

## Almighty D 421

“Chapter 421: 120: Happy Wedding, fifth master’s confession, they’re together! 3”

Feng Xianxian used the money given by Feng Qianhua to buy a set of gifts worth six figures to attend Zheng Zhilan’s party.

The car had just stopped at the entrance of the Zheng family’s manor when a young and handsome man came to welcome her.

“Xianxian, you’re here.”

Feng Xianxian elegantly lifted the hem of her dress and smiled elegantly. “Brother Zimo.”

“This person was Zheng Zhilan’s brother, Zheng Zimo.”

“Zheng Zimo was 21 years old this year, two years older than Feng Xianxian.”

“Because Feng Xianxian had risked her life to save Zheng Zhilan half a year ago, and because Feng Xianxian was gentle and kind, she did not talk much and was very likable, Zheng Zimo had always had a good impression of Feng Xianxian.”

“Zheng zimo smiled and said, “Zhilan is currently receiving guests inside. If she knows about you, that girl will definitely be very happy.””

“Feng Xianxian said, “I’m even happier to be able to attend Zhilan’s birthday party.””

“Actually, Feng Xianxian was very clear about Zheng Zimo’s intentions.”

He had fallen for her.

“Otherwise, why would Zheng Zimo be so attentive to her?”

It was a pity.

“Compared to the CEN family, the song family was simply too weak.”

“No matter how good Zheng Zimo was to her, it would only be a futile effort.”

“However, Feng Xianxian really liked the feeling of being chased by others.”

“Zheng Zimo was a talented person. Although the song family could not compare to the Cen family, the song family was a well-known family in the capital. There were countless socialites who had fallen in love with Zheng Zimo, and even went so far as to chase after him.”

“Unfortunately, Zheng Zimo did not take a liking to those rouge and common powder.”

“If those people knew that Zheng Zimo liked her, they would probably die of jealousy, right?”

“Thinking of this, the corners of Feng Xianxian’s mouth curled up into a proud smile.”

Many people came to Zheng Zhilan’s birthday party.

“Seeing Feng Xianxian come over, Zheng Zhilan did not have time to deal with the guests in front of her. She immediately ran over to Feng Xianxian. “Xianxian!””

Many people present knew Feng Xianxian.

Nothing else.

It was only because of the Lin family.

“Everyone knew that the old lady of the Lin family liked Feng Qianxian very much. She treated Feng Qianxian as her own granddaughter, and her eyeballs hurt.”

“Although Feng Qianxian’s surname was Feng, in fact, she was the eldest daughter of the Lin family.”

“Among the daughters of the wealthy families present, who would dare to cast a cold glance at the eldest daughter of the neighboring family?”

And Feng Qianxian herself was very willing to use the identity of the eldest daughter of the Lin family to show off and show off her power.

“In Feng Qianxian’s subconscious mind, she had already thought of herself as the eldest daughter of the Lin Family!”

“Other than her, who else had the qualifications to be the eldest daughter of the Lin Family?”

Who was that bastard?

“Xianxian is here! Zhilan and I were just talking about you!”

““Xianxian, this gown of yours is really beautiful today! Where did you buy it?””

“A beautiful person looks good in anything.”

““Oh my God, Xianxian, your legs are too long. And I think you’ve lost weight again!””

““It’s fine if you’re beautiful, but how are we supposed to live?””

Feng Xianxian was flattered by the group of people and felt very comfortable.

At the Lin family residence.

“When Feng Qianhua arrived at the Lin family residence, old madam Feng had just fallen asleep.”

Auntie Zhang took the health soup from Feng Qianhua’s hands. “Why didn’t Xianxian come today?”

“Feng Qianhua said, “She went to attend the birthday party of the daughter of the Zheng family.””

“Aunt Zhang nodded and looked around. She lowered her voice and said, “I noticed that Lin Ze has been acting a little strange lately.””

Feng Qianhua narrowed her eyes. “What’s Wrong?”

“”Ever since he came back from Yun Jing, he has been more and more filial to the old lady. But sometimes, he seems to be deliberately trying to trick the old lady.” Aunt Zhang thought about Lin Ze’s recent situation, then, she said, “Last time, he was rummaging through the warehouse upstairs.””

Feng Qianhua’s eyes flashed with a hint of gloominess. “Restless Little Bastard!”

“Ye Shu had already done such a shameless thing, but he still wouldn’t give up!”

“After saying that., feng Qianhua continued, “Aunt Lin has already burned everything about ye Shu. I don’t think he can find anything! “But I’ll have to trouble you to take care of it during this period of time. If anything happens, you must let me know immediately!””

There was no fear in such matters.

Aunt Zhang nodded. "Don't worry about it. I know."

"At this moment, Feng Qianhua seemed to have suddenly heard something. She took out a red cloth bag from her pocket. "This is for you.""

"What is this?" Aunt Zhang was stunned.

"Feng Qianhua directly stuffed the item into Aunt Zhang's hands. "No matter what it is, you can just keep it.""

"Aunt Zhang looked up at Feng Qianhua. "This is a bracelet, right?""

Feng Qianhua nodded.

"I can't take it," Aunt Zhang subconsciously refused."

Chapter 422: 120: a joyous occasion. Fifth Master's confession is burning with passion. They're together!  
4

Feng Qianhua looked at the inner room. "Take what's given to you. You're already so old. Don't be reluctant to eat and wear. Take this bracelet as a token of my appreciation."

Aunt Zhang Sighed. "You just gave me a card a while ago."

"Feng Qianhua patted Aunt Zhang's hand. "That's for your retirement. This bracelet is for you to keep up appearances. When I marry into the Lin family in the future, your good days will still be ahead!" "

Aunt Zhang nodded emotionally and wiped away her tears.

“At this moment, Old Lady Lin’s voice came from the inner room. “Qianhua is here?” ”

“Aunt Zhang immediately returned to her normal expression and walked in with a thermal box. “Old Lady, Miss Qianhua is here to bring you soup.” ”

“Aunt Lin.”

Feng Qianhua followed behind and walked in.

“When Old Lady Lin saw Feng Qianhua, she suddenly felt very guilty and felt very sorry for Feng Qianhua. ”

Feng Qianhua had waited for Lin Jin city for nineteen years and served her for nineteen years.

“But until now, she had not fulfilled Feng Qianhua’s wish to marry Lin Jin city. ”

It was also because Feng Qianhua was kind-hearted.

“If it were anyone else, they might not be able to be as filial as Feng Qianhua for more than ten years. ”

Old Mrs. Lin wished that Feng Qianhua would immediately change the way she addressed her.

