Chapter 551: 137: s 3 was a person that he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he changed it back! 5

“Zhao shuning smiled and said, “Qianhua, you have no idea how furious ye Shu made our mother last night! She was so close to making a move on our mother!””

“Feng Qianhua said in surprise, “That can’t be! I don’t think Sister Ye Shu is that kind of person!””

“”Why Not!”Zhao shuning continued, “Is our mother still lying?””

Old Madam Lin thumped her chest and sighed. “Our family is unfortunate! Our family is unfortunate!”

Feng Qianhua quickly comforted old madam Lin.

“Old Madam Lin held Feng Qianhua’s hand. “Qianhua! I only regret one thing now. I didn’t give Ah Ze that child to you to raise back then!” Feng Qianxian was still young. Old Mrs. Lin was worried that Feng Qianhua wouldn’t be able to take care of the two children by herself, so she decided to take care of them herself.”

She didn’t expect that.

This biological grandmother couldn’t be compared to her own mother.

“Now that Ye Shu was back, Lin Ze hadn’t come to see her for a few days.”

“Feng Qianhua patted old Mrs. Lin’s hand. “Aunt Lin, what happened in the past is in the past. Besides, you taught Ah Ze well.”Feng Qianhua only regretted that she didn’t kill Lin Ze back then.”

"If Lin Ze had died, she would have married Lin Jincheng long ago. Ye Shu would not have been involved?"

"After all, if it had not been for Lin Ze, Lin Jincheng would not have regained his memory, and he would not have found ye Shu so quickly."

"But now that it had happened, what was the use of regretting?"

Feng Qianhua's lowered eyes were filled with viciousness.

Old Mrs. Lin wiped her tears.

"If Lin Ze had really been taught well by her, it would have been fine."

"However, Lin Ze was an ungrateful wretch."

"Feng Qianhua comforted old Mrs. Lin, "Aunt Lin, don't cry. No matter what, we're still by your side.""

"Zhao shuning nodded in agreement. "Qianhua is right. Mom, we're still by your side.""

"Old Mrs. Lin hugged Feng Qianhua and Zhao shuning. "Shuning, you're the only one who's standing by Mom's side now. You have to help me, help Qianhua." Other than Zhao shuning, other than Zhao shuning, the other three daughters-in-law all stood on the same side as ye Shu."

"Especially the eldest daughter-in-law, Wu Mei."

"She acted like she didn't have a brain, which made old Mrs. Lin very disappointed."

"Zhao shuning smiled and said, "Mom, don't worry. I Won't return to the country unless ye Shu is kicked out of our Lin family.""

"After hearing Zhao Shuning's words, Old Mrs. Lin was very gratified."

This fourth daughter-in-law was usually not in vain.

"Around 12 o'clock, Zhao Shuning and old Mrs. Lin took a car to the public security bureau."

"The car had just stopped at the entrance of the Public Security Bureau when a middle-aged man, who was short and somewhat Mediterranean in stature, came out to welcome them. "It's fourth madam Lin and old Mrs. Lin, right?""

Zhao shuning nodded. "My brother is Zhao Shuqi."

"Hearing this, the person who came said respectfully, "My name is Yu Peiyuan. Fourth Madam Lin, you can call me little sun.""

"Although he was not younger than Zhao shuning, he had a good brother!"

"After all, Zhao Shuqi was his immediate superior. Moreover, Zhao Shuqi would be promoted soon. At that time, whether or not he could be promoted along with him was just a sentence from Zhao Shuqi."

"At this time, he could not offend Zhao Shuqi's sister."

Zhao shuning helped Old Lady Lin to walk in front

""Little Sun, my brother has already told you about this matter, right?""

"Sun Peiyuan nodded. "Don't worry, director Zhao has already told me about this matter.""

"That's good."

“Sun Peiyuan brought the two of them to the office. “Fourth Madam Lin, old Madam Lin, you two take a seat first.””

Zhao shuning helped old madam Lin sit down.

Sun Peiyuan personally made tea for the two of them. “Have you brought the information for both of You?”

“Yes.” Zhao shuning nodded and took out the information that she had prepared beforehand.

Sun Peiyuan placed the tea on the table and picked up the information. “Have you changed it to Zhao Linzhuo?”

Zhao shuning nodded.

Sun Peiyuan nodded. “Please wait for a moment. I’ll arrange for someone to handle it right away.”

Zhao shuning picked up a cup of tea. “I’ll have to Trouble You Then.”

“This is what I’m supposed to do.”

“Old Madam Lin raised her head and asked, “Little Sun, how long will this take?””

“”About half an hour,” Sun Peiyuan continued. “Please take a seat. I’ll be right back.””

Old Madam Lin nodded.

“Sun Peiyuan brought the documents to the household administration department. “Little Chu, change this person’s name first.””

“Little Chu put down the work in her hands and took the information from Sun Peiyuan. “Alright, Please Wait a moment.””

Little Chu entered ye Zhuo’s name.

But in the next second.

She was stunned.

Because there was actually a row of S3 watermark at the bottom right corner of ye Zhuo’s personal information.

Chapter 552: 137: s 3 was a person that he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he changed it back! 6

S 3?

“Little Chu rubbed her eyes, thinking that she had seen wrongly. ”

That was because the bottom right corner of a normal person’s eyes was a 1.

S 3 was the symbol of a special group of people.

Could it be that this miss ye had a great background?

“Little Chu released the mouse and looked at Sun Peiyuan. “Chief Sun, there’s a problem here. Please come over.” ”

“What’s Wrong?”Sun Peiyuan turned around.

Little Chu’s expression was a little complicated. “You’ll know when you come over and take a look.”

Sun Peiyuan walked over and looked at the computer screen. “Is there a problem here?”

Little Chu pointed at the watermark at the bottom right corner. “Look here.”

When he looked.

Sun Peiyuan was also stunned.

S3?

A special group of people?

His many years of work experience told Sun Peiyuan that this was no small matter. He might even lose his job.

Sun Peiyuan straightened his expression. “Wait a moment.”

“Okay.”Little Chu nodded.

Sun Peiyuan went outside to give Zhao Shuqi a call.

“Zhao Shuqi had been busy with his promotion recently. He had many matters to handle personally, so he didn’t have the time to answer unimportant calls.”

“However, Zhao Shuqi didn’t pick up the phone. ”

“Sun Peiyuan didn’t dare to make the decision to change ye Zhuo’s name, so he could only keep calling.”

“In a flash, forty minutes had passed. ”

“In the office, Old Mrs. Lin said uneasily, “Shuning, didn’t that little sun say that it would be done in half an hour? It’s already been forty minutes, why isn’t he here yet? Do you think something will go wrong?”

