“Chapter 441: 123: Trash, Lin Ze found his biological mother’s information! 2”

“Four well-known professors and two college presidents suddenly visited the dormitory building, causing a sensation in the entire building. They all stretched their heads out and looked outside. ”

Someone even took a photo and posted it on the forum.

It was already past nine o’clock in the evening.

“The night was hazy, so the photo was taken very vaguely. However, it could be clearly seen that the person who was surrounded by the professors and the two presidents was a girl. She was like a star worshipping the Moon. ”

She was very tall.

“Although her face could not be seen clearly, one could already feel that powerful aura. ”

It was cold and chilly.

She stood out among the professors.

“DAMN! This year’s freshman is a Little Shameless!”

“What’s the background of this freshman?”

“I heard that this freshman is especially perverted. She got a full score in the Comprehensive Science exam! She only got one point deducted from the national paper, but she still forgot to write one question!”

“Really?”

“80% credibility!”

In the dormitory.

“Ever since ye Zao left, Feng Xianxian’s expression was extremely ugly.”

“Ever since she was young, she had never lost such a person!”

“She was filled with joy as she opened the door, but in the end, the other party was not looking for her at all!”

“Instead, they were looking for ye Zao, who was inferior to her in everything!”

“Bai Xiaoman stood at the side, her eyes red as she apologized to Feng Xianxian, “Qianqian, I’m sorry. I didn’t know things would turn out like this. You’re so outstanding, you’re the top scorer in the capital! Ye Zao can’t even compare to a single strand of your hair. Those professors must be blind!””

“It was fine if Bai Xiaoman didn’t speak, but once Bai Xiaoman spoke, Feng Qianqian became even angrier!”

“If Bai Xiaoman hadn’t intentionally misled her, she wouldn’t have lost so much face.”

“Did you do it on purpose? You wanted to see me make a fool of myself, didn’t you?” Feng Xianxian raised her head and looked at Bai Xiaoman.”

“Bai Xiaoman shook her head aggrievedly. “Xianxian, I didn’t do it on purpose! I really didn’t do it on purpose! You’re the most outstanding person in our dormitory. I really didn’t expect those professors to come to ye Zao!” ”

“”Xianxian, please forgive me!” ”

“After saying that, Bai Xiaoman continued, “Ye Zao! It’s ye Zao! It’s all ye Zao’s fault! Ye Zao clearly knew that those professors came to look for her, but she pretended to not know anything! She wanted to see you make a fool of yourself on Purpose!” ”

“Hearing this, Feng Xianxian narrowed her eyes. ”

That’s right.

Why didn’t she think of this?

All of this was ye Zao’s fault!

“When the professors came to look for ye Zao, it was impossible that ye Zao did not hear anything beforehand, but ye Zao did not say anything. ”

“Ye Zao, that country bumpkin, was doing it on purpose! ”

Just wait.

She had to make ye Zao pay the price.

“Feng Xianxian bit her lip, and the sinister look in her eyes was about to come out. ”

Li Yueyue came out of the bathroom after taking a shower. She subconsciously felt that the atmosphere in the dormitory was not quite right.

But she did not say anything. She directly climbed onto the bed and started playing games.

“As long as Ye Zhuo was not in the dormitory, she basically did not say much.”

“Because Li Yueyue felt that apart from her and ye Zhuo, Feng Xianxian and Bai Xiaoman were not quite normal.”

It was strange.

“An hour later, ye Zao returned from outside.”

“Seeing ye Zao return, Li Yueyue said curiously, “Ye Zao, you’re back!” ”

“Yes.”Ye Zao nodded slightly.

“Li Yueyue continued, “I want to eat something tonight. Shall we order takeout? There will be a discount if we order two portions of this!” ”

“Sure! What do you want to eat?”

“Li Yueyue said in surprise, “Aren’t you afraid that you’ll gain weight if you eat at night?” ”

“”I’m not afraid,”ye Zhuo continued, “I want to eat spicy hot pot.” ”

Li Yueyue really didn’t expect that a fairy like ye Zhuo would actually like to eat spicy hot pot!

This was too down-to-earth!

“I want to eat spicy hot pot too!” Li Yueyue said excitedly, “Ye Zhuo, I didn’t expect us to be so fated!” ”

Feng Xianxian was lying on the bed applying a facial mask.

“Hearing ye Zao and Li Yueyue talking about spicy hotpot, her stomach churned and she felt like she was going to throw up. ”

“Sure enough, they were two country bumpkins who came out of a poor mountain. ”

They actually ate cheap and unhygienic junk food like spicy hotpot!

“Feng Xianxian pressed the facial mask and said, “Xiaoman.” ”

““What’s wrong, Xianxian?” ”

“Feng Xianxian continued, “I still have two coupons for a three-star Michelin restaurant here. Tomorrow night, you can accompany me to eat! It’s my treat!” ”

Feng Xianxian said casually.

Bai Xiaoman was very surprised when she heard that.

That was a three-star Michelin restaurant!

“A three-star Michelin restaurant not only had a per capita consumption of over 10,000 yuan, but it also only received pre-booked customers. ”

“Bai Xiaoman had only been to one-star restaurants, not even two-star or three-star restaurants. ”

Chapter 442: 123: Trash! Lin Ze found his birth mother’s information! 3

She didn't expect Feng Xianxian to be so generous!

“Really, Xianxian?” Bai Xiaoman said excitedly, “Can I go?” ”

“Feng Xianxian smiled and said, “Of course you can. Isn't it just a meal?” ”

“Xianxian, thank you!” ”

Bai Xiaoman was very happy now. She knew that she was holding onto the right thigh.

“It was only the first day of school, and Feng Xianxian had already invited her to eat at a Michelin restaurant! ”

The Michelin restaurant was already here.

Would it be far to introduce her to a rich second-generation boyfriend?

“Ye Zhuo and Li Yueyue, those two country bumpkins who ate spicy hot soup, would definitely be envious of her! ”

Those two people would only be worthy of eating spicy hot soup for the rest of their lives.

“In a short while, takeout arrived. ”

Ye Zhuo accompanied Li Yueyue to get takeout.

The two of them ate and chatted in the living room.

“In a short while, Li Yueyue changed the way she addressed ye Zhuo from “First name” to “Burning”.”

She realized that she really liked ye Zhuo.

Ye Zhuo was not the same as the cold and aloof beauty she imagined.

