“Chapter 531: 135: sister-protecting maniac, accidentally gay, face-slapping Feng Xianxian! 1”

Feng Xianxian grew up with Lin Ze.

She knew Lin Ze very well.

She once wondered if Lin Ze was misogynistic.

“After all, she was smart and cute from a young age. The four daughters-in-law of the Lin family treated her like their own daughter, and the little boys they grew up with all became her followers.”

Only Lin Ze avoided her.

“At first, Feng Xianxian thought that Lin Ze had a problem with her and was targeting her alone.”

“Later, Feng Xianxian found out that Lin Ze didn’t just hate her. He hated every girl.”

“Even at the sensitive age of 19, he was still indifferent to girls.”

“Moreover, Lin Ze hated girls touching him the most.”

Feng Xianxian could not forget the time when she pulled Lin Ze’s arm and acted coquettishly in order to please him.

“At that moment, Lin Ze seemed to have changed into a different person.”

His eyes were terrifyingly cold.

It was as if she was some disgusting trash.

“From then on, Feng Xianxian did not dare to provoke Lin ze anymore and humiliated herself.”

“Feng Xianxian just looked at Ye Zao, her eyes full of sarcasm.”

Just wait.

Lin Ze was about to make ye Zao lose face.

He didn't even like his own brother.

What right did ye Zao have to stay in the Lin Family?

But in the next second...

Feng Xianxian was stunned.

Lin Ze naturally bent down to pick up the crystal clip under the table and handed it to Ye Zao. “Here.”

He picked it up?

Lin Ze actually picked it up!

Why didn't Lin Ze lose his temper?

Wasn't Lin Ze Misogynistic?

Feng Xianxian's face was full of shock.

She was dumbfounded.

What the hell was going on?

"Ye Zao took the clip, put it to his ear, and walked out."

"There was a large backyard garden behind the hotel. It was the eighth month of the Chinese lunar calendar, and the garden was full of flowers of all colors, with golden osmanthus being the most eye-catching."

"Accompanied by the true chirping of birds, a breeze blew, bringing with it the fragrance of flowers."

"Ye Zao walked on the path in the garden. He took a deep breath, and the weariness between his brows disappeared a little."

"At this moment, there was the sound of light footsteps behind him."

Ye Zao looked back slightly.

"The person who came was dressed in a plain white robe. He was holding a string of blood-red Buddhist beads in his hand. Against the light, his facial features could not be seen clearly. As he walked, he burst out with a powerful domineering aura."

"Why are you here?"

Cen Shaoqing's tone was low. "I came out to get some air."

“You don’t like it inside?”Ye Zhuo raised his eyebrows slightly.

“It’s alright.”Cen Shaoqing twirled the Buddhist beads. “Do you like it?”

“Ye Zhuo’s tone was indifferent. “Other than being a little stuffy, everything else is alright...””

Cen Shaoqing chuckled.

The two of them chatted for a while longer before ye Zhuo urged Cen Shaoqing to go in.

Cen Shaoqing raised his eyebrows. “You’re not going in?”

““You go in first.”Ye Zhuo continued, “I’ll be right behind you.””

““Then you go in first.”CEN Shaoqing said, “I came out after you.””

“Ye Zhuo thought for a moment. It seemed to be the case, so he turned around and walked in.”

“He had only taken a few steps when his hand was suddenly grabbed by someone. With a gentle pull, his entire body was pulled into someone’s embrace. The other hand held onto her waist. Perhaps it was because the gown was too thin, ye Zhuo could even feel the warmth coming from his fingertips, cen Shaoqing’s chin rested on her shoulder. Their breaths were one another.”

““Leader, actually, I came out to see you.””

“Seeing ye Zao come out, Cen Shaoqing could no longer control his feet.”

Ye Zao’s eyes curved and he lowered his head. “You’re not pretending anymore?”

““Yes.”Cen Shaoqing lowered his voice and said, “Let me hug you for a minute?””

“I’ll satisfy you.”

“A minute later, ye Zhuo reminded him, “One minute is up.””

“Why are you so fast?”Cen Shaoqing frowned slightly and let go of her.

Ye Zhuo lowered his head and tidied up his gown. “I’ll go in first.”

“Wait a minute.”

Cen Shaoqing called out to her.

“Huh?”Ye Zhuo looked back slightly.

““Your hair is in a mess.”Cen Shaoqing reached out his hand and pulled the black hair on her cheek behind her ear. Then, he clamped the edge of the crystal again. His movements were extremely gentle, as if he was treating a fragile priceless treasure, his deep eyes were like ink stains.”

“From Cen Shaoqing’s angle, he could just see the tall and straight nose bridge of this person. His crimson lips were bright and beautiful.”

He wanted to kiss her.

“Cen Shaoqing’s heart suddenly beat faster, and the movements of his hands stopped.”

“Are you done?”Ye Zhuo raised his eyes slightly and asked.

Cen Shaoqing finally reacted. His slender fingers landed on her ear. “I’m done.”

“Then I’ll go first.”

“Yes.” Cen Shaoqing slightly nodded.

“Chapter 532: 135: sister-protecting maniac, unexpected gay, face-smacking Feng Xianxian! 2”

“Zha Zha Zha!”

“At this moment, a male voice suddenly appeared in the air. ”

Ye Zha turned his head slightly and saw that Lin Ze had appeared at the entrance of the garden at some point in time. He was looking in his direction with a wary gaze.

“Brother?” Ye Zha was a little surprised.

“Lin Ze walked directly between Ye Zha and Cen Shaoqing and separated the two of them. He looked at ye Zha and said, “Zha Zha, mom is looking for you. Let’s go back.” ”

“Okay.” Ye Zao nodded slightly and followed Lin Ze’s footsteps.

They walked to a corner.

“Lin Ze said, “Zao Zao, do you know Cen Fifth Master?” ”

Ye Zao nodded slightly.

“Lin Ze turned around and looked, then, he said, “CEN fifth master is famous at a young age. His personality is eccentric. He usually eats vegetables and reads Buddhism. He seems to be able to see

through the secular world and stay aloof from worldly affairs. In fact, he is just a ferocious beast that lurks in the dark. He can give people a fatal blow at any time. "Zha Zha, you're still young. You're not a match for such an Old Fox. Try not to talk to him in the future." "

Ye Zha was only 19 years old this year.

How could she be a match for the wily old Cen Shaoqing?

"Is he that terrifying?" Ye Zha raised his eyebrows slightly.