“Zhao shuning smiled and patted old Mrs. Lin’s hand. “Don’t worry, with my brother around, nothing will go wrong. Let’s Wait a little longer.” ”

Old Lady Lin nodded.

“In the blink of an eye, another hour and a half had passed. ”

“This time, even Zhao shuning couldn’t sit still. ”

Old Lady Lin looked at Zhao shuning. “Why don’t you call your brother and ask him?”

“Okay.”Zhao shuning nodded and picked up his phone to call Zhao Shuqi’s private number.

“Zhao Shuqi was extremely busy. When he received Zhao Shuning’s call, he said angrily, “How does this Little Sun Do Things? Didn’t I already tell him? Just wait! I’ll call him right away!” ”

“”Okay, brother, hurry up and make the call! I’ve been waiting for more than an hour!” ”

“After hanging up Zhao Shuning’s call, Zhao Shuqi immediately called Sun Peiyuan. ”

“When he received Zhao Shuqi’s call, Sun Peiyuan felt as if he had been pardoned. He was just about to say something when he was scolded by Zhao Shuqi, “Sun Peiyuan, is your efficiency that bad? My Sister has been waiting for an hour, and you haven’t finished your work yet! Let me ask you, do you not want to rise up?” ”

““No, no! Director Zhao, this is a misunderstanding! Listen to me...” ”

Zhao Shuqi was very forceful. “I don’t have time to listen to you! I only want the result! Go and finish this matter right now! Tell my sister and the others to go back!”

“Sun Peiyuan was so anxious that his face was red. He quickly said, “Director Zhao, the Miss Ye That You Asked Me to change her name, she’s an S3 character. Now, she’s not here in person, and without her consent...” ”

“Zhao Shuqi directly interrupted Sun Peiyuan’s words, “Isn’t it enough that you have my consent? Whose consent do you want? Sun Peiyuan, whose consent do you want? I order you to do this right now! Otherwise, you’ll have to bear the consequences!” ”

“After saying this, Zhao Shuqi hung up the phone. ”

Who else did he need to consent to change the name of a nineteen-year-old girl?

“Zhao Shuqi had been very busy recently, but he didn’t have time to waste on such matters. ”

“Looking at the phone that was hung up, Sun Peiyuan’s face was bitter. ”

“Little Chu asked carefully, “That director sun... What should we do now?” ”

“Change!”

“Little Chu asked with some uncertainty, “Director Sun, are you sure?” ”

Sun Peiyuan nodded. "Change it."

"Since Zhao Shuqi had already said so, he must have already confirmed ye Zhuo's identity. "

"Little Chu began to change ye Zhuo's information. As he did so, he said, "Actually, I still think that calling him ye zhuo sounds better. Zhao Linzhuo seems a little strange." "

"Ten minutes later, Sun Peiyuan brought the revised information to the office. "

"When she saw Sun Peiyuan, old madam Lin immediately stood up. "Little Sun, has the matter been settled?" "

"Sun Peiyuan handed the information to Old Madam Lin. "Old Madam, it's already been settled." "

"Hearing this, Old Madam Lin's eyes lit up. "Really?" "

"Yes."

"Old Madam Lin took the information and looked at the changed name. She laughed so hard that she couldn't even see her eyes. "Good, good, good! Shu Ning! This matter has been handled too well!" "

Zhao Linzhuo.

"No matter what, this name sounded better than ye Zhuo's. "

Chapter 553: 137: s 3 was a person that he could not afford to offend! He would implicate the entire Zhao family! He would change it back the same way he had changed it back! 7

Her granddaughter should have her surname.

She should be the one to choose her name!

“Zhao shuning smiled and said, “I told you not to worry with my brother around. Mom, Shall We Go Back Now?” ”

“We’ll go back.”Old Lady Lin nodded.

“Sun Peiyuan sent the two of them to the car. “Take care, both of you.” ”

In the car.

“Old Madam Lin looked at Zhao shuning. “Shuning, it’s all thanks to your brother. Ask him what time he’s free. I want to invite him over as a guest.” ”

“Zhao shuning said, “My brother has been busy with his promotion recently, so he might not have time to come over.” ”

“Another promotion?”Old Madam Lin was in disbelief.

Zhao Shuqi was 45 years old this year.

He had been promoted three times in the past three years.

His career prospects were boundless!

It seemed that the Zhao family’s position in the capital was about to change.

“Zhao shuning nodded with a smug look in her eyes. “My brother has been promoted three times in a row, so he’s been very busy recently.” ”

Promoted three times in a row?

“Hearing this, Old Lady Lin was even more surprised. “Then I’ll have to prepare a big red packet to celebrate with your brother.” ”

“Zhao shuning smiled and said, “We’re all family. Mom, you don’t have to be so polite.” ”

“Old Madam Lin hurriedly nodded. “Right, right, right! Shuning, you’re right. We’re all family! We’re all family!” ”

“Soon, the car stopped at the entrance of the Lin family manor. ”

“Auntie Zhang greeted them with a smile. “Old Madam, fourth madam, you’re back! How are things going?” ”

“Old Madam Lin nodded. “It’s done, it’s all done.” ”

“Aunt Zhang’s expression changed. “Then congratulations, Old Madam.” ”

Ye Zhuo had become Zhao Linzhuo?

Would Ye Shu and Lin Jincheng agree?

Just wait!

There would be chaos soon.

Aunt Zhang helped old madam Lin into the hall.

“Zhao shuning said, “Aunt Zhang, go and invite Jin Cheng’s family of four over. It’s such a joyous occasion, of course we have to announce it in front of them.” ”

“Hearing that, Old Madam Lin hurriedly nodded in agreement. “Yes, yes, yes! Aunt Zhang, quickly go and call them over.” ”

“Aunt Zhang nodded. “Okay, I’ll go right away.” ”

Aunt Zhang turned around and left.

“While she was calling for people, she did not forget to call Feng Qianhua. ”

“Hearing that, Feng Qianhua said in surprise, “It’s really done?” ”

“Aunt Zhang smiled and said, “That’s right! Old Madam Lin and Zhao shuning just came back from the Public Security Bureau and are busy making me call for help! Qianhua, I have to say that you still have a way!” ”

“If Feng Qianhua had not proposed to change her surname, would old madam Lin have thought of this?
”

Feng Qianhua’s move could be said to be a murder without a trace.

She had directly asked Old Madam Lin and Zhao shuning to do it. She had not even touched the slightest bit of it.

