

Almighty D 431

“Chapter 431: 121: by chance, the brother and sister were both from Beijing University. Feng Qianhua’s fear, ye Shu found her biological daughter! 6”

“After all, Cen Shaoqing used to be a monk in her heart. ”

She didn’t know when.

He walked into her heart.

“At this moment, Zhao Pingting also came. ”

“However, Zhao Pingting didn’t come alone. Zhao Yingjun and Tang Jia sent her here. ”

Zhao Yingjun and Tang Jia even brought gifts for ye Zhuo and an Lizi.

Ye Zhuo also introduced Cen Shaoqing to them.

“Just like an Lizi’s reaction, Zhao Pingting could not believe that ye Zhuo actually had a boyfriend. ”

““Zhuozhuo, I have something to tell you.”Cen Shaoqing hooked ye Zhuo’s finger and said in a low voice.
”

Ye Zhuo followed Cen Shaoqing to the side. “What is it?”

“Cen Shaoqing’s thin lips parted slightly. He suppressed the excitement in his heart and enunciated each word clearly. “Just now, you introduced me as your boyfriend in front of your friends. Does this mean that I’ve become a formal official?” ”

“You’re Dreaming.”Ye Zhuo raised his eyebrows slightly. “I was saving face for you in front of outsiders.”

Not becoming a formal official?

Cen Shaoqing felt that he had suffered a serious blow!

“After saying that, Ye Zhuo tiptoed and helped Cen Shaoqing straighten his collar. “If you want to become an official, then perform well. Don’t think about taking shortcuts all day. Where in the world are there so many shortcuts for you to take?” ”

“His jade-like facial features were right in front of him. As long as he stretched out his hand, he would be able to hug her. ”

“In fact, Cen Shaoqing really wanted to do that. ”

But... he did not dare.

“After all, he was just an intern. ”

What if it was too reckless and scared ye Zhuo?

“”Alright, I Won’t talk to you anymore. Time’s up, I’ll leave first.” ”

Cen Shaoqing nodded slightly.

“Ye Zhuo, an Lizi and Zhao Pingting walked into the boarding gate together. ”

Not long after.

A private plane took off from the airport.

“Four and a half hours later, the three of them arrived at Yunjing Airport. ”

“As it was the start of the school season, all the schools arranged buses to pick them up outside the airport. ”

An Lizi and Zhao Pingting followed the buses of all the schools and left.

The three of them made an appointment to meet again after the military training was over.

Ye Zhuo sent a wechat message to tell Cen Shaoqing that he had arrived.

“Cen Shaoqing replied almost instantly, [wait for me for a while, we are almost there.] ”

“In fact, the CEN sisters had already arrived at the airport, but Cen Shaoqing was afraid that the four sisters’ enthusiasm would scare ye Zhuo, so he did not tell them. ”

“My mom and uncle are coming to pick me up. Let’s meet again when I get to school.”

“”Okay, be safe on the way.” ”

“Cen Shaoqing had just replied to wechat when old Mrs. Cen came over and asked, “Is this from my granddaughter-in-law?” ”

“Yes.”Cen Shaoqing nodded slightly.

“My granddaughter-in-law has arrived?”

Cen Shaoqing continued to nod.

“Old Mrs. Cen became anxious when she heard this. “Xiao Li, quickly go and ask the pilot how long it will take to reach the airport! We can’t let Yezi Wait Too Long!” ”

“Cen Shaoqing explained, “Grandma, don’t be anxious. Ye Zhuo’s mother and uncle have already come to pick her up.” ”

“I see...”Old Mrs. Cen sighed in disappointment.

On the other side.

Ye Zao had just walked out of the airport when he saw ye Sen and ye Shu standing there waiting for her.

“”Mom, Uncle!” ”

Ye Zao jogged over.

Ye Sen directly carried her suitcase.

“Ye Shu said, “Zao Zao, you’ve been on the plane for such a long time. Are You Tired?” ”

“No.”

“Then let’s go eat first. We’ll go home after we finish eating.”

“Ye Shu came in a hurry and had too many things on her hands, so she was not in a hurry to buy a house. She got her assistant to rent a house in the city center. ”

“After finding a restaurant and eating, Ye Zhuozhuo returned to his new home. ”

It was a house with three bedrooms and one living room.

“Just like when she was in Yun Jing, there was a small garden in front of it.”

“Ye Zao planned to live like this for the time being. After the military training ended, she would go to see the manors in the wealthy district.”

“The next day, Ye Shu sent ye Zao to school.”

“Ye Zao refused, but ye Shu insisted on sending her. She could not refuse at all.”

“Originally, Ye Sen was going to send her, but because of a temporary situation at the company, he did not go with her.”

Lin Ze and Feng Xianxian also came to the school to report today.

Old Madam Lin asked Feng Qianhua to send Lin Ze and Feng Xianxian to school together.

Coincidentally.

Feng Xianxian and Lin Ze also applied for Beijing University.

“Lin Ze was very disgusted with Feng Qianhua and her mother. “Grandma, I can go to school alone. You Don’t have to send me off.” ”

“Old Madam Lin said, “Your father’s health isn’t good. Today is your first day at university. I have to send you off!” ”

“In fact, Mrs. Lin was worried that Lin Ze had no intention of going to Beijing University.”

“Because in the beginning, Lin Ze had filled in the provinces. ”

“Chapter 432: 121: by chance, both brother and sister are from Beijing University. Feng Qianhua’s fear, ye Shu finds his own daughter! 7”

It was old Mrs. Cen who used her connections to change his choice.

Old Mrs. Lin raised Lin ze single-handedly.

She knew Lin ze too well.

“After the change of choice happened, although Lin Ze didn’t say anything on the surface, it could be seen. ”

He was very angry.

But Old Mrs. Lin wasn’t at ease with Lin Ze going to the provinces.

She was afraid that Lin Ze would secretly go to Yun Jing to look for ye Shu.

“As long as Lin Ze was in the capital, she could know about Lin Ze’s situation anytime and anywhere. ”

“Moreover, Beijing University was a key university in the world. ”

What other school in China could compare to Beijing University?

“Lin Ze held his bag and belt. “If you want to follow me, then follow me. It’s up to you!” ”

He couldn't be angry with old Mrs. Lin right now.

He had to follow her.

"Just then, Aunt Zhang ran in from the door. "Old Lady, Miss Qianhua is here with Xianxian." "

"Old Mrs. Lin turned to look at Lin Ze. "Ah Ze, let's go." "

Feng Qianhua's car was parked outside the manor.

It was a very luxurious nanny van.

