

## **Almighty D 481**

“Chapter 481: 128: Ye Zao is z, brother and sister met successfully! 3”

“Nine Miles: [ God, is the new map out yet? ] ”

Ye Zao replied: [ soon. ]

“Nine Miles: [ Okay, there’s no rush. I didn’t mean to rush you. I was just asking casually. Actually, it doesn’t matter if it’s ten days to half a month later! ] ”

[ Okay. ]

Ye Zao closed the dialog box.

Only then did he realize that there was only half an hour left until the appointment with Cen Shaoqing.

It took 10 minutes to walk from the dormitory to the school gate. She still had to wash her face and change her clothes.

“Therefore, ye Zao closed the computer and walked to the bathroom. ”

“15 minutes later, ye Zao walked out of the dormitory wearing a white suspenders shirt and black wide-legged pants. ”

“She was originally tall and slender. At this moment, she looked even taller and longer in the high-waisted wide-legged pants. Her aura was 1.8 meters. The white suspenders shirt outlined a perfect body line. Above it was an exquisite collarbone. ”

“As soon as she walked out of the dormitory, passersby frequently turned to look at her.”

““Brother Ze, look! Your Sister!”When dog two saw ye Zao, it excitedly elbowed Lin Ze.”

Lin Ze looked up and frowned. His eyes were calm.

““Brother Ze, why aren’t you excited at all?”Dog Two asked.”

“Lin Ze asked back, “Why should I be excited?” ”

“Dog two said, “One of you is the campus Belle, and the other is the campus belle. Don’t you think that you two are fated? Wasn’t it popular to recognize younger sisters a few years ago? Why Don’t you go and recognize a younger sister for the three of us? I believe that Mosquito and fat tiger will definitely like our younger sister very much!” ”

“You’re thinking too much.”

Lin Ze glanced at dog two and walked to the other side.

Dog Two immediately followed Lin Ze’s footsteps.

“Ye Zao walked all the way to the school gate. At this moment, a tall boy suddenly blocked ye Zao’s path.  
“Hello, Junior. My name is Shangguan xufei. Can we get to know each other?” ”

“Ye Zao looked up slightly. “I’m sorry, but I already have a boyfriend.” ”

“Although ye Zao had already said that he had a boyfriend, Shangguan Xufei was not willing to give up just like that. After all, many girls liked to use this sentence as an excuse. “It’s just making friends. Don’t tell me that you have a boyfriend and don’t want to socialize anymore?” ”

“I really have a boyfriend. Please make way.”

“Ye Zao’s voice suddenly turned cold. Shangguan Xufei was stunned and took a few steps back, subconsciously making way for Ye Zao. ”

He did not even realize what was going on.

“When Ye Zao was far away, Shangguan Xufei finally reacted and scratched his head in confusion. ”

“As soon as ye Zao walked out of the school gate, he saw Cen Shaoqing’s car parked at the school gate. ”

It was a low-profile Bentley.

“There were many rich people in the capital, so a Bentley was not eye-catching. ”

Ye Zhuo walked towards the car.

“At this moment, the car door opened and a middle-aged man walked out. He was one of Cen Shaoqing’s chauffeurs. ”

““Uncle Zhao, why is it you?”Ye Zhuo asked in surprise. “Where’s Cen Shaoqing?” ”

“Uncle Zhao opened the car door for ye Zhuo. “Master Wu was delayed by something, so he asked me to pick you up.” ”

Ye Zao nodded slightly and did not say anything else. He got into the car.

“Uncle Zhao continued, “Miss Ye, master Wu has prepared some desserts for you in the fridge.” ”

“Okay.”

“Just as ye Zao closed the car door, Feng Xianxian and Bai Xiaoman walked out from behind the sculpture in front of the school gate.”

Both of their expressions were a little complicated.

“Bai Xiaoman said, “Xianxian, did you see ye Zao’s boyfriend Just Now?” ”

Feng Xianxian nodded.

“Bai Xiaoman continued, “I think he’s in his fifties or so?” ”

No Wonder ye Zao said that his boyfriend was an old antique!

“He was already so old, but she didn’t know how ye Zao could do that. ”

Bai Xiaoman felt goosebumps all over her body.

“Feng Xianxian looked at the back of the Bentley as it left, and the corners of her mouth curled up.  
“Fifty? I think he’s at least sixty or seventy! Standing with Ye Zao, he could be ye Zao’s grandfather!” ”

“Although she knew that ye Zao’s boyfriend was very old, Feng Xianxian did not expect that ye Zao’s boyfriend would be so old! ”

“Bai Xiaoman continued, “I saw that man driving a Bentley. His family background should be pretty good! Ye Zao must have taken a fancy to his money!” ”

“If it was not for money, who would be willing to date such an old man? ”

It would be more appropriate if he was older than ten years.

He was already several decades older!

Just thinking about it made him feel disgusted.

“I didn’t expect ye Zao to be such a person!” Bai Xiaoman continued, “Xianxian, do you think that ye Zao’s boyfriend is so Old? is she being kept by someone?” ”

“Chapter 482: 128: Ye Zao is z, brother and sister met successfully! 4”

“Feng Xianxian’s eyes were filled with ridicule. “Even if she wasn’t kept by someone, she’s probably a shameless mistress! I think that old man’s family should even have a grandson!” ”

“At the mention of a mistress, Feng Xianxian’s eyes were filled with hatred. ”

“If it wasn’t for Ye Shu, she would have long been the miss of the Lin Family! ”

Why did she have to wait until now?

All the mistresses deserved to die!

“Bai Xiaoman said with some regret, “If we had known earlier, we should have taken a picture with that phone! Let the whole school know ye Zao’s true face! Let’s see how she will face others in the future!” ”

“Feng xianxian smiled, “There’s no rush. There’s still a chance in the future. How can a Fox not show its tail!”The higher she stood, the more miserable she fell. Ye Zao’s good days were still ahead! ”

“Xianxian, you’re right!” ”

“Soon, the Bentley stopped at the entrance of the CEN Group.”

Ye Zao pushed the door open and got out. He walked into the company Hall.

“As Ye Zao entered, everyone looked over.”

“Although this was only the second time ye Zao had come to the CEN Group, everyone had a deep impression of her. They whispered, “Madam President is here again!” ”

“”Holy Sh \* t, Holy Sh \* t! I’ve finally seen someone alive! Madam President’s clothes look so good!” ”

“I want to buy a suspenders shirt and wide-legged pants too!”