“Feng Qianhua continued, “Please keep an eye on that side for me. Once the matter blows up, you can call me.” ”

""Okay, don't worry." "

"After Aunt Zhang hung up the phone, she turned around and walked toward the east wing. "

"Just as she turned around, Ye Zhuo walked out from behind her. "

Ye Zhuo narrowed his eyes slightly and looked very leisurely.

Aunt Zhang and Feng Qianhua were involved.

This matter seemed to be getting more and more interesting...

Not long after.

"Lin Jincheng, Ye Shu, Lin Ze, and Ye Zao appeared in the hall. "

"Lin Jincheng walked forward. "Mom, why are you looking for us?" "

""I have something to announce."Old Lady Lin continued, "From today onwards, my granddaughter will be Zhao Linzao." "

Zhao Linzao?

"Lin Jincheng frowned. "Mom, what are you talking about? What Zhao Linzao?" "

"Don't you understand human language?"Old Lady Lin glared at her disappointing son. "Zhao Linzao is the new name I gave my granddaughter!"

"Hearing this, Ye Shu stood up from her chair. "I said it! I don't agree to change the name of my granddaughter!" "

""You don't agree? What right do you have to disagree?" Old Lady Lin slammed the table loudly. "Ye Shu, let me tell you! This is our Lin Family! You Don't get to tell us what to do about our Lin Family!" "

"Mom!" Lin Jincheng frowned. "What do you want?"

"Old Lady Lin looked at Lin Jincheng. "Jincheng, I'm Your Mom! I'm the old lady of the Lin family. Don't tell me that I can't even make this decision now? I can call my granddaughter whatever I Want!" "

She was the old lady of the Lin family.

She was the absolute authority of the Lin Family!

"After hearing what had happened, Lin Ze stood up angrily from his chair. "Grandma! You've gone too far! How can you change searing's name so easily?" "

"Madam Lin looked at Lin Ze with disappointment in her eyes, "Ah Ze, I see that I'm becoming less and less of a Grandma in your eyes! Don't forget, who raised you when you were young? If it weren't for me, would you have existed?" "

""I won't forget your kindness in raising me," Lin ze continued, "But don't forget, if it weren't for you carrying me away, I would have grown up by my mother's side." "

Old Mrs. Lin's face turned pale. She didn't expect that she had really raised a wolf.

"She didn't expect that her grandson, whom she had worked so hard to raise, would one day talk to her like that! "

"She had allowed Lin ze to enjoy so many years of a wealthy life, but Lin ze did not appreciate her at all... "

"If she had not carried Lin ze back, Lin Ze would have suffered so much behind ye Shu. "

“As expected, Lin Ze still followed that B * Tch Ye Shu. ”

“If she had not been sitting on the chair, old Mrs. Lin might have already fallen to the ground. ”

“Old Lady Lin said angrily, “Don’t say that you’re changing her name! If I’m not happy, I’ll Change Your Name Too! As long as I don’t die, the Lin family’s matters will be decided by me!” ”

“Ye Shu was just about to stand up when she heard ye Zao say indifferently, “Mother.” ”

Ye Shu turned around to look at ye Zao.

“She saw that ye Zao was extremely calm. At this time, she still had the mood to elegantly trim her nails.
”

“After a while, ye Zao blew at his nails and looked up at Old Lady Lin. “I’m sorry, but you really don’t have the final say on this matter.” ”

“Her tone was indifferent, but her voice was firm. ”

“Especially her pair of cold eyes, which made Old Lady Lin subconsciously shiver. ”

Old Lady Lin frowned. She had lived for more than half her life. When had she ever been afraid of a wild girl?

““I’ve already changed the name.”Old Lady Lin asked the maid to take out the information. “From now on, you’re Zhao Linzhuo!” ”

Ye Zhuo’s eyebrows remained the same. “You want my surname to be Zhao? Are You Worthy?”

"Impudent!" Old Lady Lin glared fiercely at Ye Zhuo. "You have no manners at all! Do you know who you're talking to?"

At this moment.

An urgent phone call rang in the air.

"Zhao shuning frowned slightly and was about to hang up, but when she saw the call, she picked it up. "Brother." "

""Zhao shuning! Do you know that the entire Zhao family is going to be implicated by you this time!" Zhao Shuqi's voice sounded very panicked, "Hurry up and go to the Public Security Bureau with your old lady right now. Change Miss Ye's name the same way you changed it!"

"Chapter 554: 138: the fall of the Zhao family, severing ties 1"

Zhao Shuqi was truly panicking.

"He was panicking, panicking."

He wished he could crawl out of his phone and strangle Zhao shuning to death.

"If it wasn't for Zhao shuning, he wouldn't have become like this."

S 3!

Ye Zhuo was actually s 3.

He never dreamed that ye Zhuo was actually s 3.

S 3 was a special group of people that ordinary people couldn't afford to offend!

Who would have known that the daughter Lin Jincheng had just recognized had an unceasing relationship with s3?

"Thinking of Sun Peiyuan's call to him just now, Zhao Shuqi was filled with regret."

"But at that time, Zhao Shuqi was busy with other things and did not listen at all."

It was his fault.

It was all his fault.

"If he had listened to Sun Peiyuan's words at that time, this kind of thing would not have happened now."

Changing the name of S3.

Wasn't this equivalent to touching the soil on the head of the Lord?

"Thinking of the experience just now, cold sweat broke out on Zhao Shuqi's forehead, and his legs went soft."

"When Zhao shuning received Zhao Shuqi's call, he was also stunned."

He even thought that he had heard wrongly.

Could it be that ye Zhuo was some important person?

“Otherwise, why would zhao Shuqi be so anxious and angry?”

“Zhao shuning frowned. “Brother, what are you saying? Why Can’t I Understand?””

“The name had already been changed. If she changed it back now, where would she and Old Lady Lin put their faces?”

“Zhao shuqi almost roared out, “Zhao shuning! Are You Deaf? I told you to change Miss Ye’s name back! Now, immediately! Do you know that I’m going to be screwed by you this time!””

Zhao shuning trembled from the shouting and tried to calm himself down. “What’s wrong with brother?”

“Zhao Shuqi was almost angered to death by Zhao shuning. “Zhao shuning! Don’t you understand human language? I told you to change Miss Ye’s name back right now, or else I’m not going to let you off!””

“Just as he said this, Zhao Shuqi slammed the phone down. Due to his blood pressure skyrocketing, Zhao Shuqi’s entire face was red and his temples were throbbing! He almost fainted from anger!”

Never in his wildest dreams did he expect that his own sister would make him suffer so miserably!

