

## Almighty D 461

Chapter 461: 125: Scum will never be late. Everyone was dumbstruck. Ye Zao was Miracle Doctor Ye! 6

Ye Zao: "..."

"CEN yuying said, "And me, Zao Zao. You took second girl's things, so you can't not take my things. "I'm the same as your second sister. I don't know what you like either, so I just casually prepared some. You mustn't despise it.""

"As soon as she said this, the maid brought over a few jewelry boxes. Inside were collection-level jade and a bracelet from a famous luxury brand..."

Ye Zao: "...this was called casually preparing some?"

"Cen Yueying said in a distressed manner, "The jewelry and skincare products were all bought by eldest sister and second sister. As the third sister, I can only make do with it.""

"After saying that, she stuffed the two car keys that she had prepared earlier into ye Zao's hands. "You usually drive one for fun, and the other for school.""

Two cars.

One was a Lamborghini.

The other was an Aston Martin.

Ye Zao: "...this was called making do with it?"

“Seeing that her three sisters had given her gifts, Cen Yuyan had to make a move no matter how much she disliked ye Zao. Cen Yuyan took out a gold card from her bag. “Time is short, I didn’t have time to prepare a gift. You can keep this gold card.””

Now it was up to ye Zao to see if he dared to touch the money inside!

““Thank you, fourth sister, but I really can’t take this card.””

““Take it, you’re welcome.”Cen Yuyan directly stuffed it into ye Zao’s hand.”

“Ye Zao could only take it temporarily. He thought that when he returned later, he would pass it to Cen Shaoqing.”

“Seeing that ye Zao had taken the card, Cen Yuyan’s eyes revealed a disdainful look.”

She knew that ye Zhuo was here for the Cen family’s money.

What the four sisters gave today was enough for ye Zhuo to eat for the rest of his life!

Ye Zhuo turned to Cen Shaoqing. “Go and bring the gifts I prepared for the sisters.”

Cen Shaoqing nodded slightly and became a porter.

“Cen Yueya said in surprise, “Yezi, you even prepared gifts for us?””

Ye Zhuo nodded slightly.

“Not long after, Cen Shaoqing returned with a few gift boxes.”

Cen Yuyan frowned slightly.

This ye Zhuo really knew how to calculate.

“The four sisters were so generous with their jewelry and luxury cars, yet ye Zhuo was using such cheap items to fool them!”

It was wrapped in paper boxes.

And it was so light.

One look and you could tell that it wasn't anything good.

It was definitely from a street stall!

“Ye Zhuo distributed the gift boxes to everyone. “This is the eldest sister's, this is the second sister's, this is the third sister's, this is the fourth sister's, this is for Aunt Xiang, and the last one is Grandma's.””

“Old Mrs. Cen said excitedly, “I have one too!””

“Of course.”

Cen Shaoqing:” ...”it seemed like he was the only one who didn't have one.

“”Thank you, Yezi!” Old Mrs. Cen hugged ye Zao.”

Zhou Xiang took out a photo album and showed it to Ye Zao.

The photo album was full of photos of CEN Shaoqing from 1 to 10 years old.

“Zhou Xiang smiled and said to ye Zao, “This child doesn’t like photos after 10 years.””

“” Aunt Xiang,” ye Zao pointed at a photo and said, “How old is this photo?””

“In the photo, Cen Shaoqing was holding a lollipop.”

“This is a three-year-old.”

“Old Mrs. Cen looked at ye Zao and continued, “Yezi, do you know that this brat has another nickname?””

Cen Shaoqing’s eyebrows twitched.

“Ye Zao asked curiously, “What nickname?””

“Old Mrs. Cen was about to speak when Cen Shaoqing said, “Grandma, are you thirsty? I’ll Go get you a glass of water.””

Old Mrs. Cen glanced at him. “Go get it.”

Cen Shaoqing got up and went to get some water.

“Ye Zhuo continued, “Grandma, what’s Cen Shaoqing’s nickname?””

Cen Shaoqing?

Cen Yuyan frowned slightly.

“In the Cen family, no one dared to call Cen Shaoqing by his first name.”

Wasn't ye Zhuo a little too much?

He was just grandstanding!

"Old Mrs. Cen looked up at Cen Shaoqing's back and waved at ye Zhuo. "Ye, come over here.""

Ye Zao bent down and walked over.

Old Mrs. Cen whispered in Ye Zao's ear.

"Hearing this, Ye Zao covered his mouth with a smile in his eyes and said incredulously, "Really?""

"Old Mrs. Cen had a wicked smile on her face. "Look at what you're saying, can I still joke with you about this? If you don't believe me, you can experiment with it later.""

"When Cen Shaoqing came over with a cup in his hand, the few of them had already started to talk about other topics."

It seemed like they had already moved on from the issue of the nickname.

Cen Shaoqing heaved a sigh of relief.

"At around four o'clock in the afternoon, ye Zao suggested to leave, and Cen Shaoqing sent her back."

They got into the car.

Ye Zao had been staring at Cen Shaoqing the entire time.

“Cen Shaoqing felt uncomfortable under her stare. He twirled the Buddhist beads and said, “Zao Zao, if you have something to say, just say it.””

Chapter 462: 125: Scum will never be late. Everyone was dumbfounded. Ye Zhuo was Miracle Doctor Ye!

7

“Fifth Girl?”

“Cough Cough Guest!”Cen Shaoqing almost choked to death on his own saliva.

“Seeing him like this, Ye Zhuo was amused. “So you really were called fifth girl when you were young.” ”

“Although Cen Shaoqing did not want to admit it, he still nodded. “Grandma Told You That?” ”

Cen Shaoqing was the Cen family’s fifth child.

“Because he was not in good health when he was young, Old Lady Cen gave him the nickname of a girl. At that time, there was a rumor in his hometown that it was easy to raise a boy with a girl’s name. ”

“Therefore, the name of the fifth girl accompanied Cen Shaoqing throughout his childhood. ”

It had been twenty years since anyone had called him that.

He did not expect ye Zhuo to know about it.

“Ye Zhuo laughed so hard that tears were streaming down his face. “Fifth Lass, isn’t your name a little too cute? I’ll just call you that from now on!” ”

Cen Shaoqing: "..."

"A moment later, Cen Shaoqing turned to look at Ye Zhuo. "Are you serious?" "

Ye Zhuo nodded very seriously.

Cen Shaoqing hesitated for a moment before discussing with ye Zhuo. "Then can you only call me that when there's no one around?"

"Ye Zhuo said in all seriousness, "No." "

"CEN Shaoqing continued, "Then can you lower your voice?" "

"No."

