Chapter 571: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin Family! 4

“Even an ordinary family wouldn’t be able to pick up the food on the floor and eat it, right?”

Zhao shuning frowned and slammed the chopsticks in her hand onto the table.

She didn’t understand why Lin Qingxuan always went against her!

“He didn’t find it disgusting to pick up the food on the floor and eat it, but she did!”

It was degrading.

It was too degrading!

“At this moment, footsteps came from outside the house.”

“”Fourth brother, fourth sister-in-law is eating?””

Zhao shuning glanced sideways and saw that it was Lin Jincheng. His eyes were filled with anger. “Why are you here?”

“Lin Jincheng smiled and said, “My leg has been a little uncomfortable these few days. I made an appointment with fourth brother last night and asked him to accompany me to the hospital today to take a look.””

“After saying this, Lin Jincheng looked at Lin Qingxuan again. “Fourth brother, don’t tell me you’ve forgotten about what happened last night so quickly?””

“Actually, Lin Jincheng was a little flustered at this moment.”

He was afraid that Lin Qingxuan would be the same as last night and would never agree to go to the hospital.

““I haven’t forgotten.” Lin Qingxuan raised her head and looked at Lin Jincheng. “After we finish eating breakfast, I’ll go with you.””

“In the past 21 years, he had never done anything to let Zhao Shuning down.”

“But this time, he wanted to do it again.”

“If the result of the examination was still his fault, he would bring the certificate to Zhao Shuning and apologize.”

““Okay.” Lin Jincheng’s eyes lit up and he immediately said, “Then I’ll wait for you in the East Wing.””

“Okay.” Lin Qingxuan nodded.

Zhao Shuning narrowed her eyes.

She didn’t like Lin Qingxuan to get too close.

“As the saying goes, those who are in the middle are confused, and those who are watching from the sidelines are clear.”

She was afraid that Lin Jincheng would eventually notice something.

After all.

Lin Jincheng was a rare smart person.

“Lin Qingxuan gave up her first love because of Old Lady Lin’s words, but Lin Jincheng couldn’t.”

But Li Yibiao was coming over soon.

“At this time, it was good that Lin Jincheng wasn’t at the Lin residence.”

“If Lin Jincheng was at home, there would definitely be more trouble.”

“Unexpectedly, Lin Qingxuan had unintentionally facilitated this matter.”

“Zhao shuning continued eating the porridge. He guessed that Li Yibiao would be coming soon, so he said, “Since you’ve already made an appointment, then hurry up and go! Don’t let Jincheng wait too long!””

Lin Qingxuan nodded. “I know.”

“After breakfast, Lin Qingxuan went to the east wing to look for Lin Jin city.”

The east wing was not as lively as the north wing.

“The east wing was very lively, and the atmosphere was warm.”

“At this moment, Ye Zhuo and Lin Ze were sitting on a small wooden chair in front of the courtyard, chatting about something. The wooden shelf above their heads was blooming with colorful roses, and the smiling faces of the brother and sister were covered in flowers. They were eighteen or nineteen-year-old teenagers., the colors were even more beautiful than fresh flowers. When they saw Lin Qingxuan come in, Ye Zhuo and Lin Ze hurriedly stood up to call for her.”

“Fourth uncle.”

“Lin Qingxuan’s face unconsciously raised into a smile. “Ah Ze, Zhuo Zhuo.””

Ye Shu walked out from inside. “Fourth brother is here. Jin Cheng is in the back room taking a call. Take a seat first.”

“Okay.” Lin Qingxuan nodded and bent down to sit opposite Lin Ze and ye Zhuo.

Ye Shu brought over a cup of tea.

““Thank you, sister-in-law.””

““Fourth brother, you’re too polite.””

“After a while, Lin Jincheng came out of the back room. “Fourth brother, let’s go.””

“Okay.” Lin Qingxuan stood up from the stool.

““Wait a moment,” ye Shu said from the side.”

“What’s Wrong?” Lin Jincheng turned his head.

Ye Shu walked over and put her hands on his tie. She lowered her eyebrows and carefully tidied up the messy tie.

“Although it was just a simple action, Lin Jincheng was stunned.”

His breathing was chaotic.

His heart was racing.

“When Lin Qingxuan saw this scene, she suddenly felt envious of Lin Jincheng.”

He and Zhao shuning seemed to have never been so warm before.

Many times.

Zhao shuning used Lin Qingxuan as a servant and ordered her around.

“She was already used to Lin Qingxuan’s efforts, so she naturally wouldn’t do anything for Lin Qingxuan.”

“”Alright.”Ye Shu loosened her tie and continued, “Be careful on the road.””

“Okay.”Lin Jincheng nodded and left with Lin Qingxuan.

The Black Bentley quickly disappeared on the road.

...

On the other side.

Zhao shuning also came to Old Lady Lin’s courtyard.

“Old Lady Lin had just woken up when Zhao shuning took over the maid’s job, helping her brush her teeth and wash her face.”

“Looking at Zhao shuning who was doing her best, Old Mrs. Lin suddenly felt a little guilty. “Shuning, all these years, it’s our Lin family that has let you down.”They were also from the Zhao family, zhao shuning was also old Mrs. Lin’s daughter-in-law, and she had always favored Zhao shuning a little more.”

“In addition, Lin Jincheng was infertile. All these years, Zhao shuning had been the only one who had blocked the gossip outside.”

Chapter 572: 140: Fourth Uncle Knows the truth about infertility and has to clean up the Lin Family! 5

This made Old Lady Lin even more partial to her.

“Furthermore, Zhao shuning was so filial. ”

“Zhao shuning helped Old Lady Lin Wipe Her face as she said, “Mom, what are you talking about? I’ve never felt that our Lin family has let me down in any way. We’re all one family. It’s too much for you to say these things.” ”

“Old Lady Lin Sighed. “Good child, I’ve let you down.” ”

“As a woman, Old Lady Lin could understand Zhao Shuning’s pain. ”

“So, even if she knew about what happened last night, Old Lady Lin still turned a blind eye. ”

Zhao shuning couldn’t have children because of Lin Qingxuan. Shouldn’t she let Zhao shuning vent a little?

There was no such thing in the world!

Zhao shuning helped Old Lady Lin wipe her face again. "I'm not wronged. It's my fortune to be able to marry into the Lin family. I've never felt wronged."