“Originally, he was Sun Peiyuan’s immediate superior. After this incident, he would not even have a chance to meet Sun Peiyuan in the future.”

Zhao Shuqi was so angry that he waved the furniture on the office desk away.

“On the other side, before Zhao shuning could react, father Zhao’s phone call came in again.”

Father Zhao did not say a word. He immediately scolded Zhao Shuning and even threatened to sever the relationship between father and daughter.

“Only then did Zhao shuning realize the seriousness of the matter. His back was covered with layers of cold sweat. He quickly hung up the phone and walked to Old Lady Lin’s side. “Mom, something bad has happened...””

“Old Lady Lin was teaching Lin Jincheng a lesson. When she heard this, she turned to look at Zhao shuning. “What’s Wrong?””

Zhao shuning’s expression was very ugly. He lowered his head and whispered a few words to Old Lady Lin.

“When she heard this, Old Lady Lin’s expression changed. She suppressed the anger in her eyes and looked up at Lin Jincheng.”

“Jincheng! Did you do something to this?”

Lin Jincheng was baffled by the question. “What is it?”

“Old Lady Lin slammed the table, she said angrily, “It’s about changing my granddaughter’s name! As a grandmother, can’t I change my granddaughter’s name? Hurry up and call those people and tell them not to cause trouble for Brother Shuning!””

“Other than Lin Jincheng, no one else could implicate Zhao Shuqi in this matter.”

Lin Jincheng had managed the LIN Group for so many years and had developed many forces.

Old Lady Lin didn’t think that a little girl like ye Zhuo could have much ability!

Could Ye Zhuo threaten the deep-rooted Zhao family?

“Obviously, it was impossible!”

""So Zhao Shuqi was involved in this matter!"Lin Jincheng looked at Zhao shuning. "Fourth sister-in-law, this was your idea, right?""

"Zhao shuning also felt that Lin Jincheng had something to do with this matter. "Jincheng, Zhuozhuo is Mom's granddaughter. What's wrong with letting her take mom's surname? My brother was just entrusted by someone to be loyal!""

This matter had nothing to do with Zhao Shuqi. Why should Lin Jincheng vent his anger on Zhao Shuqi?

"Ye Zhuo slowly stood up from his chair. "Fourth aunt, if you have time to talk nonsense here, why don't you bring Grandma to the police station earlier to change my name back? If you go too late, you won't be able to protect the Zhao family.""

His last sentence was rather threatening.

Zhao shuning's face turned pale. "Don't you dare!"

"Ye Zhuo gently raised his eyes, which were overflowing with light. "You'll know if you dare or not if you try. But let me remind you, there are all kinds of medicine in this world, but there is no medicine for regret.""

"Chapter 555: 138: the fall of the Zhao family, severing ties 2"

These words made Zhao shuning very flustered and confused. His breathing quickened.

"After saying this, Ye Zao turned his head slightly. "Father, mother, brother, let's go back first.""

"Ye Shu and Lin Jincheng looked at each other. They could see the confusion in each other's eyes, but they still nodded and followed ye Zao's footsteps."

“Walking out of the door, Lin Jincheng asked curiously, “Zao, what exactly is going on?””

“Ye Zao raised his eyebrows slightly. “Dad, do you think my name can be changed so easily?””

Lin Jincheng was stunned.

“Although he had not known ye Zao for long, he knew that his daughter was not as simple as she looked, even though she was only nineteen years old.”

“Ye Shu continued to ask, “So, your grandmother will really change your name back?””

““Yes.”Ye Zhuo nodded slightly. “So, you don’t have to worry about this.””

“After saying this, Ye Zhuo looked at Lin Ze. “Brother, didn’t you say that you were going to visit uncle with me this afternoon?””

“Originally, Lin Jincheng had prepared ye Sen’s room in the Lin family manor, but Ye Sen wasn’t willing to come over and stay.”

He said that it wasn’t suitable for his brother-in-law to stay at his sister’s house.

“Therefore, Ye Sen was temporarily staying in the house that they had rented previously.”

“Lin ze nodded and asked, “Are we going now?””

““Yes, we’re going now.””

““Okay,” Lin ze continued, “I’ll go back to my room first and bring the things I bought for uncle.””

“I’ll go with you.”Ye Zhuo followed Lin Ze’s footsteps.

“Looking at the backs of the family of four leaving, Zhao shuning was so angry that her face turned white.”

How could she have thought that Lin Jincheng would attack the Zhao family for ye Zhuo?

Old Madam Lin was also very angry.

“At this moment, Zhao Shuning’s phone rang again.”

It was Zhao Shuqi calling.

“”Brother, don’t worry. We’ll go right away! Right away!””

“After hanging up, Zhao shuning grabbed old madam Lin’s wrist. “Mom, let’s go quickly!””

“Although Old Lady Lin was very angry, she knew that she had to put the big picture first. She quickly followed Zhao shuning to the public security bureau and Sighed. “Ever since ye Shu entered the office, Jin city has been missing me more and more!””

“If this was in the past, how would Lin Jin city dare to treat her like this?”

It was all ye Shu’s fault.

“If it weren’t for Ye Shu, Lin Jin city wouldn’t have become like this.”

“Soon, the car stopped at the entrance of the Public Security Bureau.”

“Sun Peiyuan had already received a notice from the higher-ups. When he saw Old Lady Lin and Zhao shining coming over, he quickly brought the two of them to go through the formalities.”

In less than ten minutes.

Ye Zhuo's name was changed back.

"Looking at the name that was changed back, Old Lady Lin was extremely depressed. "Little Sun! As a grandmother, why can't I change my own granddaughter's name?""

"In Old Mrs. Lin's opinion, ye Zhuo should have been surnamed Zhao."

What right did that B * Tch ye Shu have to let her child have her surname?

"Sun Peiyuan was also terrified. He was very glad that when he changed his name back then, he had called Zhao Shuqi and consulted him. That was why he did not get himself into trouble."

"Otherwise, Zhao Shuqi would not be the only one who was unlucky this time."

He was afraid that he would also be unlucky.

"Sun Peiyuan wiped the cold sweat off his forehead. "Old Madam, your granddaughter, Miss Ye, is not an ordinary person. Unless she personally comes over, no one has the authority to change Miss Ye's name.""

Not an ordinary person?

"Ye Zhuo could not even be compared to half of Feng Xianxian. If she was not an ordinary person, who else could she be?"

The only thing that was not ordinary about her was probably the Lin family's eldest daughter.

If it wasn't for the eldest daughter of the Lin family...

What was Ye Zhuo?

He was just a little sparrow from the countryside.

Old Lady Lin's face was full of disdain. "Does she have to come in person? Can't I come as a grandmother?"

