Chapter 491: 129: Lin Jincheng remembered everything and brought Lin Ze to look for his mother! 6

She was born out of wedlock and was chased out of the house by her parents.

She had nothing.

She had to take care of the child who had just reached the full moon while working to earn money.

“Now that she thought about it, she did not even know how she survived those years.”

“Ye Zhuo walked over and hugged ye Shu. “Mom, Don’t cry. It’s not worth it for that kind of scumbag. You still have me in the future! No matter what, I will always be by your side.””

Ye Shu hugged ye Zhuo and nodded with a sob.

There was only one day left until the engagement date.

Old Lady Lin had already sent out all the invitations.

“She had invited many of the wealthy and famous people in the capital, including the Cen family.”

Old Lady Cen and she had been old friends for many years. Old Lady Cen would definitely personally attend Lin Jin city’s marriage event.

The night before the engagement party.

The Feng family.

The Feng family's daughters-in-law had never thought that Feng Qianhua would really marry into the Lin family.

"After all, the Lin family had made Feng Qianhua wait for nineteen years in vain."

"Thinking of their usual sarcasm towards Feng Qianhua, the four sisters-in-law were filled with regret. They all came to Feng Qianhua's house to congratulate her."

"The Lin family was not an ordinary wealthy family. If Feng Qianhua left with hatred, their good days would come to an end."

""Qianhua, this is a gift from sister-in-law. You must accept it.""

""Little sister, usually, second sister-in-law speaks quickly. If she has offended you in any way, please don't hold it against second sister-in-law.""

""And me, Little Sister. Actually, fourth sister-in-law is not a bad person. It's just that she can't hide the truth in her heart. She has a sharp tongue but a soft heart...""

""Qianhua, Qianhua! Mother gave this to me when I got married. Now, I'm giving it to you.""

Feng Qianhua had never seen a few sisters-in-law behave so lowly in the Feng family.

"Usually, they were all high and mighty, pointing fingers at Feng Qianxian and herself."

Who would have thought that they would also have such a day!

"For a moment, Feng Qianhua felt extremely happy."

“Eldest sister-in-law, second sister-in-law, third sister-in-law, fourth sister-in-law, I’ve remembered all your kindness over the years. Don’t worry, after I marry into the Lin family, I Won’t forget all of you.”

These words made the hearts of the four of them tremble.

What did Feng Qianhua Mean?

She wanted revenge?

“Before the four of them could react, Feng Qianhua stood up and said, “Sisters-in-law, I need to rest. You can go back first.”

“Little sister, then we won’t disturb your rest.”

“Walking out of the door, the four of them took off their disguises. Feng Qianhua’s second sister-in-law said anxiously, “Do you think she will really hold a grudge?”

“I think she will. Look at how petty she is!”

“If we knew this would happen, we would have treated her better.”

“At this moment, old madam Feng walked over from the opposite side. “What are the four of you whispering about?”

“In the Feng family, Old Madam Feng was an absolute authority.”

“Feng second aunt said hesitantly, “We are worried about Qianhua...”

Old Madam Feng glanced at second sister-in-law of the Feng family. "Worried that she'll give you little shoes to wear?"

"The four of them looked at each other and did not say a word, feeling guilty."

"Old Madam Feng's face was stern. "As long as the few of you treat them a little better on a daily basis, you don't have to worry about this now! All of you have turned a deaf ear to my words! Why, do you regret it now?""

Who Dared to answer her?

"After a long while, Mrs Feng gathered her courage and said, "Mother, I heard from Qianhua's words just now that she, she seems to still be holding a grudge! Why Don't you go and plead for us?""

"Old Madam Feng glanced at Mrs Feng and continued, "Don't worry! She's not the kind of person who doesn't know the gravity of the situation! She should know the principle of 'if one loses, one will prosper'."

"Even if Feng Qianhua married into the Lin family, the Feng family would still be her backing."

She was a smart woman. She would never make an enemy out of her own family.

"Hearing old madam Feng's words, the few of them were relieved. "It's said that the older the ginger, the spicier it is. This saying is indeed true. Mom, with you saying this, we are relieved.""

Old Madam Feng nodded. "It's getting late. Go and rest. You still have to attend Qianhua's engagement party tomorrow."

The few of them returned to their respective rooms.

"After the few sisters-in-law of the Feng family left, Feng Qianhua began to educate Feng Xianxian."

“Xianxian, did you see that? Only if we stand tall will those who once looked down on us be filled with regret! They will think of all ways to please us! In this world, apart from power and money, family and love are all lies! Only grasp the power, can stand at the top.”

Chapter 492: 129: Lin Jincheng remembered everything and brought Lin Ze to look for his mother! 7

“At this point, Feng Qianhua paused, then, she said, “At the engagement party between your uncle Lin and I Tomorrow, your grandmother Lin invited the Cen family’s old lady. Maybe fifth master Cen will also attend. At that time, you must pay attention to your image and let Old Lady Cen and fifth master Cen see a different young lady from a wealthy family.” ”

“Feng Xianxian nodded. “Mom, don’t worry. I know what to do.” ”

“Feng Qianhua continued, “Fifth Master Cen is a vegetarian. You should also pay more attention to the way you dress tomorrow. Remember to wear something simple and elegant!”! One or two jewelry straps that could reveal one’s identity would do. They should not be like those vulgar and vulgar people who wore everything on their bodies. ”

“Okay,”Feng Xianxian said, “Mom, I even specially ordered a qipao.” ”

Cen Wuye liked wearing a long robe. It was very suitable to stand with him in a qipao.

Feng Qianhua’s eyes were filled with satisfaction.

“Feng Xianxian was good-looking and had a good figure. After wearing the qipao, she would definitely be stunning. ”

“In the blink of an eye, it was the day of the engagement. ”

“Seeing that the downstairs was getting more and more lively, Lin Ze was extremely anxious. Hurry up! He had to hurry up!”

Lin Jincheng should be back in a while.

“At this moment, a word suddenly popped up on the computer screen.”

Success!

“He successfully hacked into the database, but unfortunately, there was no information about his mother in the database.”