Old Lady Lin was very gratified.

Older people could not tolerate disobedience.

"Oh right, what time did you and Li Yibiao Meet?" Old Lady Lin continued to ask. "

Zhao shuning said, "We only agreed to meet this morning. We didn't agree to meet at what time." "

Old Lady Lin nodded. "It's good that he can come."

Zhao shuning helped Old Lady Lin to the dining room. "Mom, don't worry. He will definitely come." "

In the dining room, the dishes were already placed on the table. "

Old Lady Lin's breakfast was very exquisite.

There were steamed crystal shrimp dumplings, fried eggs, red date cake, lean meat porridge with preserved eggs, wonton noodles... "

Old Lady Lin sat down to eat. "Shuning, sit down and eat with us." "

Zhao shuning smiled and said, "I've already eaten." "

After saying that, Zhao shuning said, "Mom, when do you think we should set the wedding date when Li Yibiao will come over to discuss the wedding?" "

What do you think?" Old Lady Lin asked.

“Zhao shuning narrowed his eyes, “As the saying goes, the faster the knife, the better. In my opinion, the faster the better!” “If Li Yibiao Likes Ye Zao, it would be best if Li Yibiao brings ye Zao back to spend a few days with him. If the two of them get together, they have to develop a relationship!” ”

“When the time came, even if Lin Jincheng objected, it would be useless. ”

“At this point, Zhao shuning sighed and said worriedly, “I just don’t know if ye Zao is willing. After all, Li Yibiao is already so old.” ”

Zhao shuning hated ye Zao.

She wished that ye Zao would immediately disappear from her sight!

““She dares to disagree!” Old Lady Lin slammed her chopsticks on the table. “As a grandmother, I’ve already made a decision, but it’s not up to her!” ”

Old Lady Lin felt that she was the most authoritative existence in the Lin family.

She couldn’t allow anyone to disobey her!

“And that Disobedient Wild Girl, Ye Zao, was even worse! ”

“The corners of Zhao Shuning’s mouth curled up into a smile as he continued, “Then, we can’t let Jin City know about this for the time being. According to his personality, if he finds out about this, he will definitely cause a ruckus with us.” ”

“Yes.” Old Lady Lin nodded.

...

At the same time.

At the hospital.

“Standing at the entrance of the hospital, Lin Qingxuan was a little nervous.”

He was afraid of the same outcome.

““Fourth brother, let’s go in quickly.” ”

“Lin Qingxuan took a deep breath. “Jin Cheng, why don’t We Forget About It?” ”

He was a little afraid of facing the result.

“Lin Jin Cheng grabbed Lin Qingxuan’s wrist. “Fourth brother, you have to give yourself an explanation this time.” ”

Lin Qingxuan followed Lin Jin Cheng to the hospital.

They hung up the infertility department.

There were many items to check for infertility.

“After the examination, they still had to wait for an hour before they could see the results.”

Lin Qingxuan sat on the blue plastic chair in the waiting area. His brows were furrowed and his eyes were filled with unease.

““Fourth brother, don’t worry,” Lin Jincheng comforted him.”

Lin Qingxuan smiled. "Don't worry."

"After saying that, Lin Qingxuan took out a cigarette and handed it to Lin Jincheng. "Have a cigarette?" "

Lin Jincheng waved his hand and refused.

"You quit?" Lin Qingxuan was a little surprised.

One had to know that Lin Jincheng used to be a heavy smoker.

"Yes." Lin Jincheng smiled and said, "Burning said that smoking is not good for the body, so I quit. Fourth Brother, you should smoke less." "

"Lin Qingxuan said, "I have smoked for more than ten years. How can I quit in such a short time? Then I will go outside to smoke and go out to get some fresh air!" "

"Okay." Lin Jincheng nodded.

"Lin Qingxuan took the cigarette and walked outside. He stood on the steps and lit the cigarette. Just as he took a puff, he was hit by someone. "

PA —

The lighter and the cigarette case fell to the ground.

"Then, a pair of hands picked up the things that fell to the ground and handed them to him. "

Chapter 573: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin Family! 6

“I’m sorry, I’m sorry, I didn’t do it on purpose! Sir, are you alright?” ”

“Lin Qingxuan raised her head and saw that the person who bumped into her was a woman in her thirties. She was wearing a Chanel suit and was dressed very exquisitely. Her brows and eyes were delicate and her facial features were not too outstanding, but her eyes were especially lively. ”

“Lin Qingxuan was about to say that she was fine, but she remembered what Zhao shuning said. She took the thing that Zhao shuning handed her and shook her head to show that she was fine. Then, she put out the cigarette and walked toward the hospital. ”

“Mom, are you okay?” An eighteen or nineteen-year-old girl ran toward them. ”

“Lizi.” Xia Xiaoman turned her head to look at an Lizi who was running toward them and said with a smile, “I’m fine.” ”

1

“An lizi continued, “Then let’s go in quickly.” ”

The mother and daughter walked towards the hospital.

“Xia Xiaoman smiled and said, “Actually, mom is really fine. It’s just a little cough. There’s no need for her to come to the hospital.” ”

“A cough is not a small matter.” An Lizi hugged Xia Xiaoman’s arm. “If you’re not feeling well, you should come to the hospital in time. Don’t drag a small illness into a big one!” ”

“She had already lost her father. For the rest of her life, she could not let anything happen to her mother. ”

“Lin Qingxuan came back from outside in less than five minutes, which surprised Lin Jincheng. “Fourth brother, why are you back so soon?” ”

“I suddenly don’t feel like smoking again.”

Lin Jincheng nodded and did not ask any more questions.

Time passed by minute by minute.

“Soon, an hour had passed. ”

“Lin Jincheng looked at his watch. “Fourth brother, it’s time. Let’s go to Doctor Zhou’s place.” ”

“Lin Qingxuan gulped and suddenly felt a little nervous. “Jincheng, why don’t you go? I’ll wait for you here.” ”

““Let’s go together.”Lin Jincheng pulled Lin Qingxuan to stand up. “No matter what the outcome is, Let’s face it together.” ”

Lin Qingxuan took a deep breath and nodded.

The two of them came to Doctor Zhou’s office.