"Yes." Sun Peiyuan nodded. "Miss Ye has to come personally! Miss ye has to agree personally!"

Old Lady Lin furrowed her brows tightly.

"Zhao shuning was more worried about Zhao Shuqi now. "Little Sun, the name has been changed back. Will my brother be implicated?""

"Sun Peiyuan shook his head. "That's hard to say. Why Don't you go and take a look yourself?" At the moment, no one had been notified, and Sun Peiyuan didn't know Zhao Shuqi's specific situation."

"However, according to how much importance the higher-ups placed on ye Zhuo, Zhao Shuqi probably didn't have a good ending."

"After all, he had asked Little Chu to change ye Zhuo's name, and the higher-ups had discovered it."

"Zhao shuning turned to look at Old Mrs. Lin. "Mom, you should go back first. I'll go to my brother's place to take a look!""

Chapter 556: 138: the fall of the Zhao family and the severing of ties

""Alright."Old Lady Lin nodded and continued, "Please apologize to your brother on my behalf. It's me, an old woman, who let him down." "

Zhao shuning took the car and left first.

"He had just arrived at Zhao Shuqi's work unit. When he reached the hall, he saw Zhao Shuqi walking out of the room in a daze. "

""Brother, are you alright?" "

"When he saw Zhao shuning walking over, Zhao Shuqi flipped his hand and slapped him. "

Zhao shuning had always been the one who slapped Lin Qingxuan. When had Zhao shuning ever received a slap from someone else? This slap stunned Zhao shuning. "Brother?"

Zhao Shuqi raised his hand and slapped him again.

Zhao shuning stumbled and fell to the ground.

The feeling of being slapped wasn't good. Zhao shuning only felt his head buzzing. He could see stars and was in so much pain that he could hardly breathe.

Zhao Shuqi looked at Zhao shuning. "You made me lose my job. You're Happy Now!"

Lose his job?

"Hearing this, Zhao shuning looked up in disbelief. "

How could this be?

“No matter how powerful Lin Jin city was, it was impossible for Zhao Shuqi to lose his job. ”

“After all, Zhao Shuqi was currently at the peak of his career. ”

“”Brother, there must be a mistake!”Zhao shuning looked up at Zhao Shuqi. “There must be a mistake! How could this be so serious? !” ”

“Zhao shuqi roared, “Get lost! Get lost! I don’t have a sister like you in the future!” ”

Losing his job completely was a torture and humiliation for Zhao Shuqi.

“Although his sister was important, his career was more important to Zhao Shuqi! ”

But now.

It was all ruined!

It was all ruined by Zhao Shuning’s hands.

“Not to mention severing ties, Zhao Shuqi even wanted to kill someone. ”

Zhao shuning panicked as well.

She never dreamed that things would turn out like this.

“Looking at Zhao Shuqi’s back as he left, she shouted, “Brother! Brother!” ”

But Zhao Shuqi did not turn around.

“After a long while, Zhao Shuning got up from the ground, stumbled to the car by the roadside, and drove to the Zhao family home. ”

Father Zhao was furious with Zhao Shuning.

He was lying on the bed and receiving an IV.

“Originally, Zhao Shuqi was his proudest son. ”

But now...

This proudest son had become the Zhao family’s humiliation in the blink of an eye.

“Madam Zhao stood in front of the bed and said hesitantly, “Old Zhao, Shuning is back.” ”

““Get lost! Tell her to get lost!”Hearing Zhao Shuning’s words, Father Zhao wished he could get up from the bed and give Zhao Shuning a good beating. ”

Madam Zhao wiped away her tears.

“She had given birth to both her son and daughter. As a mother, she felt both sorry for her son and her daughter. “Shuning didn’t do it on purpose. Besides, the child already knows her mistake.” ”

It was just a name change. Who knew it would cause so much trouble.

“Father Zhao looked at Madam Zhao and shouted angrily, “How kind of a woman! That girl has been spoiled! Shut Up!” ”

Madam Zhao immediately shut up.

“Father Zhao took a deep breath and continued, “How is Shuqi Now?” ”

“”He’s in the study upstairs,”Madam Zhao replied. ”

“Father Zhao continued, “Shuqi is also brainless! I’ve already told him not to get carried away. Don’t get carried away. If you get carried away, it’s easy to become extremely happy and sad! Look, when has he ever listened to me?” ”

“Zhao Shuqi could have avoided this oversight, but he was too proud. ”

“In the end, this was not only Zhao Shuning’s fault. ”

Madam Zhao sighed.

“A moment later, Madam Zhao walked out of the room. ”

“In the living room, the maid was using ice cubes to reduce the swelling on Zhao shuning’s face. When she saw Madam Zhao, Zhao shuning immediately stood up from the sofa. “Mom, what did my dad say?” ”

Mrs. Zhao shook her head. “You should go back first.”

Zhao shuning looked inside and then looked away. “Then... Then I’ll go back first.”

“”Go back.”Mrs. Zhao sighed. “It’s already happened. No matter how much you say, it’s useless. Don’t worry, I’ll talk to your dad and your brother.” ”

“Okay.”Zhao shuning nodded and had no choice but to go back first.

“As soon as Zhao shuning walked out of the Zhao family’s door, Mrs. Zhao chased after him. ”

“Shuning! Wait!”

“”Mom, What’s Wrong?”Zhao shuning turned to look at Mrs. Zhao. ”

“Mrs. Zhao continued, “Your father told me to tell you to remember to be smart the next time you do something. That daughter of Lin Jincheng is not an ordinary person. Her identity is very mysterious. You must not offend her again!” ”

Ye Zao?

“Zhao shuning really did not know. Other than speaking Arabic, what else was unusual about ye Zao? ”

“Chapter 557: 138: the fall of the Zhao family, severing ties 4”

And his identity was still a mystery!

This was clearly Lin Jincheng’s doing behind the scenes!

“But now, in order not to anger his parents, Zhao shuning could only nod and say, “I understand.” ”

Wait.

She must make ye Shu and ye Zhuo pay the price!

“Zhao shuning clenched his fists, and a sinister light flashed through his lowered eyes. ”

The Lin family.

“When Aunt Zhang learned of the final outcome of the name change incident, she immediately called Feng Qianhua to inform her.”

“Hearing this, Feng Qianhua frowned slightly. “In that case, they didn’t cause a ruckus?” ”

“She originally wanted to use this opportunity to let ye Shu cause a ruckus in the Lin family, and then angrily take ye Zhuo and Lin Ze away from the Lin family.”

“Once ye Shu took the initiative to leave the Lin family, then she would reap the benefits of the fisherman.”

