Chapter 511: 132: a biological granddaughter! Feng Qianhua broke down and started to investigate the incident! 3

“Feng Qianhua sighed when she said the last sentence. It seemed like she was explaining for Ye Shu, but in fact, she was belittling ye Shu.”

“Old Mrs. Lin was very glad that Lin Ze had grown up by her side. If Lin Ze had grown up by Ye Shu’s side, he would have been crippled long ago!”

Dragons give birth to dragons and phoenixes give birth to phoenixes. The son of a mouse could dig holes.

How could a woman like ye Shu teach a child well?

Even the best child would be raised askew by her!

“However, although Lin Ze had grown up by her side, Lin Ze still sided with Ye Shu and did not put her in his eyes at all.”

He did not even think about who had raised him and who had raised him to be a talent!

Did all of this have anything to do with ye Shu?

She had no conscience!

She had no conscience at all!

“Thinking of this, Old Madam Lin felt that Lin Ze was inferior to Feng Xianxian.”

“She hadn’t raised Feng Xianxian for a day, but Feng Xianxian still treated her like her own grandmother. Her own grandson, whom she had raised with her own hands, had fallen out with her. He had gone to acknowledge a woman who hadn’t raised him for a day and still had to acknowledge her as his mother.”

Wasn’t that sarcasm?

Old Lady Lin was both angry and angry.

“Feng Qianhua continued, “Aunt Lin, don’t think too much. That child is only nineteen this year. As long as you raise her properly now and discipline her a little more, there will still be a chance for her to become successful.” ”

“After saying that, Feng Qianhua continued, “She’s still a girl after all. If it really doesn’t work out, she can just marry off as soon as possible.” ”

“If she were to marry off her daughter, would it have anything to do with the Lin family at that time? ”

Want to sit firmly in the position of the Lin family’s eldest daughter?

Sit In her big dreams!

“She’s just a piece of trash. When that time comes, it would still be up to them to decide! ”

“Hearing this, Old Madam Lin’s eyes lit up. ”

It had to be said that Feng Qianhua’s words had hit the nail on the head.

That’s right.

“At worst, she could just find a random family to marry off to. At this moment, Old Madam Lin was already thinking of a suitable family. ”

“Old Madam Lin held Feng Qianhua’s hand tightly. “Qianhua, don’t worry! In My Heart, you’ve always been my daughter-in-law! You’ve waited for Jin city for nineteen years. I’ll definitely make Jin City give you an explanation.” ”

“In this family, only Feng Qianhua and her mother were still on the same side as her. Therefore, she would definitely make Feng Qianhua become the daughter-in-law of the Lin family. ”

“Feng Qianhua smiled and said, “I am already very happy to see Jin city happy. Aunt Lin, I don’t need any explanation. “Although my engagement with Jin city has been canceled, you have always been my mother in my heart. No matter what, I will always treat you as my biological mother.” ”

“After hearing this, Old Mrs. Lin was very touched and her eyes were red. ”

Feng Qianhua was such a filial person.

Why couldn’t Lin Jin city see how good Feng Qianhua was?

Why couldn’t a good woman meet a good man?

How could a person like ye Shu be worthy of Lin Jin City?

“After chatting with old Mrs. Lin for a while, Feng Qianhua proposed to leave. Old Mrs. Cen asked Auntie Zhang to send Feng Qianhua off. ”

“Aunt Zhang sent Feng Qianhua off. As soon as she walked out of the door, the smile on her face disappeared. “Qianhua, what do you plan to do next?” ”

It was already dark outside. The darkness covered the viciousness in Feng Qianhua's eyes. Her gaze landed not far away. "Let's wait and see."

Ye Zhuo was a good-for-nothing. Ye Shu had not even graduated from junior high school. How could these two people be qualified to be the eldest daughter of the Lin Family? How could they be qualified to be the mistress of the Lin Family?

Ye Shu could not defeat her nineteen years ago.

"Nineteen years later, she still lost to her! "

"Aunt Zhang narrowed her eyes. "Fortunately, we held back back back then. Otherwise, we wouldn't have been able to deal with the mother and daughter when they came back."After all, dealing with an idiot was much easier than dealing with a normal person. "

"I have to thank you for that. If it weren't for you, I might not have thought so much."Feng Qianhua looked at Aunt Zhang gratefully. "

"Aunt Zhang smiled and said, "Experience is all summed up. You Were Young at that time, so it's normal that you didn't think it through thoroughly. As long as you didn't leave yourself with any regrets, it's fine." "

"Feng Qianhua sighed. "It's a pity that I didn't pay attention to this matter at that time. If I had known earlier, I would have completely turned that bastard into an idiot." "

"A man's heart is not enough."Aunt Zhang patted Feng Qianhua's hand. "As long as you know that the Little Bastard is an idiot, you'll be fine." "

What was the difference between a good-for-nothing and an idiot?

Feng Qianhua nodded.

“Aunt Zhang continued, “During this period of time, you should rest well at home. Don’t think too much. The old lady has me here. You Don’t have to worry.” ”

Chapter 512: 132: a biological granddaughter! Feng Qianhua broke down and started to investigate the incident back then! 4

“Okay.”Feng Qianhua nodded. “Then I’ll have to trouble you.”

“Aunt Zhang smiled and said, “Why are you still telling me that it’s not troublesome?” Aunt Zhang comforted her again. “Qianhua, don’t be too concerned about the engagement party. As long as the old lady’s heart is still on your side, then we still have a chance of winning! “A half-old ye Shu with a little bastard doesn’t pose a threat to you at all. In this world, even after getting married, you can still get a divorce. You’ve waited for nineteen years. Are you still afraid of this one and a half years?” ”

“”I know.”Feng Qianhua continued, “It’s getting dark. You can drop me off here.” ”

Aunt Zhang stopped in her tracks and instructed Feng Qianhua to drive carefully.

“Perhaps it was because old madam Feng had instructed her to, after returning to the Feng family, Feng Qianhua did not receive any ridicule from the four sisters-in-law. ”

Feng Xianxian was practicing her tea ceremony in the teahouse.

Feng Qianhua pushed the door open and entered. “I saw Old Madam Cen today.”

Feng Xianxian nodded.

“How do you feel?”

Feng Xianxian put down the cup in her hand. "I feel that old Madam Cen's first impression of me is quite good. She even smiled at me!"

"Hearing this, Feng Qianhua was very satisfied."