“When they saw Lin Jincheng and Lin Qingxuan stand up, they said, “Chief Lin, Mr. Lin, sorry to have kept you waiting! Please take a seat.” ”

Lin Qingxuan was so nervous that she did not know what to say. Her palms were covered in a layer of sweat.

“Lin Jincheng said, “Doctor Zhou, has the result of my fourth brother’s examination been released?” ”

Doctor Zhou nodded and took out a report and handed it to the two of them.

Lin Qingxuan did not have the courage to accept it.

He was afraid of facing a report of infertility.

Lin Jincheng took the report from Doctor Zhou with both hands.

“Actually, at this moment, Lin Jincheng was also a little nervous.”

He hoped that the results of the examination would show that Lin Qingxuan was normal.

He hoped that Lin Qingxuan would be able to live for him for the rest of her life.

“What was going on now? She was afraid of Zhao shuning, so why did she slap him so frequently?”

Lin Jincheng opened the report with trembling hands.

He flipped through the pages.

His eyes were filled with disbelief.

“Although Lin Jincheng didn’t study medicine and couldn’t understand professional terms, he could understand the six words at the bottom right corner of every page of the report.”

The test results were normal.

Normal!

“Lin Jincheng’s heart was beating faster and faster. With only one page left, he took a deep breath and flipped to the next page.”

The test results were normal!

“At this moment, Lin Jincheng could not hide his beating heart.”

“”Jin, Jincheng?” Lin Qingxuan looked at Lin Jincheng and his heart was in his throat.”

“Although he was prepared that he could not have children, at this moment, Lin Qingxuan was still very nervous and afraid.”

“Lin Jincheng hugged Lin Qingxuan and almost choked out, “Fourth brother!” ”

“Seeing Lin Jincheng like this, Lin Qingxuan let out a breath and comforted Lin Jincheng, “Jincheng, you don’t have to do this. Actually, I already know the result.” ”

He already knew that it was him who was unable to give birth.

“Lin Jincheng misunderstood Lin Qingxuan and hurriedly said, “Fourth brother! You’re normal! The person who can’t give birth is Zhao shuning. It has nothing to do with you!” ”

At this moment.

Lin Qingxuan thought he was hearing things.

What was Lin Jincheng saying?

He said he was normal?

He was really normal?

““Fourth brother, quickly read the report!”Lin Jincheng stuffed the report into Lin Qingxuan’s hands. ”

Lin Qingxuan’s face was expressionless as he flipped through the report page by page. His expression changed from disbelief to shock and finally to joy...

“At this moment, Lin Qingxuan could not hear anything. ”

There were only two words in his mind.

Normal!

He was a normal person!

He had the ability to give birth!

It was not that he could not.

“Doctor Zhou stood up at the right time. “Chief Lin, Mr. Lin, Congratulations to the two of you.” ”

““Thank you, Doctor Zhou.”Lin Jincheng also stood up. ”

Chapter 574: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin Family! 7

“After a long while, Lin Qingxuan finally reacted. She looked at doctor Zhou and asked, “Are you sure that the results are okay?” ”

“After her joy, Lin Qingxuan was a little worried. ”

What if it was a misdiagnosis?

Lin Qingxuan did not want to experience despair after experiencing hope.

“Doctor Zhou smiled and said, “Our Hospital uses the most advanced equipment. There’s absolutely no mistake! If you don’t believe me, Mr. Lin, you can go to another hospital for another check-up.” ”

Lin Qingxuan did not dare to believe this result. He dragged Lin Jincheng to another hospital for another check-up.

The results were the same.

Everything was normal.

There was nothing wrong with him.

“After running to five hospitals in a row, Lin Qingxuan finally believed that there was nothing wrong with him. ”

He did not expect that he had been living in a lie all these years.

“He trusted Zhao shinning so much, but Zhao shinning had lied to him. ”

“Jincheng!”

“For the first time in his life, Lin Qingxuan hugged Lin Jincheng and cried like a child.”

Lin Jincheng did not know how to comfort him.

He could only pat Lin Qingxuan on the back.

“After a long while, Lin Jincheng finally said, “Fourth brother, what do you plan to do next?” ”

Lin Qingxuan’s emotions gradually calmed down. “I plan to have a good talk with her.”

“Lin Jincheng nodded. “It’s good that you know what to do, fourth brother.” ”

On the other side.

The Lin family.

From 8 am to 1 pm in the afternoon.

There was no movement from the Li family home at all.

“This time, Old Madam Lin couldn’t sit still any longer. “Shu Ning, Qianhua has already gone back. Why isn’t Li Yibiao here yet? Does he not want to come?” ”

“Zhao Shu Ning was a little anxious. “Mom, I’ll make a call and ask around.” ”

“Alright.” Old Madam Lin nodded.

Zhao Shu Ning called the Li family home.

“It was unknown what was said on the other end of the phone, but Zhao Shu Ning’s expression changed.”

“After a long while, Zhao shuning finally reacted and turned around to walk into the house.”

“”Shuning, what did the Li family say?” ”

“Zhao shuning looked at Old Lady Lin and said, “Something happened to the Li family. The Li Corporation was found to have evaded taxes. Because the amount involved was relatively large, Li Yibiao is now under the police’s control.” ”

“What?” Old Lady Lin frowned.

She had originally wanted to marry ye Zhuo to Li Yibiao so that she could show off to Ye Shu. How did something happen to Li Yibiao in the blink of an eye?

Zhao shuning also felt that this matter was a little strange.

The Li Corporation was not a small family.

How could something happen to them just like that overnight?

Could it be that someone was targeting the Li Family?

Who was this person?

Zhao shuning frowned.

Could it be that he was ye Zao?

But was ye Zao really that capable?

Or did Lin Jincheng already know about this?

“But according to Lin Jincheng’s power, it wouldn’t be easy to eliminate the Li family without anyone noticing.”

Then what was going on?

Zhao shuning wasn’t concerned about Li Yibiao.

“What she was concerned about was, if something happened to Li Yibiao, who would marry ye Zao?”

It wasn’t easy for her to think of a way to deal with ye Zao.

No!

She couldn’t let ye Zao escape just like that.

