“Chapter 471: 127: long-lost sister, face-smacking again at the orientation! 1”

“Hearing this, Buttface also came over to take a look. “Don’t tell me, they really look alike!” ”

“Let me take a look.” Li Wen also came over.

“The person in the video looked like a painting. He had a pair of delicate phoenix eyes, red lips and white teeth. When he looked back, his smile was filled with a myriad of amorous feelings. ”

Take a closer look.

That pair of flawless phoenix eyes was exactly the same as Lin Ze’s phoenix eyes.

These two people’s looks were at least 30% similar!

““F * ck!” Li Wen said in surprise, “They really do look alike! Brother Ze, is the school Belle really your long-lost sister?” ”

“Dog Two and fat tiger also turned to look at Lin Ze, their eyes filled with curiosity. ”

Lin Ze looked at the video. “You guys are overthinking things.”

“Lin Jincheng was 40 years old this year, and he was 19 years old. ”

“During these 19 years, Lin Jincheng had been paralyzed in bed for more than 10 years. ”

Where did he get a sister?

“Li Wen smiled and said, “Brother Ze, the two of you are the school Belle and the school Belle. They say that if you don’t belong to the same family, then you don’t belong to the same family. What if it really is your sister? What will you do?” ”

“Fat Tiger did not mind watching the show. “Brother Ze, your sister is so beautiful. When the time comes, will you become a sis-con?” ”

“Lin Ze’s tone was indifferent. “She can’t be my sister, and I won’t become a sis-con either.” ”

““Brother Ze, don’t be so full of yourself!”! “What if she really is your long-lost sister? Can you still kick her out?”Fat tiger continued, “If the school Belle is my sister, then I can become a sis-con in no time!”! “No one can have any ideas about my sister!” ”

“Li Wen agreed with fat tiger. “If this is my sister, I’ll be her bodyguard every day! If anyone dares to make her frown, I’ll fight them to the death!” ”

Dog two nodded in agreement.

“Apart from Li Wen having an older brother, the three of them were only children. They had neither an older sister nor a younger sister. ”

““Brother Ze, don’t you want the school Belle to be your younger sister at all?”Dog two turned to look at Lin Ze. ”

“Lin Ze shook his head. “No.”Lin Ze had been unwilling to get close to girls since he was young. Because of Feng Xianxian, he didn’t have a good impression of girls. In his eyes, a younger sister was equivalent to trouble and a burden. ”

“Other people had their first love during puberty, but Lin ze spent his adolescence dreaming of finding his mother. ”

“If it was possible, he could even use the title of the top scorer in the college entrance examination to exchange for news of his mother.”

Unfortunately.

He couldn't.

“At the thought of this, Lin Ze's eyes dimmed a little. He took a sip of wine.”

They said that wine could dispel sorrow.

But why did he get more and more depressed the more he drank?

“Fat Tiger raised his glass to Lin Ze and drank the wine in one gulp. He smiled and said, “Brother ZE, if the school Belle is really your sister, then there will be a good show to watch!” ”

“Lin Ze also raised his glass. “Don't worry, you won't be able to watch this show.” ”

It was impossible for him to have a sister.

“Li Wen continued, “If, I say if, if the school Belle is really your father's promiscuous affair, what will you do?” ”

“Lin Ze put down his glass. “Judging from the time, my father won't have the chance to go out and get promiscuous affairs, much less have the chance to keep a child around our age.” ”

1

““You're right.”Li Wen nodded. “After all, the school Belle is in the same batch as us, so she's probably about the same age as us.” ”

“Hearing this, Fat Tiger and dog two looked disappointed.”

They felt that the school Belle and Lin Ze looked a little alike.

“However, they had neglected the issue of time.”

“Judging from the time, neither Lin Jincheng nor Lin Ze’s birth mother could have two children at such a similar time.”

Unless...

The two of them were twins.

But that was even more impossible!

“The Lin family had always only given birth to boys, not girls. If Lin Ze’s birth mother was really pregnant with twins, the old lady of the Lin family would probably be so happy to worship Lin Ze’s birth mother like a bodhisattva.”

“After all, Old Lady Lin treated Feng Xianxian, who was not related by blood, so well.”

How could she bear to let the Lin family’s child wander outside

So.

This was almost impossible.

“Li Wen continued, “But brother Ze, are you really not going to look for the school Belle to get her contact information?” ”

Lin Ze shook his head.

Li Wen also knew what Lin Ze was thinking.

“After so many years, Lin Ze’s biggest wish was to find his biological mother.”

““Brother Ze, didn’t you say you wanted to make an appointment with z last time? Have you made it yet? What did Xiao Dan Say?” ”

Lin Ze’s voice was a little muffled. “There’s no news for now.”

“Li Wen comforted him. “Brother Ze, don’t worry. As long as there are clues, I believe it’s only a matter of time before we find Auntie.” ”

“Chapter 472: 127: long-lost sister, face-smacking again at the Orientation Party! 2”

“Okay.”Lin Ze took a sip of wine and his gaze fell on a spot not far away. “I feel that my grandmother is a little abnormal these few days.”

“What’s abnormal?”Li Wen asked.

“Lin Ze frowned. “When I went back yesterday, I heard my grandmother and Aunt Zhang discussing the marriage between my father and Feng Qianhua.”Old Mrs. Lin’s eyes were filled with confidence.”

She looked as if she had already married Feng Qianhua.

“Although Old Mrs. Lin had always told Aunt Zhang about this matter, it had never made Lin Ze so anxious.”

He had a feeling that something must have happened.

“Otherwise, old Mrs. Lin would not be so sure with her words!”

“Fat tiger said in surprise, “D * mn! So Feng Qianqian is really going to become your sister? Brother Ze, what are you going to do?” ”

““Fat Tiger, what nonsense are you spouting!” Li Wen looked at fat tiger. “If Uncle Lin was going to marry Feng Qianhua, he would have done so long ago! Why did he wait until now?” ”

“Fat Tiger also realized that he had said something wrong, he immediately changed his words. “Brother Ze, I was just saying it casually. Don’t take it seriously! As long as you don’t accept Auntie Feng and uncle Lin doesn’t accept Auntie Feng, can your grandmother marry Feng Xianxian’s mother on Uncle Lin’s behalf?” ”

“Dog two nodded in agreement. “Fat Tiger is right. As long as you and uncle Lin don’t agree, no one can force uncle Lin!” ”

“Li Wen patted Lin Ze on the shoulder. “So, brother Ze, don’t worry about it.” ”

Lin Ze narrowed his eyes.