“As she thought about it, old Mrs. Lin’s eyes became a little moist. ”

““Aunt Lin, what’s Wrong?” ”

“Old Mrs. Lin said in a raspy voice, “Qianhua, it’s our Lin family that has let you down...” ”

“Feng Qianhua was shocked and quickly took a tissue to wipe old Mrs. Lin’s tears. “Aunt Lin, what are you talking about! When has the Lin family let me down?” ”

“Old Mrs. Lin said, “Qianhua, you’re a good child. I know it all. I know it all! Don’t worry, I’ll definitely think of a way to get you to marry into our Lin family as soon as possible.” ”

Definitely!

“Hearing this, Feng Qianhua blushed. “Aunt Lin, I’m actually very satisfied with the current situation. It’s good to just look at brother Jin Cheng like this. I don’t have to marry him.” ”

Old Madam Lin held Feng Qianhua’s hand tightly. “That won’t do! I Can’t let you wait for nothing for your whole life.”

“Feng Qianhua suddenly sighed. “Speaking of waiting for nothing, Sister Ye Shu has also waited for Brother Jin Cheng for nothing for her whole life. I heard that she’s still alone up until now.” ”

“Ptui!”At the mention of Ye Shu, Old Madam Lin’s face was filled with disgust. “That promiscuous B \* tch, she’s such a Prude! She gave birth to an unknown bastard and still wants to pretend to be affectionate in front of me!” ”

“Every time ye Shu’s name was mentioned, Old Madam Lin would lose control of her emotions. ”

“If it weren’t for that B \* Tch Ye Shu, the Ye family wouldn’t have become like this at all. ”

“Feng Qianhua defended ye Shu. “Aunt Lin, don’t talk about sister ye Shu like that. After all, there are many accidents in this world. Perhaps she was forced to destroy that child?” ”

“Old Madam Lin looked at Feng Qianhua, “Qianhua, I know that you’re kind-hearted and don’t want to think so badly of others. But that Fickle B \* Tch isn’t worth you defending her! “Back then, I knew that she wasn’t the daughter of a good family just by looking at her vixen face!” ”

Feng Qianhua sighed again. "But sister Ye Shu is Ah Ze's biological mother after all."

This was also the only knot in Old Mrs. Lin's heart that couldn't be untied.

"Sometimes, Old Mrs. Lin even thought that it would be great if Lin Ze had crawled out from Feng Qianhua's stomach."

Unfortunately...

Things did not go as planned.

"Madam Lin said angrily, "That B \* Tch is not qualified to be Ah Ze's mother! She is not worthy!" "

"A sinister light flashed across Feng Qianhua's eyes. It seemed that ye Shu's affair had left a deep scar in Madam Lin's heart. "Aunt Lin, don't be angry. I brought you some health-preserving soup. Let's Drink the soup first." "

"When she heard the words 'health-preserving soup', the anger in Old Lady Lin's heart dissipated a little, and a look of desire appeared in her eyes. "

It was like walking in the desert and suddenly seeing a pool of spring water.

It was a desire that came from deep within her bones.

...

Yun Jing.

"Although Cen Shaoqing had long prepared everything and had also looked up a lot of tips on confessing on the Internet, he still did not have the confidence to confess "

He was afraid of being rejected.

Ye Zhuo was so outstanding that he was even more worried that she would look down on him.

“But if he still did not confess, what if Song Shi beat him to it?”

“Moreover, the day of school was getting closer and closer. When Ye Zhuo started school, he was afraid that he would not have so much time left.”

“Cen Shaoqing held the Buddhist beads in one hand. From the way he looked, it was obvious that he was deep in thought.”

Chapter 423: 120: We're together! 5

“At this moment, Ye Zhuo was sitting opposite him and eating a steak.”

Ye Zhuo was really speechless.

“Recently, Cen Shaoqing didn't know what was wrong with him, but he always liked to disagree with her.”

He even liked to give her food that she didn't like to eat.

He took her to watch retarded movies that she didn't like at all.

“If it were not for the fact that Cen Shaoqing had such a cute grandmother, Ye Zao would have fallen out with him a long time ago.”

“After a while, ye Zao put down his knife and fork and looked at Cen Shaoqing. “I say, have you been acting a little abnormal recently?” ”

Cen Shaoqing was stunned.

Could it be that ye Zao had seen through it?

“Since the arrow was already on the bow, he had no choice but to shoot it. ”

“Cen Shaoqing put down the Buddhist beads and looked up at Ye Zao. His thin lips parted slightly. “Ye Zao, do you know what White Moonlight Means?” ”

Ye Zao nodded slightly. “Of course I do.”

““In the past, I didn’t know what white moonlight means, but now I seem to know.” ”

His gaze was very passionate and deep. Her figure was reflected in his eyes.

“For some reason, Big Brother Ye, who had never been afraid of anyone, was a little nervous at this moment. ”

But he was more curious and had a hint of inexplicable emotions.

“From what Cen Shaoqing said, he had someone he liked? ”

Who Was It?

What kind of girl could catch Cen Shaoqing’s Eye?

“Do you have a white moonlight in your heart?”Ye Zhuo asked.

“Yes.”Cen Shaoqing nodded slightly and answered with certainty.

So there really was.

Ye Zhuo suddenly felt a little depressed.

“But aren’t you a monk?”

“I’m not a monk.”Cen Shaoqing stretched out his long arm and directly took the half-eaten steak in front of ye Zhuo’s table. He cut a small piece and put it into his mouth. Then he poured a glass of wine. “I eat meat and drink wine.”

Ye Zhuo was stunned.

“She didn’t expect that one day, Cen Shaoqing would break his vow for a girl. ”

“”So, who is your Bai Yueguang?”Ye Zhuo was too curious. ”

Who was that girl.

“Cen Shaoqing looked at her like this. After a long while, he said one word from his thin lips, “You.” ”

“Bang, Bang, Bang — ”

“After saying this word, Cen Shaoqing still looked calm on the surface, but in his heart, he was as flustered as a dog. It was as if his heart could jump out of his chest at any moment. ”

Everything around him seemed to have been pressed on the mute button.

Everything turned into nothingness.

“In front of him, there was only her left. ”

“At this moment, Ye Zhuo was also stunned. ”

What did Cen Shaoqing say just now?

Was this an illusion?

Yes!

It must be an illusion.

Ye Zhuo habitually brushed the black hair by his ear behind his ear. “What did you say just now?”