She didn’t expect that Lin Jincheng would settle the matter before ye Shu even started to flare up.

““Yes, it didn’t happen.”Speaking up to this point, aunt Zhang lowered her voice. “Not only did it not happen, but there was also a problem with Zhao Shinning’s family. Now, the old lady is comforting her.” ”

“Feng Qianhua narrowed her eyes. “Then, I’ll have to trouble you to keep an eye on that side for me. Once there’s any news, call me immediately.” ”

““Okay, don’t worry.”Aunt Zhang continued, “I’ll keep an eye on it.” ”

“After Feng Qianhua hung up the phone, she turned the calendar on the table back to one page.”

Something happened to the Zhao family?

“Then Zhao shuning must be very angry right now, right?”

Zhao shuning wasn't someone with a good temper. He must have hated ye Shu and her daughter in his heart.

"Thinking of this, the corners of Feng Qianhua's mouth curled up. "

"Xianxian."

"Mom?" Feng Xianxian walked over.

"Feng Qianhua continued, "Xianxian, what do you think of the Li family in the east of the city?" "

Feng Xianxian's face turned pale and her voice trembled. "Mom! Grandma and the others... how could they do this?"

The Li family in the east of the city was also a big family in the capital.

The head of the Li family was 43 years old this year. He was single and had a weird habit. He had lost five wives in a row.

No one in the rich circle dared to marry their daughter into the Li family.

"Some money-worshipping women approached the head of the Li family for power. However, before they could get married, something happened to them. "

"Old Madam Feng had been eyeing Feng Qianhua for a long time. Previously, she thought that Feng Qianhua could marry Lin Jincheng, so she did not mention this matter. "

"Now, Ye Shu was involved in the relationship between Lin Jincheng and Feng Qianhua. "

Old Madam Feng did not gain any benefits from Feng Qianhua..

Could it be that she wanted to marry Feng Qianhua to the head of the Li Family?

“Feng Qianhua patted Feng Qianqian’s hand. “Don’t worry, this matter has nothing to do with us.” ”

“Then what do you mean?”Feng Qianqian asked doubtfully.

“Feng Qianhua smiled and said, “You just wait and see, Qianqian. You are the most outstanding socialite in the whole of Beijing. No one can compete with you.” ”

Ye Zao was even worse.

...

On the other side.

Ye Zao and Lin Ze brought something to Shengdong Express to see ye Sen.

“When they went, Ye Sen was receiving a client from country M. ”

The current ye Sen was very different from before.

He could already speak fluent English now and talk with the client from country M. he did not even frown during the whole process.

“Through a glass window, ye Zao gave him a thumbs up. ”

Ye Sen blinked at Ye Zao.

“Lin Ze said in surprise, “I didn’t expect uncle’s English to be so good.”After all, according to his previous research, Ye Sen didn’t even pass high school. ”

He had been out of the society since he was a teenager.

“Now, he didn’t look like a person who didn’t even go to high school? ”

Even many people with higher education wouldn’t be able to communicate with the M Nation people as he did.

“Ye Zao said, “Uncle has been practicing for more than a year.”Not only was ye Sen studying English, he also wanted to improve himself through the self-study exam. ”

“At this moment, Lin Ze’s phone rang. He picked it up and said, “I’m going out to take a call.” ”

Ye Zao nodded slightly.

Lin Ze went out to take the call.

It was not until he reached the door that Lin Ze picked up the phone. “Hello.”

“It was unknown what was said on the other end, but Lin ze continued, “I might not be able to do it for a while.” ”

“After a while, Ye Sen walked out of the room after they had agreed on a partnership. He asked curiously, “Where’s Ah Ze?” ”

“”He went to take the call.”Ye Zao continued, “Here, my brother brought these for you.” ”

""This kid, why did you come to see me bring things? It's a waste of money!" Although he said it was a waste of money, Ye Sen's hands still disassembled these things very honestly. "Right, what do you two want to Eat Tonight?" "

"Chapter 558: 138: the fall of the Zhao family, severing ties 5"

"I don't care." Ye Zao sat on the sofa with an old man and crossed his legs. "Look at my brother."

Ye Sen patted her with the thing in his hand. "Can't a girl sit more elegantly?"

""What's there to be afraid of?" Ye Zao's tone was indifferent. "Anyway, I already have a boyfriend.""

He didn't have to worry that no one would want him.

"Ye Sen looked outside the door and continued, "Does ah ze know that you're with Shaoqing?"

"Ye Zao shook his head and said in a suppressed voice, "I don't know yet.""

"Then what do you plan to tell them?" Ye Sen asked again.

Ye Zao narrowed his eyes. "Let's Wait a little longer."

"Not long after, Lin Ze walked in from outside. Ye Sen asked Lin Ze what he wanted to eat."

"Lin Ze said, "Let's go to the riverside restaurant.""

The Riverside restaurant was famous for desserts.

How could a big boy like to eat desserts?

It was obvious that Lin Ze was there because of ye Zao.

“Ye Zao smiled and said, “Brother, I ate a lot of desserts with my friends during the day. I don’t want to eat desserts now. Pick a place you like.””

“Lin Ze said, “I also like to eat desserts.””

“Although he hadn’t spent much time with Ye Zao, Lin Ze knew that ye Zao valued desserts. Even if she ate desserts every day and every meal, she could still do it.”

...

The Lin family.

“Because of Zhao Shuqi’s two slaps, Zhao shuning’s face was swollen like a pig’s head.”

“Lin Qingxuan was shocked when she saw Zhao shuning suddenly become like this. “Shuning, what happened to you?””

Zhao shuning gritted his teeth. “It’s all because of that good niece of yours!”

“Zha Zha?” Lin Qingxuan frowned. “What’s wrong with Zha Zha?”

Zhao shuning embellished the story.

Lin Qingxuan frowned slightly. “I’ve already told you not to get involved in this matter...”

""Lin Qingxuan, what do you mean? Are you saying that I brought this on myself?" Zhao shuning glared at Lin Qingxuan, "If it weren't for your brother and your niece, would something have happened to my brother? Would I have been slapped twice by my brother? Now my brother wants to cut off all ties with me! This is all your fault! It's all your family's fault!""

"At the end of his sentence, Zhao shuning directly went hysterical."

"Lin Qingxuan was silent for a moment before taking out a small bottle. "Shuning, I have some ointment that can quickly remove bruises and swelling. Try it." As he spoke, Lin Qingxuan unscrewed the lid of the ointment and applied it on Zhao shuning."

The ointment didn't smell very good. Zhao shuning frowned. "Where did you get the ointment?"

