziteng continued, “Don’t we still need time on the road? It’s my first time meeting my idol, so I can’t be late.” ”

Cen Shaoqing looked at He ziteng. “The Winding Mountain Road is nearby. It’s a 10-minute drive. We can leave at 10 o’clock.”

“”OH.”He ziteng nodded. “Then my brother, I, will work out with you now! Fifth Brother, let me try this thing!” ”

Cen Shaoqing raised the barbell and looked down at him. “Can you do it?”?

Can You?

One had to know that men were most afraid of this question.

“He ziteng said, “Why can’t I do it! Brother Five, don’t look down on me! It’s just a barbell, what’s wrong with it!” ”

Cen Shaoqing put the barbell on the ground. “You try it?”

“He ziteng rubbed his hands. “Brother Five, you really underestimate me! I can lift ten barbells like this in one breath. If you don’t believe me, I’ll show you now!” ”

Cen Shaoqing raised his eyebrows slightly.

He ziteng held the barbell with both hands. He couldn't say the rest of his words.

F * ck!

This barbell was too heavy!

"He ziteng gritted his teeth and used all his strength, but he still couldn't lift the barbell."

"At first, he thought that the barbell wasn't heavy. After all, Cen Shaoqing had always looked as if he was floating."

He didn't expect it to be so heavy!

"He ziteng looked up at Cen Shaoqing. "Fifth brother, how heavy is this barbell?" "

Cen Shaoqing picked up a towel and slowly wiped his hands. His tone was extremely light. "It's not that heavy. It's only about 300 pounds."

"300,300 pounds?" He ziteng gulped. "

It was already 300 pounds.

This was not heavy?

He did not understand the world of big shots!

“Soon, it was 10 o’clock.”

The two of them set off on the winding mountain highway.

“In order to facilitate the car race, CEN Shaoqing drove a modified Lamborghini Gallardo today.”

The model was very cool!

He ziteng also drove his own chariot.

“Ten minutes later, the two of them arrived at the intersection of the Winding Mountain Highway.”

It was only 10:15 now.

Ye Zhuo had not arrived yet.

“He ziteng was especially excited to see his idol soon. “Fifth brother, do you think I’m handsome today? How’s My Hair? Does this outfit of mine still fit?” ”

“Cen Shaoqing pinched the prayer beads and looked at him. “It’s not a blind date, why are you so excited?” ”

“Looking at the pretentious he ziteng, Cen Shaoqing suddenly regretted helping him ask ye Zao out.”

He didn’t know why.

It just didn’t feel good!

His heart seemed to be blocked by something.

“But that’s my idol!” He ziteng continued, “I have to leave a good impression on my idol, don’t I? Brother Five, tell me quickly, how is it?” ”

“Cen Shaoqing sized he ziteng up and down, his thin lips opened slightly, “It’s Lame! Very lame! It’s all over your body. Also, you didn’t wash your hair last night, right? I saw Dandruff!” ”

“Hearing this, he ziteng’s expression changed, “Fifth brother, don’t Scare Me!” ”

“I never lie.” Cen Shaoqing continued counting the Buddhist beads.

“He ziteng wanted to rush back to wash his hair, but it was too late now, and his expression was extremely dispirited. ”

“If he had known earlier, he would have washed his hair this morning! ”

“At this moment, a black Ferrari approached from afar. ”

“It’s here.” Cen Shaoqing’s thin lips opened slightly.

“My Idol is here?” He ziteng’s eyes lit up.

Cen Shaoqing nodded slightly.

“While they were talking, the Ferrari stopped in front of the two of them. ”

“The car door was opened. The first thing that came into view was a long leg wearing Martin boots. Looking up from this leg, he saw that she was wearing a black t-shirt with tassels at the hem, a fair and slender waist was faintly discernible among the tassels. ”

One could not help but want to push away the tassel to see what was going on.

“She wore a pair of black sunglasses on her palm-sized face, leaving only her exquisite chin and high nose bridge.”

She looked like she was 1.8 meters tall!

Chapter 403: 117: Cen Shaoqing is Cen Wu Ye. He’s so regretful that even his intestines are turning green! 6

Extremely cold!

“Ye Zao took off his sunglasses, revealing a pair of clear black and white eyes that could seduce one’s soul. “Fifth brother, why are you guys here so early?” ”

Ye Zao came ten minutes earlier.

He did not expect Cen Shaoqing and he ziteng to be here earlier than her.

He Ziteng had seen ye Zao on the surveillance camera before.

He had thought that ye Zao on the surveillance camera was already an amazing existence.

He did not expect ye Zao to be so beautiful.

This kind of beauty could not be described with words!

“Cen Shaoqing held the Buddhist beads. “We have just arrived too. Oh right, let me introduce you. This is he ziteng that I told you about.” ”

“”Hello, Mr. He.”Ye Zhuo took the initiative to extend his hand to he ziteng. ”

“He ziteng was stunned for a moment before he held ye Zhuo’s hand. “Hello, Idol! Idol, I’ve finally met you in person!” ”

He ziteng really admired ye Zhuo. He was so excited that he was incoherent.

Cen Shaoqing frowned when he saw the two of them holding hands.

He felt even more regretful for introducing he ziteng to Ye Zhuo.

His head must have been kicked by a donkey.

He was making things difficult for himself.

Cen Shaoqing turned to look at Ye Zhuo. “Shall we begin?”

“Okay.”Ye Zhuo nodded slightly. “Let’s start here and finish at the intersection of Inspiration Road. What do you guys think?”

Cen Shaoqing had no objections.

He ziteng had even less objections.

What could he have against his idol?