Ye Shu.

Female.

39 years old.

“Pregnant with a daughter, this year 19 years old, studying at Beijing University.”

Name!

Ye Zao!

Ye Zao?

Ye Zao was actually ye Shu’s daughter!

Lin Ze was stunned. What was going on?

“If ye Shu was the mother that he had been looking forward to for so many years, then how did she give birth to him and ye Zao at the same time?”

“Looking further down, Ye Shu was currently living with her brother, Ye Sen.”

“Seeing this, Lin Ze was stunned again.”

“So, Ye Shu and Ye Sen were siblings.”

“Lin Ze suddenly thought of what ye Sen had said to him. He said that his sister was a single mother. Because she had been cheated, she had given birth to a daughter. All these years, she had raised her daughter alone.”

“Ye Sen had also used this to comfort Lin ze, telling him not to give up looking for his mother.”

Lin Ze thought of what fat tiger and the others had said.

Fat Tiger said that ye Zhuo looked very similar to him.

Could it be...

Could it be that he and ye Zao were really brother and sister!

They were twins.

Did he really have a sister?

“Not only did he have a mother, but he also had a sister.”

“Thinking of this, Lin Ze was so happy that he almost cried. ”

“With the information he had found, he hurried downstairs. ”

“Downstairs, the servants were busy, and more than half of the guests had arrived. Old Mrs. Lin was greeting the guests with a smile on her face. ”

““Grandpa Butler, Where’s My Dad?”Lin Ze ran to the butler’s side. ”

“The butler said, “I saw him just now. He said that he was going to pick someone up from the Feng family.” ”

The Feng Family?

Lin Ze’s eyebrows jumped. “When did you see my dad?”

“About five minutes ago.”

The Feng family was quite a distance away from the Lin family.

“Five minutes, there was still time! ”

Lin Ze turned around and ran out. He took out his cell phone and made a call. “Fat Tiger! Are the three of You Together Now? Okay! You guys immediately ride your bikes to East City Avenue to stop my dad’s car! The license plate number is Beijing Y6218! I’ll be there right away!”

““Okay, brother Ze, I got it.” ”

“After fat tiger hung up, dog two asked curiously, “Brother ze called?” ”

“Li Wen said, “Brother Ze’s dad is engaged today. Brother ze must be in a bad mood right now!” ”

Dog two sighed. “He’s really engaged? Then what about our brother Ze?”

Fat Tiger picked up the keys to his bike and handed it to the three of them. “Brother Ze just called and told us to go to East City Avenue to stop his dad’s car! It looks like there’s something urgent! Let’s go quickly!”

“Hearing this, Li Wen straightened his expression. “What’s the license plate number?” ”

“Fat Tiger replied, “Beijing Y6218!” ”

“Dog Two, who had been lying on the sofa, immediately stood up. ”

“The three of them had a life-and-death relationship with Lin Ze. No matter when or where, as long as Lin Ze opened his mouth, they would not hesitate to help Lin Ze! ”

“Not long after, three motorcycles appeared on the highway at lightning speed. They were so fast that only an afterimage could be seen, causing the passing cars to look at each other. ”

“The skills of the three of them were very good. With a rumble, they perfectly avoided every car on the highway. ”

Extremely handsome!

““Boss, the three cars behind seem to be coming for us.”Secretary Zhang sat in the front passenger seat and turned to look at Lin Jincheng. ”

“Lin Jincheng pressed his temples and said tiredly, “Tell the driver to be careful.” ”

He had just finished his sentence.

Chapter 493: 129: Lin Jincheng remembered everything and brought Lin Ze to find his mother! 8

Chi!

“The car suddenly stopped. Because of the sudden force, Lin Jincheng fell forward fiercely. ”

““Boss, are you okay?” ”

“I’m fine.” Lin Jincheng waved his hand and pushed the door open to get out.

“As soon as he pushed the door open, he saw three motorcycles surrounding his car. ”

“Li Wen hugged his helmet and went forward. “Uncle Lin, Hello! The three of us are brother Ze’s friends. We’re very sorry to suddenly stop you. Please wait for a moment. Brother ZE will be here soon.” ”

Lin Jincheng narrowed his eyes. “Did ah ze send you here?”

“Yes.” Li Wen nodded.

Lin Jincheng looked at his watch. “But uncle still has other things to do right now. It’s almost time. Do you guys think that you can let Uncle Handle Things First?”

“Fat Tiger was straightforward. “You’re in a hurry to marry brother Ze’s stepmother, right?” ”

“Dog two said, “Uncle Lin, ah ze doesn’t like Auntie Feng, and he doesn’t like Feng Xianxian either. We hope that you can reconsider this matter.” ”

“Lin Jincheng’s gaze was a little far-reaching, “There are some things that uncle won’t be able to explain to Ah Ze in a short period of time, but please don’t worry. Ah Ze will understand in the future! “Kids, let me go first!”! “I’ll tell ze about his problems when we get home!” ”

“”No!”The three of them were very firm. “Before brother Ze comes, we can’t Let You Go!” ”

“Seeing that the auspicious time was getting closer and closer, Lin Jincheng became more and more anxious, but Li Wen, fat tiger, and Buttface didn’t let him go at all. ”

“At this moment, a small car stopped. ”

The car door opened and Lin Ze walked out.

“”Brother Ze!”When the three of them saw Lin ze, their eyes lit up. ”

“Lin Ze looked at the three of them. “Mosquito, fat tiger, and dog two, sorry for troubling you today.” ”

“The three of them waved their hands and said with a smile, “It’s just a small matter! Brother Ze, talk to uncle properly. Don’t quarrel. We’ll go back first.” ”

“Okay.”Lin Ze nodded.

The three of them got on their bikes and left.

“Lin Jincheng walked to Lin Ze’s side. “Ah Ze, what do you want to tell me?” ”

“”Dad, I found my mom.”Lin Ze took out the letter and the photo from his bag. “My mom’s name is Ye Shu! Her name is ye Shu! She’s not Feng Qianhua!” ”

Ye Shu!