The spicy hot soup was very fragrant.

“The spicy and spicy taste was very strong. In a short while, the fragrance drifted into the bedroom through the living room.”

The alluring fragrance made people unable to help but swallow their saliva.

Bai Xiaoman was so hungry that she couldn't wait to order one immediately to quench her craving.

Feng Xianxian wasn't any better either.

But she was constantly numbing herself.

She told herself.

That kind of cheap junk food was eaten by lower-class people. A noble princess like her should go to a five-star restaurant and eat foie gras Australian Dragon King Crab.

“After eating the spicy hot pot, the two of them returned to the dormitory.”

Li Yueyue took out a bag of white stuff from her bag. “This is our specialty. Authentic milk slices can't be bought in the capital. Try it and see how it tastes!”

“Looking at the milk slices that Li Yueyue handed over, Feng Xianxian’s eyes were filled with disgust. ”

Could this kind of junk food really be eaten?

“Feng Xianxian was about to refuse when she suddenly changed her words. “Thank you, Yueyue.” ”

“You’re welcome.”

“Seeing that Feng Xianxian had accepted it, Bai Xiaoman did not dare to refuse and thanked her as well.
”

Ye Zao peeled a piece of milk slice and put it into his mouth.

The milk fragrance was rich.

It was sweet but not greasy. The taste was indeed not bad.

““Zao Zao, is it Delicious?”Li Yueyue looked at ye Zao. ”

“It’s very good.”

Li Yueyue was especially happy to receive ye Zao’s affirmation.

The next day was half a month of military training.

“At seven o’clock, ye Zao got up to wash up and change into a camouflage suit. ”

The camouflage suit of the capital university was a yellowish-brown desert camouflage suit.

Both men and women were the same color.

“The color of this desert camouflage suit was a little dark, and the size was not standard. People with slightly darker skin would not be able to suppress it at all.”

“However, Ye Zao was different.”

“She was tall and had outstanding facial features. When she wore the broad camouflage uniform, she had the innocence and liveliness of a girl of her age, as well as the valiant bearing of a female soldier.”

Her legs were straight and slender.

She was extremely cool.

“When she saw ye Zao come out, Li Yueyue said in surprise, “Oh my God! Zao Zao! You look too good in camouflage! I suspect that we are not wearing the same camouflage uniform!” ”

Li Yueyue’s figure was a little petite.

“She had the figure of a Lolita. With her big sister’s face and loose camouflage uniform, she looked bloated.”

“She was obviously 1.6 meters tall, but at this moment, she did not even look 1.5 meters tall.”

God knows how much she envied ye Zao now.

Ye Zao leaned over and helped Li Yueyue adjust her collar. “You look good in this outfit too.”

“Really?” Li Yueyue did not expect to hear the word “Good-looking” from ye Zao’s mouth.

“After all, Ye Zhuo was a great beauty. ”

Li Yueyue was still very happy to hear her words from the mouth of a great beauty.

“Of course it’s true.”

“Li Yueyue continued, “I have sunscreen here. Do you want to apply some?” ”

Ye Zhuo shook his head and declined.

“Li Yueyue asked in puzzlement, “Why not? Aren’t you afraid of getting a tan?” ”

“Ye Zao said, “It’s too troublesome to remove makeup even after applying this.” ”

Li Yueyue:” ...”

“In order to show her face on the military training field, Feng Xianxian specially got up at six o’clock to put on makeup and sunscreen. ”

She had just finished putting on makeup when she saw ye Zao and Li Yueyue coming out of the bathroom after changing into camouflage clothes.

“Her gaze fell on Ye Zhuo, and her expression turned ugly for a moment. ”

“She had been applying her makeup on her face for more than an hour, but it was actually not as good as ye Zhuo’s bare face! ”

Little B * Tch!

It was really too good for her!

She actually grew such a beautiful skin.

“But fortunately, the military training lasted for a total of fifteen days.”

“It rarely rained in the capital, and the temperature was high. The Sun was scorching hot!”

Chapter 443: 123: Trash! Lin Ze found his birth mother’s information! 4

Ye Zao couldn’t afford sunscreen.

“In these fifteen days, no matter how beautiful a person was, they would still be tanned.”

“The latest campus Belle would only be selected after the military training ended. At that time, the tanned ye Zao was destined to be her foil.”

“Thinking of this, Feng Xianxian curled her lips.”

““Xianxian,” Bai Xiaoman finished her makeup and looked at Feng Xianxian. “Are you ready? Are We leaving?””

They gathered at the sports field at eight o’clock. It was already half past seven.

““I still have lipstick to put on,” Feng Xianxian said.”

“Bai Xiaoman said eagerly, “Let me help you put on lipstick! I see that your makeup today is very light. It’s very suitable for lip-biting makeup.””

“Okay.”Feng Xianxian nodded.

“If someone was willing to be her maid, she would definitely be more than happy to do so. ”

“Bai Xiaoman was also very honored to be able to put on lipstick for Feng Xianxian. After all, Feng Xianxian was very generous! ”

“Li Yueyue looked at ye Zao and said in a low voice, “Let’s go first.” ”

Ye Zao nodded slightly.

The two of them walked in the direction of the sports field.

Beijing University had a total of three sports fields.

“Li Yueyue and ye Zao were both in class three, so the military training was also held together. ”

“Li Yueyue’s memory was not very good. “Ye Zao, which sports field are we training on again?” ”

““Western training,”ye Zao answered. ”

The two of them walked towards the western sports field together.

“At this moment, there were already many students gathered on the sports field. ”

“Ye Zao was wearing a camouflage uniform in a well-behaved manner. Unlike the other girls, he did not deliberately dress himself up. He had a hat on his head, and the wide brim of the hat covered most of his face. Only a part of his fair chin was left, she also had red lips that were burning like fire. ”

“Although her face could not be seen clearly, her valiant and valiant aura was something that others could not replicate. ”

Very few people could dress up so nicely in a wide camouflage uniform.

“As they watched her walk towards the chemistry department, the group of boys on the field exploded.
”

“F * ck! This girl is from our Pharmaceutical Chemistry Department?”

“Did the person from northern film next door run to the wrong set?”