"One had to know that the old Mrs. Cen was not an easy-going old lady. In the circle, no young lady from any family could win the favor of old Mrs. Cen."

And no one could make old Mrs. Cen happy.

Feng Qianqian was the first.

1

"After saying this, Feng Qianqian continued to ask, "Mom, did uncle Lin tell you why he suddenly canceled the engagement? When will you two hold the engagement party again?" "

Feng Qianqian was very concerned about this matter.

"After all, it was related to when she could change her surname."

"Although she was now publicly acknowledged as the eldest daughter of the Lin family, she was still a little lacking compared to the legitimate one."

"Feng Qianhua looked at Feng qianqian and said slowly, "Your uncle Lin has already found that little bastard." "

What?

Found Him?

“Feng Qianqian was stunned and her face turned pale. “Mom, what did you say?” ”

“If Lin Jincheng found his biological daughter, what would she do?”

She was the eldest daughter of the Lin Family!

That Bastard had disappeared for 19 years. Why would he come back?

“Feng Qianhua continued, “But you don’t have to worry too much. That Bastard is a famous waste in Yun Jing City. He’s also a joke that everyone talks about after dinner. He can’t be compared to you.” ”

“It’s actually a good thing for you to have her back.”

The good and the bad had to be compared.

“Feng Qianqian was already outstanding enough. If she were to bring back a trash who didn’t know anything, it would make Feng Qianqian even more outstanding. ”

“When that time came, the outside world would think that Feng Qianqian was more suitable to be the Lin family’s eldest daughter than the real eldest daughter of the Lin Family! ”

“Meanwhile, Lin Jincheng’s impression of ye Shu was still stuck at 19 years ago. ”

“19 years ago, Ye Shu was already a little girl. Now, Ye Shu was already a middle-aged woman. In addition, Ye Shu was also a person who didn’t have any knowledge or education and couldn’t even distinguish 26 English letters. Lin Jincheng was well-informed and knowledgeable, it was impossible for him to have any common language with ye Shu! ”

“Perhaps, in a few days, Lin Jincheng would dislike ye Shu. ”

Ye Shu was just a vulgar village woman. She wasn't worthy of Lin Jincheng at all.

"At that time, Lin Jincheng would realize that only she and he were a match made in heaven!"

A pair made from the earth.

"Hearing Feng Qianhua's words, Feng Xianxian felt a lot better. The corners of her mouth curled up into a smile. "Mom, you're right! A Little Bastard can't compete with me in anything. What can he use to fight me?" "

"Feng Qianhua continued, "The Lin family will definitely hold an identification ceremony in the next few days. Remember to make preparations." "

"Judging from Lin Jincheng's intentions, Feng Qianhua knew that an identification ceremony was definitely necessary. "

"At the identification ceremony, it was the best time for Feng Qianqian to step on Ye Zao. "

"Okay." Feng Qianqian instantly understood what Feng Qianhua meant.

"If she remembered correctly, Lin Ze hated dealing with girls, and he disliked his sister even more. "

"When that time came, the family identification party would definitely be very lively! "

"That Little Bastard, if he wanted to secure his position as the eldest daughter of the Lin family, he probably wouldn't even be able to get past Lin Ze. "

Feng Xianxian had grown up with Lin Ze since young. She knew Lin ze too well.

Lin Ze wasn't a good brother!

“If Lin Ze was willing to accept his sister, Feng Qianhua would have married into the Lin family a long time ago. ”

“She had also become the eldest daughter of the Lin family a long time ago. Even though she was so outstanding, she still couldn’t get Lin Ze’s approval. How could that little bastard who didn’t know anything do it? ”

Feng Xianxian couldn’t wait for the family reunion to come earlier.

Chapter 513: 132: a biological granddaughter! Feng Qianhua broke down and started to investigate the incident back then! 5

“When the time came, the scene would definitely be spectacular! ”

Perhaps Lin ze would recognize her good qualities and choose her as his younger sister.

1

...

Lin family.

“Lin Jincheng was arranging for someone to redecorate the third floor. Although ye Shu had yet to give him a clear answer, regardless of the outcome, he had to prepare a room for the mother and daughter at home. ”

“Lin Jincheng looked at the renovation design and asked Lin Ze, “Ah Ze, what do you think about giving this room to your sister as a bedroom? “If you think it’s good, then I’ll get someone to open up the

empty room next door to your sister's cloakroom. If she likes to raise flowers and small animals, then we'll leave a small room here. Then, we can put a piano here and place some antiques here...". ... .."

Lin Ze stood at the door of the room and nodded. "I think it's fine."

"Lin Jincheng scratched his head and continued, "Then, the only thing left is the color scheme. I don't know what colors girls like to decorate." Lin Jincheng had never raised a daughter before. Other than his four older brothers, he didn't have any other sisters, he didn't even have a niece. Naturally, he didn't know what little girls liked these days. "

"HMM, Pink?" Lin Ze was the same. He didn't like to interact with girls since he was young, so he didn't know what to do when he suddenly had a sister. "

"Lin Jincheng frowned. "But I don't think your sister is the kind of little girl who likes Pink, right?" "

"I think so..." Lin ze recalled the style of ye Zhuo's clothes every time he saw her. "Why don't we use black and white? Try to keep it simple. When the time comes, we can let the designer change what she likes." "

"Lin Jincheng nodded and felt that Lin Ze's plan was very feasible, so he took the design to consult with the designer. "

"Looking at the busy Lin Jincheng, Lin Ze silently opened the mobile phone search engine, search:"What does sister like?"? An album "

“There were all kinds of strange answers on the Internet. The more Lin ze read, the more fascinated he became. His beautiful eyebrows furrowed slightly. After reading for more than an hour, Lin Ze closed the web page, opened wechat, and sent a message to the group. ”

[ I'm going to have a sister. ]

The originally quiet group was awakened by this message.

“Dog Two: [ F \* ck! Brother ZE, ARE YOU SERIOUS? ] ”

“Dog Two: [ brother Ze, stop joking. ] ”

Fat Tiger: [ bragging! ]

Li Wen: [ ... this joke is outdated. ]

The three of them felt that Lin Ze was joking with them.

“Although they felt that ye Zhuo indeed looked like Lin Ze, there was no such thing as a coincidence in this world.”

Lin Ze: [ bring her out to introduce you to her some other day. ]

Fat Tiger: [ screenshot. ]

Dog Two: [ screenshot. ]

Lin Ze looked at his phone screen and a faint smile appeared on his face.

