Chapter 561: 138: Master Five is furious. The truth has been revealed. It turns out that the one who is truly infertile is Zhao shuning! 1

The Li family in the east of the city?

A smile appeared in Feng Qianhua's eyes.

"It seemed that Zhao shuning was also a sensible person. She didn't even mention it, but Zhao shuning immediately thought of the Li family in the east of the city."

Feng Qianhua suppressed the thoughts in her eyes. "Isn't the Li family in the east of the city a little inappropriate?"

"Zhao shuning smiled and said, "Although the head of the Li family is already forty years old, the Li family has a big business. If we let that Little B * tch, Ye Zhuo, marry into the Li family, we won't let her down." "

It was ye Zhuo who was able to marry into the Li family.

"Feng Qianhua continued, "What if... Jin city doesn't agree?" "

"Zhao shuning patted Feng Qianhua's hand. "Qianhua, thank you for reminding me. I know what to do about this." "

"Feng Qianhua frowned. "Shuning, I'm just giving you a suggestion. I want you to marry that girl off. But if it's the Li family from the east of the city, isn't it a little inappropriate... After all, the head of the Li family..." "

Feng Qianhua knew Zhao shuning too well.

“At this moment, the more she said that the head of the Li family was bad, and the more she stopped Zhao Shuning, the more exhausted Zhao Shuning would be to handle this matter well. ”

“In fact, Feng Qianhua was right. ”

“At this moment, Zhao Shuning was already planning how to marry Ye Zhuo to the Li family. ”

That Little B * Tch ye Zhuo deserved to be married to the Li family’s patriarch.

She deserved to be tortured to death by the Li family’s patriarch!

“Thinking of this, a vicious light appeared in Zhao Shuning’s eyes. He turned his head to look at Feng Qianhua, “What’s wrong with the Li family’s patriarch? The Li family is very powerful in the capital. Once ye Zhuo marries, she’ll become the Patriarch’s wife. It’s her fortune to be married to the Li family. How could she not be willing?” ”

“Feng Qianhua curved her lips without leaving a trace. “Although that’s what I said, Shu Ning, you shouldn’t be too rash. Think Before You Act.” ”

“Zhao Shuning nodded. “Don’t worry, I know.” ”

“Feng Qianhua continued, “As long as you think it through.” ”

“At this moment, Lin Jincheng and ye Shu walked over from opposite sides. ”

“The two of them were chatting and laughing. Although they couldn’t hear the content of their conversation clearly, they could tell from their expressions that they were definitely having a very happy conversation. ”

“Feng Qianhua’s expression darkened, but it quickly returned to normal. She walked up with a smile. “Brother Jincheng, Sister Ye Shu.” ”

Ye Shu smiled politely at Feng Qianhua.

“Lin Jincheng raised his head and looked at Feng Qianhua, his eyes filled with scrutiny, “Qianhua, my mother has watched you grow up since you were young. It’s natural for you to call me brother. However, shouldn’t you call Ah Shu sister-in-law while calling me brother?” ”

“As he said this, Lin Jincheng placed his hand on ye Shu’s shoulder. ”

This scene deeply pierced Feng Qianhua’s heart.

Sister-in-law?

Let Her Call Ye Shu sister-in-law?

“What qualifications did ye Shu, the mistress, have? ”

“If it wasn’t for Ye Shu, the person standing by Lin Jincheng’s side would be her. ”

What qualifications did ye Shu have to strut around Lin Jincheng?

Shameless!

She was simply Shameless.

“Feng Qianhua’s face was a little stiff, and her heart was filled with mixed feelings. She held her breath in front of her chest, neither up nor down, but she had no choice but to pretend as if nothing had happened. ”

“Brother Jincheng, you’re right. I was indeed careless in addressing you.” After saying that, Feng Qianhua turned to look at Ye Shu, “Sister-in-law, I grew up with brother Jincheng since young, and we have always been close. You’re a magnanimous person, so don’t lower yourself to my level.” ”

Feng Qianhua’s words were very artistic.

“Firstly, she was showing off that she had known Lin Jin Cheng Longer Than Ye Shu. ”

“Secondly, she was provoking ye Shu. ”

As long as ye Shu showed the slightest bit of unhappiness.

Then Ye Shu was a petty person.

“Ye Shu could hear the hidden meaning in Feng Qianhua’s words. She raised her head and looked at Feng Qianhua. With a smile on her lips, she directly countered, “Nineteen years ago, when you were pregnant and pretending to be brother Jin Cheng’s fiancée, I didn’t even bother with you. Now, it’s just a form of address. How could I lower myself to your level?” ”

Feng Qianhua didn’t expect ye Shu to suddenly bring up the old matter again.

She also didn’t expect ye Shu to bring this matter up on the table.

“In front of Lin Jin Cheng, Feng Qianhua was extremely embarrassed. Her face alternated between red and white, and she wished she could find a hole to hide in. ”

Even though she had always claimed to be Lin Jincheng’s fiancée.

“For so many years, she had even deceived herself. ”

“However, she had to admit that. ”

She had never been engaged to Lin Jincheng.

“However, if ye Shu did not appear between them, then she would definitely become Lin Jincheng’s fiancée and wife.”

Giving birth to children for Lin Jincheng!

“Ye Shu, this slut who interfered in other people’s feelings, what right did she have to humiliate herself?”

Chapter 562: 138: Master Five is angry. The truth has been revealed. It turns out that the one who is truly infertile is Zhao shuning! 2

Feng Qianhua clenched her fists and tried her best to control the anger in her heart.

“Zhao shuning stood in front of Feng Qianhua, his brows tightly knitted together. Ye Shu was merely a mistress. What right did she have to be arrogant in front of Feng Qianhua, the main palace?”

She was really too shameless!

A villain gets what he wants!

It was disgusting.

Lin Jincheng was blind to fall for a vixen like ye Shu.

“Zhao shuning patted Feng Qianhua’s hand and looked up at Ye Shu, “Fifth sister-in-law, I have something to say. Back then, Jin Cheng and Qianhua were childhood sweethearts. If it weren’t for you, the person standing next to Jin Cheng wouldn’t be you!” ”

“Lin Jin city frowned and was about to speak, but ye Shu interrupted him. “Fourth sister-in-law, I also have something to say to you. Love doesn’t differentiate between first come, first served, but you have to know propriety, justice, and shame!” ”

“This sentence was neither light nor heavy, but it made Feng Qianhua’s face turn pale and blood flowed back from her body. ”

“Propriety, Justice, and shame! ”

“Was Ye Shu saying that she didn’t know propriety, Justice, and shame? ”

How dare she?

How dare ye Shu!