"Lin Qingxuan was about to say that it was given by ye Zhuo, but when she thought of Zhao Shuning's resistance towards ye Zhuo, she said, "I bought this from the pharmacy this morning. It's very effective.""

"Zhao shuning looked up and saw that there was indeed no trace on Lin Qingxuan's face. "Continue applying it. After you're done applying it, go wash the clothes in the bathroom.""

"Zhao shuning's body was golden and precious. She could not wear machine-washed clothes, but she was worried that the nanny at home would wash them. She was afraid that they would spit on her clothes, so the task of washing the clothes fell to Lin Qingxuan."

Lin Qingxuan had washed Zhao shuning's clothes for more than twenty years and was already used to it.

""Okay." After saying this, Lin Qingxuan hesitated for a moment and then asked, "Shuning, when can we adopt a child?""

"Let's wait. There's still no news from the countryside."

"Lin Qingxuan nodded and said, "How about we adopt a son and a Daughter?""

A son and a daughter?

Zhao shuning frowned and turned to look at Lin Qingxuan. "What do you mean?"

"Lin Qingxuan said, "It's more lively with two children at home.""

"Zhao shuning snorted, "Lin Qingxuan, don't think that I don't know what you're thinking! It's been so many years, and everyone says that I can't have children. I think you also think that I can't have children! Lin Qingxuan, let me tell you, the one who can't have children is you!"

"Shuning, I didn't mean that..."he only envied Lin Jin city for having a pair of outstanding children, so he also wanted to adopt a son and a daughter."

"If you didn't mean that, then what did you mean?"Zhao shuning cried, "Lin Qingxuan, ask yourself, do you still have a conscience? ! Are You a man or not? ! I've sacrificed so much for your Lin family, but in the end, you still despised me! If I hadn't married you back then, I would have children now! Why Did I marry you? Because I love you, but you trashed me just because I love you"

Now My Brother is going to disown me! Do you want to disown me too

"Chapter 559: 138: the fall of the Zhao family, severing ties 6"

"The more Zhao shuning thought about it, the more flustered she became. "

"The sudden fall of the Zhao family, her father had not forgiven her yet. It was a piece of cake for Lin Qingxuan to dump her. "

No.

She could not let Lin Qingxuan dump her just like that.

Lin Qingxuan frowned slightly. He did not understand why Zhao shuning would be so sensitive about the adoption of a child.

“All these years, as long as he looked at other people’s children outside, Zhao shuning would say that he wouldn’t give birth to a child. ”

“So until now, the husband and wife didn’t adopt a child. ”

Zhao shuning didn’t even allow him to talk to other women outside.

“As long as that woman was a little closer to him, Zhao shuning would be suspicious and put things that he wouldn’t give birth to on the table. ”

“For example, the case of Ye Shu. ”

“He had only subconsciously said a few words for ye Shu, but Zhao shuning had already scolded ye Shu for being a Vixen! ”

“Perhaps, Zhao shuning wanted to be a mother too much. ”

“He had deprived Zhao shuning of her right to be a mother, and Zhao shuning had followed him for half her life. She was afraid that one day, she would suddenly dislike her and divorce her. After all, Zhao Shuning had already missed the best time to have children, therefore, it was normal for her to feel a little lost. ”

“Perhaps this feeling was the same as how he felt when he lost the ability to give birth, but he desperately wanted to have a child of his own. ”

“Every time she thought of this, all the anger in Lin Qingxuan’s heart would turn into a sigh. ”

“Compared to Zhao Shuning’s grievance, what he had experienced was nothing?”

“Lin Qingxuan took a deep breath, looked at Zhao Shuning and said, “Shuning, I’m sorry. You’ll be in charge of the adoption from now on!” ”

“I want you to kneel down and swear to God!”

“Lin Qingxuan was used to kneeling down. Without saying anything, Lin Qingxuan immediately knelt down and swore to God. ”

“After hearing Lin Qingxuan’s oath, Zhao Shuning was satisfied. ”

On the other side.

East courtyard.

Old Lady Lin found Lin Jincheng and talked about Zhao Shuqi.

“In the end, Zhao Shuqi was implicated because of the Lin family’s matter. Old Lady Lin hoped that Lin Jincheng would show mercy. ”

“”Jincheng, that’s Shuning’s brother after all. It’s Shuning’s family! Don’t you think you’ve gone too far?” ”

“”Mom, I’ll say it again. I didn’t do anything.”Lin Jincheng continued, “It’s the Zhao family’s Problem!” ”

“Old Lady Lin said domineeringly, “Jincheng, don’t think that I don’t know anything! Other than you, who else has the ability to do this?” ”

“Lin Jincheng laughed out loud, “Mom, do you really think that your son, I, have the ability to bring down the Zhao family directly?” ”

With that said.

“Old Lady Lin was stunned, “If it’s not you, who else could it be?” ”

“It couldn’t be that wild girl, could it? ”

How could a wild girl be so capable?

“After saying that, old madam Lin continued, “The Public Security Bureau said that they need that girl to personally make a trip before they can change her name. Ask her to make a trip with me tomorrow morning.” ”

“Lin Jincheng suppressed the anger in his heart. “Mom, I’ve said it before. I Won’t change Yaoyao’s name.” ”

Old Lady Lin knocked her crutches loudly. “Lin Jincheng! Are you my son or not? Don’t forget that I’m the one who gave you your life! What’s wrong with letting my granddaughter take my surname Now?”

“Ye Zhuo could take Lin Jincheng’s surname or her surname, but he couldn’t take ye Shu’s surname. ”

Old Lady Lin couldn’t stand a person with another surname who was always hanging around under her nose.

“”I can finally see that you are such a heartless child. Qianhua has waited for you for so many years, yet you turned a blind eye to it! is that ye Shu that good?” Old Lady Lin’s eyes reddened. “Don’t forget, my life was saved by Qianhua! Have a conscience and ask yourself, if it weren’t for Qianhua, would I still be alive today?” ”

“Back then, Old Mrs. Lin had almost died from a serious illness. If it weren’t for Feng Qianhua’s constant delivery of health soup, she would have died a long time ago. ”

“In Old Mrs. Lin’s opinion, Feng Qianhua was her savior. ”

Feng Qianhua was even closer to her than her own daughter-in-law.

“She treated Feng Xianxian like her own granddaughter, ”

why did she like Feng Xianxian so much?

“It was all because Feng Xianxian had grown up by her side, obedient and obedient. ”

“If she wanted to change Feng Xianxian’s surname, Feng Xianxian would definitely not say anything to refuse. ”

“She was nothing like Ye Zhuo, her biological granddaughter. ”

She had actually caused so much trouble!