"Seeing Old Mrs. Lin come over, Feng Qianhua hurriedly got out of the car to welcome her. "Aunt Lin, quickly get in the car. Ah Ze, you and Xianxian sit in the back." "

Lin Ze got into the backseat.

"When she saw Lin Ze get into the car, Feng Xianxian greeted him gently, "Brother Ah Ze." "

"She had thought that Lin Ze would just ignore her, but who would have thought that Lin Ze would actually acknowledge her. "

Feng Qianhua frowned.

"It was not a good thing for her that Lin Ze suddenly gave her face, because only Lin Ze's rebellious and insensible attitude could accentuate Feng Qianhua's docility. "

"Feng Qianhua smiled and said, "Ah Ze, please take care of your Xianxian Sister in school from now on." "

“Lin Ze turned a page of the book in his hand. “If you’re worried, you can hire a nanny to follow her.” ”

“Ah Ze, you’re the older brother! It’s only right to take care of your sister! How can you say that?” Old Mrs. Lin reprimanded. ”

Lin Ze did not say anything and continued to turn a page.

“However, the air did not return to silence because of this. Feng Qianhua smiled and continued, “Aunt Lin, ah ze did not do it on purpose. Why are you so calculative with a child?” ”

Old Mrs. Lin once again sighed in her heart at Feng Qianhua’s magnanimity.

Lin Ze was really too heartless.

“He did not want such a good stepmother like Feng Qianhua, but he had to find a promiscuous b * tch like Ye Shu. ”

Feng Xianxian took the initiative to tell Old Lady Lin a joke to make her happy.

The car sped along the road.

...

“On the other side, Ye Shu and Ye Zhuo also arrived at Beijing University. ”

There were many seniors and seniors waiting for new students at the school gate.

“Ye Zhuo had experience from his previous life. There was no need for him to go to the reception for new students at all. He directly brought ye Shu to the academic affairs office to report. Then, there were

all kinds of procedures, such as paying tuition fees, medical examinations, and collecting all kinds of information... Finally, he received the key to the dormitory ”

It was already two hours later when he successfully received the key.

Ye Zao brought ye Shu to the dormitory building.

“There were hints along the way, so it wasn’t difficult to find them. ”

Feng Qianhua and old Madam Cen were walking out of the dormitory building with Feng Xianxian.

At this moment.

She suddenly saw a face.

A familiar face.

Who was that?

Ye Shu!

Why would ye Shu appear in the capital?

What the hell was going on?

“Also, who was the girl standing next to Ye Shu? ”

Why did she look so much like ye Shu...

Could it be...

That Was Ye Shu's biological daughter!

An invisible fear immediately enveloped Feng Qianhua.

How could this be?

What the hell was going on?

How did ye Shu find her biological daughter?

"Feng Qianhua's face turned white in an instant. Her hands and feet turned cold, and her footsteps felt weak."

"Feng Qianqian saw that Feng Qianhua's expression was not right, so she slowed down and asked in a low voice, "Mom, What's Wrong?" "

"Feng Qianhua held Feng Qianqian's hand tightly. "Qianqian, call me Grandma!" "

"Ah?" Feng Qianqian was stunned.

Feng Qianhua tried to control her emotions. "Call me! Call me! Remember to speak Louder!"

"Although Feng Qianqian did not know what Feng Qianhua was up to, she still raised her voice and said, "Grandma! Grandma, please slow down. Let me help you." "

"Old Mrs. Lin smiled and said, "I don't need your help. I can walk on my own." "

“There are too many people in the school. Grandma, let me help you.” Feng Qianqian held old Mrs. Lin’s arm. With Feng Qianhua’s words, she deliberately spoke very loudly. ”

“Ye Shu subconsciously looked over. When she saw Old Mrs. Lin’s face, she felt as if she had never seen that old lady before. ”

“When her gaze touched Feng Qianhua beside her, Ye Shu was even more stunned. ”

Who was that?

Why did she look so familiar?

“At this moment, the scene from nineteen years ago suddenly appeared in front of Ye Shu’s eyes. ”

“Nineteen years ago, wasn’t this woman the one with a big belly who came to accuse her of being a mistress? ”

Yes!

It was her!

It was her!

And the old lady beside her.

Was Lin Qingcheng’s mother!

“Although nineteen years had passed, Ye Shu still remembered each and every one of their faces clearly.
”

“Feng Qianhua tried her best to pretend that she didn’t see ye Shu and walked to Feng Xianxian’s side.
“Xianxian, there are a lot of people in school. Hold your grandmother carefully.” ”

“”Mom, I know.”Feng Xianxian tilted her head and looked at Feng Qianhua. ”

Mom?

Grandma?

Her daughter called Lin Qingcheng’s mother Grandma.

It seemed.

“They were indeed engaged, but they should be married by now! ”

At this moment.

The thing that ye Shu had been holding onto for so many years collapsed instantly.

So many years.

She had always felt that she was not a mistress.

She had not interfered in other people’s feelings.

But now.

The truth was right in front of her eyes.

“Feng Qianhua was panicking. She did not know if ye Shu had recognized her. She should have recognized her by now, right?”

“On the other hand, she was afraid that Old Lady Lin would see ye Shu.”

“After all, Ye Shu had already found her biological daughter back.”

“If Old Lady Lin saw that the child was not right, she would definitely do a paternity test again.”

No.

She must not let such a thing happen.

No!

“Thinking of this, Feng Qianhua suppressed the panic in her heart and stood in front of old Mrs. Lin, blocking her line of sight. “Let’s go to Ah Ze’s side to take a look.” ”

Chapter 433: 122: show up and Slap Feng Xianxian in the face! 1

“This time, Feng Qianhua deliberately did not address old lady Lin as Aunt Lin.”

It was to let ye Shu misunderstand.

She had to let ye Shu think that she was now the wife of Lin Jincheng and that Old Lady Lin was her mother-in-law.

She could not let ye Shu find Lin Jincheng!

No!

She could not let everything that she had worked so hard for all these years go down the drain.

The position of the matriarch of the Lin family was hers.

Lin Jin city was also hers.

She would never allow anyone to take away the position that belonged to her!

“Ye Shu, that Shameless B * tch, she would not have a good ending. ”

Feng Qianhua’s eyes were filled with viciousness as she and Feng Xianxian supported Old Lady Lin on her left and right as they walked towards the male dormitory.

Ye Shu retracted her gaze and was momentarily absent-minded.

She did not expect to meet them at Beijing University.

Even more so.

She was a mistress.

How could she be a mistress?

Ye Shu stumbled back a few steps.

“Ye Zao held ye Shu and looked at her. “Mom, What’s Wrong?” ”

“I’m fine.”Ye Shu shook her head. “It’s just that the sun is too bright and the heat is a little uncomfortable.”