"Lin Ze said very seriously, "CEN fifth master is far more terrifying than what I said." "

"Ye Zha said, "Brother, do you have some misunderstanding about him?" "

"Zao Zao, you can't judge a person by his appearance," Lin ze said slowly, then, he said, "Fifth Master Cen is only thirty-one years old this year, but he has already monopolized the business world in China and made the CEN family the number one family in China. How can such a person be a simple person?" "

"After saying that, Lin ze continued, "Moreover, as far as I know, fifth master Cen has always been pure-hearted and doesn't get close to women. For No Reason, why is he so close to you? He must have other motives!" "

"Ye Zhuo looked up at Lin Ze. "Brother, actually, I've known Cen Shaoqing for quite some time. I feel that he's pretty good. He meets my criteria for choosing friends in all aspects." "

"Hearing this, Lin Ze's heart skipped a beat. "

"It's over, it's over! "

His inexperienced sister was about to be deceived by this sly fox.

“Alarm Bells Rang in Lin Ze’s heart, “Zha Zha, I’ve known Cen Shaoqing for nineteen years. I know him better than you do. Not only is he grumpy, he’s also likely to be violent. He’s so close to you, he must be up to no good.” ”

Ye Zhuo raised an eyebrow. “Violent?”Why couldn’t she tell that Cen Shaoqing had a violent side to him?

“Lin Ze nodded seriously. “Yes, and it’s a very serious violent side.” ”

“Ye Zhuo touched his nose out of habit. “Brother, have you experienced his violent side?” ”

““Sort of,”Lin ze replied. ”

“Although Lin Ze was only three years old at the time, that experience was still fresh in his mind. He still couldn’t forget the scene of Cen Shaoqing holding him in the swimming pool to wash up. ”

“From then on, he didn’t dare to visit the Cen family as a guest. ”

“Lin Ze continued, “In any case, zhuozhuo, you just need to keep your distance from him.” ”

Ye Zhuo turned around to look at Cen Shaoqing.

Cen Shaoqing was stunned by Ye Zhuo’s gaze. A bad premonition suddenly ignited in his heart.

His future brother-in-law definitely didn’t speak well of him in front of ye Zhuo!

“He couldn’t really still remember that incident 16 years ago, right?” ”

“Cen Shaoqing’s hand that was holding the Buddha beads paused as he looked at the back of the brother and sister. His deep eyes could not see the end, as far as the eye could see, as if there was a vast universe hidden in his eyes. ”

“In the hall, the banquet was still going on.”

“Feng Xianxian looked at ye Zao who walked in with Lin Ze, and her eyes narrowed slightly.”

Her hands unconsciously tightened.

“Seeing this scene, it would be a lie to say that she did not feel anything at all.”

What right did ye Zhuo have?

“She had called Lin ze her elder brother for nineteen years, but Lin Ze did not respond at all. He treated her like a stranger and did not treat her as a sister at all.”

How many days had ye Zhuo been here?

“Could it be that before she became Lin Ze’s nineteen-year-old brother and sister, she was worse than a stranger that she had only known for a few days?”

Heartless ingrate!

Lin Ze was a heartless ingrate!

““Xianxian, what’s Wrong?” Old Lady Lin asked concernedly when she saw that Feng Xianxian was acting strangely.”

“Feng Xianxian pretended to smile innocently. “Nothing. I’m just happy that brother Ah Ze has finally found his sister! Grandma, look how much brother Ah Ze dotes on sister ye Zao.” ”

Old Lady Lin looked up at Lin Ze and ye Zao with a cold expression.

She felt that Lin Ze was very insensible.

“After all, Feng Xianxian had been his brother and sister for so many years. The two of them had grown up together. He was usually cold to Feng Xianxian and did not even have a smile on his face, but he was so nice to that wild girl.., not to mention Feng Xianxian, no matter who it was, they would probably feel very uncomfortable, right?”

“Chapter 533: 135: sister-protecting maniac, accidentally gay, face-slapping Feng Xianxian! 3”

“After all, Feng Xianxian really took Lin Ze as her brother!”

“It was said that a tree was afraid of being skinned, and a person was afraid of being sad.”

Wasn't He a Heartbreaker?

“Old Mrs. Lin held Feng Xianxian's hand, “That child, Ah Ze, is an ungrateful wretch. Forget About You, I'm afraid he won't even put me in his eyes in the future. Poor me, I worked so hard to raise him. In the end, I might as well raise a dog.””

Old Mrs. Lin felt that Lin Ze had disappointed her too much.

“No matter what, she had raised Lin ze single-handedly.”

But Lin Ze had actually forgotten all about her and went to look for ye Shu!

Ye Shu had raised him for a day?

Any child with a little bit of conscience would not do such a thing.

“Feng Xianxian said in a low voice, “Grandma, don’t say that. Actually, brother Ah Ze is still very sensible. No matter what, Sister Ye Zao is his biological sister. It’s normal for him to be close to Sister Ye Zao.” ”

“”Then I’m still his biological grandmother!”Old Madam Lin felt very sad and emphasized, “I’m the grandmother who raised him!” ”

“She raised Lin ze single-handedly. In the end, Lin Ze was not as filial as Feng Xianxian. ”

Wasn’t that ironic?

Feng Xianxian continued to comfort old madam Lin.

“Feng Qianhua walked over and said, “Aunt Lin, Xianxian is right. Ah Ze is a sensible and good child. Don’t think too much about it! “Oh right, I see that brother Jin Cheng’s daughter is still called ye Zao. I wonder when he plans to change his surname?” ”

“After saying that, Feng Qianhua continued, “Aunt Lin, since the child has already returned, I advise you not to make things difficult for brother Jin Cheng. Hurry up and change the child’s surname.” ”

Only then did old madam Lin remember that ye Zao’s surname had not changed!

“Although she did not like ye Zao, no matter what, Ye Zao was of the Lin family’s bloodline. What was the point of having the Lin family’s bloodline follow that B * Tch Ye Shu’s surname?” ”

“Old Madam Lin nodded. “Qianhua, you’re right. I’ll get Jin Cheng to settle this matter when I get back today.” ”

“Hearing this, Feng Qianhua’s eyes flashed with a faint light. She smiled and said, “Aunt Lin, it’s good that you’ve thought it through. After all, we’re still a family. Why are things so tense?” ”

“”Mom, Qianhua, what are you guys talking about?”Zhao shuning walked over from the other side. ”

“Feng Qianhua smiled and said, “Fourth sister-in-law.” ”

“Zhao shuning grabbed Feng Qianhua’s hand and said with a regretful expression, “Qianhua, I always thought that you would be able to walk together with Jin city. I didn’t expect...” ”

The smile on Feng Qianhua’s face did not diminish. “Maybe I’m not fated to be in the capital.”