"Cen Shaoqing sighed softly. "Alright then, as long as you're happy." "

"Fifth lass, your expression seems a little forced?" Ye Zhuo turned to look at Cen Shaoqing. "

Cen Shaoqing pursed his lips. "You're mistaken."

"Ye Zhuo chuckled. "Alright, Alright. Fifth Lass, I'm just joking with you! Don't worry, I'll only call you fifth lass in the future. I'll definitely give you face in front of others." "

Cen Shaoqing: "...the fifth lass was a joke.

...

At the same time.

Lin Group.

“Lin Jin Cheng was dealing with official business. Secretary Zhang stood behind him. Recalling old Madam Cen’s instructions, he said in a low voice, “Director Lin, you haven’t returned home for almost a month and a half.” ”

“Hearing this, Lin Jincheng’s eyes were filled with self-mockery. ”

Home?

Could that cold and heartless place really be called home?

“Most of the time, he preferred to stay in the sanatorium. ”

Lin Jincheng massaged his temples and felt a headache. It was as if there was something important in his mind that was leaving him bit by bit.

“Seeing Lin Jincheng like this, secretary Zhang’s heart skipped a beat and his eyes were filled with guilt. ”

What should have come had come.

Sorry.

He had let Lin Down.

““Lin, are you feeling unwell again?”Secretary Zhang poured a glass of water for Lin Jincheng. ”

“I don’t remember. I don’t seem to remember Ah Ze’s mother again.”Lin Jincheng’s face was full of pain.

“Secretary Zhang took a deep breath. “Lin, there’s your diary in the safe. Go take a look and you’ll remember everything. I’ll go get it for you.” ”

“The next second, the diary was handed to Lin Jincheng.”

Lin Jincheng took the diary.

The memories in the diary were familiar yet unfamiliar.

Feng Qianhua?

“Ah Ze’s mother is Feng Qianhua?” Lin Jincheng raised his head to look at Secretary Zhang.

Secretary Zhang nodded. “Yes.”

“Lin Jincheng continued, “Then why is Xianxian surnamed Feng?” ”

“Secretary Zhang said, “It’s written in these diary. You’ll understand once you read further.” ”

Lin Jincheng continued reading the diary.

The scenes of the past appeared in front of his eyes.

But Feng Qianhua’s face didn’t match the face of the woman in the diary.

What was going on?

Lin Jincheng’s face was full of pain.

“He didn’t love Feng Qianhua at all, so how could he have a son and a daughter with Feng Qianhua?”

Something was wrong.

Something was definitely wrong.

“Lin Jincheng pressed his temples with both hands and tried his best to think about the past, but other than the words in the diary, he couldn’t remember anything else.”

Could it be that he had really let Feng Qianhua down?

““Secretary Zhang, please leave for a moment.” ”

“Secretary Zhang nodded. “If there’s anything, you can call me anytime.” ”

Secretary Zhang went outside and called Old Madam Lin to inform her of Lin Jincheng’s current situation.

“Upon hearing this, Old Madam Lin was very happy. “Secretary Zhang, you’ve done very well in this matter. Also, the professor from country P has gone to the hospital today.” ”

““Thank you, Old Mrs. Lin,” secretary Zhang said bitterly. ”

...

The Cen family.

“After ye Zhuo left, the Cen sisters also brought their own gifts home. ”

“Although Cen Yuyan was not married yet, she did not live in the old house. ”

“Because she disliked the things that ye Zhuo gave her as street goods, after Cen Yuyan returned to her residence, she did not even open them. She handed them to the nanny. “Throw this away.” ”

“The nanny hesitated. “Fourth miss, this box hasn’t been opened yet. Are you sure you want to throw it away?” ”

Chapter 463: 125: Trash will never be late. Everyone was dumbfounded. Ye Zao was Miracle Doctor Ye!  
8

Cen Yuyan waved her hand with a disgusted expression. “Throw it away! It’s just trash. It’s nothing valuable!”

“Okay.”The nanny sent the gift box to the garbage room.

“After Cen Yueya returned, the first thing she did was to open the gift that ye Zao had given her.”

“Even if it was a pile of feces, she felt that the thing that ye Zao had given her was fragrant!”

She had originally thought that the thing that ye Zao had prepared was a piece of handicraft.

“After all, the gift box was very light.”

“She did not expect that after opening the package, it would give Cen Yueya a huge shock!”

This was ZY technology’s latest air-conditioning clothes that could adjust the temperature!

This style had just been released.

It was limited to ten pieces worldwide!

“The selling price was needless to say, the most important thing was that they couldn’t get it!”

“Not to mention the limited number of 10 pieces, even the limited number of 500 pieces that Cen Yueya hired more than a dozen professional snatchers couldn’t get it.”

“Therefore, Cen Yueya usually wore ZY family’s normal selling price.”

She didn’t expect ye Zhuo to be a king bomb the moment he made his move!

Too Amazing!

Cen Yueya picked up the clothes and immediately went to the cloakroom to change.

It was indeed the work of the chief designer Z.

“Whether it was the style or the lines, they were all designed perfectly. It was the kind that would definitely blow up the streets.”

Cen Yueya could not wait to wear this style of clothes and go for a walk.

It made those girls die of envy.

“However, her little sisters had gone on a trip abroad and had not returned yet.”

“Therefore, Cen Yueya put on the clothes and went downstairs for a walk. Her mother-in-law saw that she was wearing the limited edition of ZY and asked curiously, “Yaya, is this a replica of yours?””

“Because ZY’s limited edition was too hard to get, and because their family didn’t have a membership system, they couldn’t buy it even if they had money. Cen Yueya’s mother-in-law was also ZY’s fanatical fan.”

““Fake? Mom, open your eyes wide and see if this is a fake!”Cen Yueya walked to her mother-in-law’s side.”

“It could be seen at a glance whether ZY’s clothes were fake or not. After all, the material was not the same as ordinary clothes.”

“There was another particularly obvious point. At the hem of each piece of clothing, there was a large z embroidered on it.”

“The mother-in-law said in surprise, “It’s really not a fake! How did you buy it? Can you think of a way to buy one for Mom?””

“Cen Yueya said with a proud face, “Of course it’s not a fake! Can someone as noble as your daughter-in-law wear a fake? “This is a gift from my sister-in-law!”! “You can’t buy it outside, but if you want it, Mom, I can help you ask my sister-in-law tonight.””

““SO, master five really has a girlfriend?”The mother-in-law was even more surprised. “Moreover, the woman’s background is not small?””

A normal person could casually buy a limited edition of Zy?