“When he heard this name, Lin Jincheng’s eyes instantly turned red. When he saw the photo and the letter again, the memories buried deep in his mind flooded in like a tap that had been turned on!”

He remembered.

He remembered everything.

Secretary Zhang was stunned. Cold sweat broke out on his forehead. He didn’t expect the matter to be exposed so quickly.

“Lin Jincheng turned to look at Secretary Zhang and said to Lin ze, “AH ZE, let’s go home first!” ”

Lin Ze nodded and followed Lin Jincheng into the car.

“Not long after, the car stopped in front of the Lin family’s manor. By now, almost all the guests had arrived.”

“Seeing Lin Jincheng walk in, Old Mrs. Lin was overjoyed. She was just a little puzzled as to why Feng Qianhua didn’t come in with him.”

Could she be in the back?

“Old Mrs. Lin thought to herself, this child really doesn’t know how to do things.”

How could he leave Feng Qianhua alone to come in!

“Fortunately, this wasn’t a wedding ceremony, it was just an engagement ceremony.”

“Lin Jincheng walked straight to the stage and dialed the microphone, “Thank you all for taking the time out of your busy schedules to attend our Lin family’s engagement party. However, I regret to inform everyone that the engagement party is going to be canceled! In my entire life, the only woman that I, Lin Jincheng, deeply love is Ah Ze’s mother, Ye Shu. I will not marry anyone else! And I will not be engaged to anyone!” ”

“As soon as these words were said, the people below the stage began to discuss animatedly. ”

The engagement party was canceled?

Who would cancel their engagement on the day of the engagement party?

“Offstage, Old Lady Lin was so angry that her face had turned pale. Her entire body was trembling. She pointed at Lin Jincheng’s back and said, “Unfilial son! Stop right there!” ”

“Lin Jincheng turned around and looked at Old Lady Lin. He bowed and said, “Mom, I’m Sorry!” ”

Old Lady Lin closed her eyes and fainted just like that.

The entire Lin family was in a mess.

“Lin Ze followed Lin Jincheng to the door. “Dad, are we going to look for my mom?” ”

“Yes.” Lin Jincheng nodded. “Let’s go look for your mom.”

“They had already missed out on so many years. After experiencing this incident, Lin Jincheng didn’t want to miss out anymore. ”

No matter what happened back then.

Whose child was ye Shu’s.

He was willing to accept it!

“His life had only been a few decades, and he had already wasted half of it. He wanted to cherish the rest of his life...”

Chapter 494: 129: Lin Jincheng reveals the truth of what happened in the past. Mother and son will finally recognize each other! 1

Yes.

Lin Jincheng had already thought it through.

He was going to look for ye Shu.

“No matter what happened in the past, he could overthrow it and start over as long as ye Shu could still accept him.”

“Lin Ze raised his head to look at Lin Jincheng. “Dad, do I still have a sister?””

““Yes.” Lin Jincheng nodded. “Ah Ze, you and your sister are twins. Remember to take good care of your sister in the future.””

“Since he had already decided to look for ye Shu, he would accept everything.”

In the future.

“Her child was his child, the child they shared.”

Twins.

“Lin Ze was a little excited, a little expectant, and a little afraid.”

“He did not know if ye Zhuo would acknowledge him as his older brother, nor did he know if his mother would accept him.”

“Lin Ze followed Lin Jincheng into the car. Lin Jincheng instructed the driver, “Xiao Li, go to the airport.””

“Xiao Li said, “Okay.””

“Lin Ze was stunned. “Dad, what are you going to the airport for?””

““Your mother is in Yun Jing. Let’s go look for her,” Lin Jincheng replied.”

“Lin Ze continued, “Mother is not in Yun Jing. She is in the capital now.””

“In the capital?” Lin Jincheng was a little surprised.

“Lin Ze continued, “Sister has been admitted to Beijing University.””

“Then where are they living now?” Lin Jincheng hurriedly asked.

Lin Ze frowned slightly.

“This was also a problem that Lin Ze was concerned about. He searched through ye Shu’s information, but could not find the addresses of ye Shu and Ye Zhuo.”

The information seemed to have been deliberately hidden.

“Lin Ze continued, “Let’s go find uncle ye first.””

“Uncle Ye?”

“Lin Ze explained, “Uncle Ye is my mother’s younger brother, ye Sen.”according to seniority, Lin Ze should have called him uncle, but he was used to calling him uncle, so he could not change his words.”

Ye Sen?

“The figure of a young boy immediately appeared in front of Lin Jincheng. When he met Ye Shu, Ye Sen was only thirteen years old.”

“Then where is your Uncle Now?”Lin Jincheng asked.

“Lin Ze continued, “Dad, I think we should clarify things before we go to find uncle. For example, does my mother know about my existence? In the letter, you clearly said that you were going to look for my mother. Why did you break your promise again? Also, your name. Also, do you know about your sister’s existence? How did I return to your side? Why am I the only one by your and Grandma’s side while my sister is not?””

“”I secretly went to Yun Jing to look for my mother before. At that time, I didn’t know that Uncle Ye was my uncle. My uncle told me that my mother was a very strong person. Unfortunately, when I was young, I met someone unladylike and was cheated by someone. She even gave birth to a daughter out of wedlock! A daughter out of wedlock. This means that my mother never knew of my existence! “How did I leave my mother’s side at that time? “Why didn’t my mother know of my existence?””

“After saying this, Lin Ze continued:”

“”Moreover, my mother hasn’t remarried all these years. She’s been living a very difficult life! If we don’t figure out all these things, not only will my mother not forgive us, even my own face will be too ashamed to see my mother.””

“Just like what Old Lady Lin said, how many nineteen years could there be in life?”

But Ye Shu gave the best nineteen years of her life to Lin Jincheng.

“Ye Shu had waited for Lin Jincheng alone with her child for so many years, but Lin Jincheng had not even shown up once.”

“Without a reasonable explanation, no matter who it was, they might not be able to forgive Lin Jincheng.”

“What Lin Ze said made a lot of sense. It turned out that unknowingly, the child from back then had already grown up.”

“Lin Jincheng was silent for a moment. After a while, he looked up at the driver. “Xiao Li, let’s go to the bustling place first.””