Feng Qianhua was so angry that her whole body was trembling. She raised her head and looked at Lin Jincheng.

“No matter what, she had known Lin Jincheng for so many years. Would Lin Jincheng be indifferent to Ye Shu’s insult? ”

Definitely Not!

“Based on his understanding of Lin Jincheng, Lin Jincheng would definitely speak up for her. ”

So what if ye Shu gave birth to two children for him?

He had no love for ye Shu at all.

Love had a shelf life. No One's love could last more than ten years.

"In Lin Jincheng's view, Lin Jincheng only felt guilty towards ye Shu."

There was no love between them at all!

"Under Feng Qianhua's expectant gaze, Lin Jincheng slowly opened his mouth, "Ah Shu is right. Fourth sister-in-law, whether it was 19 years ago or 19 years later, I never had any improper thoughts towards Qianhua, nor did I have any hint towards her! "If you want to say that I interfered, it was Qianhua who interfered between Ah Shu and me!" "

Boom!

Feng Qianhua felt as if she had been struck by lightning.

"How, how could this be?"

"Could it be that in Lin Jincheng's eyes, she was such an unbearable woman?"

She interfered between him and ye Shu?

Feng Qianhua's footsteps were unsteady as she took two steps back.

"Qianhua." Zhao shining held onto Feng Qianhua.

“Feng Qianhua shook her head. “Fourth sister-in-law, I’m fine.”After saying that, Feng Qianhua raised her head to look at Lin Jincheng. “Brother Jincheng, sister-in-law, if I did anything wrong in the past, I’ll apologize to you! I’m Sorry!” ”

“After saying that, Feng Qianhua held onto Zhao Shuning’s hand and said, “Let’s go back.” ”

Zhao shuning nodded.

“Lin Jincheng tilted his head to look at Ye Shu. “Ah Shu, are you alright?”Although he had already explained everything clearly, he was still afraid that ye Shu would misunderstand. ”

“In the past nineteen years, Lin Jincheng was most afraid of misunderstandings. ”

Ye Shu shook her head. “I’m fine. Let’s go too.”

...

Zhao shuning helped Feng Qianhua to the pavilion in the garden.

Feng Qianhua hugged Zhao shuning and burst into tears.

Half-truth.

“Zhao shuning comforted her. “Qianhua, don’t cry. God will punish the wicked! Don’t worry, that b * Tch ye Shu won’t have a good ending!” ”

“Feng Qianhua took a deep breath and sobbed, “I just didn’t expect that I was such an unbearable person in the heart of Jin City! He actually accused me of intervening in their relationship! Then who will pay back the 19 years of my youth?” ”

How many more 19 years did she have in her life?

Ye Shu was clearly the third party.

“But now, she actually became the third party.”

They actually stood on the moral high ground and criticized her.

Forget about Ye Shu.

But Lin Jincheng was the man she loved the most.

How could Lin Jincheng treat her like this?

Did Lin Jincheng have a conscience?

“Zhao shuning hugged Feng Qianhua. “Qianhua, don’t worry. No matter what happens, I will help you! Don’t worry. This time, if I Don’t Chase that Vixen Ye Shu away, I won’t go to Country M!” ”

““Shuning, thank you.”Feng Qianhua looked at Zhao shuning gratefully. ”

“This time, she didn’t call her fourth sister-in-law anymore. ”

Calling her ‘Shuning’ meant that they had a deep friendship.

““Who’s talking to who? There’s no need to be so polite.”Zhao shuning sighed, “If it was Qingxuan in Jin city, it would be great. Look at how well I treated Qingxuan! He wouldn’t dare to say anything if I said it! If it were up to me, you should have used some tricks then!” ”

“If she hadn’t used any tricks, would lin Qingxuan have been so obedient? ”

Feng Qianhua didn't say anything.

“Zhao shuning held Feng Qianhua's hand. “Qianhua, I have to thank you for keeping this secret for me. Otherwise...” ”

Chapter 563: 138: Master Five is furious. The truth has been revealed. It turns out that the one who is truly infertile is Zhao shuning! 3

“Feng Qianhua revealed a smile. “Fourth sister-in-law, what are you talking about? What Secret? Why Can't I Understand?””

Zhao shuning naturally knew what Feng Qianhua meant. His eyes were filled with gratitude.

“Feng Qianhua was the first person to know this secret, but she did not use it to threaten her.”

“Therefore, no matter what happened, Zhao shuning would always stand on Feng Qianhua's side.”

Because Feng Qianhua was worth it!

“Qianhua!” Zhao shuning hugged Feng Qianhua without saying anything.

“From an angle that Zhao shuning couldn't see, the corners of Feng Qianhua's lips curled up.”

To Feng Qianhua.

Zhao shuning was the 'knife' that was used to kill people.

“Zhao shuning looked smart, but she was actually very stupid.”

“If she wanted Zhao shuning to work for her willingly, she had to influence Zhao shuning. If she used ‘threats’, it would backfire.”

“After Feng Qianhua’s emotions gradually stabilized, the two of them went to Old Lady Lin’s bedroom.”

“Feng Xianxian would make Old Lady Mo Happy. At this moment, the room was filled with Old Lady Lin’s laughter.”

“”Mom, fourth aunt, you’re back.”Feng Xianxian smiled and asked, “Are the Roses in the garden looking good?””

“Yes.”Feng Qianhua nodded.

“Old Mrs. Lin looked up at Feng Qianhua and asked curiously, “Qianhua, why are Your Eyes Red?””

“Feng Qianhua subconsciously rubbed her eyes and said with a smile, “They’re not red! Aunt Lin, you’re mistaken!””

“”Mom, are you crying?”Feng Qianxian was making a big deal out of nothing.”

“No!”Feng Qianhua turned her head.

Crying?

Old Madam Lin was extremely nervous when she heard that.

“What’s wrong with Qianhua? Who bullied you?”

“Feng Qianhua smiled and said, “Aunt Lin, no one bullied me. I’m Fine! I’m really fine. Don’t listen to Xianxian’s nonsense!””

“Zhao shuning couldn’t take it anymore and stood up for Feng Qianhua. “Other than that Vixen, who else can bully Qianhua?””

Vixen?

Old Lady Lin immediately thought of ye Shu. “It’s Ye Shu?”

““Yes.”Zhao shuning nodded, then, she said, “Mom, you don’t know how much that Vixen has gone overboard! She’s only spouting nonsense because she’s blind in Jin City! It’s also because Qianhua has a good temper and isn’t willing to lower herself to her level! Mom, you must get justice for Qianhua!””