“”The most important thing is that the person looks good, right? For a clothes rack like Madam President’s, even if she wears a sack, she would still look good.” ”

“Can you not be so prickly? I’m ready to place the Order!”

Ye Zhuo walked all the way to the CEO’s private elevator and stopped.

Ding —

The elevator door opened and she walked in. The elevator went straight to the top floor.

“After a few seconds, the elevator stopped at the top floor.”

“A secretary was waiting at the elevator door. “Miss Ye, this way please.” ”

Ye Zhuo nodded slightly. “Where’s Your Fifth Master?”

“The secretary said respectfully, “Fifth Master is having a meeting in the conference room.” ”

Ye Zhuo did not ask any more questions and followed the secretary into CEN Shaoqing’s office.

“The secretary was busy making tea for ye Zao and getting snacks. “Fifth master asked me to tell you that the computer password is your birthday. If you want to play with the computer, you can play with his computer.” ”

“After the incident with the CEO’s wife had spread in the group, the secretary was still wondering if these two were just friends. After all, CEN fifth master was famous for not getting close to women. ”

Until the secretary found out that Cen Shaoqing’s computer password was actually ye Zhuo’s birthday.

Would a normal friend use the other party’s birthday to set the password?

It looked like CEN group was about to have a lady boss!

“”Okay.”Ye Zhuo continued, “You can go out first.” ”

“The secretary nodded. “My name is Clark. If there’s anything, you can just call me from the Secretary Department outside.” ”

“Okay.”

“After the secretary left, only ye Zhuo was left in the office.”

Ye Zhuo ate a dessert and suddenly remembered that he had not livestreamed for a long time.

So he turned on his computer and started livestreaming.

“[ F \* ck! F \* CK, Yezi is here! ] ”

[ why did Yezi change the location of the livestream? Is this your company? ]

“”No, this is my boyfriend’s office,”ye Zhuo replied. ”

Boyfriend?

“When he heard this word, the bullet screen exploded. ”

[ ye has a boyfriend? ]

[ Ah Ah Ah! I’m heartbroken! ]

[ I really want to see Ye’s boyfriend... ]

“[ ye has a boyfriend, what about the beauty boss? ] ”

[ Wuli the beauty boss is so pitiful. ]

[ my heart aches for the beauty boss! ]

“[ wait! Ye’s boyfriend can’t be the beauty boss, right? ] ”

“The moment he said that, it attracted a group of onlookers. ”

“Ye Zhuo explained, “My boyfriend met him in real life, not the beauty boss! Oh right, I’ll broadcast chess for you guys first today, right? Then, if time permits, we’ll play Lol again.” ”

[ user: heaven-toppling Earth Purple Gold Hammer 1225 gives out ten sports cars! ]

[ user: that dog gave out 10 cloud piercing arrows! ]

“[ hammer Bro and dog bro are both here! Now, only beauty boss is left. ]”

[ beauty boss is sad. ]

Ye Zao started his live broadcast of chess.

“He originally thought that he would receive an invitation from the unlucky guy again today, but the unlucky guy did not go online today.”

“Thus, ye Zao randomly matched a chess streamer.”

“Ten minutes later, a game of chess ended.”

[ ye Zao is Amazing! ]

“[ I always thought that the unlucky guy was stupid and always lost to ye Zao, but now I realize that the unlucky guy is also a master. ]”

[ one more upstairs. ]

“After the live broadcast of chess, Ye Zao began to play Lol.”

“Cen Shaoqing pushed open the office door and saw Ye Zao sitting in front of his desk playing games. He was wearing headphones and staring at the screen with full concentration. One hand was pressing the mouse, and the other hand was quickly jumping on the keyboard.”

Chapter 483: 128: Ye Zao is Z. Brother and sister met successfully! 5

“When did you come?” Cen Shaoqing walked over and stood behind ye Zao.

“About half an hour,” ye Zao answered without raising his head. ”

“Cen Shaoqing stared at the screen for about a minute. Seeing that ye Zao still had no reaction, Cen Shaoqing leaned slightly and rested his chin on ye Zao’s shoulder. One hand landed on her waist, and the other on the keyboard, a faint fragrance instantly filled his nostrils. “Is the game that fun?” ”

He did not even look at him.

“That...” ye Zao looked back slightly. “I’m live streaming.”

Cen Shaoqing was stunned for a second and let go of Ye Zao. “I’ll wait for you at the side.”

“At this moment, the bullet comments exploded. ”

[ oh my God! was that ye Zao’s boyfriend Just Now? ]

“Although I didn’t see his face, his voice was so magnetic and beautiful! He must be a handsome man!”

”

“Ah Ah Ah! I’m so excited, I actually heard Yezi’s boyfriend’s voice! Yezi, when will you let us meet him in person!” ”

““And that hand is also very good-looking. The joints are long, beautiful and well-proportioned! I heard that a man with long fingers has another place that is especially long!” ”

“This is not the bus to the kindergarten. I want to get off!”

“Is what you said above true? I want to find my boyfriend to test it out!”

“I also want to know if it’s true!”

“Hence, the bullet comments were completely slanted. ”

“Ye Zao was a little embarrassed. Fortunately, he did not let Cen Shaoqing see these bullet comments. Otherwise, he would not be able to explain. ”

“After the live broadcast of a game, ye Zao logged off. ”

“Cen Shaoqing was sitting on the sofa, processing documents. His long legs were crossed, inadvertently emitting a strong aura. Holding the documents in his right hand, ye Zao’s gaze fell on his well-defined hand. ”

His skin was the kind of white with a cold color.

His fingers were very long.

Playing the piano would definitely look good.

“Ye Zao suddenly remembered the words on the bullet screen. His gaze turned hot, and he immediately averted his gaze. ”

“He silently recited the words, meaning that it was empty. He walked to the fridge and picked up a bottle of ice-cold coke. ”

“As the ice-cold Coke entered his stomach, the messy thoughts in his heart faded a little.”

“You’re done?” A deep male voice suddenly appeared in the air.

Ye Zao was stunned. He saw that the man who was originally sitting there processing documents had appeared in front of him at some point in time.

“Okay.” Ye Zao’s face was still abnormally red.

“What’s wrong with your face?”

Ye Zao touched his face. “Nothing. It’s probably too hot.”

Cen Shaoqing took out his phone to adjust the temperature of the air conditioner. “Can you do it now?”

