

## **Almighty D 591**

Chapter 591: 142: she's a piece of trash. She's worthy of being number one. She's the best! 8

"Because compared to a girl who needed to live under the protection of a man, she preferred a girl who was strong!"

What kind of ability was it to rely on a man?

"Husband and wife?" Cen Yuyan's face was filled with disdain. "My fifth brother will never marry her!"

"Song Chenyu smiled and said, "Who can say for sure about Fate!""

They had not reached the end yet. Who knew who Cen Shaoqing would marry in the end?

...

Time passed very quickly.

"In the blink of an eye, it was the double ninth festival."

The double ninth festival was also known as autumn treading.

The Lin family attached great importance to this festival and had begun to prepare early.

"On the double ninth festival, the CEN family's eldest, second, and third brothers brought their families back to Beijing."

"In the evening, everyone gathered in Old Lady Lin's Courtyard to hold a family banquet."

"Lin Qingfan, the eldest son of the Lin family, and Wu Mei had three sons and one grandson."

"Lin Qingyun, the second son, and Zhang Zhenzhen had four sons and three grandchildren."

"Lin Qingyang, the third son, and Yang Wenyin had three sons in total. The youngest son had yet to start a family and had a grandson."

"Lin Qingxuan, the fourth son, had just divorced and was currently alone."

"The fifth son, Lin Jincheng, and Ye Shu had a son and a daughter."

"Including Old Mrs. Lin, there were a total of 31 members of the Lin family. All of them had arrived tonight."

"Wu Mei, Zhang Zhenzhen, and Yang Wenyin, the three sisters-in-law, had just arrived at the Lin Manor when they came to the east courtyard to chat with Ye Shu."

The four sisters-in-law got along very well.

"Ye Shu also prepared gifts for her nephews, nephews, and grandsons."

"As the cousins had something to do at the last family recognition banquet, Lin Jincheng took the opportunity to bring ye Zao to recognize his brothers and sisters-in-law."

"There were a total of ten cousins and nine sisters-in-law, from first cousin to tenth cousin, first cousin sister-in-law to ninth cousin sister-in-law."

Ye Zao was a little dizzy from being recognized.

“As the youngest sister in the family, Ye Zao also received gifts.”

“”Little twelve, this is the greeting gift that eldest brother and eldest sister-in-law prepared for you.””

“”Little Twelve, you’ve already accepted Big Brother and sister-in-law’s things. You Can’t not accept second brother and sister-in-law’s things!””

“”And US. Little Twelve, you can’t be biased against one another!””

“Little twelve...”

“Because ye Zhuo was the youngest in the family, he was given the nickname Little Twelve.”

“Ye Zhuo was also beautiful. In addition, the Lin family hadn’t gotten a girl for so many years, so ye Zhuo naturally became the family’s favorite.”

“Seeing her grandchildren and granddaughter-in-law all surrounding ye Zao, Old Lady Lin was a little unhappy.”

These children were really too insensible.

“They had brought gifts for ye Zao, but there was no place for her as a grandmother.”

Besides.

“It was not like they did not know that she did not like ye Zao. Old Lady Lin had originally wanted to be nice to Ye Shu and her daughter, but she did not expect these people to actually dare to go against her.”

“Out of sight, out of mind. Old Lady Lin turned to look at Aunt Zhang. “When Will Qianhua and Xianxian arrive?””

Feng Qianhua and Feng Xianxian would always attend the double ninth festival every year.

This year was no exception.

“Aunt Zhang said, “When I called Miss Qianhua just now, they were already in the car. They should be arriving soon.””

Old Mrs. Lin nodded.

“When Feng Qianhua and Feng Xianxian arrived, they happened to bump into a few brothers and sisters-in-law giving gifts to Ye Zao.”

Feng Xianxian’s eyes flashed with unwillingness.

“In the past, she was the most popular one in the Lin family. Everyone revolved around her. She did not expect that this year, it would be ye Zao!”

Why was Ye Zao So Shameless?

Snatching things from her hands time and time again!

Feng Qianqian bit her lip.

“Watch Your Manners.”Feng Qianhua turned to look at Feng Qianqian.

Feng Qianqian immediately smiled and walked in front of Old Lady Lin. “Grandma!”

“Qianqian is here!” Old Lady Lin held Feng Qianqian’s hand. “Qianqian, remember to sit beside me later.”

Not everyone had the right to sit beside her.

A wild girl like ye Zhuo did not have the right!

“Feng Xianxian nodded. “Thank you, Grandmother.””

“Soon, the family banquet began. The nine sisters-in-law held onto ye Zhuo and all of them wanted him to sit beside them.”

The five nephews also held onto ye Zhuo’s leg and did not let go. “We want to sit with aunt.”

“In the end, Ye Zao had no choice but to sit in the middle of the children.”

“The oldest of the five children was five years old, and the youngest was three years old. All of them were extremely obedient. They fought to get food for ye Zao. “Auntie wants to Eat This!””

“Auntie likes mine!”

“Nonsense! Auntie clearly likes the food I gave her!”

“...”

“Seeing that the five children were about to fight, ye Zao smiled and said, “Each of you gave it to Auntie. Auntie likes it very much.””

Only then were the five little ones satisfied.

“Feng Xianxian added a pearl ball to Old Lady Lin, “Grandma, recently, our school has a science and technology competition. The person who created this award is Dr. YC. He is a famous figure in the science and technology world. I got third place in this science and technology competition. There is an award ceremony on Saturday afternoon. I would like to invite you to participate.””

“When she said this, the dining table fell silent for a moment.”

Beijing university was full of talents. To be able to get third place in the science and technology competition and be recognized by Dr. YC was really amazing.

Old Mrs. Lin was stunned. “Really?”

Feng Xianxian nodded.

““Okay, okay, okay! When the time comes, not only grandma will go, but our whole family will cheer for you!”After saying that, old Mrs. Lin looked at Lin Ze and ye Zao, her eyes full of scrutiny. “The two of you are also from Beijing University. Which Place did you get?””

Feng Xianxian smiled proudly.

“As far as she knew, ye Zao did not participate in the competition at all.”

Getting third place in the science and technology competition was equivalent to getting the key to the world of science and technology. Could Ye Zao do it?

What qualifications did ye Zao have to compete with her?

“Chapter 592: 143: The Unexpected Dr. YC, a large-scale face-smacking scene! 1”

“In the future, she would be a rising star in the science and technology industry.”

It would be the future of the science and technology industry.

Ye Zao was just an idiot. What could she do in the science and technology industry?

“Feng Xianxian looked at ye Zao, and the look in her eyes became more and more complacent.”

Ye Zao would be trampled under her feet for the rest of his life.

He would be a lowly person for the rest of his life.

“Ye Zao pulled out a tissue and slowly wiped his mouth. His tone was indifferent as he said, “I didn’t participate in this technology competition.” ”

Didn’t participate?

