

Almighty D 541

“Chapter 541: 136: an unexpected turn of events. So it was the fanboy, Feng Xianxian, who was on the verge of collapse, who noticed the health-preserving soup! 3”

“Zheng Zimo said, “Then let’s go to the tea ceremony? The environment there is very good, and the service is also good.” ”

The tea ceremony was a member-made teahouse. Ordinary people could not enter at all.

“After saying that, Zheng Zimo looked at ye Zao. “Goddess, what do you think?” ”

“Yes.”

“Then let’s go quickly!”Zheng Zhilan hugged Feng Xianxian’s arm and stood up.

“Feng Xianxian was now a mute eating Coptis. She had no words to express her bitterness, so she could only stand up together with ye Zao. She seemed to be holding a ball of fire in her heart. ”

It was very uncomfortable!

“Zheng Zimo and ye Zao walked in front, while Zheng Zhilan and Feng Xianxian walked behind. ”

“Zheng Zhilan whispered to Feng xianxian, “Xianxian, I think you have a misunderstanding about my goddess. My Goddess is definitely not the kind of person who uses her power to bully others...” ”

Feng Xianxian was already very depressed in her heart.

Zheng Zhilan kept calling her 'my goddess'. Feng Xianxian almost exploded on the spot when she heard that.

She originally thought that the two siblings were putting on an act for ye Zao to kill him.

"After all, the higher one stood, the worse one would fall. "

Now it seemed that.

Things were not like that.

The two siblings were really ye Zao's fans. They also really admired ye Zao.

Feng Xianxian didn't understand why ye Zao had the right to do so?

Why did Zheng Zhilan suddenly change her opinion of ye Zao.

And why did ye Zao become Zheng Zhilan and Zheng Zimo's goddess?

Just because ye Zao knew how to play chess?

So what if he knew how to play chess?

She also knew how to Go!

She was a 9-dan Go player.

What level was ye Zao at?

How could ye Zao compare to her?

Were Zheng Zimo and Zheng Zhilan Blind?

Feng Xianxian felt like someone had stolen something from her. It was as disgusting as eating a fly.

“After all, Zheng Zhilan was her best friend.”

Zheng Zimo was someone who had a crush on her!

“Feng Xianxian smiled and said meaningfully, “Actually, zhilan... I was already mentally prepared.” ”

““It’s not like that, Xianxian!”Zheng Zhilan felt that Feng Xianxian had misunderstood ye Zao, “My Goddess is really not that kind of person. Maybe you don’t know her yet. After you get to know her, you will know that she is a very good and outstanding person! I think my goddess is my life’s Goal!” ”

Zheng Zhilan liked chess very much.

She hoped that one day she could be like ye Zao and make a name for herself in the chess world. She hoped that she could have a group of her own fan siblings.

She was also working hard for her dream.

““I know, Zhilan.”Feng Xianxian lowered her eyes in disappointment. “Ye Zao is so beautiful. Everyone appreciates beautiful things, so I understand you.” ”

““Xianxian, it’s really not what you think! I don’t worship my goddess because she’s good-looking! It’s because she has the ability!”At this point., zheng zhilan paused and continued, “Xianxian, I can understand your feelings, but please believe me. My judgment of people is not wrong, and my goddess is definitely not that kind of green tea.” ”

Feng Xianxian sighed softly and did not say anything else.

“For a moment, Zheng Zhilan did not know how to explain it to her.”

“Just as they were about to reach the teahouse, Feng Xianxian suddenly said, “Zhilan, I suddenly feel a little uncomfortable, so I won’t go with you guys. I want to go back first.” ”

“Zheng Zhilan said with concern, “Xianxian, what’s wrong with you? Do you want my brother to send you back?” ”

““Xianxian, why don’t I Send You Back?”Hearing this, Zheng Zimo turned to look at Feng Xianxian. ”

““There’s no need,”Feng Xianxian said. “Brother Zheng, you guys go to the tea ceremony. I can go back myself.” ”

“Zheng Zimo had never thought of sending Feng Xianxian back. After all, it was not easy for him to meet the goddess in real life. He was about to go and spar with her. If he were to suddenly leave, anyone would feel regretful.”

“After all, Feng Xianxian could be seen every day.”

And it wasn’t easy for his goddess to be seen once!

“Hearing Feng Xianxian’s words, Zheng Zimo immediately went down the pole. “Xianxian, you go back alone and be careful.” ”

“Zheng Zhilan nodded and agreed. “That’s right, Xianxian, you must be careful! If there’s anything, call me and my brother.” ”

Feng Xianxian’s heart skipped a beat. She didn’t even get a chance to breathe and almost choked to death.

She did not expect Zheng Zimo and Zheng Zhilan to really let her go back alone.

“If it were any other time, they would have personally sent her back no matter what.”

What was this now?

“But the words had already been said. In this situation, Feng Xianxian could not say that she would not go back. She nodded and said, “Don’t worry, I’m not a child anymore. I’ll go back first.” ”

“Chapter 542: 136: an unexpected turn of events. So it was the little fanboy, Feng Xianxian, who was on the verge of collapse! 4”

“After saying that, Feng Xianxian turned around and left.”

““Wait a minute,” ye Zao suddenly said.”

Feng Xianxian turned back to look at ye Zao with a puzzled look in her eyes.

Ye Zao’s red lips parted slightly. “Didn’t you say that you wanted to have a talk with me?”

“Feng Xianxian said, “Actually, there’s nothing much to talk about. I just wanted to introduce Zhilan and big brother Zheng to you, but I didn’t expect the two of you to know each other.” ”

“Upon hearing this, Zheng Zhilan quickly echoed, “Yes, yes, yes, Goddess, Xianxian is right!” ”

Zheng Zimo also nodded.

“Ye Zao’s eyes flickered, but he didn’t say anything else.”

“After Feng Xianxian left, the three of them quickly arrived at the teahouse.”

“They got someone to brew a pot of top-grade biluochun, and instantly, the entire room was filled with the fragrance of tea.”

Zheng Zimo got someone to bring the chess set.

““Goddess, I’ll play with you first.”Zheng Zhilan volunteered to sit in front of ye Zao.”

Ye Zao nodded slightly.

“Although Zheng Zhilan had studied chess for many years, in front of ye Zao, she was still a rookie. In less than five minutes, Zheng Zhilan surrendered.”