“At this moment, a doctor walked in from outside. “President Lin, it’s time to take your medicine.” ”

“Lin Jincheng’s health was still very poor. After experiencing great sorrow and joy for the past few days, he was much worse. On average, he would take his medicine every three hours or so. ”

“At night, he also had to rely on medicine to fall asleep. ”

...

“On the other side, at the Ye residence. ”

Ye Shu did not sleep the entire night.

“The next morning, her dark circles were a little heavy. ”

“Ye Zhuo picked up a glass of milk. “Mom, did you not sleep well last night?” ”

“Ye Shu nodded. Compared to before, Ye Shu’s smile was also much less. ”

“Right now, it was as if she was standing at a fork in the road in her life. She did not know what to choose at all. ”

She had missed out on nineteen years with Lin Jincheng. was there really still a chance?

“But when she thought of Lin Ze, her heart softened. ”

“No matter what happened between adults, children were always innocent. ”

“In the first nineteen years, she did not fulfill her responsibility as a mother, nor did she let Lin Ze enjoy the love of a mother. ”

“For the rest of her life, she wanted to make it up to Lin Ze. ”

“Seeing ye Shu like this, Ye Sen wanted to say something, but in the end, he did not say anything. His mouth was stupid, and he had little experience in relationships. He had even been lied to twice in a row, if he brought ye Shu into the ditch, it wouldn’t be worth it. ”

Chapter 514: 132: a biological granddaughter! Feng Qianhua broke down and started to investigate the incident back then! 6

“Ye Zhuo saw through ye Shu’s worries. “Mom, you don’t know what to choose?” ”

Ye Shu looked at Ye Zhuo and nodded.

“Just follow your heart.” Ye Zhuo smiled, “Don’t feel pressured. No matter what choice you make, I will support you! “If you don’t want to accept him, then we can continue living our lives. We don’t have to look at each other’s opinions. We can still live well without them! “If you are willing to accept him, then I will be very happy to have a brother and a father.” ”

Ye Shu now lacked a spiritual guide.

“Otherwise, she would forever be trapped in her inner world, in a dilemma. ”

“Ye Shu did not expect ye Zao to be so calm. She asked in surprise, “Zao Zao, do you really think so?” ”

“Ye Zao nodded with a smile. “Of course. When have I ever lied? It’s because you think things are too complicated.” After saying that, Ye Zao looked at ye Sen. “Uncle, do you want to have a big nephew?” ”

Ye Sen nodded. “Ah Ze is quite good. I like him very much.”

“Ye Zao bit the straw and turned to look at Ye Shu, “Mom, life is so long. No matter what, we should live for ourselves. There are all kinds of things in this world, but there is no medicine for regret. “No matter what choice you make, as long as you don’t regret it in the future, it’s the best choice!” ”

“Hearing that, Ye Sen immediately gave ye Zao a thumbs up. ”

That’s great!

This niece of his could always remain so clear-headed no matter what.

“Ye Zao’s words woke her up from her dream, and Ye Shu instantly felt much more relaxed. ”

She thought that she already had the answer in her heart.

“Thank you, Zao Zao.” Ye Shu walked over and hugged ye Zao. ”

“Although ye Zao was not old and was still a child in her teens, most of the time, she was wiser than an adult with rich social experience! ”

“Ye Zao smiled and said, “Mom, you didn’t Sleep well last night. After breakfast, go to sleep. Don’t think about the rest and just follow your heart.” ”

Ye Shu nodded and smiled.

...

Three days passed quickly.

“Early in the morning, Lin Jincheng brought Lin Ze to the ye family with flowers in his hands. ”

“Mom.” Lin Ze was not a talkative person. In the Lin family, he could keep not calling Old Mrs. Lin for a day, but when he saw ye Shu, he could not control himself. ”

Calling her ‘Mom’ was almost subconscious.

“Ah Ze.” Seeing Lin ze again, ye Shu’s eyes reddened. ”

Nineteen years.

They had been separated for nineteen years.

“Before this, she didn’t even know that she had a son in this world. ”

Lin Ze walked over and hugged ye Shu.

“Seeing the mother and son like this, Lin Jincheng felt a little uncomfortable. He turned his head to look at the other side and tried to hold back his tears.”

“Ye Zhuo walked out of the kitchen with milk in his hands. “Dad, brother, you haven’t had breakfast yet, right? Sit Down and have breakfast with us first.” ”

At this moment.

Lin Jincheng was stunned.

Lin Ze was also stunned.

No one had expected ye Zhuo to suddenly change his words.

She had clearly not shown how much she welcomed them the last time they were at the Ye family home.

Lin Jincheng could not help but tear up.

Ye Sen walked in from behind and patted Lin Jincheng on the shoulder. “Don’t Cry! How can a grown man always cry like that? Let’s eat. Let’s talk after we finish eating.”

““Yes, yes.” Lin Jincheng smiled and said, “Let’s eat. Let’s eat first.” ”

The family of five sat together and ate.

“This was clearly the first time their family had sat at the same table to eat. However, that kind of tacit understanding made them feel like family members who had lived for many years.”

“Lin Jincheng picked up an egg and slowly peeled the shell. Then, he ate the egg yolk and put all the egg whites into ye Shu’s bowl. ”

“When he was with Ye Shu, Ye Shu was still a little picky eater. ”

“She didn’t eat ginger, carrots, onions, or egg yolks. Every time, he ate the egg yolk. ”

He looked at the egg whites in the bowl.

It would be a lie to say that ye Shu didn’t feel anything at all.

She didn’t expect that Lin Jincheng would still remember her childhood habits after so many years.

“If it weren’t for Lin Jincheng, she might have forgotten that she used to be picky with her food. ”

“After dinner, Lin Jincheng took the initiative to clear the table and wash the dishes. ”

Ye Shu walked to his side. “There’s a dishwasher at home. Just put it in The Dishwasher.”

Chapter 515: 132: a biological granddaughter! Feng Qianhua broke down and began to investigate the incident back then! 7

Lin Jincheng nodded.

“The kitchen was not big. After placing all the dishes into the dishwasher, Lin Jincheng continued to speak, “Ah Shu, come back with me! In the future, I will never let you mother and daughter suffer any grievances. If my mother makes things difficult for you, then our family will move out to Live!” ”

“Although ye Shu had never met Old Mrs. Lin, she did not have a good impression of her.”