“She probably didn’t even have the qualifications to participate, right? ”

No wonder the reputation of being a good-for-nothing spread in Yun Jing.

Old Lady Lin’s eyes were filled with anger.

“Feng Xianxian had obtained a good result in the technology competition, but her biological granddaughter didn’t even have the qualifications to participate in the competition.”

Wasn’t this a joke?

Lin Jincheng really didn’t know what was going through his mind.

He actually treated this kind of daughter like a treasure!

Was he blind?

It seemed that the Lin family's future glory would still depend on Feng Qianqian!

""What About You, Ah Ze?" Old Mrs. Lin looked at Lin Ze. "

"Lin Ze's tone was very calm. "My ranking hasn't been released yet." Lin Ze was quite interested in computer programming. After hearing about this matter, he immediately signed up. "

"Feng Xianxian asked curiously, "Wasn't the ranking released last night? Brother Ah Ze, didn't you see it?" "

"With that said, how could old Lady Lin not understand? "

"It wasn't that the ranking hadn't been released, but that Lin Ze hadn't gotten the ranking at all! "

Lin Ze was previously the top scorer in the college entrance exam!

"Ever since ye Zao returned, he had become more and more dispirited. Now, he couldn't even compare to Feng Xianxian! "

What a disgrace. What a disgrace.

Old Lady Lin was very angry!

"Wu Mei smiled and tried to smooth things over. "Ah Ze's grades are so good, so he must have gotten a place. Maybe the system has a delay!" "

“Zhang Zhenzhen smiled and said, “Yes, yes, yes! Sister-in-law is right. Something must have gone wrong with the system. Today is the family banquet. Let’s eat and not talk about these topics!” ”

Zhang Zhenzhen also smiled and agreed.

Delay?

This was not the college entrance examination results. Those with high scores were all blocked. How could there be a delay?

It was clearly Lin ze who did not have any results!

“The more old madam Lin thought about it, the more uncomfortable she felt. ”

“Since today was the family banquet, she could not say anything. ”

“Feng Xianxian scooped a bowl of soup for Old Madam Lin. “Grandma, I just tasted this soup. It tastes very good. If your teeth are not good, drinking more soup is good for your body.” ”

Madam Lin took the soup from Feng Xianxian and smiled. “Xianxian is still sensible.”

“After that, Madam Lin looked at Feng Qianhua. “Qianhua, you taught Xianxian well. If Ah Ze and ZAO can also win the third prize in the science and technology competition, I’ll be able to wake up from my dream with a smile.” ”

“Actually, this sentence was meant for Ye Shu to hear. ”

The implication was that ye Shu did not teach her two children well.

"If Lin Ze and ye Zao had crawled out of Feng Qianhua's stomach, they would definitely be very outstanding."

What a pity!

Things did not go as planned.

"Feng Qianhua looked up. "Actually, I didn't really care about Xianxian. She mainly relied on her own efforts." "

Feng Xianxian was naturally outstanding.

She was nothing like Lin Ze and ye Zao.

"She was born with bad conditions. No matter how hard she worked, she would never become a phoenix."

"Old Lady Lin smiled and said, "It's mainly because you taught her well." "

"Usually, if Old Lady Lin praised Feng Qianhua, her daughters-in-law would definitely agree."

But now.

"Zhao shuning had left, and her three daughters-in-law were still in a heated relationship with Ye Shu. For a moment, no one spoke up."

"Old Madam Lin glanced at the daughters-in-law, her eyes filled with anger."

"These people were already grandmothers, so why didn't they have any discerning eyes?"

“Feng Qianhua narrowed her eyes and smiled. “Actually, Ah Ze and burning are also very outstanding. It’s just that everyone has different talents and specialties. Xianxian is just lucky.” ”

“”Aunt Lin, stop praising her. This child can’t help but praise her. If you continue to praise her, she will soon lose her way.” ”

“Now that the Lin family lacked Zhao shinning, the situation was indeed quite disadvantageous for Feng Qianhua. ”

But Feng Qianhua was not worried.

“At least, she still had Old Lady Lin to support her. ”

It seemed that she had to find a new partner for Lin Qingxuan.

After dinner.

Old Lady Lin called her daughters-in-law over. “Each of your families will send someone to attend Xianxian’s award ceremony on Saturday. Let’s go and support xianxian.”

“When she said this, the daughters-in-law felt a little awkward. ”

“If it was in the past, they would still be happy to attend Feng Xianxian’s award ceremony. ”

“Chapter 593: 143: An Unexpected Dr. YC, a large-scale face-smacking scene! 2”

“After all, Old Mrs. Lin had been trying to fix up Feng Qianhua and Lin Jincheng. ”

“But now, Lin Jincheng had already found ye Shu. They were also meddling in Feng Xianxian’s matter. What was going on? ”

“Didn’t you hear what I Said?” Old Mrs. Lin continued to ask.

“The few of them looked at each other, hesitating. ”

“Seeing this, Old Mrs. Lin became even angrier. ”

They had turned against her!

They had turned against her!

“Now, they actually didn’t listen to her. ”

This must be ye Shu instigating something behind her back.

If it weren’t for Ye Shu...

They wouldn’t be so bold.

“After a while, Wu Mei stood up and said, “I heard it! Don’t worry, Mom. We’ll all go to Xianxian’s award ceremony on Saturday.” ”

The others nodded in agreement.

Only then was old Mrs. Lin satisfied.

“After discussing this matter, old Mrs. Lin came to the hall. ”

“Feng Qianhua walked to Old Mrs. Lin’s side and said in a low voice, “Aunt Lin, I have something to discuss with you.” ”

“What is it?” Old Mrs. Lin asked.

“Feng Qianhua looked at Lin Qingxuan, who was chatting with her brothers. “Aunt Lin, look at my brothers. All of them have children, and only my fourth brother is alone. I feel really uncomfortable looking at him.” ”

“Hearing this, Old Madam Lin Sighed, “Don’t talk about you. As a mother, I feel even worse! This is all my fault. If I hadn’t insisted on marrying Zhao shinning to Qingxuan, Qingxuan wouldn’t have fallen to this State!” ”

Lin Qingxuan should have had a full house too.

This was all her fault!

It was all her fault!

She was the one who had harmed her son.

“Thinking of this, Old Mrs. Lin’s eyes reddened again. ”

“Feng Qianhua comforted old Mrs. Lin, “Aunt Lin, don’t blame yourself. After all, you were doing this for fourth brother’s good. How many mothers would harm their own sons? No one expected this to happen. Even I didn’t expect Shu Ning to be such a person!” ”

Feng Qianhua’s words hit right into old Mrs. Lin’s heart.

Although she had always said that she was to blame for this matter.

But she was also thinking for Lin Qingxuan's sake.

Her motive was for Lin Qingxuan's own good.