“”What do you mean by fated? !”Zhao shuning lowered his voice and said, “Things are made by man, and hard work does not disappoint those who have a heart. Qianhua, I’m the same as mother. In My Heart, you will always be my fifth brother and sister-in-law, and everyone else will have to stand aside!!” “Mother, don’t you agree with me?” ”

“Old Lady Lin said happily, “Yes, yes, yes! I’m willing to listen to Shuning’s words.” ”

“Zhao shuning continued, “In any case, I can’t Stand Ye Shu and her daughter! Both of them have the face of a vixen. It’s not that my words are unpleasant, but ye Shu isn’t a good woman. I think that little one isn’t a good person either!” ”

“Zhao shuning’s words hit old Mrs. Lin’s heart, and she hurriedly nodded in agreement. ”

“Feng Qianhua said, “Mom, fourth sister-in-law, you might have misunderstood sister Ye Shu. In fact, she’s a good person...” ”

“Zhao shuning said speechlessly, “Qianhua, no wonder mom always said that you’re a good person! You’re really silly and sweet! If Ye Shu was a good woman, she wouldn’t have hooked up with Jin city and successfully rose to the top! You! You just don’t know how to think for yourself.” ”

“Hearing this, Feng Qianhua lowered her head in embarrassment. ”

Old Lady Lin’s gaze turned to Ye Shu.

“Wu Mei, Zhang Zhenzhen, and Yang Wenyin were chatting with Ye Shu. When the four sisters-in-law stood together, the scene was surprisingly harmonious. ”

Wu Mei originally thought that ye Shu was really as vulgar as the rumors said.

“But after some conversation, she found that Ye Shu was a very thoughtful person. She had a correct outlook on life and had a high social status. She was completely different from the rumors. ”

“Moreover, it was very easy to communicate with Ye Shu. ”

“The four of them became more and more friendly as they chatted. Soon, they added each other on wechat. ”

“Zhang Zhenzhen smiled and said, “Fifth sister-in-law, I’ve pulled you into our family group. You can also pull the eldest niece in later.” ”

“Okay.”Ye Shu nodded.

“Old Mrs. Lin frowned. “It’s fine if the second and third families aren’t sensible, but why are the eldest and third families not sensible? Shuning, go and call the eldest and third families over!”Could it be that Wu Mei didn’t know.., she was very dissatisfied with ye Shu? ”

“Chapter 534: 135: sister-protecting maniac, unexpected gay, face-slapping Feng Xianxian! 4”

Was she trying to rebel?

“Zhao shuning walked to Wu Mei’s side. “Sister-in-law, MOM is calling you.” ”

“Wu Mei nodded, greeted ye Shu, and walked over. ”

“Seeing Wu Mei walk over, Zhao shuning and Feng Qianhua walked to the other side, leaving the space for Old Lady Lin and Wu Mei. ”

“”Mom, did you call me for something?” ”

“Madam Lin’s expression was a little ugly. “Boss, in my heart, you’ve always been sensible! But today, you’ve really disappointed me!” ”

“Wu Mei was stunned. “Mom, What’s Wrong?” ”

“”What’s wrong with me?”Madam Lin suppressed her anger. “You still have the nerve to ask me what’s wrong! Let me ask you, what did you call ye Shu just now?” ”

“”Fifth sister-in-law,”Wu Mei answered. ”

Old Mrs. Lin was so angry that she almost vomited blood. “Wu Mei! You have to figure out who is your fifth sister-in-law!”

“Wu Mei was not a fool. She instantly understood what old Mrs. Lin meant, she smiled and said, “Mom, I know that you have always liked Qianhua and have treated her as your future daughter-in-law. “But you don’t have the final say in such matters. You have to see what Jin City wants. Jin city is already forty years old this year, and he knows what he wants. He and his fifth sister-in-law have missed each other for nineteen years. For the rest of their lives, please fulfill their wishes.” ”

“At this point, Wu Mei paused for a moment, then she continued, “Besides, not only is my fifth sister-in-law not as bad as the rumors say, she is actually very outstanding. She knows English, knows finance, and has her own business knowledge. Such a good woman can only be met by chance, but not by chance. Jin city is lucky to have met her again, and the two of them can be together again!” ”

“”And the eldest niece, Mom. Take a good look at the eldest niece. She’s your only granddaughter. Not only is she beautiful, but she also plays the world’s most difficult piano piece and speaks Arabic. “Do you

think there's a second person like the eldest niece in our circle? "It's your fortune to have such a granddaughter. I can guarantee that half of the old ladies in the capital would envy you for having such an outstanding granddaughter." "

"Hearing this, Old Lady Lin's face turned pale. "

She could not contain her anger.

"Wu Mei! You're here to anger me on purpose, aren't you? It's fine if that uneducated girl doesn't embarrass me, but who would envy me? There's more! Where did you get the idea that Jin City is fortunate to be together with ye Shu! It's clearly that b * Tch Ye Shu who has climbed up to our Lin Family!" "

"Old Mrs. Lin continued, "Wu Mei, I think you're up to no good! Have you been hating this old woman for a long time? Do You Wish For me to die early?" "

"Wu Mei was afraid that the other guests would find out that old Mrs. Lin was acting strangely, she lowered her voice and said, "Mom, I didn't mean that! "You've really misunderstood fifth sister-in-law. It's useless for me to say anything now. After you spend a few days with fifth sister-in-law, you'll know that she's really a rare and good woman. She definitely won't be inferior to Qianhua!" "

"Wu Mei really admired ye Shu, and she was also very envious of Ye Shu. "

"Although she had suffered for 19 years, it was finally a blessing in disguise. Not only did she have a husband who loved her, but she also had an excellent pair of twins. "

This mother-in-law of hers had been a snob all her life.

"Back then, she had concealed her family background and started dating Lin Qingfan. After Old Lady Lin found out about it, Old Lady Lin actually used a cheque of 100,000 yuan to dismiss her. After she found out that she was the daughter of the Wu family, she immediately changed her face, she tried to curry favor with her. "

“If Wu Mei didn’t admire Lin Qingfan’s character and ability, she wouldn’t have married him no matter what.”

Reality proved that Lin Qingfan didn’t disappoint him.

“Lin Qingfan’s ability was on par with Lin Jin city. Over the years, he had developed the family business very well. Out of the five brothers of the Lin family, apart from Lin Qingxuan who had lived abroad for a long time, the rest of them occupied the four regions, north, south, east, west, and north respectively.”

“In China, apart from the Cen family, the Lin family’s influence was also all over the country. They could not be underestimated.”

To the north was Lin Jin Cheng.

“To the West was the third brother, Lin Qing Yang.”

“To the south was the second brother, Lin Qing Yun.”