Zheng Zimo went on stage.

“His go skills were much better than Zheng Zhilan’s, but he only lasted less than ten minutes.”

Zheng Zimo had always watched ye Zao play against others in front of the screen. He thought that he knew ye Zao’s go style very well and that it would be no problem for him to win against Ye Zao. He did not expect that he would still lose despite being so cautious.

He was completely convinced by ye Zao!

“Amazing!”Zheng Zimo gave ye Zao a thumbs up.

“Ye Zao smiled slightly. “Just so-so, third place in the world.” ”

“Zheng Zimo continued to ask, “Oh right goddess, have you ever gone out with big shot beauty before?” ”

“No.”

“Zheng Zimo said in surprise, “So your boyfriend is really not Big Shot Beauty?” ”

That Beauty Boss had given ye Zao a total of more than eight digits worth of gifts.

Zheng Zimo had thought that he was the one who had appeared in front of the camera the last time.

Who would have thought...

It wasn't him.

“Ye Zao continued, “My boyfriend and I met in real life.” ”

“Zheng Zhilan seemed to have heard some big secret today. “Holy shit! Goddess, you have a boyfriend?” ”

She had just become a fan of ye Zao and did not know that ye Zao already had a boyfriend.

“Yes.”Ye Zao nodded slightly.

Zheng Zhilan's face was filled with shock.

She really could not imagine what kind of man was worthy of Ye Zao.

Roughly...

Was he like Cen Wu Ye?

1

“However, Cen Wu Ye was an unmarried person and a vegetarian. It seemed that there was no possibility of marriage in this lifetime.”

Was it difficult? Who else could be worthy of her besides Fifth Master Cen?

“Zheng Zhilan racked her brains, but she could not come up with a reason.”

...

The Lin family.

Feng Qianhua came on time to deliver soup to Old Lady Lin.

“Zhao shuning came to pick her up on behalf of Aunt Zhang. She smiled and said, “Mom was right.” ”

“Feng Qianhua asked, “What did Aunt Lin Say?” ”

“”Mother said that out of all the daughters-in-law, you are the most filial. You come every day to bring her soup.”Zhao shuning held onto Feng Qianhua’s arm.”

“Feng Qianhua smiled and said, “It’s only right to be filial to Aunt Lin. Although Aunt Lin and I don’t have a mother-in-law-in-law relationship, our mother-daughter relationship is still there.” ”

She had persisted for nineteen years.

She would never give up at a time like this.

“She would definitely personally chase ye Shu, that mistress, out of the Lin family.”

“Zhao shuning said, “If it were up to me, you should have changed your way of addressing me as ‘Mom’ a long time ago! How many things have you done for the Lin family in the past 19 years! How Could You Be Like That Vixen? She didn’t do anything. She didn’t even raise Ah Ze and just sat there and enjoyed the fruits of her labor! Ptui! What right does she have?” ”

Zhao shuning hated ye Shu and Ye Zhuo very much.

This was because no one had ever made her lose face in her entire life.

But Ye Zhuo had embarrassed her so much.

He had embarrassed her so much at the banquet.

“Now, everyone in the industry knew that she didn’t know Arabic!”

There were even people who used it to mock her for losing to her niece.

This was a great humiliation for Zhao shuning.

“Moreover, she had known Feng Qianhua for a long time, and Feng Qianhua had kept a big secret for her. In her heart, Feng Qianhua was her fifth younger brother and sister.”

1

Not some random cat or dog!

Feng Qianhua patted the back of Zhao Shuning's hand. "I did all this voluntarily. Let's go in quickly."

"After a short while, they arrived at Old Mrs. Lin's house."

"Old Mrs. Lin smiled and said, "Qianhua is here." Although she was talking to Feng Qianhua, her gaze fell on the Thermos flask in Feng Qianhua's hand, and there was an unconcealable desire in her eyes."

Feng Qianhua took out the health soup and handed it to old Mrs. Lin.

Old Mrs. Lin took the health soup with both hands and drank it in one gulp.

"Chapter 543: 136: an unexpected turn of events. So it was the little fanboy, Feng Xianxian, who was on the verge of collapse! 5"

"Zhao shuning said, "Mom, look at how filial Qianhua is! Unlike the one in the front yard! It's been so long, and she hasn't come to see you once! I think she doesn't take you, her mother, seriously at all!"

"Hearing this, Old Mrs. Lin's eyes were full of anger. She recalled what Lin Jincheng said last night and was even more furious!"

How could a B * tch like ye Shu compare to Feng Qianhua?

"Feng Qianhua looked at Old Mrs. Lin in the eye and immediately said, "Aunt Lin, don't be angry. I don't think brother Jincheng and sister ye Shu are at home. Did they go to change the surname of Searing Flames?"

"Zhao shuning continued, "Qianhua, it's fine if you don't mention it. But once you say it, our mother will probably be even angrier!"

“What’s Wrong?” Feng Qianhua asked in surprise. “Aunt Lin didn’t agree to change Zhuozhuo’s surname? Aunt Lin, don’t be stubborn. No matter what, Zhuozhuo is brother Jin Cheng’s child. She is the Lin family’s flesh and blood. How can you let the Lin family’s flesh and blood take an outsider’s surname? If this is seen by people who don’t know, they will think that brother Jin Cheng has married into the Ye family!”

This sentence was like adding fuel to the fire.

Old Madam Lin’s face turned pale.

“Feng Qianhua pretended to be confused. “Aunt Lin, did I say something wrong?””

“Zhao shuning said, “It’s not that you said something wrong! It’s that someone didn’t want to change that wild girl’s surname!””

“Didn’t want to?” Feng qianhua frowned and said, “Besides Aunt Lin, who else wouldn’t want to? After all, Fiery Blaze was originally surnamed Lin. Now that we’ve recognized her, it’s only natural that she should change her surname!””

“Who else but that Vixen!” Zhao shuning continued, “In the past, Jin city was a very obedient and filial son. In the end, that Vixen didn’t even marry into our Lin family for half a day before she caused chaos in our Lin Family!””

“Feng Qianhua said in surprise, “Is it sister Ye Shu who is unwilling?””

“Yes.” Zhao shuning nodded.

Feng Qianhua frowned. “Sister Ye Shu is not the kind of unreasonable person. Is there a misunderstanding?”