"Although Lin Qingxuan said that he was not to blame for this matter, old madam Lin knew that Lin Qingxuan was still blaming her from the bottom of her heart. "

Even her other sons and daughters-in-law felt that this matter was her fault.

"Now, only Feng Qianhua could understand her. "

"Old Madam Lin looked at Feng Qianhua. "Qianhua, it would be great if Qingxuan could think like you. Tell me, how many mothers in the world would harm their sons?" "

"Feng Qianhua smiled and said, "Aunt Lin, maybe fourth brother didn't blame you at all. You guessed it yourself!" "

Old Madam Lin Sighed and didn't say anything.

"Feng Qianhua continued, "Aunt Lin, have you ever thought of introducing fourth brother to someone who can live? Fourth Brother is only in his early forties this year. It's still not too late to have a child while he's still young." "

""I've thought about it, but I haven't met anyone suitable!" Old Mrs. Lin looked at Feng Qianhua. "Qianhua, do you have anyone suitable by your side?" "

"Lin Qingxuan was already forty-two years old this year, so there was indeed no room for delay. "

"Feng Qianhua hesitated for a moment before continuing, "I do have one, but I don't know if fourth brother would like it." "

Madam Lin's eyes lit up. "Oh? Which family's Lady?"

"The Jiang family."

"The Jiang Family?" Madam Lin thought for a moment. "Does the Jiang family have a lady of the right age?"

"Feng Qianhua said, "Do you know the second daughter of the Jiang family, Jiang Suran?" "

Jiang Suran?

"Although the Jiang family was also part of the rich and powerful circle, Old Madam Lin didn't know about Jiang Suran because her family had almost never been around. "

"Tell me about this Jiang Suran," old madam Lin said. "

"Feng Qianhua pulled old madam Lin to sit down on the sofa and continued, "Jiang Suran is 38 years old this year. Although she's not young, she's still a virgin and has never been married." "

"Feng Qianhua paused, then, she continued, "And I heard that Jiang Suran took a female morality training course and spent two years in it. I Can't guarantee anything else, but if fourth brother were to be with Jiang Suran, Jiang Suran would definitely be a good wife for her husband and children." "

Female Durban?

"Hearing this, Old Madam Lin was a little surprised. "Really?" "

"Female Durban mainly focused on the promotion of 'female morality' as the main content of the training class. Female Durban's students had to do it: not fighting back, not responding to curses, not accepting things as they were, and never getting divorced. "

“Husband as the sky, son as the Earth.”

“Chapter 594: 143: The Unexpected Dr. YC, a large-scale face-smacking scene! 3”

“At home, she followed her father, and when she married, she followed her husband.”

“Old Mrs. Lin still retained the old-fashioned way of thinking in her bones, and she especially liked this kind of daughter-in-law who would submit to her father.”

Not to mention other things.

“At the very least, this kind of person did not dare to talk back to their elders. They were easy to control and control, and they did not dare to do things like Zhao shuning.”

Feng Qianhua nodded. “Of course it’s true! Do you think I can lie to You?”

“Old Madam Lin continued, “What does that person look like?””

“”He has an oval face and double eyelids. He’s pretty and he’s about 1.63 meters tall,” Feng Qianhua said with a smile. “Don’t worry, he’s definitely worthy of fourth brother. Otherwise, I wouldn’t have blindly pulled strings.””

“Old Madam Lin frowned. “Then, why is she already 38 years old and hasn’t gotten married yet?””

“Feng Qianhua explained, “Jiang Suran was a single person when she was young. Later on, she got older and older. After she went to female Durban, she came to her senses.””

"Have you seen her in person?"

Feng Qianhua nodded. "Of course I have."

"Then what do you think of Jiang Suran's character?"

"Feng Qianhua smiled and said, "Aunt Lin, do you think that people who have been to female Durban have a bad character? Don't worry! Jiang Suran's character will definitely suit your heart! I just don't know if fourth brother will like her.""

"Old Madam Lin trusted Feng Qianhua's judgment. "Qingxuan that child has always been obedient. If I like her, he will definitely like her.""

"If Lin Qingxuan was disobedient, would he have married Zhao shuning back then?"

Definitely not.

"After saying that, old madam Lin continued, "Tonight, I'll ask Qingxuan for his opinion. You have to help me take care of this matter.""

"Okay." Feng Qianhua nodded.

Ye Zhuo was playing in the garden with the five little ones.

"The Lin family only had one girl and the little ones only had one aunt. All of them were extremely excited. The six of them ran around in the garden. "Aunt, I've woven a garland for you.""

""Thank you, Duan." Ye Zao squatted down and Duan helped ye Zao put on a beautiful garland."

The bright colors of the flowers complemented his exquisite brows and eyes. Every frown and smile could seduce one's soul.

This was a true person who was more delicate than a flower.

“Duan cupped his chin and asked ye Zao, “Aunt, do you like the Garland that Duan gave you?””

“Of course I like it.”Ye Zao nodded.

“Nono quickly stuffed the candy into ye Zhuo’s hands. “Auntie, Nono will give you half of the candy. You like Nono too, okay?””

“Okay.”

“Dongdong did not show any signs of weakness. “Auntie, this is my pocket money. I’ll give you half!””

The other two children also took out their treasures.

“...”

Feng Xianxian stood not far away and looked at the scene in the garden. She was so angry that her face was distorted.

Aunt?

What kind of Aunt Was Ye Zhuo?

Only she was their only aunt!

“Feng Xianxian narrowed her eyes and grabbed the things in her hands. She walked over with a smile.  
“Duan Duan, Dong Dong, Nuo Nuo, Yang Yang, Rui Rui!””

"Aunt Xianxian!"

Aunt?

"Feng Xianxian's expression stiffened, but she quickly recovered. She smiled and said, "Nuo Nuo, didn't you always call me aunt?""

"Nuo Nuo said, "No, you're not our aunt! Only aunt is our real aunt. You're Aunt Xianxian.""

The other children nodded as well.

Feng Xianxian raised her head to look at ye Zao beside her.

Ye Zao was sitting on a wooden swing with a flower wreath on his head and a smile on his face.

He was mocking her!

She was mocking herself.

"Feng Xianxian tried her best to suppress the anger in her heart. "According to seniority, you should also call me aunt.""

"Daddy said that you can just call me aunt because you're from the same generation as him. Only the daughter of an uncle can call me aunt."

"Feng Xianxian continued, "I even brought gifts for you guys today. Do you guys want gifts?""

"As she finished speaking, Feng Xianxian waved the gifts in her hands. "If you guys want gifts, just obediently call her Auntie.""

“No.” Nono shook her head. “Auntie has a robot that can talk and think. The gifts you gave are too Low.”

“We don’t want your gift!”

“I don’t want it either!”

“Feng Xianxian held her anger in her heart. It was neither up nor down, and she was about to suffocate.”