“Zhao shuning narrowed her eyes and continued, “Mom, although the Li family is gone, we still have other families. I believe that there will always be a suitable family for ye Zao.” ”

“”Then, which family do you think is suitable?”In a short while, Old Lady Lin really couldn’t think of any suitable family. ”

“Zhao shuning smiled and said, “Mom, what do you think of my cousin?” ”

Zhao shuning indeed had a cousin.

“His cousin was 35 years old this year. He had all kinds of food, drinks, prostitution, and gambling. He was married once, and his wife divorced him because she couldn’t stand domestic violence.”

“From then on, he was still single.”

“If ye Zhuo married such a person, wouldn’t he die?”

“Old Lady Lin asked in confusion, “Who is your cousin?””

“”Zhao Zhuangzhi.”Zhao shinning continued, “His father’s name is Zhao Haobo.””

“With that said, Old Lady Lin had some impression of him. “Good, good, good! A Kiss and a Kiss! Then it’s decided! Shinning, take some time to go back to your mother’s house and tell them about this.””

“Old Lady Lin was a daughter of the Zhao family. When she heard that Ye Zhuo was going to marry into the Zhao family, she was naturally happy.”

“”Mom, what are you guys talking about?”Lin Qingxuan suddenly walked in from outside the door. “What do you mean by Kiss and marriage?””

“Old Lady Lin didn’t say anything, but her gaze was a little evasive.”

Zhao shuning looked at Lin Qingxuan. “We’re talking about introducing ye Zao to Zhuang Zhi.”

“What did you say?”Lin Qingxuan looked at Zhao shuning in disbelief.

Zhao shuning felt that there was something wrong with Lin Qingxuan today. “Are you deaf? I said I’m going to introduce Zhuang Zhi to ye Zao!”

Chapter 575: 140: Fourth Uncle Knows the truth about infertility and wants to clean up the Lin Family! 8

Zhao Zhuangzhi?

Lin Qingxuan was instantly enraged. "Who does Zhao Zhuangzhi think he is! What right does he have to marry my niece?"

"Zhao Shuning frowned, "Lin Qingxuan! Do you know who you're talking to? Why is Zhuangzhi not worthy of Ye Zao! If he's not worthy, it's because Ye Zao isn't worthy of Zhuangzhi! To be able to marry into our Zhao family! I wonder how many lifetimes she's been blessed!"

"Looking at Zhao Shuning whose facial features were close to ferocious, Lin Qingxuan felt that this woman in front of her was extremely unfamiliar."

She had lied to him for twenty-one years.

She had stirred up trouble in the entire Lin family.

"Previously, she had instigated Old Lady Lin to change Ye Zao's name, and now she was thinking of introducing Ye Zao to Zhao Zhuangzhi."

"The veins on Lin Qingxuan's face popped up, and the depths of his eyes became extremely scarlet."

Zhao Shuning was frightened by this Lin Qingxuan.

"They had been married for twenty-one years, but she had never seen Lin Qingxuan like this."

"After all, Lin Qingxuan didn't even dare to say anything harsh to her normally, but today, Lin Qingxuan not only talked back to her, but also looked at her with this expression."

What happened to Lin Qingxuan?

Did something happen at the hospital today?

Zhao shuning narrowed her eyes.

“Lin Qingxuan clenched her fists, her whole body trembling. “Zhao shuning! Say It Again!””

“Zhao shuning snorted, “Lin Qingxuan! You’ve grown up, haven’t you? Now you dare to Talk Back to me! What’s wrong with me saying it again? It’s already good enough for a wild girl like Ye Zhuo to fancy her! She’s lucky to be able to marry into our Zhao family!””

Before Zhao shuning could react...

Slap

Lin Qingxuan raised her hand and gave Zhao shuning a slap.

Zhao shuning was stunned.

“Lin Qingxuan did not show any mercy with this slap. She was slapped to the ground, and her face was in so much pain that she lost consciousness. Blood dripped from the corner of her mouth.”

“The left side of her face instantly swelled up,”

old Lady Lin was shocked by this sudden scene.

“One had to know that out of all the daughters-in-law in the Lin family, she liked Zhao shuning the most.”

But today!

Lin Qingxuan actually hit Zhao shuning in front of her!

It was a rebellion!

It was really a rebellion!

“Qingxuan! What are you doing!” Old Madam Lin raised her hand and slapped Lin Qingxuan, then went to help Zhao shuning. “Shuning, are you okay?”

“After a long while, Zhao shuning finally reacted. She raised her head and looked at Lin qingxuan, saying hysterically, “Lin Qingxuan! I even gave up my right to be a mother for you, but you actually hit me today! Are you even human!””

“Not only will I hit you today, but I will also clean up the Lin Family!” Lin Qingxuan looked at Zhao shuning and said word by word, “Zhao shuning, I want to divorce you!”

“In fact, Lin Qingxuan didn’t want to divorce Zhao Shuning in the beginning. He planned to have a good chat with Zhao shuning.”

“But now, there was no need to continue chatting.”

“As long as Zhao Shuning was around, the Lin family wouldn’t be able to live in peace.”

“So, this marriage had to be divorced!”

“What did you say?” Zhao shuning was stunned. She never dreamed that Lin Qingxuan would divorce her one day.

Could it be that Lin Qingxuan really had someone else outside?

Who was that person?

No Way!

“She couldn’t divorce Lin Qingxuan, no way!”

“Zhao shuning suppressed the fear in her heart, she said angrily, “Lin Qingxuan, you want to divorce me, right? If you dare to divorce me, I’ll tell everyone what you can’t do! I’ll let everyone know that it’s you, Lin Qingxuan, who can’t do it! You’re not a man!””

Tell Everyone?

“Hearing this, Old Lady Lin’s face turned pale.”

“If this matter was blown up, where would the Lin family put their face?”

““Shuning, don’t worry! As long as I’m here, Qingxuan won’t divorce you!” After saying this, old madam Lin looked at Lin Qingxuan, “Unfilial son! Hurry up and apologize to shuning! Ask her to forgive you!””

Zhao shuning took the initiative to take the blame for Lin Qingxuan’s infertility.

Wasn’t it ungrateful for Lin Qingxuan to ask for a divorce now?

“Other than Zhao shuning, what other woman could do what she did? Who else could give up on becoming a mother at such a young age?”

“At the end of her sentence, Old Mrs. Lin said harshly, “If you dare to divorce shuning, we’ll sever our mother-son relationship!””