“What misunderstanding could there be!” Zhao shuning continued to add fuel to the fire, “Qianhua, you didn’t see how Jin City treated our mother last night! He even wanted to sever the mother-son relationship with our mother for that Vixen!””

“No, it can’t be?” Feng Qianhua’s face was filled with disbelief.”

“An unfilial son!” Old Madam Lin suddenly sobbed. “I raised an unfilial son! It’s all that B * Tch Ye Shu’s fault! If it weren’t for her, our Lin family wouldn’t be in this state today!”

Zhao shuning quickly comforted old madam Lin.

Feng Qianhua frowned. “Brother Jin Cheng was indeed wrong in this matter. No matter what, you are his mother and the person who gave him life. How could he treat you like this!”

“After saying that.., Feng Qianhua continued, “To put it bluntly, asking burning to change her surname means that he thinks highly of her! Not everyone has the right to have the surname Lin! Even if she doesn’t want to change her surname to Lin, she can’t follow Ye Shu’s surname! She’s obviously a child of the Lin family, but she has an outsider’s surname. Isn’t that a joke?”

“Zhao shuning narrowed his eyes. “Qianhua, who do you think her surname should be?”

Feng Qianhua said, “I think if she doesn’t want her surname to be Lin, she should follow Aunt Lin’s surname, Zhao! No matter what, Aunt Lin is this old lady. Ye Shu doesn’t have the right to let her child follow her surname!”

“Qianhua,” Zhao shuning agreed with Feng Qianhua’s words and nodded. “I think you’re right! This ye Zhuo should follow our mother’s surname and be called Zhao Zhuo!”

Feng Qianhua continued, “Anyway, if I were sister Ye Shu, my daughter’s surname would be either Lin or Zhao.”

Feng Qianhua’s words touched Old Lady Lin’s heart.

Why wasn’t Feng Qianhua her daughter-in-law?

Why couldn't a good mother-in-law meet a reasonable daughter-in-law?

""It's not nice to be called Zhao Zhuo," old lady Lin continued, "Why don't you just change your name to Zhao Linzhuo!""

Feng Qianhua nodded. "It's very thoughtful of you to bring both families' surnames with you."

"Zhao Shuning said worriedly, "If they don't agree to the change, it's useless for us to discuss so much!""

"Old Mrs. Lin narrowed her eyes, "Shuning, if that b * Tch Ye Shu comes back later, call her over! I don't believe that she can rebel against the heavens! If she dares to disagree, tell her to get the hell out of the Lin Family!""

"Chapter 544: 136: an unexpected turn of events. So it was the little fanboy, Feng Xianxian, who was on the verge of collapse, who noticed the health-preserving soup! 6"

""Okay." Zhao Shuning nodded, a smug look flashing in his eyes. "

It seemed that Ye Shu was doomed this time.

"Feng Qianhua said somewhat worriedly, "Aunt Lin, I don't think Sister Ye Shu is the kind of unreasonable person. You can talk to her nicely. I believe that she will definitely agree." "

"Old Madam Lin sighed and looked at Feng Qianhua. "Qianhua, do you really think that everyone in this world is as kind as you? That B * Tch Ye Shu, she can't even compare to half of you!" "

"Feng Qianhua smiled embarrassedly. "Aunt Lin, you think too highly of me." "

“Zhao shuning smiled and said, “Qianhua, you’re already very good! What’s there to be modest about?” ”

12:30 pm.

Feng Qianhua proposed to leave.

Aunt Zhang sent Feng Qianhua out.

“How was the Lin Family Last Night?” Feng Qianhua asked in a low voice.

“Aunt Zhang smiled and said, “Just like what Zhao shuning said, it caused a ruckus! Qianhua, you’re still the best!” ”

“Right now, there were only two choices in front of ye Shu and her daughter. ”

Either change their surname.

Or get the hell out of the Lin family.

“Unfortunately, Feng Qianhua did not need to do anything. She only needed to move her lips. Old Lady Lin was extremely grateful to Feng Qianhua. ”

“It’s just a small trick.”

The two of them had just stepped out of the door when they saw ye Zao Walk in.

He saw ye Zao.

Feng Qianhua’s eyes narrowed slightly.

She did not know if it was an illusion.

She had a feeling that ye Zao was even more difficult to deal with than ye Shu. She subconsciously tightened her grip on the bag containing the thermos bucket.

“Zao Zao,” Feng Qianhua greeted ye Zao with a smile. ”

Ye Zao raised his eyes slightly and swept his gaze across the bag in Feng Qianhua’s hand. “Auntie Feng.”

Feng Qianhua heaved a sigh of relief.

It seemed that ye Zao was not as wise as she had imagined.

“If ye Zao was really that wise, he could have ignored her. ”

But Ye Zao was not.

“Ye Zao continued, “Auntie Feng, are you here to deliver food to my grandmother?” ”

Feng Qianhua nodded and smiled. “I’m here to deliver some soup to your grandmother.”

“When the two of them brushed past each other, ye Zao sniffed lightly and his peripheral vision landed on the bag. His eyes narrowed slightly. ”

Ye Zao had just walked to the front door of the manor when he saw the butler laboriously carry a white plastic bucket to the kitchen.

“Grandpa Butler.” Ye Zao jogged forward. “Let me do it.”

“The Butler smiled and raised his head. “Miss, this is too heavy. You Can’t carry it! It weighs more than 80 kilograms!” Although ye Zao had just arrived at the Lin family, the butler could tell that ye Zao and Feng Xianxian were not the same type of people. ”

“Is it that heavy?” Ye Zao raised his eyebrows slightly. “Why don’t you let me try?”

The Butler let go. “Then you can try.”

Ye Zao picked up the plastic bucket with one hand and walked forward lightly. It looked as if the thing in his hand had no weight at all.

The Butler was stunned. He looked at ye Zao and almost forgot to react.

“”Grandpa Butler, where should I send this to?” Ye Zao looked back slightly. ”

The Butler finally reacted and immediately followed ye Zao’s footsteps. “Send... send it to the warehouse at the back.”

“Ye Zhuo carried the bucket with one hand. As he walked, he chatted with the housekeeper. “Grandpa Housekeeper, does aunt Feng send soup to my grandmother every day?” ”

“The housekeeper nodded. “Yes, she has sent it for more than ten years.” ”

Ye Zhuo narrowed his eyes. “Then she is quite patient.”