These damn children really didn’t have the ability to see at all! It was all in vain to curry favor with them previously!

“In order to smoothly gain a foothold in the Lin family, Feng Xianxian would bring gifts to the five children every time she came to the Lin family.”

“But this time, not only did the children confiscate her gifts, but they also addressed her as aunty instead of Auntie. All of them chased after ye Zao.”

“Chapter 595: 143: The Unexpected Dr. YC, a large-scale face-smacking scene! 4”

He was simply an ingrate!

“Ye Zao stood up from the swing. “Duan Duan, Dong Dong, Nuo Nuo, Yang Yang, Rui Rui, let’s go over there and play, Okay?” ”

“Okay.”

The five little guys followed behind ye Zao and ran away happily.

“In fact, children were the most intelligent.”

They could tell the difference between good and bad.

They could feel that Feng Xianxian was trying to please them with a purpose.

But Ye Zao was different.

The smile on Ye Zao’s face came from the bottom of his heart. There was no pressure at all when he was with her.

Feng Xianxian looked at their backs and stomped her feet angrily.

“Xianxian.”

Aunt Zhang suddenly appeared behind Feng Xianxian.

“What’s Wrong?” Feng Xianxian was shocked by Aunt Zhang’s sudden appearance. “Why are you so elusive?”

“Mrs Zhang continued, “Miss Qianhua asked me to come to you.” ”

Feng Qianqian nodded. “I understand.”

9 pm.

Feng Qianhua suggested to leave.

“Old Madam Lin said, “Let Jin City send you and Qianqian off.” ”

Feng Qianhua did not say a word.

She indeed lacked the time to be alone with Lin Jin city.

“Lin Jin city directly rejected her. “I’m not free, Mom. You can find someone else! I’ll go back to the East Wing First!”With that, Lin Jin city turned around and left. He did not want to stay in the west wing for another minute.”

“Looking at Lin Jincheng’s back, Old Mrs. Lin was a little angry.”

Not being free was just an excuse.

Ye Shu probably didn’t allow him to send her off!

Ye Shu stretched his hand too far.

“Seeing that old Mrs. Lin was about to get angry, Feng Qianhua smiled and said, “A chauffeur will come to pick us up. Aunt Lin, I won’t trouble brother Jincheng.” ”

“”Then I’ll ask the chauffeur at home to send you off.”Old Mrs. Lin looked at Aunt Zhang. “Aunt Zhang, ask Xiao Li to send Qianhua and Xianxian back.” ”

“Okay.”Aunt Zhang nodded and sent Feng Qianhua and her daughter out.

It was dark outside.

“Feng Qianhua looked at the darkness in front of her. “Aunt Zhang, do you think my persistence is right or wrong?” ”

She had guarded Lin Jin city for nineteen years.

“In the end, she got nothing.”

Feng Qianhua was a little afraid that she would get nothing out of it.

“Aunt Zhang quickened her pace and stood shoulder to shoulder with Feng Qianhua. “Of course it’s right. Qianhua, you’ve guarded it for nineteen years. Are you going to give up at such a critical moment?” ”

“Of course, Feng Qianhua didn’t want to give up.”

“But now, Lin Jincheng only had ye Shu in his heart.”

He didn’t give her a chance at all.

“Aunt Zhang lowered her voice and continued, “Lin Jincheng and ye Shu still sleep on separate beds.” ”

“Sleep on separate beds?”Feng Qianhua’s eyes lit up. “Really?”

“”Absolutely.”Aunt Zhang nodded. “So, you mustn’t give up at such a critical moment.” ”

The depression in Feng Qianhua’s eyes disappeared instantly.

“”Thank you, Aunt Zhang.” ”

“If the relationship between Lin Jincheng and Ye Shu was so deep, why would they still sleep in separate beds?”

This meant that the love between them had long passed its expiration date.

It was just a show.

“After all, Ye Shu had given birth to a son and a daughter for Lin Jincheng. ”

It was normal for Lin Jincheng to be grateful to her.

“Thinking of this, Feng Qianhua was full of confidence in herself again. ”

One day.

“She would kick ye Shu, this shameless mistress, out of the Lin family. ”

“Aunt Zhang continued, “Xianxian just won third place in the science and technology competition. The old lady was very happy and even asked her sons and families to send someone to attend Xianxian’s award ceremony. This shows that the old lady has already treated Xianxian as her biological granddaughter.” ”

“How can ye Zhuo compare to Xianxian?”

The pride in Feng Qianhua’s eyes became more obvious. “Aunt Lin really did this?”

““Of course, I heard it for real.” Aunt Zhang continued, “It’s not easy to get the third-class award in the science and Technology competition. Xianxian has brought glory to the Lin Family!”! Do you think the old lady would be unhappy? If it were that little b \* Tch Ye Zhuo, would she be able to get the third-class prize? I’m afraid she wouldn’t even be able to enter the science and Technology World!” ”

Ye Zhuo couldn’t compare to Feng Xianxian at all.

“After all, Feng Xianxian grew up with all kinds of training class presidents. She was proficient in all kinds of music, chess, calligraphy, and painting. ”

Could Ye Zhuo do it?

“Other than playing the piano, he didn’t know anything else. ”

“Hearing Aunt Zhang’s words, Feng Xianxian raised her shoulders. ”

She knew that no one could take away her position as the eldest daughter of the Lin family.

“Only ye Zao had taken it away now, and he would return it to her in the future. ”

“At this moment, ”

a black car stopped in front of the mother and daughter.

Feng Qianhua turned to look at Aunt Zhang. “I’ll go back first. You should go back too. The weather has been getting colder these few days. Please keep warm at night.”

Aunt Zhang nodded.

Feng Qianhua and Feng Xianxian got into the car.

Aunt Zhang watched the black car disappear into the night before she turned to leave.

“Chapter 596: 143: The Unexpected Dr. YC, a large-scale face-smacking scene! 5”

East Wing.

Ye Shu was playing mahjong with her three sisters-in-law in the living room downstairs.

“The four of them got along very well, chatting and laughing.”

“Lin Jincheng smiled and walked over. “Sister-in-law, sister-in-law, sister-in-law, sister-in-law, sister-in-law, sister-in-law. Do you want some water? I’ll go get some for you.””

Yang Wenyin glanced at Lin Jincheng. “There’s no need for water. Go get us some melon seeds and dried fruits.”

“Okay.”

Lin Jincheng went upstairs to get some food.

“Zhang Zhenzhen looked at ye Shu and said, “Jincheng has a good temper. If it were our husband, he would have overturned the Mahjong Table!””

“Yang Wenyin said, “Don’t mention it. My husband is the same. It’s annoying to see him!””

“Wu Mei took out a card and said with a smile, “That’s why none of our sisters-in-law’s lives are as good as Ah Shu’s. Not only does she have a good husband, but she also has a pair of outstanding children.””