“Almost.” Ye Zao nodded slightly.

...

The Lin family.

Madam Lin had been preparing for Lin Jin City and Feng Qianhua’s engagement party these few days. The Lin family was very busy.

“As soon as Lin Ze got out of the car, he felt that something was wrong. “Grandpa Butler, did something happen at home?” ”

The Butler hesitated and didn’t know what to say.

He had watched Lin ze grow up.

He knew that Lin Ze didn't like Feng Qianhua and her daughter.

"But now, Mrs. Lin had made up her mind, and Lin Jincheng didn't refuse. Even Lin Ze wouldn't be able to stop this."

"Grandpa Butler, is there anything that you can't Let Me Know?" Lin Ze asked."

"The Butler carefully chose his words and continued, "Young master, didn't Old Mrs. Lin tell you? The master is going to get engaged to Miss Feng. We've been preparing the engagement party for the master and Miss Feng these days." "

"What?" Lin Ze's face turned pale.

The Butler repeated what he had just said.

"Grandpa Butler, are you kidding me?" Lin Ze frowned. "How could my father be engaged to Aunt Feng?" "

"This is absolutely true." The Butler sighed. "Just accept reality."

"Impossible!" Lin Ze's voice suddenly became louder. "My father would never marry Aunt Feng! He hasn't found my mother yet! How could he marry someone else?"

The housekeeper was in a difficult position and didn't know how to answer Lin Ze.

"Qianhua will be your mother from now on!" Old Mrs. Lin's voice came from behind. "Xianxian will be your sister."

Lin Ze turned to look at Old Mrs. Lin. "No! I don't agree!"

“Old Mrs. Lin’s face was cold, she berated, “You don’t have the right to disagree! I have already set the date. It will be on the 18th of this month. From now on, your Aunt Feng will be your father’s fiancée and your future mother! I will let them get married this year!” ”

Old Mrs. Lin’s words were extremely forceful.

“Chapter 484: 128: Ye Zao is z, brother and sister meet smoothly! 6”

Lin Ze this child is really too insensible!

Others all hope that their father can find happiness.

But he.

Actually opposed Lin Jincheng to remarry.

Lin Ze just looked at Old Mrs. Lin. “Grandma! Did you consider my father’s feelings when you did this?”

Lin Jincheng didn’t like Feng Qianhua at all.

“Because he didn’t like her, Lin Jincheng stayed in the sanatorium all year round.”

“Although Lin Jincheng didn’t say it, Lin Ze knew it.”

“Your dad and your aunt Feng were childhood sweethearts! If it weren’t for that fickle woman, Ye Shu, the two of them would have been together a long time ago!”

Why did they wait until now?

“Does my dad know about this?” Lin Ze looked up at Old Mrs. Lin.

“Old Mrs. Lin said, “This kind of thing is consensual! Do you think I can force your dad to do it?” Old Mrs. Lin’s tone softened a little, “Ah Ze! Grandma knows that you’re a good child. You also want your dad to be happy, right? Your Auntie Feng is a good woman and will be a good mother in the future. Grandma hopes that you can respect your dad’s choice.””

“Is this really my father’s Choice?”

“Old Mrs. Lin asked back, “Ah Ze, do you think Grandma Can Force Your Father?””

Lin Ze was silent. He subconsciously felt that something was not right.

Why did Lin Jincheng suddenly agree to this matter?

“Old Mrs. Lin continued, “Ah Ze, you believe Grandma. Your Aunt Feng is really a good wife and mother. Our Lin family will get better and better with her in the future.””

“But I don’t like her!” Lin Ze continued, “I want her to be my mother.””

“Old Mrs. Lin’s face, which had finally calmed down, suddenly turned cold, she said angrily, “Why are you such a child? Do you have to make me happy? Do you still Miss Your Mother In Your Heart?””

“Let me tell you! That B \* Tch ran away with someone a long time ago! She even gave birth to a bastard! She doesn’t want you! If it weren’t for me, you would have died long ago! Think about it yourself, do you still have a conscience? ! Look at Xianxian, look at you! Ask yourself, are you half as sensible as Xianxian?””

“Lin Ze’s eyes turned red in an instant, unable to control the emotions in his body. “My mother is not a B  
\* Tch!””

“After saying that, Lin Ze turned and ran.”

“Old Mrs. Lin was furious at Lin Ze, but she was worried that something might happen to Lin Ze. If something happened to Lin Ze at this critical moment, the matter between Lin Jincheng and Feng Qianhua would be raised.”

“Thinking of this, Old Mrs. Lin pointed at the two bodyguards beside her and said, “You two follow the young master!””

The two bodyguards immediately followed Lin Ze.

Lin Ze ran all the way.

Tears gushed out.

Lin Ze ran all the way to Lin Jin city’s recuperation room.

Lin Jin city was resting.

“Seeing Lin ze like this, Lin Jin city put down the medicine bottle. “Ah Ze, what’s Wrong?””

“Lin Ze’s eyes were red as he said, “Dad, are you getting engaged to Feng Qianhua?””

““Ah Ze, I think we might have misunderstood your aunt Feng in the past.”Lin Jin city raised his head.”

“Lin Ze continued, “So, you really agreed?””

“Lin Jin hesitated and continued, “Ah Ze, have you ever thought that Aunt Feng is actually your biological mother?””

“”No! She isn’t!” Lin Ze said emotionally, “Dad, What’s wrong with you? My mother isn’t Feng Qianhua! I beg you not to get engaged to her, okay?””

“”If your mom isn’t your Auntie Feng, then who is she?” Lin Jincheng asked.”

“Lin Ze shook his head, his face full of bitterness. “I don’t know either.””

“Lin Jincheng looked up at Lin Ze. “Ah Ze, do you know how many nineteen years a person has? If your Auntie Feng is really your mom, then I’ve let her down for nineteen years. You Can’t be heartless.””

He was the one who wrote the diary.

And Feng Qianhua had indeed waited for him for nineteen years.

“Everyone around him said that Feng Qianhua was Lin Ze’s biological mother. Now that things had come to this, Lin Jincheng had no choice but to believe it.”

“”So, you want to be with Feng Qianhua because you think that she is my mother?” Lin Ze asked.”

Lin Jincheng nodded.

“Last Night, Old Mrs. Lin almost talked to him all night long.”

Lin Jincheng felt that he should give Feng Qianhua an explanation.