Ye Zhuo then took out his phone. “It’s 10:20 now. We’ll leave at 10:22.”

Cen Shaoqing nodded slightly. "Alright."

He Ziteng looked at ye Zhuo's phone and was stunned.

Her phone case was clearly identical to Cen Shaoqing's.

F * ck!

There was something wrong with these two people.

They must be hiding something!

"He ziteng's gaze darted back and forth between the two of them, his eyes filled with excitement."

Needless to say.

"The more he looked at the two of them, the more they matched each other."

They were simply a perfect match!

10:22 pm.

The two sports cars that were parked at the intersection suddenly rushed out.

Boom —

He ziteng rushed at the front.

Cen Shaoqing followed closely behind.

“Instead, ye Zhuo fell at the back.”

He ziteng looked at the Black Ferrari in the rearview mirror.

What was going on with his idol?

Was he not feeling well?

“Otherwise, why was he so slow?”

Or was the idol preparing for a long time?

It should be like this.

“At this moment, a Lamborghini rushed out from he ziteng’s side.”

Boom!

This was Cen Shaoqing’s car!

He ziteng immediately accelerated.

But the Ferrari behind still showed no signs of accelerating.

He ziteng was very puzzled.

What the hell was going on?

“The Winding Mountain Road was already halfway through, but the car was still moving slowly.”

“If this continued, she would lose!”

This was not how it was done.

Although he ziteng did not want to question ye Zao.

“But at this moment, he had no choice but to question whether ye Zao knew how to race or not.”

He ziteng frowned.

Boom!

“Just as he ziteng frowned, the black car behind him suddenly accelerated and skidded beautifully!”

All that was left for he ziteng was the exhaust on the ground!

F * ck!

Amazing!

It was really too amazing!

He ziteng was instantly energized. He stepped on the accelerator and quickly chased after it.

Unfortunately!

He could not catch up at all.

The car in front seemed to be about to fly up.

He was not on the same level as her at all.

Cen Shaoqing saw the car catching up from the rearview mirror and raised his eyebrows slightly.

It had been a long time since he had met an opponent like ye Zao.

“In fact, when he first found out that ye Zao was the person in the video, Cen Shaoqing was also very surprised.”

It was both reasonable and unexpected.

This person was indeed surprising people every second.

You would never guess what kind of surprise she would give you in the next second!

“At this moment, the black car that was still behind suddenly overtook him!”

Cen Shaoqing also accelerated immediately.

“You Chase, I Chase!”

This was a battle between the strong.

Ye Zhuo had not met an opponent like Cen Shaoqing for a long time.

“Looking at the Lamborghini that overtook her, Ye Zhuo raised his eyebrows slightly and also began to accelerate!”

The two cars on the winding mountain road did not give way to each other.

Their blood was boiling!

He zhiteng chased after the two people.

He finally understood.

He was just here to be a bystander.

Five minutes later.

Chi —

“The two cars stopped at the intersection of Qi fan road one after the other. There was only a difference of a few seconds between the two of them,”

the Ferrari was in front.

The Lamborghini was behind.

Ye Zao opened the car door and got out of the car. He whistled at Cen Shaoqing. There was a hint of a bandit’s aura in the air. “Your driving skills are good!”

Chapter 404: 117: Cen Shaoqing was Cen Wu Ye. He was so regretful that his intestines turned green! 7

Cen Shaoqing turned his eyes slightly. "You're even better."

"Ye Zhuo leaned against the car door, took off his sunglasses, and played with them in his hands. "Other than you, no one else could almost fight me to a draw!" "

"What a coincidence." Cen Shaoqing twirled the Buddhist beads. "You're also the first person to beat me."

Ye Zhuo raised his eyebrows slightly. "I can see that."

One had to admit that Cen Shaoqing was really strong.

"If she let down her guard a little today, it was very likely that she would lose to Cen Shaoqing. "

"In the past, no one had ever been able to pose a threat to her. "

Cen Shaoqing was the first.

Cen Shaoqing opened the car door and took out a beautiful thermos cup from inside. "Grandma asked me to bring this for you. She said that you especially like to drink this sweet soup made by this chef."

"Hearing the word sweet soup, ye Zhuo's eyes lit up. He quickly reached out and took it. "Thank Grandma Cen for me!" "

"You don't have to be polite with her." Cen Shaoqing's tone was indifferent.

Ye Zhuo opened the thermos cup and took a sip.

It was ice-cold.

It was simply too delicious!

“Why do you like sweet food so much?”Cen Shaoqing asked.

“Ye Zao smiled and said, “Because sweet food can make people happy.” ”

The main reason was related to ye Zao’s childhood experience.

Ye Zao had been an orphan since he was young.

“To the children of ordinary families, sugar was so ordinary that it couldn’t be used as an ordinary food.
”

“But to her, it was extremely precious. ”

“Ye Zao still remembered that on that cold snowy night, it was Grandma’s bowl of sweet soup that saved her life. ”

Unfortunately.

Grandma left too early.

She couldn’t let Grandma live a good life.

“From then on, Ye Zao began to study medicine and became stronger. ”

“At that time, she was 13 years old. ”

“About 15 minutes later, he ziteng drove the car to the finish line.”

It wasn't that he was too slow!

It was that these two people were too abnormal!

This section of the Winding Mountain Road was more than 70 kilometers.

These two people finished it in 10 minutes.

“If they hadn't seen it with their own eyes, who would believe it?”

““Idol, fifth brother, who won just now?” ”

Cen Shaoqing continued to count the Buddhist beads. “Ye Zhuo beat me.”

“F * ck!” He ziteng was stunned again.

One had to know that Cen Shaoqing was the king of cars back then!

