“Chapter 501: 129: Lin Jincheng reveals the truth of what happened that year, mother and son will finally recognize each other! 8”

“Hearing this, Ye Sen became even angrier. ”

“”Then why didn’t you bring Ah Ze to Yunjing to find my sister last year? Why did you drag it out until now? Do you know how hard my sister has been living these years! You lived in luxury in the capital, while my sister took your daughter to live in a basement that was less than 20 square meters! Do you know how my sister lived these 19 years? You said you were in a car accident, but you were in a car accident? What evidence do you have to prove that you were in a car accident and lost your memory?”

Lin Jincheng did not say anything about the paternity test.

“When he came to Yunjing last year, he was shocked to see ye Shu living in a basement with very little money. He did not expect that ye Shu’s life would turn out like that. ”

“Because when ye Shu was pregnant, he had people transfer more than two million yuan into ye Shu’s bank account. ”

“At that time, fifty to sixty thousand Yuan could buy a house in Yunjing. ”

He thought that two million yuan could make ye Shu live comfortably.

“Nineteen years later, Lin Jincheng saw his ex-lover become like this and personally transferred thirty million yuan into Ye Shu’s account. ”

“Until now, Lin Jincheng did not know that he had just transferred the money last year. Under Feng Qianhua’s deliberate instigation, the money was intercepted by Old Lady Lin. ”

“I’m sorry...”a thousand words could only be turned into an apology.

He was the one who had let ye Shu down.

“Ye Sen looked at Lin Jincheng and continued, “And your name! Lin Qingcheng, what is your name? We went to Liu City to look for you later, but there was no Lin Qingcheng There!” ”

“Lin Jincheng sighed, “Lin Qingcheng is my name. From the beginning to the end, I never lied to Ah Shu. However, after my accident, my mother changed my name from Lin Qingcheng to Lin Jincheng, and my family moved from Liu City to the capital. That’s why you couldn’t find me. I’m sorry...” . “...” . “...” ”

Lin Jincheng only found out about these things after he recovered his memory.

“What else can you say besides saying sorry?”Ye Sen picked up Lin Jincheng’s sleeve. “I want you to kneel down for my sister!”

“Lin Jincheng’s eyes were full of guilt, but his legs were so hard that they could not bend. ”

““Bastard! I want you to kneel down for my sister!”Ye Sen was angry. “You’ve let my sister down for so many years, and now you can’t even kneel down for my sister?” ”

Lin Ze was about to say something when ye Sen grabbed Lin Jincheng’s hand and forced him to kneel down.

Bang!

“Lin Jincheng was thrown to the ground, and his prosthetic limb fell to the ground. ”

Everyone present was shocked.

Including ye Sen.

“Your leg...”Ye Sen looked at Lin Jincheng and suddenly made a slip of the tongue.

“Lin Jincheng said casually, “Amputate.” ”

Amputation.

Was it because of the car accident?

“Dad!” Lin Ze ran over with red eyes, picked up the prosthetic limb, and installed it on Lin Jincheng’s leg.  
”

Lin Ze had never helped Lin Jincheng massage a prosthetic limb before.

“As he installed it, tears fell from his eyes. ”

Boiling tears wetted Lin Jincheng’s suit pants.

“After the prosthetic limb was installed, Lin Ze helped LIN Jincheng stand up from the ground. He turned to look at Ye Shu and said in a low voice, “Mom, not only did the car accident damage my dad’s cerebellum, he was in a vegetative state for ten years. He also lost a leg. He didn’t mean to change his name, and he didn’t mean to move. ”

“Everything was done by Grandma When My dad was in a coma. He didn’t know anything. When my dad woke up, everything was set in stone. Mom, please forgive my father! He hasn’t forgotten you all these years. I beg you... ..” ”

1

“At the end of his sentence, Lin Ze knelt down directly towards ye Shu. ”

Ye Shu covered her mouth with both hands and cried out loud.

She had given up nineteen years of her youth. She had been separated from her son for nineteen years.

She had thought that she had given up the most in this relationship. She didn't expect that Lin Jincheng had also suffered for nineteen years.

He had lost his memory and one leg.

"In the past, she had thought that Lin Jincheng was a liar. Only now did she see the truth. "

She did not know what she should do at this moment.

"For a moment, ye Shu's blood rushed to her heart. Her vision turned black and she fell backward. "

"Mom!"

"Ah Shu!"

"Sister!"

"In the end, it was ye Zao who quickly supported ye Shu. "Mom, are you okay?" "

"I'm fine."Ye Shu shook her head. "I'm fine."

"Seeing ye Zao, Lin Jincheng was stunned. "

“From the moment he entered, his attention had been focused on Ye Shu. He did not notice ye Zao beside Ye Shu.”

Who Was this girl?

“If he was not mistaken, this girl looked extremely similar to him and ye Shu.”

“Last year, he had seen Ye yourong, but last year, Ye Yourong did not look like this at all.”

What’s going on?

Chapter 502: 131: Unravel the misunderstanding from back then. It turned out that ye Zao was his biological son! 1

Looking at Ye Zao.

“For a moment, Lin Jincheng was stunned. He could not react in time. His mind was blank.”

Did he miss something?

“After a long while, Lin Jincheng found his voice. “Ah Shu, this, this... is our daughter?” ”

Ye Shu sighed and nodded. “Her name is ye Zao.”

“No matter what, Lin Jincheng was also ye Zao’s father. The misunderstanding between her and Lin Jincheng couldn’t involve the child in it.”

She couldn’t stop ye Zao from acknowledging his father either.

“Hearing this, Lin Jincheng, who had calmed down, instantly broke the dam again.”

It really was!

This was really his and Ye Shu’s daughter.

“The girl in front of him looked extremely similar to him and ye Shu. Even without a paternity test, it could be seen that this was his daughter.”

His daughter’s name was ye Zao.

So Ye Yourong was not ye Shu’s daughter at all!

He had made a mistake.

“From the beginning to the end, this was all a misunderstanding.”

“But why had he not seen ye Zao when he went to the cloud capital at that time, but only ye Yourong?”

Just what had happened in between?

Lin Jincheng only hated himself for not investigating the matter clearly back then.

“Lin Jincheng looked at ye Zao, his expression as if he had lost control. His lips trembled and he could not say a single word. Boiling hot tears surged into his eyes. His heart, which he had painstakingly pieced together, was now torn apart by someone.”

He was not good.