Not worried.

He said he wasn’t worried.

But could he really be at ease?

“Feng Qianhua and her daughter were wild and ambitious. Once they entered the Lin family, the Lin family would really fall into chaos.”

“The older Mrs. Lin got, the more muddle-headed she became.”

She trusted Feng Qianhua without reservation.

Lin Ze almost didn't dare to imagine what would happen if Feng Qianhua married into the Lin family.

“Thinking of this, Lin Ze picked up his phone and made a call. “Hello, is this uncle Zhao?” ”

““It's me,” secretary Zhao's voice came from the other side. “Ah Ze, what's the matter?” ”

“Lin Ze continued, “Has my dad been acting strangely during this period of time?” ”

“Secretary Zhang was stunned for a moment before continuing, “CEO Lin is still the same. After work, he went to the recuperation room. The situation isn't good, nor is it bad.” ”

“Did Feng Qianhua go to look for my dad?” Lin Ze asked.

“No.”

“Although he had already gotten secretary Zhang's answer, Lin Ze was still a little worried. After hanging up the phone, he greeted Li Wenpang, Tiger, and dog two before making a trip to the recuperation room.”

“Coincidentally, when he arrived, Old Mrs. Lin was sitting in the ward, chatting with Lin Jincheng.”

“To be more precise, it was old Mrs. Lin who was talking, while Lin Jincheng's eyes were slightly closed.”

It was unknown whether he was asleep or deep in thought.

“Seeing Lin Ze, Old Mrs. Lin asked in puzzlement, “Why is Ah Ze here?” ”

Lin Ze put down his bag. “I’m here to see my dad.”

“Hearing this, Lin Jincheng opened his eyes. He looked a little tired. “How is Ah Ze getting along with his classmates at the New School?” ”

““Very well.” Lin Ze nodded. “Dad, Are You Alright?” ”

Lin Jincheng nodded slightly.

“Lin Ze picked up an apple. “Dad, I’ll Peel an Apple for you.” ”

“Okay.”

Old Madam Lin looked at Lin Ze and then at Lin Jincheng. A look of displeasure flashed across her eyes.

This father and son pair.

“I don’t look like me, and my son doesn’t look like my son.”

None of them are easy to deal with.

“If Lin Jincheng hadn’t chosen ye Shu, that fickle woman, he wouldn’t have ended up like this, and he wouldn’t have lost a leg.”

“Yet, even now, Lin Jincheng was still thinking about ye Shu.”

“Fortunately, she woke up early.”

She changed the diary.

“Otherwise, Lin Jincheng would probably be thinking about her for the rest of his life.”

“Although Lin Jincheng had not fully accepted Feng Qianhua yet, old madam Lin believed that one day, Lin Jincheng would accept her.”

“Soon, Lin Ze peeled an apple and handed it to Lin Jincheng.”

“Old Madam Lin looked at Lin Ze. “Ah Ze, it’s getting late. You should go back with Grandma. Don’t disturb your father’s rest here.” ”

“After saying that, old Mrs. Lin turned back to look at Lin Jincheng. “Jincheng, go home more often if you have time.” ”

Lin Jincheng nodded slightly.

““Grandma, I want to spend more time with my dad.”Lin Ze looked up at Old Mrs. Lin.”

“Old Mrs. Lin wanted to reject Lin ze, but she was afraid that Lin Ze would suspect something, so she said, “Okay, I’ll wait for you to go back with me.” ”

Lin Ze narrowed his eyes. He didn’t understand what old Mrs. Lin was up to.

“Chapter 473: 127: long-lost sister, face-smacking again at the orientation! 3”

What is she hiding from me?

“Old Lady Lin had been staying in the ward the whole time. Lin Ze could not ask Lin Jincheng directly about some things, so he suggested that he go back with Old Lady Lin.”

Lin Jincheng sent the two out of the recovery room.

Old Lady Lin turned to look at Lin Jincheng. “You’re not feeling well. Go back to your room and rest.”

“Okay.” Lin Jincheng nodded.

“Old Mrs. Lin looked at Lin Ze again. “Ah Ze, let’s go back.” ”

““Okay, Grandma.” Lin Ze followed Old Mrs. Lin’s footsteps. ”

The grandfather and grandson got into the car.

Lin Jincheng looked in the direction the car had disappeared and sighed deeply.

“After returning to the ward, he continued to look at the diary that was already slightly yellowed. ”

“The diary was filled with his memories, but it did not seem like his memories. ”

“He tried hard to remember his face, but in the end, it was indeed a blur of facial features. ”

Could it be...

It was really as the diary had said.

Was that person really Feng Qianhua?

Old Lady Lin's words floated into his ears again.

“Jin city, it's been nineteen years. Qianhua has waited for you for nineteen years. She has given you the best golden years of a woman.” ”

“How many more nineteen years do you want her to wait?”

“Jincheng, you and Qianhua have been childhood sweethearts since young. Why aren't you willing to take on the responsibilities that a man should have?” ”

“I don't care! For Ah Ze and for Xianxian, you must give Qianhua an explanation!” ”

“Lin Jincheng pressed his temples, his facial features contorted in pain. ”

“Not only did he have a headache, but he also had phantom limb pain. ”

He felt as if his entire body was about to be torn apart by the immense pain.

He could not breathe.

He was like a person who had drowned.

“He struggled desperately in the middle of the abyss, but he still could not be saved. ”

“Bang –”

The teacups on the table were swept to the ground by Lin Jincheng.