“Ye Zhuo could tell that ye Shu had something on her mind, but he did not ask much. He held the suitcase with one hand and supported ye Shu with the other as they walked forward. ”

Ye Shu tried her best not to think about the past.

Today was the day she sent ye Zhuo to school.

She did not allow herself to think about those unpleasant things.

Ye Zhuo’s dormitory was on the fifth floor.

There was no elevator.

“Ye Shu was about to say that she would help ye Zhuo carry the suitcase when a handsome, sunny boy walked over. “Junior, which floor do you live on? I’ll send you.” ”

“No need.”Ye Zao refused with a smile. “I can do it myself.”

“Thus, the boy saw ye Zao carry the large suitcase with one hand and put it on his left shoulder. His other hand naturally hooked onto ye Shu’s arm. “Mom, let’s go up.” ”

The whole process was so handsome that the boy was dumbfounded.

He had wanted to be a hero to save the damsel in distress.

He didn’t expect her to be so amazing.

Even ye Shu was shocked!

...

“On the other side, Feng Qianhua, her mother, and Old Mrs. Lin quickly arrived at the male dormitory where Lin Ze was.”

It was the beginning of the school season.

There were many parents who came to send their children to school in the male dormitory.

“The conditions of the dormitory at Beijing University were very good. Compared to other universities, it could be considered luxurious. The four-person dormitory had a living room at the entrance and a four-person bedroom inside. There was a separate bathroom in the bedroom.”

“At this moment, Lin Ze was making the bed on the top bunk.”

“The two bodyguards of the Lin family stood at the side, listening to Lin Ze’s instructions at any time.”

The other three boys in the dormitory looked curiously at Lin Ze.

They sighed in their hearts.

Beijing was Beijing!

There were too many rich people. This was the first time they had seen someone bring bodyguards to school.

“Feng Qianhua walked to Lin Ze’s bed. “Ah Ze, let me do it!” ”

“No need.” Lin Ze rejected her flatly.

“Feng Qianhua was not embarrassed and continued, “Ah Ze, have you prepared your toiletries? Is there anything missing? If there is, let Xiao Liu buy it for you.” ”

“No.”

“At this moment, Feng Qianhua seemed to remember something and continued, “Xiao Liu, I have prepared gifts for everyone. They are in the car. Please go downstairs and get them.” ”

“Okay.” Xiao Liu walked out of the door.

Old Mrs. Lin looked around the dormitory.

“She was used to living in a luxurious manor, so she naturally did not like a pigeon cage like the dormitory. If it was not necessary to stay during military training, she would not let Lin ze live in such a place.”

“Not long after, Xiao Liu came up with three bags of luxury watches in her hands.”

“Feng Qianhua took the bags and walked to the other three roommates. “Hello, I’m Lin Ze’s aunt. From now on, I’ll leave Ah Ze to take care of our Ah Ze. This is my gift to you.” ”

“The three of them looked at each other. One of them walked up and politely refused, “Thank you, aunt. I appreciate your kindness, but we can’t accept these things.” ”

It was the first time they had met Lin Ze’s family. How could they accept such an expensive gift?

These three boys were not people who did not know what was good for them!

“Feng Qianhua smiled and said, “We’ve already bought them. Just accept them. They are not expensive things.” ”

This was not expensive?

The three of them were stunned.

“This brand of watches had a minimum unit price of more than 50,000 yuan. Moreover, this was the latest model! ”

“Chapter 434: 122: a big, hot, and domineering entrance, slapping Feng Xianxian’s face! 2”

“”Auntie, no matter how valuable it is, we can’t accept it,”another bespectacled boy said. ”

“The three of them insisted on not accepting it, so Feng Qianhua had no choice but to ask Xiao Liu to put the gifts away. ”

Old Mrs. Lin glanced at the three boys.

She felt that the three of them were somewhat unrepresentable.

They were timid.

“They did not even dare to accept a gift. Even if they went to the best university in China, they would not have any great prospects in the future! ”

It was really difficult for Lin Ze to live in the same dormitory with such a person.

“Lin Ze made up the bed and came down from the top bunk. “Grandma, you can go back. There are no more problems here.” ”

“Old Mrs. Lin nodded. It just so happened that she did not want to stay here any longer. “Then call me if you have anything to say, or send a wechat message to Xiao Liu.” ”

“Okay.”

Lin Ze nodded.

...

Ye Zhuo carried the suitcase to the fifth floor.

“Along the way, she didn’t even take a deep breath. ”

It made the girls passing by look at her.

They were extremely surprised.

Ye Zhuo’s dormitory was in Room 503.

“Opening the door of the dormitory, Ye Shu said in surprise, “There’s actually a living room!” ”

“At first, she was worried that ye Zhuo wouldn’t be able to get used to living in the dormitory. ”

“She did not expect that not only was there a living room in the dormitory, but the living room was also equipped with air-conditioning. ”

“Ye Zhuo smiled and said, “Beijing University is the university with the best dormitory conditions in the country. The only problem is that the admission score is too high. Otherwise, at least half of the students in China would choose Beijing University every year.” ”

Passing through the living room was the bedroom of a four-person residence.

“There was a big balcony in front of the bedroom. The lighting was very good, making people feel very comfortable at a glance. ”

The bed in the dormitory was a standard upper and lower bunk.

“The upper bunk was occupied, and the lower bunk was used to store things. ”

“At this time, although there was no one in the dormitory, the other bunks had already been occupied, leaving only the door bed unoccupied. ”

“It was probably because everyone did not like to close the door, so no one chose the door seat. ”

“Fortunately, Ye Zao was not the kind of person who cared about details. He directly dragged the luggage to the bed. “Mom, I’ll stay here.” ”

“Okay.”Ye Shu started to make the bed for ye Zao.

“Ye Zao placed the things that she needed on the table. She did not have many things. She only had a few books, a laptop, and a glass of water. ”

Then there was a mirror.

“After all, she was a beauty. She could do without anything except a mirror. ”

“If she did not have a mirror, how could she appreciate her beauty?”

1

“Because ye Zao had the habit of drinking tea early in the morning, there was also a bag of unlabeled tea leaves.”

“Compared to the other girls’ tables, ye Zao’s table was extremely simple. It was even simpler than the boys’ table.”

Ye Shu made the bed and instructed ye Zao to get along well with her roommates.

“In fact, Ye Zao was very easy to get along with. However, salt could be sweet.”

“However, ye Zao basically did not have much to say to people he was not familiar with. He was very quiet.”

This would give people the illusion that he was very cold and aloof.