He didn't expect that ye Zhuo would actually beat Cen Shaoqing.

Ye Zhuo drank a mouthful of sweet soup. “I was just lucky enough to win against him. There was only a difference of thirty seconds between the two of us.”

He ziteng gulped.

How could these two people say such a terrifying thing so casually?

...

Li Qiandong accompanied mu yourong to the suburbs to relax. He only sent Mu Yourong back in the afternoon.

“Mu yourong said, “Big Brother Li, if you don’t mind, why don’t you come upstairs with me and have a cup of tea? Thank you for enlightening me today. My mood is much better now.” ”

“You’re welcome. We’ve agreed that I want to be your good friend for the rest of my life.”

The two of them went to the MU residence together.

The Mu residence was rented on the top floor.

Mu Yourong reached out and knocked on the door.

“But after knocking for a long time, Shen Rong did not come over to open the door. “Is my mother not at Home?” ”

“Did you bring the key?”

Mu Yourong began to rummage through her bag. “Let me look for it.”

“After rummaging through it for a long time, Mu Yourong finally found the key in her bag. ”

“The moment she opened the door, a pungent smell rushed out from inside. ”

It was the smell of natural gas!

Mu Yourong’s face turned pale and she ran inside. “Mother!”

Li Qiandong also ran inside.

The room was filled with a pungent smell and it was almost impossible to breathe. Li Qiandong hurriedly opened all the doors and windows.

Then he went to the kitchen to turn off the gas.

“There was bone soup simmering on the stove and the soup spilled all over the stove. Looking at the scene, one could infer that it was because the soup was boiling and no one turned off the fire, causing the soup to overflow and put out the fire, causing the gas to leak.”

Li Qiandong quickly turned off the gas stove.

Shen Rong was lying on the sofa. Her entire face was dark and there was not a single sign of life on her body.

“”Mom! Mom!”Mu Yourong panicked. She lay on the ground and cried, “Mom, are you okay? Mom, say something!” ”

“Li Qiandong said, “Hurry up and call 120!” ”

Mu Yourong’s hands trembled as she took out her phone and called 120.

120 ambulance arrived very quickly.

“But after the medical staff checked, they confirmed that Shen Rong was no longer breathing. “I’m sorry, but there are no signs of life on your mother.” ”

No signs of life.

“Hearing this, Mu Yourong heaved a sigh of relief.”

It seemed that she had controlled the time very well. It was neither too early nor too late. She was most afraid of turning into a half-dead state.

“In the next second, Mu Yourong cried and knelt down to the doctor. “No! It’s impossible! Doctor, please save my mother! Please! I Can’t lose my mother! Please!” ”

“The doctor was also helpless. “Madam, please don’t be like this. If I could save her, I would definitely save her. But now, there’s really no hope for your mother.” ”

“Mu Yourong was unwilling to believe this reality. “Doctor, I’m begging you. As long as you can save my mother, I’ll be your slave! I’m willing to give up everything! Please!” ”

The doctor shook his head helplessly.

“Li Qiandong’s eyes were red as he pulled mu yourong up. “Yourong, calm down.” ”

“Big Brother Li!” Mu Yourong hugged Li Qiandong and burst into tears.

“Li Qiandong’s heart ached terribly. “Yourong, don’t worry. Auntie is no longer around. You still have me in the future. I’ll take good care of you.” ”

““It’s all my fault! If I hadn’t gone out to relax and stayed at home to accompany my mother, something like that wouldn’t have happened to her! It’s all my fault! I’m not a good daughter!” ”

“Li Qiandong comforted her, “Yourong, you mustn’t think like this. This isn’t your fault, because no one could have predicted that this would happen.” ”

“Chapter 405: 118: when the great burning trap revealed Mu Yourong’s true colors, Li Qiandong was devastated! 1”

“Seeing Mu Yourong so guilty, and even taking all the blame for Shen Rong’s death, Li Qiandong’s heart ached terribly.”

He had never seen such a kind person like Mu Yourong.

“Yet, all of them had misunderstood mu yourong.”

Especially Young Lady Cen.

Mu Yourong was her future granddaughter-in-law!

“When he thought of old Madam Cen’s actions last time, Li Qiandong’s heart turned cold.”

“Blame me! Blame me! Big Brother Li, Don’t try to excuse me!” Mu Yourong cried so hard that she couldn’t help herself, “It’s all my fault! I didn’t take good care of my mother! I let her down! My mother treated me so well, I’m not worthy to be her daughter! I’m Not Worthy!”

“Li Qiandong hugged mu yourong tightly. “Yourong, don’t be like this. If Auntie knew that you were so sad, she wouldn’t be at ease underground.”

“Now that Shen Rong was dead and soldier Mu was still in prison, Mu Yourong no longer had any support in this world.”

He had to think of a way to get Mu Yourong to marry Cen Shaoqing as soon as possible.

Only Cen Shaoqing could give Mu Yourong the best support.

“Thinking of this, Li Qiandong continued, “Yourong, you’re not alone. You still have me, and you still have fifth brother! I definitely have a way to resolve the misunderstanding between you and fifth brother!” ”

“Mu Yourong lay in front of Li Qiandong’s chest, the corners of her mouth curling into a proud smile. ”

Li Qiandong was Cen Shaoqing’s best friend.

“Cen Shaoqing also trusted Li Qiandong very much. With Li Qiandong’s words, Mu Yourong would be at ease! ”

She believed that Li Qiandong definitely had the ability to restore the engagement between her and Cen Shaoqing!