““But she’s not my mother! Dad, give me some time! I’ll definitely find my mother and let you recover your memory! Dad, I beg you not to give up on my mother, Okay?””

“Lin Jincheng patted Lin Ze’s shoulder, “Ah Ze, I know that this matter is a little difficult for you to digest in a short time. In fact, it’s the same for me. But if your aunt Feng is really your mother, then we can’t let her down.””

“Chapter 485: 128: Ye Zhuo is z, brother and sister met successfully! 7”

“After saying that, Lin Jincheng continued, “Your grandmother has already set the date. I believe that we will get used to it slowly.” ”

“Dad!” Lin Ze closed his eyes in pain.

“Just then, doctor an walked in from outside the door. “CEO Lin, it’s time for treatment.” ”

Lin Jincheng nodded and left with doctor an.

Lin Ze didn’t know how he left the sanatorium.

“Today was the 13th day of the lunar calendar, and there were only five days left until the 18th. ”

The password to the safe wasn’t unlocked.

He didn’t know anything about his mother’s situation.

What could he do in five days?

Could he just accept Feng Qianhua and Feng Xianxian?

No.

“If he accepted Feng Qianhua and her daughter, what would happen to his mother?”

“Although Old Mrs. Lin had always said that his mother was a promiscuous woman and even had a child with someone else, Lin Ze did not believe her.”

“Lin Ze walked on the street in a daze, forming a stark contrast with the noisy crowd.”

...

The Ye family.

Ye Shu had been very busy these days.

“Although she had only been in Beijing for a short month, because the ye family’s private dishes business was really booming, she was already starting to open a third and fourth branch.”

“Recently, Ye Zhuo had been busy with the management company and the technology website. He had almost forgotten about his second job and quickly logged into his account.”

“As soon as he logged in, he received a bunch of messages from people.”

Ye Zhuo opened them one by one and replied.

The last message was from W.

This was sent by W. Ten Days Ago.

W: [ is the God Here? ]

Ye Zhuo slowly replied: [ what's the matter? ]

“Thinking that W would not reply immediately, Ye Zhuo prepared to take a shower.”

“Unexpectedly, she had just taken her pajamas when she received W's reply.”

“W sent her a web address, [ is there any confidence in cracking this password? ]”

Ye Zhuo clicked on it and it was the web address of an advanced safe.

“The security system of this kind of safe was very high, and its technology was at least 20 years ahead of the market. The real-name system connected to the police station, and it was not something that any kind of family could use.”

“Once it was deciphered, they would get into trouble.”

And Ye Zhuo was most afraid of trouble.

“Ye Zhuo replied: [ sorry, this can not be deciphered. ]”

“Before her message was sent out, she saw that W had sent another message.”

“W: [ the owner of this safe is a friend of my cousin. ]. For some reason, his mother's information was locked inside. He really wanted to find his mother, but if he could not get the information inside, he could not find his mother”

“Ye Zhuo frowned slightly. [ alright, let's make an appointment. Let's meet and talk about it. ]”

“W thought Z would continue to refuse, but he didn’t expect Z to agree! ”

He quickly replied: [ you decide the time and place. ]

“Ye Zhuo thought for a moment and then replied: [ tomorrow at 1 pm, see you at Jingde Garden? ] ”

Jingde Garden?

Z on the other end of the screen was stunned.

Jingde garden was a place to listen to plays.

Could it be...

That Master Z was an old man who liked to listen to plays?

Who among the young people liked to listen to plays?

“But now, W could not care about that anymore. He quickly replied: [ Okay! I’ll See You Tomorrow! ] ”

[ see you tomorrow. ]

“When he saw that Z would see him tomorrow, W on the other end of the screen was so excited that he almost jumped up. ”

“He and Z had known each other online for a long time, but he had never seen z in person. ”

W clenched his fist and slammed it on the table. “Dafa!”

“After getting excited, W picked up his phone and called his cousin. “Hello, Xiao Shan! Hurry up and contact your friend. Z has agreed to meet us. Tell him to go to Jingdeyuan at one o’clock tomorrow afternoon.” ”

“Xiao Shan on the other end of the phone was also very excited. “Brother, Really?” ”

““When have I ever lied to You?”W continued, “After hanging up the phone, I’ll tell you in detail on wechat!” ”

““Okay, brother!” ”

“After hanging up the phone, Xiao Dan immediately opened wechat. ”

“His cousin quickly sent a wechat message, instructing Xiao Dan to dress more seriously tomorrow. After all, Z was very likely to be an old man. What if he saw Xiao Dan dressed inappropriately and refused to help? ”

Xiao Dan touched his ears. “Then should I remove the earring?”

““Do you even need to say that?”W continued, “Also, you’d better wear long sleeves to cover the tattoo tomorrow!” ”

Older people were more conservative. Most people did not like juniors to scribble on their bodies.

“W continued, “Tell that friend of yours that we’ll arrive 20 minutes earlier tomorrow!” ”

“Okay.”

“After chatting with W, Xiao Dan informed Lin Ze of the good news. ”

“At this moment, Lin Ze was walking alone on the street. When he received Xiao Dan’s call, his whole body came alive. “Really? Z really agreed?” ”

Z’s strength in the hacker world was obvious.

“As long as he agreed to help, there was a 90% chance of success. ”

““Yes, brother Ze. My cousin asked us to go to Jingde Garden twenty minutes earlier tomorrow.” ”

“Okay!”

“The next day at noon, Lin Ze arrived at the agreed location on time. ”

Jingde Garden.

“They booked a small private room on the third floor. A beaded curtain hung in front of the door of the private room. Looking down, one could see two performers standing on the stage. One was holding a lute, and the other was wearing a long robe and holding a paper fan, they were singing along with the melody of the pipa. ”

“Between the sounds of singing, there was a melodious Qin Huai accent. ”

“When Lin Ze arrived, Xiao Dan and W hadn’t arrived yet. ”

“After about 10 minutes, Xiao Dan arrived. “Brother Ze!” ”

Lin Ze turned around and saw Xiao Dan bringing a young man in a plaid shirt into the room with the beaded curtain raised.

“In comparison, this was W. ”

W was about 30 years old and wore a pair of black-rimmed glasses.

“Brother Ze, let me introduce you. This is my cousin, W. Brother, this is the Lin ze I told you about.” ”

“Hello, Senior.” Lin Ze politely extended his hand to W. ”

“Hello.” W smiled and held Lin Ze’s hand. “You’re about the same age as Xiao Shan. Just call me brother from Xiao Shan.”