“The housekeeper continued, “The old lady had a serious illness before. She saw many famous doctors but to no avail. In the end, it was Miss Feng who asked for a prescription from the godly doctor. After the old lady drank the health-preserving soup that she sent, her illness was slowly suppressed. Then, she drank it for more than ten years.” ”

“Can you let me take a look at that prescription?”

“The Butler shook his head. “Not to mention you, I’m afraid that even the old lady herself has never seen the prescription.” ”

“So Mysterious?”The image of Feng Qianhua holding something appeared in ye Zao’s mind.

“The butler explained, “I heard that the godly doctor has a strange temper. Other than him and the patient, no one else can see the prescription he gave. So, Miss Feng always cooks the health-preserving soup before sending it over.” ”

Ye Zao narrowed her beautiful eyes. “Then what time does she send it over every day?”

“Around...”the butler thought for a moment. “Around 11 am.”

Ye Zao nodded slightly.

...

Phoenix Manor.

“An old man with white hair sat in front of the garden. His gaze was somewhat profound. Although she did not say anything, she gave people an inexplicable sense of sadness. ”

“Just then, a pretty girl came over and said gently, “Aunt, my mother asked me to bring you some pastries.” ”

“Chapter 545: 136: an unexpected turn of events. So it was the little fanboy, Feng Xianxian, who was on the verge of collapse. She noticed the health-preserving soup! 7”

“The old man turned around slightly. Actually, she was not that old. She was at most in her early fifties, but her hair was too white.”

She was the lady boss of the private restaurant for half a month.

Aunt Lang.

“Aunt Lang turned around to look at the young woman. “Weiyue, help me thank your mother.””

“Xi Weiyue smiled faintly. “We’re all family, aunt, you don’t have to be so polite.””

Family?

Were they really family?

A sarcastic look flashed across Aunt Lang’s eyes before disappearing.

“Xi weiyue continued, “Aunt, do you Miss Sister Half Moon?””

Aunt Lang did not say a word as she picked up a piece of hibiscus cake.

Her Little Half Moon had already left her for 36 years.

She wondered if she would be able to wait for her daughter in her lifetime...

“It had been thirty-three years, even though she had never given up on looking for her daughter.”

Unfortunately.

There was still no news of her.

“Seeing Aunt Lang like this, xi weiyue continued, “Aunt, then I won’t bother you anymore.””

Aunt Lang still did not say anything. She was lost in her thoughts as she looked at the lilies blooming by the roadside.

Xi Weiyue returned to the attic.

Her parents were waiting for her in the living room.

“Xi Weiyue’s mother, Yang Jiao, was 40 years old this year, but due to her good foundation and maintenance, she looked only around 30 years old.”

“When she saw Xi Weiyue return, Yang Jiao asked impatiently, “How is it, Weiyue? Did Your Aunt Tell You?””

Xi Weiyue shook her head.

“Yang Jiao frowned and turned to look at Xi Muwen beside her, “Logically speaking, Weiyue looks the most like that child. She should really like our Weiyue! How could she not say anything! ! Do you think she wants to keep that secret and bring it underground? “Ye Langhua’s body is deteriorating year by year. If something really happens, wouldn’t we be wasting our efforts?””

His words were filled with worry.

“Xi Muwen narrowed his eyes. “There’s no rush. When the time comes, she’ll definitely say it.””

Xi Muwen and Yang Jiao were 23 years apart.

“From the looks of it, the two did not look like a couple but more like father and daughter.”

“How long will it take?” Yang Jiao was still a little anxious. “What if she doesn’t say anything? Are you willing to let those things be taken underground by her?”

“Xi Muwen lit a cigar and sat on the sofa, puffing out smoke. “You have to know that haste makes waste. Similarly, haste makes waste!””

Xi Weiyue nodded. “I think father is right.”

“Yang Jiao rolled her eyes at the father and daughter. “Fine, fine, fine! Then just wait and see. Wait for her to take the initiative to tell you that you’re not in a hurry now. When the time comes, just don’t regret it!””

Xi Muwen waved his hand. “A woman’s opinion!”

...

At the Lin family home.

“Lin Jincheng and ye Shu had just reached home when Zhao shuning came over. “Fifth sister-in-law, MOM is calling for you.””

“Ye Shu nodded. “Okay, I’ll be right there.””

“Zhao shuning looked at Ye Shu, his eyes filled with disgust. “Then hurry up. Don’t make mom wait for You!””

She really couldn’t understand why Lin Jincheng would fall for ye Shu.

“Other than that face, what else could she compare to Feng Qianhua?”

It was disgusting to see her!

Lin Jincheng held ye Shu's hand. "I think I'll go with you."

Ye Shu shook her head. "No need. I can do it myself."

Lin Jincheng was a little worried. "My mom can be especially harsh sometimes..."

"Don't worry, I can handle it." Ye Shu continued, "You can't always be by my side. I have to learn how to handle these things."

"In the past year, Ye Shu had experienced a lot."

She had also grown a lot.

"Lin Jincheng continued, "Then be careful."

"Okay." Ye Shu nodded and went to the courtyard where Old Lady Lin lived.

"Old Lady Lin was sitting on the armchair in front of the hall. When she saw ye Shu coming over, her eyes were filled with viciousness."

B * Tch!

It was all her fault!

"Not only did she steal Feng Qianhua's position, but she also stirred up trouble in front of Lin Jincheng."

"If it weren't for that B * Tch Ye Shu, would she have gotten to where she was today with Lin Jincheng and his mother?"

“Facing Old Lady Lin, ye Shu really couldn’t call her ‘mother’. After all, if it weren’t for Old Lady Lin, she wouldn’t have been separated from Lin Ze and his mother for nineteen years.”

“But if Old Lady Lin didn’t pick on her, she would also be nice to her. “Why did you call me here?””

Old Lady Lin did not have a good attitude towards ye Shu and went straight to the point. “Come with me to the Public Security Bureau tomorrow. I want to change my granddaughter’s name!”

“Change her name?”Ye Shu frowned. “You want to change her name?”

“”Yes!”Old Lady Lin continued, “I have already thought of her name. In the future, my granddaughter will have my surname! Her name will be Zhao Linzhuo!””