“In the eyes of these three people, Ye Shu was simply a winner in life.”

“In their families, not only did they not have a daughter, but they did not even have a granddaughter.”

“Ye Shu touched a card and said somewhat embarrassedly, “I won.””

“You won again?”Zhang Zhenzhen was extremely surprised.

“One had to know that ever since ye Shu sat at the Mahjong table, she had been winning non-stop, as if she was possessed by a gambling god.”

Ye Shu was also in disbelief. She had never known that she had such good luck in playing mahjong.

“”Ah Shu, you have to treat us to dinner tomorrow!””

“Okay.”

“Not long after, Lin Jincheng went downstairs with melon seeds, dried fruits, and other snacks.”

In the western courtyard.

“Old Lady Lin asked Lin Qingxuan to stay and talk. Her eyes were slightly red as she said, “Qingxuan, Mom has let you down for what happened to Zhao shuning...”she had never done anything wrong in her life. This was the only thing.”

“Lin Qingxuan didn’t quite understand Old Mrs. Lin’s intention. She raised her head and said, “The matter has passed.””

“”Fourth brother,”old Mrs. Lin carefully chose her words in her mind. “You’re not young anymore. Have you ever thought about finding someone else? I feel sorry for you when I see you alone.””

“”Mom, I don’t have any thoughts about this for the time being.”Lin Qingxuan shook his head.”

It had only been half a month since the incident between him and Zhao shuning.

“At the moment, he didn’t have the mood to think about anything else.”

““But you’re already so old,” old Mrs. Lin continued, “If you were twenty or thirty years old, I definitely wouldn’t rush you. You have to know that you’re already forty-two years old, and your elder brother is ten years older than you. Duan Duan is already five years old this year.””

“The fifty-two-year-old eldest son of the Lin family already had a five-year-old grandson, but the forty-two-year-old Lin Qingxuan still didn’t have a son or daughter.”

“Old Mrs. Lin had thought that it was because Lin Qingxuan couldn’t have children, so she wasn’t anxious at all.”

But it was different now.

“Lin Qingxuan didn’t have any problems at all. Of course, it was better to find a wife early and have children.”

““Mom, I don’t want to get married just to have a child.” Lin Qingxuan continued, “This is not responsible for the woman, but also for myself.””

“Although he was over forty years old, Lin Qingxuan still did not want to make do.”

He had already experienced such a marriage once.

“For the rest of his life, he wanted to live according to his own ideas.”

““But isn’t life about getting married and having children?” Old Lady Lin continued, “If you marry a wife and don’t have children, what are you going to marry her for? To be a decoration?””

Wasn’t the mission of a woman to get married and have children?

Old Lady Lin didn’t understand Lin Qingxuan’s thoughts.

“Lin Qingxuan frowned slightly. “I can’t make sense of it with you. Anyway, I don’t want to find her yet.””

“Seeing Lin Qingxuan like this, Old Lady Lin Sighed, “Qingxuan, I know you’re still blaming me! But isn’t it for your own good? “If I knew that Zhao shuning was that kind of snake-hearted B \* tch, I wouldn’t have let her marry into our Lin family no matter what! “Everyone has their own blind spots. Can’t you forgive me this time?””

The poor hearts of all parents.

Why couldn’t Lin Qingxuan tolerate her more?

“”Mom, that matter has already passed. It’s meaningless to bring up the past again,”Lin Qingxuan continued, “I don’t want to look for her now. It’s my own problem. It has nothing to do with you.””

“Old Mrs. Lin continued, “There’s a pretty good girl in Qianhua. She’s 38 years old and unmarried. I heard that she even went to female Durban. Her character and character are very good. Do you want me to arrange for you to meet her?””

Female Durban?

Lin Qingxuan even thought that she was listening to nonsense!

What era was it now? There was actually someone who brought up this kind of old feudalism where the three followed the four virtues and trampled on women!

“”No, we are not suitable.”Lin Qingxuan directly refused.”

“Chapter 597: 143: An Unexpected Dr. YC, a large-scale face-smacking scene! 6”

“A layer of anger appeared in Old Mrs. Lin’s eyes. “We haven’t even met, and you already know that it’s inappropriate? Fourth brother, I’ve already apologized to you for Zhao Shuning’s matter. What more do you want me to do?” ”

Killing someone was just a nod of the head.

Could it be that Lin Qingxuan wanted to watch her mother die of guilt?

“Lin Qingxuan could not be bothered to say anything more to Old Madam Lin. “Mom, I know what I’m doing. You Don’t have to worry about me anymore! It’s getting late, I’ll go back to my room first.” ”

“After saying that, she turned around and left. ”

“Looking at Lin Qingxuan’s back, Old Madam Lin was furious. ”

She had thought that Lin Qingxuan was the most obedient son in the family.

She did not expect that even Lin Qingxuan had changed.

“Aunt Zhang narrowed her eyes and walked to Old Madam Lin’s side. “Old Madam, it seems that after ye Shu that woman entered the Lin family, everything in the family changed. Even your illness became serious.” ”

Aunt Zhang’s words woke her up from her dream.

Yes!

Aunt Zhang was absolutely right.

“In the past few days, her cough had indeed become more serious. ”

“Before ye Shu entered the Lin family, Lin Ze was a good grandson, Lin Jincheng was a filial son, and Lin Qingxuan and the other sons and daughters-in-law in the family were all very filial. ”

“Ever since ye Shu married into the family, everything had changed. ”

Even the obedient Lin Qingxuan had changed.

Ye Shu was simply a Jinx!

Old Lady Lin furrowed her brows tightly.

“Aunt Zhang continued, “If Miss Qianhua had successfully married into the family, there definitely wouldn’t have been so many things happening.” ”

Old Mrs. Lin was furious. “This jinx is here to harm our Lin family! Just you wait! I’ll kick her out for sure! She doesn’t deserve to be part of our Lin Family!”

Aunt Zhang looked at Old Mrs. Lin with a glimmer in her eyes.

“Old Mrs. Lin continued, “We’ll deal with these troublesome matters later. Xianxian awards ceremony is on Saturday. Help me prepare a set of clothes suitable for the awards ceremony.” ”

“As the first person in the Lin family to win a science and Technology Award, Old Mrs. Lin attached great importance to Feng Xianxian’s award ceremony. ”

““Okay.” Aunt Zhang nodded, she smiled and said, “Xianxian is indeed the daughter of Miss Qianhua. Although she didn’t perform well in the college entrance examination, she won an award in the science and Technology Competition! I heard that not everyone can win a science and Technology Award!” ”

So what if Lin Ze was the top scorer in the college entrance exam?

The top scorer in the college entrance exam still lost to Feng Xianxian!

“Old Lady Lin smiled and said, “Although Xianxian is not of the Lin family’s bloodline, she still has the style of my youth.” ”

“”After all, she was raised by your side since she was young. It’s normal for her to be like you,” aunt Zhang echoed. ”

Old Lady Lin nodded.