“Big Brother.”

“After the three of them sat down, a waiter dressed in a cheongsam immediately came to deliver tea.”

W looked at the waiter. “Please serve some snacks that are suitable for older people. Make Them Soft.”

“Okay, please wait a moment.” ”

“Lin ze asked in puzzlement, “Are there any elders coming later?” ”

“Xiao dan explained, “Z might be older. Can’t you see that I’ve even covered the Azure Dragon Today?” ”

Lin Ze nodded.

“Time passed by. There were only two minutes left before the agreed time, but there was still no sign of Z. Xiao Dan was a little anxious. “Brother, is that Z not coming?” ”

W looked at his watch. “Wait a little longer.”

“As soon as he said that, the beaded curtain was lifted by a fair hand. The beaded curtain collided with each other, producing a crisp jingling sound. ”

The three of them raised their heads to take a look.

They saw a tall figure wearing a black t-shirt and a cap on her head. The wide brim of the cap covered her face that was as clear as a painting. They could only see a part of her chin that was as white as jade.

“Although they lowered their heads slightly and could not see her face clearly, they could still feel the domineering aura from her! ”

It was very cold and very rustling.

... was this Z?

Chapter 486: 129: Lin Jin Cheng remembered everything and brought Lin Ze to look for his mother! 1

Z was so young?

So Cold?

Could it be... that they had entered the wrong room?

“W stood up and said, “Beauty, may I know who you’re looking for?” ”

““I’m Looking for w,”ye Zhuo’s tone was clear. ”

Looking for W?

Could it be that this was Z?

It would be a lie to say that they were not shocked.

The three of them were stunned!

“W was the first to react. He stuttered, “You, you are Z?” ”

““You are W?”Ye Zao raised his eyes, revealing a pair of clear black and white eyes. ”

“His eyebrows were as beautiful as a painting, and there was a hint of scorn in his coldness. ”

Lin Ze was stunned.

She did not expect ye Zao to be z.

“If she had not seen it with her own eyes, who would have believed that a chemistry department genius was actually a computer expert. ”

Z caused a stir in the hacker world last summer.

“Last Summer, China International’s official website was maliciously attacked by foreign hackers, and the words ‘sick man of East Asia’ were left behind. ”

“For two days in a row, countless hackers and top programmers were at a loss. ”

Until the appearance of Hacker Z.

“Z not only repaired the international official website and strengthened the firewall, but also openly attacked the official websites of both countries under the noses of many hackers from country J and Country P, adhering to the etiquette of not returning the favor, he left a line of words on the official websites of both countries: those who offend China, although far away, must be killed! ”

“There were more than 3,000 top hackers from both sides, but they were unable to solve this problem. ”

“In desperation, they could only self-seal the website. ”

Abandoning the pawn to protect the cart.

“For a time, the entire hacker world was in an uproar! ”

“Because of this, Z also became the first hacker to go on an international kill order. ”

He became the pursuer of both countries.

The reward was 500 qiu te coins.

Qiu Te coins were universal coins.

“One Qiu te coin could be exchanged for 50,000 RMB. ”

Unfortunately.

It had been more than a year. Forget about chasing after the Hacker Z.

“Even the hacker z was tall, short, fat, and thin. It was impossible to know if he was a man or a woman. ”

“If those people knew that the hacker who offered a reward of tens of millions was just an ordinary female university student, how depressed would they be?”

“For a moment, Lin Ze was extremely shocked.”

“”Yes, yes, yes! I’m W!” W was too excited, he did not expect that not only was Z not an old man, but she was actually such an imposing beauty. “God, let me introduce you. This is my cousin. This is a friend of my cousin.” ”

“Xiao Dan quickly stood up. “God, you can just call me Xiao Dan.” ”

Xiao Dan was from Qing Hua University next door.

“Even though Ye Zhuo was the campus belle of Jing University, she was too popular during military training. That dynamic picture was still spreading like wildfire. ”

“It had already spread from Jing city to other universities, becoming the goddess of first love in the hearts of countless scholars. ”

Xiao Dan did not expect that the campus belle of Jing University was actually Hacker Z!

This was too exciting!

“”Brother Ze, aren’t you also from Peking University?” Xiao Dan looked at Lin Ze. “You and the campus belle are both campus Belle and Campus Belle. You should know each other, right?” ”

“Lin Ze stood up and extended his hand to Ye Zhuo. “Hello, I’m Lin Ze. I’ve heard a lot about you.” ”

“Seeing Lin Ze, Ye Zhuo was also stunned. ”

She had clearly never seen Lin ze before.

She actually had the illusion that she had known Lin Ze for a long time.

“Moreover, she saw ye Shu’s shadow in Lin Ze’s eyes.”

“Especially that pair of phoenix eyes, they were exactly the same as ye Shu’s.”

“If ye Zhuo did not know ye Shu very well, she would even suspect that this was ye Shu’s illegitimate child.”

“Ye Zhuo nodded slightly and reached out to hold Lin Ze’s hand. “Hello, Ye Zhuo.” ”

“After saying that, ye Zao continued, “Have you brought the things?” ”

Lin Ze nodded and took out his laptop from his bag. “I’ll be counting on you.”

“After ye Zao took the laptop, he went back to work.”

“Other than the melodious singing, there was only the sound of typing.”

The other three looked at ye Zao.

They were afraid of missing out on something.

W was very excited!

“He wanted to take a photo to brag in the group, but he was afraid of exposing ye Zao’s identity as Z.”

“So, W had to suppress his excitement.”

Five minutes later.

“Ye Zao looked up slightly. “The password has been deciphered, 1981114.” ”

1981114?

Lin Ze frowned.

This was obviously a person’s birthday.

Lin Jin city was in the 1980s.

Could it be...

This was his birth mother’s birthday?

“Xiao Dan asked curiously, “Brother Ze, is this your father’s Birthday?” ”

Lin Ze shook his head. “My Father’s birthday is in the 1980s.”

“Ye Zhuo raised his eyebrows, feeling that it was a little strange. ”

“Because ye Shu’s birthday was in 1981, and her birthday was on November 14th. ”

Was this just a coincidence?

“Xiao Dan said, “Could it be your mother’s Birthday?” ”

“It’s possible.” Lin Ze picked up the computer and continued, “God Ye, thank you for today!” ”

Chapter 487: 129: Lin Jincheng remembered everything and brought Lin Ze to look for his mother! 2

“It’s nothing.” Ye Zao pressed the cap on his head. “If there’s anything, you can contact me again.””