It was all his fault.

“When he saw the identification book, he felt as if the sky had collapsed. He did not expect that the child was not ye Shu’s at all.”

He was too weak.

He did not have the responsibility of being a father.

He had actually let the mother and daughter suffer for so many years.

“Ye Shu also had mixed feelings in her heart. She held ye Zao’s hand for a long time before saying in a hoarse voice, “Zao Zao, this is your father.” ”

“Ye Zao did not have a father in his previous life, nor did he have one in this life.”

The sudden appearance of a man who could see her figure in his facial features made ye Zao a little confused.

She originally thought that Lin Jincheng was a scumbag who played with other people’s feelings.

“If Lin Jincheng was a scumbag, she would definitely close the door and release the dog without hesitation!”

“However, things were not what she thought.”

“There was a misunderstanding between Lin Jincheng and ye Shu. It was a deep misunderstanding. He even lost one of his legs and became a vegetable in bed for ten years. From her daughter’s point of view, she was not qualified to judge Lin Jincheng.”

“Moreover, from ye Shu’s eyes, it could be seen that she still had Lin Jincheng in her heart. Before these misunderstandings were resolved, she even had hope for Lin Jincheng. Otherwise, she would not have been unmarried for nineteen years. ”

She had been waiting for Lin Jincheng’s answer.

“Perhaps, from the bottom of her heart, Ye Shu also believed that Lin Jincheng wasn’t a scumbag who played around with other people’s feelings. ”

“Ye Shu was different from her parents and several older sisters of the Ye family. She was very good-looking and had the temperament of a pitiful sister Lin. Even if she was single and had a child, she didn’t lack suitors by her side. ”

“However, regardless of whether the other party was rich or single and unmarried, she did not agree. ”

She had been waiting for the child for nineteen years.

“Lin Jincheng was the same. He had always had ye Shu in his heart. For nineteen years, he had never married. ”

“If ye Shu wanted to get back together with Lin Jincheng, ye Zhuo would not object. ”

“After all, there was another child between them. ”

She also had an older brother.

Lin Ze was mentally and physically exhausted in order to find ye Shu previously.

“For Lin Ze’s sake, ye Zao would not object to Ye Shu’s decision. ”

“Lin Jincheng only felt a lump in his throat. His footsteps seemed to weigh thousands of pounds as he walked step by step to Ye Zao’s side. He said in a hoarse voice, “Zao Zao... Child, I’m sorry, I’m sorry to you and your mother... I’m sorry...” ”

Lin Jincheng regretted not taking ye Shu away in time nineteen years ago.

He also regretted being too cowardly in cloud capital last year and not investigating the matter clearly.

All of this was his fault.

He was the one who let them down.

“He had a thousand words to say, but he wanted to cry first. After a long while, Lin Jincheng said, “Child... you can, can forgive father. Give father a chance to make up for you and your mother...” ”

They had missed nineteen years.

“At this moment, Lin Jincheng only wanted to spend the rest of his life doing his best to make up for ye Shu and Ye Zhuo. ”

Ye Zhuo looked at Lin Jincheng like this. There seemed to be a layer of clear snow between his brows. “I’m sorry. I don’t have the right to forgive you on behalf of my mother.”

Lin Jincheng turned to look at Ye Shu. “Ah Shu...”

“Mother...” Lin ze also looked at Ye Shu. His eyes were full of desire.

Chapter 503: 131: solve the misunderstanding from back then. It turned out that ye Zhuo was his biological son! 2

He hoped that they could reunite as a family.

Even in his dreams.

“Seeing the father and son like this, Ye Shu’s heart suddenly softened, especially when she saw the look in Lin Ze’s eyes. ”

Ye Shu turned to look at Lin Jincheng.” ... give me some time. I’ll think about it.”

“Hearing this, Lin Jincheng was overjoyed. “Ah Shu, thank you! Thank you!” ”

“As long as Ye Shu was willing to think about it, it meant that there was still hope between them. ”

“Ye Shu closed her eyes. “You can go back first.”She wanted to calm down, but when she saw Lin Jincheng’s face, she couldn’t calm down. ”

““Okay, okay.”Lin Jincheng nodded hurriedly. “I’ll leave now. Ah Shu, you must think about it. Ah Ze and I will come back to look for you in three days, okay?” ”

“Yes.”Ye Shu nodded.

“After saying this, Lin Jincheng brought Lin Ze and reluctantly left the ye residence. ”

The car was parked outside.

The driver saw the bruised and swollen Lin Jincheng and was shocked.

What had happened?

“Lin Jincheng sat in the car and ordered the driver, “Go to the hospital.” ”

“Okay.”

“After saying this, Lin Jincheng sent a message to his secretary, asking him to find out what had happened to Ye Shu in the cloud capital last year. ”

Just what had happened to Ye yourong.

Why had he not seen ye Zhuo at that time.

The fact that the MU family had carried the wrong child was not a local secret in the cloud capital.

“Very soon, the secretary found out. ”

“When he saw the information sent by his secretary, Lin Jincheng was immediately stunned. ”

He had carried the wrong child.

So that was how it was!

Lin Jincheng’s shoulders were trembling violently.

“Dad? Are You Alright?”Lin Ze tilted his head and looked at Lin Jincheng.

“Lin Jincheng tried his best to suppress the sadness in his body. “I’m fine, I’m fine...” ”

“Seeing that Lin Jincheng did not want to say anything more, Lin Ze did not say anything more. ”

He was also very nervous now. He did not know if his mother and sister would accept them.

...

“At the same time, at the Lin family home. ”

“Old Lady Lin was lying on the bed, cursing at Ye Shu, “Ye Shu, that promiscuous B \* Tch! It’s been so many years, but Jin city still can’t let her go. She first harmed my son, and now she’s come to harm my grandson!”Now, her son was not her son, her grandson was not her grandson. ”

“After cursing, she started coughing violently again. ”

Aunt Zhang quickly helped Old Lady Lin catch her breath.

“With this cough, Old Lady Lin thought of Feng Qianhua again, and tears rolled down her cheeks. “I’ve let Qianhua Down, our Lin family has let Qianhua down... Qianhua is a good child...” ”

“Previously, Feng Qianhua would send her a bowl of health-preserving soup every afternoon, and she had to use health-preserving soup to suppress her cough. ”

“Now that Lin Jincheng suddenly announced the cancellation of the engagement party, the Feng family and Feng Qianhua had lost so much face. Feng Qianhua would definitely never send her health-preserving soup again in the future. ”

Not to mention Feng Qianhua.