“She’s rebelling! She’s rebelling!”Old Madam Lin was so angry that she coughed. “That B * Tch ye Shu! Does she really think that an old woman like me has died in bed?”

She actually dared to bully Feng Qianhua right under her nose!

She’s really too B * Tch!

“A glimmer of light flashed across Feng Qianhua’s eyes and disappeared in a flash. “Aunt Lin, don’t blame sister Ye Shu. She didn’t do it on purpose. Moreover, I’m also at fault in this matter! It’s only right for me to apologize to her!””

Apologize?

Old Madam Lin stared at Feng Qianhua with wide eyes. “That Vixen still dares to make you apologize to her?”

Zhao shuning added fuel to the fire. “It’s not just an apology! That Vixen ye Shu even insulted Qianhua for not knowing shame!”

Not knowing shame?

How would she dare?

Old Madam Lin was furious to the extreme. She wished she could slap ye Shu to death.

B * Tch!

“Zhao shuning continued, “Mom, that Vixen did it on purpose! She knew that you loved Qianhua so much and treated Qianhua like your own daughter, but she still treated Qianhua like that! Isn’t that slapping your face?””

“Speaking up to this point, Zhao shuning sighed, “Mom, Jin city is such a good person. How could they meet a woman like ye Shu? If Jin city had married Qianhua back then, how could such a thing have happened?””

PA —

“Old Madam Lin slammed the table and stood up. “Ye Shu, that B * Tch! I’m not done with her!” Then, she looked down at Feng Qianhua and comforted her. “Qianhua, don’t worry. I’ll definitely help you get justice! As long as I’m around in this family, no one can bully you!””

“Feng Qianhua walked to Old Madam Lin’s side and held her arm, she said gently, “Aunt Lin, I’m really fine! Don’t let this affect your relationship with sister ye Shu, and don’t let these small matters affect the harmony of the family!””

“Old Lady Lin turned to look at Feng Qianhua, her eyes full of gratitude.”

Feng Qianhua was still the best.

Feng Qianhua was understanding.

What about ye Shu?

She was simply an unruly person!

No wonder there was an old saying that unruly people came out of the mountains and rivers!

“The More Old Lady Lin thought about it, the angrier she got!”

“Feng Qianhua then comforted her, “Aunt Lin, I’ve never asked you for anything before. This time, I’m begging you, okay? Please don’t go and find trouble with sister Ye Shu. I’m really fine! I don’t want brother Jin Cheng to have any estrangement between me and sister Ye Shu.””

“Chapter 564: 138: When Master Five is angry, the truth will be revealed. It turns out that the one who is truly infertile is Zhao shuning! 4”

Old Lady Lin lowered her head to look at Ye Shu and sighed. “When will you be able to change this child’s problem of kindness?”

Feng Qianhua was too kind.

She wasn’t willing to fuss over anything with others.

“In this world, who wouldn’t be willing to pick a soft persimmon to pinch? ”

“”It’s a blessing to be at a disadvantage.”Feng Qianhua smiled. “Anyway, please promise me.” ”

“Zhao shuning said, “Qianhua, you’re just too easy to talk to! If I Were you, I definitely wouldn’t forgive that Vixen!” ”

“If ye Shu dared to snatch her man, she would tear ye Shu apart! ”

“Feng Qianqian sniffed. “Mom, are you really alright?” ”

Feng Qianhua shook her head. “I’m really alright.”

“Old Madam Lin looked at Feng Xianxian. “Xianxian, don’t be like your mother in the future. In this world, people should be more selfish! Look at how kind your mother is. How much has she been bullied?” ”

“Feng Xianxian smiled and shook her head, “Grandma, I’m not afraid of being bullied! “My mother said that in this world, there are good people and bad people. We have to live according to our hearts and live with a clear conscience! “No matter what, we just have to live up to our conscience!” ”

Old Madam Lin Sighed again and looked at Feng Qianhua. “Look at what you’ve done to the child.”

She looked at Feng Qianxian and then thought about ye Zhuo.

Old Madam Lin was filled with anger again.

“Ye Zhuo had been back for a few days, but he did not take the initiative to visit her in this courtyard.”

Having that granddaughter was the same as not having that granddaughter!

Both mother and daughter were bitches!

“It was one thing for them to be cheap, but they still had to lead Lin Ze Astray. ”

“Originally, Lin Ze was a very obedient and filial child. ”

“Ever since the mother and daughter returned, Lin Ze had completely changed. Last time, he even dared to quibble with her! ”

“If it was in the past, Lin Ze would not have been like this at all. ”

“There was an old saying that people were not familiar with other people’s children. If it were her, it would become her own grandson and granddaughter. ”

“Feng Qianhua smiled and said, “Aunt Lin, I think Xianxian is right to think that way!”After saying that, Feng Qianhua continued, “Oh right, it’s getting late. Xianxian and I will go back first! We will come back to see you tomorrow!” ”

“Old Mrs. Lin held Feng Qianhua’s hand with a guilty look. “Qianhua, I’ve made you suffer today!” ”

“It’s okay.”Feng Qianhua smiled. “As long as you promise not to cause trouble for sister Ye Shu.”

Old Mrs. Lin nodded and personally sent Feng Qianhua and Feng Xianxian out with Zhao shuning.

“After sending the two of them out, she turned around and returned. ”

“Zhao shuning helped old Mrs. Lin into the house. “Mom, I think ye Shu and her daughter really can’t stay in our Lin family anymore! If this goes on, Qianhua will be bullied to death, won’t she?” ”

Old Mrs. Lin furrowed her brows tightly.

“Zhao shuning continued, “I think ye Zhuo is still quite pretty. Why don’t we find another family to marry her off!”Speaking up to this point, Zhao shuning sighed with a troubled expression. “I just don’t know if ye Shu will agree to it or not?” ”

“Hearing this, Old Madam Lin was like a cat whose tail had been stepped on. She said angrily, “Disagree? My granddaughter belongs to our Lin Family! I say what must be done! What right does that slut have to disagree?” ”

“Zhao shuning’s eyes rolled around, “So, you agree with me?” ”

“”I agree!”Old Madam Lin nodded. Since the Little Slut was disobedient, she should marry off. “But I don’t have a suitable family for the time being.” ”

“Zhao shuning smiled and said, “The Li family in the east of the city is not bad! I heard that the head of the Li family is thinking of marrying a second wife recently!” ”

The Li family in the east of the city?

Old Madam Lin thought about it for a long time before she thought of such a person.

The head of the Li family was called Li Yibiao.

Li Yibiao was in his forties this year and had a son and a daughter.

The son was 15 years old and the daughter was 8 years old.

The son was born to his first wife and the daughter was born to his third wife.