Her biological granddaughter could not be compared to someone who was not related by blood.

Chapter 560: 138: the fall of the Zhao family and the severing of ties

“If this were to be known, wouldn’t it be a joke? ! ”

“”Mom, it’s getting late. You should go back and rest early.”Lin Jincheng rubbed his temples tiredly.

“Auntie Wu, send the old lady back to her room.” ”

“If it wasn’t for the fact that Old Lady Lin had raised him and then raised Lin Ze, Lin Jincheng would have turned hostile long ago. ”

““Old Mrs. Lin, shall I send you back?” Auntie Wu walked to Old Mrs. Lin’s side. ”

Old Mrs. Lin was so angry that her face turned pale. She waved Auntie Wu’s hand away. “I don’t need you to send me back!”

The next morning.

“Lin Qingxuan went for a run in the garden as usual. Coincidentally, he bumped into ye Zao, who had come out for a morning run this morning. ”

““Zao Zao, Good Morning.” ”

“Fourth uncle.”

“Lin qingxuan continued, “Zao Zao, thank you for the ointment. My face is all better now.” ”

“We’re all family. Fourth uncle is too polite.”

“The Morning Air was very good, and the garden was filled with birds and flowers. Zhao shuning was not in the garden this morning, so Lin Qingxuan chatted with ye Zhonghua as she ran. ”

“From the conversation, ye Zhonghua learned that Lin Qingxuan was very eager to have a child of her own. ”

Ye Zhonghua frowned slightly.

“Seeing how afraid Lin Qingxuan was of Zhao shuning, she thought that Lin Qingxuan did not like children. ”

“But if Lin Qingxuan liked children, why was Zhao Shuning so arrogant in front of Lin Qingxuan?”

“In a normal family, if one of the spouses couldn’t have children, they would either end in a divorce or have a harmonious family.”

“Unlike Lin Qingxuan, who was afraid that Zhao Shuning would be like a mouse seeing a cat.”

This was a bit abnormal.

“Just as the two of them were talking about college, Lin Qingxuan asked Ye Zao if he had found a boyfriend at school.”

“Ye Zao smiled and shook his head. He continued, “Fourth uncle, how did you and fourth aunt meet when you were young? Were you university classmates?””

“Lin Qingxuan said, “I met your fourth aunt on a blind date.””

He and Zhao Shuning did not have any romantic foundation.

“Lin Qingxuan was a very obedient son. Back then, he had a very good relationship with his first love in university.”

“Unfortunately, the family conditions of his first love were too poor and was despised by Old Lady Lin. In order to completely stop Lin Qingxuan’s thoughts, Old Lady Lin made the decision to arrange a blind date for Lin Qingxuan.”

“Zhao Shuning and Old Lady Lin’s maiden family had some relations. In addition, the Zhao family followed the path of official career. The combination of official and business was beneficial to Lin Qingxuan’s future development. Therefore, this matter was decided.”

“After the marriage, Zhao Shuning had been infertile. Old Lady Lin was anxious and pulled the couple to the hospital for a checkup.”

“She thought it was Zhao shuning’s problem, but she didn’t expect it to be Lin Qingxuan’s problem. ”

“However, not only did Zhao shuning not ask for a divorce, but he took the initiative to blame her for the problem. He took the initiative to announce to the public that she couldn’t have a child. ”

Until today.

“Other than him and Old Lady Lin, no one else in the Lin family knew about this matter. Not even his three brothers and Lin Jincheng knew about it. ”

A blind date?

Ye Zao raised his eyebrows without a trace.

“He thought that he and Zhao shuning were in a free relationship, but he didn’t expect that they met on a blind date. ”

“Ye Zao smiled and said, “Then fourth uncle, your relationship with fourth aunt must be very good, right?” ”

“Lin Qingxuan said, “Your fourth aunt is a rare and good woman.” ”

Good Woman?

Which good woman was like Zhao Shuning?

“Ye Zao suspected that Lin Qingxuan was joking, but she had no evidence. ”

It seemed that there must be a story between the couple.

Ye Zhuo narrowed his eyes.

At 11 o'clock in the afternoon.

Feng Qianhua came punctually to deliver the health-preserving soup to Old Lady Lin.

“Zhao shuning’s face had completely recovered from the bruise caused by the ointment. At this moment, she was chatting with Old Lady Lin in the room.”

Feng Qianhua had just walked to the door when she heard Old Lady Lin Sigh.

“”Aunt Lin, sighing is bad for your health. A smile can only last ten years.” ”

“Feng Xianxian ran in with a smile. “Grandma, who made you angry again? Tell me, I’ll help you teach her a lesson.” ”

“Seeing Feng Xianxian, old madam Lin couldn’t stop smiling. ”

“Such a good granddaughter, but it was a pity that she didn’t belong to her family. ”

“Feng Qianhua handed the health soup to Feng Xianxian. “Xianxian, give this soup to your grandma to drink.” ”

“”Okay, Mom.” ”

“Feng Qianhua turned to look at Zhao shuning. “Shuning, I heard that the Roses in the garden have bloomed. Will you accompany me to take a look?” ”

Zhao shuning knew that Feng Qianhua was implying something. He smiled and stood up. “Sure.”

The two of them went to the garden.

“Feng Qianhua asked with concern, “Shuning, how’s Your Brother’s matter? Is It Serious?” ”

Zhao shuning’s brows furrowed tightly when he mentioned this matter.

“Feng Qianhua patted Zhao shuning’s hand and sighed, “If I knew it would be so troublesome to change his name, you shouldn’t have interfered in the first place.” ”

““It’s all that B * Tch Ye Zhuo’s fault!”Zhao shuning’s eyes were full of viciousness. “If she hadn’t instigated it, Jin city wouldn’t have done such a thing to my brother!” ”

“Feng Qianhua continued, “I have a way to get you to kick her out.” ”

““What Way?”Zhao shuning was like a drowning man, grasping at the last straw. ”

““She’s still a girl after all. They say that if a daughter marries someone else, she’ll be out of sight and out of mind, right?” ”

“A bright light flashed in Zhao Shuning’s eyes, but it quickly dimmed. “But I’m just her fourth aunt...” ”

““You can give Auntie Lin Advice,”Feng Qianhua continued, “No matter what, Auntie Lin is her grandmother. Isn’t it natural for a grandmother to speak to her granddaughter?” ”

“Yes! Qianhua! You’re right!”Zhao shuning grabbed Feng Qianhua’s hand. “I think the Li family in the east of the city is not bad!”