...

Feng Xianxian had been preparing for the award ceremony for the past few days.

“After all, it was Dr. YC who had shocked the entire scientific and technological world personally presenting the award. She had to dress solemnly. It would be best if she could make Dr. YC’s eyes light up and notice her immediately. ”

“If she wanted to gain a foothold in the scientific and technological world, she had to rely on her ability and connections. ”

“If she could make Dr. YC see her in a different light, it would be a supreme honor. ”

Those who could become professors were definitely not young.

Feng Xianxian’s greatest trait was that she was good at pleasing the elderly.

“The elderly did not like girls who wore heavy makeup, so she prepared to put on nude makeup. ”

“After putting on makeup, Feng Xianxian turned to look at Bai Xiaoman beside her. “What do you think about me putting on this makeup and going onstage to receive the award?” ”

“”It looks good, it looks good!”Bai Xiaoman was extremely envious of Feng Xianxian. “Xianxian, you’re really amazing! I heard that our school has a total of over 2,000 people participating, but you actually managed to get third place!” ”

“A hint of pride flashed across Feng Xianxian’s eyes before disappearing. “It’s alright. I wasn’t feeling well on the day of the competition. Otherwise, I shouldn’t have any problems getting first place.” ”

“Speaking up to this point, Feng Xianxian’s gaze swept past Ye Zao. ”

Ye Zao must be very envious of her right now!

Third place in the science competition!

She could even shake hands with Dr. YC.

Ye Zao would probably never be able to reach her level in this lifetime.

“Thinking of this, Feng Xianxian’s heart was filled with a sense of superiority! ”

“When she said this, Bai Xiaoman was even more envious. “Xianxian, how did your brain grow? ! You’re too smart! Unlike some people who don’t even have the qualifications to register for the competition!” ”

These words were meant for Ye Zao.

Unfortunately.

Ye Zhuo completely ignored her.

“Feng xianxian continued, “Oh right, Xiaoman, do you want to participate in the award ceremony?” ”

“”Yes! Of course I want to!” Bai Xiaoman hurriedly nodded. “Unfortunately, to participate in the award ceremony, you need a ticket! Otherwise, I would definitely join in the fun.” ”

“Chapter 598: 143: The Unexpected Dr. YC, a large-scale face-smacking event! 7”

This award ceremony was not something that just anyone could attend.

“The people who came were either the winners, their families, or scholars who had contributed to scientific research. ”

“Feng Xianxian smiled and said, “It’s just an admission ticket. I can get as many as I want.” ”

“Really?” Bai Xiaoman said in surprise.

“Feng Xianxian continued, “The admission ticket is an electronic ticket. I’ll send it to your phone in a while.” ”

“”Okay!” Bai Xiaoman said excitedly, “Thank you, Xianxian!” ”

“You’re welcome! You’re my good friend. This is the treatment that good friends should receive.”

Feng Xianxian especially emphasized the words ‘good friend’.

“At that time, Feng Xianxian originally wanted to rope in Li Yueyue to isolate ye Zao together. ”

She did not expect Li Yueyue to reject Feng Xianxian without knowing what was good for her!

"If Li Yueyue had not rejected Feng Xianxian, Feng Xianxian would definitely have brought Li Yueyue along. "

"Bai Xiaoman turned around to look at Li Yueyue, "Li Yueyue, I see that you also admire Dr. YC. Why Don't you apologize to Xianxian? Our Xianxian is so kind. On account of your apology, she will definitely forgive you and give you a ticket!" "

"You want me to apologize to her? In Your Next Life!"She was not the kind of person who would bow down to evil forces just for a ticket.

"Bai Xiaoman smiled and said, "Things are different now. Li Yueyue, you have to judge the situation!" "

"Li Yueyue sat next to ye Zao and said through gritted teeth, "A villain gets what he wants!" "

It really made people unhappy!

Ye Zao raised his eyebrows slightly. "Do you want to go?"

"I don't want to Go!"Li Yueyue denied.

Ye Zao picked up his phone.

"A few seconds later, he continued, "Look at your phone." "

"Why are you looking at your phone?"Li Yueyue was stunned.

"Although she didn't understand ye Zao's intention, Li Yueyue still looked at it. When she looked at it, she immediately jumped up from the ground. "

Admission tickets!

Admission tickets to the award ceremony!

“Ah Ah Ah! Big Zao! I really love you to death!” Li Yueyue wanted to hug ye Zao and kiss him.

She was really very excited!

“Seeing Li Yueyue suddenly become like this, Bai Xiaoman frowned.”

Did Li Yueyue lose her mind because she couldn’t go to the award ceremony?

Crazy!

“Feng Xianxian looked at Li Yueyue, her eyes full of sympathy. “Xiaoman, since someone doesn’t know what’s good for him, forget it. I haven’t had dinner yet. Come with me.” ”

“Okay!” Bai Xiaoman nodded.

The two of them walked out of the door together.

“After the two of them drove them away, Li Yueyue looked at ye Zao and asked, “Zao Zao, where did you get this admission ticket? Did you also participate in the award ceremony?” ”

Ye Zao nodded slightly.

“”Holy Sh \* t! Then you also participated in the Science and technology competition? Which Place did you get? It Can’t be the first place, right?” ”

""I didn't participate in the competition,"ye Zhuo answered. "

"Li Yueyue said in puzzlement, "But doesn't this mean that only those who win the prize will have admission tickets?" "

Ye Zhuo raised his eyes slightly. "Because I'm the award presenter."

"But isn't the award presenter Dr. YC?"

Ye Zhuo nodded slightly.

"Li Yueyue smiled and said, "Da Zhuozhuo, you're not going to say that you're Dr. YC, are you?" "

"Congratulations on guessing correctly."

""Stop joking!"Li Yueyue continued, "Oh, I know. Your brother must have also participated in the science and technology competition. Did he get first place?" "

"I am really Dr. YC."

"Li Yueyue lowered her voice and said seriously, "To tell you the truth, I am actually Dr. YC's daughter!" "

1

Ye Burning:" ..."

"In the blink of an eye, it was Saturday. "

The award ceremony was held in the center of Beijing.

Li Yueyue arrived at the venue on time with the tickets given to her by Ye Zao.

“When Bai Xiaoman saw Li Yueyue, her face was filled with disbelief. “Why are you here too?” ”

“Li Yueyue said, “Do you really think that Feng Qianxian is the only person in the world who has tickets!” ”

Bai Xiaoman narrowed her eyes.

“At this moment, she suddenly saw a familiar figure. ”

Ye Zao?

Where did ye Zao get the tickets.