“If she were Feng Qianhua, she would not forgive herself either. ”

“The More Old Lady Lin thought about it, the more uncomfortable she felt. Her eyes became redder and redder, and her lungs seemed to be about to explode. There were tens of millions of ants gnawing at them. ”

Ye Shu!

It was all ye Shu's fault!

"Why doesn't that Fickle B \* Tch Die! Cough Cough Cough!"

"Aunt Zhang patted Old Lady Lin on the shoulder and said, "Old lady, don't worry. Miss Qianhua is kind-hearted. As long as Jin Cheng admits his mistake, she will definitely forgive him." "

"After saying that, aunt Zhang continued, "Miss Qianhua is a widower. Now that such a thing has happened, how will the mother and daughter be able to raise their heads in the capital in the future?" "

"Having their engagement annulled on the day of the engagement banquet, such a thing had never happened in the circle of wealthy families. "

"Old Lady Lin was already very guilty. Now that Aunt Zhang said that, she felt even more guilty! "

"Has there been any news from Jin city from the Butler?" Old Lady Lin asked.

"Aunt Zhang said somewhat helplessly, "He's not picking up the butler's call." "

"Old Lady Lin slapped the edge of the bed loudly, she coughed and said, "Unfilial son! Unfilial Son! Instead of the virtuous Qianhua, go find a B \* Tch who cheated on him! Does he really like being a cuckold so much?" "

Old Lady Lin only regretted letting Lin Jincheng control the power of the Lin family early on.

"If the person in charge of the Lin family was still her, Lin Jincheng would definitely not dare to do this. "

"At this moment, footsteps sounded from outside the door. "

Who Was It?

Old Lady Lin's eyes lit up. She looked outside the door. Could It Be Feng Qianhua?

But such a thing had just happened between the two families. Why would feng Qianhua come to see her?

"Thinking of this, the light in Old Lady Lin's eyes dimmed again."

Chapter 504: 131: the misunderstanding from back then has been cleared up. It turns out that ye Zao is his flesh and blood! 3

The sound of footsteps was getting closer and closer. The door was pushed open from the outside and Old Madam Lin saw a familiar figure walking in from the outside.

It was Feng Qianhua!

It was really Feng Qianhua!

Old Madam Lin was so happy that she forgot to cough. "Qianhua!"

She did not expect that Feng Qianhua would still come to visit her at this time!

Old Madam Lin was extremely grateful.

"Auntie Lin." Feng Qianhua jogged over. "Auntie Lin, are you alright?" "

“Old Madam Lin’s eyes were red as she said, “You child, with such a big incident, I should be the one asking you if you’re alright. Instead, you’re asking me if I’m alright. Qianhua, don’t worry, I’ll definitely get Jin City to give you an explanation! “Regardless of whether or not the engagement party goes smoothly today, you’re the only daughter-in-law in my heart!” ”

““I’m fine too. You Don’t have to worry.” Feng Qianhua unscrewed the lid of the Thermos and served Old Lady Lin Soup, she said, “Aunt Lin, there are some things that can’t be forced. I know that brother Jin city has always had sister ye Shu in his heart.” ”

“Saying this, Feng Qianhua handed the soup to Old Lady Lin. ”

Old Lady Lin took the soup and impatiently drank it. The familiar taste entered her throat and the discomfort from her lungs immediately disappeared.

Feng Qianhua looked at Old Lady Lin and narrowed her eyes. A glimmer flashed through her eyes.

1

It was fleeting.

“Feng Qianhua continued, “Aunt Lin, I’m willing to help Jin Cheng and sister Ye Shu. I hope that you can put aside your prejudice against sister ye Shu and help them.” ”

“Upon hearing this, Old Madam Lin was displeased. She knocked the bowl on the bedside table, “Qianhua, what nonsense are you talking about? Don’t worry. As long as I’m around, those fickle women outside won’t dare to ride on your head and do whatever they want!” ”

“A bitter smile appeared on the corner of Feng Qianhua’s mouth. “Aunt Lin, I know that you feel sorry for me and can’t bear to see me suffer. Actually, as long as I can see brother Jin Cheng Happy, it’s fine. This kind of grievance is nothing.” ”

“Hearing this, Old Madam Lin Sighed. “You Child, everything is good, but your heart is too soft. When you encounter things, you never think of yourself. The first thing you think of is always others.” ”

“If Feng Qianhua could be a little selfish, she wouldn’t have become like this.”

““Old Madam, Old Madam Cen is here,”the butler came in to report.”

“Hearing this, Feng Qianhua narrowed her eyes. Old Madam Lin hurriedly sat up. “Please come in!” ”

“Okay.”

“Although the Lin and CEN families were on good terms, this was the first time Feng Qianhua had seen old Mrs. Cen.”

“Old Mrs. Cen was leaning on a walking stick with a dragon head. Although her hair had turned white, she was still full of energy and her face was red. Old Mrs. Lin was obviously two or three years younger than old Mrs. Cen, but she looked younger.”

“Moreover, old Mrs. Cen had an aura hidden on her. She looked a little dignified, making people not dare to look into her eyes.”

“Old Mrs. Cen walked straight to the bed and asked with concern, “Fangyue, are you alright?” ”

“Old Mrs. Lin’s surname was Zhao, and her maiden name was Zhao fangyue.”

The Zhao family’s ancestors were from a scholarly family in Liu City. She had met old Mrs. Cen when they were in university.

“Old Mrs. Lin shook her head and introduced her to old Mrs. Cen. “This is Jin city’s fiancée, Feng Qianhua. Qianhua, this is old Mrs. Cen.” ”

“Feng Qianhua immediately stood up. “Nice to meet you, Old Lady.” ”

“Okay.” Old Lady Cen glanced at Feng Qianhua.

Feng Qianhua regretted not bringing Feng Xianxian along earlier.

“Feng Xianxian was especially popular with the elderly. If Feng Xianxian was here, she would definitely be able to please Old Lady Cen.”

“Aunt Lin, you can chat with Old Lady Cen first. I’ll go to the kitchen and make some tonic for you to drink tonight.” After saying that, Feng Qianhua looked at Old Lady Cen, then she said, “Old Madam, Aunt Lin is in a bad mood. Please help me enlighten her.”

Old Mrs. Cen nodded.

Feng Qianhua turned and left.