The bustling place was a temporary residence for Lin Jincheng.

“There were some things that were not convenient to talk about in the car. He had to find a place and tell Lin Ze the details of what happened 19 years ago. Then, the father and son would think of a way to seek ye Shu’s forgiveness.”

As for the child’s matter...

“Lin Jincheng planned to keep this matter in his stomach forever. He believed that Ye Shu was definitely innocent. In the future, she would be his daughter, Lin Ze’s only sister.”

Lin Jincheng only regretted that he did not wake up earlier.

“If he could wake up earlier, he would not have wasted more than a year’s time.”

The car sped up.

...

On the other side.

The Feng family.

“The auspicious hour had arrived, but Lin Jincheng had not come to pick Feng Qianhua up.”

The guests of the Feng family were discussing in low voices.

Feng Qianhua had waited for Lin Jincheng for nineteen years.

“There had been no news for nineteen years. The two families had suddenly decided to get engaged. The auspicious hour had arrived, but the groom-to-be had not come. This was somewhat intriguing.”

“Chapter 495: 129: Lin Jincheng reveals the truth of what happened in the past, mother and son will finally recognize each other! 2”

Could it be that the Lin family went back on their word at the last minute?

“Old Madam Feng presided over the overall situation as she whispered to the butler beside her, “Quickly get someone to go to the Lin family’s side to see what’s going on.” ”

““Yes, Old Madam, I’ll go right away.”The Butler immediately walked out. ”

Upstairs in the bedroom.

Feng Qianhua was wearing a wine-red gown and an exquisite hair accessory on her head as she looked at herself in the mirror.

“Although she was already thirty-nine years old this year, due to her good maintenance and hyaluronic acid, the years did not leave any traces on her face. Compared to the frivolous youth of nineteen years ago., it was more like the charm of a mature woman.”

“From now on, she would be the matriarch of the Lin family, Lin Jincheng’s only wife.”

“Looking back now, these nineteen years of persistence were nothing at all.”

“At least, she had waited until Lin Jincheng.”

And what about that B * T ch ye Shu?

So what if she gave birth to two children for Lin Jincheng?

“In the end, wouldn’t it all be for naught?”

“After a long while, Feng Qianhua picked up the lipstick on the dressing table and slowly applied it on her lips.”

“At that moment, the door was pushed open from the outside.”

Feng Qianhua turned around and saw that it was Feng Xianxian who had entered. Feng Xianxian had an anxious look on her face. It seemed like she had something urgent to attend to.

“Xianxian, how many times have I told you to pay attention to your manners! From now on, you are the eldest daughter of the Lin family. Every Word and action of yours represents the Lin family. You Can’t be so Rash!” ”

The eldest daughter of the Lin family was different from the eldest cousin daughter of the Feng family.

“Although Feng Xianxian’s surname was Feng, in the Feng family, the mother and daughter had always been outsiders. ”

Only the Lin family was the true home of the mother and daughter!

“Moreover, the Feng family was a small family and could not compare to the Lin family at all. ”

“Feng Xianxian could not care less and continued, “Mother, the auspicious time has passed, but Uncle Lin has not come yet. Do you think there will be any changes?” ”

“Hearing this, Feng Qianhua’s expression changed. “What time is it now?” ”

“Feng Qianqian said, “It’s already 12:20!” ”

“The master had calculated the auspicious time to be 12:16. Logically speaking, Lin Jin Cheng should have arrived a few minutes earlier, but it was already four minutes later, and Lin Jin Cheng was still nowhere to be seen. ”

Feng Qianqian’s intuition told her that this wasn’t a good thing.

Feng Qianhua narrowed her eyes slightly. “What time is the second auspicious time?”

“In order to prevent accidents, two auspicious times were usually prepared. ”

“13:14 pm,”Feng Qianqian answered. ”

The corners of Feng Qianhua's mouth curled up. "1314 signifies a lifetime. Perhaps your uncle Lin likes this auspicious time more!"

"Mom, aren't you worried at all?" Feng Qianqian admired Feng Qianhua very much. The commotion downstairs was about to break out, but Feng Qianhua was so calm. "

"Feng Qianhua closed the lid of her lipstick and pursed her lips. "Your uncle Lin won't marry anyone else but me. What's there to be worried about?" During the days when Lin Jincheng was out discussing cooperation, Lin Ze called Lin Jincheng many times. "

But Lin Jincheng didn't pick up.

This meant that Lin Jincheng had made up his mind.

"Today was their engagement day. Lin Jincheng cared about her so much, so how could he drop the ball at such a critical time? "

"So, Feng Qianhua was not anxious at all. "

Because she knew that Lin Jincheng had already decided on her.

"In Lin Jincheng's subconscious mind, she was Ye Shu. Lin Jincheng would never let her down! "

"Moreover, Lin Jincheng had always been a gentleman. He could not go back on his words. "

Feng Qianhua had always believed in Lin Jincheng's character.

"After saying that, Feng Qianhua continued, "Your Uncle Lin is an open and aboveboard man. Once he has decided on something, he will not go back on his word." "

“Hearing Feng Qianhua’s words, Feng Qianqian also heaved a sigh of relief. She smiled and circled around in front of Feng Qianhua. “Mom, what do you think of my outfit today?” ”

“”Good, very good.”Feng Qianhua nodded in satisfaction and then instructed, “Remember not to touch meat dishes and wine at today’s banquet.” ”

“Fifth Cen was not only vegetarian, but he also did not drink wine. ”

“Feng Xianxian was wearing a blue and white cheongsam today. In addition to her outstanding facial features, she looked very elegant and charming in this way. ”

“Although there were beauties in the capital, there were not many natural beauties. ”

Most of the daughters of socialites had gone to the beauty salon to make minor adjustments. Only Feng Xianxian was naturally sculpted.

“Feng Qianhua believed that in today’s banquet hall, Feng Xianxian was the most eye-catching existence. ”

“At that time, not to mention Cen Wuye, even half of the capital’s noble families and dignitaries would have to bow down to Feng Xianxian. ”

“Chapter 496: 129: Lin Jincheng reveals the truth of what happened that year, and mother and son will finally recognize each other! 3”

“Thinking of this, the corners of Feng Qianhua’s mouth curled up even more.”