“Mu Yourong finally managed to stop crying with much difficulty. Sobbing, she said, “Big Brother Li, don’t tell fifth master about my mother’s matter, and don’t tell the old madam either. I don’t want them to worry.” ”

“”Yourong, you’re too kind! Do you know that sometimes kindness can not be exchanged for anything!” ”

Mu Yourong was always planning for CEN Shaoqing and the Cen family.

But they... treated mu yourong that way.

Old Madam Cen had even belittled mu yourong to the point of being worthless.

“Thinking of this, Li Qiandong sighed in his heart and continued, “Yourong, don’t worry. I Won’t tell them about this.” ”

It was impossible not to tell!

“Now that Mu Yourong was alone, he had to let the Cen family know the truth and let them bring Mu Yourong to the Cen family.”

“Because it was summer, Shen Rong was sent to the funeral home on the same day.”

“On the way, Mu Yourong cried and fainted four times in total.”

“After comforting Mu Yourong, Li Qiandong set off for the CEN family.”

He wanted to go to the Cen family’s old lady to pay her respects.

The car had just arrived at the manor’s entrance when it was stopped by the security personnel.

Li Qiandong got down from the car with a face full of anger. “Are You Blind?”

“The security officer said apologetically, “Mr. Li, I’m sorry. Old Mrs. Cen had instructed us not to let you take even half a step in here.” ”

“Li Qiandong said angrily, “How can you believe an old man’s joke? Get lost quickly and let me in!” ”

The two security officers looked at each other and saw the dilemma in each other’s eyes.

“After all, Li Qiandong had a noble status. If they really offended him, they would not be able to bear the consequences.”

“One of the security personnel said, “Mr. Li, please wait a moment. I’ll go and make a call to ask old Mrs. Cen.” ”

A moment later.

“The security personnel walked out from the pavilion. “Mr. Li, Old Mrs. Cen still won’t let you in. I’ll have to trouble you to return the way you came.” ”

Li Qiandong was stunned.

He had never expected that old Mrs. Cen would actually do it for real.

The old lady was indeed old!

She had actually become so muddle-headed!

“Old Madam Cen did not let him in, so Li Qiandong had no choice but to call the Cen family personally. ”

The person who answered the call was a servant of the Cen family.

“Li Qiandong ‘an controlled his anger and said, “Please let Aunt Xiang answer the phone.” ”

“Old Madam Cen was unreasonable, but Zhou Xiang was always reasonable. ”

Zhou Xiang jogged over to answer the phone. “Hello.”

“Li Qiandong said, “Aunt Xiang, it’s me.” ”

“Hearing Li Qiandong’s voice, Zhou Xiang’s attitude immediately changed. “Oh, it’s You! is something the matter?” ”

“Li Qiandong continued, “Aunt Xiang, something has happened!” ”

“What happened?”

“Li Qiandong said, “Yourong, yourong’s mother has passed away from gas poisoning! She’s currently at the Yun Jing City Funeral Home.” ”

“OH.”Zhou Xiang’s tone was indifferent.

“When she and Old Lady Cen had gone to the Mu clan to discuss their marriage, soldier Mu and Shen Rong had joined forces to humiliate her and Old Lady Cen.”

“Even now, when Zhou Xiang thought of this matter, she still gnashed her teeth in hatred. ”

“Back then, Cen Haifeng had treated the MU clan so well. ”

But the Mu clan had repaid kindness with enmity!

“Chapter 406: 118: when the great burning trap revealed Mu Yourong’s true colors, Li Qiandong collapsed! 2”

He did not care about old feelings at all.

“Now that Shen Rong was poisoned by gas, she deserved it! ”

Oh?

“Even in his dreams, Li Qiandong did not expect Zhou Xiang’s reaction to be so calm. ”

He also did not expect Zhou Xiang to be so cold-blooded!

The dead were the most important.

“Now that he was dead, Zhou Xiang actually showed no reaction.”

To think that Mu Yourong was so considerate of the Cen family.

Heartless!

Truly too heartless!

“Li Qiandong could no longer contain the anger in his heart, “Aunt Xiang! How can you be so heartless? No matter what, yourong is fifth brother’s fiancée! Now that Auntie has passed away, are you not sad at all? Are You not sad at all?” ”

“Zhou Xiang had always been a person with a good temper, but when she heard these words, she immediately flew into a rage. “That’s what they deserve! It’s retribution!” ”

It just so happened that old Madam Cen came down from upstairs.

“Seeing Zhou Xiang in such a rage, she turned to look at the servant beside her. “What’s wrong? who called?” ”

““From the sound of it, it seems to be young master Li,”the servant said. ”

Li Qiandong?

“Old Lady Cen was so angry that she snatched the microphone from Zhou Xiang’s hand, “You son of a bitch, what are you trying to do? If you’re dead, so be it! If you’re dead, it’s their retribution! The heavens are watching! There’s a god three feet above you! Do you think I’m a Holy Mother White Lotus? Someone from the Mu family died, and you want me to forgive that Little White Lotus? Let me tell you! Impossible!” ”

Although these words were a little cold and heartless.

But Old Lady Cen had never been a person who had the heart of a mother.

She remembered clearly how the Mu clan had treated her back then!

Li Qiandong was so angry that his entire body was trembling.

“He had never expected that now that Shen Rong was dead, Old Lady Cen would actually say such hurtful words!”

“Old Lady, aren’t your words a little overboard? Back then, Uncle Cen and the Mu family had such a deep relationship, how could you forget it so easily?” Li Qiandong continued, “Your most important matter now is to take Yourong over! Yourong is, after all, the only bloodline uncle Mu has left in this world!”

Only in this way could the CEN family make up for their misunderstanding of Mu Yourong.