“Dog two nudged Lin Ze’s waist. “Brother Ze, look at the pretty girl!” ”

“Although the two of them weren’t in the same dorm, they had chosen the same major, so they were very lucky to be assigned to the same class. ”

“Lin Ze raised his eyelids, and a valiant figure walked past the front of the group. If she wasn’t wearing a student’s camouflage uniform, people would believe that she was a female instructor. ”

““I’m not interested,” Lin ze said faintly. ”

“Dog Two looked at Lin Ze. “No Way, brother Ze! It’s already university, and you’re still so resistant to girls?” ”

““Troublesome.” From Lin Ze’s point of view, girls were especially troublesome. ”

“Dog two continued, “What if your father finds your mother and gives birth to a younger sister for you? What will you do?” ”

““No,” Lin ze answered coldly. ”

“When the younger sister is born, do you think you can throw it away?” Buttface continued, “Brother Ze, do you think you will become a sister-spoiling maniac?” ”

Buttface was very curious about what Lin Ze looked like when he became a sister-spoiling maniac.

“Lin Ze tilted his head and said coldly, “What are you thinking about?” ”

“Because of Feng Xianxian, he had hated girls since he was young. How could he become a sister-spoiling maniac?”

Unless it was raining red!

“Buttface patted Lin Ze’s shoulder, “Actually, not all girls are like Feng Xianxian. Brother Ze, you have to try to let go of the knot in your heart! Just that girl just now, I keep feeling that she’s a bit like the main character of the incident that caused a sensation in the female dormitory building last night.” ”

It couldn’t be said that she was a bit like him.

“In any case, she was a lot like him!”

“What female dormitory building?”

“Dog two began to explain to Lin Ze what had happened last night, “A total of four professors, and the presidents of two academies appeared together in the female dormitory building last night! Now, the forum was in an uproar. Everyone was very curious about the background of this new student! However, the photo on the forum wasn’t very clear, and I don’t know if this is the same person.” ”

Lin Ze didn’t continue.

He had never been interested in topics related to women.

Ye Zhuo and Li Yueyue walked into the line of class three.

The male-female ratio in class three was more even.

“The girls stood at the front of the line while the boys stood at the back. However, because the instructor hadn’t arrived yet, everyone stood together in a mess and talked about their own matters.”

When they saw ye Zhuo walk over.

Everyone immediately started discussing.

“Dafa! She’s actually from our Class!”

“Pay attention and listen to what her name is later.”

Only when the instructor arrived did the crowd quieten down.

“The instructor was tall and burly, very handsome. The moment he appeared, the girls started screaming.”

Chapter 444: 123: Trash! Lin Ze found his birth mother’s information! 5

““Quiet down. I’m your instructor, Gu Zuocheng.”The instructor held the name list in his hand. “Now, Let’s start the roll call. Call out the names.””

“Song Ruxue.”

“Here!”

“Zhao Wenjun.”

“Here!”

“Li Wenbin.”

“Here!”

“Li Yueyue.”

“Here!”

“...”

“Ye Zao.”

“Here.”

So she was ye Zao.

Song Ruxue looked in ye Zao’s direction and narrowed her eyes.

Song ruxue was Feng Xianxian’s best friend.

“Last night, she received a wechat message from Feng Xianxian. Feng Xianxian asked her to give ye Zao some suffering during military training.”

She had thought that ye Zao was just an ordinary little girl.

She did not expect ye Zhuo to be so beautiful.

No Wonder Feng Xianxian was afraid of her.

“After the roll call, the instructor corrected everyone’s military posture. He practiced walking upright, standing at attention, taking a rest, and turning between stops...”

Gu Zuocheng was a very strict instructor. He did not allow any small flaws.

“After two hours, everyone was miserable.”

One had to know that this group of university students were usually pampered at home. When had they ever suffered like this?

“While resting on the spot, Li Yueyue looked at ye Zao curiously. “Zao Zao, why don’t you look tired at all?””

She was as tired as a dog.

“When she looked at ye Zao again, she did not even take a deep breath.”

Ye Zao’s tone was indifferent. “Maybe it’s because I’ve practiced before.”

In the afternoon.

“When ye Zao went to the bathroom, she was saddened to find that her period had come early!”

“Because it was the first day, ye Zao had some chronic menstrual cramps. When she practiced in the afternoon, she seemed a little absent-minded.”

““The fifth girl in the third row, Step Out!””

“Ye Zao, who was suddenly called out, stood out.”

“Gu Zuocheng said with a dark face, “What’s going on? Didn’t you eat? Or do you know all these things that I taught you?””

Ye Zao stood up straight. “Yes! I know!”

“Hearing that, the other students looked at ye Zao in surprise.”

One had to know that Gu Zuocheng had just demonstrated the military boxing that he had taught everyone.

Ye Zao knew it already?

He must be bragging!

The girls standing in the middle were discussing animatedly.

““What’s wrong with ye Zao? She did it on purpose, right?””

““I think she just wants to attract the attention of our instructor. After all, she’s so good-looking. Once she attracts the attention of the instructor, she’ll be given special treatment.””

“Song Ruxue was worried that she couldn’t find a way to torture ye Zao, but she didn’t expect ye Zao to come to her door of his own accord. She spoke in a contemptuous tone, “Some people rely on their

good looks to get the instructor to look at her differently. Unfortunately, our instructor is a rough man, a straight man of steel. I'm afraid she's going to miscalculate.'"

"Hearing this, the crowd immediately burst into laughter."

Song Ruxue was right.

Gu Zuocheng was a rough man.

"He never had any feelings for beauty, nor did he know how to be kind to women."

"Seeing that Ye Zhuo was so arrogant., Gu Zuocheng said with a cold face, "You know it, right? Then show me the military boxing that I just taught you! If you don't know it, run twenty laps around the field! Otherwise, you won't be able to eat dinner tonight!"

As soon as he said that.

The girls looked like they were watching a good show.

Running twenty laps on the field!

It was really too pitiful.

Ye Zhuo narrowed his eyes and walked to the front.

"Gu Zuocheng faced the crowd, with a straight face, he said, "During the military training period, I will train you strictly according to the military system. It's the same for men and women! After all, the bullets of the enemy on the battlefield won't miss just because you are a girl! "Don't think that some people can get preferential treatment just because they're a girl! "All of you, be more down-to-earth!"

"After saying that, all the students stared at the front with their mouths agape."

Gu Zuocheng frowned slightly.

“When he was teaching them military boxing, these little brats weren’t that serious, but they were more active when looking at beautiful women!”

They deserved a beating!

Gu Zuocheng tilted his head and looked at Ye Zhuo.