“Cen Shaoqing simply did not feel nervous anymore. He locked his gaze on ye Zhuo and said word by word, “I said that my white moonlight is you. Ye Zhuo, you didn’t hear wrongly. I’m confessing to you.” ”

Confessing.

It was not the first time ye Zhuo had been confessed to.

But it was the first time he was so nervous.

“Yes, very nervous. ”

His heart was in a mess.

“She did not expect Cen Shaoqing’s white moonlight to be her. She did not expect that Cen Shaoqing, the monk, would confess to her. ”

“The strange thing was that when she found out that Cen Shaoqing’s white moonlight was her, the inexplicable depression in her heart actually disappeared. ”

She thought that she probably did not hate Cen Shaoqing.

“In fact, she even had a good impression of him. ”

How should she respond to him?

“Cen Shaoqing continued, “Ye Zhuo, I don’t have any romantic experience, other than having a fictitious engagement with Mu Yourong. “After that, I’m a person who isn’t good at expressing myself, and I wouldn’t say any touching words of love. This is also the first time I’ve done something like confessing, and also the first time I like someone so much. “Before I met you, I was already prepared to become a monk.” ”

“In the past, CEN Shaoqing felt that life was very boring. ”

It was even more boring to marry and have children.

“But now, he really wanted to be with ye Zhuo and have many, many children that belonged to them. ”

“Seeing that ye Zhuo did not speak for a long time, Cen Shaoqing said, “Ye Zhuo, do you mind my age?” ”

Ye Zhuo tried his best to look as normal as possible.”... you do seem a little old.”

“If Cen Shaoqing did not say anything, Ye Zhuo would have even forgotten that this man in front of him was eleven years older than him. ”

It was said that there was a generation gap at three years old.

Eleven years old was almost three generations apart!

“Cen Shaoqing, who was overly nervous, was no longer nervous at this time, he said very calmly, “There are benefits to being older. Although I’m eleven years older than you, isn’t there a popular saying on the internet right now? Uncle has three good things. He loves his wife like his life, dotes on her like a treasure, and commands his wife like a mountain.” ”

“His voice was originally low and magnetic with a faint huskiness. At this moment, he deliberately lowered it, especially when accompanied by these words. It was so low that it couldn’t be any lower.”

“Chapter 424: 120: Xi Da Pu Ben, Five Ye Confession Big Burning, together! Six”

The roots of the burning leaves were a little red.

“Before she met Cen Shaoqing, including in her previous life, she had never considered falling in love.”

And now I can’t Say No.

Maybe.

She could try love.

“Ye Zhuo, stay with me. From now on, you will be my leader. Our Cen family will be under the leadership of the leadership. All assets under my name will be under the leadership of the leadership. Together with myself, I will be under the leadership of you.” ”

“Ye Zhuo looked up at Cen Shaoqing and enunciated each word clearly. “Then, I officially announce that Mr. Cen Shaoqing has entered the internship period.” ”

“Really?”Cen Wu Ye, who was calm and composed a second ago, suddenly became ecstatic. His eyes were filled with light. ”

He promised him!

Ye Zhuo promised him!

Cen Shaoqing felt that he had never been so happy before.

His heart was filled at this moment.

Even if it was just entering the internship period.

“Ye Zhuo nodded slightly. “Don’t be happy too early. If the internship period doesn’t pass, we will still return to the same path!” ”

“I guarantee that the leader will be satisfied.”Cen Shaoqing stood up and gave a very standard salute.

“After all, he was someone who had lived in the Middle East. Although he had been a vegetarian all these years, he still carried a bit of blood in him. ”

“Ye Zao tapped the table with his fingers. “Now, let me talk about what I’m not satisfied with. Do you know why I only let you enter the internship period?” ”

Cen Shaoqing was stunned.

Was there anything about him that ye Zao was not satisfied with?

“Please instruct me, leader.” ”

“Ye Zao continued, “First of all, when we went shopping last time, the pink dresses that you gave me were really complicated. I clearly said that I didn’t like them and that they didn’t look good, so why do you want me to do whatever I want?” ”

Cen Shaoqing frowned slightly. “You don’t like them?”

“Do you think I’m a Barbie Doll?” Ye Zhuo continued, “Besides, when have you ever seen me wear such exaggerated clothes?” ”

Cen Shaoqing was stunned again.

He really didn’t seem to have seen Ye Zhuo wear such clothes before.

“Cen Shaoqing said, “But don’t girls like to speak the truth? If they say that they don’t like them, then they like them. If they say that they don’t want them, then they want...” ”

Ye Zhuo was so angry that he laughed. “Who told you that?”

“Cen Shaoqing told him the truth, “It was Ziteng who told me. The last time at the sweet water shop, you clearly said that you didn’t like to eat sweet potatoes, but I ordered milk, sweet potato, and tapioca. Not only did you eat happily, but you also ordered another serving after you finished eating.” ”

“If it weren’t for the bowl of milk, sweet potato, and tapioca, Cen Shaoqing wouldn’t be so sure that girls liked to speak the truth. ”

“Ye Zhuo took a deep breath and tried his best to calm himself down, “So, that’s why you did so many strange things. You brought me to watch movies that I don’t like, you treated me to milk tea that I don’t like, you bought things that I don’t like, and you gave me food that I don’t like to eat?” ”

“You don’t like all of these?” Cen Shaoqing frowned.

“Ye Zhuo nodded and said very seriously, “Yes! I don’t like all of them!” ”

“Then what’s with the milk and sweet potato sago?”

“Ye Zhuo explained, “The milk and sweet potato sago is because I ate a very disgusting type of sweet potato when I was young. Therefore, in my subconscious mind, sweet potatoes are a very scary food. “But I didn’t expect that yesterday’s sweet water shop could make sweet potatoes taste so delicious.” ”

“So, it’s just a coincidence? ”

Shum Siu Ching was stunned.

“Ye Zhuo continued: “To say the truth is to divide people, some girls are more shy, occasionally more like to say the truth, but this is only in a few cases.”. Moreover, the truth is that there is no distinction between men and women, my head teacher is a typical like the truth to say the person. However, most people don’t have the habit of saying the opposite! Therefore, Mr. Cen Shaoqing, please be more normal in the future. Otherwise, you will never pass the internship.” ”

Cen Shaoqing’s breathing stopped.

Dog He ziteng!

I was almost killed by him!

“If it wasn’t for he ziteng, he might not even need to enter the internship and directly become a full-time student. ”

This dog!

It was really too much of a delay!

“On the other side, he ziteng sneezed inexplicably.”