“Cen Yueya nodded. “Of course! Otherwise, why would she be my sister-in-law!””

“After showing off the gift from her sister-in-law to her mother-in-law, Cen Yueya sent a wechat video to the other sisters.”

Cen Yuyan was the only one in the group who was not online.

“Cen Yuying and Cen Yueying’s packaging had already been opened. Their gifts were the same as Cen Yueying’s, both limited edition ZY.”

“However, the styles were different.”

Cen Yuying was steady.

Cen Yueying was simple and generous.

“Cen Yueying’s was a Korean version, which had a gentleness to it.”

It had to be said that ye Zao’s taste in choosing clothes was really good.

“Where’s the fourth girl? Why Don’t I see the fourth girl? has the fourth girl opened the packaging and looked?”

“Cen Yueying smiled and said, “The fourth girl is ZY’s fanatic fan! She must be so happy that she fainted.””

“After hanging up the video, Cen Yueya called Cen Yuyan again.”

“After calling twice, she finally picked up the phone. “Second sister, what’s the matter?””

“What are you doing? Why aren’t you picking up the phone?”

“Cen Yuyan’s gaze was fixed on the computer, afraid that she would miss the time. “ZY is releasing a limited edition new product today. I’m waiting for the time to place the order! Second sister, if you have nothing else to do, I’ll hang up First!””

“Cen Yueya: “Hang up what? Fourth Girl, you haven’t opened the present that Zao Zao gave you yet?””

Cen Yuyan frowned slightly.

Why was Cen Yueya asking about that street vendor all of a sudden?

Cen Yuyan didn't want to mention that street vendor at all.

"But she couldn't directly say that she had thrown it away, so she said, "I haven't had the time to open it yet!""

"Cen yuaya continued, "Then what are you still standing there for? Go and open it and see! Let me tell you, what burning saw was a new product that was limited to 10 pieces worldwide! The designs of Big Sister, me, and the three girls are especially good-looking! Quickly take a look at what model burning saw for you?"

"At this moment, Cen Yuyan's face turned pale. "Second sister, what did you say?"

"Chapter 464: 125: it's too late to regret. She's the new Campus Belle, and brother Ze looks a little like her! 1"

"Cen Yueya repeated what she said earlier, "I said searing send a new ZY limited edition product of 10 pieces worldwide! Quickly open it and take a look! What's wrong with you today, Lass?" "

Boom.

Cen Yuyan only felt her head buzzing.

ZY limited edition new product? !

And it was a global limited edition of 10 pieces?

Did she hear wrongly?

“After a long while, Cen Yuyan finally reacted. “Second sister, stop joking!” ”

“ZY’s global limited edition of 10 pieces of the new product had just been released three days ago. Cen Yuyan and her three assistants had been waiting in front of the computer for three whole hours, but they had not managed to snatch it! ”

Ye Zhuo had taken out six pieces at once?

“Even if one thought about it with one’s toes, one would know that it was impossible! ”

“Therefore, Cen Yueya was definitely joking with her. ”

“”Who’s joking with you?”Cen Yueya’s voice sounded again, “Fourth girl, if you don’t believe me, go and open the packaging and you’ll know! Big Sister, third girl and I have all sent their styles to the group. You can also take a photo of your clothes and send it to the group later. Let us take a look.” ”

“After saying that, Cen Yueya hung up. ”

Cen Yuyan quickly opened the wechat group chat.

The group chat had already exceeded 99 + .

Big Sister: [ picture JPG ] it’s my first time wearing the limited edition of ZY. I feel that the limited edition is really different! It looks good! ]

Second Sister: [ you guys don’t know how much my mother-in-law envied me when I went downstairs just now! ]

Third Sister: [ I feel that mine is the best looking one! No rebuttal! ]

Grandma: [ mine is obviously the best looking one! ]

Mom: [ I feel that none of yours is as good looking as mine. ]

Second Sister: [@stinky brother: What About Yours? What did searing give you? ]

“Grandma: [@stinky brother: Searing didn’t give you anything, right? ]”

Third Sister: [@stinky little brother: onlookers eating melons [/the bewildered crowd eating melons ]

Mom: [@stinky little brother: Eating Melons + 2. ]

Big Sister: [@stinky little brother: Eating Melons + 3. ]

“Cen Yuyan quickly scrolled through the message, and her fair fingers finally stopped on a few pictures.”

She opened the pictures and zoomed in.

It was indeed the new product of ZY.

There were no imitators of ZY temperature-adjustable clothes on the market.

That was because they imitated the style and could not imitate the high-tech technology that could adjust the temperature.

Therefore.

Zy had always been the dominant one on the market.

“If ye Zhuo had sent an a product, the sisters would have discovered it long ago. ”

In other words.

What ye Zhuo had sent was not some street stall.

What she had sent was really a limited edition ZY!

She had actually thrown ZY away!

“Thinking of this, Cen Yuyan was filled with regret. ”

She shouldn't have been so impulsive.

No.

She had to get her things back.

Cen Yuyan rushed downstairs and found the nanny. “Nanny Liu!”

“Nanny Liu was sweeping the floor. When she saw Cen Yuyan running downstairs, she raised her head doubtfully. “What happened to fourth miss?”Cen Yuyan usually paid attention to her words and actions. She had never lost her composure. ”

“Cen Yuyan said anxiously, “Nanny Liu, where's the Box I gave you just now? It's the one that hasn't been opened yet!” ”

“Nanny Liu said, “Fourth miss, didn’t you ask me to throw that away?” ”

“Speaking up to this point, nanny Liu said, “Could it be that there’s something important in that box of yours?” ”

“Cen Yuyan nodded. “Yes! Something very, very important! Nanny Liu, quickly bring the thing over to me.” ”

“Hearing this, Auntie Liu’s heart skipped a beat. “But, but I’ve already thrown it away.”At that time, Cen Yuyan was disgusted, so Auntie Liu immediately threw it away. ”

Who would have thought that Cen Yuyan would regret it in less than an hour?

Cen Yuyan’s eyes widened. “Where did you throw it?”

“Auntie Liu said, “I threw it in the garbage room.” ”

“As soon as mother Liu finished speaking, Cen Yuyan turned around and ran toward the garbage room. ”

Mother Liu quickly followed Cen Yuyan’s footsteps.

The garbage room was just behind the Villa District.

“When the two of them arrived, an uncle was cleaning the garbage can in the garbage room. ”

“It was summer, and the smell of the garbage room was really not very pleasant. ”

Cen Yuyan covered her nose and let mother Liu Ask.

“Mother Liu nodded and went forward to ask, “Uncle, where’s the garbage I sent over just now?” ”

The uncle raised his head and pointed in a direction. "It seems to be over there."