“I’ll Pick Your Grandpa Up! Idiot, let me tell you! The heavenly axiom is good for reincarnation, but who can the heavens bypass! Helping the wicked! You will also have your retribution!” After saying this, old Mrs. Cen was so angry that she threw the phone down.

“Mom, Are You Alright?” Zhou Xiang asked carefully.

Old Mrs. Cen clutched her chest. “The Li family is really getting worse with each generation!”

“Li Qiandong was naturally not feeling well after old Mrs. Cen hung up on him, but when he called again, the line was already busy.”

“At this moment, a Maybach slowly drove over.”

It was Cen Shaoqing's car.

Li Qiandong immediately ran over to stop the car. "Fifth brother!"

Cen Shaoqing slowly rolled down the car window. "What's the matter?"

Li Qiandong told Cen Shaoqing about Shen Rong's death from poisoning.

"When he heard this, Cen Shaoqing's tone was indifferent. "Does this have anything to do with me?" "

"Li Qiandong looked at Cen Shaoqing just like that, his eyes filled with regret, "Fifth brother! No matter what, Miss Mu was once your fiancée! Now that Auntie has passed away and uncle is still in prison, you can't leave Miss Mu alone no matter what! She needs you now!" "

Cen Shaoqing held the Buddhist beads in his hand and looked up at Li Qiandong with a hint of ruthlessness in his eyes. "Are you going to continue being so stupid?"

Li Qiandong clenched his fists so tightly that his eyes were red with excitement. "Fifth brother! The person who can't see the truth of reality right now is you!"

"Mu Yourong was so good, so why couldn't Cen Shaoqing see it! ! "

It was truly a pity for Mu Yourong's deep affection.

"At this moment, a head popped out from the car window, "Qiandong! Don't be silly! Quickly wake up! That Mu Yourong is acting with you! She's a white lotus flower in the prime of time! Would a truly good girl pretend to be someone else? Why don't you understand such a simple principle?" "

"Pretend?" A mocking smile flashed across Li Qian Dong's eyes. "It was clearly ye Zhuo who pretended to be yourong! It was yourong who was kind-hearted and didn't want to argue with her!"

He ziteng only wanted to give Li Qian dong a slap to wake him up!

It was really too infuriating!

“The truth was clearly right in front of him, yet he had to act Smart! ”

“Sooner or later, he would tie his own hands! ”

“This is a video of my idol racing with me yesterday! Take a look at who was the person who race last time! Say that my idol is pretending to be Mu Yourong? How Big Is Your Face!”

“With that, he ziteng threw a USB drive to Li Qiandong. ”

The driver started the engine and left.

“Chapter 407: 118: The Great Burning Trap reveals Mu Yourong’s true colors, Li Qiandong breaks down!
3”

“Li Qiandong picked up the USB flash drive on the ground, went to the car, and connected to the data cable. ”

It was indeed a racing video.

It was recorded with a drone.

The person driving the car was indeed ye Zao.

But what could this mean?

A racing video could mean that ye Zao was not pretending to be Mu Yourong?

“Ye Zao had been impersonating Mu Yourong since he was young, and now he was impersonating Mu Yourong!”

He was too heartless!

So what if this kind of person had the ability?

She was still incomparable to Mu Yourong’s tiny finger!

Li Qiandong angrily turned off the video.

1

...

It was already the second day after ye Zao learned that Shen Rong had died from gas poisoning.

“No matter what, Shen Rong had once raised the original owner. Now that she was dead, it was reasonable for her to send him off.”

“Thus, Ye Zao changed into black clothes and black pants and drove to the funeral home.”

“At present, the Mu family had already scattered.”

Those who were on good terms with the MU family in the past did not appear.

“In the funeral home, only Mu Yourong was kneeling on the ground and crying uncontrollably.”

“Ye Zao walked to the ice coffin and bowed deeply, then offered his chrysanthemum.”

“Seeing Shen Rong’s face in the ice coffin, ye Zao frowned slightly.”

“Although the mortician had already put on makeup for her, it still could not cover the black color on her neck.”

This feature was indeed more suitable for the appearance of death from gas poisoning.

Gas poisoning was carbon monoxide poisoning.

“If a person inhaled too much carbon monoxide, the oxygen would lose the chance to combine with hemoglobin, causing the tissue cells to not be able to get enough oxygen from the blood, causing their complexion to turn purple and black.”

“However, a normal person would die from gas poisoning. It was not so black. The black on Shen Rong’s neck was abnormally black.”

This situation was a bit like a good friend of Ye Zao’s in his previous life.

“His good friend had a very serious depression and was also poisoned by gas. However, she committed suicide. In order to make it painless, she took three sleeping pills.”

An excessive amount of sleeping pills would cause the color of the skin on the face to be different from that of a normal person who died from gas poisoning.

Could it be that Shen Rong had taken sleeping pills before she died?

“Because she had taken sleeping pills and overslept, she did not go to the kitchen to turn off the fire.”

But why would Shen Rong take sleeping pills for no reason?

It would be understandable if she took sleeping pills at night.

But Shen Rong’s time of death was at noon!

Who would take sleeping pills in the morning?

“Moreover, based on Ye Zhuo’s understanding of Shen Rong, she did not seem like the kind of person who would commit suicide.”

“Moreover, Shen Rong had just found her own daughter.”

How could she bear to die?

This place was filled with oddities.

“Ye Zao turned to look at Mu Yourong, who was kneeling there, and narrowed his eyes.”

“At this moment, footsteps could be heard in the air.”

It was Li Qiandong.

“When he saw ye Zao in the Mourning Hall, Li Qiandong’s anger immediately rose. “What are you doing here? Are You Crying for mercy? You are not welcome here!” ”

“If it wasn’t for Ye Zhuo, Cen Shaoqing and Old Lady Cen wouldn’t have such a deep misunderstanding of Mu Yourong!”