“He ziteng scratched his head and said with a puzzled look, “Did someone miss me?” ”

“Cen Shaoqing looked at ye Zao and opened his thin lips slightly. He said very seriously, “Leader, don’t worry. I will definitely change.” ”

Ye Zao nodded in satisfaction.

“Cen Shaoqing continued to ask, “So, is there a deadline for the internship period?” ”

“Ye Zhuo thought for a moment, “I haven’t decided yet. It depends on my mood.” ”

Cen Shaoqing only wanted to kill the dog now!

“Over there, he ziteng sneezed again.”

Chapter 425: 120: We’re so happy that we’re together! 7

He was very confused.

What Happened Tonight?

Why did so many people miss him?

Cen Shaoqing looked at Ye Zao. "Then can I call you Zao Zao during my internship?"

"Yes." Ye Zao nodded slightly.

"Then if I perform well, can I end my internship early?" Cen Shaoqing continued to ask. "

Ye Zao continued to nod.

"At this moment, Cen Shaoqing seemed to have suddenly remembered something. "Oh Right, Zao Zao, I also prepared a gift for you." "

"What Gift?" Ye Zao raised his eyebrows slightly.

"Come with me." Cen Shaoqing very naturally reached out his hand that was holding the Buddha beads to ye Zao.

Ye Zao did not hesitate and handed over his hand.

Since she had already decided to be together with Cen Shaoqing.

Then she had to experience the feeling of being in love.

"His palm was very big and his knuckles were long and slender, completely wrapping her hand in his palm. Long beads and tassels poured out from their tightly clenched hands. "

This was the first time Cen Shaoqing held a girl's hand.

It was very soft.

It was as if there were no bones.

Was it not the first time for ye Zhuo?

She could even feel a layer of calluses on the pulp of Cen Shaoqing's fingers.

This was a sign that he often exercised and held a gun.

"The two of them walked on the bustling street. The beautiful neon lights pulled each other's figures very, very long."

"Cen Shaoqing led ye Zao all the way to the front of a beautifully decorated shop. "Zao Zao, look." "

Ye Zao looked up.

"At this moment, the red cloth hanging on the plaque in the middle of the shop also fell down. "

On the dark plaque were five big words.

Qing Zao Dessert.

"You own this shop?"Ye Zao tilted his head and looked at Cen Shaoqing.

"Cen Shaoqing held her hand tightly, afraid that she would leave him in the next second. "The supreme leader is you." "

"Do you like it?"Cen Shaoqing asked again.

"It's not bad,"ye Zhuo answered. "

“CEN Shaoqing continued, “Can I get extra points?” ”

“”Then I’ll add 0.5 points,”ye Zhuo said. ”

“Then what’s the full score?”

“100 points.”

“Cen Shaoqing felt that he had seen hope. “Then does that mean that if I add 100 points, I can become an official?” ”

Ye Zhuo nodded slightly. “You’re a promising child.”

“Then follow me. I still have something to give you.”

“Cen Shaoqing brought ye Zhuo to the front of the car. “Leader, close your eyes first. I have a surprise for you.” ”

Ye Zhuo closed his eyes.

He was thinking about those romantic confession scenes in idol dramas.

It was so romantic that his heart was bubbling.

“Although Cen Shaoqing looked like a monk, he really did have the same sense of ritual that he should have. ”

“After a while, CEN Shaoqing said, “Leader, you can open your eyes now.” ”

Ye Zao slowly opened his eyes and saw Cen Shaoqing holding a black box in his hand. He looked like he was asking the leader to inspect it. Ye Zao reached out to open the box and saw a row of exquisite lipstick inside.

Ye Zao had liked it initially.

Until ye Zao saw the color number of the lipstick.

It was all in one color —

Death Barbie Powder!

“At this moment, ye Zao only wanted to apply all of the lipstick on Cen Shaoqing’s face.”

“Seeing that ye Zao’s expression was not right, cen Shaoqing asked carefully, “Is there anything wrong?” ”

““There’s nothing wrong! Cen Shaoqing, have you been kicked in the head by a donkey? Why are they all in Pink? First, it’s the Pink Barbie dress, and now it’s the death Barbie Powder. Are you deliberately trying to anger me? Now, I announce that the 0.5 points I just added are gone! Not only is it gone, but I’m also going to deduct 10 points! After deducting 100 points, just wait to see how happy each of you will be!” ”

Cen Shaoqing held the lipstick box. He was originally expecting ye Zao to praise him and give him extra points.

“Unexpectedly, not only did he not get extra points, but he was also deducted 10 points! ”

Dog He ziteng!

He was dead for sure!

“On the other side, he ziteng sneezed again. He did not understand why all these people were thinking about him that night.”

Cen Shaoqing gloomily threw the death Barbie powder into the trash can and then seriously apologized to ye Zao.

“After sending ye Zao back, Cen Shaoqing did not go straight home. Instead, he went to he ziteng’s place.”

““Fifth brother, why are you here?”He ziteng was a little surprised to see Cen Shaoqing.”

“Cen Shaoqing was a person who worked and slept regularly. Usually, at this time, he would have already fallen asleep.”

Cen Shaoqing’s expression remained the same. “I came to tell you that ye Zao has already agreed to my pursuit.”

“Really?”He ziteng was unusually excited. “Does that mean that my idol is about to become my fifth sister-in-law?”

“Cen Shaoqing nodded slightly. “Speaking of this, I have to thank you. If it weren’t for you making a move for me and telling me that girls like to speak the truth, I wouldn’t have been able to woo your fifth sister-in-law so quickly.” ”

“He ziteng said smugly, “Fifth brother, I’ve already said it before. I’m very powerful! Once I make a move, you’ll know if it’s true or not!” ”

“Cen Shaoqing patted he ziteng on the shoulder. With a pat, he ziteng became shorter until he ziteng was completely sitting on the ground.”

““Yes, you’re very powerful! “So, if you meet a girl you like in the future, you must remember to talk about this matter in the proper way. Also, girls especially like pink, especially pink lipstick! “If you give your future partner a pile of pink lipstick, she will definitely be moved to marry you in the same place!” ”

“Hearing this, he ziteng immediately got up from the ground and said excitedly, “Fifth brother, really?” ”

Cen Shaoqing nodded slightly. “Practice makes perfect. Your fifth sister-in-law and I are good examples.”

““Okay, fifth brother, I got it!” He was so smart, and with Cen Shaoqing as an example, his future path of chasing a wife would definitely be smoother than Cen Shaoqing’s. At this moment, he ziteng was full of confidence in himself. ”

...

The next morning.

It was getting closer and closer to the start of school.