“Bai Xiaoman quickly ran to Feng Xianxian’s side. “Xianxian, I think I saw ye Zao Just Now!” ”

“Feng Xianxian was stunned for a moment, then she smiled and said, “I gave her the tickets, so it’s normal for her to come.” ”

“Because of Old Lady Lin, Feng Xianxian gave her a lot of tickets. ”

Ye Zao’s tickets were definitely hers!

How Shameless.

She actually used her tickets to attend the award ceremony.

“Bai Xiaoman said in surprise, “Ah? Why did you give her tickets?” ”

“Feng Xianxian said, “Actually, I didn’t give them to Ye Zhuo directly. I gave them to her family.” ”

Bai Xiaoman snorted. “Then she’s really shameless!”She actually came uninvited!

Old Lady Lin and the Lin family members also came.

“Old Madam Lin turned to look at Feng Qianhua and said unhappily, “Why don’t we see Jin City?” ”

Feng Qianhua looked at the entrance. “Don’t you see that it’s Here?”

Not only did Lin Jin city come.

Even ye Shu came with them.

The husband and wife were dressed in formal clothes and looked very formal.

“Old Madam Lin said unhappily, “It’s not like her daughter won the award. Why did she come? She’s embarrassing herself!” ”

The smile on Feng Qianhua’s face did not fade.

She did not expect ye Shu to come.

“After all, this award ceremony had nothing to do with Ye Shu. ”

It seemed that Lin Jincheng must have asked ye Shu to come!

This meant that Lin Jincheng still cared about her and Feng Xianxian from the bottom of his heart.

""Aunt Lin, it's a good thing that Sister Ye Shu is here. It means that she's also happy for Xianxian."" "

Old Mrs. Lin snorted coldly and did not say anything.

"At this moment, Feng Xianxian, who was wearing a uniform from the capital university, walked over.  
"Mother, grandmother, you're all here!" "

"Feng Qianhua smiled and said, "I'm not the only one here. Your uncle and aunt are here too." "

Feng Xianxian immediately greeted the others and sat down.

"Feng Qianhua looked at Feng Xianxian, then at Lin Jincheng and Ye Shu. Her face was full of pride. "

Just like what Old Lady Lin said.

Ye Shu was here to embarrass herself.

"After all, the winner was her daughter. "

What was the use of Ye Shu dressed so formally?

"At this moment, the host walked onto the stage and began the award ceremony. "Now, let's welcome the third winner of the YC science and Technology award, Feng Xianxian from the Finance Department of Beijing University, to the Stage!" "

The audience gave a warm round of applause.

"Under everyone's gaze, Feng Xianxian walked up to the stage step by step. "

“The host continued, “Now, let’s welcome the second winner of the YC Science and Technology Award, Student Chen Zhaomu from Qinghua University’s Computer Science Department, to the Stage!” ”

After Chen Zhaomu went up to the stage.

“The host then announced the winner of the first place. “Now, let’s welcome the first winner of the YC science and Technology Award, Student Lin Ze from Beijing University’s computer science department, to the Stage!” ”

Lin Ze?

“Feng Qianqian was stunned, and her face turned slightly pale. ”

She had never dreamed that Lin Ze would actually be the winner.

It wasn’t just Feng Qianqian.

Even the Lin family’s relatives below the stage were stunned.

1

Old Mrs. Lin thought she was seeing things. “That... That’s Ah Ze?”

“Just last night, she had thought that Lin Ze was inferior to Feng Qianqian in everything. ”

She didn’t expect that he would be slapped in the face in the blink of an eye.

Feng Qianhua didn’t feel good either.

“Just now, she was laughing at ye Shu for embarrassing herself...”

“But fortunately, Ye Zhuo wasn’t in second place.”

It seemed that ye Zhuo still couldn’t compare to Feng Qianxian.

“The award ceremony on the stage was still going on. “Next, let’s invite Dr. YC to present the awards to the three of you.” ”

Everyone’s eyes moved to the red carpet.

They saw a tall and slender figure in formal attire slowly walking over.

Feng Xianxian was stunned. Her face instantly turned pale and she almost lost her balance.

That... That Was Ye Zhuo?

“Chapter 599: 144: face-smacking, glorious! 1”

How did ye Zao appear at the award ceremony?

Could she be Dr. YC?

No.

Impossible.

Ye Zao was definitely not Dr. YC.

She was seeing things.

She must be seeing things.

How Could Ye Zao be Dr. YC?

It couldn't be!

Feng Xianxian comforted herself in her heart.

"But as the figure got closer and closer to her, Feng Xianxian's face became paler and paler, and her back broke out in cold sweat."

"The person on the red carpet had a slender figure, and his eyes and brows were like paintings."

"As he walked, he carried with him an innate aura."

The tall mountain stopped.

It was ye Zao.

This was ye Zao.

It really was ye Zao.

Why was ye Zao Here?

What was she doing here?

Feng Xianxian gulped and tried her best to calm herself down.

“Lin Ze, who was beside her, was also stunned. ”

Could it be...

That the Dr. YC he admired the most was his own younger sister?

This seemed a little surreal.

It felt like a dream.

“Looking at the person walking on the red carpet, the Lin family’s relatives below the stage were all dumbfounded. ”

“Is that person little twelve?”

“I think so!”

“Why is little twelve walking on the red carpet for the presenters?”

“Auntie! Auntie is so cool!”Duan Duan Duan clapped excitedly when he saw ye Zhuo.

“Yang Wenyin looked at Wu Mei, her eyes full of shock. “Sister-in-law, little twelve can’t be Dr. YC, right?” ”

Wu Mei didn’t say anything for a long time.

One had to know.

Ye Zhuo was only 19 years old this year.

If she was Dr. YC...

Then how terrifying was her strength?

How many people could be called doctors at the age of 19?

“Moreover, this science and Technology Award was named after Dr. YC! ”

“”Are your heads stuck in the door? How can this Wild Girl Be Dr. YC? Do you think this is selling cabbages on the street? Anyone can be a doctor?”Old Mrs. Lin frowned tightly, she said angrily, “The host asked Dr. YC to go on stage. Why is this wild girl going on stage? She has no manners at all! She has almost embarrassed the Lin Family!” ”

Ye Zao was Dr. YC?

It was a big joke!

How could a person like ye Shu raise a good daughter?

“Fortunately, Lin Ze grew up by her side. ”

She taught Lin ze well by example.

“If Lin Ze had grown up by Ye Shu’s side like ye Zao, he would have been spoiled long ago! ”

Feng Qianhua and old Mrs. Lin had the same thought.

The title of doctor was not so easy to get.

How Old was ye Zao?

He was only nineteen.

“Feng Qianxian was so talented, but she had only gotten third place.”

Could Ye Zao surpass Feng Qianxian and become a doctor?

In her dreams!

“Feng Qianhua smiled and said, “Aunt Lin, don’t be angry. Maybe Zao was envious when he saw Ah Ze and Xianxian winning the award. He wanted to go up and congratulate Ah Ze and Xianxian, right?” ”

What was the use of being envious if she was not capable?