When he looked at her.

Gu Zuocheng was also stunned.

Ye Zhuo’s military boxing was already halfway done.

“Whether it was kicking or punching, they were all very standard. Their movements were fluid, and there was an aura that could not be imitated.”

She was clearly the only one in front.

But she gave off the aura of an army!

“Gu Zuocheng was born a soldier, so he naturally knew that many professional female soldiers would not be able to do what she did.”

It would be a lie to say that he was not surprised!

Gu Zuocheng did not expect ye Zhuo to really know military boxing.

And it was so powerful!

“After a set of military boxing, Gu Zuocheng asked, “What’s Your Name?””

Chapter 445: 123: Trash! Lin Ze found his birth mother’s information! 6

“Ye Zao.”

“Gu Zuocheng nodded. “Go to the side and rest for a while.”After saying that, he turned around and said to the other students, “Let’s continue!” ”

Song Ruxue was stunned.

The other people who were waiting to watch ye Zao’s show were also stunned.

They originally thought that ye Zao was a piece of scrap metal.

They did not expect that this person was actually a King!

It was not until five o’clock in the evening that the day’s military training ended.

Li Yueyue held ye Zao’s hand and returned to the dormitory. “Zao Zao! You were really too cool today! You Don’t even know how wonderful King Gu’s expression was back then!”

“”Just average, third place in the world.” ”

The two of them said as they returned to the dormitory.

Feng Xianxian and Bai Xiaoman were not in the dormitory.

“Li Yueyue started to remove her makeup. “Zhuzhuo, let’s go out for dinner after we shower. I haven’t eaten outside of school yet!” ”

“Ye Zhuzhuo nodded slightly. “Alright, I’ll go take a shower first.” ”

“After Li Yueyue removed her makeup, she went to the bathroom to wash her face. At this moment, she accidentally kicked over Feng Xianxian’s personal trash can. ”

“In order to show that she was different from them, the trash can that Feng Xianxian used was a famous luxury brand. There was even a layer of gold foil on the outside of the trash can. ”

It looked very high and mighty.

Li Yueyue quickly squatted on the ground to pick up the trash.

“Just as she was throwing the trash away, Li Yueyue saw a familiar thing in the deepest part of the trash can. ”

That was —

The milk slice that she gave Feng Xianxian!

Li Yueyue did not mind the dirt. She directly reached into the trash can and took out the bag.

As expected.

This whole bag was filled with milk slices that she gave Feng Xianxian.

“In an instant, the smile on Li Yueyue’s face disappeared without a trace, and her anger rose in all directions! ”

These milk slices were all made by Li Yueyue’s mother personally.

They were all natural and did not have any additions.

“In Li Yueyue’s eyes, these were priceless treasures. ”

“After all, her mother usually did not make things easily. ”

“Feng Xianxian could not accept her things, and she could also despise her. However, she should not accept them and throw them into the trash can in the blink of an eye after accepting them. ”

This was a form of disrespect!

“Li Yueyue hugged the bag of milk slices and was so angry that her whole body was trembling. After a long while, she stood up from the ground, peeled a piece of milk slice, put it into her mouth, and then put the rest of the milk slices into the cabinet. ”

Ye Zao’s cabinet was right next to hers.

“Through the transparent glass, one could see that ye Zao had already eaten more than half of the milk slices. ”

“Not long after, Ye Zao came out of the bathroom after taking a shower. “Yueyue, do you want to take a shower?” ”

“Right away!”Li Yueyue carried her pajamas and walked out of the bathroom.

“While Li Yueyue was taking a shower, ye Zao turned on the computer and checked Zhang Dahai’s situation.”

“According to the monitor, Zhang Dahai did not give up on investigating her and Ye Shu.”

Ye Zao raised his eyebrows slightly and checked the chat records of Zhang Dahai’s major communication tools through the monitor.

“At this moment, ye Zao found a person named ‘waiting for a city’ on Zhang Dahai’s wechat list. Something was not right.”

Waiting for a city?

Who Was this person?

“At the same time, the door of the dormitory was opened from the outside.”

Feng Xianxian and Bai Xiaoman walked in from the outside.

“Xianxian, the culinary skills of the three-star Michelin restaurant’s chef are really too good! I’ve never eaten such delicious foie gras! And that sashimi is also not bad!”

“Feng Xianxian smiled and said, “If you like it, I’ll bring you there next time.””

Bai Xiaoman did not expect to have a surprise. “Really?”

“Of course it’s true.”

“As she spoke, Feng Xianxian’s gaze swept past ye Zao.”

“She saw ye Zao sitting in front of the computer, constantly typing on a black screen.”

He turned a deaf ear to their words.

Feng Xianxian curled her lips.

“Ye Zao was faking it, right?”

“A bumpkin from the countryside had never been to a three-star Michelin restaurant. Now, ye Zao must be very jealous of her.”

What a pity.

Some statuses could not be jealous.

She was born to be the eldest daughter of the Lin family.

“After a while, Li Yueyue came out of the bathroom. “Zao Zao, let’s Go Eat.” ”

“Feng Xianxian held a handbag and stood next to Li Yue Yue with a smile. “Yue Yue, thank you for the milk. This is a return gift I prepared for you! ZY’s latest temperature-adjustable air-conditioner.” ”

Feng Xianxian did not really want to be friends with Li Yue Yue.

She just wanted to bribe Li Yue Yue so that Li Yue and Bai Xiaoman would be on her side and isolate ye Zhuluo together!

Isolation was the most terrifying cold violence!

She had to let ye Zao know what it meant to be a noble in the capital!

Those who offended her would not have a good ending.

“Chapter 446: 123: Trash, Lin Ze found his birth mother’s information! 7”

“The most effective way to buy people’s Hearts was money. After all, money could make the devil move.”

ZY’s air-conditioned clothes were very popular.

“Not only were they expensive, ordinary people couldn’t buy them at all.”

Li Yueyue didn’t say anything and just looked at Feng Xianxian.

“Feng Xianxian smiled and said, “Yueyue, I guess you don’t know what air-conditioned clothes are, right? Air-conditioned clothes are clothes that can adjust the temperature according to the human body’s temperature. It’s warm in winter and cool in summer! It’s like carrying an air-conditioner with you!” ”

Li Yueyue was just a lackey from the countryside.

It was normal for her to not know about Zy’s air-conditioned shirt.