“If Old Mrs. Lin had not secretly carried Lin ze away, they would not have been separated for so many years!”

“I want to ask for Zhuozhu’s opinion,” ye Shu replied. ”

“Of course.”

“After coming out of the kitchen, ye Shu found ye Zhuozhu and asked for her opinion. ”

“Ye Zhuozhu smiled and said, “Go back! Of course I have to go back!” ”

“Although Old Lady Lin was very scary and was not an easy person to get along with, it was not a good idea to keep running away.”

Who knew how many more years she would have to live? Could it be that their family had been hiding from this old lady for the rest of her life?

They definitely had to think of a way to get rid of her once and for all.

Ye Zao had never been a person who was afraid of trouble.

“Moreover, Old Lady Lin had carried Lin ze away without saying a word, indirectly causing ye Shu to suffer for so many years. She really wanted to see what kind of old lady this was and whether she would suffer retribution in the future!”

“On the other hand, Ye Zhuo also did not believe that Old Lady Lin alone could do so many things.”

She now suspected that Old Lady Lin definitely had people around her who had ideas and plans.

“Even carrying the wrong child was their handiwork. When she had just transmigrated, Ye Zhuo felt that the original owner’s mind was not quite the same as a normal person’s. Her brain should have been corroded by some medicine.”

She had to investigate all of this. She couldn’t let the original owner and ye Shu suffer for so many years for no reason.

Ye Shu was no longer the ye Shu of the past. She was someone who was so fierce that she dared to chop off her own fingers. Ye Zao didn’t have to worry about ye Shu being bullied by Old Lady Lin at all.

“Okay.” Ye Shu nodded. “Then I’ll go tell your father now.”

Ye Shu went to the kitchen. “Zaluo has agreed to go back with us.”

“Hearing this, Lin Jincheng was extremely excited. He wanted to hug ye Shu, but he didn’t dare. “Ah Shu, thank you and Zaluo! I’ll definitely hold a grand family recognition banquet for you and your daughter!”

“The wealthy families paid the most attention to ceremonies. If they didn’t even hold the most basic family recognition banquet, then everyone would really wonder if ye Shu and ye Zaluo were shameful.”

“Therefore, not only was this banquet to be held, but it was also going to be a grand event that would be known by the entire city!”

“He had to let everyone know that not only did Lin Jincheng have a wife, but he also had a daughter who was twins with Lin Ze.”

“After washing the dishes and coming out of the kitchen, ye Zao handed Lin Jincheng a bottle of medicine. “If you believe me, stop taking the medicine now and take the Medicine I gave you. Take this medicine three times a day, one pill at a time.””

“Zhuo Zhuo, you studied medicine?” Lin Jincheng was a little surprised. ”

Ye Zhuo’s tone was indifferent. “I know a little bit of medicine.”

“Lin Jincheng nodded. “Okay, father will remember it.” ”

“Although ye Zhuo was young, as a father, Lin Jincheng did not doubt ye Zhuo’s medical skills at all. ”

“Even if ye Zhuo really gave him a bottle of poison, he would still eat every single one of it. ”

“When the outside world learned that the Lin family was going to hold a family recognition banquet, they all sighed. ”

They felt that it was not worth it for Feng Qianhua and Feng Xianxian.

“That was because, compared to Feng Qianhua, Lin Jincheng’s wife was a vulgar country woman. She was uneducated, uneducated, and had no family background. ”

As for his daughter...

“That was even worse. She could not be compared to Feng Xianxian. She had been an idiot since she was young, and it was said that she could not even read Chinese characters. ”

What was the use of recognizing the old and the young?

Was it embarrassing?

Many people accepted the Lin family’s invitation with the attitude of watching a good show.

They wanted to see how the mother and daughter would lose face at the banquet.

...

“At noon, Ye Zhuo arrived at the CEN group.”

“When she arrived, Cen Shaoqing was in a meeting, so ye Zhuo sat at his desk and waited for him.”

In the conference room.

“Cen Shaoqing stood in front of the conference table. He leaned slightly and looked at everyone. He clearly did not say anything, but the pressure in the conference room had dropped to the freezing point.”

The higher-ups did not even dare to breathe loudly.

They were scared.

“After a while, he tapped the table with his fingers. “This is the plan that your planning department has come up with?” ”

The head of the planning department felt a chill on the back of his neck.

Ding —

“At this moment, the phone on the table rang.”

“Cen Shaoqing looked sideways at the phone, and the coldness in his eyes faded a little. He picked up the phone and said, “That’s all for today’s meeting. Dismissed!” ”

“As soon as he said this, Cen Shaoqing had already walked out of the meeting room.”

The higher-ups looked at each other in dismay. They actually felt a sense of ecstasy as if they had escaped death.

“While they were rejoicing, they were also curious. who was the person who sent Master Five a message?”

The influence was actually so great.

There was also that Pink Piglet’s phone case.

When had master five CEN ever had such a young girl’s heart?

Could it be... Master Five’s wife?

“The moment Cen Shaoqing pushed open the office door, he saw ye Zhuo sitting on his boss’s chair with his legs crossed on the office desk.”

His posture... was a little heroic.

“It was the first time Cen Shaoqing had seen such an unscrupulous girl, yet he loved her to the bone.”

“Seeing him enter, ye Zhuo lazily raised his eyelids. “Cen Shaoqing, I want to tell you something.” ”

This tone.

This way.

“Other than ye Zhuo, there was another person who dared to do this in front of Cen Shaoqing?”

Did he want to die?

“I’m all ears.” Cen Shaoqing held the Buddha bead in his hand. “Please enlighten me, leader.” ”

“I found my biological father,” ye Zhuo said slowly. ”

Biological Father?

Cen Shaoqing was stunned.

“Really?”

Ye Zhuo nodded slightly. “Yes.”

“Then...” Cen Shaoqing counted the Buddha bead. “Who is your future father-in-law?”

“Lin family, Lin Jincheng.” ”

Lin Jincheng?

“Cen Shaoqing was stunned again. If he remembered correctly, Lin Jincheng had a son. “Then you and Lin Ze are?” ”

“He should be a younger brother, right?” ”

The kind of half-brother?

“Ye Zhuo said concisely, “He and I are twins.” ”

Brother and sister?

“In that case, not only did ye Zhuo recognize a biological father, but he also recognized an older brother for him?”