“Chapter 546: 136: an unexpected turn of events. So it was her little fan, Feng Xianxian, who was on the verge of collapse, who noticed the health-preserving soup! 8”

“Ye Shu said in disbelief, “What? Her surname is Zhao?” ”

“If it was understandable for ye Zhuo to have the surname of Lin Jincheng, what did it mean to have the surname of Old Lady Lin? ”

“Old Lady Lin said, “Why? You Don’t agree?” ”

“Yes! I don’t agree!”Ye Shu’s attitude was very firm. “It’s impossible for my daughter’s surname to be Zhao!”

“”Can’t be Zhao? If she can follow your surname, then she can follow my surname! She’s my granddaughter!”Old Lady Lin’s attitude was very firm, “If I want her to have the surname Zhao, then she

must have the surname Zhao! But it's not up to you! If you dare to disagree, I'll have Jin city chase you out of our Lin Family!" "

"After saying this, Old Lady Lin looked at ye Shu proudly. "

Ye Shu had gone through so much trouble to enter the Lin family. was she willing to leave the Lin Family?

"Next, Ye Shu would definitely give in! "

"Ye Shu was also very angry. "Then, please watch carefully. Does Lin Jin city dare to kick me out? ! You want to change my daughter's name? No Way!" "

"Old Lady Lin slammed the table and stood up. She said angrily, "Ye Shu! Don't be so shameless. I'll change my granddaughter's surname. What right do you, an outsider, have to disagree!" "

"A SL * T was indeed a SL * T. she did not know how to judge the situation at all, yet she dared to challenge her! "

""Just because scorching hot is my daughter!"Ye Shu continued, "If you say I'm an outsider, then you're not an outsider? This is the Lin Family! Not Your Zhao family! What right do you have to change my daughter's surname?" "

"SL * T!"Old Mrs. Lin's face turned cold. "Say that again!"

"She was ye Zhuo's grandmother, the old lady of the Lin family. How could she not have the right to give ye Zhuo the surname Zhao? "

"Ye Shu looked at Old Lady Lin. "You are my mother-in-law, I am the mother of your grandson and granddaughter, and your son's wife. If I am a B * tch, then what are you? An old B * Tch?" "

Old Lady Lin was so angry that her entire body was trembling.

She did not expect ye Shu to dare to turn the tables and call her an old slut!

“However, she did not have any words to refute. ”

She knew that Ye Shu was not a good person.

“If it was Feng Qianhua, would feng Qianhua scold her like that? ”

“Ye Shu had just entered the Lin family and she dared to be so arrogant. If this continued, wouldn't she turn the sky upside down? ”

“Old Lady Lin stood up and raised her right hand, slapping ye Shu's face fiercely. ”

Ye Shu tilted her head and avoided old Mrs. Lin's slap.

It's reversed!

It's really reversed!

Old Mrs. Lin looked at Ye Shu in disbelief.

She didn't expect ye Shu to dare to Dodge.

Did Ye Shu not know who was in charge of the Lin Family?

““You, you still dare to Dodge!”Old Mrs. Lin was so angry that her voice was trembling. ”

“Why don’t I Dodge?” Ye Shu raised her head and looked at Old Mrs. Lin. “Do you think I’m still the Old Ye Shu?”

“After saying this, Ye Shu turned around and walked out. ”

““Ye Shu, stop right there!” Old Lady Lin shouted, “Stop right there!” ”

But Ye Shu acted as if she didn’t hear it.

“Looking at Ye Shu’s back, Old Lady Lin’s legs went weak and she sat on the ground. Her eyes were red with anger, “Slut! What a slut! What sin have I Done! God wants to punish me like this! I’m already so old, why can’t I have a good and comfortable life? God, why don’t you just take me away... “... “...” ”

“When Zhao shuning walked in, Old Mrs. Lin was sitting on the ground and crying. She was shocked. ”

She thought that the person who was crying on the ground would be ye Shu...

She didn’t expect the truth to be the complete opposite.

““Mom, what’s Going On?” Zhao shuning quickly helped Old Lady Lin up. ”

“After listening to Old Lady Lin explain the whole process., zhao shuning said angrily, “That Vixen ye Shu is really too daring! She actually dared to treat you like this! Mom, let me tell you! This name must be changed! You have to let that Vixen ye Shu know that the person in charge of this family is still you! “If she wants to stay in this family, she has to look at you!” ”

“Do you have a way?” Old Lady Lin raised her head and asked.

“Zhao shuning continued, “My brother works in the city. As long as I tell him about this, he will definitely help!” ”

“Hearing this, Old Lady Lin said excitedly, “Really?” ”

Zhao shuning picked up his phone. “I’ll call my brother right away!”

“The call went through very quickly. Zhao shuning’s brother, Zhao Shuqi, was not a small official. When he heard this, he said, “Shuning! How about this? Tomorrow, you bring your old lady to the station. When the time comes, I’ll just inform them.” ”

Chapter 547: 137: s 3 was a person that he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he changed it back! 1

“Hearing Zhao Shuqi’s words, Zhao shuning heaved a sigh of relief. “Brother, I’ll have to Trouble You Then. Can I go after 12 o’clock tomorrow afternoon?” ”

“At 11 o’clock in the morning, Feng Qianhua would come over to deliver the health soup to Old Lady Lin. ”

“At 12 am, she was free. ”

“On the other end of the phone, Zhao Shuqi flipped a page of the document in his hands. “Sure. If there are any problems, you can just call me.” ”

“Okay.”

Zhao shuning hung up the phone in satisfaction.

“Madam Lin asked impatiently, “Shuning, what did your brother say?” ”

“Zhao shuning smiled and said, “It’s just a name change. To my brother, it’s just a matter of words.” ”

“Hearing this, Old Madam Lin was very excited. “Shuning, then I really have to thank your brother.” ”

“Zhao shuning said, “We’re all family. What’s there to thank? Once we’ve changed our name, Let’s see how that B * Tch Ye Shu will continue to torment us!” ”

Old Madam Lin nodded and agreed with Zhao Shuning’s words.

“”Shuning, I’ve let you stay in the Lin family all these years. It’s really been hard on you.”Old Madam Lin held Zhao Shuning’s hand. “You and Qingxuan aren’t young anymore. When are you going to adopt one?” ”

“When she mentioned this, guilt appeared in Old Mrs. Lin’s eyes. ”

The Lin family had let down Zhao shuning.