““Director Lin, are you okay?”The bodyguard immediately rushed in from outside the door. “Quickly go and call doctor an.” ”

“Soon, doctor an, who was wearing a white coat, came in and gave Lin Jin Cheng a shot of painkillers. ”

“Lin Jin Cheng’s situation was special. Because he had been taking painkillers all year round, the painkillers did not have any significant effect on him. Therefore, Lin Jin Cheng’s dosage was ten times that of an ordinary person. ”

“Gradually, Lin Jin Cheng’s mood stabilized. ”

“Doctor an helped Lin Jin Cheng to the bed. “Chief Lin, are you alright?” ”

“Cold Sweat broke out on Lin Jin Cheng’s face. He waved his hand and said, “I’m fine.” ”

“Doctor an continued, “Have you taken your medicine on time these few days?” ”

“The assistant beside him said, “Chief Lin has always taken his medicine on time.” ”

““Then what’s going on?”Doctor an frowned. “If you take your medicine on time, your condition won’t suddenly worsen. Did Something Provoke Chief Lin?” ”

The assistant shook his head.

Lin Jincheng’s hands trembled. He took out a tissue and wiped the sweat off his forehead.

“Seeing him like this, the assistant said, “Boss Lin, let me help you.” ”

“No need.”

“Doctor an continued, “Boss Lin, your condition is much worse than a year ago. Remember to take the medicine on time. Be careful not to let your mood fluctuate too much. If you feel uncomfortable, you must get someone to call me immediately.” ”

Lin Jincheng nodded slightly.

“”Director Lin, if there’s nothing else, I’ll be leaving first.” ”

“”Doctor an, you can go back to your work.” ”

Doctor an walked out of the ward.

“Just as he walked out of the ward, he saw Feng Qianhua. ”

Feng Qianhua walked over to doctor an. “Doctor an.”

“Madam Feng.”Doctor an nodded.

“Feng Qianhua continued, “Doctor An, do you have time now?” ”

“”Ms. Feng, what can I do for You?”Dr. an asked. ”

Feng Qianhua turned to look at the ward. “I’d like to talk to you about CEO Lin’s condition.”

Dr. An was a doctor that the Feng family had specially hired overseas for Lin Jin city.

“Having been in the Lin family for so many years, he naturally knew that Feng Qianhua was already madam Lin’s default daughter-in-law and the future mistress of the Lin family. ”

“Therefore, doctor an was still very respectful to Feng Qianhua. “Madam Feng, this way please.” ”

Feng Qianhua nodded and stepped forward.

She arrived at Doctor An’s office.

“Feng Qianhua took the initiative to ask, “Doctor an, how is President Lin’s health now?” ”

“Doctor an hesitated for a moment before he spoke, “For President Lin, the biggest problem is his mental illness. He still has to be the one to solve it. If he won’t let himself go, even the best medicine in the world won’t be able to save him.” ”

Feng Qianhua nodded.

She had always known that ye Shu held a very important position in Lin Jincheng’s heart.

She was not surprised to hear what doctor an said.

“Chapter 474: 127: long-lost sister, face-smacking again at the orientation! 4”

She just couldn’t accept it.

She couldn’t accept losing to ye Shu just like that.

She was born into a wealthy family and had been a rich young lady since she was young. She received the best education.

How could that B * Tch ye Shu compare to her?

“In the beginning, she was Lin Jin city’s fiancée.”

It was ye Shu who was shameless and stole everything from her!

She had to take back everything that belonged to her.

““You mean, as long as the knot in your heart is untied, president Lin will be able to return to normal?” ”

Doctor an nodded. “You can say that.”

““Okay, then I understand.”Feng Qianhua took out a red packet from her bag. “Doctor an, thank you. In the future, President Lin’s health will continue to depend on you.” ”

““Ms. Feng, you’re too kind.”Doctor an refused to accept Feng Qianhua’s red packet. ”

“Feng Qianhua directly put the red packet on the desk, then turned around and left. ”

“After Feng Qianhua left, doctor an opened the red packet. ”

Inside was a six-figure cheque.

“Feng Qianhua came to Lin Jin city’s ward. This time, the bodyguard did not stop her. ”

A glimmer of light flashed in Feng Qianhua’s eyes.

It seemed that the diary really played a big role.

“Although the bodyguard did not stop her, Feng Qianhua still knocked on the door.”

“Come in.” Lin Jin Cheng’s voice came from inside.

“Feng Qianhua pushed the door open and went in. “Brother Jin Cheng, are you feeling better today?” ”

“Lin Jin Cheng put down the newspaper. “I’m fine, don’t worry.” ”

“Feng Qianhua put her bag on the coffee table. “Brother Jin Cheng, I know that you’ve always misunderstood me. Actually, in the past nineteen years, I’ve already thought it through. Two people who love each other don’t have to be together to be happy.” ”

“I know that Aunt Lin came to see you this morning. Please don’t feel pressured because of this. I’ve never thought of making you take responsibility because I did all this on my own!”

“I’ll explain to Aunt Lin.”

Feng Qianhua had known Lin Jin Cheng for 40 years.

No one knew Lin Jin Cheng better than her.

She knew what to do to lower Lin Jin Cheng’s guard.

Lin Jincheng had lost that memory.

She could take advantage of it and let Lin Jincheng know a new version of herself.

That was why Feng Qianhua used a roundabout tactic of retreating in order to advance.

It turned out that she had done the right thing!

“Lin Jincheng had thought that Feng Qianhua came here with the same attitude as Old Lady Lin, which was to force a marriage.”

But Feng Qianhua said something like this.

Lin Jin Cheng couldn't figure it out.

Could it be...

That everything in the diary was true?

“For a moment, Lin Jin Cheng fell into deep thought.”

“Feng Qianhua saw that the fire was almost ready, so she stood up. “Brother Jin Cheng, I Won't disturb you any longer. Take good care of yourself and don't let your imagination run wild.” ”

“After saying that, she turned around and left.”

“She had to put on a good show, so Feng Qianhua went straight to the Lin family.”

“Seeing Feng Qianhua come over, Old Madam Lin was very happy. “Qianhua is here.” ”

“Feng Qianhua walked to Old Madam Lin's side. “Aunt Lin, I want to discuss something with you. Please promise me.” ”

“Old Madam Lin said with a smile, “Qianhua, you can just say it directly. We're mother and daughter. What else is there to promise or Not?” ”

“Aunt Lin, I want you to help brother Jin Cheng and sister Ye Shu succeed!” saying that, Feng Qianhua directly knelt down to old madam Lin.”