“Bai Xiaoman continued, “Li Yueyue, do you know how expensive ZY’s air-conditioned shirt is? I’m afraid that even with all the savings of your family combined, you might not be able to afford an air-conditioned shirt! It’s your honor to be able to meet Xianxian. Hurry up and thank Xianxian!” ”

Li Yueyue took the bag and smiled.

Feng Xianxian also smiled.

She knew that no one in this world could resist the temptation of money.

But in the next second.

Feng Xianxian was stunned.

Because Li Yueyue threw the bag into the trash can. "Who cares about your things!"

"Bai Xiaoman was shocked and said angrily, "Li Yueyue! You're too much! How can you throw away Xianxian's things!" "

"I've gone too far?" Li Yueyue looked at Bai Xiaoman and said, "Then when Feng Xianxian threw away the milk chips that I gave her, didn't she go too far?" "

"Bai Xiaoman said, "How much is that lousy milk chip of yours worth? How can it be compared to the air-conditioner clothes that Xianxian gave me? !" "

A country bumpkin was indeed a country bumpkin!

He didn't even have the slightest discernment.

"Li Yueyue sneered, "Bai Xiaoman, I can finally see it! You're just a dog by Feng Xianxian's side! In order to get some meat scraps from her, you don't even want your dignity anymore! Disgusting!" "

Bai Xiaoman was also pampered and raised.

When had she ever been treated like this?

“She had never been pointed at and scolded before, so she immediately raised her hand and wanted to give Li Yueyue a slap.”

Li Yueyue was dumbfounded.

“Although she had a strong personality, her fighting ability was not very strong. Seeing that Bai Xiaoman’s palm was about to fall, Li Yueyue was so scared that she closed her eyes.”

“However, the palm that she had imagined did not fall.”

Li Yueyue opened her eyes quietly and saw a hand holding Bai Xiaoman’s wrist that was falling.

“Looking up, she saw that face with picturesque features.”

This was...

Ye Zhuo!

“Ye Zhuo was 1.73 meters tall, taller than her and Bai Xiaoman. A shadow was reflected on Li Yueyue’s face.”

Li Yueyue only felt that the person in front of her was really cool!

“Bai Xiaoman did not expect ye Zao to suddenly make a move. She also did not expect ye Zao to be so powerful. “Ye Zao, let go of Me!” ”

“Apologize to Yueyue.”

“Ye Zao’s tone was clear and shallow, but there was a sense of oppression.”

“Bai Xiaoman said, “She was the one who scolded me first! Why should I apologize to her?” ”

Ye Zao tilted his head slightly. “Then why didn’t you say that you provoked Yueyue First?”

“Bai Xiaoman said angrily, “If Li Yueyue didn’t throw away Xianxian’s gift, would I have done that?” ”

“”Feng Xianxian threw away Yueyue’s milk pills first, so Yueyue threw away her air-conditioning clothes. So, they don’t owe each other anything! Why are you meddling in this? Apologize!” ”

“At the last sentence, Ye Zao increased the strength in his hands. ”

“She still seemed to be gently pinching Bai Xiaoman’s wrist, but Bai Xiaoman grimaced in pain. “You, let go of me!” ”

“Apologize.”

“”Okay, okay, okay, I apologize, I apologize.”Bai Xiaoman turned her head to apologize to Feng Xianxian. “Li Yueyue, I’m sorry.” ”

“Only then did ye Zao let go of Bai Xiaoman’s wrist. “Yueyue, let’s go.” ”

“Okay.”Li Yueyue held onto ye Zao’s arm and walked out of the dormitory.

“When they reached downstairs, Li Yueyue said excitedly, “Zao Zao, you’re really amazing! I admire you so much! From now on, you’ll be my idol!” ”

“Ye Zao’s eyebrows remained the same. “You have to change your temper too. Otherwise, you’ll be at a disadvantage outside.” ”

“Li Yueyue nodded. “I also know that my temper is a little hot, but I can’t change it. Zao Zao, can you teach me a few moves?” ”

“I’ll consider it if you treat me to dessert.”Ye Zhuo raised his eyebrows.

“It’s a deal!”

...

On the other side.

In the boys’dormitory.

Lin Ze came out of the shower and received a phone call.

“It was unknown what was said on the other end of the phone, but Lin ze said, “Okay, I’ll be right back.”
”

“After saying that, Lin Ze hurriedly changed his clothes and returned to the Lin residence. ”

Old Mrs. Lin was not at home.

Aunt Zhang also followed her out.

Lin Ze avoided the servants at home and went to Old Mrs. Lin’s room to rummage through the cabinets.

He was looking for the key.

He was looking for the key to Lin Jincheng’s room.

“This summer vacation, Lin Ze had searched every corner of the Lin family except for Lin Jincheng’s room.”

Lin Jincheng’s room was locked all year round.

“Apart from Lin Jincheng, only old Mrs. Lin had the key.”

“Previously, Lin Ze had tactfully asked for the key from old Mrs. Lin, but Old Mrs. Lin had directly rejected him. Moreover, her expression was very ugly.”

Lin Ze felt that Lin Jincheng’s room must be hiding a secret!

“Otherwise, old Mrs. Lin wouldn’t be so angry!”

“As time passed, Lin Ze still couldn’t find the key. He was so anxious that his forehead was covered in sweat.”

“At this moment, he finally saw a rusty key in the old lady’s jewelry box.”

It must be this key.

“Lin Ze picked up the key, restored the jewelry box to its original state, and ran upstairs.”

Lin Jincheng’s room was on the fifth floor. Lin Ze took a deep breath and inserted the key.

Crack —

The door opened.

It really was this key!

Lin Ze was overjoyed.

He walked into the room and closed the door.

The layout of the room was very simple.

“There was a bed, two bedside cabinets, and then a wardrobe. ”

Lin Ze opened the cabinet and did not find anything unusual inside.

“At this moment, Lin Ze suddenly saw a safe in the corner. ”

His intuition told Lin ze that this safe must contain secrets about his mother.

Lin Ze tried to enter the password.

He entered his birthday and Lin Jincheng’s birthday.

But... nothing was right.

“The safe was connected to the internet. If he entered the wrong password three times in a row, the alarm would go off. ”

“Lin Ze took out his phone and took a few photos. Then, he made a call. “Can you decipher the password of this safe?” ”

“Chapter 447: 124: face-smacking, meeting parents. Have you heard of Doctor Gu? 1”

""This safe is the latest model from Thailand. The security system is especially strict. If I'm not wrong, there's an English website on the far left. Send me that website.""