“Her daughter was so outstanding, and as a mother, she was also proud!”

“Mom, don’t worry, I know what to do.” For today’s engagement party, Feng Qianxian had prepared for a long time.”

“How to smile was the most attractive, and what topics to participate in appeared to be knowledgeable and cultured.”

“In order to cater to fifth master Cen’s preferences, she even specially flipped through some scripture books and recited some relatively famous fragments.”

She believed that she would definitely have a common topic with fifth master Cen.

“So today, she would definitely attract fifth master Cen’s attention.”

Make Fifth Master Cen fall for her.

“Feng Qianhua continued, “Xianxian, you can’t just think about attracting fifth master Cen’s attention. You have to think about how to please old Madam Cen. Although Old Madam Cen is old, her weight in the Cen family is definitely not inferior to Zhou Xiang.””

“I heard that fifth master Cen did not want to go to Yun Jing previously. It was only because Old Lady Cen threatened him with her life that he agreed to go.”

“Once Old Lady Cen approves of you, then you will be the Cen family’s matriarch.””

“Because the relationship between the Cen family and the Lin family was not bad, Old Lady Lin could always tell some topics about the CEN family.”

“Feng Xianxian nodded, “Isn’t it just to please the old lady? Look at how happy I made that Old Lady Lin! I’m the best at this! Now that I think about it, the eldest daughter of the Mu family in Yunjing is really stupid! She’s short-sighted. Fifth Master Cen only used a little trick, and she took the initiative to break off the engagement! But I still have to thank her. If it weren’t for her short-sightedness, I wouldn’t have had the chance to get in touch with fifth master Cen Now.””

“Feng Qianhua reached out and placed her hand on Feng Xianxian’s. “If you don’t have the chance, create it. Opportunities are always reserved for those who are prepared.” Just like her, if she had accepted her fate nineteen years ago., then would she still be able to become the matriarch of the Lin Family?”

“Therefore, one must never accept one’s fate!”

“”Even if fifth master Cen already has someone by his side, you can’t give up. As long as fifth master Cen can see you, it means that he still doesn’t love his female companion enough!””

“Feng Xianxian nodded, not fully understanding. “Yes, Mom, I understand.””

“Just then, Feng Qianhua’s eldest sister-in-law walked in from outside and said with a smile, “Qianhua, are you hungry? Do you want sister-in-law to bring you something to eat?” Normally, Feng Qianhua’s eldest sister-in-law would not have such a good expression.”

“But now, it was different. Feng Qianhua was about to get engaged to Lin Jincheng. The Lin family was big and powerful. In the future, even if Feng Qianhua revealed something between her fingers, it would be enough for her to squander.”

“Although it was already too late for Lin Jincheng to pick Feng Qianhua up, he had already prepared two auspicious times!”

She could not offend Feng Qianhua again because of her short-sightedness.

“Feng Qianhua did not stand on ceremony with sister-in-law. “Then I’ll have to trouble sister-in-law to get me a bowl of porridge. My appetite has not been very good recently, so I want to have some porridge.””

“”Okay, I’ll go now.””

“Feng Qianqian looked at Feng Qianqian’s back, her eyes filled with pride. “Can I trouble you to get me a bowl of porridge too?””

“Her first aunt was the most snobbish, and she usually liked to bully the mother and daughter. Who would have thought that she would have such a day!”

Feng Qianqian was overjoyed!

““Yes, yes, of course.”Feng Qianqian quickly nodded.”

“After Feng Qianhua’s eldest sister-in-law left, Feng Qianhua’s second sister-in-law, third sister-in-law, and fourth sister-in-law also walked in.”

They came here to please Feng Qianhua.

Feng Qianxian ordered her three aunts to take care of her like she was ordering the servants of the Lin family.

The three Feng sisters-in-law could only swallow their anger.

Who asked her to become the eldest daughter of the Lin Family!

The difference between the Feng family and the Lin family was not just a little bit.

At the same time.

Downstairs.

“As the discussions among the guests increased, old madam Feng became more and more uncertain.”

What was going on with the Lin Family?

Why was no one here yet?

Did something really happen?

“Just then, the butler jogged in. Old Madam Feng saw that the butler’s expression did not seem to be right, so she immediately walked over and asked in a low voice, “What is going on with the Lin Family?””

The housekeeper glanced at old madam Feng and was momentarily at a loss for words.

The Feng family was bustling with activity as they prepared for the engagement banquet.

“However, the groom-to-be announced that the wedding banquet was canceled. He even announced that he would only love his son’s birth mother and would not be engaged to anyone else.”

“If this news were to spread, what would the Feng family and Feng Qianhua do?”

“Chapter 497: 129: Lin Jin Cheng reveals the truth of what happened that year, mother and son will finally recognize each other! 4”

“What’s going on? Hurry up and tell me!” Old Madam Feng said anxiously.

“The Butler raised his head to look at Old Madam Feng, his expression somewhat complicated. “Old Madam, you have to make preparations.” ”

“Hearing this, Old Madam Feng’s heart skipped a beat. ”

“The butler continued, “Family Head Lin suddenly announced the cancellation of the engagement banquet, and now the Lin family is in Chaos!” ”

Cancel the engagement banquet?

“Now that all the guests had arrived, the Lin family wanted to cancel the engagement banquet!”

How was she going to explain this to the guests present?

“Old Madam Feng’s face turned pale and she stumbled back a few steps. Fortunately, the housekeeper held her in time, “Old Madam, don’t be anxious. There might be some misunderstanding!” ”

“Old madam Feng continued, “Did they say why they wanted to cancel the engagement banquet?” ”

“The Butler shook his head and tried his best to be tactful, “I’m not too sure about the details. I only know that family head Lin’s car was about to arrive, but it suddenly turned back halfway and announced that the engagement party was canceled.” ”

“Old Madam Feng pressed her temples and said weakly, “You go. Go and call the eldest madam over.” ”

The eldest madam was naturally referring to the Feng family’s eldest sister-in-law.