“After Feng Qianhua left, Old Mrs. Cen sat down by the bed. “Fangyue, was that the wife you found for Jin City just now?””

“Old Mrs. Lin nodded. “You think it’s not bad too, right?””

“Old Mrs. Cen shook her head. “To be honest, it’s really not that good! It’s not that I want to say this, but when you were studying, your taste was not as good as mine. I didn’t expect that as you get older, your taste is still not as good as mine!””

2

These words were a little piercing.

“In Old Mrs. Lin’s heart, Feng Qianhua was 10,000 times better. She did not expect Old Mrs. Cen to belittle her.”

“Old Mrs. Lin said, “How is Qianhua not good? She has to have good looks, a good figure, and a good heart! Jin city has already treated her like this, but she is still defending Jin city and saying that it’s not Jin city’s fault! And she even came to give me health-preserving soup! Where can I find a second such a good woman?” ”

“Lin Jincheng proposed to break off the engagement on such an important day as the engagement banquet, causing the woman to lose all her face. ”

“I believe that anyone would make a scene, right? ”

“After all, the Feng family was not a small family. ”

“Would Feng Qianhua Be So Nice? Not only was she not angry, she even came to give Old Lady Lin some health-preserving soup? ”

Was she the Virgin Mary?

Did she not have a temper?

“Old Lady Cen did not believe that there was such a person in the world. She frowned and said, “Could she have poisoned the soup? Old Lady, your eyes are blurry from old age. Don’t be poisoned to death!” ”

““What nonsense are you spouting!” Old Lady Lin was almost angered to death by Old Lady Cen.  
“Qianhua is not that kind of person! Bai Tang, when you were young, you did not have a good mouth.  
Why are you still like this when you are old!” ”

Bai Tang was Old Lady Cen’s maiden name.

“When she was young, everyone called her candy. Because she was beautiful, the line of boys chasing after her was a few streets long. ”

“Old Lady Cen Glanced at Old Lady Lin, “Let me tell you, you can’t just look at things from the surface. Some people may look like a pure and flawless little white flower on the surface, but they are actually full of Evil! “Don’t be unhappy to hear what I have to say. She must be holding back some big trick by doing this! “You Old Lady, your eyesight is dim. Don’t be deceived by others and end up losing your virginity ”

““You are not like me. My eyesight is very good! In current terms, you are just a silly and sweet person! You believe what others say, but in fact, you are nothing!” ”

Old Mrs. Cen and Old Mrs. Lin had known each other for a lifetime.

She knew old Mrs. Lin too well.

“She was soft-headed, domineering, and a bit snobbish. ”

“If they hadn’t been classmates and roommates when they were young and had some friendship, and later married in the capital at the same time, Old Mrs. Cen wouldn’t have bothered with an old silly sweet! ”

“Seeing that old Mrs. Cen was getting more and more outrageous, Old Mrs. Lin hurriedly stopped her,  
“You really misunderstood Qianhua! If she had poisoned the soup, I would have been poisoned to death long ago! Why would she wait until now?” ”

“If the other party wasn’t old Mrs. Cen, Old Mrs. Lin would have asked someone to kick her out long ago.”

She couldn’t allow others to say anything bad about Feng Qianhua.

Poison?

It was fortunate that old Mrs. Cen was able to say it!

“Old Mrs. Cen saw that old Mrs. Lin was still one-track-minded, she said, “Fangyue, your Jin city isn’t a fool. He must have his own reasons for breaking off the engagement! Why do you say that? If you twist the melon, it won’t Be Sweet. Your children and grandchildren will have their own blessings. Why do you have to interfere? You’re already old. Can’t you just enjoy your family at home? “It’s also because your Jin city has a good temper! “If I Were Your Jin city, I wouldn’t be able to stand you!” ”

““Let me tell you, when you’re old, you should mind your own business less. If you meddle too much, you’ll make people dislike you!” ”

Old Lady Lin originally thought that Old Lady Cen was here to comfort her.

She didn’t expect that every word she said would be more unpleasant than the last.

“Old Lady Lin continued, “Do you know why he suddenly announced the cancellation of the Engagement Party?” ”

“Old Mrs. Cen said, “Of course. He must have seen through someone’s true colors!” ”

“Old Mrs. Lin took a deep breath and tried her best to calm herself down, “He went to look for Ah Ze’s mother! It was that promiscuous B \* Tch! When that B \* Tch was good with Jin city, she cuckolded Jin city and gave birth to a bastard child with Ah Ze’s fraternal twins! “Do you think that kind of B \* tch is worth him being like this?” ”

“Old Lady Lin continued, “Qianhua is so good. After waiting for him for nineteen years, isn’t she better than a promiscuous B \* Tch? “If he dares to bring that B \* Tch and that bastard home, I’ll fight him to the death!” ”

“”What B \* Tch? You’re also a great-grandmother. Can’t you be a role model for the younger generation? What’s the point of always saying such words?” Old Mrs. Cen’s tone softened a little and continued, “Under normal circumstances, the probability of fraternal twins having the same mother and father is very low. Are you sure you’ve checked it out? is that child really not from your Jin City?” ”

“Old Mrs. Lin’s eyes were red as she said, “Jin city doesn’t believe me either. The appraisal report has been made five times abroad! But Can I lie about this? If that child really is of our Lin family’s bloodline, would I be so heartless as to ignore it?” ”

“But she’s not even a descendant of our Lin Family!”

“Old Lady Cen patted Old Lady Lin’s hand, then, she said, “Fangyue, you have to believe in your Jin city. He’s not a muddle-headed person! There must be some other hidden reason behind this matter. Otherwise, Jin city wouldn’t have suddenly canceled the engagement party. You’ve already missed out on the incident back then. You caused Jin city to lose a leg. Isn’t the price high enough?” ”

Chapter 506: 131: solve the misunderstanding from back then. It turned out that ye Zhuo was his biological son! 5

Old Mrs. Cen had watched Lin Jin Cheng grow up. She knew Lin Jin Cheng’s character too well.

“Old Mrs. Lin exploded when she heard this. “What do you mean I caused Jin Cheng to lose a leg? It was clearly that promiscuous, cheating B \* Tch! If it weren’t for her, would Jin Cheng Be in such a hurry to Drive?””

“Old Mrs. Cen asked back, “If you didn’t stop them from meeting their lovers, would jin city be in such a hurry? In the end, the main cause is still you.””