An older brother twelve years younger than him?

Chapter 516: 132: it was actually ye Zao. The large-scale face-smacking scene at the banquet began! 1

“His older brother, who was twelve years younger...”

And they were even blood-related!

Dragon and Phoenix Twins!

“When Lin Ze was three years old, there was a time when old Mrs. Lin brought Lin Ze to the CEN family’s house to play. Because Lin Ze was mischievous, he was covered in mud and pounced on him. He picked Lin ze up with one hand and pressed him into the swimming pool to wash up.”

1

“At that time, Lin Ze was crying profusely.”

“Ever since then, Lin Ze seemed to have never come to the Cen family’s house again.”

“Thinking of this, Cen Shaoqing twirled the Buddha beads with one hand, and his expression was inexplicable.”

“At that time, Lin Ze was only three years old.”

“He probably didn’t remember anything, right?”

“After a moment, CEN Shaoqing continued, “Leader, are you sure... that you’re not his sister?” ”

“If Lin Ze was his younger brother, he could still use the attitude of a brother-in-law to educate Lin ze.”

If It’s your brother.

Doesn’t that make him the educated one?

“Ye Zhuo put his left foot on his right foot and changed his position. The sunlight shone in through the French window and shone on her eyes and brows. “If I were his sister, he wouldn’t be the one that old Mrs. Lin took away.” ”

Cen Shaoqing:” ...” does this count as cause and effect?

“If I’d known Lin Ze was gonna be his brother-in-law,.”

He must have worshipped Linzer like an ancestor!

“Cen Shaoqing’s eyes were deep, “So, Uncle Lin’s first girlfriend was Auntie, and the child that old Mrs. Lin took away was Lin Ze? Because you came out later than your brother, so old Mrs. Lin didn’t know that Auntie was pregnant with twins?” ”

“Yes.”Ye Zhuo nodded slightly.

“”Then... did you do an appraisal?”Cen Shaoqing continued to ask, “Are you sure that Lin Ze is your brother?” ”

“Ye Zhuo narrowed his eyes, and his tone was somewhat lazy. “I look very similar to my brother, so it’s unnecessary to do an appraisal.” ”

“So, this was a stone hammer? ”

Cen Shaoqing simply stopped struggling and opened his thin lips. “Auntie is already prepared to accept Uncle Lin Now?”

““Yes.”Ye Zhuo continued, “They plan to hold the family recognition banquet in three days.” ”

Family recognition banquet.

Cen Shaoqing seemed to have thought of something. His eyes changed slightly and he suddenly had the urge to chop off his hands.

He was a person who did not like to join in the fun.

“Therefore, when he received the Special Assistant’s invitation to the Lin family, his first reaction was to reject it. ”

He did not connect Lin Jincheng and ye Zhuo at all.

He also never expected ye Zhuo to be Lin Jin Cheng’s daughter.

“Thinking of this, Cen Shaoqing quickly took out his phone and sent a message to the special assistant. ”

“When the special assistant received Cen Shaoqing’s message, he was also a little stunned. ”

Didn’t master five never attend banquets?

“Moreover, he had already rejected it just now.”

Why did he go back on his word now?

“After contacting the special assistant, CEN Shaoqing heaved a sigh of relief.”

Ye Zhuo leaned against the back of his chair and looked sideways at Cen Shaoqing. “I’m a little thirsty.”

“What would you like to drink?” Cen Shaoqing asked.

“Um...” ye Zhuo thought for a moment. “An Iced Coke.”

“Okay.” Cen Shaoqing stood up and went to get a Coke for ye Zhuo.

Cen Shaoqing’s office had a refrigerator filled with coke and all kinds of desserts.

““Leader, do you want to eat an Ophra?” ”

1

“Yes.”

Cen Shaoqing took a bottle of coke and then another piece of Opella.

“I want to eat two pieces.” Ye Zao’s voice sounded again.

“Okay.” Cen Shaoqing took another piece of Opella.

“Just as Cen Shaoqing walked to ye Zao’s side with the dessert and Coke, there was a knock on the door.”

“Come in.”

“The secretary pushed the door open and walked straight to the desk. “Master Five, there is a document here for you to sign.” ”

“When she raised her head, the secretary was stunned. ”

She saw that the person sitting at the desk was not Cen Shaoqing at all.

“The girl was sitting on a chair, her feet resting on the desk in front of her. She looked like a boss, and behind her stood an assistant who served tea and water. ”

“If he was not mistaken, that assistant was them... ? ... Fifth Master? ”

The Secretary felt that her eyes were blind.

“Otherwise, how could he have hallucinated? ”

“Everyone knew that master five Cen was a territorial person with a strong sense of territory. Usually, no one could take a hit from his things. ”

“Is there anything else?”

A low voice suddenly appeared in the air.

It was not until master five CEN spoke that the secretary was sure that he was not mistaken.

This was really their master five!

“Master five CEN, who was usually serious and aloof, made people’s expressions change when they talked about him.”

“The secretary turned to look at Ye Zhuo again. Other than shock, there was also admiration in her eyes.”

Cen Wu Ye was sitting in his boss’s chair.

1

Her feet were on Cen Wu Ye’s desk.

“She even asked Cen Wu ye to bring her tea and water. However, Cen Wu ye was willing to do it without any complaints.”

Their fifth master’s wife was really amazing!

Chapter 517: 132: it was actually ye Zao. The large-scale face-smacking scene at the banquet had begun!

2

“The Secretary had worked in the CEN group for such a long time, but he had never seen anyone who dared to be so arrogant in front of Cen Wu Ye!”

The secretary gulped. “N-no more.”

Cen Shaoqing unscrewed the cap of the Coke bottle and handed it to Ye Zao. “Leave the documents there. I’ll sign them later. You can go out First!”

“Okay.”The secretary bent down and turned to leave the office.

“Even when she walked out of the office, the Secretary was stunned. ”

“”Xiao Zhu, how is it? Have you seen our CEO’s wife?”A colleague saw Xiao Zhu walk out and asked curiously. ”

Xiao Zhu nodded.

Another two colleagues surrounded her. “Is Miss ye good-looking?”

“Xiao Zhu licked his lips. “I, I didn’t dare to look her in the eye.” ”

“At that time, Cen Shaoqing was standing right next to Ye Zao. How could he dare to look at her? ”

“Look at how useless you are?”