“The butler nodded. “Alright, I’ll go now.” ”

“Soon, Feng Qianhua’s wife arrived. When she heard about this matter, her face turned pale. “How can this be? Isn’t the Lin family bullying others? The engagement was agreed upon today. How can it be canceled so easily?” ”

“Feng Qianhua’s wife was extremely shocked. Although she could not stand Feng Qianhua and her daughter’s petty ways of achieving success, this was a major matter that concerned the entire Feng family. If she could get married to the Lin family, she could also benefit greatly from it.”

“Now that the Lin family suddenly announced the cancellation of the engagement, how would she and the Feng family behave in the future?”

“Old Mrs. Feng was completely exhausted and did not want to say another word, “Go and call the second, third, and fourth families. Go and settle the guests down. Tell them that today’s reception was not good and that the engagement banquet has been postponed. I will apologize to them another day.”

“Since things had come to this, they could only use the delay as an excuse.”

“In this circle, besides power, face was also very important!”

Old Madam Feng only begged the Lin family to temporarily cancel the engagement party. Everything was a misunderstanding.

“Okay.”Feng’s eldest sister-in-law nodded and immediately went to call the other three sisters-in-law.

“These four daughters-in-law of the Feng family, although they usually liked to be calculative, in the face of major events, they were not ambiguous at all. They quickly settled the guests down.”

“After the guests dispersed, the originally noisy hall instantly became quiet.”

Feng Qianhua and Feng Xianxian were still upstairs waiting for Lin Jincheng to pick them up.

“Suddenly, the door was pushed open.”

It must be Lin Jincheng.

Feng Qianhua turned her head in surprise.

But the people who came were the four sisters-in-law of the Feng family.

The smile on Feng Qianhua's face faded.

"Feng Xianxian said with some dissatisfaction, "First aunt, didn't you go downstairs to get porridge for me and my mother? Where's the porridge? and second aunt, third aunt, and fourth aunt, where are the things I asked you to take? Why did you come up empty-handed?" "

"It's already so late, and you still want to eat porridge?" Fourth Sister-in-law's face was stern. "Don't talk about porridge! In the future, the two of you won't even be able to drink water!" "

"Feng Qianhua frowned. "Fourth sister-in-law, what do you mean by that?" "

"Third Sister-in-law stood up, her face full of sarcasm. She looked completely different from before. "Don't you know what I mean? The two of you should stop dreaming about Madam Lin and Miss Lin in the future!" "

"Hearing this, Feng Qianhua's heart skipped a beat, and a layer of sweat appeared on her back. "Third sister-in-law, what happened?" "

"Not to mention Feng Qianhua, when she saw her four aunts acting like this, Feng Qianqian was a little flustered. She subconsciously grabbed Feng Qianhua's wrist, not daring to be aggressive anymore. "

Feng Qianhua's eldest sister-in-law looked at Feng Qianhua. "You really don't know?"

Feng Qianhua shook her head.

"Family head Lin announced that the engagement was canceled," Feng Qianxian said word by word. "

What?

The engagement was canceled?

How could this be?

It couldn't be!

She had just met Lin Jincheng last night and everything was normal in Lin Jincheng. He had even discussed the matter at the engagement party with her. Everything was fine. Why would Lin Jincheng cancel the engagement party just like that?

It wouldn't happen!

Lin Jincheng wasn't that kind of person.

"Feng Qianhua's face turned pale immediately, but she had no choice but to calm herself down. "Sister-in-law, stop joking." "

It was fake.

It was definitely fake.

A few of her family's sisters-in-law were jealous of her and that was why they were joking with her.

"Chapter 498: 129: Lin Jincheng reveals the truth of what happened that year, mother and son will finally recognize each other! 5"

"Seeing Feng Qianhua like this, Feng Qianhua sighed. "It's true. The guests downstairs have all dispersed." "

Only then did Feng Qianhua realize that the Feng family villa seemed to have quieted down in an instant.

“Is, is it true?”

How could this be?

Feng Qianhua sat on the chair in a daze. There was not a single glimmer of light in her eyes.

Feng Xianxian was also dumbfounded.

The few sisters-in-law of the Feng family sneered at the mother and daughter before leaving. They did not dare to go too far.

What if the mother and daughter still had a chance to turn things around?

“After the four of them left, Feng Qianhua turned back to look at Feng Xianxian. “Quick... quick, call your Grandma Zhang.” ”

““Okay, okay.”Feng Qianxian quickly went to get her phone. ”

“After a long while, the other side picked up the phone. ”

Feng Qianxian cried and asked what was going on.

“Aunt Zhang said, “Qianxian, don’t cry. It’s okay. Don’t worry. Pass the phone to your mother. I have something to tell her.” ”

Feng Qianxian had no choice but to pass the phone to Feng Qianhua.

“Feng Qianhua took the phone and asked in a trembling voice, “Aunt Zhang, what exactly happened?” ”

“Aunt Zhang did not expect such a turn of events. She said in a low voice, “Qianhua, Lin Jincheng seems to have regained his memory.” ”

“What?” Feng Qianhua’s breathing stopped.

Regained his memory?

How did he regain his memory all of a sudden?

“Aunt Zhang comforted Feng Qianhua a few more times, but Feng Qianhua could not hear anything. ”

No!

She could not give up just like that.

She couldn’t just lose to ye Shu like that.

Feng Qianhua tried her best to calm herself down. “How’s Aunt Lin Now?”

“Aunt Zhang said, “Her condition isn’t too good. She fainted on the spot and hasn’t woken up yet.” ”

“Please take good care of Aunt Lin. Don’t worry about me.”

“Very good.”

“After hanging up, Feng Qianhua started to remove her makeup.”

She couldn’t admit defeat.

“The position of the matriarch of the Lin family was hers, and it had always been hers. No one could take it away from her.”

So what if Lin Jincheng regained his memory?

Could he find ye Shu?

“With the paternity test, Lin Jincheng would never be able to overcome the hurdle in his heart.”

He was just trying to escape.

He couldn't possibly find ye Shu!