"After getting the uncle's answer, Cen Yuyan couldn't care about anything else. She immediately ran in the direction of the garbage can and lowered her head to start rummaging through the garbage can."

There was everything in the garbage can.

The stench soared to the sky.

There were also green-headed flies flying around inside.

Chapter 465: 125: it's too late to regret. She's the new campus belle. Brother Ze looks a little like her! 2

"It was so disgusting. Cen Yuyan had just made her move when she caught a bunch of sticky things, but she still didn't want to give up."

Compared to the limited edition ZY.

What was the point of finding some trash?

The current Cen Yuyan wished she could slap her previous self to death.

"Back then, if she had opened it to take a look, she wouldn't have gone to the extent of rummaging through the trash cans now."

"Cen Yuyan, this young miss of a rich family, had already put down her status and rummaged through the trash cans. Mother Liu also hurriedly came over to look for it together."

“Seeing the two of them like this, the uncle asked curiously, “Did you guys accidentally throw anything valuable into the trash cans?”The uncle had worked in the trash room for three years and had seen many careless people, he had accidentally thrown away valuable items as if they were trash and came back to look for them afterwards. ”

Some were lucky enough to find them.

Some were unlucky enough to never find them again.

“Mama Liu said while looking, “Yes! I just sent them over half an hour ago! A square cardboard box and a black bag of household trash. Do you remember them?” ”

“The uncle thought about it and said, “Did you throw them into that yellow trash can?” ”

““Yes, yes, yes!”Seeing that the uncle remembered, mother Liu said excitedly, “May I ask where that pile of trash is now?” ”

Cen Yuyan raised her head in excitement.

The uncle’s expression was a little complicated. “Don’t look for it. That pile of trash seemed to have just been dragged away by the car.”

““Dragged away? !”Cen Yuyan almost screamed out loud. She said with an excited expression, “Didn’t you say that it was here just now? Why is it being dragged away now?” ”

The uncle was shocked. He was afraid that Cen Yuyan would accuse him of taking something. “We have surveillance cameras here. Why don’t I adjust the surveillance cameras for you?”

Nanny Liu smiled apologetically. “Then I’ll have to trouble you.”

The uncle went into the house to adjust the surveillance cameras.

Cen Yuyan looked at Nanny Liu. "Continue to look here. I'll go in and take a look."

"Okay." Nanny Liu nodded.

"The uncle quickly pulled up the surveillance camera. "This is your nanny, right?" "

"Yes." Cen Yuyan nodded.

"The uncle pointed at the surveillance camera and said, "Look, after she threw the rubbish into this rubbish bin, it was quickly taken away by the car." "

Cen Yuyan's expression was very ugly. "Where is this car taking the rubbish to?"

"The uncle said, "It needs to be taken to the rubbish dump in the east of the city to be destroyed." "

Destroyed?

Cen Yuyan's brows twitched.

"The uncle continued, "It's already been more than half an hour. Perhaps the rubbish hasn't been destroyed yet. I'll help you make a call and ask." "

"Alright." Cen Yuyan nodded.

The uncle made a call.

"Very soon, the call was connected. "

The uncle specially put the phone on speaker.

“Hello, Old Zhao, right? is the trash you just pulled from the Royal Garden still there?”

“That pile of trash has been destroyed! Why are you calling now?”

“The uncle continued, “I have a landlord here who lost a very important document. Are you sure it has been destroyed? Can you transfer it to the Destruction Records?”

“Yes, I’m sure. If you want to transfer the records, you can come over at any time.”

The uncle hung up the phone and looked up at Cen Yuyan.

Cen Yuyan’s expression was unclear.

“She was really regretful, so regretful that even her intestines turned green.”

Who would have thought that ye Zao would be so generous?

“If she had known that ye Zao had given her a limited edition ZY, she would not have thrown it away no matter what!”

Cen Yuyan was a huge fan of ZY.

She had collected one of each ZY style.

“However, she had only collected two pieces of the limited edition, and they were the ones that had a limited edition of 10,000 pieces.”

One could imagine how precious a limited edition of 10 pieces was.

“Seeing her like this, the uncle could vaguely guess that the things she had thrown away were definitely priceless. He couldn’t help but comfort her, “The old ones won’t go and the new ones won’t come. Money is just a worldly possession. Young Man, be more open-minded.” ”

Cen Yuyan didn’t know how she had walked out of the garbage room.

Her heart was filled with mixed feelings.

“At this moment, the sound of a video notification rang out again. ”

Cen Yuyan picked up the video.

“On the other end of the video was Cen Yueya’s excited face. “Fourth Lass, you’ve already unwrapped it, right? Quickly take out your clothes and let me take a look?” ”

Cen Yuyan’s expression was a little ugly. “I’m outside now.”

Only then did Cen Yueya see that the background behind Cen Yuyan was outside.

“Then go back and quickly unwrap it!”

“”En.”Cen Yuyan nodded and continued, “I’m a little uncomfortable now. Second sister, I Won’t talk to you anymore.” ”

Cen Yueya was about to say something else when Cen Yuyan hung up the video call.

Chapter 466: 125: it’s too late to regret. She’s the new campus belle. Brother Ze looks a little like her! 3

“Cen Yuyan was already feeling bad about missing out on a limited edition ZY. Now that she saw Cen Yueya wearing her new clothes on the other end of the screen, she felt even worse.”

“If she hadn’t thrown away the packaging box, she wouldn’t have to Envy Cen Yueya now.”

It was all her fault...

She was too impulsive.

Cen Yueya frowned slightly when she saw the video that was hung up. “What’s wrong with these four girls? They’re so Strange.”

“Cen Yuyan couldn’t tell the CEN sisters about her grievance, so she could only send the video to Song Chenyu.”

“Song Chenyu was sitting in the makeup room removing her makeup. From the looks of it, she should have just finished shooting the commercial.”

““Yuyan, what’s Wrong?” No matter what, Song Chenyu always had a smile on her face.”

“In addition to her beautiful appearance, she gave people an inexplicable sense of affinity.”

“Therefore, song Chenyu’s affinity with the audience was very good.”

““Chenyu, are you free tonight? I want to talk to you.” ”

Song Chenyu looked at his watch. “Come to my house at 10:30 and look for me.”

“Okay.”Cen Yuyan nodded.

...

On the other side.

Cen Shaoqing was a little depressed after receiving the 'love each other as a family' message.

Ye Zhuo had prepared gifts for everyone in his family.

He just didn't prepare anything for him.

Why was this so?

Could it be that he didn't do anything well enough to make ye Zhuo angry?