“”If you can do it, you can do it.”After saying that, Xiao Zhang continued, “Everyone says that miss ye is chasing after the CEO. I don’t think that’s the case...” ”

“Could it be that our fifth master is chasing after her?”

“Xiao Zhang nodded very seriously. “To be honest, if I didn’t see it with my own eyes, even I wouldn’t dare to believe it myself.” ”

“Stop joking! Does our fifth master need to chase after her?”

A man like Cen Shaoqing never lacked women.

“As long as he wanted to, with just a flick of his finger, a bunch of people would flock to him.”

He needed to chase after her?

Wasn't this a fantasy?

““I saw it with my own eyes!” Xiao Zhang sat on the office chair and imitated ye Zao's actions just now, “Miss Ye was just sitting there with her feet on the office desk. Master five was standing behind her with a coke in one hand and a dessert in the other! Serving Miss Ye was like serving the empress dowager, Old Buddha Ye!” ”

“You must have mistaken master five for Miss Ye.”

““Yes, I must have mistaken him.” ”

“Seeing that everyone did not believe him, Xiao Zhang's face turned pale with anxiety. The more he explained, the more confused he became. In the end, he simply stopped explaining.”

...

The Ye family.

“These past few days, Old Lady Lin had been lying in bed, but she did not attract the attention of Lin Jincheng because of this.”

Feng Qianhua came to visit Old Lady Lin with a bowl of health-preserving soup.

“Old Lady Lin cried in front of Feng Qianhua, “Disaster! What a disaster! Ye Shu is a disaster! Ever since that day, Jin Cheng has not come to my house for five whole days! I heard that he is going to hold some family recognition banquet, right?” ”

“Feng Qianhua nodded, “Aunt Lin, since things have come to this point, it’s useless for you to be angry. No matter what, Brother Jin City is your child. Do you still want to be angry with your own child? “Now that the boat has sailed, since you can’t change anything, it’s better for you to accept it as soon as possible so that the distance between you and brother Jin city will not deepen.” ”

Old Lady Lin didn’t say anything.

“Feng Qianhua continued, “I say, not only do you have to accept it, but you also have to go out and invite the four brothers and sisters-in-law back. After all, family identification is a big deal! No matter what, you can’t embarrass the Lin family.” ”

The four brothers and sisters-in-law of the Lin family were not simple people.

Would they tolerate an uncultured sister-in-law and an idiot-like niece?

Feng Qianhua wanted everyone to see that.

“Other than her, no one else was worthy of Lin Jin Cheng. ”

“Hearing this, Old Lady Lin was enlightened. ”

Right!

Feng Qianhua was right.

“She and Lin Jin Cheng had the same mother-son relationship. Even if Lin Jin Cheng got married and had children, she was still the old lady of the Lin family. ”

No one could surpass her and climb onto her head!

Let alone that B \* Tch Ye Shu.

“Seeing Old Lady Lin like this, the corners of Feng Qianhua’s lips curled up. She scooped out a bowl of soup and handed it to Old Lady Lin. “Aunt Lin, have some soup first.” ”

“”Qianhua, you’ve really worked hard these past few years.”Old Lady Lin Sighed softly. “This is all my fault. I gave birth to a disappointing son!”If Lin Jin Cheng had worked hard, the Lin family would not be like this.”

“Feng Qianhua smiled and said, “It’s not your fault. It’s not brother Jincheng’s fault. Emotional matters can not be controlled.” ”

Old Mrs. Lin sighed softly again.

“If Lin Jincheng had married Feng Qianhua, it would have been great. ”

Unfortunately.

This child did not know how blessed he was.

“After drinking the soup, Feng Qianhua took a tissue to help old Mrs. Lin wipe her mouth. ”

Old Mrs. Cen was very touched.

“It was said that there was no filial son in front of a sick bed, but Feng Qianhua could come over and take care of her day by day for nineteen years. ”

“Aunt Zhang smiled and said, “Old Mrs. Cen, if people who don’t know you see this, they will think that you and Miss Qianhua are mother and daughter.” ”

Chapter 518: 132: it’s actually ye Zao. The large-scale face-smacking scene at the banquet has begun! 3

“Look at what you’re saying.” Feng Qianhua turned to look at Auntie Zhang. “I’ve always treated Auntie Lin as my biological mother.”

““Old Madam,” the butler walked in from outside. “The old madam of the Feng family is here.””

“Old Madam Lin said, “Then hurry up and invite her in.””

“When she heard this, Auntie Zhang’s expression changed.”

“Feng Qianhua said, “Mrs. Zhang, my throat has been a little uncomfortable recently. Can you please make some snow pears with rock sugar for me? I like what you make. The other stews are not as good as yours.””

“Before Mrs. Zhang could say anything, Old Mrs. Lin smiled and said, “Since Qianhua likes it, then go quickly, Mrs. Zhang! Make some more and bring it to Qianhua.””

“Then I’ll go to the kitchen first.”

“Go.” Old Lady Lin nodded.

Mrs Zhang walked out of the door.

“Before she reached the door, she saw old madam Feng walking in.”

Mrs Zhang lowered her head and quickly walked past Old Madam Feng.

Old Madam Feng frowned.

“Subconsciously, she felt that this person was a little familiar.”

“By the time she calmed down and looked, he had already disappeared outside the door.”

Old Madam Feng turned her head to look outside.

“Seeing her like this, the butler asked, “Old Madam?””

Old Madam Feng then came back to her senses. “Who was that person just now?”

“The butler continued, “It seemed to be Auntie Zhang who was serving the old madam. Do you know her?””

Old Madam Feng shook her head. “I don’t know her. I might have seen her wrongly!”

How could she know a servant!

“Please come in.”The housekeeper made a ‘please’gesture.

Old Madam Feng walked in.

“Seeing old madam Feng come in, Old Madam Lin hurriedly sat up from the bed. “Elder sister, you’re here. Take a seat!””

Old Madam Lin originally thought that old madam Feng was here to seek an explanation for Feng Qianhua.

“After all, Feng Qianhua was about to get engaged to Lin Jincheng. It was one thing for her to suddenly cancel the engagement in the middle, but now she was going to hold a family recognition banquet!”

How could Feng Qianhua behave like this?

“However, not only did old madam Feng not come to find fault with her, but she also came to visit her.”

“”I heard from Qianhua that you have not been well recently, so I came to take a look. Now that I see that you are fine, I am relieved.””

Old Madam Lin was stunned for a moment and sighed with emotion in her heart.