“When Lin Qingxuan and Zhao shuning had just gotten married, Old Mrs. Lin had been urging them to have children. However, they had been married for two or three years, and Zhao Shuning’s stomach hadn’t moved at all. ”

“Old Mrs. Lin thought that Zhao shuning wouldn’t give birth, so she made things difficult for Zhao shuning. ”

“Who knew that after going to the hospital for a check-up, the person who wouldn’t give birth was Lin Qingxuan. ”

“However, in order to protect the Lin family and Lin Qingxuan’s reputation, Zhao shuning actually announced to the outside world that the person who wouldn’t give birth was her. ”

“Over the years, Zhao shuning had suffered a lot because of this. ”

That woman didn’t want to be a mother for once.

“However, Zhao shuning voluntarily gave up the right to be a mother for Lin Qingxuan.”

“As both women, Old Lady Lin felt especially sorry for Zhao shuning.”

Zhao shuning was sensible and knew how to take care of the big picture.

She was nothing like that B * Tch ye Shu!

“It was one thing if she didn’t know how to take care of the big picture, but now, she still dared to look down on her mother-in-law!”

What right did this kind of woman have to enter the Lin family’s gates!

“Zhao shuning smiled and said, “Mom, the children in the Welfare Institute are already six or seven years old. They have their own memories and can’t be properly raised! Qingxuan and I plan to carry a newborn child.” ”

“”Then, do you have any plans?”Old Lady Lin asked. ”

“Zhao shuning nodded. “I’ve already asked my mom to pay attention to the situation in my hometown in the countryside. If there’s a suitable one, bring it back and raise it.” ”

“”Shuning, you’re right. It’s best to raise this child from a young age.” ”

“Zhao shuning continued, “Mom, don’t be angry. Tomorrow afternoon, we’ll go to the Public Security Bureau and Change That Girl’s name! It’s getting late, so I’ll go back and Rest First!” ”

“”Okay, you should go back and rest.” ”

Zhao shuning's room was in the west wing.

"When Zhao Shuning returned to her room, Lin Qingxuan was making tea. "You're back." "

"Okay." Zhao shuning nodded. "I have to accompany mom on some errands tomorrow. Go iron my silk dress."

"Because she felt guilty towards Zhao shuning, Zhao shuning and Lin Qingxuan didn't seem like a couple. "

It was more like an employment relationship.

Lin Qingxuan never said 'no'to Zhao shuning.

"Okay." Lin Qingxuan put down the Teacup and went to iron her skirt.

"While ironing her skirt, lin qingxuan asked curiously, "Shuning, where are you going with Mom Tomorrow?" "

"I'm going out to do something." Zhao shuning lowered her head to look at her phone.

"Do what?" Lin Qingxuan continued, "It can't be about changing the name of searing Jade, right?" "

"Zhao shuning smiled and said, "You're right." "

"Lin Qingxuan frowned and said hesitantly, "Shuning, Jin city and the fifth sister-in-law don't agree to change the child's name. Why don't we not interfere in this matter?" "

"Lin Qingxuan, what do you mean?" Zhao shuning's expression changed immediately, "Do you think I'm meddling? Do you know how our mother was angered by that Vixen just now? I think you're interested in that Vixen, ye Shu!" "

Vixen?

“Lin Qingxuan’s expression was also a little ugly. He didn’t even say anything to Ye Shu, so how could he take a liking to her?”

“Shuning, calm down. No matter what, we’re family with the fifth sister-in-law. Don’t be so harsh with your words...”

“Zhao shuning glared at Lin Qingxuan and directly interrupted him, “Lin Qingxuan! Kneel down!””

Chapter 548: 137: s 3 was a person he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he changed it back! 2

Lin Qingxuan put down the iron in his hand and knelt in front of the bed.

“All these years, because of his guilt towards Zhao shuning.”

He never retaliated against Zhao shuning’s beating and scolding.

“After all, he was the one who made Zhao shuning lose the right to be a mother.”

He was the one who let Zhao shuning down.

“Zhao shuning pointed at Lin Qingxuan. “Let me ask you, did you hook up with that Vixen ye Shu?””

“No, shuning. You’ve been with me for so many years. Don’t you know what kind of person I am?” Lin Qingxuan kneeled on the ground and explained weakly, “Nothing happened between me and my fifth sister-in-law. Nothing Ever Happened!” ”

“Then why do you care so much that I said ye Shu was a Vixen!”

“Lin Qingxuan sighed. “I just feel that we’re all family, and it’s not good for you to talk like that.” ”

“Zhao shuning was so angry that his face turned pale, “I’m willing to say that Ye Shu is a vixen! She’s a Vixen! Shameless! Lin Qingxuan, let me ask you, are you tired of me? ! You Want to divorce me? Let me tell you, there’s no way you can divorce me! You’ve delayed me for so many years! If it weren’t for you, I would have had both my children by now!” ”

“But it’s because of you! I’ve been mocked as a hen who can’t lay eggs!”

“Lin Qingxuan! It’s clearly you who can’t do it! You Don’t have the ability! I’ve been the scapegoat for you for so many years! Do you even have a conscience? !”

Zhao shuning had long felt that something was wrong with Lin Qingxuan.

The way he looked at Lin Ze and ye Zao was not right. His eyes were filled with envy!

Didn’t Ye Shu just give birth to a pair of twins?

What was so great about it?

“Let me tell you, if you can do it, don’t even talk about a pair of twins! I can give birth to even two pairs of twins! Do you think that Vixen ye Shu will give birth?” ”

Zhao shuning could not contain his anger and every sentence was harsh.

“Faced with Zhao Shuning’s accusation, Lin Qingxuan did not refute at all. She could only say in a pale voice, “Shuning, I know that you are a good woman. Don’t worry, I have never thought of divorcing you!” ”

“Zhao shuning was still not satisfied. Because of his heated words, his facial features became ferocious. “Then let me ask you, is Ye Shu a Vixen?” ”

Lin Qingxuan did not say anything.

He could not answer this question.

He could not bring ye Shu along for no reason just to please Zhao shuning.

“Seeing that Lin Qingxuan did not say anything, Zhao shuning became even angrier. He felt that Lin Qingxuan definitely had unspeakable intentions towards ye Shu. “Lin Qingxuan, let me ask you, are you feeling guilty?” ”

“No.”

Zhao shuning glared at him. “Then why don’t you dare to say that Ye Shu is a Vixen?”