“Perhaps he was born with a life that was harmful to his wife. Li Yibiao had married four wives before and after, and all of them died long ago. ”

“Therefore, rumors spread that Li Yibiao had a special hobby. ”

There were also people who said that his four wives were actually tortured to death by Li Yibiao.

“Thinking of this, Old Lady Lin frowned.”

“Zhao shuning saw the hesitation in Old Lady Lin’s eyes and continued, “But the head of the Li family should forget about it! No matter what, Ye Zhuo is the bloodline of our Lin family. Marrying into the Li family is indeed a grievance for ye Zhuo!” ”

Zhao shuning specially emphasized the word ‘Ye’.

This was to emphasize to Old Lady Lin that Ye Shu’s surname was ye and not Lin.

Chapter 565: 138: Fifth Master is furious. The truth has been revealed. It turns out that the one who is truly infertile is Zhao shuning! 5

“Ever since the incident of changing her surname, Old Lady Lin has been brooding over it. In addition, ye Shu bullied Feng Qianhua today. Old Lady Lin was worried that she wouldn’t be able to find an opportunity to teach ye Shu a lesson.”

“At this moment, she would definitely use this opportunity to teach ye Shu a lesson.”

“As expected, Old Lady Lin’s expression immediately changed when she heard this. “Aggrieved? After marrying into the Li family, she will become the matriarch of the Li family. This is a blessing that no one can hope for! I think the Li family is not bad! Very good!””

She had to let ye Shu know that she was the one in charge of the Lin Family!

“If ye Zhuo’s surname was not Zhao, he had to marry into the Li family!”

This was the consequence of going against her!

“Zhao shuning continued, “But Li Yibiao is already in his forties, and he’s still the father of two children. If ye Zhuo marries him, won’t he become a stepmother...””

“”So what if he’s in his forties? “So what if he’s a stepmother?”Old Lady Lin said angrily, “That wild girl didn’t even look at herself in the mirror! Did she think she was Xianxian? Could she marry into a family like the Cen Family? If the head of the Li family liked her, she would be secretly happy!””

What was ye Zao?

“In front of Feng Xianxian, Ye Zao was the mud under Feng Xianxian’s feet.”

“Hearing this, the corners of Zhao Shuning’s mouth curled up. “Mom, you’re right! I also think that ye Zao can’t compare to Xianxian!””

“Old Lady Lin turned to look at Zhao shuning and continued, “Shuning, don’t tell anyone about this first! Tomorrow Morning, you go to the Li family. If Li Yibiao has the intention, you can find a time to invite him to our house!””

“After getting a satisfactory answer, Zhao shuning smiled and said, “It’s better to choose a different day. Why don’t I go to the Li family in the afternoon?””

“Okay.”Old Lady Lin nodded.

Zhao shuning went back to her room to change her clothes and went to the Li family.

It was Li Yibiao who personally received her.

Li Yibiao lived up to his name. He was particularly strong and had a strong build. He was at least 200 to 300 pounds and looked fierce. He looked not to be trifled with.

Zhao shuning swallowed her saliva. No wonder there were rumors that Li Yibiao had a special hobby.

“No wonder I heard a magpie calling this morning. It turns out to be a distinguished guest!” Li Yibiao smiled and said, “May I know what the fourth Madam Lin is here to teach me?”

“Zhao shuning smiled and looked up. “Mr. Li, I came to look for you. Of course, I have good news.””

“Go ahead.”

“Zhao shuning carefully chose his words in his mind. “Then I’ll be frank with you. Mr. Li, your wife has been dead for a long time. I wonder if you have any plans to remarry?””

Li Yibiao looked at Zhao shuning with a complicated expression.

The Li family and the Lin family had never had much contact. They didn’t interfere in each other’s business. Why would Zhao shuning ask such a question?

Li Yibiao narrowed his eyes. “Could it be that fourth madam Lin has a suitable person who wants to matchmake me?”

“Zhao shuning smiled and said, “Mr. Li is indeed a smart person. You can understand it easily! That’s why it’s so easy to talk to smart people! I really have a suitable candidate here!””

“Who?” Li Yibiao raised his head.

“My niece,” Zhao shuning replied.”

“The daughter that Master Lin just acknowledged?” Li Yibiao was a little in disbelief.

Zhao shuning nodded.

“Li Yibiao laughed out loud, “Fourth Madam Lin, don’t make fun of me!” Everyone in the capital knew that Lin Jincheng was a womanizer! Would Lin Jincheng marry his daughter to a widower like him?”

“Besides, the status of the Lin family and the Li family didn’t match!”

Unless Lin Jincheng’s brain had been kicked by a donkey!

“Zhao shuning said very seriously, “Mr. Li, if I’m joking with you, then I won’t make this trip today.””

Li Yibiao frowned. He suddenly couldn’t figure out what the Lin family was planning.

“After saying that., zhao shuning continued, “Mr. Li, actually, I know your concerns! Then, I Won’t hide it from you. I’ll tell you the truth! My niece came from the countryside. Other than her face, there’s nothing good about her! My mother has long wanted to find someone to marry her off! She doesn’t want to be an eyesore at home! If you like her, it’s her good fortune!””

“Does master Lin Know About This?” Li Yibiao asked.

““Yes! Of course he knows! In fact, this is also his idea!” Zhao shuning continued, “Mr. Li, don’t look at how grand the family recognition banquet was last time. In fact, it was all held for outsiders to see!””

Li Yibiao still couldn’t believe it.

“Zhao shuning stood up from the chair, “Mr. Li, that’s all I have to say. If you have such a wish, come to our Lin family tomorrow morning. At that time, my mother will naturally talk to you in detail!” “If you don’t believe me, then you can only say that you and my niece are fated to be apart!””

Chapter 566: 138: Master Five is furious. The truth has been revealed. It turns out that the one who is truly infertile is Zhao shuning! 6

“After saying that, Zhao shuning turned around and left.”

“Li Yibiao stood up as well. “Fourth Madam Lin, Please Wait!” ”

Zhao shuning turned around and looked at Li Yibiao.

“Li Yibiao continued, “Fourth Madam Lin, are you sure that what you said is true?” ”

“No matter how unloved this granddaughter of the Lin family was in the Lin family, she was still a member of the Lin family.”

Marrying the Lin family’s granddaughter was also beneficial to him.

Besides.

The granddaughter that the Lin family had just acknowledged was still young.

She was only 19 years old.

“She was also good-looking. Just thinking about it made one’s heart go wild, and one’s entire body felt hot.”

Being able to marry the Lin family’s granddaughter was simply killing two birds with one stone!