""Okay." After hanging up, Lin Ze found the website on the left side of the safe and sent it to the other party."

"After doing all this, a voice came from downstairs."

It was madam Lin and the others.

Lin Ze frowned slightly and quickly restored the room to its original state. He carefully came out of the room and walked downstairs.

"Meow."

A fat cat rushed down from the cat rack and jumped into Lin Ze's arms.

Lin Ze carried the cat downstairs.

"Seeing Lin Ze, Madam Lin said in surprise, "Ah Ze, why are you back?""

Lin Ze's expression was the same as usual. "I came back to get some clothes."

"Old Mrs. Lin said, "How can you come back on your own after getting some clothes? Just give Xiao Liu a call and ask him to send them over to you.""

"I'm not used to other people entering my room."

“Since you’re already back, you can stay at home for dinner. Your Aunt Feng will be cooking tonight.” On the other hand, old Mrs. Lin also wanted Lin Ze and Feng Qianhua to develop a relationship.”

“I’ve already eaten. Grandma, you guys can eat. I’ll be leaving first.” Lin Ze rubbed his cat and walked out of the door.”

“Seeing Lin Ze like this, Madam Lin’s eyes flashed with displeasure.”

“Lin Ze would always be like this. No matter how good Feng Qianhua was to him, he would always be impervious!”

It was as if he had no heart.

Feng Qianqian was many times more sensible than him.

“Old Mrs. Lin did not understand. She was the one who raised Lin Ze. Moreover, Feng Qianhua often brought Feng Qianqian to visit him when he was young. Why did he not have any feelings for Feng Qianhua at all.”

“If Feng Qianqian could treat Lin Jincheng as her biological father, why couldn’t Lin Ze treat Feng Qianhua as his biological mother?”

Was it because Lin Ze crawled out from Ye Shu’s stomach?

Ye Shu’s blood flowed in his bones?

“But not only was Ye Shu fickle-minded, she hadn’t even fulfilled her responsibility as a mother for a day. As long as Lin Ze knew his limits, he should also know that a mother like Ye Shu shouldn’t be concerned about her.”

Because she wasn’t worthy.

Feng Qianhua was more qualified to be a mother than she was.

“She didn’t know when Lin Ze, this child, would become sensible.”

“The more she thought about it, the more uncomfortable she felt.”

“Auntie Lin, is Ah Ze back?” Feng Qianhua walked in through the back door.”

“Yes.” Old Mrs. Lin continued, “He said he came back to get his clothes.”

“OH.” Feng Qianhua nodded. “Then I’ll go back to the kitchen. If Auntie Lin needs anything, just call me.”

“Okay.” Old Mrs. Lin smiled and said, “Qianhua, thank you for your hard work!”

“No, it’s my pleasure.”

“Looking at Feng Qianhua’s back, Old Mrs. Lin seemed to have thought of something. She quickly picked up her phone and made a call.”

Soon.

The call was connected.

“Secretary Zhang?”

“Old Mrs. Lin, it’s me.”

“Old Mrs. Lin continued, “Is Jin Cheng by your side?””

“Secretary Zhang replied, “President Lin went to the sanatorium after settling official business.””

“Did you manage to do that?”

Secretary Zhang was holding a document on the other end of the phone. His face was full of hesitation. He had been by Lin Jin Cheng’s side for more than five years. He knew how difficult it had been for Lin Jin Cheng all these years.

To make him betray Lin Jin Cheng.

He really couldn’t do it.

“Secretary Zhang!”

Old Madam Lin’s voice sounded again.

“Secretary Zhang opened his mouth. “Old Madam, I...””

“Madam Lin suddenly shouted, “Secretary Zhang, don’t you want to save your children? If you don’t want to save them, I’ll immediately stop the hospital’s medication!””

“Secretary Zhang had a son and a daughter, aged 10 and 12 years old.”

“Earlier this year, he was suddenly diagnosed with uremia.”

“For uremia, a single round of hemodialysis and peritoneal dialysis was not a small expense. If he were to receive a kidney transplant later on, it would be a huge sum of money!”

“Thinking of his young children, Secretary Zhang’s eyes suddenly turned red. “Old Lady, don’t Be Like This! I’ll do it right away!””

“I’ll wait for your news.” Only then was Old Lady Lin Satisfied.

“After hanging up the phone, secretary Zhang looked at the documents in his hands and then looked at the safe in the corner of the office.”

“In his dilemma, he still walked to the safe and opened it.”

There was only one diary in the huge safe.

“The owner of the diary was Lin Jincheng, which recorded all his memories of Ye Shu.”

“Chapter 448: 124: face-smacking, meeting with parents. Have you heard of Doctor Gu? 2”

“Lin Jincheng’s memory was damaged by the car accident. Sometimes, he would suddenly lose his memory. He needed to read his diary to remember those past events. ”

What Old Mrs. Lin asked him to do was to secretly change Lin Jincheng’s diary.

This new diary was written by Old Mrs. Lin who had someone copy Lin Jincheng’s handwriting.

The memories in it were pretty much the same.

“The only difference was that the female lead, Ye Shu, was changed to Feng Qianhua. ”

One of Ye Shu’s twins was changed to Feng Xianxian.

“This way, Feng Qianhua could successfully become the matriarch of the Lin family, and Feng Xianxian would become the eldest daughter of the Lin family. ”

Lin Jincheng usually looked at this diary more than his own life.

Secretary Zhang really couldn't bear to betray Lin Jin Cheng's trust.

But now.

He had no other choice.

He couldn't just watch his son and daughter die...

““Chief Lin, I'm sorry.” ”

“Secretary Zhang took a deep breath and took out the notebook with trembling hands. Then, he took out another identical notebook from the file bag and swapped it in. ”

“After doing all this, secretary Zhang called Old Mrs. Lin. ”

“Old Mrs. Lin immediately picked up the phone. “Secretary Zhang! You've done well in this matter. Don't worry, you'll have a bright future.” ”

Secretary Zhang's face was full of bitterness.

“Old Mrs. Lin continued, “Clean up that old notebook for me.” ”

“Got it.”

Secretary Zhang brought the document bag out of the office.

On the other side.

The Lin family.

“After Old Mrs. Lin hung up the phone, a smile appeared on her face.”