“Recently, Ye Sen had been planning to move the company’s headquarters to Beijing. ”

Ye Shu was also planning to open a branch shop in Beijing.

Both of them were busy with all kinds of procedures.

“Because of Cen Shaoqing’s confession last night, Ye Zhuo could not sleep all night. He did not fall asleep until three o’clock in the morning and had not woken up yet. ”

At the Cen family’s dining table.

“Seeing that there were only three days left until school started, Old Mrs. Cen was also anxious. ”

“Halfway through breakfast, she put down her chopsticks and looked at Zhou Xiang. “Xiangxiang, why isn’t Ze Yan here today?” ”

“Zhou Xiang immediately understood. “Mom, is there something you need from Ze Yan?” ”

“Old Mrs. Cen said angrily, “Yezi is such a good and outstanding granddaughter-in-law. Some pig’s feet don’t know how to cherish it, so I can only give up my love and continue to Matchmake Yezi and Ze Yan!” ”

“Cen Shaoqing, who was touched by the connotation, raised his eyes slightly and opened his thin lips slightly. “Grandma, we are already together, so you don’t have to think about poaching other people all day long.” ”

“Chapter 426: 121: by chance, the brother and sister are both from Beijing University. Feng Qianhua’s fear, ye Shu finding her biological daughter! 1”

Already together?

“This isn’t an illusion, right? ”

The thousand-year-old monk has finally opened his eyes!

“As soon as these words were said, the air immediately fell silent. ”

Old Mrs. Cen and Zhou Xiang stared at each other. They could see the shock and excitement in each other’s eyes.

“Old Mrs. Cen was the first to react. She immediately threw away her chopsticks and walked to Cen Shaoqing’s side. She held Cen Shaoqing’s face with both hands and her face was filled with a kind smile, “Aiyo! My dear eldest grandson, did grandma hear wrongly? Did you really trick my dear granddaughter-in-law into your hands?” ”

Kiss my eldest grandson?

Cen Shaoqing raised his eyebrows slightly.

He suspected that there was something wrong with his ears.

“After all, before this, old Mrs. Cen had always called him ‘Smelly Kid’, ‘Big Pig Trotter’, and ‘sand sculpture toy’... ”

When had she ever treated him so well?

“Cen Shaoqing picked up the Buddha Pearl and said in a low voice, “Correction, it’s a chase, not a scam.” ”

“Old Mrs. Cen was so happy that she could not even see her eyes. “Yes, yes, yes, it’s not a scam! It’s a chase. Aiyo, my eldest grandson has finally understood. He could actually trick such a beautiful leaf.” ”

“Although Old Mrs. Cen was already mentally prepared that ye Zao would be her biological granddaughter-in-law, when Cen Shaoqing really managed to woo Ye Zao, she was still extremely excited! ”

That was ye Zao.

“In old Mrs. Cen’s eyes, Ye Zao was omnipotent. ”

The most beautiful ye Zao in the universe!

Cen Shaoqing:” ...”

“Zhou Xiang still felt that all of this was a little unbelievable. He turned around and looked at Cen Shaoqing. “Shaoqing, you’re not fooling around with your grandmother and me, are you?” ”

Cen Shaoqing had been single for thirty-one years.

He had been a vegetarian for more than ten years.

Zhou Xiang had once thought that he would be a bachelor for the rest of his life.

Did he manage to woo her just like that?

“That shouldn’t be possible, right? ”

Cen Shaoqing raised his eyes slightly. “I’m not fooling around with you.”

Holy shit!

It was true!

“Zhou Xiang said in surprise, “Does that mean that searing hot is going to become my daughter-in-law soon? No, I have to immediately video chat with the eldest, second, third, and fourth brothers and tell them the good news!” ”

““Don’t be anxious,”Cen Shaoqing said slowly. ”

“What’s Wrong?”Zhou Xiang happened to take out his phone.

Cen Shaoqing ate a mouthful of green vegetables. “I’m still in my internship period.”He was even more afraid that his passionate sisters would scare ye Zao.

“Especially his second sister, Cen Yueya. ”

She was practically the second old lady cen.

Internship period?

Old Lady Cen and Zhou Xiang were both stunned.

“Old Lady Cen frowned. “You’re a sand sculpture! You’re nothing! I thought I had already gotten Yezi, but after all this time, you’re just an intern!” ”

“Cen Shaoqing:”...”one second ago, he was kissing his eldest grandson, and the next, he was a sand sculpture. ”

“Heh, a woman. ”

“Zhou xiang smiled and said, “With Shaoqing’s blockhead, it’s already not bad if he can become an intern! An intern at least has the chance to become a full-time employee, but a normal friend doesn’t even have the chance to become a full-time employee.” ”

“Being comforted by Zhou Xiang, old Mrs. Cen’s mood was much better, she smiled and said, “That’s true. My granddaughter-in-law is so well-off. She’s beautiful, has a small waist, and has long legs. She should give this brat a taste of his own medicine! Let him know what it means to be arrogant for a moment and then chase his wife to the crematorium! I remember that some people used to swear that they would never get married!” ”

“At the end of her speech, old Mrs. Cen imitated the old Cen Shaoqing and said his classic words. ”

“”Mom, Grandma, do you think that the meaning of life is to marry and have children, then marry and have children, and so on until the end of Life?” ”

Zhou Xiang was amused by Old Mrs. Cen’s lively performance and burst into laughter. She could not even straighten her back.

“Cen Shaoqing ate the vegetables as if nothing had happened. His eyes and brows remained the same, as if he hadn’t seen anything. ”

“After a while, he put down his chopsticks. “Grandma, Mom, I’m done eating. I’m going to the office first.” ”

“”Stop right there, you little brat!” ”

Cen Shaoqing stopped in his tracks and looked back slightly. The sunlight shone in through the window and just happened to pass by his facial features.

Old Mrs. Cen was stunned.

She suddenly realized that this little brat of hers looked quite decent. No wonder he could become an intern.

“Do you still have something on?”Cen Shaoqing’s thin lips opened slightly.

“Only then did old Mrs. Cen React. She picked up the small stool at the side and walked to Cen Shaoqing’s side. Without saying a word, she stood on the small stool and reached out to Pat Cen Shaoqing’s shoulder, “I want to know now, does the face of some unmarried people hurt?” ”

“Chapter 427: 121: by chance, the brother and sister were both from Beijing University. Feng Qianhua’s fear that ye Shu had found his biological daughter! 2”

Cen Shaoqing:” ...”painful.

He was used to standing at a high place and was even more used to strategizing. Everything was in his hands.

He never felt that his life plan would be interrupted by someone.