He felt that she was not easy to get along with.

“Ye Zao nodded. “Don’t worry, I know. I even prepared a small gift for my roommates.” ”

““That’s good.” After saying that, ye Shu continued, “The bed has been made. After the bed sheet and blanket are made, bring them home once a week to wash them and disinfect them at the same time.” ”

“Okay.”

“It was already noon. Ye Zhuo continued, “Mom, do you want to go check on the food in the cafeteria?”
”

Ye Shu nodded. “Sure.”

The cafeteria of Beijing University was very big and was scattered in different areas.

“There was a buffet, a West Point restaurant, pizza, fast food, Noodle Bar...”

There were all kinds of delicacies from all over the place.

It was good quality and cheap.

This was ye Shu’s first time entering the cafeteria on a university campus. It was completely different from what she had imagined.

She had thought that the cafeteria at university was the same as the cafeteria at junior high school. The students were all lining up at the windows to eat.

It seemed that knowledge really limited one’s horizons.

Those who had never gone to university would never know that the world of university students was also so colorful.

The outside world was a big society.

The campus was a small society.

“After eating, Ye Zao sent ye Shu to the school gate.”

The driver was waiting for Ye Shu.

Ye Zao told the driver to drive carefully.

“Ye Shu smiled and said, “Zao Zao, you should go back quickly. Mom will send you a wechat message when she gets to the company.” ”

“Okay.”Ye Zhuo nodded slightly.

Ye Shu asked the driver to set off.

The car slowly drove on the road.

“Only when she couldn’t see Beijing University in the rearview mirror did ye Shu put down her disguise. She looked up at the driver in the front seat and said, “Little Qin, pull over at the front.” ”

“Little Qin said, “Okay.” ”

The car slowly stopped at the side of the road.

“Ye Shu continued, “Little Qin, I’ll give you half a day off today. You Don’t have to come in the afternoon. Here’s a hundred yuan. Call a car yourself and go back.” ”

“Chapter 435: 122: Big Burning and domineering entrance, slapping Feng Xianxian in the face! 3”

“What About You?”Little Qin asked.

“I’ll drive myself to the company.” After saying that, Ye Shu said, “Oh right, don’t tell my daughter about this.”

Little Qin nodded.

“After Little Qin left, Ye Shu went to the driver’s seat, closed the car door, and drove away.”

Soon.

The car stopped at the entrance of the company.

But Ye Shu did not get out of the car. She leaned on the steering wheel and cried loudly.

Nineteen years ago.

Lin Qingcheng suddenly disappeared. She had never cried like this.

“Others said that she was a mistress. When her child was a bastard, she had never cried.”

“But today, seeing the reality with her own eyes, she could not help it.”

The atmosphere in the car was oppressive and cramped.

“After a long time, Ye Shu finally got out of the car.”

“At this moment, no sadness could be seen on her face.”

...

On the other side.

Ye Zhuo had just finished sending ye Shu off and turned around to return to his dormitory when he received a call from CEN Shaoqing. "Are you at school?"

"As Ye Zhuo walked, he spoke to him. "I'm here. How about you? Are You in Beijing?" "

"I'm here too." Cen Shaoqing caressed the prayer beads. "The military training is a total of 15 days?"

"En..." ye Zhuo thought for a moment. "It seems like it."

"For the first time, Cen Shaoqing felt that 15 days was so long, he continued, "The instructors hired by Jingcheng University are all proper military officers. They are very strict and do not show any mercy when it comes to training. If you don't want to participate in the military training, I can inform the school leader." "

"There's no need." Ye Zhuo's tone was indifferent. He did not take this matter to heart at all. "It's just military training. It's no big deal."

What was military training?

"In her previous life, she had gone through devil-like training. "

Ye Zhuo talked to Cen Shaoqing as he walked.

"Today, she was wearing a black T-shirt with a tasseled hem. A slender waist was faintly discernible in the tasseled, and that waist was so thin that not even a single bit of fat could be seen. "

"Her legs were slender and long. She was clearly wearing long pants, but for no reason, she gave people a sense of temptation. "

She was wearing a pair of black martin boots.

Her eyebrows were like a painting.

She was extremely cool!

“Walking on the campus, she attracted the attention of many people.”

“F * ck! F * ck! Is this the new student this year?”

““She shouldn’t be a new student, right? Other than that Feng Xianxian on the forum, I haven’t heard of any other outstanding new student this year.” ”

““Although she’s not a student of our school, she’s really beautiful!” ”

““If she were a freshman, we would definitely beat up that new campus belle with the surname Feng!” ”

“Do you even need to say that?”

“Before Feng Xianxian went to school, she had already started to be active on the Forum of Beijing University. With her extremely high popularity and perfect facial features, she became the new campus belle of Beijing University right after school started.”

Ye Zhuo walked all the way to the dormitory door. He held his cell phone in one hand and the key in the other. “I’m not going to talk to you anymore. I’m going to the dormitory now.”

““Okay, remember to sleep for a while in the afternoon.” ”

“Okay.”

Ye Zhuo hung up the phone and opened the dormitory door.

The three roommates who didn't come earlier were all here.

Two of them were chatting.

One of them was squatting on the ground and tidying up his clothes.

"When they saw ye Zao come in, everyone looked at her, their eyes filled with astonishment."

"The short-haired girl squatting on the ground quickly stood up and introduced herself. "Hello, my name is Li Yueyue. I'm from the Beautiful Grassland Hulunbeier. I'm from the Chemistry Department's Pharmaceutical Chemistry Department." "

"After Li Yueyue finished speaking, another sweet-looking girl with two braided hair walked over, "My Name is Bai Xiaoman. I'm from the capital. Xianxian and I are both in the finance department. That's right, that's xianxian. She's also from the capital." "

"Speaking up to this point, Bai Xiaoman pulled Feng Xianxian over. "Speaking of which, you might not believe it, but Xianxian is the true heiress of a wealthy family! You should all know about the Lin family, right? Xianxian is the heiress of the Lin Family!" "

"When Feng Xianxian was sent to the dormitory by a few bodyguards of the Lin family, Bai Xiaoman was so shocked that her jaw almost fell off. "

"At that moment, Bai Xiaoman felt that Feng Xianxian was a princess!"

"Although she was also a citizen of the capital and her family had a small company, her conditions were very good. "

But she could only be considered a second generation of the wealthy.

And Feng Xianxian was a real aristocrat!

“In front of a wealthy aristocrat, a small second generation of the wealthy was nothing?”

This was the first time Bai Xiaoman came into contact with a real wealthy aristocrat in real life!

“Originally, she thought that when she introduced Feng Xianxian to her other two roommates, they would be as shocked as she was!”