“Zhao shuning smiled and said, “Whether it’s true or not, won’t Mr. Li come to our Lin family tomorrow morning and find out?” After saying that.., zhao shuning continued, “Mr. Li, to tell you the truth, my mother’s family is very satisfied with you. As long as you agree to this matter, it will be done!” ”

“Alright! Then I’ll have to trouble fourth Madam Lin to tell Old Lady Lin that I’ll definitely pay her a visit tomorrow morning!”

“Hearing this, a glimmer flashed across Zhao shuning’s eyes. ”

It was done!

“Zhao shuning nodded. “Alright, then it’s settled! I’ll wait for you at the Lin Family Tomorrow Morning.”After saying that, Zhao shuning walked out. ”

“”Fourth Madam Lin, I’ll send you off!”Li Yibiao walked in front politely. ”

“Zhao shuning smiled and said, “From now on, we’re in-laws. According to seniority, Mr. Li, you’ll have to follow my niece and call me fourth aunt.” ”

Li Yibiao also smiled. “Then I’ll have to rely on fourth aunt’s auspicious words!”

“”Don’t worry,”Zhao shuning continued, “There definitely won’t be any mistakes in this matter.” ”

“On the way back to the Lin family estate, Zhao shuning was in a good mood. ”

“However, just as he walked into the Lin family estate, the smile on Zhao Shuning’s face froze on the corner of his mouth. ”

“Lin Qingxuan!”

Zhao shuning shouted angrily. His facial features were almost ferocious.

“Lin Qingxuan was shocked. When she turned around and saw that it was Zhao shuning, her face turned pale. “Shuning, let me explain.” ”

“Before Lin Jincheng could react, Zhao shuning rushed up and slapped Lin Qingxuan in the face. “Kneel down! Kneel down!” ”

Lin Qingxuan bent her knees and knelt down.

The servants at the side were also shocked. They looked at Zhao shuning and almost forgot to react.

Zhao shuning let go of the servant’s hair. “Shameless B * Tch! I told you to seduce someone else’s husband! I’ll beat you to death today!”

“”Fourth madam, I didn’t! You’ve Misunderstood Me!” ”

Lin Jincheng quickly stopped Zhao shuning. “Fourth sister-in-law! What are you doing?”

“Can’t you see that I’m lecturing the mistress?”Zhao shuning glared fiercely at Lin Jincheng. “This B * Tch wants to seduce Qingxuan!”

The servant cried and shook her head. “No! I didn’t!”

“Lin Jincheng also said, “Fourth sister-in-law! It’s true that you’ve misunderstood them! I was just by the side just now. Fourth brother was just talking to Little Du. It’s not as serious as you say. Don’t be so impulsive!” ”

“Zhao shuning turned to look at Lin Qingxuan, “How many times have I told you? You’re not allowed to talk to other women! You’re not allowed to talk to other women! How Did You Promise Me? I haven’t even left for a while, and you’re already trying to cheat on me right under my nose!” ”

You’re not allowed to talk to other women?

Lin Jincheng looked at Zhao shuning in disbelief.

“If that was really the case, then Zhao Shuning was too controlling!”

“In daily life, it was impossible not to talk to other women.”

Because saying something insignificant to the opposite sex was exchanged for a slap and kneeling on the ground.

Was Zhao Shuning’s mind a little twisted?

“Because Lin Qingxuan and Zhao shuning lived abroad all year round, Lin Jincheng had never known that the way they interacted was like this!”

“In his shock, Lin Jincheng looked at Xiao Du. “Xiao Du, my fourth sister-in-law was too impulsive just now. I’ll apologize on her behalf. Go back and rest for a week. I’ll tell the Butler that I’ll give you double your salary this month.” ”

“Xiao du nodded, covered his face and ran to the servant’s room while crying.”

“Lin Jincheng turned to look at Zhao shuning. “Fourth sister-in-law, don’t you think you’ve gone too far? Fourth Brother is a human. How can he only talk to men and not women?” ”

“”Men have gold under their knees. Fourth brother, get up first.”Lin Jincheng helped Lin Qingxuan up.”

“Zhao shuning waved Lin Jincheng’s hand away, “Lin Jincheng! Let me tell you! You Better Mind Your Own Business First! You should mind your own business!” ”

Chapter 567: 138: Lord Fifth is furious. The truth has been revealed. So the one who is truly infertile is Zhao shuning! 7

“Lin Qingxuan looked at Lin Jincheng. “Jincheng, you can go back first.” ”

“Fourth brother!”

“Lin Qingxuan looked up at Zhao shuning. “Shuning, I was wrong about what happened today. I’ve let you down. I promise you, there won’t be a next time.” ”

Lin Jincheng looked at Lin Qingxuan in disbelief.

His fourth brother had once been a very proud person.

What had he become so weak?

“If Zhao shuning was reasonable, it was understandable that Lin Qingxuan would apologize to her. ”

But Zhao shuning was completely unreasonable.

“In front of so many servants, she actually made Lin Qingxuan kneel! ”

How would Lin Qingxuan raise her head in front of the servants in the future?

“What made Lin Jincheng even more incredulous was that throughout the entire process, Lin Qingxuan did not even resist. ”

Zhao shuning looked at Lin Qingxuan. “Follow me back to my room first!”

Only then did Lin Qingxuan stand up from the ground and walk towards the west courtyard with Zhao shuning.

Lin Jincheng looked at their backs and frowned.

On the other side.

The CEN Group.

In the office on the top floor.

“A slender man was sitting at his desk, handling official business. His thin lips were tightly pursed, and his ten fingers were constantly jumping on the keyboard. There was a string of Red Buddhist beads in the palm of his left hand, the fluorescent light reflected from the computer screen coated his cold facial features with a shallow halo. ”

“”Fifth Master! Something happened!”At this moment, assistant Jiang ran in in panic without even knocking on the door. ”

“Cen Shaoqing looked up unhappily and said in a slightly cold tone, “What is it that makes you so flustered? What have I taught you usually?” ”

Special Assistant Jiang shuddered and took a deep breath. “It’s about Miss Ye.”

Miss Ye?

Padah —

The Buddhist beads in Cen Shaoqing’s hand fell to the ground. “What’s wrong with Miss Ye?”

“Special Assistant Jiang gulped. Before he could speak, Cen Shaoqing continued, “Speak! Are You Deaf? I’m asking you, what’s wrong with Miss Ye?” ”

“Special Assistant Jiang:” “? ? ?” “Didn’t he say that no matter what happened, he had to remain calm and composed?”

“Speak quickly!”

Special Assistant Jiang suppressed the fear in his heart and told Cen Shaoqing everything about Li Yibiao.