“Mu Yourong raised her head to look at Li Qiandong and said in a hoarse voice, “Big Brother Li, Sister Ye Zhuo is here to send my mother off on her final journey! How can you say that about her!” ”

““Aren’t you tired of acting all day long?”After saying this, Ye Zhuo turned his gaze to Li Qiandong. “Also, I don’t think I’ve offended you before, right?” ”

Li Qiandong raised his head to look at Ye Zhuo. “The one who’s really acting is you! Do You Know Who Yourong is? She’s fifth brother’s fiancée! I advise you to stay away from fifth brother in the future! Don’t think about those things that you shouldn’t think about!”

“Ye Zhuo nodded slightly. “So you’re Cen Shaoqing’s previous fiancée who despises the poor, loves the rich, and is ungrateful?”She had previously heard old lady cen mention Cen Shaoqing’s fiancée. ”

She did not expect this person to be Mu Yourong.

This world was really small.

“Mu Yourong’s face was full of humiliation as she cried, “I’m not ungrateful! I’m Not! This has nothing to do with me!” ”

This was all soldier Mu and Shen Rong’s fault.

Ye Zhuo raised his brows slightly.

“Seeing Mu Yourong being wronged like this, Li Qiandong was very angry. He could not bear to see Mu Yourong being wronged. ”

““Ye Zao! I advise you to apologize to yourong immediately! Otherwise, don’t blame me for being impolite!”Li Qiandong clenched his fists and his entire body was trembling. ”

The tolerance in his body had already reached its limit.

Ye Zao looked down at Li Qiandong. "What? You want to fight one-on-one?"

The anger in Li Qiandong's body exploded in an instant. He waved his fists and charged towards ye Zao.

"Chapter 408: 118: The Great Burning Trap reveals Mu Yourong's true colors, and Li Qiandong breaks down! 4"

It was said that men do not fight with women.

But he could not hold it in any longer.

Ye Zao was really too much!

"Even if Mu Yourong could hold it in, he could not!"

"Today, he had to teach ye Zao a lesson on behalf of Mu Yourong."

"Otherwise, she would really think that there was no one backing mu yourong."

Ye Zao did not Dodge.

"He just stood there, extremely calm, and gently lifted his foot."

Bang!

Li Qiandong fell to the ground just like that.

It was so painful that his facial features were all twisted together.

“Big Brother Li.”

Mu Yourong was scared to death and hurriedly ran over to pull Li Qiandong up.

Layers of cold sweat appeared on Li Qiandong’s forehead.

It was extremely painful.

It hurt.

It really hurt too much!

“Mu Yourong raised her head to look at ye Zao and angrily said, “Ye Zao! How could you treat big brother Li Like This!” ”

“Ye Zao pointed at the ceiling. “He was the one who made the first move. I was acting in self-defense, and I have the surveillance cameras as proof. Why, do you want to call the police? If you want to call the police, I’ll wait for the police to come.” ”

“You!” Mu Yourong was furious.

“Ye Zhuo raised his hand and tidied up the loose hair by his ear. “If you don’t dare to call the police, then I’ll take my leave first.” ”

“With that, she turned and walked out of the door.”

“Looking at ye Zhuo’s back, Li Qiandong only wanted to give himself a vicious slap. If it weren’t for his incompetence, he wouldn’t have let ye Zhuo be so arrogant!”

“Mu Yourong helped Li Qiandong to a chair at the side and sat him down. “Big Brother Li, are you alright?” ”

He couldn’t even defeat a woman.

He had even lost face in front of the woman he loved. This made Li Qiandong feel extremely ashamed.

It was all his fault for not being outstanding enough!

He couldn’t even protect the woman he loved.

““Yourong, I’m sorry. It’s all my fault for being useless...” ”

““Big Brother Li,” Mu Yourong immediately covered Li Qiandong’s mouth. “You don’t have to say sorry. You’ve already helped me a lot.” ”

“Li Qiandong sighed. “Yourong, you’re a good girl. Unfortunately, fifth brother has too deep a misunderstanding of you. Even when aunt passed away, they...” ”

Mu Yourong bit her lip. “You told them about my mother?”

“Yes.” Li Qiandong nodded.

“Mu yourong said, “Didn’t I tell you not to tell them about this?”Actually, Mu Yourong’s original intention was to pass this matter on to the Cen family through Li Qiandong.”

But who knew that the Cen family would actually be indifferent!

“Mu Yourong subconsciously touched her belly and cried, “It’s normal that they didn’t come. After all, my parents treated grandmother and Aunt Xiang so well when they were alive. If it were me, I wouldn’t be able to forgive my parents...” ”

“Li Qiandong said, “But aunt has already left! The dead are the most important! Moreover, those matters have nothing to do with you!” ”

“Mu Yourong’s face was full of tears as she continued, “Big Brother Li, can you help me with something?” ”

“What is it?”Li Qiandong asked.

Mu Yourong hesitated for a moment. “I want you to use your name to ask fifth master out. I have something to say to fifth master.”

Li Qiandong nodded. “Sure!”

“”Thank you, Big Brother Li!” ”

“After leaving the funeral home, Li Qiandong called Cen Shaoqing and asked him to meet him at a hotel.”

Cen Shaoqing agreed without even asking for the reason.

“After making an appointment with Cen Shaoqing, Li Qiandong called mu yourong. ”

Mu Yourong was very excited after hearing this.

She finally had a chance to be alone with Cen Shaoqing!

“Mu Yourong specially put on teardrop makeup and wore a white dress, looking very charming.”