“Old Mrs. Lin said with extreme excitement, “Then it’s all that B \* Tch’s fault. If she wasn’t pregnant with a bastard child and was also cuckolded by Jin City, would I have stopped them from meeting?””

Could this matter be blamed on her?

“Old Mrs. Cen mercilessly exposed reality, “At that time, you didn’t think that Ah Ze’s mother and your Lin family were of equal status, right? You were too snobbish! Moreover, whether Ah Ze’s mother had an affair or not was still one thing! Don’t be anxious. Just stay at home and wait for Jin City to return. I believe that Jin City will definitely give you a satisfactory answer!””

Old Mrs. Cen was a very rational person. She never believed one-sided words.

“Although she was not Lin Jin city’s mother, she trusted Lin Jin city more than old Mrs. Lin.”

Old Mrs. Lin was so angry that her face turned pale.

“At this moment, there was another knock on the door.”

““Come in,” old Mrs. Lin said.”

“Grandma.” Feng Xianxian walked in from outside.

“When she saw Feng Xianxian, the anger in Old Lady Lin’s heart instantly disappeared without a trace. “Xianxian, come here quickly. This is your Grandma Cen.””

Old Lady Cen.

“A bright light flashed in Feng Xianxian’s eyes as she walked over with a smile. “Hello, Grandma Cen.””

Old Lady Cen nodded.

“Feng Xianxian continued, “Grandma Cen, you look so noble and overbearing. At first glance, I thought that some Bodhisattva had descended to the mortal world!””

“As an old man, he loved to pray for his life. In addition, fifth master Cen also believed in Buddhism. If he praised Old Lady Cen so much, Old Lady Cen would definitely be very happy.”

“Feng Xianxian was a very smart person. She knew what to say when she met someone. Otherwise, she wouldn’t have coaxed Old Lady Lin so happily.”

“However, Old Lady Cen furrowed her brows without leaving a trace.”

“Perhaps it was because she had been with ye Zao for a long time, which caused her to unconsciously compare herself to ye Zao whenever she saw anyone.”

“Their Ye Zi was not as flowery as Feng Xianxian. She was so frivolous when it was her first time meeting someone, and every time she opened her mouth, she would flatter them.”

“Because she was the Cen family’s old lady, Feng Xianxian’s mouth was so sweet. If she was not the Cen family’s old lady, Feng Xianxian probably would not even look at her.”

The Cen Old Lady responded with a smile.

“Seeing Old Lady Cen Smile, Feng Xianxian was very pleased. She knew that she would definitely be able to win Old Lady Cen’s favor.”

Old Lady Cen and Old Lady Lin had such a good relationship. Perhaps old lady cen already saw her as her future granddaughter-in-law!

“Old Lady Lin Glanced at Feng Xianxian and said, “Xianxian, your mother is in the kitchen. Go and see if there’s anything you need help with.””

“Feng Xianxian knew that Old Lady Lin had something to say to Old Lady Lin, and it might even be about her and fifth master Cen. She nodded and said, “Yes, Grandmother.””

“After Feng Xianxian left, Old Lady Lin looked at Old Lady Cen. “What do you think of Xianxian?””

Old Lady Cen’s face was full of wariness. “What do you want?”

“Old Lady Lin continued, “Didn’t your Shaoqing’s marriage in Yun Jing End? So I want...””

““Don’t even think about it!” Old Lady Cen interrupted old lady cen, “Our young master is already taken! My granddaughter-in-law is the most beautiful woman in the world, the best in the world. No one can steal her!””

““You’ve chosen another one?” Old Lady Lin frowned, “Do you know what kind of character the woman is? Aren’t you being too hasty!””

“Old Lady Cen said, “Don’t worry, my granddaughter-in-law is the best granddaughter-in-law in the world!””

““You really don’t want to consider Xianxian?” Old Lady Lin continued, “Xianxian can have whatever she wants. She’s not worse than anyone else! !””

“Old Lady Cen snorted coldly, “She’s far inferior to my precious granddaughter-in-law!””

“Old Lady Lin was not happy to hear this, “Xianxian is the capital’s College Entrance Exam’s detective flower! She’s truly talented and beautiful.””

“Old Lady Cen said with a proud face, “My granddaughter-in-law is the top scorer in Yunjing City! which place is Xianxian?””

“Yunjing is just a small place. Isn’t it normal to get the top scorer in the city? Yunjing’s top scorer can barely compare to the tenth place in the capital.”

Chapter 507: 131: the misunderstanding from back then was cleared up. It turned out that ye Zao was his biological son! 6

Old Mrs. Cen controlled her urge to hit him. "My granddaughter-in-law scored 749 points in her college entrance exam! What was that so-called Xianxian's score?"

Old Mrs. Lin suddenly fell silent.

"Compared to her score, Feng Xianxian seemed to be slightly worse. "

"After saying that, old Mrs. Cen asked again, "Does that so-called Xianxian know Chinese Medicine?" "

"No," old Mrs. Lin answered. "

"Then does she know how to build robots?"

"No."

"Does she know how to program?"

"No."

"Does she know how to design?"

"No."

“Does she know how to catch snakes with her bare hands?”

“No.”

“...”

“Old Mrs. Cen asked more than ten questions in a row, but Old Mrs. Lin’s answer was no.”

“”I’m sorry, my granddaughter-in-law knows all this!”Old Mrs. Cen said with a proud face.”

“She doesn’t know anything, and she still wants to compete with her precious granddaughter-in-law?”

Nothing!

“Old Mrs. Lin:”...”May I ask if your granddaughter-in-law is a God? Old Mrs. Lin felt that old Mrs. Cen was bragging. After all, this person loved to brag when he was young!”

How could there be an all-rounder in this world?

“Old Mrs. Cen continued, “Don’t blame me for not reminding you. That little girl just now used sweet words. One look and you can tell that she’s not an honest and good child. She can’t even be compared to the little finger of my granddaughter-in-law! “You have to be careful. She’s already so old! “Can’t you be a little more careful? “All day long, your own grandson doesn’t get close to you. To get close to an outsider! “I don’t know what you’re after!” ”

Loneliness?