Cen Shaoqing frowned slightly. His face was instantly covered with an impenetrable layer of ice.

“Whose idea was this?”

“Special assistant Jiang continued, “It was fourth madam Lin.” ”

“”Good! Very good!”Cen Shaoqing didn’t get angry. Instead, he laughed. “Go and look up Zhao Shuning’s information! Then, get Vice President Bai to come up.” ”

This smile was too sinister.

Executive Assistant Jiang felt a chill on the back of his neck. “I’ll go right away.”

Vice President Bai quickly came up.

“”Fifth master, you were looking for me.”Vice President Bai’s attitude was respectful. ”

Cen Shaoqing was counting the Buddhist beads in his hand. “Does Li Yibiao Know?”

“I’ve heard of him.”vice-president Bai nodded.

“I’ll give you a task now!”Cen Shaoqing suddenly stood up. “Kill the Li Corporation! Go To Hell!”

“Vice-president Bai was stunned at first, then said, “Okay.” ”

“Go out.”

“Vice-president Bai bowed and walked out. He just happened to bump into special assistant Jiang outside and asked curiously, “Fifth master, What’s Wrong? Why are you targeting the Li Corporation all of a sudden?” ”

“After all, in front of Cen Shaoqing, the Li Corporation was not even a fly’s leg. ”

Cen Shaoqing had no reason to suddenly attack the Li Corporation.

“Special Assistant Jiang suppressed his voice and said, “I was angry at the Crown for the beauty! I can only say that Li Yibiao has no eyes and offended the person at the heart of our Fifth Master!” ”

The person at the heart?

Could It Be Miss Ye?

Vice President Bai’s face was full of surprise. He did not expect that Cen Shaoqing would also be angry at the crown for the beauty.

“Special Assistant Jiang continued, “Vice President Bai, I Won’t talk to you anymore. Master five has also instructed me to do other things!” ”

Vice President Bai nodded and hurried to his office.

“Cen Shaoqing was angry for a woman. Then, he had to perform well this time so that the Li family would never have a chance to turn things around! ”

“In the evening, special assistant Jiang brought Zhao Shuning’s information into the office. “Master five, we’ve found everything!” ”

“Give it to me.”Cen Shaoqing put down the document in his hands and took the information that special assistant Jiang handed over.

“Cen Shaoqing read through the information with a glance. The more he read, the more he frowned. ”

Change his name?

Zhao shuning actually had the delusion of changing ye Zhuo’s name!

“Special Assistant Jiang hesitated and said, “Master Five.” ”

“Speak.”Cen Shaoqing’s tone was slightly cold.

“Special Assistant Jiang continued, “We also found out that Zhao Shuning’s infertility was to cover up for Miss Ye’s fourth uncle. The person who was truly infertile was Miss Ye’s fourth uncle. “But the truth wasn’t like that. When Zhao shuning found out about the infertility, he was afraid that Miss Ye’s fourth uncle would divorce him, so he bribed the doctor at the time and turned the infertile person into Miss Ye’s fourth uncle.” ”

“There’s such a Thing?”Cen Shaoqing raised his eyebrows.

“Yes.”Special Assistant Jiang nodded.

“Cen Shaoqing waved his hand. “Alright, you can leave now.” ”

Executive Assistant Jiang walked out of the office.

Cen Shaoqing took out his phone and sent a message to ye Zao.

At the Lin residence.

“While Zhao Shuning was asleep, Lin Qingxuan came downstairs to the garden to relax. ”

“The sky was filled with stars. Gusts of Night Wind Blew, bringing with it the fragrance of flowers. It was already slightly cold in the ninth month of the lunar calendar. ”

“However, Lin Qingxuan did not feel the cold at all. Instead, he felt especially relaxed. ”

“In that room, he felt that even breathing was oppressive. ”

“Fourth brother.”

“At this moment, Lin Jincheng’s voice appeared in the air. ”

“Jincheng.” Lin Qingxuan turned to look at Lin Jincheng.

“Lin Jincheng walked over. “Fourth brother, do you have time to talk to me?” ”

The palm print on Lin Qingxuan’s face had not completely disappeared. “Do you want to talk to me about what happened in the evening?”

““Yes.” Lin Jincheng continued, “Fourth brother, let’s talk in the gazebo over there?” ”

Lin Qingxuan nodded and the two brothers walked into the gazebo.

“After entering the gazebo, the two brothers sat on the stone bench. Lin Jincheng took the initiative to speak, “Fourth brother, I remember that you weren’t like this in the past.” ”

““People change.” Lin Qingxuan sighed, his eyes filled with guilt. “Your fourth sister-in-law is a good woman. I let her down...” ”

“Lin Jincheng frowned slightly. “Fourth brother, what happened to make you tolerate her to such an extent?” ”

“If Zhao Shuning was worthy of Lin Qingxuan’s treatment, then so be it. ”

“However, Zhao Shuning was not worthy at all. ”

Lin Qingxuan was silent.

How could he say something like this?

““Fourth uncle, actually, the one who is truly infertile is Zhao shuning. You took the blame for her for twenty-one years.” ”

“Before he arrived, the voice came first. ”

“Lin Qingxuan looked up and saw a pair of jade-white hands opening the layers of beaded curtains. Then, a slender figure appeared in the pavilion. ”

Chapter 568: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin family’s mess! 1

““Zao Zao?” Lin Qingxuan raised his head to look at Ye Zao, his eyes full of surprise. “What, what are you talking about?” ”

He didn’t expect ye Zao to suddenly appear.

He also didn't expect ye Zao to suddenly say such a thing.

Lin Jincheng was also a little confused.

He didn't realize what was going on.

Wasn't Zhao shuning always the one who was infertile? Why did ye Zao say that Lin Qingxuan was the one who took the blame for Zhao Shuning?

Could there be something else going on?

"Ye Zao enunciated each word carefully. "Fourth uncle, the one who is infertile is Zhao shuning. This matter has nothing to do with you." "

Lin Qingxuan looked at ye Zao with disbelief in her eyes. Her mind went blank and she took a few steps back.

Ye Zao said that the person who was infertile was Zhao Shuning?

How was that possible?

They had clearly gone to the hospital for a checkup.

They had gone to the hospital for a full three times.

The results were the same three times!

It couldn't be.

Why would Zhao shuning lie to him?