“After she was ready, Mu Yourong took out a bottle of transparent medicine from the drawer and put it in her bag before walking out.”

This medicine had a hallucinogenic effect.

“Regardless of whether it was a man or a woman, a single drop would cause them to fall.”

“Unless they had taken the antidote beforehand, they would lose consciousness even if they smelled it.”

It was the same medicine that Mu Yourong had gotten from the system when the system was still around.

It was a pity that she had kept such a trick up her sleeve.

“Otherwise, where would she get such a medicine now?”

Mu Yourong felt goosebumps all over her body as she walked from her room to the living room.

She had to seize this opportunity.

She had to take down Cen Shaoqing!

“At that time, she would take the position of the Cen family’s young madam.”

“As a person who had been reborn, Mu Yourong believed in supernatural events. She was truly a little afraid that Shen Rong had died in this room. ”

“But on the other hand, Shen Rong had been poisoned because she had forgotten to turn off the gas stove! ”

What did this have to do with her?

“Even if she was a ghost, Shen Rong could only be a wronged ghost. ”

“With this in mind, Mu Yourong was no longer afraid and continued to walk out. ”

“When she arrived at the hotel, Cen Shaoqing had not arrived yet. ”

Mu Yourong went to the bathroom to tidy up her appearance and put the medicine in her pocket. She was ready to break the bottle at any time and make Cen Shaoqing lose consciousness.

“Chapter 409: 118: The Great Burning Trap reveals Mu Yourong’s true colors, Li Qiandong collapses! 5”

“At this moment, there was a knock on the door. ”

Mu Yourong’s eyes lit up.

It was fifth master Cen!

She hurriedly stood up to open the door.

“A tall figure stood outside the door, enveloping mu yourong.”

A bashful expression appeared on Mu Yourong’s face as she raised her head to look at Cen Shaoqing.

“When she raised her head, Mu Yourong was immediately stunned.”

“This, this was not Cen Shaoqing!”

“Who are you?” Mu Yourong vigilantly took a step back.

“The man looked at Mu Yourong like this, “My surname is Xu, and I am Fifth Master’s Special Assistant! Fifth Master wanted me to tell you that a shameless woman like you does not even have the qualifications to step into the CEN family’s gates and become a servant for the Cen family, so stop daydreaming! “Have some sense of shame, and also leave some dignity for yourself!” ”

Mu Yourong’s face instantly turned deathly white.

I know!

So he knows!

Everything was under his control.

“Mu Yourong felt like she was a clown, being toyed with in the palm of someone’s hand.”

“She had carefully prepared, and not only did she not receive Cen Shaoqing, she even received a round of humiliation!”

But she was not willing!

She was not willing to be deceived by Cen Shaoqing just like that.

What should she do now?

What should she do now?

“She could wait, but her stomach could not wait any longer.”

Mu Yourong placed her hand on her abdomen.

Yes.

She was pregnant.

She had originally wanted to use this opportunity to make Cen Shaoqing the rightful father of the child in her stomach.

“Once she became pregnant, would she still be afraid of not being able to enter the Cen Family?”

“But now, her plans were all in a mess!”

Cen Shaoqing did not come to see her at all!

To abort the child?

No Way!

“Her constitution was special, so she could not abort the child.”

“Once she aborted the child, she would never be able to conceive a child in the future! ”

What should she do now?

“At this moment, Mu Yourong thought of someone. ”

Li Qiandong!

“Although Li Qiandong’s family background was not as good as Cen Shaoqing’s, he was still a noble son of a wealthy family in the capital! ”

“Most importantly, Li Qiandong and Cen Shaoqing were good brothers. Even if she really got together with Li Qiandong, she would still have a chance to get in touch with Cen Shaoqing in the future. ”

“However, she had to plan everything in advance to make Li Qiandong feel guilty towards her. ”

“After returning from the hotel, Mu Yourong went to the market to buy a bunch of vegetables and started cooking. ”

“About two hours later, Mu Yourong called Li Qiandong. “Hello, brother Li?” ”

“It’s me.”

“Mu yourong continued, “Brother Li, where are you now? You’ve helped me so much during this period of time. I want to treat you to a meal. If you’re free, come over now. I’ve prepared a whole table of dishes.” ”

Li Qiandong had originally wanted to refuse.

“But when he heard Mu Yourong say that she had prepared a table full of dishes, he agreed. ”

What did he do in this life to be able to eat the dishes that Mu Yourong had personally prepared.

Li Qiandong arrived very quickly.

“A table full of dishes, with all kinds of color, fragrance, and taste. Whether it was in terms of appearance or fragrance, it was not one bit inferior to a five-star chef. ”

Li Qiandong sighed in his heart. Mu Yourong was truly a good wife and mother!

“However, Cen Shaoqing had eyes but not eyes. ”

“Ye Zhuo was clearly not even half as good as Mu Yourong, but Cen Shaoqing could only see Ye Zhuo. ”

“Mu Yourong opened a bottle of wine and filled it up for Li Qiandong. She poured herself a cup and said, “Big Brother Li, this cup is a toast to you. Thank you for your help during this period of time!” ”

“Mu Yourong finished the wine in her cup in one gulp. After finishing it, she began to cough violently. ”

““Yourong, are you alright?”Li Qiandong looked at her nervously. ”

““I’m fine, I’m fine. I just don’t know how to drink.”Mu yourong continued, “Big Brother Li, you drink too.” ”

Li Qiandong also finished the wine in his cup in one gulp.

“Mu Yourong watched as he finished the wine in his cup, then poured him another cup. ”

“Just like that, one cup after another. ”

“In the end, Li Qiandong’s consciousness also became blurry. His body was extremely hot and he began to unbutton his shirt.”