“Lin Qingxuan looked up at Zhao shuning. “Shuning, you’re too extreme. Fifth sister-in-law isn’t that kind of person.” ”

Slap

“Zhao shuning gave Lin Qingxuan a slap. “I want you to say that Ye Shu is a vixen! Otherwise, we’re not done!” ”

Lin Qingxuan’s face immediately swelled up with a palm print.

Lin Qingxuan's eyes didn't show much surprise.

"All these years, he had received quite a few slaps from Zhao shuning. He had long gotten used to it."

"Are you going to say it or not!" Before Lin Qingxuan could react, Zhao shuning slapped her again. "

Lin Qingxuan smiled bitterly.

Great.

"This time, it was finally symmetrical."

"Lin Qingxuan, are you going to say it or not?" "

Lin Qingxuan had been silent the whole time. Zhao shuning broke down. Tears surged up and he wailed loudly.

No one knew how much she loved Lin Qingxuan.

She was afraid of losing Lin Qingxuan.

"When Lin Qingxuan treated her well and unconditionally tolerated her, she thought about how she would break down if Lin Qingxuan left her one day!"

She couldn't.

She couldn't let anyone take Lin Qingxuan away.

No one could!

“Ye Shu, that Vixen, she could never take Lin Qingxuan away.”

Lin Qingxuan wasn't afraid of anything.

“He wasn't afraid of Zhao Shuning slapping him, nor was he afraid of Zhao shuning scolding him. He was only afraid of Zhao shuning crying in front of him. ”

He once read a sentence.

A good man shouldn't let the woman he loved cry for him.

“”Shuning, don't Be Like This!” Lin Qingxuan walked over and hugged Zhao shuning. “I'll say it! I'll say it, Alright?” ”

“Hearing this, Zhao shuning raised his head and looked at Lin Qingxuan. “Then quickly say that Ye Shu is a Vixen!” ”

“Lin Qingxuan took a deep breath and apologized to Ye Shu in her heart as she said, “Ye Shu... is a vixen.” ”

“Hearing this, Zhao Shuning was satisfied. ”

Ye Shu wanted to fight with her?

No Way!

She was not Feng Qianhua who could hand over her man!

...

East Wing.

It was already 11 o'clock at night.

The lights in a room on the third floor were still on.

Chapter 549: 137: S3 is a person you can not afford to offend! You will implicate the entire Zhao family!
Change it back the same way you changed it back! 3

A slender girl was sitting at the desk by the window.

“She was wearing white silk pajamas and holding a pencil in her hand. She was drawing something on the design draft with her eyebrows lowered. As long as she raised her eyes slightly, she would be able to see a crescent moon hanging in the sky outside the window.”

The bright moonlight shone through the glass window and coated her body with a layer of clear light.

A moment later.

“She put down the pen in her hand, stretched, and opened the laptop. Her jade-white fingertips formed a sharp contrast with the black keyboard. Before long, the room was filled with the sound of clacking keyboards.”

“Although there were some clues about the incident that happened in the 19th year at the Yun Jing women and Children’s Hospital, it was still very vague so far.”

“First, it had been too long.”

“Second, the surveillance system had not been completely perfected, and some cities had not even popularized surveillance.”

“Third, the medical staff of that year had basically all retired.”

“Ye Zhuo frowned slightly. Although it would be difficult to investigate all the things that had happened back then, she did not want to give up just like that.”

She had to take it slow.

She looked forward to the day when she would uncover the truth layer by layer.

“After turning off the sky eye system, Ye Zao entered Feng Qianhua’s name into the search engine.”

...

The next morning.

Ye Zao got up on time to run.

“The Morning Air was very good, and there were birds chirping and flowers in the backyard.”

Ye Zao ran around once and saw Lin Qingxuan come out to run as well.

““Good morning, fourth uncle.” ”

“Although Zhao Shuning wasn’t a good person, ye Zhuo had a good impression of Lin Qingxuan as his fourth uncle.”

“He had just talked about ye Shu behind his back last night. Now that he saw ye Zhuo, Lin Qingxuan felt a little guilty. “Good morning, Zhuo Zhuo. Did you come out to run too?” ”

“”Yes, fourth uncle.”Ye Zhuo nodded slightly. His gaze swept past Lin Qingxuan’s face without leaving a trace.”

This was...

BEATEN?

“Cough Cough!”

A cough came from behind.

“An unnatural expression flashed across Lin Qingxuan’s face. “Zao Zao, I went over there to run.” ”

“Okay.”

“After Lin Qingxuan left, Ye Zao looked back.”

He saw Zhao shuning walking over from the side.

Ye Zao raised his eyebrows slightly.

He didn’t expect Lin Qingxuan to be afraid of his wife.

“Zhao shuning smiled. “Zao Zao, come out for a run!” ”

“”Fourth aunt,”ye Zao called out politely.”

But that was only limited to politeness.

She really didn't have a good impression of this fourth aunt.

Zhao shuning's gaze swept past ye Zao.

Whether it was in terms of image or temperament.

"In the entire capital, there was probably no one else who could do that."

"Such a good-looking face, how could she give birth to this wild lass just like that?"

Zhao shuning's eyes flashed with disgust.

If Lin Qingxuan could give birth...

The daughter she gave birth to would definitely be ten thousand times more beautiful than this wild girl!

What was this wild girl?

"Looking at ye Zao, Zhao Shuning narrowed his eyes, the corners of his mouth still maintaining a smile.

"Zao Zao, do you have a boyfriend?" "

"This has nothing to do with you," ye Zao continued, "I still have to run, so I won't chat with you." "

Zhao shuning's smile froze at the corner of her mouth.

A wild girl was indeed a wild girl!

She didn't have any manners at all!

Did she really put fourth aunt in her eyes?

Zhao shuning looked at ye Zhuo's back and gnashed her teeth. She wanted nothing more than to eat ye Zhuo!

"After the run, they went back."

Lin Jincheng was already arranging breakfast.

"The Lin family's manor was very large. Ever since ye Shu returned, Lin Jincheng had led a family of four to live in the east courtyard. Their clothes, food, accommodation, and travel were all separated from Old Lady Lin."

"Zhonghua, it's time to eat."

"I'll go up and wash my face first."

"Okay." Lin Jincheng nodded.