“Feng Qianhua turned to look at Feng Qianxian. “Qianxian, change your clothes too. We'll go see your grandma Lin later.” ”

“”Okay, okay.”Feng Qianxian nodded. ”

...

In the bustling city.

Lin Jincheng told Lin ze everything that had happened back then.

Lin Ze sighed after hearing it.

“He didn't expect so many things to happen. “Dad, don't worry. I believe mom will definitely understand you.” ”

“From the perspective of his children, Lin Ze still hoped that his parents could get back together and that the four of them could live happily together in the future.”

Lin Jincheng sighed. “I hope so.” He wasn’t sure if Ye Shu would still be able to forgive him.

“Lin Ze continued, “Dad, I’m going to meet uncle at the Royal Cafe.” ”

“Unable to find Ye Shu’s address, Lin Ze had no choice but to ask Ye Sen out.”

Lin Jincheng nodded. “Then let’s go now.”

““Okay.” Lin Ze continued, “But I didn’t tell him about this. When we meet, you have to be mentally prepared.” ”

“I will.”

The Royal Cafe was right below Ye Sen’s company.

“So, when Lin Ze and Lin Jincheng arrived, Ye Sen had already arrived.”

“Seeing Lin ze come over, ye Sen waved at him excitedly. “Ah Ze.” ”

““Uncle, Uncle Ye.” Lin Ze also waved.”

“Ye Sen saw Lin Jincheng beside Lin ze and frowned slightly. He subconsciously felt that Lin Jincheng was a little familiar. “Ah Ze, this is your father?” ”

Lin Ze nodded.

““Sen,” Lin Jincheng said with red eyes.”

Sen?

Ye Sen was stunned.

How many years had it been since someone called him that?

“I’m sorry, who are you?” Ye Sen didn’t recognize Lin Jincheng for a moment and couldn’t remember who he was. ”

1

“After all, he was only thirteen at that time. ”

“Moreover, he hadn’t seen ye Sen many times. ”

“Lin Jincheng looked at ye Sen and said, “I’m Lin Qingcheng.” ”

Lin Qingcheng?

“Hearing these three words, the memories buried deep in Ye Sen’s mind flooded out in an instant. ”

Who Was Lin Qingcheng?

Wasn’t Lin Jincheng the scumbag who had deceived ye Shu?

Nineteen years!

A whole nineteen years!

The Scumbag had finally appeared.

“At this moment, other than anger, Ye Sen’s eyes were still filled with a layer of fire. He raised his hand and directly punched Lin Jincheng.”

Bang!

“Lin Jincheng tilted his head. If not for the chair behind him, he would have fallen to the ground.”

“”Bastard! Lin Qingcheng, you F * cking bastard! You made my sister suffer for so many years! I’ll beat you to Death Today!” ”

Chapter 499: 129: Lin Jincheng reveals the truth of what happened that year. Mother and son will finally recognize each other! 6

Lin Jincheng did not fight back. He was just beaten up by Ye Sen.

“Soon, the left side of his face was swollen and blood flowed out of the corner of his mouth.”

“”Uncle, stop beating me up.”Lin Ze hugged ye Sen’s hand.”

“Ye Sen pushed Lin Ze’s hand away. “Little Bastard, get lost! Who’s your uncle? I’m not your uncle!” ”

“If he had known that Lin Ze was Lin Qingcheng’s son, he would not have bothered with Lin Ze at that time.”

“Saying this, Ye Sen picked up Lin Jincheng’s collar, his eyes were red as he said, “Lin Qingcheng, you bastard! When you were with my sister, you were still fooling around outside! Whose son is this little bastard? What are you trying to do? Let me tell you! If you dare to appear in front of my sister and anger her, I’ll F * * King beat you to death!” ”

What a bully!

Lin Jincheng was simply too much of a bully!

“He already had a child with someone else, and now he still had the face to come in front of him. ”

Was he here to show off?

To show off that he had a son?

Ye Sen even suspected now that Lin Jincheng had left ye Shu back then because he remembered that ye Shu had given birth to a girl.

Scum!

A scum who valued sons over daughters!

“Thinking of this, Ye Sen, who couldn’t take it anymore, gave Lin Jincheng a vicious punch. ”

Lin Jincheng weakly wiped the blood from the corner of his mouth. “Ah Ze is Ah Shu’s biological child. He and his sister are twins.”

What?

Twins?

“Ye Sen was stunned. He thought he was hearing things, so he turned to look at Lin Ze. ”

Ye Sen Saw Ye Shu’s shadow on Lin Ze’s face.

Especially her Phoenix eyes.

The mother and son (daughter) all had the same pair of Phoenix eyes.

This gene didn’t even need DNA testing to tell that he was ye Shu’s child.

“No wonder when he first met Lin Ze, he felt that Lin Ze was very familiar. He couldn’t help but want to get close to him. Then, he remembered the sad scene when Lin Ze went to look for his mother from afar. Ye Sen’s eyes turned red, he said in a hoarse voice, “Ah Ze...” ”

This child was too difficult.

He met a terrible father and met an unreasonable grandmother.

“”Uncle!”Lin Ze walked over and hugged ye sen. “Uncle, my father had his difficulties back then. You’re angry now. Can you sit down and listen to our explanation?” ”

“Ye Sen sighed and turned to look at Lin Jincheng, “For Ah Ze’s sake, I can take you to my sister. You can explain it to her yourself. Whether she can forgive you or not, it’s not up to me. It’s up to my sister. If my sister doesn’t forgive you, you’re not allowed to harass my sister in the future!” ”

Ye Sen had known Lin Ze for a long time.

He knew that Lin Ze was a very good and filial child.

He couldn't stop them from recognizing each other.

And Lin Qingcheng was the father of two children after all.

Ye Zao also had the right to know the existence of his biological father.

“Sen, thank you.”

“Ye Sen's face was cold. “Don't thank me yet. If my sister doesn't forgive you, I'll still beat you up!” ”

Lin Jincheng accepted everything unconditionally.

Ye Shu happened to be resting at home today.