“”Elder sister, thank you for your concern. I Am Fine.”Old Madam Lin continued, “Speaking of which, it is our Lin family that has let down Qianhua and your Lin Family!””

“Old Madam Feng smiled and said, “We are both parents. I know that this matter is not your fault! Children and grandchildren will have their own blessings. In the future, I Won’t care anymore. I just feel sorry for Qianhua. I’ve waited for 19 years, but in the end...””

“When she said the last sentence, old madam Feng sighed.”

Feng Qianhua patted old madam Feng’s hand. “I’m fine.”

“Old Madam Lin said, “Elder sister, I know what I’m doing! Don’t worry. In My Heart, Qianhua has always been our Lin family’s daughter-in-law. And Xianxian, Xianxian is my biological granddaughter! She’s not some random person who can be compared to the mother and daughter!””

“When she heard this, old madam Feng heaved a sigh of relief.”

She had also heard about Lin Ze’s biological mother.

She felt that the mother and daughter pair could not be compared to Feng Qianhua and Feng Xianxian.

Anyone with a discerning eye would know what to choose.

“Old Madam Feng continued, “Since you’ve Said So, then I won’t treat you as an outsider. Xianxian, that child, is already 19 years old this year. They say that when a daughter is old, she can’t be kept. In the future, she’ll have to rely on you for the important matters of her life.””

“Old Madam Lin smiled and said, “Sure, sure. Actually, I already have someone in mind.””

“Which family is it?” Old Madam Feng asked.

“Old Madam Lin said, “The CEN family.””

“Although old madam Lin had already explicitly rejected her, old madam Lin felt that with her friendship with old Madam Cen, as long as she seriously mentioned this matter to old Madam Cen, Old Madam Cen would definitely agree.”

“Feng Xianxian was so outstanding. Unless old Madam Cen was blind, she would not agree.”

Hearing this.

Old Madam Feng narrowed her eyes. It seemed that Feng Qianhua was not lying to her.

“Everyone in the capital knew that Old Lady Cen and Old Lady Lin were old friends. The relationship between the two was very deep. As long as Old Lady Lin was willing to speak, this matter would most likely be settled.”

“After getting the answer she wanted, old madam Feng left the Lin family after saying a few words to Old Lady Lin.”

“Not long after old madam Feng left, Aunt Zhang came in with a glass of snow pear. “Miss Qianhua, quickly try it and see if it tastes right.””

“Thank you for your hard work, Aunt Zhang.” Feng Qianhua stood up and took the bowl. She took a sip and said, “Yes! This is the taste.”

Chapter 519: 132: it's actually ye Zao. The large-scale face-smacking event at the banquet has begun! 4

“Seeing that Feng Qianhua liked it so much, Old Lady Lin asked with concern, “Did you make more stew for Qianhua?” ”

“Aunt Zhang nodded. “Don’t worry, I specially made more stew.” ”

“That’s good.”

...

At the Cen family home.

“Cen Shaoqing stood in front of the floor-to-ceiling window on the sixth floor, looking down at the ground. His gaze was somewhat profound, and his entire body emitted an aura that no one was allowed to enter. ”

Tomorrow was the Lin family’s family recognition banquet.

It would be a lie to say that he wasn’t nervous.

“After all, he had once been frivolous, but he had offended his future brother-in-law. ”

The air was playing Pleasant Buddhist music.

But Cen Shaoqing couldn't calm down at all. He took out his phone and started searching: [ how to resolve the enmity between him and his brother-in-law? ]

“[ without knowing, what if he offended his future brother-in-law? ] ”

[ what does a 19-year-old boy like? ]

[ is a three-year-old child good at remembering things? ]

[ do children hold grudges? ]

“There was a reply below: [ Haha Brother, You're dead meat! Whoever you offend, Go Offend Your Future brother-in-law! Let me tell you, children hold grudges the most! ] ”

“[ I'm just young, I'm Not Stupid! You offended me back then, I'll definitely remember it! ] ”

“[ he abused his brother-in-law for a moment of pleasure, chasing his wife to the crematorium! ] ”

“[ F \* ck! He even dared to offend his brother-in-law! Brother, you're Amazing! ] ”

“[ chasing his wife is a long road, brother, you can do it! Remember to post the results when the time comes. ] ”

“Seeing these answers, Cen Shaoqing was a little upset. ”

“He wished he could go back to the time when he was 15 years old, slap away that stupid him, and then set up an incense table to worship Lin Ze. ”

Cen Shaoqing could only pray that his brother-in-law was magnanimous enough to forget about that matter.

Cen Shaoqing started to search again:

[ how do I curry favor with my future brother-in-law and father-in-law? ]

[ what kind of son-in-law does father-in-law like? ]

[ can father-in-law accept a son-in-law who is older than his daughter? ]

[ how do I become a son-in-law that everyone loves? ]

“At this moment, there was a knock on the door. ”

“Come in.”Cen Shaoqing turned around slightly and put his phone into his pocket. He twirled the prayer beads.

The door was pushed open.

“Old Mrs. Cen, who was wearing a piglet peppa t-shirt, walked in from outside. The old lady was not only wearing a piglet peppa t-shirt, she was also wearing slippers with piglet peppa on them. ”

“Grandma.”

“Old Mrs. Cen acknowledged and said with a kind look, “Shaoqing, it has been so long. Have you passed Yezi’s internship?” ”

Old Mrs. Cen could not wait to announce to everyone what an outstanding granddaughter-in-law she had.

Unfortunately.

“Cen Shaoqing had not passed his internship. The two of them had not announced their relationship yet, so she could not rashly announce it. ”

Internship?

CEN Shaoqing frowned without a trace.

“What he was worried about now was not his internship, but his father-in-law and brother-in-law. ”

“If he couldn’t pass the father-in-law and his brother-in-law, what could he do even if he passed the internship period? ”

“Not yet.”Cen Shaoqing twirled the Buddha beads.

“”Not Yet?”Old Mrs. Cen couldn’t control her voice, and her expression changed instantly, “You’re a sand sculpture! Nothing! You haven’t even passed the internship period, and you still dare to be so leisurely! Don’t you know how popular Ye Zi Is?” ”

Cen Shaoqing rubbed his forehead. “It’s useless to be anxious about this kind of thing.”