Unfortunately.

Except for Li Yueyue who was a little surprised.

“Chapter 436: 122: Big Burning’s domineering entrance, slapping Feng Xianxian in the face! 4”

There was not even a ripple on ye Zhuo’s face. He was extremely calm.

Bai Xiaoman even suspected that ye Zhuo’s ears were not working properly!

“Otherwise, how could he be so calm?”

“Under normal circumstances, shouldn’t ordinary people scream when they saw a wealthy and noble family?”

Bai Xiaoman was a little disappointed that she did not see a very surprised expression on ye Zhuo’s face.

Such an ignorant country bumpkin!

He did not even know about the Lin family.

“Bai Xiaoman continued, “It’s normal that you foreigners don’t know about the Lin family.” ”

“After all, the communication information in a godforsaken place was not well-developed.”

It was obvious that ye Zao must have come from the countryside.

“After saying that., bai Xiaoman continued, “But I can give you some information. You should all know about the brand of Hua Pu, right? Hua Pu is the Lin family’s family business! However, Hua Pu is only one of the Lin family’s businesses. Hua Pu also has brands like Summer Flower, Pale Moon, and Merrill Lynch.” ”

Hua Pu was the top brand in the domestic household industry.

Seventy percent of the household goods in China came from Hua Pu.

There was no one in China who did not know about Hua Pu.

“Hearing this, Li Yueyue said in surprise, “Really?” ”

“Seeing Li Yueyue like this, Bai Xiaoman nodded her head in satisfaction. That proud look of hers was as if she was the real daughter of the Lin family. “Of course it’s true! That’s the Lin family. Don’t tell me that anyone would dare to impersonate the Lin family’s daughter!” ”

Ye Zhuo’s tone was indifferent. “OH.”

Oh?

Bai Xiaoman frowned.

Why was this new roommate's reaction so calm?

Did she even know what the Lin family's eldest daughter meant?

Country Bumpkin!

She had never seen the market before.

"Feng Xianxian was also stunned. She was the Lin family's eldest daughter. No matter where she went, she would always be praised by others."

This was the first time she had seen such a person with no discerning eyes.

"Feng Xianxian raised her head to look at ye Zao, her eyes sizing him up. With this look, she was completely stunned."

She originally thought that ye Zao was a very ordinary country girl.

She did not expect that ye Zao was actually so beautiful!

Feng Xianxian saw a sense of crisis on ye Zao.

"Although Feng Xianxian was usually very pretentious, in front of ye Zao, she had to admit that ye Zao was more beautiful than her."

Feng Xianxian's gaze turned to the logo on ye Zao's clothes.

From head to toe.

Not a single piece of clothing was a big brand.

They were all miscellaneous brands that she had never seen before!

They were probably just street goods.

She then turned her head to look at Ye Zao's table.

On the huge table.

Other than a few books and a computer.

There wasn't even the most basic skincare set!

Just how poor was she to not be able to afford a set of skincare products?

"Moreover, the military training was about to begin."

She didn't even prepare sunscreen.

The most valuable thing on the table was that broken computer.

"However, that computer was really too broken!"

It was even shabbier than second-hand goods.

It didn't matter what she wanted!

How could such a beautiful skin bag grow on the face of such a lowly person?

Feng Xianxian instantly felt nauseous as if she had eaten a fly.

“If this skin grew on her face, how great would that be!”

“Feng Xianxian suppressed the disdain in her heart and looked at Ye Zhuo. She took the initiative to speak, “I’m Feng Xianxian, the Feng beside two o’clock water. I’m a person from the capital, a finance major.” ”

““I’m Ye Zhuo,”ye Zhuo said very politely. “My mouth is made of wood leaves, and it’s burning with brilliance. I’m from Yun Capital, and I’m also a chemistry major in pharmaceutical chemistry.” ”

Yun Jing was just a small place.

Even a hundred Yun Jing schools could not compare to the capital.

Feng Xianxian’s eyes flashed with a mocking look.

So she was from Yun Jing. No wonder she was dressed like a street vendor.

“Li Yueyue said excitedly, “Ye Zao, then we are in the same major!” ”

Ye Zao nodded slightly.

“After saying that, Li Yueyue looked at Feng xianxian and asked curiously, “Didn’t Xiao Man say that you are the eldest daughter of the Lin Family? Then why is your surname Feng?” ”

“Feng Xianxian smiled and said, “I’m surnamed Feng with my mother.” ”

“I see.” Li Yueyue came to a sudden realization.

“Bai Xiaoman looked at Li Yueyue and Ye Zhuo and said, “Let’s talk about our family conditions now! My father opened a company in Beijing and has three apartments at home! What about the two of you?” ”

“Ye Zhuo said, “My mother is a caterer. Her family conditions are average.” ”

Catering?

Her family conditions are average?

Bai Xiaoman and Feng Xianxian’s eyes flashed with ridicule.

Then her mom must be working as a waiter in a restaurant!

“What About Your Dad?” Bai Xiaoman continued.

“I don’t have a dad.” Ye Zao’s expression remained the same. “But I have an uncle.”

“Chapter 437: 122: Big Burning’s domineering entrance, slapping Feng Xianxian in the face! 5”

So it was a single-parent family.

No wonder they were so poor that they couldn’t even wear a top-brand outfit.

“Bai Xiaoman asked again, “Then what does your Uncle Do?””

“Ye burning said concisely, “He delivers packages.””

Delivers packages?

Bai Xiaoman almost laughed out loud.

Her biological mother was a waiter who carried plates.

Her uncle was a delivery man who ran errands.

“Fortunately, ye Zao had the nerve to say it out loud.”

“If it were her, she definitely wouldn’t be as thick-skinned as ye Zao.”

“”What about you, Li Yueyue?” Bai Xiaoman looked at Li Yueyue.”

“Li Yueyue said, “My family raises sheep!””

Raises sheep?

Wasn’t that just a herdsman?

“Li Yueyue’s family was in the prairie, so raising sheep at home wasn’t strange.”

Bai Xiaoman was speechless!

Why did the school assign her two such weird roommates.

“Besides Feng Xianxian’s illustrious family background,.”

“Ye Zhuo and Li Yueyue, each of them is worse than the other.”

They are both low-class people at the bottom of society!

“It seems that in the future, all she has to do is to please Feng Xianxian.”

“After all, Feng Xianxian is the real aristocrat.”

“She doesn’t look bad, either.”

“As long as she could curry favor with Feng Xianxian, perhaps Feng Xianxian could even introduce her to a rich second-generation boyfriend.”