She had waited for so many years.

“Finally, she had hope.”

“When she thought about how Feng Qianhua was about to become the daughter-in-law of the Lin family, the smile on Madam Lin’s face became even wider.”

“Feng Qianhua brought the dishes to the table. “Aunt Lin, what are you smiling about?” ”

Madam Lin glanced at Feng Qianhua. “It’s a secret!”

“Feng Qianhua asked curiously, “Is there anything else that I can’t know?” ”

““You’ll know when the time comes.” Old Madam Lin held Feng Qianhua’s hand, she said earnestly, “Qianhua, I’ve made you suffer in our Lin family all these years. Don’t worry, I’ll immediately get Jin City to give you a proper title!” ”

Feng Qianhua had waited for Lin Jin city for more than 19 years.

“If it were anyone else, would they be able to do what she did?”

“Feng Qianhua smiled and said, “Aunt Lin, you’re being too polite by saying this. All these years, you’ve always treated me as your own daughter and Xianxian as your own granddaughter. What I’ve done is nothing compared to what you’ve done.” ”

“Old Madam Lin looked at Feng Qianhua lovingly, “I don’t want you to be my daughter! In My Heart, you’ve always been my daughter-in-law and Ah Ze’s mother! If it weren’t for you, our Lin family would have collapsed long ago!” ”

Old Madam Lin was very satisfied with Feng Qianhua.

She liked her from the start.

“Unfortunately, Lin Jincheng was too rebellious at that time. He didn’t like the daughter-in-law, Feng Qianhua, and fell in love with the fickle ye Shu. ”

“”No.”Feng Qianhua looked at Old Madam Lin, she said emotionally, “Aunt Lin, I’m really not as good as you think. Besides, I volunteered to wait for Brother Jincheng. I know that brother Jincheng has always had ye Shu in his heart, and he has never forgotten her...” ”

“Hearing this, old madam Lin interrupted feng qianhua, “A fickle woman like ye Shu is not worthy of being remembered by Jin Cheng for so many years! Qianhua, don’t worry, Jin Cheng will soon forget ye Shu!” ”

Old Mrs. Lin specifically asked Lin Jin Cheng’s attending doctor.

“Because of the serious damage to his cerebellum, Lin Jin Cheng would forget about the memory from 19 years ago about once every month to half a month. During this period, he would rely on his diary to recover his memory. ”

“When Lin Jin Cheng forgot about Ye Shu again, he would definitely flip through the diary. ”

“At that time, Feng Qianhua would be ye Shu. ”

“Thinking of this, Old Lady Lin’s eyes were filled with light. It was as if she could already see Feng Qianhua marrying into the Lin family.”

Feng Qianhua narrowed her eyes slightly.

A faint light quickly flashed across her eyes.

So...

Old Lady Lin had already succeeded?

“Feng Qianhua hid the expression in her eyes very well and continued, “Aunt Lin, let’s not talk about these things. This is the tofu soup that I specially made for you. Please try it and see if it tastes good.” ”

“Old people had bad teeth, so they liked to eat soft things. ”

“Aunt Zhang added, “Old Lady, in order to make this tofu soup, Miss Qianhua has been busy for more than two hours. This soup is made with lamb and old hens. It’s very fresh. You have to eat more later.” ”

“Chapter 449: 124: face-smacking, meeting parents. Have you heard of Doctor Gu? 3”

““Good, good, good!”Old Madam Lin said happily, “I love eating tofu soup made by Qianhua the most!””

“Besides Feng Qianhua, who else would be so filial?”

Aunt Zhang served some tofu soup to old madam Lin.

“After dinner, Aunt Zhang sent Feng Qianhua out.”

The two of them walked one after the other without saying a word.

Only when they left the Lin Manor did Mrs Zhang pick up her pace and walk to Feng Qianhua's side. "Secretary Zhang has already succeeded."

"Although she had already made preparations, Feng Qianhua was still a little in disbelief. "Are you sure?""

"Mrs Zhang nodded. "Secretary Zhang's children are very sick now. Once the old lady asks the old lady to stop taking the medicine, then they will only have a dead end. So you don't have to worry about other complications.""

That's great!

That's really great!

"After waiting for so long, Feng Qianhua finally saw Hope!"

Once she and Lin Jincheng were done with their work...

So what if ye Shu brought the children to her house?

A mistress was a mistress!

A rat crossing the street who could not be seen in the light.

"At this moment, Feng Qianhua's eyes were full of light. She turned to look at Mrs Zhang and said gratefully, "Thank you! Thank you so much!""

Yes.

Feng Qianhua had deliberately set this up from the beginning to the end.

“When she knew that Lin Jin Cheng needed to rely on the diary to recover his memory, she knew that her chance had come!”

Secretary Zhang had been by Lin Jin Cheng’s side for five years.

Feng Qianhua knew secretary Zhang’s character very well.

She knew that Secretary Zhang would not betray Lin Jin Cheng.

“Otherwise, Lin Jin Cheng would not have trusted secretary Zhang So Much and told his secrets to Secretary Zhang.”

Until...

Something went wrong with Secretary Zhang’s daughters.

“As a parent, they valued their children the most.”

Feng Qianhua knew that Secretary Zhang would definitely not ignore his sons and daughters.

“So, Feng Qianhua thought of using someone else to kill someone else.”

Using old Mrs. Lin’s hands to complete the plan.

“This way, she could complete the plan and continue to leave a good impression in front of old Mrs. Lin and Lin Jincheng, acting as a good wife and mother.”

Killing two birds with one stone.

“Old Lady Lin was Lin Jincheng’s mother, and everything she did was for the good of Lin Jincheng.”

“Even if Lin Jincheng knew the truth about the diary being changed in the future, he couldn’t blame her. After all, this matter had nothing to do with her.”

Feng Qianhua knew how much Old Lady Lin liked her.

Old Lady Lin even dreamed of letting her marry into the Lin family.

It turned out that.

Feng Qianhua was not wrong.

And Madam Lin did not disappoint Feng Qianhua.

“So, with the help of Mrs Zhang, Madam Lin naturally thought of changing her diary and found a person who was good at copying other people’s handwriting overnight.”

The person Feng Qianhua was most grateful to now was Mrs Zhang.

Mrs Zhang had been in the Lin family for more than 20 years.