“Therefore, he did not care about the law of true fragrance.”

“He did not expect that in the end, he would still bend his back for someone.”

“A beauty’s bed, a hero’s tomb.”

This sentence was absolutely correct.

“Seeing that Cen Shaoqing had not said a word, old Mrs. Cen became even more proud. She stood on the small stool and even crossed her legs.”

“Because she was too proud, she did not expect that Cen Shaoqing, who had an unstable center of gravity, would almost fall down. Cen Shaoqing was quick-witted and pulled old Mrs. Cen’s arm without any resentment, “Be careful. I’ll help you down. It’s cold at the top, so it’s best to be grounded.” ”

“”Brat, are you finding me short?” ”

Cen Shaoqing opened his thin lips slightly. “You said it yourself.”

“The old lady directly gave Cen Shaoqing a crutch, “Don’t look down on your grandmother. I’m a little short now. When I was young, I was a great beauty whose name shook Jiangnan! Many people cried and shouted that they wanted to marry me! Those who chased me hand in hand could circle the earth ten times! “Back then, if it wasn’t for your grandfather’s flowery words that deceived me, do you think I would have followed him?” ”

“Recalling the past, old Mrs. Cen raised her chin proudly.”

“It was the first time Zhou Xiang heard Old Mrs. Cen talk about the past. With a curious face, she said, “Mom! Really?” ”

“Then how could it be fake?” Old Mrs. Cen raised her chin even higher.

After Cen Shaoqing went to the company.

Zhou Xiang also began to discuss with old Mrs. Cen about returning to Beijing.

...

On the other side.

The song family.

Song Shiyu was sitting in the study. His assistant was standing in front of the desk reporting to him about his work.

“After reporting about his work, his assistant looked up at song Shiyu and said, “Boss, Miss Ye and Cen Fifth Master are together.” ”

Together?

Was it the one that he understood?

Song Shiyu’s face turned dark in an instant. “When did this happen?”

“The assistant mustered up his courage and said, “Last Night.” ”

The air became very oppressive in that instant.

“Just as the assistant thought that song Shiyu was about to lose his temper, song Shiyu suddenly looked up and said, “You can go out.” ”

“As if he had been granted amnesty, his assistant immediately walked out of the door.”

“Song Shiyu pulled open the drawer, took out a milk candy, and opened the candy wrapper.”

It was not until the sweet taste of the milk candy spread on the tip of his tongue that the hostility in his eyes dissipated a little.

“Song Shiyu leaned back in his chair and looked at the ceiling, his eyes so dark that they could not see the bottom.”

““Little brother, don’t be afraid. I’m here with you.” ”

““Little brother, does it hurt? Just Bite Me and it won’t hurt anymore.” ”

The young man curled up in the corner opened his mouth and bit the girl’s arm.

He had thought that he would hear the girl’s cry.

But he did not.

“Not only did she not cry, but she revealed a row of white teeth. She smiled at him and said, “Little brother, it doesn’t hurt at all.” ”

“In the darkness, that smile was like the brightest sunshine, dispelling the haze in his heart.”

“From then on, Song Shiyu made up his mind that he would spend his whole life to protect this smile.”

Song Shiyu’s eyes replayed the encounter that day at the Dragon King’s Temple Mountain.

On the first day of the New Year.

He had a sudden idea. He dismissed his bodyguards and assistants and walked up the mountain alone.

“At the Temple Fair, he saw a different side of her. ”

“Among the crowd, he saw her at a glance. ”

She was very confident.

She was also very flamboyant.

Her whole body exuded a unique charm.

“When he was going down the mountain, his low blood sugar suddenly flared up. If she hadn’t helped him in time, the consequences would have been unimaginable. ”

“Then, she handed him a big white rabbit. ”

“In the past, he had never eaten sugar. ”

It was also this piece of candy that completely opened the door to his memories.

“Later on, in order to confirm that she was her, he did not hesitate to use old madam song’s illness to trick her into coming to the song family. ”

As expected.

Just as he thought.

She was her!

“At this moment, there was a knock on the door.”

Song Shiyu did not answer.

““Shiyu, it’s me,”sister Hong’s voice sounded from outside the door.”

“Come in.”

Sister Hong came in from outside the door.

“Sister Hong was Old Madam Song’s personal assistant when she was alive. She had followed Old Madam Song for more than ten years, and Old Madam song treated sister Hong Like family. Therefore, song Shiyu respected sister Hong very much.”

“Sister Hong was nearly forty-five years old, but she maintained her appearance very well. There were almost no traces of age on her face.”

“Sit.”

Song Shiyu pointed at the chair and said.

“Sister Hong did not sit down immediately. Instead, she pulled open the curtains and said, “The weather outside is very good. You should open the window to get some fresh air.” ”

“Chapter 428: 121: I ran into them. Both brother and sister are from Beijing University. Feng Qianhua’s fear, Ye Shu’s search for her biological daughter! 3”

“Song Shiyu did not stop sister Hong, but he did not say anything either.”

Sister Hong opened the window.

A gentle breeze blew in from the outside.

“Because it had just rained, the smell was particularly pleasant.”

“Sister Hong smiled and said, “Shiyu, I remember that you loved this kind of weather when you were young.” ”

When he was young?

Song Shiyu’s gaze was a little distant.

“When he was young, other than the pitch-black space and the crisp voice of his little brother, he had no other memories.”

The dark night was like a dense and strong net.

It trapped him firmly inside.

“Thinking of this, song Shiyu opened another candy.”

“Sister Hong’s gaze fell on the candy. “Shiyu, when old madam left, you were the one she was worried about the most. She hoped that there was someone who could accompany you down the road.” ”

““Other than myself,” song Shiyu’s lips curled into a self-deprecating smile. “No one can accompany me on my journey.” ”

“Sister Hong said, “I know that Miss Ye is different to you. If I’m not wrong, Miss Ye should be the person you’ve been looking for all this while, right?” ”

Song Shiyu did not deny or say anything.

“Sister Hong continued, “Shiyu, I can see from your eyes that you have Miss Ye in your heart. You like her, right? Since you like her, why don’t you fight for her?” ”

“Do you think I have the qualifications?” Song Shiyu turned to look at sister Hong. His deep eyes were like a bottomless well. “Am I worthy of her?”

He was an unpardonable person.

His hands were stained with sin and evil.

His entire body was covered in blood.

“As for her, she was as pure as a piece of jade. ”

There wasn’t a single trace of impurity.

The two of them were two extreme existences to begin with.

So what if they liked each other?

“He was in a boundless hell, so why would he drag her down as well? ”

Sister Hong was stunned.