“To the east was the eldest brother, Lin Qing fan.”

“Wu Mei looked at Old Lady Lin and said earnestly, “Mom, you’ve already missed it once nineteen years ago. This time, don’t make trouble anymore. Let Jin Cheng and his fifth brother and sister-in-law live a good life. You’re also a great-grandmother!” “Why Bother?” ”

“In Wu Mei’s opinion, Old Lady Lin was just doing it.”

“Chapter 535: 135: sister-protecting maniac, unexpected gay, face-slapping Feng Xianxian! 5”

“If she continued to act like this, sooner or later, something bad would happen.”

“Old Mrs. Lin was already very angry. After hearing Wu Mei’s words, she was so angry that she almost jumped up. ”

Ye Shu!

It was all ye Shu’s fault!

Ye Shu was a troublemaker!

“Before ye Shu came, Lin Jincheng was a good son, Lin Ze was a good grandson, and Wu Mei was also a good daughter-in-law. Now that ye Shu came, everything changed. ”

Old Mrs. Lin was so angry that she wanted to slap Wu Mei. She clenched and loosened her hands.

“Wu Mei had two younger brothers, each of whom was tall and strong. ”

“Moreover, the Wu family’s family background was not bad, so she really did not dare to hit Wu Mei. ”

“Seeing Old Mrs. Cen’s expression change again and again, Wu Mei sighed and said, “Mom, that’s all I have to say. You should think about whether this is the case or not! I’ll go over first.” ”

“After saying that, Wu Mei turned around and walked toward ye Shu, then joined in the conversation between Ye Shu and the others. ”

“Zhao shuning had been paying attention to what was happening over there. When he saw Wu Mei walking toward ye Shu again., zhao shuning frowned and said, “Sister-in-law, what’s going on? Others are smarter the more they live, but she’s getting smarter the more she lives! If she wants to curry favor with such a person, does she really think that ye Shu can stay with Jin city for the rest of her life?” ”

The position of the matriarch of the Lin family would not belong to Feng Qianhua sooner or later!

How long could a mistress like ye Shu stay with Lin Jin City?

“Feng Qianhua smiled and said, “Fourth sister-in-law, don’t be angry. Look, I’m not even angry.” ”

““It’s also because you have a good heart.”Zhao shuning continued, “If it were me, I would slap her with my big mouth! When you look at our Qingxuan, it’s like a mouse seeing a cat when you look at me! If I say one thing, he won’t dare to say two!” ”

“Feng qianhua sighed, “That’s why I say, fourth sister-in-law, you’re the person I envy the most.” ”

“Zhao shuning was indeed lucky. She was a woman who couldn’t have children, yet her husband still treated her like a treasure. ”

“Most importantly, Old Lady Lin never picked on Zhao shuning. She even suggested that the couple adopt a child. ”

It was a pity.

“Back then, Feng Qianhua didn’t take a liking to Lin Qingxuan. ”

“Otherwise, would Zhao shuning even have a chance? ”

Cen Shaoqing was outside in the cold wind for a long time before he walked into the banquet hall.

“When she saw Cen Shaoqing enter, the hatred in Feng Xianxian’s eyes instantly turned into adoration as she looked at him with sparkling eyes. ”

Feng Xianxian had a strong premonition.

“One day, she would become the CEN family’s mistress and stand shoulder to shoulder with Cen Shaoqing.”

“Because other than her, no one else was worthy of Cen Shaoqing!”

“Thinking of this, Feng Xianxian’s eyes flashed with a determined light.”

...

“After the banquet ended, Cen Shaoqing originally wanted to find an opportunity to speak to ye Zao alone, but Lin Ze had always been by ye Zao’s side. He did not have the chance to get in touch with ye Zao at all.”

“As long as he took one more look at Ye Zao, Lin Ze would immediately block in front of ye Zao.”

It was as if he was some kind of man-eating monster.

Cen Shaoqing laughed bitterly.

“He had always been in a high position. No matter where he went, he was always respected. As long as he took one more look at something he liked, someone would immediately give it to him with both hands.”

This was the first time someone had treated him like a thief.

Cen Shaoqing twirled the Buddhist beads in his right hand and took out his phone from his pocket with his left hand. He found a message for ye Zao.

“Old Mrs. Cen raised her head to look at Cen Shaoqing, then looked at ye Zao, who was standing not far away with Lin Ze to send the guests off. She said in puzzlement, “We’re going back soon. Aren’t you going to talk to your wife?” ”

Cen Shaoqing twirled the Buddhist beads. "There might be some misunderstanding between Ah Ze and me."

"Old Mrs. Cen narrowed her eyes. The past that had been buried in the past suddenly surged into her mind, "I've already said that one should keep a low profile, be arrogant for a while, and pursue one's wife to the crematorium! So what? I was right, right? I think you're just a failure. You're nothing but a sand sculpture!" "

Cen Shaoqing was also very regretful.

"If he had known that one day, he would have called Lin Ze Brother. "

"Then, he would have definitely treated Lin ze as his ancestor back then. "

It was too late to say anything now.

"Old Mrs. Cen continued, "Come with me." "

Cen Shaoqing followed Old Mrs. Cen's footsteps.

The two of them walked in front of ye Zhuo and Lin Ze.

"Old Mrs. Cen grabbed ye Zhuo's hand. "Yezi, Shaoqing and I will go back first. When you and Ah Ze have time, remember to visit my place. When the time comes, let Shaoqing come and pick you up!" "

"Ye Zao nodded slightly. "Okay, Grandma Cen." "

"Old Mrs. Cen grabbed Lin Ze's hand again, "Look at how much ah ze looks like Yezi!"! "Oh right, Ah Ze, I heard from your grandma that you like surfing a lot, right?"? "Shaoqing also likes surfing a lot. He used to be a surfing expert!"! "Everyone calls him the little white dragon in the waves. If there's time, you young people can go out together and have some fun. How about next week?"? What do you think?" "

“Chapter 536: 135: sister-protecting maniac, unexpected gay, face-smacking Feng Xianxian! 6”

“Lin Ze said politely, “Grandma Cen, you’re too polite. Fifth Master Cen is busy with his official business, so we shouldn’t disturb him.” ”

“Old Mrs. Cen smiled and said, “Ah Ze, you’re of the same generation as our Shaoqing. It’s strange to call him fifth master, just call him fifth brother.” ”

““Fifth brother,” Lin ze greeted politely. ”

“At this moment, Lin Ze never expected that CEN Shaoqing would become his brother-in-law in the near future. ”

“Cen Shaoqing nodded slightly. “Ah Ze, do you have any misunderstanding about me?” ”

““No,” Lin ze replied. ”

He knew Cen Shaoqing too well. Why would he need to have a misunderstanding?