“W quickly stood up. “God, I’ll send you out.””

Lin Ze and Xiao Dan also stood up.

Ye Zao’s car was parked downstairs.

W instructed ye Zao to drive carefully.

“Seeing the black car disappear into the road ahead, W sighed. “I really didn’t expect Z to be a student! Oh right, Lin Ze, Z must be very famous in your school’s computer science major, right?””

“At the last sentence, W turned to look at Lin Ze.”

Lin Ze’s tone was indifferent. “She’s from our school’s chemistry department.”

Chemistry department? !

W was stunned!

A person from the evolutionary chemistry lab actually became a hacker?

Was He really not dreaming?

“Lin Ze continued, “Brother, Xiao Dan, I’m going home first! Thank you all for today!””

“W knew that Lin Ze was eager to find his mother, so he smiled and said, “Go back! It’s not too late to thank US after you find Auntie.””

“Xiao Dan helped Lin ze hail a taxi. “Brother Ze, quickly get in.””

The engagement day was getting closer and closer.

The Lin family had been very lively these past few days.

Lin Ze had just entered when he saw Feng Xianxian and old madam Lin chatting in the living room. Old Madam Lin was so amused by Feng Xianxian that she burst out laughing.

“Ah Ze!”

Old Madam Lin called out to Lin Ze.

Lin Ze stopped in his tracks. “Grandma.”

Old Madam Lin’s face was stern. “Xianxian will be your sister from now on. Don’t you even know to greet her when you see her?”

Sister?

What kind of sister was Feng Xianxian?

“But Lin Ze knew that now was not the time to go against old Madam Lin. He could only suppress the anger in his heart, “Grandma, I know that you’re doing this for my own good, but everything has a transition period. I hope that you can give me a chance to adapt to Aunt Feng and Xianxian.””

“Hearing this, Old Mrs. Lin’s eyes revealed some unhappiness.”

ADAPT?

How many years had Lin ze known Feng Qianhua and Feng Xianxian?

“Moreover, Lin Ze and Feng Xianxian grew up together!”

Did he still need to get used to this?

Lin Ze was clearly deliberately making things difficult for Feng Qianhua and Feng Xianxian!

She thought Lin ze was sensible.

She didn’t expect him to still be so insensible.

“”Then tell me, how long will it take you to get used to it?””

“Lin Ze tried his best to say calmly, “Grandma, can you give me five days?””

Five days later was the day Lin Jincheng and Feng Qianhua got engaged.

He would definitely find his mother within five days to help Lin Jincheng recover his memories.

“Hearing this, Old Mrs. Lin’s expression softened.”

“Lin Ze continued, “Grandma, I’ll go upstairs first.””

Old Mrs. Lin nodded.

“Feng Xianxian looked at Lin Ze’s back and said worriedly, “Grandma, does brother Ah Ze not like me?””

“Old Mrs. Lin smiled and said, “Xianxian! Don’t worry. Ah Ze only has you as his sister. If he doesn’t like you, who else can he like?””

“Old Lady Lin had a total of five sons and several great-grandsons. The entire family only had one precious granddaughter, Feng Xianxian, so of course she had to be pampered!”

“Even though Old Lady Lin said so.., but Feng Xianxian hugged Old Lady Lin’s arm and said, “Grandma, it doesn’t matter even if brother Ah Ze doesn’t like me. I just need to know that you like me! Grandma, don’t worry. I will be filial to you with my unborn younger brother in the future.””

“Once Feng Qianhua gave birth to Lin Jincheng’s flesh and blood, what would Lin ze be?”

“At that time, Lin Ze would be a pitiful wretch that no one wanted!”

“Thinking of this, the corners of Feng Qianxian’s lips curled up.”

“Old Madam Lin was very happy to be coaxed by Feng Qianxian’s words. “Qianxian still understands Grandma’s Heart!” After all, Lin Ze had crawled out from ye Shu’s stomach. It was normal for him to not be on the same side as her.”

“In the future, Feng Qianhua and Lin Jincheng would have their own children.”

...

Lin Ze went upstairs.

Lin Jincheng's room was closed.

"There was a cleaning maid upstairs at the moment, so it was definitely not appropriate for him to go in now."

"So, Lin Ze could only return to his room temporarily."

"Twenty minutes later, when Lin Ze came out again, the maid who was already cleaning had already left. Lin Ze took the key that he had made and opened Lin Jincheng's room."

The safe was still in the corner.

Lin Ze took a deep breath and walked to the front of the safe. He entered the password one by one.

18911114.

"At this moment, Lin Ze's hands were shaking."

He was afraid that he had entered the wrong number.

"After he finished typing the eight numbers, Lin Ze let out a long breath."

Di —

Da —

The safe's door opened.

At this moment.

Linze was extremely excited.

Chapter 488: 129: Lin Jincheng remembered everything and took Lin Ze to find his mother! 3

It was a feeling that could not be described with words.

Those who did not have the same experience would not be able to empathize.

19 years.

He had waited for a whole 19 years.

There was a document bag in the empty safe.

“Lin Ze quickly took out the document bag, closed the safe door, and came to his room.”

“Bang, Bang, Bang — ”

“It was only a few steps from Lin Jincheng’s room to his room, but he felt that it was extremely long. Every second felt like he was walking on clouds.”

It wasn’t real.

It was very unreal.

He never dreamed that he would date Z and open the safe so easily.

“After Lin Ze returned to his room, he immediately locked the doors and windows, closed the curtains, sat in front of his desk, and opened the document bag.”

“In the document bag, there was a group photo.”

There was also a letter.

This was a letter that had not been sent in time.

Ashur:

“The letter was beautiful, and the words were like a book.”

“During this period of time, I have been locked at home by my mother, but don’t worry, I will try to convince my mother as soon as possible, and let her help us.”

How are you doing in Yunjing? Is the child causing trouble? Is she good? Have you been to the hospital for a checkup? Did you receive the money I sent you?

“Shu, I’m sorry.”

“When you most need someone to accompany you, I can not accompany you, I am really a husband, a father!”

“Don’t worry, although I am not with you, but my heart has already flown to the capital, come to you and the child.”