“The more Bai Xiaoman thought about it, the happier she became. She continued, “Oh right, what did the two of you score in the College Entrance Exam? Xianxian was third place in our capital! She scored 743 points!””

“Ye Zhuo said calmly, “I did okay in the exam.””

Okay?

Okay was just not as good as Feng Xianxian!

“If ye Zao had done well in the exam, she would not have lacked the courage to say her results.”

“In a small place like this, there were a lot of extra points for the college entrance exam. Ye Zao probably relied on the extra points to get in.”

“It looked like other than that face, ye Zao was completely useless!”

“Li Yueyue said, “My results were also average.””

Bai Xiaoman knew what to do.

In this dormitory.

“In terms of family background, not only was Feng Xianxian the best.”

“In terms of results, Feng Xianxian was also the best.”

Feng Xianxian’s life was really too good!

Bai Xiaoman was extremely envious.

“Hearing this, Feng Xianxian’s face was also filled with pride.”

This year’s national examination papers were especially difficult.

There were not many who could score above 740 points!

“For her to be able to score 743 points, she was already one of the best among the best!”

“Ye Zao then took out the gifts that he had prepared beforehand. “Oh right, I brought you guys a specialty of our Yun Jing. See if you like it.””

The specialty of Yun Jing was silk.

“Therefore, ye Zao brought everyone a silk scarf.”

“Silk scarves could be used as decorations in summer, and they could keep out the cold in winter.”

“As a student, if he gave a gift that was too expensive, not only would it cause comparisons, but it would also make the students with average family conditions especially awkward. Therefore, ye Zao finally chose a silk scarf with a moderate price.”

Feng Xianxian did not like the gift ye Zao prepared.

“In terms of status, she was many times more respected than ye Zao!”

Ye Zao wanted to use a silk scarf to curry favor with her?

No Way!

““Thank you,” Feng Xianxian smiled and declined, “But my constitution is special, so I have to use Hermes. If I use other brands, I will become allergic. I appreciate your kindness!””

Hermes was a famous brand in the world.

“However, Feng Xianxian did not expect ye Zao to know about Hermes.”

“After all, Ye Zao was just a country bumpkin who had never seen the market before.”

“If she knew what Hermes was, she would not have prepared such a LOW-class scarf!”

It was simply embarrassing!

“Seeing that Feng Xianxian did not accept it, Bai Xiaoman also did not accept it. “I have many scarves at home, but they are all new and unused. One of them is even from Gucci. I have used them as my trump card! It would be a waste if I accept it!””

Ye Zao wasn't embarrassed. His expression remained the same as he placed the gift box on the table.

“Li Yueyue really liked the scarves that ye Zao gave her. In their prairie, there were very few merchants that sold silk products. Even if there were, they were all imitations and very few could buy silk products.”

““Thank you, Ye Zao. I like it very much!””

“You're welcome.”Ye Zao smiled slightly.

“As Li Yueyue spoke, she tied the silk scarf around her neck. “Ye Zao, Do You Like It?””

It could be seen that she really liked this silk scarf.

“It's nice.”Ye Zao nodded.

Bai Xiaoman's eyes were filled with disgust.

It was just a broken silk scarf.

“Look at Li Yueyue's expression, she had never seen anything good before.”

Birds of a feather flock together.

A high-class person like her should be with a noble like Feng Xianxian.

“Li Yueyue and Ye Zhuo, these two low-class people, should be with low-class people.”

...

On the other side.

In the male dormitory.

Lin Ze was video-chatting with Li Wen and fat tiger and dog two.

Dog Two was also at Beijing University.

But he wasn't in the same dormitory as Lin Ze.

“Chapter 438: 122: Big Blaze's domineering entrance, slapping Feng Xianxian in the face! 6”

Fat Tiger and Li Wen were in the neighboring Qinghua.

“Dog two said, “Brother Ze, I'll come down to look for you once I'm done packing.” ”

“Sure.”

“Li Wen lay on the bed. “Shall we have dinner tonight? By the way, can your school come out during military training?” ”

““Sure,” Lin ze replied. ”

“Fat tiger cried, “We can’t. We’re doing closed-door training.” ”

““Closed-door training is nothing,” dog two said. “Who doesn’t know that Beijing University’s military training is especially perverse? I heard that there was a class last year where half of the students collapsed!” ”

At the Lin family home.

Feng Qianhua sent Old Lady Lin to the Lin family home.

She was very regretful that she didn’t let Lin Ze choose a university in Yun Jing.

“Now that the boat had sailed, she couldn’t let Lin Ze go to another university!”

“Aunt Zhang could tell that Feng Qianhua was worried and asked in a low voice, “What’s Wrong?” ”

Feng Qianhua couldn’t care less. “Ye Shu came to the capital!”

“What?” Aunt Zhang’s expression changed.

“Feng Qianhua continued, “That’s not the worst part!” ”

“What else happened?” Aunt Zhang asked.

Feng Qianhua narrowed her eyes. “Ye Shu found her biological daughter!”

Aunt Zhang’s face immediately turned pale. “Are you sure?”

“I saw it with my own eyes.” Feng Qianhua nodded.

That Little Bastard looked a little like ye Shu.

She couldn't be mistaken.

That must be ye Shu's daughter.

"Feng Qianhua continued, "Do you think that B * Tch ye Shu came back to snatch Jin city from me?" "

The reason why Old Lady Lin did not accept ye Shu was because she thought that ye Shu had cheated on her.

If she knew the truth of the matter...

Ye Shu did not cheat on her. She just carried the wrong child. What would Old Lady Lin Do?

Old Lady Lin was someone who valued bloodlines very much.

"In addition, there had not been a single girl in the Lin family for so many years. "

"With Old Lady Lin's personality, she did not dare to hate ye Shu too much. For the sake of her granddaughter, she would definitely forgive ye Shu! "

""Qianhua, don't be anxious." Aunt Zhang held Feng Qianhua's hand and continued, "Did that B * Tch Ye Shu see you today?" "

How could Feng Qianhua not be anxious? This was a matter that threatened her position in life!

“She had guarded Lin Jin city for most of her life and was about to see the light of day. At this time, Ye Shu suddenly appeared. What she was most afraid of now was that ye Shu would bring her daughter to her door.”

“”I’m not very sure, but I should have seen it.” ”

“Aunt Zhang continued, “She’s just a mistress. You and Jin city have a son and daughter now. She definitely wouldn’t have the face to come to find you! Moreover, Jin city is no longer the Lin Qingcheng of the past! Even if she wanted to find him, the capital is so big. Where would she find Lin Qingcheng?” ”

One was Lin Jin city.

The other was Lin Qingcheng.