“Old Mrs. Cen continued, “It’s good that there’s no misunderstanding. Then we’ll go back first. Ah Ze, Yezi, you must come to my place to play when you have time!” ”

Lin Ze and ye Zhuo sent the two of them out of the hotel.

“Lin Jincheng and ye Shu were standing outside the door to send the guests off. When they saw Cen Shaoqing and old Mrs. Cen coming out, the two of them immediately came over to welcome them. ”

They got into the car.

“Old Mrs. Cen looked at Cen Shaoqing and said very seriously, “Rascal, you’re in trouble!” ”

“Huh?”Cen Shaoqing looked back slightly.

“Old Mrs. Cen continued, “What’s the use of staring at me with your beautiful Big Eyes Now? Do you know that you’ve offended your brother-in-law terribly?” ”

“Cen Shaoqing twirled the Buddhist beads, his expression unmoving. ”

“Old Mrs. Cen said again, “Looking at Ah Ze’s appearance, it’s almost impossible for him to forgive you in a short period of time! “So, you should take it slow and use your actions to influence him! “Don’t always act tough and smile more. Look at you, you look like someone who owes you millions. It would be strange if Ah Ze would accept you as his brother-in-law!” ”

““You sand sculpture, did you hear what I Said?”Old Mrs. Cen poked at Cen Shaoqing’s arm. ”

Cen Shaoqing’s thin lips parted. “I heard it.”

“Old Mrs. Cen then instructed, “And your father-in-law, you have to please him as well! I think your father-in-law won’t have it easy either! Remember to read those books that I gave you last time! Read them carefully! Learn the tricks of a straight-a student chasing his wife! Haven’t you heard of a saying? Since ancient times, deep feelings can not be kept. Only tricks can win the hearts of people! You say that you have deep feelings and tricks. Can a petite wife escape?” ”

“At this point, Granny Cen seemed to have thought of something and sighed, “Why do you think that Yezi is Zhao Fangyue’s granddaughter? !”! “Now that I think of Zhao Fangyue’s ugly face, I get angry!”! “Yezi is so beautiful, so outstanding, and so amazing. What right does she, Zhao fangyue, have to be Yezi’s grandmother?”? “Fortunately, Yezi looks like Jin Cheng and Ah Shu. If she looks like Zhao fangyue, then it would be the scene of a disaster movie!” ”

Old Mrs. Lin was ye Zhuo's grandmother. It was simply difficult for old Mrs. Cen to calm down.

Not long after.

The car stopped at the entrance of the Cen family manor.

Old Mrs. Cen got off the car with a crutch.

“Grandma, you're back.” Cen Yueya hurriedly came up to greet her. “Have you seen your sister-in-law?”

Old Mrs. Cen nodded and handed the crutch to Cen Yueya. “Of course I've seen her!”

“Cen Yueya took the walking stick and could not help but complain, “Grandma, you don't need a walking stick at all. Why do you always bring a walking stick when you go out? Is it not a problem?” ”

“Old Mrs. Cen was more than eighty years old this year. She was not deaf, not blind, her footsteps were steady, and her body was excellent. It was delicious to Eat! ”

She did not need a walking stick at all.

“What do you know! This is called imposing!” Old Mrs. Cen raised her head and said arrogantly, “Didn't you see the old matriarch on TV holding a walking stick with a dragon head?” The way she looked could not be more imposing! ”

“Of course, the most important thing was that it was convenient to hit people! ”

“If anyone dared to provoke her, she would swing the walking stick and hit them. ”

“Cen Yueya's face was full of smiles. This grandmother of hers was simply an old mischievous child, like a child. ”

...

The Lin family.

“As soon as they returned to the Lin family manor, Old Mrs. Lin called Lin Jincheng to the side hall.”

“When are you going to change that girl’s surname?”

“Lin Jincheng frowned slightly. “Mother, what do you mean?” ”

“Old Lady Lin glared at Lin Jincheng. “What I mean is for you to change her surname! Since she is of the Lin family’s bloodline, what’s the point of always following an outsider’s surname?” ”

““I can’t do that.”Lin Jincheng continued, “Zhuoluo was brought up by Ah Shu, so she should follow Ah Shu’s surname. Also, Ah Shu isn’t an outsider. She is my wife, Zhuoluo and Ah Ze’s mother.” ”

“In the past nineteen years, he had never fulfilled his father’s duty, and now he was asking him to change ye Zhuozhuo’s surname? ”

“Chapter 537: 135: sister-protecting maniac, unexpected gay, face-smacking Feng Xianxian! 7”

Wasn’t this hurting ye Shu’s heart?

“What did you say?”Old Lady Lin slammed the table and stood up.

“Lin Jincheng repeated what he had just said, “Mom, just give up on this idea. I will not change the surname of Searing Flames!””

“As expected, she had forgotten her mother after marrying a wife.”

“This was only the first day Ye Shu had returned, and Lin Jincheng dared to treat her like this.”

“Old Lady Lin pointed at Lin Jincheng and said, “That is the flesh and blood of our Lin Family! The flesh and blood of our Lin family should be surnamed Lin!””

“Lin Jincheng looked at Old Lady Lin and said, “Even if the surname is Ye, it is still the flesh and blood of our Lin Jincheng. It is the eldest daughter of our Lin Family!””

Old Lady Lin could only feel her temples throbbing.

She did not know what kind of drug that B * Tch Ye Shu had fed Lin Jincheng to make him tolerate his child not taking his surname.

How many fathers in the world could tolerate their child taking an outsider’s surname?

Old Lady Lin thought of Feng Xianxian again.

“Feng Xianxian was not related to Lin Jincheng by blood at all, but she had agreed to change her surname to Lin.”

What about Ye Zhuo?

He was simply Shameless!

It was her honor to have the surname Lin!

A wild girl was a wild girl!

Old Lady Lin slammed the table heavily. "Unfilial son! Kneel down!"

"Mom, stop acting. If you continue acting like this, Don't blame your son for not being able to tolerate you." After saying this, Lin Jincheng turned around and left."

"Old Lady Lin clutched her chest and staggered a few steps back. If it weren't for the chair behind her, she would have fallen to the ground."

It's reversed!

It's reversed!

It's really reversed!

Lin Jincheng actually dared to speak to her like this now.

Old Lady Lin casually grabbed a vase and smashed it on the ground with a bang.

The pieces scattered.

"Zhao shuning walked out from behind. "Mom, I can finally see that fifth brother has been completely bewitched by that Vixen! He can't even see you, his biological mother!"