“Old Lady Lin was shocked and quickly helped Feng Qianhua up. “Qianhua! You Silly Child, what are you thinking about? What do you mean by helping them? In My Heart, only you are worthy of Jin Cheng!” ”

“Ye Shu is not only a promiscuous woman, but also a Jinx! If it weren’t for her, Jin Cheng wouldn’t have become like this! Not only did she cheat on Jin Cheng, but she also harmed him for the rest of his life!” ”

“Back then, Lin Jin city ignored Old Lady Lin’s objections and insisted on being together with Ye Shu. ”

“After Old Lady Lin learned of this, she locked Lin Jin city up at home and sent people to watch over him. ”

“But for some reason, Lin Jin city still learned of the news of ye Shu’s birth. ”

Lin Jin city threatened her with death and drove to Yun Jing overnight.

“Unexpectedly, there was only a car accident on the road. ”

“When her son was in an accident, as the matriarch of the Lin family, Old Lady Lin would not disregard the life and death of her grandson no matter how hard-hearted she was. Thus, she bribed the midwife and carried away the newly born Lin Ze. ”

“Every time she thought of this, Old Lady Lin would feel a lingering fear. ”

“Fortunately, she had gone early back then and that little bastard had yet to be born. ”

“Otherwise, wouldn’t the Lin family have to raise a bastard for nineteen years? ”

“So, this was all ye Shu’s fault! ”

“If not for ye Shu’s words, Lin Jincheng, who had always listened to her, wouldn’t have become so rebellious. He actually dared to threaten his mother with death! ”

“If Lin Jincheng hadn’t threatened her with his life, Old Lady Lin wouldn’t have let Lin Jincheng drive to find ye Shu that night. ”

“If Lin Jincheng hadn’t driven to find ye Shu, Lin Jincheng wouldn’t have lost a leg. ”

Old Lady Lin Hated Ye Shu.

She wanted to send ye Shu straight to hell!

“Feng Qianhua continued to defend ye Shu. “Aunt Lin, Sister Ye Shu is not to blame for all of this. Love is uncontrollable, just like how I love brother Jin Cheng. I’m willing to give up everything for Brother Jin Cheng.” ”

““I don’t want brother Jin Cheng to suffer so much. So, Aunt Lin, I beg you, please help sister Ye Shu and brother Jin Cheng!” ”

Old Madam Lin did not understand why Feng Qianhua was so kind.

“It was ye Shu who took everything from Feng Qianhua, but Feng Qianhua not only didn’t blame ye Shu, but she even pleaded on ye Shu’s behalf. ”

“Qianhua, if that B * Tch ye Shu really loved Jin Cheng, she wouldn't have cuckolded him! She didn't Love Jin Cheng at all, she just loved Jin Cheng's power! If Jin Cheng was a pauper back then, ye Shu would have run away with someone long ago!” ”

“Feng Qianhua was already in tears. “Aunt Lin, but seeing brother Jin Cheng like that, I feel really bad.” ”

“Old Madam Lin patted Feng Qianhua's hand. “It's almost over. Everything is almost over. Qianhua, you're a good woman, and Jin Cheng isn't blind. I believe that he will definitely remember how good you are.” ”

“With that diary, Lin Jin Cheng would definitely be responsible for Feng Qianhua. ”

“Old Madam Lin took a tissue to wipe Feng Qianhua's face. “Good child, don't cry. Don't say such silly things in the future. Ye Shu, that B * Tch, isn't worth it for you to treat her so well. She doesn't deserve it!” ”

“When Feng Qianhua was mentioned, Old Madam Lin's face was full of smiles, but whenever ye Shu was mentioned, Old Madam Lin's face would immediately turn ferocious. Her appearance wasn't good to begin with, but now that she looked ferocious., it was even more terrifying. ”

“Feng Qianhua choked with sobs and said, “Aunt Lin, I just went to see Brother Jin Cheng. Doctor an told me that a heart disease needs to be cured by medicine. I'm afraid that he won't be able to survive.” ”

“After saying that, Feng Qianhua continued, “No matter how big of a mistake sister ye Shu has made, it's still in the past. Aunt Lin, please forgive her this once and help her and brother Jin Cheng, okay?” ”

“Seeing Feng Qianhua like this, old madam Lin could not help but tear up. “Qianhua, you are Jin city's medicine. The only person who can cure him is you.” ”

“Daughter-in-law, Old Madam Lin only acknowledged Feng Qianhua. ”

Not to mention anything else.

“Just based on the fact that Feng Qianhua had taken care of her by her side for 19 years, this filial piety was not something that others could compare to.”

“Old Madam Lin continued, “Qianhua, don’t cry. You’ve guarded Jin city for so many years. It’s time for you to see the light of day.” ”

“Under Madam Lin’s persuasion, Feng Qianhua finally stopped crying after a long while. Her mood gradually calmed down. “Aunt Lin, I’ve lost my composure today, but I hope you can seriously consider my suggestion.” ”

Madam Lin nodded her head in agreement.

Feng Qianhua then bid her farewell.

Madam Lin personally sent her out.

“Worried that Feng Qianhua’s bad mood would affect her driving, madam Lin specially called the chauffeur at home to send Feng Qianhua back. ”

“Seeing Feng Qianhua get into the car with her own eyes, Old Mrs. Lin was relieved and walked back. ”

“Aunt Zhang supported Old Mrs. Lin and said with emotion, “Old Mrs. Lin, Miss Qianhua is too soft-hearted. Nineteen years ago, if she had fought for it, Jin city would not have been deceived by Ye Shu.” ”

“Old Mrs. Lin Sighed. “Fortunately, we have already changed Jin city’s diary. I see that Jin city is not as resistant to Qianhua as before. This is a good thing.” ”

“Aunt Zhang nodded. Suddenly, a worried look appeared in her eyes. “The safe on the Tower of Jin city hasn’t been opened yet. Do you think there will be any trouble when that time comes?” ”

Lin Jin city had the habit of hiding important things in the safe.

“Therefore, old madam Lin guessed that there must be something in the safe.”

Perhaps it was related to ye Shu.