“No matter how capable ye Shu was, she probably wouldn’t have thought that Lin Jincheng was the Lin Qingcheng of the past.”

“With Aunt Zhang’s consolation, Feng Qianhua heaved a sigh of relief.”

But she was still worried.

After returning to the Feng clan.

She asked someone to investigate ye Shu’s matter.

But it was very strange.

“No matter how she investigated, she couldn’t find out ye Shu’s current situation.”

Ye Shu’s information still remained at the time when she was still living in the basement and her daughter was ye Yourong.

“Thus, Feng Qianhua sent people to investigate ye Zao.”

Ye Zao’s information was only available at the MU residence.

“Idiot, trash...”

“When she saw this label, Feng Qianhua heaved a sigh of relief.”

An Idiot Trash definitely wouldn’t be able to attend the Capital University!

“Thus, Ye Zao was definitely not at the Capital University!”

“Moreover, even if an idiot trash was really found, it wouldn’t pose much of a threat to her.”

“After all, Feng Xianxian was ten thousand times better than her!”

Old Lady Lin wouldn’t take a good-for-nothing as her granddaughter.

...

On the other side.

At school.

“Ye Zao was sitting in front of his computer, typing furiously.”

“Suddenly, a message box popped up on the computer that was operating normally.”

Someone was investigating her and ye Shu?

Who was this person?

“Thinking of Ye Shu’s mood in the morning, ye Zao subconsciously felt that something was wrong with this matter. He immediately followed the other party’s signal and traced it back.”

Feng Xianxian looked up at Ye Zao’s computer.

“From her point of view, Ye Zao’s computer screen was pitch black.”

There was no picture at all.

It was obvious that this broken computer was not turned on at all.

“Or rather, this computer was broken!”

It could not be used at all.

Then...

What was ye Zao doing?

“In order to not let others find out that her computer was broken, so she pretended to be playing with the computer?”

She knocked the keyboard so loudly.

She showed an enigmatic look.

“If people did not know this, they would think that ye Zao was very powerful! ”

“Chapter 439: 122: Da Zao’s domineering entrance, slapping Feng Xianxian’s face! 7”

How hypocritical!

Li Yueyue lay on the upper berth and stuck her head out towards the lower berth. She invited ye Zao to the canteen for a meal.

“Ye Zao looked at the time on the lower right corner of his computer. “I’m sorry, Yueyue. Let’s eat again tomorrow. I’m having dinner with my boyfriend tonight.” ”

“Li Yueyue said in surprise, “You have a boyfriend?” ”

Ye Zao nodded.

“Feng Xianxian also looked over. “Ye Zao, where is your boyfriend from?” ”

Ye Zao closed the computer. “He’s from Beijing.”

“Feng Xianxian continued to ask, “Is he also from our school?” ”

Ye Zao’s tone was indifferent. “He’s a socialite.”

A socialite?

“In other words, he was not going to school anymore!”

It seemed that he was just an unemployed vagrant.

The look of disdain in Feng Xianxian’s eyes became more and more intense.

“Although ye Zhuo was talking to his roommates, his actions did not stop. Very quickly, he traced the IP address of the other party.”

Ye Zhuo directly found the information of that person.

Zhang Dahai.

Male.

36 years old.

A person from Beijing.

A very ordinary internet hacker.

“Obviously, there was someone else who wanted to investigate her and Ye Shu.”

Who was this person?

Ye Zhuo directly installed an invisible monitor on Zhang Dahai’s computer.

Zhang Dahai’s every move was under her control.

“At 6:30 pm, Ye Zhuo and Li Yueyue went downstairs together.”

“One walked towards the cafeteria, while the other walked towards the school gate.”

“Just as they walked out of the school gate, they saw a figure standing beside a luxurious car.”

“He leaned against the car door and looked down at his phone, as if he was texting someone. He was wearing a moon-white robe, and there was a string of bright red Buddhist beads hanging between his fingers.”

“The retro clasp was meticulously fastened at the top, and there was a hint of asceticism and coldness in the elegant atmosphere.”

“Among the students, he stood out like a crane among a flock of chickens, which made people frequently turn around to look at the prime minister.”

“When did you arrive?” Ye Zhuo walked over.

“I just arrived.” Cen Shaoqing opened the car door for Ye Zhuo.

Ye Zhuo sat in it.

Cen Shaoqing held the steering wheel with both hands and started the engine. “How does the new school feel?”

““Very good,” Ye Zhuo replied.”

“Are the roommates getting along well?”

“Ye Zhuo said in a pertinent manner, “One of the girls is not bad, while the other two are a little weird.””

Cen Shaoqing tilted his head. "Let me tell the school leader to Change Your Dormitory?"

""There's no need to go through so much trouble. Although it's a little weird, it won't affect me." "

Not long after.

They arrived at the place for dinner.

"The dormitory had entrance guards, so after dinner, Cen Shaoqing sent ye Zhuo back to the school. "

At the CEN residence.

"Old Madam Cen was sitting on the sofa reading the newspaper. When she saw Cen Shaoqing return, she asked, "You went to see Yezi?" "

Cen Shaoqing nodded slightly.

"Old Mrs. Cen said again, "I heard that the military training at Beijing University is very abnormal! Two years ago, the granddaughter of the old Wang family almost lost half her life. Did you tell the school leader to tell Yezi not to participate in the military training?" "

"Cen Shaoqing turned to look at Old Mrs. Cen and said in a low voice, "There's no need." "

"No need?" Old Mrs. Cen slammed the table and stood up. "Are you speaking human language? So You're not the one being pondered over? You have no emotional intelligence at all! No wonder you're still an intern!"

""Don't worry, Ye Zhuo isn't as weak as you think." Cen Shaoqing's tone was indifferent. "Not only did she reject my proposal, but she's also looking forward to military training." "

“Old Mrs. Cen smiled and said, “My granddaughter-in-law is awesome!” ”

“After ye Zhuo returned to the dormitory, he took his pajamas to the bathroom to take a shower.”

He had just come out of the shower.

“He saw Bai Xiaoman running in while panting, she said excitedly, “Xianxian! I, I just saw Professor Feng from the Institute of Science and Technology, Professor Zheng from the Department of Medicine, Professor MA from the Department of Physics, Professor Yin from the Department of Mathematics, as well as Dean Zhang and Dean Liu coming to our dormitory building! I also heard that they are coming to our dormitory!” ”

Ye Zhuo continued to dry his hair without any expression on his face.

“Li Yueyue asked curiously, “Why are there so many professors here all of a sudden? What are they doing in our dormitory?” ”

“Bai Xiaoman said, “I think they are definitely here to look for Xianxian! After all, Xianxian is the only top student in our dormitory! If the professors aren’t looking for her, who else can they look for?” ”

What Bai Xiaoman said was very reasonable.