"Lin Qingxuan followed behind Zhao shuning and spoke hesitantly, "Mom, actually what Jin Cheng said just now wasn't unreasonable. After all, eldest niece was raised by fifth sister-in-law. It's indeed a bit too much for you to ask eldest niece to change her surname..."

Lin Qingxuan wasn't the kind of person who would be unreasonable.

“From the perspective of a bystander, Old Lady Lin’s request was indeed very unreasonable.”

“Zhao shuning swept a glance over and directly interrupted Lin Qingxuan’s unfinished words. “If you don’t know how to speak, then don’t say it!””

Lin Qingxuan immediately shut up.

Zhao shuning continued to apply the eye ointment on Old Lady Lin.

“Half an hour later, the husband and wife walked out of Old Lady Lin’s bedroom.”

“Lin Qingxuan said in a low voice, “Shuning, Jin City is living with the fifth brother and sister-in-law. What’s with the two of US getting involved? Let’s hurry up and book a plane ticket back to M Nation. Don’t get involved in these matters!””

Zhao shuning rolled his eyes at Lin Qingxuan. “What do you mean? Look at you! I Don’t plan to go back so soon after coming back this time!”

“Then what do you want to Do?” Lin Qingxuan asked.

Zhao shuning had his own plans. “You don’t have to care about that!”

Lin Qingxuan’s expression changed. “Do you have to get involved in the matter between Jin city and the fifth sister-in-law?”

“Zhao shuning turned to look at Lin Qingxuan, his eyes sizing her up. “Lin Qingxuan, let me ask you, are you interested in that Vixen, ye Shu?””

Lin Qingxuan felt that Zhao shuning was being unreasonable. “What nonsense are you talking about?”

“I think you have a guilty conscience! Open your mouth and shut up, and you’ll be that Vixen! Let me ask you, do you dislike the fact that I can’t have children?” Speaking of excitement.., Zhao Shuning’s face was a little malevolent. “Lin Laosi, don’t forget! It’s not that I, Zhao Shuning, don’t know how to have children! It’s that you don’t have the ability to give birth! All these years, I’ve been taking the blame for you!”

“Hearing this, all the anger on Lin Qingxuan’s face disappeared.”

Yes.

He didn’t have the ability to give birth.

“All these years, it was Zhao Shuning who single-handedly blocked those rumors.”

He owed Zhao Shuning too much.

“Shuning, I’m sorry.” Lin Qingxuan sighed. “I don’t have any other intentions towards the fifth sister-in-law. Don’t be angry. In the future, I’ll do whatever you say! I’ll listen to You!”

“Only then was Zhao Shuning satisfied. He glanced at Lin Qingxuan. “Come back to my room with me! Tonight, you’ll sleep on the sofa.””

“Okay.” Lin Qingxuan nodded.

On the third floor.

Ye Shu came out of the bathroom after changing.

Lin Jincheng was sitting at his desk and processing some documents.

“Ye Shu stood in front of him and said, “Let me ask you something.””

“You ask.” Lin Jincheng put down the documents and looked up at Ye Shu.

“Chapter 538: 135: sister-protecting maniac, accidentally gay, face-slapping Feng Qianxian! 8”

“Ye Shu asked, “Were you and Feng Qianhua engaged at that time?” ”

She was very concerned about this matter.

“If Lin Jincheng was really engaged to Feng Qianhua at that time, then she was a third party, and she owed Feng Qianhua an apology.”

“So, she needed an accurate answer.”

“Lin Jincheng shook his head, “No, I was never engaged to her. At that time, we were about the same age, and the two families were close friends, so the elders had the intention to set us up and proposed the engagement, but I rejected it very clearly. After I rejected Feng Qianhua, she married Feng Qianxian’s biological father.” ”

“Hearing this, ye Shu heaved a sigh of relief. “Actually, Feng Qianhua came to look for me back then.” ”

“What?” Lin Jincheng was very surprised.

“Ye Shu continued, “At that time, she came to me with a big belly. She told me that she was pregnant with your child. She said that she was your fiancée. I was the one who broke up the two of you...” ”

“Lin Jincheng did not expect Feng Qianhua to have done such a thing, he hurriedly explained, “No, I didn’t! Ah Shu, I really didn’t. Please believe me! The child in Feng Qianhua’s belly was Feng Qianxian’s biological father! Think about it. If that child was really me, would my mother have let it go?” ”

“A smile appeared on the corner of Ye Shu’s mouth. “To be honest, I was really desperate at that time.” ”

“Lin Jincheng hugged ye Shu with reddened eyes. “Ah Shu, I’m sorry...” ”

Ye Shu hugged Lin Jincheng back.

“After a long while, the two of them separated. ”

“Lin Jincheng said, “Ah Shu, it’s been a tiring day. You should go and rest first. Don’t worry. Before you completely let go of the knot in your heart, I’ll sleep on the sofa.” ”

“Ye Shu glanced at him. In a trance, she saw the former Lin Qingcheng again. ”

Next door to the two of them was ye Zao.

“Ye Zao sat on the carpet with a computer on his lap. With one hand on the floor and the other on the keyboard, he jumped so fast that only his afterimages could be seen on the keyboard. ”

“However, this person still looked indifferent. ”

“At this moment, there was a knock on the door. ”

““Come in,”ye Zao said calmly. ”

The door was pushed open and Lin Ze came in with a bowl of sweet soup. “Do you want some sweet soup?”

Ye Zao raised her eyebrows slightly.

“If she remembered correctly, this was the sixth time Lin Ze had knocked on the door.”

The first time was to deliver fruits.

The second time was to deliver desserts.

The third time was to ask her if she wanted coffee...

““Thank you, Brother.”Ye Zao stood up, took the sweet soup with both hands, and took a sip. “It’s very delicious.” ”

Lin Ze scratched his head. “It’s good that you like it.”

“After saying that, he turned around and left ye Zao’s room. ”

Ye Zao looked at Lin Ze’s back and suddenly realized that this brother of his was a little cute. What was up with that?

...

The Lin family’s eldest daughter had a glorious time at the banquet. The matter of her crushing Feng Qianxian was made known to everyone the next day.

Those who knew the inside story naturally knew that Feng Qianxian had asked for it.

“However, those who were not at the banquet thought that the Lin family’s eldest daughter was using her power to bully others. ”

“When Zheng Zhilan heard about this matter, she immediately went to look for Feng Xianxian. ”

“Feng Xianxian was also an actress. With just a few simple words, she had made her good friend Zheng Zhilan stand up for her, “Xianxian, that Lin family’s eldest daughter is really too much! Just you wait! I will definitely get my brother to stand up for you!” ”

“Feng Xianxian sniffed. “Forget it, Zhilan.” ”

“Zheng Zhilan was a young lady with a strong sense of justice. Furthermore, Feng Xianxian had saved her before. “No! We can’t just let it Go! How about this, you are in charge of inviting that Miss Lin out. Leave the rest to me and my brother!” ”

“Zheng Zhilan’s brother, Zheng Zimo, had always had a good impression of Feng Xianxian. ”

He was very willing to work for Feng Xianxian.