“Old Madam Lin narrowed her eyes, “Don’t worry about this. Even if there really is something in the safe, Jin city will probably forget about it! Otherwise, he would have come back to get it! “Moreover, the key is in my hands now. If Jin city comes back to stay, he can just find an excuse and ask him to change rooms.” ”

“Aunt Zhang nodded. “Old Madam, that’s what you said, but the safe is always there. It’s a disaster after all. What if one day...” ”

“Chapter 476: 127: long-lost sister, face-smacking again at the Orientation Party! 6”

The rest was self-evident.

“Old Mrs. Lin continued, “I’ve already contacted the experts in country P and said that they will give the news in a few days. Anyway, I won’t let Qianhua suffer.” ”

“Hearing this, Aunt Zhang was confident. ”

Old Mrs. Lin was serious this time.

It seemed that it was only a few days before Feng Qianhua married into the Lin family.

On the other side.

Feng Qianhua returned to the Feng family.

“Just as she returned, she saw old madam Feng waiting for her at the door. ”

“When she saw old madam Feng, Feng Qianhua’s heart skipped a beat. ”

“As a mother, she had always seen only benefits. This time, there was definitely nothing good. ”

“Mother.”Feng Qianhua walked over.

Old Madam Feng smiled. “You’re back.”

“Mm.”Feng Qianhua nodded.

Old Madam Feng looked outside the door. “Did the Lin family’s chauffeur send you back?”

“Yes.”

“The expression on old madam Feng’s face softened a little, but her tone was still aggressive, “Qianhua, I know that old Madam Lin likes you very much and is very satisfied with you, but you won’t be able to get past Lin Jin city! I Can’t Let Old Lady Lin Marry You! I’ve waited for you for nineteen years, nineteen years, but you still haven’t married into the Lin family. Let me ask you, when will you be able to give me a definite letter?” ”

“It was said that the daughter who was married off would be splashed with water, but the Feng family had already raised Feng Qianhua and her daughter for so many years, yet they still hadn’t received any returns. ”

Old Madam Feng didn’t know when the splashed water would bring benefits to the Feng family!

“No later than this year.”Feng Qianhua’s tone was firm.

“Are you serious?” Old Madam Feng was in disbelief.

“I’m sure.”

Old Madam Feng glanced at Feng Qianhua. “I hope you won’t disappoint me this time.”

“Don’t worry.”

“After saying this, Feng Qianhua returned to her room.”

Feng Xianxian was watching TV in the living room.

“Seeing this, Feng Qianhua frowned. “Xianxian, why didn’t you go to the body-building class?” ”

“In order to cultivate a refined temperament, Feng Xianxian not only learned Latin dance, but also signed up for a weekly body-building class.”

“Feng Xianxian said, “Teacher has something to do today, so there’s no class today.” ”

“Feng Qianhua immediately turned off the TV. “Then go read a book, learn chess, and practice the way of tea! Mom is going to marry you into the Lin family soon. As the eldest daughter of the Lin family, you have to bring out the eldest daughter of the Lin family’s temperament.” ”

“I heard from your grandmother Lin that fifth master Cen likes to drink tea and play chess. You have to practice these two things well!”

“If she wanted to attract fifth master Cen’s attention, she had to cater to his interests.”

“Although Feng Xianxian had studied the way of tea and chess since she was young, she was still a little immature in front of Fifth Master Cen.”

“Hearing this, Feng Xianxian’s eyes lit up. “Mother, are you really going to marry into the Lin Family?” ”

“Yes.”Feng Qianhua nodded.

“In that case, she was about to become the legitimate eldest daughter of the Lin Family! ”

“Thinking of this, Feng Xianxian’s face was full of excitement. ”

“Thinking of the extremely noble fifth master Cen, Feng Xianxian felt her heart almost jump out of her chest. ”

Bang Bang Bang —

“Feng Qianhua continued, “By the way, Xianxian, from today onwards, you’ll be a vegetarian.” ”

“What? A vegetarian?”Feng Xianxian was stunned. “Mom! I’m Not Fat!”

“In order to maintain her weight, Feng Xianxian had already paid attention to her diet. If she were to eat a vegetarian diet and not touch any meat, who would be able to stand it? ”

“Feng Qianhua looked at Feng Xianxian. “Cen Wuye is a vegetarian. Before you follow me to the Lin family, you must change your eating habits.” ”

Fifth Master Cen is a vegetarian?

Upon hearing this sentence.

Feng Xianxian instantly had no objections.

“As long as she could marry fifth master Cen and stand at the top, she was willing to do anything!”

“At that time, she would be the ruler of the four nine cities.”

Didn't these relatives of the Feng family feel that Feng Qianhua was unable to marry into the Lin family and usually ridiculed them?

She wanted to make those people in the Feng family who looked down on her regret beyond measure!

“Feng Xianxian nodded firmly. “Mom, I'll listen to you.””

“Seeing her daughter so obedient and obedient, Feng Qianhua was also very gratified.”

...

On the other side.

In the top-floor office of the CEN Group.

“Cen Shaoqing was sitting at his desk, brewing tea.”

“On the jade green tea set, a pair of fair and slender hands weaved through it. When the tea set collided, it emitted a crisp ding dong sound. Tea smoke curled up, making that exquisite facial features even more hazy, as if it was covered with a layer of gauze.”

“The man's facial features were handsome. He wore a retro-styled long gown with a buttoned top. His eyes were slightly narrowed, and his thick eyelashes covered his bottomless eyes. The Red Mole at the end of his eyes only added to his charm.”

“Chapter 477: 127: long-lost sister, face-smacking again at the orientation! 7”

“The room was cold, making people afraid to look him in the eye. ”

“”Bang, Bang, Bang.” ”

“At this moment, there was a knock on the door. ”

“”Come in,”the man said in a low voice. ”

“He ziteng pushed the door open and entered, holding a document in his hand. “Fifth brother, can you give this land to me?” ”

“From the south of the city?”Cen Shaoqing asked without raising his head.

“Yes.”He ziteng nodded.

“Not from the south of the city.”Cen Shaoqing poured the water from the teapot into eight small cups.
“Take the piece from the north.”

It was a very casual tone.

It was so casual that it was as simple as giving a piece of candy.

“Little did he know that the piece of land in the north was not just a piece of land, but also involved a nearly eight-figure order. ”

“He ziteng frowned slightly. “Why not the land in the south?”If he remembered correctly, the land in the north was much more valuable than the land in the south of the city. ”

“I have a use for the land in the south of the city.” Cen Shaoqing’s tone was indifferent. He picked up a cup of tea and handed it to he ziteng. “Try it and see how it tastes.”