“When Ye Sen arrived with Lin Jincheng and Lin Ze, she was in the kitchen with ye Zao researching new dishes.”

A seductive fragrance wafted in the living room.

“Sis.”

He was about to meet his mother.

Lin Ze was very excited.

It felt like a dream.

“Although the ye family rented a house, the decorations were very warm. For some reason, Lin Ze found that he liked this place very much.”

“You’re back.” Ye Shu’s voice came from the kitchen. “There’s watermelon in the fridge. Go get it yourself.”

“Hearing Ye Shu’s voice again, Lin Jincheng’s eyes turned red again. His heart was filled with emotions, and his palms were covered in a layer of sweat.”

“Ye Sen walked into the kitchen. “Sister, zhuozhuo, come out for a while. There’s a guest at home.” ”

“Who is it?” Ye Shu was a little curious.

“After all, their family didn’t know many acquaintances in Beijing.”

Ye Zhuozhuo raised his eyebrows slightly and was also a little curious.

“Ye Sen continued, “You’ll know when you come out.” ”

“Who is it? It’s So Mysterious.” Ye Shu untied her apron as she walked out.

She had just walked into the living room when she saw the man standing there. She was stunned.

Was she hallucinating?

“Although nineteen years had passed and Lin Jincheng’s face was still injured, ye Shu still recognized Lin Jincheng at a glance.”

“” Ah, Ah Shu,” Lin Jincheng said with a stiff voice. ”

Tears instantly welled up in Ye Shu’s eyes.

It was him.

It was really him.

“After nineteen years of not seeing each other, he seemed to have changed a lot, but it also seemed like nothing had changed.”

See this.

“Ye Zhuo slightly narrowed his eyes, don’t tell me, this is her that cheap father?”

Chapter 500: 129: Lin Jincheng reveals the truth of what happened that year. Mother and son will finally recognize each other! 7

What does the cheapskate father want?

To get back together?

“Ah Ze, this is your mother.” Lin Jincheng turned to look at Lin Ze.

“Lin Ze took heavy steps and walked step by step to Ye Shu’s side. He looked at Ye Shu and said in a hoarse voice, “Mother!””

Ye Shu was completely stunned.

Wasn’t this the child of him and Feng Qianhua?

What did he want to do?

Did he still want to lie to her like he did nineteen years ago?

“Ye Shu looked up at Lin Jincheng and asked in a trembling voice, “Lin Qingcheng, what do you want to do?” ”

It had been nineteen years. Why did Lin Jincheng still appear in front of her? And why did he bring the son he had with someone else to look for her? !

She was living a good life now. Why did Lin Jincheng come here to tear open the scar that had already been scabbed.

““Ah Shu, this is our son, Lin Ze. He and our daughter are twins, Ah Shu! I’ve let you down. I’ve separated you, mother, son, and brother and sister for so many years. I deserve to die! I’m A Sinner!”At this point, lin Jincheng was already in tears. ”

Twins?

Ye Shu only felt her mind go blank. She had never thought that she had a son in this world.

Was this true?

The youth in front of her was really her son.

“Lin Jincheng had lied to her before. From his name to his home address, he had lied to her. Could it be that this time, he was also lying to her? ”

Ye Shu didn’t know if she should believe Lin Jincheng.

Ye Zhuo stood at the side and was also a little dumbfounded.

This was too unbelievable!

She never expected that she actually had a brother...

A brother?

“But... didn't the doctor say that there was a stillborn child?” After a long while, Ye Shu finally found her voice. “Lin Jincheng, are you lying to me again?” ”

“Lin Jincheng took a deep breath. “Ah Shu, I'm not lying to you. That child wasn't stillborn. He was secretly taken away by my mother. If you don't believe me, you can do a paternity test with Ah Ze.” ”

“Hearing this, Ye Shu raised her head and looked at Lin Ze. ”

“From Lin Ze's eyes, she saw her own figure. ”

It was her child.

“This was her child, that's right. ”

“Perhaps it was the bond between mother and son, but at this moment, ye Shu almost burst into tears. She hugged Lin Ze. “Child, child...”she had always thought that her child had died when he was born. ”

She did not expect him to still be alive.

“Lin Ze had dreamed countless times of meeting his mother, but every time, the moment they hugged, the dream would wake up. ”

“Every night, his pillow would be wet. ”

“This time, he finally got to hug his mother as he wished. It was so good to have a mother. ”

“From now on, he was a child with a mother! ”

“”Mom!”Lin Ze hugged ye Shu tightly. He was very strong, afraid that he was dreaming. Once he let go, his mother would disappear. ”

“Seeing the mother and son recognize each other, Ye Sen raised his hand and punched Lin Jincheng. “B * Stard! You actually secretly took the child away! You separated them for so many years. Is this a human thing?” ”

Lin Jincheng didn't Dodge. He took a punch from ye Sen and staggered back. “I'm sorry. I'm sorry for Shu and the two children...”

“”What's the use of saying sorry?”Ye Sen gave Lin Jincheng another punch, “Can an apology offset the pain of their separation for so many years? Lin Qingcheng! Are you even human? How could you do such a heartless thing with your mother?” ”

“”I didn't know that my mother secretly took ah ze away.”Lin Jincheng wiped the blood from the corner of his mouth, “That year, when I received the news that Ah Shu was going to give birth, I drove all the way to Yun Jing overnight. Who knew that I met with a car accident on the way. As a result, I lay in bed for ten years. When I woke up, I found that I had lost all my memories of Ah Shu... ..” ”

“By the end of his speech, Lin Jincheng was already sobbing uncontrollably. ”

“If he had been more careful that year and had not met with that car accident, ye Shu would not have suffered so much, and the mother and son would not have been separated for so many years because of it. ”

“If he had been braver back then, he would have taken ye Shu away earlier, and nothing would have happened. ”

“Unfortunately, there were no ifs. ”

“Ye Sen did not believe Lin Jincheng at all, because in his eyes, Lin Jincheng was a liar. He grabbed Lin Jincheng’s lapels and asked, “Didn’t you say that you lost your memory? Then how did you remember all this now?” ”

“... I accidentally recovered my memory last April.”