Feng Xianxian was also aware of this.

“”B-but, is this really good?”Feng Xianxian looked hesitant. ”

“Zheng Zhilan sighed. “A kind person will be bullied! Xianxian, you have to toughen up for me this time!” ”

“Seeing Zheng Zhilan like this, Feng Xianxian could only reluctantly say, “Then, then alright...” ”

“After bidding farewell to Zheng Zhilan, Feng Xianxian went straight to Ye Zhuo. “Ye Zhuo, do you have time to go out for a cup of tea with me tomorrow? I have something to tell you.” ”

Ye Zhuo lowered his eyes and looked at Feng Xianxian with an indifferent expression.

“Last night, she had indeed found something through tracing. ”

The incident 19 years ago was very likely related to Feng Qianhua.

She wanted to see what Feng Qianxian was up to.

Ye Zhuo nodded. "Where are We Going?"

"Feng Qianxian did not expect ye Zhuo to agree so quickly. A smug look flashed across her eyes.
"Tomorrow at 11 am, Charm Cafe." "

"Okay."

The next day at 10:50 am.

Feng Qianxian and Zheng Zhilan appeared at Charm Cafe.

"Zheng Zhilan held Feng Xianxian's hand. "Xianxian, when my brother tries to trick her later, don't pity her!" "

Feng Xianxian nodded awkwardly.

"At 10:58 am, Zheng Zimo appeared in the cafe. He looked at his watch. "She's not here yet?" "

"Zheng Zhilan shook her head and pulled Zheng Zimo to sit down. "Brother, let me tell you, you have to help Xianxian vent her anger later!" "

""Don't worry, leave it to me."Zheng zimo smiled and said, "I have the most experience dealing with green tea like her." "

"Having been in a wealthy family for so many years, what rank of green tea had Zheng Zimo not seen before?" "

A smug look flashed across Feng Xianxian's lowered eyes.

11 o'clock sharp.

A slender figure walked in.

"She was wearing a white shirt that was not stained with lead dust. The hem of her shirt was casually tied at her waist, giving her a somewhat unruly appearance. "

She also had a hint of coldness.

"Her legs were long and straight. Her face was not covered with makeup, but it was so beautiful that one could not take their eyes off her. Her standard Phoenix eyes were sparkling. "

"Is it her?"Zheng Zhilan looked at Feng Xianxian.

Feng Xianxian nodded. "It's her."

"Zheng Zhilan turned to look at Zheng Zimo. "Brother, it's her..." "

"However, before Zheng Zhilan could finish her sentence, Zheng Zimo stood up and said somewhat excitedly, "Yezi? !" "

"Chapter 539: 136: an unexpected turn of events. It turned out to be a fan. Feng Xianxian, who was on the verge of collapse, noticed the health-preserving soup! 1"

Zheng Zimo was very excited. He did not expect to meet his goddess in the coffee shop!

“Actually, when ye Zao got out of the car just now, he already felt that ye Zao looked familiar. However, he did not dare to recognize him from afar.”

It was only when ye Zao got closer and closer.

This was really his goddess!

He had never thought that he would meet his goddess in real life.

Zheng Zimo’s current mood was even more excited than winning five million dollars. That feeling of joy was simply indescribable.

He did not expect that his idol would look even better than on the screen.

Ye Zao was stunned. “We know each other?”

“Zheng Zimo said excitedly, “Goddess! It’s me! I’m Hammer!” ”

Awl?

“Ye Zao frowned slightly. Suddenly, he seemed to have thought of something and his eyes curved. “Heaven-toppling, earth-shattering, purple-gold hammer 1225?” ”

1

Even though ye Zao had not been on stream for a few days.

“However, as a loyal fan of her live stream room, she still had a very deep impression of hammer. ”

“”Yes, yes, yes!”Zheng Zimo did not expect ye Zao not only to remember him, but also 1225 behind him.
“Goddess, are you here for coffee too?” ”

Ye Zao’s gaze landed on Zheng Zimo and on Feng Xianxian. “I have an appointment with this Miss Feng.”

From the moment ye Zao entered.

Feng Xianxian’s face turned green.

She did not expect Zheng Zimo and ye Zao to know each other.

“Upon hearing this, Zheng Zimo said in surprise, “Xianxian, you know my goddess?” ”

Goddess?

“Feng Xianxian’s face, which was already a little ugly, turned even uglier at this moment. ”

“Ye Zhuo was Zheng Zimo’s goddess, so what was she? ”

Didn’t Zheng Zimo like her?

Zheng Zhilan was also confused.

“As far as she knew, Zheng Zimo wasn’t the kind of person who chased after celebrities. ”

He wouldn’t easily call anyone a goddess.

Even Feng Xianxian hadn't gotten a single word from him about being his goddess.

What was up with this young miss of the Lin Family?

"She was said to be a celebrity, but she had never seen her before... "

How did Zheng Zimo Know Her?

"Feng Xianxian smiled and nodded. "Yes, Big Brother Zheng. I invited Miss Lin over." "

Miss Lin?

Zheng Zimo was stunned.

"In that case, Ye Zhuo was the young miss of the Lin family. "

"But based on his understanding of Ye Zhuo, she had never been a scheming green tea. "

"Upon hearing that, Zheng Zimo smiled and said, "What a coincidence! Goddess, let me introduce you. This is my sister, Zheng Zhilan. My name is Zheng Zimo. Xianxian doesn't need me to introduce her to you, right? You all know each other." "

"Brother?" Zheng Zhilan raised her head and looked at Zheng Zimo.

They were clearly here to help Feng Xianxian teach ye Zao a lesson.

What was going on with Zheng Zimo Now?

"Zheng Zimo acted as if he did not see Zheng Zhilan's gaze and turned to look at Ye Zao. "Goddess, please sit down! Oh right, goddess, what would you like to drink?" "

“Cappuccino is fine.”

Zheng Zimo immediately waved at the waiter.

“Soon, a cappuccino was served.”

“Zheng Zimo said excitedly, “Goddess, if Doggie knew that I saw you in real life, he would definitely die of envy!” ”

Ye Zhuo raised his eyebrows slightly. “You Know Doggie in real life?”

“I don’t know him.”Zheng Zimo shook his head. “But we added each other as friends on wechat!”