The song Shiyu she knew was not like this.

“Song Shiyu was selfish. As long as he could achieve his goal, he would do anything.”

“Even if it was his biological father, he would not show any mercy.”

But now...

“Facing Ye Zhuo, song Shiyu was timid.”

He was so humble that he was reduced to dust.

This was too unlike song Shiyu.

““Shiyu, how can you think like that? As long as you can make changes for Miss Ye, you can be worthy of Miss Ye.” ”

Song Shiyu shook his head. “The best thing I can give her now is protection.”

Sister Hong sighed.

“If song Shiyu’s father had been half as infatuated as song Shiyu, nothing would have happened later.”

““What about Miss Chen?”Sister Hong continued, “Miss Chen has been waiting for you for ten years.” ”

““Did I ask her to wait?”At the mention of Chen Siyan, song Shiyu’s expression returned to normal. “I’ve already told her everything I need to say.” ”

Sister Hong sighed again.

It seemed that Chen Siyan's love was destined to never blossom and bear fruit.

Song Shiyu suddenly looked up at sister Hong. "I want to drink brown sugar ginger water. Could you please make me a Cup?"

Brown sugar ginger water?

"Sister Hong was stunned. "Shiyu, are you not feeling well?" "

"Song Shiyu shook his head. "No, I just want to drink it." "

"Okay." Sister Hong went downstairs to boil ginger water for song Shiyu.

"When she went downstairs, she bumped into Chen Siyan. "

"Sister Hong."

"Miss Chen." Sister Hong smiled at Chen Siyan.

"Chen Siyan said, "Sister Hong, how many times have I told you? There's no need to be so polite with me. Just call me by my name." "

"Sister Hong maintained her smile. "No matter what, we can't lose etiquette." "

Chen Siyan was not a fool.

"Of course, she knew that etiquette was only important to outsiders. "

“To the people of the song family, she was an outsider. ”

...

Ye Zhuo did not get up until noon.

“Just as he got up, he received a wechat message from CEN Shaoqing. [ leader, do you want to have dinner together tonight? ] ”

“Cen Shaoqing not only addressed ye Zhuo as leader, he even changed the comment on wechat to ‘leader’ ”

Ye Zhuo replied: [ Okay. ]

[ what time do you want to meet? ] Cen Shaoqing replied instantly.

Ye Zao Thought for a moment. [ the weather is too hot. Let’s go a little later. ]

[7:30? ]

Ye Zao got out of bed and replied on wechat: [ Okay. ]

“After washing up, he went into the living room. Ye Zao actually saw Ye Sen and Ye Shu at home. “Mom, Uncle, why didn’t you go to the office?” ”

“Ye Shu said, “Your uncle and I are flying to Beijing in the afternoon.” ”

The afternoon flight?

Ye Zao was stunned. “Why is it so Sudden?”

“Ye Sen explained, “All the procedures have been completed. We have to go to Beijing in advance to take care of the other things. Why Don’t you come with us, Zao Zao? School will start in a few days anyway.” ”

“Chapter 429: 121: if I bump into them, they are both from Beijing University. Feng Qianhua’s fear, ye Shu found his biological daughter! 4”

Ye Shu had the same intention.

“”No, no, Lizi, Pingting, and I have an appointment to leave together. Uncle, you and my mom can go first.”An Lizi and Zhao Pingting filled in Qinghua University and Beijing Normal University respectively. ”

“Although they were not in the same school, they were not too far away. Besides Zhao Pingting, Qinghua University was next door to Beijing University. ”

“Therefore, the three of them had already made an appointment to go to Beijing together. ”

“Ye Shu asked worriedly, “Then can you stay at home alone?” ”

“Ye Zhuo smiled and said, “Are you still worried about me? Anyway, it’s only three days. I’ll go to Beijing to look for you in three days.” ”

Ye Shu nodded.

“After lunch, Ye Zhuo sent ye Shu and ye Sen to the airport. ”

It was already past two in the afternoon when they returned from the airport.

“When they reached home, Ye Zhuo began to plan for the online celebrity agency. ”

The plan was quickly customized.

They were not short of money.

All they needed now was a manager.

“Therefore, Ye Zhuo began to post the recruitment information online. ”

“After completing this series of tasks, Ye Zhuo took out the design drafts, revised them, and made a final trip to ZY technology. Ye Zhuo went straight to Zhao Yang’s office. ”

Zhao Yang personally poured a glass of water for ye Zhuo.

Ye Zhuo took out a stack of design drafts and placed them on the table. “This is the latest autumn and winter collection. The eye-catching series is a limited edition.”

“How many pieces are limited?”Zhao Yang asked.

“Ye Zhuo said, “500 pieces.” ”

Zhao Yang was stunned. “Only 500 pieces?”

“Although 500 pieces were not a small number, ZY was now a listed company, and all the new products were sold globally. ”

This was only 500 pieces.

How many seconds would it take to snatch them?

It would probably take another second!

“Ye Zhuo crossed his legs, picked up the cup, and took a sip of tea. “Isn’t there a saying that says, ‘it’s better to have a lack than to have a lack’? But in the business world, this is called hunger marketing.” ”

“Zhao Yang had learned this from the start, so he naturally understood. “Is the price the same as before?” ”

“Ye Zhuo nodded slightly. “Other than this eye-catching item, the other prices are the same.” ”

“Understood.”

“Ye Zhuo continued, “By the way, Brother Zhao, I’ll be leaving Yun Jing for a period of time. I’ll only be back at the end of the year. During this period of time, I’ll leave the company to you. If you have any problems, just contact me on Wechat.” ”

“Where are you going?”Zhao Yang was a little curious.

“After all, after working with Ye Zhuo for so long, Ye Zhuo had never left Yun Jing for a long period of time. ”

““I’m going to the capital to study,”ye Zhuo replied. ”

Zhao yang instantly understood.

Ye Zhuo was really too amazing.

“Although he was only nineteen years old, whether it was his temperament or his mannerisms, he did not seem like a nineteen-year-old child. Therefore, Zhao Yang had almost forgotten that this person was still a student. ”

“Then I wish you a smooth journey.” Zhao yang continued, “Leave the company to me. Don’t worry.” Ye Zhuo nodded slightly. ”

She said a few more things to Zhao Yang before leaving.

“When they passed by the cubicle downstairs, everyone looked up at her with curiosity flashing in their eyes. ”

“It was just this little girl. In just a few minutes, she had solved a problem that more than a dozen people in the program department could not solve. ”

“Miss Ye!”