He ziteng was stunned.

“For the first time in his life, he drank the tea Cen Shaoqing personally brewed. ”

He was flattered!

He ziteng wiped his hands on his clothes and took the cup handed to him by Cen Shaoqing solemnly. He took a sip of the tea.

“The taste was slightly bitter and sweet. It was mellow and smooth, and the fragrance of the tea permeated the air. ”

It was a very top-notch taste.

He ziteng narrowed his eyes. The things around Cen Shaoqing were indeed different from ordinary things.

“How is the taste?” Cen Shaoqing asked.

“Very good!” He ziteng gave a thumbs up. “Even the white silver needles collected by our old man don’t have such a taste.”

Cen Shaoqing picked up the Buddha beads on the table. “The instrument is the father of tea. The main thing is that the tea set is good.”

Tea Set?

He ziteng looked at the tea set in his hand.

“Unlike the traditional purple clay pot, this was a set of jade green tea set. It felt fine and not greasy, warm and not cold. It was exquisite and elegant. It was the best tea set.”

“Something from the Qing Dynasty?” He ziteng asked in surprise.

“Cen Shaoqing nodded slightly. “Yes, your fifth sister-in-law has good taste, right?” ”

He ziteng was stunned. “What does this have to do with my fifth sister-in-law?”

“Cen Shaoqing picked up the cup and took a sip of tea. He said slowly, “This tea set was given to you by your fifth sister-in-law.” ”

“He ziteng, who had been fed dog food, was speechless. He smiled on the surface, but in his heart, he was F * cking mad.”

It turned out that Cen Shaoqing just wanted to show off that this tea set was gifted by Ye Zhuo.

“If he had not seen it with his own eyes, he ziteng would never have believed that the person in front of him was Cen Wu, who claimed that he would never marry! ”

This person was about to become a wife-flaunting maniac and a love-flaunting maniac!

He ziteng silently covered his mouth and did not say a word.

“Cen Shaoqing glanced at him and said in a cold tone, “Why are you covering your mouth?” ”

“He ziteng whimpered, “I’m afraid I’ll bark.” ”

“Cen Shaoqing’s expression did not change. He said seriously, “You’re very talented in chasing girls. It’s only a matter of time before you become a bachelor.” ”

“Hearing that, he ziteng immediately regained his full confidence. “Talent is useless! The problem is that I’ve never met a girl who can move me!” ”

“You’ll meet her.”Cen Shaoqing patted he ziteng on the shoulder. “You won’t be a single dog for the rest of your life.”

“He ziteng felt that CEN Shaoqing’s gaze was meaningful, but he couldn’t figure out what was strange about it.”

Could it be that he was thinking too much?

...

At the sanatorium.

Lin Jincheng had been thinking about those past events for the past few days.

But he couldn’t remember the person in his memory.

Could it be that that person was really Feng Qianhua?

Lin Jincheng felt very painful.

“Jincheng.” At this moment, Old Lady Lin walked in from outside. ”

“Mom.” Lin Jincheng raised his head.

“Old Lady Lin sat on the chair and said earnestly, “Jincheng, you have been calm for so many days. Shouldn’t you give Qianhua an explanation?” ”

Lin Jin Cheng did not say anything.

“Jin Cheng!” Old Madam Lin’s voice became heavier.

“Lin Jin Cheng raised his head to look at Old Madam Lin. “Mom, is it really Qianhua? Is Ah Ze’s mother really Qianhua?” ”

““Don’t you know in Your Heart?” Old Madam Lin stood up angrily, “Qianhua hid her identity by your side and took care of our family for so many years. Don’t you feel anything at all? How can you let Qianhua down by doing this! Are you still a man?” ”

“A misunderstanding has passed for so many years. Can’t you let it go?”

Lin Jincheng was silent and did not say anything.

“The diary mentioned the misunderstanding, but Lin Jincheng could not bring it into his memory. ”

“Chapter 478: 127: long-lost sister, face-smacking again at the orientation! 8”

“Old Lady Lin said forcefully, “Jin Cheng, I don’t care what you are thinking right now. You have to give me an answer today.” ”

“Mom, do you know about the diary?” Lin Jin Cheng raised his head to look at Old Lady Lin. ”

Old Lady Lin was stunned. “Diary? What Diary?”

“You really don’t know?” Lin Jincheng asked.

“I know?” Old Lady Lin frowned. “Jincheng, what do you think I should know?” ”

Lin Jincheng narrowed his eyes. He felt a headache and his head was about to explode.

“Old Lady Lin continued to pressure him. “Jincheng, I have already found a master. This month’s 18th is very good. I will make the decision to settle the matter between you and Qianhua First! We will hold the wedding in December!” ”

“After all, it was also a big wedding for the Lin family. Old Madam Lin wanted to hold a big one and make it more lively!”

“Lin Jin Cheng pressed his temples. His expression was normal, but his face was covered in layers of cold sweat.”

It was very uncomfortable.

“Old Madam Lin turned to look at Lin Jin Cheng. “If you don’t say anything, I’ll take it as your acquiescence.” ”

“After saying that, old madam Lin turned around and walked out of the door.”

“Bang!”

“At this moment, the sound of a heavy object falling to the ground came from behind Old Madam Lin. ”

Old Madam Lin looked back and was so frightened that her face turned pale. “Jin Cheng!”

“She saw Lin Jin Cheng lying on the ground, unconscious. ”

“Help! Help!”

“Immediately, medical staff rushed in. ”

“After some resuscitation, Lin Jin Cheng finally regained consciousness, but his complexion was worse than before. ”

“Old Lady Lin sat by the bed. “Jin Cheng, give Qianhua an explanation. Qianhua needs you, and Xianxian needs you.” ”

“After saying that, old lady lin continued, “Anyway, I’ve already set the date. It’s on the 18th of this month! Rest well for the next few days. You’ll be in good spirits when you attend the engagement party.” ”

“After saying that, Old Lady Lin explained something to the doctor before leaving the sanatorium. ”

Back at the Lin family home.