The two of them were talking about topics that Feng Xianxian and Zheng Zhilan did not understand. They could not get into the conversation even if they wanted to.

Feng Xianxian’s knuckles turned white as she held the silver spoon.

What on Earth was this?

Did Zheng Zimo still remember what he was here for?

B * Tch!

Ye Zhuo was a B * TCH.

He was just like her shameless mother. They were both so Shameless! They both liked other people’s things so much!

“Zheng Zhilan was also very angry. She looked at Zheng Zimo a lot, but Zheng Zimo still ignored her.”

“Zheng Zhilan turned to look at Feng Xianxian. “Xianxian, do you want to go to the bathroom?” ”

Feng Xianxian nodded and followed Zheng Zhilan’s footsteps.

“When they arrived at the bathroom, Zheng Zhilan comforted Feng Xianxian, “Xianxian, don’t be angry. My brother wasn’t the kind of person who couldn’t walk when he saw beautiful women in the past. There must be a misunderstanding today! Don’t worry, you still have me! I will definitely think of a way to help you vent your anger!” ”

“Feng Xianxian smiled and held Zheng Zhilan’s hand. “I know Zhilan. I Don’t blame brother Zheng. A girl like ye Zhuo should be liked by everyone, right?” ”

Feng Xianxian paused and a self-deprecating look flashed across her eyes.

“I have no father since I was young. My mother has been living in my grandmother’s house. I have nothing. How can I compare to Ye Zhuo?”

1

“Chapter 540: 136: an unexpected turn of events. So it was the little fanboy, Feng Qianxian, who was on the verge of collapse. Da Zao noticed the health-preserving soup! 2”

“When Feng Qianxian said this, Zheng Zhilan felt even more heartache for Feng Qianxian. She also felt that ye Zao was a green tea!”

“If it wasn’t for ye Zao’s sudden appearance, then the young miss of the Lin family would be Feng Qianxian Now!”

“Previously, when everyone said that ye Zao’s mother was a mistress, Zheng Zhilan didn’t believe it.”

“Now, she completely believed it!”

“Xianxian, don’t be like this! Don’t worry, My Brother is not a fool! He will definitely see what kind of person ye Zao is!”

“Feng Xianxian smiled bitterly and shook her head. “Zhilan, forget it! I can’t compare to her!””

“You can compare!” Zheng Zhilan held Feng Xianxian’s hand. “Xianxian, don’t belittle yourself. In my heart, no one can compare to you!”

“Zhilan, thank you.” Feng Xianxian hugged Zheng Zhilan.”

“From an angle that Zheng Zhilan could not see, Feng Xianxian revealed a smug smile.”

Zheng Zhilan was a person with a strong sense of justice.

She could do anything for her friend!

“With Zheng Zhilan’s words, Ye Zhuo would not have a good ending today.”

The Zheng family had a backer in the capital.

“Ye Zhuo was just the eldest daughter of the Lin family that she recognized on the way back. His name was not legitimate. Even if Zheng Zhilan really did something to her, Ye Zhuo could only suffer this loss.”

Zheng Zhilan consoled Feng Xianxian for a long while before Feng Xianxian’s emotions gradually calmed down.

“Not long after, the two of them returned to their seats.”

“Zheng Zimo happened to be chatting with Ye Zhuo about chess. He turned to look at Zheng Zhilan and said with a smile, “Zhilan, you’re here. I forgot to tell you just now. My Goddess is that YC streamer who plays chess very well.””

YC?

“Upon hearing this, Zheng Zhilan’s eyes lit up and she instantly forgot everything.”

One had to know that she worshipped YC very much!

“Zheng Zhilan asked impatiently, “Is she the YC who won against the national champion previously?””

“Zheng Zimo nodded. “Yes, that’s her.””

“This time, Zheng Zhilan could no longer remain calm. She looked at ye Zhuo and exclaimed in surprise, “D * mn! You’re the Ye of Sitara YC?””

“Ye Zao nodded slightly. “Yes, it’s me.””

“”Ahhh!”Zheng Zhilan jumped up excitedly, “Idol! Goddess! I’m your fan! I didn’t know you very well before this. Ever since I saw the match between you and my idol, I’ve completely fallen in love with you! Oh right, my idol is Mr. Yun Shen! Goddess, can you give me an autograph?”Speaking up to this point, zheng Zhilan stretched her arm in front of ye Zao.”

“Like Zheng Zimo, Zheng Zhilan liked chess very much.”

Mr. Yun Shen was a national player in the chess world.

He had never lost to a live streamer in the couscous competition half a month ago.

“Since then, Zheng Zhilan became a fan of ye Zao.”

“But because ye Zao had only shown his face at Miao Yin’s anniversary party last year, he had not shown his face on the live broadcast since then. In addition, Zheng Zhilan had only known ye Zao for a short time, and Ye Zao had not been on the live broadcast recently, therefore, she did not realize that Ye Zao was the live streamer on her new fans.”

Zheng Zimo handed ye Zao a pen.

Ye Zao took the pen and signed Zheng Zhilan’s wrist.

The pen was in the wind.

“This handwriting was like her whole person, with a hint of coldness in it.”

“Zheng Zhilan looked at this handwriting, and her eyes were filled with amazement.”

It was said that one’s handwriting was like a person’s.

“Ye Zhuo’s handwriting was so good, how could it be the kind of scheming green tea.”

They must have misunderstood ye Zhuo.

“Zheng Zhilan continued, “Goddess, please sign your name on My Shirt Too!””

Ye Zhuo looked at the white t-shirt on Zheng Zhilan and raised his eyebrows slightly. “Are you sure?”

“Yes!”Zheng Zhilan nodded without hesitation.

Ye Zhuo then picked up a pen and signed Zheng Zhilan's white t-shirt.

"Looking at the two signatures on Zheng Zhilan's body, Zheng Zimo suddenly felt a little envious.
"Goddess, can you sign for me too?""

"Where do you want to sign?" Ye Zhuo raised his eyebrows.

"Sign here." Zheng Zimo rolled up his sleeves.

Ye Zhuo continued to sign.

Feng Xianxian's face turned pale. She never thought that things would change so dramatically.

Was Zheng Zimo and Zheng Zhilan putting on an Act?

Were they trying to kill ye Zao?

They were clearly here to seek justice for her. Why did they suddenly become ye Zao's fans?

"Zheng zhilan continued, "Idol, do you have time now? Let's Find a tea room. How about we play a game? My brother and I have pretty good chess skills!"

"Okay." Ye Zhuo nodded slightly. "You guys decide the place."

"It was rare to meet fans in real life, so ye Zhuo did not want to spoil the mood."