“”Your grandmother was smart all her life, so how did she get a sand sculpture like you!”Old Mrs. Cen placed her hands on her hips. “You haven’t passed your internship yet, so don’t you know how to Sum Up Your Experience?” ”

Cen Shaoqing’s expression didn’t change. “Sum up what experience?”

“Of course it’s the experience of being in love!”Old Mrs. Cen paused. “Wait for me.”

“At this point, old Mrs. Cen turned around and walked downstairs. ”

“Not long after, old Mrs. Cen came back. ”

She was holding a stack of books in her hands.

“Old Mrs. Cen placed the books on the table. The first book on the table was president BA’s novel, “The overbearing president fell in love with me.”. ”

“Old Mrs. Cen patted the books, “See, these male protagonists in the books are your seniors! Don’t read those Buddhist scriptures all day long. Read more of these books that are useful to you! Look at how these seniors in the book pursue their wives! Look at you, then look at them!” ”

“When she said the last sentence, old Mrs. Cen had a look of disdain. ”

“”Look at the seniors in this book. In less than half a month, they’ve already confirmed their relationship with the female lead.” ”

“”This book is even more amazing! In less than three months, they’ve already received their marriage certificate!” ”

“And this one...”

“Old Mrs. Cen introduced each book to Cen Shaoqing one by one. Finally, she summarized her experience. “Actually, it’s very easy to become a qualified boyfriend. It can be summed up in six words.” ”

Chapter 520: 132: it was actually ye Zao. The large-scale face-smacking scene at the banquet began! 5

“Which Six Words?”Cen Shaoqing raised his eyebrows slightly.

“Old Mrs. Cen said, “That is buy buy buy buy! Pamper! It’s best to Pamper the female lead to death!”She had not read romance novels for nothing these years. She had more or less summarized some experience. ”

Novels originated from life.

Cen Shaoqing:” ...”

“Old Mrs. Cen continued, “Right, there’s another very important rule that you have to Remember.” ”

Cen Shaoqing:”? ? ?”

Rule?

“Old Mrs. Cen said, “This rule follows the three virtues and the four Virtues.” ”

“Cen Shaoqing frowned slightly. “Grandma, it’s already a new society now, and you still want to use this kind of thing to restrict searing?” ”

““I already said that it’s your rule!”! “What does it have to do with searing!”Old Mrs. Cen continued, “I told you to remember well. The three followers and four virtues are: the wife goes out to follow; the wife obeys orders; the wife says the wrong thing blindly; the wife puts on makeup and waits; the wife remembers her birthday; the wife tolerates beatings and curses; the wife is willing to spend money!” ”

“Cen Shaoqing:”? ? ?”If he remembered correctly, wasn’t the three followers and four virtues following the father before marriage? Since the husband was married, the husband died and followed the son? ”

“Seeing that Cen Shaoqing didn’t speak, Old Madam Cen stood on Tiptoe and patted his arm. In fact, she wanted to give him a slap on the head, but unfortunately, she wasn’t tall enough. “I’m talking to you! Did you hear that? Are you not convinced?” ”

“I’m not convinced. I heard it all.”

Old Madam Cen didn't believe Cen Shaoqing. "Then can you recite it for me?"

Cen Shaoqing's memory was very good. He recited the new edition of three virtues from four virtues almost word for word.

"Only then was old Mrs. Cen satisfied. "I didn't realize that a brat like you had such a high comprehension ability! Alright, read all these books by yourself! After reading them, you'll be able to find the direction. I'll go downstairs first." "

"After taking a few steps, old Mrs. Cen seemed to have remembered something. She turned back and pulled out a book from the pile of books, "Oh right, you must never learn from the scumbag male protagonist in this book! This book is used as a negative example for you!" "

"Cen Shaoqing had never read any romance novels before. He frowned and said, "Is there anything special about this book?" "

"Old Mrs. Cen gritted her teeth and said, "The male protagonist in this book is a big scumbag! Not only did he dig out the heart and kidneys of the female protagonist, he also misunderstood the female protagonist! Anyway, the female protagonist is miserable! In short, you just need to remember that he is your negative example!" "

"If this jerk was my eldest grandson, I would have beaten his dog head askew long ago!" "

"At this point, Old Mrs. Cen waved her fist fiercely. "

"Cen Shaoqing:"..."he suspected that old Mrs. Cen was implying something about him, but he had no evidence. "

"After saying this, old Mrs. Cen walked downstairs. "

"Grandma, wait a minute."Cen Shaoqing called out to Old Mrs. Cen. "

“What’s Wrong?” Old Mrs. Cen turned around.

“CEN Shaoqing continued, “Grandma, are you going to the Lin family’s banquet tomorrow?” ”

““No,” old Mrs. Cen answered without thinking. ”

The main reason was that she couldn’t stand that old fool.

Was she going to look for trouble?

““Grandma, do you know who uncle Lin’s long-lost daughter is?” Cen Shaoqing continued to ask. ”

““Who I love has nothing to do with me.” Old Mrs. Cen said angrily, “Anyway, I can’t be bothered with those stupid things in the Lin Family!” ”

“Cen Shaoqing twirled the Buddhist beads.” ... maybe, it really has something to do with you.” ”

“What do you mean?” Old Mrs. Cen narrowed her eyes.

Cen Shaoqing’s thin lips parted slightly. “Zhuo Zhuo is Uncle Lin’s long-lost daughter.”

“What?” Old Mrs. Cen widened her eyes in disbelief.

“You didn’t hear wrong.”

“Old Mrs. Cen’s face immediately fell, “Yezi is such a good child. How can she be that old fool’s sweet granddaughter? No Way! Impossible! There must be a mistake. Yezi is Yezi! Yezi can’t be her granddaughter!” ”

Granny Cen was jealous.

It was unbearable.

“She was such a cute old lady, but she couldn’t even have a granddaughter as outstanding as ye Zhuo. What right did Zhao fangyue have?”

What right did she have to be stupid?

What right did she have to be deaf?

What right did she have to be blind?

It took Granny Cen a long time to digest this fact.

“CEN Shaoqing continued, “So, are you still going to the Lin family’s banquet?” ”

“Old Mrs. Cen nodded, “Yes! Of course! Why shouldn’t I go to my granddaughter-in-law’s banquet! If I don’t go, what if that old fool bullies my granddaughter-in-law?” ”

“All the way downstairs, old Mrs. Cen was still a little depressed. ”

“Zhou Xiang asked curiously, “Mom, What’s wrong with you?”