“Lin Jincheng frowned. “Zao Zao, what exactly happened? Tell me clearly.” ”

“Ye Zao looked at Lin Jincheng, “Dad, it’s like this. “Twenty-one years ago, after Zhao Shuning married fourth uncle, she went to the hospital for a checkup because she was infertile for a long time. In the end, she was found to be infertile because of Gong Han. She was afraid that fourth uncle would divorce her because of infertility, so she bribed the doctor and blamed fourth uncle for being infertile.” ”

“”All these years, although Zhao shuning has always announced to the public that she was infertile, in the mainland, fourth uncle always thought that he was the one who was infertile. Because he felt guilty towards Zhao shuning, fourth uncle tolerated her a lot.” ”

“Actually, when Cen Shaoqing told ye Zhuo about this, Ye Zhuo was also very surprised. ”

She had always known that Zhao shuning was infertile.

“However, she did not expect that Zhao shuning would actually turn the infertile into Lin Qingxuan. ”

This made Lin Qingxuan live in guilt towards her.

It was also because of this that Lin Qingxuan was so afraid of her.

“However, from another point of view, it could be seen that Lin Qingxuan was a rare and good man. ”

It had been twenty-one years.

“However, if Lin Qingxuan had a second heart and was raising someone outside, this matter could not be hidden anymore. ”

“Similarly, this was also what Zhao Shuning was most worried about. That was why Zhao shuning was so sensitive and did not even allow Lin Qingxuan to speak to the opposite sex.”

“This was because once Lin Qingxuan had an affair, it was very likely that the entire illegitimate child would be born.”

“At that time, the news of her infertility would also be made public.”

“Lin Jincheng was stunned. It took him a long time to react. He turned to look at Lin Qingxuan, his eyes full of disbelief. “Fourth brother, is that so?””

How could he have thought that a matter of infertility could involve so many things.

If that was really the case...

Then Zhao Shuning was too scary.

She actually forced her own mistake on Lin Qingxuan and lied to her for so many years.

“Lin Qingxuan’s face was expressionless, “Actually, burning was wrong. I was the one who was infertile. It was shuning who took the blame for me... This matter had nothing to do with Shuning. I let shuning down. I didn’t give her a child...””

“At the end of her sentence, Lin Qingxuan’s eyes turned red.”

Lin Qingxuan trusted Zhao shuning very much.

Why would Zhao shuning lie to her?

It wouldn’t happen!

“Although Zhao Shuning was flawed in other areas, it couldn’t be denied that she was a good woman. If she wasn’t a good woman, she wouldn’t have taken his place ”

“As a woman, who wouldn’t want to have a child? ”

Lin Qingxuan could understand why Zhao shuning had become like this. He felt sorry for her efforts over the years.

“Because he understood, he tolerated her in every way possible. ”

Ye Zhuo frowned slightly.

It seemed that this fourth uncle of hers was really an infatuated person.

“At a time like this, he still firmly believed in Zhao shuning. ”

It was a pity.

Zhao shuning simply did not deserve this deep affection.

“If Zhao Shuning was a good woman, even if she did not give birth and lived a good life with Lin Qingxuan, Lin Qingxuan would not have done anything like a divorce. ”

“Ye Zhuo looked up at Lin Qingxuan, “Fourth uncle, you’re really not the one who’s infertile! You’ve been taking the blame for Zhao shuning all this time! Facts speak louder than words. If you don’t believe me, you can go to the hospital to have a checkup without Zhao shuning knowing. The Doctor will tell you the exact answer!” ”

“Hearing this, Lin Qingxuan took a few steps back. ”

“Lin Jincheng promptly supported Lin Qingxuan. “Fourth brother, I’ll go with you tomorrow! When the time comes, just say that you’ll go to the hospital with me for a checkup!” ”

Lin Qingxuan didn’t say anything.

It took a while for him to recover.

“Ye Zhuo looked up at Lin Jincheng. “Dad, this is how it happened. Please advise fourth uncle well. I’ll go back to my room first.”It wasn’t appropriate for a junior like her to stay here on such an occasion. ”

Chapter 569: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin family’s mess! 2

Lin Jincheng nodded. “Quickly go back and rest.”

“After ye Zhuo left, only Lin Jincheng and Lin Qingxuan were left in the pavilion. ”

“Fourth brother?”

“Lin Qingxuan turned to look at Lin Jincheng. “Jincheng, I’ve been married to Shu Ning for 21 years. Do you think she would lie to me?” ”

“Lin Jincheng sighed. “Fourth brother, if this matter is really like what Zhonghua said, what do you plan to do?” ”

“It won’t happen. Shuning won’t lie to me.”

“Lin Jincheng continued, “We’ll know if she’s lying to you or not when we go to the hospital tomorrow.” ”

“Lin Qingxuan’s voice was a little shaky. “Can... can I not go to the hospital?” He and Zhao Shuning had been married for twenty-one years. If he went to the hospital for a checkup now, wouldn’t he be letting down Zhao shuning’s efforts all these years?”

Wasn’t the couple’s life based on mutual trust?

“If the results of the checkup came out and it was still his fault, wouldn’t that be unfair to Zhao shuning.”

Lin Qingxuan didn’t want to disappoint Zhao shuning.

He also didn’t want to betray Zhao shuning spiritually.

“After all, Zhao Shuning had given up too much for him.”

“If it was still his fault, how could he face Zhao Shuning?”

““Fourth brother!” Lin Jincheng frowned, “This is a major event in life, you have to go!” ”

“If he didn’t know the secret, then forget it. Now that he knew the secret, he had to bring Lin Qingxuan to investigate it!”

Give Lin Qingxuan Justice.

Lin Qingxuan took a deep breath.

“Seeing him like this, Lin Jincheng’s tone softened, “Fourth brother, going to the hospital for a re-examination is your responsibility! It’s also your responsibility to fourth sister-in-law! So you have to go! Haven’t you always wanted a child of your own? What if fourth sister-in-law is really lying to you?” ”

Lying?

Would Zhao shuning really lie to him?

"I. . ."Lin Qingxuan felt a little dizzy. "I want to be alone."

Lin Jincheng sighed. "I'll accompany you."

The two brothers stayed in the pavilion until the second half of the night before returning to each other's rooms.

"Just as Lin Qingxuan pushed open the door, a glass flew over. "

"Lin Qingxuan subconsciously flashed, and the glass fell to the ground. "

Bang!

The pieces scattered in all directions.

"Lin Qingxuan! You Didn't sleep at night. Where did you go?"Zhao shuning appeared in front of Lin Qingxuan with a ferocious look. "Let me ask you! Did you have a night out with a lover?"

Zhao shuning couldn't accept that Lin Qingxuan had another woman outside.

"In this life, no one could get close to Lin Qingxuan except for her! "

"At the thought of Lin Qingxuan sneaking out behind her back, Zhao Shuning was furious. "

What could be good about going out in the middle of the night?