A short-haired girl mustered up her courage and called out to Ye Zhuo.

“Ye Zhuo looked back slightly, and the corners of her mouth curled up into a smile. “You’re calling for me?” ”

“Yes.” The short-haired girl nodded.

“What’s the matter?” Ye Zhuo asked.

“The short-haired girl continued, “I’ve encountered a little problem here. Can you help me take a look?” The short-haired girl had just come to ZY not long ago, and there would more or less be a phenomenon of bullying in the workplace. ”

“She had consulted many people about the problem she had encountered, but none of them had told her the actual plan. ”

Ye Zhuo nodded slightly and walked over.

“In less than two minutes, ye Zhuo had solved the short-haired girl’s problem and handed her a note. “This is my wechat. You can add it. Next time you encounter any problems, you can directly send me a wechat message.” ”

“The short-haired girl had originally intended to give it a try. She did not expect ye Zhuo not only to respond to her, but also to be so amiable. ”

“After saying this, ye Zhuo continued, “Who is the team leader of Team C?” ”

“Me.” A young woman who looked very capable stood up.

Ye Zhuo nodded slightly. “Allowing the team members to bully the new employees. You Don’t have to come to work tomorrow.”

“Hearing this, the young woman’s face immediately turned pale. ”

She had only been in office for less than three months.

It was said that new officials were always in a hurry. She just wanted to establish some prestige so that everyone could obey her. She did not expect to cause such a big mess.

“Chapter 430: 121: by chance, the brother and sister were both from Beijing University. Feng Qianhua’s fear, ye Shu found her biological daughter! 5”

ZY’s salary and treatment were very good!

“She was also the team leader, a standard white-collar worker. She earned at least 60,000 yuan a month. ”

She did not want to leave Zy.

“The more the young woman thought about it, the more unwilling she became. Although ye Zhuo was capable, she was not from ZY after all. What right did she have to not let her come to work?”

“You’re just a relative of director Zhao’s family. What right do you have to fire me!”

“Zhao Yang’s secretary hurriedly said, “Li Yayue, shut up! Where’s the head of the R & D Department? Hurry up and bring her to the personnel department to handle the resignation procedures!” ”

“As soon as she finished speaking, the entire place fell silent. ”

No one had expected that ye Zao still held real power in his hands.

Who Did she want to fire.

Just one sentence was enough.

And Ye Zao’s act of killing a chicken to warn the monkeys was especially good.

“With this act, who would dare to bully new employees in the future?”

“After ye Zao left, Zhao Yang learned about what happened downstairs and thoroughly reorganized the atmosphere in the cubicle. ”

“For a time, everyone felt insecure. ”

“In the evening, Ye Zao and Cen Shaoqing went out for dinner. ”

This was the first time that Cen Shaoqing went out for dinner with ye Zao after his confession was successful.

He held ye Zao's hand.

"His palm was covered in a layer of cold sweat, and even the tassels on the Buddhist beads were slightly moist."

"Are You Nervous?" Ye Zao looked back at Cen Shaoqing.

Cen Shaoqing was as calm as ever. "No."

"Your hand is sweating."

Cen Shaoqing's expression did not change. "The temperature is high today."

"Ye Zao chuckled. "Stop pretending. Right, what do you want to Eat Tonight?" "

"It's up to you," Cen Shaoqing said. "

Ye Zhuo deliberately teased him. "But I want to eat meat."

"CEN Shaoqing said slowly, "Then I'll follow you as husband and wife." "

His deep voice was a little hoarse and deeply rooted in people's hearts.

Ye Zhuo raised his eyebrows in surprise. "Really?"

"Cen Shaoqing nodded slightly. "Don't forget, I already ate meat last night." "

Yes.

“In order to make ye Zhuo accept him, Cen Shaoqing ate steak and drank wine last night. ”

He broke the rule that he had been following for more than ten years.

“Then let’s eat barbecue tonight.”

“Okay.”Cen Shaoqing uttered a syllable from the depths of his throat.

...

“Because he was about to leave for the capital city, the next day, Ye Zhuo went to Lin Shasha’s house and gave her some revision materials for grade 12. ”

Lin Sha was in a very good condition.

“If things went on like this, the second-tier university would be stable. ”

“With a little effort, it was not impossible to get a first-tier university entrance exam. ”

“In the blink of an eye, it was the third day. ”

Cen Shaoqing sent ye Zao to the airport. “Are you really not coming with us?”

“Ye Zao shook his head. “I’ve already made an appointment with them! If I decide to go with you now, my friends and the others will definitely feel uncomfortable.” ”

Cen Shaoqing nodded slightly.

“At this moment, an lizi dragged her luggage and rushed over. “Sear Sear! Sear Sear!” ”

Ye Zhuo waved at her. “Lizi!”

The two girls hugged each other excitedly.

Cen Shaoqing felt a little uncomfortable watching this scene.

Even though an Lizi was a girl.

“After all, he had not wrapped ye Zhuo up yet. ”

“After the two of them hugged, an Lizi realized that Cen Shaoqing was here. “Mr. Cen is here too?” ”

“Hello.”

“Ye Zao held Cen Shaoqing’s arm and introduced him to an Lizi. “Lizi, Cen Shaoqing is my boyfriend now.” ”

Boyfriend?

Cen Shaoqing was stunned by the sudden happiness!

Ye Zao actually took the initiative to introduce him to her friend!

Did this mean that he occupied a very important position in ye Zao’s Heart?

An Lizi was also stunned!

“From the first time an Lizi saw Cen Shaoqing, she felt that he and ye Zao were a perfect match.”

“But at that time, what did ye Zao Say?”

She said that it was impossible for her to be together with Cen Shaoqing.

She even said that Cen Shaoqing was a monk.

She did not have any thoughts about her.

“She even said that if they were to be together, it would be unless Mars collided with Earth.”

He did not expect that they would collide so quickly!

“Really?” An Lizi was in disbelief.

“Ye Zao nodded with a smile. “Look, I look like I’m joking with you.””

“Realizing that ye Zao was not joking, an lizi quickly said, “Congratulations! I wish you both a long and lasting marriage.””

Cen Shaoqing suddenly felt that an Lizi was a pretty good person.

He could even forgive an Lizi for hugging ye Zao just now.

“After that, an Lizi pulled ye Zao to the side and whispered, “Zao Zao, didn’t you say before that it was impossible for you to be with him? I already said that the two of you were having an affair in secret. See, I Was Right!””

“Ye Zao was a little embarrassed when he recalled what he had said in front of an Lizi. “Actually, I didn’t think that I would be with him.”