“Lin Qingxuan lowered her head and looked at old Mrs. Lin, “Mom, we’ve all been deceived by her! We’ve been deceived by her for 21 years. In fact, the one who’s truly infertile is her, Zhao Shu Ning!””

Chapter 576: 141: Old Lady Lin Regrets that she did not know people well enough. Evil will be repaid in kind. Bei Feng is indeed ye Zao! 1

The person who can't give birth is Zhao Shuning?

The moment these words left his mouth...

The atmosphere turned silent.

Old Lady Lin looked at Lin Qingxuan in disbelief.

“Zhao shuning was completely stunned. It was as if someone had poured a bucket of cold water on him from top to bottom. From head to toe, it felt as if his blood was about to freeze. All the strength in his body seemed to have been sucked away in that instant. ”

I know...

Lin Qingxuan actually knows?

How did Lin Qingxuan Know?

Zhao shuning never dreamed that Lin Qingxuan would know about this.

No!

She wasn't the one who was infertile!

The one who was infertile was Lin Qingxuan.

"All these years, she had been taking the blame for Lin Qingxuan. "

"Thinking of this, Zhao shuning tried hard to calm herself down. "

"Qingxuan, what... What are you saying?" Old Lady Lin looked at Lin Qingxuan, her voice trembling. "

"In Old Lady Lin's eyes, Zhao shuning had always been a good daughter-in-law and a good wife. "

She had never thought that all of this was fake.

It was all Zhao shuning lying to her!

Did she hear wrongly?

"She must have heard wrongly, right? "

"Lin Qingxuan took a deep breath. "I said, the person who can't give birth isn't me at all! It's Zhao shuning!" "

"Zhao shuning pounced over and grabbed Lin Qingxuan's arm. "Lin Qingxuan, you're talking nonsense! You're the one who can't have children! It's You!" "

"Lin Qingxuan shook Zhao shuning off and his voice was a little cold. He had never thought that the person next to him would lie to him, "I went to the hospital for a checkup today! The Doctor said that I'm Fine! Zhao shuning, stop pretending! After pretending for so many years, aren't you tired?" "

He was grateful for everything that Zhao shuning had done for him.

“Because he was grateful, he could tolerate everything about Zhao shuning.”

But Zhao shuning lied to him.

It was not a good feeling to be lied to.

“Every time he saw the other family of three enjoying themselves, he felt very sorry for Zhao shuning.”

“All these years, he had been living in guilt.”

““It was a misdiagnosis! The hospital must have misdiagnosed it!” Zhao shuning said with trembling lips, “The one who can’t give birth is you, Li Qingxuan!” ”

She had dedicated 21 years of her youth to Lin Qingxuan.

She didn’t expect that Lin Qingxuan would treat her like this!

“Zhao shuning hugged Old Lady Lin again, she cried, “Mom! You have to help me! I’ve been in the Lin family for so many years, and I’ve never done anything to let Qingxuan down. Instead, I’ve lost my right to be a mother because of him. He can’t treat me like this! Mom!” ”

“Old Mrs. Lin patted Zhao shuning on the back. “Don’t worry, I’ll help you with this matter!” ”

“Lin Qingxuan looked at Zhao shuning. “I’ve been to five hospitals in total, and the five reports are all normal! Could it be that the five hospitals have all misdiagnosed?” ”

Five reports!

“At this moment, Zhao shuning felt that this man in front of her was extremely unfamiliar.”

She had never thought that Lin Qingxuan would not trust her.

He used to love her so much. How could he go to the hospital for a checkup behind her back?

“She had been married to Lin Qingxuan for so many years and had taken the blame for him for so many years. It was fine if Lin Qingxuan did not appreciate her, but he still suspected her!”

What right did Lin Qingxuan have?

Old Lady Lin extended her hand to Lin Qingxuan. “Bring Me the report!”

Lin Qingxuan took out the report from her bag and handed it to Old Lady Lin.

“No! You Can’t look at it!”

“Zhao shuning panicked. He snatched the report and tore it into pieces, “It’s fake! These reports are all fake! Mom, don’t believe him! This is fake! Qingxuan is the one who can’t have children! It has nothing to do with me! Nothing to do with me!” ”

“It had been twenty-one years. Sometimes, Zhao shuning even fooled herself.”

She had never thought that Lin Qingxuan would discover something.

“Seeing this scene, what else did Old Lady Lin not understand?”

“All these years, she had always felt sorry for Zhao shuning. She felt sorry for Zhao shuning for enduring humiliation and bearing too much of a bad name for Lin Qingxuan.”

“In addition, Zhao shuning came from the same family as her. She believed that Zhao shuning was a good child. Even though she was suspicious by nature, she had never doubted Zhao shuning.”

“Even though she knew that Zhao shuning would always hit and scold Lin Qingxuan, she turned a blind eye to it.”

Because she knew that Zhao shuning was not having it easy.

“As a woman, she understood Zhao shuning.”

She had never thought that Zhao shuning was such a person!

“B * Tch!” Old Lady Lin couldn’t contain her anger. She raised her hand and slapped Zhao shuning. “You snake-hearted B * Tch! What did our Lin family do to you? I treated you so well!”

Zhao shuning was stunned. She looked at Old Lady Lin with disbelief in her eyes.

Chapter 577: 141: Old Lady Lin Regrets not knowing people well. Evil has its retribution. Bei Feng Is Ye Zhuo! 2

“She and Old Lady Lin were like mother and daughter, but Old Lady Lin actually hit her now.”

Was it because she could not have children?

But was it her fault that she could not have children?

Having children was not something that she could decide.

Old Lady Lin was very regretful now.

1

Very regretful.

She regretted not dragging Lin Qingxuan to a few more hospitals for a checkup back then.

She regretted even more that she had made the decision to marry Zhao shining to Lin Qingxuan back then.

It was all her fault.

She was the one who had misjudged people and ruined Lin Qingxuan's life.

"Tears instantly flowed down Madam Lin's face. "Divorce! Divorce Now! You B * Tch, get out of our Lin family right now!" "

Divorce?

No.

She could not divorce Lin Qingxuan.

She was already forty-three years old this year.

She could not be compared to those young girls.