“Lin Qingxuan explained, “No, I talked to Jin Cheng Downstairs.” ”

“Talking? What can’t be said in the day but at night?” Zhao shuning couldn’t help but slap Lin Qingxuan’s face. “Lin Qingxuan! You’re lying!”

“Lin Qingxuan’s head was numb from the slap and his ears were buzzing. “Shuning, I’ve never had a lover. I was really chatting with Jin Cheng in the garden.” ”

“Zhao shuning narrowed her eyes, “Lin Qingxuan! Don’t think that I don’t know what you’re thinking! Aren’t you just envious that Lin Jin city has twins? But you can’t have children yourself, can you blame me? Don’t you think that I don’t want to have children? You Can’t have children yourself, so do you want to blame the problem on Me?” ”

“”Shuning,” Lin Qingxuan wiped the blood from the corner of her mouth. “I know that this is my own problem. I’ve never blamed you.” ”

Lin Qingxuan didn’t understand how humble she had to be for Zhao shuning to be satisfied.

“In order to not make Zhao shuning worry, he never talked to the opposite sex under Zhao Shuning’s eyes.”

He got home before 9 o’clock at night.

He had to report his daily schedule.

He also had to be responsible for washing Zhao shuning’s clothes...

“Maybe it was because he had a guilty conscience, Zhao shuning never dared to believe Lin Qingxuan’s words. The more Lin Qingxuan explained, the more she felt that Lin Qingxuan was abnormal.”

She couldn’t control her emotions.

“You Didn’t blame me? You Didn’t blame me, so why did you sneak out behind my back? “I know, I’m old now, and my skin is flabby. I can’t compare to some vixens! “But was I like this from the beginning? “When I, Zhao shuning, was with you, I was also a beautiful little girl! It was you who forced me into this State!” ”

“Speaking up to this point, Zhao shuning choked and said, “You made me lose my right to be a mother. Now that I’m Old and past the optimal age to give birth, you want to abandon me? No Way!” ”

Chapter 570: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin Family! 3

Lin Qingxuan looked at Zhao shuning as if it was her first time getting to know her.

“Zhao shuning had always been so sensitive. No matter what he said, she would always think of giving birth.”

Was it really because he couldn’t give birth?

Lin Qingxuan suddenly thought of ye Zhuo’s words and looked at Zhao shuning’s face. His heart suddenly wavered.

Perhaps.

He really should go to the hospital for a checkup.

“Lin Qingxuan sighed. “Shuning, I never thought of abandoning you. You’ve already beaten me up and scolded me. Can I go in now?” ”

“Zhao shuning was still not satisfied. “Kneel for two hours and reflect on yourself! Then, you can sleep on the sofa tonight!” ”

“Okay.”

Zhao shuning took out a washboard from the bathroom.

“A person like Lin Qingxuan should be taught a lesson. Otherwise, he would definitely do it again next time!”

...

“When Lin Jincheng returned to his room, Ye Shu was already asleep.”

“She was light-sleeper now. Lin Jincheng deliberately slowed down his footsteps, but he still woke ye Shu up.”

“Ye Shu subconsciously sat up on the bed and picked up the phone on the bedside table. When she saw that it was already past midnight, she said in surprise, “Have you been chatting with fourth brother until now?””

“Lin Jincheng was holding a change of pajamas as he looked at the sleepy ye Shu. For a moment, he was a little stunned.”

“When she was about to wake up, he seemed to see her from nineteen years ago.”

Ye Shu was very beautiful.

“She had a very standard oval face, Red Phoenix eyes, and very fair skin. Otherwise, the twenty-year-old Lin Jincheng would not have fallen in love with her at first sight. He would have even given up everything for her.”

“After the baptism of time, the thirty-nine-year-old ye Shu looked even more charming now.”

“After a while, Lin Jincheng finally reacted. “Ah Shu, I’m sorry. I woke you up.” ”

“It’s okay.”Ye Shu pulled the Silk Quilt. “Has fourth brother’s problem been solved?”

“Lin Jincheng said, “Did Zhuozhuo tell you?” ”

“What did he say?”Ye Shu asked in puzzlement.

Lin Jincheng continued to tell her about Zhao shuning’s infertility.” ... I plan to accompany fourth brother to the hospital tomorrow morning.”

“Hearing this, Ye Shu was also very surprised. ”

“She originally thought that Zhao shuning was just infertile, but she didn’t expect there to be so many twists and turns. ”

“If that was really the case, then Zhao Shuning was a little selfish. ”

It wasn’t her fault that she was infertile.

“However, it was her fault that Lin Qingxuan was blamed for being infertile for more than twenty years.
”

“However, Ye Shu couldn’t comment on Zhao shuning at the moment. After all, the results of the examination weren’t out yet. ”

“”Okay, then you should take a shower and rest early.” ”

“Okay.”Lin Jincheng nodded slightly. “You should rest early too.”

“Ye Shu lifted the quilt. Before her feet even touched the ground, a glass of water was handed to her.
“Drink some water.” ”

Ye Shu looked up in surprise. “Thank you.”

“A bitter look appeared in Lin Jincheng’s eyes. It was fleeting. “Ah Shu, we don’t have to be so distant.” ”

“Okay.”Ye Shu took the water.

Lin Jincheng didn’t say anything else. He took his pajamas to the bathroom.

“After a while, there was the sound of water splashing in the air. ”

“When Lin Jincheng came out of the bathroom again, Ye Shu was already asleep. ”

She was still the same as when she was young.

She liked to cover her head when she slept.

“Lin Jincheng stood by the bed for a while before he returned to the sofa. Although he wasn’t a gentleman, he promised ye Shu that he wouldn’t go back on his words. ”

He wouldn’t touch ye Shu until she had completely let go of the knot in her heart.

“That night, Ye Shu had a very long dream. ”

“In the dream, she had returned to the age of nineteen. ”

“When she was young, she and Lin Jincheng had made a promise to each other, full of affection...”

“That night, some people slept well, while others didn’t.”

“Soon, it was the next morning.”

“Although Lin Qingxuan didn’t sleep well last night, he still got up on time this morning. After washing up, he went for a run and then came back for breakfast.”

“Because of what happened last night, Zhao Shuning kept a long face.”

“Lin Qingxuan deliberately tried to please her and gave her a spring roll. “Shuning, I remember your favorite spring roll with chives and bean sprouts.””

PA —

The spring roll was thrown to the ground.

“Did I say I forgive you?”

“Lin Qingxuan’s expression froze for a moment, but she didn’t show it. She picked up the spring roll on the ground, blew it, and took a bite. “It’s not good to waste food. If you don’t eat it, I’ll eat it.””

This action stunned the servants in the room.

Not to mention the Lin family.