“I can lose anyone in my life, but I can’t lose you and the child. ”

“I’ve already thought it through. If my mother doesn’t agree to us being together, I’ll take you and the child far away so that they’ll never find us. ”

Please give me a little more time. Don’t Give Up!

I Won’t give up on you either.

...

“These days, I have been recalling the process of our acquaintance. ”

“Bit by bit, like a movie, flashed in front of my eyes. ”

“The greatest luck in my life is to meet you, with our common child. ”

...

Love your sincerity.

August 16th.

“A letter of two pages, about 1,000 words, between the lines are full of Lin Jincheng’s love for his lover and strong helplessness. ”

“His heart was in love with his lover, but unfortunately, his mother at home had been trying to stop him.  
”

Only then did Lin ze know.

It turned out that Lin Jincheng was not married at all. He and his mother were pregnant before marriage.

“Then, what happened in the end?”

Why didn't Lin Jincheng send the letter?

“Also, Lin Jincheng clearly said in the letter that he would take his mother far away from the capital, so why didn't he fulfill his promise in the end?”

Did his mother know of his existence?

“After so many years, why hadn't his mother come to look for him once?”

“Also, why did Lin Jincheng write ‘love your sincerity’ at the end of the letter?”

Sincerity?

Cheng?

“The two words had the same pronunciation, but the meaning was very different.”

“Did Lin Jincheng write the words wrong, or was there something else?”

Lin Ze had too many questions in his heart.

“Unfortunately, no one could answer them.”

“After reading the letter, Lin Ze found another photo in the file bag.”

In the photo.

“The woman was standing next to the young man with a smile on her face. Her facial features were like a painting, and she was smiling very happily.”

“Behind the photo, there was a row of very beautiful small script.”

It carried a bit of the gentleness of a woman’s home —

“Seeing a gentleman, Yun Hu did not like it.”

This is not the character of Lin Jincheng.

Could it be that the person in the photo is his mother?

Yes.

It must be.

She is his mother.

“If this was not his mother, Lin Jincheng would not have kept the photo until now, and would not have put it together with the letter.”

Nineteen years.

He had waited nineteen years.

Lin Ze just looked at the young and beautiful woman in the photo.

“From a toddler to a babbling toddler, from an unworldly man to a promising young man, he had been thinking of his mother for the past nineteen years.”

“Suddenly, Lin Ze’s eyes turned red. He pressed the photo tightly to his chest. Tears almost burst out of his eyes. “Mom...” ”

The atmosphere in the room was tense and stifling.

“After a long while, Lin Ze’s emotions slowly calmed down.”

Now was not the time for him to be sad.

He had to tell Lin Jin Cheng the truth.

He could not let Lin Jin Cheng and Feng Qianhua get engaged.

Lin Ze put the letter and photos in his bag and walked downstairs.

“When he went downstairs, old Mrs. Lin had already taken her lunch break.”

“Feng Xianxian stood in the hall downstairs, bossing the servants around.”

She was very imposing.

She looked as if she had become the eldest daughter of the Lin family.

“Seeing Lin ze coming down, Feng Xianxian smiled and walked over to greet him. “Brother Ah Ze.” ”

Chapter 489: 129: Lin Jincheng remembered everything and brought Lin Ze to find his mother! 4

Lin Ze directly ignored Feng Xianxian and continued to walk forward.

Feng Xianxian’s eyes were filled with sarcasm.

Lin Ze was only a stray dog now. Who knew what he was so proud of!

“Feng Xianxian followed Lin Ze’s footsteps, she smiled and said, “Brother Ah Ze, Grandma told me that after my mother and uncle Lin are engaged, we will move our hukou over. Oh right, Grandma also said that she will change my surname! “By then, I will have the same surname as you. Brother Ah Ze, are you happy?””

“Seeing that Lin Ze’s face was getting darker and darker, Feng Xianxian became more and more complacent. She continued, “By the way, Grandma also said that my mom will give birth to a little brother for Uncle Lin!””

“At this point., feng Xianxian lowered her voice and said, “Grandma also said that she will train my mom’s little brother to become the heir of the Lin Family! Brother Ah Ze, what about you? Won’t No one want you anymore? Aiya! Then you are so pitiful!””

“”Have a little brother?”Lin Ze turned his head slightly, the corners of his mouth curling into a faint smile. “That depends on whether Feng Qianhua has the ability to do so!””

“At this moment, Lin Ze seemed to have changed into a different person.”

“His eyes seemed to be covered with a layer of murderous intent, deep and bottomless.”

“Feng Xianxian was shocked. She had never seen Lin ze like this, so she unconsciously took a few steps back.”

“After saying this, Lin ze strode out of the door.”

“Only when Lin Ze walked out of the door did Feng Xianxian react. She spat at Lin Ze’s back, “Shameless bastard! Bah!””

“In the future, she would be the real blood of the Lin family.”

She would definitely make Lin Ze’s life worse than death!

“Xianxian.” At this moment, Aunt Zhang suddenly appeared beside Feng Xianxian.”

“Feng Xianxian turned around and called out unwillingly, “Grandma Zhang.””

She would definitely not be willing to call a servant Grandma.

“However, Feng Qianhua respected Auntie Zhang very much.”

“In addition, Auntie Zhang had indeed done many things for Feng Qianhua during this period of time, so Feng Xianxian could only reluctantly call out.”

“Auntie Zhang said in a low voice, “Miss Qianhua asked me to remind you to always pay attention to your words and deeds in the Lin family.””

“Although Feng Qianhua was about to get engaged to Lin Jincheng, she was still not engaged.”

“In order to avoid complications, she had to be careful.”

“I know,” Feng Qianqian continued, “Grandma Zhang, you don’t have to worry.””

“Seeing that Feng Qianqian was so sensible and obedient, aunt Zhang nodded in satisfaction.”

The biggest mistake Feng Qianhua made back then was to marry Feng Qianqian’s biological father. The best decision she made was to give birth to Feng Qianqian.

“Feng Xianxian was smart and intelligent, and the Lin family had been genetically programmed to only give birth to boys over the years. Feng Xianxian was just enough to satisfy Old Lady Lin’s wish to have a granddaughter.”

“Most importantly, not only was Feng Xianxian smart and intelligent, she was also beautiful. With the status of the Lin family’s eldest daughter, she would definitely be able to marry into the Cen family.”

After all.

Old Lady Cen and Old Lady Lin had such a good relationship!

“From now on, Feng Xianxian would be the Cen family’s matriarch, and Feng Qianhua and Lin Jincheng’s children would become the future successors of the Lin family.”