“Aunt Zhang was the person that Old Lady Lin trusted the most. If it weren’t for Aunt Zhang’s advice in front of Old Lady Lin, things wouldn’t have gone so smoothly.”

Aunt Zhang patted Feng Qianhua’s hand. “Of course. It’s dark now. Take care on the road. I’ll let you know immediately if anything happens here!”

“Okay, thank you.” Feng Qianhua nodded. “Then we’ll keep in touch at all times.”

Aunt Zhang watched Feng Qianhua get into the car and then walked into the Lin Manor.

Old Mrs. Lin sat on the sofa. “Qianhua went back?”

“Yes.” Aunt Zhang nodded.

Old Mrs. Lin looked out the door. “Qianhua is a kind and good child. Don’t tell her about secretary Zhang Changing the diary! I don’t want to burden her!”

“In Old Mrs. Lin’s heart, Feng Qianhua had never been a person who played tricks.”

Because Feng Qianhua was disdainful.

“If she had been scheming, she would have made a move on Lin Jin Cheng long ago. She wouldn’t have waited until now.”

“Old Mrs. Lin, I know,” aunt Zhang continued, “I watched Miss Qianhua grow up. I know her character. Don’t worry, I won’t tell her a word about this.”

“At this point, a worried look appeared on Aunt Zhang’s face. “Now... If Jin City finds out the truth, will he blame Miss Qianhua?””

“Old Madam Lin said with a straight face, “He won’t! He dares! If he wants to blame someone, he’ll blame me, his mother!””

Aunt Zhang nodded.

“Old Madam Lin Sighed. “Qianhua, this child is too scheming! If I don’t use some means to help her this time, she’ll probably have to wait for her whole life!””

“Therefore, she must not let Feng Qianhua miss this opportunity!”

“Chapter 450: 124: face-smacking, meeting parents. Have you heard of Doctor Gu? 4”

“”I know! In the end, Miss Qianhua is too soft-hearted...”Zhang Sao echoed. ”

...

On the other side.

“After ye Zhuo and Li Yueyue finished their dinner, they returned to the dormitory. ”

“Ye Zhuo, an Lizi, and Zhao Pingting were watching a video together. ”

“Although it had only been a day, an Lizi and Zhao Pingting’s skin had obviously darkened by a degree. ”

“After chatting, Ye Zhuo turned on his computer and started working on the management company. ”

The company was already registered —

“Xing Tianxia Culture Co. , Ltd. . ”

“As soon as he turned on his computer, he received a message from his partner, Li Shang. ”

“Li Shang was previously the CEO of Dazhuan culture, and he had started from nothing with his partner, Zhao Jianghe.”

It was a pity.

“There was no room for two Tigers on the same mountain. As Dazhuan culture climbed higher and higher, Li Shang’s abilities became stronger and stronger. Zhao Jianghe also became more and more fearful of Li Shang, so he used methods to take away the real power in Li Shang’s hands. He then tried to frame Li Shang again, step by step, he chased Li Shang out of the great legend culture.”

Ye Zhuo opened the message that Li Shang had sent him.

Li Shang: [the location of the company has already been decided. When will you have the time to come over and take a look?]

“Bei Feng: [no need, as long as you think it’s fine.]”

Li Shang: [? ? ?]

Were all rich people nowadays so willful?

This partner called ‘bei Feng Qi tie’ had only chatted with him online for a few days before sending a huge sum of money into his account.

“The two of them had not even met formally before. He did not even know bei Feng Qi Zhen’s real name, whether it was a man or a woman...”

Was bei Feng Qi Zhen not afraid that he would run away with the money?

“However, the other party seemed to have seen through Li Shang’s worries as he sent a message over. [don’t worry, you won’t be able to run away.]”

[picture jpg][picture jpg][picture jpg]

Li Shang clicked on the three pictures and was immediately stunned. His face turned pale.

“The first picture showed his household registration address and current address. Below that was the record of his departure during this period, and even the detailed address of his departure.”

“The second picture showed all the asset certificates under his name, as well as his previous employment experience.”

“The third picture showed the status of his family members, and even where his children went to school. It was clearly marked.”

This was too terrifying!

Who was the other party?

Why could he check his privacy so thoroughly.

Li Shang gulped.

“At this moment, the other party sent another message: [don’t worry, I’m not a liar, and I’m not Zhao Jianghe! Also, the contract is very clear. I’ll pay, you’ll contribute, and you’ll have 10% of the shares.]”

“[if you regret it, it’s still not too late.]”

Only then did Li Shang react. He hurriedly sent a message over. [no! I don’t regret it!]

“Back then, when Bei Feng had finally found him, he had been at the most lost in his life.”

He was over 40 years old and had suddenly lost his job. He still had a wife and children at home to support him.

Li Shang had been working in the media industry for ten years.

“Apart from the media industry, he knew nothing and knew nothing.”

“However, the requirements for those companies were particularly high. They required a high degree, and some of them even imported talents directly from abroad.”

“Other than the ten years of work experience, Li Shang had no degree and no connections. He could not find any good jobs at all.”

“Helpless, he could only post job applications online.”

Who would have thought that someone would actually come looking for him.

“Just as Li Shang thought that the other party was making fun of him, a few days later, he received a bank transfer message.”

“When he opened it, he was completely dumbfounded.”

Only then did he realize that the other party was not joking with him.

“Bei Feng: [Oh Right, Sitara YC’s Ye is our company’s first signed streamer. Please get your marketing account to send out the release as soon as possible.] ”

“Seeing this news, Li Shang was completely stunned.”

“Sitara YC’s Ye had already debuted for more than a year, and had become a hot topic on all the short video platforms. All the big companies had extended an olive branch to her, and even the culture that Li Shang was previously in wanted to sign with her, but Sitara YC’s Ye had rejected it. ”

“Originally, Li Shang was still worried. Their company had just debuted, so there was no way they could sign with any popular streamer. They could only rely on nurturing new people to develop their influence. ”

He did not expect that the boss whom he had never met before would actually sign a contract with Sitara YC’s Ye!

“With Sitara’s live traffic, why would he need to worry about the company’s lack of popularity? ”

“While he was shocked, Li Shang was still a little worried that ye Zhuo was looking for him to be happy, so he turned on melody and searched for Sitara YC’s Ye. ”

“When he opened Sitara YC’s Ye’s personal information, he saw the column marked on his personal information: [Xing Tian Xia Culture Co. , Ltd. has signed a contract with a streamer.] ”