“In this dormitory, other than her, no one else was more outstanding than her.”

“Hearing this, Feng Xianxian’s face was full of joy.”

“She did not expect that on her first day of school, she would cause such a huge sensation in the school.”

“Feng Xianxian quickly picked up the mirror and checked her makeup. After all, the people who would be coming later were all important figures. Her position in the Lin family was not very stable. If she could get the recognition of the professors, Old Lady Lin would definitely like her even more!”

It would also make Feng Qianhua look good.

“The more Feng Xianxian thought about it, the more excited she became. ”

“Bai Xiaoman walked to Feng Xianxian’s side. “Xianxian, after I heard about this, I couldn’t wait to come back and tell you the good news! They should be arriving in a while. Why Don’t I Touch Up Your Makeup First?” ”

Feng Xianxian nodded. “Then I’ll have to trouble you.”

Bai Xiaoman started to touch up Feng Xianxian’s makeup.

“Just as she finished touching up her makeup, there was a knock on the door. ”

“Bai Xiaoman said excitedly, “It must be the professors! Xianxian, go and open the door!” ”

“Feng Xianxian straightened her back and maintained a decent smile on her face. Under the envious gazes of Bai Xiaoman and Li Yueyue, she walked over to open the door. ”

“The moment the door opened, she saw a group of professors standing outside. ”

“Feng Xianxian was extremely excited, but she still tried her best to calm herself down. “Hello, professors. Hello, Presidents. I’m Feng Xianxian.” ”

“The bald professor who was walking in front said, “Hello, this student. May I know if ye Zhuo is here?” ”

“Chapter 440: 123: Trash, Lin Ze found his birth mother’s information! 1”

“Ye, ye Zao?”

Feng Qianqian was stunned.

Did she hear wrong?

Weren't the professors here to look for her?

Why did they call out ye Zao's name?

“Feng Qianqian's face turned stiff at this moment, and a layer of sweat formed on her back.”

She heard wrong!

She must have heard wrong!

“Ye Zao was just a country bumpkin from a small place. If he wanted results and no results, if he did not have a family background, the professors definitely did not come to look for ye Zao!”

“Seeing that Feng Xianxian did not speak for a long time, the bald professor looked into the dormitory and asked, “Hello, student, may I ask if ye Zao lives in this dormitory?” ”

Ye Zao!

It was really ye Zao.

Why was it ye Zao?

Feng Xianxian's lowered eyes were filled with unwillingness.

No!

The professors could not see ye Zao!

"The other people in the dormitory thought that the professors were here to look for her, so she even touched up her makeup. If they knew that the professors were not here to look for her, but to look for ye Zao, where would she put her face?"

"Feng Xianxian looked up and was about to say that she did not know ye Zao, but at this moment, Li Yueyue ran out and said excitedly, "He lives! He lives! Ye Zao lives in this dormitory!" "

Li Yueyue liked ye Zao very much.

"When she found out that the professors were here to look for ye Zao, Li Yueyue was exceptionally excited!"

She knew that ye Zao was not simple.

Damn Li Yueyue!

"At this moment, Feng Xianxian wanted to tear Li Yueyue apart. Her expression was extremely ugly."

"When she heard this, the bald professor said excitedly, "Student, can you help us call ye Zao?" "

"Yes, yes!" Li Yueyue nodded hurriedly. "Please Wait a moment, I'll go call ye Zao Right Now!" "

"Thank you."

“Feng Xianxian stood rooted to the ground. It was not a good idea to leave, but it was even more awkward for her to stay.”

“At that moment, she could only walk into the dormitory.”

She did not expect that ye Zao would embarrass her so much on the first day!

What right did ye Zao have?

Wasn't she just a pretty girl who was inferior to her in everything?

“Li Yueyue ran inside. “Ye Zao, Ye Zao! Those professors outside are here to look for you! Go out for a while!” ”

Ye Zao had just finished drying his hair and was about to turn on his computer to surf the technology web. “They're looking for me?”

What?

Looking for ye Zao?

Weren't those people here to look for Feng Qianxian?

“Hearing that, Bai Xiaoman was dumbfounded! ”

Ye Zao was nothing. There was nothing. Why were the professors looking for her?

What right did ye Zao have for the professors to come personally to look for her?

“Bai Xiaoman looked up at Li Yueyue. “Li Yueyue, stop joking! Those professors outside are clearly here to look for Xianxian! What has it got to do with ye Zao!” ”

“”I’m not joking! Those professors outside are here to look for ye Zao! It’s your own mistake!”Li Yueyue continued, “Ye Zao, quickly go in and change your clothes. I’ll go and inform the professors.” ”

Ye Zao was currently wearing his pajamas. There was a vacuum inside. It was definitely not suitable for him to go out just like that.

“Ye Zao looked up slightly. “I’ll have to trouble you, Yueyue.” ”

“No problem.”Li Yueyue waved her hand and walked out of the door.

Ye Zao found a set of clothes to change into.

“Three minutes later, he appeared at the entrance of the dormitory. ”

There were a total of six people standing outside the door.

“When the Bald Professor saw ye Zao come out, he was extremely excited. “Student Ye! We’ve finally met you in person! First of all, let me introduce myself. I’m Ma Haishen, a professor from the physics department!” ”

“”Student Ye, I’m Feng Youzhi, a professor from the science and Technology Institute!” ”

“”Make way! Make Way!”A professor wearing glasses squeezed to the front, “Student Ye, I’m Zheng Zilong, a professor from the medical department. I heard that student ye has very deep attainments in medicine. Our Medical Department has recently had an experiment. I wonder if we can have the honor to invite student ye to participate in it?” ”

““Why should student ye participate in Your Medical Department’s Experiment? Student Ye is the only one who has a full score in science! She should participate in our mathematics department’s Research! Student Ye, I Am Yin Xueming, a professor of the mathematics department!” ”

““Old Yin, you are wrong to say that! I am also from the physics department! According to what you said, student ye should participate in our physics department’s experiment NO MATTER WHAT!” ”

“The few professors argued until their faces turned red, forcing the two deans of the School of life sciences and the School of Information Science and technology to the back. ”

“Seeing that the few of them were about to quarrel, ye Zhuo said indifferently, “Professor Feng, Professor Zheng, Professor Ma, Professor Yin, Dean Zhang, Dean Liu, this isn’t the place to talk. Why Don’t we go downstairs and talk?” ”

“Okay! Let’s go to the conference room and talk!”

The group of people walked downstairs in a grand manner.