"For a moment, CEN Shaoqing was very perturbed."

The full score for the internship period was 100 points.

"Not only did he not add a single point, but he also lost more than ten points because of He Zi's bad move."

"If this continued, would he not even pass the internship period?"

Cen Shaoqing held the Buddha bead in his hand and looked up at ye Zao beside him. He was inexplicably a little nervous.

"Ye Zao was about to make tea when he opened the tea barrel and saw that the tea leaves were already gone. He looked back at CEN Shaoqing and said, "There are no more tea leaves at home. is sprite okay?"

“Yes.”Cen Shaoqing nodded slightly.

Ye Zhuo took out two bottles of sprite from the fridge and threw one bottle to Cen Shaoqing.

This was Cen Shaoqing’s first time drinking sprite.

“In the past, what he drank was either tea or water. ”

“When the ice sprite entered his throat, there was an indescribable sense of excitement. ”

It seemed to be a little spicy.

The taste was not as good as he had imagined.

Did all the young girls nowadays like to drink this kind of thing?

Cen Shaoqing looked at the green coke bottle and narrowed his eyes slightly.

“You don’t Like This?”Ye Zhuo raised his eyebrows slightly.

“Cen Shaoqing hurriedly denied, “No, it tastes very good! I like it very much!” ”

“”That’s good.”Ye Zhuo continued, “Wait for me for a moment.” ”

Cen Shaoqing nodded slightly.

Ye Zhuo turned around and walked into the room.

“Not long after, she came out with an emerald-green rectangular paper box in her hand. “This is for you. When I went out this morning, I was so busy making you take those clothes that I forgot about this.” ”

Was this a gift from ye Zao?

So he had a gift too!

“The haze in Cen Shaoqing’s heart instantly disappeared, but his expression remained the same. “This is for me?” ”

“Yes.”Ye Zao nodded and looked back at the clock on the wall. “My mom and the others will be back soon. You should go back quickly.”

“Am I so shameful?”Cen Shaoqing raised his eyebrows slightly.

“Cen Shaoqing had been in a high position for a long time. No matter where he went, everyone treated him respectfully. ”

This was the first time he was chased away by someone.

Ye Zhuo pushed him out. “I haven’t announced our relationship to my mom and the others. It’s already nine o’clock. Don’t you think it’s inappropriate for a man and a woman to be alone?”

“Why not?”Cen Shaoqing looked down at her.

“Ye Zhuo pushed him as he said, “Because you’re still an intern.” ”

“...”Cen Shaoqing’s thin lips parted. “Then when can we announce it?”

Ye Zhuo placed his hand on Cen Shaoqing's waist and suddenly realized that this guy's waist was quite thin. There was not a single bit of fat on it. Summer's expectations were very thin. She even touched the firm abdominal muscles in her lower abdomen.

Tsk.

His figure was really not bad!

No wonder Old Lady Cen said that this person often exercised.

Ye Zao raised his eyebrows slightly.

"Feeling the hands that were messing around his waist, Cen Shaoqing's breathing became a little hurried at this moment. The blood in his body was boiling. A familiar yet strange feeling came as promised."

One of his hands held onto ye Zao's hand. His tone was low and somewhat hoarse. "I'm asking you a question."

The Buddha Pearl in Cen Shaoqing's palm pressed against her hand and it hurt a little. How much strength did this person use?

Ye Zao raised his eyebrows slightly.

"When can it be announced?" Cen Shaoqing asked in a hoarse voice again.

Only then did ye Zao React. "You can do your best and announce it after your internship."

Chapter 467: 125: it's too late to regret. She's the new Campus Belle. Brother Ze looks a little like her! 4

“After saying that, ye Zao continued, “What’s wrong with Your Voice?” ”

“Cen Shaoqing coughed lightly and said seriously, “Maybe you caught a cold last night.” ”

““Let me take a look.”After saying that, Ye Zao reached out his hand to check CEN Shaoqing’s pulse. ”

“Cen Shaoqing held ye Zao’s hand back and his deep voice seemed to have become even more hoarse. “No need. My resistance is very good. I’ll be fine after a night.”At worst, he could just wake up tomorrow morning and wash the bed sheets. ”

It was not his first time anyway.

Ye Zao nodded slightly. “Alright then. You can call me if there’s anything.”

Call me if there’s anything?

He really wanted to call.

But he did not have the guts to do so.

CEN Shaoqing’s gaze swept across ye Zao’s face and an unnatural expression flashed across his eyes. “Then I’ll go back first. Rest early tonight.”

Ye Zao nodded slightly.

“After sending Cen Shaoqing out of the apartment building and watching the black car disappear into the night sky, ye Zao turned around and entered the house. ”

Cen Shaoqing turned the temperature in the car to the lowest level and took out a bottle of ice mineral water from the car's refrigerator. He held the steering wheel with one hand and unscrewed the bottle cap with one hand.

Gulp Gulp Gulp —

His sexy Adam's apple started to slide up and down.

Only when the ice-cold mineral water entered his throat did the dryness in his body subside a little.

He looked out of the window.

He suddenly felt a little emotional.

"He had never thought that he would have such a secular, impulsive, and embarrassing time."

"In the past, he always thought that he was different from others."

"His life had never been for the sake of getting a wife, having children, and having children!"

Now.

He felt that the greatest meaning of existing in this world was to be with her and nurture the crystallization of their love together.

As he thought of this.

The corners of Cen Shaoqing's mouth curled into a faint smile.

"After a short while, he arrived at the Cen House."

Cen Shaoqing took out the gift that ye Zao had meticulously prepared for him from the trunk.

Just as he entered the house.

“Old Madam Cen appeared in front of Cen Shaoqing with one hand on her waist. “Brat, how is it? Grandmother’s new clothes are not bad, right?” ”

“They are indeed not bad.”Cen Shaoqing nodded slightly.

Old Mrs. Cen glanced at Cen Shaoqing. “It’s a pity that you didn’t.”

“Cen Shaoqing did not mind at all. “Grandmother, if there’s nothing else, I’ll go back to my room first.” ”

““Wait.”Old Mrs. Cen stopped Cen Shaoqing and said suspiciously, “Rascal, stop pretending. Speak! Are you very jealous of Grandmother Now?” ”

“Ye Zhuo had prepared gifts for the entire family, but Cen Shaoqing was not one of them. ”

Cen Shaoqing must be feeling very uncomfortable now.

It made him so arrogant in the past.

“Cen Shaoqing was feeling very uncomfortable now, and Old Madam Cen was very happy now! ”

She even wanted to sing a song.