“Old Mrs. Lin felt that old Mrs. Cen was trying to sow discord, “Xianxian was taught very well by Qianhua. She’s a good child, so don’t think too much of her! Also, although I’ve never met your granddaughter-in-law, I can feel that she’s not suitable for Shaoqing!” ”

“Old Mrs. Cen stood up in a Huff and placed her hands on her hips. “Are you saying bad things about my granddaughter-in-law? Be careful, or I’ll turn hostile and show you!” ”

“”Look, Look! I haven’t even said a word, and you’re already like this!”Old Mrs. Lin continued, “Your Shaoqing is a vegetarian, Xianxian is also a vegetarian, Xianxian is both talented and beautiful, and she’s worthy of your Shaoqing!” ”

“”In this world, other than my granddaughter-in-law, no one is worthy of Shaoqing! No, that’s not right! If you say that you’re not worthy, it’s because Shaoqing isn’t worthy of my granddaughter-in-law!”Old Mrs. Cen picked up the dragon-headed walking stick, “Take care of yourself! I’m going back First!” ”

“No wonder Lin Jincheng stayed in the sanatorium all year round. With such a mother, no one would be able to stand it. ”

Old Mrs. Lin felt that old Mrs. Cen was too old and muddle-headed to argue with her.

“If Old Mrs. Cen was not old and muddle-headed, why would she say such nonsense about how Shaoqing was not worthy of the woman. ”

“As soon as Old Mrs. Cen returned home, Zhou Xiang asked, “Mom, you went to the Lin Family? How is Old Mrs. Lin Doing?” ”

“Old Mrs. Cen said angrily, “Nothing much. I think she has Alzheimer’s.” ”

“Alzheimer’s?”Zhou Xiang was stunned. “It’s that serious?”

“Old Mrs. Cen nodded as if it was a serious matter, “Deaf, blind, and impervious to salt and oil, how can it not be serious? Xiangxiang, if I Have Alzheimer’s in the future and become as deaf and blind as Zhao fangyue, please don’t show mercy and hit me hard to wake me up!” ”

Zhou Xiang was still immersed in the news of Old Lady Lin Getting Alzheimer’s.

“She was somewhat puzzled. Old Lady Lin was such a shrewd person, how could she get Alzheimer’s?”

...

Lin Jincheng’s car soon stopped in front of the hospital.

The father and son got out of the car and walked into the hospital.

Lin Ze originally thought that Lin Jincheng came to the hospital to hang the surgery department to look at the injuries on his face.

He did not expect Lin Jincheng to come directly to the identification department.

“When Lin Jincheng handed two strands of hair to the doctor, Lin Ze realized what Lin Jincheng was trying to do. He said angrily, “Dad! You Don’t believe my mom?” ”

He did not expect that Lin Jincheng would not believe ye Shu!

“When he thought of the nineteen years ye Shu had waited for him, Lin Ze felt very uncomfortable! ”

“Lin Jincheng’s voice was very calm. “It’s not that I don’t believe your mom, but I want to give your mom an explanation.”Ye Zao looked so much like him. How could he not believe ye Shu? ”

“He was already very regretful now. At that time, he did not understand the truth and misunderstood ye Shu.”

He and ye Shu missed nineteen years because of the misunderstanding.

“For the rest of his life, Lin Jincheng did not want to see ye Shu suffer a little bit of injustice. ”

“This matter started because of a paternity test, but also because of the end of the paternity test. Old Lady Lin was stupid and stubborn. Without the paternity test, she would not believe that ye Shu did not cheat!”

Chapter 508: 131: the misunderstanding from back then was cleared up. It turned out that ye Zhuo was his flesh and blood! 7

That was why Lin Jincheng had brought his hair to be examined at the first moment. He had to use the facts to Tell Old Lady Lin that there was still a biological granddaughter in this world who shared the same bloodline as her!

“Ye Zhuo was the granddaughter of the Lin family, the biological granddaughter, the only granddaughter!”

“Lin Ze frowned, not understanding Lin Jincheng’s words.”

“It was clearly Lin Jincheng who had brought his hair to be examined, so why did he say that he wanted to give ye Shu an explanation?”

“Lin Jincheng looked at Lin Ze. “Ah Ze, come with me.” ”

Lin Ze followed Lin Jincheng’s footsteps.

The father and son walked to the resting area.

“Lin Jincheng continued, “Actually, I went to Yun Jing to look for your mother last year, but at that time, your sister wasn’t your sister.” ”

Your sister wasn’t your sister?

Lin Ze was even more confused.

“What do you mean?” Lin Ze narrowed his eyes.

“Lin Jincheng spoke slowly, “When you and your sister were born, your grandmother didn’t expect that your mother was pregnant with twins, so she only carried you away. However, your sister was carried by a nurse and another child wrongly in the hospital! “Last April, when I went to Yun Jing, your sister hadn’t switched back with the child that she carried wrongly, so your grandmother and I misunderstood your mother... .. And your grandmother went to the doctor, and the Doctor said that fraternal twins can have different fathers . . . .” ”

“Speaking of this, Lin Jincheng’s voice all choked up. ”

He thought he was so stupid.

Why didn’t he ask ye Shu directly!

Lin went on to say:

“I did it to prove to your grandmother and the world that your mother has never done anything to me! She’s a good woman! I Can’t let them misunderstand your mother! I want to bring your mother and your sister to our house openly!”

Lin Ze didn’t expect there to be a misunderstanding.

No Wonder Old Mrs. Lin kept saying that ye Shu was promiscuous...

Lin Ze sighed in his heart.

“Initially, Lin Ze was still blaming Lin Jincheng for not believing ye Shu. After hearing Lin Jincheng’s words, Lin Ze suddenly felt no anger in his heart. ”

The capital hospital had the most advanced appraisal equipment in the world.

The results were out five hours later.

“Seeing the appraisal results, Lin Jincheng was not surprised at all. He took the appraisal report back to the Lin family home.”

Old Mrs. Lin was still lying on the bed.

Feng Qianhua was in the room with old Mrs. Lin.

“Seeing Lin Jincheng and Lin Ze return, Feng Qianhua looked up at Lin Jincheng and tried her best to act as if nothing had happened. “Brother Jincheng.” ”

“Now that things had come to this, she could not show the slightest bit of blame for Lin Jincheng’s behavior.”

She wanted to retreat in order to advance and make Lin Jincheng feel guilty.

“As long as Old Lady Lin was around, she was not afraid that Lin Jincheng would not apologize to her.”

“At that time, she would still be the mistress of the Lin family.”

Feng Qianhua did not think that Lin Jincheng had the courage to look for ye Shu.

“After all, Ye Shu had cheated on him before. No man would not mind being cheated on by the woman he loved the most.”