Her daughter was still a good person!

“Although Feng Xianxian got third place, Feng Qianhua was still very happy.”

“After all, among the three people who won the award, only Feng Xianxian was a girl.”

This meant that Feng Qianqian was extremely talented!

“They were both nineteen years old, but ye Zhuo did not even qualify for the competition, while Feng Qianqian was the third winner.”

Ye Zhuo could not compare to Feng Qianqian at all.

Ye Zhuo could not even compare to one-thousandth of Feng Qianqian.

Her daughter was destined to become a top person.

“In front of so many people, it had to be said that Feng Qianqian gave her a hard time. ”

“Thinking of this, a carefree smile appeared on Feng Qianhua’s face. ”

“Old Madam Lin snorted coldly. “Even if you want to congratulate her, don’t you see the occasion? She’s letting Dr. YC go on stage now! Why is she running around like a clown? If this gets out, people will think that our Lin family has no rules!” ”

A wild girl is indeed a wild girl!

She doesn’t have the ability to see at all!

Why doesn’t she take a look at the occasion!

What a disgrace!

Old Mrs. Lin wanted nothing more than to immediately pull ye Zao down from the stage.

Feng Qianhua had a smile on her face and didn’t say anything.

Old Mrs. Lin was right.

Ye Zao was a clown.

He was extremely ugly.

“Old Mrs. Lin turned to look at Lin Jincheng and said in a low voice, “Jincheng! Hurry up and call this wild girl down! If she doesn’t find it embarrassing in front of so many people, our Lin family can’t afford to lose face!” ”

“At this moment, ye Zao walked from the red carpet to the stage. ”

The spotlight fell on his exquisite eyebrows.

It was as bright as the stars.

““Dr. YC, I’ve heard so much about you!”The host hurried to welcome ye Zao, “Come! Let’s give a round of applause to welcome the Doctor!” ”

““Hello, host.”Ye Zao nodded slightly. ”

“Chapter 600: 144: face-smacking, glorious! 2”

Seeing this scene.

The Lin family relatives below the stage were completely petrified.

Dr. YC!

Ye Zao was really Dr. YC!

Oh My God!

“Old Mrs. Lin just stood there in a daze on the chair. Looking at Ye Zao on the stage, her face was livid, and her breathing was difficult. Her eyes were filled with disbelief.”

“Just a moment ago, she had despised ye Zao for embarrassing himself. But now, this embarrassing person had actually transformed into Dr. YC!”

How Could Ye Zao be Dr. YC?

What was going on?

“She had taught Lin Ze so well, and Lin Ze had only gotten first place.”

Ye Zao was actually a doctor!

Was she dreaming?

“Old Mrs. Lin’s heart was in a mess, and she felt very uncomfortable.”

“However, Lin Jincheng added fuel to the fire. “Mom, do you still feel that Zao Zao is a disgrace now?” ”

“Old Mrs. Lin’s face was flushed red with shame. Her entire neck was red with shame. She pursed her lower lips and wanted to say something, but in the end, nothing came out of her mouth.”

Then she looked at Feng Qianhua.

She also lost her composure.

“From the moment ye Zao walked onto the red carpet, she had felt that ye Zao was here to be humiliated. ”

But she had never expected that ye Zao would actually be the one in the limelight.

“One second ago, she was proud that Feng Qianxian was the only girl in the award. ”

“But in the blink of an eye,. ”

Ye Zao gave her a heavy slap.

“Compared to the Doctor Who presented the award,. ”

Third place was nothing?

“Moreover, this award was created by Dr. YC. ”

And now ye Zao was Dr. YC himself.

Didn't this mean that Feng Qianxian received the award created by Ye Zao?

What was this?

“Feng Qianhua held back her anger. It was neither up nor down, and it was worse than being dead for a while. ”

She had always looked down on ye Zao.

She thought that ye Zao came from a small place and couldn't make a name for himself.

But today...

It was this piece of trash that she had always looked down on that made her so embarrassed.

“However, the relatives of the Lin family were still lamenting that ye Zao was amazing.”

“Little twelve is really amazing!”

“In the future, our Lin family will also have a backer in the scientific and technological world.”

“Fifth sister-in-law taught the child really well!”

The person who had just been praised by them was still Feng Qianxian.

On the stage.

Miss Etiquette brought over the trophy and medal.

“The host said, “It’s been hard on the Doctor to present the awards to the three winners.””

“Ye Zao picked up the bronze medal and walked in front of Feng Qianxian. His expression remained the same. “Congratulations, student Feng.””

“Looking at ye Zao in front of her, Feng Qianxian felt like she was going crazy. It was as if all the strength in her body had been sucked out at that moment.”

Her heart was in a mess.

She had thought that she would be able to make a name for herself today.

“She did not expect that first, it was Lin ze who took first place. ”

“Then, Ye Zao inexplicably became Doctor YC! ”

Doctor!

“In front of the title of doctor, her third place was just a joke! ”

Feng Xianxian felt a chill run down her spine as she bent down stiffly.

Ye Zhuo placed the bronze medal on her neck.

“”Thank, thank you doctor.” ”

Feng Xianxian said these five words with great difficulty.

Looking at the bronze medal on her chest.

She was not happy at all.

It was a great humiliation!

“To her, this was simply a great humiliation! ”

Ye Zhuo smiled slightly. “Student Feng has performed very well in this year’s science and technology competition. Continue to work hard in the future.”

Every word that ye Zao said turned into a resounding slap that landed directly on Feng Qianxian's face.

Without Mercy.

On purpose.

Ye Zao must have done it on purpose.

She was deliberately humiliating her.

"You did it on Purpose?" Feng Qianxian gritted her teeth.

"Ye Zao smiled faintly and reached out to straighten Feng Qianxian's collar. He leaned slightly and said in a low voice, "When you sit in my current position, you will have the right to judge whether I did it on purpose or not. The current you is still not qualified." "

"Feng Qianxian clenched her fists and recalled what she had said in the dormitory these past few days. Back then, she was so proud, but now, she was in a sorry state. The humiliation in her eyes was almost overflowing. "

"Ye Zao patted Feng Qianxian's shoulder. "Student Feng, you can do it. I believe in You!" "

"In the eyes of others, this sentence was ye Zao's encouragement and praise for Feng Qianxian. "

"But in Feng Xianxian's eyes, there was only sarcasm. "

It was the greatest sarcasm!

"However, at this moment, Feng Xianxian did not have the slightest ability to fight back! "

“Not only could she not fight back, she even had to bow and say thank you to Ye Zhuo.”

“In the instant she bent over, the sinister look in Feng Xianxian’s eyes was about to overflow.”

Wait!

“One day, she would take back the humiliation that ye Zhuo had given her today, with interest.”

Ye Zao then gave the second prize.

The winner of the second prize was Chen Zhaomu.