““No, you’re imagining too much.”Cen Shaoqing’s tone was indifferent. ”

Old Madam Cen narrowed her eyes. "It shouldn't be! Could it be that Yezi has also prepared a gift for you?"

Cen Shaoqing waved the rectangular box in his hand.

"No Wonder." Old Mrs. Cen snorted lightly.

She didn't get to watch the show and was almost stuffed with dog food. Old Mrs. Cen had no choice but to let Cen Shaoqing return to his room.

"After Cen Shaoqing returned to his room, the first thing he did was to open the package. "

It was a top-grade Hetian white jade tea set.

It was full of color.

One look and one could tell that it was carefully selected.

Cen Shaoqing immediately went to the tea awner.

"He was worried that the servant would break the tea set, so Cen Shaoqing personally did it. He was very careful throughout the entire process, afraid that he would break the tea set. "

...

On the other side.

Cen Yuyan came to Song Chenyu's house.

“Song Chenyu had already finished showering. At this moment, she was really wearing her pajamas and applying a facial mask.”

She was in a very good state when she was not wearing makeup.

“Chenyu.”Cen Yuyan gave song Chenyu a big hug the moment she entered.

“What’s Wrong?”Song Chenyu patted Cen Yuyan’s back.

Cen Yuyan talked about the gift that ye Zao gave her today.

“”Chenyu, do you know how regretful I am now? I was too impulsive at that time! I shouldn’t have been so impulsive! That is Zy’s new product with a limited edition of 10 pieces! Do you think I’m Stupid?” ”

Cen Yuyan’s heart throbbed with pain at the mention of this matter.

Song Chenyu did not expect Cen Yuyan to throw away the gift ye Zhuo gave her. There was some surprise between his brows. “Do your three sisters and master five know about this matter?”

Cen Yuyan shook her head. “I didn’t dare to tell them.”

“The three sisters at home, grandmother, and mother all liked ye Zhuo very much.”

“If they knew about this, she would definitely suffer! ”

“Song Chenyu nodded. “Don’t tell them about this. However, Yuyan, you’re a little impulsive when you do things. No matter what, you can’t throw away the present miss ye gave you.” ”

Chapter 468: 125: it’s too late to regret. She’s the new campus belle. Brother Ze looks a little like her! 5

“How would I know that she gave me a limited edition ZY!”

“Song Chenyu smiled and said, “Alright, Alright. Since the matter has already passed, let’s just let it pass. However, Miss ye is indeed very amazing. Not only is she a godly doctor, but she can also buy a limited edition ZY! “ZY doesn’t open its membership, nor does it let others use its backdoor. No matter who it is, they must abide by ZY’s rules of snatching the bill. I don’t know how Miss Ye bought it.” ”

Cen Yuyan narrowed her eyes.

This matter was indeed quite strange.

““Could it be my fifth brother?”CEN Yuyan continued, “Actually, the person who bought Zy wasn’t Ye Zao at all, but my fifth brother? Chenyu, think about it. Other than my fifth brother, who else can buy six ZY limited edition new products in one go?” ”

Ye Zao was too tasteless!

“The few Sisters had given such generous gifts, but ye Zao actually borrowed flowers to offer Buddha! ”

Was there such a shameless person in the world?

“Seeing that Cen Yuyan had misinterpreted his meaning, song chenyu hurriedly explained, “Yuyan, that’s not what I meant! I just feel that Miss ye is definitely more powerful than what we saw. She’s not an ordinary person.” ”

““Chenyu, don’t explain on her behalf. I know everything.”Cen Yuyan said somewhat indignantly, “I don’t know what my grandmother’s taste is like to actually take a liking to ye Zhuo. Other than being a little good-looking, what exactly is she worthy of my fifth brother?” ”

“As she finished speaking, Cen Yuyan turned her head to look at song Chenyu and said somewhat regretfully, “Chenyu! I already said that I wanted to set you up with my fifth brother! But you just didn’t agree! Look, now someone else has beaten me to it, right?” ”

“From the beginning, Cen Yuyan had the intention to set song Chenyu up with Cen Shaoqing. ”

“Who knew that song Chenyu wouldn’t take the initiative at all, not even taking the initiative to speak to Cen Shaoqing! ”

She was too Buddhist!

Song Chenyu had a faint smile on his face. “This can only mean that fifth master and I are fated to be apart.”

Cen Shaoqing was wholeheartedly devoted to Buddhism. He was a vegetarian all year round and didn’t get close to women.

“When he got along with such a person, he simply couldn’t rush to get close to her. He had to take things slowly and develop feelings over time. ”

What song Chenyu did not expect was this.

“After a trip to cloud capital, a beautiful figure appeared by Cen Shaoqing’s side. ”

Cen Yuyan did not agree with song Chenyu’s words. “Who said that my family and my fifth brother are fated to be apart? You were the one who knew him first! Just wait! He and that ye Zao will break up sooner or later!”

How could a fox not reveal its tail?

“”It shouldn’t be,”song Chenyu replied indifferently. “I think fifth master should love miss ye very much, and they are also very compatible.” ”

“Cen Yuyan said with certainty, “My fifth brother is indifferent to fame and fortune. Ye Zhuo is too materialistic. Sooner or later, my fifth brother will discover ye Zhuo’s true colors! “In short, Chenyu, you can’t be so Buddhist this time! “You have to take the initiative to fight for it. Look at Ye Zhuo. My fifth brother originally didn’t fancy her, but under ye Zhuo’s forceful attack, my fifth brother was still bewitched by her!” ”

“Song Chenyu did not continue this topic and placed his phone on the table. “Yuyan, wait a moment. I have something to give you.” ”

“En.”Cen Yuyan nodded.

“At this moment, CEN Yuyan’s gaze landed on song Chenyu’s phone. ”

This was an automatic video.

Who was the person in the video?

Ye Zao?

Cen Yuyan quickly picked up her phone.

It was ye Zao.

Sitara YC’s Ye?

He was actually a live streamer!

Cen Yuyan had never expected that ye Zao was actually a live streamer!

“In recent years, there had been more and more negative news about live streamers swindling for rewards. As a result, the public’s impression of live streamers had become worse and worse.”

“In Cen Yuyan’s eyes, what was a live streamer?”

A live streamer was equivalent to being vulgar!

“Seeing that ye Zao was actually a live streamer, CEN Yuyan felt that ye Zao was no longer worthy of Cen Shaoqing.”

What was going on with Old Madam Cen?

She actually introduced a live streamer to CEN SHAOQING!

How could the CEN family’s future Mistress Be a live streamer?

Wasn’t she going to be a laughing stock?