“A son and a daughter, both dragons and phoenixes among men!”

“Thinking of this, a faint smile appeared on Aunt Zhang’s face.”

...

“On the other side, Lin Ze came to the sanatorium.”

But Lin Jincheng was not in the ward.

“Where’s My Dad?” Lin Ze looked at the bodyguard.

“The bodyguard said, “Director Lin left with Miss Feng.””

With Feng Qianhua?

Lin Ze frowned slightly and took out his phone to call Lin Jincheng.

The phone rang.

Feng Qianhua picked up the phone and hung up.

Lin Ze did not give up and continued to call.

“Feng Qianhua really wanted to block Lin Ze’s number, but she did not know Lin Jincheng’s password, so she had to pick up the phone.”

“Dad! Where are you now?”

“Feng Qianhua said gently, “Ah Ze, it’s me.””

“Where’s My Dad? Let my dad pick up the phone.” Lin Ze frowned.

“Feng Qianhua’s gaze fell on Lin Jincheng, who was talking to a few foreigners not far away. The Breeze was just right, and the Sun wasn’t dry. Lin Jincheng was about 1.8 meters tall, not shorter than a few tall foreigners at all.”

“Although he had been sick for a long time, there was not a trace of illness on Lin Jincheng. Instead, his aura was extremely strong!”

Feng Qianhua had fallen in love with this man in front of her since she was young.

It was a pity.

“At that time, he could not see her at all.”

She was not resigned.

She tried to marry a man more outstanding than Lin Jincheng.

It was a pity.

“That man was not up to expectations. After being married for less than a year, his family was in decline, and he became a rundown household. Looking at the Lin family, although Lin Jincheng was with Ye Shu all day long, the Lin family did not fall, but instead flourished, and Ye Shu could marry Lin Jincheng at any time.”

Chapter 490: 129: Lin Jincheng remembered everything and brought Lin Ze to find his mother! 5

Feng Qianhua was unwilling.

She was unwilling to have her position snatched away by Ye Shu just like that.

“She was originally the eldest daughter of a rich family. After marrying that disappointing man, within a year, she had become an ordinary housewife. ”

But Ye Shu had transformed from the lowest class to the mistress of the Lin family.

How could she accept this?

Fortunately.

“Fortunately, she had waited until today. ”

“Now, she could finally sit in the position of the mistress of the Lin family. ”

As for that B \* Tch ye Shu!

“Until her death, she would never be able to see Lin Jin city again. ”

“Thinking of this, Feng Qianhua curled the corners of her lips. Her eyes were filled with pride. She said gently, “Ah Ze, your father is not available to answer the phone right now.” ”

“What’s My father doing? Where are you guys now?”

“Feng qianhua deliberately said ambiguously, “AH ze, sometimes it’s not convenient for us adults to tell you things about a child. Don’t call him again. Your father will be back on the 18th.” ”

The 18th?

Wasn’t the 18th the day of their engagement?

“When Lin Ze wanted to say something else, Feng Qianhua had already hung up the phone. ”

“On the other end of the phone, Lin Ze was frowning. ”

“Since he couldn’t find Lin Jincheng, he could only check on his mother first. ”

“Now that he had photos, he was much more confident.”

“After all, there were photos in the population database.”

“Lin Ze carried his bag back to the Lin residence, locked the door, and began to search for information.”

“There were many firewalls and security systems in the database, so it was not easy to break in.”

Lin Ze’s fingers kept jumping on the keyboard.

The only thing that could be heard in the quiet air was the crackling sound.

“The fluorescent light from the computer screen hit his face. He was only nineteen years old, but he gave off the impression of an adult!”

It was fascinating.

The sky was getting darker and darker.

Lin Ze kept doing one thing.

...

On the other side.

After the collaboration ended.

“Feng Qianhua walked to Lin Jincheng’s side. “Brother Jincheng, are you tired? Let me help you over there to rest for a while.” ”

Lin Jincheng gently pulled his arm away from Feng Qianhua’s. “I’ll be fine here by myself. You should go back and rest first.”

The smile on Feng Qianhua’s face was a little stiff.

“Lin Jincheng’s behavior told her that although he had already agreed to the engagement, he was still resisting her. ”

“Although they stayed in the same hotel, they had two suites. ”

“But at this moment, Feng Qianhua had no choice but to maintain a decent smile, “Then I’ll go back first. Oh right, ah ze called in the afternoon. If the child really doesn’t agree to us being together, then forget it. I’ll respect the child’s opinion. I don’t want anyone to be hurt.” ”

“After saying this, Feng Qianhua turned around and left. ”

Lin Jincheng looked at Feng Qianhua’s back and unconsciously frowned.

He tried very hard to convince himself to accept Feng Qianhua. Feng Qianhua was the person in his memories.

But he found that he couldn’t accept it at all.

“Being with Feng Qianhua, he couldn’t feel the happiness described in the diary at all. ”

Maybe he still needed time.

Lin Jincheng sighed softly.

Ye family.

“After eating, Ye Zhuo looked at Ye Shu. After hesitating for a moment, he said, “Mom, can you tell me about my father?” ”

“After being reborn for such a long time, Ye Zhuo had never heard ye Shu talk about her biological father. ”

Today’s encounter made her curious about the word ‘father’.

Ye Shu was stunned for a moment before she recovered.

Ye Zhuo was nineteen this year. There were some things that could not be hidden from her for the rest of her life.

She had the right to know her biological father.

“Ye Shu fell into the memories of that year when she was eighteen. “Your father was from Liu City. His name was Lin Qingcheng. I met him when I was eighteen. At that time, he was nineteen...” ”

Ye Shu told ye Zhuo everything about how she met Lin Jincheng without reservation.

““When the woman who claimed to be your father’s fiancé came to me, I didn’t believe that I was a mistress, nor did I believe that he would lie to me. Because in my eyes, he was a man who stood tall and strong. He was a gentleman! He wouldn’t lie to me.” ”

““I’ve been waiting for him, but he didn’t show up until after you were born.” ”

““He didn’t show up, so I had to go find him myself. In Liu City, Lin Qingcheng found a few, but none of them matched him.” ”

“At this point, a sarcastic smile appeared on Ye Shu’s lips. “At that time, I found out that he left a fake name and his home address was also fake.” ”

“Now, Ye Shu spoke so casually, and at that time, she was so desperate. ”