"If she divorced Lin Qingxuan, where could she go? "

Could she find a man more outstanding than Lin Qingxuan?

She had been the fourth wife of the Lin family for twenty-one years.

How could she live if she suddenly left the Lin family and Lin Qingxuan?

“Zhao shuning cried as she hugged Old Lady Lin’s leg, “Mom, please forgive me! Please forgive me! I didn’t do it on purpose. I was just too afraid of leaving this family and Qingxuan. Please forgive me this time! I’ll be your slave from now on!” ”

“”Mom! I’m begging you! Please forgive me! On account that we’re all from the Zhao family, please forgive me!” ”

“She was from the same family as Old Lady Lin, so Old Lady Lin definitely couldn’t bear for her to divorce Lin Qingxuan. ”

“As long as Old Lady Lin was willing to forgive her, Lin Qingxuan had no choice but to forgive her. ”

“”B * Tch! You Don’t deserve to have the surname Zhao! Our Old Zhao family doesn’t have someone as evil as you!”Old Lady Lin shook off Zhao shuning, “Get out of Here! Get out of Here Right Now!” ”

Old Lady Lin’s heart was truly cold.

“Thinking about the grievances that Lin Qingxuan had suffered in front of Zhao shuning all these years, Old Lady Lin’s heart ached terribly. ”

That was her son.

The son that she had been pregnant with for ten months!

Her son had actually been tormented like this by a B * tch like Zhao shuning who was full of lies!

Old Lady Lin even had the heart to kill Zhao Shuning at this moment.

She only hated that there was no medicine for regret in this world!

“Zhao shuning was thrown to the ground and cried out, “Mom! Please forgive me for once on account of me following Qingxuan for so many years! Qingxuan and I are husband and wife, and I have been bearing the blame for Qingxuan for so many years...” ”

“Old Lady Lin was instantly enraged. Her gaze was as if she wanted to eat Zhao shuning up, “B * Tch! Shut Up! You still have the cheek to say that! It’s obvious that you don’t know how to give birth! Yet you still want to pour dirty water on our Qingxuan! You venomous woman with a venomous heart! Do you want to watch our Qingxuan be cut off before you’re satisfied?” ”

Zhao shuning looked at Old Lady Lin with tears in her eyes.

It was as if the mother-daughter relationship in the past was a joke.

“She and Old Lady Lin usually had such a good relationship. Once she learned the truth, she would become the B * Tch and vicious woman that Old Lady Lin spoke of...” ”

Should she leave the Lin family just like that?

No.

Zhao shuning was unwilling.

“She was truly unwilling. Even if she did not know how to have children, it was not a lie that she had sacrificed twenty-one years of her youth for Lin Qingxuan.”

Lin Qingxuan could not be so heartless.

“Zhao shuning moved to Lin Qingxuan’s side and tugged at his pants. “Qingxuan, we’re husband and wife after all. You Can’t be so heartless! You Can’t abandon me! You said that you would never divorce me!” ”

Lin Qingxuan just looked at Zhao shuning. There wasn’t a hint of emotion in his voice. “Get a divorce. Stop fooling around! Leave some dignity for both of us!”

He and Zhao Shuning had been husband and wife for twenty-one years.

Lin Qingxuan didn’t want to make things ugly.

The expression on Zhao shuning’s face was slowly turning stiff. “Do you really have to be so heartless?”

“Didn’t you look for a reason for why we’ve come this far?”

“Zhao shuning roared angrily, “But didn’t I do all of this for you?”She did it because she cared about Lin Jin city! ”

She cared very much.

She made up a lie because she was afraid of losing it.

She did all of this because she loved Lin Qingxuan.

Why couldn’t Lin Qingxuan love her back?

“Old Mrs. Lin ordered the servants beside her, “Pack up this B * Tch’s things! Tell her to scam back to the Zhao family immediately!” ”

“Okay.” A servant immediately went to do it.

“Qingxuan...”

Lin Qingxuan turned her head.

The servants quickly packed up Zhao Shuning’s things.

Chapter 578: 141: Old Lady Lin Regrets not recognizing people properly. Bad Karma will come back to bite you in the ass. Bei Feng Is Ye Zhuo! 3

“Looking at the two suitcases, Zhao shuning finally realized that this was not a dream.”

She was really going to be kicked out of the Lin family.

The people who were going to be kicked out of the Lin family should be ye Shu and Ye Zhuo.

How did it suddenly become her?

Zhao shuning kept backing away.

No.

She didn’t want to leave the Lin family.

“Lin Qingxuan looked at Zhao shuning and said calmly, “Tomorrow Morning at nine o’clock, I’ll wait for you at the entrance of the Civil Affairs Bureau. If you don’t come, I’ll ask the lawyer to pass the divorce papers to you.””

“Since they had already come this far, Lin Qingxuan didn’t want to hesitate anymore.”

He had to cut the Gordian knot quickly.

“”Qingxuan, we’ve been husband and wife for 21 years. Do you really have no feelings for me at all?”Zhao shuning said with a choked voice, “Is the child that important to you? I can tolerate that you can’t have children, so why can’t you understand me for once? Do I deserve to be used as a reproductive tool for your Lin Family?””

“”Do you think the problem between us is that who can’t have children? “If you hadn’t Lied to me twenty-one years ago, we wouldn’t be where we are today! “Zhao shuning, think about what kind of life I’ve been living in the past twenty-one years!””

“He would get slapped, kneel down, and not be able to talk to the opposite sex... .. and still live in guilt for Zhao shuning.”

Lin Qingxuan felt that he had had enough of these days.

All he wanted now was to be free.

Zhao shuning closed her eyes.

She thought that Lin Qingxuan was willing to do those things for her.

She didn’t expect that.

“Every single thing, every single thing, he remembered...”

“Old Lady Lin held onto Lin Qingxuan’s wrist. “Qingxuan, why are you still talking to this B * Tch! Xiao Liu, Xiao Wang, quickly send her to the Zhao family!””

Xiao Liu and Xiao Wang pulled Zhao shuning up from the ground.

Zhao shuning struggled violently. “I’m not going! I’m not going anywhere! This is my home! None of you have the right to chase me away! Lin Qingxuan! B * Stard! You’re not human!”

Twenty-one years of being together had finally come to an end.

Aunt Zhang stood at the side and watched this scene with her brows furrowed.