“Soon, Song Chenyu came out.”

“Cen Yuyan put down her phone, her expression somewhat ugly.”

““Yuyan, what’s Wrong?”Song Chenyu asked in puzzlement.”

Cen Yuyan suppressed the anger in her heart and pretended as if nothing had happened. “Nothing.”

“Song Chenyu smiled and said, “It’s good that you’re fine. Oh right, this is for you.” ”

“What’s This?”Cen Yuyan took the thing that song Chenyu handed over.

“Song Chenyu said, “This is a limited edition new product from ZY. Although it’s not as good as Miss Ye’s gift, it’s only limited to 3,000 pieces worldwide. My five assistants fought for it for a long time before they managed to get it.” ”

Chapter 469: 125: it’s too late to regret. She’s the new campus belle. Brother Ze looks a little like her! 6

“Zy did not have a membership system. Even a big star like song Chenyu had to follow Zy’s rules. If she wanted to buy clothes, she could only rely on luck and luck.”

“Cen Yuyan was so touched that she hugged song Chenyu. “Chenyu, thank you.” ”

“You’re a good friend.” Song Chenyu patted Cen Yuyan’s back.

“CEN Yuyan said, “You’ll still be my sister-in-law in the future.” ”

“Song Chenyu said very seriously, “Fifth master has a girlfriend now, so I can’t do immoral things. So, Yuyan, you’d better not say such things in the future.” ”

“Cen Yuyan said, “What’s there to say! You’re clearly the one who first got to know my fifth brother. If we really want to pursue the issue of morality, the truly immoral person should be ye Zhuo.” ”

1

“If it wasn’t for ye Zhuo, the person who would end up with Cen Shaoqing would definitely be song Chenyu.”

“Song Chenyu was beautiful, generous, and accomplished. It was impossible for CEN Shaoqing not to be attracted to her.”

“But now fifth master’s girlfriend is indeed Miss Ye. We have to respect Miss Ye.”

“Cen Yuyan shrugged. “If ye Zhuo can think like you, then the person by my fifth brother’s side right now would definitely be you.” ”

Everyone said that the entertainment industry was a big dye-in-the-wood.

“However, CEN Yuyan did not think so. Song Chenyu had been in the industry for more than three years, but she was still so kind-hearted and had a righteous outlook on the world! ”

She had earned the glory she had today all by herself. She had never needed to rely on anyone.

How was she like ye Zao?

She even had to rely on Cen Shaoqing to give her a gift.

“Song Chenyu did not reply and only said, “It’s already late. Why Don’t you stay with Me Tonight?” ”

“Sure!”Cen Yuyan could not wish for more.

...

On the other side.

At the sanatorium.

“After reading the diary yesterday, Lin Jincheng’s condition had suddenly worsened. He was currently receiving an infusion. ”

His left hand was receiving the infusion while his right hand was flipping through the documents.

“After settling all the official matters, the words appeared in front of Lin Jincheng’s eyes again. He rubbed his temples and raised his hand to press the bell.”

“The assistant quickly walked in from outside. “Director Lin, do you have any orders?” ”

“Lin Jin Cheng continued, “Go and call secretary Zhang over.” ”

“”Yes, director Lin.”The assistant immediately went to do it.”

“When Secretary Zhang received the news from his assistant, his mood was very complicated.”

He knew why Lin Jin Cheng called him over.

It was because of that matter.

He was the only person who Lin Jincheng trusted.

But now.

He wanted to lie to Lin Jincheng with Old Lady Lin.

“But now, he had no other choice but to do so.”

Secretary Zhang Sighed.

“Soon, they arrived at the hospital.”

“Lin Jincheng sat on the bed, holding the notebook in his hand, his expression empty.”

“Chief Lin.”

It wasn't until Secretary Zhang spoke that Lin Jincheng reacted. “Secretary Zhang.”

““Director Lin, why did you call me here?”Secretary Zhang asked.”

“Lin Jincheng was silent for a moment before he continued, “Secretary Zhang, tell me, are all these things in the diary real?” ”

“Secretary Zhang nodded. “Yes, when your memory had problems in the past, you also took this diary to read.” ”

“Ah Ze's mother is really Feng Qianhua?”

“Yes.”Secretary Zhang nodded.

“Feng Qianxian is really my daughter?”

“Yes.”

““I really let down Feng Qianhua, and that's why the mother and daughter suffered so many years?”It was written in the diary. Because of a misunderstanding, Lin Jincheng and Feng Qianhua broke up.”

Feng Qianhua waited for Lin Jincheng for nineteen years.

“But in these nineteen years, Lin Jincheng was indifferent and even cheated on her.”

“Yes.”

“Lin Jincheng looked at secretary Zhang and said, “Secretary Zhang, the only person I can trust right now is you.” ”

“Secretary Zhang took a deep breath and tried his best to suppress the guilt in his heart. “CEO Lin, what I said is true. This diary was written by you personally.” ”

Lin Jincheng frowned.

He was the one who wrote this diary.

But why was the content so unfamiliar to him.

“Lin Jincheng continued, “My memory has always been intermittent. Is it possible that I wrote these wrong memories because there were errors in my memory?” ”

“”I’m not too sure about that either,”secretary Zhang replied. ”

“Lin Jincheng pressed his temples. “Other than you, is there anyone else who has this diary?” ”

Secretary Zhang shook his head. “I should be the only one who knows about this.”

“Lin Jincheng continued to ask, “Does the old lady know?” ”

“”She probably doesn’t know,”secretary Zhang said. “Apart from the holidays and festivals, you rarely go home, so the old lady rarely knows about your situation.” ”

Chapter 470: 125: it’s too late to regret. She’s the new campus belle. Brother Ze looks a little like her! 7

Lin Jincheng narrowed his eyes.

He still felt that something was wrong.

Something was very wrong.

“At this moment, there was a knock on the door. “Director Lin, Miss Feng is here.” ”

Miss Feng was naturally referring to Feng Qianhua.

““Let her in,” Lin Jincheng said. ”

“Outside the door, Feng Qianhua’s eyes lit up. ”

She had finally arrived.

“After so many years, she had finally arrived. ”

“In the past, Lin Jincheng had only rejected her and never allowed her to step into the ward. ”

This was the first time.

Feng Qianhua’s lips curled into a smile as she walked in. “Brother Jincheng.”

Lin Jincheng raised his head to look at Feng Qianhua.

Feng Qianhua was no different from what he remembered.

“They had known each other since they were young, but when they were young, Lin Jincheng only thought of Feng Qianhua as his younger sister.”

“Later, as the two grew up, the parents of the two families began to set the two of them up on purpose. They even wanted to set up an engagement.”