Old Mrs. Lin began to arrange the happy occasion on the 18th.

She had to cut the Gordian knot quickly and settle things while Lin Jincheng was still in a daze.

..

Beijing University.

“After the military training ended, it was the orientation party.”

“Today was Monday, which was also the day of the orientation party.”

“Originally, the school had arranged for ye Zhuo to speak on behalf of the new students.”

“But Ye Zao refused, so the school went to find Lin Ze. Like Ye Zao, Lin Ze was not interested in these things.”

“Helplessly, the school had to find someone else.”

“After the new students spoke, the school also arranged for the famous entrepreneurs in Beijing to go on stage and share their successful experiences.”

“Bai Xiaoman sat next to Feng Xianxian and looked at the stage curiously. “Xianxian, do you know this old Mr. Yang?” ”

“Feng Qianxian nodded, her eyes filled with pride. “Not only do I know Grandpa Yang, but I’ve also had dinner with him at the dinner table. He and my grandmother are old friends for many years!” ”

“As she spoke, Feng Qianxian looked in the direction of ye Zao.”

Ye Zao was sitting in the same row as her.

It was obvious that ye Zao must have heard her voice.

“At this moment, ye Zao must be very envious of her!”

So what if ye Zao snatched away her position as the school belle?

Her status and position was something that ye Zao could never have imagined!

“She could get to know Old Master Yang, who was also from a wealthy family.”

Could Ye Zao?

“She was the eldest daughter of the Lin family. In the future, she would marry Cen Wu Ye and become the Honorable Cen family’s matriarch.”

What About Ye Zao?

Ye Zao could only marry a lowly person and spend his entire life fighting for a house and a car!

“Upon hearing this, Bai Xiaoman said enviously, “Xianxian, is that true? Did you really have dinner with old Mr. Yang?” ”

That was the Yang Corporation!

“A famous brand in the country, the Yang Corporation that produced the top ten famous wines! ”

One had to know that Bai Xiaoman usually only saw old Mr. Yang on television.

“”It’s just a meal. Is it really hard to believe?”Feng Xianxian’s tone was very flat. “If you knew that every time my grandmother goes to the bank, the bank president personally receives her, wouldn’t you go crazy?” ”

“Your grandmother is really amazing!”Bai Xiaoman was even more envious.

“At this moment, the speech on stage ended, and Mr. Yang walked down the stage. ”

“Bai Xiaoman excitedly grabbed Feng Xianxian’s wrist. “Coming, coming! Mr. Xianxian, Mr. Yang must be here to look for you, right?” ”

“Of course!”Feng Xianxian had a smile on her face.

“As Mr. Yang walked over, the other students in the venue also looked over. ”

“Feng Xianxian smiled and stood up from her chair under everyone’s gaze. “Hello, Grandpa Yang.” ”

“However, Grandpa Yang ignored Feng Xianxian. He directly walked past her and stopped in front of ye Zao. He said excitedly, “Zao Zao, it’s really you! I thought I had misjudged you!” ”

“Chapter 479: 128: Ye Zao is z, brother and sister meet smoothly! 1”

It was because ye Zao had applied for Peking University that Mr. Yang accepted the Peking University’s invitation to speak.

“He thought that ye Zao would definitely speak on behalf of the freshmen, but who knew that the one speaking on behalf of the freshmen was actually a young man that he did not know at all.”

“When he did not see ye Zao on stage, Mr. Yang thought that ye Zao had not come to Peking University and changed his choice at the last minute.”

He did not expect to see ye Zao off stage.

“After confirming that ye Zao was off stage, Old Master Yang quickly concluded his speech and impatiently went off stage.”

“Although Feng Xianxian had eaten with old master yang at the same table, there were too many juniors around Old Master Yang. How could he remember all of them?”

“Grandpa Yang.” Ye Zao stood up and greeted Old Master Yang.

Everyone’s gaze fell on Feng Xianxian. There was some meaning behind it.

“Some were curious, some were mocking, and some were watching the show.”

“Feng Xianxian originally thought that old master Yang was here to greet her. After all, Old Master Yang had some friendship with Old Lady Lin. During Old Master Yang’s birthday banquet, she even toasted to Old Master Yang.”

Who would have thought that old master Yang was here to greet ye Zhuo!

“How did this country bumpkin, Ye Zhuo, know Old Master Yang?”

Feng Xianxian just stood there with an awkward expression on her face. She wanted nothing more than to find a hole to hide in.

Li Yueyue held back her laughter.

“Feng Xianxian relied on her status as the eldest daughter of the Lin family to strut around in the dormitory all day. She thought that she was superior, but in reality, she was just a clown.”

“This time, she finally got her comeuppance!”

“In front of so many people, she felt embarrassed for Feng Xianxian.”

Old Master Yang said a few words to Ye Zao and left with the school leader.

“Li Yueyue turned to look at ye Zao curiously. “Zao Zao, is old master Yang a relative of yours?””

Ye Zao nodded slightly. “A little.”

Li Yueyue was sitting to Bai Xiaoman’s left.

She frowned when she heard this.

Ye Zhuo’s mother was a waitress and her uncle was a courier. How could she possibly know Old Master Yang?

And they were relatives! ?

Wasn’t this a fantasy?

“”Xianxian, what do you think Old Master Yang’s relationship with Ye Zhuo is?” Bai Xiaoman asked in a low voice.”

“Feng Xianxian said, “What does a person like her have to do with Old Master Yang? Didn’t you see Old Master Yang leave after saying a few words? He probably mistook her for someone else!””

“Yes, he must have mistaken her for someone else!”

“After all, elder Yang was so blind that even she couldn’t recognize him.”

It was normal to have mistaken him for someone else.

Feng Xianxian pinched her fingers.

“Bai Xiaoman nodded. “Xianxian, you’re right. Elder Yang must have mistaken her for someone else.””

“If ye Zhuo and elder Yang were really related, would ye Zhuo still be so poor?”

“He was wearing clothes without labels, a worn-out second-hand computer, and even his cell phone was an old model from last year.”

“He even liked to go to the cafeteria with Li Yueyue, eat street food, and even eat junk food like spicy hot pot!”

“Therefore, Grandpa Yang must have mistaken him for someone else.”