Who would have thought that something would happen to Zhao shuning all of a sudden?

“Without Zhao shuning, Feng Qianhua would lose a capable assistant.”

This incident was a blow to Feng Qianhua.

Zhao shuning was sent to the Zhao family overnight.

“Zhao Shuqi had just lost his job because of Zhao shuning, and the Zhao family had suffered heavy losses. The Zhao family was no longer the same as before. Now that Zhao Shuning had been sent back by the Lin family, Father Zhao was already seriously ill in bed. When he saw Zhao shuning now.., he was so angry that his face turned pale.”

““I knew that something would happen sooner or later!” Father Zhao casually picked up the table lamp on the bedside table and smashed it on the ground, “What did I tell you? I told you not to do it! There is no man who doesn’t like women who are gentle and petty! As long as you treat Qingxuan a little better, you wouldn’t have gotten to where you are today!””

Madam Zhao wiped away her tears at the side.

They already knew that it was Zhao shuning who was infertile.

“At that time, they had advised Zhao shuning not to go overboard. The truth would come out one day, but Zhao shuning insisted on doing it.”

It was all Zhao Shuning’s fault that she had gotten to where she was today.

She couldn’t blame anyone.

“Father Zhao pointed at Zhao shuning and said, “Get lost! Get lost! Our Zhao family doesn’t have such an embarrassing thing like you!””

“Madam Zhao said in tears, “Shuning is already like this now. Do you want to watch her live on the streets?””

Breaking the bones and connecting the scriptures.

“No matter how many mistakes Zhao shuning had made, they couldn’t change the fact that she was their daughter.”

Father Zhao sighed. “Clean up the guest room on the third floor.”

“Okay! Okay! I’ll go now!” Madam Zhao was overjoyed.

Guest Room.

“When she heard these two words, no expression could be seen in Zhao shuning’s eyes.”

“It turned out that in the Zhao family, she had already fallen to the point where she could only stay in the guest room.”

Lin family.

“Old Lady Lin held Lin Qingxuan’s hand and said with tears streaming down her face, “Qingxuan, it’s mom who has let you down. Mom has let you down... if it wasn’t for mom who made you marry that B * Tch Zhao shuning back then, this wouldn’t have happened...””

Twenty-one years.

“For twenty-one years, Old Mrs. Lin hated herself for not finding out the truth earlier.”

“”Damn it, qingxuan, it’s all my fault! It’s all my fault!”No one knew how regretful old Mrs. Mo was now.”

“”Mom, don’t mention the past anymore.”No matter how much she apologized, the past twenty-one years would never happen again. “Mom, you have to thank Zhuoluo for this.””

Chapter 579: 141: Old Lady Lin regretted not recognizing people properly. Evil has its retribution. Bei Feng was indeed ye Zao! 4

Ye Zao?

Old Lady Lin was stunned for a moment.

What did this matter have to do with ye Zao?

“Lin Qingxuan continued, “Mom, Actually, Zao Zao is a very good and outstanding child. Your prejudice against her is too deep. I hope that you can treat her well in the future. After all, she’s your biological granddaughter!” ”

“At this point, Lin Qingxuan paused and said, “If Zhuoluo hadn’t told me about this, I’m afraid that I would have been kept in the dark by Zhao Shuning forever, forever living in guilt.” ”

“Hearing this, Old Madam Lin raised her head in disbelief. “You said that this matter was told to you by that wild girl?” ”

Lin Qingxuan frowned. “What Wild Girl? That’s your biological granddaughter!”

“Old Lady Lin was silent for a moment before she said matter-of-factly, “You’re her fourth uncle. It’s only right for her to tell you the truth!” ”

“Mother!” Lin Qingxuan could not stand it anymore. “Why can’t you treat Burning as your biological granddaughter?”

““Do you think she treats me as her biological grandmother? I’ve been back for so many days, yet she hasn’t come to visit me once! It’s fine if she doesn’t come herself, but she even brought Ah Ze to not visit me!” ”

The wild girl was indeed a wild girl. She had no manners at all.

“As soon as she finished speaking, old madam Lin continued, “I only acknowledge Xianxian as my biological granddaughter! Only Xianxian is my biological granddaughter!” ”

““Have you ever thought about why you would treat you this way? Because from the start, you never treated her as your biological granddaughter!” Lin Qingxuan continued, “Mother, don’t even think about marrying off Burning! This isn’t something you should be concerned about!” ”

“These words thoroughly angered Old Mrs. Lin. “This is not my business? She is my granddaughter! As a grandmother, can’t I decide her life’s matters?” ”

She was the old Mrs. Lin of the Lin family.

“As long as she did not close her eyes, everything in the Lin family had to be decided by her!”

She had to get the eyesore mother and daughter out of the house as soon as possible and give Feng Qianhua and Feng Xianxian space.

It had been twenty-one years.

“His mother was still the same as before, Bossy and arbitrary. She never considered the opinions of others before doing anything.”

“Lin Qingxuan massaged her temples and suddenly felt very tired, “If you still want to acknowledge Jin Cheng as your son and make Jin Cheng Call You Mother, you should not interfere in the burning matter. Otherwise, you might lose Jin Cheng Forever.” ”

“Old Madam Lin was stunned, and a wave of anger rose from the bottom of her heart. However, when she thought of Lin Qingxuan’s encounter just now, she forcefully suppressed this nameless anger.”

“No matter what, she had indeed let Lin Qingxuan down after what happened to Zhao shuning.”

Old Madam Lin turned to look at Lin Qingxuan. “You should go back and rest first.”

Lin Qingxuan nodded and turned to walk towards the north courtyard.

“Aunt Zhang immediately went forward to support old madam Lin. “Old Madam, let me help you to rest, okay?” ”

“Okay.”

“After Old Madam Lin went to rest, Aunt Zhang immediately called Feng Qianhua and told her about Zhao shuning.”

Feng Qianhua was immediately stunned.

She didn't expect that Lin Qingxuan would discover this matter so quickly.

"Can you tell me what's Going On?"

"According to her understanding of Lin Qingxuan, Lin Qingxuan would never suspect this matter for no reason. If he had suspected Zhao shuning, he wouldn't have waited until today."

"Aunt Zhang looked around and said in a low voice, "It's related to ye Zao." "

"Ye Zao?"