But Lin Jincheng refused.

He didn't like Feng Qianhua.

He didn't have any feelings for Feng Qianhua.

It was clearly the person he didn't like. What exactly happened nineteen years ago?

What was the reason that caused him to fall madly in love with Feng Qianhua?

He even had a child?

That wasn't right.

This was very wrong!

Why?

Why did he remember everything except those 19 years.

Lin Jincheng felt like his brain was about to explode.

“At this moment, the pain was unbearable.”

“He tried his best to grab some memories, but he couldn’t remember anything.”

What did he forget?

What did he miss?

““Brother Jin Cheng, are you okay?”Feng Qianhua put down the thermos. “I made some soup for you. Do you want some?” ”

Lin Jin Cheng didn’t say anything.

“Seeing that Lin Jin Cheng didn’t say anything, Feng Qianhua opened the thermos and scooped out a bowl of soup. She fed it to Lin Jin Cheng with a spoon. ”

Lin Jin Cheng pursed his lips and suddenly turned his head. “You go back first!”

Feng Qianhua was stunned.

What was going on?

Could it be that Lin Jincheng remembered something?

“But if Lin Jincheng really remembered something, would he be so calm? ”

Definitely Not!

“Brother Jincheng...”

“A glimmer flashed across Feng Qianhua’s lowered eyes. She knew that at this moment, she could not stay in the ward any longer.”

There were still many opportunities in the future.

“As long as Lin Jincheng didn’t think of Ye Shu, one day, she would become the ye Shu in Lin Jincheng’s heart!”

“Feng Qianhua stood up from the chair. “Brother Jincheng, I won’t bother you anymore...”at this point, feng Qianhua paused and said earnestly, “Let bygones be bygones. Don’t think too much and don’t give yourself any pressure.” ”

“I’ve waited for you for nineteen years. I don’t care about that one or two years anymore.”

“After saying that, Feng Qianhua turned around and left the ward.”

Without any hesitation.

Lin Jincheng turned to Secretary Zhang. “Is it really her?”

Secretary Zhang nodded. “It’s her.”

“Secretary Zhang, you can go out first. I want to be alone.”Lin Jincheng waved his hand. ”

Secretary Zhang turned around and went out.

“At this moment, Lin Jincheng suddenly called out to him, “Wait a moment.” ”

“Director Lin, do you have anything else?”Secretary Zhang stopped in his tracks. ”

Lin Jincheng pointed at the Thermos flask on the table. "Take That with you."

"Okay." Secretary Zhang nodded and took the Thermos flask off the table.

Feng Qianhua hadn't left yet.

She was waiting outside the door.

"Seeing Secretary Zhang come out with the Thermos flask, her eyes dimmed. She walked over and took the Thermos flask from secretary Zhang's hand. "You didn't drink it, Boss Lin?" "

Secretary Zhang shook his head.

"Feng Qianhua continued, "Secretary Zhang, you're Boss Lin's most trusted subordinate. During this period of time, you must take good care of him." "

Others might not understand the meaning of this sentence.

But secretary Zhang could understand it.

This was to remind him not to spill the beans.

Feng Qianhua had been hiding by Lin Jincheng's side for 19 years. Wasn't this the day she had been waiting for?

"Secretary zhang said, "Don't worry, I will definitely take good care of chief Lin." "

"Feng Qianhua smiled and said, "Secretary Zhang, I trust your character. Otherwise, chief Lin wouldn't trust you so much." "

“If there’s nothing else, I’ll take my leave first.” ”

Feng Qianhua nodded. “Go do your work.”

Secretary Zhang turned around and left.

Feng Qianhua looked at his back and narrowed her eyes.

It didn’t matter if Lin Jincheng didn’t drink her soup now.

“She believed that one day, Lin Jincheng would drink it. ”

After all.

“Compared to before, the current Lin Jincheng was no longer so resistant to her. ”

This was a good start.

Everything had a transition period.

As for ye Shu?

She would disappear from Lin Jincheng’s life forever.

“Thinking of this, the corners of Feng Qianhua’s mouth curled up. ”

...

Today was Sunday.

“Lin Ze, dog two, fat tiger, and Li Wen had arranged to meet up for a small gathering.”

“After fifteen days of military training, apart from Lin Ze, the other three had all turned dark several times.”

The place where the four of them gathered was a clean bar.

“The environment was very elegant, and soothing music was playing in the air.”

Lin Ze picked up his glass and took a sip of wine.

“The 19-year-old youth had a sadness in his eyes that was not present at his age. His eyes were clear, and his facial features were exquisite.”

“Because he had lived in a rich and noble family all year round, he had a dignified aura about him, which was particularly attractive.”

“Because of this, after the military training ended, Lin Ze was listed on the school’s draft list.”

He became one of the most influential people in Beijing University.

“Li Wen took out his phone and said excitedly, “Brother Ze, Buttface, that New Campus Belle from your school is really too beautiful! What’s her name?””

“Buttface said, “I think her name is Ye Zhuo, right? She’s from the chemistry department. Back then, during the military training, she was quite a sensation! Her skills are also very good. It’s said that even the instructors can’t beat her!””

“Originally, Jing University’s internal school Belle was Feng Xianxian.”

“Who knew that because of the military training review video, a scene of her unintentionally greeting someone caused ye Zao to go straight from the capital to the neighboring Qing Hua. She was known by everyone as the goddess of faceless beauty, the newly promoted school Belle!”

She directly crushed Feng Xianxian.

“Fat Tiger said, “Isn’t our brother Ze also a school belle? Why Don’t brother Ze come forward and ask for a way to contact him?” ”

“Li Wen nodded and said in agreement, “Yes, yes, yes.” ”

““I’m not interested,” Lin Ze’s tone was indifferent. ”

“Li Wen continued, “Brother Ze, you must not have seen what your campus Belle looks like, right? I have a video here, quick, take a look.” ”

“As he said that, Li Wen handed his phone over. ”

The video of Ye Zhuo wearing a camouflage uniform and looking back with a smile was made into a dynamic picture by the netizens.

“The moment he looked back, everything in the world instantly paled in comparison. ”

Lin Ze lowered his head and took a look. “That’s it.”

He had always been uninterested in the campus Belle and the campus belle.

“Li Wen didn’t quite understand Lin Ze’s judgment. “What do you mean that’s it! She’s clearly very good-looking, okay? She’s ten thousand times better looking than Feng Xianxian!” ”

“Fat Tiger looked at Lin Ze, then looked at the video again and asked curiously, “Why do I feel that this campus Belle and brother Ze look a little alike?”