“After the orientation party ended, it was October 1st.”

Li Yueyue planned to go home for a seven-day long vacation.

““Zhonghua, are you going home?” Li Yueyue asked as she packed her luggage.”

Ye Zhonghua lay in the hammock and squinted his eyes. “I’m not going home. My mom and uncle are here.”

“Li Yueyue continued, “You don’t have anything to do in the capital. Why Don’t you come with me to our prairie to play?””

““What’s fun there?” In Ye Zao’s previous life, the environment was polluted and the weather was getting worse. The prairie was desertified. She had only seen pictures of the real prairie in a museum.”

“Li Yueyue counted with her fingers and said, “We can ride horses, roast meat, learn archery, and dance on the bonfire... in short, there are many, many, many fun things.””

“Ye Zhuo stretched out one leg and lightly kicked the bed frame. His long white legs were extremely slender, and even his feet were as white as jade. His pink toenails were like rows of pearls, and the hammock slowly swayed, “Eleven might not be able to do it. I have other things to do.””

This lively scene made Li Yueyue’s eyes widen.

This leg was too beautiful!

It was long and straight.

“It was like milk, without a single flaw.”

She could not help but think about how outstanding ye Zao’s boyfriend was to be worthy of ye Zao.

““Zao Zao, is your boyfriend very good? Very Good?””

“Hearing this, Feng Xianxian and Bai Xiaoman pricked up their ears to listen to Ye Zao’s reply.”

“Chapter 480: 128: Ye Zao is z, brother and sister meet smoothly! 2”

“Ye Zao said unhurriedly, “It’s alright... He’s just an old antique.” ”

Old Antique?

How Old was he?

“He was probably old enough to be ye Zao’s father, right? ”

Feng Xianxian and Bai Xiaoman looked at each other and saw the mockery in each other's eyes.

"Li Yueyue was too curious about what Ye Zao's boyfriend looked like, so she asked, "Is your boyfriend coming to pick you up later?" "

"Ye Zao said, "We have an appointment at two in the afternoon." "

"Two o'clock?" Li Yueyue said with a regretful look, "I'm taking the bullet train at 1:30! If I had known earlier, I would have snatched the ticket at 2:30!" "

It was hard to get a ticket during the eleventh Golden Week. It was almost impossible to change the ticket.

"Ye Zao said, "How long will it take you to take the Bullet Train Home?" "

"Li Yueyue thought for a moment. "The bullet train will take 18 hours. Then, adding on the transfer, it will take about 21 hours to get home." "

21 hours?

"Hearing this answer, Ye Zhuo felt his scalp go numb. "

It was too difficult for her to travel for 21 hours!

"Li Yueyue continued, "Actually, it's faster to travel by plane, but I'm airsick, so I can't fly." "

Can't Fly?

"Hearing this, Bai Xiaoman almost laughed out loud. "

Li Yueyue was a poor wretch. Could she take a plane?

She couldn't even take a plane.

She overestimated herself!

She didn't even write a draft when she was bragging.

"Hearing this, Ye Zao got up from the hammock and rummaged through her bag. In a moment, she flipped to a bottle of transparent spray, "Yueyue, this is a spray that specializes in airsickness. You can try it when you come to school. The effect is pretty good." "

Bai Xiaoman looked at Ye Zao.

She had only heard of airsickness spray.

"The inventor was Miracle Doctor Ye, who cured cancer. What the hell was airsickness spray? "

It was a very small bottle with no label on it.

One look and it was obvious that it was a three-product.

"Seeing this, Bai Xiaoman looked disdainful, her eyes full of ridicule. "

Li Yueyue was a braggart.

Ye Zao was also a braggart.

No wonder people said that birds of a feather flock together!

“Li Yueyue reached out and took the bottle from ye Zhuo. There was no doubt in her eyes, “Thank you, burning. Then I’ll try it when I come back. Where did you buy this spray? If the effect is good, I’ll have to Buy More for preparation! My mom and my grandma are both a Little Airsick!” ”

“Ye Zha peeled a milk candy. “I made this up by myself. If it’s useful, you can just tell me when the time comes. I still have a lot of it here.” ”

“Hearing this, Bai Xiaoman was speechless. ”

Did Ye Zha think she was Godly Doctor Ye? She could invent a godly device that could cure motion sickness just by messing around?

She was imitating him!

He actually took advantage of godly doctor ye’s popularity. He was really shameless.

“Li Yueyue hugged ye Zao excitedly. “Zao Zao, thank you.” ”

“You’re welcome.”

“Li Yueyue continued, “When I come, I’ll bring you beef jerky, milk skin, and cheese that can only be bought from our place!” ”

“Ye Zao smiled and said, “Then you mustn’t forget. I’ve already written it down in a small notebook.” ”

““Don’t worry, I definitely won’t forget.”Li Yueyue patted her chest and said. ”

“At 12 o’clock, Li Yueyue set off for the train station. ”

Ye Zhuo sent her to the bus stop.

“After returning to the dormitory, Ye Zhuo did not stay idle. He turned on his computer and communicated with Li Shang.”

The situation at the management company had already stabilized.

“Li Shang had signed a total of more than 200 streamers. Among them, 50 were currently popular streamers, 100 were not popular, and the remaining 50 were newbies who had just entered the circle.”

Li Shang: [there are a few things that need to be discussed in person. When are you free?]

Bei Feng: [I might not have the time recently. Let's Wait a little longer.]

“Li Shang: [alright, I'll wait for your reply then. Oh right, I've sent you a document. Please take a look. If there are no problems, I'll sign it.]”

Ye Zhuo clicked accept.

“The speed at which she read the document was very fast. Her eyes were like a scanner, scanning through everything with a single glance.”

“About five minutes later, Li Shang received a reply from the other party. [I have marked all the problematic areas for you. After you have corrected them, send them to me again.]”

Li Shang was stunned.

The document was a total of sixteen pages.

He had finished reading it so quickly?

“Li Shang quickly clicked to accept it. When he saw it, he was immediately stunned.”

“Because the other party not only read all of it, but also commented on every page.”

Li Shang was shocked.

It was hard to imagine what kind of person was sitting across from him!

Ye Zhuo had just finished processing the documents sent by Li Shang when he received a new message.