“Mu yourong said, “Big Brother Li, let me help you to your room to rest.” ”

Li Qiandong was completely confused at this moment. He treated Mu Yourong as his usual female companion and kissed her on the face.

““Big Brother Li, you can’t do this!”Mu Yourong struggled for a while, but in the end, she was unable to struggle.”

“When Li Qiandong woke up the next morning, he felt that the surrounding environment was not quite right.”

Where was this?

“At this moment, he suddenly saw Mu Yourong lying beside him!”

Li Qiandong turned pale with fright and suddenly remembered what had happened last night.

He had drunk too much and had mistaken her for someone else.

He had forced Mu Yourong!

Oh My God!

Chapter 410: 118: The Great Burning Trap reveals Mu Yourong’s true colors. Li Qiandong breaks down! 6

He had done something worse than a beast!

He deserved to die!

“At this moment, Mu Yourong also woke up. When she saw Li Qiandong beside her, there was not much emotion on her face.”

“Li Qiandong gave himself a vicious slap. “Yourong, I’m sorry! I’m sorry! I don’t know what’s going on with me either!” ”

“Mu Yourong lifted the blanket and got out of bed. She said very calmly, “Big Brother Li, let’s just pretend that nothing happened! Don’t worry, I Won’t let you take responsibility. It’s just that we should never see each other again.” ”

“Yourong!” Li Qiandong’s heart ached terribly.

“Mu yourong said, “Big Brother Li, this isn’t my first time. You Don’t have to bear too much of a psychological burden.” ”

It wasn’t his first time?

It wasn’t his first time. What was that Blood Stain on the bedsheet?

“Mu Yourong was truly too kind. Even at this moment, she was still trying to justify him.”

“In this instant, Li Qiandong felt even more guilty!”

““Yourong! Don’t worry, I will be responsible for you! I will definitely be responsible for you! Marry me. Although I know that I’m not worthy of you, don’t worry, I will definitely treat you well!” ”

“After saying this, Li Qiandong knelt on the ground.”

Mu Yourong's back was facing him.

"At this moment, Li Qiandong could not see the corners of Mu Yourong's mouth curling up into a proud smile."

A Fool was a fool!

He was destined to be her stepping stone in this life.

"Yourong, Please! Give me a chance to atone for my sins!" Li Qiandong knelt over and hugged mu yourong's leg."

"Mu Yourong closed her eyes and two streams of tears flowed out. She choked and said, "Big Brother Li, get up first." "

"No! Yourong, I won't get up unless you promise me!" "

Mu Yourong took a deep breath. "Alright... I Promise You."

"Really?" Li Qiandong was overjoyed.

Mu Yourong nodded.

"That's great! Yourong, thank you!" Li Qiandong got up from the ground and hugged mu yourong."

"After obtaining Mu Yourong's understanding, Li Qiandong called father Li and told him that he was going to marry Mu Yourong."

“When father Li heard about this, he was so angry that he almost vomited blood. “Unfilial son! Unfilial Son! If you dare to marry that woman, don’t acknowledge me as your father in the future! I don’t have a son like you!” ”

“Li Qiandong’s gaze was firm as he said, “Father, no matter what you say, I will marry yourong! Your misunderstanding of her is too deep! She really is a very good girl!” ”

Father Li immediately hung up on Li Qiandong.

“Mu Yourong witnessed Li Qiandong making the call. “Big Brother Li, why don’t you forget it? You Can’t abandon your uncle for me.” ”

“Li Qiandong held mu yourong’s arm. “Yourong, don’t worry. My father is a very reasonable person. I believe that as long as he meets you, he will definitely fall in love with you.” ”

No one would dislike a kind and good girl like Mu Yourong.

“Really?” Mu Yourong was a little embarrassed.

“Really!”

...

On the other side.

Ye Zhuo was playing chess with Cen Shaoqing in the Cen family’s chess room.

“The two of them chased after each other step by step, neither giving way to the other. ”

Ye Zhuo raised his eyebrows slightly. “I’ve never met anyone who could make me feel threatened. You’re the second.” Ye Zhuo could play chess with others without thinking.

“However, he could not play chess with CEN Shaoqing and that unlucky guy on the internet. ”

Both of them were experts among experts.

“They needed to maintain their intelligence online at all times, or else they would break the ice and create an irreversible situation. ”

Cen Shaoqing’s left hand that was holding the Buddha bead paused. “Then who’s the first person?”

Ye Zao’s fingertip slowly placed a stone on the chessboard. “Someone you don’t know.”

Can’t he know anyone?

That familiar feeling came again.

Uncomfortable.

He seemed to be holding in a ball of anger.

“Ye Zao continued, “I feel that the two of you should be equally skilled in go.” ”

“OH.” Cen Shaoqing’s tone was indifferent.

“At this moment, Cen Shaoqing’s phone suddenly rang. Cen Shaoqing picked up the phone and when he heard the voice on the other end, he subconsciously frowned. ”

“A moment later, he hung up the phone. His expression was still rather unsightly. ”

“What’s Wrong?”Ye Zhuo asked curiously.

“CEN shaoqing slowly said, “Li Qiandong wants to marry mu yourong.” ”

Ye Zhuo chuckled. “Looks like that brother of yours has been fooled by Mu Yourong quite a bit. He can’t wait to become a pan xia.”

“People are stupid. There’s nothing we can do about it.”

“Ye Zhuo continued, “I feel that there’s something fishy about Shen Rong’s death. Perhaps... it has something to do with Mu Yourong.” ”

“What do you mean?”Cen Shaoqing picked up a chess piece.