“As long as Lin Jincheng did not look for ye Shu, he would never find out that he had the wrong child.”

Old Mrs. Lin sat up from the bed and pointed at Lin Jincheng. "Unfilial son! You still know to come back! Quickly apologize to Qianhua! Ask her to forgive you!"

"Lin Jincheng looked at Old Mrs. Lin and his tone was a little cold. "Aren't you the one who should apologize? If you didn't ask Secretary Zhang to secretly change the diary, my memory would be messed up and I would mistake her for a Shu?" "

Ah Shu?

"Hearing these two words, Feng Qianhua's heart turned cold and her face turned slightly pale. "

Lin Jincheng called Ye Shu Ah Shu?

Ah Shu!

"She had waited for Lin Jincheng for so many years, but Lin Jincheng had never called her so intimately. "

Not even once!

Not even once!

What right did she have to that B \* Tch ye Shu?

"Feng Qianhua clenched her fingers tightly, her whole body trembling slightly. She wished she could tear ye Shu apart. "

"Old Mrs. Lin looked up at Lin Jincheng, she said angrily, "So what if I asked someone to change your diary? You and Qianhua are supposed to be a couple! The two of you are a match made in heaven! Ye Shu is a promiscuous woman. What right does she have for you to treat her like this? ! Is Ye Shu Worthy?" "

“Lin Ze finally found his mother with much difficulty. He could not tolerate anyone saying anything bad about ye Shu. “My mother is not promiscuous. Grandma, you have misunderstood her!” ”

“Shut up!” Old Mrs. Lin glared at Lin Ze.

“Lin Jincheng tried his best to calm himself down. “Mom, you’ve really misunderstood Ah Shu. Ah Shu didn’t betray me from start to finish. That child is mine too!” ”

“”What did you say?” Old Mrs. Lin was furious when she heard this. “You mean you want to admit that bastard? It’s not enough to be a green bastard, but you still want to be that bastard’s father?” ”

Be that bastard’s father?

“As long as she was still alive, Lin Jincheng could forget about it! ”

“”That’s my daughter! She’s not some bastard!” Lin Jincheng took out an appraisal report from his bag, he handed it to Old Lady Lin, “Mother, calm down and listen to me!”! Actually, from the beginning to the end, we had all misunderstood Ah Shu. Back then, in Yunjing Hospital, a nurse had carried the wrong child. Ah Shu’s and my child had been carried by the MU family for eighteen years, while Ah Shu’s child was the Mu family’s. It was only in July last year that the lives of the two children had finally returned to normal! Thus, the Ye Yourong we saw in April was not ah Shu and I’s child at all. Only Ye Zao was my daughter, Ah Ze’s biological sister, and also your biological granddaughter... ..”

Old Lady Lin held the appraisal report and was stunned.

Feng Qianhua was also stunned.

“She had never imagined that Lin Jincheng would not only recover his memories, but also find ye Shu and resolve this misunderstanding. ”

How could this be?

How could this be?

“Ye Shu came back, then what about her?”

Chapter 509: 132: biological granddaughter! Feng Qianhua broke down and began to investigate the incident! 1

Feng Qianhua never dreamed that Lin Jincheng would suddenly think of looking for ye Shu.

Did he not care at all about ye Shu’s previous infidelity?

Lin Jincheng could even forgive ye Shu’s infidelity.

Then what was nineteen years of waiting for her?

Was her sincerity not worthy of being taken seriously by him once?

Feng Qianhua felt as if she could hardly breathe.

It was very uncomfortable.

“Before this, Old Lady Lin had always refused to accept ye Shu because the child was not part of the Lin family. Now that the truth was out, would old lady Lin still refuse to accept ye Shu as before?”

Would she still have a reason not to accept ye Shu?

What should she do now?

“Feng Qianhua clenched her fists so tightly that she was on the verge of collapse, but she still tried her best to calm herself down.”

She could not panic.

She could not panic now!

The position of the matriarch of the Lin family could only be hers.

No one could snatch it away!

Old Lady Lin raised her head to look at Lin Jincheng. Her eyes were filled with scrutiny as she angrily threw the appraisal report to the ground. “Do you really think I’m Old and muddle-headed? You still want to use a fake report to deceive me!”

Old Lady Lin did not believe that Ye Shu had not cheated on her!

“After all, she had seen Mu Yourong with her own eyes before.”

She was the one who had personally taken the appraisal report!

“Moreover, Ye Shu was so beautiful.”

“It was said that a beautiful woman would bring disaster to others. Ye Shu was so beautiful, so how could she be a good woman who kept to herself?”

This was clearly Lin Jincheng colluding with that woman to lie to her together!

Did she really think that she was a fool?

How could she be deceived by them?

“Seeing Old Lady Lin like this, Feng Qianhua narrowed her eyes and hurriedly picked up the report, she said gently, “Aunt Lin, please calm down. I’ve Long said that Sister Ye Shu isn’t that kind of casual person! Brother Jincheng wouldn’t use such a thing to deceive you. Perhaps, he really carried the wrong child! When you went to Yun Jing previously, the children of the two families hadn’t been switched back yet, so the paternity test report doesn’t support that the child and brother Jincheng are father and daughter.””

“Old Mrs. Lin looked at Feng Qianhua, her eyes filled with heartache.”

“This silly child. At this time, she was actually still speaking up for ye Shu.”

Couldn’t she think for herself?

“Lin Jincheng asked his assistant to take out a photo and handed it to Old Mrs. Lin. “If you don’t believe the report, you can take a look at this.””

Old Mrs. Lin took the photo.

“The girl in the photo was wearing a military uniform. She looked back at the crowd and smiled. She was like a green flower in the army. Her cold beauty carried a valiant and heroic bearing. Her phoenix-like eyes were bright and beautiful. Her skin was as white as jade. Her lips were red and her teeth were white, the crowd behind her became her background.”

“Although Old Mrs. Lin didn’t want to admit it, the girl in the photo indeed looked like Lin Jincheng.”

She also looked a little like Lin Ze.

Could it be that this girl really had the Lin family’s bloodline?

“After a long while, old madam Lin finally found her voice. She raised her head and looked at Lin Jincheng. “She, she, she is really the Lin family’s flesh and blood?” No matter how ruthless old Madam Lin was., she could not ignore the Lin family’s flesh and blood.”

““Yes.” Lin Jincheng nodded firmly and continued, “Mother, I plan to bring the mother and daughter back.””