"By the time ye Zhonghua finished washing his face and went downstairs, Ye Shu and Lin Ze were already sitting at the dining table."

Ye Zhonghua walked over to Lin Ze and sat down.

"Lin Ze picked up the peeled eggs and placed them into ye Zhonghua's bowl. Then, he served ye Zhonghua with porridge."

“Seeing how little affection the two siblings had for each other, Ye Shu felt very gratified.”

At first.

Ye Shu was still worried that the two children would not get along.

““There’s too much. I’ll make some for you.”Ye Zhuo did not eat much for breakfast, but she did not have the habit of wasting food, so she could only give the extra porridge in her bowl to Lin Ze.”

“Lin Jincheng was about to say that Lin ze did not like eight treasures porridge, but Lin ze actually nodded and said yes.”

This made Lin Jincheng stunned.

It seemed that there were still many similarities between them.

“Ye Zhuo took a bite of the egg and continued, “Dad, does fourth uncle and fourth aunt not have children?” ”

Lin Jincheng nodded. “Yes.”

“Fourth aunt doesn’t have the ability to give birth?”Ye Zhuo continued to ask.

“Lin Jincheng said in surprise, “You can even tell that? Right, aren’t you skilled in medicine, Zhuo Zhuo? Is there any way to make your fourth aunt pregnant?” ”

Chapter 550: 137: s 3 was a person that he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he changed it back! 4

“Although Lin Qingxuan did not usually say much, Lin Jincheng could tell that he really wanted a child that belonged to him.”

Ye Zhuo shook his head. “She has already missed the best period of treatment. She may never have a child of her own in this lifetime.”

“Traditional Chinese medicine emphasized looking, hearing, and asking questions. From Zhao Shuning’s face, it could be seen that her cold illness had already taken root and sprouted in her body. There was basically no hope of recovery.”

It seemed that this Zhao shuning was not a simple person.

She did not have a child.

Her morals were not upright and her conduct was not good.

Such a person was actually able to subdue Lin Qingxuan. Zhao shuning coughed lightly and scared Lin Qingxuan out of her wits.

Did she have something on Lin Qingxuan?

Or... was it because of love?

But love should be based on one’s values and character.

Ye Zao raised his eyebrows slightly.

“After breakfast, ye Zao specially packed a bottle of ointment to reduce swelling and bruise in his pocket.”

“As expected, he met Lin Qingxuan who was trimming the plants with the gardeners as soon as he left. ”

“Lin Qingxuan liked flowers and plants very much. When she saw the gardeners trimming the plants, she couldn’t help but want to do it together. ”

However.

“In psychology, trimming the plants was also a way to vent. ”

People could get a sense of pleasure by trimming the growing plants.

“Ye Zao looked at Lin Qingxuan, who was trimming the branches, and a faint light flashed in her eyes. It seemed that this fourth uncle of hers was also under a lot of psychological pressure. ”

“Fourth uncle.”Ye Zao walked over.

“Zao Zao.”Lin Qingxuan raised her head to look at Ye Zao.

“Ye Zao handed the ointment to Lin Qingxuan. “Fourth uncle, this is a ointment that can reduce swelling.” ”

“Lin Qingxuan was stunned at first, then she took the ointment with both hands. “Thank you, Zao Zao.” ”

““You’re welcome.”Ye Zao smiled slightly. “Then fourth uncle, I’ll be leaving first.” ”

“Okay.”Lin Qingxuan nodded.

“Looking at Ye Zhuo’s departing back, Lin Qingxuan’s eyes were filled with envy. ”

“In his opinion, Lin Jincheng, who had a son and daughter, was simply a winner in life. ”

It was a pity.

He would never have a child in this lifetime.

“Today, Ye Zhuo made an Lizi and Zhao Pingting meet. ”

“Ever since the military training, this was the first time the three of them had made an appointment. ”

“When Ye Zhuo arrived at the meeting place, he found out that an Lizi and Zhao pingting were not the only ones present. Xia Xiaoman had also come. ”

“Auntie?”

“After not seeing her for half a year, Xia Xiaoman seemed to have been reborn. ”

Her clothes and attire were completely different from before. She had become younger and prettier.

“If she had not been standing with an Lizi, even ye Zhuo would not have dared to acknowledge her. ”

“Xia Xiaoman stood up with a smile and hugged ye Zao. “Zao, long time no see.” ”

“Long time no see.”

“A moment later, Xia Xiaoman released ye Zao, then she said, “I haven’t seen the three of you for a long time. I wanted to take a look at you. I left that card at the bar counter. Lizi, remember to bring Zao and Pingting to eat more delicious food! Don’t think about saving money for Mom!” ”

“An Lizi nodded. “Got it, Mom.” ”

“After Xia Xiaoman left, Zhao pingting exclaimed, “Lizi, Auntie has really changed a lot!” ”

“She’s become prettier?” An Lizi raised her eyebrows.

““Yes, yes.” Zhao pingting nodded and continued, “By the way, has Auntie Fallen in love?” ”

“An Lizi shook her head. “Someone introduced her to my mom before, but my mom didn’t agree to it. I feel that my mom doesn’t believe in love anymore.” ”

““Ah, no way?” Zhao Pingting felt that it was a pity. It wasn’t worth it to give up on love because of a jerk. ”

“An lizi continued, “Let’s not talk about this anymore. Oh right, Pingting, Zhonghua, what do you guys want to eat?” ”

“Ye Zhonghua said, “I want to order all the desserts in the shop!” Because he loved desserts so much, ye Zhonghua had to taste the desserts every time he went to a new shop. ”

“Zhao pingting cupped her chin and said, “I want to eat this scallion grilled chicken.” ”

...

“At around 11 o’clock in the afternoon, Feng Qianhua came to deliver soup to Old Lady Lin on time. ”

“After delivering the soup, Old Lady Lin said that she was going to the Public Security Bureau to Change Ye Zao’s name. “Qianhua, why don’t you come with us?” ”

“Feng Qianhua said with some hesitation, “You didn’t ask Sister Ye Shu’s permission to change your name. Isn’t that a little bad?” ”

Old Madam Lin's expression changed instantly. "That's my granddaughter! Why did you have to get that Slut's permission? Let's see who dares to stop me today!"

She was ye Zao's grandmother!

"If ye Zao could have that slut ye Shu's surname, why couldn't he have her biological grandmother's surname?"