"Yes," aunt Zhang continued, "Lin Qingxuan told the old lady himself. He also advised the old lady not to get involved in ye Zao's matter." "

There was silence on the other end of the phone.

Feng Qianhua frowned.

She could not help but think of the Zhao and Li families.

"Zhao Shuqi was fired because he wanted to change ye Zao's name, and Li Yibiao went bankrupt because he wanted to marry ye Zao."

"Was all of this just a coincidence, or was it because someone was behind it? "

"Ye Zao was only a 19-year-old girl. She had just entered university, how could she have such ability? "

“After a while, Feng Qianhua continued, “Please help me pay more attention to ye Zao during this period of time. If there are any abnormalities, remember to call me.” ”

“Okay.”

...

East Wing.

Ye Zao sat in front of the computer desk and replied to the message.

“Li Shang: [President Ye, YC has signed a contract with our company for a very long time. So far, we have not carried any live broadcasts. Recently, a lot of big partners are hoping to get YC to endorse them. Can the company help YC take on these few endorsements?] ”

“After all, Sitara YC’s Ye was personally signed by President Ye, whom Li Shang had never met before. Therefore, Li Shang still felt that this kind of thing had to be approved by President Ye. ”

Chapter 580: 141: Old Lady Lin Regrets that she did not know people well enough. Evil will be repaid with evil. Bei Feng is indeed ye Zhuo! 5

Endorsement?

Ye Zhuo frowned slightly and replied: [distribute it to other streamers. YC will not accept any advertisements for the time being.]

Not accept any advertisements?

Li Shang was stunned.

Which streamer would not accept any advertisements after signing a contract with a company?

“One had to know that other than receiving rewards, most of the streamer’s income came from live broadcasts and advertisements.”

“Even if the streamer wasn’t willing to accept the advertisement, the company would still accept it for the streamer. After all, the company had a contract with the streamer, and the company had the right to help the streamer accept the advertisement.”

But this CEO ye actually rejected his proposal!

Could it be that YC and CEO ye were boyfriend and girlfriend?

“He felt bad that YC’s live broadcast was too tiring, so...”

“For a moment, Li Shang’s imagination ran wild.”

“After all, YC had publicly admitted that she had a boyfriend.”

“A moment later, Li Shang replied, “Okay, I got it.””

“Ye Zhuo looked at the time, “Is there anything else?””

“There’s one more thing. There’s an important contract here that needs your signature. May I know when you’re free?”

“Ye Zhuo had not been staying at school recently. After thinking about it, he did not seem to have any classes tomorrow afternoon. “Then let’s do it at three in the afternoon tomorrow. I’ll see you at the cafe on the road next to Jing University.””

[Okay.]

“After replying to Shang Li, Ye Zao summed up the income from the live broadcast during this period of time.”

A total of three million.

He divided it into two anonymous donations.

“One was donated to the poor mountain area, and the other was donated to the Rescue Center for Stray Cats and dogs.”

“After donating the money, ye Zao thought of how long it had been since he had gone to the technology network, so he went to the technology network again.”

30 minutes.

He solved 15 missions.

“Niu Hulu, the father of two children: [F * ck! F * ck! 15 missions in 30 minutes? Am I seeing things? Sure enough, your father will always be your father!]”

“Niu Hulu, Lou Laobo: [Our Father is back! I’m so happy!]”

“Niu Hulu, Qiang Guoguo, and Yu Di: [today is another day for father to conquer the science and Technology World.]”

Niu Hulu Kaixin 1985: [I’m really impressed by Daddy’s hand speed!]

Niu Hulu Qingyao: [who else has the live broadcast video of the last science and Technology Conference? I want to see what kind of Daddy Daddy Daddy is!]

“Niu Hulu 123456789: [that one seems to not allow video recording. I was lucky enough to watch the live broadcast. Daddy is really Super good-looking! You should know the song Chenyu of the entertainment industry, right? Our Daddy is a hundred times better looking than song Chenyu!]”

“Because song Chenyu had the title of a beauty that only appeared once in a thousand years, using her as an analogy would give a better picture.”

Niu Hulu Qingyao: [F * ck! Is It True?]

Niu Hulu Qiangguo and Yu Di: [I testify! It’s true!]

Niu Hulu Lou Laobo: [I second the motion!]

Niu Hulu: [I second the motion!]

“Niu Hulu: Don’t Be a dog, okay? [I second the motion!]”

The forums were filled with comments.

“Ye Zao wanted to close his eyes and Nod after completing his last mission. At this moment, he received a message from Dr. Warne: [Miss Ye.]”

[hello.]

Dr. Warne: [I will send a document for you to receive.]

“Although ye Zao was just a little girl, Dr. Warne had always used respectful words in front of him.”

“This was a form of respect, but it was also a form of faith.”

“Currently, in the science and Technology World, Ye Zao was a faith!”

[Okay.] Ye Zao accepted the document sent by Dr. Warne and opened it.

“Ten minutes later, Dr. Warne sent another message, [Miss Ye, what do you think about this?]”

“Ye Zao replied, [I would like to encourage more students to join the science and Technology World and understand the science and technology world. How about this, I will establish the YC science and Technology award in my name.]”

“[on behalf of everyone in the science and technology world, I would like to thank you.]”

[it’s no big deal.]

Dr. Warne: [then I will tell this news to all the universities in the country tomorrow! Let the students actively participate!]

[Okay.]

Downstairs.

Lin Jincheng returned from the north campus.

“Ye Shu had just come out to get some fresh air. When she saw Lin Jincheng, she immediately went to greet him. “How is fourth brother doing?””

““Pretty good,” Lin Jincheng replied.”

“Ye Shu continued, “Fourth brother is really going to divorce Zhao Shuning?””

“Yes.” Lin Jincheng nodded. “He’s already been chased out by Mom.”

“Thinking of Zhao shuning, who was still in the limelight yesterday, Ye Shu sighed in her heart.”

Who would have thought that Zhao shuning would do such a thing?

“Pushing the blame of infertility onto Lin Qingxuan, not only did it delay Lin Qingxuan’s life, it also delayed her own life.”

It was simply not worth it.

“Ye Shu said, “Actually, this is a relief for fourth brother and Zhao shuning.”