““Them?” Old Lady Lin looked at Lin Jincheng, her eyes full of anger. “What do you mean?””

““I mean it literally,” Lin Jincheng replied.”

“Old Lady Lin instantly became angry again. “What about Qianhua? Don’t forget, Qianhua is now your fiancée!””

““The engagement party has been canceled. I have nothing to do with her!” Lin Jincheng looked at Old Lady Lin. His voice sounded calm, but it was actually turbulent, “Whether you agree or not, I will bring the mother and daughter back!””

“Old Lady Lin said, “The Lin family’s flesh and blood naturally can not be left outside. I did not say that I would not bring the child back! But Ye Shu can forget about stepping into our Lin Family!””

“Old Lady Lin now hated ye Shu. If it were not for ye Shu, the mother and son relationship between him and Lin Jincheng would not have become like this.”

A woman like ye Shu still wanted to marry into the Lin Family?

Dream On!

““I’m informing you now, not discussing it with you.” After saying this, Lin Jincheng turned and left.”

Lin Ze glanced at old madam Lin and turned to leave with Lin Jincheng.

“Feng Qianhua looked at Lin Jincheng’s back as if she wanted to say something, but in the end, she didn’t say anything.”

It was better to speak less than to talk more.

Especially at such a tense time.

“Jincheng! Stop Right There!”

Chapter 510: 132: a biological granddaughter! Feng Qianhua broke down and began to investigate the incident back then! 2

Lin Jincheng turned a deaf ear.

Old Lady Lin was so angry that her breathing quickened and she felt extremely uncomfortable.

Unfilial Son!

“No wonder people said that one would forget one’s mother after marrying a wife. Now, Ye Shu had not entered the house yet and Lin Jincheng was treating her like this. If Ye Shu entered the house, what would happen to him? Without even thinking about it, it was obvious that ye Shu must have instigated something behind the scenes!”

Slut!

“If it was Feng Qianhua, she would definitely not gossip in front of Lin Jincheng.”

“Feng Qianhua had her education, education, upbringing, and family background. Other than being able to sow discord and gossip, what else would ye Shu Do?”

No!

She must not allow such a woman to enter the Lin family.

“She had already drunk the health-preserving soup, but old Mrs. Lin could not help but cough loudly.”

“Feng Qianhua quickly sat down to soothe Old Mrs. Lin, “Aunt Lin, brother Jin Cheng did not do it on purpose. Don’t be angry. It was not easy for him to find his biological daughter, so it is normal for him to be emotional. After all, she is his biological daughter.””

“”But I’m still his biological mother! Without me, would he be where he is now?”Old Mrs. Lin was heartbroken. “How did this child become like this? He can’t tell the good from the bad! He mistook a broken shoe for a treasure!””

“Feng Qianhua continued to persuade Old Mrs. Lin, “Aunt Lin, don’t say that. Sister Ye Shu isn’t that kind of person. It was because she carried the wrong child that there was such a big misunderstanding. No matter what happens to that child, she’s still your biological granddaughter, brother Jin Cheng’s biological daughter.””

“This sentence made old madam Lin realize that something was wrong. She looked up at Feng Qianhua. “What’s wrong with that child? Qianhua, are you hiding something from me?””

“Feng Qianhua smiled and said, “No, you’re thinking too much.””

Old Madam Lin grabbed Feng Qianhua’s hand. “Qianhua! Tell me honestly! What’s wrong with that child! ?”Her instincts told her that this matter was very abnormal!

There must be something wrong with that child.

“Feng Qianhua said with some difficulty, “My family has a relative in Yun Jing. I’ve heard of that child before, but at that time, I didn’t know that she was brother Jin Cheng’s biological daughter...””

“Speaking up to this point, Feng Qianhua became more hesitant and her expression was somewhat meaningful.”

Old Madam Lin was extremely anxious and her face turned pale. “Hurry up and tell me! What’s going on?”

“Feng Qianhua said hesitantly, “Actually, this matter is not a secret in Yun Jing. You can get someone to inquire about it...””

“Old Mrs. Lin shouted, “Butler!””

The Butler walked in from outside.

“Old Mrs. Lin continued, “Go and investigate! Find out what’s going on with that child in Yun Jing!””

“Okay.”The butler nodded.

Feng Qianhua’s eyes flashed with mockery.

“If Old Lady Lin were to find out that her biological granddaughter was an idiot who knew nothing and had a bad reputation in Yun Jing, what would Old Lady Lin Think?”

Would she still acknowledge Ye Zhuo as her granddaughter?

“After all, compared to Feng Qianxian, Ye Zhuo was just a scumbag!”

She couldn't even compare to a strand of Feng Qianxian's hair.

Feng Qianhua felt that her decision back then was not wrong. She only regretted not adding more medicine back then.

Now she was just an idiot.

She should have made an idiot out of an idiot!

"With this in mind, Feng Qianhua narrowed her eyes. A vicious glint flashed across her eyes and disappeared in a flash."

"Old Lady Lin was an extremely shameless person. She wanted to be first in everything. It was obvious with her toes. Compared to the extremely stupid Ye Zao, she would definitely choose the outstanding Feng Qianxian!"

"Soon, the butler came in with the information he had found."

"Old Lady Lin was furious when she saw the information. She was a stubborn idiot who could not read a few words and knew nothing. Compared to Feng Qianxian who was good at everything, Ye Zhuo did not even have the right to give her the foot-washing water!"

"Feng Qianxian was a talented woman, Chang 'e in the middle of the Moon. Ye Zhuo could not even be considered a mud ball."

Having such a granddaughter was worse than not having one.

It was simply a disgrace!

"But just because she had a piece of identification paper, she didn't even have a reason to refuse."

Old Lady Lin was so angry that her facial features were about to turn ferocious. “Ye Shu that B \* Tch! She actually taught my biological granddaughter to be like this! What right does she have to be a mother!”

“If a daughter didn’t teach, it was a mother’s fault.”

“In Old Lady Lin’s eyes, this was ye Shu’s fault.”

Ye Shu was not worthy of being a mother at all.

Old Lady Lin’s reaction was within Feng Qianhua’s expectations. She quickly comforted her:

“”It’s said that knowledge determines one’s horizon. I heard that Sister Ye Shu’s educational level is not high. You Can’t blame her for not teaching her child well. As a mother, who doesn’t want their children to become successful? She has no choice!””
